Youth Program Organize Six Baseball Teams

Best Growing Each Day

usual amount of inter-school Summer Recreation has been shown by the Burk Burnett. Tuesday afternoon boys reported to Richardson, director, to be in the events. According to Richardson, new boys are coming each day, and having the times of the day, too.

Starting at 8:15 a bus from the school to take out to the ball diamond near the rodeo grounds. The group is composed of little fellows. Again in the afternoon, the bus takes a larger group to the

Dugouts or Shades

Richard says the greatest thing now is dugouts or shades for the ball players. These days are hot—around 100 degrees. The little fellows, especially, would appreciate some shade when they come to the field of play.

There is need for more man-holes or large boys who can dig out in the morning from 8 to 10:00. If you can dig out, please volunteer your services. You will not only be helping the program along, but you will thoroughly enjoy every minute of it.

Six Teams Playing

The six teams have been formed. More will be formed as the need arises. Follow the teams and their

A Man of Integrity

T. Guy Willis of Burk Burnett, is a much loved man of the people of Wichita County. Having lived here practically all of his life, he is familiar with all the ranchers, knowing each brand and in many cases even the traits and habits of their livestock. By having this knowledge it enables him to look after your interests and at all times is happy to do so. Stock not only seem to seek a greener pasture in the day time but are fascinated to take a stroll at night. Therefore it behooves your brand and animal inspector to be on the alert for just such incidents.

T. Guy Willis will at all times endeavor to protect your interests as voters in Wichita County as he is asking that you go to the polls, Saturday, July 24th, and elect him as your brand and animal inspector.

Aquatic Meet for Scouts and Cubs At Electra July 16

Local Boy Scouts and Cub Scouts are planning to participate in an Aquatic Meet to be held in Electra Friday night, July 16th. The boys will register at the swimming pool at 6:00 P. M. for the various events they wish to enter.

In a meeting of the District Camping and Activities committee at Electra last Thursday night, the following officials for the meet were appointed:

Tandy Jackson, of Kamay, chairman.

J. F. Ford, Electra, announcer.

Noah Carter, Electra, starter.

Noble Stidham, Electra, registrar.

H. C. Dodson, Burk Burnett; Bryan Bingham, Electra, and Tandy Jackson, judges.

Attending the meeting in Electra last Thursday night from Burk Burnett were Harry Dodson, committee man, and Don Davis, Area Field Executive.

Likes Star

Want to be sure and not miss an issue of the Star so am sending in my check.

See several Burk boys are in our part of the country, San Francisco and Mare Island at Vallejo. Would like to have them drop by for a visit. My mother and sister, Mrs. A. C. Whigham and Dorothy, are living with us.

Yours truly,
Wilma Wellborn
(Mrs. George Wellborn)
1252 Grant Street
Fairfield, California

Budget Hearing

A Budget Hearing for the City of Burk Burnett will be held Monday night, July 26th, at a regular meeting of the City Commissioners.

Those interested may sit in on the hearing, which will be held at the City Hall at 7:30 P. M. 51-38C

erson were outstanding. In another game the Wildcats nudged the Tigers 2 to 1. Arrangements are being made for a few innings to be played by these teams of the little league preceding the Boomer games at night.

259,000 Gallons New Water Added To City Supply

An article in last week's Star stated the new City water supply added 25,000 gallons of water to the daily supply. The figure was in error. The amount should have been 259,000 gallons per day new supply.

This additional water comes from nine new wells recently drilled and put on pump. They are located on the H. A. Mills property, East of the Pump Station and Purifying Plant.

Since the new wells have been put in the City water distribution system, ample water for necessities has been available at all times. Only one disruption of water service has been experienced. That was the first of last week, when a main line leading from the pump station broke. Speedy repair soon had water flowing again through the mains.

Bringing in the new water supply has been almost miraculous. In the first place, the wells were strictly wildcat—no tests had been made in that vicinity previously. After the first well was drilled and tested, eight others were completed in record time. A main line had to be laid to the pump station. Electric lines had to be run to each individual well to run the pumps. All of this work was done in a matter of only a few weeks. Men in the Water Department worked as much as 16 to 18 hours a day, keeping up with their regular work and speeding completion of the new wells.

Haskell Draper, Water Supt., his helpers, and City Manager T. R. McCasling are to be commended upon the new water project.

Lucile's Beauty Shop Purchased By Mrs. Edith Guest

Mrs. Edith Guest of Fort Worth, Texas, announces the purchase of Lucile's Beauty Shop, 300 South Avenue D, from Lucile Owen this week. The shop will be known in the future as Edith's Beauty Shop.

Mrs. Guest has been an operator for approximately 30 yrs. Before coming to Burk Burnett, she was employed at the Heights Beauty Salon in Fort Worth. She plans to make her home here in Burk Burnett.

De-glutition is the act of swallowing.

Political Announcements

Under the headings will be published the names of the candidates for public office, subject to the Democratic Primary.

The fees for announcements will be as follows:
For State, Judicial, or District Offices \$20.00
For County Offices \$15.00
For Precinct Offices \$15.00

Above prices include formal write-up announcement and carrying name in announcement column. All fees cash in advance.

For County Commissioner Precinct No. 2:

W. T. (Slim) HOLMAN
OSCAR McBRIDE

For County Hide and Animal Inspector:

T. GUY WILLIS
REX LEHMAN

For Constable, Precinct No. 2:

T. K. (Beaner) GARLAND

For Assessor and Collector of Taxes:

CLAUDE C. RITCHIE

Several Blocks Of City Streets Get New Topping

This week several blocks of City streets received a badly needed coating of blacktopping. The blocks affected were on first and second Street and Ave. E.

The winter weather, plus a very wet spring had rendered the above mentioned streets in an extremely rough condition. Most of the topping was worn away and patching numerous holes lasted only a short time.

First, the blocks were swept with the City street sweeper, then a seal coat of tar was spread on. Next came the chat or crushed rock. The tar and rock work was done by Precinct No. 2 equipment and men.

Streets Topped in Additions

Also coming in for topping the last few days were streets in three new additions. The Broyles Addition got 600 feet; the Chambers Addition 800 feet and the Housing Addition got 1750 feet of street topping.

The work was done under contract between the City and W. T. Holman, Commissioner of Precinct No. 2, with the City paying for the work.

City Employees and Families Enjoy Chicken Barbecue

Tuesday night some seventy-five city employees, their families and the City Commissioners and their families enjoyed a delicious barbecued chicken supper at the Municipal Light Plant Park.

H. D. Smith, City Commissioner, was in charge of preparing and serving the meal. He was assisted by C. R. (Dick) Chambers, City Tax Assessor-Collector, and Haskell Draper, Water Department Superintendent.

The menu consisted of halves of spring chickens, potato salad, red beans, onions and pickles, and ice tea.

NOTICE

The Wesleyan Service Guild of the First Methodist Church will meet Monday night, July 12th, in the home of Mrs. Madelle Ellis, 540 West 3rd Street.

Party-Shower Given in Honor of Mrs. Betty Hall

A quite garden setting at the F. C. Royce home on Lilac Lane provided the scene for a beautiful party-shower honoring Mrs. Betty Hall on Tuesday evening, June 29th.

The guests were ushered into the softly lighted garden scene by Mrs. Royce. Mrs. C. M. Archer registered the 47 guests who were then seated auditorium style in the garden.

Mrs. Nell Phillips, and her children, Sandy, Patti, and Steve entertained with a negro "Mandy" skit of stories and recitations preceding the presentation of the gifts to the honoree.

Following the opening and displaying of the many beautiful gifts the honoree and guests were served refreshments from a beautifully decorated serving table.

A floral arrangement of salmon glads arranged in a stork drawn cart was featured on the table covered with a blue linen cloth. A huge pink satin bow with streamers bearing the glitter letters "Best Wishes, Betty" also decorated the table.

Mrs. Joyce Broom, Mrs. Louis Cashwheeler, Mrs. Royce and Mrs. Margaret Nichols assisted at the punch bowl in serving the dainty pink and blue cakes.

Out of town guests in the home of Mrs. Mamie Long from Thursday until Monday were Mr. and Mrs. James Hodges of Sherman, Texas. Mrs. Long is reported to be in a very weak condition at the present time.

THANKFUL FOR WATER

The Chamber of Commerce wishes to thank Mr. Phil Williams and the La Salle Refining Co. for furnishing the water for all of the rodeo stock and for keeping the grounds wet down during our Boom Town Rodeo and Celebration.

BURKBURNETT CHAMBER OF COMMERCE

Precinct 2 Gets 11 Miles of New Blacktop Road

Eleven miles of new blacktop road were completed recently, according to W. T. Holman, Commissioner of Precinct No. 2. The new work was in the Southeastern part of the Precinct.

With the completion of this last stretch of blacktopping, all mail routes and all school bus routes in Precinct are now blacktopped. Precinct 2 has some 186 miles of roads, not counting the short access roads coming into the main roads and highways.

Local Firemen To Attend School At Texas A. & M.

To maintain local fire credit on insurance rates, three local Volunteer Firemen must attend the Firemen's School in A. and M. This year, The City of Burk Burnett is sending Clark Gresham, C. R. Chambers and F. E. Cruce.

The school will begin July 11th and last through the 16th. Gresham will study General Basic Firefighting; Chambers will take the Fire Marshal's course and Cruce will study pump maintenance.

By keeping fire losses to a minimum, and sending firemen to school each year, Burk Burnett enjoys one of the best fire credit insurance records in the state.

SAFB Airman In Fatal Accident On Motorcycle

A 3-C James A. Riesselman of SAFB was found dead early Thursday morning on a farm to market road near the J. C. Hinkle farm South of Burk Burnett. The Airman was riding a motorcycle and apparently lost control of the vehicle which crossed a ditch and ran through a barbed wire fence.

F. E. Cruce, Coroner, ruled the death as accidental and stated the Airman had been dead several hours.

Complete details of the accident and close survivors were not immediately known. The body was taken to SAFB.

Word was received Thursday morning of the death of Mr. H. O. Hinkle of Savana, Tenn., who passed away Wednesday night. He is a brother of Mr. H. D. Hinkle of Devol, Okla., and Mrs. J. M. Patterson of Burk Burnett.

Mr. and Mrs. John Brookman spent the week end visiting in Humble, Texas, in the home of Mr. Brookman's sister, Mrs. J. L. Mooring and husband.

Mrs. Hattie Buchanan has been returned to her home from a Wichita Falls hospital and is reported to be doing nicely at the present.

Mr. and Mrs. Wallace Landrum, Mr. and Mrs. Bill Vincent and Mr. and Mrs. Dan Hofacket spent last week in Galveston, Houston and San Antonio, Texas.

Claude C. Ritchie Candidate For County Tax Post

Claude C. Ritchie issued his formal announcement Saturday of his candidacy for Wichita County tax assessor-collector subject to the first Democratic primary election July 24.

The statement follows: "I was born in Wise County in 1899, but have been a Wichita resident for 35 years. This year Mrs. Ritchie and I celebrated our 34 wedding anniversary at 1612 Lucille, together with our two children, Mrs. Robert Frazee, and Wayburn Ritchie, who also reside in Wichita Falls.

"I am a member of the Wichita Falls First Methodist church. The Kay Bible Class.

"Building and construction has been my vocation, and I have been employed as carpenter superintendent on various construction projects. In 1948 the Carpenters Union 977, AF of L, elected me as business representative. I resigned this position in March 1954. During this period, I was elected president of the Texas State Council of Carpenters for the term 1952-53 and also served on the executive board for three years.

"It has been my privilege to serve on Red Cross campaigns; as a member on the board of directors of the tuberculosis association; on the Boys Club swimming pool project; two years on the board of directors and two years on the budget committee of the Community Chest; three years on the board of directors of the Wichita Falls Industrial foundation Association as vice chairman of the executive committee of the Citizens Committee on the board of directors of the Wichita Falls Chamber of Commerce. In 1951 I was a member of the Wichita Tax Equalization Board and recently I was re-elected on the board of directors of the Insurance Co. of Texas.

"This active participation in civic affairs and practical understanding of building, I believe makes me well qualified to represent you as your tax assessor-collector. I am a life-long Democrat and have always taken an interest in politics. This is however the first time I have been a candidate for public office. I deem this a privilege and one I do not take lightly.

"It is my intention to campaign in an honorable manner, to uphold the ideology of our rights in democratic practices. Your vote is confidence in condensed form! If you, in faith, so honor me, I shall endeavor to be worthy of that confidence by working diligently in the service of my office by being concerned at all times with the individual taxpayer's problems, and, in an impartial manner, abide by all of the rules regulating taxation.

"And for the record — I am not in favor of raising taxes!"

Pioneer Resident Claimed by Death Thursday Morning

Mr. Cain Moore, one of the oldest residents of Burk Burnett, died at his home Southwest of Burk Burnett Thursday morning at 6:00 A. M. Cause of death was attributed to a heart attack.

Mr. Cain was a member of the First Baptist Church. He is survived by one son, Vernon Moore, with whom he lived.

Funeral arrangements are incomplete at the present time. Burial will be in Burk Burnett Cemetery, under direction of Owens and Brumley Funeral Home.

Mr. and Norman Roberts and children and Mr. and Mrs. Quentin Roberts of McAllen, Texas, have returned from Los Vegas, Nev., where they visited Mr. and Mrs. B. J. Roberts and family. They also visited points of interest in Southern Utah and the Grand Canyon in Arizona.

Mr. and Mrs. Carl Schroeder and Mr. and Mrs. H. A. Mills are vacationing in Colorado, Yellowstone Park and other points of interest.

Mr. and Mrs. Paul Schroeder spent last week end in Midland, Texas, with their grandchildren while their parents, Mr. and Mrs. Robert Campbell, took a week end trip.

Vote for S. J. Mitchell for Constable, Precinct No. 2.

The Rock Thrown 'Round The World?

Such are the pranks of Fate that the stoning of US Congressman by a teen-age gang a few blocks from the Capitol in Washington could have global repercussions.

Gradually, through the years, hoodlumism has been growing in the National Capitol; the city of faceless people-who-do-not-count, because they have no vote; the city that is run by a Congressional committee that has not been too interested in an adequate budget for an over-worked police department fighting an uphill battle against thugs and cutthroats and rapists and a towering wave of Juvenile delinquency.

But Representative Thomas B. Curtis, (Rep) of Mo., brought to the floor of the House one of the stones that was heaved at him and made a speech about what happened to him in front of his own hotel when he sought to aid a visitor to Washington who was set upon by ten or twelve young gangsters.

"I never saw anything like this in America," he told his colleagues.

And while this incident may finally result in making life-in-Washington less hazardous for its politically emasculated residents, we can hope too that it may turn the attention of our lawmakers to the plight of America among the international gangsters and those allies of ours who are so eager to deal with them and so ready to subsidize on our millions while they do so.

Perhaps that Idaho-potato-sized rock that Mr. Curtis showed the Congress may symbolize the neglect with which we have treated our own problems while we sought to solve everyone else's.

GRASS ROOTS OPINION

INTERNATIONAL FALLS, Minn., Daily Journal—"There's no denying that the money from Washington comes in handy for the state agencies and subdivisions of government facing ever-increasing demands for service and improvements. The fact remains however, that eventually all of the money for government functions come from the taxpayers. There's no magical factor in government financing. No agency of government has access to funds other than those which are paid by or levied against the credit of the American public.

ST. FRANCISVILLE, La., Democrat — Jail. Socialism Communism. The welfare state. They're all the same — same benefits, same obligations, same 'rewards,' same payments. Keep on throwing bricks at the profit and loss system and you'll smash it; then you'll get your 'security.' But you won't like it."

BEDFORD, Va., Bulletin — "Congress has enacted a law vastly increasing Federal aid in the construction of highways and President Eisenhower has signed the measure. There are always handling charges in Washington and never as much comes back as is sent in. We have no information on how this additional Federal aid is going to be financed, but in some way the states are going to have to dig in their pockets to foot the bill."

YEAR ROUND PERIL

Perhaps, by the time you read this, Congress in its rush to get home will have passed the authorization bill for President Eisenhower's \$3,470,608,000 foreign aid program. Six hours after the President's special message, in which he described it as "one of our most effective, most practical, least costly methods of achieving our international objectives in this age of peril," reached Congress, the House Foreign Affairs Committee was ready to send it to the floor. They had, of course, lopped off a piddling seven millions, and voted down two motions regarding Southeast Asia. The first, by Rep. Marguerite Stitt Church of Illinois would hold up the bill until the Administration announced a Southeast Asian policy, and the second, by Rep. Burr P. Harrison, (Dem) of Virginia, sought to shut off \$800,000,000 in direct military aid to Southeast Asia.

Either or both of these motions would seem to make sense, except for the President's point that both the money and the authority to adjust its use to meet "rapidly changing conditions" are essential. When Congress plans to knock off and go home for five months during "the gigantic struggle now threatening the world," the least it can do is provide the sinews for this who must stay on the job.

Owens & Brumley Funeral Homes
Unexcelled Ambulance — Day or Night

Now we enjoy summers at home... with our REFRIGERATED ROOM AIR CONDITIONER

...and her 3/4 ton unit costs less than 3¢ an hour for Electricity!

FREE Booklet

Answers questions about refrigerated air conditioners and evaporative coolers. Gives approximate operating costs—tells how to get the most economical service from cooling equipment. Come in or write for your copy—or get one from your air conditioning dealer.

IT'S WORTH PLENTY TO US to be able to relax in a cool room when it's boiling hot outside. And we've found the cost to be surprisingly reasonable. Only about 30 cents a day when we run our air conditioner all day and part of the night in hot weather...less when we use it fewer hours. Believe me, I wouldn't go through another summer without my refrigerated room air conditioner.

YOU'LL AGREE that refrigerated room conditioning is a real buy in comfortable living. The 3/4 ton unit has the cooling capacity of 12 household electric refrigerators. Yet operating cost averages less than 3¢ an hour. It's one of your biggest values in summer comfort

Letters calling for 2,416 Tex-
ans to be examined in August
for military duty have gone out
to state draft boards, according
to Brig. Gen. Paul L. Wakefield
state selective service director.
Texas boards will induct 1,092
men during the month who have
received previous examinations.
Wakefield said that draft calls
for both July and August are
running above previous months.
The August call asked for men
20 or older, but authorized
boards to call men below 20 if
necessary to fill quotas.

Texas Navy
Now non-existent the Texas
Navy will be honored Sept 1-7,
designated as "Texas Navy
week."
Governor Allan Shivers cred-
ited the one-time Republic's
small fleet as playing a big part
in winning independence from
Mexico.
"It was their fighting spirit
that made the difference,"

THAT'S A FACT

Yak Facts!

PARROTS HAVE ACHIEVED

News From The Congress

By FRANK IKARD

This week saw action in the
House on two important pieces
of legislation. First was the
Mutual Security Act which was
considered on Monday and Tues-
day. As it finally passed, this
act authorized approximately
\$110,000,000 less than was asked
for by the Administration and
contained a provision to bar par-
ticipation under the program set
up by the Act for any nation
in the Western Pacific or South-
eastern Asia that joins in a non-
aggression pact with Commu-
nistic countries. I am sure you
know that the British had pro-
posed such a non-aggression
pact for the countries in those
areas of the world.

The House also adopted this
week legislation setting out the
farm program for next year.
The House defeated a proposal
to adopt the flexible support sys-
tem proposed by Mr. Benson,
the Secretary of Agriculture, on
his basic crops which would
have provided for flexible par-
ity between 75 and 90 percent.
It also rejected the recommen-
dations of the Agriculture Com-
mittee which were that 90 per-
cent parity be retained for one
more year. The plan finally
adopted by the House was a com-
promise version of the flexible
farm price support plan by put-
ting flexible supports between
82 1-2 and 90 percent of parity
on the basic crops for next year.
The Agriculture Bill now has to
go to the Senate for approval,
and I am sure that it will not
pass that body in the same form
that it passed the House, there-
fore, it then will have to go to
Conference Committee, and the
report of the Conference Com-
mittee will have to be approved
by both Houses. Therefore, it
is impossible at this time to say
what the final price support
structure will be. However, it
is almost a certainty that it will
be some kind of flexible price
support program that will at-
tempt to reach a compromise
between the plan presented by
the Secretary of Agriculture and
that presented by the Committee
on Agriculture in the House.

Quite understandably, there
has been a great deal of concern
here recently about the infiltra-
tion of Communists into Guate-
mala. At this writing, the anti-
Communists Forces seem to have
regained control of the country.
There seems to be no question
but what the Communists are
making a very concerted drive
to establish a beach head some-
where in Central or South Amer-
ica, for almost daily the news-
papers contain accounts of de-
monstrations against the Uni-
ted States in some country in
that portion of the world. It
would really be a disastrous
thing if the Communists should
become strong enough to con-
trol the government of one of
our near neighbors. Senator
Lyndon Johnson introduced a
resolution which would get at
the heart of this problem which
was quickly passed by both
Houses of Congress. This resolu-
tion directs our attention to the

fact that recently there has been
strong evidence of interven-
tion by the Communists Move-
ment in the State of Guatemala
in that government institutions
there have been infiltrated with
Communist agents and that guns
and weapons have been secretly
shipped into the country and
that the usual pattern of Com-
munist infiltration and conquest
has become apparent. It further
points out that on June 20th
Russia vetoed in the United Na-
tions Security Council a resolu-
tion to refer that matter of the
recent outbreak of hostilities in
Guatemala to the Organization
of American States. The resolu-
tion further provides that it is
the sense of the Congress that
this country should take all nec-
essary and proper steps to sup-
port the Organization of Ameri-
can states in taking appropriate
action to prevent any interfer-
ence by the Communist move-
ment in Affairs of the countries
of the Western Hemisphere. This
resolution passed the House
and the Senate with only one
dissenting vote, and should make
it clear that this country is de-
termined to do everything with-
in its power to keep Commu-
nists from invading the Western
World.

You Speed Burn a Hole in Your Pocketbook

When you speed, you're burning more than the road. You're burning a good size hole in your pocketbook!

Reminded from Col. E. J. Remick of Houston, President of the Texas Safety Association, the National Safety Council, un safe speed contributes to more than 10,000 traffic accidents annually.

He advised motorists to avoid the unnecessary expense and danger of unsafe speed by always driving at sensible speeds.

"The only speed is a speed that's determined by conditions," he said, "and the only intelligent speed is a safe speed."

Mr. and Mrs. J. H. Rigby have returned from a trip to the valley where they visited Mrs. Rigby's sister in Alice, a brother in Kingsville, their son, John H. Rigby, Jr. and family in Dallas and Mrs. Rigby's mother and sister in Grandview. Mrs. Rigby's mother, Mrs. T. W. Williams, returned home with them for a visit.

celerated speed accelerates depreciation.

"The car that's driven at an excessive rate of speed will also cost its owner a good deal more in upkeep," Col. Tilley said. When speed is increased from 40 miles per hour to 65 miles per hour gasoline consumption increases 30 percent. Oil consumption increases even more and tire wear is two and half times as great as it is at the lower speed.

"But," he said, "the greatest cost of unsafe speed is its cost in human lives. According to the National Safety Council, un safe speed contributes to more than 10,000 traffic accidents annually."

He advised motorists to avoid the unnecessary expense and danger of unsafe speed by always driving at sensible speeds.

"The only speed is a speed that's determined by conditions," he said, "and the only intelligent speed is a safe speed."

Mr. and Mrs. J. H. Rigby have returned from a trip to the valley where they visited Mrs. Rigby's sister in Alice, a brother in Kingsville, their son, John H. Rigby, Jr. and family in Dallas and Mrs. Rigby's mother and sister in Grandview. Mrs. Rigby's mother, Mrs. T. W. Williams, returned home with them for a visit.

VETERANS Administration Questions and Answers

Q—I am a Korean veteran with a service-connected disability serious enough to prevent me from getting commercial life insurance. Will my disability also stop me from obtaining GI permanent insurance available to disabled Korean veterans?

A—No. No matter how severe it is, your service-connected disability will not bar you from permanent plan GI insurance. But you could not get it if you had a non service disability that would prevent you from meeting the good health requirement of the GI insurance law.

Q—I understand I can pay off my GI Loan in advance, without penalty. Can these advance payments be of any size or is there some minimum amount below which they can't go?

A—There is a minimum amount. It is the amount of one regular monthly payment or \$100, whichever is less.

Q—I'm planning to add the total disability income provision to my GI insurance policy. I pay my insurance premiums once a year. Could I pay the extra amount for the disability provision on a monthly basis?

A—No. You must make your disability income payments in the same manner as your regular insurance payments. If you pay your premiums yearly, you must pay the extra amount for disability coverage yearly also.

Q—I am a Korean veteran, and I got out of service in July 1952. What is my cut off date for starting Korean GI Bill training?

A—You and all Korean veterans separated before August 20, 1952, must begin training under the Korean GI Bill by August 20, 1954. Veterans separated after August 20, 1952 have two years from separation in which to begin.

Cut Farm Costs

Farmers who are faced with the problem of increasing farm operational costs may be able to lower them by using improved fertilizer and other cultural practices.

Investigations and experiments show that improved practices as compared with farm practices currently used, can cut the cost of production a bushel of wheat from \$1.65 to \$1.28, of oats from 90 cents to 69 cents, and of corn from \$1.21 to \$1.02. Recommended practices also lowered the cost of producing a ton of alfalfa-brome grass hay from \$16.80 to \$13.30 and a ton of sugar beets from \$11.21 to \$8.19. All this means more profit to the farmer.

The recommended practices which are best suited for particular areas may be obtained from county agricultural agents or the Texas Extension Service. Researchers have found that it is necessary to spend more money per acre to follow proved practices but the resulting greater per acre yields more than offset the extra expense.

An example can be found in the production of corn in a midwestern state. Where the farmer spends \$46 an acre to produce 38 bushels of corn, he could spend \$62.25 an acre and produce 61 bushels of corn on each acre.

Fertilizer plays a big role in this increase. Other factors are involved such as timely planting, use of adapted varieties of seed, seed treatment, crop rotation, soil management, tillage and weed control. Each of these help lower production costs.

While Texas is a leading producer of many commodities, such as cotton, it is an uncomfortable fact that it ranks low in actual per acre yields. We have enough land to produce tremendous amounts of crops, but we are not taking full advantage of the soil's capacity to produce per acre.

In these days of high production costs, it is definitely to the farmer's advantage to practice every known measure to increase his per acre productivity and assure himself of more gain for effort expended.

Soil Conservation News

H. N. Smith, State Conservationist for Texas, today declared municipal and industrial users of water have no cause to worry in connection with the evaporation of water from the small reservoirs in Soil Conservation Service upstream flood prevention.

Mr. Smith pointed out that the 40 flood prevention dams already built in the Trinity River Watershed are preventing many thousands of dollars of flood losses every year along the small creeks where the dams have been built. In addition, farmers can now raise crops on several thousand acres of fertile bottomland which have been flooded too frequently for cultivation.

Smith explained that critics have said that if many flood prevention dams are built in headwaters of streams the water supplies may be seriously reduced by evaporation from pools of the structures. Actually Mr. Smith said, the evaporation loss from the pools of upstream flood prevention dams would be small compared to the evaporation loss from existing major reservoirs, and very small compared to the average flow of the streams.

The average yearly flow into Benbrook, Grapevine, Garza-Little Elm and Lavon reservoirs is estimated to be slightly more than one million acre feet. The net amount of water evaporated annually from the conservation pools of these reservoirs is estimated to total 131,300 acre feet, or 12.8 percent of the average yearly inflow. Mr. Smith estimated that the similar loss from the pools of all flood prevention dams built, under construction and proposed—upstream from the four major dams—would be only 13,700 acre feet annually, or 1.3 percent of the average inflow.

In addition to the annual flood damages prevented in upstream areas, the flood prevention dams will reduce the rate of sedimentation of the major reservoirs by more than 50 percent. It is obvious, said Mr. Smith, that the combined benefits of the upstream dams far outweigh any small effect which they have on water supply.

MORE MONEY for ROADS

During Allan Shivers' Administration more money has been spent for roads than in any other comparable period in Texas history.

For that money Texas added 14,926.10 miles of smooth roads to the state highway system and maintained all roads to keep them safe and sound for you.

Allan Shivers knows the importance of good roads to you. Whether trade-routes that speed goods to market or modern super-highways that make your driving a pleasure, good roads save you time and money.

In WICHITA, COUNTY

\$2,060,868.26 has been spent on roads for you during Allan Shivers' Administration.

You have 45.59 more miles of roads today than when he became your governor.

This means better Farm-to-Market roads, so important to farmers and citizens of small towns.

It means modern, safe highways that make your trips enjoyable and inexpensive.

Texas comes first with Allan Shivers

Allan Shivers for GOVERNOR

FORD'S GOT IT! others just want it!

Yes, FORD OUTCLASSES EVERY 1954 COMPETITIVE CAR!

130-h.p. V-8

Ford's new 130-h.p. V-8 is the only V-8 in the low-price field. And with low-friction design and deep-block construction, it's the most modern in the industry.

Bull-Joint Suspension

Bull-Joint Front Suspension is the most important chassis development in 20 years, for easier riding and handling. And Ford is the only low-priced car that has it.

Trend-setting styling

Ford's trend-setting styling has set the pace for the industry. It is forward-looking styling that's out front today and will stay attractive for the years ahead, too.

Highest resale value

Used car sales statistics show that recent-model Ford cars return a greater portion of their original cost than any competitive make of car.

Legion Notes

Tonight, we will have installation of officers for the coming year. All members are requested to be present for this ceremony.

At our meeting last Thursday night, the following Legionnaires were elected Officers of this Post for the coming year: Commander — H. S. Thaxton 1st. Vice Commander — Joe Hensley 2nd Vice Commander — Leon Underwood 3rd Vice Commander — Francis Beaver

On Saturday and Sunday, June 19 and 20. The Burkburnett Post was represented at the 4th Division Convention in Waco, Texas by Alvis Elliott, Elmer Gowan and Waldo Huddleston. A report on some of the highlights of this convention were given at last weeks meeting.

The first wooden Church for which the American Legion and its auxiliary have been raising funds thruout the United States will be dedicated on July 4th at Schoenigstad-Oh near Hamburg, Germany. The American Legion will be represented at this ceremony by officers of its posts in Western Germany. Nine wooden Churches are now nearing completion in Germany. They symbolize the raising of a Spiritual Wall against the Iron Curtain.

President on June 1, 1954, signed a bill supported by The American Legion and other veteran's organizations and enacted by Congress to change the name of the legal holiday commemorating victory in World War I by the signing of the Armistice on November 11, 1918. Remaining a legal holiday, November 11 will hereafter be a solemn day set aside for the nation to pay homage to its veterans, living and dead, of all wars. November 11 will be observed annually in the future as Veterans Day no more as Armistice Day.

Among all the holidays of the year, one stands out as pre-eminently American. One appeals especially to our sentiment of patriotism and national pride. That holiday is Independence Day. The Fourth of July. It signifies the birth of our Nation. If every American, this Sunday would re-read the Declaration of Independence and ponder over its meaning, then truly we again should "Let Freedom Ring"

As A Man Believes — So Is He!

A Two Part Story A man lived by the side of the road and sold hot dogs. He was hard of hearing so he had no radio. He had trouble with his eyes so he read no newspapers. But he sold hot dogs. He put signs on the highways telling how good they were. He stood by the side of the road and cried "Buy a hot dog, mister." And people bought. He increased his meat and bun orders. He bought a bigger stove to take care of his trade. He got his son home from college to help him. But then something happened.

His son said, "Father, haven't you been listening to the radio? There's a depression on. The European situation is terrible. The Domestic situation is worse. Whereupon the father thought, "Well, my son's been to college. He reads the papers and he listens to the radio, and he ought to know."

So the father cut down on his meat and bun orders, took down his advertising signs, and no longer bothered to stand out on the highway to sell hot dogs. And his hot dog sales fell almost overnight.

"You're right, son," the father said to the boy, "We certainly are in the middle of a great depression."

Miss Joyce Stewart Robert E. Smith Repeat Vows

Mr. and Mrs. Robert Eugene Smith are on a wedding trip to New Orleans, La., following their marriage, Saturday, June 19 at 2 p. m. in the sanctuary of the First Baptist church in Glade-water. The pastor, the Rev. Ben R. Stripling, officiated at the double ring ceremony in the presence of the immediate families and close friends of the couple.

The bride is the former Miss Joyce Laverne Stewart, daughter of Mrs. W. M. Miller of White Oak, and is the niece of Mr. and Mrs. B. A. Landers of Burk. The bridegroom is the son of Mrs. B. B. Smith of Marshall. On either side of the altar were pedestal baskets of white gladioli. Wedding music was by Mrs. Stripling.

The bride was attired in a lovely dress of white eyelet embroidered organdy fashioned with flared skirt fitted bodice and scooped neckline. Her veil of illusion cascaded from a Juliet cap, and she carried a white Bible adorned with a single orchid showered with orange blossoms and stephanotis.

Miss Nancy Smith, sister of the groom, was maid of honor. She wore a becoming frock of blue eyelet embroidered cotton with white accessories.

Charles Stewart, brother of the bride, served the groom as best man.

Mrs. Miller was dressed in navy crepe worn with white accessories and accented with a corsage of white carnations. Mrs. Smith, mother of the groom, wore navy with white accessories.

A reception following the ceremony was held in the home of the bride's mother.

The bride is a graduate of Burkburnett High school and Draughn's Business College in Wichita Falls, and has been employed at Mid-Valley Pipe Line Company in Longview.

The groom is a graduate of Marshall High and attended East Texas Baptist college at Marshall. He is now employed by United Gas Pipe Line Co. in Dallas, where the couple will reside.

Out of town guests were brothers of the bride, Charles Stewart, who has just returned from Seoul, Korea; Larry Stewart from Washington, D. C. and Frank Stewart of San Clemente, Calif; and Mr. and Mrs. Arthur Smith, and daughter, Delia Ann, Longview; Mrs. John Robertson, and daughter, Judy, from Marshall; Mr. and Mrs. J. E. Parker, Longview; and Mrs. Stel Smith and daughter, Nancy, Marshall.

New Roads Added To Wichita County

During the last five years, 45, 59 miles of roads have been built in Wichita County. It was Texas greatest period of road construction history. Highway Department files show.

The breakdown by counties as well as state totals prepared by the department showed that \$2,060,868.26 was spent in the county for maintenance of present roads and for the gigantic construction program. Meanwhile in Austin Governor Shivers cited the impressive figures "as evidence that the state's construction program is giving Texas motorists the best roads that engineering can provide.

The report showed that 14,926.10 miles of roads added to the state highway system over the period covered cost \$575,158 577.32, more money spent for construction than in any other comparable period.

Figures also showed that Farm to Market roads came in for a lion's share of the total. The roads were named a priority because they give farmers needed routes to markets and access to towns surrounding rural areas, a highway official said. Shivers, who said he was very proud of the excellent way Texas roads have improved in the last half decade, listed dollars and time saved as two prime benefits to Texas motorists.

"State drivers have been able to save countless hours and money thru good roads that provide the ultimate in safety and design," he remarked.

He also pledged that he would do everything in my power to continue the present rapid pace of road building and maintenance.

A road system worthy of its name must provide its motorists with swift, safe routes," he said.

Mr. and Mrs. Roy Lee Bridges and family and Mr. and Mrs. Carl Smith and family spent the holiday weekend at Sulphur Springs, Okla.

Wedding Announcements at Star

RANDLETT NEWS

By Mollie Ruth Elliott

Mrs. Flora Hatcher and daughters Sharron and Charlotte spent the week end in the home of Mr. and Mrs. Frank Stewart and children in Wichita Falls, Texas.

Mr. and Mrs. Doyle Holder and children of Odessa, Texas, Mr. and Mrs. D. Ille of Los Angeles, Calif., visited Mrs. Naomi Wilkerson and Eugene over the week end. Mr. and Mrs. Ille will spend two or three weeks here.

Mrs. Marie Brown of Lawton visited her parents, Mr. and Mrs. K. D. Voden and friends last Saturday.

Paula Sue Bridges of Wichita Falls is spending the week with her grandmother, Mrs. Frank Linkugel.

Mr. and Mrs. Bill Dorter of Union Valley visited his sister, Mrs. Zada Bryant last Friday. Clifford Rhoads of Waurika visited his father, Mr. R. H. Rhoads, Monday morning.

Mr. and Mrs. A. J. Shaw of Devol accompanied Mrs. Inez Hendricks and sons to the mountains Sunday for an all day outing.

Mr. and Mrs. George Lowe and Sharon Kay Hurt of Eugene, Mo., Mr. and Mrs. Henry Powell of Lawton, Okla., were supper guests of Mr. and Mrs. J. W. Penick Monday.

Mrs. Zada Bryant spent the week end in the home of her son, Mr. and Mrs. Johnny Bryant and children in Burkburnett.

Mr. Tud Capps of Oklahoma City accompanied his mother and sister, Mrs. Alma and Myrtle Capps to Springtown, Texas, Sunday to visit relatives and attend a reunion.

Mr. and Mrs. J. D. Due and children of Houston, Texas, Mr. and Mrs. Louis Due visited Mrs. Florence Due over the holiday week end.

Mr. Raymond Underwood was a Walters visitor last Saturday.

Mrs. Frank Stewart and children of Wichita Falls visited her mother, Mrs. Flora Hatcher and children last Thursday evening.

Mr. T. S. Best, who has been in the General Hospital in Wichita Falls, is reported not to be doing as well as expected.

Mr. and Mrs. John Sell of Devol visited Mrs. Zada Bryant Saturday.

Mr. and Mrs. Odie Fisher and children visited their daughter, Mr. and Mrs. Doyle Leacle of San Marcos, Texas, last week. The Leacles are the parents of a new baby boy.

Mr. Bruce Hopkins was taken back to the hospital last Thursday to undergo further treatment.

Mr. and Mrs. Ed Perryman and children visited Mrs. Perryman's mother, Mrs. W. A. Green, at Marlow, Oklahoma, Sunday.

Mr. and Mrs. Audrey King and daughter Ilene and Mrs. Mollie Elliott were in Walters on business Saturday. They were dinner guests and afternoon visitors in the home of Mr. and Mrs. B. O. King.

Mr. and Mrs. Johnny Bryant and children of Burkburnett were supper guests of Mrs. Zada Bryant Monday.

Mrs. Alma and Myrtle Capps left Tuesday for a visit in Colorado.

Mrs. A. N. Nason went to her daughter's, Mr. and Mrs. Frank Eidson and children at Kamay, Texas, last Tuesday for a visit.

Mrs. Burl Matthews and Mrs. A. P. Wofford and son have returned from northern California where they visited relatives. Mrs. Matthews visited with her son, Burl Ray, who was leaving for another trip to the Far East on the Yorktown, a carrier. He sends his regards to friends in Burkburnett. Mrs. Matthews and Mrs. Wofford visited a sister in Phoenix, Arizona, enroute to their home here.

Mr. and Mrs. Robert Todd and children of Nocona visited last week in the homes of their parents, Mr. and Mrs. Lee Beckham and Mr. L. R. Todd.

Mr. and Mrs. B. F. Gilcrest and family were visitors in Burkburnett last weekend and attended the Boomtown Homecoming celebration.

Mr. and Mrs. Hugh Key of Camden, Ark., have returned home after visiting with his parents, Mr. and Mrs. Tom Key, and other relatives.

Miss Lequita Whitley of Martinez, California, is here visiting in the home of her uncle and aunt, Mr. and Mrs. Burl Matthews.

Mr. John Clement of Waco, Texas, visited relatives and friends here during the holidays.

Let Safety Share Vacation Trip

Col. E. B. Tilley of Houston, President of the Texas Safety Association, and Services Advisor for the Gulf Oil Corp. today made that plea for safe driving in connection with the vacation driving program being sponsored by the Texas Safety Association, the Texas Department of Public Safety Association, the Texas Department of Public Safety and the National Safety Council.

"Vacation driving," he said, "increases substantially during the months of July and August. Statistics show that fatal traffic accidents also are more frequent during these months than in earlier months of the year."

Col. Tilley pointed out that motorists in the United States drove 49 billion miles during July last year. This was an 11 percent increase over the average mileage driven during the first six months of the same year. August saw a total mileage of 50 billion, 14 percent more than average for the first six months.

"At the same time, Motor vehicle accident fatalities in July were up 10 percent over the average for the first six months," he said. "And in August the fatalities were up 29 percent from the average."

Vacationists planning to take a motor trip this summer, he said should remember that preliminary planning, as well as care, courtesy and alertness at the wheel, are needed to avoid serious traffic accidents.

I want to stress especially the importance of courtesy to traffic safety, Col. Tilley said. The driver who wants to avoid accidents make courtesy his code of the road. He also is quick to recognize and acknowledge the courteous acts of others.

To aid motorists in planning their vacation trips, he listed the following safety tips:

- 1. Plan your trip so that you have plenty of time to reach your destination and return, without speeding or driving when fatigued.
2. Learn driving regulations of the states you expect to travel thru before you start on your trip.
3. If you drive, don't drink; if you drink, don't drive.
4. Watch for and heed all road signs and posted speed limits.
5. Have your car (and trailer if you are going to use one) completely safety checked so that everything is in first class condition mechanically.
6. Load your car carefully so that luggage and equipment does not interfere with vision, will not shift dangerously in an emergency.

And remember the July slogan of the Texas Safety Association, the Texas Department of Public Safety and the National Safety, "Vacation Time — Make Courtesy Your Code of the Road." It is good advice, the colonel said.

Mr. and Mrs. Ed Perryman and children visited Mrs. Perryman's mother, Mrs. W. A. Green, at Marlow, Oklahoma, Sunday.

Mr. and Mrs. Audrey King and daughter Ilene and Mrs. Mollie Elliott were in Walters on business Saturday. They were dinner guests and afternoon visitors in the home of Mr. and Mrs. B. O. King.

Mr. and Mrs. Johnny Bryant and children of Burkburnett were supper guests of Mrs. Zada Bryant Monday.

Mrs. Alma and Myrtle Capps left Tuesday for a visit in Colorado.

Mrs. A. N. Nason went to her daughter's, Mr. and Mrs. Frank Eidson and children at Kamay, Texas, last Tuesday for a visit.

Mrs. Burl Matthews and Mrs. A. P. Wofford and son have returned from northern California where they visited relatives. Mrs. Matthews visited with her son, Burl Ray, who was leaving for another trip to the Far East on the Yorktown, a carrier. He sends his regards to friends in Burkburnett. Mrs. Matthews and Mrs. Wofford visited a sister in Phoenix, Arizona, enroute to their home here.

Mr. and Mrs. Robert Todd and children of Nocona visited last week in the homes of their parents, Mr. and Mrs. Lee Beckham and Mr. L. R. Todd.

Mr. and Mrs. B. F. Gilcrest and family were visitors in Burkburnett last weekend and attended the Boomtown Homecoming celebration.

Mr. and Mrs. Hugh Key of Camden, Ark., have returned home after visiting with his parents, Mr. and Mrs. Tom Key, and other relatives.

Burk Rebekahs Attend Meeting In Wichita Falls

Members of the Golden Rule Rebekah Lodge No. 164 were hostesses for the quarterly meeting of the Wichita County Association of Odd Fellows and Rebekahs Thursday night in the IOOF Hall in Wichita Falls. The session followed a regular meeting of the hostess group.

Marvin Dees gave the welcome address and Mrs. Ethel Wofford of Burkburnett, the response. Mary Willis was the general chairman.

Mrs. Katie Johnson was in charge of the program, which included two vocal solos by Georgianna Edwards who was accompanied by Donald McCullough. The Wichita Falls Rebekah Lodge No. 236 presented a humorous skit, "Tennessee Wigwag," under the direction of Mrs. Ruby McNeely.

Mrs. Johnson, captain of the Golden Rule degree staff, and Mrs. Ruby Jones and Mrs. Mary Willis, leaders, presented a drill. Costumes were white formal with red mitts and red corsages.

Prior to the session, flags were presented by Mrs. Alice Fritz, O. S. Fritz, and C. L. Whitlow. Charles Pfeifer Jr., is president of the association.

Visitors for the event were from Iowa Park, Burkburnett, Greenfield, Mo., and Odessa. Arrangements were made for 150.

Plans were made to meet in Burkburnett in October, before the group adjourned for refreshments. The flags were retired by Mrs. Lora Belle Chamberlain.

Table decorations featured a centerpiece of red roses and greenery in a large bowl surrounded by miniature flags and replicas of the Statue of Liberty.

Plans were discussed for operating booths in the Texas-Oklahoma Fair Sept. 27-Oct. 2 in Iowa Park, during the meeting of the Golden Rule Lodge. Mrs. Lillie Kiel was named chairman of arrangements.

Mrs. Fern Simmons, noble grand, directed the session which included committee reports.

Hall of Fame For Cowboys

The Cowboys you saw astride the wild bucking grons in the Rodeo in Burkburnett last week may someday be honored in a national hall of fame.

A movement is underway to establish a National Rodeo Hall of Fame Foundation. C. A. Reynolds, Kansas, City, Mo., who is sponsoring the project, thinks that it is high time that due respect is paid to the skills of the men who built the west as they are demonstrated by today's rodeo riders.

Reynolds, Chairman of the board of the H. D. Lee Co., has been enlisting the support of senators and governors of seventeen western states. His company has pledged \$5,000 to the Foundation and a permanent hall of fame building.

A bill providing for the incorporation of the non-profit foundation has been prepared and is expected to be sponsored in Congress by senators from the cattle states: It prescribes the methods of operation of the foundation and authorizes the establishment of permanent head quarters.

So far no site for the building has been selected, Reynolds said. He hopes the final decision to be made by the trustees appointed to the foundation after it is incorporated, will come soon and construction started in the near future.

Present plans call for two trustees each from North Dakota, South Dakota, Nebraska, Kansas, Oklahoma, Texas, New Mexico, Colorado, Wyoming, Montana, Idaho, Utah, Arizona, Nevada, California, Oregon and Washington. Other trustees from the east and midwest will fill out the board.

The bill provides that the governors of each of the western states be invited to serve as trustees. Most of them have already indicated they would be happy to serve.

After making a careful study of the Baseball Hall of Fame in Cooperstown, N. Y. Reynolds thinks the Rodeo Hall of Fame should be organized along similar lines. He feels that it will honor more than a great American Sport, however.

"In paying homage to the brave skillful men who perform their dangerous jobs in the rodeo arena, the Rodeo Hall of Fame will acknowledge in a permanent memorial the indomitable courage of and resourcefulness of the men who built the great West," he said.

He doesn't think it necessary to wait several years after a

man's death to evaluate his ability, but favors election of living cowboys to the Hall of Fame. "Some of the best cowboys of them all are still alive and riding, he said.

Tribute will be paid not only to outstanding rodeo performers but also to stock raisers and others who contribute to the sport including famous rodeo stock. Selection of those to be honored will be made by the Board of Trustees from among candidates proposed by the public, historians and rodeo fans.

Part of the Hall of Fame building will be a museum housing relics of the development of the west. Equipment and personal effects of pioneers and western heroes will be enshrined with mementoes of famous rodeo personalities.

Tom Cavender At Ridgecrest, N. C.

Tom Cavender of 703 Glendale st. Burkburnett, is serving as one of 305 staffers at Ridgecrest Baptist Assembly, Ridgecrest, N. C. this summer.

He is now attending Sam Houston State Teachers College where he is a graduate student. He is BSU Missions Director and secretary.

Ridgecrest staff work consists of duties in the Assembly dining hall, hotel lobby, offices and recreational program. Tom is a member of the kitchen staff.

Dr. and Mrs. Russell Rudd of Fulton, Kentucky, visited two days last week in the home of Mr. and Mrs. George Counter, Sr., while enroute home from attending the American Medical Association meeting in San Francisco, California. Dr. Rudd is a nephew of Mrs. Counter.

While in Burkburnett, the Rudds were treated to a real Texas barbecue chicken dinner, those attending the affair were: Dr. and Mrs. Rudd, Mr. and Mrs. Charles Wayne Counter of Wichita Falls, Mr. and Mrs. George W. Counter, Jr., and the host and hostess, Mr. and Mrs. George W. Counter, Sr.

Dr. and Mrs. A. C. Hourigan of Pampa, Texas, are the proud parents of a new baby girl. She weighed 5 lbs, 2 oz., and has been named Linda Gayle. Mrs. Hourigan is the former Georgia Spillers of this city.

One of the highlights of the Fourth of July for Mr. Tom Hamilton and Mrs. Arlene had been to Kilgore, Texas, and on the way back they stopped for a visit with and Mrs. Oscar Kemp who devoted the whole day to with them over town to friends. In the afternoon went to Kemp's armory office to cool off before ing their trip to Burkburnett.

Mr. and Mrs. James and son Jimmy from Pampa, Texas, visited Mrs. Maud Brownning the past week. Mrs. Mason's niece, Pamela Duke, returned home for a week's visit.

Mr. and Mrs. V. C. attended funeral services week for Mr. Troy Stephens, Pauls Valley, Oklahoma, died of a heart attack at age of 37. Mr. Stephens is nephew of V. C. Stephens.

Cheney Family Reunion July 5th

The J. G. Cheney home south west of Burk Burnett was the scene of a gala family reunion Monday, July 5th with all of their children and grandchildren present. The occasion for the reunion was the arrival of S-Sgt. Stanley Green, Mona June Cheney Green and children from Lewistown Air Base, Maine, for a months furlough. Those present were Marsol and Myre Cheney Giester and daughter Mollie Ruth of Skelleytown, Texas, Mr. and Mrs. Morris Cheney and daughter Linda and son Doug of Burk, S-Sgt. and Mrs. Green and children, James Stanley, Ralph, Ricky and Judy of Maine and the host and hostess, Mr. and Mrs. J. G. Cheney.

The Greens have been in Maine for more than a year. They had many stories to tell of the severe cold winter there.

Pvt. Raymond Scruggs of Ft. Bliss was home over the holiday week end visiting his wife, Mary Jo Scruggs, and his parents, Mr. and Mrs. G. D. Scruggs.

Vic Vet says

SO YOU'RE THINKING OF STARTING A NEW BUSINESS WITH A LOAN? THE FIRST THING YOU MUST DO IS TO FIND A LENDER WHO WILL MAKE THE LOAN, THEN AND ONLY THEN MAY YOU GUARANTEE A PART OF IT.

A popular swim suit style this season is the romper, National Cotton Council fashionists report. This romper swim suit is designed in a gay Everglaze print cotton by Gantner of California. The skirt opens at the side and has deep-set pleats. The black, shiny belt is waterproof.

This striking cotton outfit is a double duty swim-and-play suit. It is designed by Gantner in an unusual, flock-dotted denim with the look of shantung. Worn with the separate skirt, it's a play suit; without the skirt, it's a slim swim suit.

SEWING CONTEST ENTRY

Throughout the country home sewers are matching skill in preparation for the nation-wide 1954 "Save With Cotton Bags" Sewing Contest. This smart dress made from cotton feed and fertilizer sacks is typical of contest entries. The unique competition, a feature of 45 state and regional fairs, is sponsored by the Textile Bag Manufacturers Association and the National Cotton Council with the cooperation of Pfaff Sewing Machine Co. Winners will receive valuable prizes, and an "International Cotton Bag Sewing Queen" will be named.

When you're planning an informal supper party either on the patio or in the dining room, hamburgers are excellent to serve as a main course. They are quickly prepared, economical and a universal favorite. To add a special touch to hamburgers cooked either inside or outside on an open grill, spread them with a delightful "gourmet spread." This spread dresses the hamburgers up and gives them a wonderful flavor.

1/4 cup grated onion
1/4 cup minced parsley
1/4 cup softened margarine
1 teaspoon Worcestershire
1/2 teaspoon salt
1/2 teaspoon dry mustard
1/2 teaspoon pepper
1/4 cup crumbled blue cheese
Mix together the onion, parsley, margarine, Worcestershire sauce, salt, mustard, pepper, and cheese to make a smooth paste. Spread over the broiled hamburgers. Then return to the broiler and continue broiling until the spread is melted. This recipe makes enough for eight hamburgers.

Federated Society Met Friday, July 2 In Home of Mrs. Ady

The Federated Missionary Society met with Mrs. J. B. Ady Friday, July 2nd, with Mrs. Lewis Brocker as co-hostess.

Mrs. Joy Sessums, president, opened the meeting with the group singing "I'm Thine O Lord" and prayer by Mrs. J. M. Patterson.

During a brief business meeting, Mrs. Ady reported on taking a large quantity of magazines and other things to the State hospital which were needed and greatly appreciated.

A beautiful and inspiring devotional was given by Mrs. Sessums from John 14: 1-12. "I am the way." She also gave a poem "A little time with God." Mrs. C. L. Schoch gave a poem "A wise O Bee" that didn't believe in federation.

Mrs. Sessums then introduced little Karen Kay Metz and Mike Knox who sang "Somebody stole the wedding bells" and "If I knew you were coming, I'd a baked a cake" with Miss Donna Ady at the piano.

Mrs. H. S. VanCleave dismissed the meeting with prayer.

Lovely refreshments were served to Mesdames Gage, Knauth, Gilbert, Turner, VanCleave, Paterson, Brocker, Cauthorn, Ady, Schoch, Kelley, Carswell, Sessums, Visitors, Mrs. James Metz and two daughters, Karen and Debbie, Oma VanCleave, Donna Ady and Patty Edwards.

Mrs. Sessums, president, Mrs. B. L. Turner, sec.

Mr. and Mrs. J. C. Hinkle had as their guests last Tuesday night, Mr. and Mrs. Gene Landes Long Beach, Calif. Mr. and Mrs. Raymond Smart, Ft. Cobb, Okla. Mr. Royal Nelson, Portland, Ore. Mr. John Shirley, Ft. Worth, Mr. and Mrs. Floyd Whitney, Mr. and Mrs. Harold Preston, all of this city. Naomi Landes, Janette Smart, Royal Nelson, John Shirley and Floyd Whitney all graduated from Devol High School the same year as the Hinkles. It was the first time they had all been together in fifteen years.

Texas State Dept. of Health

Dr. Henry A. Holle, M. D.

Diseases in domestic animals and fowl is coming under closer expert scrutiny since July 5 when state health and veterinary authorities launched a new system reporting presence, prevalence, and distribution of animal diseases.

Depending on how cooperation is forthcoming from private veterinarians, on whom the success of the program hinges, State Health Officer, Henry A. Holle, said the new system ideally reveal bi-weekly incidence of domestic animal disease occurring in any of the state's 254 counties.

Included among disease reported are anthrax, brucellosis, equine encephalomyelitis, leptospirosis, ornithosis, psittacosis, rabies and others.

These health officials will have an up to date check on infections afflicting household pets and farm animals, providing all ing animals were reported by veterinarians.

Infections in animals are exerting increasingly greater influence on human health, state health leaders point out.

Agencies cooperating in the new venture are the State Department of Health, Livestock Sanitary Commission, A&M College school of Veterinary Medicine, Texas Veterinary Medical Association, the Disease Control Branch of the Agriculture Research Service, and the United States Public Health Service.

The State Health Department for years has maintained a reporting system for human communicable diseases. And for the past three years the department has conducted a monthly survey pin-pointing the county of origin and species of all rabies-positive animals heads autopsied by the Bureau of Laboratories.

This new animal morbidity system is separate from the human disease record, and absorbs the monthly rabies report.

The report system works like this: Two identical self-addressed, postage free reports cards are mailed to each of the state's 700 plus private veterinarians. One card covers the first half of the month; the other the second half.

A column of most important animal diseases is printed on

each card. The veterinarian has only to check the number of cases of each disease he has observed during the appropriate two-week period and return the card to the state health agency.

Accumulate results for each monthly period are by the Bureau of Laboratories, and a copy sent to each veterinarian when new report cards are mailed.

The tabulation shows any unusual incidence of specific disease in a given area, so that appropriate control measures can be started to prevent its spreading.

Veterans Information Center

Q—I'm planning to take farm training under the Korean GI Bill, but I found out I'll have to pay \$30 a month tuition. My cousin, a World War II veteran, trained and the Government paid his tuition. Why the difference?

A—Your cousin trained under the World War II GI Bill; you will be training under the Korean GI Bill. They are separate laws, and each operates differently. Under the Korean GI Bill, you pay all training expenses yourself. But you get a single monthly allowance to help do this. Under the World War II GI Bill, the VA paid a veteran's training costs.

Q—My husband was killed in Korea, and I've been receiving monthly indemnity payments of \$92.90. Will those payments stop if I remarry?

A—No. Remarriage will not bar your continued entitlement to the indemnity payments.

Q—I am a Korean veteran. I'm thinking of opening a business. I will have to wait for several years in order to accumulate enough cash. When I'm ready, will I be able to get a GI business loan, or is the program due to expire soon?

A—You will have plenty of time to get your GI loan. The Korean GI Bill loan program will not expire until ten years after the end of the present emergency.

Q—I'm planning to take flight training under the Korean GI Bill. Will I be allowed 30 days absence a year, the same as veterans taking trade and vocational courses?

A—No. Under the Korean GI Bill, you will be paid on the basis of flight instructions actually received—and nothing more. You will not be paid for absences.

NOTICE

The City Commission of Burk Burnett, Texas, meeting in regular session Monday, June 28, 1954, adopted Section Two of Ordinance No. 317.

SECTION 2. The City Council shall have the authority, and does by these presents, have the authority, in order to conserve the shrubs and trees the citizens of Burk Burnett, to zone the City of Burk Burnett, and through Proclamation, to allow people of Burk Burnett in those zones to use for specified purposes set out in the Proclamation.

The zones and the days that each zone may water for the purpose of watering shrubs and trees are as follows:

ZONE 1. To water on Monday between the hours of 6:00 A. M. to 9:00 P. M. All of the town east of the railroad tracks.

ZONE 2. To water on Tuesdays between the hours of 6:00 A. M. and 9:00 P. M. The area East of the railroad tracks and North of Third Street.

ZONE 3. To water on Wednesdays between the hours of 6:00 A. M. and 9:00 P. M. The area East of the railroad tracks and laying between Third Street and Glendale Street, considering Hayworth Street as an extension of Glendale Street.

ZONE 4. To water on Thursdays between the hours of 6:00 A. M. and 9:00 P. M. The area East of the railroad tracks laying between Glendale Street and Tidal Street.

ZONE 5. To water on Fridays between the hours of 6:00 A. M. and 9:00 P. M. The area East of the railroad tracks laying between Tidal Street and Sheppard Road, (Wichita Highway).

ZONE 6. To water on Saturdays between the hours of 6:00 A. M. and 9:00 P. M. The area East of the railroad tracks and South of Sheppard Road.

This is an experiment to see if we now have enough water to allow limited watering. If it is found that there is not sufficient water, then Section Two of Ordinance No. 317 will be revoked and the watering Ordinance will be enforced again.

The City Commission has asked me to express my appreciation for the co-operation given in the past and again to ask for your continued co-operation in using as little water as possible under the new plan.

T. R. McCASLING, City Manager

Sweet Rolls for Dieters? Sure!

Dieters are learning that many foods, frequently thought of as being "forbidden" because of their high caloric content, can now be theirs. Because the new non-caloric sweetener, Sucaryl, can be cooked right in a recipe just like other ingredients, sugar and many unwanted calories can be eliminated.

For instance, today's recipe, Low Calorie Sweet Rolls, has lost just about 40 per cent of the calories these rolls would contain if made with sugar.

Breakfast rolls—especially those made with yeast—are very easy to make. Plan to make them the day before you want to serve them for breakfast because three or four hours of "rising time" are needed for the yeast. But the actual preparation time involved is only a few minutes. And they are such fun to do!

Low Calorie Sweet Rolls
3/4 cup scalded skim milk
1-1/2 teaspoon Sucaryl solution
or 12 tablets, crushed
1/4 cup shortening
2 pkgs. active, dry yeast
1 cup warm water (90°F.)
1 egg, beaten
3-1/2 cups enriched flour
1 tablespoon melted butter
Raisin Filling*

Combine first three ingredients. Cool to lukewarm. Sprinkle yeast on warm water; stir until dissolved. Add to milk mixture; beat smooth. Add egg and 1/2 of the flour; beat smooth. Add remaining flour; beat smooth; form into smooth ball; cover and let rise in a warm place until doubled in bulk; about 1 hour. Roll dough into two rectangles about 18 x 8 x 1/4 inches. Brush with melted butter; spread each strip with 1/2 the raisin filling, roll up like a jelly roll; cut each strip into 12 pieces. Place cut side down in greased muffin pans or on greased cookie sheet. Cover and let rise in a warm place until double in bulk. Bake in hot oven, 400°F. for 15 to 20 minutes. Makes 24.

*Raisin Filling: Chop 1/2 cup raisins very fine. Combine 1/2 teaspoon Sucaryl Solution or 4 tablets, crushed, and 1/4 cup water. Cook over low heat until slightly thickened. Each roll contains 83 calories; 2 grams protein; 3 grams fat; 12 grams carbohydrates. If made with sugar each roll would contain 142 calories.

WE STAND BETWEEN YOU AND LOSS! WAMPLER Insurance Agency 114 E. 3rd St. 312 Ave. C Phone 131

the 2nd day of August, 1954, then and there to answer the plaintiff's petition filed in said court on the 12th day of June, A. D. 1954, in this cause numbered 53981-A on the docket of said court and styled R. Lee Kempner vs. E. M. Jones, his unknown heirs, legatees, devisees, spouses, assigns, executors, and legal representatives, Defendants.

This is a suit, wherein the plaintiff seeks to cancel an oil and gas lease insofar as it covers certain property hereinafter described for the failure of E. M. Jones, the record leasehold owner thereof, or those claiming under him, to reasonably develop said lease as to such property...

Plaintiff further alleges that on October 29, 1919, by instrument recorded in Volume 141, Page 441 of the Deed Records of Wichita County, Texas, W. G. Burton executed as Assignment of said oil and

gas lease to E. M. Jones, as Assignee, insofar as the same covered the following described land in Wichita County, Texas, to-wit:

All of Block No. 18 and 25 of the W. G. Burton's Subdivision of Blocks No. 45 and 82 of J. A. Kemp's Wichita Valley Farm Land, according to the plat of said Burton's Subdivision of record in Volume 2 at Page 58 of the plat Records of Wichita County, Texas, and containing 14.58 acres of land, more or less;

to which assignment of oil and gas lease and its record reference is hereby made for all purposes.

Plaintiff further alleges that the record ownership of said leasehold estate in the above described 14.58 acres is now in the name of the defendant, E. M. Jones; that there has been no drilling of any kind on Blocks 13 and 25 of said Burton's Subdivision since the year 1920; that E. M. Jones has not been heard of for more than 25 years; that said E. M. Jones and those parties and defendants holding under him failed reasonably to develop the property and drill such wells as a reasonably prudent oil operator, under similar circumstances would have drilled and would drill in the reasonable expectation of obtaining production therefrom; that although production has been obtained upon adjoining tracts within the past year, the defendant E. M. Jones or those claiming under him have failed to reasonably develop the above described property, and have abandoned same. That for such failure to reasonably develop said property and for the defendants' abandonment of same, the plaintiff herein is entitled to have said oil and gas lease cancelled insofar as the above described 14.58 acres of land is concerned.

Plaintiff further alleges in the

Make a Bunk Bed

For the summer cabin, for the extra room, or for the children, especially the boys, a bunk bed is a space saver. For the home, the double decker should be a separate unit of furniture but for the summer camp, it may be built into the structure.

The bunk bed should be sturdy and strong and for that reason, all fastenings recommended are bolts and screws. The lumber should be well-chosen, for generally bunk beds must stand rough usage from the youngsters.

To construct the bed, four posts of 3 by 3 inch lumber, each 74 inches long, are squared off at each end. The top end of each post is beveled to 1 1/2 inch square. Then mark off, the cuts for insertion of the head boards and the end framing rails. These cuts, made with a backsaw, or very carefully with a cross-cut, are 3-4 inch deep. The wood must then be chiseled out carefully to make a neat job. Then drill the four 1-4 inch holes with which the side rails will be fastened later.

A pair of posts is then assembled into a bed-end by fastening the head boards and end rails with good wood glue and drawing the assembly up tight with no. 6, 1 1/2 inch wood screws, countersunk. To do a neat and non-splitting job, holes should first be bored for the screws. Two bed ends are completed, being carefully checked for alignment as the work proceeds.

The side rails of 1 by 8 inch lumber are first cut to size —80 inches long. Then drilled in each two 1-4 inch holes at each end to match the holes drilled in the bed posts.

On the inner side of each side rail, a slat support rail—a strip of 1 by 2 7/8 inches long, is glued in place and drawn up tightly with screws. The support rail is centered along the bottom of the side rails 3 inches from each end. Four pairs of glue blocks, are spaced 20 in. apart along the top of each slat support rail, each pair of blocks allowing a 2 3/4 in. slot into which to insert the slats. Make sure the glue blocks are in perfect alignment on matching pairs of side rails. After the glue blocks have set, the bed is ready for assembly.

The completed side rails are bolted to the completed bed-ends, using 4 in. carriage bolts, with nuts and washers. The slats are eight pieces of 1 by 3, each 38 inches long. The complete bed should be sanded, and all sharp edges rounded or beveled. The bed may be finished in natural color or stained to harmonize with other furniture.

Because of the strength factors involved, the selection of wood for this job is important. Your local lumber dealer will be able to assist you in the selection of the best available woods.

RAIN CHASER

This smart and trim all-purpose trench coat is made of Galeby and Lord's combed cotton gabardine which is vat dyed and treated for durable water and spot repellency. The coat has a plaid lining, full belt, and an outside scalloped back yoke which affords additional rain protection.

LEOPARD GIRL!

Don't be frightened! It looks like leopard skin, but actually it's cotton. This eye-catching swim suit by Cole of California is made of sueded cotton leopard print in tawny gold. The one-piece suit has a deep-diving halter neckline in back ending in a low V cut.

DOUBLE DUTY STRIPES

Stripes look equally gay on pretty girls or houses. When summer sun peeks out, canvas awnings will be unfurled to protect homes from summer heat, while sun-loving girls don canvas sports togs for exposure to Old Sol's tanning rays.

Mrs. J. L. Pearson of Electra, Texas, is a patient in the Wichita General Hospital.

Bill Browning, Edwin Draper, Arnold Oliver and James Kelley spent the holidays with Hugh Fewin in Cunningham, Kansas.

Misses Gracie and Carol Ford of Freer, Texas, visited in the home of their aunt, Mrs. Sam Wood, last week.

Mrs. Jack Jordon of Graham visited her parents, Mr. and Mrs. O. B. Wofford Monday.

The girl who marries into a wealthy family has one advantage. Her husband will probably never tell that she can't cook like mother did, because chances are his mother was never a cook.

The first Nobel prize was awarded in 1918.

Setting sail for Hawaii, this pretty vacationer looks forward to an exciting stay in the land of coconuts and palm trees. She's taking her uke along to pick up some island tunes. Her strapless cotton denim sundress by Stephanie Koret of California is ideal for deck wear and later for the beach. Denim is one of the most popular fabrics for vacation sportswear, the National Cotton Council reports.

Willis Reunion July 4 at Home of B. O. Willis

The Willis families celebrated July 4th with one of their family reunions at the home of Mr. and Mrs. B. O. Willis. After a hearty dinner, the evening was spent in singing, games, visiting and later driving thru the new additions of our city. A very enjoyable day will be long remembered by: Mr. and Mrs. Neal Anderson and Ruth Ann of Odessa, Mr. and Mrs. Jack Willis and Kirth of Lawton, Mr. and Mrs. O. B. Wofford, Mr. and Mrs. J. W. Allen, Mr. and Mrs. T. Guy Willis and the hostess and hostess, Mr. and Mrs. B. O. Willis.

Sure to steal the scene wherever she goes, this striking young lady wears cotton "pair offs" designed by Stephanie Koret of California. The slim, tapered pants, called "wallpaper pants," and the matching scarf are made of Everlane taffeted cotton in a gay print. The boned corsetlet is designed in solid cotton.
