LIKED BY MANY - CUSSSED BY SOME - READ BY EVERYBODY

BURKBURNETT, WICHITA COUNTY, TEXAS, THURSDAY, NOVEMBER 15, 1956

The views expressed by husbands are not necessarily those of the management.

Life can be pretty grim when you pass 80, especially when a motorcycle cop's behind you.

NUMBER 18

Chamber of Commerce Luncheon Each FIRST MONDAY at Town Hall Everybody Invited Each Pays for His Meal

THE NO. 50

## Bulldogs Near Peak For District Game

### Football District Championship To Be Decided Here Fri. Night

Winner of the Burk-Olney clash here in the Stadium Friday will be declared the champion of District 2A-9.

Burkburnett lost one conference game to Electra, Friday night at Electra. Olney has lost only one conference game, that to Electra.

Jack Robertson and assistant, Bill O'Brien, are into this crucial game without the services of players: little John, guard, and Leslie, an end. Veach has especially effective blocking. He is a little, only 140 pounds, but he gets the shoe of the big 200 pounder to hit the ground.

The other Bulldogs are in good shape, as of now.

Olney Cubs are big, and have depth for most of the season. Some of their season scores were impressive, but they improved with every week-off is at eight.

With the championship resting on the outcome of the game.

### BOYS CLUB

at Town Hall, 7:00 p. m. Each Tuesday

Foyce was the father of his father, James

Vanderberg, who is in charge of the program. Pastor of the First Church, His subject "Freedom". The talk was well received.

At the meeting, directors met with Governor Lester E. of Iowa Park. Discussions were discussed the District Governor, Lion Brooks' of the club this

directors voted to the \$50.00 to the fund.

week Louis Todd the program.

M. Morris of Burk and McKenzie of Frederick, visited their children in Texas, over the week-

at the SNACK BAR, 100 E. 3rd Street.

### PROCLAMATION

Mayor H. D. Smith

Proclaims November 18-24

### "Know Your America" Week

WHEREAS: It has been deemed for the benefit of our citizenry to become better educated in the history background and,

WHEREAS: This program is being sponsored by the Federated Women's Clubs of our country in an educational effort and,

WHEREAS: It behooves all of us to take time to ponder our many blessings in this land;

WHEREFORE: As "Know Your America" Week, I hereby observe the co-operation of all merchants of our city in the observance of same by display of the National flag at their places of business and by religious observances in churches on the theme

"COUNT YOUR BLESSINGS"

### C. of C. Drive For Members To Begin Dec. 1

Jack Mathis, chairman of the membership drive for the Chamber of Commerce, announces the campaign will begin the first week in December.

This year the Chamber of Commerce is ending up in much better shape, financially, than in previous years.

Much work has been accomplished under the able leadership of President Geo. McClarty, with the help of the very efficient secretary, Margie Hofacket.

### Football Dads' Night Friday

Friday will be Dads' Nite for fathers of the football boys. The game Friday nite will decide the champions of District 2A-9.

Dads will be honored by being allowed to sit on the bench with their football playing son.

### Home Furniture Quit Business Sale in Progress

Wednesday marked the opening of the Home Furniture Quitting Business Sale. After being in business here for eleven years, Francis Beaver decided to close out his entire stock of fine furniture and appliances.

According to Mr. Beaver, everything to the bare walls must go. He has closed out his lease on the building and must vacate within 30 days.

The close out offering includes living room suites, refrigerators, bed room suites, washers, ironers, ranges, chairs, tables, and lamps, lots of used appliances and used office equipment, filing cabinets, desks, cash register, adding machine, etc.

Connie Stegall and Nadine Patton attended a Lone Star Gas Co. conference in Dallas over the weekend.

Mr. and Mrs. Norman Duke of Fort Worth visited friends and relatives here over the weekend.

### Civic Minded Women Attend C. of C. Luncheon

Photo By ROY'S STUDIO

At the last business meeting and luncheon of the Chamber of Commerce, nineteen civic minded, public spirited women made their appearance. They offered their whole-hearted support of the work of the Chamber of Commerce and suggested that more women be placed on committees working for community betterment.

Shown in the above picture, left to right, back row: Mesdames Hettie Gilbert, Clodella Bridges, Lillie Neal, J. C. Adams, R. P. Thaxton, Ruby Alexander, Lillie Roark, Francis Kauer, J. A. Janeke, Bennie Lee Dodson, Opal Bookbinder; Front Row: left to right, Doris Davis, Les Tuel, Margie Hofacket, Orlena Wampler, Jo Brookman, Lola Mae Bailey, Mildred Counter, Mary Northcott.

HAVE YOU BOUGHT YOURS?

CHRISTMAS SEALS fight TB

### Burn Alexander Moves Insurance Office to Main St.

Burn Alexander has moved his insurance office from Ave. C to 114 East Main Street. He occupies the building formerly used by Cliff Wampler.

The new office will give more space for Mr. Alexander and his son, B. H., Jr., who is in the building contracting business.

### Palace Cafe Open At New Location On Main Street

Huck McDonnell opened his Palace Cafe Thursday morning in a new location—221 E. Main Street. The location is now next door to Campbell Auto Supply.

New Hours  
Week days the cafe will open at 6:00 A. M. and close at 8:00 P. M. The hours each Sunday: open at 6:00 A. M. and close at 2:00 P. M.

"He Advertised"

### Christmas Seal Sale Is Voluntary

It is the unalienable right of every free American to give to whomever he pleases for whatever purpose he pleases.

The annual Christmas Seal Sale, independent of all other fund-raising campaigns, is essential to the educational program of the tuberculosis association. It gives every one of us an opportunity to invest voluntarily in strong community action against TB.

The 1956 Christmas Seal Sale will be the 50th in the United States. Since the first Seal Sale in Wilmington, Delaware, in 1907, the tuberculosis associations have grown and extended their service throughout the United States and territories. We all know the X-ray case-finding services provided by the Wichita County Tuberculosis Association. Most of us are aware of the association's educational work with schools and community groups. Not so many of us are aware of the help and encouragement the association gives to TB patients and their families from the time a case of TB is diagnosed to the time when the patient has re-established himself in the community. All these services—plus the national medical research program of the TB associations—are financed solely by our purchases of Christmas Seals.

Your Christmas Seals will be in the mail Thursday, November 15th. It is urgently requested that you immediately place your contribution in the return envelope already addressed, which will be in the envelope in which your Seals arrive. Return your contribution as promptly as possible.

Your Christmas Seal contribution is an investment in the health of the community. It will help protect you and your family from tuberculosis.

This year 1122 free chest X-rays were made in Burkburnett. This service was made possible by your contributions to the TB Seal Sale.

### Pep Rally To Be Held At Rodeo Grounds

Everyone is invited to attend a bon fire and pep rally at the rodeo grounds Thursday, November 15th at 7:30. Come on everybody—join in the fun and let's back the Bulldogs on to victory. Town folks and students are urged to be there.

Mrs. Lee Clifton of Austin arrived Tuesday afternoon to visit a few days in the home of Mr. and Mrs. Neal Hall.

### Dock Says . . . .

I TOLD YOU SO! We have the best town in the state. We are not as large as some of them, but watch us grow!

Burkburnett went WET (Water Bonds) by a majority that speaks for itself. So thanks, ladies and gentlemen, for the interest you have shown in Burkburnett. We are not the city that Faith built, but they have not got Faith cornered. We have some of it too. 20,000 by 1960. Yours truly,

A. M. Reynolds

### Cliff Wampler Heads TB Seals Sales In Burk

The 1956 Christmas Seals, designed to be used in pairs features a little boy on one Seal and a little girl on the other. Dressed in shades of Christmas greens against a white background, each pixie-like child is marching into the future. Each child clutches, in both hands, a prominent red Double-Barred Cross, the international insignia of the fight against tuberculosis. The only message, "Christmas" . . . and "Greetings", are printed in gold to commemorate the 50th anniversary of the Christmas Seal in the U. S.

Designer of the 1956 Christmas Seals is Mrs. Heidi Myrhe Brandt, a product of the far west. Born in 1917 on a homestead near Great Falls, Montana, of Danish parents, she received her education in Seattle, Wash., and at Whitman College, Walla Walla, Wash.

Mrs. Brandt's Christmas Seal design of children marching across the sheet of Seals carrying the Double-Barred Cross was planned, she says, "to give the feeling of the crusade against tuberculosis being carried into the future for and by our children".

Oral Jones, general chairman of the 1956 Christmas Seal Sale and treasurer of the county TB Association for more than a quarter of a century, points out that "the annual Christmas Seal Sale, independent of all other fund-raising campaigns, is essential to the continuance of the many-sided, year around program of protection and prevention—for everybody—against tuberculosis".

"Participation in the Christmas Seal Sale," Mr. Jones asserted, "gives every one of us an opportunity to invest voluntarily in strong community action against a costly, contagious disease that strikes an American every five minutes".

Vice-President of the City National Bank of Wichita Falls, Mr. Jones states that "business is good and will continue to be good and I predict that the people of Wichita County will gladly endorse the work of the TB Association by returning their contributions immediately in the envelope already addressed and enclosed with each person's Christmas Seals".

"Each contribution", the chairman emphasized, "is an investment in the health of the community and will help to protect every member of every family in Wichita County, the State and the nation, against tuberculosis, still the leading killer of all infectious dis-

### Water Bond Election Tues. Carried 319-22

The \$375,000.00 Revenue bond issue for improvement of the water department carried Tuesday by a vote of 319 for, 22 against issuance of the bonds. These bonds will be repaid from revenue of the lights, sewer and water departments.

According to Mayor H. D. Smith, work will proceed as soon as the bonds are sold. The expenditure will go for a sixteen inch main line from the pump station to town, a 12 inch gathering line from the wells, more wells and another large pump at the station, etc.

If the bonds are sold promptly, there is no apparent reason why plenty of water is not available for use next summer.

### G. R. Sloan Has Purchased The Troy's Tr'k. Stop

Mr. G. R. Sloan announced this week that he has purchased Troy's Truck Stop on the Oklahoma Cut-off from Mr. Troy Mills. The station is now open for business and will handle a complete line of Panhandle Products.

Mr. Sloan states that no job is too big or too little. The station is equipped to do wash and grease jobs, fix flats, etc.

The service station business is an old business for Mr. Sloan. He has owned and operated the Panhandle Service Station located on West Main just across the railroad tracks here for many years.

Mr. Sloan invites his old friends and new to visit either one of his conveniently located stations for prompt and courteous service.

### Future Nurses Met Wednesday In The Library

The Future Nurses Club of Burkburnett met November 14 in the library of Burk High School. President, Myrna Hoffman, called the meeting to order and Eulita Jones, secretary, called the roll.

Our sponsor, Mrs. Dimock, then spoke to us and introduced Mrs. Tynan who told us about the care of an infant. She showed us the different things used to bathe a baby and explained the use of each. She also told about the schooling of nurses which extends over a period of three years and about their homes, activities, etc. A Constitution for the Future Nurses Club was then passed out to each girl. These state the purpose of the club, membership, officers and duties, election procedures, meetings and emblems. The meeting was adjourned after a discussion in which all members took part.

Twenty-nine members were present.

Mrs. Guest of Childress, Texas visited Mrs. M. C. Ring here this week. Mrs. Guest is a sister of Mrs. Dick Chambers.

Mrs. Jim Pirtle of Burk and Mrs. Jack Copeland of Walters spent the weekend in Oklahoma City visiting the George Beavers family.

Phone 52 for your Printing

eases between the 15 to 34 age groups".

In appointing MR. C. B. WAMPLER Christmas Seal Chairman for Burkburnett, Mr. Jones pointed out that "Mr. Wampler was Christmas Seal chairman for Burk last year and did a superb job. . . and we expect history to repeat itself this year".

## GRASS ROOTS OPINION

**BALDWIN, MISS.**, News: "The newspapers of these United States are waging a big battle. It is the fight to keep the people of our land free at the same time it aids them to have a better life. These United States in which we are privileged to live were built on three freedoms — Freedom of Religion, Freedom of speech and freedom of the press. If the newspapers of this land were to cease to be free, you would find freedom of speech and freedom of worship a thing of the past."

**ELK GROVE, CALIF.**, Citizen: "In many climes and times, men have fought, and have died for the basic right of self-government—the right to vote. Especially Americans."

**MAYVILLE, N. Y.**, Sentinel: "When's the last time you inspected the family medicine chest? For safety's sake, clean it out and at the same time, make sure you have stocked the basic necessities that are needed to protect your family—iodine and first-aid bandages, eyedrops, aspirin, smelling salts and salve for treating household burns."

**MOUNT DORA, FLA.**, Topic: "Using the excuse of 'let the government pay for it' is a fallacious one. Conscience should tell the waster of public funds that he is not cheating a mythical human being of great wealth, but he is cheating himself and his children."

## BELIEVE THOSE SIGNS!

Perhaps you have wondered, driving past those signs which warn that the eye of radar is upon you, whether this electronic fly-cop really works? We can assure you that it does. Traffic authorities report that the average motorist is cutting down his speed as much as 10 miles an hour on radar patrolled highways, and that, while automobile fatalities are still on the increase nationally, they have been reduced where radar is on the job.

This electronic equipment, in the experimental stage only a few years ago, has now proved beyond question that excessive speed is the major highway killer. It has proved also to be our best hope of checking this slaughter. Further, as police officers have learned how best to use this scientific aid to sanity, the equipment itself has been greatly improved.

The latest is a radar speed meter, developed by the Admiral Corporation, which can be adjusted to any prescribed speed limit from 25 mph to the top limit, and operates only when a violator exceeds this preset limit. It clocks speeders going in either direction with a meter calibrated in miles per hour for instant reading. But this is not all. There's an optional movie camera attachment, with synchronized flood lights, that will photograph, day or night, the offender's license plate and the speed meter reading. There's still another accessory, a tape recorder by which a police officer, talking into microphone, records a description of the car, driver and the license number. When the tape is played back, it causes the meter to show the speed reading before the officer's voice is heard!

And to conserve police manpower and eliminate the dangerous and time consuming job of chasing speeders, Admiral provides a remote, portable traffic light that can be synchronized with the speed meter to stop the violator down the road a piece.

In these amazing and fool proof new detection devices, there is fresh hope for victory in the war against speeders, the acknowledged highway killers. But with both detection and arrests brought up to 100 percent, it would still be necessary for our courts to make punishment fit the crime."

## They Shall Not Scram

The news that a family of three bound for Russia were prevented from sailing from New York on the Queen Elizabeth the other day is pleasant contrast to the failure to halt the earlier departure of three year old Tanya Chwastov aboard the Queen Mary.

James L. Hennessy, executive assistant to Immigration Commissioner Joseph M. Swing, told Senate investigators that he had been ordered to stop little Tanya "at any cost," and that, under the law, this might have included forfeiture of the huge liner to Britain to the U.S. He instructed the Customs Service, he said, to hold up clearance of the vessel until his immigration men found the youngster. Later, he withdrew the order fearing he lacked authority to make it stick.

This time, the Cunard Line needed only to be notified that departure of the Strelkoff family would be illegal. Since others may try to skip, it's nice to know the line can take a hint.

## Burkburnett . . . . History

Revealed By Star Files 12 Years Ago—

Miss Enid Christ of Kansas City, Mo., spent the weekend with her sister, Mrs. Roy Wilson and family.

Roy Magers, who suffered a severe attack of pneumonia two weeks ago, was up town this week looking a little pale but gaining strength fast.

Mr. and Mrs. Floyd Skipwith and daughters, Betty and Sue of Amarillo, spent the weekend with his parents, Mr. and Mrs. V. C. Skipwith. They also attended homecoming of Abilene Christian College Friday and Saturday.

C. M. Archer attended the shoe convention in Dallas Monday.

G. T. Roberts and family of Mineral Wells visited relatives and friends in Burkburnett this weekend.

Gracie Bell Jones spent the

weekend in Littlefield visiting her grandparents, Mr. and Mrs. W. H. Blackwell.

Gordon Jeffers of Shriner Institute in Kerrville spent the weekend with his parents, Mr. and Mrs. F. G. Jeffers.

Edward R. Story of the US Navy Stationed in Corpus Christi is here at the bedside of his mother who is seriously ill.

Mr. and Mrs. Augdon Beasley, of Devol are the parents of a new baby son born Nov. 8th in a Wichita Falls hospital. The baby has been named Douglas Wayne.

From where I sit ... by Joe M.

## There'll Always Be An "Expert"

Drove out to see how they're getting along with the new super-highway that's going to pass through town.

While I was there a fussy little guy—a spectator, like me—came up to the foreman on the job and started making all sorts of suggestions: "Shouldn't it go a little farther left there? ... Why don't you bank the curves more? ... Those ditches are awful close" ... and so, on and on.

The foreman took it as long as he could, then asked politely, "How does she look for length?"

From where I sit, free as called "free" because it's not worth much. That little who can't resist getting into about how you work, wear, why you happen to glass of beer with your People like that don't me troublemakers ... but the real intolerance is part their good intentions.

Joe M.

### THE STATE OF TEXAS

TO: G. M. Dodge, A. J. Shaw, Mrs. Cornelia Post, a Widow, Henrietta H. Post, Phillip S. Post, Jr., William S. Post, Gust Hawkinson, Albine B. Colton, A. B. Colton and wife Lillian S. Colton, S. H. Olson, W. W. Washburn, H. C. Ward, Henry C. Ward, Mrs. Sarah D. Burrows, A. C. Tidwell, S. Williams, J. C. Sherwin, Trustee and H. W. Wiseman, George W. McDaniel and John P. Brunton, Trustees of the town of Electra, Wichita County, Texas and Their Unknown Heirs Successors, Devisees, Legatees or assigns, Defendants.

YOU ARE HEREBY COMMANDED to appear before the Honorable 30th District Court of Wichita County, at the Courthouse thereof, in Wichita Falls, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 3rd day of December A. D. 1956, to Plaintiff's Petition filed in said court, on the 18th day of October A. D. 1956, in this cause, numbered 58,533-A on the docket of said court and styled Charles M. Burton and Minnie B. Francis, A widow, and Pearl B. Ikard joined by her husband, Robert E. Ikard, Plaintiffs, VS All Those Persons First Named in This Writ and To Whom The Same is Directed, Defendants.

A brief statement of the nature

of this suit is as follows, to-wit: FIRST COUNT. This is a suit for trespass to try title wherein plaintiffs allege that on or about October 15th, 1956, they were and still are the owners in fee simple of Lots Nos. 7, 8 and 9 in Block 66 of the Town of Electra, Wichita County, Texas, according to the plat of record in the deed records of Wichita County, Texas, and that on said date the defendants herein unlawfully entered upon and dispossessed plaintiffs of such premises and withheld from plaintiffs the possession thereof. Plaintiffs would show to the Court that they have made demand of the defendants for possession and they have failed and refused to give plaintiffs possession to Plaintiffs' possession to damage in the sum of \$100.00.

SECOND COUNT: Now Comes Plaintiffs herein named in the first count complaining of the same defendants named in the first count herein and by way of Second Count respectfully allege they and those under who they claim by mesne conveyance and whose title plaintiffs hold have had peaceable and adverse possession of the lands and tenements described in this petition cultivating, using, improving and enjoying the same for more than ten (10)

consecutive years preceding the filing of this petition during which time plaintiffs use and cultivation of such land and making improvements thereon by plaintiffs have been open, adverse and notorious and plaintiffs and their predecessors in title have claimed title to said lands openly and adversely, notoriously and peacefully as owners during such ten (10) year period.

WHEREFORE premises considered plaintiffs pray that the defendant be cited to answer this petition and that plaintiffs have Judgement for the title and possession of the above described land and premises, for their damages, for costs of suit, and for such other and further relief as they may be entitled to either in law or in equity, as is more fully shown by Plaintiffs' Petition on file in this suit.

If this citation is not served

within ninety days after the date of issuance, it shall be returned unserved.

The Officer executing this process shall promptly execute the same according to law and make due returns as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Wichita Falls, Texas, this the 19th day of October A. D. 1956.

## The Most Sweeping Change OF ALL!

In NEW YORK—People going places are going Pontiac

## Pontiac Has It - in the Surprise Package of '57

Like surprises? You've got one coming in Pontiac for '57! It's completely new . . . from power to personality . . . so advanced it's handed the industry a whole fresh set of styling and engineering ideas!

Here's where you'll find all the big-time changes in looks, ride, handling, performance. There's an exciting new expression of vigor, alertness and luxury in styling. There's a new ease and confidence at the wheel as you pilot the greatest V-8 ever developed—a power plant that tops even last year's Strato-Streak which set 50 world records and bested all eights in miles per gallon!

And to prove it all, every feature of this great newcomer has been refined and perfected in the world's most exhausting road test—Pontiac's grueling 100,000-Mile Marathon Run!

No wonder they're calling Pontiac the Surprise Package of the Year! Come in and drive it. You'll know in a single mile that it's America's No. 1 Road Car!

### OVER 6 DOZEN "FIRSTS" INCLUDING . . .

Star Flight Body Design—a Pontiac Exclusive—longer and lower than ever before—'57's most distinctive styling.

New Interior Styling—the "Off-the-Shoulder" Look—a fashion "first" for '57—perfectly color-matched with the exterior.

New Strato-Streak V-8 Engine—270 h.p. in Star Chief and Super Chief, 252 h.p. in the Chieftain when teamed with Strato-Flight Hydra-Matic, an extra-cost option.

Cloud-Soft Level-Line Ride—the ride sensation of the year—a new suspension system based on a big, road-hugging 124- or 122-inch wheelbase.

Three Popular-Priced Series—Star Chief • Super Chief • Chieftain

## BURKBURNETT, TEXAS

SPONSORED BY QUARTERBACK CLUB

**WICHITA COUNTY ROTARIAN CLUB**

Paris introduced John Owens who in turn presented the Owens of Texas Service Co. of Wichita. Owens gave a very interesting picture of the present office and the theatrical industry. His talk and demonstration was thoroughly enjoyed.

Brooks introduced Harley H. C. Preston, guest of Harold Van Turner, guest of M. C. Chapman, M. C. Chapman, Virgil Brooks, and Garvin Vaughn, Hubert Meyer, guest of McClary.

Brooks announced Oklahoma and Texas meeting to be held at 8:00 p. m. and urged all who are present. Mr. Davis presented the ball game between Owens and Burk to decide champions this Friday.

Robinson urged all citizens to vote this evening. Rotarians and guests were present.

**Tech High School Activities Will Meet Saturday, Nov. 17th**

Texas Tech will hold its annual High School Activities conference Saturday, Nov. 17th, according to Dr. P. Merville Larson, speech department head.

Registration for the one day conference for speech and drama students will begin at 8 a. m. in the Speech building auditorium.

We are planning to make this conference as practical as possible to give maximum value for both students and teachers, Dr. Larson said. Students will participate in declamations, extemporaneous speeches, poetry reading and drama.

Bruce Roach, director of speech activities of the University Interscholastic League will speak at a noon luncheon and meet with groups to answer questions concerning the League's contest which will be held later this year.

Mrs. J. S. Gore was returned to her home Monday from a Wichita Falls hospital and is reported doing nicely at the present time.

THE TEXAS RANGERS, scourge of the western badmen for more than a century, have received new mounts which are said to be the fastest police pursuit cars on the nation's highways.

Fourteen of the Rangers, including Col. Homer Garrison, Director, Department of Public Safety, and Chief R. A. (Bob) Crowder, took delivery of the specially-built Dodge D-500 Texan police pursuit cars with 285 horsepower engines.

The trunk compartment of the D-500 Texan is more than six feet wide and provides all the space necessary for the saddles, armament, and assorted equipment each Ranger must carry in his line of duty.

The Rangers still pack pearl handled revolvers, wear high heel boots and big hats, and ride horses; for 'Ole Paint' has not been put out to pasture, according to Chief Crowder, but is transported in trailers behind these new powerful patrol cars.

**Fire Department Starts Fund For New Fire Fighting Truck**

A fund has been started to purchase another piece of fire fighting equipment for the Burk Burnett Volunteer Fire Department.

Contributions toward the new truck received to date are as follows:

- |                        |                              |
|------------------------|------------------------------|
| Sylvia Ramming \$5.00  | Geo. Counter, Sr. \$5.00     |
| J. C. Hinkle \$25.00   | J. W. Shaffer \$5.00         |
| Burk Drug \$5.00       | R. P. Reagan \$5.00          |
| Mrs. B. D. Boyd \$5.00 | Hewell and Anderson \$25.00  |
| S. M. Butts \$5.00     | P. D. Williams \$50.00       |
| J. J. Dwyer \$10.00    | Buck Abbott \$5.00           |
| J. B. Wright \$10.00   | Mrs. Alice Warren \$25.00    |
| Burk Insurance \$25.00 | Mrs. W. A. Roberts \$5.00    |
|                        | B. H. Preston Estate \$50.00 |
|                        | Bernard Buck \$5.00          |
|                        | Mrs. J. B. Grace \$5.00      |
|                        | T. A. McDonald \$2.50        |
|                        | Mrs. Clara Hamilton \$10.00  |
|                        | Mrs. Annie Freeman \$5.00    |

Other contributions will be gladly accepted at the City Hall.

**DONALD McKINNIS**

Weight: 160 Lbs.  
Junior

Son of Mr. and Mrs. A. A. McKINNIS

**A T. Postelwait Of Randlett Dies Fri.**

Austin T. Postelwait, 81, pioneer of the Big Pasture Country died at his home in Randlett, Okla., about 7 a. m. Friday following a heart attack. He had been in failing health for the last two years.

A native of Missouri, Postelwait was born June 14, 1875 and began farming operations in the Big Pasture Country near Randlett following the opening in 1901. For a time during the early day he operated a saw mill for the Cotton and Tillman county area.

Survivors include two daughters, Mrs. W. G. Harwell of Wichita Falls and Mrs. Leola Ressel of Randlett; two sons, Ralph Postelwait and Fay Postelwait, both of Randlett; seven grandchildren and two great-grandchildren.

Services were held Monday in the Church of Christ at Randlett with burial in the cemetery at Devol, Okla. under the direction of Pearson Funeral Home of Walters, Okla.

Mr. and Mrs. Emil Schroeder and Mr. and Mrs. Lyle Eaton and family were visitors in Perryton, Texas, Saturday and attended the wedding of Mary Ann Schroeder to Mr. Harold Splitter on Nov. 11th. Mary Ann is the daughter of Mr. and Mrs. Oscar Schroeder who formerly lived in the Clara community.

**Spec 2-C. James Long Stationed At Dugway Proving Ground, U.**

Specialist second Class James W. Long, son of Mr. and Mrs. Richard P. Long, 136 Ave. F., Burkburnett, is assigned to Dugway Proving Ground, Utah.

A medical equipment repairman in the ground's Detachment No. 2, Spec. Long entered the Army in January 1947 and was last stationed in England.

He attended Kerman (Calif.) Union High School.

**Former Burk Man Died Tuesday**

Mr. George Brashear of Grandfield, Okla., received word Wednesday of the death of Mr. Clifford Mooers of Boerne, Texas, who died Tuesday of a heart attack enroute to New York City by plane.

A former resident of Burkburnett, Mr. Mooers will be remembered by his friends as the builder and owner of the Burkburnett Gas Co. in 1919.

Funeral arrangements are incomplete at the present time but services will be held in Seattle, Washington.

Mr. Luther Hatch was admitted to the Veterans Hospital at McKinney again on Sunday, Nov. 12th where he will remain for an indefinite period of time for observation and treatment. He remains in a very critical condition at the present time. He was accompanied to McKinney by his wife, Mrs. Hatch and Mrs. Minnie Singleton and Mr. and Mrs. Pritz of Wichita Falls.

**Legion Notes**

The annual Veterans' Day breakfast was held at the Town Hall last Sunday morning at 8 o'clock. There were approximately 90 present. Toby Morris, Congressman from Oklahoma, was the principal speaker, and gave a very interesting talk. At 11 a. m. a Memorial Service was held at the cemetery honoring the deceased veterans.

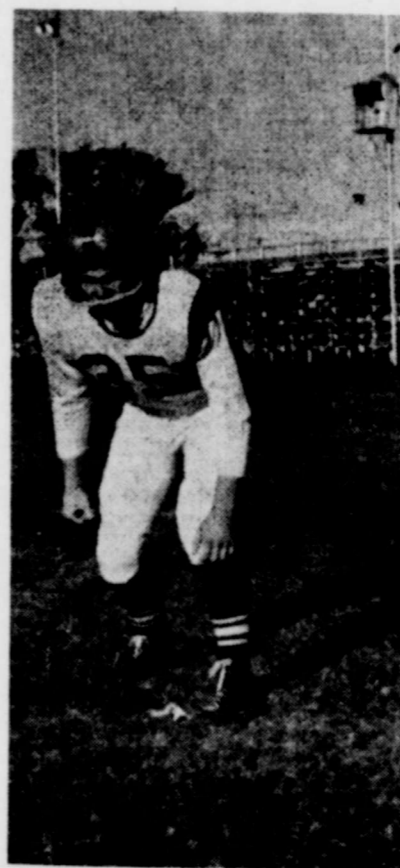

The American Legion Post wishes to thank all the Gold Star Parents who attended the breakfast, Mrs. Gilbert's Flowers for furnishing the lovely Wreath for the Memorial Service, Jim Johnson and all those who assisted him in preparing and serving the breakfast, the Firing Squad consisting of Lonnie Hoffman, H. S. Thaxton, Fred Lawrence, Victor Fore, Jack Alexander, Hugh Veach, John Larson, Harold Hayes, Bob Tevis, who presided as Chaplain and all others who helped to make our observance of Veterans' Day the success that it was.

**Card of Thanks**

We wish to thank our neighbors, friends and relatives for their acts of love and sympathy during the loss of our beloved mother and father, Mr. and Mrs. W. J. Gibson, and for the many floral tributes.

The Gibson children.

## Wesleyan Guild Regular Meeting Was Monday

The Wesleyan Service Guild met Nov. 12th at the First Methodist church with president Mrs. Jim Pirtle, presiding. Mrs. Tuel led the opening prayer. Treasurer, Mrs. Martin gave a report. The Guild voted to give a Christmas basket to some needy family.

Mrs. Gertie Brown gave the devotional. The UN A Good Trustee. The program, The United Nations, was presented by Mrs. Tuel, Mrs. Martin and Mrs. Pirtle. The group then sang Jesus Calls Us. Closing prayer by Mrs. Leon Turner.

Delicious refreshments were served by the hostess, Mrs. Parks to the following Mesdames Pirtle, Tuel, Brown, Duvall, Martin and a guest, Mrs. Turner.

## Mrs. J. A. Johnson Hostess Monday Henderson Circle

The Eula Mae Henderson circle of the First Baptist church met in the home of Mrs. J. A. Johnson Monday, Nov. 12th for their regular meeting. Mrs. Elvie Welborn, circle chairman, was in charge. The group sang Where He Leads Me. Prayer by Mrs. J. D. Grizzle.

After a short business session Mrs. Gavin Vaughn taught a mission book, Japan Advances.

Refreshments were served by the hostess to nine members.

The meeting closed with prayer by Mrs. Leroy Meyer.

### THE PLEDGE OF ALLEGIANCE TO THE FLAG

"I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

Know Your America Week, 18th thru 24th.

## Turkey For Thanksgiving

A lot of fixing is required for the traditional Thanksgiving and Christmas menu of "Turkey and all the trimmings." But its fun and preparation time is reduced if you study your holiday season cooking project in advance.

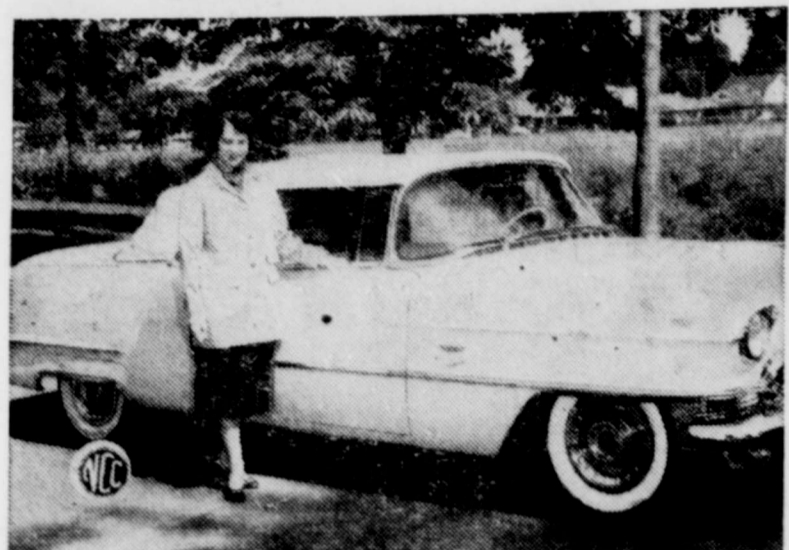

How much to buy? It takes from 1-2 to 3-4 pound of ready-to-cook weight turkey per person. This allows for second servings and left overs. Unfrozen ready-to-cook turkeys should be cleaned thoroughly and pin feathers removed with tweezers or paring knife. Feel inside the bird along ribs and remove any bits of lung. Cut out the oil sac above the tail. Wash the turkey inside and out under cold running water. Place in constant refrigeration and use within 2 days of purchase.

A frozen ready-to-serve turkey should be thawed in original wrappings in refrigerator 2 or 3 days or thaw unwrapped turkey in a pan set under cold running water 4 to 6 hours. A wrapped frozen turkey may be stored in the refrigerator one day then thawing completed under cold running water. Once the turkey is thawed, proceed as for unfrozen turkey.

Cook giblets (liver, gizzard heart) and neck as soon as possible in salted water to cover. Simmer over low gas flame in a covered pan 2 to 3 hours, or until the heart can be pierced with a fork. The liver will be tender in about 20 minutes and should be removed from the pan. Chop the cooked giblets, remove and chop the meat from the neck. Store chopped meat and stock in separate covered containers in refrigerator.

Prepare dressing immediately before stuffing and roasting the turkey. To save time the day of roasting the bird, the dry ingredients may be combined and stored in advance at room temperature and the liquid ingredients may be combined and stored in

### FASHION FIRSTS IN MOTORING

Car coats of cotton poplin are making fashion news this fall. Also in the news is the fact that cotton is tops in convertible tops. The National Cotton Council reports that a new vinyl-coated fabric is now being used in 95 per cent of convertible tops. Synthetics, which held 40 per cent of the car top market in 1954, failed to give performance while research helped cotton stage a comeback in this 10,000-bale-a-year market.

the refrigerator. To stuff the turkey, allow approximately 1 cup dressing per pound of ready to cook turkey. Allow the same amount of dressing for a turkey weighing more than 20 pounds as for 20 pounds weight, for the body cavities of large birds are approximately the same size. Extra dressing may be baked separately.

Rub the inside of the turkey with salt. Tuck wing tips under back. Fill the neck and body cavities lightly with dressing for it expands during cooking. Overpacking gives a compact, undesirable dressing and may cause the turkey to break or tear apart. To close the neck cavity, skewer the skin in place in back of bird. To close the body cavity, place several short skewers across it then lace around them with a heavy twine or cord. Tie drumsticks to tail.

It is important to stuff the turkey just before roasting. Stuffing and freezing or storing in the refrigerator before roasting is not recommended. Preparing the dressing in advance and freezing the turkey and dressing separately is not recommended. The dressing will become soggy.

The turkey, no matter what size should be cooked in a preheated oven at a temperature of 325 degrees F. Cooking time depends on size of the bird. If the turkey is roasted unstuffed, cooking time should be reduced approximately 5 minutes per pound. Doneness of meat may be judged by whether the drumstick can be moved up and down easily and whether the thigh meat or thickest part of the drumstick feels soft when pressed with the fingers.

For additional free information on "turkey and trimmings" send a postcard to the Home Economics Department, Lone Star Gas Company, Room 601 at 301 S. Harwood, Dallas 1, Texas.

## The Contemporary Study Club Sees Film On Cancer

At the Monday night meeting of the Contemporary Study club held at 115 Smith street, Mrs. Eastman acted as program chair man. She had had arranged for the program through the Wichita County Unit of the American Cancer Society.

The film, "A Question in Time" was shown the group; the film both asks and answers questions about cancer which are most commonly addressed to speakers by lay audiences.

This film emphasizes the importance of seeking early medical advice, tells of the work of the American Cancer Society and discusses the danger signals the three methods of treatment and the hope of cure.

The directness and simplicity with which the doctors in the picture reassures his patients and answers their questions gives the film a sympathetic and understanding quality which makes it a particularly effective educational movie. The film is built around the theme that adults, as well as children, can let their imagination lead them astray.

This picture is one of 14 lay educational films which are available to all interested groups through the Wichita County Unit of the ACS. For further information on these program, you are invited to contact Mrs. Madell Ellis, 540 West 3rd, Phone 375 because Mrs. Ellis represents Burkburnett on the ACS board. If you prefer, you may contact the Wichita County office of the ACS located in Wichita Falls at 905 Denver, Phone 3-2253.

Kent Reger is spending a few days vacation with friends in Dallas.

## Grade School News

We are hoping that you will take a few minutes of your time and join the many American citizens and visit your school during National Education Week. The heritage of America as assembled from colonial days and growth through the freedom of Democracy for some 175 years points the way toward the future. You are a very important part of that way and should have a share in the future.

The part you are to help play will depend on the way that you are concerned about the way that we are to travel. You have a great share in the way that we are to travel because the youth that you are interested in must travel the future road, and to do so efficiency will depend on the advice that you are giving and will be called upon in the future. America is great because you have helped to make that way, and the name that we carry forward will depend on the amount of participation that each will assume now and the effort that we will help to carry forward and encourage in the future growth.

## High School News

**American History Classes Vote "I Vote IKE" "I Vote ADLAI!"** These were familiar sounds heard throughout the whole United States this week, and to keep in style, the students of the American history classes of Burkburnett High School, whose instructor is Mrs. Benton, cast their ballots.

Mrs. George Savage, who Mrs. Geo. Savage, who works in the tax office, explained to both classes how the voting takes place and the importance of voting.

Upon hearing this talk, the students prepared secret individual ballots and placed them in special ballot boxes.

The tally read like this: the first hour class was over whelming Democratic while the second hour class had a slight margin for the Republicans.

All who participated learned a good deal and although their vote was not valid, each person felt he had a special part in the election.

Mr. Morris Bookbinder is in Dallas this week doing 32nd degree Mason and Shriner work.

### FLAG CODE

Know Your America 18th thru 24th.

The flag of the United States of America, when carried in procession with arms or flags, should be on the right, or, if there is no right, in front of the line.

When the flag is displayed on a speaker's platform, it should follow these rules.

Flag on the Wall: Displayed above and behind speaker.

Flag on Platform: Should be placed at the speaker's feet facing the audience.

Flag on floor, in front of speaker: Should be placed right of audience.

## The Tillman County Singers To Meet Frederick Nov.

The Annual 4-H achievement banquet is held at the Kemp Hotel on Tuesday, Dec. 4th. Cancellor M. T. Harrington of A&M College will be the principal speaker.

Dairy Farmers, you may get your dairy cows bred artificially by calling 7-7324, Wichita Falls. Hulén B. Chandler is our technician.

Most of the small grain has been planted in the county. Some farmers are still working day and night to get the seed in the ground. A large percent of the grain has come up and is looking very good. Some of the grain that was dusted in will be ready to graze shortly. Pat Morrison dusted his grain in and he will have some grain ready to graze in a few days.  
B. T. Haws and Allen Dale

Kemple planted a small grain variety test on the Emil Flusche farm in Punkin Center recently. The varieties of small grain planted were Mustang, Broncho, Alamo and New Nortex oats; Comanche, Westar, Concho, Triumph, Crockett, Wichita and Quannah wheat; Harbine barley.

Bob Crocker, ASC office manager told the county agent recently there had already been between 4500 and 5000 acres of winter legumes signed by farmers to be planted in the county. He stated there would probably be an additional 700 acres planted. Allen Dale Kemple stated there would be 1500 to 2000 acres of legumes planted in the Electra area. The principal legumes being planted are: Austrian, Winter peas, Dixie Wonder peas and vetch. Pat Morrison reports his 50 acres of Austrian Winter Peas are already up. Pat dusted in his winter peas. Some of the farmers planting legumes in the Electra area are: Albert Brockreide Math H. Weisenfeld, Jack Marshall, C. H. Arnold, Amer M. Lewis and Oscar Klinkerman. Ralph Swinford and Willie Morton have planted

vetch. Austrian Winter peas are planted mainly on the tight soil while vetch is planted on sandy soils.

The Wichita Valley DHIA Association tied for second place in the state in average pounds of milk which was 710 pounds. The association tied for fourth place in average pounds of fat, which was 26 pounds. This is a good record.

I would like to urge as many dairymen in this area as possible to attend the Dairy Short Course which will be held at A and M College at the Memorial Student Center on Dec. 6 and 7th. A very good program has been planned and should be of interest to all dairy farmers. Frankly I believe this is the best program we have had in several years. If you should be interested in going, please contact me and I will send in your name. I hope we have several people from this area that will attend. Should you want a program, please write me and I will send you one.

Lice will become a problem on cattle in the near future. 5 per cent methoxychlor as a spray is recommended for control measures. One application of methoxychlor is usually sufficient.

Laying flocks need at least 13 hours of good light every day if high egg production is to be maintained. B. T. Haws, county agent, says the use of artificial lights in the laying house is a necessary management practice if poultrymen expect to keep egg production high during the seasons of short daylight hours.

Put leaves to work which are now falling and cluttering yards and gardens. B. T. Haws, county agent, suggests placing them in compost piles. Compost can be used to boost next year's flower or vegetable gardens. Compost is available for adding organic matter to the soil, for improving the soil tilth and increasing its water holding capacity and also for mulching shrubs, flowers and vegetable plants.

Texas 4-H club members now numbering approximately 122,000 will join with the more than 2,200,000 members in the nation in the observance of 4-H achievement Day on Nov. 10th. They invite every citizen to participate in their planned activities.

The 1956 crop of Sudangrass seed is now forecast by the Crop Reporting Board at 50,715,000 pounds of clean seed. Although this is 43 percent below last year's record crop, it's about a third larger than average. Sharp decreases in production are showing up in Oklahoma and New Mexico.

According to Mrs. Wanda Chambliss, the Valley View Home Demonstration club has gone a long way toward the completion of their two year goal. This group organized two years ago and their very first goal was to provide a meeting place. They decided to make this their club project. Their first move was to buy a small three room house. As soon as the house was purchased the members and their husbands divided into committees and work began.

Partitions were torn out and a serving bar was built to divide the kitchen from the meeting place. The kitchen really began to take some shape when a stove, refrigerator kitchen cabinets and new floor covering was bought and installed.

Mesdames F. L. Tennant, Gene Mixon, D. B. Wheeler, A. L. Chambliss, V. F. Meyer, Orlin Dickerson took paint brush in hand and painted all the walls and woodwork. Nothing helps so much as a fresh paint job.

Mrs. Belva Jones and Mrs. Roy Lakey built a fireplace and made pictures for the walls.

After the building was completed enough to meet in, the club served a luncheon and made money enough to buy folding chairs and material for curtains for all the windows.

The outside needs a great deal of work, but this is surely a good start. Whenever a group of HD club women have the desire to complete a project they usually get it done.

To get the most from today's food dollar:

Plan your marketing list before you shop.

Buy only what can be used or stored satisfactorily.

Plan to use left-overs. Avoid waste.

Market in person, see what you buy.

Buy the form and quality that is best suited to the intended use.

Buy foods in plentiful supply.

An easy, economical way to increase calcium intake is using "Double Milk," for example add 4 tablespoons of dry milk to one cup of fluid milk for a delicious, cool refreshing "double milk" beverage. Your favorite fruit flavoring may be added to this. For variety of flavors try molasses, maple spice or honey.

Eggs are available in various grades and sizes in most markets. Thelma Wirges, county HD agent says highest grades, A and AA are ideal for cooking in the shell, for frying or poaching. The lower grades may be used for scrambling or used in cooked products. The shell color may vary from white to deep brown. This does not make any difference in the flavor, food value or cooking performance of the egg.

### First Baptist Church

LERoy MEYER, Pastor  
The First Baptist Church has been experiencing good services in the Revival this week. Bro. Hubert Faust, pastor of the First Baptist church, Graham, Texas has been preaching wonderful, stirring messages and the morning crowds have been running well over 100.

This Sunday in Sunday School a goal of "800" has been set to be present. If the goal is reached, a surprise is in store for those remaining for church.

Also, again this Friday night immediately following the football game with Olney, there will be a period of fellowship and refreshments for all high school students in the basement of the church.

### 2,000 YEAR OLD SKYSCRAPER

Long before Manhattan Island was purchased from the Indians—at a time when the word "skyscraper" had not yet been coined—a magnificent twenty-story palace dominated the skyline of Yemen's capital city of San'a.

This regal structure, known as the Palace of Ghamdan, was as great a tourist attraction two thousand years ago as New York's Empire State Building is today. Many historians have described the wonders of the famed palace, which had a ceiling of transparent alabaster so clear that its inhabitants reportedly could distinguish the species of different birds as they alighted on the roof or flew overhead.

Because of Ghamdan and other palaces which once towered twenty to thirty stories in the air, the Yemenites can fairly claim that they were the first people to erect skyscrapers. Only traces of the palace of Ghamdan remain in present-day San'a, but the capital contains many seven- and eight-storied buildings with the same type of original architecture. Even today the upper windows of some Yemenite palaces are made of translucent alabaster instead of glass, and the lower stained-glass windows beam forth at night in multi-colored splendor.

Although San'a is situated on a flat plateau, some of its buildings are so tall that from a distance it seems as though the city is built on elevated land. The average Yemenite, accustomed to climbing his country's rugged mountains, is undaunted by long flights of stairs and instinctively seems to prefer tall buildings. Foreign visitors have noted with amazement that the Yemenite of the plains, when unable to live on high ground, erects a tall house—and chooses the top floor to live on!

Mrs. W. A. Roberts of Dallas, and formerly of Burkburnett, is visiting her son, Mr. and Mrs. Wayne Roberts and children in Los Angeles, California.

### Randlett Resident 20 Years Succumbs

Services for J. W. (Bruce) Dunson, 71, who died Monday in a Wichita Falls hospital were conducted Wednesday at 2:30 p. m. from the Baptist Church in Randlett.

Burial was in Randlett Cemetery, directed by the Pearson Funeral Home of Walters.

Dunson had lived in Randlett 20 years and had owned and operated a service station and cafe

13 years until illness forced retirement two and a half years ago.

He leaves his widow, Mrs. G. N. Benson, a brother Joe of Walters, two sisters, Mrs. Jim Dunson of Washington, Okla., Chambers, Cordell, Okla., granddaughter, Edna, son of Walters.

Love's like a radiator, you warm, even when it's only hot air.

**NOTICE**

Single game reserve tickets may be secured at the Tax Office until 4 p. m. Friday for the Burk-Olney game scheduled for Friday night at 8 p. m. in the Bulldog stadium.

**DEN 9**

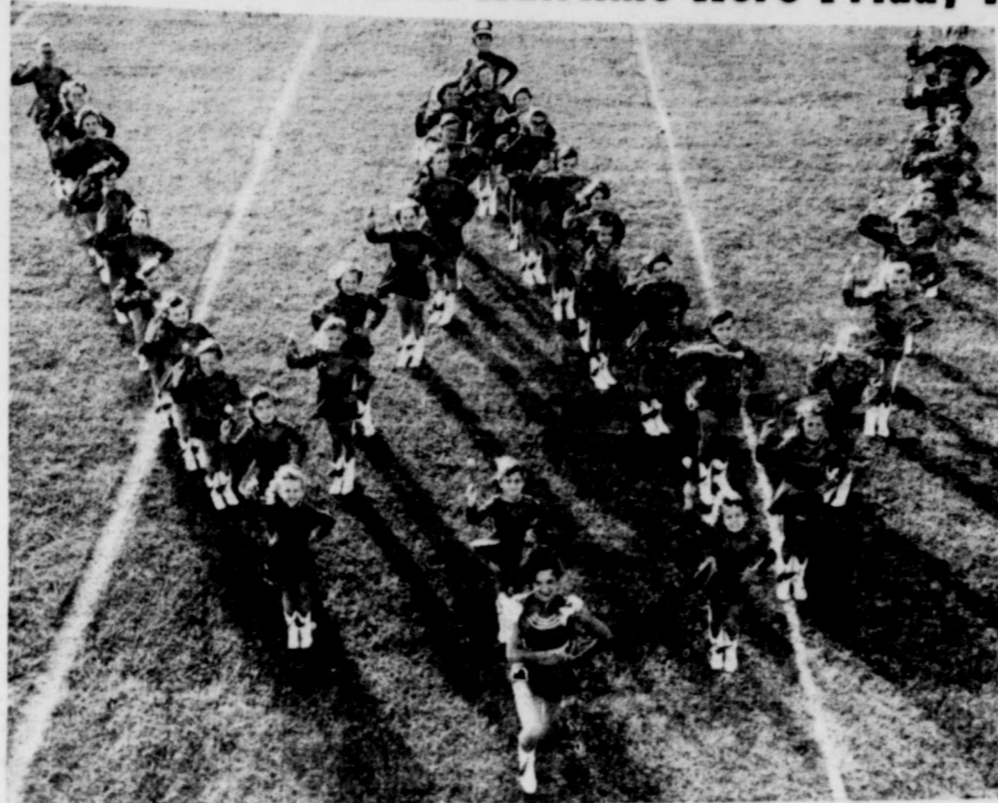

The Cub Scouts of Den 9 met Thursday in the home of Mrs. K. D. Simmons. A buttonhole puzzle and a candy relay game opened the meeting. Then the boys worked on their projects of making paper hats and cigar box guitars. New den chief is Larry Spainhour.

Refreshments of cup cakes and soda pop were served to Brooks Simmons, Lloyd Simmons, Michael Musick, Tommy Thaxton, Dickey Spainhour and Charles Shanlaub.

Dickey Spainhour, keeper of the buckskin.

Models and figurines made of wood 6,000 years ago have been found in the tombs of ancient Egypt.

**Whirlettes to Perform at Halftime Here Friday Night**

The Wichita Falls Whirlettes, a marching group of miniature baton twirlers, will appear Friday, Nov. 16th at the Burk-Olney football game. They are returning for their second performance.

Led by Burk-Olney High School student, Linda Cheney,

the 45 majorettes between the ages of 3 and 13, will perform at the halftime, presenting to fans a routine of baton twirling and strutting.

Other Burk-Olney twirlers to appear are Linda Wood, 8 year old daughter of Mr. and Mrs. Harold Wood, and Karen Ann

Bentley, 8 year old daughter of Mr. and Mrs. Howard Bentley of Randlett, Okla.

The Whirlettes, instructed and directed by Bonnie Baxter of Wichita Falls, performed earlier this year at the Oil Bowl game in Wichita Falls.

**Laying Flock Need 13 Hours Of Light**

Laying flocks need at least 13 hours of good light every day if high egg production is to be maintained. B. T. Haws county agent, says research has shown that the effect of light which enters through the hen's eye and is carried to the pituitary gland stimulates the production of the hormones which activates the egg production process and keeps the rate of laying high.

Since the light rays, to be effective, must hit the eyes of the birds, Haws says it is important that lights be placed so the entire house is well lighted, especially over the feeders and waters.

He suggests that clear 60 watt bulbs set six feet above the floor and 14 feet apart be used. A clean 12 inch shallow reflector used with each bulb will help give better light distribution. The use of an automatic timing switch is also suggested for these can be easily set to take care of the changing daylight hours. Too, Haws points out, that lights are needed on cloudy days. A light intensity of at least one foot candle power at the hen's eye level is recommended as the minimum requirement for laying hens.

Haws says that some poultrymen use both morning and evening light periods to maintain the 13 hour length day. If the hens are on the floor, he says, a 15 minute period of dimmed lights

the hens to go to the roosts. With pullets starting their lay in late summer or early fall, it is best to wait until production slackens slightly before starting the use of lights to lengthen the day. Turn on the lights, he says, as soon as there is a slight slack in production. Waiting too long may cause a slight molt and a heavy drop in egg output.

The use of artificial lights to keep hens on the job for 13 hours a day is a necessary management practice for keeping production high throughout the year and profits up, says Haws.

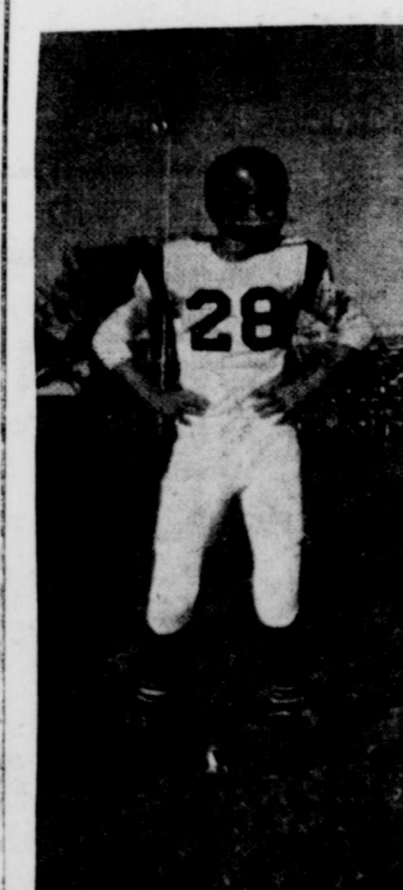

**Falling Leaves Give Boost to Gardens**

If properly handled, the leaves which are now falling and cultering yards and gardens can give a boost to next year's flower or vegetable garden says B. T. Haws, county agent.

It may be easier to burn them but the extra time required to put them in a compost pile will return big dividends, explains the county agent. Use the compost next year to increase the organic matter in the soil or for mulching flowers, shrubs or vegetable, he says. Organic matter increases the soil's ability to hold water and plant nutrients and makes the soil easier to work. Mulches are available for controlling temperature and conserving moisture.

Making a compost pile is an easy operation. Scrap lumber or a few feet of net wire and four

BHS Band Takes  
Top Honors Nov. 13  
At Marching Contest

At a marching contest held in  
Wichita Falls, Tuesday, Nov. 13,  
the Burkburnett High School  
Band walked away with top  
honors.

In Class AA Jacksboro, Sey-  
mour, Bowie, Electra, Nocona,  
Olney, Quanah and Burkburnett  
competed for the Division I hon-  
or, which was awarded to Burk-  
burnett. Burkburnett took first  
along with Bowie, Electra and  
Nocona. The others took II and  
III honors.

In the twirling contests held  
in the afternoon, Drum Major  
Pat McCabe, Majorettes Barbara  
VanLoh, Carol Muller, Glenna  
Landes and Pat Clack and two  
extra entries, Joyce Fields and  
Shirley Thaxton took Class I  
Division I honors with twirling  
solos. The majorettes and drum  
major entered a twirling quin-  
tet and again took Division I.

Martha VanLoh, Burk Junior  
High School Majorette and La-  
faye McDonnell took Division II  
honors in Class I.

The Burkburnett band took  
more first place honors than any  
band participating.

Mrs. W. E. Boydston  
Surprised Friday  
With Party

Members of the Junior Girls  
Sunday school of the Church of  
God surprised their Sunday  
school teacher, Mrs. W. E. Boyd-  
ston, with a birthday party in  
her home Friday afternoon, Nov.  
9th.

The girls served refreshments  
of cup cakes and ice cream and  
presented the honoree with a  
number of lovely gifts.

Those attending were Lahoma  
Johnson, Ada Whitney, Patsy  
Morris, Joy and Kay Stubblefield  
Fern Reel and Wanda Pack.

Ralph A. Postelwait entered  
the U. S. Navy on Oct. 14th and  
is now receiving his pre-flight  
schooling at Pensacola, Fla.  
Ralph is the son of Mr. and Mrs.  
A. R. Postelwait of Randlett.

Annual Christmas Seal Sale

Burk Study Club  
Met Monday With  
Mrs. Glen Bear

Mrs. Glen Bear was hostess  
Monday, Nov. 5th for the Burk-  
burnett Study Club.

The meeting was called to or-  
der by the president, Mrs. J. L.  
Mitchell. The roll was called  
with each member answering  
with a Do or Don't of parliamen-  
tary law, and minutes of the pre-  
vious meeting were read by re-  
cording secretary, Mrs. F. A.  
Jamieson. Reports from the var-  
ious committees were called for.

The club voted as a project for  
this year to hold a game night,  
Feb. 4, with all the proceeds to  
go to the Youth Center. They  
also voted to give monthly some

of the necessities requested by  
Sheppard Air Force Base hospi-  
tal. Mrs. Jack Mathis and Mrs.  
Ollie Ratliff are to represent the  
club at the monthly meetings for  
this purpose at Sheppard Air  
Force Base.

A report was made by Mrs.  
George McClarty, federation  
counselor, concerning the Dor-  
othy Viennian Oriental scholar-  
ship.

In accordance with federated  
rules the club voted to make  
equal contributions to each feder-  
ated project requesting con-  
tributions.

In line with the business day  
program, Mrs. F. A. Jamieson  
read the constitution and by-  
laws of the club.

Following the regular busi-  
ness the club members played  
musical chairs for the purpose  
of raising extra money.

Mrs. J. L. Mitchell won the  
door prize.

Delicious refreshments were  
served to the following members  
Mesdames Glen Bear, James  
Bohner, P. A. Carpenter, R. M.  
Davis, H. C. Dodson, Archie  
Faulk, Howard Henderson, F. A.  
Jamieson, Jack Mathis, George  
McClarty, J. L. Mitchell, Ollie  
Ratliff, Jack Robertson, F. C.  
Roye, Harold VanLoh and W. T.  
Zimmerman.

Home Builders Class  
Met Wednesday With  
Mrs. J. M. Patterson

The Home Builders class of  
the First Baptist church met for  
their regular monthly meeting  
in the home of Mrs. J. M. Pat-  
terson Wednesday, Nov. 7th. Co-  
hostess was Mrs. W. C. Gage.

The meeting opened with the  
song Pass Me Not. The devotion-  
al was brought by Mrs. Pat-  
terson. Her subject was Be Still  
and Know That I Am God. Col-  
lection of dues was \$2.85 and  
one birthday gift. The Christmas  
meeting will be with Mrs. Hugh  
Jones.

Refreshments were served to  
the following members: Mes-  
dames Patterson, Gragg, Hoff-  
man, Schoch, Lowery, Patton,  
Jones, Moreman, Roberts, Revier  
Grace, Lawler, Tucker, Knauth  
and Gloger.

ment of Church Friday night.

**First BAPTIST CHURCH**  
Leroy Meyer, Pastor

Mrs. O. E. Melton  
Hostess Monday To  
Circle 2 Of WSCS

Circle 2 of the WSCS met Mon-  
day afternoon in the home of  
Mrs. O. E. Melton. Mrs. Hugh  
Jones, circle leader, presided.  
Mrs. Holt gave the opening pray-  
er. America was sung introduc-  
ing the devotional and program  
topic titled The UN a Good Trus-  
tee.

Mrs. D. M. Morris gave the de-  
votional reading scriptures from  
Psalms 146 and reading a pray-  
er for the UN.

Mrs. Keil read a short biog-  
raphy of Margaret Briggs, Lef-  
ever, author of the program top-  
ics. She was assisted by Mes-  
dames W. C. Gage, Work of the  
Trustee Council; J. L. Caffee,  
Petitioners Table; D. M. Low-  
ery, Technical Aid In The United  
Kingdom of Libya.

The word of the Trustee Coun-  
cil was explained and the way  
the dependent territories peti-  
tion the council was shown by  
instances cited. Stories of real  
happenings reveal the help-  
fulness of technical aid in trustee  
lands. Mrs. Keil closed the dis-  
cussion with prayer.

A short business session was  
conducted by Mrs. Jones. Pledg-  
es were paid and monies col-  
lected for school lunch ticket  
for a child that the circle is  
sponsoring.

Christmas party with the en-  
tire WSCS participating will be  
held with Mrs. L. W. Mathis and  
Mrs. Jack Mathis as co-hostesses  
was planned.

The missionary benediction  
closed the meeting.

Refreshments were served by  
Julia Henry and Pat Inlow to the  
following: Mesdames Jones, Pil-  
kenton, Hall, Lowery, Grace,  
Caffee, Gage, Revier, Lena Pat-  
ton, Schoch, Holt, Melton and  
Morris.

Mrs. Marshall Young  
Hostess November 13  
Circle One Of WSCS

Circle I of the WSCS met in  
the home of Mrs. Marshall  
Young Nov. 13th. The meeting  
opened with the group singing  
America. Mrs. Peggy Mathis,  
Circle leader, had charge of the  
program and brought a very in-  
formative lesson on the United  
Nations. Mrs. R. L. Gragg led in  
prayer. Mrs. Beulah Hall brought  
a lovely devotional from 146th  
Psalm and Acts 17: 5, 7, 10.

A delicious Thanksgiving plate  
was served to the following mem-  
bers: Mesdames R. L. Gragg, G.  
D. Scruggs, Hettie Gilbert, L. W.  
Mathis, Jack Mathis, I. R. Reagan  
J. P. Lawler, Patterson, B. N.  
Cauthorn, Beulah Hall, Paul  
Browning, Kent Reger, Leon  
Turner, the hostess, Mrs. Young  
and co-hostess, Mrs. A. R. Bun-  
stine.

The next meeting will be the  
Christmas party Dec. 3rd in the  
home of Mrs. L. W. Mathis on  
the Wichita Highway.

Mr. and Mrs. Neal Hall, Jr.,  
and Karen of Dallas visited in  
the home of Mr. and Mrs. Neal  
Hall, Sr., and Mrs. Ed Heiser-  
man, over the week-end.

Turkey Shoot  
Sun., Nov. 18th

Members of the Burkburnett  
Quarterback club are sponsor-  
ing a turkey and skeet shoot on  
Sunday, November 18th. The af-  
fair will be held on the Virgil  
Mills place, near Midway Ser-  
vice Station, on the Wichita  
Falls highway just beyond the  
old Cashion school site.

Plenty of live turkeys have  
been bought for the occasion.  
In addition to the shoot, the  
club is giving away a new 58  
Model Automatic Remington  
shotgun, complete with Cuts  
Compensator, ribbed barrel, etc.  
For further details, see John  
Page or Huck McDonnell.

Burk Garden Club  
Met Wed. Home Of  
Mrs. Paul Browning

The Paul Browning home was  
the scene of the regular meet-  
ing on Wednesday afternoon of  
the Burkburnett Garden Club. Co-  
hostess with Mrs. Browning was  
Mrs. O. E. Melton.

During the business session,  
plans were made for the annual  
Christmas party. A report was  
also given of the District 2 meet-  
ing which was held in Vernon on  
Oct. 31 and Nov. 1.

Mrs. A. R. Bunstine, program  
chairman, presented Mrs. D. C.  
Dodson whose topic was Suce-  
sion of Bloom and Intelligent  
Plant Buying, was not only time-  
ly but most interesting and well  
received by the group.

Appearing on the program  
with Mrs. Dodson were Mesdames  
P. A. Carpenter and F. L. Pil-  
enton who stressed compost  
building with plants past their  
prime and hints on bed prepa-  
ration for pansies.

During the social hour guests  
and members enjoyed a delight-  
ful refreshment plate.

Contemporary Club  
Met Nov. 12th With  
Mrs. E. B. Burton

The Contemporary Study Club  
met in the home of Mrs. E. B.  
Burton, Monday night, Novem-  
ber 12. Mrs. J. W. Parsons act-  
ed as co-hostess. Mrs. J. F. East-  
man introduced Mrs. Munster  
who presented a very interest-  
ing film on Cancer.

The club has taken as their  
year's project the Youth Center,  
giving financial support as well  
as helping with the supervision.  
Club members are supervising  
Youth Center activities during  
the month of November, and in-  
vite all parents of children eli-  
gible to attend these activities  
to join with them in helping at  
any time.

The club welcomed a new  
member, Mrs. Frances Tarking-  
ton, who joined the club Mon-  
day night.

After a short business session  
refreshments were served to the  
following: Mesdames Frances  
Beaver, M. D. Cheney, J. F. East-  
man, Harry Elliott, Leo Evans,  
A. B. Friels, E. M. Kinnett, Jim  
Maag, Irving L. Smith, H. S.  
Thaxton, Cliff Wampler, P. O.  
Wise, and Frances Tarkington.

Mr. and Mrs. S. S. Reger re-  
cently returned home from a  
short visit with relatives in In-  
dependence, Kansas. They also  
visited the Shepherd of the Hills  
country in the Ozarks of Mis-  
souri.

### Wants to Move Back To Burkburnett

November 9, 1956  
Burkburnett Star,  
Burkburnett, Texas

Dear Editor:  
My family and I departed from your city about seven years ago and we haven't been happy since, for two reasons. (See letter at the Star office).

Two and a half of those seven years I spent in Korea, two more as a police patrolman and deputy sheriff of Oakland County. One year as a service representative for American Sterilizer Company (hospital equipment repair). The balance, I have been self-employed. Qualifications for employment are: police officer, qualified welder and general handy man. I am at present, Director of Civil Defense for the City of Madison Heights, appointed by the Governor and the

City Council.

We would like to return to Burkburnett and make it our permanent home but I will need housing and a job.

I must earn at least \$80 a week take home pay. I have six dependents, including myself. We would like to move to Burkburnett before Christmas, if possible, so that the children will not miss too much school.

At your earliest convenience, please send me any information regarding housing and employment that will enable us to complete our plans.

Very truly yours,  
Patrick Thomas, Jr.

345 W. Barrett  
Madison Heights,  
Michigan

Anyone who thinks he is indispensable should try sticking his finger in a bowl of water and noticing the hole it leaves when he takes it out.

### Co. Commissioners Offer \$100 Reward For Litterbuggers

Wichita County Commissioners have decided to try to put a stop to the practice of strowing rubbish along the highways and bridges.

When the Commissioners met Monday morning at the Court House, Burkburnett's Commissioner Clark Gresham made a motion, seconded by Iowa Park's Commissioner Buck Voyles, that \$100.00 reward be offered for arrest and conviction of any person violating Article 1347 Penal Code of the State of Texas which reads as follows:

**"Whoever throws or deposits in or on any public road, street, or alley, or any public highway any glass bottles, glass, nails, tacks, hoops, wire, cans or any other substance likely to injure any person, animals, automobile or any vehicle upon such highway shall be fined not to exceed two hundred dollars."**

The motion carried unanimously.

### Short Wave Set Helps Mid East Satuation Analyzed by Bakri

Texas University Campus—  
"Welcome to the International Room. Latest Reports from the International Room—News about the Middle East."

These two signs hang over the door of Moore-Hill Hall 406.

For the last few days, Room 406 has been a source of news on the Middle Eastern situation. News as it happens—Cairo. This extraordinary dormitory room is equipped with a short wave set and Ali, the interpreter and analyst.

Ali K. Bakri of Damascus, Syria, is a civil engineering scholarship student. His news service venture (an accidental one) evolved when two boys next door came to him for latest news of the Middle Eastern conflict.

Sitting at his short wave set, Ali listened to news in Arabic from Cairo and gave his guests the latest scoop. A map aided his explanation of "who's doing what?"

By late Wednesday morning a stream of news seekers churned in, out, and around the room. After a broadcast, Ali would illustrate the news on a large wall map.

Small red arrows indicated Middle Eastern points of action. Ali used a straightened coathanger to aid explanations for athletes and other students of Moore-Hill.

"About every five minutes it seems like twenty people come by," laughed Ali. "But I am glad to take the time because enlightenment on the situation helps understanding. And understanding between countries is needed."

How has the Middle Eastern three-ring circus affected Ali's roommate, JERRY VAN LOH? He put the signs on the door.

### NOTICE

The Elzabonnet Garden Club will meet with Mrs. J. T. Brady, 737 West 3rd, Tuesday, November 20th at 2:30 p. m. with Mrs. Ray Mills as co-hostess. All members are urged to attend.

Usually the first screw that gets loose in a person's head is the one that controls the tongue.

### Card of Thanks

I wish to thank my many friends and neighbors for their many kindnesses during my stay in the hospital. The cards, flowers and visits were especially appreciated. May God bless each of you.

Mrs. J. S. Gore. 18-1tc

Alcohol is something that very often puts the wreck in recreation.

### NOTICE

There will be a community supper Monday night 26th at 7 p. m. at the View Baptist Church located East of the Handlet way in Oklahoma. Everyone invited to come and bring R. H. Busby, pastor.

... secretary of the and head of the agricul... of the Wichita chamber, announced a to be held in Wichita 2:00 P. M. December 3, vegetable growers and of brokers. ... growers in the area

have been successful with crops, but have had some difficulty marketing their products. The association has pushed efforts to organize the growers and works as liaison between the buyers and the growers.

On the nominating committee which drafted the slate of officers were Worth Coffey, Vernon; Grover Harrison, Electra; J. C. Landers, Duncan, Okla.; J. W. Martin, Quanah; and T. R. McCasling, Waurika, Okla.

All are chamber of commerce managers except McCasling, who is city manager of Waurika. Committee chairmen for the year, named Wednesday, subject to their acceptance, are Raymond Lunn, Olney, transportation; J. C. Porter, Wichita Falls, agriculture; McCasling, water; Keyes Carson, Tipton, membership; Ben Blanton, Wichita Falls military and governmental; and Grover Harrison, Electra, industrial.

Jeff Henderson of Nocona recommended the group form an oil committee to work with the oil industry on mutual problems and as a means of recognizing the value of oil to the area.

Members of the nominating committee recommended a program committee be set up, that each committee meet at least four times each year, and that all committees contain at least one chamber of commerce manager to serve as secretary.

All the recommendations were approved.

The speaker distributed a 10-page questionnaire typical of

those circulated by industries seeking southern plant sites. It asked for detailed information on all phases of city life.

Bragg was instrumental in obtaining the \$10,000,000 Johns-Manville plant for Denison recently.

A Parade of International Fashion is being staged in Australia during Olympic Year. British Designer Digby Morton uses a jacquard woven coat in an all-over design for a stem slim dress and coat. The ensemble reflects the informal elegance which characterizes the best dressed Australian woman.

Mr. and Mrs. John Brookman were called to Houston last week end by the illness of their daughter-in-law, Mrs. Dana Sue Brookman, of New Orleans. Dana Sue entered a Houston hospital Monday and will be confined there for several days. She is reported doing nicely at the present time. Mrs. Brookman plans to stay in Houston for a few more days.

Most summer romances are ended by fall or by marriage.

WHICH IS THE LARGEST CITY IN A COTTON-PRODUCING STATE?

CHICAGO, ILLINOIS PRODUCES ABOUT 2,000 BALES A YEAR.

### Soil Conservation District News

Cooperators with the Wilbarger-Wichita Soil Conservation District have received fish which had been requested. These fish are being used for stocking purposes, according to Fenton Dale, chairman of the Board.

Those receiving fish in the Iowa Park area were W. T. Miller, Frank Lentz, Fred Duane, C. C. Burrows, V. T. Hunter, J. M. Towles, Fritzhue Hatcher and Arnold Holtzen. Fish being delivered were channel cat, blue gill and bass. Not all cooperators received complete stocking at this time due to the large number of requests at hatchery. If all fish were not delivered at

this time, the order will be completed in the spring.

Those receiving fish in the Vernon area were Paschal Belew, Willie B. Smith, Russell S. White, Robert Arnold, Marvin L. Sharp, Jr., Fred S. Hanna, Judge A. D. Green, C. G. Gate, Robert Westmoreland, W. M. Judd, J. M. Cambron, W. A. Bond, Albert Jokel, Dewey Anderson, Tandy Belew, J. G. McCarroll, Paul Schultz, Chas. Thomas, George Streit and J. W. Cambron.

Soil conservation service technician points out that all the fish and average family needs can be grown on a pond of one-half acre. Ponds should be fertilized with nitrogen and phosphorus since that is what soils in this area are low in. Fertilizing should be done after the water has warmed in the spring. About 50 pounds of 16-20-0 fertilizer per acre applied in shallow water each time you can see

your hand in 12 to 15 inches of water. Fertilizer should stop in the fall.

Dr. and Mrs. Rudolph Robinson have just returned home after having attended the South Plains District Dental Society Seminar in Lubbock, Texas, where the "Summary Problems of Denture Rehabilitation" was discussed. While the Robinsons were in Lubbock they attended the TCU-TECH football game.

Mr. and Mrs. Noel Duke and children of St. Louis, Mo., visited in the home of Mr. and Mrs. Jack Duke and other relatives here the past week.

The art of acceptance is the art of making someone who has done you a favor wish that he might have done you a greater one.

### Bullpups Loss 41-0

Facing the strongest opponent of the season the Bullpups came out at the bottom of a 41-0 score with an Olney eleven on the Olney home field, Nov. 8th. Thursday night, Nov. 15th the Bullpups will take the field for their final game against the Nocona Indians. Nocona is a strong opponent, having won all games played this season, but the Bullpups will be fighting hard when the game begins at 6:30 in Bulldog stadium.

Olney's strong T formation scored 14 points over the Bullpups in the first quarter. Burk's kick-off was received by the Olney team and Olney began a drive which ended on the ten yard line and then it went over for the first touchdown. Half-time score was 27-0.

The Bullpups' single-wing enabled them to drive to the Olney 10 yard line, where they tried a reverse, fumbled and recovered, but lost the ball on downs. The Bullpups held their line and were able to hold the Olney 11 on the 15 yard line for the last few minutes of play.

Everyone should be on hand Thursday night at Bulldog Stadium when the Bullpups make their last stand against Nocona Indians at 6:30.

### Bullpup Growl Staff Organized

Irma Ned Riley has been selected to serve as editor in chief of the Bullpup Growl, Junior High school newspaper. Dennis Harsh is to be assistant editor.

Society editor Janelle Sanders assisted by Shirley Overton, Carolyn Clement and Charlotte Wallace. Eddie Eastman is to serve as sports editor. Others on the sports desk are Shirley Hodges, Larry Armstrong and Raymond Nix. Art work for the newspaper will be by Wendell Ainsworth, art editor and assistants Cendy Bryant and Carole Barnby. The news desk, Shirley Boyle, editor is composed of Mike Matherly, Wendelyn Goins, Diana Brookshier and Patsy Preston.

Special correspondents for the paper will be Carey Willet in 4-H work, Thomas McDonald for the Boy Scouts, Loretta Brocker in Jr. High band and Richard Nixon for the student council.

Business manager Martha Van Loh will be assisted in taking care of business matters and circulation by Shirley Thaxton, Nita Bingham and Darla Gorbet.

### Observe Education Week

The Burk Junior High School Student Council is sponsoring registration of guests visiting the Junior High School during American Education Week, Nov. 12-17.

This week, all citizens are urged to visit the school and become acquainted with the teachers, the administration and the conditions existing in the schools, so they might better understand the education system under which their children are educated.

All citizens should visit the schools, so they can understand the problems confronting the public education system.

The eighth grade students, who sold magazines in the recent magazine sales, thought it was These students received the prize Christmas, Monday, Nov. 5th. These students received the prizes that they were able to order with the points which they made for selling magazines, Fountain pens, pencils and all kinds of nice things were received as a reward for the work done in selling.

## TELEPHONE TALK

by C. A. Deuschle, Manager

### King-Size Telephones

Imagine your surprise if the telephone set in your home or office actually grew in size every time another telephone was added to the number you can reach with a local call!

Naturally this doesn't happen, but I brought it up to point out how much your telephone service really has grown in value in recent years.

Today you can reach more people by telephone—your friends, neighbors, and the shops and stores around town—than you have ever been able to before. This means you can run more errands, do more things by telephone.

To me, that adds up to our telephone service being a bigger value today than ever before. And I think you'll agree that it will be an even bigger value tomorrow as we continue to put more and more telephones in service in Burkburnett.

### Go Home By Telephone

Thanksgiving, a real "family holiday," is just around the corner. And I guess we'd all like to be home to share the turkey, trimmings, and just plain "get-together" talk.

For some of us, however, it's impossible to be there in person. But you can still be a part of the family's Thanksgiving Day with a Long Distance call home.

Why not plan now to make a call and be part of the family group? The cost is low, even lower if you call Station-to-Station. And remember to call by number—it's twice as fast.

### See You Next Year

No, I'm not going on a two-month vacation, but this is the last time until early 1957 that I'll be chatting with you in Telephone Talk.

This column has been running in the newspaper for about a year now. I've enjoyed talking with you this way, and I hope you've enjoyed reading about what we're doing in the telephone business. Watch for Telephone Talk again next year. Meanwhile, here's hoping you enjoy that Thanksgiving turkey and have a happy Christmas season.

Call by number. It's twice as fast.

SOUTHWESTERN BELL TELEPHONE COMPANY

## What puts the Mark of Tomorrow in the new kind of FORD?

Here's what puts the Mark of Tomorrow in the new kind of Ford!

It's the sculptured look. You'll see it the moment your eyes wander over this fine car. In a '57 Ford you belong . . . anywhere.

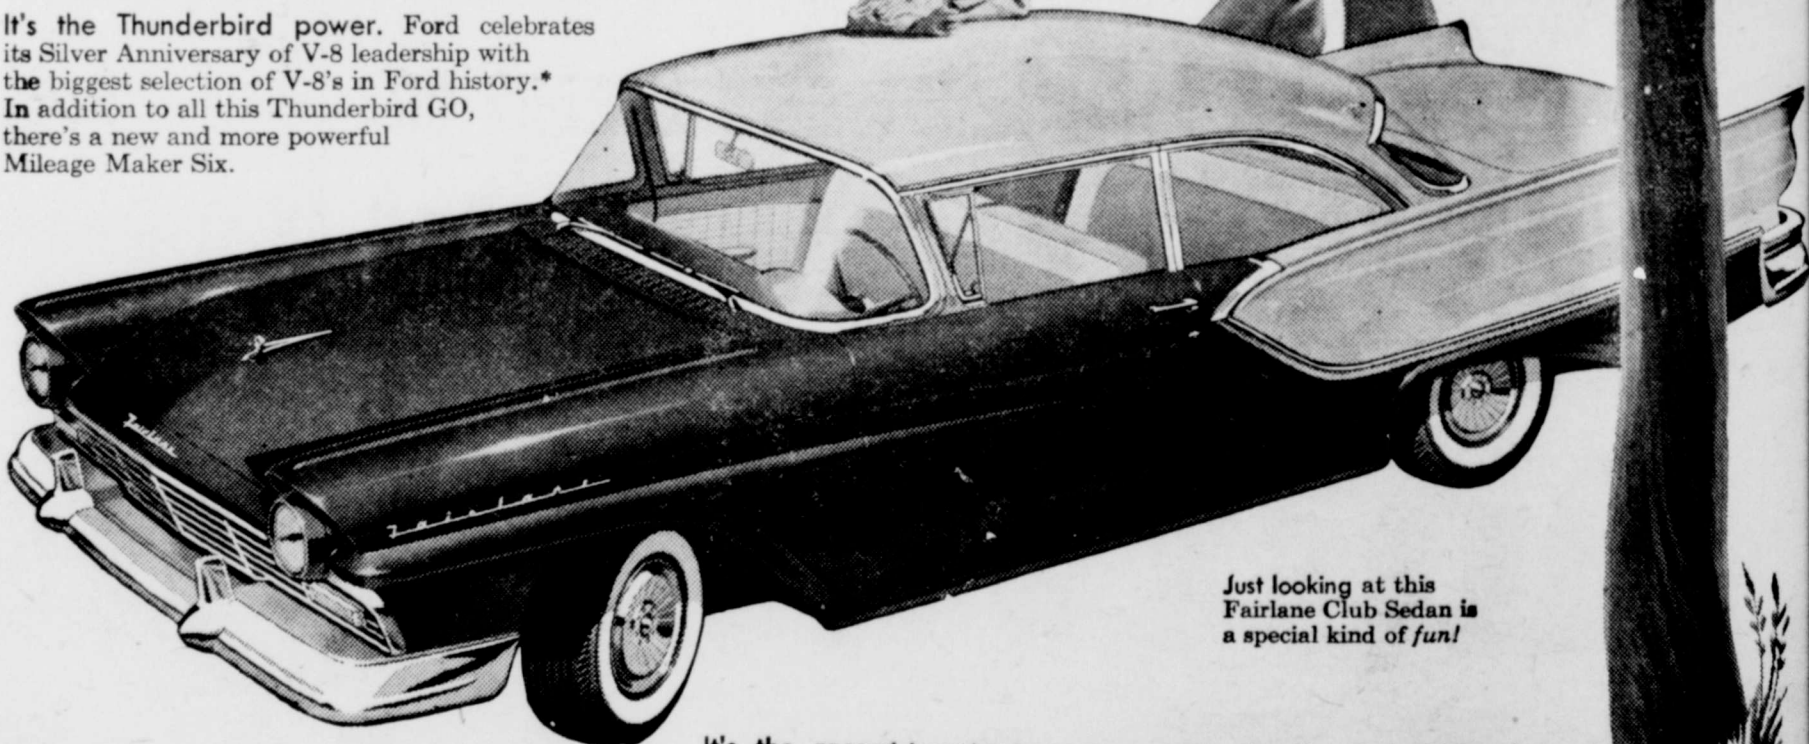

It's the long, lean lines. There's a greyhound grace to this Ford. No useless "fat," no showy "padding." It's as trim as a jet fighter.

It's the hardtop styling. Fairlane sedans have the hardtop look of Victorias! Superthin, superstrong center pillars are smartly concealed to give hardtop beauty when doors are closed.

It's the freedom of choice. Colors? Fabrics? Accessories? Far more than that! Ford gives you a choice of two new, bigger sizes . . . longer, lower, roomier!

It's the ride that stays gentle. With a new frame that rides sweeter and lower, new springs, new suspension all around, even the roughest roads can't ruffle the poise of the new Ford.

It's the Thunderbird power. Ford celebrates its Silver Anniversary of V-8 leadership with the biggest selection of V-8's in Ford history.\* In addition to all this Thunderbird GO, there's a new and more powerful Mileage Maker Six.

Just looking at this Fairlane Club Sedan is a special kind of fun!

It's the record-breaking performance. On the Salt Flats at Bonneville, Utah, a '57 Ford traveled 50,000 miles in less than 20 days . . . an average speed of 108.16 mph, including all pit stops! Another Ford averaged over 107 mph. Altogether, 458 national and international performance records were smashed as Ford rewrote the record book.

It's the big dollar value that lasts and lasts. Styled for tomorrow, a new Ford keeps its value longer. And wonder of wonders, all this extra strength, extra beauty, extra length is yours at low Ford prices!

\*Included is a special 270-hp Thunderbird 312 Super V-8 engine available at extra cost. Also, an extra-high-performance Thunderbird 312 Super V-8 delivering up to 255 hp!

Wise man say: "Don't wait for TOMORROW

when you can get it today!"

Mr. Cecil Hawkins of Lawton visited his mother, Mrs. Belle Hawkins Sunday.

### Marilyn Penn To Be Princess Nov. 16-17 Homecoming Act.

Marilyn Penn, a 1956 graduate of Burk Burnett High School, has been nominated by the freshman class of Midwestern University in Wichita Falls, one of the Princesses to reign over Homecoming activities, Nov. 16-17.

She is the daughter of Mr. and Mrs. Bill Penn of Burk Burnett. Marilyn is an elementary education major.

Two Princesses will be chosen from a group of eight freshmen and sophomore nominees. A Queen will be selected from junior and senior nominees.

The Queen and her court will reign over MU Homecoming, Friday and Saturday, at which time students will welcome former students back to the campus. Saturday's activities will be climaxed with a football game between the Midwestern Indians and Trinity University of San Antonio. Halftime will be highlighted with the crowning of the Queen.

"The Autumn Leaves Prom" to be held Saturday evening will also honor the Queen.

A FINE GIFT FOR  
SOME  
ONE

**SKY-WATCHING** and looking after the children have been com-  
bined in this Ground Observer Corps post at Mechanic Falls, Me.,  
by installing a children's playground. This innovation solves the  
problem of mothers who complain that they cannot do their part  
in Operation Skywatch because there is no one to look after their  
children while on duty. (Androscoggin County, Me., CD Photo by Nolin)

## the Snapshot Guild

A greeting card like this is certain to be enjoyed long after the  
Christmas season is but a memory.

### The Christmas Card That No One Else Can Send

Just take a quick look around—  
and you'll notice counters and win-  
dows are suddenly coming alive  
with fat Santas, shining snow-  
flakes, tinsel and tree ornaments.  
So, you see, it's not a bit too  
soon to decide on a suitable  
Christmas card for your special  
holiday greeting this year.

If you're like most of us, you've  
probably discovered that shop-  
ping for an individual-looking  
card for you and your family is  
often a disappointing experience.  
That's why so many people who  
feel their holiday message should  
be expressed in warm, personal,  
individual terms are turning to  
photographic greeting cards. Noth-  
ing but nothing really puts the  
"strictly personal" stamp on a  
Christmas card the way a picture  
of your own taking does. And  
that picture may be one now in  
your album that you've taken  
some time during the year, or one  
that you shoot with a holiday  
theme especially selected for "sea-  
son's greetings."

Your family picture record for  
1956 probably contains a number  
of snapshots that would lend  
themselves admirably to the task  
of saying "Merry Christmas."

If you decide to take a special  
picture for your Christmas card,  
there are, of course, endless pos-  
sibilities awaiting your camera.  
Several of the photographic cards  
we received last year might spark  
your imagination. One that we es-  
pecially enjoyed was a shot of the  
little girl of the house all togged  
out in red flannel pajamas and  
seated on the family hearth "wait-  
ing for Santa." Another was a  
close-up of shiny Christmas balls  
strung across the mantel. Each  
ball bore a large letter—and  
the whole spelled out "MERRY  
CHRISTMAS." Still another fea-  
tured a frosted windowpane—a  
home-grown Jack Frost job done  
with a soap spray—showing Ju-  
nior's finger just completing the  
words "MERRY XMAS" across it.  
—John Van Gulder

## FIRST IN LINE

A tall attractive blue-eyed blonde  
is first in line for the 1957 Maid of  
Cotton title. Jo Beth Stevens of  
Denning, New Mexico, has been  
chosen to represent her state in the  
finals. She will fly to Memphis in  
late December to compete with 20  
other southern beauties from Cot-  
ton Belt states for the honor of  
serving as good will and fashion  
emissary for the cotton industry.  
The National Cotton Council an-  
nounces the official opening of the  
contest this month.

## HOME OWNERS' QUESTION BOX

**Q—The cherry wood top of**  
our most treasured table was  
dented during moving. Can it be  
repaired?

**A—Slight dents can be re-**  
stored by placing a damp blotter  
over the damaged area and ap-  
plying a warm—not hot—iron to  
the blotter. Repeat until the dent  
disappears.

**Q—I've noticed damp spots**  
on the deck boards and rafters  
under the roof of my house. I'm  
sure these are leaks. What's the  
best method of finding the leaks  
and patching them?

**A—From a practical stand-**  
point, there isn't any "best meth-  
od" for this job since patching an  
old roof generally is a mis-  
take, according to the U. S. Bu-  
reau of Standards. Roofs wear  
out uniformly and chances are  
that if you have one or two leaks  
in an old roof, more are coming.  
The wisest thing you can do, and  
the most economical in the long  
run, is to put on an entire new  
roof of asphalt shingles in the  
color of your choice. The new  
roofing generally can be applied  
on top of the old, eliminating  
the expense of tearing the old  
material off.

**Q—Sometimes it's very diffi-**  
cult to remove old putty from a  
window frame. Is there any easy  
way to get it off?

**A—One fairly easy way is to**  
run a hot soldering iron across  
the putty, just ahead of your  
putty knife. The heat will soften  
the putty and it will come off  
more easily.

**Q—The aluminum strips along**  
the edges of our kitchen counter  
tops make black marks on cloth-  
ing. What can we do about this?

**A—Oxidization is the trouble.**  
Coat the stripping with a layer  
of thinned-out shellac. This will  
have to be done about once a  
year or when the shellac chips  
off.

Mr. and Mrs. Louis Littlefair  
of Gainesville were Burk visitors  
last Friday and attended the  
football game at Electra Friday  
night.
