NUMBER 8

BURK BULLDOGS AND TEMPLE OKLA. TANGLE HERE FRIDAY

Sheppard Road To Be Widened in City Limits

Your Utility Bills Were Higher

The City utility systems handled the largest load last month ever recorded here for any 30 day period.

Despite curtailed use of water, an increase of 3½ million gallons was pumped over and above the previous month. The total pumped for the month totaled over seventeen million gallons.

At the Municipal Light Plant, an increase of over 38,000 KW's was generated, with a total of 334,000 KW's for the month. That is 34,000 KW's more than ever recorded at the plant in any 30 day period.

This increase was reflected in the utility bills for the past month. A survey of surrounding cities in this area revealed that they too handled the largest increase in utility consumption ever experienced before.

Some false rumors have been spread telling that low voltage on some circuits of the City would cause the electric bills to go up, but this is just the opposite of what would happen. The General Electric Corp. has made tests on this and these tests definitely show that increased voltage will increase the consumption of electricity. Also, it has been told that electricity can be obtained cheaper from one utility than the other. This cannot be true, because all electric rates are set by the City Council for both systems. The rates are identical, and it would be illegal for a utility to sell electricity for a rate cheaper than that set by the City.

Leon Carver, City Manager

Dance Instructor For Art Studio In Burkburnett

H. ELZO BOWLING

Mr. H. Elzo Bowling will teach dancing for the branch school opening in Burkburnett. Mr. Bowling is connected with the Gross Fine Arts Studios established in Wichita Falls for over twenty years. He was formerly connected with Dallas Dancing School and has studied in Hollywood under leading instructors.

Twenty-Two At C. of C. Luncheon

Twenty-two directors and members of the Chamber of Commerce attended the monthly luncheon Monday at Town Hall.

Those present were: President Tom Britton, Secretary W. R. Hill, and Ralph Davis, Casey Logan, D. C. Dodson, John Page, Francis Kauer, C. M. Archer, Bill Teal, L. D. Holman, Cliff Wampler, Leon Carver, Truman Garland, Geo. Byerly, John W. Brookman, Harry Dodson, Buster Morgan, Paul Browning, F. C. Royce, Geo. McClarty, A. C. Reeves and J. V. Brookshear.

Following the meal, Ray Hill read the minutes of the previous meeting and made a financial report on the Rodeo.

Truman Garland made a report on an application for Low Rent housing here. Thirty units have been approved for Burkburnett.

A bill for \$145.10 for resodding the football field was approved and ordered paid.

Supt. Ralph Davis asked C. of C. members to help encourage boys to become interested in enrolling in Agriculture classes, since this area is largely agricultural. The school could lose affiliation in this subject if more interest is not shown by students.

Casey Logan offered a Registered hog to a worthy farm boy, either a guilt to raise pigs or a male to feed out.

J. V. Brookshear appealed to those present to give active interest in the forthcoming FFA Poultry Show.

Buster Morgan and Paul Browning, directors of the T-O Fair Association, reported that plans were progressing on schedule for the Fair Sept. 24-29.

A committee composed of J. V. Brookshear, Paul Browning, Buster Morgan, Francis Kauer, John Page, Geo. Byerly and Cliff Wampler was appointed to meet with members of the School Board and try to work out some satisfactory arrangement for using the football stadium for next year's Rodeo, in the event materials are not available for building a Rodeo arena.

NOTICE
In checking over the City members of the Lions Club street marking committee have found one or two instances where markers are needed. The Colored section of town also needs to be marked.

If you know of an intersection that needs a marker, call Harry Dodson, C. R. Chambers or F. E. Cruce.

For Printing Call Burk Star, 52

No Unsigned Letters Printed

The Star receives numerous unsigned letters, with a request that they be printed. Some are good... some not so good. All newspapers are subject to such letters.

The columns of the Star are, always have been, and we hope shall always be open for constructive signed letters from its readers. BUT, when some one writes an unsigned letter to a paper, it usually falls in one of two classes. They are not sure of the facts of the matter and don't wish to be exposed, or they have some petty grievance against somebody, and want to use the newspaper to give them a suit behind the back.

The Star does NOT publish unsigned letters. However, if you have something constructive to offer and are not afraid to let the whole world know how you stand on the matter, write it, sign it and mail it to your newspaper. Under those circumstances, the Star will be glad to make room in its columns for your letter.

Burk Bulldogs Lose First Game To Newcastle

NEWCASTLE 12 — BURK 0

The 1951 football season was opened here last Friday night when the local team met the Newcastle Wildcats. A few minutes after the kickoff, rain began falling and never let up the remainder of the game. The ball was slippery, and later in the game, the ground became too slick for good footing.

The little Bulldogs took the opening kickoff and worked the ball to their opponents 2 yard line. An intercepted pass behind the goal line gave the ball to Newcastle on their own 20 yd. line and broke up the only scoring threat for the Bulldogs. Newcastle's first score came in the middle of the second quarter. The Wildcats took a punt on their own 45 yard line. Blanton, star ball carrier for the visitors, carried to the Burk 35. Next he went on to the 14. Hulse carried to the 2 then on another try went over for the score. Try for extra point was no good.

To open the second half, the visitors received the kickoff on their 20 yard line and never gave up possession until they scored some 11 1-2 minutes later. Hulse, Moody and Blanton alternated carrying the ball to Burk's 31. Then big Blanton took over and by short gains, scored the second six points. It took him 11 tries to score from the 31. Four tries from the 2 yard line, when the little Bulldogs tightened up and held him three straight downs.

Again the try for extra point failed.

Harold Turnbow at end and Bowden Maben in the backfield turned in a good game for Burk. Maben completed four straight passes in the first and second quarters for a total of 43 yards. Also playing hard and looking good were Arnold Oliver, Donald Gee and Pude Fewin. All the boys are looking good and as the season wears on, they will be plenty good.

NEWCASTLE

Friends Invited To Inspect New Gin Operations

Woody Fleming of the Farmer's Co-operative Gin, invites all interested persons in this area to drop by between the hours of 7 and 9 P. M. next week to inspect the new gin while in operation.

MILK PRICES BOOSTED SAT.

The price of a quart of milk went up two cents in Burkburnett last Saturday.

Preston Dairy has posted a boost of from 23c to 25c a quart for pasteurized milk; from 24c to 26c for homogenized milk.

Hugh Preston, manager, said the price hikes are subject to approval of the Office of Price Stabilization.

The retail price increase followed a 70 cents per hundred weight increase to area producers.

Burk Art Group To Sponsor Side-Walk Exhibition

Saturday afternoon, September 22nd, from 1 to 4 P. M., you folks will wonder what is happening on your Main Street. Don't be alarmed, just enjoy yourselves and look to your heart's content, because that is the day the Burkburnett Art Group, with the aid of many Burkburnett citizens are going to "cut loose" and go all out to show you how much talent we have in arts and crafts right here in our own home town.

Amateur and professional works of all mediums will line the sidewalks. If it is a nice day you will be able to watch several artists working at their easels. A finger painting demonstration will be in progress, and those with special crafts will be glad to explain "just how it is accomplished." You may even want to "daub" a little yourself.

There will be judges to select first, second and third prizes in all mediums and also special awards will go to the various crafts.

It sounds like great fun, don't miss it.

The Burkburnett Art members are contacting each and every name that has been given them, of those who will enter some art or craft, however, they know there are many who have a hobby or craft who would enjoy being in this sidewalk show, whose names they do not have. They are requesting that those who have any art material, either amateur or professional, please call 367-W. Those who have a hobby or craft, please call 309-W. Get your entries listed this week, please.

Look for the list of entry names next week, and we hope you will be among them. Don't forget, Saturday, September 22. Out of town entries welcome.

Sam Shrum of Eunice, New Mexico, is a patient in the Clinic Hospital in Wichita Falls.

Bids for Post Office Quarters Being Accepted

Bids for quarters for the Post Office for the next five to ten years are being accepted at the local office, according to A. H. Lohofener, postmaster.

Floor space of about 2400 sq. feet is desired. Bids may be obtained at the Postoffice and further details will be given there.

Rotary Club

Each Tuesday at Town Hall 12:05 o'clock

Rotary members met at Town Hall last Tuesday for their weekly noon luncheon. Carl Morrison led the group in singing the first verse of America after which Alvin Hill gave the invocation.

President Virgil Brookshear presented Miss Nathalie Foster as new Sweetheart for the club.

George McClarty introduced Bart Dorbandt, Gerald Hodges, John Barbour, Jr., Ray Garrett, Rufus King, John Mouser, Tom Wilkes, Jr., and Tom Norton from the Wichita Falls club, and Dr. Philip Carpenter, guest of Clyde Reeves.

Paul Browning, in behalf of the club, presented Ted Harwell with a Past President's Rotary Plaque.

Cliff Wampler, program chairman, made a very interesting talk on "Service", which he based on the Objects of Rotary.

Absent members were Barney Landers, Arthur Ramming, and Rudy Robinson.

B. H. Alexander will bring the program next week.

Mrs. Bob Kearns and Mike of Fort Worth are visiting her grandmother, Mrs. Minnie Wallace, and to be with her father, Mr. Sam Shrum who is in the Clinic in Wichita Falls.

Mr. and Mrs. W. M. Ferguson are the proud grand parents of a grandson born to Mr. and Mrs. Lloyd Ferguson of Houston on September 4th.

Junior Mothers Selling Unique Calendars Here

"Time and Tide wait for no man," and so be it always, but the Junior Mothers Club has found a means of making that "Time" pay off.

This year they are raising money by selling a new and novel calendar, The Birthday Calendar.

The Calendar is a Community Calendar that will list you and your friends, their birthdays, wedding anniversaries, lodge meeting dates, Church meetings, license dates, picnics, rodeos, fairs, bazaars, and all the important dates and events in your lives.

The Calendar will be prefaced with a photograph of the Burkburnett High School, and aside from all the interesting "date" material, it also has a section for Telephone numbers.

Never will you enjoy a Calendar more than you will this one. Don't be late in ordering yours from one of the Junior mothers.

Remember, the proceeds will be used for the Junior-Senior activities.

THE "REAL COST" OF FOOD

One of the common beliefs today is that the cost of food is sky-high, and is completely out of line in the light of the prices of past times.

So it will come as a surprise to most people to learn that the "real cost"—the amount of time workers must spend to buy given quantities of food—is lower than it used to be.

As proof of this, take a typical "market basket" of foods containing bread, round steak and pork chops, butter, flour, coffee, and so on. According to U. S. Bureau of Labor Statistics figures, the average industrial worker would have had to work 438 minutes to buy the basket in 1929, 275 minutes in 1939, and 274 minutes in June of last year. In April of this year, by contrast, he could buy it with 264 minutes of work. It is notable that the "real cost" of food in terms of wages is substantially lower than in 1929 and 1939 which were periods of severe depression in agriculture, with resulting drops in prices.

In short, the worker can buy more food with his labor than before. And that, in large part, is the result of greater economy and efficiency in retail distribution.

In a competitive economy, where every merchant is out for our business, the consumer gets peak value for his money. That's true of food and everything else.

GRASS ROOTS OPINION

LAKE ORION, MICH., WEEKLY REVIEW: "Britain has embraced Socialism completely, turning away from the political philosophy that made her the greatest nation on earth. France, too, has embraced the theory of Socialism. In the Chamber of Deputies at the moment an alarming number of Communists hold seats and by power of numbers dictate a Socialistic concept of government that is but a few steps from Communism."

FOLEY, ALA., ONLOOKER: "When the people—at least, when a majority of the people—of this country decide they wish to make a change in the policies which are daily causing bad matters to become worse, those policies will be changed. But the people themselves must bring the change. So long as our people regard the government as a benevolent and doting parent, rather than as a personal responsibility, just so long will we continue to head toward a completely socialistic state."

BERLIN, MARYLAND, EASTERN SHORE TIMES: "America became great through public ownership—but we don't mean the kind of public ownership the Socialist-minded bureaucrats mean. We refer to the corporations which have made this the mightiest industrial nation in the world. They are owned by the people—the stockholders—and they are owned directly by the people, without governmental interference or direction."

WE WONDER WHO TOLD HIM

"Russia has more atom bombs than we thought, and they are bigger and more potent than we believed," Rep. Melvin Price, (Dem.) of Illinois, and a member of the Atomic Energy Committee told the House, in a plea for passage of the full \$535,000,000 Civil Defense appropri-

ation. Russia, he said, is "not as laggard as we are," and now has 20,000,000 people busy on war work.

Indicating that Russia is now prepared to drop atom bombs on our cities, either singly or in clusters, as she wishes, Mr. Price proceeded with some grisly statistics. A single atom bomb he said, would cause the following casualties in our various cities: St. Louis, 126,000; Washington, 118,000; Chicago, 154,000; Detroit, 118,000; Los Angeles, 39,000; San Francisco, 74,000; New York, 220,000; Boston, 165,000; Kansas City, 120,000; Philadelphia, 138,000 and Seattle, 59,000.

While we hope we will never be able to prove he is wrong, there's something about these neat and ready figures that somehow fails to scare us to death.

—J. E. Jones, Star Washington Correspondent

"The two chief sources of Federal revenue are now personal income and corporation taxes. Can they be hiked sharply without serious economic consequences? The business leaders doubt it. They point out that income-tax rates, especially in the middle and upper brackets, are approaching the saturation point. The Treasury itself has estimated that a 100 per cent tax on all incomes above \$25,000—in other words, complete confiscation—would yield only \$700,000,000 more in revenues. A 100 per cent bite on all earnings above \$6,000—an obvious impracticability—would bring in only \$6,400,000,000."—NEWSWEEK.

 Attending the Annual Baptist Association at Snyder, Okla., from Devol last Friday were Mrs. Gertrude Farmer, Mrs. Ona Slabaugh, Mr. and Mrs. J. B. Stevens, Mrs. Grace McClurkan, Rev. and Mrs. Childers and Rev. Cavender.

the 1950 class, left Friday morning to enter A & M College at Stillwater, Okla. Mr. Weaver was selected by the Devol Demonstration Club as worthy of a scholarship. He was given a going away party by his many friends on Thursday night.
 —D—
 Devol and surrounding territory was well represented at the Grandfield Free Fair last week and took their share of prizes. We were especially proud of our young entrants. In the Amateur show, first prize was won by Robert Lee Wyatt, \$15.00, and second prize went to Miss Patsy Turner, \$10.00. These two will represent the Grandfield area in the Tillman Fair at Frederick which opened Wednesday, Sept. 12th. Robt. Lee Wyatt III is the son of Mr. and Mrs. R. L. Wyatt. Miss Patsy is the niece of Mr. and Mrs. K. B. Utte and makes her home with them.
 —D—
Demonstration Club
 The Devol Demonstration club met in regular session at the club house, Tuesday, September 11th.
 Twenty-three members were present. Mrs. J. B. Stevens, president; Mrs. Hazel McCullough, vice-president; and Mrs. R. L. Wyatt, secretary, were present.
 During the business session the matter of County Fair exhibits was taken up and the articles for a complete club exhibit arranged for. Plans for transporting the exhibits to Walters were completed.
 Refreshments were served by Hostesses Mrs. Floyd Utte and Mrs. R. L. Wyatt were served to Mesdames Joe Dill, T. C. Dillow, E. N. Miracle, E. Watson, John Coker, Frank McClendon, Jack McCaslin, J. B. Stevens, O. G. Weaver, Otho Gammill, C. O. Woodley, Toots Glandon, Joe Champion, J. W. Hale, Guy Hutson, W. C. Charboneau, W. H. Stevens, Bob McCullough, Oles Stofor, Floyd Utte, Mrs. Ona Slabaugh and four visitors.
 —D—
 Visiting Mr. and Mrs. T. C. Dillow last Friday were their grand daughter, Mrs. Newcomer of San Antonio, and Mrs. Newcomer's maternal grand-

mother, Mrs. McCullough of Grandfield. Mrs. Newcomer is the eldest daughter of Mr. Bill (Dub) Dillow. They left Devol while she was quite young.
Circle 2 W. S. C. S. Met September 10 With Mrs. Patterson
 Mrs. J. M. Patterson was hostess to Circle 2 of the Woman's Society of Christian Service in her home September 10, with Mrs. J. P. Lawler as co-hostess.
 After the opening song, Work for the Night is Coming, Mrs. W. H. Holt, Circle Leader, conducted a short business session, stressing Loyalty and Faithfulness to our obligations.
 Mrs. Leslie Tuel brought the Worship Service, "The Earth is the Lord's," using 1st John, 4. Mrs. Tom Harms was in charge of the lesson, speaking on Religion and Economics. She was assisted by the following: Mrs. Henry Prinzing, "God is the Owner"; Mrs. Patterson, "Christian Labor Relations"; Mrs. Pilkenton, "Christian Consumer Relations." Mrs. Harms closed the lesson with a meditation.
 The hostesses served refreshing frosted Cokes to the following members: Mesdames W. A. Browning, R. L. Gragg, Leslie Tuel, C. T. Bradford, Chas. Hall, F. L. Pilkenton, Blake Browning, Paul Browning, W. H. Holt, H. W. Prinzing, Tom Harms and the hostesses.

Rebekah Notice
 Members of Burkburnett Rebekah Lodge will meet Thursday, September 13th, to practice for Initiation and an Anniversary program honoring the 100th year of Odd Fellowship. All members are urged to be present. The initiation will be held Monday, September 17th. Minnie McCullough, N. G., wishes to express her thanks and appreciation for the good number who came to practice last Monday night.
 Rev. Miles B. Hays and son of Dallas visited in town last Thursday.

Michael Musick has returned home from a trip to Illinois with his grandparents, Mr. and Mrs. D. M. Roark of Petrolia.

 Mr. Vernon King, of the same neighborhood, has made some nice additions to his home.
 —D—
 Spending the week end in the Ridley Odom home were their daughter, Mrs. Raymond Smart, Mr. Smart and Charles Ray of Ft. Cobb, Okla.
 —D—
 Mrs. K. B. Utte returned home Friday from Drumwright where she had been with her mother, Mrs. Price, who is ill.
 —D—
 Mrs. Maude King of Wichita, Kansas, is visiting her sister, Mrs. Gertrude Farmer.
 —D—
 Mr. and Mrs. Ross Wright visited friends in Wichita Falls Sunday evening.
 —D—
 Attending the Wichita Falls Garden Singing Sunday were Mrs. Nelma Wood, Misses Peggy Clemmer, Betty McCaslin, Mary Ellen and Joce Hutson. They were accompanied by Miss Ruth Maney of Burkburnett.
 —D—
 Dan Weaver, a graduate of

the 1950 class, left Friday morning to enter A & M College at Stillwater, Okla. Mr. Weaver was selected by the Devol Demonstration Club as worthy of a scholarship. He was given a going away party by his many friends on Thursday night.
 —D—
 Devol and surrounding territory was well represented at the Grandfield Free Fair last week and took their share of prizes. We were especially proud of our young entrants. In the Amateur show, first prize was won by Robert Lee Wyatt, \$15.00, and second prize went to Miss Patsy Turner, \$10.00. These two will represent the Grandfield area in the Tillman Fair at Frederick which opened Wednesday, Sept. 12th. Robt. Lee Wyatt III is the son of Mr. and Mrs. R. L. Wyatt. Miss Patsy is the niece of Mr. and Mrs. K. B. Utte and makes her home with them.
 —D—
Demonstration Club
 The Devol Demonstration club met in regular session at the club house, Tuesday, September 11th.
 Twenty-three members were present. Mrs. J. B. Stevens, president; Mrs. Hazel McCullough, vice-president; and Mrs. R. L. Wyatt, secretary, were present.
 During the business session the matter of County Fair exhibits was taken up and the articles for a complete club exhibit arranged for. Plans for transporting the exhibits to Walters were completed.
 Refreshments were served by Hostesses Mrs. Floyd Utte and Mrs. R. L. Wyatt were served to Mesdames Joe Dill, T. C. Dillow, E. N. Miracle, E. Watson, John Coker, Frank McClendon, Jack McCaslin, J. B. Stevens, O. G. Weaver, Otho Gammill, C. O. Woodley, Toots Glandon, Joe Champion, J. W. Hale, Guy Hutson, W. C. Charboneau, W. H. Stevens, Bob McCullough, Oles Stofor, Floyd Utte, Mrs. Ona Slabaugh and four visitors.
 —D—
 Visiting Mr. and Mrs. T. C. Dillow last Friday were their grand daughter, Mrs. Newcomer of San Antonio, and Mrs. Newcomer's maternal grand-

mother, Mrs. McCullough of Grandfield. Mrs. Newcomer is the eldest daughter of Mr. Bill (Dub) Dillow. They left Devol while she was quite young.
Circle 2 W. S. C. S. Met September 10 With Mrs. Patterson
 Mrs. J. M. Patterson was hostess to Circle 2 of the Woman's Society of Christian Service in her home September 10, with Mrs. J. P. Lawler as co-hostess.
 After the opening song, Work for the Night is Coming, Mrs. W. H. Holt, Circle Leader, conducted a short business session, stressing Loyalty and Faithfulness to our obligations.
 Mrs. Leslie Tuel brought the Worship Service, "The Earth is the Lord's," using 1st John, 4. Mrs. Tom Harms was in charge of the lesson, speaking on Religion and Economics. She was assisted by the following: Mrs. Henry Prinzing, "God is the Owner"; Mrs. Patterson, "Christian Labor Relations"; Mrs. Pilkenton, "Christian Consumer Relations." Mrs. Harms closed the lesson with a meditation.
 The hostesses served refreshing frosted Cokes to the following members: Mesdames W. A. Browning, R. L. Gragg, Leslie Tuel, C. T. Bradford, Chas. Hall, F. L. Pilkenton, Blake Browning, Paul Browning, W. H. Holt, H. W. Prinzing, Tom Harms and the hostesses.

Bible Reading, Prayer Unite The World

NASHVILLE, TENN.—When the famous cartoonist, Tom Little, learned that more than 50,000 churches distribute the English edition of The Upper Room and that, through its sixteen editions, the circulation is world-wide, he made the above drawing to show how Bible reading and prayer and meditation can draw the people of the world together.

Individuals and families share the same Bible reading, prayers, and meditations each day, not only in America, but around the world. The circulation of the English edition alone is believed to be the largest ever achieved by a religious periodical.

The new September-October issue carries meditations written by residents of 31 countries including Princess Wilhelmina, former queen of the Netherlands, and one Chinese who, since he wrote his meditation, has been liquidated by the Communists.

Modern Way to Control Roaches, Ants

Roaches are the most difficult household pests to control, since they can be brought into any home from the market in a bag of potatoes or other groceries. Latest research at the Universities of North Dakota and Minnesota indicates that the roach is a polio carrier.

household pests. The coating can be painted on surfaces frequented by roaches and ants, such as woodwork, near the sink, baseboards, garbage pails, window and door sills.

It's invisible, odorless, stainless and remains effective for months. The product contains no DDT, no sodium fluoride, and no phosphorus. No-Roach can be easily applied to any surface with a regular paint brush, since it is not a contaminating spray or messy powder. It is sold throughout the country and your local department store will have it in three convenient bottle sizes.

Foster Parent

It all stems from "an old Saturday custom." Twenty years ago America's famous Candy Lady, Julia Steven, moved by the yearning in some small faces at the windows of her Chicago candy kitchen, decided to let the youngsters form a sampling club.

When the Foster Parent's Plan for War Children recently inaugurated its Chicago campaign Mrs. Krafft acquired four more foster children, one each in Italy, Greece, England and Holland.

And today Julia Steven—Mrs. Walter A. Krafft, as she is in private life—has extended her interest in children around the world. Hundreds of freedom packages have been sent to children's institutions in many countries, and Mrs. Krafft has sponsored a nine-year-old girl in Belgium (a war orphan) and two little boys in a school in France for several years.

Through the Foster Parent's Plan a child is sponsored rather than actually adopted. The sponsor's contributions keep the child in a home, either private or institutional, until he is able to go out on his own and become independent.

Easy Reach

The good old summertime can be the best time of year for window washing if you use streamlined equipment and wear shorts to keep cool on the job. This homemaker washes the garage windows with the new cellulose sponge mop.

The SNAPSHOT GUILD

A color transparency of this picture would get a good reception in any group. Considered by many to be the most photographed and painted spot in the world and dubbed "Motif No. 1" this Rockport, Massachusetts scene is a typical good vacation shot.

Let's Have a Picture Party

I RECENTLY heard of a neighborhood picture party—an impromptu and very informal affair that was considered so much fun that the people plan to repeat it.

favorite vacation slides along. It would be a good idea to suggest, tactfully, of course, that they not bring pictures that are of purely personal interest. Slides shown to a group should always be of a general interest type.

So the party began to grow—in fact, it outgrew the living room and the screen and projector were moved out on the lawn. After they had seen the Bermuda slides—not once but twice—the owner of the projector went home to get some transparencies he'd made in England. These were followed by someone else's vacation pictures.

Plan this showing with courteous attention to guest comfort. It's good to have a seating arrangement in mind. This doesn't mean you should set straight chairs in stiff rows in theater fashion—keep it informal, but make sure there are comfortable seats for everyone.

Misses Janet Harrison and Wanda Smith of Abilene spent the week end with Miss Ethelyn Johnson.

Mr. and Mrs. R. R. Johnston of Eunice, New Mexico, spent the week end here with relatives.

Mr. and Mrs. Garland F. Johnston and Betsy of Vernon spent the week end with Mrs. J. D. Majors.

Herman Jack Rites Thursday at Burk

Final rites for Herman Jack, 75, will be conducted at 3:30 P. M., Thursday (today) at Owens and Brumley Funeral Home in Burkburnett. Burial will be in Clara Cemetery.

Jack died Tuesday in Lubbock where he has lived the past two years. A native of Pennsylvania, Jack came to this area in 1913. He worked in the oil fields near Clara, Iowa Park and Burkburnett until 1933 when he moved to Burlingame, Kansas.

Jack is survived by two sons, C. E. Jack of Electra and Herman Jack Jr. of Shawnee, Oklahoma; two daughters, Mrs. Helen Gibbs and Miss Ruth Jack, both of Lubbock; and a brother-in-law, I. V. Zeck of Iowa Park and two granddaughters.

Jack was a member of the Modern Woodman with his membership at Wichita Falls.

Pallbearers will be Ed Hieserman, Clyde Elder, Guy England, Jess Faulk, Charlie Winfrey and C. Forbes.

Attend the Rummage Sale at Tom Britton Motors Sat., 22nd. Senior Mothers Club.

Best way to get a move on

ASK any GMC owner about hauling performance.

For when it comes to packing home a pay load—he's got a lot of solid experience.

He knows what the right kind of horsepower can do for trucking profits. Whether he powers his load with a gasoline pickup model—or requires one of the sensational new GM-Diesel "Million-Milers"—he's right in the driver's seat for performance unexcelled by any other carrier in its class.

But he's not just "riding an engine."

He'll tell you the way his GMC shoulders the load, year after year, is proof of perfect teamwork of axle, chassis and frame—truck-engineered to outlast anything on the roads today.

Want to profit by the same long-time benefits of GMC's truck-building experience? Let us recommend the right combination of hauling performance to fit your particular needs. For GMC's are made in the widest variety of engine-chassis-axle combinations, from 1/2 to 20 tons.

Thaxton Bros. Motor Co. 413 Ave B. Burkburnett, T

WINTER LEGUMES FOR CURING THE SOIL'S ILLS

Stagnant growth of Austrian Winter Peas, which Sammie Conners, SMC English standing in, was grown the past winter 3 miles North of the Burk Burnett bridge by A. C. Inman. Shortly after this picture was taken the peas were covered as a green manure crop in the soil building program on Indian Land.

CHARLES V. NAGEL, Conservationist on Indian Land

The family is ill the winter is called in and given to cure the car breaks mechanic replaces the worn part. But, what when the soil seals a hard crust of the rainfall runs the crop seed has a difficult sprouting through? All grain fails to stool the kind of growth in the past, and has a decrease in yield and moisture condition. The cure for this is the addition of organic nitrogen by growing legumes with fertilizing as needed for the many benefits of protecting the soil and water erosion; the soil's physical by aggregating the soil with organic matter making the tight and the sandy land in doing this it in water holding capacity which is of very importance in this area; the tap roots will do better job of opening soil than the best job; spring pasture will be available when there are unproductive in the spring.

Austrian Winter Peas seeding rate is 32 or more pounds per acre, if the moisture condition permits it may be turned under as a green manure crop when they have reached their maximum growth and followed with a sorghum.

Biennial Sweet Clover can be sown in the fall at the rate of 15 to 20 pounds per acre around the early part of September and will generally furnish a good pasture early in the spring.

The seeding rate of Alfalfa is 15 to 20 pounds per acre. Some factors to keep in mind to get the maximum benefit from legumes:

- Have a firm, well prepared seed bed.
- Use of high germination seed and seed that is free of noxious weed seed.
- All legume seed should be inoculated with nitrogen fixing bacteria prior to seeding and planted before October 15th.
- Care should be taken not to over graze the legumes.
- If these procedures are followed, you can generally expect to have good results from your legume program.

Mr. and Mrs. Frank Greer and Donna Rose and Mrs. Tom Boyd visited Mr. and Mrs. Bill Matthews in Dallas last week.

Who Saves the Soil, Defends the Nation

One hundred and thirty-six outstanding American "soil-savers", farmers, ranchers and conservationists, will be guests of honor at a series of luncheons in 17 midwest and plains states during September and October. These contest winners will represent thousands of other grass-roots Americans who have participated in a joint industry-agriculture movement to safeguard the nation's future.

All of the 17 events will be state-wide affairs, bringing public recognition and impressive awards to eight men in each state. Five are members of the governing body of the outstanding soil conservation district in each state, and three are the farmers or ranchers considered to have done the best job of putting soil-saving techniques to work in their operations from July, 1950, to June 30, 1951.

Each of the 136 winners will be presented with a commemorative bronze plaque at the luncheons and 72 grand award winners will receive in addition a one-week vacation trip to Arizona during December where they will be guests of the Goodyear Tire and Rubber Company, sponsor of these soil conservation awards to dramatize the preservation of America's vital topsoil.

Arkansas, Kansas, Louisiana, Montana, Nebraska, North Dakota, Oklahoma, South Dakota and Wyoming will each be represented by eight grand award winners who will receive the Arizona trip. The other eight states, whose winners will be honored at luncheons and receive plaques, include Illinois, Indiana, Iowa, Michigan, Minnesota, Missouri, Ohio and Wisconsin. Winners from these states in past years have been awarded Arizona trips.

Winners in the conservation contest are selected by a state judging committee in each state, which reviews the work records of district governing bodies and rates them according to a uniform point system.

Principal factors considered by the judges include organization, education, publicity and accomplishment. Destination of the grand award winners in December, will be the Wigwam guest ranch, on Goodyear Farms, the rubber company's 17,000 acre agricultural research and development enterprise, 18 miles West of Phoenix.

Mrs. B. H. Preston Entertains Blue-Bonnet Garden Club

Members of the Bluebonnet Garden Club met in the home of Mrs. Jessie Preston Tuesday, September 11, with Mrs. Lou Ethel Boyd and Mrs. Earlene Chambers as co-hostesses.

The business session was held with Mrs. Hattie Burns presiding. Mrs. Icie Howard was welcomed as a new member. Mrs. Billie Thaxton gave the invocation. Mrs. Lou Ethel Boyd was program director and roll call was answered with "My Garden Hobby for the Year."

Mrs. Burns gave our objective for 1951-1952 and Mrs. Thaxton read the Constitution and By-Laws. Mrs. Hettie Gilbert gave a talk on "Shade Loving Plants and Ground Covers Under Trees."

Secret Pals were revealed and gifts exchanged. Flower arrangements brought by members were voted on.

Refreshments were served to Mesdames Julia Boyd, Lou Ethel Boyd, Hattie Burns, Mary Cecil, Earlene Chambers, Zulla Clark, Hettie Gilbert, Emily Houser, Helen Grizzle, Icie Howard, Florice Jeffers, Forest Lowery, Allie McCullough, Edna Peed, Jessie Preston, Virginia Reeves, Maude Teal, Billie Thaxton, and Ada Westbrook.

Vacancies Open In Agriculture Class at Hi School

The Vocational Agriculture Department of the Burk Burnett High School still has a few vacancies for boys interested in agriculture, according to Thomas Bell, local adviser.

Vocational Agriculture is one of the regular courses offered in the High School as a General Science or as an elective subject and counts 1 1-2 credits toward graduation for each year up to two years, and one credit thereafter. This course offers varied learning in leadership, livestock improvement, dairy improvement, pasture improvement, soil conservation and improvement, poultry improve-

ment, farm management problems, record keeping, gardening and many other worthwhile subjects.

The Agriculture Department has also added a new Farm Shop to its program, to give the students certain phases of shop work, and give the student an opportunity to construct any equipment he desires.

Vocational Agriculture has a two fold purpose in Burk Burnett High School. First is to train boys on the farm, and interested groups for proficiency in farming. Second, it is for boys not going into the field of farming a knowledge of farming so they may better understand farm people they meet in life. It actually starts the student into farming and establishes a project of his own so he may be able to carry on after graduation toward a prosperous livelihood.

The Agriculture Department

has a few Registered Brood gilts to give away to any member who wishes this type of project to raise by returning one to the Chapter from the first litter of pigs.

Also, the Chambers of Commerce of Wichita County are sponsoring a Junior Calf feeding program for boys interested in this type of project, which should net the boys \$60.00 to \$100.00 per head. He may feed as many as he wishes, but can only show 10 head at the county show. A loan for boys having pasture is being worked out for this type of project.

Those that are interested in this program should contact the Agriculture Department for more details and for application blanks by September 25th.

We take pride in mentioning the courteous, efficient employees at TOM'S COFFEE SHOP who assure you quick, friendly service.

Mr. and Mrs. Sherman Hill of Munday visited last week with Mr. and Mrs. Ray Hill.

Mrs. Jess Hageman was admitted to the General Hospital in Wichita Falls last week where she underwent surgery Saturday.

FUNERAL HOME

Owens & Brumley Funeral Homes
Unexcelled Ambulance — Day or Night

Methodist Church

T. M. JENSON, Pastor

Morning Worship and preaching service on Sunday at 10:50 A. M.

Evening Worship and preaching service at 7:00 P. M.

Church School Sunday morning at 9:45. Kenneth Tucker, Superintendent.

Sunday morning the pastor will preach on "The School of The Lord."

The topic Sunday evening will be "The Lure and the Cure." Note the change of time for Sunday evening from 8 to 7 o'clock.

Choir practice on Wednesday evening at 7:30.

Sunday, Sept. 23, is "Widen The Circle Day," when all our people are urged to widen the circle by coming to Sunday School and bringing someone with them.

Mrs. McMurtry Hostess for Fed. Missionary Society

The Federated Missionary Society met in the home of Mrs. F. M. McMurtry Friday, September 8th with Mrs. Turner as co-hostess.

The meeting was called to order by Mrs. Turner. Mrs. Reger brought the Devotional Service, "The Church for You Doth Wait," reading from Chapter 1, Paul's Epistle to the Colossians on Christ as the Church. Mrs. Bunstine led in prayer.

After committee reports and work discussed, Mrs. Buchanan closed the meeting with prayer. Lovely refreshments were served by the hostesses.

Take your books, magazines, clothing, etc., to Mrs. Ady or Mrs. Beldon for the State Hospital.

Mr. and Mrs. John Rigby were called to Grandview Tuesday night due to the serious illness of Mrs. Rigby's father, Mr. T. W. Williams. Mr. Rigby returned home while Mrs. Rigby stayed with her father, who was resting better, but still not out of danger following the heart attack he suffered Saturday.

Princeton Head Improving After Oil Well Accident

From the Fort Stockton Paper—The condition of Princeton Head of Fort Stockton, who suffered a severe head injury in an oil well accident Saturday, August 25th, is improved, and he is now permitted visitors at Memorial Hospital.

Head is a tool pusher with Brown and Thorp Drilling Co., and the accident occurred at their rig number one on the Imperial Road, about 30 miles North of Fort Stockton.

He had just gone on duty at the rig about 11:30 Saturday morning when a loose tong line fell from a height of around 30 feet and struck him squarely on the head. The fact that he was stooping over at the time softened the blow and may have saved his life. The blow knocked him off the floor of the rig and crushed in a portion of his skull.

Head was rushed to Memorial Hospital immediately by "Tuffy" Smetak and another co-worker who was unidentified, and Dr. C. E. Oswalt performed an operation to remove pieces of crushed skull bone. Several blood transfusions were given.

Mrs. Head, who was visiting her parents, Mr. and Mrs. V. C. Skipwith in Burkburnett, was contacted by phone and was flown to Fort Stockton in the private plane of a friend, arriving here about 5:30 in the afternoon.

The Heads live in a house on the farm of Mr. and Mrs. J. E. Moore and he has been here since December. He was pre-

viously employed by a drilling company in Burkburnett. His home is in Ranger.

175,000 Expected At T - O Fair

Time draws close for the big six-days panorama which offers attraction and entertainment for everyone from grandma to little Susie. Officials of the 23rd annual Texas-Oklahoma Fair, which will be held on Sept. 24-29, are busily preparing to get everything in readiness for the 175,000 fair patrons expected to attend the 1951 showing.

Only a few days are left for breeders of Herefords, Quarter Horses and fine Dairy Cattle to mail their entry blanks in to the fair office to compete for their portion of the \$15,000 purse.

Farmers are urged to complete their displays for the agriculture showing, and the FFA and Four-H Club boys are asked to keep their animals well groomed and brush up on their livestock and grass judging for competition on FFA and Four-H Club day which will be Saturday, Sept. 29th.

It has always been said that anything in Texas is "bigger and better"—but with the help of Oklahoma—it's nothing short of colossal!

W. H. Wright, Is Chairman of Oil Committee

W. H. WRIGHT, Chairman North Texas District Oil Industry Information Committee

W. H. Wright, chairman of the North Texas District of the Oil Industry Information Committee, said this week that local chairmen in all the towns in the twelve county district are making plans to publicize Oil Progress Week, Oct. 14-20. Mr. Wright stated that oil companies and representatives of allied industries had offered encouragement to local newspapers in the preparation of special sections publicizing the importance of the oil industry in our free enterprise system during Oil Progress Week this year. "I hope that service station operators, bulk agents, producing companies and all firms and individuals associated with the oil industry will cooperate with GEORGE BYERLY the local representative on the district committee, in making Oil Progress Week this year the most outstanding ever held," Mr. Wright said.

Ben F. Lowell, Wichita Falls independent oil operator and chairman of the Speakers Committee, said that most of the communities will stage a parade during the week of October 14-20 to allow local citizens to see how much equipment is being used by retailers, wholesalers and producing companies in the distribution of oil products in the Burkburnett area.

Mr. Wright informed MR. BYERLY that capable speakers would be available to address local civic clubs during Oil Progress Week, but suggested that requests for speakers be made as early as possible.

Some "eye-opening" facts for every American motorist!

Kaiser cars have travelled over 20 billion miles!

Your proof of Kaiser-Frazer's engineering leadership and quality manufacturing lies in the 600,000 Kaiser cars now on the road—tested and proved over a total of an estimated 20 billion miles!

Even the "earliest" Kaiser cars not only look newer today than many "present day" cars but act newer as

well—giving good service at low cost, mile after mile after mile! That's what we mean when we say Kaiser cars are "built to better the best on the road!"

This better engineering and quality building is your assurance that the 1951 Kaiser you buy today will still be new five years from now!

1951 Kaiser DeLuxe 4-Door Sedan. One of 6 body styles, 12 models. Hydro-Matic Drive available on all models.

More "eye-opening" reasons why you ought to own the 1951 Kaiser today!

Kaiser styling is better styling!
Yes, even our competitors admit the '51 Kaiser is 1951's most beautiful car! And it's officially confirmed! Kaiser has just won its second World's Beauty Prize!

Kaiser safety is greater safety!
You're safer in your Kaiser because Kaiser has bigger brakes than most cars. And as an extra protection, for your front seat passengers, Kaiser gives you the famous Safety-Cushion Padded Instrument Panel!

Kaiser comfort is greater comfort!
You can't sit five minutes in a Kaiser without discovering it's years ahead of other cars in riding luxury. It has the lowest center of gravity of any car today—plus airplane-type shock absorbers that literally let it float down the road like a shadow!

Kaiser power is thrifter power!
You get better all-around economy with Kaiser's High-Torque Supersonic Engine! It uses less oil, needs less upkeep because of its longer-lasting Flash Chrome rings, 100% counterbalanced crankshaft, engine-cooling full-length water jackets!

Kaiser vision is wider vision!
One look—and you'll be convinced Kaiser has the largest glass area of any four-door sedan—plus the narrowest corner posts. A vision-engineering combination that is a new discovery in pleasure and safety!

That's why Kaiser value is better value!
Go for a demonstration—see for yourself what a better buy Kaiser is today! Your Kaiser-Frazer dealer will open your eyes to better value!

Built to better the best on the road!

Take off the blinders see the difference in the Kaiser!

See it at your Kaiser-Frazer dealer's today!

SOIL CONSERVATION NEWS

IOWA PARK—Waterways, a new term in soil conservation, is one of the most important phases immediately ahead of us. In fact, its importance is so great that a large acreage of cropland cannot be terraced until waterways are provided.

Waterways are simply wide, shallow depressions seeded to permanent grass for the purpose of disposing of water from terraces. Without them, large deep gullies result which make farming operations hazardous.

Pastures are the best place to empty terraces but where pasture is not available a waterway is necessary. Farmers and ranchers having no pasture adjoining cropland should make immediate plans for establishing waterways. These waterways have to be established with a good cover of grass before terracing can be done. Experience has shown they cannot be economically established after terracing.

Soil Conservation Service technicians at Iowa Park, assisting the Wilbarger-Wichita Soil Conservation District, are designing these waterways based on soil type, slope, drainage area and runoff characteristics. Several have already been established. Those needing waterways should contact their local soil conservation district or any of the agricultural agencies.

Home Builders Met Sept. 5th

Members of the Home Builders class of the First Methodist Church met for their regular meeting in the home of Mrs. R. L. Gragg, Wednesday, Sept. 5.

The meeting opened by singing Blessed Assurance, and the Devotional Service was given by Mrs. C. A. Moreman. Mrs. Tucker gave a reading.

Cake and ice cream were served to: Mesdames Knauth, Westbrook, Roberts, Lowery, Gilbert, Hoffman, Browning, York, Lawler, Gage, Morgan, Gragg, Patterson and Tucker.

Reporter, Mrs. J. P. Lawler

Pat Crawford is visiting in the home of Mr. and Mrs. J. W. Keller while here testing for the Magnolia Petroleum Co.

Mrs. C. J. Foster of Castro Valley, California, has been visiting with her mother, Mrs. H. S. VanCleave. Mr. and Mrs. P. B. VanCleave of Fort Worth were guests also Sunday night, and Mrs. Foster returned with them to Fort Worth for a visit.

Jack Peed, Roy Land and Albert Gillis, Frog Men in Uncle Sam's Navy, stationed at Coronado Base in San Diego, were here during the week visiting in the home of Jack's parents, Mr. and Mrs. Clyde Peed.

Mrs. Frank Young and Guy Barrett of Ames, Iowa, are visiting Mrs. Young's parents, Mr. and Mrs. Floyd Milford.

Mr. and Mrs. L. W. Forqueran returned home recently from a visit with their son and family in Long Beach, California.

P. O. Inspector Visits In Burk

Postoffice Inspector Lewis H. Schwoerke was in the city on Thursday of last week investigating Rural Mail Box deprecations which have been occurring in this vicinity.

Accompanied by the Postmaster, Mr. Schwoerke made detailed investigations of several cases here and has recorded evidence pertaining to the matter.

There have been a number of instances of Mail Box damage being done by pranksters and others. The Inspector advises that the Postal Laws are quite severe on anyone found guilty of maliciously damaging Mail Boxes. Two cases of damage which occurred on Wednesday night were investigated.

Mrs. Bertha Cropper and Mr. and Mrs. Vic Spearman and family of Fort Worth spent the week end visiting relatives and friends in Burkburnett.

First Baptist Church

T. LYNN STEWART, Pastor

The Church in Bible Study 9:45 A. M. with classes for all ages. We teach, love and honor the precious Word of God. God is blessing. We had 6 new members and 27 visitors last Sunday with 501 in our Sunday School. We urge our members to be present this Lord's Day. Visitors and new members will find a most hearty welcome.

10:55 A. M. Morning Worship. Sermon: "The Graciousness of The Saviour." Our services are spiritual and our messages are Christ centered. "We preach Christ crucified."

6:45 P. M. The Church in Training with Unions for all ages. We train to serve our Lord better.

8:00 P. M. Evening Worship. Sermon: "Anthem of The Kingdom of God." Very special music as our Music School will begin at this evening service.

Mr. Volus Norsworthy of Wichita Falls will lead in a Music School in our church beginning this Sunday night and continuing through next Thursday night. Everyone is invited to attend and profit from these five nights of music study.

Babyland is open for all regular services of the church and will be open for the Music School. Capable attendants will be in charge.

A cordial invitation is given to you to attend all services of this friendly, spiritual New Testament church.

Central Christian Church

Bible School, 10:00 A. M. Morning Worship, 11:00 A. M. Youth Fellowship, 6:00 P. M. Evening Service, 7:30 P. M.

Next Sunday morning the pastor, K. R. Newton, will speak on the theme, "God's Dreams." In the evening meeting he will continue a series of sermons dealing with "The Questions of Jesus." The pastor and members of the congregation join in welcoming all to worship with them next Lord's Day.

K. R. Newton, Pastor

Calvary Baptist Church

College and Avenue B

Radio broadcast over Station KLT, Electra, from 8:15 to 9 A. M. 1050 on your dial. Tune in. Also radio broadcast every Thursday from 5:30 to 6 P. M. Sunday School at 10 A. M. Sunday all classes studying the 8th chapter of II Corinthians. We study the Bible only in our Sunday School. J. M. Bryan is S. S. Supt.

Preaching Service at 11 A. M. The pastor's message will be, "The Indispensable Man."

Young People meet at 7 P. M. under the direction of Virgil Jones and wife.

Night preaching service at 7:45 P. M. If the Holy Spirit doesn't lead us otherwise, the pastor will speak on this subject, "What Is America's Place In God's Prophetic Plan of the Ages? What will the Judgment of Nations Decide for America's Destiny?" We invite you to hear this message.

This friendly, missionary Baptist church extends a hearty welcome to all. Come as you are and hear God's Word as it is.

Ray C. Morrow, Pastor

Mr. and Mrs. Tom Harms and Mike spent last week end in San Antonio with their son and brother, Major Thomas H. Harms and family.

J. D. Harms of May, Texas, visited a few days here in the home of his son, Tom Harms and family.

Mrs. M. E. Severy of Portland, Oregon, is here for a visit with her daughter, Mrs. Lyman Harms and family.

Reports Returned On T-B X-Rays For Burkburnett

On the information sent to Dr. Houston H. Terry, director of Wichita County Health Unit, by Dr. Howard E. Smith, director of the Tuberculosis Division of the State Health Department, it was reported that 518 persons were X-rayed in Burkburnett during the T-B X-ray campaign. Of those 513 persons, we have been notified that there were: Definite T-B, 5 people, 3 female, 2 male; Suspicious T-B, 7 people, 5 female, 2 male; Cardiac case, 1 man; Other Pathology, 1 person (possible cancer or tumor). We, the people of Burkburnett should be very grateful for these free Chest X-rays, and the valuable information they give us, because, through this means, we can stamp out T-B for good, a "killer" disease that takes 1 out of every 33 lives in the United States.

Let us remember these facts and figures when it is our time to help this worthy campaign, by buying those little T-B Christmas Seals.

Dr. J. A. Little, president of the Wichita County Medical Society, urges all persons who received LETTERS, to be sure and follow them promptly, with a visit to your personal physician.

All X-rayed persons are notified by letter, as well as their doctors, if there is any question as to their chest condition.

Those who have no complications are receiving their cards stating they are free of T-B.

This writer wishes to apologize for the late date at which I am thanking the following for their most appreciated time and help given during the X-Ray campaign. Thanks to Mrs. Gene Robertson, Mrs. Harry Dodson, Mrs. Jack Franks, (Dallas), Mrs. Rudolph Robinson, Mrs. B. E. Good, Mrs. Walt Bohner, Mrs. Gene McCabe, Mrs. D. F. Douglas, Mrs. Cliff Cannon, and a special thanks to Mrs. Robt. McIlhearn, who assisted contin-

uously through the X-Ray days. Mrs. Dan Sheriff, Burkburnett T-B Chairman

Card of Thanks

Words cannot express my sincere thanks to mine and Don Ray's friends for the beautiful flowers and cards received while in the hospital. Once again, thanks.

MRS. PEARL HICKS 8-11P

Mr. and Mrs. F. R. Skipwith and daughters Betty and Sue of Dallas spent last week end with his parents, Mr. and Mrs. V. C. Skipwith.

Mrs. Alexander Entertains Circle 1

Members of Circle 1 met in the home of Mrs. B. H. Alexander Monday, September 10th, with Mrs. McPherson assisting with hostess duties.

Leader, Mrs. A. R. Bunstine, opened the meeting with the group singing "Blessed Assurance", followed with prayer by Mrs. Tucker.

To create more interest, the Circle voted to have Secret Pals, with the exchange of names.

Mrs. Gore brought the Devotional Service taken from the 90th Psalm.

Mrs. Reger had class lesson, "The Earth Lord's". Those taking this inspiring program Mrs. McPherson, Mrs. J. Mrs. Tucker and Mrs. The meeting closed with hymn, "Trust and Obey". Benediction by Mrs. During the social hours refreshments were served to fourteen members.

Let's all make a vow to the Youth Center
