American Legion Entertains With Banquet Monday

Oscar Frye Post No. 264 of the American Legion entertained with a banquet at the hall last Monday night. In attendance were: members of the foot ball, basket ball, track, girls' volley ball teams, the seniors, their dates, Mr. Short, Miss Johnston, Mr. Davis and Mr. and Mrs. Douglas.

Jingle Hayes very ably acted as Master of Ceremonies. Invocation was given by the Post Chaplain, Don McCullough. Following the welcome by Post Commander Duke, a grateful response was given by Billy Earl Askins. Short talks were given by Mr. Davis, Coach Short and Miss Ethelyn Johnson.

The bar-b-q feed was served "night club" style to tables set for four.

Following the feed, the remainder of the evening was spent dancing, playing checkers and dominos.

The hall was appropriately decorated with the school colors.

Burk Team Wins Base Ball Game

By holding the Wilson Manufacturing Company, Wichita Falls, team to 5 hits, Preston Dairy team won their first base ball game of the season here last Sunday on the high school diamond. The score was 14 to 1 in favor of Burkburnett boys.

Winkles on the mound with Owens catching was the combination used most of the game by the local team. Don Short relieved Winkles in the 7th to face only one batter, Country Owens, who fanned the breeze for three strikes. Short was relieved by Brantley, who gave up no hits in the remaining innings.

Batteries for Wilson: Arbutles and Nolen. Home runs for the local team were plentiful. Herman Green whammed out two, as did Levi Garrett. Don Short got one. Next Sunday the team goes to Tipton, Oklahoma.

Singing Sunday

Sunday afternoon from 2 to 4 o'clock, there will be singing at the Church of God on Ave. E.

Those who wish to participate or to listen are cordially invited.

Hardin Students Entertain Lions

Members and guests of the Lions club were delightfully entertained Tuesday night at Town Hall when B. H. Preston and Roy Magers brought the program.

Chester Duncan, former Burkburnett school instructor and now with the Hardin College faculty at Wichita Falls, was introduced by Roy Magers. Mr. Duncan introduced Eddie Savage from the Hardin College music department, who introduced other students and members of the music department.

First on the program was John Hatfield, tenor, who sang "Ah, Sweet Mystery of Life," and "Torna A Sorriente". Helen Carner, soprano was the next to perform. She sang "Love's A Merchant," and also "Life."

"Eddie Savage, baritone, was the last to appear. His numbers were "Pale Hands" and "Come to the Fair."

Cashion Baptists To Hold Revival

Beginning Friday May 7th a Revival will be held at the Cashion Baptist Church. Services will be held daily at 10 a. m. and 7:45 p. m.

Evangelist is Rev. Sol Carpenter. Robert S. Vance is pastor of the church. A cordial invitation is extended to all.

"Take It Or Leave It" Our Radio Quiz Show

ONEITA CHERRY KOLTER

The article printed below by Mrs. Rex Kolter, local sixth grade teacher, was published in the May issue of the "Grade Teacher", National publication. The picture was made in the classroom showing Mrs. Kolter at the extreme left, with Billy Bean at the microphone.

I have worked out a "Take It Or Leave It" method of teaching social studies, that has worked wonders in arousing and sustaining interest in the subject. Children who were never interested before, now take their geography and history books home to study. They are actually disappointed when an assembly program or movie takes their broadcasting time!

We made a microphone as follows: First we had a pipe mounted on a stand. Then a pupil brought a small skillet. We slipped its handle into the pipe end, and making the speaker. We painted

the microphone with aluminum paint.

Each day, after we finish a lesson in geography or history, the children write down any questions which they think could be used on "Take It Or Leave It" and place in a box kept on my desk for that purpose. Each child signs his name to his question, and writes the answer in parenthesis. I pick out the best questions and add some of my own.

Each boy and girl draws a number. Since there are twelve girls and seventeen boys, girls draw the first five numbers perform twice. The girls compete against the boys and the score is added to see which side won.

Each contestant is asked a question. If he gives the answer correctly, he gets four points. He can take it or leave it, i. e., he can have four points or try for eight. If he gets his second answer right he can take eight or try for sixteen, and so on up to making the speaker. We painted

at any time he loses all of his points.

After this procedure for six weeks, twenty-one children out of twenty-nine made a hundred on a test that came with their workbooks and they had thoroughly enjoyed their classes. If they get so excited that they become too noisy, I remind them that we are "on the air". And I sometimes have to say "no coaching from the audience."

The following are a few of the questions selected from those used the first twelve weeks in the unit on early explorers and the New England and Middle Atlantic States.

1. What was Columbus seeking when he discovered America? (A new route to Asia.)
2. To whom does Greenland belong? (Denmark.)
3. What connects North and South America? (The Isthmus of Panama.)
4. What were the Crusaders? (Religious Wars.)

Band Takes Honors At Denton Meet

The local High School Band placed 4th at the Region 10 meet at Denton last week-end. Their director Chas. Vick, and Burkburnett as a whole is justly proud of this band who competed with twelve bands, some of which were much larger, and more experienced. They were one of the four bands that broadcasted over KDNT at 3 p. m. Saturday.

All of the solo and ensemble entries placed in the contest: Norma Lincoln, 1st in violin solo; Reva Greene, 3rd, Clarinet; Sax Quartet, 4th; Clarinet Trio, 4th; Sue Douglas, 3rd piano solo; Arnela Muller 3rd, piano solo; Kay Morrison, 2nd piano solo; Bill McClarty 2nd Cornet solo; Wanda Ludington, 4th, Trombone; Paul Ferguson 3rd Trombone; Brass Quartet, 3rd; Brass Sextet, 4th; and Drum Trio, 3rd place.

The girls stayed at Sin Cuido Lodge and the boys at Virginia Carroll Lodge.

Bus drivers were J. H. Cecil and B. O. Willis.

Chaperones were: Mr. Douglas, Mrs. Morrison, Mrs. Ferguson, and the accompanist, Mrs. Lincoln.

The band and Mr. Vick wish to thank Hugh Preston for the use of his pick-up to haul the instruments.

This week the band took part in the parade at the Santa Rosa Round-up at Vernon.

Food Locker Changes Hands

Announcement was made this week by D. F. Daniel that he had bought out Willard Mills' interest in the Frozen Food Locker and assumed charge on May 1st.

Mr. Daniel states that he will continue the wholesale meat business and give the same courteous service that has been received in the past, and will appreciate your business. His announcement appears on another page of the Star this week.

Oversized Egg

Emil Schroeder, who lives just West of the city limits, has White Leghorn hens who believe in doing things in a big way.

Last Saturday Mr. Schroeder brought as evidence to the Star office, an egg that weighed 9 ounces. The giant egg measured 9 1-4 inches around the long way and 7 1-2 inches for the shortest circumference.

One morning Mrs. Schroeder prepared four eggs and had a total of eight yolks. Several of the eggs they gather are large, but the sample brought to the newspaper office was the grand paw of them all.

Cancer Control Funds Continue

R. H. Henry, local chairman, reports contributions are still coming in to the Cancer Control fund.

A few large contributions have brought the total up to a nice figure. Still other sizable donations have been promised.

Mr. Henry and A. R. Hill, who is treasurer, are very anxious to make their final report by the 10th, which is the date extended by the state chairman.

PICNIC DINNER

Mr. and Mrs. Y. C. Paschall and Mrs. Musgroves of Brownwood were recent visitors in the B. N. Cauthorn home in Rose Lawn.

A six o'clock picnic dinner was held on the lawn Sunday evening in their honor. Attending were Messrs. and Mesdames A. R. Bunstine, L. B. Horr, Wiley Bloxom of Electra, and the host and hostess, Mr. and Mrs. Cauthorn.

WID PHILIPS HOME

Wid Philips, who has been confined to a Wichita Falls hospital the past few weeks due to injuries received penning cattle, has been returned to his home, much improved and able to receive visitors.

Frozen Food Free Demonstration At Town Hall May 13

Thursday afternoon, May 13th, housewives of this area are invited to witness a free frozen food demonstration at Town Hall. The demonstration is being sponsored by Burkburnett Implement Co., with Joy Sessums as host.

An International Harvester Company Home Economist will conduct the demonstration which will last approximately one and one-half hours. The Home Economist will demonstrate the various steps of freezing procedure beginning with the preliminary selection of foods and continuing through the freezing process, packaging, sealing and labeling.

The demonstration starts at 2:30 P. M.

Cool Weather Helping Wheat

Wheat, which needs moisture, is being aided by cool, damp nights and cool days. Prospects in this area for a fair crop are good, even if no more rain falls here before harvest.

Although wheat has not reached much height, heads are unusually long and are filling out well. A slow rain of several hours duration would be most welcome now. The rain, if accompanied by high wind, would be disastrous in most local fields.

Newest "Tough Guy" Sparks Action Film

Rocky Cameron, the screen's newest tough guy is doin' the "Mormon Roll."

No Pardon, it's not a hot dance designed for Salt Lake City jitterbugs, but a superior method of drawing a brace of pistols from their holsters, which Rocky Cameron, playing a U. S. Marshal, demonstrates in Astor's new outdoor action epic "White Stallion" starring "Tarzan" the famous white stallion, from whom the picture derives its title.

According to the "Mormon Roll," the guns are snapped from their holsters with almost lightning speed by the forefingers and spun forward into shooting positions. The main advantage of the technique, as Cameron explains it, is that single action guns may be cocked with the thumbs as the pistol spin—which is nice work if you can do it—and Rocky can.

"White Stallion" which is playing at the Palace Saturday tells the story of a U. S. Marshal who rides a white stallion into the open plains, and with the aid of his friends rounds up a bunch of vicious bank bandits.

Mr. and Mrs. C. W. Costen and children of Kilgore have been visiting Mr. and Mrs. C. A. Moreman.

Carol Lohofener left Tuesday for Lubbock to visit friends at Texas Tech.

BUY BONDS

A good way to fight high prices is to keep your money off the market, that is if you are able to save any after paying current living expenses. Many people can manage a budget to include a savings account and these are the folks who can cash to invest in U. S. Savings Bonds. There is a drive, the government's eighth, six during the war and one in 1945, to get Americans to invest \$2 billion in ten weeks. The Treasury suggests it is a way to "win the peace" and we say it is a good investment whether they use a slogan or not. Curb high prices by buying bonds and also give the enemies of this country something further to think about.

MAN'S OWN CASTLE

More people own their homes than ever before, proven through figures of owner-occupancy that traces it back to 1890. Cities don't have the home owners in proportion to those inhabitants of rural and farm areas, probably because of so much apartment house living. Two-thirds of those who live in the country and small towns, own their home. Circumstances too often keep others, who would like to do so, from being among the two-thirds.

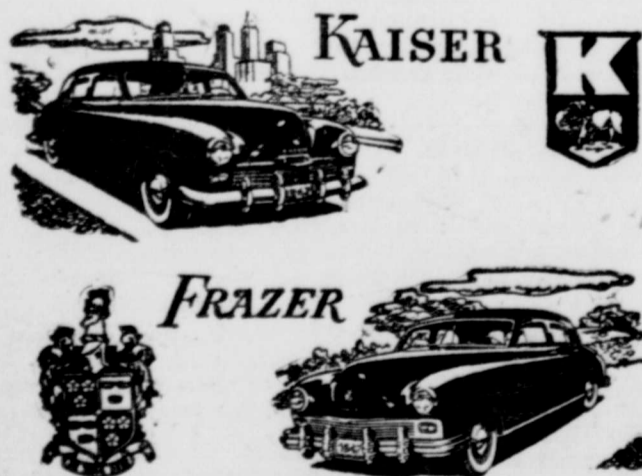

At this season of the year, home-owners are busy with repair, painting, papering and all the other things that crop up to add to our overhead. However, there is a great satisfaction that comes to us, as we watch the beauty develop of newly born things in our yard, our fields, and we have an incentive to clean up and dress up our homes, because they belong to us.

Chick Chats

(By Clark Gressiam)

SEPARATE PULLETS COCKERELS EARLY

When chicks are 5 to 6 weeks old, or whenever you can easily distinguish the cockerels, it is time to separate the sexes. Remove the male birds and place them in a separate enclosure, finishing them off as broilers. Retain only those cockerels needed for breeding purposes.

Removal of the males gives the other birds additional room and eliminates crowding at the feed troughs. They will do better as a result. And the poultry raiser realizes a saving in feed costs.

Keep in your flocks of medium and heavy breeds only one male to every 15 females. For Leghorns and other light breeds the ratio should be about one rooster to every 20 hens.

Keep the best cockerels for breeding stock. To pick the best males, here are some guide rules to follow:

High quality chicks are the cheapest in the long run. If you haven't already purchased your chicks, plan to get the best available at your hatchery.

Look for good feathering. Mark all chicks which have long pin feathers in their wings at hatching time or tail feathers at 10 days of age.

Keep for later selection the largest cockerels at 8 to 12 weeks of age.

Retain all cockerels that are free of standard disqualifications and have no body deformities. Look for points on the sides of the comb and feathers on shanks, toes, and between the toes. Get rid of any with these disqualifications.

Eliminate the runts and slow feathering birds. When your pullet flock begins laying do not house males and females together until the production of hatching eggs is started. It is best to produce market eggs which are infertile.

Soil Conservation News

Approximately 4.5 acres of buffalo, sand and weeping love grass have been planted on the farm of John Muller of the Fairview Conservation Group. This grass planting is a part of his conservation plan that was worked out jointly between Mr. Muller, Supervisors of the Wilbarger-Wichita Soil Conservation District and the Soil Conservation Service. The pasture, when established will be used as a means for disposing terrace outlet water without serious effect of erosion.

Irrigation laterals and field drainage ditches have been reshaped, cleaned out and made ready for the coming irrigation season on farms of L. J. Lane and Floyd Kirk of the Valley Farms. On both farms, it was in some places necessary to make a cut of 6 inches to insure proper grade for drainage and flow of water.

A sub-service drainage ditch is now in process of construction on the Hardin College farm. The ditch is being constructed by machinery of the Wichita Valley Water Improvement District. An engineer and soils man, assigned to the Wilbarger-Wichita Soil Conservation District, have collected soils and engineering information and are assisting on the projects. The proper location and construction of drainage ditches are essential in any irrigation project.

The week starting May 2 has been designed by "Friends of the Land" and the Supervisors of the Soil Conservation Districts as "Soils and Souls Week". Supervisors of this Soil Conservation District are: Tom Pace, Iowa Park; H. J. Flusche, Electra; Henry Vaughn, Burkburnett; Claude Price, Thalia, and Phip Spears, Chillicothe. Churches all over Texas are observing Soil and Soul Sunday. Conservation tours and discussions are planned for the week.

An Eye For The Future

When citizens built the Municipal Light Plant in Burkburnett, they were looking for future benefits as well as immediate ones.

They were thinking of advantages to the city and its citizens in the months and years to come. They knew their children would reap the benefits of municipal ownership as well as they themselves would.

The establishment of a municipal light plant was an investment for all times. Share the dividends by patronizing it.

"What's Your Opinion,
Mister?"

From one of those public
polls was in Andy's Garden
querying Andy's patrons
something from that "new look"
next election.
It occurred to me that there's
more typically American
selecting other folks' opin-
ions as giving out with
them. And from where I sit,
a mighty healthy habit.
As people can discuss
any of a question that comes
to their minds, short
of a long, beer compared

with cider, or the larger issues of
party versus party - we're sure of
the individual liberty that has made
this country great.
For it isn't differences of opinion
that matter. The important thing
is tolerance for differences of opin-
ion - whether they affect the right
of an individual to vote, to speak
his mind, or enjoy a glass of beer.
They're all parts of the freedom
that we cherish!

Enjoy Skating**

Members of the King's Daughters Sunday School class of the First Baptist Church and their teacher, Mrs. O. B. Wofford, met at the grade school building on Thursday, April 29 and motored to Sandy Beach for a skating party.

After enjoying more than an hour of exhibiting their skill and perfect control of their feet, they all went to the park where a luscious picnic supper was spread. Having assembled around the table, the president, Donna Ady, had a few words of welcome, and asked Mrs. Wofford to say grace.

With the class were their guests: Barbara Vaughn, Evelyn Foster, Patricia Edwards, Mesdames Delma Lee Edwards, Robert James, F. E. Downs, J. W. Wallace and Mr. O. B. Wofford.

The class wishes to express most hearty thanks to Mesdames James, Edwards, Wallace and to Mr. Wofford for making the trip possible by furnishing their cars for transportation.

Members attending included: Donna Ady, Donnie James, Francine Downs, Marie Dickey, Patsy McAfee, Joy Hunt, Mary Johnson, Carol Campbell, Irma Smith, Wanda Moore, Evelyn Foster and Mrs. Wofford.

**Popular Couple
Exchange Vows
Saturday, May 1**

A wedding of interest to many in Burkburnett was performed Saturday, May 1st, to unite Miss Mickey Utley and E. J. Reed. Rev. T. Herbert Mings, pastor of the First Methodist Church, was officiant for the ceremony, lines of which were read at his home at 8 o'clock A. M.

Mr. and Mrs. Al Ragsdale were the couple's only attendants.

Mrs. Reed is the attractive daughter of Mr. and Mrs. W. M. Utley of Burkburnett, and a member of the 1944 graduating class of the local high school. She wore a lovely yellow pastel street length frock. Her hat and other accessories were of white, and she completed her costume with a white gardenia corsage.

The groom is the son of Mr. and Mrs. W. E. Reed and also a graduate of the Burkburnett high school in 1941. He is employed by a drilling company in Oklahoma.

Following a week end trip to Fort Worth, the couple returned to Burkburnett where they have established a home at 610 Avenue B.

Look who gets squeezed!

Union leaders representing less than one-tenth of railroad employees reject recommendations of President's Emergency board—refuse to negotiate except on their own terms—threaten to paralyze nation by strike!

THE LEADERS of three railroad unions, representing less than one-tenth of all railroad employees, have called a railroad strike that would paralyze the nation.

These leaders refuse to accept a 15½ cents an hour wage increase retroactive to November 1, 1947. This increase was recommended by an impartial Emergency Board appointed by President Truman.

This increase of 15½ cents already has been accepted by the 19 other railroad unions. But the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Switchmen's Union of North America won't accept what more than 90% of all railroad employees have accepted. They have called a strike to get more!

Who's to blame?
Although they deplored so large an extra cost burden, the railroads accepted the report of the Board because they felt it was in the public interest to uphold the spirit and intent of the Railway Labor Act.

Compare these wages with what you make!

Type of Empls	1939 Average Annual Earnings	1947 Average Annual Earnings	1947 Average Hourly Earnings by President's Board
ENGINEERS			
Road Freight (Local and Way)	\$3,968	\$6,152	\$6.75
Road Passenger	3,632	5,391	6.05
Road Freight (Through)	3,147	4,682	5.17
Yard	2,749	4,078	4.50
FIREMEN			
Road Freight (Local and Way)	\$2,738	\$4,721	\$5.20
Road Passenger	2,732	4,544	5.10
Road Freight	2,069	3,480	3.94
Yard	1,962	3,156	3.48

Railroad wages computed from Interstate Commerce Commission Statement M-300

UNIONS REFUSE RULES DISCUSSION

Certain rules changes demanded by these union leaders—which would increase wages still further—were recommended by the Board. But the union leaders want more—they demand that the railroads put into effect ALL the changes they asked for, including those the Board felt should be denied.

On top of this, they insist that certain rules changes proposed by the railroads be withdrawn—in spite of the fact that the Board recommended them! These union leaders have refused to negotiate except upon these arbitrary terms.

Greater wage increase not justified
Engineers and firemen are among the highest paid of all employees in America, as figures in the box show. This strike threat doesn't justify giving a greater increase than other railroad workers received.

Emergency Boards are a means provided by the Railway Labor Act in the public interest to avoid strikes. The President's Board,

Future Homemakers Meet at Galveston

The Texas Association Future Homemakers of America held its first meeting since the war, in Galveston, April 22-23-24. Future Homemakers is the national organization of high school students enrolled in homemaking.

During the general meeting the Temple Chapter presented the F. H. A. ritual for opening and closing a Chapter meeting. This ritual will be presented by the Texas Association at the National meeting in Kansas City. The A. & M. consolidated Chapter triple trio presented "The Song of the Future Homemakers," which was written by Lou Ann Smith Chapter member with music by Mrs. Ford Munnerly, honorary member. This song has been presented to the National organization for adoption for the National song.

A emblem ceremony was presented by the Webster Chapter. Officers for the coming year were elected. One girl from each of the twelve areas is chosen for one of the state officers, nominated by the nominating committee and elected by the house of delegates meeting.

President Charlotte Ann Aker, Jacksonville, installed the officers for 1949. Naneen Campbell, Pampa, was elected to represent Texas at the National convention.

The association accepted an invitation to meet in Dallas for the spring of 1949.

Attending the Galveston meeting from Burkburnett were Mrs. Pauline Slater, home economics teacher, and one of her students, Virginia Gellner.

Barrie-Rosson Vows Recited

The home of Mr. and Mrs. Dudley Rosson in Vernon, Texas, was the scene of the wedding of their daughter, Joyce Ann to Mr. Johnnie Barrie Sunday April 25. Vows were recited at 2 p. m. under the direction of Dr. Robert Austin, pastor of the Vernon Central Church.

The bride given in marriage by her father, was attired in a powder-blue crepe street length dress, fashioned with a full skirt. Her halo-type hat was of blue marine, and she carried white Bible topped with gardenias. Her other

accessories were of white, and she carried out the traditional with something old, new, borrowed and blue.

The setting for the ceremony was a large window centered with a large white satin bow, and baskets of gladiolus and palms on either side.

Mr. and Mrs. Leonard Capps, sister and brother-in-law of the groom, acted as best man and matron of honor. The bride's sister, Miss Ada Sue Rosson attended as maid of honor.

The pianist played "Because" and the wedding march preceding the ceremony and muted interpretation of Claire de Lune during the exchange of vows.

For the reception which fol-

lowed, the table was covered with white linen, with an arrangement of white snapdragons and blue formosa. Blue satin streamers bearing the names, Joyce Ann and Johnnie were placed across the table. A two tiered wedding cake completed the refreshment table.

Mrs. Barrie was employed as book keeper at the First State Bank, before her marriage. Mr. Barrie is a farmer and rancher

near Grayback where will make their home. Mrs. Barrie's mother, remembered in Burkburnett, the former Lucille S. Barrie, daughter of Mrs. Bertha S.

Mr. and Mrs. G. C. are in San Marcos funeral services for son's brother.

The quarterly meeting of the Farm Women's Federated Clubs of Cotton County was held at the Devol school auditorium on Tuesday with about 150 members and visitors in attendance. Nineteen clubs were represented. The theme of "An Old Fashioned Garden" was carried out very beautifully in decorations and arches of local flowers arranged by the hostess club, of which Mrs. Frank McClendon is president.

The business session opened at 11 A. M., conducted by the president, Mrs. John Jeffrey, Federation president. Lunch was served by 13 clubs at noon; after which the Garden Program was resumed with Mrs. J. C. Collins presiding, with the song "In The Garden" by the group. The grade glee club sang "The Garden Party"; Mr. and Mrs. Weldon Rightmer of Lawton sang "Neath The Old Olive Tree". Other numbers following out the program theme were presented. It was voted to hold the next Federation meeting at Apeatone. Mrs. Helen Jagers is County Demonstration agent;

Mrs. John Coker, secretary of the Devol club.

Mr. Jim George was taken to Lawton hospital Tuesday for examination, threatened by appendicitis. Further report on his condition has not been received.

WSCS Meets Monday

The Women's Society of Christian Service met at the church for a special meeting called by the president, Mrs. S. S. Reger Monday afternoon at 1:45.

The regular meeting at 2:30 followed and was opened by singing, "We've A Story To Tell to the Nations." Mrs. R. H. Henry gave a beautiful devotional. Mrs. O. E. Melton had charge of the study on "We the people of our United Nations," on Human Rights. Mrs. J. L. Caffee led in prayer. Mrs. Melton gave the first part of the lessons designating the flags of the Nations on display. Mrs. Woodie Carter then gave the Status of Women, and Mrs. Cropper closed the study.

Sixteen members and two visitors were present: Mesdames S. S. Reger, O. E. Melton, B. N. Cauthorn, D. M. Morris, R. H. Henry, A. R. Bunstone, M. C. Tucker, T. H. Minga, J. L. Caffee, J. H. Rigby, Woody Carter, D. M. Lowery, W. C. Gage, M. W. Majors, W. A. Roberts, Miss Bess McGinnis, Mrs. A. H. Bazell and little Sue Carter.

Garden Club Has Enjoyable Meeting

One of the most delightful and enjoyable meetings of the Burkburnett Garden Club was held last Friday, when members and guests met in the beautiful garden of the Bob Tevis home for a noon picnic.

Two tables were set under a large tree, and were well-laden with delicious food and plenty of iced cokes.

A short business session was held with the vice-president, Mrs. Ross Reagan, presiding. The resignation of Mrs. Glen Bear as incoming president, and Mrs. Tom Boyd as the new secretary, were accepted with regret. Mrs. J. C. Adams was elected president, and Mrs. Bill Cauthorn, secretary.

After viewing the very attractive garden of the hostess, most of the group went on a pilgrimage to Randlett, Oklahoma, to the home of Mrs. O. M. Gould. We had a very nice visit with this charming garden club woman, enjoying a refreshing drink and looking at her lovely paintings and attractive yard. She then took us to the Seth Abbott farm, 7 miles from town. It is impossible to describe the setting of this old farm house, with its huge yard completely filled with beautiful growing plants of every kind and color, yet attractively arranged in line of order. Especially beautiful was her large Peonies. It was like seeing a Hot House, out side, This lovely home old in years, but decorative with antiques from all countries of the world. Her art gallery of her own family intrigued us. We were served ice-cream, with ginger ale

and delicious angel food cake. When we took our leave at a late hour, we knew we must visit this wonderful woman again that had extended to us such gracious hospitality. Going on this, enjoyable trip

were: Mesdames Reagan, Tevis, Adams, Harwell, Wiggins, Dodson, Caffee, Cauthorn, Melton. Guests were Mrs. Sam King and Mrs. Eudaley, of Memphis, Tenn., the later being the sister of Mrs. Harwell.

Patrick Henry's Old Home To Become National Shrine

For a long time the home where Patrick Henry lived and is buried was forgotten. Now it has become an American shrine. The Henry home—Red Hill, in Charlotte county, Virginia—was burned in 1919, is to be restored as it was in Patrick Henry's time, and furnished with the furniture and decorations that Patrick Henry had.

This great patriot won his first fame by demanding for colonial Virginians the rights of Englishmen. He won his greatest fame by demanding for all Americans complete freedom forever from England.

By 1775 war was imminent. On March 23 Patrick Henry offered a resolution to organize the Virginia militia and put the colony in a state of defense.

Probably the principal factors deciding the outcome of the election were passage of the European recovery program and the U. S. proposal to return Trieste to Italy.

Further, the election appeared to make an important point concerning the workings of Communist aggression: Ability of the Communists to take over a country is greatly reduced in cases where the Red army cannot be brought into position to exert pressure on the intended victim.

The Red army was not a factor in the Italian elections. It was a factor, either through its immediate presence or its threatening proximity, in the coups of Czechoslovakia, Poland, Romania, Bulgaria and eastern Germany.

If that reasoning is sound, a disturbing conclusion is evident: Should Russia realize that Soviet domination of Europe cannot be accomplished without use of military force, the next step might be to bring the Red army into action.

LEWIS: Lost and Fined. All things considered, John L. Lewis came away from his brush with the government in fairly good shape—suffering only relatively minor abrasions of the pocketbook.

It was almost a verbatim re-enactment of the Lewis-Goldsborough drama of 1946 when the judge fined Lewis \$10,000 and the union 3.5 million dollars for contempt.

At this stage, the situation between U. S. and Russia was not unlike a popular American game of chance. Democracy had just completed a row of numbers on its card; and in the U. S. announcement of a new atomic weapon kibitzers around the world could hear a loud cry of "Bingo!"

WEEKLY NEWS ANALYSIS Anti-Communist Coalition Crushes Red Opponents in Italian Election; Lewis, Miners Fined for Contempt

By Bill Schoentgen, WNU Staff Writer

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.)

WEST: In Italy

By the time officials finished counting the first vote returns from Italy's national election there was no longer any element of surprise in the fact that the anti-Communist coalition parties were winning two-to-one.

Unusual thing was that the anti-Red Christian Democrats, Republicans and Social Unity party had scored such a top-heavy victory. They led everywhere, even in the so-called "Red North" where Communists had amassed considerable strength in the industrial cities.

Communist front spokesmen conceded that the election results "must be considered a victory" for Premier Alcide De Gasperi's coalition.

This Italian election had been the plum for which both the U. S. and Soviet Russia had been competing frantically for six months. It was a real contest. Each nation had sent myriads of entries: "I think Italy should be anti-Communist (or Communist) because—"

It probably was a gesture of impotence, rendered even more impotent by the fact that the security council, although it laid down specific truce directives to both factions, decided against sending a U. N. commission to the scene of trouble to check on compliance.

Russia, continuing to favor the partition plan, refused to support the truce proposal but at the same time Andrei Gromyko, Soviet delegate, refrained from applying Russia's big-power veto and thus permitted the agreement to be concluded.

There was no assurance that either Jewish or Arab forces would agree to a United Nations truce and lay down their arms.

While the American U. N. delegation was playing hard-to-get, other delegates were asking "What are we here for?"

Unofficial explanation was that the U. S. was trying, through Secretary of State George Marshall in Bogota, Colombia, to get some South American nations to offer to supply the troops that will be needed to enforce a trusteeship.

A heavy flint cleaver, reduced to chalk-like consistency after having lain in the earth for millions, is part of the evidence a Harvard anthropologist brought back from Northwest Africa to support his claim that man existed in that section of the world 150,000 years ago.

THE BIBLE TODAY. International Union Sunday School Lesson. By LOUISE D. NEWTON, D.D.

SCRIPTURE: Ezra 7:1-10; Nehemiah 8:1-13. DEVOTIONAL READING: Psalms 119:9-16.

Ezra Leads A Revival

Lesson for May 9, 1948

GLANCING for a moment at our history, we see that in 536 B. C., 50,000 Jews were returned to Jerusalem from Babylon, and the temple was rebuilt; and 78 years later, Ezra returns with about 7,000 Jews to inaugurate needed reforms.

FOR heart to seek the law of the Lord, and to do it, and to teach in Israel statutes and judgments.

There was great need for a revival of religion, and Ezra knew that there can be no real revival until the people come back to God.

What would you think of the people being summoned into some public place today to hear the Bible read? But you say, we hear it read over the radio, and we hear it read in church, and we sometimes hear it read in the home.

It is positively dangerous to receive impressions from God, and refuse to express what he has put in our hearts to do for him.

WHAT IS A RELIGIOUS REVIVAL? THIS lesson intends to reveal to us how a religious revival broke out in Jerusalem in the long ago, nearly 500 years before Christ was born.

When men are convicted of their sins, they will say with Zachaeus, "Lord, the half of my goods I give to the poor, and if I have taken from any man by false accusation, I restore him fourfold."

Hate never ruined an enemy, but it has ruined the lives of many a hater.

You never fail to get your reward for Christian service, for the reason that it is its own compensation.

Discontent is the want of self-reliance; it is the infirmity of will—Emerson.

Lumber Firms Note Year of Prosperity

PORTLAND, ORE. — The lumber industry rode the crest of a sawdust flood to the most prosperous year in its history in 1947. Production topped 1946, which in turn exceeded the war years; orders were almost limitless; prices were high.

The outlook: Continued record demand; a possible decline in prices, particularly for lower grades; greater production.

Shipping Is Bottleneck. H. V. Simpson, executive vice president of West Coast Lumberman's association, said the only factors which could prevent record production in 1948 would be shortages of cargo ships and rail cars.

George T. Gerlinger, one of the Northwest's major lumbermen, said an extra 300 freight cars a day for two months would cut prices 10 to 15 per cent because the sudden flood of lumber into retailers' hands would put an end to extreme competitive bidding.

THE Methodist CHURCH

T. HERBERT MINGA
Pastor

There will be special Mother's Day services at both hours Sunday in our church. The pastor will bring a message at the morning hour which should make each one who attends joyful instead of sad in thinking of Mother. At the evening hour, members of the M. Y. F. Choir will sing songs and give readings in honor of their mothers.

This is the last month of our Conference year and our budget is up to date with the exception of the money we have promised to raise for our Youth Camp at Bridgeport. It would be a fine thing if all of us would honor our Mother's by making a contribution to this worthy project which will mean much to the youth of today and tomorrow.

Remember your Mother by coming to church Sunday. She taught you that you needed the church and that the church needed you.

We are glad to see Mrs. Al Lohoefer back at her position in the Bus Station. Mrs. Lohoefer has been absent the past few months due to injuries sustained in a car accident.

Springtime is salad time . . . and a good time to spring some fresh combinations on your family and guests. So today I'm going to tell you about a few that are sure to be as welcome as the flowers in May.

FLOWERPOT-LUCK
For tempting taste buds, try radish roses with green pepper stems and water cress leaves! Arrange 8 of these flavorful flowers on each plate and add a flowerpot made like this: Soften 2 tps. of A&P's plain ANN PAGE GELATIN in cold water. Combine 3 ounces softened cream cheese with enough milk to make 1 cup. Add a dash salt and 2 tps. softened Bleu cheese. Melt gelatin over hot water and stir into mixture. Pour into 2 custard cups; chill till firm; unroll and cut in half lengthwise. Place 1 half (cut-side down) on each plate under radish rosebush.

BEET TREAT
Want a bright bouquet for your spring salad bowl? Wash, drain and dry 1/4 lb. of spinach. Chop the tender inside leaves and add 1 1/2 cups of IONA CUT BEETS from the A&P, 1/2 cup diced celery and 1/4 cup French dressing. Toss lightly and serve on lettuce. Enough for 4 to 6 portions.

DRESSING BLESSING
A good salad rates a good dressing . . . and here's how to make one that rates raves: Put 1/2 cup of A&P's ANN PAGE VINEGAR and 2 tps. chili sauce in a jar. Add 2 tps. salt, 1 tsp. sugar, 1 tsp. dry mustard and 1/4 tsp. cayenne. Shake well. Add 1 1/2 cups olive oil, and shake till thick. Makes 1 pint. Strong for garlic? Pop a clove of it into the jar, too!

BEANS WITH SPRING ZING
There's nothing like bean salad to satisfy keen appetites . . . especially when it's made with A&P's SULTANA RED BEANS. Fix nine like this: Mix a 16-oz. can SULTANA RED BEANS with 1 tsp. vinegar, 1/2 tsp. salt, 1/2 tsp. chili powder and 1/2 tsp. dry mustard. Chill thoroughly. Arrange on 2 cups of shredded cabbage; top with 8 onion rings and 8 green pepper rings, and garnish with sections of 2 tomatoes. Serve with salad dressing. 4 servings.

Of 900,000 people eligible for Social Security, only 288,000 have applied because they cannot afford to retire and live on Social Security.
—Henry Morgenthau.

WOULD YOU WORK 5 YEARS for \$6.15 a month?

You are now age 35 and have earned and continue to earn at least \$3,000 under Social Security, at age 60 you will be entitled to a benefit of \$50.25. Payments will begin when you are age 65. If you continue to earn and work right on until you are 65, you will get \$6.15 a month more from your Social Security. But would you work five years longer for \$6.15 a month more?
If you are 60 and you couldn't live on \$50.25 a month—or \$56.40 either, for water. Chances are, you couldn't afford to quit. But you can afford to when you are 60 if you supplement your Social Security now, while you are earning a steady income. Which would mean the most to you—five more years of labor, or five years sooner in which to start taking life easy?
You can supplement your Social Security benefits with Southwestern Life Insurance to guarantee yourself an income of \$100, \$150, \$200 a month—or for as little as you wish—and quit when you are 60! There's a Southwestern Life Insurance plan to fit every pocketbook. Let me show you today how to combine your Social Security benefits with Southwestern Life Insurance. The sooner you know the facts, the more you will know about how easily and conveniently you can combine life insurance with Social Security.

Farm Bureau Federation News

A statement of interest to all farmers was made by District Director Loys D. Barbour as he talked to a county-wide meeting of members of the Wilbarger County Farm Bureau in Vernon Monday evening. "The International Wheat Agreement has been referred to the Senate for ratification by the president of the United States and all exporting and importing wheat countries of the world are bound by this agreement except Argentina, Russia and the countries controlled by the Soviet," said Barbour.

Under the International Wheat Agreement, importing countries agree to purchase five hundred million bushels of wheat, of which amount the United States would export one hundred eighty five million bushels. This is in addition to wheat export to military zones of Germany and Japan, which at the present would bring our total exports to well over three million bushels. Barbour said the agreement would become effective August 1, if ratified by the Senate.

The maximum and minimum prices are fixed in the agreement on Canadian currency per bushel at the parity for Canadian dollar ruling on February 1, 1948, for No. 1 Manitoba Northern wheat in store at Fort William or Port Arthur. The maximum price for the duration of the agreement is \$2.00 per bushel. The minimum price for the first year will be \$1.50 for 1948-'49. After that the

minimum will be dropped 10 cents per year until it reaches \$1.10 in the fifth year. It is estimated that the maximum price would mean \$2.11 for the same grade of wheat at the Gulf ports of the United States.

Mr. Barbour emphasized that each country participating in the agreement was free to maintain domestic prices at whatever level it desires. With the United States participating in this agreement it will assure the farmer an export market for at least one hundred eighty five million bushels of wheat for the next five years at reasonable prices.

Miss Sands Gives Club Demonstration

An interesting demonstration on laying patterns and alteration of patterns was given by Miss Kathryn Sands in her regular meeting with the members of the Clara Home Demonstration Club on April 29th in the home of Mrs. S. M. Butts. A formal dress was cut and fitted during the meeting.

The Style Show to be held at the Wichita Valley Farm Community House on Tuesday, May 4th, was discussed and plans were made to attend. Refreshments were served to ten members and three visitors.

The Clara Home Demonstration Club was organized in 1939 with 28 members. Miss Ruth Farquhar was County Agent at that time. Of that group, we have 3 charter members: Mrs. M. C. Chapman, Mrs. H. M. Day and Mrs. S. M. Butts.

During the war the members of the club knitted, sewed, made

quilts, rolled bandages, made cookies for the USO and gave blood to the blood bank. We have donated cup towels each year to the Y. W. C. A., helped several families whose homes destroyed by fire and helped clothe two orphan children for two years, and gave baskets to some family at Christmas. The Clara Club has had an exhibit at the County Fair each year, and won first place in 1947. At this time we have 14 active members.
