Auto Store Promotion Day At First Baptist Church

PROMOTION DAY

This Sunday, October 13th, is Promotion Day in the Sunday School and Training Union of the First Baptist Church. This could be one of the significant days in the church's history because of the new Educational building, adding over 13,000 square feet to the present facilities, will be used entirely for the first time.

The new building provides space for 4 nursery departments, 2 beginners, 2 primaries, 1 intermediate, 1 Senior Dept. and a lovely chapel.

A high attendance Day of 800 is being planned for the 27th of this month.

After Game Fellowship

Fellowships after the home football games for the young people of our town are being held again this year by the First Baptist church.

The first one was held after the Childress game, and the next one will be this coming Friday night following the game with Nocona.

All of the high school young people are invited to attend for refreshments and entertainment.

merchants giving Stamps are Ideal Stamps are Jerry Bowles Bell Station, Edith's Shop, Carl's Watch and Barrett's Gulf Station.

Annivers'ry Fire Dept.

Volunteer Fire Department was 30 years old. The Department was organized, it had the following officers: A. R. Hill, president; J. M. Hill, vice-president; R. J. Hill, secretary.

Persons serving now are: Elliott, president; L. Hill, vice-president; C. Hill, secretary; G. Hill, Fire Chief; J. Hill, Ass't. Chief.

Mr. Hill is the only member now active in the department. Other members, retired, are H. "Pop" Hood, and H. Hill.

Bible Holliness Revival in Progress

A revival meeting is now in progress at the Bible Holliness church located at 415 Berry St. Sister Holloway of Wichita Falls is the Evangelist. She is a member of the Hillcrest Pentecost Church of God in Wichita Falls.

Rev. Benny Watson, pastor of the local church, cordially invites everyone to attend.

Last Rites Saturday For Burk Pioneer

Mrs. Charity Morris, 88, resident of this area since 1906, died in a Wichita Falls hospital Thursday, ten days after she suffered a stroke.

Funeral services were conducted at 10:30 a. m. Saturday from the chapel of Owen and Brumley Funeral Home with Rev. Leroy Meyer, pastor of the First Baptist church officiating. Burial was in Burk Burnett cemetery.

Pallbearers included Arthur M. Carter, Jr., Rollin Carter, Jr., Robert Carter, Richard Smith, Noel Andrus, Jr. and Harry Black.

Junior High and B Squad Play Here With Bowie Thurs.

Both the Junior High and the B Squad will play here Thursday afternoon and night. Bowie will furnish the competition.

The Junior High game is scheduled to begin at 6:30 P. M. The B Squad will begin their play about 8:00 P. M.

Notice

A Bake Sale and Rummage Sale will be held October 12th. The bake sale will be held in front of the Famous and the rummage sale will be on the East side of Boyd Bros. Dept. Store. Sponsored by the Unity Garden Club.

Nocona Comes To Burk Friday For Football

Nocona's Indians will come to Burk Burnett Friday night to play football. This will be the second conference game for Burk Burnett.

The Bulldogs dropped the first conference game to Olney last Friday night.

Nocona and Burk have been rivals for a great many years. Regardless of the area standing of either team they always manage to play a close, hard fought game when they get together.

It is rumored that Doyce Walker, big hard running back for the Bulldogs, will be in the lineup Friday night. Doyce has been out all season nursing a broken wrist received in the first scrimmage game at Henrietta.

Walker has taken on some 30 pounds since last season.

Local Births

Birth certificates were issued to the following Burk Burnett parents last week: Messrs and Mesdames:

Raymond Kermit Olson, boy, Kermit Burnell

Wesley Rex Tuel, girl, Teena Jean

Clyde Fahler Bush, girl, Catherine Anne

Billy Ewell, boy, Lee J.

Rotary Club

Meets Each Tuesday Noon

Morris Bookbinder, President

George Byerly introduced ten guest Rotarians from Wichita Falls and two guests, Charles Rigby, guest of Bill Milam and Harley Bulls, guest of Earl Hodges.

President Bookbinder, in a short ceremony, presented outgoing president, Dr. Robinson, with the Rotary Plaque.

Ralph Davis presented Bill Beck, Chief Fire Marshall of Sheppard Air Force base who commented on Fire Prevention.

Mr. Beck's remarks were very interesting and timely. He stated that 99% of fires were caused by carelessness, 22% by smokers; other causes that were responsible for a high percentage were heating appliances, rubbish and trash and electrical wiring.

Thirty-nine Rotarians and guests were present.

Cliff Wampler led the club in a song and George McClarty gave the invocation.

Buddy Byars will be responsible for the program next Tuesday.

Mrs. Ollie Ratliff and Mrs. Philip A. Carpenter attended the fall board meeting and workshop of the First District of Federated clubs in Graham, Sept. 26th. Mrs. W. E. Buchanan of Ft. Worth, president of the First District, presided.

Wampler to Head Chamber Commerce Membership Drive

Cliff Wampler, local insurance agent, has been named by President George Byerly to head the Chamber of Commerce membership drive.

Wampler, a hard worker on any committee, has a group of good helpers for the drive.

Details of the drive are being worked out now. The actual campaign will get under way before Christmas.

Burk Cowboy Champion At N. M. Contest

Dude Smith of Burk Burnett, won the title of all-around champion cowboy and the famous Cy Taillon—Justin Award Boots at the Albuquerque Rodeo in Albuquerque, New Mexico, Sept. 29 through Oct. 6th. Smith won the championship in steer wrestling and placed in the saddle bronc riding and bareback riding.

The boots are a special award presented by Cy Taillon, veteran rodeo announcer and master of ceremonies who announced the rodeo there. Championship was determined on the basis of Rodeo Cowboy's Association points earned by contestants.

Taillon, who has been announcing rodeos for over a quarter century, is recognized as one of the best dressed men in rodeo work. The Justin Boots which he presented are made by the nation's foremost manufacturer of cowboy boots since 1879.

Taillon and the Justin Boot Company also presented an annual award of a pair of \$250 custom-made silver trimmed Justin Boots to the all-around world champion as determined by the Rodeo Cowboys Association each year.

PTA Seeking New Members During Month Of October

The Texas Congress of Parents and Teachers, which welcomes newcomers throughout the year, will extend a special invitation in October, which, by tradition and proclamation of Gov. Price Daniel, has been designated as Parent-Teacher Membership Enrollment Month.

Local units thruout the state with a present membership of 607,544, will seek to recruit others to a program of concern for all that affects the happiness of the child in home, school and community.

Membership Enrollment Month in Texas is scheduled to coincide with the general observance of the National Congress of Parents and Teachers. Already the largest voluntary service organization in the world, the National Congress hopes to reach a membership of eleven million for the 1957-58 school year. State activities are being guided by Mrs. W. D. deGrassi of Amarillo, state president and Mrs. L. P. Shafer of Tornillo, state membership chairman.

Burk High FHA Members Visited Fair Saturday

On October 5th., the Future Homemakers of America left at 5:00 a. m. to go to the State Fair at Dallas. The group sang songs all the way with lusty voices.

They arrived at Dallas at 9:30 a. m. and all 40 of them went in 40 odd directions. Some of the big attractions were the roller coasters, the Ice Capades, General Exhibit building and the Automobile building.

Among the 100,000 people there were the following students from Burk Burnett High School: Judy Gellner, Julia Henry, Pat Shipman, Margaret Vaughn, Geraldine Copenbarger, Betty Carol Gentry, Jo Ann Clayton, Patsy Sanders, Dorothy Mason, Doris Sites, Jeanette Wise, Pat Kay Inlow, Gloria Hendon, Sandra Dukes, Linda Roark, Norma Reel, Donna Sue Smith, Nancy Thornberry, Joyce McBride, Louise Sikes, Shirley Boyle, Nita Bingham, Jo Ann Hervey, Ietha Herring, Shirley Hodges, Sue Hill, Francine Johnson, Charlotte Johnson, Linda Kee, Mary Louise Lacy, Tommie Middleton, Doris Morris, Patsy Preston, Janelle Sanders, Shirley Thaxton, Linda Willingham, Martha VanLoh, Joyce Fields, Ann Long and Willie Jo Woods.

Hard Rains Fell Here Monday

Hard rains fell here Monday totaling from 1 to 3 in., depending on the part of town the measurement was taken.

Just before noon a hard shower dumped one inch of moisture on the down town area.

Beginning about 7:30 and lasting for almost two hrs., another two inches was recorded, this one covering quite a large area, especially west of town.

Much of the wheat land was in good condition to receive and hold the moisture. Some fields had been sowed, with the new green shoots already peeking up through the dry crust. This wheat will be benefited greatly.

Farmers who had had to stop plowing because the ground got too hard, will be back in their fields as soon as possible to halt the new weeds, and to prepare the seed bed for small grain.

If conditions remain favorable, cattle will get lots of good grazing on wheat land this fall and winter.

Lions Club

Town Hall Each Tuesday 7:00 P. M.

Rev. Leon Turner was the guest of Jack Alexander.

Joe Hensley was welcomed as a New Baby Lion.

Jack Alexander, in charge of the program, presented C. J. Lippard and James E. Frye, who showed colored slides on their recent trip to Alaska.

Photography was excellent. Most of the pictures were made around Juneau. Trees, flowers, everything was beautiful. The soil is very rich, with flowers in full bloom. The last picture was a fifteen pound salmon, acquired in a manner yet unknown.

Date for the Lions Club Rummage Sale was set for Saturday, Oct. 26. Sloan Mills, Frank Kelley and W. W. Chambers will make arrangements for a building.

Committee to secure rummage is Winston Freeman, Ted Roark, Roy Magers. All kinds of rummage will be accepted. Furniture, garden and yard tools, bicycles, tricycles, clothing—just about everything will be gladly accepted by the Lions.

Proceeds of the rummage sale will apply on new street markers. An order for forty signs was placed about a month ago. Delivery is expected soon.

Notice

The Eastern Star Lodge, is sponsoring a Rummage Sale Friday and Saturday, Oct. 11 and 12th and a Bake Sale, Saturday, Oct. 12th. The sales will begin at 8:30 a. m. each morning in the building formerly occupied by Burk Service Center, 208 Main street, between Hendon Cleaners and Modern Barber Shop.

President Byerly Lists Committees At C-C Luncheon

Principal business of the Monday monthly Chamber of Commerce business luncheon was the announcement of new committees.

Ralph Davis gave the invocation.

Marjorie Hofacket, secretary, read the minutes of the previous meeting. They were approved.

George Byerly, president, announced the following committees:

Membership

Cliff Wampler, chairman; C. A. Morgan, Geo. Counter, Jr., B. O. Willis, Wylie Browning, John Brookman, Roy Magers, A. R. Hill, F. A. Marten, Will Teal.

Finance

A. R. Hill, chairman; Geo. McClarty, Paul Browning, Harry Dodson.

Christmas Decorations

A. W. Newman, chairman, Mrs. Marjorie Kauer, Mrs. Jo Brookman, J. C. Adams, Jr., C. A. Morgan, Morris Bookbinder, Mrs. A. H. Lohofener, Jack Mathis.

Following the luncheon, Winston Freeman, and members of the merchants committee met with the directors to discuss ways and means of stimulating business in general. A committee will make a report on findings later.

A Chamber of Commerce Leaders Workshop will be held at Midwestern University Monday, October 14th. State leaders will be featured speakers. Fourteen from Burk Burnett indicated they would attend the all day meeting.

Burk Drop Opening 2A-9 District Game

Olney's tenacious Cubs employed a crushing defense and exhibited a potent offense to slap down the Burk Burnett Bulldogs 19-6 in the District 2A-9 opener for both here Friday.

Before a capacity crowd of about 3500 fans, Coach Clovis Riley's snarling Cubs piled up a 13-0 halftime lead then pushed across the insurance tally in the fourth quarter.

Guard Johnny Veach's sensational 75-yard scamper after picking up a loose ball early in the third quarter accounted for Burk's only touchdown.

Olney took the opening kickoff and marched 59 yards in 14 plays for its first TD. Quarterback Jimmy Krueger crashed the final eight yards for the score. Phillip's point try failed.

Medlen set up the Cubs' next score late in the first period when he recovered a Burk fumble on the Olney. It took the Cubs just six plays to span the 64 yards needed for the TD.

Sid Acker bolted through a king-size gap at left tackle for the TD early in the second quarter. Phillip booted the point.

Olney had the ball on the Burk Burnett one yard line with two chances to score when the first half ended.

The Cubs seemed headed for their third TD after Peden pounced on a Burk fumble at the Bulldogs' 32, but four plays later Veach plucked a fumble from the air and sped 75 yards downfield for Burk Burnett's only score of the night.

A timely interception by Henning paved the route for Olney's clinching score in the fourth. The pepped up Cubs marched 28 yards in three plays with Peden traveling 19 paces for paydirt.

"We talk of law enforcement. You cannot enforce conflicting laws—something must give." So spoke Dr. Nicholas Murray Butler before the ratification of the 18th Amendment. But it took 14 years of the bitterest conflict between the states, since the issue of slavery, to convince the Federal Government that each state not only should, but could handle the liquor problem within its own boundaries.

How long is it going to take us to realize that equality cannot be legislated? Nor is it a political football. Equality is a privilege with grave responsibilities, that must be earned. NO ONE CAN GRANT IT.

I believe in democracy and the integrity of the American people.

I believe that the majority of the American people are law abiding citizens.

I believe, as most thinking people, that integration will come but only when the people, both negro and white, NOT THE POLITICIANS, are ready.

I BELIEVE THAT EACH STATE CAN AND SHOULD HANDLE ITS OWN PROBLEMS.

I believe that when the President of the United States can, unasked, dismiss state troops and send Federal troops into a state, we are in the gravest danger of losing another of our inalienable rights and heading irrevocably toward centralization of governmental power.

GRASS ROOTS OPINION

ANAHEIM, CALIF., BULLETIN: "Proposals to make unions subject to anti-trust laws are current in Congress. In recent days they have gathered considerable momentum as a reaction to the new drive by Teamsters boss James Hoffa to weld all transportation labor into a giant new union."

SULLIVAN, ILL., NEWS: "The schools are one of the biggest users of tax dollars in the community. Taxpayers who supply those dollars have a right to expect that they be spent locally whenever possible. These local business concerns not only provide some of the tax dollars but they support and contribute to school activity programs."

MASONTOWN, PA., BULLETIN: "Smoky, the Bear, has been seen on television many times during the past few months, warning us to avoid forest and brush fires. The trouble with Smoky on TV is that while his message may be appropriate to California or New England viewers at a given time, he is also warning people who are in the midst of a rainy season. Like the school zones which lose their effect when they remain on the street during the summer vacation, the regular appearance of Smoky robs his message of effectiveness."

SUMMIT, MISS., SUN: "... the U. S. Treasury paid \$600 million as interest on the \$23 billion Social Security trust fund invested in federal bonds. In short, you've paid social security once when you pay your tax, and you pay more on it every time the government pays interest on those bonds!"

TERRE HAUTE, IND., TRIBUNE-STAR: "Though the mythical 'average' American can buy almost 50 percent more consumer goods than he could buy in 1929, inflation could play hob with the figures. It already is putting a painful squeeze on some people, and in some degree it is affecting all of us. Inflation, far from being a vague threat, is a real danger that can gobble up our economic advances unless it is kept under control."

THIS IS A SWITCH

Members of America's 75,000 Boy Scouts and Explorer Units are getting pretty excited over an impending coincidence that could be (doubtless will be) of long-range significance to every one of us.

October is Scout Geology Month, and smack in the middle of it—from the 13th to the 19th—comes Oil Progress Week. By way of making the most of this collision of occasions, several thousand oil men and geologists are joining hands in what you might call a nation-wide switch, to "do a good turn" for our two million Scouts.

A comprehensive kit on petroleum geology with suggested field trips and work projects, prepared by the American Petroleum Institute, the American Association of Petroleum Geologists, the American Geological Institute and the Boy Scouts of America headquarters organization has been distributed to all Troops and Explorer units by regional Scout Councils. At the same time, oil men in every community across the nation have been alerted on the program and how best to assist in the field trips, in making talks and presenting films to the Scouts.

That this "Good Turn" effort should be of tremendous value to the youngsters is obvious from the fact that three-quarters of all US geologists work in the petroleum industry. And if, as it should, this joint program fires the enthusiasm of enough talented Scouts it will ease our shortage of scientists, lead these boys into fascinating and rewarding careers and do an immeasurably good turn for the rest of us whose comfort, security and transportation will depend on finding tomorrow's petroleum supplies.

Oil Progress Week of 1957 could well be memorable—in inspiring oil progress for a generation to come. The transition from Boy Scout to oil scout could do it.

WRITING ON THE WALL

It is significant that a distinguished Democratic Senator, Lausche of Ohio, and a distinguished Republican Senator, Knowland of California, have both spoken out in favor of right to work laws—laws which give each individual the privilege of deciding for himself whether he shall join or not join a union, and guarantee him the right to his job in either case.

There is writing on the wall in the action of these Senators. More and more people, in and out of government, now see that corruption and bad practices in the unions stem directly from monopoly power, the power to tell a man that he must join and take the union's orders or go hungry. Not until that power is evorvised and this form of "involuntary servitude" is legally forbidden, will it be possible to cleanse the unions of the crook, the racketeer, the goon, and the dictators.

Grade School News

We have had many interesting experiences this past week. Our exhibits came back from the Texas-Okla. Fair and we found out that we had several Blue Ribbons for our efforts. We are very happy for all those who were fortunate enough to receive the First place ribbons. We also found several second and third place ribbons. We had a lot of fun doing the work and sending the work to the Fair, and we hope that we will be asked to have some more of our work ready to go to the Fair.

Excitement has been running at a very high pitch for the last several days and it all came to a boiling point last Friday, when the school pictures came in and was delivered to all of the grade school children. The game of trying very hard to get certain pictures was on in earnest and pictures begin to fly in every direction. Several of the pictures were gone before mother or daddy passed judgement if the pictures were to be kept by the child.

WESTERN RANCH DINNER

- | | |
|--|--|
| 1 cut-up frying chicken (about 3 lbs.) | 2 teaspoons paprika |
| 1½ cups Pet Evaporated Milk | ¼ cup shortening |
| 1¼ cups flour | No. 2½ can cling peach halves, drained |
| 1 teaspoon salt | 1 can oven-ready biscuits |
| ¼ teaspoon pepper | 1 cup water |

Turn on oven and set at 425 (very hot). Dip chicken in ½ cup milk, then roll in mixture of 1 cup flour, the salt, pepper and paprika. Melt shortening in 13 x 9 x 2-in. pan in oven. Put chicken into pan, skin side down. Bake 50 min. Turn chicken and move to one end of pan. Arrange peaches on chicken. Separate biscuits and put into other end of pan. Bake 15 min. longer, or until biscuits are light brown. Remove food to hot plates.

For gravy: Mix ¼ cup flour into drippings left in pan. Stir in water gradually. Boil and stir 2 min. Stir in 1 cup milk. Heat but do not boil. Add salt and pepper to taste. Serve over biscuits. Makes 4 servings.

29th Anniversary Home Economics Dept. of Lone Star

We are quite proud of an an-
 niversary we are observing. This
 is the twenty-fifth anniversary
 of Lone Star's Home Economics
 Department. Ours was one of
 the first such departments to be
 established in a business firm in
 the Southwest. From a depart-
 ment started with one graduate
 home economist, we have grown
 to a staff of some 30 graduate
 home economists stationed at
 strategic points throughout Lone
 Star territory.

From the beginning, it has
 been the objective of this de-
 partment to serve homemakers
 by assisting them with the many
 questions and problems that ar-
 rise in the important job of
 homemaking. The many home-
 maker friends gained, the hun-
 dreds of pleasant experiences and
 the daily requests for assistance
 indicate accomplishment toward
 this objective.

Since homemakers have con-
 tributed so greatly to growth and
 success of the department,
 they were called on to select the
 anniversary cake recipe to be
 used in connection with the cele-
 bration. A recipe contest was
 conducted and hundreds of re-
 cipes were entered. There were
 white cakes, spice cakes, fruit
 cakes, chocolate cakes, pound
 cakes, buttermilk cakes, milk-
 less cakes, eggless cakes, every
 kind of cake.

had a tremendous task and a dif-
 ficult one. Recipes were read
 and reread and cakes were bak-
 ed, looked at, cut, sampled and
 discussed. Finally, a winner was
 selected. This lucky person, who
 received a 1957 thermostatically
 controlled top burner gas range
 of her choice, was Mrs. Charles
 Williams of Gatesville, Tex.

The winning recipe makes a
 delicious and beautiful cake.
 While it was chosen as an anni-
 versary cake, it is one that would
 suit any occasion.

RECIPE OF THE WEEK

Blue Flame Anniversary Cake:
 Cream 3-4 cup butter or mar-
 garine and 2 cups sugar together
 until fluffy. Sift together 3 cups
 sifted cake flour, 3 teaspoons
 baking powder and 1-2 teaspoon
 salt. Combine 1-2 cup milk, 1-2
 cup water and 1 teaspoon vanilla
 Add the liquid mixture to the
 creamed mixture alternately
 beginning and ending with dry
 ingredients. Mix well after each
 addition. Beat 6 egg whites un-
 til stiff and fold into batter.
 Pour into three 9-inch pans lin-
 ed with wax paper. Bake in mod-
 erate gas oven (350 F.) 25 min-
 utes. Remove from oven, let
 stand in pans 5 minutes, remove
 from pans and place on racks to
 thoroughly cool. For the frost-
 ing, combine 3 cups sugar, 1

cup water and 1 teaspoon
 tartar. Bring to boil on
 gas flame and boil un-
 til forms a firm ball in
 (242F.) Pour hot sug-
 ar over 3 stiffly beaten egg
 whites, beating constantly un-
 til is of spreading consist-
 ence. Add 1 cup milk, 1
 cup chopped blanched
 almonds and 3-4 cup shredded
 coconut. Spread between layers
 top and sides with re-
 maining frosting. Sprinkle top with
 shredded coconut.

forcement study commission that would make recommendations to the next regular Legislature on how crime and highway accidents can be reduced.

Texas crime rate is rising faster than its population, 46 percent of it by juveniles, said Daniel. (A recent FBI survey showed that during the first half of 1957 Texas has had an increase, up to nearly 10 percent over 1956, in every type of major crime.)

LOBBY CONTROL—
Opponents of this bill are trying "to picture it as a struggle between business and labor," said the governor.

"This is ridiculous, the bill would require registration of those employed by both labor and industry to influence legisla-

"Vast majority of Austin lobbyists are legitimate operators who identify themselves and honestly perform their work. They have nothing to fear from this bill."

Opponents of the bill, said Daniel, are "modern-day carpet-baggers who hide their identity and improper expenditures."

FEDERAL SCHOOL AID—

Full responsibility for the operation and financing of public schools should be exercised by the states and their political subdivisions."

Governor Daniel sent a resolution to this effect to the Federal State Action Committee meeting in Chicago.

"With federal dollars comes federal controls," commented Daniel. As a single exception, Daniel favored federal aid for schools with a heavy enrollment from U. S. Military installations.

LITTLE ROCK CONTROVERSY

Gov. Daniel suggested that both President Eisenhower and Arkansas Gov. Orval Faubus had fumbled in handling the school integration problems there. Neither, he said, had exhausted every means at their command "to avoid a violent showdown."

"Of course, here in Texas," said the governor, we would've sent a couple of Texas Rangers to handle the situation."

BRIGHT FUTURE—

Texans can look forward to more money, but a little less elbow room in the next few years.

So says U. S. Senator Lyndon Johnson in predicting a population of 12 million for the state by 1975 with a total personal income of \$24,000,000,000. This compares with a \$9,000,000,000 income for some 9,500,000 people in the past few years.

Sen. Johnson forecast a 1975 farm output of \$2,900,000,000, up a billion from now, and factory production worth \$8,600,000,000, nearly three times present production.

But, said Johnson, we cannot operate a \$24,000,000,000 state on the basis of our present water use. The rosy prospects for the future will quickly banish unless we act to control our water resources."

"Texas," he said, "is growing a giant wearing last year's year's shirt. It's going to strangle, he said, unless there is quick action."

WEATHER TOLL—

Cost of Texas' natural disasters in 1957 would be \$12 for every man, woman and child in

the state. Latest Civil Defense Department reports put the year's toll from blizzards, floods, tornados, and Hurricane Audrey at 61 dead, 638 injured and \$100,000,000 in property damage.

Once again, said Department Director William L. McGill, Texas holds the "dubious distinction of being first in the nation in major disasters."

TB IN TEXAS

Startling facts revealed about tuberculosis in Texas came from Dr. Patrick McShane, head of the state's TB hospitals.

In a twin-panel session composed of newsmen and doctors, Dr. McShane reported that 22,000 Texans have active tuberculosis. One out of three persons has TB germs in his body.

"Texas spends \$6 per patient per day on its TB hospitals," Dr. McShane advised. "And we rank in the bottom fourth on what is spent in trying to get them well."

SCHOOL PANEL NAMED—

Way is clear for a new study into needs of the public school system. Six appointments by Gov. Price Daniel completed membership of a new commission created by the last legislature to do the job.

Daniel's appointees: Dr. J. W. Edgar, commissioner of education; Dana Williams, Gladewater supt. and president of the Texas State Teachers Association; Ed Ray, executive editor of the San Antonio Express and Evening News; Mrs. L. E. Dudley, Abilene; H. K. Jackson, Gatesville; Felix Tijerina, Houston.

Six appointments each were

made earlier by the speaker of the House, the Lieutenant Governor and the department of education.

BUSINESS YEAR UNCERTAIN

Despite its present high level, Texas business faces uncertainties in ending the year.

There is little evidence pointing to any substantial rise, observes Dr. John R. Stockton, director of the University of Texas Bureau of Business Research.

Causes for concern: softening of the building outlook, slackened expenditures by the federal government and business concerns. Bright hopes: expanding expenditures by state and local governments, high level consumer spending, continuing population increases.

Chester L. May American Gas. Ass'n.

CHESTER L. MAY

Chester L. May, senior vice-president, Lone Star Gas Co., Dallas, was re-elected a director of the American Gas Association today at the 39th annual A. G. A. convention. He was elected for a two year term, expiring in October, 1959.

The American Gas Association is the national trade association of the \$19 billion gas industry. Its 8,000 members throughout the world include the leading gas utilities, pipeline companies and gas appliance and equipment manufacturers in the United States and Canada. The three-day convention, today through Wednesday, is being attended by more than 4,000 delegates from nearly every state in the nation.

Mr. May pioneered the Southwest in building natural gas distribution system. His entire business life of more than 40 years has been spent in the gas industry. Today he directs distribution operations in Company owned and operated gas systems in some 450 cities, towns and communities in Texas and Oklahoma. He was elected senior vice-president of the company in January, 1954, climaxing a distinguished career started in 1910, with the job of clearing gas meters with a wire brush.

Long active in gas industry affairs, Mr. May is a past president of Southern Gas Association, past president of Texas Manufacturers Association, and is currently serving on numerous committees of the industry, as well as on civic committees in Dallas.

DONNELLS ARE GUESTS HERE FROM BRITAIN

Major and Mrs. R. M. Donnell, Marion and Bobbie, were houseguests recently in the home of Major Donnell's aunt and uncle Mr. and Mrs. Garland Eubank, 3211 Burch, Wichita Falls.

The Donnell family has been living in England where they resided at Old Timbers in Cookham, just outside of London, for four years. Their home in England is 400 years old.

Miss Donnell, who speaks two foreign languages, German and French attended Wycomb Courts Lane End a private English Girls School. She is skilled in English horsemanship, for which she has won trophies. She finished in 3rd place in her school, which is high honors in England for an American.

Bobbie Donnell attended Haries, a private school for boys in Cookdeken. He also has won trophies in English horsemanship and school sports.

Major Donnell has been serving in operations at headquarters Seventh Air Division, South Ruislip, England, near London. He entered the air force in 1941, met and married the former Miss Allene Jennings of Burkburnett while training at Sheppard Air Force Base.

He was commissioned in 1942 as flight engineer in the 499th Bombardment Squadron that dropped the atomic bomb on Hiroshima and Nagasaki.

While residing in England, the Donnell family toured the continent.

The Donnell family spent several days in Burkburnett visiting her mother, Mrs. Leta Jennings, and other relatives. Following their furlough, the Donnells will reside in Roswell, New Mexico, where the Major will be stationed with the Air Force.

ACTING GOVERNOR

"This is a great ahead," I remarked friend, Jack Carlson. "Sure is," he said. "What are you referring to a hunting trip, 'World Series'?"

"Neither," I said grin, "although both interest. I had referred Fire Prevention Week really something to about."

"Well I'd rather talk ball," Jack said, "ahead."

"The purpose of Fire prevention Week remains changed from the thought 35 years ago direct public attention the need for greater prevention and safety each community."

I continued, "10,600 people in the U. S. die year as a result of fire 340,000 homes were destroyed or damaged by fire."

"I'd rather talk about averages," Jack but how do fire losses year compare with last year?"

"Unfortunately, higher," I replied. "For the 7 months, losses were continued, 1957 was the first year in which losses will total more \$1 billion."

"Everyone should be careful," Jack agreed take time out to check property to eliminate obvious fire hazards."

"That's the idea," I replied. "By the way, you think will World Series?"
