BURKBURNETT, WICHITA COUNTY, TEXAS, THURSDAY, DECEMBER 12, 1957

NUMBER 14

## Water Meters Each Grand Total of 1962

The actual count Tuesday at Burkburnett now has 1962 water meters in use. That is a jump from 665 'way back in 1940 when the population figure was 2814. The count has brought on a population figure is present. By using the average of 3 1/2 persons per water meter, we would expect near the 7,000 bracket. On the basis of 2814 for 665 meters, we should be up and the 8,000 mark.

Magers was digging through some old papers that came across the old files, which prompted him to check on the latest tally. Since 1940 the growth of water users is shown below:

1940	665
1946	923
1949	1250
1957	1962

## Devol News

Mr. C. O. WOODLEY

M. Harrison, who has been on the sick list for some time, is reported to be about much improved.

Watson is said to be recovering from a severe attack of pneumonia.

Rubottom was removed from Clinton hospital last week after treatment for a heart condition. His condition is reported improved.

Charles Woodley of Waco and his parents, Mr. and Mrs. W. H. Stevens and Mrs. C. Cates were ardmore visitors Monday.

Pearl Coker, who has been residing in Ft. Worth for several years has returned to town to make her home.

F. G. McClendon who has been ill with the flu the past few weeks is reported much improved at this time.

Mrs. K. L. Smith visited the Joe Inman home Sunday. Claude LeMonde left last week for Phoenix, Ariz., where he is employed.

J. S. Looney, business Dec. 5th Forum Study Club

The Forum Study club met in the home of Mrs. J. S. Looney, Thursday, Dec. 5th.

Call was answered with Christmas customs of foreign countries. A short business meeting was conducted by the president, Charles Goins. The club members voted to adopt a new name for Christmas. Also to have a Christmas basket and to the Wichita Falls State hospital.

Ellis Gragg was in charge of the program and presented Mrs. Countsray. Mrs. Countsray showed films of a visit to foreign countries which included the Holy Land, along with some very interesting commentary on the trip.

Following the program, an attractive Christmas plate was served to the members present. Recently the club members entertained their husbands with Thanksgiving dinner at the town hall after which bridge and forty-two were played.

The following were present: Mrs. and Mesdames Tom Burnett, Winston Freeman, Charles Greer, Wallace Anderson, J. S. Looney, Don Jack Northcott, Brack Norton, Jr., Hugh Preston, Jr., Swann, Lonnie Taylor, James Shersham and Mrs. Nita McArthur and Mrs. Ellis Gragg.

MADE SCHOOL HONOR ROLL (Continued from last week)

WEINGER 4-3—Linda Eidson, Jimmy Jo Hunt, Annie Hunter, Jo Kelsey, Dayna K. Evert, Oliver McDonald, Tona Evelyne Peterson, George Lawrence, Karen Sue Williams.

## HELLO LITTLE KIDDIES MERRY CHRISTMAS 1957

It's good to be back in town and say hello.

There's going to be a big Christmas Party for you the 14th and 21st of December in the Majors Building on Main Street in Burkburnett

KIDDIES, Old Santa Claus will be there to see and talk with you and find out just what you want for Christmas. There will be goodies and candy for each of you. Don't miss it. Sponsored by the merchants of Burkburnett.

NOTICE: Bring your cameras and make a picture of your children with Old Santa FREE.

NOTICE TO ALL: If anyone knows of a boy or girl who will be unable to come and see Old Santa Clause on account of illness, please let me know and I will come see them, or any boy or girl who is needy.

Signed, SANTA CLAUS Phone JO-9-3718, Burk

## Largest Shopping Crowds in Years Gathered In Burk Last Saturday To Share in Many Valuable Prizes

It has been a great many years since such large shopping crowds have been seen in down town Burkburnett. Last Saturday was a busy day for merchants handling all kinds of merchandise. Shoppers, realizing this is a short Christmas shopping season, put in the full day buying items on their gift lists.

The merchants of Burkburnett offered full stocks of desirable merchandise, which makes gift shopping a pleasure rather than a chore. Gift hunters will still find adequate stocks in most lines of merchandise.

Three P. M. was the highlight of the afternoon. At that time some sixty merchants gave away valuable awards, some of them worth many dollars.

This Saturday, at 2:00 P. M., shoppers will again be treated to a long list of valuable prizes from their merchants. Registration for these prizes may be made at most any store. Ask for your registration blanks.

A complete list of the awards being offered may be seen on another page of the Star this week. Look for it.

A grand total of \$500.00 in cash gift certificates will be given away Christmas Eve, December 24, by the Chamber of Commerce.

Mrs. John Wood and Mr. and Mrs. C. A. Moreman motored to Granite, Okla., Tuesday. Mrs. Wood is a former resident of Granite. She visited friends and also attended her club Christmas party. The Moremans visited Mrs. John Cross and her daughter, Mrs. O. E. Murphy. Mrs. Murphy is a girlhood school mate of Mrs. Moreman.

## Olen Baley Named State 4-H Winner

Certificates and other awards were presented 75 boys and girls Tuesday night at the annual Wichita County Four-H Achievement banquet sponsored by the Wichita Falls First National Bank.

Special awards went also to a group of adults who have helped the clubbers throughout the year.

J. C. Porter, assistant vice president presented awards to state winners Olen Baley, son of Mr. and Mrs. G. O. Baley, and Jerry Richardson, son of Mr. and Mrs. J. D. Richardson. Olen was first in the state in grain marketing and Jerry topped Texas in poultry marketing.

Cox Speaks Murray Cox, well known Dallas radio personality, addressed the crowd of 225 in the Kemp's Terrace room.

Garland Weeks and Shirley Van Huss served as masters-of-ceremony.

Ethel Lynn Geeslin, assistant home agent, presented awards to girls and Truit Hennig, assistant agent, handed awards to the boys.

District Awards District awards were presented 14 county clubbers, including Baley and Miss Van Huss; William Morton, Alden Smith, Benjamin Rogers, Ralph Ray Swinford, Edward Pennartz, Jerry Richardson, Harry Sargent, Goldie Shook, Janetta Mills, Mary Ann Stewart and Charlotte Simons.

Mrs. E. J. Simons was honored for alumni recognition. Mrs. Mary Walker, demonstration agent for Texas Electric Service Company received a special award also.

Paul Berend of Berend Brothers presented a hat to district winner Jerry Richardson, while Dick Etter of Etter Tractor Co. presented a hat to Olen Baley.

## Yucca Beauties Named at North Texas State College at Denton

Judges have named these 12 co-eds as Yucca Beauties for 1958 at North Texas State College in Denton. They will be pictured in the school yearbook next spring. The winners are, front row, left to right, Gayle Monsour, Longview; Carole Miles, Dallas; Marcia Juday, Garland; Joy Maness, Jacksonville; Genevieve Williamson, Ft. Worth; Joan Burden, Dallas; and, back row, Clo Richardson, San Angelo; Virginia Clarke, Fort Worth; Danna Karlen, Dallas; Barbara Evans, Dallas; Paula Graham, Childress; and Judy Bone, Dallas.

## Over 1100 Bales Cotton Ginned For '57 Season

During the last few dry days cotton gathered has stepped up to a fast tempo. Many cotton strippers have been operating in this area and doing a good job delivering cleaner cotton which commands a better price.

Paul Hooper, manager of the Farmers Co-op. Gin reports over 1100 bales for this season handled at that gin. Some weeks ago it appeared the local gin would not handle 1000 bales this year. However, with semi-favorable weather, the crop estimate has gone up here.

## Babson's Business and Financial Report to Appear in Burk Star Issue of Thursday, January 2nd

The Burkburnett Star will publish BABSON'S BUSINESS AND FINANCIAL FORECAST FOR 1958 on Thursday, January 2, 1958. You will find it on page one.

A careful checking of the Babson Predictions made in the Business and Financial Forecast for 1957 upholds the remarkable average of the past years by being 88 per cent correct. Below is the score for the last nineteen years. It holds the best and highest record for Annual Forecasts on U. S. Future Business.

## Football Banquet Scheduled For Wed., Dec. 18th

Members of the Quarterback club have scheduled the annual football banquet for Wednesday Dec. 18th, 8:00 p. m. at the School Cafeteria. Tickets are available at the high school or from any club member.

Mr. Jim Swink, a medical student at TCU, will be guest speaker for the occasion. He was voted All American football player last year.

## Dan Fowler Will Speak At PTA

Dan Fowler, president of the Student Council in the Burkburnett High School, will be the speaker for PTA Tuesday, Dec. 17th, 7:30 p. m.

The subject being "Youth Tells Its Story." Mr. Fowler is a senior in High School, an active member of the First Baptist church. The public is cordially invited.

Mrs. W. T. Zimmerman, president, will preside over the meeting.

## JOEL R. GREEN WAITING FOR TRANSFER AT NORWALK VA.

Joel R. Green, Fireman Apprentice, son of Mr. and Mrs. Grady A. Green of 521 W. College, P. O. Box 123, Burkburnett, Tex., is now at the N. S. Naval Receiving Station, Norwalk, Va., awaiting transfer to USS Thuban AKA 19.

The Norwalk Naval Receiving Station, commanded by Captain J. C. G. Wilson, USN, Processes approximately 8,000 men a month on their way to and from naval activities all over the world.

## NOTICE AMERICAN LEGION MEMBERS

Each member of Frye-Vaughn Post of the American Legion is requested to bring canned groceries to the meeting on Dec. 19th for the Christmas baskets. Joseph A. Jancke, Commander

## ROTARY CLUB Meets Each Tuesday Moon

Morris Bookbinder, President

Joe Jancke introduced Mr. Carl Beutinger as his program for the day. Mr. Beutinger is a geologist for the Grace-Ford Drilling Co. of Wichita Falls. He gave a very interesting talk on where oil really comes from and the kinds of rocks, such as shale, sand stone and lime. His talk was very educational.

President Bookbinder urged all members to bring good used clothing or new clothing to the meeting next Tuesday. The clothing will be boxed and delivered to the state hospital. He also requested all who would bring a Christmas gift for those unfortunate ones and he will personally see that they reach their destination.

Supt. Ralph Davis gave a brief report on the school cafeteria. He reported that approximately 700 meals daily were being served and at present day food prices, they were unable to stay out of the red. This report was very informative to those of us who didn't understand the working of this program. The club decided to donate \$1.00 or more per member to Mrs. Foster to be used to supply underprivileged children with a hot meal once a day. Our thanks are extended to Ralph for bringing us up to date on such a worthwhile project.

Buddy Byars introduced 11 visiting Rotarians from Wichita Falls.

George McClarty gave the invocation.

Al Lohofener will bring the program next Tuesday.

Any citizen who would like to donate a Christmas gift, no matter how small, for those persons at the State Hospital, are urged to leave same at Opal's Dress Shop, and they will be delivered on Christmas morning.

Ez Tike says the most important thing to save for your old age is yourself.

## Kiddies Free Picture Show December 24th

The Palace Theatre, in cooperation with Burkburnett merchants, is giving a FREE kiddies picture show Tuesday, morning, December 24. The show starts at 10:00 and lasts for about one hour and 40 or 50 minutes.

Featured on the screen for kiddies 6 to 86, will be a group of Technicolor cartoons.

Parents, this is a good opportunity to let the kiddies enjoy a good show while you shop unhampered by the little ones.

## Youth Center Will Close For Lack Of Help By Parents

The Youth Center of Burkburnett opened on Tuesday after being closed one week. It was with regret that the Board of Directors were forced to close the center and it is with greater regret that we announce that the Center will be closed again unless assistance from parents and townspeople can be secured.

The one paid director cannot check members in and out of the Center, take dues as paid, run the small snack bar and direct the youth in various activities. The director is also the sole caretaker of the building, no small job in itself as the building is used almost every day and every night.

The Center is of great benefit to this community and should be well supported, not only financially but with individual assistance. The Board of Directors is now inquiring into methods of operations of other Centers in the area and are hoping to come up with the solutions to some of the problems of this Center.

An open meeting will be held at the Center, Dec. 30th, at 6:00 p. m. Any adult interested in the activities of the Center is invited to attend.

## Fire Damages Methodist Church

Fire broke out in the main auditorium of the First Methodist church here Sunday morning causing approximately \$1,000 to \$1,200 damage.

The fire was discovered immediately following morning services and by the time it was extinguished, had burned several holes in the ceiling.

Cause of the fire was said to have been a spotlight bulb too near the ceiling.

In extinguishing the blaze water damaged the carpet and pews in auditorium and leaked through to the basement, causing some damage there.

The church had recently been redecorated and a new annex had been added.

The Rev. Leon Turner is the pastor.

## NOTICE

Burkburnett will be host to the Iowa Park basketball teams Tuesday night, Dec. 17th, beginning at 6:15 in the Junior High gym. The girls and boys A teams and the boys B team will play. The public is invited to attend.

## GRASS ROOTS OPINION

**BEAVER FALLS, PA., NEWS-TRIBUNE:** "When the outlook is steeped in pessimism, Baruch reminds himself, 'Two and two still makes four and you can't keep mankind down for long. It's more than possible that this same sort of thinking will arrest the market slump.'

"After all, the fall seems already to have overcompensated for any recognizable weakness in the business boom. In August, retail sales reached a record total of \$17.7 billion."

**PLAINFIELD, IND., MESSENGER:** "There was a time, we grant you, when factories were obnoxious because of their smelching chimneys, their unattractive buildings and grounds and their untidiness but that day has long since past. Present day firms which construct new plants make them as attractive as parks with landscaped grounds and neat and attractive buildings of the latest design. Air conditioned with every facility to make the worker comfortable and neat. They are a credit to any community and certainly don't hurt the assessment valuation on which tax rates are based."

**ALTAMONT, KANSAS, JOURNAL:** "Through research, conservation, education, electrification and mechanization, farmers have increased their efficiency in production and marketing. About 70 percent of all crop acreage in 1954 was planted to varieties not even in existence on a commercial scale 20 years earlier."

**WINNEMUCCA, NEV., HUMBOLDT STAR:** "The news from John Hopkins that Dr. Winston H. Price has come up with the first successful vaccine against one of the principal viruses causing the common cold deserves to be hailed widely—and it will be. . . Amid the cheering, however, a few sad notes will be struck. When the common cold begins to go, along with it will go the best copper-riveted excuse for sleeping in that was ever devised by man."

## TO GAIN STRENGTH - CUT TAXES

Congressmen are traditionally, and properly, concerned with the welfare of their own bailiwicks. And after their months at home, they know that the demands of their constituents for tax relief are not to be ignored, sputniks or no sputniks.

To those from the South, and those who represented small communities generally over the nation, the Joint Sadlak-Herlong tax reduction bill (which goes to committee in January) is especially appealing. In presenting the second of the twin bills (the first was offered by Rep. Antoni N. Sadlak, Republican of Connecticut), Florida's Democratic Rep. A. S. Herlong, Jr., decried particularly the virtual impossibility of accumulating capital under present tax system. This "limitation on the formation of capital out of current income," he said, "is especially harmful to sections of the country which are least developed industrially."

"The latter point is of particular significance to the South," declared Mr. Herlong. "In recent years we have been moving ahead in industrial development, but we still have a long way to go to achieve economic standards equal to those in other sections of the country."

As a Southerner, the Congressman knows whereof he speaks. But, irrespective of variations in standards over the nation, we suspect that the viewpoint of the smaller community that is seeking to grow industrially, and to compete on a better footing with large centers, is much the same, north, south, east or west.

As for the Sadlak-Herlong measure, itself, its chances for passage are looking up as our public servants regain composure and realize that our world will keep spinning longer than presumptuous satellites, and that destruction of our economy would contribute little to our defense. It is the strength of this proposal that it would reduce taxes systematically and impressively over a five year period, and is sanely based on keeping tax returns to the Government at the present level. The reduction in tax rates would be proportional to the normal expansion of the nation's economy. And it would stimulate that economy by providing the increased savings needed for business capital, and by reducing inflationary pressures.

As a sound, workable system of income tax reduction (with a built-in emergency escape-clause), the Sadlak-Herlong bill can not fail to strengthen the South, the small communities at every point of the compass and hence the nation as a whole. And consideration of this legislation comes at a time when America needs additional strength, perhaps as never before.

## Production Costs Continue Upward

Investigations as to the cause of rising prices are proceeding, and one of the important questions is whether pay increases are exceeding productivity gains and forcing prices up.

A recent governmental report covering the bulk of the economy, revealing that wages have climbed much faster than the output per hour.

Each unit of output has to carry part of this excess wage cost with the result that labor cost per unit has been going up. Many believe that this is the main lever that is forcing prices up.

The government report stated that "productivity is a crucial element in the wage-cost-price relationship. It represents the margin within which wage increases can be granted without increasing production costs or curtailing the amount available for other income payments."

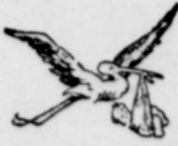

In other words, when wages go up faster than productivity production costs rise and naturally prices go up to cover some of the increased production costs. Inflation of this type hurts some income groups while others, whose wage payments increase faster than productivity, gain an unfair advantage.

## Martha Bryan YWA Group Met Dec. 4th

The Martha Bryan YWA's met in the young People's department of the First Baptist church Wednesday, Dec. 4th. The president called the meeting to order and the secretary checked the role. Nine members were present. We were all invited to a Christmas party at Archer City. It was decided that we would meet Monday, Dec. 9th, 6:30 p. m. at the home of Bernice Vaughn. We also discussed when the year book committee would meet and decided on Wednesday, Dec. 11th, just before our regular YWA meeting. Our community Missions program was also discussed.

Following the business meeting, Charlotte Begeman dismissed the group with prayer. Refreshments of brownies, vanilla cookies and pop were served. Jean Yahnell, Reporter.

## Local Births

Birth certificates were issued to the following Burkburnett parents last week: Messrs and Mesdames:

Charles Joseph Page, girl, Sharon Mae  
John Arron Bryant, boy, Robert Allen

Mr. and Mrs. O. H. Owen of Long Beach, Calif., are visiting friends and relatives here thru the Christmas holidays. Mr. Owen was injured in a refinery accident in September. He is much improved at this time, but is taking a leave of absence from his work until the first of the year.

## Wedding Announcements.

## STATE CAPITOL News

By YERN STANFORD  
Texas Press Association

Special sessions of the legislature passed all the bills which Gov. Price Daniel called. Mostly, by wide mar-

so, final days found even- ing at sixes and sevens. Members and Senators argued among themselves. The house sniped at the other. Numerous lawmakers found to show they were put out by the governor.

Two houses gave lop-sided approval to the 2 bills requesting the governor to bolster control of school. One closing of schools threatened with federal occupation. The other empowers the attorney general to assist local districts in fighting anti-segregation suits.

Another bill was proposed to allow county judges to require registration of organizations attempting to interfere with public school operations. The bill said it was aimed at the KKK.

Though there seemed to be a large block of opposition to measure itself, haggling realities stretched out the table.

Legislators accused others of deliberately prolonging the session to embarrass the governor. Each day (including week-ends) made a \$1,600 bite into the governor's emergency fund. Members said Senators were sticking around to have last word in their feud with the Insurance Dept.

## BILL BRYANT'S AUTO SALVAGE

WE BUY CARS  
Of All Makes and Models  
OKLAHOMA CUT-OFF  
Phone JO-9-3581

Whatever the cause, it seemed evident that the Texas Legislature can't be turned on and off like a faucet.

### HINDSIGHT—

Renewal of the contest over tidelands ownership brought criticism of Governor Daniel's role in the federal tidelands law.

Sen. Dorsey B. Hardeman of San Angelo said he felt Daniel should have seen to it the 1953 law recognized specifically Texas claim to lands 10 1-2 miles out.

Daniel, then a U. S. Senator, sponsored the federal law. At present a federal suit challenges Texas' claim to land beyond three miles.

Daniel retorted that if Hardeman would read the bill he would find it gives each state title to boundaries as they exist at the time such state entered the union. Texas Congress fixed the coastal boundary at 10 1-2 miles into the Gulf, said the governor.

Hardeman replied Daniel should have attached a map to the bill.

### NOT HAPPY—

Dissatisfaction of a number of Senators with the Insurance Department seems unlikely to simmer down.

Senate investigating committee indicated it is still not thru with its inquiry into the Department's delay in action on an unfavorable report on Preferred Life. It recessed after hearing two assistant state auditors confirm the examiner's finding of irregularities in the company.

Sen. Grady Hazlewood stressed the committee's findings in a speech explaining why the Senate turned down the Insurance Board's appointment of William A. Harrison as commissioner. He said the Senate felt Harrison had been remiss in not taking immediate action against the company.

Senate finance committee turned critical questions on the three board members for having questioned the senate right to pass on Harrison's appointment. Board appeared to ask a bill authorizing the department to reduce the number of examiners and raise salaries.

### LAND BUY OKAYED—

Legislature moved forward an-

other step the plan for a consolidated state government center in the heart of Austin.

Both houses passed a bill authorizing purchase of two blocks northeast of the Capitol for a Texas Employment Commission building.

Overall plan is to ring the Capitol on three sides with five new buildings. Included will be the State Courts building, state office building, Insurance building, TEC building and library and archives building. Cost is estimated at \$20,000,000, all to come from various special funds rather than general revenue.

### OIL LEASING HELD UP—

Excessive importing of foreign oil was blamed for the Texas School Land Board's decision not to hold an oil and gas lease sale in February.

Board members said the market is too depressed to make a sale worthwhile. There's no use putting our school lands at a cheap price to let the oil company profit still more because of their excess imports, said Gov. Daniel.

At least one large oil company has informed the state it may pay rentals on present leases of submerged land under protest pending outcome of a federal suit contesting state ownership of a portion of the tidelands.

### A CHANCE TO SPEAK—

Citizens in every county will be given a chance to say what kind of schooling is needed to equip Texas youngsters to live in a space age.

A school study committee set up by the last Legislature plans to ask local county committees to submit ideas. Called the Hale-Aiken Committee, the 24-member panel is made up of legislators and private citizens.

They've promised to heed the wants of interested citizens in the report they're to make to the next session. Already, there has been a large response.

Suggestions range from a "crash" program in science to cutting new building needs by using facilities 12 months a year.

Broad areas being explored in the study are (1) what to teach and for how long, (2) how to get teachers, (3) how to build buildings and (4) how to pay for it all.

### MONEY READY—

State Liquidator J. D. Wheeler

repeated an earlier statement that he is ready to start making payments of about 33 cents on the dollar to US Trust and Guaranty Co. creditors.

He's been ready since September, said Wheeler, but a court fight among creditors has blocked action. His statement apparently was prompted by legislative criticism of "too slow" liquidation proceedings.

### SHORT SNORTS—

Texas' January draft quota will be 493 men, highest call since August, according to state Selective Service Headquarters. This compares with a call of 340 for December. Also in January, local draft boards are to send some 2,000 men for re-induction examinations. . . Travis County Judge Tom Johnson is making another try at getting the state to pay cost of returning criminals from other states. Previous legislative and governor cold-shouldered his pleas. Records show extraditions cost Travis County \$1,117 in 1956. . . A 14-member citizens advisory committee named by Gov. Daniel will assist Texas Employment Commission in sorting out the various jobs of state employees.

Last regular legislative session authorized formation of the committee to develop an orderly classification plan based on actual duties and responsibilities.

## Grade School News

We are still in the moving process and getting adjusted to the new rooms. All of the second grade and two sections of the third grade have been moved into the new addition of the primary building. We are still moving books to the new building and making the needed changes in the two book rooms in the Hardin Grade School. It will take a while longer to get all of the changes made.

The Christmas spirit has been cropping in to the atmosphere the last few days. We will have the Christmas trees up on the 11th of Dec. and then we will be in full swing. We need to have a lot of work done and we must work very hard until we recess for the Christmas Holidays.

We are very excited about going to the Telephone office on the 12th of December. We are all very proud of the New Telephone system and do appreciate the kindness of being invited to see all the new equipment and how it works.

## Santa Claus Letters

Dear Santa Claus:  
I have been a good girl. Please give me a Cindy bride doll, percolator set, cover girl case and a doll carriage. I would like for my doll to have clothes and a trunk with her.  
Janice Cozby

Dear Santa Claus:  
I have been a good girl. Please give me a tiny tears doll, refrigerator, doll-e-bed, hi-chair and a tea set.  
Beverly Ann Cozby

Dear Santa Claus:  
Danny Curtis Cozby wants something for Christmas. Will you give him something to play with? I love you Santa.  
Janice Ellen Cozby

Modern Study Club  
Met Dec. 2 With  
Mrs. Johnny Crane

A regular meeting of the Modern Study club was held Monday, Dec. 2nd, 8:00 p. m. in the home of Mrs. Johnny Crane.

President, Mary Joy Hagstrom presided over the business meeting. Plans were made to take a Christmas basket to a needy family and a box of toys will be taken by Santa Claus. A discussion was held on the Christmas party to be held Saturday night, Dec. 14th at the home of Mrs. Bill Reasoner.

The United Finance of Wichita Falls showed an interesting film titled, The Littlest Giant. This was our program for the night.

Mrs. Bill Browning won the door prize.

The meeting was adjourned and very delicious refreshments were served to Mesdames Dede Smith, Jerry Thomas, Lee Bavolett, Donald Pemberton, Johnny Crane, Darrell Nichols, J. T. Reasoner, Billy Earl Askins, Bill O'Brien, Lloyd Potts, Randall Hudson, Jerry O'Mary, Bill Reasoner, Cliff Hagstrom, Ted Harris, Martin Wright and our Guest, Mrs. Bill Browning.

GIVE THE GIFTS THAT GO ON GIVING...

## ELECTRICAL GIFTS

for Better Living

You give year-around pleasure and convenience for your entire family when you give electrical gifts.

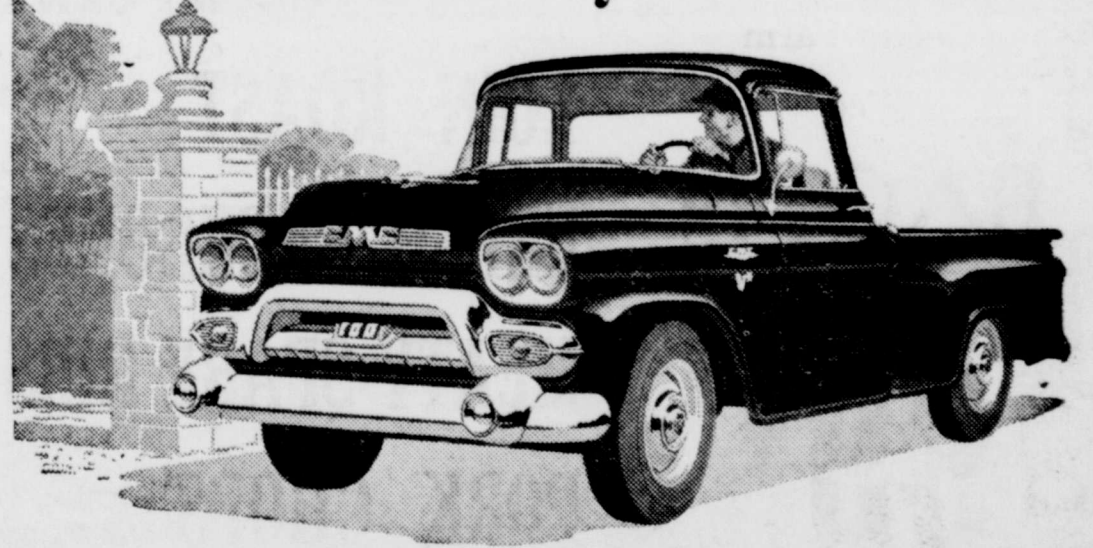

Electric appliances speed work around the house, add to the fun of living, help every member of the family every day. Whether it's a toaster or coffee-maker for Mother, a clock-radio for Dad or a portable TV set for the youngsters, you can be sure everyone else in the family will enjoy it, too.

This year, put electrical gifts at the top of your list. Make Christmas giving mean better living... electrically!

You'll find scores of useful electrical gifts on display at your electric appliance dealer's. See him about it soon!

**SECTION 8-3 NEWS**  
On Tuesday evening, Dec. 3rd, the 8th grade mothers met. Mrs. Lee Kennedy was elected general chairman of the 8th grade. Here are the following 8th grade chairmen:  
8-1—Mrs. Tom Holman  
8-2—Mrs. Francis Beavers  
8-3—Mrs. Carvil Good  
8-4—Mrs. Henry Maloney  
The Christmas party was planned for Dec. 13th at the Youth Center.  
The mothers were organized to plan the Christmas party and other activities for the school year.  
In 7-1 this week we have several students make the honor roll. We are very proud of them.  
In 7-1 it seems that everybody is waiting for Christmas. Each student is deciding what they want for Christmas.  
7-1 is planning their Christmas party. It may be at the Youth Center if they get it fixed in time. It will be on the 19 of December. We are going to draw names.  
**SECTION 8-2**  
8-2 is very proud to have two student council members to have made the honor roll every six weeks so far they are Bill Welch and Margaret Faulk

## Annual Christmas Party for H. D. Club Members

Wichita County Home Demonstration club members will meet in Electra next Tuesday, Dec. 10th for their annual Christmas party and installation service. This meeting will start at 1:30 p. m. in the Community center.  
Miss Fern Hodge, District HD agent from Vernon will install the new officers: Mrs. J. L. Graham, chairman; Mrs. R. J. Ring, vice chairman; Mrs. Ross Allen, secretary and Mrs. H. W. Krusemark, treasurer.

Pruning is done to maintain a well balanced tree that is easy to spray and from which fruit may be easily picked, according to B. T. Haws, county agent.  
A general rule for pruning bearing trees is to remove about one third of the current season's growth each fall, but this rule may be changed from year to year.

Before pruning this year check the bud set. If the fruit set is light, pruning should be done to thin the interfering limbs. Because of the heavy spring rains many fruit trees made a lot of growth this year and they will be in need of a pruning job.  
Check with you local county agent on pruning practices for your local area this year.

A soil test is the first step in getting your garden or lawn off to a good start next spring.  
Fertility, of the right kind and amount is necessary to keep lawn growing good and to grow good vegetables. This can be determined in a laboratory test.  
Taking a soil sample for testing to determine its fertility needs is easy, said B. T. Haws, county agent. If it is from a lawn dig about the first three inches of soil from about ten different places, mix them together and then take about a pint to be used for testing.  
If it is from a garden use the same procedure, but dig about the first six inches of soil, Haws said. One sample normally is enough for most lawns or gardens, but if the type soil differs from one part of the lawn to another a sample from each of the various types should be taken.  
A soil test cannot be used to determine whether a plant has died from root rot or some other disease, he said. Neither can the test be used to determine presence of soil insects or other effects not due to a lack of soil fertility. However, if samples are taken to help determine plant growth difficulties, complete information on how the plants have grown and symptoms of the disease should be included with the soil sample.  
After a soil sample is collected an information sheet should be obtained at the county agents office and completed to accompany the soil sample to the Soil Testing Laboratory at Texas A and M. College, or Soil Laboratory, Midwestern University.

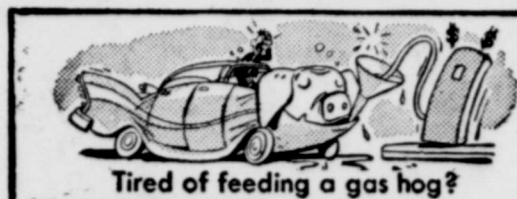

agent. If it is from a lawn dig about the first three inches of soil from about ten different places, mix them together and then take about a pint to be used for testing.

### REWARD

## News From The County Agent

The 1958 Farmers' Tax Guide is now available at the offices of county extension agents. It is provided by the Internal Revenue Service and should be a valuable reference book when the job of preparing income and social security tax return rolls around.

Crop stubble left on fields after harvest will provide food and cover for game birds and in many areas the practice is recognized as a good method for aiding the control of wind and water erosion.

B. T. Haws, County agent, says worthless trees along fence rows cause damage and loss of production to cash crops for the farmer. Trees have wide spreading roots that may reach up to 100 feet from the tree trunk. These sapping roots rob moisture from our cash crops.

Winter is a good time to chemically treat fence row brush.

Crystal windows for home — Wash windows with warm water and cut designs for star, tree angel and other Christmas symbols out of paper. Stick the paper to the windows with tape; cover the rest of the window with glue and while wet, sprinkle well with salt. Remove paper. Put electric light with colored bulb on windowsill. When lighted at night the light will shine in the open designs, and the rest of the window will sparkle like crystal.

To remove, wash window with warm water.

## University Study Club Met Dec. 4th With Mrs. J. D. Majors

The University Study club met in regular session on Dec. 4th in the home of Mrs. J. D. Majors. Mrs. O. E. Melton, president, greeted the one hundred percent membership. She presided over the business session which included the adoption of plans and projects for the Christmas season.

For the program on Safety Opportunities, Mrs. A. W. Newman, introduced a guest speaker, Mr. Richard Long of Wichita Falls. He spoke on insurance of safe driving. His subject was titled, Who Picks up the Ticket. The talk was quite informative and interesting. Mrs. Melton presented Mr. Long a gift of appreciation from the club.

Mrs. R. P. Reagan won the door prize. The hostess served a delicious coffee plate to the twenty members.

## QUESTION BOX

Q—Water seeps through one wall of our basement. We've been advised to dig down on the outside of the wall and give it a coating of tar, but have delayed doing this since digging would disturb a grouping of well-established shrubbery. Is there another way to stop the leakage?

A—Waterproofing agents are available today which can be applied to the inside of leaky basement walls. These generally do a good job, and would be worth trying in your case.

Q—I plan to enclose an open porch and hope to add a bedroom above it at a later date. Will 2 x 6 joists be adequate for the ceiling of the porch?

A—No. These would be fine if they supported only the porch roof and ceiling, but are too light for the weight of an overhead room. Use 2 x 8 joists for safe construction.

Q—We've used a lot of unfinished furniture in our home, putting it together and painting or staining the pieces in colors we like. Now we'd like to install some "built-in" closets, cabinets, and other storage units, but department stores don't seem to have what we want. Are such units available? If so, where?

A—Building material dealers carry as stock items many styles and sizes in cabinets of ponderosa pine that are ideal for built-in storage. These come K.D. (knocked down) and can be assembled with standard tools. The ponderosa pine is a clear-grained wood which takes stain or paint well.

Q—We're installing a water softener. Is it necessary to bypass the outdoor hose faucets with the soft water system?

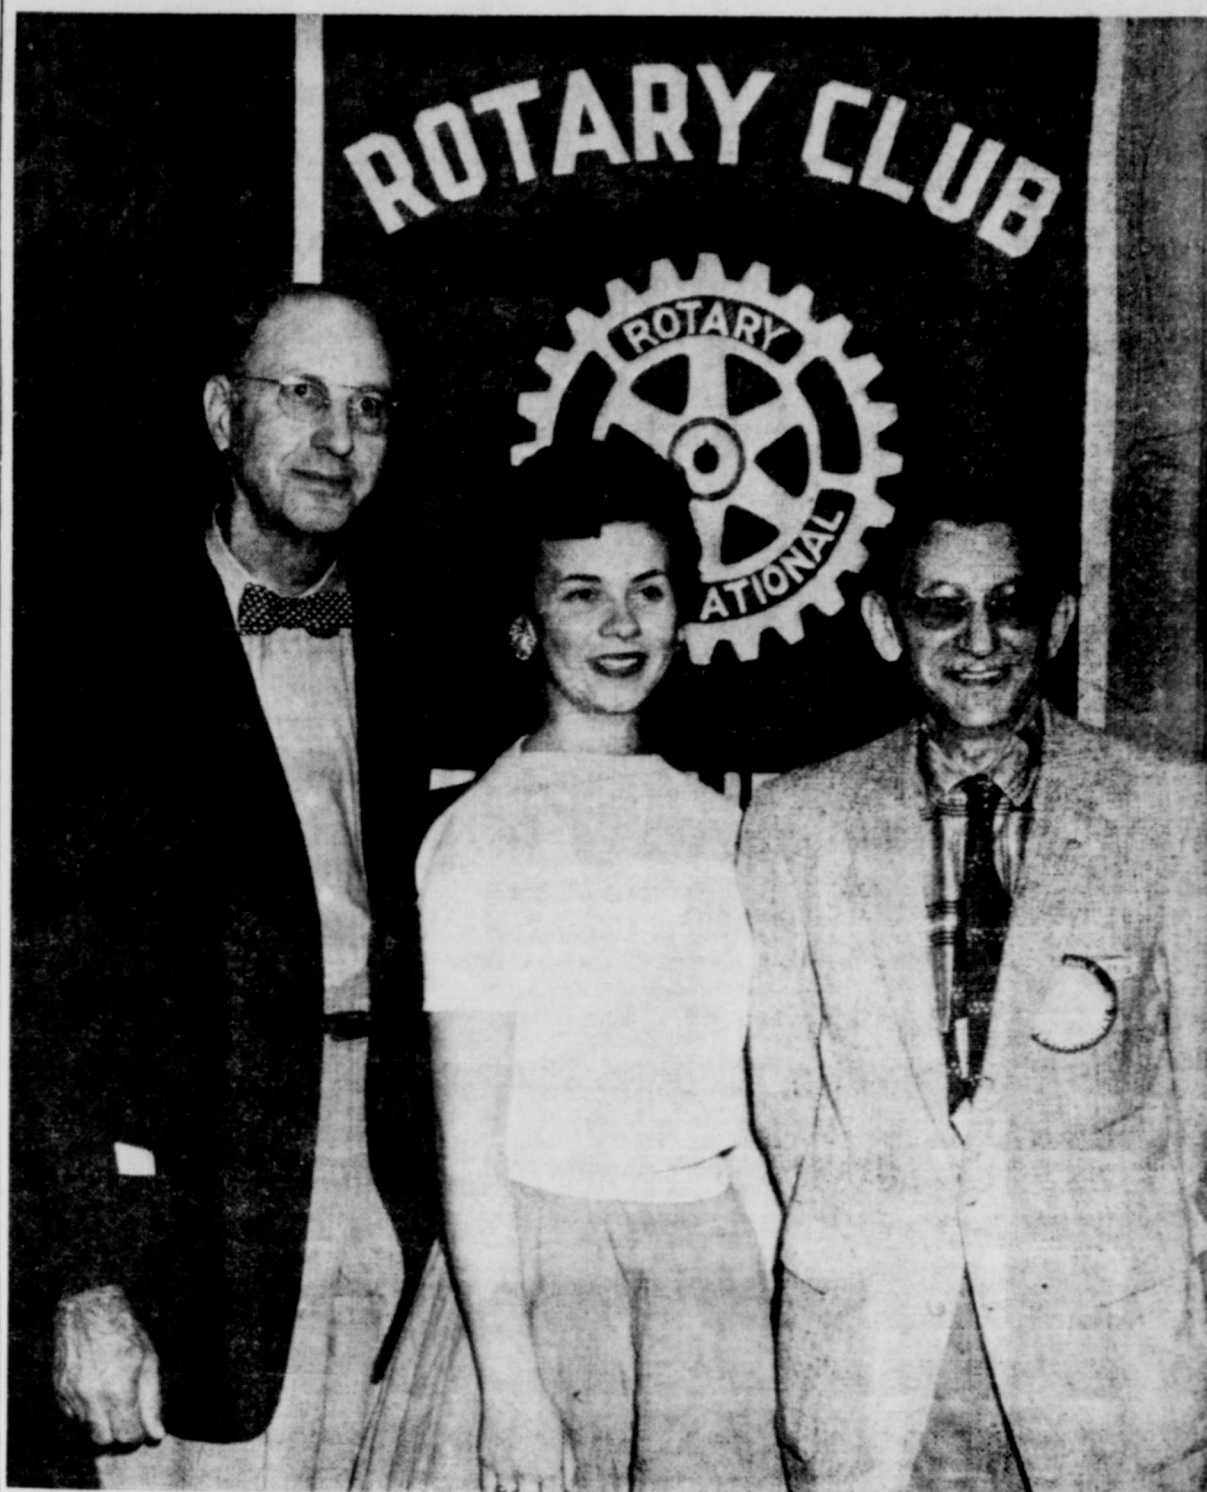

A—Yes, since sprinkling of lawns and flower beds with soft water would deposit sodium salts from softener in soil. In time, this could retard growth of plants.

Q—What's a good mortar mix for outdoor brickwork?

A—Use a type "B" mortar mix made from 1 part Portland cement, 1 part hydrated lime and not less than 5 or more than 6 1/2 parts sand. Type "B" masonry cement also is available. Mix this with 3 parts sand, 1 part cement.

Mr. and Mrs. Tommy Roe announce the birth of a new baby boy on Dec. 5th. The baby weighed 6 lbs, 8 1/2 oz. and has been named Donny Lowell.

## District Governor Speaks To Rotary Club

The Above picture was made during the recent visit of Mr. Truett Walton, Rotary Governor of District 579, to the local Rotary Club. Pictured left to right are: Mr. Walton, Miss Carol Benton, local club sweetheart and Morris Bookbinder, president of the local club.

## RALPH YARBOROUGH'S Report

Many Texans I have talked with in the past few days have expressed deep concern about America's failure in its first attempt to launch an earth satellite.

As I wrote in a recent report, I am among those who make no bones about the Russian's Sputnik as being one of the greatest applied science accomplishments of all history.

But I feel that none of us should be disheartened at the Vanguard rocket test failure. Competent scientists have explained to me that misfires should be expected in such complicated experiments. Work of this kind demands pinpoint precision and accuracy which almost defies description.

There is no telling how many technical and mechanical failures or setbacks the Russian scientists experienced before they found success with Sputnik.

The only real damage resulting from the Vanguard Dudnik, as someone has called it, was the administration's classic publicity fizzle. We must develop missiles from a scientific standpoint, not from a Madison Ave. publicity standpoint. The administration is publicizing our lack of scientific knowledge to the world.

Big money interests are as much to blame for the lag in the missiles program as the wrangling between the military services, the way it looks to me. The economic rivalry between major industries for missile contracts is every bit as serious as competition between the military services maybe more so.

But this is no time to become discouraged by experimental mis-firings. We need more concentration on scientific development and less on publicity. We need a do-it administration, instead of a mis-fire administration.

## Card Of Thanks

May I say thanks to each one for the nice cards I received and for the many visits and deeds of kindness extended me during my stay in the hospital and since I have been home.

Mrs. E. C. Hennis

Mr. and Mrs. Buford Lawson of Breckenridge, Colo., are the proud parents of a baby girl born Saturday, Nov. 30th at St. Vincent's hospital. She weighed 6 pounds, 13 1/2 ounces and has been named Delaina Sue. The Lawsons are former residents of Burk Burnett.

# CHRISTMAS

## Greetings

... Burk Burnett Business and Professional Firms will appear in the Star next week, December 19th.

1957

Have a happy Christmas — one you will remember in days to come.

Merry Christmas

... have hundreds of beautiful ads to choose from—all sizes. Pick yours out early. Get exactly what you want. We certainly don't want to overlook any one, but just to make certain your greeting is included in the Christmas Issue, CALL US. JO-9-2191.

### Wesley Bible Class Christmas Party Was December 4

The Wesley Bible Class of the Methodist church held their annual Christmas party Wednesday evening, Dec. 4th in the beautiful new church parlor. Cut flowers and potted plants were used for decorations along with a beautifully decorated Christmas tree.

The meeting was opened by the group singing, Joy to the World, followed with prayer by Mrs. Hettie Gilbert.

Mrs. B. N. Cauthorn had charge of the program for the evening and also gave the devotional. She told of an Old Cobbler, which pointed out that in looking only for the big events in life, a great many times we miss so many of the great blessings of life.

Mrs. O. E. Melton read a Christmas Story entitled, Twin Christmas story entitled Twinkle by Harold Bowman. The group sang several Christmas carols.

Mrs. H. R. Hayes, president of the class, conducted a short business session. Minutes of the last meeting were read and approved.

Upon the arrival of Santa, a gift exchange was held. The part of Santa was very ably played by Mrs. Bertha Majors.

Mrs. Hettie Gilbert was a special guest for the evening.

Delicious refreshments were served by the hostesses Mesdames F. T. Felty, George D. Scruggs, A. R. Bunstine, Bertha Majors, D. C. Dodson, J. H. Brumley, H. R. Hays, Beulah Hall, Paul Browning, Tom Harms and B. N. Cauthorn.

### Circle 2, WSCS Met With Mrs. Newman

On Tuesday, Dec. 10th, Circle 2, Woman's Society of Christian Service, celebrated the birth of Christ with worship, fellowship, love offerings and gift exchange. The meeting was held in the home of Mrs. A. W. Newman with Mrs. Bill Haws assisting.

Mrs. Blake Browning, Circle leader, presided during the business session. The program was opened by Mrs. O. E. Melton reading Luke's account of the birth of Christ. Then, each one present gave one or more memorable Christmas-time experiences; the glad ones and the sad ones were all wonderful to share. Mrs. Bill Haws read The Stranger and the Star by Vivian Laramore Rader. The singing of Silent Night closed the program.

The fun of the gift exchange was enjoyed by all, knowing that each gift was filled with love for one another.

Delicious Christmas refreshments were served to the following: Mesdames Gragg, Beulah Hall, Jesse Jones, B. H. Alexander, J. P. Lawler, O. E. Melton, Oscar Melton, J. H. Rigby, W. H. Holt, Howard Henderson, Blake Browning and the hostesses.

Hugh Fewin visited Mr. and Mrs. Bill Browning last week. Hugh has just recently completed his Army Training and was on his way to Houston to work as an engineer for the Chicago Steel and Bridge Co.

### Texas Almanac Now On Sale

In a swift-changing nation, Texas is setting pace in economic expansion, according to facts and figures presented in the Texas Almanac for 1958-59, which has just been published by the Dallas Morning News.

Most striking has been the development of manufacturing. In the eight years, 1949-1957, the net annual value of Texas manufactured products increased from \$1,814 million to \$3,991 million. Even discounting for inflation of values this was an increase of about 60 percent. In the 18 years, 1939-1957, net value manufactured products increased from \$499 million to \$3,991 million.

The expansion of Texas banking, insurance, distribution, transportation and general commerce has been greater in recent years than in any other period of Texas history, as shown by many pages of concrete data.

The Texas population increase 1950-1957, has been even more rapid than during the census interval, 1940-1950. In the absence of an official census since 1950 the Texas Almanac uses the official estimates of the Bureau of the Census and its own formula based upon scholastic population increase as shown in individual counties, cities and towns.

The state's population increased from 7,771,194 in 1950 to 9,127,000 in 1957, with some counties, cities and towns showing more than 50 percent increase. Farm population continues to decline in relation to the population of the entire state but in less degree than during the 1940-1950 census interval.

The more than 700 pages of the volume bring up to date information on every aspect of Texas' economic, political and social activity, including latest data and historical reviews of the past.

Included are natural resources of all kinds with especial emphasis on Texas water resources and problems of water conservation.

In the pages of the volume are found recent developments and historical matter on government education, politics, civic activities, developments and recent legislation.

All articles on counties, cities and towns are completely revised including maps.

The 1958-59 Texas Almanac is the most compact, comprehensive edition ever printed.

### KITOWA CAMP FIRE GIRLS

The Kitowa Camp Fire girls met at the Camp Fire cabin recently with their leaders, Mrs. Robert Beavers and Mrs. Bill Halsey. Roll call was answered by Linda Beaver, Carlis Fisher, Lynn Halsey, Patsy Koenig, Jean Page, Gilda Potter, Joy Roberts, Kay Stubblefield, Vicky Turner and Elizabeth Wooten.

The girls finished making little booklets for a nursery school. Refreshments were served by Jean Page and Gilda Potter. Elizabeth Wooten, Reporter

## REWARD

## Homemaking Hints

Without the aid of a fairy Godmother or mystical Genie, you can change from a harried housewife into an efficient, modern homemaker this Fall. First step is to take a mental inventory of your daily chores and apply some time-saving methods to old routines. Don't be afraid to let your family pitch in. More than likely your children would be delighted to help in the kitchen. Drying dishes won't seem half so disagreeable if occasionally you let them help prepare simple desserts and sandwiches. For laundry, shopping and serving meals, a rolling cart, or table is a must for saving unnecessary steps. Use a stool or chair with a back support for washing dishes, peeling vegetables or ironing. Waste-paper baskets and laundry bags belong in every room. A timer used for cooking will leave you free for another task while the cake is baking.

chips, pretzels, sandwich spreads, olives, pickles and cheeses should enable you to serve on a moment's notice.

To save time and trouble, try choosing fabrics for rugs and upholstery and drapes that are easy to maintain and require little care. Many modern fabrics resist stains and clinging dust particles. Curtains and draperies now give ease to your washday as well as beauty to your windows. Modern fabrics such as Fiberglas enable you to wash

**WASH** . . . . . it's a good idea to keep a pantry shelf well stocked with quick snacks for unexpected guests. Crackers, meiba toast, potato

**DRIP DRY** curtains in a matter of minutes, let them drip dry over a shower rod or line, and rehang them at your window with absolutely no ironing.

## What Makes You The World's Best Shopper?\*

\*IT'S THOSE CLIPPINGS IN YOUR HAND!

It's a fact that American women are the most qualified shoppers in the world. Because of the intensity of newspaper advertising, American women have more information about more products, and so can compare value and price to get the most for their money. The largest single advertising voice in our country is the local newspaper. And what's more, take it with you when you shop. Or you can clip the ads out, as reminders to you to take advantage of the bargain you read about.

SHOP THE STORES THAT ADVERTISE IN YOUR HOMETOWN NEWSPAPER!

TEXAS PRESS ASSOCIATION

17 AN ANTONIO STREET AUSTIN, TEXAS

EFFECTS OF STEEL reinforcement are shown clearly in these wall panels tested under high pressure during the current atomic tests in Nevada. The eight-inch brick wall at left was unreinforced, while the other brick and tile walls of the same thickness were reinforced with quarter-inch steel rods, and survived the atomic blast intact. A 26 x 32-foot windowless brick structure, adaptable as a school or utility shelter, also was undamaged even though it was exposed to blast pressures five times those for which a house is normally built. (NTO Lockheed Mountain Lab Photos)

### Mail Early For Xmas

"The mounting volume of Christmas mail makes it more important than ever for everyone to 'Mail Early for Christmas,' according to the Burkburnett Postmaster.

He said the volume of mail in the local post office was running ahead of the record volume of last Christmas and the experience gained in that rush causes him to urge local patrons to get the cards and packages in the mail now.

The Postmaster explained that the Post office Department is making every effort to move the biggest volume of mail in history on time, but public cooperation will be a big factor. The Department has arranged for extra employees and is poised for an all-out effort at keeping the mail moving.

If an even flow of the mail can be achieved, the public will benefit, the Postmaster declared, through better service and less cost.

The postal patrons can cooperate in these ways, he explained. Mail early in the month and early in the day. Wrap packages securely with sturdy materials. Address plainly and completely using zone numbers for addresses in larger cities. Always include your return address. Mail Christmas cards now.

The Postmaster recommended sending cards with first class postage for preferential handling & where forwarding is desired. Christmas cards larger than 9" x 12" or smaller than 2 3/4" x 4" must carry first class postage because they require hand canceling.

### DEN THREE

Den Three met Dec. 4th at the home of Mrs. J. B. Ellis for their weekly meeting. More time was spent on the burro-meters. One member, Bill Black, was absent due to illness. Gary Stubblefield furnished refreshments which were served to Peter Glover, Gary Stubblefield, Wesley Ellis and Ernest Harris.

Ernest Harris,  
Keeper of the Buckskin

Next total eclipse of the sun will be Oct. 12, 1958.

### Lowanna Horizon Club

Members of the Lowanna Horizon club held workshops Nov. 11th and 18th in the home of their advisor, Mrs. Walter Riley. Their Christmas project for 1957 was begun with the cutting out of familiar Christmas characters to be mounted on wood and placed on the Hardin Grade School grounds.

Prior to the workshop on Nov. 11th, a brief business meeting was held, during which the members voted that the club would hold a membership Christmas decoration contest, with the group as a whole choosing the winning door, window and yard decoration. At the Nov. 18th workshop, it was announced that \$45.00 had been given the girls to assist on their projects by the Burkburnett Garden club, sponsors of the Red Bud Garden club, a unit of the Horizon club. Charlott Wallace, treasurer, gave a report on the balance on hand from the candy sale. The annual Christmas party for the club was planned to be held Dec. 18th. Names will be drawn for exchange of gifts at the Dec. 9th meeting.

On December 2nd, the Lowanna girls held a business meeting in the home of their advisor, Wendlyn Goins was welcomed into the group as a new member. Christmas carols to be sung at the Mother-Daughter Tea Dec. 5th were practiced. After refreshments the group went to the home of Mrs. Dorothy Wilson, 103 Harriet Drive, where they taught her camp fire group several songs.

The final coating of plastic varnish was applied to the Christmas outdoor figures by the Lowanna Horizon club members at their meeting Dec. 9th. After applying the varnish, the girls glittered the decorations. A report was made to Mr. Newman, City Manager, who is cooperating with the girls on the project by arranging for the necessary floodlights. Plans were completed for the group's Christmas party to be held Wednesday, Dec. 18th. Refreshments were served members present by Irma Ned Riley, hostess.

Edward VIII abdicated the British throne Dec. 11, 1936.

### Texaco Employees In Safety Meeting

Supervisors, safety meeting chairmen and secretaries from Texaco's Wichita Falls District Producing Areas and Electra Gasoline plant met in Wichita Falls on Dec. 3rd for an 11th annual school for Safety Meeting officers.

R. C. Gray, Ft. Worth, Zone Safety Engineer, instructed in the principles and art of conducting safety meeting for field employees.

Chairmen and secretaries attending, recently elected by their fellow employees locally, will take office in January and serve in conducting monthly field safety meetings during the year of 1958.

They include: W. A. Magee, chairman and B. J. Hill, Secy. from Olney; C. N. Adams, chairman and Secy., J. G. Bowlin from Breckenridge; W. T. Davidson, chairman and R. E. Dunham, Secy. from Burkburnett; G. W. Choate, chairman and W. A. Cravens, Secy., from Gainesville; W. O. Ellis, chairman and K. L. Warren, secy., from Abilene; W. A. Thienes, chairman and J. B. Jones, secy., from Nocona; R. G. Hamilton, chairman, B. D. Pohlman, vice chairman, and W. L. Schopf, Jr., secy., from Electra; and J. C. Moran, chairman, H. R. Hayes, vice chairman, and R. L. Beavers, Secy., from Gasoline plant at Electra.

### Mrs. Ann Paul Ragan Hostess Dec. 5th To Fashion Rose Club

The Fashion Rose Garden club met Dec. 5th in the home of Mrs. Ann Paul Ragan.

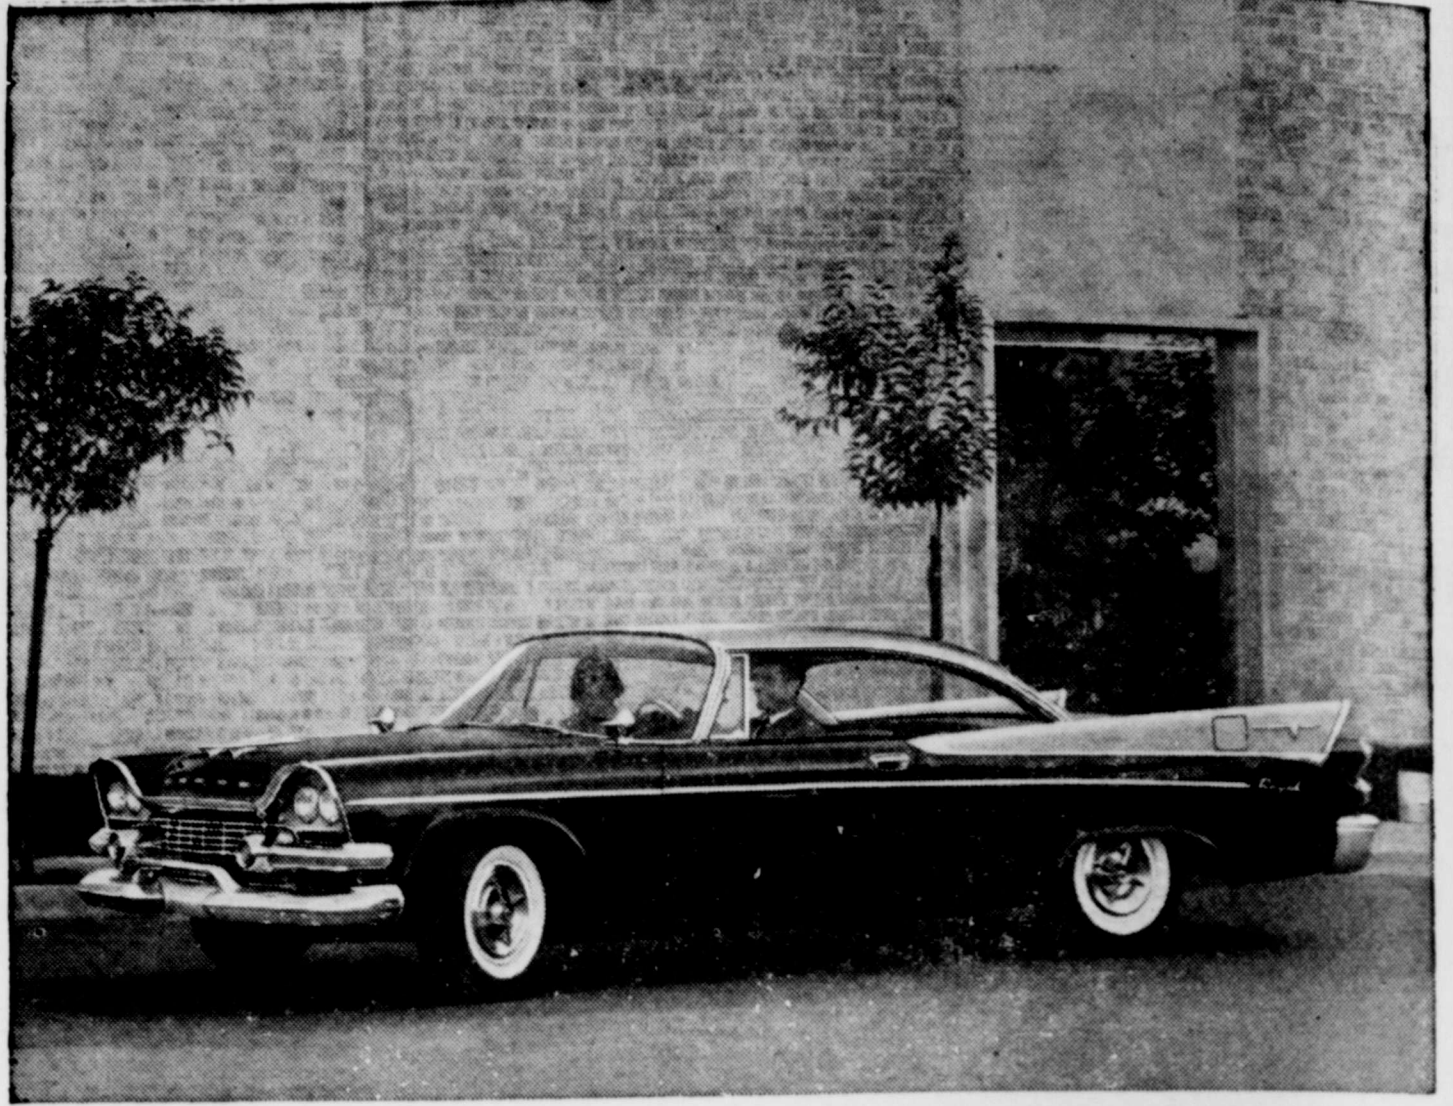

Roll call was answered with My Favorite Christmas Carol. The program was a very interesting workshop on making Christmas candles.

Handmade Christmas gifts were exchanged at this meeting. The door prize was won by Mrs. Edith Viavattene.

Each member brought different items to make up a Christmas basket to be given to a needy family.

Delicious refreshments were served to Mesdames Anita Bangs, Norene Brister, Geraldine Burton, Mildred Foyce, Joanna Kennedy, Opal Kennedy, Georgia Logan, Ruth McBride, Anne Paul Ragan, Frances Sprague, Edith Viavattene, Mary Ruth Westbrook and Carol Blakenish.

The next meeting will be in the home of Mrs. Mildred Foyce.

"ALMOST, BUT NOT ENOUGH" is our verdict on how close competitive cars have come to matching the Swept-Wing '58. Take style. Other new cars are "almost" as low in inches, but still seem high and boxy in looks. Some of them are "almost" going to fins, but not enough to really make a difference. Then take performance. None of the

other 1958 cars have anything to match the sway-free, dip-free, vibration-free ride of Torsion-Aire. (It's standard equipment.) Most of them still don't even have push-button driving! So after you've seen the "almost" cars, come in and drive a Swept-Wing '58. You'll see why we say: They're catching on, but they can't catch up.

See the Swept-Wing '58 Dodge at Burkburnett Motors  
401 East Main St.  
Burkburnett, Texas

### Safety Suggested For Christmas

"Today is the day to prevent an accident—not tomorrow."

J. O. Musick, General Manager of the Texas Safety Association, issued these words of caution today to Texans, regarding Christmas tree decorating safety.

"Most of us make special efforts to see that our homes are filled with pleasure during the Christmas season.

Why then, Musick asked can't we go a step further and make sure our holiday spirit isn't accidentally marred through carelessness in decorating our homes?"

Musick pointed out that it takes less than 60 seconds for the average Christmas tree to burn completely.

You have probably seen a Christmas tree burned outdoors, he said. The roar and power of that fire are awesome, even when under control. It can bring death and terror into a home unless a few common sense precautions are taken.

To reduce the possibilities of such an accident to minimum, Musick listed the following "musts" for safe decorating.

1. Keep tree outside until ready to set it up; then erect it away from heating units. Never place it so that it will block an exit.

2. Make a fresh cut diagonally in the trunk, at least one inch above the original cut, and keep the base in a water-filled container during the holidays.

3. Anchor your tree firmly at both the top and bottom. Do not try to fireproof your tree with chemicals. Use non-flammable decorations.

4. Keep lighted candles away from tree or other decorations. Use only Underwriter approved lighting, checking to make certain all sockets and wires are in good condition.

5. Turn off tree lights at bedtime or when away from home.

6. Clean up after Christmas gift opening — scattered wrappings are an invitation to disaster.

7. Dispose of tree safely; never burn it in the fireplace.

Remember, Musick concluded, keep your Christmas a bright one, with happiness not with fire.

### Mr. Hugh Fry Winner Of Study Club Award

Mr. Hugh Fry of Devo, Okla., was the lucky winner of a doll and wardrobe which was given away Tuesday, Dec. 10th by the Burkburnett Study Club. Little Alta Gale Holden of 125 Ave. D. drew the winning ticket from the box.

All proceeds will be used for charity projects in Burkburnett.

### TELEPHONE GIFT SERVICE

Comfort, convenience, and security — you give a three when you give a telephone. Why not give additional telephones this Christmas? For mother, dad, son, daughter, grandpa or grandma, for friend — to be used in the kitchen, bedroom, playroom or workshop. Here's a gift that rings the bell the whole year through.

Our special gift plan includes a small gift box containing a gift card with a miniature telephone attached. Installation of the service will be made where and where you want it. May we suggest a color telephone, extension telephone, illuminated dial set, wall set, amplifying set or other service to fit a particular need.

Don't forget those nice decorator colors to harmonize with your home or office furnishings. Call the Business Office, JO-9-2291, today.

### "MERRY CHRISTMAS, MOM!"

Christmas is one of our busiest times during the year.

On a day as special as this one, it gives us a feeling of satisfaction to know that so many people reach for their telephone to wish one and all a Merry Christmas, even though they might be hundreds of miles apart.

Since switchboards are always busiest at this time of the year, there may be some delays, but there are several ways you can help us get your calls through faster.

First of all, your Long Distance calls will go through twice as fast if you call by number. And, too, it's best to place your calls as early as you can — a day or two before the holiday, if possible.

If your call is delayed, it won't be necessary for you to check back — in fact, this may even cause further delays. You can be sure the Long Distance operator will complete your calls as quickly as possible.

### HAPPY HOLIDAYS

Speaking for all of us at the telephone company I'd like to say we hope you have a very Merry Christmas and a happy holiday season.

Call by number. It's twice as fast.  
SOUTHWESTERN BELL TELEPHONE COMPANY

### Randlett News

The Daisy club met Dec. 3rd. at the home of Mrs. John Martin Sr. The meeting was called to order at the regular hour. The lesson from the book was postponed until the second meeting of the month. The afternoon was spent in quilting a quilt for a recent bride, Mrs. Bonnie Ruth Hise, and piecing blocks for another quilt. The white elephant prize was drawn by Mrs. Betty Vache. Next meeting will be Dec 17th at the home of Mrs. W. R. Baldwin at which time the Christmas grab bag of \$1.00 will be held and also a drawing for a quilt. Refreshments of pops and cookies were served to the following. Mesdames C. H. Thompson, J. C. Goode, Blanche Solomon, B. B. Menz, W. T. Mills, Ruby Hooper, Nomie Wilkinson, Paul Hooper, John Martin, Jr., Betty Vache, F. E. Eastman, C. O. Wilson, N. R. Kirkpatrick, W. R. Baldwin, John Martin, Sr., and seven children.

Mr. and Mrs. R. H. Rhoads and family visited Mr. and Mrs. Clifford Rhoads and daughters of Comanche Sunday.

Mrs. Paul Bridges and daughter Carol visited Mrs. F. W. Linkugel in Temple Monday.

Mr. and Mrs. J. W. Hicks and son Lloyd of Burkburnett visited Mr. and Mrs. W. J. Morrow Sunday.

Mrs. R. L. Eastman suffered a sprained ankle at her home Friday.

Mr. J. F. Eastman and son Eddie of Burkburnett visited Mr. and Mrs. Fred Eastman Sunday.

Roy Braden spent Friday and Saturday in the Baylor hospital in Dallas.

Mr. and Mrs. H. W. Black of Abilene visited Mr. Charlie Knowlton Saturday and Sunday.

Mr. Tud Capps of Okla. City spent the weekend with his mother, Mrs. Alma Capps.

Mr. and Mrs. A. J. Turner returned home last Friday after six weeks visit in Alabama and Georgia.

Mr. and Mrs. Fred Spoon are reported ill at their home.

Mr. and Mrs. Ted Fowler and son Don and Mrs. J. C. Fowler visited Mr. and Mrs. Otis Fowler at Pampa over the weekend.

S-Sgt. and Mrs. Maurice Brown and Mr. and Mrs. C. O. Wilson visited Mrs. L. O. Wilson in the Frederick hospital Sunday.

Eugene Elliott of Wichita Falls spent Monday night and Tuesday with his mother, Mollie Elliott and David.

Mrs. Blanche Solomon visited Mrs. John Solomon of Wichita Falls Saturday.

Mr. and Mrs. Elmer Fisher of Okla. City visited Mr. and Mrs. Jay Pruett and Mr. and Mrs. Jewel Hayes over the weekend. Mrs. Fisher was given a birthday dinner Sunday.

Mr. Dennis Ledford of Chickasha visited Mr. and Mrs. C. B. Ressel Saturday.

Mr. and Mrs. Frank Reynolds and son Francis of Milwaukee, Wis., visited relatives here last week.

Mrs. Linda Foster of New York is visiting her sister, Mrs. Zena Farris.

### DEN ONE

Den One held their regular meeting, Dec. 4th. We played games outside and when we came in we made Christmas presents for our mothers. Those present were Charles Herring, Jimmie Alvey, Mark Glandon, Rudy Robinson, Oliver MacDonald, David Mahaffey and Jimmy Creel. Jimmie Alvey served the refreshments. Jimmie Creel, Keeper of the Buckskin

### Card Of Thanks

I wish to express my heartfelt thanks to all who extended comforting sympathy and help in my recent sorrow. For the beautiful service, floral offerings, and other kindnesses, I am deeply grateful. Mrs. M. J. Grove

**Across The Counter**

Cliff Wampler

"You don't have to talk so hard about the advantages of ample liability insurance" said a newcomer in local business. "I'm sold permanently."

Being somewhat surprised at his attitude, I asked him why he felt so strongly about it.

"About a year before I came to Burkburnett, I owned a motel in a neighboring state. One day a small girl, staying at the motel, accidentally fell against a 'neon' sign tube while she was playing. The gas inside the tubing burned her hand severely. She required months of hospitalization, and even plastic surgery.

"Her parents sued me for \$50,000. I was scared because I only had \$15,000 limits in my liability policy. Luckily, the insurance company settled the case out of court for \$6,700 plus legal costs. I immediately increased my policy to \$50,000 limits. It only cost \$11.02 more in premium.

"So, you can understand why liability insurance does not owe me anything. It's more than paid its cost from here on out. All I insist on is a strong company and high limits."

Perhaps you can profit by the lesson he learned. Having seen liability insurance "WORK", he is convinced of its value.

May you discuss the proper LIABILITY protection with you?

Telephone JO-9-3161

All Region band members were selected from 25 participating bands in region XIV. The 82 piece band selected rehearsed in the afternoon and presented a concert in the M. U. Ballroom at Midwestern University, Thursday, Dec. 5th.

### Builders Class Met Recently In Home

The Builders class of the First Baptist church met in the home of Mrs. Matt Riley recently for an all day program and social.

The following program was given: Song, I Need thee every Hour; prayer by Mrs. H. S. Van Cleave, Sr.; Devotional, Mrs. C. M. Moore; Christmas Story, A Glass House, Mrs. A. H. Lohofener; prayer, Mrs. C. O. Walling.

Mrs. W. B. Griffin was elected assistant secretary to fill the unexpired term of Mrs. K. L. Harris who is ill.

Twenty-two members and two visitors were present. Those attending were: Mesdames C. O. Walling, W. B. Griffin, Flora Bentley, H. S. Van Cleave, A. H. Lohofener, Sally Riley, Matherly, R. E. Carnes, R. N. Germany, J. R. Woods, Hattie Buchanan, J. H. Ferguson, Miss Bessie McKnight and the reporter, Miss Oma VanCleave.

### Card Of Thanks

Words cannot express our heartfelt thanks and appreciation to all our dear friends and neighbors for their kindness during the sickness and death of our loved one. For the nice food, floral offerings and other kindnesses, we are deeply grateful.

The Farris Family

### Classifieds Don't Cost They Pay

Mr. and Mrs. Bobby Ivey are the parents of a new baby girl born Thursday, Dec. 5th. The baby has been named Bobbie Jean.

M. C. Tucker was admitted to the General hospital this week.

### DEN TWO

Den Two held a regular meeting at the home of Mrs. Layden mother. All cubs made and sang
