BURKBURNETT, WICHITA COUNTY, TEXAS, THURSDAY, APRIL 22, 1948

NUMBER 39

City-Wide Clean-up Week April 12-24

Program of Rotarians Day, April 27

GEORGE HUTSON

Walter S. Duvall Dies Sunday

Walter S. Duvall, 51, a resident of Burkburnett for 30 years, died at his home here at 2:20 a. m. Sunday following an illness of six months. He had been desperately ill the past 30 days.

Duvall operated the Burkburnett Gin, Grain and Elevator Co. several years. He was an auditor for the Popular Furniture Co. in Wichita Falls when he became ill.

Mr. Duvall was born at Lester, Texas, July 18, 1896. He spent his childhood in Petrolia, Texas, attended NTSC University in Denton.

He was very active in civic affairs here throughout his lengthy residence. He was a former member of the city council and school board and for some time served as a member of the boards of stewards of the First Methodist Church. He was active in the work of his church, where he had taught a men's Bible class and served as Sunday School superintendent.

Funeral services were held at 2:30 p. m. Monday from the First Methodist Church, with the Rev. T. Herbert Minga, pastor, officiating.

Interment was in the Burkburnett Cemetery under direction of Owens & Brumley Funeral Home.

Survivors include the widow; one son, V. L. Duvall, Wichita Falls; two daughters, Mrs. Doris Lenz, Lawton, Oklahoma; and Mrs. Jane Cagle, Fort Worth; four brothers, Earl Duvall of Ft. Worth, Tom Duvall of Kerman, Calif.; Landis Duvall of Los Angeles, and Will Duvall of Austin; four sisters, Mrs. Charles Lewis, Wichita Falls; Mrs. Eli Marshall, Byers; Mrs. Gordon Moore, Sherman; Mrs. Belle Garner, Los Angeles, and four grandchildren.

Pallbearers were: George McClarty, Clark Gresham, Loy Nichols, Arnold Muller, Frank Kelley, G. W. Fleming, Honorary Pallbearers: R. H. Henry, Ferris Cruce, M. C. Tucker, F. L. Pilkenton, T. A. Banning, R. D. Laney, W. M. Green, A. L. Willis, John Rankin, Harold VanLoh, C. O. Walling, Ivan Powell, John Muller, T. E. Buckner, F. M. McMurry, Charlie Boyd, Arthur Rammung, C. R. Chambers, Casey Logan, H. C. Preston, A. M. Reynolds, O. G. Burnett, Levi Garrett, Marvin Hewell, Homer Garrett, Frank Hewell, J. C. Hinkle, W. T. Holman, D. A. Westbrook, Roy Foutz.

Ellis Head and Sidney Abrams of Wichita Falls; John Bowman of Lawton; Leslie Gwin, Vernon, Joe Rowls, Altus, Okla.; and members of the Men's Bible class of the First Methodist Church.

Department anticipated need for the convention. This will be used to buy books or other necessary expenses.

Department also expresses appreciation to all who contributed to the fund. The wholehearted support of local citizens is rewarded by a more efficient fighting organization.

Boosters To Monday, 26th

Members of the High School Band will give a free concert at the High School auditorium Monday night, beginning at eight o'clock.

Charles Vick, band director, has developed a band that Burkburnett may well be proud of. In competition with other bands, the Burkburnett band has shown up most favorably.

The public is cordially invited to hear this concert. Those who attend are assured an evening of enjoyable music.

W. Salter Dies Thursday

Walter, long time resident of Burkburnett, died this morning at 11 o'clock in a hospital following a long illness.

He was stricken about a week-end. He had as his last wish that he be buried at his home on West

RALPH O. BROOKSHIER SUCCEEDS A. R. HILL AS MAYOR OF BURK

At a regular session of the City Commissioners Monday night, ballots from the recent city election were canvassed. According to official returns signed by W. A. Roberts, election judge, the following were declared elected: Harold Van Loh, H. D. Smith and Harry Dodson, from a field of four candidates.

All old Commissioners and those newly elected were present. Ralph O. Brookshier from that body was elected Mayor to succeed A. R. Hill, who has been Mayor the past six years. H. D. Smith was elected Mayor pro-tem. P. A. Wiggins was re-elected City Manager. C. J. Brannan was re-elected City Attorney.

RALPH O. BROOKSHIER

J. W. Goins In Hospital From Sun. Morning Fall

J. W. Goins is in a Wichita Falls Hospital suffering from broken bones he received in a fall down stairs last Sunday morning. The pelvis bone and one arm were broken in the hard fall.

Last reports from the hospital are that he is recovering rapidly despite his seventy some odd years of age. His friends will be glad when he can be released from the hospital.

Children's Dept. To Serve Lunch

The Children's Department of the First Methodist Church will serve lunch in the basement of the Church from 11 a. m. until 1:30 p. m. on Wednesday the 28th. Adults 75c; Students 50c. You have a cordial invitation.

Bank Presents Graduation Booklets

The Seniors wish to express their thanks to the First National Bank for the beautiful graduation booklets presented to them this week. Each senior will always cherish this gift.

J. W. Allen Sells Service Station

J. W. Allen, who has been confined to his home with illness for the past few weeks, announces the sale of his service station located across from the Acme Chevrolet Co. on Avenue C. Purchase of the station was made by J. M. Gower, who will continue to operate it under the policies followed by Mr. Allen.

High School Honor Students

Valedictorian: Jessie Ruth Preston, with an average of 94.86. Salutatorian: Bobbie Lynn McCullough, with an average of 92.74.

Other students in the Senior Class making 90 and above are in order as follows: Carolyn Boyd, Beth Brookshear, Billie Jane Shields, Dolores Kasper.

Miss Faye Lynch has returned home from a three weeks visit with her grandmother Mrs. Jane Lynch and Mrs. Dolly McElroy in Old London, Texas.

Youth Program To Continue During Summer

Last Saturday a group of men, representatives of our city, met at the Town Hall to make plans to carry on the Guided Youth Recreational program started last year. After considerable discussion it was unanimously voted to continue the program for the summer of 1948.

H. D. Smith and Roy T. Magers were re-elected to serve as President and Secretary, respectively. Don Short was also re-elected to direct the program beginning the first of June and continuing until some time in August.

This Athletic program started last year to provide supervised play for the youth of our community, proved to be well worth while. Not only did it assist them physically, but took care of a lot of time that would have needlessly been spent on the streets.

In a few weeks a drive will be under way to finance this program. When you are asked to help, do what you can to help the boys and girls of your community.

Those attending the first meeting were: Ralph Davis, Ralph Brookshier, Dow Estes, Rev. T. L. Stewart, Roy Foutz, Rev. T. H. Minga, H. D. Smith, Don Short, P. A. Wiggins, Preston Thaxton, John Brookman, C. A. Gray, and Roy Magers.

Church of Christ Revival to Close Sunday, April 25

The gospel meeting, which is now in progress at the Church of Christ will continue through Sunday night. Morning services are at 10 and the evening meetings are at 7:30. Near capacity crowds have been in attendance each night, and before the meeting closes, capacity audiences are expected. Many out-of-town visitors have been present each night.

George Bailey, of Lawton, who is doing the preaching in this meeting is bringing forceful gospel messages and they are causing many to turn from sin to the Lord. The congregational singing under the direction of Roy L. Foutz, local minister, has been a joy and inspiration to all who have attended. The pure and simple gospel is being presented in song and sermon.

You are cordially invited to attend these last services of this meeting. If you have already been present in some of the meetings you will want to come again. If you have not attended any service thus far, you will surely want to come before the meeting closes. Our plea is, "If you are interested in TRUTH, attend this meeting."

Lions Club

C. M. Archer conducted the Tuesday night meeting in the absence of President C. O. Smith. Due to misunderstanding of program committees no program was presented Tuesday night.

Next week Lions D. F. Douglas and E. E. Cruce will have charge of the program.

Honor Students Eighth Grade

Eighth grade honor students are as follows: Valedictorian: Duane Adams, with an average of 97. Salutatorian: Wanda Barker, with an average of 96.77.

Other students in order of their rank, that made 90 and above: Judy Willingham, Bonnie Lahm, Shirley Stradley, Randall Hudson, Sidna Sue Douglas, Hugh Fewin, Nayland Smith, James Hicks, Nathalie Foster, Charlene Pruett, Coy Lee Werley, Georgia Kelsey, James Kelley, Thomas May, and Shirline Richards.

Absent members were: B. F. Gilchrist and Arthur Rammung. Luther Hoffman, Geo. Keith, Jr., Edgar Mann, Andy Andrews, John Mouser, James Harrison, and Frank Schram were visiting Rotarians from Wichita Falls.

Harold VanLoh has the program for next Tuesday.

Several Burkburnett base ball fans attended the opening game at Wichita Falls last night. The Spudders won from Gainesville, 7-4. Ben McDonald, one time owner of the Star, has a season ticket issued to him in 1926-22 years ago, when he was a supporter of the Spudders in the Texas League.

Rev. W. E. Ellis Holding Revival Nazarene Church

Rev. W. E. Ellis of Oneonta, Alabama, is doing the preaching at the Revival now in progress at the Nazarene Church, Holly and West Main. The services will continue through Sunday 25th. Services each evening at 7:45. Come meet with us.

Rev. Roy McCoy, Pastor.

Cancer Control Finance Drive Ends This Week

R. H. Henry, chairman of the local Cancer Control drive for funds, announces the campaign will come to a close here this week. All clubs and individuals who have not completed their contributions are urged to get them in to Alvin Hill at the bank by Saturday.

The prevalence of cancer and its threat is not realized by the average layman. Doctors have long known its extensiveness and its deadly menace to health. The only way cancer can be controlled is for more knowledge to be gained about it. That knowledge can come only by research and more research. The purpose of the present nationwide drive for funds is to conduct that research.

According to C. T. Bradford, local M. D.: "This community, along with the entire nation, should—and it is a MUST—become awakened, yes, alarmed about the menacing plague of cancer. Danger signals must not be ignored if we are to reduce the death rate of cancer. Personally, I've seen more cases of cancer during the past eight months than previously seen in 20 years." C. T. Bradford, M. D.

Dr. Phillip Carpenter of the Burk Clinic supplies this information, through cooperation of John H. Rigby at the Owens & Brumley Funeral Home: Of 48 funerals conducted in Burkburnett this year, ELEVEN of the deaths were caused by cancer — almost ONE-FOURTH! That brings the threat right to our own door steps.

Plans are under way for establishment of a cancer-tumor detection center in Wichita Falls. Members of the Wichita County Medical Society, during a meeting at the Bethania Hospital Tuesday night, approved the Wichita Health Unit's plan for such center. It is believed the center may be established soon with state aid.

Milk bottles are conveniently located in most business houses to receive contributions for cancer control. The need is so great no one can fail to do their part. DO IT NOW.

Base Ball Game At Devol Sunday

Sunday the local base ball team will journey to Devol for a game with the All-Stars of that place. Game at 3 p. m.

Last Sunday the Henrietta team came to Burk to wallopp the local nine to the tune of 15 to 2. Winkles and Alexander were used on the mound to stem the tide.

Mr. and Mrs. Willis Williford of Mt. Vernon, Ill., spent the week end with Mr. and Mrs. O. B. Wofford.

Sales Barn Draws Large Number of Animals, Buyers

Last Saturday afternoon another large crowd witnessed the weekly sale of livestock at the Burkburnett Sales Barn on East Third. Large numbers of cattle, hogs and horses came through the ring during the afternoon. The sale was a repetition of two previous sales, in that it was featured premium prices being paid for choice animals.

Pens at the barn are being filled with all kinds of livestock as the Star goes to press. Another successful sale is assured for Saturday afternoon. The sale opens promptly at one o'clock and runs until all animals have been brought through the ring.

Local citizens, as well as all those in this territory are invited to the Saturday auction.

Wid Philips Is Injured Penning Cattle Last Friday

Wid Philips, veteran cattleman and pioneer of Burkburnett received severe injuries last Friday evening. He suffered a broken pelvis bone and other possible injuries.

According to eye witnesses, the accident occurred in this manner: Mr. Philips was assisting unloading cattle at the Sales Barn in preparation for the sale Saturday.

A large bull was driven down the aisleway to be put in a pen. Possibly by mistake, a gate to a pen already occupied by another bull was opened. Mr. Philips stepped into the pen behind the bull he was driving. Because he didn't like the intrusion, the bull in the pen charged the intruding bull.

The force of the charge drove the bull against Mr. Philips and the fence. Other men nearby rushed to Mr. Philips' aid, who was hanging on to the top of the fence to keep from being trampled.

The injured man was brought to the Burkburnett Clinic, where Dr. Carpenter rendered first aid. Extent of his injuries could not be determined until he was removed to a hospital in Wichita Falls. X-ray revealed the broken pelvis.

Reports from the hospital today are that he is doing well as can be expected. A severe cough and bronchial ailment is being watched carefully to guard against pneumonia.

Cubs To Take Physicals May 25

All parents and Cubs are urged to attend the Pack meeting at the First Methodist Church May 25th at 7 o'clock. At this time Cubs will be given their physical examinations. This is a free service to Cubs and their parents and it is vital that all attend.

Political Announcements

Under the headings will be published the names of the candidates for public office, subject to the Democratic primary Saturday, July 24.

The fee for announcement will be as follows: For State, Judicial, District Offices\$20.00 For County Offices\$15.00 For Precinct Offices\$15.00

Above prices include formal write-up announcement and carrying name in announcement column. All fees cash in advance.

Headaches At Home

The national emergency provision contained in the Taft-Hartley labor law, has been used by federal court to keep workers, in an atomic bomb laboratory, from going out on strike. Not allowed to quit their jobs for 80 days, there is hope to reach an agreement between officials and labor within this time. Lewis's mine workers, on strike over pension demands, cut into production of steel and cause a growing crisis in rail transportation. Meat handlers on strike have caused meat prices to soar. There is a familiar sound about these differences at home, as well as the news that comes to us of conditions abroad. An aggressive nation gobbling up countries abroad, a series of strikes in the U. S., accusations of isolationists about war mongers—reminds us of recent, past history.

Of The Harvest

As they plant the proposed nine million more acres of farm crops this summer than last year, we think ahead to the harvest. It means a larger work force and farmers are wondering where will come the extra hands needed by mid-summer. During the war the government paid the cost of transporting, housing of foreign workers. This is no longer true and those who wish to import foreign labor for harvesting, must pay transportation, provide sanitary housing, post bond for payment of wages, return the worker to the place where he was hired in his own land. In the southwest the Mexican laborer followed the maturing crops. Along the Atlantic seaboard labor from the British West Indies did the same. Agricultural workers may be as many as last year, but perhaps, with the additional planting, farmers will have to depend on high school and college students, to lend a hand.

No Hunger

Hunger has long been a contributing factor to revolution, helps ferment anarchy, strengthens dictatorship. Asia has been noted for its areas where hunger has always been suffered, but today this condition has spread widely into Europe. Between 20 and 30 per cent of the world's people don't have enough to eat. Yet, we in the U. S. and in some other countries, are eating up to 15 per cent more food than before the war.

They tell us that hunger is not necessary because science, in its way, can show us how to extract from the

Sales and Service

Bring Your Automobile to the House of Dependable Service

LOGAN Battery and Electric

soil, all that is needed for the well-being and health of everyone who inhabits this world. However, though science can instruct in production, this is not the answer to the present problem of hunger. We must give immediate relief and direct relief. There is hope and comfort in the visualization of a world at peace, with nations co-operating politically and economically with science to offer its resources for the common good. Perhaps, if the world knew no hunger the world's people would know no war. What if all countries would work towards this end, instead of the chaotic state of siege and fury.

Burkburnett History

As revealed by the files of the Star 10 years ago.

Mr. and Mrs. Dutch Wolfe are leaving today for Detroit, Michigan.

Miss Virginia Vaught, well-known locally as a speaker of great ability, was awarded third place in the finals for the "My Home Town Contest," held in Wichita Falls during the WTCC Convention.

Queen's Lace Hose at Opal's for only \$1.65.

John Cooper, former owner of

the Cooper 5c to \$5 store in this city, has accepted a position with the Barrow-Grace Chevrolet Co. as new and used car salesman.

Tuesday noon meeting of the Rotary Club marked the 34th 100 per cent consecutive meeting of the club.

Local employees of the Texas Company held their annual First Aid picnic with their families as guests this week at the main gasoline plant west of the city.

Chick Chats

(By Clark Gresium)

Be Ready to Act When Disease Hits

Chicks are almost always healthy when hatched, but it is not always easy to keep them from contracting a disease. Stringent sanitary measures may be applied constantly, but disease still will crop up unexpectedly here and there.

During this season of the year—a time when a major percentage of the nation's poultry population is in the growing stage—we should be more than ever aware of the probabilities of a disease outbreak.

Even now, with the chick season just starting for many poultry raisers, it can be safely said that something like 20 per cent of this year's baby chicks

will die before their time. The loss to poultry producers, measured in feed, labor, and lost profits, amounts to a staggering figure.

Watch your growing birds closely for signs of infection—particularly the respiratory and bowel disease or coccidiosis; these are among the most common chick and growing bird ailments. Good sanitation, the right kind of ventilating system, and all-around careful management will help prevent many disease outbreaks. But when the diseases do occur, the poultryman should be

Study Club Met Monday, April 19

The Burkburnett Study Club met for regular meeting Monday night, April 19th in the home of Mildred Counter. The meeting was called to order by the president and reports heard from the various committee chairmen. It was noted that the club won a place at the district convention which was held in Breckenridge last week. This place was in "Folk Lore Songs," which was included in the program at our first meeting last September, which was a Ranch Style Dinner and the club sang cowboy songs.

After the business session of this meeting, Virginia Bean, who had charge of the program presented a very interesting part on "Modernization of American Art," displaying paintings of the different artists as she discussed them. Refreshments were served to the following: Larene Davis, Lora Jamieson, Lois Bean, Florence Vaughn, Wilma Douglas, Mildred Garland, Virginia Bean, Manila Franks, Marian Ragsdale, Billie Littlefair, Opal Henderson, Jean Garrett, Madalyn Hill, Faye McClarty and the hostess.

A COMEDY IN THREE ACTS

By Paul S. McCoy

Produced by special arrangement with Art Craft Company, Marion, Iowa

THE PLAYERS

(In Order of Appearance)

- | | |
|--|---------------------|
| Otis Kerby, eccentric bachelor | Donald Howard |
| Myrtle Huff, housekeeper for Mr. Kerby | Gloria Minick |
| Linda Russell, Otis's niece, attending Parkhurst School | Ruthie Preston |
| June Bishop, student at Parkhurst | Mary Evelyn Sites |
| Glen Willard from Cedar Heights College | Jerry Brookman |
| Leo Dennis | Billy Earl Askins |
| Donna Craig, student at Parkhurst | Beth Brookshear |
| Phebe Atkins, student, who wants a date | Lahoma Bryan |
| Miss Edith Crest, Dean of Parkhurst School for Girls | Joyce Young |
| Homer Judson, Newspaper Publisher, invited to speak at Parkhurst | Burl Ray Matthews |
| Bruce Judson, his son | Melvin Gragg |
| Pauline Russell, Linda's impractical mother | Billie Jean Shields |

SCENE: The entire action of the play takes place in the living room of Otis Kerby's mansion, situated next door to the Parkhurst School for Girls.

TIME: The present.

SYNOPSIS

- ACT 1: A morning in late spring.
ACT 2: One hour later.
ACT 3: Evening of the same day.

THE STAFF

- Stage Managers: Francine Johnson and Ted Harris
Business Managers: Donna Browning and Tom Burnett
Publicity: Wanda Lee Hicks and Vivian Suttles

New Zealand Quake

Terrifying Scene of Thrill Drama

It took an earthquake estimated as four times as powerful as the greatest filmed for any other picture to top in excitement all previous scenes of violent destruction brought to the screen by Hollywood.

The man-made temblor, a recreation in part of the New Zealand quake of 1855, is one of the thrill highlights of MGM's spectacular and action-jammed filmization of the \$200,000 prize winning novel, "Green Dolphin St." which comes to the Palace Sunday and Monday.

Instead of occurring in a large city, the New Zealand quake took place in a forest wilderness. It uprooted giant trees and tossed them about like matchsticks, split a whole mountain and sent a lake emptying from its mountain cradle to flood the surrounding countryside.

Months of research and preparation were required to put all this on the screen for "Green Dolphin Street," with added weeks with the picture's stars, Lana Turner, Van Heflin and Richard Hart. Donna Reed is the lone star of the picture who is not menaced by the savage outburst of Nature.

Aside from the destruction wrought on the wilderness by the shock, Lana's home is sent crashing down upon her when the first tremor hits. Heflin carries her from the ruins and the two almost fall into a deep fissure as it opens in the earth outside. A Maori native is less fortunate and disappears into the hole.

To create these effects taxed Hollywood's ingenuity to the limit. Many of the scenes were filmed on location in the giant redwood country of Northern California, while others, including the destruction of the house, were filmed at the studio.

In the flood scene, aftermath of the quake in which Hart narrowly escapes drowning, 12,000 gallons of water per minute were pumped over the huge set.

Mrs. H. R. Garrett of Burk and her daughter, Nela Garrett, of Elk City, Okla., returned home Monday from a visit with their daughter and sister, Mrs. R. J. Elliott in Conroe, Texas. They also visited Harvey Garrett and family in Andrews, Texas. While on the trip they visited Galveston, the San Jacinta Battle grounds, Carlsbad Cavern, New Mexico National Park, and saw the Battle Ship Texas.

Jr. University Study Club Met Tuesday

A regular meeting of the Junior University Study Club was held Tuesday, April 13, in the home of Mrs. Lou Charles.

Mrs. Buford May, Program Chairman for the day brought a very interesting program on Greece.

Delicious refreshments were served to the following members: Mrs. W. P. Boydston, Mrs. Ralph Brookshier, Jr., Mrs. Howard Clements, Mrs. Rhea Fudge, Mrs. Truitt Majors, Mrs. Buford May, Mrs. Chris Morris, Mrs. W. H. Parr, Jr., Mrs. Gene Robertson, Mrs. Charles Vick, Mrs. John Page, one guest Mrs. Joe A. Bowles, Jr., of Austin, Texas and the hostess Mrs. Lou Charles.

After the business the club adjourned to meet with Mrs. Howard Clements, April 27.

Card of Thanks

We are indeed grateful to our many friends in and around Burkburnett who have been so kind to us during the past few months. For the many lovely gifts, flowers, cards, delicious meals, and to any of you who helped us in any way, please accept our sincere thanks.

Mr. and Mrs. Harry Felgar, 1tc.

Misses Wanda Nikkel and Nela Garrett of Elk City spent a few days here while on vacation with Nela's mother, Mrs. H. R. Garrett. While here Miss Nikkel had the misfortune of falling while skating at the Sandy Beach Rink, fracturing her left wrist. The girls are room-mates where they are both nurses at the Community Hospital at Elk City.

S. T. Jackson of Dallas has been a guest in the home of Mr. and Mrs. E. E. Clack the past two weeks. Last week Mr. Clack and Mr. Jackson spent a few days in the cool Manzana mountains in New Mexico.

Returns From Relatives Funeral

Final services were held Tuesday afternoon from the First Baptist Church in Brownwood, Texas, for Lt. Andrew O. Dunkin, nephew of Troy Miller of Burkburnett.

Lt. Dunkin was killed in an airplane crash in French Guiana in March 1943. He was pilot of the bomber headed for overseas when the crash occurred.

Attending the funeral from here were: Mr. and Mrs. Troy Miller, Mr. and Mrs. H. Y. Miller, Mr. and Mrs. C. W. Ramsey, and children, and Mrs. Carl Miller.

NOTICE TO FARMERS

Members of the Farmers Co-operative Society No. 1 of Burkburnett are reminded of a special stock holders meeting set for Saturday, April 24th, at 10 a. m.

Purpose of the meeting is to elect officers and attend to any other business that may be brought before the gathering.

G. W. Fleming, manager of the Co-operative, urges every member to attend.

Judge Temple Shell was in Burk Saturday meeting the voters.

ANNOUNCEMENT

I have sold my service station to J. M. Gower because my health will not permit my continued operation of it.

I appreciate the patronage I enjoyed while in business and extend my thanks to all friends and customers of the station. It is my hope that you will continue to visit the station under the management of Mr. Gower.

All accounts due me may be mailed to P. O. 159, or paid at my home at 119 Avenue C.

Baptist Church
Members
 The church library was opened at the First Baptist Church last afternoon. The library is located in the basement of the church and is open to all members of the church and to the public. The library is well equipped with a large number of books and is a most desirable addition to the church.

to the church. The library is located in the south-east corner of the basement. Mrs. T. Lynn Stewart is librarian. The assistant librarians are: Mrs. Peggy Dot Mills, Mrs. Lee Ann James, Miss Christine Suttles, and Miss Ruth Preston. Roy Magers is chairman of the library committee. The other members of this committee are: Mrs. Will Teal, Mrs. B. H. Preston, O. L. Clark, C. O. Smith, Rev. T. Lynn Stewart and Mrs. Stewart. The library opened with around 400 books on the shelves and plans are being made to add many more. Shelves have been built to take care of several thousand books. Any person who signs a membership card may have the privilege of checking out books. Library rules will be furnished to anyone who makes request. The church bulletin will give open hours for the library. This week the church is adding some germicidal radiators to the two nursery departments. There will be one lamp placed in each nursery room. These lamps have been added to kill air borne bacteria. Other additions will be safer in one of these nurseries. The nurseries will be made as safe as possible for the little children. The little child

will be safer in one of these nurseries than in his own home. A building fund of several thousand dollars has been set up and money is being added to this each month. The church plans to build an annex just as soon as possible to take care of some of the children's departments. The Sunday School is now averaging around 450 in attendance. There have been 45 additions to the church since Rev. T. Lynn Stewart came as pastor the first of the year, 20 of these have been by baptism.

Uncle Sam Says

What did the Secretary of the State of Wyoming say to the Banking Commissioner when they met in Cheyenne in 1937? "I'd like to find a plan to assure a comfortable retirement for myself and my family," said the Secretary of State. "Why don't you do what I am doing, buy Savings Bonds regularly out of income?" his friend replied. Today they have begun the second 10 years of their retirement plan. The then Secretary of State is now Governor Lester C. Hunt, and the former Bank Commissioner is the present director of Savings Bonds sales. You, too, can emulate their example. If you invest \$18.75 each month in a Series E Savings Bond of \$25 maturity value over a period of 20 years and hold ALL the bonds to maturity you will receive an average yearly income of \$700 for the ten years following.

U. S. Treasury Department.

Soil Conservation District News

Applications for soil conservation assistance of the Wilbarger Wichita Soil Conservation District have been received this week from H. B. Klunkerman on 300 acres east of Iowa Park, Guy Morgan on 51 acres of the Valley Farms, C. B. Banks on 45 acres of the Valley Farms and Gordon West of Wichita Falls.

770 feet of diversion terraces were constructed on Pete Rogers' farm last week. Walter Scott, east of Iowa Park, has constructed 2200 feet of diversion terraces and are usually located below pasture land to divert pasture water from the cultivated fields.

Irrigation laterals have been reworked on Rufus King's farm of Kamay. In many cases, the laterals have been cleaned out so much that water in the lateral ditch is below ground level on each side. By filling in the bottom of the ditches and reshaping the old ditch, the water is above natural ground level and a much better head of water will result.

Biennial clovers have been planted on the irrigated farms of Ray Underwood and Dewey Steed the past week. Steed grazed over one cow per acre on his clover last year and at this time it seems to be better than last year. This year cooperators of this soil conservation district have planted over 900 acres of biennial clover for soil improvement and pasture on irrigated land. It shows a lot of promise, especially for dairy farms.

The first cutting of alfalfa hay is now in progress on several irrigated valley farms. Some of the cooperators who have good fields of alfalfa at this time are: Lee Trigg, Doyle Parmer, Lawrence Macias, Carl Williamson, Rufus King, Shem Cunningham, Ruben Parish and others. Alfalfa is an excellent soil improving crop.

Over 600 feet of terraces have been completed on the farm operated by Oran Hofacket and 4000 feet of terraces have been completed on George Lewis' farm. The terrace lines were run by the Soil Conservation Service.

MARKETING with Marjorie

In the spring a housewife's fancy rightly turns to thoughts of cleaning. But she still can't neglect thoughts of food for her brood. Below—some of mine:

LIGHTNING LUNCH

When hungry small fry come tearing into the house just as you're in the midst of tearing it apart, split, toast, and butter as many MARVEL SANDWICH ROLLS as they can eat (at least 2 apiece if they're as fond of A&P's delicious, oven-fresh rolls as my youngsters are!)... spread with peanut butter, jelly or cheese... and sound roll call! P. S. Here's another lunch for lunch: MARVEL SANDWICH ROLLS with chopped round steak. They make a hamburger heaven!

SPEEDY SUPPER

Do you have to hustle to rustle up supper on cleaning day? Serve A&P'S ANN PAGE PREPARED SPAGHETTI in its own tasty tomato and cheese sauce. Or combine a can of it with a cup of sliced onions sautéed in fat; pile into lengthwise halves of green peppers (boiled 5 mins. in salted water); place in shallow baking dish with a little water, and bake in moderate oven, 375° F., 25 mins. Serves 4.

LINOLEUM LOW-DOWN

If "water, water everywhere" is your spring-cleaning slogan, remember: Linoleum, like small boys, doesn't take kindly to too much water. Wash it with as little as possible, working on a small area at a time. When dry, apply BRIGHT SAIL LIQUID WAX, which requires no rubbing or polishing. You'll take a shine to it and to all A&P'S BRIGHT SAIL cleaning aids!

FISH FLASH

For an extra-easy dish, choose fillets of fish! And for an extra-flavorful fillet, fill it! Like this: Wipe 1 lb. of fillets with damp cloth. Melt 1 tbsp. shortening. Add 1/2 onion (diced), 1/2 green pepper (diced), and sauté 5 mins. Add 1 tsp. Worcestershire sauce and a 27-oz. can of tangy A&P SAUERKRAUT. Spread on fillets; roll like jelly roll and fasten with toothpicks. Put remaining filling in greased casserole with fillets on top and bake in hot oven, 400° F., 25 minutes. Serves 4.

Kidneys Must Work Well

For You To Feel Well 24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood. If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly. Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headache, dizziness, rheumatic pains, getting up at night, swelling. Why not try Doan's Pills? You will be using a medicine recommended by the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

U. S. Carries Fight to Communists As Congress Approves Foreign Aid; Income Tax Cut Becomes a Reality

By Bill Schoentgen, WNU Staff Writer

EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.

FOREIGN AID: In Motion

With President Truman's signature on the \$6,998,000,000 foreign aid bill, the massive, potent forces of western capitalism moved into action against Russian communism for the beginning of a titanic, long range clash of strength.

To observers in the U.S. this interplay of forces had all the ingredients of an epic poem—the power of good striving mightily to overcome the power of evil, with the fate of a large segment of mankind depending on outcome of the struggle.

There was an epic quality, too, in the manner in which congress, seemingly impelled by a strong sense of urgency, raced the bill through for final action. The house approved it with a vote of 318 to 75 after less than 15 minutes of explanation, and the senate followed up swiftly with a voice vote.

Two days after passage of the measure President Truman meshed the gears of the global aid program by ordering the reconstruction finance corporation to advance 1.16 billion dollars at once. That action released U.S. dollars, reconstruction supplies and in some cases arms to 15 European nations, as well as Turkey, western Germany, Trieste and China.

The overall \$6,998,000,000 aid package includes 4.3 billion dollars for the European recovery program, 275 million dollars for military assistance to Greece and Turkey, 463 million for China and 2 million dollars for Trieste. All of it is aimed at areas where communists are sharpening their sword of aggression.

An ill-starred movement in the house to include aid to Franco Spain in the bill was defeated before it had time to do much damage to U.S. prestige and moral stature abroad.

As the aid started to move, the situation abroad stacked up something like this: Russia's seizure of Czechoslovakia, its new pact with Finland and pressure on Scandinavian nations, the Soviets' arbitrary action in Berlin all pointed to the fact that Moscow was trying to bring about a showdown in Europe before the European recovery plan began to work effectively.

On the other hand, the rapid passage of the foreign aid measure, the proposal to return Trieste to Italy and the stiffening of American will in Berlin seemed to indicate that the U.S., while not forcing a showdown, was, nevertheless, willing to have it as soon as possible.

Few persons familiar with the situation thought that a showdown with Russia necessarily meant war. But it did involve acceptance of a risk of war. U.S. leaders were willing to take that risk on the theory that the likelihood of a shooting war is less now than it might be in the foreseeable future.

REDUCTION: Tax Measure

President Truman's veto of the income tax reduction bill was crushingly overridden by both houses of congress—311 to 88 in the house, 77 to 10 in the senate—and U.S. citizens sat back to gloat over the first major tax-cutting measure passed in nearly 20 years.

In his now characteristic "I'd rather be right than be president" role, Mr. Truman had stubbornly affixed his veto to the bill, protesting that it mainly would benefit persons with incomes of \$5,000 or more, encourage further inflation and sap the nation's strength at a time of international "danger."

Examination of the new tax structure indicated that the President was right in his first contention, at least—that the law would be of greater benefit to persons with high incomes than to those in lower brackets. Reason for that is that 12.6 per cent of \$3,000 is considerably less than 5 per cent of a million. (Cuts in tax rates as provided by the new law range from 12.6 per cent in the lowest brackets to 5 per cent in the top level.)

Most interesting aspect of the tax cut development was the question of what motivated Mr. Truman to veto the bill. He was aware that enough members of both houses were supporting tax reduction in this election year to override his veto; hence, that his veto would be a gesture of futility that would place him on record as opposing the popular will.

Mr. Truman must have been aware, also, of the strong possibility

Who's Mad?

Nobody seemed to be mad at anybody when Gov. William M. Tuck of Virginia and President Truman met at convocation exercises at William and Mary college, Williamsburg, Va., to receive honorary degrees of doctor of laws. Mr. Truman exchanged a cordial handshake with Governor Tuck, vociferous leader of the southern states' rebellion on the President's civil rights program.

That next year congress, safely through the elections, will boost federal income by reimposing some version of the wartime excess profit tax.

In view of these unpretty but inescapable realities, the President's veto of the tax bill simply did not fit the preconceived pattern of political action in an election year. Rather, it looked more like the deliberate driving of another nail in his political coffin.

In his veto message, Mr. Truman contended that increased defense and foreign aid measures might make it necessary for congress to raise taxes next year.

"In the case of the income tax," he said, "nearly 40 per cent of the reduction would go to individuals with net incomes in excess of \$5,000, who constitute less than 5 per cent of all taxpayers."

Also, the President continued, while national income is high every effort should be made to reduce the size of the 253-billion-dollar public debt.

He was, beyond doubt, sincere in his objections, but they fell on deaf ears in congress.

APOLOGIA: From Russia

Even as Russia officially expressed regret over the "unfortunate" British-Soviet plane crash over Berlin which cost 15 lives, plain people all over the world began to see more clearly how, although no nation is seeking war, a war could start accidentally.

A pilot of a Russian fighter plane had buzzed a British plane, carrying 14 passengers, as it was landing in Berlin. The transport crashed in the Russian zone where the wreckage lay for 12 hours before the bodies were permitted to be moved.

"Tension in Berlin eased somewhat when British officials accepted the Russian apology and canceled plans to assign fighter plane escorts to all air transports coming into Berlin." The official British account of the crash quoted eyewitnesses as saying that the Russian fighter pilot was "freaking" when he hit the big plane.

While the fighter pilot undoubtedly had not been ordered to harass the British plane, it was equally apparent that he and his cohorts had not been forbidden to do so.

Aside from the number of lives lost, the disturbing part of the incident is that it was, in a manner of speaking, an aggressive action, an overt act of deliberate provocation. And it is just such incidents as that that world leaders fear might one day touch off the conflagration.

Headliners

IN MANILA, P. I. . . Ariston Almadel, veteran of Bataan, received an army back pay check for 49 cents, promptly went insane and died.
IN GOSHEN, Ind. . . Harold Tinsley, 9, wanted to do something for underprivileged children overseas, nobly turned over to the Salvation Army his entire hoard of bubble gum—561 sticks.
IN ARTESIA, N. M. . . Conscientious city fathers were trying to figure out a way to keep absent-minded citizens from mailing letters in trash cans.

MODERN MOTORCADE

Cars on Road Hit Historic Figure

Number of passenger cars on the road in the U.S. today is at an all-time high, according to an article in the April edition of "Business Comment," bulletin of Northern Trust company.

This is true despite the fact that no passenger cars were manufactured for private use during the war, that an estimated average of 1.2

NEW START: China's Chiang

Hopelessly lost in the political and economic confusion of China, Generalissimo Chiang Kai-shek, leader of the republic in one capacity or another since 1927, was casting about for a new role in the tragedy of the Far East.

Afflicted externally by Communist armies and internally by the venality of black marketeers and corrupt government officials, Chiang has been in the position of a man attempting to build a house on a pile of soggy refuse.

Now, however, there was a report out that Chiang had decided to quit the presidency of China. But there also were indications that, far from going into retirement, he would remain as Kuomintang strong man by becoming premier.

A spokesman for the Kuomintang, China's governing party, said that the generalissimo was determined to free himself from the presidency in order to lead a "holy war" against the increasingly powerful Chinese communists.

According to latest reports, Chiang was urging that Dr. Hu Shih be elected president. Former ambassador to Washington, Hu Shih now is president of Peking university.

ZECHARIAH 1:1-6; 4: 7-8 REVOLUTIONAL READING: Psalm 24: 1-6

Zechariah Pleads For Righteousness

Lesson for April 25, 1948

ZECHARIAH almost certainly was born and reared in or near Babylon, and was trained for the priesthood and ordained of the Lord as a prophet.

His father, Berechiah, was the son of Iddo, the prophet. Though much younger than Haggai, about whom we studied last Sunday, Zechariah began his ministry only two months later than Haggai—a ministry which was to summon the people to righteousness as a condition essential in the rebuilding of the temple and in cleansing themselves of idolatry, if they were to throw off the yoke of their foes.

The student will need to read the entire Book of Zechariah to have the background for this lesson. Also Psalm 24:1-6.

LIVING TOGETHER IN GOD'S WAY
"TURN ye unto me, saith the Lord of hosts, and I will turn unto you," Zechariah 1:3 People cannot live together in peace and harmony until first they are on speaking terms with God. The invidious onslaught of secularism was weakening the Jews at the very moment when they needed to be strong and united for the task of rebuilding the temple and restoring their life in Jerusalem.

Read further into the prophecy of Zechariah and note the admonitions of the Lord for kindness and understanding and sincerity, which are the indispensable qualities of community life.

WHAT MAKES A PEOPLE GREAT?
ZECHARIAH reminds the people of the downfall of their fathers had been due to their forgetfulness of God. He calls them now to repentance of their own sins, that they become truly a great people. "Fear not, but let your hands be strong," Zechariah 8:13. "What makes a nation great and strong?"

Not brick, nor stone, nor wood, But justice, love and brotherhood.
Boys and girls will do well to look again at what this old prophet was saying. We long to see the United States a truly great nation. Then let us be strong in the Lord.

GOD HAS A STANDARD
READ chapter seven, verses 8-14 and 8:16-17, for some of the standards which God sets up for his people. "Execute true judgment, and show kindness and compassion every man to his brother. Oppress not the widow, the orphan, the foreigner, or the poor, and never plot evil in your hearts against one another."

Zechariah is here epitomizing the Ten Commandments and the Sermon on the Mount. All of which is to remind us today that we do not need new standards. We simply need to conform to God's eternal standards.

GOD IS TO BE SOUGHT UNTO
THE first eight chapters of Zechariah have to do with the essential qualities of life if the people are to rebuild the temple. The last six chapters deal with the general standards of life which we must accept and strive to attain if we are to be well-pleasing unto him. I like the phrase of the fathers. "God is to be sought unto." And how are we to come into the presence of the Lord? "He that hath clean hands, and a pure heart; who hath not lifted up his soul unto vanity, nor sworn deceitfully," Psalms 24:4.

It was not enough to rebuild the temple God wanted his people to become living stones of integrity and fidelity in the city of God.

This we shall attain only as we seek first the Kingdom of God and his righteousness—constantly seek this daily walk with the Lord, in the light of his word. "Righteousness exalteth a nation, but sin is a reproach to any people."

(Copyright by the International Council of Religious Education on behalf of 40 Protestant denominations. Released by WNU Features.)

By the Bible
If we abide by the principles taught in the Bible, our country will go on prospering and to prosper; but if we and our posterity neglect its instructions and authority, no man can tell how sudden a catastrophe may overwhelm us and bury all our glory in profound obscurity.—Daniel Webster.

Seek Uranium

Uranium—that most precious of all metals since advent of the atomic age—is being sought in Colorado now.

Department of the interior has set aside about 40 square miles of public land in the southwestern part of the state for exclusive use of the atomic energy commission, which will conduct an exhaustive investigation there for deposits of uranium, source of atomic energy.

SEWING CIRCLE PATTERNS

Princess Dress Is Easy Sewing Clever Pair for Sunny Weather

Little Tossers wear all summer term 1740 has a simple sunbuck frock for weather plus a pair with scalloped elastic catcher for certain!

Pattern No. 1740 is for 14, 16, 18 and 20. Size 14 uses 25 or 30-inch jacket. 18 uses 28 and 30 inches. 20 uses 30 and 32 inches. The Spring and Summer 1948 offers a wealth of new patterns for every home dressmaker. Instructions and a free catalog send the book, 25 cents. Send your order to:

ASK ME ANOTHER? A General Quiz THE QUESTIONS 1. Who invented that pole with which your grocer picks cans and packages from the top shelf? 2. What is the coldest place in the world on land? 3. Do birds sleep in their nests? 4. If you find a pearl in a restaurant oyster, is it any good? 5. How much can you see with your eyes moving?

THE ANSWERS 1. Benjamin Franklin. 2. Verkhoyansk, Siberia. The January temperature averages 50 degrees below zero. 3. Only when they are too young to leave them, though a mother bird might accidentally snore while sitting on her eggs. 4. Probably not. Very seldom do pearls found in oysters by diners have any value. If the oyster was cooked, you can be sure the pearl is practically worthless. 5. Not a thing. You are stone blind when your eyes are moving in their sockets.

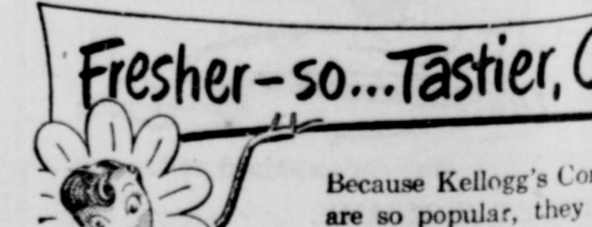

Retired Minister Reads Complete Bible 50 Times

CAMBRIDGE, MASS.—The Rev. Benjamin Beers, 71, has read the complete Bible 50 times and the New Testament 115 times. The retired minister of the United Pentecostal Council of the Assemblies of God makes a practice of reading the Bible two or three times a day for a total of about two hours.

Calvary Baptist Church

Ave. B and College

Sunday School at 10 A. M. with all classes studying the tenth chapter of Hebrews—"Christ The Only Sacrifice Able to Take Away Sins. And How He Does It." The Bible only is our literature, and when we begin in a book, we go all the way through it, chapter after chapter and verse after verse. We are not trying to sell a program, build a denomination or exhort men. Ours is to learn and teach the Word of God, by studying the Word of God, that we might know more about the God of the Word. We invite your investigation as to whether we are an old-time scriptural, New Testament Baptist Church.

Sermon subject of pastor at the 11 o'clock hour, "The Preaching of the Word of God, and those whom God Uses as Helpers." Night services begin at 7:30 with a good gospel song service. The pastor will be bringing another sermon from the book of Revelation. The subject will be, "The Time of Great Tribulation the World is Moving Toward—How Near are We?—Will Christians Go Through It?—What Is God's Way Out?" Yes, I know that many people deny this truth just like they deny other truths of the Word of God. But we believe in a whole Bible un mutilated by doubting Thomases. Come and hear. These Sunday night crowds are increasing at Calvary Baptist Church. You have a warm welcome to this friendly church with the open Bible for all people with open hearts.

Ray C. Morrow, Pastor.

Card of Thanks

May we take this means to express our thanks and deep appreciation to the many friends who were so kind during the illness of our dear one, Mrs. Alexander Ross, and for the sympathy shown us at the time of her death. For the beautiful floral offerings, cards, and to everyone who assisted in anyway, accept our thanks. The Ross family. 39-tp.

Mr. and Mrs. Harry Dodson and Jean attended the Ice Capades in Fort Worth Saturday afternoon.

First Baptist Church

T. LYNN STEWART, Pastor

Sunday, 9:45 A. M. Sunday School with eight complete departments and a class for every age. The Bible is taught by consecrated teachers.

11:00 A. M. Morning Worship. Sermon: "But these things I say, that ye might be saved." Plain Bible preaching.

7:00 P. M. Training Union for all ages. This is High Attendance Day in our Training Union. We urge all of our members to attend. Visitors are cordially invited.

8:00 P. M. Evening Worship. Sermon: "The Supper of Our Lord." Hear this message. It will clear up many points of confusion about our Lord's Supper. We accept the Bible as our only guide of faith and practice. We add nothing and subtract nothing. We take it as it is and seek to interpret it in the leadership of the Holy Spirit. Jesus said of the Holy Spirit "He shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you." He is the safe guide to scriptural interpretation.

Wednesday: 7:25 P. M. Officers and Teachers meeting with the pastor teaching next Sunday's lesson. 8:00 P. M. Hour of Power-Prayer Service. In this service the pastor is bringing messages from the Book of Daniel, using a large chart 5 by 24 feet in size. This next Wednesday night will be the second message from this book.

Wichita County Farm Bureau News

From the Office of
MRS. M. L. HINES
 Secretary-Treasurer

Farm Bureau members were very grateful this week to learn that the Congress of the U. S. has begun consideration of a long range farm program. Senator Aiken of Vermont has introduced a bill in the Senate which complies very closely with the desire of Farm Bureau members for a long-range farm program. This measure is far more flexible than the old Triple A Program. Support prices will range from 60 to 90 per cent of parity with the farmers having the option to vote for quotas in wheat, corn, and rice when the prices of these products fall to 75 per cent of parity. Cotton farmers will be allowed to vote quotas when the price falls to 90 per cent of parity, provided the supply is normal. Peanuts and tobacco may vote quotas according to the same regulations as were used in the present farm program.

President Allan D. Kline of the American Farm Bureau Federation appeared before the Senate Agricultural Committee last week and presented the Farm Bureau views regarding the Aiken Bill. Mr. Kline stated that the provisions in the price support section of the bill should be enlarged to include all agricultural products, rather than the basic commodities of wheat, corn, cotton, rice, peanuts, and tobacco.

The long-range program was discussed at the Young County Farm Bureau meeting at Fort Belknap April 21 by Loys D. Barbour of Iowa Park, District III Director of the Texas Farm Bureau Federation. Barbour emphasized that the proposed Aiken Bill for long-range farm program was an immediate step to produce and market their products. All of the present program will expire as of this year, and in event that the Congress does not have sufficient time to pass a long-range program, Congressman Clifford Hope of Kansas, chairman of the House Agriculture Committee, has introduced a bill to extend the present farm program for one year. Mr. Barbour said that the farmers can feel confident that they will have a supported price for another year regardless of the outcome of the Aiken Bill.

Among those present at the Young County meeting from the Wichita County Farm Bureau were the following: Mr. and Mrs. D. O. Smith, Mr. Lee Trimm, Mr. and Mrs. Loys D. Barbour, of Iowa Park; Miss Clara Schultz, of Wichita Falls; Mr. and Mrs. C. A. Morgan, Mr. and Mrs. G. F. Smith, Mr. J. R. Sullivan, and Mr. and Mrs. A. A. Evert of Burkburnett; and Mr. and Mrs. M. L. Hines, Mr. and Mrs. W. A. Scott, and Mr. and Mrs. George Lewis of Iowa Park.

Construction Gain Seen for 1948

New construction in 1948 probably will reach \$15,200,000,000, an expected 20 percent gain over 1947, according to a joint estimate of the Department of Commerce and the Department of Labor.

Private residential building, exclusive of farm construction, is expected to hit \$6,000,000,000, a 25 percent increase. Farm building is estimated at \$500,000,000, up 10 percent. About \$11,375,000,000 of the 1948 total will be privately financed and the rest will be public.

Mrs. Hollie Boman was admitted to the Wichita Falls Clinic this week. She will undergo surgery Thursday morning.

Camp Fire and Blue Bird Girls Open Do-nut Drive Mon.

Burkburnett Camp Fire and Blue Birds opened their first Do-nut Drive Monday, April 19, by taking orders this week for do-nuts to be delivered Monday, Wednesday or Friday for two weeks from April 26 to May 7, the girls will have the opportunity not only to learn good salesmanship but also to earn honors and prizes.

The profits of this national money-raising project, which is sponsored by the Burkburnett Camp Fire Leaders Association, are earned and used exclusively by the girls, their groups, and their leaders for Camp Fire and Blue Bird Activities.

The girl who sells the most do-nuts will be crowned Donut Queen at the Donut Rally in May. Other prizes include national membership dues paid for each girl selling at least 40 dozen, and the Donut award for every girl who sells at least 25 dozen.

Profits are to be divided several ways. Each group which participated in the Donut Drive will receive a rebate on the total number of dozen sold per group. The remainder will be used to pay the prizes of the girls, and to send adult guardians and leaders to National Training Institutes and Workshops to better equip them for their responsibilities as leaders of youth.

Mrs. Francis Feltz is General Chairman of the Donut Drive. Three groups will participate—

the 6th grade Camp Fire Group whose leader is Miss Faye Wilhoit; the 4th grade Camp Fire girls led by Mrs. Jack McClain, and the 2nd grade Blue Birds with Mrs. Tom Britton.

All friends of Camp Fire Girls are urged to cooperate with the Camp Fire Girls during their Do-nut Drive. These raised do-nuts are made by Henry's Pastry Shop especially for Camp Fire Girls. Plan now to have do-nuts for breakfast, lunch, and dinner for these two weeks. Support the Camp Fire Girls!

From where I sit... by Joe Marsh

Homer Does Some "Back-Seat Sewing!"

Homer Bentley's missus was working on her new sewing machine, when Homer comes in, draws up a chair, and starts talking: "Don't you think you're running too fast?" he says. "Slow down! Watch out! Be careful!"

When the missus finally turns with murder in her eyes, Homer says goodnaturedly: "I thought you might like a little help, dear—like you help me drive the car."

The missus can't help but burst out laughing—and they settle what might have been a quarrel over a

friendly glass of beer. The missus agrees to give up back-seat driving and nagging Homer about ashes on the rug. Homer agrees to quit criticizing Sarah's taste for flowery hats and parsley salad.

From where I sit, the key to getting on together is meeting every issue half way—and overlooking any petty differences in tastes—whether these tastes apply to beer or flowery-looking hats!

Joe Marsh

Gospel Meeting

Gospel meeting at the Church of Christ is continuing to a close Sunday night. George Bailey, of Oklahoma is preaching forceful gospel sermons and is well received by the large audiences that have gathered. The congregational singing, under the leadership of Roy L. Foutz, is inspiring and uplifting.

In this meeting is Christ, and Christ alone. We are to hear, believe and obey Christ, wear his yoke, and follow him. All human creeds, man-made denominations and traditions have no part in this gospel meeting. We are to exalt Christ and his eternal word.

Invite you to hear these lessons:
 Monday night—"Five Dead Things."
 Tuesday night—"No Room For Christ."
 Wednesday night—"Let Us Alone."
 Thursday night—"Wise Men Followed Christ."

IF YOU ARE INTERESTED IN TRUTH, ATTEND THE MEETING.

HAVE YOU OBEYED THE GOSPEL?

A CORDIAL INVITATION TO ATTEND THE MEETING AT THE

Church of Christ
 Foutz, Minister Phone 279

Jose Iturbi To Play Wichita For Second Concert

Again on tour with another motion picture triumph to his credit, and with concert agencies from coast to coast clamoring for his services, Jose Iturbi chooses to play again in Wichita Falls May 6th.

Two years ago the volatile Spanish pianist made his first appearance in this area at the Memorial Auditorium in Wichita Falls. Ordinarily, 3,100 is considered capacity attendance in this hall. Residents of a wide zone in Texas and Oklahoma showed that capacity is at least 1,200 more than that, under sufficient pressure, for more than 4,300 crowded the seats, the window ledges, the balustrades, the stage and even the wall behind the stage to see and hear Iturbi.

Recently it was discovered that Iturbi's tour permitted five concerts in Texas. From a large number of cities asking for the popular actor-artist, Iturbi took his choice—and Wichita Falls is one of the five. Under the management of Mrs. Hal Yeager, he will play Thursday night, May 6, in the same Memorial Auditorium.

Native of Spain, and receiving his first training at Barcelona, Iturbi reached the United States some 20 years ago. Learning American ways and our language was almost as rapidly accomplished as his ascent to the pinnacle of pianistic rating in this section. Within 10 years, he was lodged firmly among the nation's top rung pianists, and also ready to step into motion pictures with remarkable understanding of what popular audiences wanted to see and hear.

Recently he has scored another outright hit on the screen with Jeannette McDonald in "Three Daring Daughters." But on May 6, in Wichita Falls, it will be Iturbi the pianist.

Reservations now are being filled by mail through P. O. Box 1082, Wichita Falls, Texas.

Mrs. Dora Davis of Wichita Falls was in town Saturday in the interest of her candidacy for the office of County Clerk.

Hardin Club Meets Wednesday

Members of the Hardin Home Demonstration Club met at the club hall Wednesday, April 14. Two quilts were quilted during the morning and a lovely luncheon served at noon. The house was called to order at 2 p. m. by the president. After a song and prayer, roll-call was answered by 21 members and 4 visitors. Minutes were read and approved.

The style show will be held May 4th at the Wichita Falls Valley farms. We are to furnish two dozen cookies. We thank everyone who helped to make the Ida Red Show a real success. The By-laws and Constitution were read and approved as read. Mrs. Grace McClurkin read the parliamentary laws. Mrs. Lepley and Mrs. McClurkin will be leaders for the next meeting, April 28th at the hall.

Those attending were Mesdames Fred Minick, W. C. Nolen, Mary Blonar, M. R. Hewell, H. L. Martin, W. L. Hamilton, W. R. Stimpson, Wid Phillips, F. Simmons, S. C. McClurkin, R. S. McClurkin, E. L. McClurkin and Sharon, N. T. Crane, Fred Bunge, C. E. Martin, J. C. Muller, Bert Lepley, Geo. Counter, Clyde Peed, J. H. Enderli, A. A. Evert, F. W. Farley, S. E. Askins, E. J. Simmons and Miss Bessie McKnight.

Mr. and Mrs. W. R. Meek and daughter, Gloria Jean of Fort Worth visited in the home of Mr. and Mrs. Ray Mills over the week-end.

Mr. and Mrs. M. R. Hewell left last Thursday for a visit in Corsicana, Longview and Tyler.

Leaders Association Organized Here

For the first time in the history of Camp Fire Girls in Burkburnett, a Leaders Association was organized here last Thursday, April 15th, during a covered dish luncheon at the Methodist Church.

Mrs. Roy Foutz was elected chairman of the Burkburnett Leaders Association which is designed to provide fun, fellowship, and in service training to Guardians, Leaders, Sponsors, and interested mothers of Camp Fire, Blue Bird Groups in Burk. The Association is scheduled to meet the second Tuesday of every month at 2:30. The next meeting will be held Tuesday, May 11, at 2:30 in the Camp Fire Room in the First National Bank Bldg.

Other officers are Mrs. B. F. Gilchrist, vice-chairman, and Mrs. Dick Hall, secretary-treasurer. To assist Mrs. Gilchrist on the program committee are Mrs. Preston Johnson and Mrs. C. J. Good.

In addition to necessary organization business, the Leaders Association voted to sponsor a Donut Drive from April 19 to May 7. Proceeds will go to the girls as prizes, the groups as rebates, and the Leaders Association for various Camp Fire activities. Mrs. F. T. Felty was named general chairman for the Donut Drive.

Several business men in town attended the luncheon meeting to give their support to the new organization. Rev. T. Herbert Minga, Ralph Davis, Tom Britton, and B. H. Alexander were present. Miss Mary Sue Tipps, Field Director in Burkburnett for Camp Fire Girls, assisted the group by explaining the pattern of organization of Leaders Associations and by leading a craft session afterwards.

Members who attended this first meeting were Mesdames F. T. Felty, Elbert Buckner, C. J. Good, Victor VanLoh, M. C. Chapman, W. H. Hodges, P. H. Johnson, A. P. Morris, C. C. Netherlain, Tom Britton, Roy Foutz, Dick Hall, Garland Smith, B. F. Gilchrist, Zala Dodson, Misses Faye Wilhoit and Tipps.

Mr. and Mrs. L. F. Crow of Lindsey, Oklahoma are visiting in the R. N. Germany home.

TEXAS INDUSTRIES PUT NATURE'S RESOURCES TO USE FOR THE BENEFIT OF MANKIND

Cracking NUTS or OIL or ATOMS

You can't get to those tasty kernels until you crack the shell. That's the way it is with nuts... and with crude oil, too. Nearly all natural resources must be gathered, processed and moved to market before they become of value. Crude oil, for example, is worth little under the ground. But it built a great industry in Texas when it was produced and transported to places where it could be put to use. The United Gas companies are helping to build another great industry from a natural resource—through the production, processing and transportation of natural gas. Under the ground, natural gas is a worthless and wasted resource. But it's a dependable, low-cost fuel for a thousand purposes when United moves it to market. This is practical conservation, for it stimulates industrial development, creates jobs and benefits all the families in Texas.

OIL REFINING
 Privately-owned, business-managed refineries in Texas met the challenge of war-time production, and are meeting soaring post-war demands for all petroleum products. This is a classic example of Free Enterprise—providing thousands of jobs for Texas people, spending millions with local suppliers, paying scores of taxes for the support of state and local governments. The petroleum industry deserves your support for its important contribution to the economy of Texas.

The Cotton Industry Sets An Example

● Economists tell us that the full use of America's enormous productive capacity could solve not only many of our own economic problems, but could also help many other nations of the world solve theirs.

One of the chief obstacles to the full employment of our productive power is strikes that develop in industry—strikes which slow down and even stop the assembly lines.

The cotton industry is a shining example of what can be accomplished when Americans join hands in friendly cooperation. The cotton industry set an outstanding record of continuous production with a minimum of internal strife through the war years and into the postwar period.

Through the National Cotton Council, the cotton farmers are united with all the members of the cotton industry—ginners, crushers, warehousemen, merchants, shippers—millions of Americans who maintain a capital investment of \$7,500,000,000 and realize \$2,500,000,000 in gross annual income.

Cotton is one of the bulwarks of our economic system. You can contribute your share in supporting this great American industry by buying and using cotton products.

The message above is published by this institution in behalf of the cotton industry of surrounding counties in Texas and Oklahoma.

DONT LOOK NOW
 WHERE ARE
 ALL THOSE PEOPLE GOING
 WHY TO THE
City Grocery and Market
 OF COURSE

Because there they can find a complete line of fancy and staple Groceries. . . Fresh and Cured Meats, Fresh and Frozen Vegetables. . . Pints Ice Cream, also novelties. . . Frozen Strawberries. . . Peaches. . . Fish, Shrimp and Fryers.

BUT BEST OF ALL is that there they find that their prices are just as CHEAP and CHEAPER than you will find anywhere.

Note of Appreciation
 As it is impossible to meet and thank our many friends for their kindnesses to us during our trying time, we take this means to express our gratitude to the blood donors; to you who prepared the delicious meals; for the many cards, floral offerings, and your faithfulness during the long illness of our husband and father, Walter S. Duvall, and the sympathy shown us at the time of his death.
 Mrs. W. S. Duvall,
 Mr. and Mrs. Vinsin Duvall,
 Mr. and Mrs. Vance Lenz,
 Mr. and Mrs. Jack Cagle. 39-1tc.

Finishing Touch
 We do expert work painting your car—whether you want just dents or scratches removed or a complete paint job. . . And we finish the job as neatly as when originally turned out by the factory.

Devol News
 Clara Stofor

Mrs. Otis Lagrone of Houston, Texas, was called to Grandfield, Oklahoma, last week by the death of her uncle, Mr. D. Grimes of that city. Mrs. Lagrone remained for a two weeks visit with relatives and old friends in this community.

Mrs. John Coker returned Sunday from Ft. Worth where she underwent medical treatment.

Mrs. Ralph Postalwaite, Randlett and Restalls and Beatrice Vernon of Burkburnett visited Sunday with Mrs. Postalwaite's parents, Mr. and Mrs. Byron Cooby.

Russell Nolla, 3 year old son of Mr. and Mrs. O. Nolla, is ill and has been in the Wichita Falls Clinic for treatment.

Baptist Church were Mr. and Mrs. Joe Davis and Donald Ray, Mr. and Mrs. Orlie Doty and children; Mr. and Mrs. J. B. Stevens, Mr. and Mrs. K. L. Smith, Mr. and Mrs. W. H. Stevens and Mrs. C. O. Woodley and Gordon Woodley. Another singing convention is scheduled to be held at the Methodist church, Grandfield the 4th Sunday in May.

Mrs. Jess Cates visited Mr. Cates at Clinton last Friday. It was decided that Mr. Cates remain at hospital for further treatment.

Mrs. Glenn Oden of Wichita Falls was honoree at a bridal shower at the C. O. Woodley home last Friday evening. Mrs. Oden is the former Miss Florine Powell, daughter of Mr. and Mrs. Carl Powell. About 35 friends were present, and a number of others sent gifts. The evening was spent in appropriate games. The bride was assisted in the opening and passing of the gifts by her mother. Hostesses were Mesdames Frank McClendon, Aubrey Mayes, Vernon Lagrone, K. B. Uthe, John Helms, Sam Bishop, Jim George, Earl Dodd, R. L. Wyatt, Robert Lee Wyatt, M. C. Crocker, C. O. Woodley, and Miss Marie Hutson.

Mr. and Mrs. Herbert Homovitch returned Sunday from Mexico City where they spent a week following their wedding April 10, to their home in Walters, Okla. On her return to school Mrs. Homovitch was honored by her pupils and fellow teachers with gifts and a shower. For the remaining weeks of school Mrs. Homovitch will drive daily from Walters.

The Devol Ladies' Club will meet April 27th and make arrangements for the Co. Federation Clubs which will be held at Devol May 4th.

Rin Tin Tin III Decended From Popular Star

The pedigree of Rin Tin Tin III, currently making his film debut in the new PRC's Vitacolor film, "The Return of Rin Tin Tin," is an illustrious one.

In 1918 near St. Mihiel in the first world war, a young flier named Lee Duncan and his buddies ran across a litter of German Shepherd puppies. The puppies were divided among the fliers and Duncan got a male and a female pup. He called them Nanette and Rin Tin Tin—after some good luck French dolls he had seen in a cafe window.

Now comes another scion of the Rin Tin Tin family—Rin Tin III. He also makes his debut in films in the first of a series, "The Return of Rin Tin Tin" is produced by William Stephens and directed by Max Nusseck. Rin III, now five years old, has spent four years of his life in the K-9 Corps of the U. S. Army. His friend and master, Duncan, likewise served as an instructor in the same combat branch.

A strong supporting cast surrounds Rin in his first picture, including Donald Woods, Bobby Blake and Claudia Drake. The Return of Rin Tin Tin is now playing at the Palace Theatre, Friday and Saturday.
