Baseball "Feud" Tonight, Lions Club Park

Owen vs. Roger Wood

ADULTS 50c
CHILDREN FREE

Boomers Booster
The most bitterly contested baseball games of the season will be played here under the stars Thursday night, (tonight) at 8:00 o'clock. Owen, manager of the "Boomers" and "Booger" Devol, Oklahoma, arch enemies for some twenty years will field teams in a game. For several weeks managers have been back and forth across the river, each trying to get a team together to settle the age-old feud for good.

The interest being shown on both sides of this will be the largest ever to attend a baseball game in Burk Burnett. People expected from all over Oklahoma and northwestern Texas will be in attendance. From the meager gate receipts will be put out by both sides. The lion's share of the gate receipts will go to the winner.

The manager will give a line-up. Both are as good as a mummy. The manager says he has the bag, but neither knows how he expects to win. He says he will beat the other by strategy. "Booger" says he will knock more of the ball park than any kid could lose marble.

Does he have solid support on the river, which he will be a deciding factor in the game. On the other hand, "Country" has faithful backers on the river. "Country" has won twenty-eight Oil Belt League games taking over the year. In all his team has 33 games, losing only the start of last season. It is a pretty good record. Of course it will go all out to record of the Boomers. The added incentive of his old baseball.

Boomers Have New Suits
The Boomers will be decked out in new uniforms for tonight's game. These were bought by donations from about 100 people around and surrounding the town. The team is very proud of their uniforms and people of this area to appreciate the interest in them.

Edwards, Jr. made a bus trip to Dallas over the

Political Announcements

The headings will be the names of the candidates for public office, subject to the democratic primary. The following are the candidates for announcements:

Judicial, or
County Offices \$20.00
City Offices \$15.00
District Offices \$15.00

Prices include formal announcement and carriage in announcement. All fees cash in advance.

-YOUR FARM BUREAU- BY MARYE ECKELKAMP

Members of the Future Farmers, Future Homemakers and 4-H clubs in Wichita County will feature their prize projects in competition at the annual Wichita County Project show, Saturday, May 22 at the Fair Grounds in Iowa Park at 10 a. m.

Entries are expected to be high in livestock, field crops and homemaking division. \$500 in cash prizes will be awarded premium winners in each division. Projects to be shown are rabbits, poultry, swine, dairy cattle, beef cattle, field crops, furniture refinishing, sewing, electric, gardening baking and center pieces.

Judges for the Project show are Rabbits, Euel Spruiell, Valley View; Poultry, George Stodhill, Head of the Poultry Department, State Hospital, Wichita Falls; Swine and Beef cattle, Vincent Duvol, Agricultural University, Midwestern University; Dairy, E. L. Townsend, Head of Dairy Department, State hospital; Gardens and Field Crops, L. E. Brooks, Supt. Texas Experiment Station; Sew-

ing, Mrs. D. R. Preston and Mrs. Norman Green, Electric; Ted St. Clair, Manager Texas Electric Service Co., Iowa Park; Center Pieces, Mrs. L. E. Brooks, Mrs. Charles Coppock and Mrs. Sam Hill, Iowa Park. Baking, Mrs. Helen Banks Home Economist, Lone Star Gas Co., and Amy Walker, Home Economist, Texas Electric Service Co.

A concession stand will be open by the Iowa Park FFA chapter to help finance their annual trip.

The project is being promoted by the Wichita County Farm Bureau and co-sponsored by the Chambers of Commerce of Iowa Park, Electric, Burk Burnett and Wichita Falls, and many interested business firms and individuals. Everyone in the county is invited to attend the show and see the results of this year's work by the rural youth in Wichita County.

All boys and girls wanting to enter their projects in the show should contact the county agent, FFA or FHA advisors, or your 4-H leader.

Mrs. Roy T. Magers Honored May 12 by Unity Garden Club

The Unity Garden Club met Wednesday, May 12th, in the home of Mrs. R. C. Gilbow, with Mrs. Herman Miller and Mrs. W. R. Milam co-hostesses.

Mrs. Troy Miller, leader, presented Mrs. Bill Crosley, who gave a paper on Garden Design to Fit Your Kind of Life. A lovely flower arrangement for churches was shown by Mrs. H. A. Goodwin.

A very interesting history of the club was given by Mrs. W. B. Short.

Mrs. Roy T. Magers was elected Honorary Life President. She was the first president of the Unity Garden Club when it was organized in 1941, and has since served in many capacities.

Mrs. W. R. Milam, delegate gave a report on her trip to the state convention of Texas Garden Clubs, Inc., which was held in Dallas 3, 4 and 5th.

Mrs. Magers installed the following officers for the ensuing year: Mrs. R. W. White, president; Mrs. A. L. Gilbow, vice-president; Mrs. W. B. Short, secretary; Mrs. Bill Crosley, treasurer.

A lovely refreshment plate was served to seventeen members and one guest.

Mrs. J. Willingham Elected President Garden Club Council

The Burk Burnett Council of Garden Clubs met at the home of Mrs. Walter Riley, 604 East 4th Street Tuesday morning.

The "Autumn Glory" flower show scrap book was on display with the awards received at the Texas Garden Club, Inc., State convention at Dallas. The book was compiled by the show chairman, Mrs. Tom Britton and was awarded second place in class four.

President, Mrs. J. Troy Miller directed the meeting.

Plans are being made by the clubs for an elaborate Christmas Flower Show and yard lighting contest.

The nominating committee, Mrs. Walter Riley, chairman, Mrs. T. J. Campbell and Mrs. C. J. Bohner, named Mrs. J. M. Willingham, president; Mrs. A. C. Houser, vice-president; and Mrs. W. R. Milam, secretary for the 1954-55 term. They were elected and will be installed at the June first meeting at the home of Mrs. Ralph White, west of town.

A lovely coffee plate was served by the hostess to Mesdames C. J. Bohner, Glen Bear, J. M. Willingham, W. R. Milam, Ralph White, A. C. Reeves, Will Teal, Ralph O. Brookshier, A. L. Gilbow, J. Troy Miller and T. J. Campbell.

SUITED FOR SUMMER

Denim is in demand this season for fashions ranging from trim suits to shorts. National Cotton Council fashions say. Here Stephanie Koret of California uses crease-resistant cotton denim for a classic, figure-flattering suit of many uses. The slim skirt is combined with a knit, striped T-shirt and topped off with a boy jacket.

Burkburnett Boys Cleared of All Charges by F.B.I.

It has been reported by the F.B.I. that the two Burk Burnett boys who were involved in a supposed kidnaping in Nebraska the first part of this week, have been cleared of all charges against them.

Regular Meeting Of Lowanna Group Camp Fire Girls

The Lowanna Camp Fire girls met in the home of Mrs. Walter Riley, our leader. The meeting was opened by Irma Ned Riley, president. Roll was called by Loretta Bröcker, secretary. The minutes were read and approved. Pledge and two songs were led by Carolyn Clement, song leader. Program chairman, Charlotte Wallace, told the group what project we were working on, which was our City wide ceremony.

Meeting was adjourned by our president.

Following the meeting we worked on our candle snuffers.

Carolyn Clement, Reporter

Mr. and Mrs. Morris Bookbinder are attending market in Dallas this week.

Many Burk Burnett Teachers Attend Midwestern University Graduate School

Since the beginning of the graduate school in 1952 at Midwestern University, many teachers of the Burk Burnett Public Schools have taken advantage of the opportunity to continue their advance study near at home.

At the present time the following are enrolled for work leading to the master's degree: Ava Buck, Maxine Creel, Wilma Douglas, Pauline Evans, Frances Park, Albert Richardson, Jack Robertson, James Whitaker and Hazel Willis.

A number of Burk Burnett teachers were among the first graduates of the Midwestern University Graduate School. These included Paul Genung and Joe Bob Tyler.

Dr. D. L. Ligon, Dean of the Graduate School, is well known in Burk Burnett. He expects a large enrollment this summer. The 1954 summer session is divided into two six weeks terms, the first term starts with registration on June 7th and ends on July 15th, the second term starts on July 19th and classes end on August 20th. A student may enroll in a maximum of twelve hours during the twelve weeks summer session.

Prospective students will be interested in knowing that a maximum of six semester hours work, either in residence or by extension, may now be transferred from another recognized institution.

For the first time this summer the student of the graduate school will study in air-conditioned comfort. One reading room in the library will be cooled by refrigerated air and will be set aside for the use of the graduate student only.

Teachers planning to begin their graduate work at Midwestern should have a certified transcript of their undergraduate work sent to the Registrar at Midwestern University.

Mrs. Forrest Green Complimented With Pink, Blue Shower

The basement of the First Baptist Church was the scene of a lovely appointed pink and blue shower Tuesday night honoring Mrs. Forrest Green. Table decorations were of baby blue centered with arrangements of red roses.

The program included two songs by Sue Nolan, "Mighty Like a Rose" and "Is There a Baby in the House?" She was accompanied by Mrs. Jimmie Hunt.

The gifts were presented in a baby basket rolled in by little Pam Simmons.

Refreshments of punch and little white cakes with baby written in blue were served by the hostesses to approximately seventeen guests.

Hostesses for the affair were: Mesdames Fred Hunt, Mike O'Branovich, K. D. Simmons, C. L. Terry, M. C. Hensley and Richard Letourneau.

Friberg - Cooper Gets State-Wide Recognition

Friberg - Cooper Community of Wichita County received statewide recognition by winning first place in District 3 and ninth place in the state, in the Rural Neighborhood Progress Contest, sponsored annually by The Farmer Stockmen magazine, in cooperation with the Texas A&M College Extension Service.

Officers in the Friberg community organization for the contest year were: Mrs. R. R. Koller, chairman, and Mrs. Sam Spencer secretary.

The contest encourages rural neighbors to pool their resources and abilities to improve the community generally.

A total of 124 neighborhoods in Texas entered the contest this year from widely scattered parts of the state.

Former Burk Man Runs for Sheriff In Oklahoma

Mr. and Mrs. T. J. Sanders and family of Holdenville, Oklahoma, visited relatives and friends in Burk Burnett over the week end. While here, Mr. Sanders announced that he has tossed his hat in the ring for Sheriff of Hughes County in Oklahoma. To be in this line of work has been a desire of his for many years and he has had special training under Bill Hamilton, Captain of the Oklahoma Highway Patrol. Mr. Sanders has made his home in Holdenville for the past 8 years and is employed by the Stanolin Oil Co. there.

Mr. Sanders is the son of the late Mr. N. T. (Dad) Sanders and Mrs. Sanders. He is a former resident of Burk Burnett and has three sisters living here at the present time. They are Mrs. Casey Logan, Mrs. Jobie Dunn and Mrs. Leo Bryant.

The many friends of Mr. Sanders wish him success in this new venture.

Mrs. Nola Thorpe Hostess for B. W. C.

The BWC of the First Baptist church met Tuesday, May 18 in the home of Mrs. Nola Thorpe. The group opened the meeting by singing "Count Your Blessings" and prayer by Mrs. Hamrick.

The chairman, Mrs. Ramsey, conducted a short business session and the members quoted stewardship scriptures.

Miss Jewell Reed brought an interesting bible study on the life of Samuel.

Delicious refreshments were served to 14 members.

Did You Know

That with the new equipment recently installed in your Light Plant there should never be but a moment's interruption in your service?

Phil Baker In Organ Recital May 23rd

On Sunday, May 23rd at 4:15 p. m. the music department of Midwestern University will present Phil Baker in an organ recital. The program will be at the Floral Heights Methodist church in Wichita Falls.

Phil lived with his grandmother, Mrs. F. R. Knauth, in Burk Burnett last year and graduated from Burk Burnett High School. He has studied organ under Dr. Nita Akin for the past two years.

Burkburnett Man Injured In Crash

A 28 year old man identified as G. L. Goins of Burk Burnett was critically injured when the car in which he was riding overturned Tuesday night.

The accident occurred on the Sheppard Access Road shortly after 10 P. M.

Officers said the car in which Goins was a passenger apparently swerved to avoid a collision with another car, plowed across the highway and overturned several times. The 1954 Chevrolet was demolished. The driver of the car, Johnny Crane, 21, also of Burk Burnett, was not injured.

The Chevrolet nicked the rear end of a 1951 Ford driven by Keith Alley, SAFB airman, of 1303 Bell Street as it swerved, but Alley was not injured and his car was not seriously damaged.

Crane and Goins were enroute home when the accident occurred.

Latest reports are that Goins is in a very grave condition.

Nine People Killed In Area Accidents

Captain K. B. Hallmark, Jr., announced today that seventy-three accidents were investigated in his district by the Texas Highway Patrol in April. Six of these accidents were fatal accidents and nine people were killed in these accidents. There were the same number of injury accidents as in March of 1954, but the number of people injured was almost double, 17 injury accidents in March injured 26 people; in April 41 people. Fatal accidents in the Wichita Falls district through April, 1954 have killed thirty people, the same period of 1953 only 12 people had been killed. This year fatal accidents are averaging one and one-half deaths per accident. The Wichita Falls district lost \$55,845.00 in property damage during the month of April compared to \$58,895.00 for April, 1953. Although the property damage loss was less in 1954 than in 1953, April 1953 had only two fatal accidents killing two people compared to the nine people killed in April 1954.

Baylor County was the high county in property damage with a loss of \$14,745.00, followed by Wichita County with \$11,170.00 and Wilbarger with \$11,120.00.

Clay County was the leading county in fatal accidents with two fatal accidents resulting in the death of four people. Wilbarger County was a close 2nd with two fatal accidents killing three people.

Accidents over the entire state have shown so far this year a seven per cent increase. In the month of April the 17 patrolmen in Hallmark's district contacted 1536 traffic law violators, of which 736 were stopped for exceeding the speed limit and of that number 256 were arrested, the rest were warned. Nineteen persons were arrested for driving while under the influence of intoxicating liquor. While speeding was the number one offense for which violators were arrested, the number two violation last month was improper passing for which 35 people were arrested and 59 warned.

Captain Hallmark warned that the vacation season is approaching and soon school will be out and many people will be traveling on the highways from coast to coast, making motoring more dangerous. He urges that you be doubly careful in populated areas due to the small children playing near and running into the streets and highways after school is out for the summer.

The Captain reminds that the youngest person killed in a traffic accident in April was the tragic death of a three year old girl. Hallmark further says that national figures have proved that if you have a family of six, one of this family will either be killed or injured in a motor vehicle incident in the next ten years.

NATURES LAW IN ACTION

Everyone has heard of the old natural law of supply and demand—a law which can work with full effectiveness only in a free, competitive economy such as ours. But it is probable that many of us have only a vague idea of just how and why the law operates.

If you're interested, you can literally see the law at work next time you visit a butcher shop and replenish your meat supply.

Total meat production today is about the same as it was a year ago. But there are more of some meats on the market and less of others.

For example, beef production is up about 10%—and retail beef prices are generally lower. There is also much more veal available—and again prices are down. There has been little or no change in the lamb supply—and that goes for retail lamb prices. On the other hand, pork production has dropped by 15% and pork prices are higher.

That pattern has been established, not by human decision, but by the law of supply and demand. Under this law, prices tend to drop when the supply of anything increases—and tend to rise when the supply of anything decreases. In other words, the relationship between the available quantity of any commodity and the number of people who want it and are shopping for it in the market is the big factor in determining the price. Over the years, this system gives all concerned, from producer to consumer, the best possible break.

"Recognition of the fact that freedom is close to home led the founding fathers to put strict limits on the powers vested in the proposed central governments, and to place all unspecified powers in the hands of the state governments."

THE WORKS - BUT NO KEY

A good many Americans are rather upset over the fact that this country has signed the Universal Copyright Convention, and the Administration is pressing the Senate for its confirmation. They see in this free-world patent-swapping arrangement a set-up that leaves the Reds free to conceal their own inventions and steal ours.

But perhaps we should not be too disturbed about this, since Russians have already invented practically everything. W. Alton Jones, chairman of the board of Cities Service Company, writing in the magazine "Service", tells us the Russians have now published a complete list of their conquests of mind over matter. He recites that their man, Ivanoff, invented 3-D movies in 1841. Ladyguine gave the world the incandescent bulb in 1873. Kourikine, not Fulton, invented the paddle-wheel boat in 1804 and the telegraph is the brain child of Slonimsky, not Morse.

"The list is impressive," says Mr. Jones, "and to the western world downright humiliating." It includes the cannon in the 16th Century, radio in 1895, the microscope, the electric motor, the steam engine, the submarine, combine, bicycle, caterpillar tractor and many more.

"Odd isn't it," Mr. Jones continues, "that in a nation possessed of such inventive genius, the people are left with hand sickles, and with whale oil for illumination? Odd, too, that they are given so little of those luxuries and conveniences which are common in our benighted nation—the movies, radio, telegraphy, lawnmowers, for example.

The writer points out that: "It took more than Edison's invention of an electric bulb to give better lighting to the world. That came only because rich and poor alike were free to pool their labor and their capital with men qualified to make, promote and distribute the electric bulb."

What the Russian have thus far failed to invent, he says, is a system of "individual reward for individual merit."

GRASS ROOTS OPINION

MEDFORD, Mass., Mercury: "All of us need to be more wary and on the looking out for improper solicitations because the demands and needs of established services and charitable agencies and research groups are greater than ever and warrant more intelligent support than ever. Who, therefore, can afford to throw away cash on sob stories which will not bear the light of fair and impartial investigations?"

GREENVILLE Texas, Banner: This nation, Richard L. Bowditch, a Boston ship executive, declared, "was conceived and rose to world leadership on the ideas of non conformists and freewheelers, of men and women of integrity and wide vision, of individuals with bold far-reaching minds, who insisted on crossing the frontiers of the unknown." Mr. Bowditch is merely restating the principles upon which this nation was founded and has grown great."

NEW HAVEN, Mo., Leader: "Because enough Americans saved their money and invested it in our factories, our economy and our jobs, our standards of living, our products, are what they are today."

LET'S QUIT CHEATING OURSELVES

Apparently, the only thing wrong with our roads and highways is that we've been paying for good ones and haven't been getting them.

This is no reflection on our highway departments or legislatures. On the contrary, the fault lies with us voters. For an explanation of this seeming paradox we refer you to Albert Bradley, executive vice president of General Motors and chairman of the National Highway Users Conference. Speaking recently before the Fifth Highway Transportation Congress in Washington, he said:

"We are already paying for good highways we don't have. It is estimated that the modern freeway (over which traffic flows steadily without being halted at intervals for cross traffic) saves its users four cents a mile in lower operation costs, reduced travel time and fewer accidents.

"Not all highways can be freeways, but studies indicate that our present highway inadequacies represent a total out of pocket cost of at least three billion dollars a year."

The fact that inadequate highways are costly to all of us, in terms of lost time and wasted gas—to say nothing of bent fenders and frazzled nerves—is easy enough to understand. But it is only possible to comprehend an economic loss of three billions from these causes when we realize, as Mr. Bradley pointed out, that we now have 55 million vehicles on the road for an average of two hours every day in the year—and this adds up to 550 billion miles of travel.

Mr. Bradley also told the Congress that we are not allotting as much of our national product to highways as we did sixteen years ago—in fact, only half as much. Furthermore, he pointed out, our highway standards are higher today, so that "a dollar does not buy as much highway footage as 50 cents did sixteen years ago"

Wesleyan Guild In Home of J. C. Parks

A beautiful worship center was set up. A very impressive devotional entitled "Not Above his Master" followed given by Mrs. O. E. Melton.

A challenging program was presented by Mrs. Melton. The subject was "The Might of Many."

The hostess served delicious refreshments to: Mesdames Jim Pirtle, Winford Henry, Lucille Duvall, H. R. Hayes, Leslie Tuel, Edith Felgar, Homer Gilbert, George Savage, O. E. Melton, Earl D. Martin, Floyd

First Baptist Church

The Church in Bible Study 9:45 A. M. God's Word is faithfully taught. We are grateful for the many new members and visitors who come every Sunday. If you are not in any Sunday School, come with us this Lord's Day. We would also urge the members of our school to be present.

The Church at Worship, 10:45 A. M. Sermon: "The Sure Foundation." We invite the high school graduates to be with us in this service.

The Church in Training, 6:45 P. M. Our people train for more efficient Christian service. Our evening service will be dismissed for the Baccalaureate service which is to be held in our church at 8:15 P. M.

Wednesday 7:15 P. M. Officers and Teachers of the Sunday school meet. Prayer service at 7:50 P. M. Choir Rehearsal at 8:30 P. M.

We try to magnify the Lord in all of our services and continually pray that the Holy Spirit will direct in every service.

Come thou with us and we will do thee good.

T. Lynn Stewart, Pastor

Modern Study Club Members Banquet Honors Mothers

On May 7th, members of the Modern Study club and their mothers journeyed to the Chicken Shack in Wichita Falls where a delicious dinner of fried chicken with all the trimmings was served. This was a Mother's Day banquet which is a yearly affair of the club.

A Mothers Day reading was given by Sue Boyd.

Those attending were Sue Boyd, Mrs. D. F. Douglas, Frances Smith, Mrs. Newt Crane, Billie Jean Potts, Mrs. W. L. Hamilton, Judy Pemberton, Mrs. J. M. Willingham, Hellen Reasoner, Mrs. W. L. Palmer, Wanda Gayle Keen, Mrs. H. A. Mills and Daphene Mills.

Girls' Auxiliary In Charge of Wed. Prayer Service

The Junior and Intermediate Girl's Auxiliary of the First Baptist church of Burkburnett, under the leadership of the Young People's secretary, Mrs. Otis Collier, will be in charge of the Prayer Meeting Wednesday evening, May 19 and present a Coronation Service in which Miss Billie Sanders will be crowned queen.

Nineteen other girls will participate in the services.

The different emblems will be awarded to the girls and each girl will be recognized according to the step which she has attained in the Auxiliary. These emblems will be presented by their Counselors, Mrs. T. H. Holman and Mrs. R. H. Brister.

Mrs. Lena Faye Alford, BSU leader at Midwestern University of Wichita Falls will be the speaker of the evening.

Rev. T. Lynn Stewart will give the benediction.

Forum Study Club Met in Home of Mrs. Bruce Ford

The Forum Study club met in the home of Mrs. Bruce Ford on Thursday, May 7th at 7:30 p. m. The meeting was opened with the Club collect. Members answered roll call with study suggestions for the coming year.

Mrs. B. H. Preston, Jr. presided during the business session. The group voted to have the installation of officers at Mrs. Jack Northcott's residence on Thursday, June 3rd. Following the installation service, the club members are honoring their husbands with a dinner at the Marchman Hotel in Wichita Falls.

Mrs. Don Mills submitted her resignation which was accepted by the club. Mr. and Mrs. Mills are moving to Snyder, Tex.

Following the business meeting, Mrs. Otis Stegall, program chairman for the evening, introduced Mrs. W. B. Short who gave a very sweet and appropriate talk on "Mother." It brought all our thoughts to Mother's Day.

Mrs. A. G. Crosby won the door prize.

Refreshments of sandwiches, potato chips, olives and cookies were served to the twenty-one members present.

Federated Society Met May 17 With Mrs. W. R. Carswell

The Federated Missionary Society met in the home of Mrs. W. R. Carswell with Mrs. W. H. Holt co-hostess.

Mrs. Joy Sessums, president, opened the meeting and conducted the business session.

Opening song, "Glory to his name." Mrs. Carswell at the piano.

Mrs. Keller offered the opening prayer.

The treasurer, Mrs. Schoch reported \$71.00 was made on the chicken noodle dinner.

Mrs. Skipwith and Mrs. Ady welfare committee, told of their trip to the state hospital and how a nurse had taken them in to see some of the lovely work that some of the patients had made.

Mrs. Patterson selected her devotional from John 1, and closed the meeting with apoen and prayer.

Blest be the tie that binds, closing song. Mrs. Buchanan offered prayer.

The next meeting will be in the home of Mrs. B. N. Cauthorn with Mrs. Gee co-hostess.

Those attending were Mesdames Cauthorn, Ady, Schoch, Keller, Skipwith, Sessums, Bunnstine, Carswell, Holly, Turner, Buchanan, Gee, Patterson, Jones Gage, Holt.

Free Play School Being Offered for Pre-school Children

Starting for four weeks there will be a free play school for children conducted by summer homemaking students at Burkburnett High School. It will last from 9 to 11:30 a. m. each Tuesday, Wednesday and Friday, and will include games and story telling.

Anyone interested in enrolling a child may call the high school, number 157, next week between 3 and 4 p. m. for further information.

Calvary Baptist Church

College & Ave B

Sunday School at ten a. m. with all classes studying the 36 and 37th chapters of Genesis. Since the 36th chapter is a genealogy on the lineage of Esau, principal studying will be given to the 37th chapter, which deals with Joseph being sold into Egypt. This lesson begins a new series of beautiful symbolic study which reveals Christ and His relation to His people. Remember, the Old Testament was written concerning Christ and His work of redemption as same as the New Testament. If you don't know this, you had better come and study with us a little while.

At the eleven a. m. preaching hour the pastor plans to bring a message on this subject, "Is The Bible Verbally Inspired of The Holy Spirit? Why was it Given? To Whom was it Given? Will it Fit in This Modern Age Does it Need Revising or Altering. Are There Any Other Religious Books Just as Good and Accurate as the Bible?" It might help you to hear this message.

Young people meet at 7 p. m. under the direction of Bro. K. W. Baker and wife. All youth welcome.

Night preaching service at 7:45. Good congregational singing, and also special singing. If the Lord wills, the pastor will preach on this subject, "The Things which are out of place in This World which causes the Whole creation to groan and travail in Pain, And How each of these things shall be put in its own place."

Welcome, neighbor to this missionary independent Baptist church which believes in salvation by grace and the personal, bodily coming of the Lord to earth again to establish His millennium reign as King. Come as you are and hear Gods Word as it is.

Ray C. Morrow, Pastor

Mrs. J. D. Majors Hostess May 5th to Univ. Study Club

The University Study club met in the home of Mrs. J. D. Majors, May 5th.

Mrs. S. S. Reger, president, directed the business session during which plans were made for the annual luncheon to be held May 19 in the home of Mrs. T. M. Jensen with Mrs. S. S. Reger as co-hostess. An invitation was read inviting members of the club to a silver tea at Jacksboro.

The program chairman, Mrs. E. R. Burns, announced the program Science, "Science is organized knowledge" Spencer. She presented Mrs. O. E. Melton and Mrs. R. P. Reagan who brought a very interesting and prepared program for the afternoon. Mrs. Melton's talk was on "What New, Mrs. Reagan's "Science on the Farm."

Refreshments were served to sixteen members and three guests, Mesdames A. W. Newman, J. F. Parish and little Cynthia Parish.

Modern Study Club Entertained May 10 By Mrs. Pemberton

Members of the Modern Study club met May 10 in the home of Judy Pemberton with Billie Jean Potts as co-hostess.

President Daphene Mills presided over the meeting.

The entire meeting was devoted to discussion of the Boomtown float. Preparations for the float are well underway. The door prize was won by Francis Smith.

Delicious refreshments were served to: Frances Smith, Tommie Henry, Hellen Reasoner, Selma Wright Daphene Mills, Wanda Gayle Keen, Sue Boyd, hostess Judy Pemberton and co-hostess Billie Potts.

The next meeting will be May 24 in the home of Selma Wright with Wanda Gayle Keen as co-hostess.

The ugly blowfish does have food value, the strips of meat along its back being considered a delicacy as sea squab, fish fingers and the like.

Burk Rebekahs Attend School In Wichita Falls

On Tuesday evening, May 18 Mr. and Mrs. O. B. Wofford, Carrie Simmons, Cora Draper, Cordia Lawrence and Cora Lee Harmon attended a school of instruction held at the Wichita Falls Rebekah Lodge No. 236. Mrs. Wofford, DDS District 20-A Rebekah assembly of Texas, was the instructor for the evening.

Lodges represented in the district and their parts were: L. A. P. M. Wichita Falls "Exemplifying the presentation of the flag;" Graham Love No. 223 "the opening prayer;" Wichita Fall Rebekah No. 236 "bringing in a candidate;" Burkburnett No. 67 "working your way into a lodge."

Each part was most beautifully rendered.

DEVOL NEWS

Mrs. C. O. WOODLEY

Vacation Bible School for Devol community will begin May 19 at 8:30 a. m. in the Baptist church and will close each morning at 11:30. All children between 3 and 17 years of age are invited to attend. Workers are principal, Mrs. Onie Slabough; pianist Louise Nelson; song leader, Sandra Nelson; Intermediate dept. supt. Mrs. Gertrude Farmer; Rev. O. M. McKinney and Mrs. Grace Uthe assistants; Junior Dept. supt., Grace McClurkan; Ann Hainline, Melba Wyatt, Ruby Doty, Vondel Doty assistants; Primary dept. supt., Mrs. Verta Stevens; Mrs. Lena Hinkle, assistant; Beginners dept. supt. Hortense Monson, Mrs. Ora Stevens, assistant; Nursery dept. supt., Mrs. Rilla Nalls. The school will continue about 10 days it was announced.

Mothers of the 8th grade graduating class sponsored a banquet Tuesday night in the Home Economics rooms which were gaily decorated in May Day colors. Principal speaker was Mr. L. M. Osborn. Charlie McCullough gave the welcome address. Faculty members attending were Mr. Osborn, Mrs. Varner, Mrs. Bizzell and Mrs. Wood. Board members and wives were Mr. and Mrs. Jim Kinzer, Mr.

BEST TIRE DEAL IN TOWN SEE JIM ALEXANDER

and Mrs. Robt. Wyatt and Mr. and Mrs. Bob McCullough. Those preparing and serving the meal included Mrs. Ed Morrow, Mrs. S. C. McClurkan, Mrs. Vernon Speir and Mrs. Kinzer.

Mr. and Mrs. Robert Wyatt attended funeral services at Sherman, Texas, Friday for an aunt of Mrs. Wyatts.

Mr. U. S. Hill transacted business in Seymour, Monday.

Miss Dolly Fae Hardin of Dallas, visited Mrs. C. O. Woodley Monday.

Visitors in the F. J. Uthe home Sunday were Mr. and Mrs. K. B. Uthe of Grandfield, Mr. and Mrs. Finth Jernigan and children of Burkburnett and Mr. and Mrs. Charles Shinpaugh of Wichita Falls.

Mr. and Mrs. J. H. Woodley of Shawnee, Mr. and Mrs. J. R. Woodley and Judy, Mr. and Mrs. G. A. Woodley, Juanita Kay and Mary Jane Bridges, all of Wichita Falls and A. S. Patterson of Grandfield were Sunday visitors in the C. O. Woodley home.

Sam Ellis, Sr. was returned to his home last week from a Wichita Falls hospital where he was a patient about two weeks.

C. S. Monson was also able to return home after undergoing treatment several days last week in a Wichita Falls hospital.

With the graduating exercises of the 8th grade Friday night, Devol grade school closed the 1953-54 term. All of the faculty agreed to return except Mrs. Nelma Wood, primary teacher,

who has accepted a position in the Lawton school system. Mrs. Willie Cozby and Mrs. Grace Uthe were re-hired as cooks for the next term of school.

Mr. and Mrs. Robert L. McKinney of Dallas, spent Saturday and Sunday with his parents, Rev. and Mrs. M. O. McKinney.

Open house will be held at the home of Rev and Mrs. M. O. McKinney Friday night, May 21st at the Baptist parsonage. Everyone is invited. Come one, come all.

The entire school, with parents as guests, spent Monday at Craterville as a grand climax to a good school year.

Pvt. David McNeill Ft. Belvoir Graduate

Pvt. David C. McNeill, 21, son of Mr. and Mrs. D. C. McNeill, Apts. No. 7 Burkburnett, Tex., graduated today from the eight week Engineer Parts Supply Course at The Engineer School, U. S. Army, Ft. Belvoir, Va.

The course which he completed offers training in the storage, identification, issue and receiving of engineer spare parts of all types of engineer equipment. It is one of the many technical courses conducted at The Engineer School for military personnel of the United States and friendly nations.

LIONS CLUB

Meets at Town Hall, 7:00 P. M. Each Tuesday

President W. H. Holt was in charge of Tuesday night's meeting. John Rigby gave the invocation.

John Durham and Winston Freeman were on the program committee. They had secured a Magnolia Petroleum Co. engineer to bring the program, but at the last minute the engineer was called into a district meeting and could not be present to talk to the Lions. Durham and Freeman voluntarily fined themselves \$1.00 each for not bringing a program. The club voted on a motion to fine all program committeemen \$1.00 who failed to bring a program. The motion carried by a big majority.

Ray Hill, Sloan Mills and Holt gave reports on the Lions Club District convention held in Wichita Falls over the week end. The convention delegates voted by a small majority as being in favor of a state-wide proposal that each member of a Lions Club in Texas pay 25c each month toward the support of the Lions Club Crippled Children's Home at Kerrville.

Next week James Frye and James B. Foyce are responsible for bringing the program.

State Renews 2 More National 4-H Awards Programs For 1954

Two additional national 4-H award programs have been renewed by the State extension service for 1954.

The program and the donors are: 4-H Citizenship in honor of Thos. E. Wilson, chairman of the National Committee on Boys and Girls club work, and Community Relations, Gene Aubry and Wm. Wrigley, Jr. Co.

In both programs, each boy girl state winner receives a Certificate of Honor. Eight state winners in Community Relations will be selected for a sectional award, which is an all expense trip to the National 4-H Club Congress in Chicago next November.

The two national winners, a boy and a girl, in each of the programs will receive a \$300 college scholarship.

County Extension Agents will furnish complete information on these programs.

The deeper the water, the less easily are fresh water game fish alarmed by vibrations or by anything else. This doesn't hold true of sea fish.

Malathion - A Well Rounded Insecticide

Malathion comes about as close to an "all purpose" insecticide for home garden use as anything now available.

It has many of the same properties as chemically powerful and poisonous parathion, but is less toxic to man and warm-blooded animals, says B. T. Haws, County Agent. Malathion is an effective weapon against a host of insects which attack ornamentals, vegetables and fruits scale, aphids, lacebugs, mealbugs, and most leaf chewing insects.

In addition, it is recommended for use in dairy barns and poultry houses. On sale at most garden supply stores under various trade names, several com-

Stevens

Operates
R. D. Laney

Secretary of the Stevens, has attempted administration with the cooperation from Wisconsin. Stevens found this policy in Washington when in office, and followed the policy which was accepted in the campaign in Wisconsin. Stevens was advised to break with the senator, his inexperience in military operations in the direction of bringing unity out of the elements.

There has been no secret that Stevens has disapproved of McCarthy's methods. Stevens also has been a growing concern to make this disapproval and to pinpoint it on the senator. Many senators have believed that Stevens' break with McCarthy had no intentions of making that break. Stevens has been through the administration. Stevens has been leaning over too far to support the policy to the extent of drawing cooperation and support. Stevens came, Mr. Stevens

Stevens, for example, Stevens went out of Stevens to be considered to Private Schine, both Stevens attended two Stevens' parents, a breakfast Stevens in New York. Stevens with young Stevens, Army Secretary, Stevens in New York by the Stevens, about two Stevens. Stevens was Stevens and while it is true, Stevens testified Stevens did Stevens in these courtesies Stevens has tried Stevens, the fact remains Stevens did go Stevens, more or less arm Stevens, with Senator Stevens, cooperate in Stevens, the army, Stevens, in the end, give Stevens, commission even Stevens testified Stevens to do so, had Stevens

Stevens explained Stevens because it was Stevens cooperate fully Stevens of Congress. Stevens but two superiors, Stevens of Defense Charles E. Stevens and President Eisenhower-Stevens has made Stevens clear that he was Stevens administration Stevens was, he has a Stevens some of this Stevens made to appear Stevens testimony.

thing improper in the request for special favors for Pvt Schine that it is being done every day by congressmen.

Conversely, Mr. Stevens has been described by subcommittee counsel as "courting favors" of Senator McCarthy. The Army Secretary himself says that his social contact with Pvt. Schine and his courtesies to Senator McCarthy were simply cooperation with a congressional investigation. But he is being accused of trying to "mollify" Roy Cohn and "appease" the senator.

Again Secretary Stevens is under a handicap in the issue over Ft. Mommouth. He objected to the type of hearings releasing sensational and unsupported charges of espionage. This seemed to make him critical of operations sanctioned by the committee—and by Congress in directly. And an effort is being made to make him appear to be "covering up."

A key to success in Washington, according to the cynics, is not what you know, but whom you know. A corollary to this is not what you say, but how you say it. This applies directly to the jousting between Sen. McCarthy and Secretary Stevens before the Senate Investigation Committee. Senator McCarthy has been more effective in presenting his case than has Secretary Stevens. This does not imply that Secretary Stevens' case is not an honest one, but he has failed miserably in its stating. His "What" has been of a satisfactory nature, but not his "how"; whereas the reverse applies to the case of the Senator.

Sec. Stevens did his best to make a strong case in defense of Ft. Mommouth. But he did not make it effective. He was at times vague and unsure of his information, until rechecking, and has brought his story out only in places. What he said has been reassuring. How he has said it has been insufficient to his own interests and disappointing to those who believe he is representing far more than just himself at this hearing.

For the last few days a mist has obscured the Washington Monument. For the last few months a mist has obscured the Eisenhower program; the mist of the McCarthy-Stevens hearings. With public attention obscured, the program suffers. The sun will dissipate the mist over the monument. Nobody but the President can dissipate the mist where Secretary Stevens battles alone.

EXPERT WATCH REPAIR
Three day service
WESTBROOK JEWELRY

Good Time to Clean Grain Bins for Wheat

Now is a good time for the Wichita County farmer to thoroughly clean his bins of insects and trash as the new grain crop will soon be stored on the farm according to B. T. Haws, County Agent. This will save thousands of dollars to the grain grower.

Grain weevils are perhaps the most destructive stored grain insects either in elevators or in farm storage bins. Weevils will infest all types of grain. The rice weevil is a small snout-weevil about one-eighth of an inch long varying in color from brown to nearly black with four yellowish spots on its back.

Grain should be dry since insects attack and develop in high moisture grain as well as rodent-proof. A gas tight bin is essential for effective fumigation. To clean empty bins of stored grain pests, spray walls and floor in bin with Methoxychlor, TDE or DDT applied either as a spray emulsion or wettable powder suspension (two pounds of 50% wettable powder to five gallons of water or one-half gallon of 25 percent emulsion concentrate to five gallons of water) at the rate of two gallons of mixed spray per 1000 square feet of wall or floor surface. Spray mixture containing 0.5 percent pyrethrins or allethrin applied to the walls and floors of bins are also effective.

Storage bins should be rat and bird-proof. It is necessary to protect grain used for food from contamination by rats, mice, insects, birds or filth. Clean grain also brings higher prices.

After fumigation, the grain should be inspected at least twice a month for insect pests. If pests are found injuring the grain in storage it should be re-fumigated.

Ira Hardcastle of San Angelo is in town for a few weeks vacation visit with his wife. Ira has been running a Motel in San Angelo, and fishing in his spare moments. He reported good catches in the new Concho lake there last week.

Mr. and Mrs. O. C. Wills of Wichita Falls visited Mr. and Mrs. J. C. Adams Friday.

Legion Notes

From The Commander

The Texas Legislature has just decided that the best place for a Communist to spend his time in Texas is in jail or the penitentiary.

There was considerable sentiment to go along with Governor Allan Shivers' suggestion, the death penalty for an avowed or proven Communist. Jurors, who would hesitate to send a communist to the electric chair are expected not to quibble about putting one in jail for a maximum of 20 years.

This law should do a lot to chill the marrow of those who have been flirting with Communism, or defending some phases of it, or appearing to be deeply intellectual and back-handedly inferring that Stalin was a pretty good Joe after all and Georgie Malenkoff isn't so bad after you get to know him.

We of the American Legion are old fashioned enough to fail to see the levity in winking at Communism in any phases. The Legion thinks Communism and Communists are very unfunny people.

We are glad our Legion Leaders in the legislature, on Capitol Hill and in other places and over the State generally, backed the bill to outlaw communism in Texas. After all there's no love lost between the American Legion and Moscow. Joe Stalin said on several occasions that the greatest enemy to Communism in the world is the American Legion. Joe's not with us anymore but we can't let his successor down and allow Malenkoff to think we've suddenly gone soft on Communism.

More than a million Korean Veterans must now use their educational entitlement under Public Law No. 550 or face forfeiting this privilege before the end of 1954. A fast approaching deadline confronts them. To get GI Bill assistance, veterans must be enrolled in school on this second anniversary of the date of their discharge, except that all Korean Veterans discharged prior to August 20, 1952, must be enrolled by August 20, 1954. So any veteran whose enrollment cut-off date arrives before the 1954 Semester must enter School Beforehand—either by attendance this Spring or at the latest, during the summer session.

Tonight there will be another business meeting and hope to have a good turn out by the Legion membership.

Two volcanoes erupted in 1951; Mauna Loa in Hawaii and Etna in Sicily.

Rural Life Sunday Celebration, May 23

Springtime is an eternal reminder of the tug and pull of the earth on the heart of man. Closely related to this is the urge to worship in some rural cathedral and to celebrate the re-birth of the soul with the coming of springtime.

Rural Life Sunday, celebrated by many church on May 23, affords us all an opportunity to remind ourselves of the importance of strong roots in America's search for continued freedom.

Out of our faith has come our freedom, as out of the strong rural churches in the past generations came to us our faith in simple things like seedtime and harvest, praying and working, and freedom and liberty.

America will never pay her debt to the rural churches of the past for their contributions. But by being reminded of the importance of rural communities and rural welfare today, our people can put the future generations in debt to us.

So Rural Life Sunday once again has come to remind us of our need for strong roots, simple faith, and the multitudes of people who will pray in little white churches whose spires reach to the sky.

Mr. and Mrs. Frank Buell of Carrolltown, Texas spent the weekend with her parents, Mr. and Mrs. W. A. Minick.

Mr. and Mrs. W. A. Minick attended the Tri-State band festival at Enid, Okla., Friday.

Mr. J. T. Strange visited his son J. T. Jr., in Ft Worth over the weekend. Bro. Strange heard his son deliver his first sermon in the Bethany Baptist church Sunday.

Mr. and Mrs. C. B. Beldon left Tuesday to visit Mr. Beldon's parents in McKinney for a few days.

Mr. and Mrs. James Mason and Mr. and Mrs. Otis Stegall spent Sunday in Plainview, Texas.

City water was first piped into the White House in 1953.

Texas Safety Association

"Respect for the law is the keystone of traffic courtesy," Col. E. B. Tilley of Houston, President of the Texas Safety Association, and Services Adviser for the Gulf Oil Corp. said today.

Col. Tilley made that statement in connection with the courtesy "Code of the Road" traffic safety program which was introduced in Texas by Col. Tilley in a statewide release.

The Colonel said that respect for the law simply means respect for the right or others, and that this basically, is good manners—or courtesy.

"And the importance of courtesy in avoiding traffic accidents and making our streets and highways safe for drivers and pedestrians cannot be over-emphasized," he said.

He said that joint sponsorship of the program on the national level by three prominent safety organizations was indicative of the importance of the effort. Cooperating in nation-wide promotion of the "Code of the Road" program are the National Safety Council, the Inter-Industry Highway Safety Committee and the National Committee for Traffic Safety.

Continuing his discussion of respect for the law as basic to courtesy, the Colonel pointed out that a major expression of respect for law is observance of the "Signs of Life," the signs signals and pavement markings which state the law and warn traffic dangers.

"But true courtesy goes beyond the strictly legal aspect of the traffic problem," Col. Tilley said.

There is a type of traffic courtesy which is not always covered by law, and offenders of this type of courtesy seldom, if ever, reach the courtroom as the result of such an offense. Yet they, too, can cause accidents.

Some examples of courteous acts which legislation does not cover, the Colonel said, are pausing to let a car swing into your lane of traffic from a parking space, and waiting at an intersection to allow an impatient motorist to go ahead, even though you have the right of way.

"Such actions mean sharing the road with others, and sharing is courtesy," he said. "Failure to give other drivers these courtesies may contribute to chance-taking on their part, and chance taking lead to accidents."

"To make a life-saving contribution to safety and to courtesy," Col. Tilley said, "remember, and act on, the national slogan of this important safety program, 'Make Courtesy Your Code of the Road.'"

County Agent Lists Ways to Range Recovery Program

Supplemental pastures and continued feeding are major "keys" to the recovery of low producing, drought ravaged grasslands.

Livestock raisers in areas of recent rains can put their moisture to work two ways, says B. T. Haws, county agent. Under favorable moisture conditions, supplemental pastures of rapid growing grasses like Sudan will furnish abundant grazing. And, while livestock are on the supplemental grazing, permanent ranges are idle, allowing them to recover at the fastest possible rate.

Range plants must have top growth before they can put down roots, Haws says. When it rains plants may grow quickly but unless livestock are held off and grasses given a chance to re-establish their root systems they may be worse off than before.

Just which pasture should be rested first? The one in best condition, Haws replies, since these make more progress toward recovery in less time. Poorest grasslands, which will take two to five years to recover, should be rested later.

Many producers may be tempted to jump back and grab a quick buck, but the county agent advises these raisers to "Breed back rather than buy back into the livestock business."

County agents have a handy bulletin on the subject, C-320, Range Management Versus Drought, which contains help-

ful information on range care during and after drought.

Mr. and Mrs. B. Danforth attended the Gulf Oil Co. picnic in Ft. Worth Saturday and spent Saturday night with Mr. and Mrs. Paul Hagens.

Mrs. Buddy Preston and son Bruce have returned home from a visit with her parents in west Texas.

Mesdames Carl Morrison, P. A. Wiggins and Jewel Riley attended Army Day festivities at Ft. Sill, Okla., Saturday.

Mr. and Mrs. Brack Preston, Jr. and Sonia Gail spent last weekend in Abilene.

The estimated area of Russia is 8,524,750 square miles.

Martha Beth Utts, of Canton, Texas visited her mother, Mrs. P. A. Wiggins, over the weekend.

Mr. and Mrs. Harry Booth of Chillicothe visited Mrs. A. J. Harris Saturday afternoon.

Some fish do "walk" on the bottom of the sea. An example is the sea robin which has 3 of the pectoral fins' lower rays detached to form stout finger-like appendages, which are used as limbs.

In 1950 a total of 1,790,030 crimes were committed in the United States.

Average depth of the ocean below sea level is 12,450 feet.

J. Edgar Hoover became director of the FBI in 1924.

CLEANING VALUES

SUGGESTION OF THE SEASON

This is our personal SPRING CELEBRATION. It's a regular custom of ours to take great pains getting ready for spring and summer service to our customers. We are glad to announce that our stores are all ship-shape after our spring house-cleaning. And our shelves are well stocked with the fine foods that go with spring and summer eating in most happy homes. That's what all our crowing is about this week. It's going to be quite an affair, indeed. We've put the very finest foods on display. Many are specially priced. Come and look around. You'll surely get some good ideas for those three regular meals, breakfast, dinner and supper. And you'll see many pleasing specialties that have been added to our stocks. COME TO OUR SPRING OPENING.
