Lawson who lives West of town is proudly displaying a specimen of his corn crop. This specimen had twelve ears on one cob.

N. M. Newspaper Lists New Rates

C. A. Gray, Indian Arrowhead hunter, shoe man and man about town, got lost in a canyon a few days ago and probably thought he might lose his scalp, any way he got to wondering how the home town newspaper regarded him so he brought the following clipping by and checked up on his standing:

R. W. Park of Lawton, the cow editor's father, sends the following notice from a newspaper in New Mexico: "Ten cents a line straight will be charged for all obituary notices to business men who do not advertise while living. "Delinquent subscribers will be charged 15 cents a line for an obituary notice. "Advertisers and cash subscribers will receive as good a send-off as we are capable of writing, without any charges whatsoever. "Better send in your advertisements and pay up your subscriptions, as hog cholera is abroad in the land."—Yukon, Oklahoma, Sun.

O. B. Woffords to Celebrate 50th Anniversary Sun.

Mr. and Mrs. O. B. Wofford will hold open house Sunday, October 22, 1950 in honor of their Golden Wedding Anniversary, at their home 309 West 3rd Street.

They invite all of their friends to call between the hours of two and four P. M.

Leo Henry is leaving Saturday for Camp Hood where he has been called for Army duty.

Red Cross First Aid Classes Here Starting Nov. 6th

A. A. (Dink) Lawson, local Red Cross First Aid Instructor, will open classes at the High School Monday night, November 6th. Classes are to be held twice each week, Monday and Friday nights, each session lasting approximately two hours.

Dink, with many years' experience with Red Cross First Aid, says he will cover a complete course in First Aid, with Atomic First Aid possibly to be taken up in later sessions. Those interested in this very important course, may contact Dink at Burk Motors for further details.

Bulldogs to Meet Archer City Friday

Last Friday night the Bulldogs went to Chillicothe where they had little trouble running the score to 46 to 6 in favor of Burkburnett.

This Friday night the Bulldogs meet a stronger team from Archer City on the local gridiron.

Supt. Davis* announces there are plenty of seats available, including a few scattered reserved seats. Game time is 8:00 o'clock.

Lions Club

Lions Joe Nichols and Woodrow Wright brought the program Tuesday night. Nichols introduced Paul Sampson of St. Louis, Mo., who talked on "Our Easting Habits."

Guests were: Congressman Ed Gossett, guest of Howard Clement. The Congressman greeted the club briefly following the program.

Next Tuesday night the local club will be host to members from all over the county for a county-wide fellowship meeting.

Sisters Celebrate Birthdays Tues.

Band Parents to Meet Mon. Night

Members of the Band Parents Club will hold their regular monthly meeting, Monday night, October 30th at 7:30 in the High School Building.

Notice the new meeting place. Due to Band practice, the meeting will be held at the High School rather than the Band Hall as in the past.

Corner Drug to Sponsor Indep. Basket B. Team

Anyone interested in playing independent basketball this winter, please meet in the High School Gym Monday night at 7:30 for tryouts.

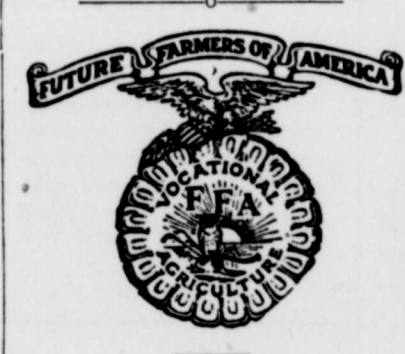

This year's team will be sponsored by the Corner Drug Store, and beautiful green and white uniforms will be purchased along with flashy warm-up jackets. Plenty of games will be scheduled and competition keen, so you "locals" and also you Sheppard Air Base personnel, take this invitation and show up for the first workout.

Communism Topic Of Study For Literature Club

"Communism" was the topic of study given Thursday, October 12th at the home of Mrs. J. L. Caffee for members of the Current Literature Club. Mrs. W. B. Short was leader of the program. Timely information on "Communism in the United States" was presented by Mrs. T. H. Minga, and a very instructive parliamentary drill was given by Mrs. F. M. McMurtry.

Mrs. Fred Hunt, president, directed the business hour. After regular reports, plans were made for party night which will be October 26th.

Refreshments were served to the following members: Mesdames C. W. Boyd, John Brookham, J. L. Caffee, C. R. Chambers, B. Danforth, D. C. Dodson, Fred Hunt, F. G. Jeffers, Roy Magers, T. H. Minga, Gene McCabe, F. M. McMurtry, J. M. Patterson, W. B. Short, Bill Williams, and Hugh Veach.

FFA Attends Fair

The FFA Chapter left last Saturday morning at 5:00 for the State Fair at Dallas. Many interesting things were seen by the group, especially in the Livestock Division. Many breeds of swine were showing; Chester Whites, OIC, Duroc Jersey, New Hampshire and many others. Some of the most interesting things seen in the swine division was the size of some of the hogs, weighing around 800 pounds.

In the Dairy division, Holsteins and Jerseys were the principal breeds shown. In the beef breeds mighty fine Herefords were shown.

Among the group who attended were Glenn Moody, Eugene Sloan, Cletis Dunn, Donald Young, Kenneth Sanders, Kenneth Howard, James Roderick, Raymond Schroeder and Tom McNeill, accompanied by our instructor, Thomas Bell.

All had a desirable and enjoyable trip until everyone started home, then it became very tiresome.

We wish to thank the Acme Chevrolet Co. for their courtesy and thoughtfulness in furnishing us a 1950 pickup, which made this trip possible. This pickup is being used daily and will make possible other trips which are being planned.

Mike Harms and Earl Wayne Mills of North Texas at Denton spent the past week end with their parents here.

Miss Margaret Matthews and her mother of San Antonio are visiting Mr. and Mrs. Ralph White.

Mr. and Mrs. J. R. Wood have returned from Houston where they visited their son, Bill Wood and wife.

Welfare Worker At Town Hall

Those interested in contacting Mrs. Gertrude Dorsey, Field Worker for the State Department of Public Welfare, may find her every Wednesday from 9 A. M. 'till 12 o'clock noon at the Town Hall.

Singing Sunday Church of God

The weekly Sunday Singing will be held this Sunday afternoon from 2 'till 4 at the Church of God. The public is cordially invited.

Maney Services Will Be Held Here Sunday

Funeral services for Olan J. Maney, son of Mr. and Mrs. H. D. Maney, who was drowned in the Philippines last month, will be held here Sunday afternoon.

Rev. Perry of the Nazarene Church at Yukin, Oklahoma, will conduct the services from the First Methodist Church at 3 P. M. with Rev. Roy McCoy, pastor of the local Nazarene Church, assisting. Burial will be made in the Burkburnett Cemetery.

Maney's body arrived in San Francisco Tuesday night. A brother, Odus, met the body and will accompany it to Burkburnett, arriving here some time Friday.

Regular Services Methodist Church

Regular services will be held at the Methodist Church this Sunday. The M. Y. F. will meet at 6 P. M., and the evening worship service will begin at seven. Please note the change in the hour of evening service.

The Board of Stewards will meet Monday evening at 7:00. Every member of the Board should be present for a very important meeting. Plans will be discussed for the completion of our repair program.

On Wednesday evening at 7 the first of a series of family night suppers will be held. Bring every member of the family to this supper. The price of the supper will be 50c. Make your reservations with Ed Smith at 545-J after 6 P. M. A special table will be reserved for teen agers.

Come to church Sunday. You need the church. The church needs you.

Light Trouble Corrected At Foot Ball Field

Those in charge hope there will be no interruption of lights at the foot ball game Friday night. During the previous "B" game the lights faded away two or three times during the game.

A check on the failure by City Light Dept. employees and Supt. Ralph Davis brought the conclusion that the fuses and fuse holders were at fault due to age and use. In order to make more light on the playing field, stronger bulbs were placed on the poles. The extra load on the old fuses was too much. New fuses and fuse holders have been installed and a two hour check Wednesday left every one concerned with the opinion that the trouble has been corrected.

Mr. and Mrs. Carlton Royce and Mr. and Mrs. Howard Henderson attended the Dallas Fair last week end and saw both football games in the Cotton Bowl Saturday.

Reserved Seats Available Friday For F-B Game

Supt. Ralph Davis reports he has a few reserved seat tickets left for Friday night's game with Archer City. They are scattered about over the reserved portion of the stadium, but are excellent seats.

If you desire one or more of these seats, call the High School, Phone 157. You may pick the ticket up at the gate the night of the game.

119 Bales Cotton Ginned In County

Census report shows that 119 bales of cotton were ginned in Wichita County, Texas, from the crop of 1950 prior to October 1, as compared with 1777 bales for the crop of 1949.

Banning Services Held Here Tues.

Funeral services for Henry Leroy Banning, 25 year old former Burkburnett resident, were held at the Owens and Brumley Funeral Chapel here Tuesday at 11 A. M. with Donald Mansur, Minister of the Church of Christ, officiating. Burial was made in the Burkburnett Cemetery.

Banning was fatally injured in an automobile accident near Graham last Sunday. He was an employee of the Sinclair Pipeline Company of Olney.

Injured in the accident with Banning were Thomas C. Medlin, 25 of Olney, and Mac Williams, 55 of Graham. Both men's injuries were described as serious.

Survivors include his father, John H. Banning of Gainesville; two sisters, Miss Nettie Banning of Gainesville and Mrs. Louise Flusche of Wichita Falls.

Pallbearers were: J. W. Kent, Bailey Campbell, David Prince, Fred Crow, Arthur Holt, and J. C. Stone, all of Olney.

Popular Couple To Wed Oct. 28

Mr. and Mrs. Jack Duke announce the engagement and approaching marriage of their daughter, Miss Hazel Lee Beckham, to Mr. Frank Parker, son of George Parker, all of this city.

Simple rites will unite the couple October 28th at the Duke home on Avenue D.

The bride-elect is a graduate of the Burkburnett High School and is now employed at Adams Drug Store.

WCS Met Mon. In Wesley Room

Members of the Women's Society of Christian Service met Monday, October 16th in the Wesley room of the First Methodist Church.

The meeting opened with a short business session presided over by Mrs. J. M. Patterson, president.

Mrs. Lacy gave a lovely violin solo after which Mrs. Melton gave an impressive devotional service. Mrs. Tucker gave the fourth lesson of the study, Near East Panorama.

The meeting places for the Circles next Monday, October 23 at 2:30 P. M. are as follows: Circle 1 with Mrs. Caffee; Circle 2 with Miss Bess McGinnis; Circle 3 with Mrs. Elbert Buckner.

Mr. and Mrs. O. H. Buzbee spent last week end with Mr. and Mrs. Gilbert Kress and daughter at Fort Worth.

Mrs. Ollie Barker of Fort Worth spent several days here in the home of her sister, Mrs. Ida Reynolds.

IT CALLS FOR CHANGES

The necessity of present drafting is not like one that would be required as an all-out draft during wartime, but in order to build a strong peacetime army, to now build an army of three million men, it will require changes from the Selective Service law that governed us during World War II, according to Maj. Gen. Hershey. He proposes certain measures to maintain and build a stronger military establishment.

First, he would make World War II veterans, within the present age of 19-25, eligible for service. This meets with opposition, with preference for a 35 age limit instead. But, the group of younger men are more satisfactory as far as military efficiency is concerned and puts less disruption upon industry. The group contains men, most of whom saw service during closing days of the war or afterwards or for short periods, includes few who received the brunt of heavy and long service.

Second, Gen. Hershey would increase the present limit of 21 months period of service to 30 months, at least, and for the existing emergency. When an emergency may last for years, you can't build an efficient military force on a short-time basis. He strikes a medium between a permanent military force and some plan for universal training. He suggests that deferment policies be tightened, that physical and mental requirements be relaxed, which have led to a high percentage of rejections.

There will be opposition to any change in the Selective Service laws and, with events in Korea turning for the better, there will be increased resistance to these draft provisions. But, our job is to see we are prepared for any future Koreans.

RIGHTS OF DECENCY

When one's character is publicly assailed there can be legal action taken for libel, called defamation of character. The court may declare the victim innocent, but the charge is a stigma and can cause much suffering. What untold damage we do in making unfounded charges, in too-free speech. The booklet recently published, called "Red Channels", lists names of people connected with radio, television and the stage and movies, who it is alleged have given aid and comfort to Communist-front organizations. It led to suspension of certain artists and brought a flood of protest from an indignant public. There followed a vigorous denial of affiliation with the Communist party, an indignant protest of innocence from some of the accused. The public wants such charges thoroughly examined, definite and decisive proof of evidence, before such name-calling. It should be backed by facts so conclusive they speak for themselves. We consider witch-hunts are un-American. Human rights and their defense is a personal, an individual concern.

IN THEIR OWN BACK YARD

In Australia the official ruling on recruiting specifies that recruits must enlist for service in Australia or anywhere in the world. But, the Australian Labor Party, fortunately not the power in control of the government, opposes this policy. It insists that no one should be required to enlist, unless he so desires, for service outside of Australia. This is isolationism with a capital letter. As we might well ask, where would Australia be if American soldiers, in the last war, didn't fight the Japanese in the Pacific, if right now they didn't fight in Korea?

Artificial Lighting Boosts Output

One among many means of increasing winter egg production is artificial lighting.

The laying hen belongs to no union, but her working day is over when sunlight no longer filters into the laying house. She's ready for the roosts then, and the production of her next egg will have to wait until tomorrow's daylight.

13-Hour Day
To offset the effect of short fall and winter days, many poultry raisers resort to the use of light, turning them on either early in the morning or at dusk, or both. Enough morning and evening lighting to account for a 13-hour day is considered about right by most raisers of poultry.

Lighting is an important factor because it helps maintain proper body weight, tends to hasten maturity for late-hatched pullets, and has the effect of bringing breeders back into

production—all these in addition to lengthening the daily feeding and egg laying period.

If hot weather retards food consumption among early hatched pullets that begin laying in June or July, use lights to prevent the loss of body weight if weight cannot be maintained by any known feeding method. Usually by mid-October lighting should be started on birds that have been in production for some time.

Protect Their Health

Ask your feed dealer what your birds are going to need to keep in high production. See that your flock has plenty of the right kind of nourishment. Make sure there's enough room at the feeders so that each bird can have an adequate ration. Don't skimp on grit and oyster shell. Above all, look after the health of your chickens—a well managed flock will usually be in good condition and their appetites will be on a scale that guarantees good production.

VanCleave Home Is Scene For Social

Members of the Builders class of the First Baptist church met in the home of Mrs. H. S. VanCleave Thursday afternoon, October 12th.

The opening song, Blessed Redeemer, was followed with prayer by Mrs. C. S. Polson, and the devotional service by Mrs. VanCleave.

During the business session, the resignation of Oma VanCleave was accepted and Mrs. Ed Schroeder was elected to fill the office.

Group four served refreshments of iced tea, sandwiches and cookies to: Mesdames G. T. England, C. S. Polson, Flora Bentley, T. P. Hamilton, C. M. Moore of Iowa Park, J. T. Rankin, Tommie Brown, J. H. Ferguson, Ed Schroeder, J. M. Hayworth, Eva Hash, R. E. Carnes, J. L. Smith, R. F. Teal and daughter, Linda Rae, little Joyce Frields, Mrs. T. C. Appleby of Waxahachie and Miss

Oma VanCleave.

The program was conducted by Mrs. John Smith who gave the program of the six point system. Linda Rae Teal gave "A Hallowe'en Superstition," and Joyce Frields gave "My Stomach Feels Bad."

Mrs. R. E. Carnes gave the closing prayer.

Mrs. T. H. Minga Entertains Guild

The Wesleyan Service Guild of the First Methodist Church met in the home of Mrs. T. H. Minga, Tuesday night, October 10th.

Mrs. Madell Ellis, president, presided over the business session. Mrs. Estella Martin, vice-president, had charge of the program. Mrs. O. E. Melton brought the devotional service. Those giving parts on the program were: Mrs. Ellis, Mrs. Ray Hill, Mrs. Homer Gilbert, and Misses Mary and Ann Graves. Mrs. Hill dismissed the meeting with prayer.

The hostess served delicious refreshments to: Mesdames Hill, Gilbert, Melton, H. R. Hayes, Martin, Ellis, and Misses Mary and Ann Graves.

Ohern Attends Texas State Ass'n. Of Chiropractors

Dr. James B. Ohern returned to Burkburnett this week after attending the 36th annual convention of the Texas State Chiropractic Association in Corpus Christi.

Dr. Ohern said it was one of the most informative chiropractic conventions he had ever attended. Part of the program was devoted to a series of refresher and post-graduate courses in the various phases of chiropractic.

At these classes Dr. Ohern learned the latest developments and research that is now being conducted in the various techniques, X-ray work and other chiropractic fields.

Oil has been ready!

Today the U. S. oil industry will be called on to supply the United States with 6,400,000 barrels of U. S. oil. It supplied that amount every day last week, and will supply it every day this week and next. It is a million barrels a day more than the peak of World War II, and it is 65% more than it was in 1940.

An increasing amount of today's oil goes to the needs of national defense, but the bulk of it supplies power for the millions of cars and trucks on American highways, the hundreds of thousands of tractors on American farms, and for the industries that make all the things that add up to a high American standard of living.

More cars, more tractors, more industries mean a need for more oil, year after year. This need has required the oil industry to look far ahead, to keep itself more than ready to supply current needs. It must be able quickly to meet increased demands.

And it is. Since World War II, U. S. oil companies have plowed back into the development of U. S. oil resources about

\$8 billion to find more oil, to increase oil production, to extend pipe lines and build tankers, to increase and improve refining capacity.

So the oil industry has *been* ready for the Korean emergency all along. It supplies today's greatly increased demand for oil in its stride. As still heavier demands are placed upon it, the industry is confident that it can supply them, too. It will be a big job. And make no mistake about it: it will involve many problems; consumers may be called on to make sacrifices; the job will require time for change and adjustment. But the oil industry is better prepared than ever before to take it on.

LIGHT - MEDIUM - HEAVY MODELS
Made in widest variety of engine-body-chassis combinations to fit every trucking need

Think twice today when you buy a truck!

THAT new truck you're considering may have to last a long time. So you'll be wise to look at a GMC for these important reasons.

GMC's are built by the world's largest exclusive manufacturer of commercial vehicles—with the broadest truck engineering experience.

GMC's are real trucks. Engine, transmission and frame, as well as cab and axles, are all specially truck-built to give you longer service.

GMC truck-built engines have high horsepower with higher sustained torque—greater pulling power. They are built to give extra years of service with less maintenance.

GMC extra-value features include Synchro-Mesh transmission, Tocco-hardened crankshaft, full-pressure lubrication, recirculating ball-bearing steering gear, airplane-type bearings and Lifetime Weather-sealed cabs as standard equipment on practically all models from 1/2 ton up.

That's why more truckers are buying GMC's today than ever before—experience proves them best in the long haul!

BLUE PRINT FOR LIVING

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.

He is a wise builder who sits down to count the cost and make careful plans for the construction of his house. Rock and tree and mine and gravel pit, materials from many sources, are to be brought together and assembled into a unity. There must be a clear understanding of what is wanted. *The plan must be drawn for all workers to follow. The laws of nature must be obeyed.* How important then that the builder shall sit thoughtfully before the drawing sheet, before he sets his hands to square and compass and rule and all the tools of the builder! Architect, contractor, carpenter, mason and all the rest must follow a common plan, if a good house is to be the result.

How much more important is the building of a home! Persons are here to live together. Minds and wills are to be harmonized, women and men and children are to get on in sympathy and understanding. *The builders of a home need a plan, a blue print, a guide for all to follow, if there is to be a genuine home.* The Bible has served as the sacred blueprint for Christian homes for eighteen hundred years. Differing minds and wills work together better, if each knows the other to be seeking to follow the divine will. Forgiveness flows from love and trust which have been inspired by common prayer and worship. The Bible in the hands, love in the hearts, prayer upon the lips, a common purpose to do His will; these are the promise of a good home. *These are our blueprint to living.*

Transported School Children to Increase

Texas, Oct. 14 — The number of school children transported during the present school term will show an increase over last year due to population and better attendance, the Texas Teachers Association reported today.

Provision for transportation expanded during the last term to take care of the living two or more from the school attendance represented an increase of 25,212 pupils over the school term.

Transportation cost better than \$10,000,000 provided by the state for the districts for the year.

There is every indication that the amount provided in many school districts is less than it cost them to transport the children.

The financial losses had to be made by the individual schools in many cases had to reduce their operating expenses in order to pay the cost of transportation. Mr. Sturgeon pointed out that official re-

ports show that the actual cost of transportation in Texas exceeded \$12,000,000 during the last school term. This means that the districts had to supplement funds provided by the State in the amount of two million dollars.

Previous surveys show that 22 per cent of the school buses have been in operation for more than six years and should be replaced. This means an additional burden to local districts since reimbursement from the state is less than actual cost of operation.

The Texas Education Agency according to Sturgeon is making a very thorough study of representative counties throughout the state to determine the cost of operation of Texas' vast school transportation. A formula to determine the costs on a more scientific basis is being in more than 20 Texas counties. It is hoped that such a formula, when applied to the state as a whole, will permit each school district to be reimbursed for the actual cost of operation of the more than 6,000 school buses in Texas. Such a plan would have to be adopted by the Legislature before it could be made effective.

The provision for a minimum program of transportation that will meet the actual needs of each school district is the objective of the Texas State Teachers Association and state officials studying the problem for a solution.

Maag, Clark Gresham, Sid Askins, Cloyce Rankin, Rolan Williams, O. D. Wortham and Bert Lepley, and Ronnie Gresham and Alva Maag, met in the home of Mr. and Mrs. Ben Cordray Tuesday night to honor Mr. Lepley and Mr. Askins with a birthday dinner and 42 party.

Miss Beatrice Vernon Weds Cpl. Jack Rogers

Only relatives and close friends attended the marriage ceremony which was read Friday evening, October 6th, to unite Miss Beatrice Vernon, daughter of Mr. and Mrs. E. R. Vernon of this city and Corporal Jack Rogers of Wister, Oklahoma and Sheppard Air Base.

The ceremony was held in the home of the bride's cousin, Mrs. Steve Brownlee in Electra with Rev. Ray C. Morrow, pastor of the Burk Burnett Calvary Baptist Church as officiant.

Arrangements of chrysanthemums and giant dahlias with emerald green foliage were used to decorate the living room. The couple recited their vows beneath an arch of fern and silver wedding bells lighted on either side by hurricane lamps. They approached the nuptial space along a pathway formed by additional arrangements of the chosen flower.

The bride was lovely in a dressmaker suit of navy blue with blue accessories. Her corsage was of white gardenias. Her something "old" was her hat, "new" was her suit, "borrowed" were diamond ear clips belonging to Mrs. E. F. Weller, Jr., and "blue" were her accessories.

Miss Josephine Vernon was her sister's only attendant. She was attired in a beige suit, with beige and brown accessories and wore a corsage of white carnations.

Staff Sgt. Roy Pilot of Louisiana served as best man for the groom.

The bride attended school in Burk Burnett and prior to her wedding was employed by the

Adams Drug Store.

The groom was graduated from Wister high school and immediately entered the U. S. Army Air Force.

Immediately following the ceremony, a reception was held in the Brownlee home. The bride's table covered in lace, was centered with a beautiful three-tier wedding cake, and topped with a miniature bride and groom. After the bride cut the cake and served her husband, the service was turned to Mrs. Brownlee, with Dorothy Bailey and Sadie Malone at the crystal punch service.

Out of town guests were the groom's parents, Mr. and Mrs. James E. Bender of Fort Smith, Arkansas, his grandmother, Mrs. C. A. Rogers, Wister, Okla.; Sgt. Roy Lee Crawford, Cpl. Melvin Cotton, T-Sgt. and Mrs. Bob Canada, Cpl. Clara Carst, all of Sheppard Air Base; Mr. and Mrs. E. R. Vernon and son, Eddie; Mrs. Dorothy Bailey and Mike, Mrs. A. F. Waller, Jr., Mrs. Bill Williams, Misses Sadie and Joyce Malone and Mrs. Mary Lou Stenbough, and Mrs. Chas. Rexford of Burk Burnett; Mr. and Mrs. Steve Brownlee and Mrs. Crane of Electra.

Mr. and Mrs. Howard Clement have returned from New York where they attended the Prudential Insurance Convention. They also visited in Canada and Washington, D. C., where they were guests of Congressman Ed Gossett.

Jess Hageman is able to be about town after undergoing a major operation several weeks ago.

Father of Burk Man Succumbs

Mr. F. H. Park, 5315 Stanford St., Fort Worth, died at the home of his son, Sunday.

Park, a retired farmer, was a native of Texas and a member of the Baptist Church. He had lived in Tarrant County for thirty-five years, and was well known throughout Fort Worth and Dallas. Since becoming ill 6 months ago, he has made his home with a son, Charlie, at the Stanford address.

Survivors include the wife, 2 daughters, Mrs. O. Dennison of Sacramento, Calif. and Mrs. J. P. Price of Fort Worth; four sons, Charlie of Fort Worth, Frank of Blue Ridge, W. W. of Ardmore, and R. R. of Burk Burnett; six brothers; one sister, ten grandchildren, and four great-grandchildren, three of the latter live in Wichita Falls and two in Morocco, Ind.

Funeral services were held at 2 P. M. Monday from the Memorial Chapel in Fort Worth with Rev. Merle Winters, officiating. Burial was made in the Garden of Memories at Ft. Worth.

Mrs. Geo. E. Kerr of Odessa, Texas, writes the Star this week enclosing check for renewal to the Burk Burnett Star, and asking to be remembered to all of her friends here. The Kerrs are former Burk Burnett residents.

These days you can't tell from the price tag how much quality a car holds. Ford, for example, is still priced with the lowest . . . yet in other respects it's in the fine car class. Take its styling, for example; for two years in a row Ford has been the recognized fashion leader.

Like America's finest cars Ford offers you a V-8 engine. No other low-priced car does. Nor does any other car at any price offer you a choice of V-8 or Six engines. And remember, Ford's V-8 costs hundreds less than most sixes—Ford's Six costs even less.

"B" Boys Win 9-0 Over Iowa Park

In a fairly evenly matched game last Thursday night, the Burk B Bulldogs nosed past Iowa Park's B's 9 to 0. In the middle of the 4th

quarter, Iowa Park attempted to punt out from near their goal line. A bad pass from center, which was taken behind the goal line, was fumbled but recovered by Iowa Park. Burk boys tackled the would-be punter for 2 points.

A minute or so later Burk got the ball and pushed it to the Iowa Park 30 yard line. From that point Don Sawyer heaved a pass to Donald Mills who raced across the goal line untouched. Lloyd Muhlinghouse plugged the line for the extra point.

The next B game will be at Wichita Falls with the Reagan Junior High School, Thursday afternoon, October 19th at 4:00 P. M.

Missionary League, which will conduct its fall meeting in our church. "The Story of the Life of Jesus Christ", a motion picture produced in technicolor, will be shown in our church the night of November 5th, beginning at 7:30 P. M. It is our sincere hope and invitation that many of our friends and neighbors in Burkburnett and its environs will come to see this excellent motion picture.

Wheel Chair Vets To Be In Movie

Theatre goers will soon see in local theatres a 10 minute sparkling musical film short starring Bob Hope and featuring 18 of America's most courageous and talented disabled veterans—all paraplegics in wheel chairs.

The movie, entitled "On Stage Everybody" is a colorful, entertaining one reel film produced by the Disabled American Veterans in cooperation with the Association of Motion Picture Producers. It is distributed through the patriotic efforts of the committees of general sales managers.

In thrilling scenes and speciality acts, paraplegic veterans of World War II who are confined to their wheel chairs give an amazing performance that demonstrates the bravery and tenacity of young men who fought their way back from battlefields to civilian life.

Exciting circus feats, with high wire "walking" in a wheel chair and trapeze skill by paraplegics are combined with western scenes and songs and wheelchair jitterbugging for a sensational musical revue.

Bob Hope, as master of ceremonies, and 14 professional Hollywood dancing starlets will round out the cast.

The film is not a fund raising project. It was designed to portray dramatically the courage and tenacity of more than three million disabled veterans who have fought their way back to useful citizenship. It also demonstrates how successfully the rehabilitation program for our disabled veterans has been developed and proves why this program which is the re-

sult of years of development should be safeguarded.

Jerry Hopper, noted Hollywood director, directed the picture at the Paramount studio. Charles Wright Grayson wrote the review.

Grace Lutheran Society Met At Iowa Park Oct. 12

Mrs. Ivan Zeck was hostess to the Grace Lutheran Missionary Society Thursday, October 12 at her home in Iowa Park.

Mrs. A. W. Ramming, president, opened the meeting with the song, Holy, Holy, Holy, followed with prayer.

After new and old business was discussed, the program chairman, Miss Clara Schultz, introduced Mrs. Paul Kaiser, who gave several interesting news items and Mrs. Paul Schroeder, gave the topic, The Life of Martin Luther. Both were enjoyed by members.

Mrs. Marcella Tyler was received as a new member and Mrs. Clarence Koenig will be received as a new member in November. We are happy to have these two women with us.

Mrs. G. B. Schroeder presented the Society with a lovely set of kitchen knives. Thanks to her and to Miss Clara

Schultz for making the lovely cloth for the desk in the hall.

We will hold the zone rally at the local church, on November 1st. A large attendance is expected. After repeating the Lord's Prayer in unison, delicious refreshments were served to: Rev. and Mrs. R. L. Young; Mesdames G. B. Schroeder, A. W. Ramming, John Enderli, Paul Schroeder, Geo. Kramer, U. S. Hill, Paul Kaiser, Arthur Evert, Clarence Koenig, Earl Rinefeldt, Fred Minick, Clarence Schroeder, John Heins, Miss Schultz, the hostess and five visitors, Mrs. G. A. Mogen, Mrs. E. Betzold, Patsy Koenig, Aaron Schroeder and Marjorie Zeck.

It was a busy week for Mr. and Mrs. John Bowman of Independence, Missouri—the week that young Linda Marie joined them.

Busy week, too, for the Bowman telephone. As Mrs. Bowman reports, "We use the telephone a lot from day to day, but we never stopped to think how helpful it really is, until we kept a record of calls. We averaged our bill—and were really surprised at the low cost—about 2¢ a local call!"

Telephone service has grown steadily in the part it plays in our daily lives—and in the value it delivers. Most folks agree it's the best buy in their budget! Southwestern Bell Telephone Co.

What else gives so much for so little?

"Mrs. Dawson called Tuesday to give me her recipe for blackberry jelly. I made 13 glasses!"

"Then early Wednesday morning we knew the stork was on his way. Mother called the doctor."

it's a GIRL!

"John got the cab, while Mother packed. Within minutes we were off!"

"A half hour later John called home to say that 'Junior' turned out to be a girl!"

"Mother called everyone we knew, as soon as they were up. Karen and Sharon, our other daughters, were trying to get in their two cents worth, too, of course."

"John and Mother kept our telephone record for me. I'm finishing it now. Reading it back makes me realize how much we depend on our telephone—and how little it costs!"

ing and fishing (except on state owned lands) will be on a permission basis, most of it on the basis of lease for the season or fee for a day. In the old days the average farmer did not mind the invasion of his land by an occasional sportsman. On the whole, there was plenty of fish and game and the sportsmen were well behaved. Then as the cities grew the sportsmen increased in number and many of them were a new breed. Often they took a gun and some cartridges and went out shooting everything that turned up on the landscape; they cut fences, left gates open and very often stole anything that was loose and could be carried.

Attendance At State Fair Is Up

The 1950 State Fair of Texas racked up a whopping 321,082 attendance figure for the first two days of its Mid-Western Exposition.

The 92,000 Rural Youth Day youngsters—comprising the largest gathering of farm boys and girls in history—agreed heartily with other week end visitors that this fair has 'em all beat from every angle.

The Junior Livestock Show, Oct. 17-21, will attract hundreds of farm and ranch kids competing for \$11,250 in premiums. The Palomino Horse Show will be the last of the Fair's great horse shows, Oct. 17-22, and quarter horses will strut their stuff, Oct. 10-16.

On the opening week end of the State Fair, the biggest Mid-way since the Texas Centennial was jammed and packed with pleasure seekers enjoying the 32 thrill rides, the Kiddie Town the 25 lavish carnival shows, topped by Sally Rand's revue.

Hardin Club Met Wednesday, Oct. 11

Members of the Hardin Home Demonstration club met Monday, October 11th at the home of Mrs. Mary Blamer with Mrs. E. J. Simon as cohostess.

The meeting opened at 2:00 P. M. with the president in charge. The opening song, Beautiful Texas, was followed with prayer and roll call answered by 11 members. Mesdames Nolan, Michna, Holloway and Anderson, were visitors. Minutes were read and reports from all committees were heard. Mrs. Farley gave the County Council report. All clubs are to make a United Nations Flag to be flown October 24th, which is United Nations Day.

It was reported that \$16.40 was made on cakes and pies at the fair. Mrs. E. J. Simon will be program chairman for 1951.

Miss Bessie McKnight gave an interesting talk on the Care and Planting of flower bulbs. Mrs. Hewell gave a demonstration of Rug Making. Delicious refreshments were served by the hostess.

Club adjourned to meet October 25th with Miss Knight.

Pink Bollworm Situation in Texas

The spread of pink bollworm during the current crop season is definitely the most serious threat to the future of cotton production experienced since south-wide spread of the boll weevil which reached South Carolina about 1920.

The pink boll worm is capable of causing severe damage, as most recently proved by the tremendous build-up and localized damage during 1950 in Nueces County resulting from failure to observe stalk destruction and plowing under of shredded or chopped-up residue in 1949 by a date established on an insect control basis. This delay in stopping pink boll worm breeding in the fall of 1949 is directly to blame for the infestation in central and north-central Texas this season.

Prompt destruction of stalks following picking of the cotton is essential throughout pink boll worm infested areas where the crop is picked out in advance of killing frosts. Each farmer has an individual responsibility to get his crop picked quickly and then immediately destroy the stalks and plow under the residue. If this is done well ahead of frost it ought to prevent a full generation of pink boll worms from feeding to maturity and going into hibernation.

The full list of newly infested counties in Texas at close of October 4th follows:

Val Verde, Kinney, Kerr, Gillespie, Llano, Comal, Blanco, Liberty, Chambers, Brazoria, Fort Bend, Colorado, Lavaca, Fayette, Austin, Bastrop, Lee, Travis, Williamson, Milam, Bell Falls, Limestone, McLennan, Bosque, Hill and Johnson.

Preaching service at 11 A. M.

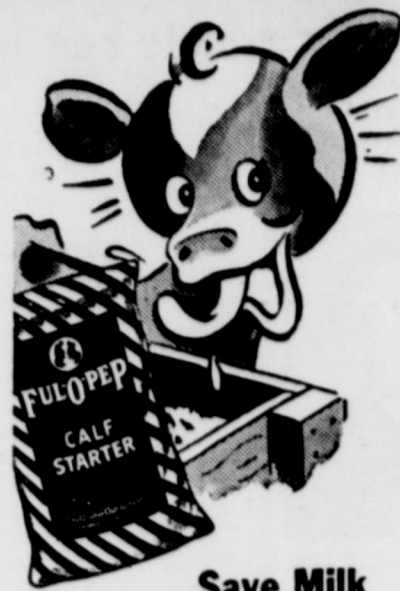

Young People meet at 6:45 P. M.

7:30 P. M. Song and Preaching Service. The pastor will bring an evangelistic message.

You always have a warm welcome to this friendly, old time, Missionary Baptist church. We don't claim to be perfect, nor better than other churches. We sometimes feel that we are the biggest failures. But in these modern days of boasting and bragging, building great institutions to the glory of men, and programizing the church to death after man's plans, and not God's—in the face of all this busy religious work in the world which is void of Holy Spirit direction, we feel that there is great need of a simple, back to the Bible way of worshipping and serving God.

Calvary Baptist Church seeks to provide such a way for this community. We have had a few bumps—sure—we expect them. We are in a fight against the devil and his cheap counterfeit. We love all people, and have lots of friends who are not members of our church. We respect others and their convictions.

The voice of Calvary Baptist for the simple truth of God's Word has been heard for several years, and we expect it to be heard until Christ comes. Welcome, neighbor.

Save Milk and Raise Good Calves with Ful-O-Pep!

Dairymen everywhere are turning from whole milk feeding to vitamin-rich Ful-O-Pep Calf Starter to help them raise sturdy, productive heifers. They find the calves are bigger and more rugged, their coats smoother, and there are fewer "heavy middles." Also they usually have less trouble from scours and digestive upsets.

Ful-O-Pep Calf Starter helps you raise such sturdy, robust calves because it is built around wholesome, nourishing oatmeal, nature's prize grain for sound growth and development. What's more, Ful-O-Pep is fortified with special vitamin rich sources such as Concentrated Spring Range, Nature's Richest Vitamin Combination.

One pound of Ful-O-Pep Calf Starter saves up to 10 pounds of whole milk in feeding calves. See us today for more information about the easy, economical Ful-O-Pep Plan.

Attendance Record Set at P-TA Meeting October 17, 1950

Over 250 members and friends of the Hardin Grade School P-T. A. met Tuesday afternoon in the grade school auditorium. Mrs. Fred Hunt, president, called the meeting to order and the program chairman introduced the program. The fourth grade pupils of Mrs. J. B. Morris presented a gay and colorful medley of acts and songs of the Gay Nineties. A ballet representation of the Nineties was given by Irma Ned Riley. A most interesting and instructive talk was made by Mrs. Ralph Davis, who spoke on the many problems confronting the modern parent.

A short business session followed, presided over by the president. Reports were made by various committee chairmen. The group voted to award \$5.00 to the room which has the most parent members for the year. It was voted to send the Executive Board of six members to the State Convention at Mineral Wells. The 4th grade rooms of Miss Ann Graves and Mrs. J. B. Morris tied for high room attendance and both rooms received awards. A love offering was taken in honor of Texas' Birthday. Refreshments were served by the hospitality committee.

The Bake Sale before and after the meeting, sponsored by the second grade rooms of Mrs. Mildred Breaux and Mrs. Hazel Willis was a big success. Proceeds will go toward buying water fountains for the grade school ground.
