"And the angel answered and said unto the women, Fear not ye: for I know that ye seek Jesus, which was crucified.

He is not here: for He is risen, as He said, Come, see the place where the Lord lay."

Matthew 28: 5-6

Services Were Mon. In Florida For J. L. Whitaker

Word has been received here of the death of Mr. J. L. Whitaker of Daytona Beach, Florida. He died Friday and was buried there Monday.

The best time to overcome a bad temper is before it gains control.

Gospel Meeting At Church of Christ April 8 Thru 15th

You are cordially invited to hear Evangelist Leon Odum of Iowa Park in a series of gospel meetings at the Church of Christ 204 S. Ave. C. in Burkburnett, beginning Sunday, April 8th and continuing through the 15th. Congregational singing led by Austin Bulla. Services begin each evening at 7:30 p. m.

Louis Cashwheeler Died Here Wed.

Funeral services for Louis R. Cashwheeler, 62-year old business man will be held at the church of Christ in Grandfield, Oklahoma, at 3 p. m. Sunday, April 1st.

Born Dec. 19, 1893, in Campbell, Mo., Cashwheeler moved to Oklahoma City, Okla., while a young man then to Grandfield, Okla., after serving in the armed forces.

He was a resident here since 1938 and opened Louis' Drive Inn Cafe on Berry St. in 1952. Cashwheeler and his wife, Lillie had operated the business since its opening.

Cashwheeler was a Mason, a member of the American Legion and a member of the First Methodist church in Bloomfield, Mo.

Survivors are his wife; one daughter, Mrs. Carl Senkbeil of French Morocco, North Africa; a granddaughter, Mrs. James A. Greene of Norman, Oklahoma, two great-grandchildren; his foster mother, Mrs. Addie Tedrick, Oklahoma City; and two sisters, Mrs. Louie Sands and Mrs. Jim Hollingsworth, both of Urbana, Ill.

Burk Schedules Red Cross Drive

Members of the Burkburnett Red Cross Committee met Thursday afternoon with G. E. Clevenger, secretary of the Wichita County Chapter, to make plans for the annual Red Cross Fund Drive in the Burkburnett area.

J. V. Brookshear, Chairman of the local group, presided with several Board members present.

John Page, Western Auto Associate Store owner, here accepted the chairmanship of the drive and will have several co-chairmen to help.

Plans were made for the drive to get under way on April 6th with workers to be assigned to definite areas. Cooperation of local clubs, Boy Scouts and other agencies will be enlisted with a view toward completing the work in the shortest possible time.

Mr. and Mrs. G. W. Evinger of Okla. City and Mr. and Mrs. W. L. Schoolcraft of Ralls, Tex., visited Mr. and Mrs. Luther Caffee last week. Mrs. Evinger and Mrs. Schoolcraft are sisters of Mrs. Caffee.

Mr. and Mrs. Winston Freeman and children and Mr. Lee Johnson and Charlotte visited Mr. and Mrs. Don Howard and new baby daughter in Pasadena, Tex. over the weekend.

GET YOUR BEDDING PLANTS AT MRS. GILBERT'S FLOWERS

Hamilton Rites To Be Held Friday

Funeral services will be conducted at 3:00 P. M. Friday for Warner Lee (Red) Hamilton, Burkburnett resident since 1900, who died in a Wichita Falls hospital Tuesday night.

Rites will be conducted from the Thrift Memorial Baptist Church with the pastor, Rev. Marion Baker, officiating. Interment will be in the Burkburnett Cemetery, under direction of the Owens & Brumley Funeral Home.

An oil field worker for many years, Hamilton is survived by the widow; one son, W. L. Hamilton, Jr., of Burkburnett; one daughter, Mrs. Lloyd Potts of Burkburnett; the mother, Mrs. Sam Stith of Eldon, Mo.; one brother, Carl of West Plains, Mo., and a sister, Mrs. Wayne Stutsman of Montreal, Mo.; and one grandchild.

City Election Set For Tues., Apr. 3rd

Three City Commissioners are to be elected next Tuesday, April 3rd. Balloting will be at the City Hall.

H. D. Smith and R. L. Eidson are running for re-election. Gene Robertson, whose term also expired, declined to run.

Others in the race are John W. Brookman, J. H. Cecil, C. A. West, C. J. Lippard and C. D. Gee.

New Boy Scout Troop Formed

A new Boy Scout Troop will blossom here under the sponsorship of American Legion Post 264. Legionnaires voted unanimously in favor of the project Thursday night.

It is hoped the new troop will help alleviate overcrowded conditions caused by the existence of only one troop in town and the enthusiasm of swarms of youngsters.

Ray Matherly, charter scoutmaster of Troop 155 in 1949 and three years its leader, will direct activities for the new and yet-to-be-named Legion Troop 155 sponsored by the First Methodist church, is guided by I. C. Evans, grade school principal.

The new troop's leaders and participants will be selected at an organizational meeting at 7:30 p. m. Tuesday at American Legion Hall. It is expected that children, parents and community leaders will be on hand.

Jim Johnson of Wichita Falls, executive of Northwest Texas Boy Scout Council, commended the Legion for its move and explained the details of organization. He reminded members of their obligation to youth and said he was hopeful they would receive co-operation from every quarter.

Commander Huron Thaxton was pleased by the unanimous vote. He had pushed the program for several months. Support was promised also by Bill Haws, executive of Comanche District of Scouts, who pointed out that parents and civic leaders will undoubtedly support the new troop.

Commander Bob Ozee of Post 169, Wichita Falls, took time out to speak on the formation of Civil Defense Disaster and Rescue teams and Bernie Arnold, Thirteenth Legion District Commander, commended the post for having exceeded its membership quota for 1955.

A guest at the meeting was W. E. Lowery of Electra.

ROTARY CLUB

Each Tuesday Noon
Town Hall

Forty-eight were in attendance Tuesday at the noon luncheon. George McClarty led the singing.

Paul Browning was in charge of the program and conducted a quiz program pertaining to Rotary which proved very interesting.

George Byerly will bring the program next week.

Ray Watson was a guest of Hugh Preston; Bill Hilliard of Wichita Falls, Sears & Roebuck, guest of B. H. Alexander; Lieut. W. J. White of Wichita Falls highway patrol, guest of K. B. Hallmark.

For Printing, Call The Star, 52

John Page Is Burk Red Cross Chm.

The drive is set for Friday, April 6th, and leaders hope to complete it in three days. Page in consultation with Red Cross board members here, is preparing a list of co-chairman to give the campaign leadership.

Red Cross services include the Wichita County blood bank, service to the Armed Forces, disaster needs and safety training. The blood program is certain to be stressed. Residents of Burkburnett use about 210 pints of blood a year for its more than 7,000 population.

No patient pays for Red Cross blood. The blood is given by friends and relatives and processed by the Red Cross. But the hospital does make a nominal charge for its services in transfusing the blood.

Once a year the Red Cross puts on a drive for funds with which to operate the blood bank and other services. It costs the Red Cross in Wichita County blood bank about five dollars a pint to collect the blood in special containers, process it and deliver it to the hospital. Thus in 1955 Red Cross spent \$1,050, in preparing blood used by Burkburnett residents.

School Trustee Election April 7th

Trustee election, Saturday, April 7th, three trustees to be elected with the following certifying for their names to be placed on the ballot: Herman Y. Miller, Clyde (Huck) McDonnell, Raymond L. Schuette, J. L. Mitchell, Weldon Nix and W. T. Zimmerman. Other board members whose terms expired are Truman Garland and F. T. Felty.

Mr. Herman Y. Miller is seeking re-election. The following are other board members serving on the school board: Howard Henderson, A. J. Muller, Archie Faulk and Newton Crane.

Easter Anthem At First Baptist Sun. by Youth Choir

The Youth Choir of the First Baptist church will present special Easter music Sunday morning, April 1st. During the worship services, the anthem He Lives by A. H. Ackley will be the theme which will include Let The Beauty of Jesus Be Seen In Me with Hondells Hallelujah chorus for the finale.

The people of Burkburnett are invited to attend Sunday school at 9:45 a. m. and the morning worship services at 10:50 a. m. for an inspiring message and the presentation by the Youth Choir.

FFA Banquet Set for Tonight

Royce Bodiford of Millsap, Texas, state president of FFA, will be the main speaker at the Burkburnett chapter's annual banquet Thursday at 7:30 P. M. in the public school cafeteria.

Program will feature a series of awards including the achievement trophy to be given to the outstanding boy of the year; chapter star farmer award to the boy who has achieved the most from his project; public speaking; farm mechanics; electrification; dairy farming; and soil and water conservation awards.

Billy Ray Mize will be master of ceremonies and Alex Mills will give the invocation while Otis Waddell will make the opening address.

Leslie Kasper, chapter sentinel, will present the seven foundation awards, and Norman Morgan will introduce special guests, John Sibley of Iowa Park and Ray Bailey of Electra, chapter presidents of the respective schools.

Banquet tables will be arranged and decorated in the Easter theme by boys of Burkburnett Public Schools and Miss Carole Benton will offer appropriate music through the dinner hour.

About 130 members and guests are expected to attend.

Mrs. L. L. Millikin has been returned to her home here after undergoing major surgery recently in a Wichita Falls hospital. She is reported to be improving nicely.

Ground Observer Corps Meeting at Legion Hall Tonite

Tonight at the American Legion Hall at 8 o'clock there will be an important meeting for the purpose of organizing a Ground Observer Corps Post here in Burkburnett. All those interested in this project are invited to attend.

The desired organization of posts is set up for the requirement of a minimum of 8 posts per thousand square miles, and up to as many as 16 per thousand square miles. Tests have indicated that a post every eight miles will adequately serve for low level surveillance. With such a fence around our country and vital defense areas, aggressor aircraft would find it impossible to sneak in on a low level attack.

Each post is further organized with one Supervisor per post, one Chief Observer and when fully manned, would have 84 volunteer observers.

The basic unit of the Ground Observer Corps is an observation post consisting of an observer and a telephone. These two elements may be in an elaborate observation tower; they may be in a store of filing station; or they may be in a farm house. When the observer sees or hears an airplane, he or she telephones the information to a filter center, where other volunteers plot and analyze the report. If they cannot identify the airplane as one that belongs in that area at that time, they pass the information along to the radar station. Heavily armed fighter-interceptor aircraft are ready to take off to intercept the unidentified aircraft in less than five minutes.

There are presently 72 Filter Centers in the United States where reports on aircraft are received, plotted and relayed to radar control stations. The Filter Centers under the 33rd Aid Division (Defense) in Texas are at the following locations: Dallas, San Antonio, Corpus Christi and Houston.

Student Honors Are Announced

Mrs. Treva Finley announced the names of the students who received the honors of Best-All Round Boy and Girl, Most Studious Boy and Girl, and Who's Who.

Miss Pat Bernethy and Alden Smith were named Best All-Round Boy and Girl. Both Pat and Alden have been active in student government, interscholastic league events, and sports.

Most Studious Boy and Girl are Louise Boyd and Bill Garland. Bill and Louie have been honor students throughout their school careers.

Marilyn Felty, Pat Bernethy, Louise Boyd, Wanda Redman, Gary McDonnell, Alden Smith are the six students in Who's Who. All of these students have done outstanding school work and have been active in student activities.

R. E. Solomon, 54 Dies at Randlett

R. E. Solomon, 54, was found dead by his wife when she came home from work from the school cafeteria Monday afternoon. He had been in ill health with a heart ailment the past few months.

Solomon had lived here since 1907 and had farmed until 10 years ago when he was employed by the highway department.

Survivors include his wife; one daughter, Bonnie; two sons, Ross Edgar of Hobbs, New Mexico and Bobby who lives in Arkansas; a sister, Mrs. H. E. Reynolds of Fort Sumner, New Mexico and one brother, Ernest.

Funeral rites were held Wednesday in Randlett.

Guests in the home of Mr. and Mrs. Roy T. Magers last week were Mr. and Mrs. S. S. Adair, Minneapolis, Minn.; Mr. and Mrs. K. B. Adair, Fort Worth, and Mrs. D. W. Cooper, Chico. The Adairs are Mrs. Magers' brothers, Mrs. Cooper her mother.

Fred Hunt, who has been in the hospital for some time for surgery on his back, was able to be up town this week with the aid of a walking cane.

GRASS ROOTS OPINION

SANTA ROSA, N. M. NEWS: "Aesop painted the moral: 'Beware lest you lose the substance by grasping at the shadow.' Do we sometimes give away the good things we have for grandiose plans that are nothing more than shadows?"

CHISHOLM, MINN., TRIBUNE-HERALD "Probably nine people out of 10 think that all telephones are owned by the Bell System. As a matter of fact, there are hundreds of small telephone companies. The General Telephone Company, which has grown up in recent years, has approximately 2,500,000 telephones in service and employs more than 40,000 people, with a total investment crowding the billion dollar mark."

WEST BEND, WISC., NEWS: "As an example of the progress being made in the United States, in 1945 the death rate from influenza and pneumonia was 47 per 10,000 population. Ten years later, in 1955, the figure had been reduced by approximately one half. The death rate from tuberculosis had been reduced by 75 percent in the same decade."

PARENTS ARE DELINQUENTS

J. Edgar Hoover, an authority on crime if there ever was one, has placed the blame for juvenile delinquency squarely on the parent.

He said: "The regrettable fact is that the irresponsible parents who neglect their duty continue to do so because they are not held responsible for their dereliction. The startling crime conditions existing today reflect that in America the home is failing in its traditional function as the first and foremost classroom — a place of learning how to live as well as place of living."

A LOOK BACKWARD

History is always interesting — and sometimes it makes sad reading.

Take, for instance, the history of the individual income tax. In 1929, the tax on a \$2,000 income was \$2 — and for a married person with two children and a \$10,000 income it was a mere \$40.

Now the tax begins at 20 percent, on the lowest taxable income levels. From there it goes swiftly up the ladder, reaching 91 percent at the top.

It's no wonder that people still talk, wistfully and nostalgically, of the good old days. Who dares to predict what taxes will be 25 years hence, with government functions being expanded like the proverbial green, bay tree?

PUNCTURED BALLOON

Some optimists believe that we can have federal aid to education without federal control of education.

The Report, of Sardis, Mississippi, punctures this balloon by pointing out that "it is only natural that the federal government should control that which it subsidizes." It then cites the Hughes Act, passed in 1916, providing federal aid to vocational education. Its proponents insisted that there would be no federal control involved.

But now a rule requires that each state wanting this aid "is required to submit a plan which must meet with the approval of the Federal Office of Education."

Those who pay the bills will always call the tune.

WE NEED MORE CAPITALISTS

During recent years, spending for industrial expansion and the physical improvement of plants of all kinds has been setting new record after new record. And it is forecast that if future demands are to be met, our corporations must somehow obtain 85 percent more money than has been raised since 1946.

In a free enterprise economy, there are two principal ways in which this money can be raised. One is by borrowing, either by issuing bonds, which amounts to mortgages on the companies involved, or through bank loans. The other is by obtaining what is known as equity capital. This is done through the sale of corporation stocks, which give the buyer a share in whatever profits the company earns and distributes as dividends.

Constructive efforts are now being made to expand stock ownership, and for cogent reasons. First of all, the high fixed charges that inevitably result from borrowing must be paid in times of downturns in business as well as in times of boom. This seriously impairs corporation flexibility, and may bring about excessively cautious and static financial policies. But full flexibility is maintained when expansion money comes from stocks, for return on stocks is paid only when earned.

It has been well said that what this nation needs is "not only more venture capital, but also, in the most orthodox sense, more capitalists." Those who have faith in America should invest a part of their savings in America's economic future.

April 1 Deadline For New Auto Tags

Capt. K. B. Hallmark, commanding officer of the Wichita Falls district of the Texas Highway Patrol today reminded us that registration time is growing shorter every day and that we only have until April 1st to obtain new license tags for our motor vehicles. Hallmark reminds us that there will be again this year as in the past, a large last minute rush to obtain plates, and why not get those plates now and avoid being caught in that rush.

Capt. Hallmark stated that his patrolmen will begin arresting persons displaying old Texas plates promptly on April 2nd, and that the law provides that a violator can be fined from one to two hundred dollars upon conviction.

Also in conjunction with registration, Inspector H. H. Eades of the Motor Vehicle Inspection Division reminds us that it is nearing the Deadline for having your new inspection sticker, April 15th is the deadline, Eades says there are 81 inspection stations in this district where you can have your car inspected. Eades says there are approximately 2,600 motor vehicles in this district as yet uninspected, and that if you operate your motor vehicle after April 15th without a new inspection sticker you will be subject to being fined from one to two hundred dollars upon conviction. Captain Hallmark said his patrolmen will start arresting violators promptly on April 16th.

Mrs. Jack Harris and baby of Los Angeles, Calif., are visiting her parents, Mr. and Mrs. Paul Browning here this week.

Burkburnett . . . History

Revealed By Star Files 12 Years Ago...

Mr. and Mrs. Truitt Majors are the proud parents of a baby girl, Sandra Lee, born Sunday at the Wichita General Hospital.

Mr. and Mrs. Ben L. McDonald of Burkburnett are visiting friends and relatives in Lott, Tex.

Mrs. Artie Whitesides had as her guests over the weekend Mr. and Mrs. C. L. Griffen of Slayton, Texas.

Mrs. A. H. Lohoefer left Wednesday for Fort Worth to meet her son Don who is enroute to Pennsylvania on assignment.

Word has been received from Stanley Green in Champaign, Illinois, stating that he had enrolled at the University of Illinois and he will play football there next fall. Green played football with the Bulldogs here under coach Hill several years ago.

Murray Evans of Abilene has been here visiting Mr. and Mrs. Bob Dalton.

Lieut. Kent Reger, son of Mr. and Mrs. S. S. Reger, has recently been transferred from Georgia to SAFB.

Dorothy Ann Preston of TSCW spent the weekend here visiting her parents, Mr. and Mrs. Hugh Preston.

Mrs. Jean Crosthwait and Karan left Tuesday by plane for Gulf Port, Miss., to join Mr. Crosthwait who is employed at Keeler Field. They have been spending a few days visiting her parents, Mr. and Mrs. S. S. Reger on Park St.

Mr. and Mrs. Carter Thompson and daughter Janice of Fort Worth were visitors in the home of Mr. and Mrs. H. C. Thompson Sunday.

\$25,000 Is Added To Awards Made Model Car Program

Annual awards in the Fisher Body Craftsman's Guild model car competition have been increased to \$115,000 a jump of \$25,000 over last year's awards. Eight university scholarships formerly worth \$20,000 have been raised to \$28,000 and ten additional scholarships worth \$1,000 each have been added in a new judging classification based on "styling" merits.

Other awards including cash to state winners and expense-free trips for regional winners to the Guild's annual convention have been increased to \$77,000.

The increase in awards is effective immediately and applies to entrants in this year's competition which ends June 1. State and regional winners will be announced early in July and scholarship winners will receive their honors July 31st.

The Guild also announces new ebony and gold trophies, created by Motors Styling Section, given schools attended by winners as well as new trophies for the awarding boys.

Since 1930, the Fisher competition has awarded university scholarships worth \$441,500 to national winners. More than \$700,000 in other awards have been given to thousands of boys in state and regional honorees.

NERVOUS, TIRED, AWAKE NIGHTS?
If you are wearing that look of "false old age", feel tired out, depressed, or suffer from sleeplessness, constipation, lack of appetite, digestive disturbances, lack-lustre hair, your trouble may be caused by iron-poor blood or a system starved for nature's essential vitamins and minerals. If so, you need suffer no more.

STOP SUFFERING
In just one day Drag-NOT Tablet's high-potency iron, multiple vitamins and blood-building elements are in your blood-stream, carrying new strength and energy to all parts of your body. Then watch your elimination. A few days after you start taking Drag-NOT Tablets the laxative effect will go back to work and you'll notice the black, poisonous material beginning to leave your body.

NEW LIFE
Then you will feel a wonderful change: the years will seem to slip away and you will look and feel younger. Drag-NOT Tablets (rich in Iron, Vitamin B₁₂, B₆, B₁, C, plus other vitamins and minerals) and see results in 7 days or your money back. Only \$1.98 for a month's supply.

CORNER DRUG STORE

Ready-Thrilling-and STABLE!

Dual Stabilizer Action doubles your riding comfort!

SOLID . . . STEADY . . . STABLE! That's the feel of Oldsmobile's ride for '56! The dual stabilizer action of Oldsmobile's Safety-Ride Chassis gives you a new sense of control and security . . . *doubles your riding pleasure!*

This is no "shock-and-roll" ride! Stabilizer bars, both front and rear—part of Oldsmobile's sturdy six-point suspension—keep you "rooted" to the road, even on the sharpest turns. The extra-heavy, extra-rigid frame resists twisting and bounce. This accounts for Oldsmobile's handling stability. And when you add the "muscles" of a host of power features, you have the ultimate in motoring ease.

RATE THE ROCKET ON THE ROAD! This ride's got plenty of "get-up-and-go", too. The 9.25 to 1 compression of its Rocket Engine means swift, fleet acceleration . . . power to spare. And Jetaway Hydra-Matic*, with two fluid couplings, provides a whole new measure of smoothness.

ONE LOOK and you know . . . Oldsmobile's styling is as advanced as the mechanical features. Look, for example, at the "Intagrille" front bumper. It's two bumpers in one for extra-depth protection and new beauty. We have an Olds ready for you—plenty willing . . . mighty able! See it! Drive it! At our showroom, today!

Solid Foundation for That Smooth Rocket Ride!

NEW SAFETY-RIDE CHASSIS for easier handling—superior roadability!

It's built to handle the high horsepower, high torque of the Rocket Engine Rugged frame has an X-shaped center member and 5 cross members riveted and welded into a single unit.

Wife Of Former Randlett Man Dies

Mrs. Mary Jane Etier, wife of a former Randlett, Okla., man, E. R. Etier, died Thursday night following a lingering illness at her home in Corpus Christi, Tex.

Etier an employe for several years with the U. S. Weather Bureau in Colorado and Texas including several years at Corpus Christi, was graduated from Randlett High School in 1925 and attended the University of Okla. In addition to her husband

survivors include a daughter Miss Frances Ann Etier of Corpus Christi; a brother-in-law Frank Etier of Randlett; and two sister in laws, Mrs. Edith Baber Randlett, and Mrs. Ethel Parrack of Burkburnett.

Services and burial were held Monday in El Paso under direction of Chester Maxom Funeral Home.

It is wise to keep on good terms with your stomach, your conscience and your wife.

Remember friend, when you throw mud you're the one who's leaving ground.

NOW Give your chicks a Super-Start!

Your chicks should grow up to 5.4% faster on 7.6% less feed per pound of gain than ever before on Purina Startena!

Purina scientists have done it again! They have improved even last year's wonderful formula so much that you can see the faster growth—the better coloring—the extra fine feathering.

92% LIVABILITY. Last year over 11,000 folks who kept records on 2,364,891 chicks proved that they could get 97% livability. This is 97 chicks raised out of every 100 bought.

LOW IN COST. It costs so little to give your chicks a wonderful start on Super Startena. Feed just 2 lbs. per small breed chick or 3 lbs. for heavies. That is all it takes—just a few pennies—to grow big, well-feathered young pullets about 5 weeks old.

WOMAN'S SUMMER DELIGHT OF

cool Bemberg

Cool to the touch, beautiful to the eye, kind to the budget! That's the simple, but wonderful story of this dress success by Mynette. It's of frosty sheer washable Bemberg rayon with its young slimming lines punctuated by a rhinestone-pinned draped jabot on the bodice. And like all Mynettes, this beauty is proportioned-to-FIT without costly alterations. Garden-fresh print in rich color combinations, sizes 16 1/2 to 26 1/2.

Current Lit. Club Met March 23 With Mrs. W. Chambers

Women as Citizens was the subject for debate when the Current Literature club held its March 23rd meeting at the home of Mrs. W. W. Chambers.

Roll call was answered with the name of some outstanding women of our time.

A very interesting and amusing debate was held on the subject Should Women hold Office. The affirmative was taken by Mrs. John Brookman and Mrs. F. M. McMurtry and the negative by Mrs. Ralph White and Mrs. Francis Kauer. Judges were Mesdames C. R. Chambers, L. R. Jones and Miss Ella Billingslea.

The annual state convention of Womens clubs will be held in the Baker Hotel in Dallas. Convention theme this year is Light One Candle.

Mrs. Ralph White gave a very comprehensive report on the annual district convention of womens clubs held at Weatherford.

Refreshments were served to the following members: Mesdames Luther Caffee, C. R. Chambers, Ralph White, W. C. Vann, F. M. McMurtry, Brack Preston, C. M. Archer, C. W. Boyd, Francis Kauer, John Brookman, W. W. Chambers, L. R. Jones, W. B. Short, F. G. Jeffers and Miss Ella Billingslea.

Fertilized Pastures Produce More, Better Grazing And Hay

Producing pasture plants remove plant food from the soil and unless the losses are replaced, production and the quality of the forage drop, says B. T. Haws, county agent.

A ton of grass hay contains about 30 pounds of nitrogen, 10 pounds of phosphoric acid and 30 pounds of potassium or the equivalent of 100 pounds of ammonium nitrate, 50 pounds of 20 percent superphosphate and 50 pounds of muriate of potash. A ton of legume hay contains about 25 percent more of each plant food element than grass, says Haws.

To keep pasture yields and quality high, the county agent suggests using plenty of the proper kinds of fertilizer. A soil test is suggested as the best means of determining fertilizer requirements, and is described by Haws as the best fertilizer dollar which can be spent.

He says phosphate and potash should be worked into the soil either ahead of or at planting time with temporary pastures and as a part of the renovation or cultivation of permanent pastures.

Nitrogen may be applied to the surface and should be used when adequate moisture is available. Dry fertilizer containing nitrogen should not be applied when plants are wet, says Haws.

Warm season grasses in permanent pastures such as Bermuda or Dallgrass may be fertilized in the fall or winter or in the spring before summer plants begin growth. Assitonal nitrogen applied in the spring and summer will stimulate growth and increase the protein content of the plants. From 30 to 60 pounds of actual nitrogen an acre is recommended each time the plants are grazed down and when the soil is moist. Cool season grasses such as fescue should be fertilized in the early fall ahead of the growing season.

Mixed fertilizers should be applied on temporary pastures before or at planting time, says Haws.

Note of Appreciation

Arthur L. Towler and Wilbur Smith of Oklahoma Highway Patrol wish to thank all of the people for their cooperation in the traffic survey that they have been conducting on Route 277, two miles north of Lawton, Okla. They hope that the new highway will benefit all of the surrounding cities.

Notice

The Federated Missionary Society will meet Friday, April 6th in the home of Mrs. W. R. Carwell with Mrs. Turner as co-hostess.

HOWARD CLEMENT

Sites Wedding Announced March 10

The lovely petite bride, given in marriage by her uncle, J. P. Ray, manager of Gandy's Creameries in Sweetwater, wore a creation of her own design. The waltz length gown of white lace over white slipper satin has a low rounded neckline of illusion. Tiny satin covered buttons marched down the back of the bodice and were also used on the sleeves of lace which came to a point on the bride's hand. The bouffant skirt fell from a tight fitting waist.

Adorning the bride's blonde hair was a tiara of slipper satin and pearls from which a finger tip veil of illusion fell.

For "something old", the bride wore a wedding ring belonging to her paternal grandmother. "Something new" was her wedding outfit and "something borrowed" was the white Bible of her sister's, Mrs. Mapes, which has been used in three family weddings. "Something blue" was a garter. She wore a strand of pearls and pearl earrings and carried a bouquet of white camellias, atop the Bible with streamers of white satin tied with tiny white orchids cascading from the bouquet.

Best man for the groom was Eddie Martin of Ft. Worth, son of Mrs. Edgar Martin of Lubbock. Ushers were Paul Weyerts, G. H. Harfst of El Campo and Mickie Smith.

Immediately following the wedding a reception was held in the Baptist Student Center with Mrs. John W. Pate in charge of arrangements. A large centerpiece of white gladioli and stock graced one long table which had a punch bowl on either end. A smaller table held the white embossed three tiered wedding cake and an arrangement of white stock.

Assisting at the reception were Mesdames J. Q. Casparis, Joel Wright, John Gentry, Frank Burleson, George A. Brown, Jimmy Logan, Dan St. Clair, Bunkie Rutledge, W. E. Lockhart and Miss Catherine Emilie Brown.

The young couple left for a short wedding trip and will be at home in Alpine where the groom is associated in business with his father at City Drug.

Out of town guests present were Mr. and Mrs. McCullough, Miss Lea Ann Dane all of San Angelo, Mr. and Mrs. Pat Ray of Sweetwater, Mrs. John Henson of Roscoe and Mr. and Mrs. Fred D. Mapes of Midland.

will aid in controlling weeds and spraying with chemicals can be used for this job the second year. If the grass is to become established, controlled grazing and good management are musts says Haws.

On the barren or denuded rangelands, Haws says if 15 percent of the better grasses are left, deferred grazing may do the job quicker and a lot cheaper than reseeding. Can some land preparation be made and is the area to be reseeded fenced to protect the seedlings? It will need different management, points out Haws.

Fairly good results from seeding in pits have been obtained in the Edwards Plateau, Rolling Plains and Trans-Pecos areas while seeding following root plowing in the Rio Grande Plains has given similar results. Scattering seed hay where plant pitter is absent has given fair results in some areas, but it's expensive. Scattering seed under protecting brush or on rocky areas usually gives poor results.

The chances of success by any method depends upon the moisture supply and the management practices used while the grass seedlings are becoming established, says Haws.

Moisture Is Factor For Determining Range Reseeding

Presently there is an estimated 10 to 12 million acres of abandoned cropland and an additional several million acres of denuded or barren rangeland in Texas. Reseeding with adapted grasses is one method which may be used to bring at least a part of this land back into profitable forage production, says B. T. Haws, county agent, provided moisture conditions are favorable.

In the case of the abandoned cropland, Haws suggests reseeding the best land first. A soil test is a logical starting point. He points out that if reseeding is to be a success, the operation must be carried out in the same thorough manner as the seeding of any other crop. Use the best soil, adapted seed, methods and equipment available.

The land should be prepared by disking and harrowing. The grass should be drilled or seeded in rows and culipacker or roller used to firm the soil. Plant only adapted grasses and cover the seed a fourth to three-fourths of an inch deep. Most grasses should be planted in the winter or early spring before the rainy season. Mowing the first year

Flash bulletin from Mobilgas Economy Run

FORD WINS IN ECONOMY TOO!

V-8 WINS CLASS A

In this year's Economy Run a new Ford V-8, with Fordomatic was the official victor over every car in its field, with a winning average of 47.7643 ton-miles per gallon. This means that the sturdier, heavier Ford carried more weight, with greater gas economy per pound, than any car in its field.

This latest Ford victory was scored over a rough and rigorous 1,468.8-mile route running from Los Angeles to Colorado Springs. The winning Ford threaded its way over the tough and twisting course averaging better than 40 mph. Through the heat of Death Valley and over the chilling height of an 11,000-foot mountain peak... through

the gas-eating stop-and-go of city traffic and over the straight-line open road... Ford proved anew its traditional reputation for economical performance.

The winning Ford was a regular-production model taken right from the assembly line and officially impounded until the starter's gun sounded. It was no different than thousands of '56 Fords you see on the road and in dealers' showrooms. This proves that Ford, the Performance, Style and Safety leader, leads in Economy, too! That adds up to four big reasons why the '56 Ford is worth more when you buy it, while you drive it, and when you sell it, too!

How to be a Better ... and save money
by *Mary Blake*
Home Service Director
Carnation Company

Try these "smart hints" for homemakers:

- When broiling hamburgers, give deluxe flavor by brushing tops with butter with a few drops of Worcestershire sauce added.
- To get every bit of honey or syrup of your measuring cup or spoon, the cup or spoon before filling with syrup.
- No bread crumbs for breading meat? Use crushed dry cereal! Dip meat in undiluted Carnation Evaporated Milk—and then in crushed cereal.
- Here's a wonderful combination when you need to make a soup thick of the ordinary. Mix 1 can condensed tomato soup and 1 can concentrated pea soup with 1 cup of undiluted Carnation Evaporated Milk and 1 cup of Add 1/2 cup minced green onion. Serve hot!
- Did you cook something too salty potatoes to rescue it. Just add sliced potatoes and cook a bit longer. Remove potatoes. They absorb the extra salt.

News From The Congress

By FRANK IKARD

Since this is an election year, we are again hearing considerable talk about the possibility of amending the Constitution as to change the method of electing the President and particularly to either do away with or considerably change the function of the antiquated electoral college. Under the Constitution as it now exists, if a candidate for President gets only 51 percent of a State's vote, he gets that State's entire vote in the electoral college. Under the present system, the winner takes all, and it is possible for a President to be elected from the big States without receiving a majority of the popular vote. In fact, this actually has happened. The present system exaggerates and builds up the influence of organized minorities which can throw their vote one way or the other in a Presidential election. It has been under the present system that the influence of these minorities has grown to a point to where they exercise an influence over this country's affairs that is out of all proportion to what it should be. A number of plans have been suggested for reform or change in this field. Some would abolish the electoral college entirely while other would relate the vote in the electoral college to the popular vote; while some of the plans seem to be much more workable than others, there is no question but what if we are to continue to have a truly representative gov-

ernment, one of them or a compromise between them will have to be adopted. I am hopeful that some action can be taken in the field during this session of Congress so that the people of the country may have an opportunity to consider a proposed amendment to the Constitution at the earliest possible date.

The highly important Agriculture Bill will probably not be finally acted on by the Congress for another three or four weeks. The Senate has recently passed a bill; however, it is considerably different from the one that was passed in the House last Spring; therefore, it will be necessary that the whole agricultural program be considered by a Conference Committee made up of members of both the House and the Senate, and in this Committee the actual agricultural program for next year will be written. It will be a big job to reconcile the House with the Senate bill.

The recent action on the part of the present rulers of Russia to discredit Joe Stalin is very interesting. In the first place, they are not telling us anything we did not already know about Stalin. In the second place, even though they now are saying all kinds of uncomplimentary things about him and even going so far as to intimate that he was crazy, I have not noticed any inclination on their part to right some of the horrible wrongs that he created such as granting freedom to the Satellite States or releasing some of the thousands they are holding in Russian prisons.

Visitors from home this week were Mrs. John Wilson, Mrs. Everett McCullough, Mrs. Joe

Tired of Lifting heavy wet clothes..?

Dry clothes the easy way...with an Electric DRYER

Washdays are easy days with an electric dryer. No more carrying heavy baskets of laundry out to the line. No more stooping, lifting and pinning up heavy wet clothes. With an electric dryer... you just put in fresh-washed clothes... set the automatic dial... and leave. Clean electric heat dries your clothes soft, fluffy and sweet-smelling... automatically! Save work, save time on washdays... with an automatic electric dryer.

See your favorite electric appliance dealer soon for a work-saving electric dryer that will help you LIVE BETTER ELECTRICALLY!

High News

LIBRARY BOOKS

Number of new and attractive books have recently been added to the junior high school library and sixth grade rooms. These books are subjects and selections of interest to the junior high school. Another order is being prepared and will be added to the list of appealing material.

SPELLING BEE

Burton, eleven year old son of Mr. and Mrs. E. B. Burton, won the right to represent Wichita County in the County Spelling Bee Contest. Shirley, seventh grade student was runner up. Both girls are alternate.

ESBORO WINNERS

Junior high musicians under direction of Mr. Wicker, Band Director, won a number of honors in the festival held at Jacksboro. First place ratings were won by Betty Bradley, LaFaye McDonnell, Shirley Thaxton, twirling, Patsy Friedl, twirling; Patsy Thaxton, twirling; Janelle Thaxton, twirling; Gloria Thaxton, twirling; Pat Thaxton, twirling; Mike Thaxton, twirling; Fred Thaxton, twirling; Suzette Thaxton, twirling; Sharon Thaxton, twirling; Wendell Thaxton, twirling; Julia Thaxton, twirling; Kayrene Thaxton, twirling; Peg Thaxton, twirling; Mike Thaxton, twirling; Jimmy Thaxton, twirling; Mike Thaxton, twirling.

LOWER PLANTERS

Teachers and visitors were complimentary of the pretty flower planter at the entrance of our building. We, the high school, again want to thank the Garden club for making this project possible.

is the name given this overhouse by Strader of multi-colored calypso singers with Caribbean gaiety on the black shirt. Mated with "shorts" that have exclusive Ezee-Alter (this means they easily change figures). The uncut and snugly

SAVE YOUR AUTO BRAKES

Knowing something about proper use of brakes will probably save you money, even your life, the editors of Changing Times, The Kiplinger Magazine say.

Don't slam on the brakes every time you stop. Except in emergencies, take your braking easy and the brake lining will wear longer and make stops more comfortable.

You're courting an accident-sized skid when you hit the brake pedal just as hard on slippery roads as if the pavement were dry. Bring the car to a halt by a series of light pedal pushes. Never jam on the brakes when rounding a curve at high speed. Use them before you enter the curve, especially if the road is slippery.

Put your car in low gear and keep it there when driving down a long mountain road. Using your brakes for a prolonged period produces "brake fade."

Do you ride the brake pedal by resting your foot on it? That wears out your brakes.

Easter Seal Drive Now In Progress

The amazing progress in caring for the crippled in the generation is one of the most important observations noted in the undercurrent of news released in conjunction with the 1956 Easter Seal Appeal, now in progress.

More has been accomplished for the crippled in our time than in all the generations of man's civilization before us.

Improvement in techniques is one explanation for the progress. Another is the work of both public and private agencies without whose efforts the scientific advances would be meaningless.

Not many private organizations can match the superlative contribution made by the National Society for Crippled Children and Adults and its 1,700 affiliates including of course, the Texas Society for Crippled Children and its almost 100 city and county units. For more than a quarter century these Societies have been providing care for the crippled and informing the public

of the crippled's needs, spending Easter Seal dollars responsibly wisely and well.

In Texas the Appeal has meant many tangible things, chief among them the 29 treatment centers in as many cities and towns which afford medically prescribed and supervised therapy for any crippled person in the state, regardless of cause of crippling, race, creed or age, with a minimum of travel.

Contributions to the Texas Society also support corrective surgery and hospitalization for the crippled, physical, speech and occupational therapy to aid the crippled in overcoming or minimizing their conditions and to help them become useful and self supporting citizens; recreational programs for children unable to run and play as able bodied youngsters do; extensive educational and research programs on local, state and national levels.

This is the time of year when Texans can again contribute to this worthy cause. The Easter Seal program is in the finest tradition of humanity and it deserves our fullest support. The Appeal continues through April 10th.

NOTICE

All parents whose children who have received Polio immunizations at school. It is now time for booster injections of Salk vaccine to protect children for the summer. This material will not be furnished by the Polio Foundation so you will have to contact your private physician or the Board of Health at Wichita Falls in order to have the child receive maximum protection against Polio.

The best time for this is during the month of April if the child received his original immunization at the school last September.

Never because you pay less... only because you get

more!

It isn't the low price that makes Chevrolet the most popular car going. It's the looks and quality—the ride and roadability—the championship power and performance.

Sure Chevrolet's low price is important. It saves you plenty, when you consider what most other cars cost.

But even more important to you are the qualities you get in a new Chevrolet. Like its record-breaking performance (up to 225 h.p.!) and nailed-down stability.

These are just two of the many things that go to make driving more satisfying—and safer—in a Chevy. Driven one yet? We'll be happy to arrange it.

Air conditioning—temperatures made to order—at new low cost. Let us demonstrate!

Mrs. R. P. Reagan Hostess March 24 University Club

The University Study club met March 21st in the home of Mrs. R. P. Reagan.

Mrs. I. E. Harwell, president-elect for 1956-57, announced her appointments for the following offices: Mrs. Felix Kindle, parliamentarian; Mrs. O. E. Melton, press reporter; Mrs. R. C. Tevis, Mrs. A. W. Newman and Mrs. R. P. Reagan, year book committee.

Our study theme Youth Day was introduced by Mrs. R. C. Tevis with the quotation that Youth With purpose and Vision Can Accomplish wonders.

Mrs. E. R. Burns and Mrs. Bill Crosley presented one of our most outstanding programs of the year. Mrs. Burns, in her talk on the Responsibilities For Today's Affairs, pointed out the many responsibilities before the women today in home, communities, state and national affairs if they would only accept them.

Delicious refreshments were served by our hostess, Mrs. Reagan, to Mesdames A. R. Buntine, E. R. Burns, L. W. Brockner, B. N. Cauthorn, Bill Crosley, I. E. Harwell, W. H. Holt, J. D. Majors, A. W. Newman, J. M. Pogue, S. S. Reger, J. H. Rigby, Joy Sessums, R. C. Tevis, Felix Kindel, L. W. Mathis and one guest Miss Laura Louise Tevis.

"THE RACERS" Showing At Palace Theatre Wednesday-Thursday

First Christian

Bible School—9:45 A. M.
Morning Worship—11:00 A. M.
Sermon "The Cross. More Than a Symbol."
Evening Service — 7:30 p. m.
(A color, sound, motion picture film entitled "Journey to Hope" will be shown.)

The First Christian church (formerly Central Christian) cordially invites everyone to our special Easter Services this coming Sunday. The Sunday school lesson will discuss "The Meaning of The Resurrection." We

have capable and dedicated teachers in all classes.

At the worship service at 11:00 we will serve Holy Communion to all believers. The sermon is a very moving one concerned with the great drama of the cross. We will receive into our fellowship those who are coming by confession of faith or transfer of membership in response to our week of evangelism.

Sunday evening at 7:30 we will show the wonderful motion picture "Journey of Hope." There will be no admission charge to the picture. We will look for you Easter Sunday morning and night. All Welcome.
