## American Legion Luncheon Tonight

Commander of the American Legion Post of the Legion in Burkburnett, all Legionnaires and friends are invited to attend the 38th anniversary of the American Legion Thursday night, 7:30 P. M. at the hall.  
F. Johnson, past 13th commander, will be honored for his services rendered to the legion and for his work in the veterans for over 30 years.  
The unit of Midwestern and Mr. Don Short, attorney, will also be present.  
Brady and Sol Glick, co-chairmen of the luncheon, will be regale.

## Roy Williams Deepfreezer

Approximately 2,000 people on the streets of Burkburnett Monday to participate in the Soap Box Derby Day event.  
Roy Williams of Devol, Okla., was the lucky person to win a \$450.00 Deepfreezer.  
Five dollar cash awards were given to Mrs. Dave McMillan, Mrs. Clarence Bridges, Mrs. O. Wood and J. W. Kellum.  
The winners of the Soap Box Derby were reported an active day Monday as they shopped for the many bargains offered in connection with the regular Monday Trades Day.

## Modern Study Club Luncheon Supper Monday, Feb. 28th

Regular meeting of the Modern Study Club was held in the home of Mrs. Rita Joy Hudson, Monday, Feb. 28th.  
The meeting was called to order by the president, Judy Johnson. The roll was answered with famous quotations. Minutes were read by secretary Tom Henry and stood approved.  
New members were accepted by the club.  
An interesting program was given by Tommie Sue Henry. A door prize was won by Mrs. Henry.  
A delicious supper to thirteen attendees.

## Mrs. Roy Magers Have Surgery

Mrs. Roy Magers have been in Houston, Texas, where they visited their grandchild who was recovering from emergency surgery. She is to be doing nicely at present.

## Mrs. Everett Westbrook Board Meeting

Mrs. Everett Westbrook presided at a board meeting of the Watchmakers Ass'n. in Texas, over the week end. Westbrook is president of the Wichita District Watchmakers Ass'n.

## J. S. Mills Honored On 80th Birthday By the Lions Club

Sloan Mills was honored by the Lions Club Tuesday night on his 80th birthday. Mr. Mills is a charter member of the club, which was organized in 1922. He also has a perfect attendance record of 33 years, one of the few in the United States with such record.  
K. C. Spell, a son-in-law of Mr. Mills, was a guest for the celebration.  
Wylie Browning wheeled in a huge birthday cake after the meal and the Lions, led by Roy Magers, joined in singing Happy Birthday. Mr. Mills had his picture made cutting the cake and later a group picture was made of all the Lions. The honored Lion was presented a birthday card signed by all Lions.  
The beautifully decorated cake was made by Lion Winford Henry.

In acknowledging the honor, J. S. Mills said some of his happiest moments were spent in the Lions Club, and he hoped that each Lion present would be able to celebrate their 80th birthday and feel as well as he did.  
B. H. Preston, Jr., in charge of the program, introduced Judge Arthur Tipps of Wichita Falls, who told the club of the Soap Box Derby which will be held in Wichita Falls on July 4th. Tipps said the derby is open to all boys in this area between 11 and 15 years of age, and entries must be made at Randle-Prezley Chevrolet Co. in Wichita Falls.

The derby is sponsored by the YMCA, Randle-Prezley Chevrolet and the Times Publishing Co. The winner of the Wichita derby will get an all-expense paid trip to Akron, Ohio to participate in the national contest.  
Judge Tipps is chairman of the steering committee and said he was going all out to make the event a huge success.  
Next week President Herman Miller will bring the program.

## WCS Held Regular Meeting Monday

A very interesting meeting was held by the WCS at the Methodist Church Monday afternoon when they met for the second lesson on Jesus' teachings concerning women.  
Mrs. T. M. Jensen was the leader for the day. After reading from the 25th chapter of Matthew, she discussed the first topic, Woman—responsive, purposeful person. She also gave some parables concerning women and woman's place in the home. Mrs. Holt's topic was the lost coin. She brought out the importance of diligence in seeking our lost possessions though sometimes seeming unimportant.  
Mrs. A. R. Bunstine discussed the parable of the ten virgins. She stressed the need of always being ready with lamps shining to do what good we can when needed.  
Mrs. I. C. Evans' comments on God's woman, her sphere, will be continued at the next meeting.  
Eighteen members were present.  
The next lesson will be the Compassion of Jesus and Two Sisters on Monday afternoon, March 21st.

## Series of Gospel Services at Randlett Church of Christ March 27 - April 2nd

B. W. GUYMON, Duncan, Oklahoma

## ROTARY CLUB

Each Tuesday Noon  
Town Hall  
J. B. Foyce was a guest of B. H. Alexander, Sr.; Roy Brakebill, guest of Bill Milam; Walter Seyforth, guest of F. A. Jamieson; and Geo. Payne, guest of Dan Frolen for the regular noon luncheon of the Rotary Club. There were ten visiting Rotarians from Wichita Falls and two Rotarians from Ada, Okla., to make a total attendance of 58.  
H. D. Smith gave the invocation and Geo. Byerly introduced the guests.  
I. C. Evans was program chairman and presented the Camp Fire Girls in questions concerning Camp Fire work. He also presented Scout Troop No. 155 who gave an unrehearsed demonstration of first aid and other phases of Scout work. Mr. Evans also thanked Mrs. Walter Riley who has given generously of her time to the organization of Camp Fire Girls.  
Bryan Farris will bring the program next Tuesday.  
Buddy Preston, Jr., and Winston Freeman were visitors in Amherst, Texas, Sunday. They went via Punkin Center, Vernon, Floydada, Littlefield, Amherst, and returned home via Lubbock, Benjamin, Seymour and Punkin Center.

## Card of Thanks

I wish to express my sincere appreciation for the many cards, flowers, visits, and other kindnesses shown me during my stay in the hospital. Thank you each and every one.  
HARLESS GOODWIN  
35-1C  
Mr. and Mrs. Louis Littlefair of Gainesville, Texas, visited Mr. and Mrs. John Brookman and Mr. and Mrs. C. C. Gilbert Wednesday.  
Mesdames Harris, Russell and Martin of Tishomingo, Oklahoma, have been visiting in the home of Mr. and Mrs. H. M. Day the past week. Mrs. Day's brother, who has just returned from three years overseas, is also visiting in their home.

## Local Church Joins Evangelistic Crusade With Southern Baptists

This year is being referred to as the 'year of evangelism' for Southern Baptists with 29,000 churches and missions participating in simultaneous evangelistic services during March and April. In Texas, 2,500 churches will be conducting revival services during one of the two weeks periods of March 6-20, for South Texas; March 27-April 10, for Central Texas; and April 10-24 for North Texas.  
One of the major phases of evangelism in Baptist churches during the Crusades will be to encourage laymen to become active soul winners. Pastors have been asked to train 25 percent of each church's resident membership in personal evangelism. Many pastors in the state have already started this training program which will result in 300,000 church members dedicating themselves to leading others to become Christians during 1955.  
The program of having simultaneous revivals in Texas started in 1948, and has resulted in over 50,000 baptisms each year in the state. Last year, pastors baptized 66,634 new converts into Texas Baptist churches. The ratio of baptisms in the state for

## Baptists was one baptism for every 20 church members.

The entire program of simultaneous evangelistic services is directed by Dr. C. Wade Freeman, superintendent of evangelism for Texas Baptists. Preliminary plans for the churches included evangelistic conferences in three sections of the state, which were attended by 12,400 pastors and laymen. These conferences were followed by an evangelistic rally service conducted over the Texas Quality Network on March 2nd. The program was broadcast from 7:30 until 8:00 on a Wednesday prayer meeting night and all Baptist churches in the state were invited to listen to the program as a part of their usual midweek worship service.  
Texas Baptist leaders are expecting a minimum of 80,000 baptisms during 1955 as a result of the simultaneous campaign. Dr. Forrest C. Freezor, executive secretary for the Texas Baptist convention said, "This kind of a program revivals with Christians praying and witnessing in great numbers, will directly influence the spiritual lives of all New Testament churches.

## Stanley Owen of Burk Sets Record In Possum Kingdom Relays Meet

Stanley Owen, Burkburnett High school's brilliant basketball player, proved that he can also accomplish great things on the cinder path. Owen ran an amazing half mile in 2 minutes 02.4 seconds to win first place in the Possum Kingdom Relays last Saturday and set a new record for both class A and AA. The old record stood at 2:04.7.  
Robert Reagan placed fourth in the 440 yard dash. The winning time in that event being 51.5 seconds.  
The Possum Kingdom relays is one of the finest early season track meets in the state with teams coming from all over the state. The entire Burk track team turned in a pleasing performance in comparison to their competition.  
The bulldogs are preparing for their district track meet which takes place at Quanah on April 16 and are expected to have a very good chance to win the district championship.  
The Bulldogs have already won one dual meet with Iowa Park and one tri-meet with Iowa Park and Electra. Other meets scheduled include a dual meet at Duncan, Okla., March 17 and with another meet to follow at Burk later. They are also entered in the big Invitational Meet in Duncan, Okla. April 2nd.  
Members of the 1955 track team are Stanley Owen, Robert Reagan, Otis Waddell, Alex Mills, Leslie Terry, Ralph Adkins, Jerry Hodges, Gerry McCabe, Donald McKinnis, Johnny Bryant, Billy Joe Turnbow, Doyce Walker, John Bucklew, Terry Higgins, Gary Bean, Touie Schroeder, Mike Hoffman, Tommy Rater, Charles Boyd, Ray Ady, Dan Fowler, Billy Bob Marine, Johnny Veach, Jerry Reagan, Jerry Boren, Lewis MacDonald, Richard Smith, Ronald Greeley and Mgr. Harold Edwards.

## Dixie Drive In Under New Management

Mr. and Mrs. V. V. Stevens of Jacksboro, Tex., have recently purchased the Dixie Drive-In here from Mr. and Mrs. L. W. Forqueran. Mr. Stevens is experienced in the drive-in business and they wish to extend an invitation to everyone to come by and visit with them.  
The Stevens have resided in Jacksboro for the past five years. Mrs. Stevens will be remembered as Elva Jane England and is the daughter of Mr. and Mrs. Guy England of this city.  
The Drive-In serves school lunches and will also serve Sunday dinners. New hours will be 9:00 a. m. to 11 p. m. during the week and on Friday and Saturday will stay open until 12:00 p. m.

## Spring Planting Bulbs At MRS. GILBERT'S FLOWERS

Below is a letter received from the Associated Credit Bureau of Texas, Inc., Austin, Texas, dated March 9, 1955:  
"With other roster changes and additions to be released on March 11th, we shall publish the acceptance of the Retail Merchants Association of Burkburnett, Texas.

## Retail Merchants Now Accredited

This listing means that the Burkburnett Association has been accepted into the membership of the Retail Merchants Association of Texas and the Associated Credit Bureau of Texas, Credit Bureau Division.  
"Application for membership in the Credit Bureau Division of the Associated Credit Bureau of America, Inc. has been processed and is now being reviewed by the Executive Committee. Results of their actions will not be made known for approximately 60 days."  
James T. Brady, Jr., is manager of the local Retail Merchants Association.

## Annual Meeting T. B. Association Friday, March 25th

A special invitation to the residents of Burkburnett to attend the Wichita County TB Association's annual meeting is being extended by Mrs. Joella Terrill Butler, President of both Texas TB and the Wichita County TB Associations.  
The one hour meeting is scheduled for 3:00 p. m. on March 25, in the Assembly room, Wichita General Hospital.  
Speaker will be Miss Pansy Nichols of Austin, Executive Director of the Texas Tuberculosis Association.  
Miss Nichols has been an important part of the Texas TB Association for the past 35 years and its executive director for the past 23 years. Credit for an uncountable list of achievements by Texans against tuberculosis is given to this "diminutive dynamo" affectionately called Pansy by thousands of people throughout the United States.  
Professional and non-professional people representing a variety of educational and health agencies who have worked with "Pansy" are more than lavish in their praise of her as a person with a big heart, a keen mind, unwavering devotion to duty, foresight and leadership.  
The esteem in which Miss Nichols is held by everyone is, perhaps best expressed by a Texas Physician who claims that she is "a combination of Moses and Abraham Lincoln."  
Including a variety of similar honors, she has served with distinction as President of the National Conference of Tuberculosis Workers. She is currently president of the Southern Conference of Tuberculosis Workers. In 1940 President Franklin Delano Roosevelt drafted her services for the White House Conference on Children in a Democracy.  
At the Wichita County TB Association's meeting on Friday, March 25, Miss Nichols will reveal the findings of the statewide project, "Searchlight on TB in Texas" conducted last year by all the TB Associations of the State. She will also spell out the condition of our State operated TB hospitals.

## Special Horse Sale Burk Sales Barn Monday, March 21

Floyd Marten and J. C. Hinkle report an unusual interest is being shown in the Special Horse Sale here Monday night, March 21st. The sale will be held at the Burkburnett Sales Barn, beginning promptly at 7:00 P. M. Commitments already made indicate that there will be between three and four hundred horses brought to the sale next Monday night. That is a lot of horses and anyone interested in purchasing any kind of horse should be able to find just what they want at this sale.  
Any one who has a horse for sale is invited to bring him to the sales barn prior to the sale. There will be all kinds of horses there, plus kid ponies and Shetland ponies. Also saddles, blankets, bridles, riding equipment of all kinds. With rodeo time drawing near—June 22-23-24—this will be the best opportunity to get rodeo transportation.  
Plenty of space at the barn; separate lots for large or small bunches of horses. Hay or grain available.  
For further information call or write F. A. Marten, Phone 9 or 530; or J. C. Hinkle, Phone 695-W-1, Burkburnett, Texas.

## Soap Box Derby Open to Burk Boys

Judge Arthur Tipps, of Wichita Falls, chairman of the steering committee for the Soap Box Derby there on July 4th, announces that the derby is open to all boys in this area between the ages of 11 and 15 years.  
Those interested in entering the contest must register at Randle-Prezley Chevrolet Co. in Wichita Falls, and must be accompanied by one of their parents or a guardian.  
Local interested boys may obtain more information from Herman Miller on Park Street.

## NOTICE

Mrs. Gertrude Dorsey, state welfare worker, will not be at the Town Hall next Wednesday, March 23rd, due to a staff meeting in Wichita Falls on Wednesday, Thursday and Friday. She will be here at her regular time the following Wednesday, March 30th.  
Mike Harms of Dallas spent the week end here with his parents, Mr. and Mrs. Tom Harms.  
All kinds of bedding plants  
MRS. GILBERT'S FLOWERS

MASONS BEGIN NEW HOME — Burl Matthews, worshipful master of Burkburnett's Masonic Lodge, officially turned the first shovel of dirt for the construction of a new \$35,000 Masonic building at Burkburnett Monday. Assisting are, left, Mrs. C. D. Scruggs, worthy matron of Eastern Star in Burkburnett, and right, Mrs. Hugh Jones, treasurer. The Lodge, No. 1027, was established Dec. 12, 1910. The new building will be constructed on Second Street and B. Avenue.

## LET'S PUT TEETH IN OUR LAWS

One of the constantly recurring lessons of government is that it is useless to tell somebody to do something unless you provide a penalty if he does not do it.

Such is the case in a series of bills now before the legislature.

These bills require publication of the full text of city ordinances, a record of the proceedings of the commissioners court, and annual financial statements of school, road, soil conservation, and other local districts. They are badly needed to prevent laxity or downright crookedness in government.

But even if they are passed, they will be little more than pieces of paper if a companion measure, H. B. 148, is not also approved.

H. B. 148 carries the legal artillery for the "freedom of information" bills. It fixes definite responsibility on certain officials for publishing records. If those officeholders fail to carry out this duty, they will be subject to removal from office.

This proposed law has real teeth in it; it allows no leeway. Conscientious officials will have nothing to fear, but woe to the "public servant" who would try to cover up incompetence or dishonesty through suppression of records.

## PAST DUE

It looks at long last as though the postman is going to get his raise. Passage by the House Civil Service committee of an average 7.2 percent pay boost bill that includes the major reclassification features asked by Postmaster General Summerfield, hastens the day for which so many have waited for so long. The Senate committee, which previously approved a 10 percent raise (without reclassification), however, will have to revise its ideas, according to Mr. Summerfield, or face a Presidential veto.

Here, whether we have to pay more for our stamps or not, is one spending bill that we believe the rank and file of Americans from border to border and coast to coast will approve of. The devotion to duty of those who get the mail through, safely and speedily, is matched only by the appreciation of their fellow citizens. We hope the Congressmen will show some speed too, and make the raise retroactive to January 1st.

## CRISIS IN THE GAS INDUSTRY

An official of the Sun Oil Company recently observed that the natural gas industry now faces a crisis so great that it could be disastrous for everyone concerned.

An official of the Ethyl Corporation, in a speech on the natural gas situation, said: "Freedom to produce competitively is the best way to assure an abundant supply. The Saturday Evening Post, at the end of a long

MAGGIE MCKENZIE, popular radio star of KGNC says, "Every woman knows light Karo is best for cooking... and on the table..."

it's Karo for me, the best-tasting waffle syrup of 'em all"

Yes, indeed... biscuits go like hot cakes when you pour on plenty of delicious Karo waffle syrup. There's nothing like it for good eating. Satisfyin' flavor. So rich it stands right up on top of biscuits (keeps 'em light and fluffy). Keep Karo on your table morning, noon and night... it tops anything!

Ask your grocer for Karo waffle syrup, in pints and quarts

critical editorial on federal controls on natural gas production, said: "Any move to impose regulation on an American industry should be supported by substantial evidence that a need for regulation exists and that the measures sought are consistent with the operation of a free economy."

No one is opposing regulation of natural gas service to consumers. That is a public utility operation and it is regulated as are all other public utility operations. The current crisis has followed a 5 to 3 Supreme Court decision holding that the Federal Power Commission has jurisdiction over the production and sale of gas at the wellhead. To produce natural gas, like oil is costly and extremely risky—the great majority of wildcat wells prove worthless. Then, if a gas is found, each producer must sell it in competition with all the other producers to publicly regulate utility companies. If on top of this a government agency is to have iron-clad authority over the producer, the end result is as inevitable as tomorrow morning—fewer wells will be drilled, less new gas will be found, and a gas shortage will follow.

If and when that happens, consumers will be the big losers. And that's why there's a strong and growing belief in Congress that gas producers must be freed from FPC regulation if this great industry is to continue to exist as a dynamic force in American life.

## GRASS ROOTS OPINION

CANNELTON, Ind. NEWS: "There is one thing we can do as good Americans. That is to keep ourselves as well informed as possible and do our part in helping mould a national program that will keep us free and our country's institutions out of peril."

KINGSLEY, Iowa, NEWS-TIMES: "The prices we pay for the food we eat are greatly affected by taxes. About \$1 out of every \$5 that a housewife spends on food goes for taxes of one kind or another. Americans today are paying out for more for taxes than for food, although as recently as 1939 the reverse was true. In 1954, the tax bill amounted to about \$85 billion, compared to \$64 billion for food; in 1939 taxes took only \$12½ billion, and \$15 billion went for food."

PORTLAND, Inr. GRAPHIC: "The Senate Labor and Public Welfare Committee recently heard William G. Garr, executive secretary of the National Education Association, testify in Washington, D. C. on the need for substantial help for school construction. He said what was needed was 'fact-facing,' not fact-finding.' We agree that facing the facts is exactly what we need here in the county but we'd like to see the county face and handle its own problems of expense without looking for federal aid."

## Burkburnett . . . . History

Revealed By Star Files 12 Years Ago...

Mrs. I. D. Russell left Thursday to visit relatives in Alabama and Florida.

# Don't say you can't afford a Mercury before you check the price of this one

Mercury's lowest-priced car—the 188-hp Custom 2-door 6-passenger Sedan—is shown above. Other models in the Custom series are: a 4-door Sedan, a hardtop Coupe, and a new 4-door all-metal 8-passenger Station Wagon.

Mercury's prices start below 13 models in the low-price field\*

\*Based on comparison of manufacturers' suggested list or factory retail prices.

AND LOOK AT THE EXTRA SIZE, BEAUTY, POWER, AND VALUE YOU GET

- Mercury is bigger than the "low-price" cars . . . in length, width, and wheelbase.
- You get exclusive styling—Mercury's stand-out styling is shared by no other car.
- You get high horsepower plus SUPER-TORQUE V-8 performance in every Mercury. (There is 188 horsepower in the Customs and Montereys, 198 horsepower in the ultra-smart Montclairs).
- There's a 4-barrel vacuum-operated carburetor standard on every model at no extra cost. You enjoy 2-barrel economy for normal driving, 4-barrel pickup for fast getaways and safer passing.
- Revolutionary new high-compression spark plugs provide top performance at all speeds—help prevent fouling and pre-ignition.
- You save when you buy. Compare our allowance on your present car. It's based on high-volume sales. We can be generous.
- You protect future trade-in value. Mercury consistently leads its field for resale value.

IT PAYS TO OWN A MERCURY—FOR FUTURE STYLING, SUPER POWER

## News From The Congress

By FRANK IKARD

Tuesday, March 22nd, will mark the beginning of hearings of the Committee on Interstate and Foreign Commerce dealing with the several bills, calling for the amendment of the Natural Gas Act. This will bring into sharp focus one of the most important questions to be decided this session of Congress. That is, it will be determined whether or not the Federal Power Commission shall continue to have jurisdiction over the regulation of the price of gas at the well where it is produced. To many, this may seem like a question that would involve only those people that were interested in the production of gas and that it in no way concerns the average citizen. Actually, nothing could be further from the truth. The legislation deals with the very fundamental principle of whether or not the Federal Government should have the power to regulate the price of a commodity at the point where it is produced. If it is finally decided by the Congress that the Commission should have this right as far as natural gas is concerned, then, of course, the Federal Government would have the same power with regard to the production of potatoes, wheat, corn, cotton, or the sale of shoes, or any other commodity. It would also be the first time that we have ever in our history approved of price fixing by a Government agency during peacetime, and it will be the first occasion that we have seen fit to regulate an industry which is not a monopoly, which is highly speculative in its nature, and in which no profit is assured. This might also mark the last fight for the States for their historic

rights that we have always considered were theirs under the Tenth Amendment of the Constitution. That is, the States' police power under which they regulate the traffic in the streets and license those who want to be doctors, lawyers, and most important, the power under which they conserve their natural resources. Unless Congress takes action to clearly define the power of the Federal Power Commission so that it will not include the control of the price of the sale of gas at the "well-head," we may well be seeing the end of the power and influence of such conservation bodies as the Texas Railroad Commission, which serves throughout the world as a model of what a conservation body should be wherever petroleum is produced.

I have introduced a bill, H. R. 3902, which would have the effect of so limiting the power of the Federal Power Commission. There are several other bills that will be considered by the Committee which will have the same effect as mine. It is my hope that the Committee will take favorable action immediately on one of these bills.

Visitors from home this week were Mr. and Mrs. H. R. Harwood, Mr. and Mrs. W. W. Ray, Mr. and Mrs. E. W. Jones, Mr. and Mrs. E. W. Cowling, Mr. John E. Burt, Jr., Mr. Herbert D. Flowers, Mr. Bert E. Hawkins, Mr. Jim Carpenter, Mr. H. F. Meyers, Jr., and Dr. L. V. Selz, all of Bridgeport.

The Navy's first airplane from a ship was in January 1911 from the battleship USS Pennsylvania

## Alvin R. Maxwell Re-Enlists In Navy

Alvin R. Maxwell, aviation electrician's mate first class, USN son of Mr. and Mrs. Freeland B. Maxwell of Route 1, Box 412 Burkburnett, Tex., re-enlisted in February for six years in U. S. Navy.

Maxwell, who entered the Navy in 1951, reported aboard from Fighter Squadron 152 in October, 1954. While attached to Fighter Squadron 152, he received two letters of commendation from his commanding officer for his participation in the accomplishments of his ship and squadron during the Korean campaign.

Before entering the Navy, Maxwell attended Midwestern University in Wichita Falls.

### Wedding Announcements At Star

## Mrs. W. C. Davis Hostess to B. W. C.

Fifteen business women of the First Baptist church met in the home of Mrs. W. C. Davis Monday evening for Bible study. Mrs. Luke Warren, chairman of the BWC, called the meeting to order by asking all to sing "He Leadeth Me." Then Mrs. R. P. Thaxton offered prayer. A short business meeting followed.

The Bible lesson was on the life of Christ and was very ably directed by Miss Jewel Reed.

At the close of the meeting, Mrs. Davis assisted by her daughter, served refreshments to Mesdames A. L. Scott, C. B. Beldon, Mable Aiken, D. M. Hoggard, W. A. Minick, Agnes Boyd, H. L. Lawrence, Claude Reed, Nola Thorpe, J. F. Kelly, R. P. Thaxton, Luke Warren, and Misses Jewel Reed and Hazel Wagener.

## No Pocket Money..

(or is it?) the way pockets seem to go bare just before the next payday rolls around! If you want to get ahead financially, better do your BEFORE you do your spending. Deposit a amount in your savings account the day you paid. Budget the balance to cover your expenses. If your pockets are empty on the morning of next payday, so what? You'll know that you've progress toward your financial goal, because you'd your saving IN ADVANCE.

W. W. Young, A. Zittenfeld, Felix Zomora, and the unknown spouses, devisees, legatees, partners...

That the Plaintiffs are resident citizens of Electra, Wichita County, Texas.

That the Defendant, J. W. Hendrick, lives in Winters, Runnels County, Texas...

You are hereby commanded to appear before the Honorable 30th District Court of Wichita County at the Court House...

That on or about the first day of January A. D. 1955, Plaintiffs were and still are the owners in fee simple of the following described land and premises...

Being more particularly described as Fifty (50) acres out of the West One-Half (W. 1-2) of SA&MGRY Co. Survey No. One (1), Abstract No. 275, Wichita County, Texas...

WHEREFORE Plaintiffs pray that the Defendants and each of them be cited to appear and answer herein as required by law...

answer herein as required by law, and that upon trial hereof Plaintiffs have judgement for the title and possession of the above described property...

SECOND COUNT 6. Plaintiffs further represent, in the alternative, that they, and those under whom they hold, have had and held peaceable, continuous and adverse possession, under title and color of title from and under the State of Texas...

7. The Plaintiffs further allege in the alternative that they and those whose title they hold, claiming the above described premises under deeds duly registered, have had peaceable, continuous and adverse possession of the lands and tenements hereinabove described...

8. Plaintiffs further allege in the alternative that they and those under whom they hold title, that they have had peaceable, continuous and adverse possession of the lands and tenements hereinabove described...

9. That Plaintiffs further allege, in the alternative that they, and those under whom they hold title, claiming under deeds purporting to convey the above described lands and tenements, which said deeds have at all times been duly recorded in the deed records of Wichita County, Texas...

10. The Plaintiffs further allege in the alternative, that the Defendants and each of them who hold some apparent record title to the lands and tenements hereinabove described have not exercised dominion over such lands, nor have they paid any taxes thereon for one or more years, including the period of twenty-five (25) years next preceding the filing of this suit...

That the State of Texas does not claim title to any of the above described land and tenements. Wherefore Plaintiffs pray the Court for the recovery of the title and possession of said land.

WHEREFORE PREMISES CONSIDERED, The Plaintiffs pray that the Defendants, and each of them, be cited to appear and answer this petition, and that the Plaintiffs have judgement for the title and possession of the above described premises, for their damages, for costs of suit, and for such other and further relief, in law and in equity, to which they may be justly entitled.

If this citation is not served within ninety days after the date of issuance, it shall be returned unserved.

The Officer executing this process shall promptly execute the same according to law and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Wichita Falls, Texas this 23rd day of February, A. D. 1955.

ATTEST: (SEAL) Flora Cobb, Clerk 30th District Court, Wichita County, Texas 33-41C

Mrs. James Roosevelt was awarded the Albert Einstein medal for humanitarianism in 1938.

Bluebonnet Club Met March 8th With Mrs. Louise Ratliff

Members of the Bluebonnet Garden club met in the home of Mrs. Louise Ratliff March 8th with Mrs. Earlyne Chambers as co-hostess.

The president, Mrs. Maude Teal, presided during the business session. The club voted to send the required amount of money from the treasury for the building of the Texas Wing of the National Garden Club building in St. Louis.

Mrs. Jessie Preston displayed a very beautiful amarilly plant which she has grown. Flower arrangements entitled Kitchen Glamour were made by Mesdames Icie Howard, Charles Boyd and Grace Markum.

After the program, the meeting was adjourned. Refreshments were served to 22 club members and three guests.

## News From The County Agent

Silage is the best insurance a livestock producer can have against drought, according to B. T. Haws, county agent. More dairy and beef cattle producers are putting up silage every year. According to reports from farmers in Wichita County silage crops will be increased this year.

In order to help these farmers two educational meetings have been planned by the county agent. On Monday night, March 14, beginning at 7:30 there will be a silage meeting held at the Town Hall in Burkburnett. Mr. Joe Patrick from Dallas will show a film on silage production. Mr. Lester Brooks, Supt. of the Iowa Park Experiment Station, will be the principal speaker. This meeting is being held in cooperation with the Burkburnett Chamber of Commerce and Mr. Bryan Farris, vocational agriculture teacher.

On Tuesday night, March 15, beginning at 7:30 there will be silage meeting held at the Valley Farms Community House. Mr. Dick Burleson, Dairyman from A&M College, will be the main speaker. Mr. Burleson is an authority on silage production. Mr. John Sibley, vocational agriculture teacher from Iowa Park is assisting the county agent with this meeting.

Refreshments will be served at both meetings. All farmers, ranchers and dairymen are invited to attend one, or both, meetings.

Wichita County cotton growers are busy preparing land for planting cotton. There will be approximately 6700 acres of cotton planted in the county this year, according to Bob Crocker, ASC secretary.

Cotton insect control is always an important part of cotton production. The 1955 cotton insect control leaflet prepared by the A&M College may be secured at the County Agent's office.

The hollow-cone type spray nozzle is superior to those which give a flat fan-shaped spray pattern for cotton insect control, says B. T. Haws, county agent. This finding emerged from three-year tests at the Texas Agricultural Experiment Station designed to determine the best type and nozzle arrangement for cotton bollworm and boll weevil control.

Hollow-Cone type nozzle gave better control of insects and subsequent higher cotton yields. Throughout the studies, sprayed plots yielded approximately half a bale more cotton an acre than untreated plots.

### Notice Of Sale Of Property

4 Room House, and a bath 111 AVE. F.

Sealed bids will be received in the Tax Office of the Burkburnett Public Schools until April 11, 4:00 p. m. for the above described property.

### Marjorie Landers To Become Bride Of Robert L. Booker

Mr. and Mrs. B. A. Landers of Burkburnett have announced the engagement and approaching marriage of their daughter, Marjorie Nell, to Robert Booker, son of Mrs. Thomas M. Booker and the late Mr. Booker of Humboldt, Tennessee.

Simple nuptial rites are scheduled for April 8, at the home of the bride's parents in Burkburnett. Mrs. Russell Landers, sister-in-law of the bride, or Ardmore Okla., will attend the bride as Matron of Honor. The groom's best man will be Mr. Russell Landers.

Miss Landers is a graduate of Texas State College for Women, Denton, and is employed in Wichita Falls by the Texas Education Agency. She has been active in Beta Sigma Phi work having served as Delta Nu Chapter president as well as held office in Faith City Council.

Mr. Booker attended the Nashville Technical Institute. He served seven years in the U. S. Air Force having served in the European Theatre during World War II and the Pacific Theatre during the Korean War. He has been discharged from the Air Force and is employed in Wichita Falls by Southwestern Drug Corporation.

Wash load after load

at 180 degree tank setting

Duo-Temp models provide both 180 degree and 130 degree water from the same tank!

## RUUD-ALCOA

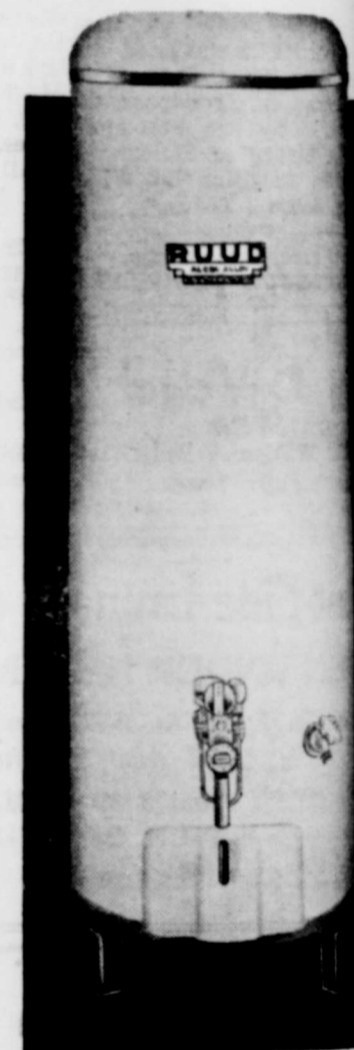

ALUMINUM ALLOY

## AUTOMATIC GAS WATER HEATER

keeps up with automatic washers

Gas is the fastest automatic fuel. Ruud-Alcoa takes full advantage of its tremendous speed . . . lets you wash as often as you want. And, there's always clean, rustfree hot water to spare! Laundry-rating's the secret! Water heater is matched to washer — measuring stick for hot water needs in most homes. The Ruud-Alcoa (and famous Ruud-Monel) are blanketed with heavy-duty insulation to minimize heat loss. Low-turbulence cold water injector and hi-speed automatic gas burners aid the fast, fast recovery rate! The 180 degree dial setting maintains 160 degree in-the-tub washer temperature!

Free laundry-rating information is available for you at Lone Star Gas. Call or drop by at your earliest convenience!

\$1 down AS LITTLE AS \$5.15 MONTHLY AT LONE STAR GAS

ALCOA-ALLOY PROVEN AS A DURABLE, RUSTFREE METAL!

You use Alcoa-Alloy every day! It withstands searing heat, rust. It's strong and durable. Liberal ten year tank guarantee protects investment.

160° WATER GETS CLOTHES REALLY CLEAN

## Dr. J. B. OHERN CHIROPRACTOR

Is Moving His Clinic from 201 Ave. D, Burkburnett

To 1713 Ninth Street, Wichita Falls, Texas

OPENING MARCH 14, 1955

World's best trucks!

- 50,000 miles in 50 days, without mechanical failure! That's the amazing record set by a Dodge pick-up with 145-hp. Power-Dome V-8 engine!
- 22 miles per gallon, carrying a 500-lb. load, using regular gas! That's the average of a Dodge V-8 pick-up in a 714-mile, AAA-supervised Economy Run!
- Dodge V-8 pick-up, AAA-supervised, climbed Pikes Peak in 20 minutes, 46.8 seconds . . . only a few seconds over the passenger car record.

- Operating economy and low maintenance were proved in tests mentioned above. You can save hundreds of dollars over the life of a Dodge truck!
- With all their championship performance, Dodge trucks are priced with the very lowest. And Dodge Truck dealers are noted for their fairness and their good deals.
- No matter what kind of a truck you need . . . light, medium or heavy . . . phone or visit your dependable Dodge Truck dealer this week.

World's best deals!

**First Baptist Church**

Church in Bible Study, 10:15 a. m. Teachers faithfully provide for all ages. We are cordially invited to this school of the church. Enrollment in the school are to be in attendance this day.

Church at Worship, 10:55 a. m. Sermon: "The Great and Invitation." Good Gospel

ANN STEWART, Pastor

**Future Business Leaders Club**

Mrs. H. J. Powell, and Miss Reba Shipman and Miss Margaret McDonald attended the third annual State Convention of the Future Business Leaders of America which was held on the NTSC campus at Denton, last Friday and Saturday.

The girls were sent as voting delegates of our Burkburnett chapter 889. Mrs. Powell and Mrs. Baker co-sponsor this organization.

Miss McDonald was interviewed by one of the business men from the Ft. Worth NOMA chapter as a candidate for Miss Executive of 1955.

The three attended the business sessions, the banquet, and the talent show. The girls attended the sectional meeting of interest to them "Careers after High School" while the sponsors attended the sponsors meeting.

We were guests in Bruce Hall, Friday night, and the girls enjoyed every minute of the convention.

**Sidney Askins Hostess March 14th Modern Study Club**

The Modern Study club met in the home of Mrs. Sidney Askins March 14.

Meeting was called to order and roll call was answered by current events. Minutes of the previous meeting were read and approved.

One new member was accepted by the club.

It was decided to spend \$75.00 for equipment for the firemen.

An interesting program on Madam Chung Kia Shek was given by Rita Hudson.

Door prize was won by Verna Carroll.

Delightful refreshments were served to thirteen attending members.

Rita Hudson, Reporter

**Wesleyan Service Guild Met Monday**

The Wesleyan Service Guild met Monday night, March 14th 7:30 p. m. in the Wesley room of the First Methodist church for a regular meeting with Mrs. Henry and Mrs. Felgar as co-hostesses.

Opening prayer by Mrs. Felgar.

Mrs. Estella Martin was in charge of a short business session at which time a report of the nominating committee was given by Mrs. L. Duvall.

Mrs. Savage brought a very inspiring program, the continuation of our study "Women of the Bible," the fourth and fifth chapters. Mrs. Savage also read a most interesting letter from her nephew who is doing missionary work in northwest Oregon's Redwood Forest. She told of his work in organizing churches and teaching about Christ.

Delicious refreshments were served to Mesdames Martin, Felgar, Jim Pirtle, Savage, Joe Nichols, Duvall, Henry and Madel Ellis.

**Calvary Baptist Church**

College and Ave. B

Sunday School at 10:00 A. M. The lesson is Exodus, Chapter 34, The Tables of the Law Renewed. There is a class and competent teacher for every age.

Preaching Service at 11:00 A. M. The pastor's message will be Getting Acquainted with Christ. Philippians 3:10.

Young People meet at 7:00 P. M. Mrs. Francis Chapman is leader.

Night preaching service at 7:00 P. M. The pastor's message will deal with this question, "Would you like to see the glory of God?" Scripture text is Exodus 33:18.

There is a warm welcome for you at Calvary Baptist, the friendly church with the old time message from the old time book. Come as you are and hear the word as it is.

**Lt. Ralph Shahans Honored at Dinner**

Mr. and Mrs. O. B. Wofford honored Lieut. and Mrs. Ralph Shahans and little daughter, Pam of Ft. Bragg, N. C. with a six o'clock dinner Thursday, March 10th in their home.

Decorations were used to carry out the theme, the Air of Spring.

Other guests attending were Mr. and Mrs. A. J. Willis, Ryan, Okla.; Mr. and Mrs. J. W. Allen, Mr. and Mrs. T. Guy Willis, Mr. and Mrs. B. O. Willis and little Miss Judy Crosley, all of Burkburnett. Others invited but unable to attend were Mrs. Nura Jordan of Graham, Texas, mother of Mrs. Shahans, and Dr. and Mrs. Philip Carpenter of Burkburnett.

**Mrs. Pirtle Hostess Council of Children's Workers March 9th**

The Council of Children's Workers of the Methodist church met Wednesday, March 9th, at 7:30 p. m. for their monthly meeting in the home of Mrs. Jim Pirtle.

A very inspiring devotional service was given by Mrs. Marvin McDonald.

The council chairman, Mrs. A. A. McKinnis, presided over the business. Reports and needs of the various departments were discussed.

Refreshments were served to: Mesdames A. A. McKinnis, R. D. Revier, Marvin McDonald, Truett Majors, W. H. Morris, Joe Nichols, Reagan, Julia Boyd, Miss Nell Grady, Kenneth Tucker and the hostess, Mrs. Pirtle.

**Tedman-Schroeder To Wed In Kansas Sun., March 27th**

Mr. and Mrs. Ned Hofford of Wichita, Kans., are announcing the engagement and approaching marriage of their daughter, Miss Deanna Tedman, to Mr. Raymond Schroeder, son of Mr. and Mrs. Emil Schroeder of Burk.

The couple has selected March 27th, 3:00 p. m. as their wedding date and the ceremony will be performed in St. Paul's Lutheran church in Haven, Kansas.

After a honeymoon trip to California, the couple plan to establish their home in Burkburnett.

**Henderson-Graves United In Marriage**

Miss Mary Jean Henderson and Walter Kenneth Graves were united in marriage on Monday night, March 14th at Grandfield, Okla.

Mary Jean is the daughter of Mr. and Mrs. O. D. Henderson of Burkburnett and Mr. Graves is the son of Mr. and Mrs. W. C. Graves of Vernon, Texas.

Mr. Graves is stationed at Camp Gordon, Ga., with the army and the couple will make their home there until his discharge sometime in November.

**Tedman-Schroeder To Wed In Kansas Sun., March 27th**

Mr. and Mrs. Ned Hofford of Wichita, Kans., are announcing the engagement and approaching marriage of their daughter, Miss Deanna Tedman, to Mr. Raymond Schroeder, son of Mr. and Mrs. Emil Schroeder of Burk.

The couple has selected March 27th, 3:00 p. m. as their wedding date and the ceremony will be performed in St. Paul's Lutheran church in Haven, Kansas.

After a honeymoon trip to California, the couple plan to establish their home in Burkburnett.

**OLD BATTERIES CAN HELP YOU HEAR**

**SMILE OF TRIUMPH**

**RADIANT SMILE OF TRIUMPH** spreads across the happy face of Manuel Greigo as he tries out his new artificial limbs at the Texas Scottish Rite Hospital for Crippled Children in Dallas. The 13-year-old San Antonio boy lost both legs in a rock quarry accident last year and doctors were dubious whether Manuel could wear artificial limbs, since the amputations were almost at the hip line. Another great triumph was scored last week at the hospital when the homeless boy found he could walk again. At the left, Manuel is shown as he entered the Masonic-sponsored hospital last September and being received by Mrs. Alma Power, superintendent. At the right he wears a proud smile for John McKee, president, and Walter Mints, secretary of the Scottish Rite Hospital.

Home Builders Club Of Randlett Met In Purk Davis Home

The Randlett Home Builders club met March 8th in the home of Mrs. Purk Davis with twenty three present and each member bringing a covered dish. The day was spent quilting. At noon, lunch was served in buffet style to the following ladies, Mesdames Bernice Parker and Susie, Ethyl Shaw, Ted Brown, Carmon Shaw and Darlene, Agnes Shaw, Una Bowman, Bessie Milam, Wanda Williams, and Emma Jewel, Jeannette Brown, Weida Wilkison, Toni Jo and Bobby, Lucy Hurst, Etta Williams, Bertha Johnson, Phronia Kinnard, Ima Williams and Mark Turner, Manda Warren, Loreta Postelwait, Mrs. J. L. Jones, and four visitors, Mrs. Madge Byars, Rita Henderson, Lucille Parks, John Martin, Jr., and Johnette. Our next club meeting will be March 22nd at the home of Mrs. Bertha Johnson.

DEVOL NEWS Mrs. C. O. WOODLEY

Devol will hold the regular school election Tuesday, March 22nd according to information received from Mr. L. M. Osborn, principal. There will also be an election on the transportation issue at this time. All voters of this community are urged to come and vote. An 8 pound son, Gary Parker Randall, was born Saturday, March 12th to Mr. and Mrs. Wayne Randall of Long Beach, Calif., but formerly of this community. Lawrence Lemond left Saturday for the west coast where he will be employed. Mr. and Mrs. Jack Patrick and children visited relatives in Wichita Falls Saturday. Mr. and Mrs. W. P. McDowell of Grandfield, Mr. and Mrs. Jack McDowell and Larry of Lawton and Seaman George A. McDowell of San Diego, Calif., spent Sunday with O. C. Chambers and family. Guests in the home of Mr. and Mrs. Vernon Speir Thursday evening to help celebrate their 26th wedding anniversary were Dr. and Mrs. L. M. White and children of Lawton, Mr. and Mrs. K. B. Uthe of Grandfield, Mr. and Mrs. R. A. Odom and Mr. and Mrs. P. L. Smith. Mrs. H. B. Boston underwent eye surgery Monday in the General Hospital in Wichita Falls. Mr. and Mrs. R. L. Patty of Comanche were guests Tuesday of Mr. and Mrs. Charlie Hawhee and Mr. and Mrs. Jack McCasland. Mr. and Mrs. Walter Frye, Mrs. Ethel McCasland and Mrs. Anne Hainline attended an OES school of instruction Friday in Walters.

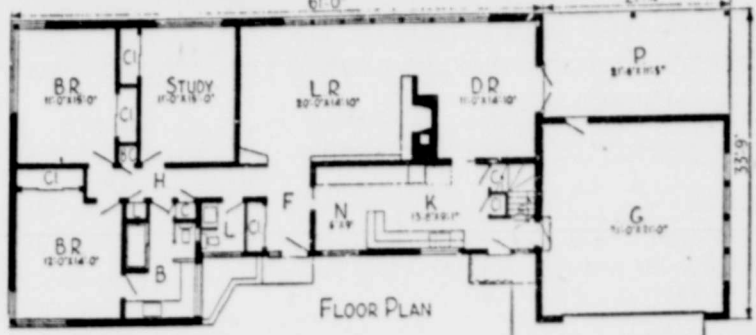

Mrs. Willie Cozby spent the weekend with Mrs. Winnie Bezzell in Temple.

Mrs. Dolly Hardin spent last week with her daughter, Mrs. Elbert Zink & family in Carmi, Ill. She was accompanied by another daughter, Miss Dolly Fae Hardin of Dallas. Due to a change in the plan for the revival to be held soon in the local Baptist church, Rev. Don Scott of the Chapel Memorial Baptist church in Okla. City, will conduct services for the revival beginning March 27 and continuing thru April 10, instead of Rev. Guy Small of Dallas who is unavailable at the present. Mr. and Mrs. J. H. Patterson and daughter Juanita of Amherst Tex., were visitors in the C. O. Woodley home Sunday. Bob Hinkle underwent surgery in a Wichita Falls hospital Monday.

Current Literature Club Met March 11

Texas Day was the theme of the March 11th meeting of the Current Literature club which was held in the home of Mrs. F. G. Jeffers with Mrs. F. M. McMurtry as hostess. The president, Mrs. Jeffers called the meeting to order then the club collect was read. Miss Ella Billingslea gave the minutes. The treasurer's report was given by Mrs. Francis Kauer and the correspondence read by Mrs. Fred Hunt. The leader for the day was Mrs. Fred Hunt. Mrs. W. C. Vann prepared the paper on Oveta Culp Hobby; Mrs. W. W. Chambers, Sam Rayburn and Price Daniels; Mrs. Ralph White, Lyndon Johnson and Robert Anderson.

Informal but Private

Despite an informal look both inside and out, this three-bedroom ranch home is carefully planned to give utmost privacy and convenience. It is Plan AB200N of American Builder magazine, 79 W. Monroe St., Chicago 3. Living and dining areas, which share a long wall of windows, face the rear, so that passersby cannot see in from the street. A large window-enclosed porch is also at the rear. Facing the street are a bedroom, large L-shaped bathroom, kitchen-dinette, and two-car garage. The generous-sized rooms of the sleeping, living, and kitchen areas are conveniently accessible to the entrance and hall. There is a powder room just off the entrance foyer. One of the bedrooms doubles as a study. A fireplace and wall of Roman brick partially separate the living and dining areas. The ceiling in these two rooms is sloped. The eye-catching roof of white asphalt shingles has long sweeping lines and wide overhangs. Creating an illusion, the light-colored roof makes the house seem larger than it is. Stairs at one end of the kitchen lead to a large basement containing the furnace, laundry, and a recreation room with a fireplace. The dwelling has a floor area of 2,462 square feet, including porch and garage. This figure is helpful in estimating construction cost. (Detailed building plans are available from American Builder Home Plan Service, 79 West Monroe St., Chicago 3. Refer to Plan No. AB200N.)

Texas Safety Association

"Traffic law violators are accident makers!" Mr. R. B. Roaper, Chief Safety Engineer, Humble Oil and Refining Company, Houston, and President, Texas Safety Association, made this statement today and he backed it up with some convincing statistics. "National Safety Council records show that in 1953, 82 percent of the fatal accidents involved violations of traffic laws by one or more drivers," Mr. Roaper said. These figures prove conclusively that traffic accidents don't happen they are caused, and that they are often caused by willful disobedience or carelessness. Mr. Roaper made this statement as he urged all drivers to cooperate with the know and obey traffic laws program which is being sponsored in Texas this month by the Texas Safety Association, the Texas Dept. of Public Safety, and the National Safety Council. We need the support of the whole state in building greater

respect for law," Mr. Roaper said. The law enforcement agencies can't do the job alone. Mr. Roaper pointed out that the time to stop an accident before it happens, is before it starts in order to do this, we must know the law. A driver who does the law, even though he is well, can foul up traffic badly. Mr. Roaper said that goes for pedestrians. Mr. Roaper advised people to know traffic laws, to know what is expected of them, but also to expect from them. The recklessness of pedestrians and motorists is a major traffic accident problem, Mr. Roaper said. Until each person assumes his responsibility and drive carefully, we hope to cut down on accidents. Mr. and Mrs. Wayne of Long Beach, Calif., proud parents of a boy born March 12th, have been named Gary Parker Randall in honor of Mr. and Mrs. Miss June Taylor of San Antonio Grandparents of the boy are Mr. and Mrs. Hainline and Mr. and Mrs. T. P. of Burkburnett.

Make Your Wish for  
**WASHER WASH DAYS**  
Come True  
with an electric  
**CLOTHES DRYER**

If you wish that washing wasn't such a chore? It isn't, when you dry clothes automatically in an electric clothes dryer. Wash day is an easy day. Simply take clothes from the washer and put them into your electric dryer, set the dial and be on your way to other things. Electric drying is easier on you... no lugging heavy baskets, stooping and stretching at the clothesline, wishing the day were warmer or the dust weren't blowing. Electric drying is easier on your clothes, too, for they stay pretty longer when they are not exposed to harsh sun fading and wind whipping... when they are dried gently by clean electric heat.

Choose the automatic electric dryer that makes wash day an easy day, at your favorite electric appliance store now.

## Are you a "Do-It-Yourself" Driver?

Or would you rather be waited on hand and foot?

Rather shift for yourself... or let Powerglide do it?

Shifting's smooth and easy with Chevrolet's new and finer Synchro-Mesh transmission. A flick of your wrist is all it takes to shift gears.

Powerglide, too, is better than ever this year. Even smoother and sturdier. It's the most popular automatic transmission\* in Chevrolet's field!

Rather roll your own... or just push a button?

Chevrolet gives you separate crank controls both for windows and ventpanes. It's one of many extra conveniences in Chevrolet's Body by Fisher.

Your fingertip adjusts all four windows with automatic window and seat controls.\* Are available on all Bel Air and "Two-Ten" models.

Position the seat yourself... or let electricity do it?

Chevrolet's big, beautifully upholstered front seat moves up and forward or down and back into your most comfortable driving position.

No worry about your battery in a new Chevrolet. It's the only car in its field with the reserve power of a 12-volt electrical system!

Apply the brakes like this... or have power make it easier?

Improved brakes and new swing-type pedals make stopping a cinch. And Chevrolet's exclusive Anti-Dive control gives you "heads up" stops!

Want standard steering... or extra-easy Power Steering?

Try this easy new Chevrolet steering. Only Chevrolet and some higher-priced cars use a ball bearing system to cut friction to a minimum.

Chevrolet Power Brakes\* are better than ever this year—let you stop by a simple pivot of your foot from accelerator to swing type brake pedal.

There's nothing quite so easy as Power Steering, of course. Good news: Chevrolet's new linkage-type Power Steering\* carries a reduced price!

**Automatically—**

Chevrolet's stealing the thunder from the high-priced cars!

What's a high-priced car got that Chevrolet hasn't? Not automatic power features. Not style—just look below. Not performance—just try out Chevrolet's new V8 or one of the new 6's. Not ride

—perhaps the thing that will surprise you most is Chevrolet's fine, solid feel on the road. Come put it to the test. See how Chevrolet's stealing the thunder from the high-priced cars in every way!

*\*Optional at extra cost.*

motoramic  
**CHEVROLET**

The Bel Air 4-Door Sedan. You'll find your favorite model among Chevrolet's complete line of Fisher Body beauties.

**— INCOME TAX FACTS No. 8 —**  
**New Savings for Investors, Farmers and Businessmen**

(This is one of a series of articles on income tax changes. The articles are based on information provided by the American Institute of Accountants and the Texas Society of Certified Public Accountants.)

Investors, businessmen, and farmers all benefit from some of the thousands of changes affecting the taxes you pay this year. These changes, for the most part, apply to the entire tax year of 1954. These articles apply to the taxpayer who reports for the calendar year and who keeps his books on a cash basis. Taxpayers who are on the accrual basis or who use a fiscal year not ending on December 31 should pay particular attention to the official instructions and get qualified assistance if needed.

**Taxing of Investments**  
 The chief benefit for investors this year is the reduction of tax on dividends. It allows the stockholder to receive 50% of dividends tax free and get a credit against his tax equal to 4% of the remaining dividends received after July 31, 1954, subject to certain limitations.

Interest on bonds, except those which are tax exempt, must be reported as income and there is no credit as in the case of dividends. There is a reduction in the maximum rate on long-term capital gains from 26% to 25%. This means that individual taxpayers during tax years starting after October 1953 need pay no more than 25% tax on net long-term capital gains (after subtracting net short-term capital losses) regardless of their tax bracket for ordinary income. Capital gains or losses result from most sales of securities or other assets. They are classified as long-term if the asset has been held longer than six months, otherwise short-term. Net short-term capital gains are taxed at the same rate as ordinary income.

If you had capital gains or losses, read the official instructions carefully. A point to remember for future use, however, is that selling an asset at a profit within six months may cost you twice the tax you would pay if you held it more than six months.

**Farmers Have Special Forms**  
 A special form, 1040-F, must be used by all farmers reporting on a cash basis and may be used by farmers on accrual basis. Detailed instructions are given on the back of this form.

A major change this year allows a farmer to take a deduction for soil and water conservation expenses up to 25% of his gross income from farming.

**Additional Information**  
 Be sure to read the official instructions. You can also get help from the Internal Revenue Service, which urges you to consult only qualified advisers.

(Final article of the series.)

**House Bill No. 7 and Senate Bill No. 49 Should Not Pass**

Another determined and all out effort is being made by Texas Independent Producers and Royalty Owners Association, and others to secure passage of a bill by our State Legislature, which would give our Texas Railroad Commission power to set minimum gas rate prices at the well head in order to prevent what these producers choose to call economic waste. There is, of course, no such waste, and they know it. In fact, there is no substantial waste of gas in this state, and they know that also. It is simply an adroit and insidious method to permit producers to break present contracts with pipeline companies, including transmission and distributing concerns supplying our Texas public and industry. These same producers are complaining bitterly over a recent US Supreme Court decision holding that Federal Power Commission does have regulatory power over the price of gas at the well, so that burner tip rates can be fairly regulated in the interest of the gas consuming public. They are making an attempt to have Congress re-define the power of the Federal Power Commission to exclude any regulation of well head prices. So, these producers are in the inconsistent and untenable position of screaming loudly in Washington that there should be a free competitive market on selling gas at the well head, that any other method is Socialistic, and violates the sanctity of contracts, but in Texas they want legislation to permit them to break contracts, to stifle competition, and to provide them a high minimum price but no maximum, leaving regulation in the consumer's interest to apply only to the pipe line and distributing companies serving the public. These latter concerns are already regulated and any increased cost of gas at the well head must, of course, be passed on to the ultimate users.

Should this bill become a law in Texas, there is no way of knowing what minimum prices may be set. Most assuredly, the

producers and royalty owners of Texas are an extremely large and powerful group, and the minimum price could conceivably be raised to the 20 or even 25 cents per thousand cubic feet, or more, which many of these producers have been talking about. This would result in not only more than doubling industrial rates in Texas immediately but it would hurdle Texas distributing companies into the necessity of applying for drastically increased residential and commercial rates. These producers thru Texas Independent Producers and Royalty Owners Association are spending tremendous sums of money in advertising and other methods, much of which is misrepresentation and erroneous. They attempt to persuade the unwary, with much window dressing, that H. B. 7 and S. B. 49 are conservation measures, and in the public interest, when they most definitely are not, and they know it. Texas already has strong, effective, and highly satisfactory gas conservation laws. These proposed bills are big money bills, not conservation measures, and are in the producers and royalty owners interest only, with tremendous profits accruing to them, which profits will be paid from the pockets of gas users. Section 8 of these identical bills empowers the Railroad Commission to determine the value or values required to be received for or attributed to gas produced from any well, field, or area of a field in this State in order to prevent economic waste, and prevents the taking or use of any gas in violation of any such determination.

The determination of value is, of course, the fixation of price and certainly this is not debatable. If these producers are successful in obtaining passage of this bill and induce the Railroad Commission to set a value of even 20 cents per thousand cubic feet at the well as a minimum price for gas, just 40 of the larger gas producers would receive 29 million dollars in additional annual revenue, based

**STYLED FOR RUGGEDNESS**

In an unusual styling departure, Chevrolet gives its styling of 1955 truck models distinctive designs. This is the front end of the heavy-duty models with a single massive element—the grille. Roomier cabs, increased visibility and "Safety" among scores of improvements to all the 75 models on 13

on their 1954 sales. Who would pay this bill? The gas consuming industries and the general public. Texas people and Texas industries would pay approximately one half of the staggering total. The obtaining of new industries in Texas would be dealt a death blow on account of high priced fuel. Further, no Texas gas distributing company could possibly afford to make sales contracts for industries for more than a month at a time.

Most natural gas pipe line and distributing companies are doing everything possible to prevent passage of these bills to protect their customers, but unless Texas Industries, Chambers of Commerce, City Officials, and Gas Customers generally write visit, telephone, or telegram their Legislator, the powerful interests who have so many millions to gain, may prevail and Texas Industries and the Public will pay skyrocketing fuel bills.

In the great Seal of the United States the strips or pales represent the states of the nation.

**Your Biggest Bargain . . .**

Years ago, practically all that a Prescription could do was to alleviate the patient's pains and make him a little more comfortable—while Nature did a slow job of curing the ailment. But today's Prescription, containing wonder drugs completely unknown years ago, cures the ailment in hours, not weeks . . . keeps the patient out of the hospital or gets him out after only a few days . . . and puts him back on his feet in a hurry.

**THAT'S WHY WE SAY . . . Today's Prescription Is The Biggest Bargain In History!**
