Important Meeting Camp Fire Girls and Boy Scouts

Tuesday afternoon at a very important meeting concerning Camp Fire Girls and Boy Scout Burkburnett will be according to D. F. Doug-

and boys, their and all others inter- this work are urged to the Chamber of Commerce office. The future of two organizations in depends on the taken at this meeting, Burkburnett boys and to have advantage youth training next 100,000 must be raised. A deficit from last year makes the obli-

g need about \$800, Scouts \$1,000. Hill, finance chair- the Camp Fire Girls McClarty, finance for the Boy Scouts, you be present.

### Gordon Clement To Preach Here Sunday Night

Gordon Clement, son of Mr. and Mrs. Frank Clement, will preach the evening service at the Church of Christ, Sunday night, Nov. 10. His subject will be "The Christ That Christians Know."

### Schools Observe Holiday Monday

Announcement was made this week by Ralph Davis, that the schools will close Monday, November 11, for the Armistice Holidays.

### Meanest Kid

Whoever set fire to the pile of boxes, paper, wood, etc., down by the High school Wednesday night could easily qualify for the title "Meanest Kid In Town".

School children have been gathering bon fire material for more than a week to set off prior to the foot ball game with Crowell Friday night.

To say the least, there was no sportsmanship in the act.

### Lions Minstrel Tuesday, Nov. 26

Tuesday night members of the Lions club practiced on the colored minstrel which will be presented from the stage of the Palace Theatre on Tuesday night, November 26th.

Lion A. E. Harrison is Inter-locutor, with fourteen other bright (?) end men to furnish fun all through the program. Bud Hicks, a long tall nigger from deep East Texas, does his part to hold up the center of the line. Homer Gilbert, a short nigger, has more trouble than any one person should be called on to bear.

Some of the colored boys have family troubles, and some feel the hands of the law but all come out all right with wise cracks and home-spun philosophy.

Beautiful young ladies lend their voices in melody and add color to the scene with flowing evening dresses.

Specialty numbers by local and imported talent will make this one of the most successful productions ever to be witnessed by local citizens.

Advanced ticket sales will start next week.

In addition to the minstrel, a good moving picture will be shown from the screen.

### Hallowe'en Quiet In Burkburnett

Hallowe'en night was much quieter in Burkburnett than usual. Several children, dressed in costumes and masks made the main drag several times and did their usual soap markings on show windows, but other than that, no damage was reported.

### Stores To Close All Day Monday

Monday, November 11th, will be a holiday for all Burkburnett stores. Armistice is one of the five days of the year members of the Chamber of Commerce voted to observe during the year.

Special notice is called to attention of housewives that all laundries will be closed Monday.

### Burk Men to Aid County Board On Juvenile Cases

County Juvenile Officer J. A. McDonald was authorized Saturday by the Wichita County Juvenile Board to invite three citizens of Burkburnett to participate in deliberations of the Board whenever a Burkburnett case was involved.

Judge H. W. Fillmore, chairman of the board, said the action was taken in order to insure adequate liaison between the board and special circumstances or conditions with which a resident of a community would be familiar.

Meeting in regular session Saturday, the board, which is composed of three district judges and advisory members from several of the city's men's service clubs, completed recommendations in cases of juvenile delinquency.

In the case of a 12-year-old Burkburnett youth who admitted the burglary of a laundry, a cleaning establishment and several filling stations, the board adopted the same procedure as in other cases, but additionally required that the youth personally render to the board a report of his school attendance and grades at 30-day intervals.

The next meeting of the board is set for November 23rd.

Mrs. H. A. Goodwin who has been ill at her home for the past few weeks is reported to be feeling better at this time.

### First Baptist Church

Sunday night we are to have as our guest the football boys, with their coaches, and the band members. These are to be our Honor Guest.

The youth choir will sing and the pastor to speak Sunday Morning on "Behold The Man."

Sunday night "The Game of Life."

### Truman Garland Bull Dogs Booster

Tuesday Truman Garland called the Star office to ask if it would be possible to get a page ad to boost the foot ball boys Friday night in their game with a strong team from Crowell.

The newspaper situation was such that two additional pages could be printed this week and Truman had copy for the ad in the office before mid-afternoon.

This booster ad, along with the names of the merchants who made it possible, appears on page nine. Probable starting line-ups and reserves for both teams are included on the page.

### C. of C. Directors Met Monday Night

Directors of the Chamber of Commerce met Monday night for a regular meeting, at which important business matters were discussed.

A majority of directors and other business men were present.

A motion to lend Boy Scout Troop 155 \$25.00 for a revolving fund passed unanimously. This fund is sponsored by the C-C.

To aid the American Legion with their Armistice Day Celebration, \$150.00 was voted for the Hardin College 70-Piece Band, which will participate in the parade and give a concert preceding the main address.

A nominating committee composed of Virgil Brookshear, Leo Dudley and Tom Boyd was appointed to make a list of new directors for 1947.

Plans for the annual banquet were also discussed.

Mr. and Mrs. P. A. Wiggins are in Trenton, Mo., this week. They attended funeral services Sunday for Mr. Wiggins' sister-in-law, Mrs. Richard Wiggins.

### Deputy Sheriff

C. A. GRAY  
Carrying out a policy he adopted early in his campaign for Sheriff of Wichita County, Sheriff-elect Hammett Vance has announced appointment of a complete new staff for that department, effective Jan. 1st.

C. A. Gray, Post Commander of the Oscar Frye Post, American Legion, has been named as deputy for Precinct No. 2.

Mr. Gray, a resident of Burkburnett since 1929, has operated a shoe repair shop here during those years. He has also taken an active part in Legion work, church and civic activities. Mr. and Mrs. Gray have one daughter.

### Food Too \*! High

This week a woman went into the City Grocery and Market and purchased a bill of goods.

When the list was run up on the adding machine, the total came to \$3.67. The woman got out her purse and said "If these damn groceries don't quit going up, we'll all starve."

She had bought \$2.85 worth of cigarettes and 82c worth of groceries. Total, \$3.67.

### Bull Dogs Swamp Iowa Park 26 to 12

Burkburnett foot ball team went over to Iowa Park last Friday night and walloped the Hawks to the tune of 26 to 12.

Gibson scored in the first and second quarters and added the extra point after the second marker from placement.

At the opening of the third period, the Iowa Park kick-off was passed off to Gibson, who galloped 85 yards for the touchdown. Later in the period Iowa Park scored, Watts carrying the ball.

In the closing period, Potts put over the final Bulldog touchdown and Pair converted from placement.

Watts also scored the second touchdown for the Hawks.

### Two Inch Rain Covers Burk Area

Burkburnett area was soaked with a two inch rain which began falling Sunday and came at intervals through Monday and Tuesday.

Temperature dropped sharply the first reminder that winter is just around the corner.

Although cotton picking has been stopped dead, wheat farmers are happy over the much needed moisture.

### 70-Piece Band To Give Concert

### EDWARDS SPEAKS

Burkburnett will have its first Armistice Day celebration in many years next Monday, November 11th.

Oscar Frye Post, No. 264, of the American Legion, is leaving nothing undone to make this observance complete in every detail. Leo E. Dudley, chairman of the program committee, has arranged a program that should meet with the approval of all local citizens.

At sunrise Legion members will decorate graves of fallen comrades.

A breakfast of ham and eggs, coffee, etc., for Legionnaires and their wives will be given at the Legion home at 8 o'clock.

A gigantic parade will form at the Grade school at 9 A. M. Floats, cars, school children, Legion members and the 70-piece Hardin College Band will make up the bulk of the parade.

Hardin College Band will give a concert in front of the Honor Roll on Main Street at 10:30. At eleven o'clock a minute's silence will be observed in memory of departed comrades. The firing squad will give a salute at 11:01, followed by Taps. Rev. T. H. Minga will give invocation after Taps.

Post Commander C. A. Gray will introduce Legionnaire Sol Glickman of Wichita Falls, who will intone introduce the featured speaker, Prof. A. F. Edwards. Mr. Edwards is professor of history at Hardin College, and also a noted radio news commentator.

### Election Interest Very Slim Here

Very few voters turned out in Burkburnett precinct for the election Tuesday. Only about one-third of the vote strength was polled.

All amendments were favored, as were Democratic candidates.

Another election is being held today, vote on the G. I. land grant amendment. By an error in setting up the date for the 7th instead of the 5th made the extra election necessary.

Mrs. Patsy Choate and son Reggie of Lubbock were here for a week's visit with her grandmother, Mrs. Fannie Huffman and uncle and aunt, Mr. and Mrs. Luther Hatch.

Capt. S. K. (Kent) Reger returned last week from Denver, Colorado, where he has been stationed for the past few weeks. At the close of his terminal leave, he will receive his discharge from Lowery Field, Colo.

### Subscription List Being Checked

This week the Star subscription list was checked and all delinquent readers are being mailed a reminder that their time is out.

If you receive a notice and have already renewed, please let us know. Every effort is made to keep the records in order, but sometimes errors will be made in spite of all precautions.

Subscribers who are delinquent will be dropped from the list after this week. We are using all the newsprint our quota allows, but that is not enough to carry paid up subscribers and delinquents too.

The price of newsprint to us has gone up 42 per cent, which makes it necessary to raise the price of subscriptions effective January first. After that date local subscribers will pay \$2.00 per year; those out of town \$2.50.

## FEWER DUCKS

The hunter was handicapped in his sport when the war cut down on shells. Now that order is restored to the nimrod's equipment it seems the game will not co-operate. Due to dangerously low level in the duck population, the hunter is under government restrictions limiting the season of 1946 to 45 days instead of the usual 80. The Department of the Interior states that the population of most species of wild ducks declined from a peak of 125,350,000 of 1944 to around 80,000,000 this year. If one questions the number he might start counting as these fly overhead. Many of us in Burkburnett have been hazarding a guess every time we see wild ducks in flight.

## STARTING NOW

It isn't too early to begin the Christmas gift selection. A number of people are busy selecting cards, others are gleaming ideas for making their own holiday greetings. If you sew you can be relieved of many gift worries. For gardeners there are ordinary canvas gloves embroidered on the back in colorful wool flowers. Householders can use aprons with deep pockets and so can the woman who works in the yard. Perhaps you will part with some special preserves you canned. Maybe a friend would like a gift of bulbs. A child would like a variety of cacti to watch grow. Better begin that Christmas list now.

## INSPIRATIONAL

### Who Gets Off Easiest— Men or Women?

Maybe you saw that poll on who has the easiest life—men or women? Of course, the men voted that the women did, and the women vice versa.

It would be the same in our town—take any family. Thad Hibbs envies his Missus spending the day at home, with no hot office to attend to. And Sue envies Thad his luncheons with the boys; and his evening glass of beer with friends (while she cleans up the dishes in the kitchen).

Of course, none of it goes very

deep. Thad knows way deep down that the Missus has plenty of work running a house; and Sue knows Thad's friendly glass of beer is well-deserved relaxation after a long hard day's work.

From where I sit, most husbands and wives may grumble now and then—but they know in their hearts it's a case of live and let live, give and take, that comes out pretty even in the end.

## Burkburnett . . . . History

As revealed by the files of the Star 10 years ago.

S. A. M. Cooper, proprietor of the Coper Motor Co., left Tuesday for Detroit, Mich., to attend the preview showing of the new 1937 Fords.

George Byerly and Charlie Grace were summoned before the grand jury in Wichita Falls Wednesday.

Jim Alexander was a business visitor in Walters, Oklahoma, Wednesday afternoon.

Burkburnett took one of the largest delegations to the Iowa

Park County fair that has left this city for any similar occasion during the last few years.

C. J. Duncan, newly elected superintendent of the Burkburnett school system, assumed the office last Monday morning formerly to replace Butler Westfield, who had been associated with the schols for the past 15 years.

Mrs. M. C. Tucker and Mrs. H. C. Gilbert attended the music club in Walters, Oklahoma Thursday.

banquet, which is an event of late spring.

This week everyone is talking about the big pep rally and bonfire to be held on the high school grounds, Thursday night. We want to see the Bulldogs defeat Crowell Friday night.

### 11-2 NEWS

Our home room has been coining donations for advertising the pep rally for the football boys Thursday night. We all plan to be there to give our boys a good send off.

### 10-1 NEWS

A girl was chosen out of each class this week by the football boys to be voted on as queen. Out of the Sophomore class, Jimmie Sue Lane was chosen. We hope everyone will vote.

The Bulldogs played a very exciting game with Iowa Park Friday night. The score was 26-12 in our favor.

Next Thursday Burk High is having a big bonfire and parade for their game with Crowell. We know our Bulldogs will play a good game after we cheer them Thursday night.

"Another feature I like about Prince Albert," adds Carl Tatum, "is the fact that it's crimp cut. Packs better, and draws cool and easy right down to the bottom of the bowl."

## Parents Of Troop No. 155 Boy Scouts

As the parents of a Boy Scout Troop No. 155, you are extended

a cordial invitation to meet with all the parents of the Scouts of Troop 155 at the Town Hall in Burkburnett at 7:00 in the evening of November 11th. You are to bring a covered dish and be present to hear and see for yourself just what scout-

ing really is and means to the boys of our community. There will be demonstrations put on by the Scouts themselves of skills learned in scouting, which will prove to you that scouting is really worth a great deal, both to the scout himself and to our com-

munity. There will be talks and demonstrations by Carlos Baker, Jack Lynn and Jimmy Hale, Scout Executives with years of experience on advantages and opportunities of the Scouting program. You will have an opportunity of meeting the men who are responsible to you for the Scouting program and the leaders and ev-

ery person connected with the troop. You will have Scouting explained from every angle and we feel sure you will enjoy the evening. Scout Masters and Committeemen.

## BURK CITIZENS TO PRESENT "THE CRIMINAL"

One of the most thrilling plays ever heard in Court will be presented at the Methodist Church of Burkburnett next Sunday night, November 10. A young man, charged with killing a mother and her little boy, while he was intoxicated, will be placed on trial for his life when 25 prominent local citizens of this city will present the widely heralded murder trial entitled, "The Criminal." The trial will begin promptly at 7:30 p. m.

This timely and impressive drama is directed by the Author, Hayward H. Johnson, who will play the leading role of "The Father." The cast follows: Judge Jim Boyd; Prosecutor, Vinson Duvall; Defense Attorney, Hayward H. Johnson; Sheriff, Lonnie Edwards; Clerk, Paul Browning; Baliff M. C. Tucker; Policeman, C. J. Lippard; Flapper, Jackie Williams; Sweetheart, Dona Browning; Prisoner, Melvin Gragg; Coroner, E. V. Thornton; The Absent Witness, Keith Jones; The Father, Hayward H. Johnson.

Summoned on the Jury are: L. L. Millikin, Tom Boyd, R. H. Henry, Joe Majors, Dr. Carl Morrison, Luther Caffee, Henry

## Mrs. G. T. England Hostess To Builders Class Tuesday

The Builders Class of the First Baptist Church met in the home of Mrs. G. T. England, Tuesday, Nov. 5 for their social and business hour. Mrs. Keller, president, called the meeting to order for a short business session. Mrs. Wofford gave a beautiful Devotional on the 105th Psalm.

Mrs. Gilbow had charge of the social hour. Each officer gave the duties they were to perform. Next she presented Mrs. Wesbrooks and Mrs. John Smith dressed in old-time costume who gave a very interesting and comical dialogue.

Mrs. Louis Littlefair spent last week visiting in Winters, Texas, with Mrs. Riley Foster. She also visited in Abilene before returning home.

Mr. and Mrs. Samuel F. Fenner of Beaumont, Texas, are the happy parents of a new boy, born Sunday, November 3rd in the Saint Therese hospital at Beaumont. The little man has been named David Samuel, and incidentally is the grandson of Mr. and Mrs. B. H. Alexander of Burkburnett.

Miss Anne Danforth, daughter of Mr. and Mrs. B. Danforth, of Burkburnett, was featured in a student recital at the Texas State College for Women this week.

**Resident In Dallas**  
 Virginia Blair Steigleder, wife of Mr. and Mrs. R. L. Steigleder, and James LeWells, son of Mr. J. H. W. were united in marriage October 27 at 6 o'clock. Views for the double ring

ceremony were repeated in the East Dallas Presbyterian Church in Dallas, Texas, with the Rev. John Knox Bowling, pastor officiating.

The bride wore a Victorian blue wool suit trimmed with fur and a matching fur trimmed hat. Her accessories were black. For the traditional something old she wore a diamond lavalier belonging to her maternal grandmother, Mrs. Mary Humphreys, and a handkerchief belonging to Mrs. Maxine Inlow of Burkburnett, Texas. Her corsage was a single white orchid.

Miss Elizabeth Steigleder, sister of the bride, was maid of honor and wore a dress of brown crepe with brown and aqua blue accessories. Her shoulder corsage was of yellow roses. J. L. Triglath, brother in law of the bridegroom, served as best man.

Immediately following the ceremony a reception for the bridal party and wedding guests was given by Mr. and Mrs. Roy Steigleder, Jr., brother and sister in law of the bride, in the parlors of the church.

Centering the damask covered bridal table was a low white pottery bowl filled with floating flower shaped candles tied with tulle, satin ribbons and clusters of white pom-pom chrysanthemums. The wedding cake was encircled with white pom-poms and fern. A mound of pom-poms topped the cake.

After the bride cut the first piece of cake the confection was served by Mrs. Ben W. Davis, Waurika, a sister of the groom. Mrs. J. L. Triglath, Associated Village, also a sister of the groom poured tea.

Weighting the pages of the bride's guest book was a china keep sake bride and groom. Wedding guests included Mr. and Mrs. Roy Steigleder, Jr., Tommy Steigleder, Durant; Ben W. Davis, Waurika; and Mrs. John Knox Bowling, Dallas.

The couple have established residence in Burkburnett, where the groom is employed by the Bell Oil and Gas Co. He is a graduate of the Burkburnett High School.

Things are returning to normal when Burk women start crowding the bathroom with stockings of nylon, hanging to dry.

WEEKLY NEWS ANALYSIS Labor Asks New Pay Boosts; Thorny Issues Face U.N. Meet; Free Food of OPA Controls

Released by Western Newspaper Union. (EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union and not necessarily of this newspaper.)

Taking full advantage of their new right to strike, employees of Tokyo radio parade en masse before building of Japanese Broadcasting corporation in protest against the hiring of government technicians to operate station during strike.

LABOR: New Demands New contract demands by the auto, farm equipment and mine unions left Americans wondering if a new wave of strikes was in the offing just as production appeared to be getting into full swing.

Auto—Widespread interest centered in the CIO-United Auto Workers offensive against the Chrysler corporation for wage increases corresponding to the rise in the cost of living since the union was granted an 18 1/2 cent an hour boost last January.

In pressing its offensive against Chrysler in the hope of establishing a wage pattern for the entire industry, the UAW disclosed it would ask for a minimum increase of 16 cents an hour to take care of the 12 1/2 per cent rise in the cost of living since last January. A boost of 26 cents an hour will be demanded if the cost of living should soar 20 per cent or 33 cents if the rise reaches 25 per cent.

Farm Equipment—In re-opening contract negotiations with International Harvester, the CIO-Farm Equipment Workers asked that union members "be allowed to share in the prosperity of the company and the country." Harvester spokesmen denied the allegation that the firm would treble its best prewar profits in 1946.

Besides hitting for substantial pay increases, the FEW also will seek a guaranteed annual wage assuring a minimum of 40 hours compensation for each of 52 weeks. Coal—Charging the government with violating the contract with the United Mine Workers under which the U. S. is operating the nation's soft coal pits, UMW Chieftain John L. Lewis called for a new pact embodying revised wages and hours.

As breaches of the old contract, Lewis cited the government practice of weighing washed coal instead of raw coal at the mine tipple in estimating payments of five cents a ton to the UMW royalty fund, and of allegedly misinterpreting eligibility of union members for vacation pay.

Secretary of the Interior Krug's attempt to defer the opening of negotiations met with Lewis' blunt assertion that failure to hold discussions would void the contract. Without a contract, the miners traditionally have refused to work.

U.N.: Meeting Underway Vyacheslav M. Molotov shook the hand of Mr. Truman warmly in the lobby of the United Nations meeting place in New York after his address to the delegates and the Russian interpreter told the President: "Mr. Molotov wants to congratulate you heartily on that speech. He thought it was a great speech."

Later that night when Mr. Truman greeted the delegates at the Starlight Roof of the Waldorf Astoria hotel, Molotov and the President again shook hands warmly, and the interpreter repeated: "Mr. Molotov wants to thank you again for your splendid speech."

The speech which Molotov so highly praised was a masterful diplomatic piece, indeed. It recognized the talk of another war arising from the differences of the big powers over the postwar composition of the world, but appealed to the sensibility of the major statesmen to avert such a disaster. It called for compromises to adjust

MARKETS: Money spent for new automobiles, home equipment, clothing and furnishings might reduce the number of dollars city people will spend for food in 1947, rural economists opine.

Economists point out that goods which people have been waiting to buy are likely to be higher in price in 1947 than in the period 1942-46. The higher price and the greater volume of goods offered for sale may take a larger part of city family incomes.

Improved SUNDAY SCHOOL LESSON

By HAROLD L. LUNDQUIST, D. D. Of The Moody Bible Institute of Chicago, Released by Western Newspaper Union.

Lesson for November 10

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

PAUL FOUNDS THE CHURCH AT PHILIPPI

LESSON TEXT—Acts 16:11-15; Philip- plans 2:5-11. MEMORY SELECTION—I can do all things through Christ which strengtheneth me.—Philippians 4:13.

Missionary zeal keeps a Christian in action for God. After a time at the church in Antioch, the urge to preach the gospel sent Paul out on his second missionary journey.

Our lesson is of unusual import because it tells us how the gospel first came to Europe, from whence it later came to America. Paul's efforts to continue his ministry in Asia were hindered by the Holy Spirit (Acts 16:6, 7). It was then that he was given a heaven-sent vision of a man in Macedonia crying for help.

I. Paul's Ministry to the Philip- pians (Acts 16:11-15). Philippus was an important city, a Roman colony and outpost. Apparently the Jews who had come there to live had not felt any strong desire for religious fellowship.

The story of the conversion of Lydia has many elements of special interest. It presents the turning point in the progress of the gospel, which by the grace and leading of God brought it northward to Europe rather than southward into Africa or eastward through Asia.

Then we note that the first convert was a woman. She was not the last woman to give an attentive ear and a believing heart to the gospel message. The church through all its history has been blessed by the readiness of women to bear and heed the gospel.

We like to note that Lydia set a pattern of hospitality and service which her sisters in the church have maintained (see v. 15). She "constrained" the visiting preachers to enjoy the comforts of her home, and thus put forward the work of Christ (see III John 5-8).

It is encouraging to observe how perfectly the leading of the Holy Spirit worked out in the experience of Paul and his brethren. The Lord sent his prepared messenger to the place where there was a prepared heart waiting to receive the Word.

We may confidently go on the errands of our God, knowing that when he leads he goes before and prepares the way. That does not mean that there will be no trials and difficulties. Paul had plenty of them (see II Cor. 11:23-33). But it does mean that we may go with the assurance of blessed results, in his name, and with the grace to bear whatever comes along the way for his glory.

The second Scripture portion of our lesson is not related to the first except that it gives a portion of the letter which Paul, by the inspiration of the Holy Spirit, wrote to the church which he had helped to establish at Philippi about 12 years later.

II. Paul's Message to the Philip- pians (Phil. 2:5-11). Although after Lydia's conversion Paul met opposition and suffered imprisonment (Acts 16:16-40), that was only the beginning of a blessed ministry there.

The church at Philippi though poor and persecuted was loyal and warmhearted. They sent a generous gift to Paul, who was in prison in Rome. He wrote to thank them, and his letter became a real hymn of joy and assurance. It discusses Christian experience, its principle, pattern, purpose and power.

Chapter 2 presents the mind of Christ as the pattern of true Christian living. Nothing is to be done for vain glory (v. 3), but in the spirit of Christ, who willingly gave up his glory with the Father that he might become our Saviour. It has well been said that if he had not done so, we should have been amazed at his glory, but we should never have been saved.

Home Rule for Counties Recent provisions and proposals for county home rule in several states are focusing widespread attention on the problem of modernizing government at the county level, according to the International City Managers' association.

Little wonder that God has given him such a high and exalted position (vv. 9-11). One day every tongue shall confess that he is Lord. Hasten the day!

**YOUR WATER HEATER**  
**ALLERGIC TO CROWDS?**

There's nothing that can cause as much inconvenience, trouble, and grouchiness in the home as a water heater that is "allergic to crowds." Just when you're in the biggest hurry, you usually find that all the hot water is used up. The cause? Why, only that the water heater is inadequate for the full needs of the family.

Additional hot water requirements also are being heaped upon the home by the new postwar kitchen servants—the automatic home laundry and dishwasher, for example. That's one more reason why you should plan to install a gas water heater fully adequate for ALL your needs.

Why not relieve your home of any hot water problems for all time to come? Get a gas water heater that will supply all the hot water you want when you want it. And, by all means, insist on an ADEQUATE water heater if you're building a new home.

The production of Automobiles is about one-third of what it was in 1941, yet the demand is ten times as great as it was at that time. Therefore you can understand why there is such a scramble for new cars.

The same holds true as to parts. There are just as many parts made today as in 1941, yet the demand is more than ten times as great; simple—Few cars are less than five years old, therefore more and more parts are required to keep the old cars going.

Be patient and keep the old car going for it may be a long time before there will be enough new cars to go around, even to those who need them.

We regret that there are not enough cars and trucks. Patience and perseverance must prevail until you can get that new

**Chick Chats**

**Worms Found In Almost All Flocks**

It is a rare flock of chickens that is completely free from worms. Indeed, one is not far from wrong in assuming that worm parasites can be found wherever there are poultry.

Most poultrymen begin to suspect worms only when their chickens develop symptoms which are visible to the eye. In reality, such symptoms are an indication that the affected birds are heavily ridden by parasites and that the infestations are so severe that the over-all health of each bird is lowered in marked degree. When worms in great number infect a bird, the health of the bird may be damaged beyond hope of complete recovery, and even death may result.

Of course there are thousands of flocks that are healthy in appearance and give no indications of worminess; yet, somewhere in each of these flocks there are apt to be worm parasites. There may not be enough of them to cause visible effects among the chickens, but the worms are there — and they're dangerous because they multiply so rapidly, particularly during the summer season that they soon may create wormy symptoms where none exists today.

Chickens become infected when they eat worm eggs in an intermediate host (insects) or from the soil, litter or feed. In the chicken these eggs hatch and produce more worms which consume feed taken by the bird, robbing her of food she needs. In time the newly hatched parasites lay more eggs, and these are passed out through the bird's droppings into the soil where they may be picked up by another chicken. Thus, the cycle is completed.

Some types of worms are estimated to lay up to 50,000,000 eggs each, so if only a tiny fraction of these eggs lodge and hatch inside a chicken there is a strong possibility that a heavy infestation may develop unless the flock owner takes counter action.

Because of the nature of the worm cycle, the obvious way to

avoid worm damage is to practice strict sanitation. When chickens are housed under dirty unsanitary conditions, worms as well as disease of many kinds are more likely to spread than would be the case in a clean and sanitary house. Clean soil or litter harbors fewer worm eggs and thus the chance for a bird to pick up eggs is reduced when good sanitation is practiced.

Betty Jean May, daughter of Mr. and Mrs. T. M. May of Burkburnett, is a member of the Christian College Club of Abilene. This club is made up of ACC students studying home economics. Meetings are held to discuss various topics relating to home economics, plan social activities.
