275 Attend C-C Leader Workshop

Approximately 275 business and professional men of Southern Oklahoma and North Texas heard strong warnings Monday morning that "it is time that business re-captures its natural position of leadership."

Attending the one-day Chamber of Commerce Leaders' Workshop at Midwestern University Center, these area business leaders then joined in group discussion to plan ways in which to go back to their communities and begin ways to fight for survival.

One of a series of workshops being sponsored by the United States Chamber of Commerce, the Wichita Falls meeting featured morning discussions on factors which influence the growth and development of communities.

Leading the discussions were national chamber of commerce officials and business leaders, with various community workers joining in suggestions for educating the public in the true value of American free enterprise.

Attending from Burkburnett were: R. P. Reagan, C. B. Wampler, W. W. Chambers, A. R. Hill, P. B. Browning, A. W. Newman, George Counter, H. D. Smith, Mrs. A. H. Lohoefer, Mrs. John Brookman, Mrs. Will Teal, Marjorie Hofacket, Morris Bookbinder and George Byerly.

GRASS ROOTS OPINION

WEST POINT, MISS., DAILY TIMES LEADER: "—all of us know that federal spending is not going to be turned off like one would turn a faucet handle. There must be a gradual decline, in spending first, and then in taxes."

CHAGRIN FALLS, O., EXPONENT: "Physicians, newly impressed with the growth and energy potentials of a high protein diet, are increasing the meat ration for patients of all ages."

HOWARD, S. D., MINER COUNTY PIONEER: "YES JAKE —the only difference between us and the millionaire—is that we worry over the next meal, and he worries over the last one."

WACO, TEXAS., FARM AND LABOR JOURNAL: "As organized labor we will continue to work within the system of free enterprise. That system is as dear to us as to anyone. There could be no free labor without free capital. Collective bargaining would be meaningless in a government-dominated economy—the right of business to a fair return is basic to the American system. Equally basic is the right of labor to a fair wage."

LIBERAL, KAN., DAILY TIMES: "Awareness of the lack of water supply in the U. S. today is in about everybody's mind. However, if you think we have troubles now, take a look on down the road, say two decades hence. It is estimated that by then Americas water supply will have to be doubled."

NATIONAL BIBLE WEEK

NATIONAL BIBLE WEEK, the annual all-faiths observance sponsored by the Laymen's National Committee, Inc., will be observed from October 21-27 this year. Charles R. Hook, Chairman of the Armco Steel Corporation is National Chairman and serving with him as his Honorary Vice Chairman (representing the three major faiths) are: James A. Farley, Chairman of the Board of the Coca-Cola Export Corporation; Sidney Weinberg, Partner of the investment house Goldman, Sachs and Company, and H. W. Prentiss, Jr., Chairman of Armstrong Cork Company.

In today's world—a world confused, tense and floundering—more and more of us find that the Bible provides the true solace and understanding of life and our fellow men. It is in the Bible that we find the fundamental laws that govern the right way of living—and the pathway to everlasting Peace —The Bible is not just another book—it is, always has been, and always will be the greatest Book of all. It is the Book we must acknowledge as being always a part of us —TODAY, TOMORROW, and FOREVER.

A STRANGE INCONSISTENCY

Not in living memory has there been so much agitation over civil rights as there is now. Yet, as David Lawrence points out in one of his columns, "strange inconsistencies emerge." For instance two Senators suggested that President Eisenhower should personally take those colored children by the hand and lead them into school at Little Rock. "But", says Mr. Lawrence, "did any of the so-called liberals ever suggest or would they venture to recommend that the president take working men by the hand and lead them into plants and factories where their right-to-work—a basic constitutional right—is denied them?"

In major industry today no man can hold a job and earn a living unless he joins and pays dues to a union. It makes no difference whether he wants to join or not. It makes no difference whether he agrees or disagrees with the policies and actions of the union. It makes no difference whether he regards the leaders and officers of the union as good men or as scoundrels. Whether the case, the union has an absolute monopoly power to compel obedience, on pain of discharge and unemployment.

The right to work is as basic as any right—free speech, freedom of assembly, equality under the law, or the others. Without the right to work, the force of all the other rights are diminished. When will the right to "join or not join" be established once and for all the union's power to enforce a variant of involuntary servitude on labor be ended?

The Workman Who Never Showed Up

Have you ever figured out just what the federal government costs you—and related the cost of taxation to other costs you must bear?

Publisher Guy T. Ludi of the Wahoo Newspaper, Wahoo, Neb., has done just that. His paper is a small business, with a circulation of about 4,500. Last year, he finds, the federal government took \$6.53 per hour for every hour the plant was in operation. As he puts it, that was equal to the pay of three skilled workmen—"three skilled workmen that never showed up for work."

Then Mr. Ludi did some more calculating. His federal taxes came to over \$260 in cash each week, and amounted to nine cents out of every dollar taken in, whether or not a profit was made on the transaction. And those taxes took enough out of the plant to pay for any one of the following: heat for 22 years; postage for 9 years; electric lights for 32 years; water for 103 years; electric power for 9 years; electric heat for the typesetting machines for 22 years; telephone for 21 years, and insurance for 15 years.

That, Mr. Ludi goes on, brings up the big question: "What are we going to do about it?" Here's his answer: "We don't know. We know that spending by government is too high, that taxes are too high and going higher. Actually, we would propose that tax conscious people everywhere seriously consider the problem before the next primary election in 1958. At that time something can be done if everyone will crack down on the spenders in Washington be done if everyone will crack down on the spenders in Washington.

Mrs. R. H. Henry Hostess Circle 1 Of WSCS Tuesday

Circle No. 1 of the WSCS of the Methodist Church met Tuesday afternoon at the home of Mrs. R. H. Henry with Miss Lena Patton, co-hostess. Mrs. Gage presided over the business session and welcomed three guests, Mrs. Jessie Jones, Mrs. Moser and Mrs. Hagan of Pennsylvania, a former resident of Burkburnett.

Mrs. Revier gave a devotional for the theme for the year, The March of Missions. The subject for the day being Our Home Mission Center and Race. Mrs. Scruggs was leader for the lesson. She presented Mesdames Turner, Lowery, Reger, Patton and Chambers, as a panel discussing the following missionary projects: Homer Toberman Settlement House in San Pedro; Marcy Center in Chicago; the Navajo Mission, Farmington, N. M., and the Home Department work in Alaska.

The hostesses served dainty refreshments to the following members: Mesdames J. S. Gore, G. D. Scruggs, R. D. Revier, R. A. Neal, W. W. Chambers, D. M. Lowery, Leon Turner, S. S. Reger, W. C. Gage, F. L. Pilkenton, H. C. Gilbert, M. C. Tucker, D. M. Morris, H. H. Henry, Miss Patton, the three guests, Mesdames Jones, Moser and Hagan.

The group made plans for a Thanksgiving luncheon to be held at the home of Mrs. Gage with Mrs. Gilbert co-hostess on Tuesday, Nov. 12.

FULLER CIRCLE MET WITH MRS. TOM BURNETT MONDAY

Circle 4 of the WMU of the First Baptist church met in the home of Mrs. Tom Burnett, Monday, Oct. 7th. Officers were elected for the coming year and the circle was named the Fuller Circle.

Refreshments were served to seven members. The group was dismissed with prayer and will meet in the home of Mrs. Will Teal for their next meeting.

Mr. and Mrs. O. B. Wofford, Mrs. L. F. Lee and Mrs. J. W. Allen, all spent last Thursday in Graham visiting Mr. and Mrs. R. M. Shaham and Pamela. Mr. and Mrs. C. L. Shepherd of Graham were luncheon guests of the Shepherds.

Current Literature Club Met Oct. 10th With Mrs. L. R. Jones

Mrs. R. L. Jones was hostess to the Current Literature club Thursday, Oct. 10th. Miss Ella Billingslea served as co-hostess.

The meeting was opened with the reading of the club collect in unison. Mrs. R. W. White, president, presided over the business session. Reports were given by the treasurer, finance chairman and other committees. It was voted that six boxes of which will go to the Oriental Scholarship fund. Also it was voted to sell fruit cakes as a fund raising project. Mrs. E. B. McCabe was elected as the Red Cross representative of the club to Sheppard Air Base. Cookies, cakes, etc., will be made by members periodically and at holiday seasons for the therapy patients. The nominating committee for ensuing year, composed of Mesdames Fred Hunt, C. R. Chambers and F. G. Jeffers, was appointed by Mrs. White.

Ogden Nash, famed humorist, satirist and author, will be the guest speaker for Artist's attraction at the Woman's Forum in Wichita Falls Monday evening, Oct. 4th. An invitation was extended to club members by Mrs. F. G. Jeffers, Fine Arts chairman, and Mrs. White, and was accepted.

The club counselor's report was given by Miss Ella Billingslea. She stressed Oriental Federation Around the World and how it strengthened democracy particularly in Korea and Japan.

In the absence of Mrs. John Brookman, Mrs. F. G. Jeffers was program chairman. Roll call was answered with each member answered topic. Mrs. Jeffers presented Mrs. F. M. McMurtry who read an informative paper prepared by Mrs. D. H. Smith on Driver Re-training, a new Frontier. In this, she pointed out the traits of careless and careful drivers showing the increased automobile accidents and fatalities, recommending as a possible solution or aid in diminishing accidents, that all drivers take a periodic refresher or re-training course. A very interesting paper was also given by Mrs. W. W. Chambers on A Woman's Place in a Changing World. She traced the development or progress of the position of women from the time in which her place was only a home maker to that place which she enjoys today with her capabilities, her privileges, her rights and heritage.

Notes from County Agent

Wichita County Home Demonstration club women are pleased to welcome a new home demonstration club. Mrs. Woodrow Harris is the president of this newly organized group called Merry Makers.

Now is the time to stock the freezer with a fresh supply of doves and other game birds, says Thelma Wirges, county HD agent.

It's a simple process. Draw birds as soon as possible after they have been shot. If there isn't time to do a thorough job of cleaning and dressing, remove the craw and intestines. Chill promptly.

Plucking the birds is preferable to skinning them. Skinning causes dryness and some loss of flavor. Wash birds thoroughly before packaging.

Wrap individually in moisture vapor-proof material. Cellophane aluminum foil, pliofilm and different kinds of laminated wrapping papers are satisfactory. Seal with freezer tape. Label with name and date.

To maintain top quality, store birds at zero degree or below. From six to ninth months is recommended storage period.

Thaw birds before cooking.

If you are interested in combining a good bargain, good eating and ease in preparation, October is the month to use more peanut butter, according to your county HD agent.

Peanut butter is included in the U. S. Department of Agriculture's plentiful food list. It is a good teammate of other USDA plentiful food listings.

25 Wichita County 4-H boys and girls will enter 260 broilers in the Dallas Fair Friday, says B. T. Haws, county agent. They will be judged Saturday, Oct. 22.

Twenty-three Wichita County 4-H boys and girls will enter 23 steers in the Dallas Fair, Monday, Oct. 14th. The steers will be sifted on Tuesday and judged on Thursday.

Cotton is grown on about 900,000 farms in the southern part of the United States extending from Virginia to California. About two-thirds of the total US production is used in the mills of this country. The remainder is exported: chiefly to Japan, Great Britain and the continent of Europe.

From the 1957 Year of Agriculture, the Romans had several good manuals for farmers. Columella's Husbandry, written 60 A. D., was a handbook for 15 generations.

Farm fires destroy at least \$150 millions worth of property on farms every year. The Texas Farm and Ranch Safety council points out chief causes of fires as defective chimneys, sparks on combustible roofs; inadequate lightning protection; carelessness with matches; spontaneous ignition, improper use of gasoline and kerosene; misuse of electrical appliances and electricity and unsafe stove and furnace installations.

Worker's Council Met Wed. Oct. 9th

The October meeting of the Worker's Council of the First Methodist church was held in the home of Mrs. A. A. McKinnis Wednesday night, Oct. 9th. The president, Mrs. Halsey, called the meeting to order. The minutes were read and approved. Jeanne Smith was elected reporter. After the meeting was adjourned, C. J. Lippard showed some very interesting pictures about Alaska.

Delicious refreshments were served to the 14 workers and 4 visitors present.

Members present were Mrs. White, Mr. and Mrs. Boyle, Mrs. A. A. McKinnis, Mrs. Boyd, Mrs. Halsey, Miss Grady, Miss Smith, Mrs. Pirtle, Mrs. Nichols, Mrs. Melton, Rev. Turner, Mrs. Gragg, Mrs. McKinnis, C. J. Lippard, Dee Morgan Gragg, Mr. McKinnis and Lynn Halsey were visitors.

MRS. MAUD MATHIS HOSTESS BLUEBONNET GARDEN CLUB

The Bluebonnet Garden Club met Tuesday, Oct. 8th in the home of Mrs. Maud Mathis with Mrs. Peggy Mathis as co-hostess. The president called the meeting to order by reading the club collect.

Mrs. Bertha Johnson gave a paper on Fall Planting and transplanting and Vines, Nature's Drapes. Mrs. Gail Butts gave hints on planting perennials.

Crecent arrangements were brought by Mrs. Hattie Burns and Mary Cecil. Mrs. Cecil was first prize.

Lovely refreshments were served from a beautiful table covered with a pink organdy cloth and a centerpiece of pink hibiscus in a silver compote. Mrs. Lou Ethel Boyd and Mrs. Louise Ratliff served at the table.

PROBLEM SOLVED

When Mrs. Nellie Harris, operator, Southwestern Bell Telephone Co., decided to take her phone to work, her six-year old son, Charles, was worried. How, he wondered would she be able to tell her lunch from all the others?

Came the solution: Charles announced he would write her name on the sack.

Sure enough, at noon Mrs. Harris had no trouble finding her lunch. Scrawled all across the front was M-O-T-H-E-R."

by C. A. Deuschle, Manager

Your New Dial Telephone Service
Since the changeover to dial service in Burkburnett, September 22, we sincerely hope that you are enjoying the use of fast, convenient and dependable dial telephone service. We would be interested in receiving your comments on your new dial service and any difficulties you may have experienced.

We are proud of our new Telephone building and the modern dial service system and invite you to visit with us and get better acquainted with its operation at any time. Later on this year, we will have an open house and invite all our Burkburnett customers for a visit. In the meantime, we would appreciate an opportunity to conduct you through our building and receive your comments on telephone service.

We are glad we're able to give Burkburnett the best telephone service available to meet its telephone needs today and tomorrow.

Football Fun
Another football season is underway. If there are any fans around your house, it's likely that the radio and television sets will be working overtime for the next few months bringing the games into your home. It's the next best thing to having a 50-yard line seat.

Maybe you've never realized it but the telephone company plays an important part in bringing you these football broadcasts, as well as other radio and television programs you enjoy. We handle the transmission of programs from distant places for your enjoyment.

Telephone engineers have worked constantly through the years to improve these facilities. Today we use both cable and microwave networks to transmit these broadcast.

And, of course, improved transmission means more pleasure from the programs for you.

This is another example of how the telephone company always seeks to bring you improved communications—in radio, television, on a local telephone call across town or a Long Distance call across the nation.

Getting back to football, have you attended any of the Burkburnett Bulldogs games this season? If not, why don't you plan to be at the next one. Better still, go to all the Bulldogs games this year. You'll enjoy them and the team will appreciate your support.

Save 1-3 On Out-Of-Town Calls
Whether you're making a business call or just keeping in touch with members of the family in other cities, it's smart to place your Long Distance calls Station-to-Station.

You save money because Station-to-Station rates are about one-third lower than Person-to-Person rates. This means you can make three calls for the price of two.

And here's another Long Distance tip to remember: Call by Number — It's Twice As Fast.

Call by number. It's twice as fast.

How would you explain it to a child?
What do you tell him after the crash—"Daddy isn't coming home any more"? Does that explain even one death... let alone 40,000 in traffic accidents last year?

BACK THE ATTACK ON TRAFFIC ACCIDENTS
Here's how you can help:

- 1 Drive safely, courteously yourself. Observe speed limits, warning signs. Where traffic laws are obeyed, deaths go DOWN!
- 2 Insist on strict enforcement of all traffic laws. They work for you, not against you. Where traffic laws are strictly enforced, deaths go DOWN!

The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures: he leadeth me beside the still waters.
He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.
Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.
Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.
Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever.

DISTRICT MEETING HELD SATURDAY, OCTOBER 12th

The Burkburnett High School Student Council served as host to the fall meeting of the Greenbelt District Student Council meeting. The meeting, which took place Saturday, revolved around the theme, "Why We Are." Myrna Hoffman, the Burk Student Council Chaplain, led the invocation. After Patsy McNeil had led America, The Beautiful, Roy Silkwood gave the welcoming speech.

Special music was provided by the High School choir. Billie Gorham called the roll, and Dan Fowler, Burk student Council president, introduced the platform guests.

Betsy Ferguson of Seymour introduced the guest speaker, who was Doris Higgins of SAFFB.

Group discussions were begun at 10:45. Leaders of the groups were: Seymour, Archer City, Holiday, Vernon, Quanah and Electra.

After lunch, the dance band entertained the guests. The music was followed by reports from the discussion group leaders.

Free cokes were served, and then Pat Clack and Glenna Landes gave twirling solos.

The meeting was then adjourned by Seymour, the District President.

school. The staffs are now being announced by the advisor, Mrs. Treva Finley. The Bulldog staff includes Myrna Hoffman, Editor; Pat Clack, Exchange Editor; Kenneth Estes, Sports Editor; Reporters, Donald Redman, Carol Muller, Margie Inman, Charlotte Begeman, Glenna Landes; Typists, Kathleen Roark and Gayle Sanders.

The Derrick staff members are: Billie Gorham, Editor-in-Chief; Assistant Editors, Carol Muller and Kenneth Estes.

Grade School News

The pictures have been flying to the right and left this past week. Many of the little girls were able to get their picture in to the billfold of certain men of the small fry age. Several of the small boys were very bashful and tried very hard to hide the picture but most of this hiding was done to try and have someone to try and find the pictures.

We have had our first Six Weeks tests and they have taken out a lot of joy from the picture episode. We are making several resolutions for the next six weeks and most of them will have strings attached stating that we are going to do better work the next six weeks than we have the past six weeks.

THE DESERT

By Idolia Jenkins
Out on the desert, bare and dry, You see the camels going by. The people walk for miles and miles; Until their faces light with smiles. They see an oasis over yonder. But, forever will they wonder, Out on the desert, bare and dry, You'll keep seeing camels going by.

6-4 CHEERLEADERS

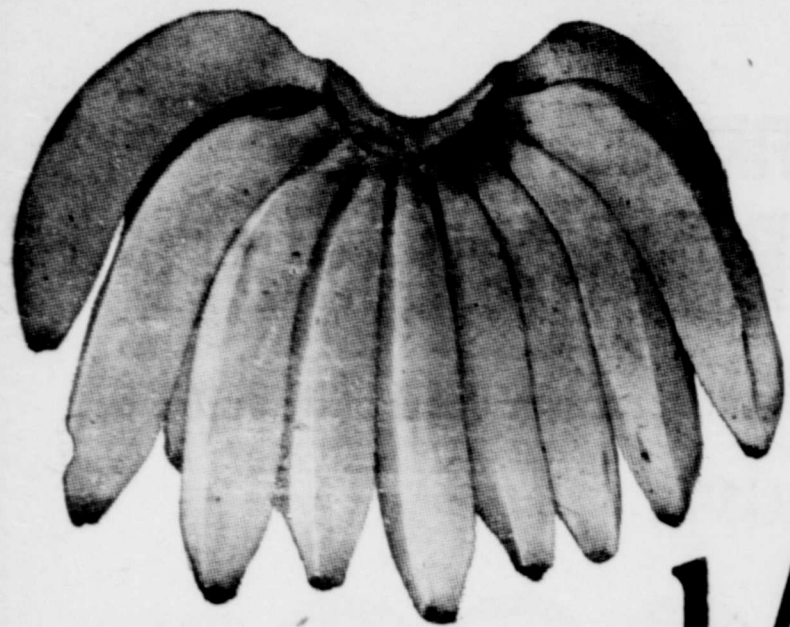

Cheerleader for grade 6-4 is Ann Jennings.

Fire Prevention Week was Oct. 7-12. Grade 6-4 made posters to be put on display in their room.

We received our pictures and were well pleased with them. Gay Bangs and Linda Wilson have been appointed reporters for the month of October. Mrs. Cole bought some history posters and the children are learning lots about the early Spanish explorers from them.

Some of the more interesting aspects of the Space Age are immediately apparent. Consider briefly, for example, the Miss Universe contest. It would become a Miss Universe contest in every sense of the word, with Miss Mars, Miss Jupiter, Miss Mercury, et al, among the probable competitors.

Be that as it may. The Space Age is here. I say let's make the most of it.

HARDIN PTA News

The second regular business meeting of the Hardin PTA was held in the Grade School auditorium Tuesday afternoon at 3:30 p. m.

President, Mrs. Neva Zimmerman, called the meeting to order. Prayer was led by Rev. Finley, pastor of the Assembly of God church.

Minutes of the last meeting were read by Mrs. Sue Beavers. The project committee suggested that we establish a book and record library and to donate two coffee pots in the teachers lounge.

Mrs. Jack Bentley was nominated as delegate to the State Convention which will be held in Galveston, Nov. 20-22.

Mrs. Jo Ella Gragg read the following rules for the King and Queen contest:

1. The Carnival will be in Town between the Bank building and The Smart Shop on Ave. C. Thursday, Oct. 31st, between the hours of 6:30 to 9:30 p. m.

2. The Carnival King and Queen contest shall be sponsored by the Hardin PTA and all proceeds will be used for the PTA projects.

3. There shall be one boy and girl elected from each room in the grade school to compete for the King and Queen. They shall be elected by popular vote Monday, Oct. 21st at which time the contest will begin.

4. One penny is one vote. The King and Queen votes will be counted individually.

5. Each candidate shall have 2 jars, to be furnished by the Mothers of the candidates. One jar shall be given to the candidate to collect his or her votes and one jar shall stay in the classroom. Other children working for their King or Queen shall take their votes and deposit them in the jar that is left in the room.

No Jar Shall Be Placed in Any Store or Area in Town.

6. Deadline for bringing in collections to be counted in the contest will be 3:00 p. m. Tuesday, Oct. 29th, in the classroom.

7. Jars will be picked up in the classroom Wednesday, Oct. 30th at 10:00 a. m. Any candidate's jar not turned in by this time shall not be eligible to compete in the contest.

8. Votes shall be counted by a special committee and the girl and boy having the most votes shall be crowned King and Queen of the Carnival. The court will be made up from the runners-up in each grade.

9. Crowning time shall be 8:00 p. m. Thursday, Oct. 31st. Pictures will be taken of the complete group at this time.

10. Each teacher will receive 20% of their proceeds of the King and Queen contest. This books, and other supplies the money is to be used for records, teacher might need. This money is not to be used for class parties.

A piano solo was given by Pam Simmons and was enjoyed by all. The new yearbooks were presented to those attending.

Mrs. Estelle Martin's room won the attendance award.

Next meeting will be Nov. 12 at 3:30 p. m. The nursery at the Youth Center will open at 3 p. m.

weeks stay here. I can certainly say that it has been an amazing experience. This is one of the most complete and thorough institutions I've ever been around. What is being accomplished here is beyond description!

Now that the dove season is open in the South Zone, more Texans are brightening their shooting eyes.

Hunters know the mourning dove is like a good halfback. He is shifty and he has a deceptive change of pace.

He's not as fast as some birds, but if you can hit a dove you can hit any bird that flies.

Here is a shooting stance recommended by expert shooters. First be sure both feet are solid on the ground, unimpeded by brush. The left knee should be slightly bent.

The other day a partner and I were fishing on Lake Austin, and the only bass caught were on a yellow Lucky-13.

Guessing Game
You might follow through on this and speculate that bluegills readily strike golden larvae because of their color. But you would doubtless soon run into complications. For example, I took a fine string of bluegills recently, using those coal black crickets that have been so plentiful.

Talking about bait is a good part of the fun—but there's one conclusion I have drawn: I'll always have a few yellow lures in my tackle box.

Another tip about lures is to use light ones when the day is bright; dark ones at dawn, dusk or night. Trying to figure that one out (at first thought it seems the reverse ought to be true). I reason that in dark waters the night sky seems bright.

And in daylight the blue sky is darker than the sun-filled, reflection-bright water. In any event you should use a lure that is easily spotted because of contrasting shade.

Fishing Best Now
Fishing is going to be at its best for the next few months. There are several reasons why that is true.

Most of the vacationers have gone back to work. This cooler weather encourages the fish and discourages the water skiers. And many quondam fishermen have gone to the sunflower patches for doves, further reducing the angling population.

Fishing is good in the Spring before the heat and the tourists set in.

But why fishing is generally thought of as a summer sport, I'll never know.

For that matter, I'll never know why summer is the vacation time for most folks. Spring would be a better time. So would

Miss Marjorie Baumhardt of Waco visited her mother, Mrs. Callie Baumhardt over the week end. Mrs. Baumhardt was reported ill Friday but it said to be much improved at this time.

Mr. and Mrs. E. N. Miracle were Sunday guests of his parents, Mr. and Mrs. P. A. Miracle in Grandfield where they visited with Mr. Miracle's sister, Mrs. Sammie Koen, of Wellington, Tex., and his neices and families Mr. and Mrs. Gene Crutchen of Archer City and Mr. and Mrs. Harold Carwell of Wellington.

Mr. and Mrs. R. A. Wright of Ardmore were guests of Mr. and Mrs. W. L. Frye Friday night.

MRS. C. B. BELDON HOSTESS Oct. 5th, BWC

Mrs. C. B. Beldon was hostess to the BWC of the First Baptist Church Tuesday, Oct. 15th. The meeting opened with the group singing *Have Thine Own Way* Lord. Mrs. Cordie Lawrence gave the opening prayer. Mrs. Claude Reed, circle chairman, had charge of all business. Mrs. W. A. Minick read the minutes of the previous meeting. The circle voted to change the name of the circle from BWC to Alma Jackson Circle, Miss Jackson being one of the Baptist Missionaries. Bible study was brought by Miss Jewel Reed. The circle was dismissed with prayer by Miss Hazel Waggoner.

Lovely refreshments were served to the following: Mesdames W. A. Minick, C. A. Reed, W. C. Davis, Artie Whitesides, G. W. Varner, Frank Kelley, R. P. Thaxton, C. A. Bowman, Cordie Lawrence, C. W. Ramsey, John Brookman, C. B. Beldon, Misses Jewel Reed, Hazel Waggoner, Bessie McKnight.

Mr. and Mrs. J. D. Stegall returned home Monday after spending several days with their son, J. D. Stegall, Jr., and family in Winfield, Kansas.

fall. Even winter. Who wouldn't enjoy a couple of weeks off around Christmas and New Year Day.

It's Being Done
But no—we take vacations in the Summer because people always have done it that way and we are too full of inertia to change.

For the same reason, I suppose we wear a coat and tie in summer because our forebearers in England did. England, where I took a nap on the afternoon of July 24 one year and missed the whole warm season.

Anyway, most anglers will agree that fishing in the hot summer months is poor. A lot of anglers won't even try it. They hang up their rods until October comes.

A lot of us keep trying. I know a place where you can always catch gaspergou in black bass catch gaspergou in July. I know another place where your chances are good to get a string of white and black bass in July and August. Sometimes the trotliners get catfish.

Then, there's always the coast where, if they don't actually bite every day, they do bite some days. And if you hit a good one you're in.

But the Fall's the time for the best and biggest fish.

News From The County Agent and HD Agent

All poultry and poultry products moving in interstate commerce will be inspected for wholesomeness by Jan. 1, 1959 under the recently enacted Poultry Products Inspection Act.

The Act becomes partially effective on Jan. 1, 1958, when plants approved by the U. S. Department of Agriculture may be provided the service, according to B. T. Haws, county agent. Currently, it is estimated that approximately 50 percent of such poultry is now being inspected for wholesomeness under the voluntary inspection program provided by the USDA on a fee basis.

Haws points out that the gradual application of mandatory inspection requirements between Jan. 1, 1958 and Jan. 1, 1959, has been provided to permit plant owners reasonable time to make any plant alterations which may be necessary to meet facility standards required by USDA regulations. By Jan. 1, 1959, all plants shipping poultry in interstate commerce must be approved and the poultry products processed therein be subject to inspection, unless otherwise exempt.

Commenting on the enactment of this legislation, which was signed by the President, Aug. 28 Sec. Benson said: "The passage and approval of the Poultry Products Inspection Act marks another milestone in the tremendous progress which has occurred in the poultry industry in this decade. Its passage likewise reflects the continued progress this nation is making in assuring the consuming public whole some and nutritious food on an ever-expanding scale."

Once in full application, poultry products subject to the act will receive inspection for wholesomeness comparable to that which has been in effect for red meats since 1907 when the meat inspection act was passed.

Inquiries regarding the program should be directed to the Director of the Poultry Division, Agriculture Marketing Service, USDA, concludes the county agent.

Mrs. R. E. Northcott suffered a heart attack at her home early Wednesday morning and has been admitted to the Wichita General Hospital.

Mrs. O. E. Melton
Hostess Of WSCS
Tuesday Oct. 8th

Circle 2 of the WSCS met in the home of Mrs. O. E. Melton Tuesday morning, Oct. 8th at 9:30 a. m. with Mrs. J. W. Gloger as co-hostess. Donuts and coffee were served as the members arrived. Mrs. Blake Browning, circle leader, opened the meeting and Mrs. Seeley Galloup brought an inspiring devotional on Home Missions, closing with prayer. Mrs. Browning then presented the following ladies who had parts on the program on Home Missions, Centers and Races: Mesdames Beulah Hall, Bethlehem Center, Memphis, Tenn.; John H. Rigby, Marcy Center; Tom Harms, Navajo Methodist Mission School; Howard Henderson, Home Toberman Settlement House; A. W. Newman, Maynard MacDougall Hospital; O. E. Melton, Southside Community Center. Mrs. Browning presided over

a short business meeting. Minutes were read and approved. The motion was made by Mrs. O. E. Melton and seconded by Mrs. J. H. Rigby, that our circle meet at 9:30 a. m. in the mornings in the home of members. It was planned that our next meeting Oct. 12th would be a luncheon in the home of Mrs. Henderson with Mrs. Blake Browning as co-hostess. Those present were Mesdames Blake Browning, Seeley Galloup, Howard Henderson, Paul Browning, Beulah Hall, Tom Harms, John H. Rigby, A. W. Newman and the hostess, Mrs. O. E. Melton. The group was dismissed with the missionary benediction.

ABOUT YOUR HEALTH

A weekly public service feature from the Texas State Department of Health. **HENRY A. HOLLE, M. D. Commissioner.**

Your general state of health can be a first line of defense against illness, particularly now that the season of infectious diseases is here. Resistance to complications of colds, "flu" and other illnesses is influenced by how you eat, sleep, exercise and relax before you get sick.

Food means different things to different people, but the net effect is the same: food not only supplies energy to the human machine but also provides building materials to renew body tissue.

Good nutrition is largely a matter of getting enough of the right foods. And since this is true, it is a good idea to take a look at your eating habits. Your regular diet should be built around:

A daily serving of meat or fish about four eggs a week, some cheese, at least two glasses of milk daily, two daily servings of raw or slightly cooked green or yellow vegetables, two servings of fruit and some potatoes, bread or other grain products.

Desserts, candy and beverages such as soft drinks and coffee are not essentials, but they are sometimes pleasant additions.

Other items in your diet can be as extensive or as limited as you wish, provided you watch for "spoon-in-mouth diseases," leading to overweight.

One fact about food that can't be over emphasized is the value of a good breakfast. And a coffee break isn't breakfast! Many people find the demands of their job in home or office takes so much out of them they feel all used up at the end of the day. This is apt to be literally true, especially if breakfast has been by-passed.

Many times an "all gone" feeling in the late morning comes about like this: when you get up in the morning you've been without food for a good many hours. Yet, you may not experience a feeling of hunger. You seem to get along for a few hours on a sub-standard break-

fast, but around 11 o'clock you can't wait for lunch. Errors in your work are most apt to happen at this time.

To forestall fatigue, to reduce errors, to assure yourself of a steady level of health, fortify yourself with a sure combination, a good night of sleep and a really basic breakfast, such as fruit, toast, eggs, cereal and milk. If you can't eat breakfast thru lack of appetite, start now to cultivate the habit of a good morning meal and soon you will find you can't do without it.

Remember, too, as you review your eating habits to take a look at your ways of eating as well. The relaxed, pleasant meal—tempting, colorful dishes, quiet conversation are all tools for better health.

MRS. BILL VINCENT HOSTESS
JR. UNIVERSITY STUDY CLUB

The Junior University Study club held its regular meeting Oct. 10 in the home of Mrs. Bill Vincent with Mrs. C. D. Landrum as co-hostess. The president called the meeting to order and roll call was answered. Minutes of our previous meeting were read and approved.

Mrs. Buddy Byars gave an informative program on The Church of Christ, its doctrines, how it was formed and pointed out many interesting facts about the church.

Mrs. Byars won the door prize. Delicious refreshments were served to the following members: Mesdames Margaret Alexander, Becky Byars, Frances Clement, Dorothy Duke, Geneva Fisher, Jo Gilbert, Marjorie Hofacket, Mary Jo Koller, Sammie Landrum, Rhea Martin, Allie McCullough, Rhea McLean, Dorothy Page, Marilyn Robertson, Bette Stanaland, Joyce Taylor and the hostess, Janice Vincent.

Home Financing Is Available

Prospective home buyers and builders in small communities and members of minority groups will greatly increase their prospects of obtaining financing for their homes if they make use of the facilities offered by the Voluntary Home Mortgage Credit Program, Housing Administrator Albert M. Cole said today.

"In spite of the tight money market, the new 5 1/2 per cent interest rate on Federal Housing Administration loans is sufficiently attractive to enable VHMCP to obtain private financing to meet the needs of all qualified borrowers," Mr. Cole said. "The availability of funds coupled with the lowered down payments on FHA-insured mortgages," Mr. Cole added, "can result in quite a spurt in homebuilding in small communities if prospective home buyers and home builders take advantage of the VHMCP's facilities."

VHMCP was established by Congress in 1954 to serve as a nationwide mortgage clearing house by bringing together persons who are unable to obtain FHA or VA financing for homes from local banks or lending institutions all over the country.

who are in the market for mortgage loans.

Region XIII, which serves States of Texas and New Mexico has its office at 1114 Commerce Street, Dallas, Texas. Mr. Hermann, Executive Secretary in charge of the office, that 2,350 loans, totaling 750,000,000 had been made through August 15, 1957. Private lenders for the program in these States. On a national basis, VHMCP placed loans totaling \$275,422,900 private lenders in the same period.

VHMCP's services are available to all persons in small communities and to members of minority groups anywhere applicants for obtaining loans with VHMCP's assistance must certify that they have denied loans by two local, sensibly accessible lending institutions.

WATER AMENDMENT—
Governor Daniel has expressed great pleasure over the widespread interest in passage of the Constitutional Amendment for water development.

He pointed out that the measure, which is third on the Nov. 5th ballot, has received the endorsement of the state's leading organizations and associations.

Each day's mail brings additional support from local chambers of commerce and other civic organizations, as well as private citizens interested in the welfare of Texas, the governor added.

ROD AND GUN STATISTICS—
Texans spend twice as much money to hunt and fish as they

do for admission to all football, baseball and basketball games, plus all other spectator sports, plus all the movies and other theatrical attractions combined.

So said L. A. Wilke of the Texas Game and Fish Commission at a Rotary Club luncheon in Austin.

Here are some other facts with which Wilke surprised the Austin Rotarians: Anglers and Hunters outnumber golfers 9 to 1. They also spend more on hunting and fishing than all Texans spend on medical and dental care and hospitalization insurance.

FLU CASES PILE UP—
"That foreign flu" is getting familiar to Texans. Reported cases doubled in a week, according to the State Health Department,

bringing the total of flu-like illnesses to 62,319.

A number of schools had to close after absences skyrocketed. Many others canceled football games, band concerts and other special events.

COTTON FORECAST UP—
Texas 1957 cotton crop will be 83 percent of normal, says the U. S. Dept. of Agriculture. October estimate is for 4,100,000 bales, a half million bales more than was expected in September.

USDA also reported that mild fall weather was helping farmers in many areas. Scattered showers brought up winter wheat on the plains and encouraged volunteer oats and other pastureage for cattle over wide areas. Weather also was favorable for harvesting peanuts, rice

and sweet potatoes.

APPOINTED BY GOVERNOR—
Named by Gov. Daniel to serve on state boards are:

W. W. Heath, Austin attorney, rancher and banker, to the State Board for Hospitals and Special Schools.

Dr. B. B. Brown of Dallas (re-appointed) and Dan McKnight of Rocksprings to the State Board of Pharmacy.

Dr. Elmer C. Baum of Austin, Cyrus Hill Lambert, a pharmacist of El Paso and Dr. William Hibbitts of Texarkana to the State Board of Health.

Dale Broussard of Beaumont and Norman Bratcher of Denicians to the State Board of Morticians.

of Texas A&M, are unhappy.

Their county was assigned auto license plates with the prefix letters TU. That, to Aggies, sounds too much like the initials of their arch-rival, the University of Texas. What they don't know is that tags with AM letters now are appearing on Austin cars. . . . Texans leaving the Armed Forces in September was more than double the number entering service, reports State Selective Service Headquarters.

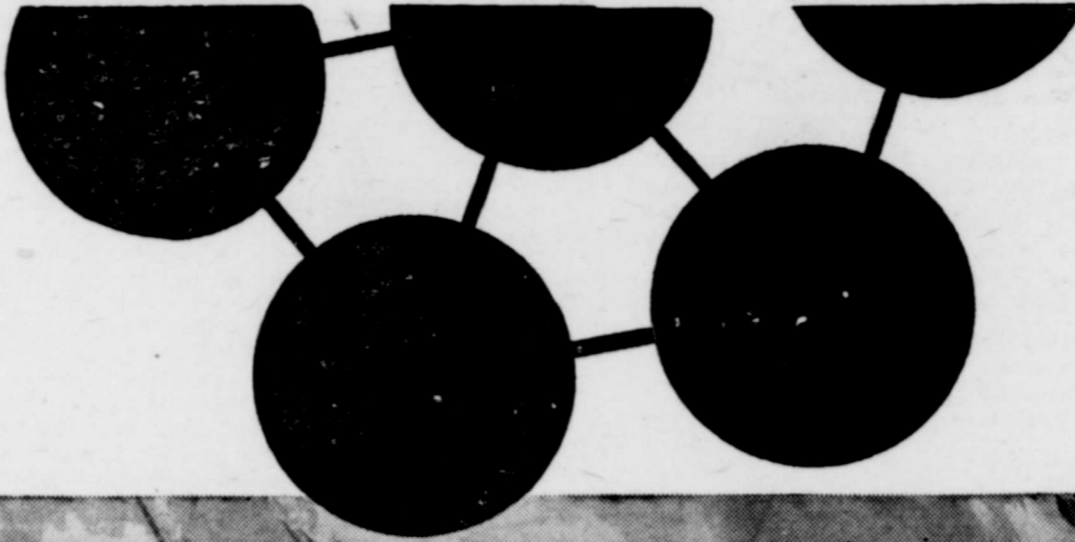

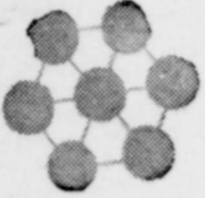

Despite an attorney general's ruling that the House speaker and lieutenant governor are legally entitled to Capitol living quarters, former State Sen. Joe Hill is trying to get them thrown out. Hill has carried his fight to the Court of Civil Appeals where he contended the practice

was unconstitutional and (ridiculous," besides.

THE WONDROUS YEARS OF OUR TIME...

Man's use of petroleum — of oil and natural gas — began before the first records of history.

But petroleum's full usefulness to man has been a matter of decades only.

They have been wondrous years, those decades. Years that saw automobiles built by the millions because gasoline was available as a cheap source of power. Years that saw the oceans dwindle under the high speed of great ships powered by oil. Years that saw the evolution of a more comfortable living in homes warmed by oil and natural gas. Years that saw rubber, fibers, paints and many other useful items of everyday living produced from petroleum's hydrocarbons. Years that saw the earth shrink under the wings of the airplane, and great wars decided by the availability of oil.

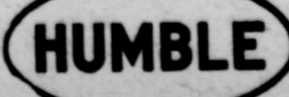

Thus, the oil industry has led the way into the wondrous years of our time. The industry, through foresight, ingenuity, research, and risk-taking, has found and produced the oil required in greater quantity each year, has conserved

oil for the future, has devised the transportation systems that move oil economically, has built the refineries and plants that convert crude oil and natural gas to the hundreds of useful products needed by a growing United States.

The Humble Company, founded in 1917, has participated in petroleum's progress during four great decades, and has pioneered in the development of many current techniques for finding, producing and refining oil. This week, with the industry, Humble invites you to consider the variety and extent of oil's progress. . . . Surely no other industry has contributed more to the making of modern America.

Texas Safety News

J. O. Musick, General Manager of the Texas Safety Association announced today that TSA would again present safety certificates to school bus drivers who hold an accident-free record for the 1956-57 school year.

The school bus drivers in Texas have one of the finest safe driving records of any state. Thus, it seems in order to show public appreciation for the efficient safe manner in which they completed their tasks during the past year, Musick concluded.

Texas operates more than 3,000 school buses that average a half-million miles of driving each day. Records of TSA show less than 300 school bus accidents were recorded last year.

Musick said the safe driving awards would be mailed to school superintendents in the next few weeks. And, presentation of the certificates, in most cases, would be made during a school's general assembly.

On Nov. 5th, Texans will go to the polls to vote on three constitutional Amendments. The first amendment on the ballot concerns a revision of the state employee retirement system.

Speaking in behalf of the issue, J. O. Musick, General manager of the Texas Safety Association, said today, "Those who are familiar with the present state employee retirement plan, know that it has long since become antiquated. Under the new system, a far more equitable and realistic approach is taken."

Musick said that he believed the Texas Department of Public Safety will receive particular benefits, because the new plan would create a greater incentive and tenure of service. And, will be of aid in recruiting more competent personnel.

Briefly, Musick listed the other advantages of the plan as being: 1. The employee has the opportunity to select the highest salary he has received for five consecutive years, of the past ten, as a basis for his retirement, scale.

2. The amendment eliminates the inequity and controversy between prior service and contributory service. This is a technical distinction, and under the amendment each employee is assured equitable treatment.

3. The amount paid in by lower salaried employees is reduced.

4. Allows a transitory period (10 years) wherein no employee should be deprived of previously accumulated benefits.

5. Reduces the employee's contribution from 5 to 4 1-2 percent and eliminates the \$3,600 ceiling that is imposed by the old plan.

Of the other two amendments to be considered on the same day, one deals with an increase in payments to needy, aged persons. The third asks for a decision on whether or not the state should create a Texas Water Development Fund for the conservation of water resources.

News From The County Agent

Soon all poultry moving in interstate commerce will be inspected and graded for wholesomeness under the recently enacted Poultry Products Inspection Act. The act becomes partially effective on Jan. 1, 1958, when plants approved by the USDA may be provided the service. It becomes compulsory Jan. 1, 1959.

Here is a word on winter pastures from B. T. Haws, county agent. He says such crops as hubam clover, vetch and austrian winter peas make excellent pasture. These may be planted alone or in combination with oats, barley or wheat. Other grasses such as rye grass or the newer fescue grasses are also giving good results.

Haws points out that it will pay to fertilize your winter pastures. Legumes and grasses are soil builders but they need fertilizer to make a good growth for grazing and to add additional organic matter to the soil.

A soil test can help determine the type and amount of fertilizer needed. Your county agricultural agent can help with information on soil testing and with suggestions for managing winter pastures for maximum grazing.

Attending Grand Chapter OES at Dallas this week are Mesdames Bessie Scruggs, Pauline Morine, Jessie Jones, Edith Eidson and Nell Renfro.

Mr. and Mrs. Martin Wright and Gail, Mr. and Mrs. Charles Good and Mr. and Mrs. Pete Nunn attended the fair in Dallas Saturday.

"We need help" Jim comer said. "We just got here and need to get our insurance straightened out you represent the Blue Star Insurance Company."

"No, we don't" replied "and I don't think it is presented here at all. Here, we will be glad to see you to the proper endorsement you."

"That would be" Mrs. Newcomer said, "about my car insurance. I'm with the XYZ pany."

"Again, we will help in the event you have a claim, even though we represent that party company. However, I like to look at your policy to check the rates and erages."

"Here it is," Mr. comer replied, handing his policy.

"You're in luck," I said. "The large city you from has much higher rates than those locally. As a result, we can cancel this policy, and rewrite it at savings to you."

"Good," said Mr. comer, "I'm certainly I dropped in."

"We're pleased to say," because we are interested in helping comers with their insurance problems."
