T. Leo Moore For State Senate

T. Leo Moore, colorful, hard fighting Mayor of Electra, who fought to keep his town from becoming a "Whistle Stop," has entered the race for State Senator from this, the 23rd district.

Mr. Moore was in Burkburnett last Friday to make his candidacy known to local voters. In his visit to the Star office, Mr. Moore said: "Tell the people I'm in the race for Senator. Tell them I'll fight for their rights on every issue. Those lobbyists at Austin would have one h--- of a time with old Leo. I would not be hungry enough to eat with them, and I don't drink. All I want to do is represent the people of this district 100 per cent."

School Officials Urge Students To See Liberty Bell

In behalf of the Superintendent, Principals and School Faculty as a whole, I earnestly urge all the Burkburnett students, who possibly can be in town the morning of Wednesday, June 28th at 8:30 o'clock to view the Exact Replica of the Liberty Bell which is on tour throughout the United States. This is an opportunity you may never have again, and should make every effort to be at the Corner of Ave. C and Main St. Wednesday morning.

Burk Merchants Invite Trade Area To Share Profits

Between now and the Boom Town Celebration, July 18 to 21st the Merchants of Burkburnett are sharing their profits with their friends and customers.

On each one dollar spent for Merchandise or on accounts paid, the merchants will refund one cent. The refunds are to be given in the form of a coupon which may be exchanged at face value at the Chamber of Commerce office for a ticket to the Boomtown Rodeo.

It is the wish of the local merchants, that their friends be their guests at this celebration and have chosen this manner of carrying out their plan in making the celebration a success for your entertainment.

Committeemen have done their best to contact all business firms but due to the short time left advertising had to be done immediately. If your name is not among the merchants listed, notify the Star and same will be published in the next publication.

The following Burkburnett merchants are taking part in this project.

Grace Revier Receives Honors

Miss Grace Revier, daughter of Mr. and Mrs. Dave Revier, and retiring president of the local M. Y. F. of the First Methodist Church, was installed as President of the East Sub District of Wichita Falls, M. Y. F., last Monday night at the Scotland Methodist Church.

Miss Revier was also elected to the North Texas M. Y. F. Conference Council as Publicity Chairman, at the First session of the Methodist Camp for officers and leaders at Bridgeport. This is quite an honor as only eight were elected out of a membership of 1,200 young people.

Grace will leave June 28 for six weeks at the Letoli Camp for Campfire girls as Councilman.

Colored People Express Thanks For Celebration

The colored people of Burkburnett want to express their thanks to the local citizens for their donations making it possible for them to have their Barbecue and Juneteenth Celebration. They are grateful to Mr. Tom Hamilton who worked so faithfully to make the event a success. The program by the Baptist Church was most enjoyed. The guest speakers were Rev. Sister Bolden, Pastor Rev. Longmiles, and others.

Burk Independents Swamp Wichita Red Sox Nine

The Burkburnett Independent Baseball team won a hard baseball game here Sunday afternoon over the Wichita Falls Red Sox, a fast colored team from Wichita Falls.

The score 11 to 0, behind the almost perfect pitching of right hander Wayne Sykes. Sykes gave up only 4 hits as he went the entire route for Burk, two of them very scratchy and striking out 10 batsmen while walking one. Lawler, the Red Sox short-stop was the only one that seemed able to solve the slants of Sykes. He collected 2 of the 4 hits his team gathered, but he also was having his trouble for he struck out 2 times in four trips at bat. Burk collected a total of 8 hits off of Brightwell and Walker who came in to relieve Brightwell. Three home runs were hit, one by James Mason, one by Lennard Randolph, and one by Wayne Sykes. It was a good game to watch, a lot better than some you pay good money to see.

A large crowd was out. I for one would like to see these boys some more in action.

When A Dollar Meant Something

Mr. Truman speaks of higher wages to come, of the low wages of yesteryear. Let us look back to 1834 for instance, when a man labored for a dollar a day, and long hours. His rent was about \$10 a month, but on an income of \$500 a year he was better off financially than \$4,000 a year today. Remember he didn't pay income tax and the purchasing power of his dollar meant something. Take a look at a listing from a menu of 1834 from New York's Delmonico Restaurant: cup of tea or coffee, 1 cent; soup, 2 cents; liver or hash, 3 cents; half pie, 2 cents; beef or mutton stew, corn-beef cabbage, fish, steak, pork chops, pork and beans, sausage, 4 cents each; liver and bacon, roast beef or veal cutlets, chicken stew, 5 cents each; ham and eggs, roast chicken, 10 cents. Regular Dinner 12 cents. See what we mean, Mr. Truman.

A PLEASURE TRIP

If you plan a long auto trip this summer you know that passing scenery isn't going to keep the young fry entertained throughout. Squirming and getting fidgety can happen to oldsters as well. A friend says that his family relieve the boredom of driving by playing guessing games and it passes tiresome hours of lengthy travel. The gray ribbon of highway becomes a testing ground for memory. He says that "Twenty Questions" is a favorite with the whole family, that naming the states and their capitals gives the children a chance to show off and listing the presidents of the United States is a severe test for all. The Alphabet Game and My Father Owns a Grocery Store and he sells—is an oldie but lots of fun. We might make a long trip a short one by playing games and proving to junior that "families are fun."

Both Mean Much To This Young Lady

This smiling Philadelphia waitress stopped in on her lunch hour to visit the Liberty Bell at Independence Hall. She was just in time to have her picture taken with the twin symbols of the Treasury Department's Independence Savings Bond Drive—the Liberty Bell and a U. S. Savings Bond. The new drive to be held May 15 to July 4, urges Americans in all walks of life to save for future financial independence by buying Savings Bonds regularly. Fifty-two full-size exact duplicates of the Liberty Bell will tour the nation during the drive due to the generosity and cooperation of America's copper producers. One of these bells will be on tour in this state.

COCCIDIOSIS IS FEARED DISEASE

Coccidiosis is the best known and most feared poultry disease. It occurs almost everywhere, and in many cases it takes a heavy toll.

Caused by a tiny, one-celled protozoan, coccidiosis is a disease that is characterized by rather typical symptoms, listlessness, droopiness, drawn in neck, and slumping posture. In the cecal (bloody) type of coccidiosis, the appearance of bloody droppings is typical.

Mortality Is High Mortality is frequently high in outbreaks of cecal coccidiosis. The disease also causes definite setback to surviving birds and creates a large number of worthless culs.

The intestinal type of coccidiosis, while not so deadly, nevertheless causes much economic loss among poultry raisers. This type of coccidiosis may effect slightly older birds and may carry on in the flock in a chronic form.

Prevention of coccidiosis de-

Mr. and Mrs. D. D. Petty of Corpus Christi are visiting relatives here this week.

Mr. and Mrs. G. C. Posey and son, Grover, attended the Firemen's Convention at Houston last week.

pend on two things: sanitation and medication. Poultry houses and grounds should be kept as free of filth as possible. Since the coccidia which cause the disease thrive in warm, wet surroundings, care should be taken to keep litter dry and to range chickens on clean, well drained ground.

Medication Aids Control Preventative medication is available now which will largely prevent outbreaks of coccidiosis. Given at a low dosage in the feed or in the drinking water, these medications cost little compared to the expense of a serious outbreak of coccidiosis.

Medication for control of outbreaks is also available of course. If given promptly at first signs of the disease, a good medication will usually check the spread of the disease quickly and will save the flock-owner a considerable amount of loss.

C. O. Smith, Jr., of Burkburnett has been issued a Reserve Commission at Texas A & M College.

Bernice Vivian McDonald, daughter of Mr. and Mrs. T. A. McDonald of Burkburnett has received her Bachelor of Science Degree at the Simmons College, Boston, Mass.

Young-Peiman Vows Recited

The Lutheran Church in Borger, Texas, was the scene of nuptial rites performed Tuesday June 13 to unite Miss Ruby Peiman of Borger and Rev. R. L. Young, pastor of the Grace Lutheran Church in Burkburnett.

Rev. H. F. Peiman, father of the bride, performed the ceremony at 7:30 p. m., with Rev. R. P. Young, father of the groom preaching the sermon.

The bride was lovely in a gown of white nylon organdy, fashioned with a tight bodice and gathered skirt, featuring three rows of scallops around the hips. The high neck line and short sleeves were also accented with scallops, and the scalloped half bonnet was made of the same nylon organdy. The long veil of illusion fell the length of the train. She wore long white gloves and carried a bouquet of white roses to complete her costume.

The bride's twin sister, Mrs. Otto Streit served as matron of honor and her seven year old niece, Carolyn Streit was Junior bridesmaid. They wore identical dresses of blue dotted swiss, with matching bonnets and gloves. They each carried white baskets of yellow roses.

Mark Young, served as best man for his brother.

After the ceremony the couple returned to Burkburnett where they will make their home in the Church parsonage.

NOTE OF APPRECIATION

For You A Rose . . .

IMAGINE this Coconut Anniversary Cake in a delicate shell pink, or a soft golden yellow, or all snowy white. Imagine it as the climax to the luncheon or supper you plan for a shower, birthday or wedding anniversary party. Could anything be more appropriate, with its topping of lacy shredded coconut, tinted the same delicate shade as the real petals, crystallized, that form the rose?

It is no trouble at all to make this cake, using a white cake mix, but if you prefer, start with unfrosted store-bought cake and add the glamour yourself, with tinted coconut and this full-blown, life-like rose!

Coconut Anniversary Cake

1 package white cake mix
1/2 cup shredded coconut, cut
1 cup milk

Turn cake mix into bowl. Add coconut and mix well. Add 1/2 cup of the milk. Blend, then beat 1 minute. Add remaining milk. Blend and beat 2 minutes longer. (Beat cake vigorously by hand or at a low speed of electric mixer.)

Turn into two round 8-inch layer pans, 1 1/4 inches deep, which have been lined on bottoms with plain paper, then greased. Bake in moderate oven (375°F.) 20 to 25 minutes. Cool cake in pans on racks for 5 minutes. Then loosen from sides with spatula, turn out, remove paper, and turn right side up on racks and cool before frosting.

Spread Seven Minute Frosting between layers and on top and sides and decorate top of cake with a full blown rose made of Crystallized Rose Petals.

Crystallized Rose Petals

Select highly scented, fresh roses. Wash well. Remove petals and drain. Then remove white, pulpy base of petals. Beat egg white until slightly foamy. Brush both sides of petals with egg white, using small pastry brush or fingers. Be sure that no surplus egg white remains on petals, but that both sides are moist. Sift granulated sugar on both sides of petals. Place petals on tray and store in refrigerator until dry. Mint leaves may be coated in the same way and used as leaves.

To Tint Coconut: Place coconut in a glass jar. (Do not fill jar more than 1/2 full.) Dilute a small amount of food coloring and sprinkle over coconut. Cover jar and shake vigorously until coloring is evenly distributed and desired shade is obtained.

**Letoli Opens
New Location**

The opening of Camp Letoli on the first time on the north of Saint Joe completed and the summer has been by Miss Elizabeth Camp Director. The house being built out stone is very near and the tent cabins ready to be moved. A one room house equipped as a modern will be taken to this week. Fourteen available and ex-

cellent riding instruction will be given to all campers.

However, the opening date has been delayed from June 25 to July 2. This means that Session I will be one week instead of two as originally planned. The additional time will insure the R. E. A. time to finish their work on bringing electricity to the site. Since they could not guarantee to be done in time for the counselors pre-camp conference on the 21st of June, it was felt advisable to open camp one week later than planned. Campers who were registered for the two weeks will still be able to go for two weeks. They are asked to make their arrangements with the Camp Fire office immediately.

Registrations for the last 3 weeks are coming in very fast, with both sessions II and III filled to capacity right now. There is still room in Session I, beginning July 2 and Session IV, July 23-29. The Counselor-In-Training Course for senior campers will begin on July 9 and there is one place left in this unit. Directing the apprentices will be Miss Gin Owens, Sherman, who was in charge of the senior unit last summer. Senior campers will be under the direction of Miss Pauline Millsbaugh, Lubbock, who is already in Wichita Falls directing Day Camp at Harrell Park. Other staff members include Miss Bertie Williamson and Miss Grace Revier, both of Burkburnett, Miss Jackie Sanders, Sherman, Mrs. W. F. Griswell, R. N., Wichita Falls, she will be in camp the week of July 2-8, Miss Mary Leona Kilpatrick, Wichita Falls, she will be in charge of the Blue Bird Unit, Mrs. R. W. Moore, Electra, horseback riding, and Miss Virginia Killian, new Field Director in the Wichita Falls Camp Fire office. Miss Elizabeth Owen will direct camp, assisted by Miss Mary Sue Tipps.

Mr. Brannan of Ft. Worth visited last week-end in the home of Mrs. Wid Philips.

**New Mexico Rites
Unite Burk Pair**

In a charming wedding, marked with simplicity, Mrs. Rheba Fudge, daughter of Mr. and Mrs. W. W. Chambers, became the bride of Mr. W. H. McLean, son of Mr. and Mrs. P. R. McLean of Carlton, Texas.

The impressive ceremony was read at the home of the groom's sister, Mrs. Ed W. Cannady, in Eunice, New Mexico, Friday, June 16 at 6 P. M., with the Rev. Alfred C. Pace, pastor of the First Methodist Church, officiating. The bride was very attractive in a pink street length frock complimented with a bonnet shaped hat of pink accented with black. Her accessories were of black patent, and she completed her costume by carrying an Orchid atop a white Bible.

Mrs. T. O. Roach of Wichita Falls, cousin of the groom, was

Matron of honor, and wore a costume of blue imported Swiss voile, fashioned similar to that of the bride. Her hat was also of pink, her accessories were of Navy and she carried a bouquet of pink carnations.

Ed W. Cannady, brother-in-law of the groom, served as best man.

A post-nuptial reception was held at the Cannady home, where decorations followed a pink and white color combination. The dining table was a picture of special interest with its white covering and featuring the beautiful 3 tiered wedding cake, topped with a miniature bride and groom.

The bride and groom left immediately following the reception for a short wedding trip, the former choosing to travel in a smart navy blue Pima cloth dress with navy and white accessories.

Upon their return to Burkburnett, the couple will make their home on Sheppard Road.

IT IS THE WISH OF THE MERCHANTS THAT THEIR FRIENDS AND CUSTOMERS BE THEIR GUESTS AT THIS CELEBRATION AND HAVE CHOSEN THIS MANNER OF CARRYING OUT THEIR PLAN IN MAKING THE CELEBRATION A SUCCESS FOR YOUR ENTERTAINMENT.

The SNAPSHOT GUILD

Children at play are among the choicest subjects. When you see an opportunity for a shot like this, don't take chances; make sure you'll have a good one by taking several.

Insure That Special Shot!

EVERY so often each one of us makes a shot that, for some special reasons, we want to be really good. And unless you're a super-human photographer, there are times when it turns out to be little short of mediocre. The saddest part about this is that the subjects of such pictures usually involve places, things, and people in some once-in-a-lifetime combination. They aren't subjects you can shoot just any day. In other words, you may have one chance and miss.

Of course, it would be difficult to make absolutely certain that this will never happen to you, but there is a form of insurance you can employ that will protect you from such a disappointment most of the time. You simply make more shots of a given subject than you need or want and thus insure yourself against the great disappointment of not having a truly satisfactory picture of that special person, place, or event.

So, when it is a picture of great

promise, shoot it more than once. Try it from this angle and that. If you've any doubt about speed or exposure, don't be afraid to experiment a little with camera settings. In this way you can hardly fail to come up with an acceptable picture. In fact, you may have a whole series of pictures that are not only good but include some in the better and best classes.

Take your cue from the professional photographer. You never see him operating without this insurance. He learned a long time ago that it is far better to use up a little extra film and time and be certain that his customer will have a picture than to take any unnecessary risks. From him you would tolerate no lesser effort. So why be less particular when you're your own customer? Insure your special shots! Make more than one, and at different exposures.

Miss Dorothy Ellen Boyd Becomes Bride

Miss Dorothy Ellen Boyd of Wichita Falls and Burkburnett, became the bride of Billy Herman Matthews of Dallas in an impressive double ring ceremony which was read Sunday afternoon at 4 o'clock in the First Methodist Church in Burkburnett.

Rev. Herbert Minga, pastor, directed the couple in the exchange of wedding vows as they stood before an arch entwined with woodwardia fern and flowers. Gladiolus, Esther Reed daisies, lilies and asters combined with greenery framed the altar space while white tapers in tall cathedral candelabra cast a soft light across the altar. White silk roping was swagged between the aisle posts, marking the space for the wedding party, and was attached to the posts with clusters of the chosen blossoms.

Preceding the ceremony, the candles in the background were lighted by Philip Ivey and Jerry Jack Van Loh. Mrs. Maxine Creel, organist, and Kenneth Smith, vocalist, provided the musical selections for the occasion. The vocalist sang, "Because," Yours Is My Heart Alone" as pre-nuptial selections, and "The Lord's Prayer" as a benediction for the ceremony. He was accompanied by the organist who also played a medley of pre-nuptial numbers as well as the traditional wedding marches. During the ceremony Mrs. Creel played soft background music.

The bride was a dainty picture in a gown of chantilly lace over white slipper satin. The dress was fashioned with a fitted bodice and extremely full skirt that was given a bouffant effect by several under layers of net, with two deep net ruffles at the hemline. The bodice was designed with short puff sleeves, that were given a long sleeve effect by the long gauntlets of matching lace which also were worn by the bride.

Her veil of illusion was attached to a latticed bonnet of chantilly lace that was trimmed with pearlized orange blossoms and satin ribbon. She also wore a single strand of pearls.

The bride carried a satin and chantilly lace covered Bible that was topped with a bouquet of shattered white carnations, stephanotis and streamers of white satin ribbon.

Attending the bride as matron of honor was her sister, Mrs. Frank Greer of Burkburnett. She wore a floor-length dress of yellow organdy over matching taffeta. The gown was designed with a fitted bodice featuring a berth type collar and a full skirt. The dress was complemented with a yellow net and organdy hat with a shoulder length veil. She wore white net mitts and carried a bouquet of light orchid asters. The other feminine attendants

wore frocks and headdresses of the same design as the one worn by the honor attendant. Bridesmaids included Misses Joanne White of Port Arthur, Doris Smith of Portalis, N. M., Bertie Williamson of Burkburnett, and Mrs. Kathryn Whitfull of College Station. They wore dresses, respectively, of pastel green, blue, pink and orchid organdy over matching taffeta. Their flowers were chosen to harmonize with their costumes and were fashioned into colonial bouquets. Their net and organdy hats were trimmed with lily of the valley.

The Junior bridesmaids were Misses Louise Boyd and Vickie Smith of Burkburnett. Little Miss Jeanie Rush, flower girl, wore a pink organdy dress over pink taffeta and her hat of net was of the same shade. She carried a hand-made basket of net and ribbon that repeated the colors of the bridesmaids dresses. The basket was filled with rose petals, which she scattered along the aisle.

A. D. Matthews, brother of the groom, participated in the wedding as best man; while the duties of ushers and groomsmen were shared by Joe Brooks, Marvin Hovenkamp of Ponder; Billy Joe Baker of Dallas; and Philip Franklin Greer of Burkburnett.

William Edward Boyd of Burkburnett, cousin of the bride, gave her in marriage.

The Wesley Class room of the church was the scene of the post nuptial reception given in honor of Mr. and Mrs. Matthews. Decorations there repeated the green and white colors which were given emphasis in the church. The center of interest was the refreshment table which featured a mouffant white net cloth over white satin. Center-piece for the board consisted of twin swans with arrangements of white asters and satin ribbon to the small bells that were filled with tiny flowers.

Extremities of the board were marked by the three tiered wedding cake and a crystal punch-service. Presiding at the table were Misses Barbara Sue Jones, Janet Thompson and Gloria Minick. Mrs. George Yarbro played musical selections during the reception.

The guests were greeted by Mrs. Thomas Boyd, mother of the bride, the newly wed couple, the groom's parents, and the feminine members of the wedding party.

House Party Other members of the house party for the occasion were Mesdames Coy Jones, F. E. Cruce and G. W. Fleming.

The couple left immediately following the reception for a honeymoon trip. For travel Mrs. Matthews chose a luggage tan suit trimmed in natural shade, and her accessories were of natural.

Mrs. Matthews, who is a daughter of Mrs. Tom Boyd, is a graduate of Burkburnett High School and of Texas State College for Women in Denton. While attending the college she was a member of the Wichita County Club, Delian Club, Campus League of Women Voters and the Association of Childhood Education. She is a past president of the Mary Lyons Club, honorary organization for education, and now is serving as a member of the faculty at the Oran Roberts School in Dallas.

Mr. Matthews, son of Mr. and Mrs. J. H. Matthews of Dallas, received his education in Ponder and now is employed in the office of the Ford Motor Company in Dallas.

Mrs. Thomas Leo Boyd, mother of the bride, was hostess for a rehearsal dinner which was held in the Town Hall Saturday evening preceding the wedding rehearsal. During the evening the betrothed couple exchanged gifts and also presented their attendants with remembrances of the occasion.

Other pre-nuptial courtesies which honored the bride-elect included a kitchen shower given by the younger set at the home of Mrs. Joe Nichols, and a miscellaneous shower given at the First Methodist Church with a large group of hostesses. A lawn party was given in her honor in Dallas at the home of Mrs. Harry Swarts by the faculty members of the Oran Roberts School in Dallas.

The couple will establish residence at 7122 Junius Street in Dallas.

Mitchell was overseas one year and was discharged as a second lieutenant. He is in the reserve with a mobilization assignment at Sheppard Air Force Base in the Wing Legal Office.

Formal Platform
I consider the position of State Representative one of the most important functions of our State Government. This office should be held by a person, able, willing, and qualified to serve the people in a dignified manner. I will devote my full time in order to carry out legislation for the best interest of Wichita County. I will make full use of my law education and utilize my experience as a practicing attorney in performing the duties of this office.

TAXATION. I am unalterably opposed to a sales tax and to an income tax. It is my firm belief that substantial savings in the cost of the State Government can be made through strict economy, and as a member of the Legislature I shall work with all agencies of the State to bring about such economy.

At the same time, I realize that a State like Texas will not—and should not—turn its back on its needy old people or neglect any other phase of the public welfare. I know that we must have more and better roads. I know that the educational needs of our boys and girls call for the spending of large sums of money. I favor meeting every one of these needs fully and adequately, and if it turns out that new taxes are necessary in order to raise the money I propose to consult with my constituents and determine what type of taxation would bear least heavily on the economy of Wichita County.

SOIL AND WATER CONSERVATION. No single problem facing Texas is more important than the conservation of our soil, the most fundamentally important natural resource we possess. Water conservation is an integral part of soil conservation. As a member of the Legislature, I shall work with all departments of the State Government to further the cause of water and soil conservation.

As a member of the Legislature, it will be my purpose to represent ALL the people of my district. I shall not be the representative of any special "bloc" or group. My vote on the floor of the House of Representatives

will be cast always in what I consider to be the best interests of the people of Wichita County. I shall consult often with the citizens of this district in order better to represent their sentiments in the Legislature. Texas is a big, powerful, wealthy state. Certainly we can afford to do the things demanded by present-day social pressures. All the more reason for us to do these things ourselves—in a Texas way—so that we

can continue the fight to hold onto our rights as a sovereign State. But I do not believe in legislation which is not essential, because we already have too much government control. A representative from this district should always keep the rights of the oil operators paramount in his mind since oil is the foundation of our economy in this county. The professional people in our State should be required to ad-
