## Boy Scouts To Have Chance of Lifetime Selling Tickets For Scoutorama

### Readers Like Church Ads In The Burk Star

Many, many readers have informed the Star office they like the church advertisements which have been appearing every week since early February. Pastors and laymen alike have commented favorably. Readers who have never expressed themselves before concerning the paper have called the office or come in person to say nice things about the attractiveness of the ads and to express their approval of the contents.

These ads are made possible through the cooperation of the merchants' names and individuals who appear underneath the pictures and messages. Of course the Star appreciates your calling, and wants you to continue to do so when you feel like it, but don't stop there, let the other sponsors know that you appreciate their cooperation, too.

### Lion Patrol

We opened the meeting by calling the roll. We then took up dues, which was ten cents per Scout. The two boys present were Garland Hart and Dennis Wilkenson, and one visitor, John Wood.

We had boxing lessons by Dennis Wilkenson. The troop of 155 is having a boxing match nearly every night. Garland Hart fought Danny Hullum in the ring. We have one sick member, Billy Hager. The whole troop is going to Perkins Reservation Friday.

—Dennis Wilkenson, Scribe.

### Scout Meeting At Town Hall Monday

Monday night, March 24th, Scouts, Cubs, their parents and other Scouters will meet at Town Hall at 8:00 o'clock to be informed more fully concerning the Scoutorama at Iowa Park April 18 and 19th.

Officials from the Wichita Falls office will be here to discuss the ticket sales and prizes to be awarded. All Scouts, Cubs and parents are urgently requested to be present.

### B. W. C.

Members of the B. W. C. met with Mrs. I. C. Evans Tuesday night. Mrs. Thaxton opened the meeting with prayer. Mrs. Ralph White read the minutes and gave the treasurer's report. The Bible lesson from Daniel, Hosea and Joel was given by Mrs. A. H. Lohofener. Mrs. Evans gave two chapters from the book, "Shining like the Stars."

After the group was dismissed with prayer by Mrs. White, lovely refreshments were served to Mesdames A. H. Lohofener, Ralph White, R. P. Thaxton, I. C. Evans, Amy Moore, John Brookman, and Misses Jewel Reed and Bessie McKnight.

The next meeting will be April 1st with Mrs. John Brookman.

### McCorkle Rites Held Monday Afternoon

Funeral services were held Monday at 2:30 p. m. from the Randlett Baptist Church for Mrs. W. M. McCorkle, 36, who died about 6 a. m. Sunday while enroute in an Owens & Brumley ambulance from her home in Randlett, Okla., to a Wichita Falls hospital. Rev. L. P. Roberts, pastor of the church was the officiant for the service, and interment was made in the Randlett cemetery under the direction of the Owens & Brumley Funeral Home.

Mrs. McCorkle was a sister of Mrs. Martha Nails of Burkburnett. Other survivors include the husband, 3 sons, 8 daughters, 2 step daughters, 3 sisters and 2 brothers.

Lovely Easter Cards in all price ranges at Still's Jewelry.

### Bridal Shower Honors Bride-Elect Friday

Miss Mary Evelyn Reeves, bride-elect of Mr. Hubert Butts, was honored at a lovely bridal shower Friday evening, March 14 at the home of Mrs. J. L. Bills, Junior.

Beautiful blue and white flower arrangements, the chosen colors of the bride-to-be, were emphasized in the attractive party rooms. Following the program of entertainment consisting of a clever reading by Mrs. Jack Northcott, and games and contests directed by Mrs. Willard Mills, Miss Reeves was presented with many lovely gifts. Mrs. Carlton Royce and Mrs. H. R. Hays presided at the punch bowl and refreshment table.

Hostesses for the affair were: Mesdames W. S. Duvall, C. R. Chambers, B. A. Landers, C. F. Johnson, John Brookman, F. M. McMurtry, Carlton Royce, John Webb, H. R. Hays, A. H. Bazell, Paul Schreder, R. P. Thaxton, Clyde Peed, Sid Gamblin, A. H. Lohofener, Jack Cagle, Jack Northcott, Willard Mills, J. L. Bills, Jr., and Misses Marjorie Nell Landers, Fran Blair, Margi-nell Chambers.

Out of town guests included Miss Jerry Donaldson, Fran Blair, Ula Lee Cooper and Jackie Bates, all of Wichita Falls.

### Three Little Girls In Blue; - In Technicolor Too.

Song-splashed 20th Century-Fox Musical star-studded cast; unfolds romantic adventures of three pretty cinderellas.

With its melody-packed accent set on romance, gaiety and spectacle, Three Little Girls in Blue, 20th Century-Fox newest Technicolor musical opens Sunday at the Palace Theatre, featuring a star-studded cast headed by June Haver, George Montgomery, Vivian Blaine, Celeste Holm, Vera-Ellen and Frank Latimore.

Three Little Girls in Blue unfolds the romantic and amusing adventures of three pretty sisters who sell their farm to go on a millionaire husband-hunting expedition at Atlantic City. June Haver, Vivian Blaine and Vera-Ellen are the three lovelies who pool their meager inheritance so that one of them can act the grand lady, with the other two posing as her secretary and maid.

### One Way Of Sightseeing

American servicemen in Japan on a Red Cross excursion by ex-capt through picturesque villages near famed Mt. Fujiyama. Organized recreation for occupation troops is a continuing American Red Cross service for which more than \$16,000,000 has been budgeted for the current year.

### Lions Club Negro Minstrel at Devol Tues., April 1st

Tuesday night, April 1, at 7:30, the local Lions club will present their highly successful negro minstrel from the stage at the Devol High School. Practice sessions have been held the past two weeks brushing up on parts that had been almost forgotten since last December when the entertainment was given here at the Palace Theatre.

All proceeds from the Devol showing will go to the Devol school. Lions are doing this for our Oklahoma neighbors as a good will gesture.

Weather permitting, school officials believe the auditorium will be filled to overflowing. Many Burkburnett fans will journey to Devol to view what they missed here when the theatre was filled and no more seats could be sold.

### Subscription Notices Mailed This Week

This week letters were mailed to subscribers whose subscriptions expired since the first of the year, or will expire in a week or so.

Postal regulations, shortage of newsprint and other factors prevent us from sending papers that have expired. If you received a notice, check with the Star office and tell us if you want to continue receiving the paper. We want everybody to get a paper who wants it, but there are just not enough to go around at present.

New subscribers will be accepted as old ones drop off the list.

### Nazarene Revival To Start April 2

Announcement was made this week of a Revival meeting to start April 2nd at the Church of the Nazarene in Burkburnett. Definite announcement concerning the Revival will be made next week.

### Literature Club Meets With Mrs. Short

Texas Day was the theme of the program enjoyed by members of the Current Literature Club as they met at the home of Mrs. W. B. Short.

Mrs. B. H. Preston was leader of the program. Mrs. Hugh Jones read a paper on Texas Rivers, prepared by Mrs. Harrison, and was followed by Mrs. C. R. Chambers who told of Texas resources. Mrs. C. W. Boyd gave a parliamentary drill in the abianance of Mrs. Danforth, the parliamentary. The study was concluded by the group singing, "The Eyes of Texas."

During the short business session directed by the president, Mrs. B. M. Cropper, reports were given by the officers and committees.

Lovely refreshments carrying out the St. Patrick motif, were served to two visitors, Mrs. Will Teal and Mrs. H. A. Goodwin and 16 members.

### Circle No. 3 Meets With Mrs. Reed

Circle No. 3 of the First Baptist W. M. U. met in the home of Mrs. C. A. Reed, Monday, March 17. Mrs. Fred Hunt, chairman, presided at the brief business session. The meeting opened by the group singing, "Living For Jesus."

Mrs. C. S. Polson conducted a very inspirational Bible study lesson from the books of Nehemiah and Esther.

Attending were Mesdames A. W. Salter, C. A. Reed, C. S. Polson, H. A. Goodwin, W. B. Short and Fred Hunt.

Bennie and James McDonald spent the week-end with their parents in Burk. Bennie is attending Schriener Institute at Kerrville; James is a student at NTSTC at Denton.

Vollands Easter cards for all the family at Still's Jewelry.

### Christian Church Revival Meeting Starts Tonight

Dr. J. T. McKissick, Educator, Preacher and Evangelist will open a revival meeting at the Central Christian Church Thursday evening. In this season when men's thoughts turn to the world's greatest tragedy, the Crucifixion of Christ, men also realize the enormity of their sin that caused this great tragedy. To hear Bro. McKissick will be a great blessing, and one of the blessings that should be yours, so please be present and enjoy these fine messages from this man who has led thousands to Christ.

Sunday morning message—"Christ said, go."  
Evening: "My Task."  
Please be present Sunday and then plan to be present during this revival meeting.

### Lions Club

Almost the entire membership of the local club reported for the regular meeting Tuesday night at Town Hall.

Roy Magers took charge of the program in the absence of the regular program committee. He presented Judge Temple Shell of Wichita Falls, who spoke to the club on the qualifications for jurors and their duties.

At a directors meeting following the program President Harry Dodson was named as delegate to the International Convention to be held in San Francisco the last week in July. Tuesday night, April 1, was set as the date for giving the negro minstrel at Devol school auditorium.

### Burk Rebekahs Visit Electra

Members of the Burkburnett Rebekah Lodge No. 67 were invited to Electra on Tuesday night March 11, for their final dress rehearsal before going to Grand Lodge at Amarillo.

Sisters Elsie Sanders and Mary Cecil took their cars with 10 members and the local candidate, O. B. Wofford. The floor work was most beautifully exemplified. Every minute was gratefully enjoyed by the Burkburnett members, as were the refreshments served at the close of the meeting.

### W. S. C. S. Meets At Church Monday

The Women's Society of Christian Service of the First Methodist Church, met at the church Monday, March 17. The meeting opened by singing "Jesus Calls Us", followed with a prayer by Mother Majors.

Mrs. Bazell, in charge of Christian Social Relations, introduced Rev. Randolph of the Wichita Falls Scotland Church, who made a talk on "The effect of alcohol on the human life."

Plans were made to attend the District conference at Electra, March 25th.

Those attending were Mesdames J. L. Caffee, A. H. Bazell, O. E. Melton, A. R. Bunstine, Harms, J. H. Rigby, M. C. Tucker, Morris, H. W. Prinzing, Short M. W. Majors, B. N. Cauthorn, B. M. Cropper, W. C. Gage, Hoffman, J. D. Majors, Lepley, S. S. Reger, Pilkenton, T. H. Minga, Miss McGinnis, and the guest Bro. Randolph.

Next week, circle No. 1 will meet with Mrs. Henry, Circle No. 2 with Mrs. B. N. Cauthorn, and Circle No. 3 with Mrs. W. W. Carter.

Mrs. H. R. Garrett returned home last week from Conroe, Texas, where she has been visiting her daughter, Mrs. Bob Elliott.

Mrs. I. D. Russell returned last week from an extended visit to Dallas, Waco and Austin.

Mr. and Mrs. Delmar England announce the arrival of a baby daughter, Janis Carol, born Sunday morning at the Wichita General Hospital, the little lady weighed 7 lbs. and 4 ounces.

### Browning Auto Store Under New Management

E. W. "Poodle" Hudson and C. A. "Buster" Morgan have announced this week that they have purchased the Browning Auto Store on East 3rd St. from J. L. Browning, and are now operating the business as the "Hudson & Morgan" Auto Store.

The store is being re-stocked with new supplies. The new owners invite all their friends to come in and look over the stock and note the new low-prices.

### Father Burk Man Dies In Oklahoma

H. A. Watts, 67, a retired farmer, formerly of Randlett, Oklahoma, died Monday afternoon in an Oklahoma City hospital following a long illness.

Funeral services were conducted at 2:30 Wednesday from the First Baptist Church in Walters, Oklahoma.

Mr. Watts was the father of Marshall Watts of Burkburnett.

### Sigmund Romberg At Wichita Falls Sat., March 29th

Mr. Middlebrow Music himself, alias Sigmund Romberg, is coming to Wichita Falls again Saturday night, March 29, surrounded by his flashy orchestra and gorgeously-gowned soloists, but topping all with the contagious personality which has poured 29 operettas and more than 2,000 songs into the hearts of middle-class Americans.

The man whose tunes American housewives, workmen, and collegians have been humming these past 30 years is on the verge of obliterating the famous monicker of Romberg in favor of his new designation of Mr. Middlebrow. There's been a lot of talk in recent years about the various brackets of music. The portly, Vinnesse-born composer has his own definition.

"The highbrow music, that's for the symphonies, the long-hairs," he says. "The low-brow, that's for jazz. Me, I write middlebrow."

Middlebrow, therefore, is the type of music which for the past two years has drawn almost capacity crowds to Wichita Falls' big Memorial Auditorium. Again March 29 the evening with Romberg will be studded with old favorites from Desert Song, Student Prince, Maytime, Blossom Time, New Moon, Up in Central Park, and others.

Even Romberg's stance was distinctive on those occasions. He never turns his back on his audience. The podium from which he conducts is far down at one corner of the stage. Romberg therefore is in profile view to his audience; his orchestra in achelon formation half-facing the audience. Easy informality prevails, but Romberg's polished showmanship glows under the surface.

Mail orders for the Romberg show are now being filled thru P. O. Box 1082, Wichita Falls, by Mrs. Hal Yeager, local attractions booking agent.

Grandmother Waggoner was taken to a Wichita Falls hospital Wednesday for medical treatment.

## EVERYBODY LAUGH

National Laugh Week comes upon us April 1-8, and finds us in a chastened mood from a stretch of income taxitis. The idea of a cheerful, jesting nation, with never a scowl or frown or tear, for one week duration, is really something. All Burk Burnett admits that this poor old world needs a lot more laughs. Yet, if we were to take one week of constant merriment, we wonder if the charm and pleasantness of laughter might not be slightly overdone. We might use this week to remind us that we could spread a lot more laughter through the other 51 weeks of the year. One must have just the right amount of laughter to mix with a reasonable quantity of seriousness lest one leaves the impression of being but a fool.

It seems the only way one could laugh for a whole week would be to take a week's fishing outing, find the fish cooperative, and to refrain from reading a paper or listening to the radio.

## INCOME TAX CUT

There was a time long back when some of us paid an income tax that was pretty general, of \$2.50 and we probably complained then that it was high. After meeting our

## TEAMWORK MAKES YOUR GAS SERVICE DEPENDABLE . . .

GUY BUMPAS, Division Engineer, who plays a major position on this team, HAS THIS TO SAY . . .

"To folks who have always lived in this 'natural gas country,' dependable gas service becomes commonplace. Like the daily rising of the sun, we come to expect natural gas service without realizing what it takes for United Gas to provide that service.

"It takes mechanical perfection; it takes more than 5,000 well-trained men and women; it takes vast investments in equipment and pipe lines and thousands of acres of gas reserves."

All of this is your assurance of efficient, dependable gas performance of the four big jobs of gas in your home. Remember, good gas service doesn't just happen!

REMEMBER GOOD GAS SERVICE DOESN'T JUST HAPPEN

**UNITED GAS**

tax this year we probably think back longingly to those good old days when it didn't cost as much to run a government. But as we complain we might think of the Britisher who is really sorely taxed. There are arguments on both sides to the present topic of reducing the national income tax. Many say it should be cut for all, others say for the high brackets, some for the low income group. Our national debt goes a great deal higher. In fact, it costs about \$5 billion a year to pay the interest on that debt. Many people believe that we had better reduce this debt while we have the national income to do so. But, to a man, we believe that one of the best ways to trim down government expense and to help our tax situation, is to reduce a lot of those government bureaus that overlap and duplicate duties. This is one way that we could save and why shouldn't the government be run as efficiently in all its departments as big business. It is our income tax that goes to the running of this government, and we want it to go as far as it can. That is but sound sense and a man has the right to want his money's worth.

## Burk Burnett . . . History

As revealed by the files of the Star 10 years ago.

Herman Brown, secretary of the Burk Burnett Chamber of Commerce, accepted a position as manager of the Quannah C. of C. and will take over the duties of that office at Quannah April 5.

Herman Engleman, assistant manager of the Famous store, was elected manager of the C. of C. to succeed Herman Brown.

A large delegation of Burk Burnett citizens will leave here Friday morning at 6 o'clock to

accompany the Burk Burnett Cowboy Band to the Fort Worth Fat Stock Show.

H. D. Smith was elected general chairman of the 30th anniversary celebration of Burk Burnett and the date has been set for June 18 and 19th.

The City Hall received a new coat of paint inside this week, and an indirect lighting system was being installed by electricians.

## MARKETING with Marjorie

This is the season of the year when menus as well as wardrobes are likely to need pepping up, and you'll find a visit to your A&P a real spring tonic. I know I always get plenty of new ideas just from looking over A&P's wide selection of fine foods . . . and come home with plenty of grand values, too.

### CONFECTION PERFECTION

This treat for the children is child's play to make: Melt 1 tbsp. of butter in saucepan; add 1/2 cup of sugar, 1/4 cup of salt and 1/2 cup of molasses; heat, stirring constantly until sugar melts. Then boil (stirring occasionally) till a small amount of mixture cracks when dropped in cold water. Pour over 6 cups of SUNNY-FIELD RICE PUFFS in large bowl, stirring constantly. Form into about 18 balls. Children love SUNNY-FIELD RICE PUFFS with fruit, too, so buy an extra package at your A&P!

### LUSCIOUS WITH LAMB

To make a perfect dinner partner for a roast, combine sweet, tender IONA CANNED PEAS from the A&P with cooked small white onions and chopped mint leaves. Whether or not March goes out like a lamb, I predict that you'll go for this delicious dish with your lamb!

### MAKE IT SNAPPY!

Are you looking for a dessert that's a snap to whip up? Then line a 9" pie plate with 1 1/2 cups of ginger snap crumbs mixed with 3/4 cup of butter or margarine; chill thoroughly; fill with A&P APPLESAUCE and top with whipped cream. Smooth, tasty A&P APPLESAUCE is grand with gingerbread and griddle cakes, too, so stock up at the A&P!

### HOLLANDAISE YOU'LL PRAISE

Strange as it seems, though hard to make, Hollandaise is easy to imitate. Here's how: Beat 2 egg yolks till thick; melt 1/2 cup of butter till creamy in appearance; add to egg yolks, beating constantly. Cook in saucepan over low heat till thickened. Remove from stove and add 1 tbsp. of vinegar or 1 1/2 tbsps. of lemon juice. To give this mock Hollandaise the delicate flavor of the real McCoy, be sure to use fresh, high-quality A&P BUTTER.

## BOYCE HOUSE Gives You Texas

Not long ago, I attended the annual dinner of the Chamber of Commerce in Taylor, where I went to school, away back in the fifth grade. Your columnist was billed for the principal address but the real highlight of the occasion was the presentation of a plaque to Taylor's most worthy citizen for the year.

The honor was bestowed on a woman—Mrs. H. R. Floeckinger. She had charge of preparing and serving the excellent dinner and M. B. Conoley, himself an outstanding citizen, had gone into the kitchen and insisted that she come out for the program, which she did without suspecting the reason for his insistence.

In eloquent words, Mr. Conoley told of Mrs. Floeckinger's work as superintendent of the hospital and nurses' training school for many years, her church and

club activities, her work as head of the Christmas Welfare fund and in providing clothes for the needy, also as president of the American Legion Auxiliary and as head of the Red Cross hospital service during the war.

Embarrassed but happy too, Mrs. Floeckinger could only say a few words at the conclusion.

It is an inspiration to contemplate such a life of service and Taylor honored itself in honoring so noble a woman.

Sen. Buster Brown, of Temple, favors a public, instead of a secret vote on governor's appointees to state positions. The Senator, according to an editorial in the Fort Worth Press, is embittered because his fellow Senators turned down some men that his committee had approved. Whatever his motive for advocating the change to a public vote, the Senator is correct, though just a little slow in advocating the change.

However, the Senate in rejecting some of the appointments made by the outgoing governor just before he went out of office—in effect said that, as the people had elected Beauford Jester governor for the next two years, they intended that he should have the right to make his own appointments.

Mr. and Mrs. Bill . . . spent the week-end in . . . visiting former class . . . Texas Tech. While . . . attended the annual . . . of the Las Vivirac . . . ity which was held at the hotel.

WATCH JERUSALEM

Ezekiel 39:25-29 Therefore thus saith the Lord God: Now will I bring again the captivity of Jacob, and will bring them to their own land, and will be jealous for my holy name: After that they have borne their shame, and all their trespasses whereby they have trespassed against me, when they dwelt safely in their land, and none made them afraid.

When I have brought them again from the people, and gathered them out of their countries' lands, and am sanctified in them in the sight of many nations. Then shall they know that I am the Lord their God, which caused them to be led into captivity among the heathen; but I have gathered them unto their own land, and have left none of them any more there.

Neither will I hide my face any more from them; for I have poured out my spirit upon the house of Israel, saith the Lord God. Beware! Great Britain and all foreign countries, and yes, America, our own nation.

We had better befriended the Jews and do it now. They are God's chosen people as a nation and about 30,000,000. God said they are the apple of mine eye.

Israel has sinned and paid their price, but they have not sinned any greater than the Gentile nations of the world.

Now we the Gentile world had better be careful. Hands off Jerusalem, Palestine and Land of Canaan.

As soon as the nations of the world acknowledge this truth and do not deed them their land which already is theirs and move out of it and leave it to them, God bless you and the best of the nations of this world will be repeated, beware, against this world the way we are treating the Jews.

EUROPE: Hem in Reich

Even before determination of the future design of Germany, the major powers are proceeding to build a ring of steel around the reich to guard against a revived German state waging a third war of aggression.

The British and French forged the first link with a 50-year alliance, pledging the two countries to go to each other's assistance in the event of an attack by Germany or any other country. At the same time, the two allies agreed to integrate their economies to build an industrial base for war and promote the exchange of goods.

France's declaration that she would offer the same terms to other major powers led to speculation whether the treaty would implement the U. S. proposal for a defensive alliance of the Big Four against the threat of future German resurgence. Thus far, Russia has shied away from the U. S. proposition, but has been dickered with Britain for a mutual aid pact.

Holland and Belgium were expected to act favorably upon the French invitation to consummate a similar defensive and economic pact. On the other hand, Poland and Czechoslovakia were expected to look to Moscow for instructions on negotiating such a treaty.

PALESTINE: Use Psychology

Britain resorted to psychology instead of arms in an effort to check the rampant Jewish underground in Palestine.

By imposing martial law in Tel Aviv, the British sealed this Jewish industrial, financial and commercial hub from the rest of the country, seriously disrupting its business. Thus, the Jewish leaders were faced

with continuing heavy losses or cooperating in suppressing the terrorists.

Martial law also was imposed in the Jewish quarter of Jerusalem. British authorities arranged for movement of bread and vegetables to 25,000 isolated Jews and the Jewish welfare committee was permitted to set up free milk and food kitchens for the needy.

The British cracked down after the Irgun Zvai Leumi underground organization had blown up a British officers' club in Jerusalem with a loss of 14 lives and attacked other British personnel and installations in its fight for a Zionist state in the Holy Land.

Shortages of some goods, high prices and stiff taxes failed to check the small business boom. Other lines were adopted to supplement income, an increase in installment buying helped to ease high prices and operators still made money despite federal taxes.

During the first six months of the year, 365,000 new businesses were begun, the department disclosed. While the rate declined somewhat in the latter part of the year, it was estimated 322,000 new establishments opened their doors, bringing the grand total to 687,000. Against this, 187,000 businesses failed.

His prayer was soon turned to those who had believed in him. They were precious to him, for they were given to him by the Father.

There is something powerfully assuring to the believer to read the words of Jesus which declare that those who had believed on him had been given to him by the Father. They belonged to the Father, and he gave them to the Son. They kept the Word of God, and thus they knew the Son as the manifestation of the Father's name. What could be more certain for time and eternity!

Note that they were taken "out of the world"—that does not mean that they left this earth. They lived here as we live here, but they were delivered from that evil world power which opposes God.

Some professed Christians who find their greatest delight in fellowship with the Christ-rejecting world had better read carefully here, for it appears that the one who is truly in Christ is not "of the world."

These disciples had to remain in the world (though they were not of it!) and they needed to be kept. Now that the earthly ministry of Jesus was to be brought to a close, he tenderly placed them anew in the Father's mighty hand. Again we say, what could be more blessedly secure than that!

We must note that our Lord had a special interest and prayer for his own. Verse 9 obviously does not mean that he is not interested in all mankind. He died for them (John 3:16). But here his prayer was for his own, and in that prayer the world was left out. That makes us feel still more assured in him. He, the blessed Son of God and only Saviour, prayed for me, for you!

III. Unity in Christ—Then Testimony to the World (vv. 20-23). The verses between the foregoing division and this one (vv. 12-19) are important. Our Lord was concerned about the hatred of the world for those who had received the Word of the Father, and yet he would not have them taken out of the world. They were to be his witnesses—even as we are to be in our day. They must remain in the world; but being one in Christ and sanctified through the truth, they were to be kept for God and used by him.

Having processed pork from the recent record price hogs for fresh sale, packers have been compelled to cut wholesale charges as much as eight cents a pound under costs to move their supplies. Even with the cut, they have encountered difficulty selling their meat. With the pork trade determined by demand, packers have scaled down their offerings for live hogs, with the result that the record prices gradually have receded.

As if their own business were not enough, harassed congressmen find themselves beset with no less than 54 lobbyists, swinging the ax for some special interests.

Of the total, 239 speak for industry, 121 for labor organizations, 20 for agriculturalists, 20 for vets, 11 for religious interests and 8 for education. Fifty-five represent liberal groups and seven fall into miscellaneous classifications.

Recent limited experiments conducted under direction of the quartermaster corps have indicated that unless a man consumes a minimum of 1,800 calories a day, it is impossible for him to retain the proteins essential for nourishment of his body tissues. The army ration provides a minimum of 3,600 calories. These studies and associated research have further indicated that diets deficient in calories cause a pronounced fall in the basal metabolic rate.

PRAYER FOR CHRISTIAN BROTHERHOOD

LESSON TEXT—John 17:1-11, 20-23. MEMORY SELECTION—And now I am no more in the world, but these are in the world, and I come to thee. Holy Father, keep through thine own name those whom thou hast given me, that they may be one, as we are.—John 17:11.

The voice of the Son of God lifted in audible prayer! What could be more sacred and more blessed? He who had by act and example taught his disciples loving service (John 13), and had spoken to them words of comfort and assurance (John 14-16), now prayed for himself, for them, and for us.

While he spoke most intimately with the Father as his only begotten Son, he prayed aloud that his disciples might hear his prayer and join with him in it.

This prayer is often called the high-priestly prayer of Christ, and rightly so, for here the "one mediator between God and men, the man Christ Jesus" (I Tim. 2:5) spoke as "the High Priest of mankind who begins his sacrifice by offering himself to God with all his people" (Gode).

First we find that he prayed for himself as he spoke of

I. Salvation Finished—Then Glory with the Father (vv. 1-5). He looked up and said, "Father," that was all. No struggling, no pleading, just the recognition of his own divinity, his intimate and unique Sonship to God. Throughout this entire prayer the same close relationship is found. It was not as we would pray "Our Father," but "Father."

Jesus was the Son of God. Yes, he was and is God. He and the Father are one in blessed eternal, infinite unity. But as he is in the Father, who believe are in him. So the poet well says:

"Near, so very near to God, Nearer I cannot be, For in the person of his Son I am as near as he."

This divine Redeemer, who laid down his glory when he came to earth (Phil. 2:7, 8) to be a Saviour, was now ready to take up that glory again. He spoke of the work of salvation as completed—for in his obedient soul the death on the cross which was just ahead was already accomplished.

Now he was ready for the Father to glorify him even as he had glorified the name of the Father. That prayer was answered, and Christ now sits at the right hand of the Father in heaven. What a glorious Saviour we have!

His prayer was soon turned to those who had believed in him. They were precious to him, for they were given to him by the Father.

There is something powerfully assuring to the believer to read the words of Jesus which declare that those who had believed on him had been given to him by the Father. Arabian Was First With 24-Equal-Hour Day Plan

There are 24 hours in a day as a matter of convenience. The old day-points of sunrise, midday, and sunset were too indefinite, and the ancient Greeks and Egyptians divided daylight—the time between sunrise and sunset—into twelve "hours." Daylight, however, varies with the season of the year, and consequently the length of these "hours" varied also.

In the 13th century an Arabian mathematician named Hassan maintained that an hour should equal the twelfth part of daylight at the equinox, when day and night are equal, but it was some centuries before the world adopted his sensible plan.

Sign Jams Traffic

No electric sign ever tied up traffic on Broadway as did the one over the Aster Theater which advertised the film Hollywood Revue in the summer of 1929, says Collier's.

Accompanied by an orchestra, 24 chorus girls staged a dance on top of the large letters to attract a crowd for the evening show and were so successful that the police had to stop the act after the fourth night.

Pat was stacking bricks for the bricklayers on the top scaffold of a high building. One slipped out of his hand and fell on the head of one of his workmates below.

The victim naturally started creaking and abusing Pat for his carelessness.

Pat stood it for a while, then shouted down:

"You're making plenty of noise down there over nothing. Shure, it wasn't on your head half a second!"

## Hardin Demo Club Meets Wednesday

Members of the Hardin Home Demonstration Club met Wednesday afternoon, March 12, at the club room, with Mrs. W. H. Hamilton and Mrs. Bert Lepley as hostesses.

Mrs. A. A. Everett, president, was in charge of the meeting. Following the opening song and prayer, roll-call was answered by 14 members and one visitor. Mrs. Bert Lepley gave a council report. Mrs. N. T. Crane gave some points on parliamentary law. A demonstration of tying springs in a chair was given by Mrs. A. A. Everett. A ten minute recreation was led by Mrs. S. E. Askins, in the absence of Mrs. A. C. Houser.

The club has a window display of gifts in their hall, which is located in Boyd Bros. building on West pavement. These gifts are for sale.

Miss Sands will be present for the next meeting which will be March 26 at the home of Mrs. May Blanner with Mrs. Simmons as co-hostesses.

Refreshments were served to Mesdames A. R. Allen, S. E. Askins, Fred Bunge, N. T. Crane, A. A. Everett, F. W. Farley, John Enderli, W. H. Hamilton, E. J. Muller, Simmons, Bert Lepley, Fred Minick, M. R. Hewell, and Miss Bessie McKnight and one visitor, Miss Nora Muller.

## Rebekah Lodge Meets Mon. Night

Burkburnett Rebekah Lodge No. 67, met in regular session, Monday night, March 17, with the Noble Grand, Elsie Sanders presiding. The minutes were read by the secretary, Mary Cecil, and approved. One new member, O. B. Wofford was introduced and welcomed.

We were happy to have our degree staff captain, J. H. Cecil with us; also Bro. and Sister B. O. Willis. Since we were wearing new regalia for the first time, numerous expressions of appreciation were made. Reports on the sick drive were given. We would especially make mention of Sister Nellie Roe of Wichita Falls, who is quite ill at the present time. A paper was read by Sister Annie Werley in honor of the birthday of Schuyler Colfax, the founder of the Rebekah branch of the Odd Fellowship.

Following the business session, a delightful hour was enjoyed by 20 members and 3 visitors: H. E. Sanders, E. D. Turner and W. A. Werley. Sister Gertrude Holmes, chairman of the Ways and Means committee, had planned a box social, from which we realized a nice sum of money. Each one was presented a lovely little Shamrock favor, bearing the Lodge number, date, Noble Grand and Secretary, a very clever idea in keeping with the day.

Contents of the boxes sold, served as delicious refreshments.

Mr. and Mrs. Doyle Stocker left Saturday for Norwalk, California.

Frank Brock left Tuesday for Seminole.

to production, she should be removed from the flock.  
 Most poultrymen are hard put to find the real reason why some hens suddenly quit laying as winter draws on. Often the hen's ancestry gets the blame, and indeed, heredity is all important in determining how great an egg harvest the poultry producer will

reap. There are plenty of hens however, that fall off in production before their time, birds that would be able to continue laying if they were cared for properly.

**They Take A Rest**

Such instances are not common in the winter laying house where hens, after long months of laying, go out of production as if to rest up after working overly hard. Frequently these birds will resume laying if they are given the right kind of care.

When the poultryman sets out to regain good production, one of the first things he should do is to look for conditions within the laying house which may be causing discomfort among the layers. The house should be well ventilated without drafts, tight enough to afford protection against weather, and sufficiently warm. Chills, dampness or drafts, frequently are responsible for laying slumps.

**Food Requirements**

One of the commonest causes of reduced production is the lack of certain nutrients. Make sure the laying birds get plenty of grains which are high in fat content, such as corn. Perhaps the birds need more variation in their diet. Many poultrymen find that warm, crumbly, moist mash is especially helpful for lagging layers particularly during cold weather.

If the birds are badly out of condition, a conditioner consisting of stomachic drugs may be

added to the regular mash. Many producers who have tried this report good results.  
 Hens which fail to respond after a reasonable length of time should be removed for they are not paying for their keep.

 Youth, 6 P. M.

It is just two weeks until Easter Sunday. We need to prepare our hearts for this great spiritual anniversary. Be sure to avail yourselves of every opportunity to attend the services of the church.

We will have special services during Holy week with celebration of the Lord's Supper on Good Friday. Easter Sunday will be a day of particular religious significance. The week following

Easter we will have a series of sermons given by Rev. Bolton Boone, our district superintendent.

Let all people who call themselves Methodist come to church. We welcome all others who are seeking help and guidance for a

better way to join with us in attendance at our house of worship.

Be sure to come to church this Sunday. Hear Bishop Paul E. Martin on the Methodist Hour over station WFAA Sunday morning at 7.30.

**HOW MUCH DO YOU KNOW ABOUT YOUR HOME TOWN?**

How many of you are familiar with operations of our casinghead gasoline plants? How many of you have visited our refineries?

Have you ever inspected the local bakery? Have you ever watched the reporter, the linotype operator, and the pressman handle an account of your club meeting in the local newspaper office?

How are the chick hatcheries managed? Have you ever been in a local gin to see the processes through which cotton passes before it emerges in bales?

Do you realize that twenty-four hours a day the municipal light plant is operated for your convenience and financial benefit? Do you know it employs a number of workers who spend their wages at home? Do you ever consider the large amount you save on lowered electric rates since the local plant was established? By knowing your home town you'll appreciate trading with yourself and keeping your money at home.

**Washington Newsletter**

By Congressman ED GOSSETT

WASHINGTON, D. C., March 14.—The big news of the week in Washington was, of course, President Truman's speech to the joint session of Congress. He requested \$400,000,000, together with men and materials, to send to Greece and Turkey. He frankly proclaimed an open fight against communism and dictatorship in those two strategic spots. Most congressmen and most people are gloomy and confused about the whole matter. We are determined not to lose our dearly bought victories of World War II. Yet, how best to proceed is the question. Many congressmen feel we should draw a line at some place and say frankly to the Russians, "this far and no farther do you go." Others just as sincerely favor a policy of watchful waiting.

Many congressmen feel that we should have a more clearly defined foreign policy and that both Congress and the people should know what that policy is. Most of them feel that more members of Congress should be taken into the confidence of the President and the State Department, with all cards face up on the table for the purpose of de-

termining just what we are going to do. No two men in the country are more trusted than Secretary of State George Marshall and President Truman, yet most of us feel that no half dozen men alone should make the final decisions on present vital international issues.

Following the African campaign, Winston Churchill wanted the allies to invade Europe thru Greece and the Balkans instead of through Italy and France. Through such procedure England and America would have occupied Yugoslavia, Bulgaria, Rumania, Hungary, and most of eastern Europe now held by Soviet arms. Churchill may have anticipated our present debacle; he may have been right.

Mrs. Jo Brookman and Mrs. Artie Whitesides visited in Lubbock Sunday with Mrs. Brookman's sister who is in the Lubbock Hospital, and with Mrs. Whitesides' son, Ed Richard who is attending Texas Tech.

Mrs. Ballard of Oklahoma City is visiting this week with her sister, Mrs. J. M. Hayworth.

Mrs. Dudley Ellis of Santa Anna, Calif., is visiting this week in the home of Mr. and Mrs. Paul Browning.

Mrs. W. W. Palmer of Breckenridge, arrived Wednesday to visit in the home of Mr. and Mrs. Buddy Bean.

Maybe you read that recent article in a national magazine, claiming that American men don't really like the company of women. They just put them up on a pedestal and leave them there.

But I wouldn't say that that was so in our town. Look at any married couple—like the Cuppers. Jane wouldn't nag if Dee spent his evenings "with the boys"—but actually Dee likes nothing better than to stay home by the fire, sharing a glass of beer with Jane, playing cribbage, or just talking.

**Any price is too high if it can be reduced**  
*Fender McEwen*

**International Harvester announces \$20,000,000 price reductions**

We believe there is nothing more important to this country than to lower the prices of the goods that people buy.

The American people have insisted that the government withdraw from its attempts to control prices in peacetime. That places the responsibility where it belongs—in the hands of business and industry. Not all business can reduce prices now. Not all can reduce by the same amount.

Our company has felt a duty to act as promptly as possible. In our case, the business outlook now makes it possible to move toward the goal of lower prices. The only way out of the vicious circle of higher and higher prices is to break through.

We have taken this step not because of present competitive conditions nor because of a drop in demand from customers. We have taken it because of our belief that ANY PRICE IS TOO HIGH IF IT CAN BE REDUCED.

These reductions, which will save the users of our products approximately \$20,000,000 a year, will become effective before April 1, and will apply to a selected list of tractor, farm machine, motor truck, and industrial power products. Since we lose money on a few of our products, and barely break even on some others, these reductions will not apply to our entire line. Reductions will be made individually on products. Some will be cut more than others. Exact details will be announced as soon as possible.

Our ability to maintain this lower level of prices will depend in part on what happens to the price and flow of materials that we buy from others. Because we believe price reduction is vital, we are willing to assume the risks that are involved.

Prices had not gone up as much or as fast as many others

Here are Average Price Increases since 1941

All Manufactured Products (U. S. Government Reports)	63.7%
Metals and Metal Products (U. S. Government Reports)	41.2%
Motor Trucks	35%
Industrial Power Products	34%
Farm Machines	25%

These benefits to customers will depend, too, on uninterrupted production at reasonable wage levels. This is not a program that can be carried out if it is hampered by strikes or work stoppages.

Our employees have had substantial increases in pay, and wage questions are currently being discussed with many of the unions with which we deal. Stockholders have recently had an increase in dividend rate. Having considered the interests of these two groups, we are now making these price reductions for the benefit of the third group—our customers.

Business, to our way of thinking, has a social as well as an economic responsibility. This company has long followed the policy of operating in the interests of three groups—its customers, its employees and its stockholders. The duty of the management is to see that equal justice is done as between the three groups.

This price reduction program is another demonstration of our policy in action.

**INTERNATIONAL HARVESTER**

**...THEY NEVER SLEEP**

Their fingers are on the pulse of the steel arteries that throb with natural gas—bound for many Texas cities and towns. Before them lies a continuous record of gas pressures in all United Gas pipe lines over the area—taken at frequent intervals around the clock!

These are United Gas dispatchers, who guide the opening and closing of valves at wells and in pipe lines miles away, using telephone and radio to maintain constant pressure at the gas burners in your home or industry. This is representative of the manpower and investment necessary to guard natural gas service—one of the important factors in Texas' growth and economy.

United Gas is composed of thousands of skilled workmen—men and women doing a multitude of jobs necessary to give value to natural gas—Texas' great natural resource. Without the investment in money, without experienced and trained manpower, natural gas would be of no practical value to anyone.

A. E. Harrison, Pastor

Sunday School, 9:45.  
 Preaching services, 11.  
 Training Union, 6:30.  
 Preaching services, 7:30.  
 A new enemy in the camp—sickness, took its toll of Sunday School and Preaching attendants last Sunday. Only 300 in Sunday School, but how grateful for those who were able to attend.

The Training Union Study course started fine in spite of all the sickness, 124 enrolled the second night.

Sunday the pastor speaks on "The Possibilities of a Life," and Sunday night, "The Overcoming Life". Be in your place for S. S., Preaching, Training Union and bring somebody with you.

Sunday night preceding the preaching services we will have the presentation of the Boy Scout Charter—YOU are cordially invited to be with us.

The census taking was a success. Those who came worked very faithfully. Others have promised to take the districts left and work them.

The tabulation will be finished within the next week.

Thanks to all who helped or had a part in anyway. Also thanks to those who cooperated by staying at home so the census could be taken.

—Pastor.

 Roy L. Foutz, the regular minister of the church will begin a gospel meeting with the Santa Rita Church of Christ in San Angelo on Sunday, March 23, to continue through Sunday night, March 30. During his absence, members of the congregation here will have charge of the services. Next Sunday, March 23, Clark Gresham will speak at the morning service, and Raymond Beaver will speak at the evening. You are invited to come and hear these men. Come, let us reason together.

### Grace Lutheran Church

Sunday School and Bible class 9:45.  
 Evening Worship, 7:30  
 Morning Worship, 11.  
 Walther League Social, Wednesday, 8.

Both sermons Sunday speak of Christ on trial before civil authorities. Jesus' enemies brought Him to the governor Pilate to have Him condemned to die. Pilate was not satisfied with the accusations they brought against Jesus. He found no justifying charge against Him. According to the custom, Pilate placed Jesus and a loathsome hardened criminal before the enemies that they might choose to set one free. Pilate hoped they would set Jesus free, but they chose the criminal, Barabbas. Christ appeals to them to come to Him but they turn their backs and choose what is against Christ.

Jesus has His Word brought to us today through preaching and teaching and in the Bible. In that Word He invites all to believe in Him, Who has suffered unspeakably for the sins of all. Through that Word He works faith in the heart that receives the forgiveness of sins and eternal life, which He offers to all. The majority turn their backs to Him and His Word and are lost forever. But all who believe in Him shall enter eternal joy.

—Welcome, Pastor.

### Uncle Sam Says

How many of your New Year's resolutions are unbroken? Some you made in jest. Others represent a serious effort, such as a thrift plan. You may have resolved to step up your savings bonds allotment through the Payroll Savings Plan, or you may have resolved to ask your bank to buy a savings bond for you every month out of your deposited funds. You can't afford not to keep this resolution for your own good. Even an \$18.75 investment once a month in a \$25 savings bond will provide you with a \$2,500 nestegg in ten years.

Never in the history of civilization has there been such a united return to the church. The effort on the part of churchdom to lead their memberships back to regular and active participation in the church programs is also without parallel. Need for the blessings from the great God of Nations has never been so great. Pastors, Priests and Rabbis are pooling their efforts so that nations everywhere may be challenged to an understanding of the term Peace. Prayers from literally thousands of churches go up regularly in behalf of the great international Peace Tribunal in its effort to effect a lasting Peace.

Your church needs you as never before. Attend the church of your choice with your family regularly. Be an influence for good.

### OUR DEMOCRACY — by Mat

#### SELECTED SEED

WHEN METHODS OF SEED SELECTION WERE ENTIRELY UP TO THE INDIVIDUAL FARMER, THE RESULTS WERE NECESSARILY "HIT OR MISS." EVEN WHEN A MAN DEVELOPED A CERTAIN TALENT, HE HAD LESS ASSURANCE OF GOOD CROPS THAN TODAY WHEN HE HAS THE BENEFIT OF ORGANIZED FACILITIES AND SCIENTIFIC METHODS APPLIED TO PLANT BREEDING AND SEED SELECTION.

SIMILARLY, IN THE EARLY DAYS OF OUR COUNTRY, AN INDIVIDUAL, NO MATTER HOW PROVIDENT IN PLANNING FOR HIS FAMILY'S FUTURE SECURITY, LACKED THE ASSURANCE OF SUCCESS WE HAVE TODAY WITH OUR ORGANIZED FACILITIES FOR THRIFT AND SAVINGS SUCH AS LIFE INSURANCE AND SAVINGS ACCOUNTS.

### CONSTIPATION Risky in BAD COLDS

Retained undigested food becomes putrefactive, causes toxins, which overload the liver and other vital organs of the body, lessening your resistance to colds and other winter ills and interfering with their treatment. Why take this chance when you can take Calotabs? Calotabs thoroughly yet pleasantly act on every foot of your intestines, sweeping out toxin-laden putrefactive foods and virus-laden mucus, enabling you to more effectively avoid or fight a cold. Nothing acts like good old Calotabs. Use as directed. 10c and 25c at all druggists.
