

Burkburnett Star

LIKED BY MANY -- CUSS'D BY SOME -- READ BY EVERYBODY

Cork comes from the outer bark of a species of oak found in the Mediterranean area.

Bald eagles are so named because of the effect of the white feathers on their heads.

Chamber of Commerce Luncheon Each SECOND MONDAY at Town Hall Everybody Invited Each Pays for His Meal

BURKBURNETT, WICHITA COUNTY, TEXAS, THURSDAY, AUGUST 29, 1957

NUMBER 7

TIME NO. 50

For Day Is Holiday

Monday, September 2nd, observed as a holiday in Burk Burnett. Labor day was observed on the 1st and agreed upon by the Chamber of Commerce and Merchants Committee.

NOTICE

There will be a mass meeting at 7:30 p. m. at the Town Hall for every one interested in a swimming pool at Burk Burnett. Temporary committees will be elected and business matters discussed. It is urged to attend.

CLUB

Each Tuesday Noon Bookbinder, President

VanLoh was responsible for the timely program Tuesday night. He presented the Burk Burnett football coach, Jack Robinson, and assistant coach, John Robinson. Several of the football players were introduced.

Robinson stated he is looking forward to one of the best teams in the county. He urged local residents to support the team in every way.

Robinson announced that the Burk Burnett TB X-ray was located at White and would be in use Wednesday noon. She urged everyone to take advantage of the free x-ray service.

Robinson presided in the absence of Morris Bookbinder. Bob Tevis to introduce the guests and guest Robert Smith.

Smith will bring the program. The meeting was a guest of Joe Janek, Jr., Charles guest of Joe Janek; Carl Adams, guest of Carl Adams; John Wolf and Jim Mullins, guest of I. C.

Local Births

Birth certificates were issued to the following Burk Burnett parents last week: Messrs and Mesdames: Marion Chesser, boy, Clarence Arthur.

DEN ONE

Den one of the Cub Scouts held their regular meeting on Wednesday morning. The boys made arrow head slides during the activity period.

Charles Herring served refreshments to the group. Those present were Norman Wooten, Dennis Hobbs, Charles Herring, Ollie McDonald and Jimmy Creel.

Jimmy Creel, Keeper of the Buckskin.

NOTICE

There will be a baseball game Labor Day at 2:00 p. m. at the Lion's Club park here between the Little League Baseball boys and their fathers. Anyone interested in playing in this game is requested to contact Coach Koller or Jack Alexander.

W. T. ZIMMERMANS HOME FROM NEW MEXICO VISIT

Mr. and Mrs. W. T. Zimmerman and children have returned home from a very enjoyable weeks visit with Mr. and Mrs. Virgil Brookhead in their beautiful new home at Aztec, N. M.

The Zimmermans were also special guests at the formal opening of the new First National Bank of Aztec on Saturday, Aug. 24th. Mr. Brookhead is Executive vice president of the First National Bank of Farmington and is head of the Aztec branch.

Aztec is just a few miles from Farmington which is reported to be the fastest growing city in the United States.

SENIOR MYF

On Aug. 25th the senior MYF held its regular meeting. Louise Boyd opened the meeting by giving the lesson. After the lesson John Robinson, president, had charge of the business meeting.

We planned to have a swimming party Wednesday night at 6:30 at Sand Beach. Watermelon will be served following the swim.

The meeting was closed by the MYF benediction. There were two new members, Sandra Lea Felty and Mary Louise Lacy.

"Give Children A Brake"

This play on words was made today by J. O. Musick, Manager of the Texas Safety Association, in behalf of the organization's annual Back-To-School safety program. With the arrival of a new school year, the pattern of nearly every Texan will undergo a radical change. The size of our school system will bear this out," he said. The enrollment in Texas' public schools, for the '57-'58 school year is expected to reach 1,883,881 pupils; plus 75,280 teachers, principals, coaches, etc., and more than 8,000 school buses.

The opening of school doors affects virtually every Texan. Musick continued. "When he gets behind the wheel of his car, he is sure to notice some differences. School areas will be guarded by the police, extra signs and signals, and by Safety Patrol Boys. But the care on the part of the individual driver will need to be added."

He then explained that in the hours just before and during school there are increased numbers of bicycle riders, groups of child pedestrians and many school busses. These are signs, within themselves, for added care while driving on our streets and highways. In 1956, there were more than 150 students killed in traffic accidents and approximately 8,920 injured," he said. "Of course these are just statistics—unless you are a close member of your family was involved."

A sense of responsibility and dependability should be part of the licensed driver's habits. He must recognize that a child can't be relied upon to follow the rules of the road, thus the driver's added alertness must compensate for children's mistakes—give them a brake!"

As a short course in safety, Musick offered the following suggestions to motorists: Be alert for children at all times, especially around school zones, playgrounds and other places where children are playing.

Know and obey the special warnings given in school zones and signals, traffic police and Safety Patrol Watch for human caution signs in action—their eyes.

Don't be juvenile and try to compete with bike riders slow and let them grow. Stop when a school bus stops. THINK safety always.

1957-58 School Budget

Below is a condensed summary of the 1957-58 School Budget approved August 19, 1957.

DISTRIBUTION

	1956-57 Expenses	1957-58 Budget
1. Administration

C. W. Carter Salesman At Tom Britton Motors

Mr. C. W. Carter, a resident of Burk Burnett for many years, is now associated with the Tom Britton Motor Co. as a salesman. He would appreciate his old friends and customers coming by to see him.

Rebekah Lodge No. 67

Nellie Richards, Noble Grand

Burkburnett Rebekah Lodge No. 67 was called to order by Nellie B. Richards, noble grand, on Aug. 19th. Other officers assisting her were Bessie McKnight, vice grand and Ethel Wofford, secretary. After lodge was declared opened, the noble grand announced that we would drape the charter in memory of Sister Anne Savage of Dallas, past president of the Rebekah assembly of Texas. Those taking part in the ceremony were Sisters Maretta Simmons, PNG; narrator; Bessie McKnight, vice grand; Chaplain; Loraine Tyler, Warden attendant; Betty Jo Worley, chaplain attendant; Lela Jo Johnson, conductor angel, and Ethel Wofford, PNG, soloist. Face to Face, accompanied by Cora Lee Harmon, musician. The five first named were dressed in white robes making a very beautiful setting.

The sick were reported on and delegates and alternates were selected to attend Lower Panhandle Association meeting in Vernon on the 22nd. A pilgrimage to homes on Sept. 1st was discussed. The noble grand asked that Lela Jo Johnson be installed as conductor. Maretta Simmons, lodge deputy, served as DDP. Ethel Wofford, DDM and Cora Lee Harmon, DD musician. Lodge closed in form.

Mr. and Mrs. E. M. Wood and daughters, Pamela and Janice of Burk Burnett, and Mrs. Wood's mother, Mrs. A. E. Abbott of Okla. City, have returned home from a very enjoyable vacation in Colorado. They visited many points of interest while there.

Mrs. David Malone of 201 Linden will enroll as a sophomore in the Liberal Arts division of Midwestern University for the fall semester, transferring from the University of Kansas, Lawrence, Kans.

Miss Norma Teel, Mr. Charles Good Engagement Told

Mr. and Mrs. L. W. Teel are this week announcing the engagement and approaching marriage of their daughter, Norma, to Mr. Charles Good. Charles is the son of Mr. and Mrs. C. J. Good of this city.

The wedding will be held in the home of Mr. and Mrs. George McClarty on Friday, Aug. 30th at 7:00 p. m.

Norma is a 1957 graduate of Burk Burnett High School and is employed at Sheppard Field. Charles is employed at Texas Electric in Wichita Falls.

Burk Resident Dies At Age 67

Edwin Eugene Austin, 67, a resident of Burk Burnett since 1942, died in a Wichita Falls hospital at 3:30 P. M. Wednesday. He had been in the hospital ten days.

Funeral services will be from Owens and Brumley Funeral Chapel in Burk Burnett at 10:00 A. M. Friday, with Rev. Ray C. Morris, pastor of the Calvary Baptist Church, officiating.

Austin was born in Montague County near Nocona on March 4, 1890. Interment will be in Riverside Cemetery in Wichita Falls.

Survivors include one brother, P. T. Austin of Burk Burnett, and one sister, Miss Amanda Austin of Vernon.

Mr. and Mrs. A. G. Crosby and Judy of Eastland visited Mr. and Mrs. Jack Northcott and other friends here over the weekend.

Sgt. and Mrs. John A. Greenup and children have returned to their home at 103 Lily Lane in Burk Burnett after a two years residence at Amarillo. The Sgt. re-enlisted in the service and is stationed at SAFB.

Mr. and Mrs. H. A. Goodwin and daughter, Mr. and Mrs. E. V. Pearson and children, have returned home from a very enjoyable visit in California. They visited the Edgar Pearson family in San Diego, the Willard Loyds of Garden Grove and also visited in San Francisco. Enroute home they visited friends in Midland.

Mr. and Mrs. Carl Nelson visited in Fort Worth over the weekend.

Roy T. Magers Qualifies In Top Production Club

Roy T. Magers qualified again this year to attend the 21st annual meeting of the Great Southern Life Insurance Company's top production club.

Convening at the Statler-Hilton Hotel, the 175 representatives who qualified for the 1957 meeting, together with their agency managers and a contingent of home office officials, will discuss and study current trends in life underwriting. Highlighting the discussions by company personnel will be an address on the intriguing subject, "There's No Such Thing as a Free Lunch," by Bryan Blalock, Public and Industry Relations Director, Southern Division, The Borden Company.

Entertainment planned for Great Southerners during their three day stay in Dallas includes the traditional President's banquet, at which company president, Pat M. Greenwood will confer honors upon those salesmen who achieved outstanding production records during the club year. Friday evening, special reservations have been made for the Fair Park musical, "Rose Marie," and for the professional football game between the world's champion New York Giants and the Chicago Bears, in the Cotton Bowl.

Gatesville Lady Wins Lone Star Cake Recipe Contest

Mrs. Charles L. Williams, Rt. 4, Box 37A, Gatesville has been judged winner of Lone Star Gas Company's home economics department silver anniversary cake recipe contest. She will receive a 1957 thermostatically controlled top-burner gas range of her choice.

Mrs. Williams, who operates a gift shop outside of Gatesville on the road to the State Home, entered a recipe for a white cake with a fruit-nut filling and white frosting. This was judged the winning recipe from the approximately 1,300 entered in the contest. These entries came from throughout the Lone Star System which includes 455 communities, towns and cities in Texas and Oklahoma.

The wife of a retired employee of the State Home, Mrs. Williams now cooks on a built in gas range.

The Anniversary Cake Recipe contest, staged in conjunction with Lone Star's 1957 Spring Range campaign, was part of the celebration of the twenty-fifth birthday of Lone Star's Home economics department, one of the first organized by a business firm in the Southwest. Starting with one college graduate, the home economics staff now consists of some 30 college-trained young women stationed at strategic points throughout Lone Star's operating territory. Miss Julia Hunter of Dallas is home economics director.

Mrs. Williams' cake will now be the official "twenty-fifth birthday cake" for the department and will be called "Blue Flame Anniversary Cake."

Mr. Harry Dodson, Editor Burk Burnett Star Burk Burnett, Texas Dear Mr. Dodson:

I am pleased to announce that I have appointed Representative Vernon Stewart as chairman of the Advisory Committee on Sites for New State Buildings.

Representative Stewart has been a very fine public servant for the people of his district and deserves this important assignment. Even more important, however, is the opportunity he now has to render outstanding service to Texas by helping determine legislative policy for future session of the Legislature. I am sure he will be outstanding in his work.

My congratulations to you and the other people of the district for electing such a man to represent you.

Yours very truly, Waggoner Carr

Mr. and Mrs. Charlie Moreman have returned home from a visit in West Texas.

1696 PERSONS X-RAYED DURING SURVEY HERE

A total of 1696 persons received free chest x-rays here this week at White Auto Store. The drive began Monday at 1:00 p. m. and ended Wednesday at 1:00 p. m. Miss Margaret Hall, secretary of the Wichita County TB Ass'n reports that this is a record number of x-rays for Burk Burnett. Last year a total of 1122 x-rays were made.

Sponsor of the survey is the Wichita County Tuberculosis Ass'n. Machines and reports on findings are furnished by the Texas State Health Dept.

Negative reports of x-rays will not be mailed this year but reports of any chest disease will be received from four to six weeks from date of the x-ray. Chest x-rays reveal cancer, lung tumors and some heart conditions in addition to TB.

Miss Hall expresses her gratefulness to every person who contributed to the success of the survey. A special thanks goes to White Auto Store for the use of their building. Mrs. Tom Burnett for her outstanding job as chairman of the Burk Burnett Drive, to the local study clubs and garden clubs, to Mr. Louis Todd for announcing the free x-rays on the loud speaker system, and to the Burk Burnett Star for the publicity.

Helpers in the survey included workers from the Forum Study Club, Current Literature Contemporary Study Club, Burk Burnett Study Club, Modern Study Club, University Study Club, Unity Garden Club, Gay Ladies Garden Club, Fashion Garden Club, Bluebonnet Garden Club and the Burk Burnett Garden Club.

Notice

There will be a called Band Parents meeting Monday night 7:30 p. m. at the Band Hall. Some important business needs to be taken care of and all parents are urged to attend.

Mrs. Lowell Woods, Pres.

Bellamy-McKinnis Wedding Vows Exchanged Aug. 18

The First Baptist church of Lee's Summit, Mo., was the scene of the marriage of Miss Betty Jo Bellamy and Clifford Arthur McKinnis Sunday afternoon, Aug. 18th at two o'clock.

Miss Bellamy is the daughter of Mr. and Mrs. Orvel Bellamy of Lee's Summit and Mr. McKinnis is the son of Mr. and Mrs. A. A. McKinnis of Burk Burnett.

Beautiful arrangements of Gladiolus and Chrysanthemums formed the setting for the exchange of vows.

Rev. Willard Bright, pastor conducted the ceremony.

Wedding music was provided by Miss Doris Ann Harding, organist. And Soloist, Mr. Stanley Curtis, sang "I Love You Truly" and "Because."

Given in marriage by her father, the bride was attired in a waltz length dress of white silk taffeta fashioned with a V-shaped neckline. Her shoulder length veil was attached to a lace covered crown. Her flowers were tiny red rose buds and orange blossoms. Mrs. Dale Bunyard, friend of the couple, acted as maid of honor. Mrs. Bunyard chose a light blue waltz length dress, her flowers were white carnations. Dale Bunyard friend of the groom served as best man.

A reception was held in the home of the bride's parents, Mr. and Mrs. Orvel Bellamy. The table was covered with a lace cloth. Flowers & greenery were arranged around the beautiful three tiered wedding cake. Mrs. Bonnie Zink and Mrs. June Dooley, sisters of the bride, presided at the crystal punch bowl and serving of the cake.

The couple will make their home at 2822 East Gilbert St., Wichita Kans., where Mr. McKinnis is employed by Boeing Aircraft.

Mr. and Mrs. A. A. McKinnis and Donald of Burk Burnett attended the wedding ceremony.

Mr. and Mrs. Virgil Wigginton and two girls of Watonga, Okla., and Mr. and Mrs. G. D. Sanders and daughter of Wichita Falls were visitors in the home of Mrs. M. C. Ring over the weekend.

33 To Die In Labor Day Traffic

Texas motorists will face a critical period in driving next week as thousands of persons take to the highways for trips on the Labor Day Weekend.

The Texas Department of Public Safety predicts that 3 persons will die in traffic accidents in Texas during the 72-hour period extending from 12:01 a. m. Aug. 31 through 11:59 p. m. Sept. 2nd. The prediction came from N. K. Woerner, manager of Statistical Services section of the department.

In accord with the prediction, Col. Homer Garrison, Jr., department director, has alerted state forces to be prepared to cope with the increased highway travel. He said the department's enforcement program will be strengthened for the holiday weekend in an effort to remove dangerous drivers from our streets and highways.

"This enforcement program," he said, "will be closely coordinated with local law enforcement in counties and cities throughout the state. Enforcement's greatest help will come from the drivers themselves who observe our traffic law and safely operate their automobiles in accordance with traffic laws and other conditions they encounter."

The predicted number of deaths for the three day weekend is four greater than the 29 killed for the same period last year.

Car Inspection Sept. 1-April 15

Inspection time has rolled around again for more than four million automobile and truck owners in Texas.

The inspection period has been lengthened this year under a provision of a state law setting Sept. 1, 1957 until April 15, 1958 as the time in which all vehicles must be checked for mechanical defects.

Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, in announcing the opening of the inspection period, recommended that every owner have his car and trucks inspected at the beginning of the period. This, he said, will enable vehicle owners to obtain inspection stickers before the holidays and before the last minute "log jam" at inspection stations.

Garrison said that more than 4,200 licensed inspection stations in the state would have stickers on hand by the starting date and would be equipped to check vehicles without delay.

MU Shows Growth In Past Ten Years

Some ten years ago, Midwestern University was known as Hardin Junior College—today it is a senior college with national accreditation and recognition.

In 1946, the senior college was organized under a state charter. The name Midwestern University was adopted in an optimistic tone hoping that in the future the college would grow into an area college and university.

The faith of the founders of Midwestern University has been well founded. Beginning in September of this year the University will have two schools. The School of Fine Arts and The School of Petroleum and Physical Science. Other schools are being planned for establishment in the future.

In 1952 work at the graduate level was offered for the first time. Since then many area teachers have been able to complete their master's degree programs at Midwestern University.

The new school year at Midwestern will begin on Sept. 9th when the freshmen students arrive for their orientation program and counseling activities. Actual enrollment will begin on Thursday, Sept. 12th.

GRASS ROOTS OPINION

EL DORADO, KAN., TIMES: "A few years ago, the biggest prevailing worry was over the possibility of another depression. The situation has radically changed. Today the most potent fear concerns inflation."

JEFFERSTOWN, KY., JEFFERSONIAN: "President Eisenhower... told the Conference of Governors at Williamsburg they shouldn't pass their state problems on to the Federals in Washington. And, in majority, they seemed to agree with him. And if they passed fewer problems up to Washington he would have less difficulty in cutting the national budget. The states could obtain more tax money to care for their own needs."

MOUNT PLEASANT, PA., JOURNAL: "There is no politics in heaven," says an evangelist. Of course there isn't. There can't be any politics where there aren't any politicians."

ORANGE GROVE, TEXAS, OBSERVER: "Expecting our country to move ahead without the chance for a fair profit is like expecting an automobile to run without fuel."

NEW CAMBRIA, MO., LEADER: "Reliance on government is more than an insidious disease. It is the robbing of men, first of their initiative and finally of their freedom. 'Whose bread I eat, his song I sing,' comes to us today as a warning proverb from the England of long ago when men were fighting."

LAMBERTVILLE, N. J., BEACON: "... We are dealing in 48 cent dollars today. That means that for every dollar we paid for life insurance during the past few years, every dollar we paid on a mortgage and every dollar we put in the bank is really worth less today than half of what we paid out."

THE INFLUENCE OF THE TRACTOR

Various factors have contributed to what we know as the agricultural revolution. Preeminent among them all is horsepower—mechanical horsepower.

According to Secretary Benson's notable book, "Farmers At The Crossroads," in 1955 farmers owned 4,800 tractors—more than three times as many as in 1940. And, in addition, they had 4,500,000 automobiles; 2,800,000 trucks; 840 milking machines; 960,000 combines and 60,000 mechanical cotton pickers.

In the light of this, it should come as no surprise to us to learn that between 1940 and 1955 some 8,300,000 people left our farms. "For," to quote Mr. Benson directly, "as agriculture grows more efficient, it requires fewer people. As industry expands, it creates more jobs in the cities. The simple fact is that as farmers use more modern equipment, the machines and tools enable each worker to care for more acres and more animals. With today's farm implements, the farmer is better able to produce enough to earn an income that will let his family match the living of other American families."

There is still another important factor involved. Mecanization of agriculture has made available a pool of labor that our factories sorely needed. These people work at well paid jobs and produce television sets, automobiles, appliances, furniture and the thousand and one other things which sustain our unrivaled material living standards. The transition from the farm to the factory has worked not only to their benefit, but to the benefit of the whole consuming population. The influence of the tractor, so as to speak, is felt everywhere.

Menace To The Smaller Retailers

It is proposed that the federal wage-hour law be extended to retailing—though this industry, along with certain other service businesses, has been exempt during the law's entire existence. If this effort succeeds, what will be the results?

Russell R. Muelleer, managing director of the National Retail Hardware Association, wanted an answer to that question. So he polled hardware dealers on their views, and got the remarkable total of 3,000 replies. Of all these, exactly two favored placing retailing under the federal wage-hour law. All the others were opposed—often vehemently so—and for the soundest reasons.

An Iowa dealer wrote, "The Wage-Hour Bill would have a devastating effect on small operations. Any further burdens such as the wage bill would force on us would about wind up a good many hundred Main Street merchants." A Massachusetts dealer wrote, "—any time the government regulates, it is the little fellow who has the greatest difficulty adjusting." A Mississippi dealer wrote, "Small town stores can't stand any more expenses." A Missouri dealer wrote, "We would be forced to discontinue all outside service and become a one-man store or discontinue completely." An Ohio dealer wrote, "What is wrong with the law of supply and demand? What happened to all the party platforms concerning private business versus government control?"

So the answers went. Their substance is clear: Extension of the law would be a body blow to all retailing, and especially to the smaller retailer—and the effect on the consuming public would be of an extremely damaging nature.

THEY WOULD READ YOUR AD TOO, IF IT APPEARED HERE

Mrs. Nola Keith of Ottawa, Kansas visited the past week in the home of her daughter, Mrs. David Malone and family, 201 Linden. Mrs. Keith teaches English and Journalism at Chase Rural High School, Chase, Kan.

Held Over From Last Week

Mrs. A. J. Harris of Burkburnett and Miss Linda Charles of Wichita Falls are visiting relatives in Dallas this week.

Mr. and Mrs. J. F. Eastman and children spent the weekend at Lake Texhoma.

Fountain of Freedoms...a Free Press

The history of the press, since its development five centuries ago, has been a history of restraint. It is natural for men in authority to resent the sting of criticism. It is human for them to be ambitious, and to seek to entrench themselves. Hence rulers often avoid criticism and disagreement by stifling it. But the courageous men who founded this new nation sought here full freedom for each individual. When they established a constitution, aware of the human frailty even of rulers elected from among them, their First Amendment provided that "Congress shall make no law...abridging the freedom of speech and of the press..." With the widespread education and enlightenment that resulted, the people here have advanced farther toward all freedoms than the people of any other nation. The beacon of this Western World, marks for all nations the start of the path to Freedom: Freedom of Speech and of the Press.

No wasted power, no excess pounds! Chevy trucks with the right power — right capacity — stay and save on the job!

From Chevrolet... a just-right blending of space, weight and engine performance designed to get your jobs done quickly and efficiently.

And the right power, too, ranging from the 140-hp Thriftmaster 6 to the high-torque 210-hp Super Loadmaster V8. Light-duty models feature America's most popular 6-cylinder engines—economical champs that are famous for the way they stay on the job.

Chevrolet's ultra-modern short-stroke truck V8 offers compact, efficient design that minimizes engine weight to give you additional

money-saving payload capacity. Stop in and let your Chevrolet dealer show you the right truck for your job.

Here's proof that they stay on the job. Official registration figures compiled by R. L. Polk & Co. show 564,375 Chevrolet trucks 10 years old or older still on the job... 100,000 more than the second place truck!

Randlett News

By Mollie Ruth Elliott

Club met at the home of Mrs. John Martin, Jr., Aug. 20th. Meeting was called to order by the vice president, Mrs. Charles Bowles. Mrs. C. H. Thompson read the devotional from 1st Cor. 13. Roll call was answered with What I Have done in preparation for the Fair. Minutes of the previous meeting were read and approved. Matters pertaining to the county fair were discussed. An interesting & instructive lesson on cooking meat was presented by Mrs. N. R. Kirkpatrick. She also gave a demonstration on Italian hamburger and beef on a bun. White elephant prize was drawn by a visitor, Mrs. Owen Park. Club adjourned to meet with Mrs. B. B. Menze Sept. 3rd, to quilt a quilt.

Refreshments of punch and angel food cake were served to four visitors, Mesdames Owen Parks, Fred Parks, W. A. Fisher and Ione Clampitt and members, Mesdames J. M. Martin, C. H. Thompson, C. B. Ressel, J. C. Goode, N. R. Kirkpatrick, B. B. Menze, F. E. Eastman, T. A. Kinnard, Jimmie Kinnard and Miss Ola Austin.

Mr. and Mrs. R. J. Gilner was in Walters and Temple Friday on business.

Mr. and Mrs. Hyatt Thompkins and daughters of Okla. City visited his mother and sister, Mrs. R. C. Thompkins and Mrs. Vera Fulfs, Sunday and Monday.

Mrs. Rose Hopkins visited last week with her son and daughter Mr. and Mrs. Robert Hopkins and Mr. and Mrs. Kenneth Robins of Devoil.

L. Wileman, Randlett and Rose is the son of Mr. and Mrs. Rufus Rose of Snyder.

Rev. Olan Runnels, pastor, officiated at the ceremony. Nuptial music was provided by David Hooper, vocalist and Miss Jean Ann Full, pianist.

Before a background of greenery, baskets of white and mint green chrysanthemums and white tapers in candelabra, the bride was given in marriage by her father. She was attired in a gown of white chantilly lace over satin designed with long sleeves and a pointed Elizabethan waistline. The sabrina neckline was outlined with scallops of lace. Lace scallops were also used on the ballerina length skirt. Her finger-tip veil of illusion was attached to a shell hat of lace applied with iridescent sequins and seed pearls. She carried a white orchid and stephanotis atop a white Bible.

Matron of honor was Mrs. Jack Wingfield of Archer City, sister of the bride. She wore a ballerina length dress of mint green taffeta fashioned with a scoop neck line and fitted bodice. She carried a nosegay of pink carnations.

Miss Frances Robbie Wileman, sister of the bride, as bridesmaid, wore an ensemble identical to that of the honor attendant.

Candlelighters were Larry Wileman and Judy Brister of Burkburnett.

Best man was Bruce Reed of Walters, Ushers were Leslie Terry, Burkburnett and Jack Wingfield of Archer City. Eddie Patterson of Seymour, was groomsman.

A reception was held in the home of the bride's parents. The table was covered with a white lace cloth and centered with an arrangement of white chrysanthemums and mint green carnations. In the houseparty were Miss Jolene Hall and Miss Charlotte Haynes.

After a wedding trip to points in Texas, the couple will establish residence in Okla. City.

Mrs. Rose is a graduate of Randlett High School and attended Midwestern University for three years where she was a member of the Cowgirls and the Business Club. She was employed with White's Store, Inc.

Rose, a graduate of Snyder High School, attended MU and served two years with the U. S. Marine Corps. He attended the University of Oklahoma, Norman, last year and will continue studies there in September.

Mr. and Mrs. Bob Robinson, Mr. and Mrs. Jack Spruce and children of Van Neys, Calif., and Mrs. May Nason of Electra visited Mr. and Mrs. T. E. Spannagel Friday.

Mr. and Mrs. Glen Solomon and sons of Wichita Falls visited Mrs. Solomon's mother, Mrs. Inez Hendricks, Saturday.

SOCIAL SECURITY NEWS

Farm maids and plowhands farm cooks and tractor drivers, all are the same to the Social Security Administration insofar as reporting their earnings is concerned, according to Erton F. Tate, Wichita Falls, Social Security district manager.
Before January 31, 1958, farm operators in Wichita County will be required to send in Social security tax reports on their employees for the farm work they did during 1957. Mr. Tate said all farm employees, whether domestic or farmhand, are reported alike.
Tate listed these rules for farm workers, including maids, cooks and other domestic hired for work on a farm operated for profit. Report all employees who were paid cash wages of \$150 or more, or who worked for 20 or more days on a time basis.
Tax reports covering such employees must be filed during January, according to Tate. They are to be sent to the District Director of Internal Revenue in Dallas.
For more details, farm operators are advised to contact the Director of Internal Revenue, Dallas, or the Wichita Falls district Social Security office where pamphlets outlining reporting requirements are available.

In 1950 Texas' population was sixth in the nation.

FFA CAMP HELD AT LAKE DIVERSION

A leadership training camp for the Burk Burnett FFA boys was held Aug. 5th through the 9th at Lake Diversion. Thirteen boys and their advisor, Mr. Bryan Farris, took part in the training.
Mr. Clark Gresham helped transport the boys to and from the campsite on the lake.
Those attending had a good time cooking, fishing, swimming and boating, and the fellowship will long be remembered.

PVT. JAMES E. RODERICK COMPLETES TRAINING

Pvt. James E. Roderick, whose wife, Carol, lives at 509 E. 4th street, Burk Burnett, recently was graduated from the Army's Parts Supply School at Fort Chaffee, Ark.
Roderick received instruction in the maintenance of stock records and the inspection and identification of spare parts.
The son of Mr. and Mrs. Elbert Roderick, Route 1, he attended Northwestern University.

JUDY KAUER RECEIVES CITIZENSHIP AWARD

Judy Kauer, daughter of Mrs. Frances Kauer, 517 Magnolia, was honored at final campfire ceremonies on the closing evening of Camp Arrowhead's 24th session for her good citizenship in camp living.
Judy was chosen by her fellow cabinmates as Best Cabinmate. Miss Kauer, who returned home August 16th from her five week stay in the Hill Country, was a member of the youngest camp groups, the Sub-Debs.
Mrs. Kauer was present at the presentation of the award, a silver "A".

News From The County Agent And Home Agent

What we say about social security provisions today may not be true after the next Congress meets, says Thelma Wirges, County HD agent. But, if we get acquainted with the rules as we go along we can better understand our responsibility and opportunity.

One thing for sure, says Miss Wirges, we do need to keep careful records of income and expenses to know how to report correctly. Farm and ranch people with irregular incomes have more problems with record keeping than those on a regular income. It is most important to know the limits on which you can pay because your benefits are determined by this factor.

Keep-up-to-date with how the changes affect your payment and benefits. For example, many families are affected by the revised conditions of benefits for disabled persons at age 50 years instead of 65; also by the provisions for disabled orphaned children above 18 years and their mothers. Likewise women may receive retirement benefits at 62 years of age instead of 65 at slightly lower monthly payments.

If careful records of employment and earnings are kept on your farm operations, your nearest local social security authorities can answer your questions. Knowing what to expect from this security plan will help you to plan for other kinds of security for survivors or for retirement.

All Wichita County HD clubs will have social security programs in September. If you are interested, why not visit one?

Could you locate valuable papers, deeds, wills, insurance policies in a hurry in your home? Most of us do not anticipate emergencies, such as fires, accidents or other disasters, but we do have times when we can't find important receipts or cancelled checks simply because we do not have a well-planned place to put them.

Planned business centers are appearing in more homes these days. They provide a comfortable place to work for a few minutes each day; a place to keep a ready file on bills, cancelled checks, important papers.

Miss Thelma Wirges, County HD agent, says all you need is an ample, comfortable, well-lighted writing center, a comfortable chair, handy file for current materials, another file or storage place for back records waste basket and desk supplies. Some farmers have the writing desk handy for a business center; others are converting old kitchen cabinets and wash stands into business centers; and still others are making desks.

Consider where and how you can plan your family business center. You'll find it a real source of satisfaction. Your county HD agent will be glad to supply you with more ideas for arranging the center, if you need them. You might also contact Mesdames J. G. Cheney, L. L. McHugh, Ralph Huggins, J. W. Nicholson, Bee Bryant, Olen Baley, or Ralph Swinford. All of these women have served as home demonstration club demonstrators and have done excellent jobs.

The Wichita County Program building sub-committee on organization met this past week. Mrs. Marye Eckelkamp, chairman, presided at this meeting. Representatives of Home Demonstration clubs, 4-H clubs and Rural Neighborhood groups attended and discussed their organization problems.

This group selected as an objective for 1958 the consolidation of education meetings and shows. They plan to begin working on this in December.

Do hungry teenagers raid the refrigerator and keep the cupboard bare? If so, Thelma Wirges, county HD agent, suggests that you keep plenty of milk and dairy products on hand.

These foods are favorites with teenagers. What's more important, dairy products are especially rich sources of the protein, minerals and vitamins needed by boys and girls during these

years when they're growing so fast.

A french toasted cheese sandwich hits the spot as a late evening snack. Simply put a slice of American cheese between two slices of plain or whole wheat bread, dip entire sandwich into a mixture of beaten eggs, milk salt and pepper, and brown in butter in skillet. With a glass of good cold milk, this would make a perfect ending to an evening of fun and activity.

For something sweet, try this Orange Fluff. Put 1-2 pint vanilla ice cream into a large bowl and let soften a little. Add to the ice cream 1 can frozen concentrated orange juice and 1 cup cold water. Beat with rotary egg beater or electric mixer until fluffy. Pour at once into tall, cold glasses and top with the remaining 1-2 pint of ice cream. For party refreshments, add a half slice of orange and sprig of mint. Makes six servings.

Thick milkshakes can be quick ly made with your electric mixer or a rotary egg beater. Just put slightly softened ice cream, milk and flavoring into mixing bowl and beat until fluffy.

Mrs. J. L. Gorham was recently elected to serve her second Demonstration Council chair term as Wichita County HD Council Chairman.

Mrs. Gorham has been outstanding home demonstration club member for 27 years in the county, district and state. As a member of the South Electra HD club, Mrs. Gorham has served as president three times, vice president and secretary-treasurer. She has been chairman of all committees except marketing, and was wardrobe demonstrator.

In the past 5 years of faithful club work, Mrs. Gorham has missed only 1 club meeting, and has had a perfect attendance at council.

In county work, Mrs. Gorham has served on the County program building committee, has served on numerous committees served as council chairman, vice chairman and secretary-treasurer, and was the County THDA chairman.

While serving as Texas Home Demonstration Association chairman for Wichita County, Mrs. Gorham became an outstanding worker in the district and state.

In the interest of home demonstration work Mrs. Gorham attended the National Home Demonstration meetings in Boston, Mass. and San Antonio, Texas. She has also attended 7 consecutive state meetings: A and M College, Kingsville, Galveston, Dallas, Fort Worth, San Antonio and Houston. Prior to these she attended one in Dallas in 1946.

Mrs. Gorham just recently returned from Houston, where she

attended the 1957 Texas Home Demonstration Association meeting. Others to attend were Mesdames L. E. Brooks, A. L. Dowden, Cad Bryant and E. W. Pohlman.

It is time for garden records to be sent to Miss Thelma Wirges, County HD agent. Judging for the Bridwell Garden program will be completed Thursday, Aug. 29. All contestants must have their garden visited and send in complete records.

There is a good chance that your steam iron is collecting a mineral deposit unless you are using softened or distilled water County HD agent.

Combat this deposit in the water cavity and the steam vents by using distilled vinegar occasionally. Simply fill the cavity with vinegar, steam for 14 minutes and then let iron stand overnight. In the morning, pour the vinegar out of the cavity and rinse thoroughly. This rinsing is important and should be very completely done, since vinegar steam on your freshly laundered clothes is most undesirable.

Fast work is the key to success when you are cleaning venetian blinds. Thelma Wirges, county HD agent, suggests the following materials for cleaning the blinds: A very mild synthetic detergent, a large container such as a bathtub or laundry tub; liquid wax a soft brush, several clean soft clothes, and a good supply of lukewarm water.

The first step is brushing off all surface dust. Use the dusting brush of your vacuum cleaner or a clean soft cloth for this job.

Once the dust is all off, whip up a suds in the bathtub or laundry tub. Use water and a mild synthetic detergent which should be completely dissolved. Place the entire blind in the suds and brush gently with a soft brush or cloth. Work fast. Rinse fast also, using clear lukewarm water. Two or more rinsing may be needed.

Dry the slates with a soft cloth then hang the blind up at the window so the tapes can dry. While it is drying, the blind should be extended all the way down. Give the tapes a good stretch. When the tapes are completely dry, apply a thin coat of liquid wax to the slates. The wax will prevent dust from sticking to the shades quite so readily. And when the slates are dusted, they will be cleaner.

Speed is especially important if the slates are made of wood. If the wood soaks up water, it may warp or the paint may peel. Handle your venetian blinds with care so that no paint is chipped from the slat.

Linda Baley and Gwindolyn Weeks, 4-H club girls, Charles Findley and Garland Leighman, 4-H club boys and three county extension agents: Thelma Wirges, B. T. Haws, and Ethel Lynn Geeslin attended a district training meeting on electricity this week. This will help prepare them for the county electric show.

Mrs. C. C. Gilbert attended market in Dallas this week.

Telephone News

From the Traffic Department of the local Telephone Office

"WHAT'S YOUR TELEPHONE NUMBER?"

This question is probably one of the most frequently asked of all-along with "What time is it?" and "How's the weather?"

It's particularly true in Burkburnett where new "2-5" telephone numbers — like J0rdon 9-2891 have been assigned to customers before the new dial telephone system is placed in service here at 1:01 A. M. on Sept. 22nd.

According to C. A. Deuschle, manager for Southwestern Bell Telephone Company here, the answers to this question are sounding more and more alike, at least the "name" portion of the number, no matter what part of the country the question is asked.

Why have exchange names on telephone numbers at all. "It's all part of a plan to provide direct long distance dialing by operators, and eventually by customers," Deuschle explained. "But to really understand this new numbering system, you have to go back to the early history of telephone numbers."

In the very early days of the telephone, it was possible to be connected simply by giving the operator the name of the person you wished to call. In those days, there were few telephones and the operators could easily remember that the Blacksmith was 80-J and the dry good store was 50.

But, along with the Model-T Fords and chin whiskers most of those procedures have become outmoded by the passing of time. As the number of telephones grew, telephone numbers became more important.

And, as the number of telephones continued to increase, it became necessary in some cities to add central office names, such as "Parkview" to the number in order to provide enough numbering combinations that could be remembered easily.

The early central office, or exchange, names were unusually simple and easily understood, such as "MAIN" and "BRANCH." Then came the period where names with local historical significance got into the picture and such exchange names as "T A S H M O O," "GLOBE," and "ESPLANADE" were used.

These names were all right for the local areas," Deuschle pointed out. "But customers and telephone operators in other cities had trouble pronouncing, spelling and remembering them."

He said the problem of exchange names took on real significance with the introduction of the operator distance dialing system.

Burkburnett will have this system when the dial telephones go into operation on Sept. 22nd. Under this system, the operator will be able to dial directly to the person you are calling in thousands of cities from coast to coast.

"The operator needs to know the exact spelling of the exchange name in the city you are calling or she may misdial the number," Deuschle explained. "So, a nationwide numbering

HOW FAST CAN YOU GO IN A COFFIN?

Next time you are tempted to step on it, ask yourself this question! Last year, 40,000 died on our highways. In 3 out of 10 fatal accidents, drivers were speeding. Obey speed limits. Drive safely.

BACK THE ATTACK ON TRAFFIC ACCIDENTS!

Tip On Home Mortgages

WHY NOT TRY VHMCP?

Home seekers and builders in small communities around the nation have found new possibilities offered by the VHMCP Home Mortgage Credit Program. By using the VHMCP, more than 30,000 families throughout the nation who otherwise might not have been able to secure financing, have been successful in obtaining loans from private lenders. Established by Congress in 1954, VHMCP's job is to provide home buyers and sellers in remote areas and communities in touch with lenders who have funds available for government-insured loans.

In spite of the tight money market, the new \$14 million rate on FHA loans is sufficiently attractive to enable VHMCP to obtain private financing to meet the needs of all qualified borrowers.

VHMCP's service are available to all persons in small communities and to members of city groups everywhere. Applicants for obtaining loans with VHMCP's assistance must certify that they have denied loans by two local reasonably accessible institutions.

The organization of VHMCP consists of a National Committee headed by Housing Administrator, Albert Cole, and 15 Regional Committees. VHMCP is active in Texas and New Mexico. Made possible through a Federal Committee headed by Vice President, T. J. Bates, and Donald McGregor, Executive Director, VHMCP has succeeded in obtaining loan commitments for 2,310 applications for approximately \$48,000,000.

Realtors have found VHMCP a real boon. As one realtor commented, "Our only source of supply is through VHMCP without their assistance, mortgage money would be unavailable." Anyone wishing better information and application forms may secure them by writing C. J. Herman, Secretary, Region XII, VHMCP, 114 Commerce Street, Dallas 2, Texas.

HERLOCKER WEDDING VOWS

ST 24, IN COMMERCE CHURCH

Wedding of Miss Julia Ann Herlocker of Mr. and Mrs. Harry Herlocker of...

Following the ceremony a reception was held at the home of the bride. The bride's table was laid with a white satin cloth and centered with a Dresden figurine holding a bowl of white flowers.

Members of the house party included Mrs. Kenneth Roberts, Mrs. R. A. Hinkle, Miss Joan Hartnett, Villanova, Penn., Miss Melba Gibson, Houston, Tex., Miss Barbara Prickman, Toledo, Ohio, Mrs. Ray Thurmond, Decatur, Ga., Mrs. James Russell, Assisting in other rooms were Miss Mary Lynn Marion, Mrs. W. F. Hopkins, Miss Anita Carter, Mrs. Ralph Marshall.

The former Miss Herlocker attended St. Stephens Episcopal School in Austin and graduated from Greenville Public schools and Stephens College, Columbia, Missouri.

The groom graduated from North Texas College, Denton, with a masters degree in Physical Education.

Mr. and Mrs. Gibson are on a wedding trip to Mississippi, the Gulf Coast and New Orleans. For travel Mrs. Gibson wore a blue cotton imported suit with all black accessories.

The couple will make their home at 2510 Walworth Street Greenville. The groom is a coach in the Greenville Public schools.

Out of town guests included Mrs. J. W. Williams, Clearwater Beach, Fla., grandmother of the bride; Miss Barbara Prickman, Toledo, Ohio; Mr. and Mrs. Geo. Kendrick, Dallas, Tex.; Mrs. S. L. Carter, Shreveport, La.; Mrs. Gus Thomason, Dallas; Mrs. Wilbur Parke, Orange, Tex.; Miss Joan Hartnett, Villanova, Penn.; Edward Schwartz, Houston; Raymond Anderson, Bonham; Mr. and Mrs. Ray Thurmond, Decatur, Ga.; Mr. and Mrs. J. H. Herlocker, Jr., and family Winsboro, Tex.; Mr. and Mrs. O. L. Dietz, Jr., Austin; Mr. and Mrs. W. L. Gibson, Donna Rose and Suzie, Burk Burnett; Mr. and Mrs. James L. Gibson, Dallas; Miss Melba Gibson, Houston; Mr. Bill Carnes, Corsicana; Mr. and Mrs. Zeke Martin, Denton; Mr. Bill Gleason, Jacksboro; Mrs. Julius Nussbaum, Harlingen.

Attendants: L. Dietz, Jr., of Austin, the bride, served as Honor. Bridesmaids: Julius Nussbaum of and Mrs. Wilbur D. Orange, Texas. Groomsmen: James L. Gibson, Donna Rose and Suzie, Burk Burnett; Mr. and Mrs. James L. Gibson, Dallas; Miss Melba Gibson, Houston; Mr. Bill Carnes, Corsicana; Mr. and Mrs. Zeke Martin, Denton; Mr. Bill Gleason, Jacksboro; Mrs. Julius Nussbaum, Harlingen.

Homer A. Stoves, 17, VFW Award Winner

Homer A. Stoves, 17, Polson, Mont., was named today as the winner of the \$500 James E. West conservation scholarship given annually by the Ladies Auxiliary to the VFW. The announcement was made here at the 4th National Encampment of the Auxiliary by Mrs. Pat H. (Beth) Zveton, national president.

The winner was recommended by the National Boy Scout Council for his outstanding service to conservation, his personal record of scholarship, character, a leadership qualities and Scout participation. The scholarship, a memorial to the late James E. West, chief Scout and well known exponent of conservation, is to be used in study in a college or university approved by the Boy Scouts.

Homer, a son of Mr. and Mrs. W. E. Stoves, has been a leader throughout his Scouting career. This summer he was junior assistant Scoutmaster at the National Scout Jamboree in Valley Forge, Pa. An Explorer Scout, he holds the silver award. He became an Eagle Scout in 1953.

Last year he was one of a group that took a week long trip down the Flathead river, each boy piloting a rubber raft. In the winter of 1956, at the survival training camp of the Western Montana Scout Council, he received the Hornaday award of the New York Zoological Society for his services to conservation. He has assisted the U. S. Fish and Wildlife Service and the Forest Service in such projects as a study of the snowshoe rabbit; trapping bighorn sheep for their removal to another area; caring for spawning fish at a state hatchery; and replanting trees in burned over areas.

Homer participated in many activities at Polson High School from which he was graduated last June with a B-plus average. He was on the student council each year, played in the senior band, had a part in the senior play, was president of the Ski club and a member of the National Ski Patrol, and managed the track team.

He has acted as moderator of his Presbyterian youth group and is also a member of his church choir.

August 22, 1957. Mr. Ralph Davis, Superintendent of Schools, Burk Burnett High School, Burk Burnett, Texas. Dear Mr. Davis: It is a pleasure for me to report to you that a member of your faculty, Miss Emily Moore, was an active and contributing member of a group of teachers studying Education in Family Finance this summer on our campus. Miss Moore was the recipient of a scholarship made available by a grant to Southern Methodist University from the Institute of Life Insurance which covered the cost of the program.

The program was six weeks in duration, and the participants were granted six semester hours graduate credit upon successful completion of the course. Such topics as banking, investments, insurance, social security home ownership, installment buying, family budgeting, taxation and other related areas were treated. Twenty specialists in various fields of finance served as lecturers in the program—some professors here at Southern Methodist University and others outstanding business leaders of Texas.

Each member of the group developed a curriculum project, including one or more of the topics of the over-all program on Education in Family Finance, designed to be useable in his own teaching situation. As a result of this experience, Miss Moore should be able to make a very significant contribution in her school and community on this vital subject of family finance. I hope you have a very successful school year. Sincerely Yours, Bob G. Woods, Coordinator Education in Family Finance Program. Editor Burk Burnett "Star" Burk Burnett, Texas

STATE CAPITOL News

By VEEN STANFORD Texas Press Association

New faces, new jobs enter the Capitol scene as laws passed in the last Legislative session go into effect.

A consolidated Texas Securities Board swung into action with a statement by newly-appointed Chairman Maurice Bullock of Fort Stockton that "all doubt (about securities issues) will be resolved in favor of the buying public."

Also appointed to the board by Gov. Price Daniel were Jay A. Phillips of Houston and Pete Rodes of Emory. An attorney, Bullock is former president of the State Bar of Texas. Phillips is a certified public accountant, former president of the Texas Society of CPAs and present chairman of the State Board of Public Accountancy. Rodes is president of the First National Bank in Emory.

Board members selected William King to be acting securities commissioner, a full-time \$10,000 a year job. He is a former assistant attorney general and had charge of securities in the secretary of state's office.

Approving or disapproving proposed issues of both general and insurance securities will constitute the prime duties of the new agency. Formerly, these functions were divided between the Insurance Department and Secretary of State's office. It also will supervise the licensing of securities dealers and salesmen.

Governor Daniel called the new law an "outstanding measure for protecting the public against fraud and swindling."

Frank M. Wilson of Waco will be chairman of the new Texas Youth Council. Other members named by Daniel are Louis Henna of Round Rock and Robert Kneebone of Houston.

New agency replaces the old Youth Development Council. It will have charge of the three state correctional schools for young people and the Corsicana Home and the Blind, Deaf and Orphan School at Waco.

Wilson is a Waco attorney and instructor at Baylor University School of Law. Henna, a member of the old Youth Council, was one of the founders of the Baptist Children's Home in Round Rock. A banker, Kneebone has been active in youth work in Houston.

ray of Harlingen, Alonzo W. Jamison Jr. of Denton, Don Kendall of Ft. Worth and Harold B. Parish of Taft.

State Tax Study Commission—Reps. Seeligson, Richard C. Slack of Pecos and John A. Huebner of Bay City.

Full list includes 12 committees, even a committee to study the committees.

Typical hot, dry August weather has been good for harvesting but hard on pasturage and late crops.

Dry weather and insects stunted the cotton in central, southeast and coastal counties. U. S. Dept. of Agriculture reported, but better yields are expected in the northern half of the state.

However, USDA noted northern crops are two to three weeks late and could be damaged by an early freeze.

EGG DEALERS GET LICENSES—State Agriculture Department is in the process of licensing some 36,000 egg producers, handlers and sellers.

New egg grading law will be in effect Oct. 22. Enforcement will begin Feb. 17, 1958.

Exempt from the license requirement are retailers who sell less than a case of eggs a week to persons other than consumers and producers who do not claim a certain grade for their eggs.

TEXAS LEADS IN ROADS—Texas is out in front in the interstate highway building program with 293 miles of road "in the mill."

West Texas C of C Program Offered For Coming Year

The program of the West Texas Chamber of Commerce for the coming year has been approved in its entirety, according to Burk Burnett's WTCC director Harry C. Dodson, Co-owner of the Burk Burnett Star in Burk Burnett.

He said the program was approved in a meeting of all WTCC directors in that district which was recently held in Wichita Falls.

The district meeting was one of the ten throughout West Texas held during the latter part of July, he said.

In the meetings, the organization's president, B. E. Goodfrey of Fort Worth, presided. Fred H. Husbands, executive vice president of the WTCC, gave the report on the planned activities.

The program of work was planned by committees who met in the organization's headquarters in Abilene in early July.

The report by Husbands covered each of the phases of endeavor carried on by the regional chamber including agriculture and livestock, state and national affairs, community services, industrial development, public information, water resources and member relations.

The board is composed of business leaders representing approximately 150 cities and communities throughout the 132 county region served by the WTCC.

WTCC directors, chosen for one year terms by members of the regional chamber in the director's city, serve as the policy making board of the organization. They also serve as liaison personnel between the regional chamber and local chamber.

Wilbarger-Wichita Soil Conservation News

On cultivated land where terraces are needed to combat erosion and no pasture land is available to empty the terrace water, the establishment of a waterway becomes necessary, according to James Park, technician with the Wilbarger-Wichita Soil Conservation District.

Park states that waterways should be established well in advance of terracing to allow seeded grasses to become well established where land slopes are from 1.5 to 3 percent.

In determining the size of the waterway, it must be designed to carry the peak runoff from a storm of an intensity to be expected once in ten, without overtopping. It also must be so constructed as to avoid undesirable channel velocities.

In most cases, the size of the waterway is determined by the acreage to be drained and the slope of the land. The most desirable place to establish a waterway is down a natural water course through the field. Usually this requires less shaping and top soil removal, and the establishment of grass is easier. However, where the waterway is to be established other than a natural draw, sufficient width should be allowed to prevent the cutting below the top soil, as the establishment of grasses are more difficult and slower to develop where seeded on subsoil.

Mrs. Sennett I. Hill Visitor-Observer In Pakistan For Scouts

Mrs. Sennett I. Hill, 5403 Irvington Blvd., Houston, Texas has been selected by the Girl Scouts of USA to serve as a Visitor-Observer in Pakistan. This Girl Scouts and Girl Guide (as they are called in other countries) project is sponsored by the Juliette Low World Friendship Fund, which is a memorial fund honoring the woman who founded Girl Scouting in the United States after becoming interested in Guiding in England, thru her friendship with Lord and Lady Baden-Powell.

Mrs. Hill, formerly Edna Cropper, daughter of Mrs. Bertha Cropper of Ft. Worth and niece of Mr. and Mrs. A. L. Lohofener of this city, was born and reared in Burkburnett. She attended the Burkburnett schools and Draughtons Business College in Wichita Falls. She was employed with the Texas Electric Co. in Burkburnett for several years. She was married to Sennett Hill, son of Mrs. and the late Frank Hill of Thrift. Mr. and Mrs. Frank Hill owned and operated a Drug Store in Newtown during the Boom days later moving to Houston.

This exchange project provides opportunities for adult members of Girl Scouts or Guide Associations from 35 countries to visit the U. S. for the purpose of studying Girl Scouting in operation, and for American members to visit other countries to obtain first-hand experience through visits to troops, participation in Camps and leader's training courses, discussions with leaders, committees and girls.

Mrs. Hill will visit in various communities of both East and West Pakistan for three months from September 15th to December 15th. She will stay in private homes, to better learn the customs and ways of life of the people there. One of the highlights of her visit will be attending the first All-Pakistan Girl Guide Rally in Lahore, along with 1200 girls from all over Pakistan.

Recently Miss Khurshid Niazi of Lahore, spent a week in the home of Mr. and Mrs. Hill in Houston, for the purpose of imparting additional information

Burkburnett, Texas

concerning Pakistan and Guiding, and obtaining further introduction to the American ways. She then continued to Washington D. C., Baltimore, two cities in Tennessee and New York, to complete her assignment as Pakistan's Observer in the United States.

Mrs. Hill has been a volunteer worker in the Girl Scouts organization in Houston for the past 13 years, was group leader 7 years and has been a volunteer trainer for the past nine years. She was awarded the "Thanks Badge," which is the highest honor bestowed the Scouts, although having no children, she has found the principles and program of scouting to be an excellent medium for helping girls develop as happy, resourceful individuals willing to share their abilities as citizens in their homes, their communities, their country, and the world.

Since Pakistan is almost exactly half way around the world from Texas, Mrs. Hill's "Juliette Low Ticket" is really for an around the world trip. She departs from New York on Aug. 28th, via British Overseas Airways Corp., plane, and will make several three-day stops in Europe enroute. These will include London, Paris, Zurich, Rome, Athens, Istanbul and Baghdad.

On her return, she plans to visit the Taj Mahal near Delhi, India, and will spend some time in Hong Kong, Tokyo and Honolulu.

The languages spoken on her schedule are: West Pakistan, English and Urdu; East Pakistan, English and Bengali as well as Pushtu, Sindhi and Punjabi. Sanskrit is the basis of most of these and is similar to Latin for our languages in the West.

The foods are mostly Rice, Seekh Kabob, Curried dishes of all kinds, chapatties, wheat meal bread similar to tortillas. Islam is the name of the religion and the followers are called Moslems. They believe there is only one God—Allah, and Mohammed is his prophet (as was Aaron, David, Moses and Jesus according to them.)

Pakistan was created as a nation in 1947, divided from India according to where the greatest percentage of the people were Moslems, rather than Hindus. That is why there are two states separated by 1000 miles of India similar to United States and Alaska.

There is no one else from the states going with Mrs. Hill, but Miss Khurshid Niazi will meet her again in London, and they will travel the rest of the way to Pakistan together. They plan to spend one night at "Our Chaleh", a World Center for Scouts and Guides in Switzerland.

According to the schedule Mrs. Hill will return home on the 24 of December, just in time to spend Christmas with her husband, Sennett.

Donald Brookman of Houston visited his wife and other relatives here over the weekend.

Mr. and Mrs. Walter Riley and Erma Ned have returned from a vacation in Colorado.

Mr. and Mrs. M. C. Sherman of Wichita Falls and their daughter of California visited Mrs. M. C. Ring here Sunday.

Mr. and Mrs. Morris Bookbinder are attending markets in Dallas this week.

Sen. Lyndon B. Johnson declared Sunday that, for Congress this has been a year of economy.

Sen. Johnson said, in his weekly radio report to the people of Texas, that Congress made reductions totaling not less than \$5.5 billion in the expenditures originally proposed by President Eisenhower in his budget message.

"At the beginning of the year, the Senator recalled, "President Eisenhower asked for a record-breaking \$71.8 billion budget. That is the largest sum ever requested by a President in peacetime. There are some items in the budget which the Congress cannot touch. These include such things as the interest on the public debt and payment of veterans' pensions."

These items represent obligations which the United States cannot repudiate. But if we eliminate those items and concentrate on the amounts that can be cut, Congress has reduced the President's record breaking budget by about nine percent.

Sen. Johnson said that Congress, in making the reductions, "used a pruning knife instead of an ax. The reductions were made selectively and represent an effort to cut out waste and extravagance, he pointed out. This has been a year of economy. Congress has demonstrated its ability to place a check rein on government spending."

4-H Programs Prepare Youth For Better Future

The 4-H Leadership and Achievement programs are rated high in helping teen-age boys and girls become solid citizens of the future. National recognition awaits 14 members who have done a superior job in carrying out objectives of the programs. The 1957 champions will be announced next December during the national 4-H club Congress in Chicago.

Besides high honors, the national winners will each receive \$400 college scholarships; 12 in achievement and two in leadership. In addition the two top achievement winners will be presented with a beautiful gift of silverware from the President of the United States. The two national leadership winners will receive silver trophies from Edward F. Wilson, formerly of Chicago and now Assistant Secretary, U. S. Department of Health, Education and Welfare.

Early this fall, awards also will be made to county and state winners. Both programs are arranged by the National Committee on Boys and Girls club work and conducted by the Extension Service.

Ford Motor Company supports the achievement program, providing the national, state and county awards. Handsome gold-filled medals will be given to four outstanding 4-H members in each county, while the state winner will receive an expense-paid trip to the Chicago Congress. The program encourages club members to set high goals for themselves and to "make the best better" in whatever they undertake.

Mr. Wilson has supported the leadership program for 20 consecutive years. In addition to the national awards, he provides gold filled medals of honor for the outstanding boy and girl in each county; pen and pencil sets for the two who are selected as state winners. Expense-paid trips to the Chicago club Congress will be given to four boys and four girls representing the four Extension sections.

Mrs. V. N. Parish and Mrs. C. F. Bradley of Ft. Worth were guests in the home of Mr. and Mrs. A. C. Harris Monday.

Mrs. C. M. Archer has returned home from a weeks visit with friends in Amarillo.

Mrs. John Brookman visited relatives in Houston over the weekend.

A Myth Destroyed

On last Friday afternoon the longstanding myth that "No Tornado will ever strike Burkburnett" was disproved when at about 4:30 p. m. a devastating wind hit a small portion of the city. At that hour several Burkburnett people saw a small twister—small but still a twister—whirl at a point in the vicinity of East Second and East First streets in about the 400 or 500 block.

Those who saw the small funnel shaped cloud dip down said that it was but a momentary thrust but that it was definitely funnel shaped. No particular damage was done other than that down in town at the alley between second and main streets three electric high lines were blown down with attendant brilliant flash of electricity as the wires shorted out. Broken tree limbs and other debris was scattered at areas in the west part of town as a result of the quite sudden very high wind and heavy rain that accompanied the storm center.

Old settlers say that Indian lore has always supported the legend that no tornado would ever strike this immediate area by reason of its location so near Red River.

Social Security Information

More than 4452 beneficiaries in Wichita County were getting monthly social security payments totaling \$221,639 at the end of 1956, 180 of these beneficiaries resided in Burkburnett and vicinity and received over \$8,995. This was an increase of 31 beneficiaries over 1955 and the total monthly benefits being paid in Burkburnett at the close of the year was \$1619 over the total being paid a year ago. Erton F. Tate, district manager of the social security office announced recently.

In Burkburnett for the month of December, 1956, 95 retired workers were getting \$5593.00. Also 29 wives or dependent aged husbands of retired workers were being paid a total of \$1462. In the same period a total of \$864, was being paid to aged widow or dependents aged widows and parents of deceased workers. This was an increase of 15 percent in monthly payments to aged workers and their dependents and 30% to dependent aged survivors of deceased workers in this area. The lowering of the age at which a woman without an entitled child in her care can start receiving benefits is reflected in these figures, Tate pointed out. Effective with November 1956 benefits could be paid to women starting at age 62.

Monthly payments of \$1619, were being made to 8 widow mothers with children under 18 in their care and minor children of retired or deceased workers and accounted for 18% of the total old age and survivors benefits being paid in Burkburnett as of December 1956. Nine out of ten mothers and children in the United States now have social security protection. At the end of the year, nationwide, about 1,341,000 children under 18 in each county, while the state winner will receive an expense-paid trip to the Chicago Congress. The program encourages club members to set high goals for themselves and to "make the best better" in whatever they undertake.

Mr. and Mrs. S. B. Clinton and children of Okmulgee, Okla., visited her parents, Mr. and Mrs. A. C. Harris, over the weekend.

Bobetta Holland of the and Tom Rush, Jr., visited Mr. and Mrs. A. C. Harris here over the weekend.

Cliff Wampler General Insurance

Cliff Wampler, General Insurance Agent

"Can you stop me?" asked a customer operating a small business on the edge of the business district. "I've been your column and need some of your advice."

Naturally, a little was there. "Here's my liability," he said as he handed over a small safe. Quickly he looked it over. "I looked it over," he said. "But let me ask you questions before we decide whether it fits your needs."

After a short discussion it became apparent that the liability policy was limited. For one thing, it owned a couple of ties rented to other firms. Also, there was for Products Liability insurance. He said he never been told such a section was even there.

And, finally, the liability were entirely small. I showed him case histories where chancs had been garing losses from on the premises and the operation of trucks.

"I can see it pays my insurance with time insurance—my customer said. "Go and issue the policy of liability protection. Let us analyze your LIABILITY NEEDS."

TELEPHONE WAMPLER Insurance Agency 203 North Avenue Burkburnett, Texas
