Heart Disease No. 1 Killer America Today

Vessels of the heart and arteries kill more people in America than the other five causes of death together. Renewal of this community's fight against heart disease is now under the direction of Mrs. A. Carpenter, and Mr. B. Willis, co-chairman of the Campaign.

Contributions received in 1955 Heart Fund campaign are being used by the Heart Association to support a three-way program on the heart diseases through research, education and community heart projects, with a portion of the funds being used for the remainder going to the work of the American Heart Association. Of the 60 per cent goes to the Wichita County Chapter, 15 per cent to the Texas State Chapter and 25 per cent to the national organization.

The local chapter plans to organize and operate a cardiac clinic this year. This clinic will be available to all the residents in the present drive will support this project.

The seriousness of our problem can be more fully understood when we realize that throughout the nation about one in every sixteen persons is affected with heart disease. It is estimated that among the country's population there are 500,000 children of age. It is further understood by the fact that the National death toll from diseases of the heart and circulation now stands at 794,000 with nearly 36 per cent of all these deaths because of persons below the age of 65.

Extraordinary progress has been made, there are many questions to which we do not have the answers. We still find the causes of high blood pressure, rheumatic fever, hardening of the arteries, and conditions are responsible for 60 per cent of all heart disease. More research will help get these answers and gifts to the heart fund will help speed research.

At the same token, money is needed to insure the accurate and speedy transmission of research findings to physicians as well as to inform the general public about the truth and the nature of the heart diseases.

Finally, there is also an urgent need for community heart programs which have their prime objectives the protection of healthy hearts and the rehabilitation of heart sufferers so as to enable them to live as useful and productive citizens.

Mrs. Carpenter and Mr. Willis and their assistants will conduct a campaign in Burkburnett on Friday and Saturday, February 25 and 26th. Checks may be sent to Heart. Contributions may be left at the bank or any of the business establishments displaying the red plastic hearts.

Rotary's Golden Anniversary, 1905-55 Being Celebrated All Over the World

Rotarians all over the world are celebrating the Golden Anniversary of Rotary.

On February 23rd Rotary was 50 years old. Rotary now serves in 8,400 communities and in 89 countries, with a total of three hundred ninety-six members.

It was in room 711 of the Unity Building in Chicago that the first Rotary Club held its first meeting on February 23, 1905. Today the building is known as the 127 North Dearborn Building.

First Service Project

In 1907 a new city hall was rising in Chicago. Rotary Club led the drive to incorporate public comfort stations. These are still in use.

Rotarians, everywhere, can be proud of fifty years of service and fellowship with their fellowmen.

Cliff Wampler is president of the local club at present. F. A. Jamieson, newly elected president, will take charge in June.

Wichita Falls Rotarians have invited members from clubs in the surrounding towns to join with them in a celebration set for today (Thursday). A noon luncheon at Midwestern University is scheduled. A number of Rotarians from Burkburnett plan to attend.

Clara-Fairview Community Held Regular Meeting

Amidst a mountain of country prepared food including tamales, chicken, roast and many other delicious dishes, the Clara-Fairview community met at the Trinity Lutheran church at Clara.

After a wonderful meal, the meeting was called to order by vice chairman, Edward Simons. The minutes were read by Secretary Wilbert Prechel. Projects were then discussed and it was agreed to construct and maintain a park for the residents of the community.

The meeting was then turned over to B. T. Haws, county agent who gave us a talk on records and urged all members to bring records with them to the next meeting.

Mrs. Peggy Meads met with the 4-H members and all were urged to enter the district contests and to cooperate with the Chamber of Commerce poultry project.

More photographs and news notes were requested.

After the business meeting, tables of progressive forty-two were started. Mrs. Joe Dunham won the prize.

Next meeting is scheduled for March 8th.

Mrs. T. M. Jensen Hostess Feb. 22 to Wesley Bible Class

The Wesley Bible class of the First Methodist church met in the home of Mrs. T. M. Jensen for their party, Feb. 22nd. Co-hostess for the affair were Mesdames D. C. Dodson, Chas. Hall, W. H. Holt, W. B. McPhearsom, George Savage, Alice Chatham, and H. R. Hayes.

Mrs. Blake Browning presided over the business session. Renovation of and purchases for the class room were decided upon.

Mrs. Chas. Hall, program chairman for the evening, opened the program with a prayer by Mrs. Kent Reger. Devotional given by Mrs. Leslie Tuel and song by the entire class, More Love to Thee.

A number of quiz contests were played. Rev. Jensen graciously consented to give the story of Washington during the game.

Refreshments carrying out the holiday motif were served to the following: Mesdames I. R. Reagan, A. J. Harris, Kent Reger, Bill Cauthorn, Chas. Kirsh, J. L. Caffee, Joe Majors, Geo. Savage, B. Danforth, A. R. Bunstine, W. O. Evans, D. M. Morris, Leslie Tuel, Edith Guest, P. A. Wiggins, J. H. Brumley, F. L. Pilkenton, Lucille Duval, Paul Browning and daughter, Mrs. Jack M. Harris and the hostesses.

Harless Goodwin was admitted to the General Hospital in Wichita Falls Saturday.

Future Farmers Celebrating Their 27th Anniversary

The Future Farmers are again celebrating their anniversary this week for the 27th time. It was this small group of boys who have developed this club into an organization of 375,000.

Texas is equally proud for having over 37,000 active participants in this program which is the largest among our state organizations.

Along this line, the Burkburnett chapter is striving. With a total of 38 members which most are active, the chapter has shown remarkable progress since its conception a few years back.

The chapter is quite active this year by entering all contests on any level, having a district officer for the third time in its history and having a number of teams and a few individuals entering in state contests.

We hope to continue for years to come and make the next 27 years just as successful as in the past.

Mothers Honor Basketball Boys With Banquet 21st

On Monday, Feb. 21st, at the Town Hall, the basketball boys were honored with a banquet given by their mothers.

Basketball goal decorations were carried out on all tables. The head table had BHS at each end with a beautiful center piece consisting of two large goals and two basketballs with mums and daisies at each end.

There were 63 present at the banquet. The guests included the coaches and their wives, the A and B basketball squads and their dates. Master of ceremonies was George Counter, Jr. and the speaker was Dallas Clynych of Midwestern University.

The following program was given: Invocation by Richard Gilbert; Introduction and response of A squad by Coach Ted Averitt; Introduction and response of B squad by coach Jack Robinson.

Coronation of the basketball queen by captain Stanley Owens. The queen was Kenya Howard and attendants were Margaret Parks, Keith Patterson, Pat Lacy, Robert Reagan.

Dallas Clynych gave a short but interesting talk followed by the benediction by Jerry Hodges.

Pictures were taken of each couple after the banquet.

Firemen, Friends Enjoy Barbecue

Volunteer Firemen, their families and a few invited guests gathered at Town Hall last Thursday night for an informal banquet and get-together.

Eighty-two persons enjoyed the delicious barbecued beef and pork, red beans, potato salad, onions, pickles, bread, coffee and apple pie.

H. D. Smith was head cook for the meat, assisted by C. R. Chambers and Haskell Draper. Fireman Winford Henry cooked the beans and made the pies. Firemen's wives, Mrs. C. R. Chambers, Mrs. Laverne Davis and Mrs. Harry Dodson made the salad.

Help! Help! Return Dishes, Pans To Town Hall

Despite the fact that the sign in the kitchen at Town Hall reads "Do not take dishes, or utensils from Town Hall", the situation is very critical. A check on the missing equipment is alarming. A great number of large bowls, plates, large aluminum pans, etc.

PLEASE, if you have any equipment you have taken from Town Hall, or any that someone else has brought you food in, return it at once. The situation is DESPERATE!

Attend Dedication For State Theatre In Gainesville

Mr. and Mrs. C. C. Gilbert and Mrs. John Brookman attended the dedication and formal opening of the completely rebuilt State Theatre in Gainesville, Texas, Thursday night, February 17th. Mr. Louis Littlefair, former manager of the Palace and Tex-OK Theatres in Burkburnett, is manager of the State, Plaza and Chief Theatres in Gainesville.

Prior to the dedication ceremonies, those participating on the program and a number of out of town friends, including the Gilberts and Brookmans, were guests of the theatre management at a dinner at the Turner Hotel. Mr. and Mrs. Littlefair were hosts and received their guests on the roof garden where places were marked with attractive cards for more than fifty guests.

Martha Washington Tea February 16th At Town Hall

A very lovely event of the season was the Martha Washington Tea given at the Town Hall, Feb. 16 by the University Study club when they entertained members of other federated clubs and personal friends.

Guests were greeted at the door with a receiving line headed by vice president, Mrs. W. H. Holt.

Mrs. Bunstine, president, and Mrs. Majors alternated at the beautifully decorated tea table covered with a white cut work cloth over blue and it's floral center piece, silver tea set and crystal.

The hall was lovely in its decorations of red, white and blue, and evergreens.

Marilyn Felty was at the piano and the program was completed with a selection from Handel by Elmo McKee with his violin and Jim Kuchins at the piano. Both boys are students at Midwestern University.

A display of arts and hobbies was arranged on tables around the room. Some articles were old, some new and some with interesting histories.

Mrs. Crosley presided at the register table where approximately eighty guests were registered.

The Mary Collier Intermediate GA girls met in the Friendship class room of the First Baptist church on Monday, Feb. 21st. The meeting was called to order by the vice president, Wanda Lewis. Dee Ann Welborne led in prayer. We said our watchword and allegiance. The roll was called and the minutes were read and approved.

We discussed our community missions for February and decided to meet at the church Saturday and sew ties on the baptismal robes.

We then had refreshments and were dismissed.

It was announced that the GA's and the RA's would meet Tuesday night at 7:00 p. m. for a mission book taught by Mrs. Hunt.

Jay Felty and Howard Fleming of Texas Tech visited their parents here over the week end.

E. C. Mann, Lloyd Muhlinghaus and Donald Blackwell of Arlington were Burk visitors over the week end.

GRASS ROOTS OPINION

ORANGE GROVE, Texas, Observer: "The need and the desire to serve have always been and always will be a major motivating force of business. Neighbor competes with neighbor—but nearly always to the end of giving the consumer more and better products, superior service, higher value. This is the American tradition."

BRADHEAD, Wis., Independent Register: "From less than a million in use in the early 1930's, there are today 4,000,000 tractors on American farms—pulling everything from plows and harrows to cultivators and harvesters. They mean more manpower output, fewer backaches, and a rise in farm production of more than 40 percent in the last 20 years."

SEATTLE, Wash., Post-Intelligencer: "There's just one difference between so-called public ownership and so-called private ownership, whether it's ferries, trees or power. In private ownership the company gets the lumps when they come. In public ownership—with so few exceptions that they shine out—YOU get the lumps when they come."

DENTON, Md., County Record: "Tax inequalities should be rooted out of our federal fiscal system—particularly so when they violate the cardinal principle of fairness and justice to all alike."

TECHNOLOGY ON THE FARM

In the last quarter-century, as almost everyone this side of the Iron Curtain knows, there has been an amazing increase in American industrial production.

What is not so generally known is that the same thing has happened in agriculture. In deed, while industrial output per manhour increased 75 percent during the past 25 years, it increased almost 100 percent in agriculture.

In other words, science and technology are revolutionary factors on the farm as they are in the factory. Chemistry has shown the farmer how to raise better crops and how to protect them from blights and insects. Electric power has eliminated all kinds of arduous chores. Proven conservation techniques make it possible to save the topsoil and preserve the richness of the land. And, of top importance, modern farm equipment, of which the tractor is the basic item, have made it possible to do the main work of farming far more rapidly, efficiently, economically and easily than in the past.

It is true that this agricultural revolution has produced a problem of surpluses in some fields. That is a serious and vexing problem—but there is reason to believe that it may be of a temporary nature. By 1975, it is forecast that there will be 25 per cent more people to feed in this country—and that fewer farmers, working a virtually fixed acreage, will have to produce their food. And the potential market for American food in the undeveloped and chronically hungry nations of the world is enormous.

As the years wear on, it is inevitable that we will need more and more technological progress in agriculture just as well as we will need it in industry.

THEY LIED - BUT WHEN?

While a New York grand jury was seeking to determine whether ex-Communist Harvey Matusow was lying when he said he lied, up pops Mrs. Marie Natvig, a vivacious Miami Beach divorcee, to tell the Federal Communication Commission she also lied to the august protectors of our airwaves.

Mrs. Natvig had testified last October that Edward Lamb, TV station owner of Erie, Pa., was introduced to her a Communist party meeting in Columbus as a party worker. Shortly after this the Commission's hearing on renewal of Mr. Lamb's broadcasting license was adjourned. On reconvening this week, Mrs. Natvig recanted and said a Commission lawyer who has since left the service helped "manufacture" this evidence.

These two instances in quick succession may be a coincidence, or could it be Moscow's newest counter-counter spy strategy? If the latter, what to do? Instead of the oath, we might administer the lie-detector. If the machine failed to react on either the original testimony or its denial then we'd at least know it was lying.

WHERE THE TROUBLE LIES

Senator Byrd of Virginia recently made this significant comment on the federal budget: "We are enjoying the greatest prosperity in our history. We are not engaged in war. If we cannot balance the budget now, I ask when can we balance it?"

The basic trouble lies in the Big Government philosophy. Economy in government will remain a will-o-the-wisp so long as we must support a government which provides all sorts of services and projects that the people can and should provide for themselves.

We are doing a lot of work this week that is connected with the life of George Washington. We wanted to find out why he is considered to be the first in war, first in peace, and the first in the heart of his countrymen. It is a privilege for us to be a part of the country that George Washington worked so hard to help formulate and nourish thru the infant stage. It makes us

happy to know that we are part of that American heritage. We are busy planning about the Texas Education during the first week of the year. We need to know that we share with the other 47 states each one proud of being a part of the United States symbol of which it stands mankind. That symbol of man's being life, liberty and pursuit of happiness for individual.

Listen! They're talking about the new 1955 Mercury—

1. "Sure is big this year. And what a beautiful color."
2. "That new Montclair is certainly low and racy looking."
3. "I hear it's only 58½ inches high."
4. "198 horsepower! And dual exhausts!"
5. "Look at those hooded head lamps."
6. "I've never seen a better-looking wrap-around windshield."
7. "Lots more models this year. And 3 series."
8. "188 horsepower even in the lowest-cost Custom."
9. "Let's go in and get a closer look."

Here's the most talked-about car in Mercury history. And with good reason. For it's the most advanced car ever offered at anywhere near the price.

It's totally new in size and power—with exclusive styling shared by no other car.

It's longer, lower, bigger all over. And with up to 198-horsepower under the hood.

All 10 models in Mercury's 3 new series have new SUPER-TORQUE V-8 engines. You get brilliant new pickup in every speed range. Try a new Mercury. You'll be talking too!

AUSTIN Highlights

By Senator "Cotton" George Moffett

About 1400 bills are introduced in the Texas Legislature at its regular session each two years. These bills deal with a wide variety of subjects.

It is impossible for an individual member to read and study and thoroughly understand what is involved in each bill introduced. Consequently, worthwhile information is welcome about pending legislation.

A member particularly appreciates a letter that gives information as to why the writer is for or against a particular bill.

It is not unusual for a member of the Senate to receive 35 or 40 letters and telegrams each day, and he places a high value on these which supply information as to why a certain bill should be changed, or why it should not, be passed.

Some members go away on weekend trips; others use this period for catching up with their mail, writing amendments to bills that will come up later, or studying information on pending legislation.

In order for a bill to become

a law, it must pass thru each branch of the Legislature by a majority vote. If it is amended in the second branch, it must be returned to the original branch where a vote is taken as to the acceptability of amendments tacked on in the second branch. When so many bills are before the Legislature this is a cumbersome process, consequently not many bills make the full trip thru the Legislature until after the first 60 days, and some do not make it at all.

Comments on particular subjects will be made in future communications.

Representative of Social Security Office To Visit In Burk

A representative of the Social Security Administration will be in Burkburnett on Tuesday of each month, 9:30 A. M., on the following dates:
 MARCH 15th.
 The representative will be at the City Hall.
 26-Z

The undersigned, on the 7th day of February, A. D. 1955, by the County Court of Wichita County, Texas. All persons having claims against said estate are hereby required to present the same to me within the time prescribed by law. My residence is Wichita County, Texas and my postoffice address is 402 Staley Building, Wichita Falls, Wichita County, Texas.

Ray Martin, Administrator of the Estate of H. C. Lewis, Deceased.
 31-41C

You are hereby commanded to appear before the Honorable 78th District Court of Wichita County at the Court House thereof, in Wichita Falls, Texas at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 14th day of March A. D., 1955 then and there to answer Plaintiffs' Petition filed in said Court, on the 21st day of January A. D. 1955, in this cause, numbered 55117-B on the docket of said court and styled T. V. Gorman and W. A. Krohn Plaintiffs, vs. All those persons first named in this writ and to whom the same is directed, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: This is a trespass to try title suit wherein plaintiffs allege that on January 20th, A. D., 1955, they were and each still is the owner in fee simple of an undivided one-half (1/2) interest in and to the following described land situated in the County of Wichita and State of Texas, to-wit:

Being all of Blocks No. Twenty-one (21) and twenty-six (26) of the J. A. Fisher subdivision of the Northeast 122.56 ac. of the H&GN RR Co., Survey No. Twenty-four (24), Abstract No. Three Hundred Ninety-Nine (399) according to the map or plat thereof, of record in the map or plat records of Wichita County, Texas;

That on such day, also plaintiffs were in possession of such premises; and afterward, on the 20th day of January, A. D., 1955, the defendants unlawfully entered upon and dispossessed the plaintiffs of such above described premises and withholds from them and each of them the possession thereof.

WHEREOF, plaintiffs pray that the defendants be cited to answer this petition, and that plaintiffs have judgement for the title and possession of the above described premises, for costs of suit, and for such other and further relief as they may be entitled to, either at law or in equity.

If this citation is not served within ninety days after the date of issuance, it shall be returned unserved.

The Officer executing this process shall promptly execute the same according to law and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Wichita Falls, Texas this the 29th day of January A. D., 1955.

Owens & Brumley FUNERAL HOME

The beautiful Bel Air Sport Coupe with Body by Fisher

It's highway robbery!

For sheer fun out on the road, Chevrolet's stealing the thunder from the high-priced cars!

Up to this year, maybe there were reasons for wanting one of the higher priced cars. If you demanded something extra in driving fun . . . something really special in the way a car handled and felt and responded to your wishes . . . you simply had to pay a premium to get it.

Not any more! The Motoramic Chevrolet for 1955 has changed all that. In fact, it's stealing the thunder from the high-priced cars on their own home-grounds—out on the highway.

Talk about excitement! You have 162 high-compression horsepower under the hood with the

new "Turbo-Fire V8"! (180 h.p. is optional at extra cost in all V8 models if you want it.) Or you can take your pick of two new "Blue-Flame" 6's—the hottest, highest powered sixes in the low-price field! Any one of these three engines brings you all the good things that come from Chevrolet's long leadership in valve-in-head design.

As for drives, just name it. Chevrolet offers new Overdrive, Super-Smooth Powerglide (extra-cost options), or a new and finer Synchro-Mesh transmission.

You're headed for fun in the Motoramic Chevrolet! You're headed for a ride such as you'd expect only in highest priced cars. You're headed for "heads up" stopping, too, and easier steering. All this, with Chevrolet's traditional economy. Come in and put this "show car" on the road!

WSCS Met Monday For Study Session

The Woman's Society of Christian Service met at 3:00 P. M. Monday, Feb. 14th in the Wesley room of the Methodist Church. The 13 members present joined in singing Near to the Heart of God, with Mrs. R. H. Henry at the piano.

Mrs. C. T. Bradford led in prayer. Churches in the Suburbs was brought in an enlightening way by Mrs. Norma Schuette. Mrs. A. R. Bunstine's subject was God and the Church Member and she led an open discussion on What the Church meant to Each as an Individual. Mrs. R. A. Neal told of the People's Community House in New Orleans, La., where there are special classes for retarded, handicapped or needy children. Mrs. Hugh Jones told the story of a girl acquaintance from Miss. who is now teaching American children in Berlin, Germany, but took such an interesting trip during the Christmas season vis-

iting Munich, Istanbul and the Holy Land. Mrs. S. S. Reger discussed God in the Life of the City, which finished the study of Man, God and the City.

Mrs. W. O. Evans gave an interesting devotional based on the 112th Psalm.

It was announced the World Day of Prayer program sponsored by the World Council of Churches would be Feb. 25th at 3 P. M. and everyone was cordially invited.

Girls 'B' Team Wins Dist. Championship

Thursday, Feb. 17, 1955 the Burkburnett girls "B" team defeated the Quanah's "B" team 34-25 to win the district championship for 3AA. This was the sixth win without a defeat in conference play for the girls. Pat McCabe scored 25 points.

The overall record for this season was eight wins to 7 defeats; these defeats coming early in the season. Mr. Roy Silkwood the high principal is coach of this team. Members of the team are:

INCOME TAX FACTS No. 2 Invest a Little Time In Saving Tax \$\$\$\$

(This is one of a series of articles on income tax changes. The articles are based on information provided by the American Institute of Accountants and the Texas Society of Certified Public Accountants.)

"Why should I bother with that old tax form?" asked a young lady who started on her first job in December. "I don't need to because I got less than \$600." "You don't need to," her father explained, "but it will cost you money if you don't. How do you expect to get back the tax that was withheld from your pay?"

Do You Have To File? Here are the rules to help you decide whether to file a federal income tax return:

- 1. If your gross income was \$600 or more in 1954, you must file, unless you are 65 or older and had less than \$1,200 income.
- 2. If you had \$400 or more income from self-employment, you must file a return to report these earnings for social security purposes.
- 3. If you had any salary or wages from which withholding tax was deducted by your employer, you must file a return to get credit for the tax withheld.

Married Couples Generally it's best for married couples to file joint returns instead of separate individual returns, because the joint return gives them the advantage of income-splitting. That is, they are taxed at the rate which applies to half their total taxable income.

Head of Household If you are supporting a dependent, although you are single, widowed, divorced or legally separated, you may be able to qualify as a "head of household" and figure your tax on a special table that gives you part of the advantage enjoyed by married couples filing joint returns.

Additional Information Be sure to read the official instructions. You can also get help from the Internal Revenue Service, which urges you to consult only qualified advisers. Next article: Not All Your Income Goes in Your Tax Form.

Veterans Information Center

Four important tips to the 200,000 veterans who have approximately \$2 billion of the new post-Korea GI insurance were released today by the Veterans Administration. First, VA said, don't send cash thru the mail when paying premiums. Use a check or money order payable to Veterans Administration. Your canceled check or money order stub will serve as a receipt for your records. If you send cash, it may be lost or stolen and you thus will run the risk of lapsing your policy. Second, get into the habit of paying premiums when they are due. Although the law allows a grace period of 31 days during which the policy remains in effect, even if a premium due is not paid, you should consider this provision an emergency privilege and should use it only for emergencies. Third, be sure you have named the beneficiary or beneficiaries to whom you want your policy paid in event of death and in what manner. This information should be recorded with VA. Fourth, if you are paying premiums monthly, you should check the advantages of paying your premiums quarterly, semi-annually, or annually. The prospective buyer for a new home commented to the builder, "These walls certainly don't look very sturdy." "Of course not, said the builder. "We haven't put on the wall paper yet."

We guessed you'd like it...

but we never guessed how much!

JUDGING BY THE "OOHS" AND "AAHS" THAT GREET FORD'S APPEARANCE... BY THE NUMBER OF FOLKS WHO ARE TEST DRIVING A FORD—AND THEN DRIVING IT HOME... THE '55 FORD IS GOING TO SMASH EVERY CAR SALES RECORD!

NEW TRIGGER-TORQUE PERFORMANCE IN 3 MIGHTY ENGINES

Ford's 3 new car engines for '55 give you Trigger-Torque response. The 162-h.p. Y-block V-8 has a 7.6 to 1 compression ratio. The 182-h.p. Y-block Special V-8 is offered with Fordomatic Drive in Fairlane and Station Wagon models. And there's a new 120-h.p. I-block Six!

ROAD-JOINT JAR REDUCED BY NEW ANGLE-POISED BALL-JOINT SUSPENSION

Ball-joint Front Suspension is one of the greatest contributions ever made to riding

and handling ease. And for '55 it gives still more comfort... because springs are set at an angle to cushion road shock from the front as well as straight up. That reduces road-joint jar

THE THUNDERBIRD INSPIRED FORD'S LONG, TRIM LOOK

The Thunderbird—Ford's personal car that created such a sensation—has left its distinctive mark on the Ford cars for 1955. You'll find its sweeping/straight-line fenders... its lower, flatter look... its all-around windshield... its impressive grille and visored headlights... reflected in every '55 Ford.
