NUMBER 52

United Super Market Held Formal Opening Wednesday

Mr. Kenneth Palmer has been manager of the United Super Market here for the past six years. Before coming to Burkburnett, he was employed at the United Super Market in Vernon. Mr. Palmer served two years in the army during World War

Doors to the new United Super Market swung open at 9:00 o'clock Wednesday morning to mark the formal opening of the business, located on Sheppard Road at Tidal Street. Great throngs of people were in and out of the store all day. At times all the parking spaces around the store, and all those on adjoining streets, were occupied. The spacious new building, with all new fixtures throughout, was a sight to behold. All merchandise, sparklingly new, was conveniently displayed on either side of roomy aisles for ease of shopping.

Mr. H. D. Snell Jr. of Vernon is owner of a chain of nine United Super Markets in Texas. Stores are located in Vernon, Childress, Burkburnett, Lubbock, and Andrews. The main office is located at Vernon.

Landowners Complain About Dove Hunters

Farmers and ranchers in this area are complaining about a few dove hunters who are observing the law in that they do not ask the owner for permission to hunt on his place. A few grass fires have also been started by careless hunters. Grass, weeds and other vegetation is unusual this year, adding to the great danger of fire. Landowners, as a whole, are quite generous about letting hunters hunt on their property. A thoughtless or inconsiderate hunter would be a detriment to the situation very unfavorable for everybody concerned.

A few precautions on the part of hunters can make the difference between a safe hunt and a dangerous one. Be sure you have permission to hunt on the land; do not shoot toward livestock houses or barns, and do not shoot toward another hunter; watch out for fires; everybody will be happy.

Notice

Frye-Vaughn Post No. 264 of the American Legion will hold memorial services for R. E. Frye and Hal Mabry at 8:00 p. m. Sept. 4 at the Legion Hall. The public is invited to attend.

An average man would say you criticized his morals in driving.

Enrollment in Burkburnett Schools Opening Day, Monday September 22

MARY BUILDING	332
EDIN GRADE SCHOOL	531
WICHITA HIGH SCHOOL	243
WICHITA JUNIOR HIGH SCHOOL	406
WASHINGTON SCHOOL	1512
TOTAL ENROLLMENT	63
At a check at the schools Wednesday revealed that students are still enrolling at all schools. Supt. I. C. Evans expects the enrollment to continue for several days.	1575

Cotton Premium Awarded At Burk

First bale of Texas cotton was ginned at Burk Friday. Boyd Gilbert, who farms 14 1/2 miles northwest of Burkburnett, collected the \$25 premium offered by the Burkburnett Chamber of Commerce. The 517 pound bale tested middling 15-16. Seed weighed 1,090 pounds. First bale for Burkburnett came from Buddy Reese of Temple, Okla., last week. He also received a \$25 premium from the Chamber of Commerce. Farmers Co-op Gin handled both bales of cotton free of charge.

Mr. and Mrs. S. J. Moreman and Mr. and Mrs. S. J. Moreman, Jr. of Palestine, were weekend visitors in the home of Mr. and Mrs. C. A. Moreman. They were on their way home from Midland, where they attended the wedding of S. J., Jr., and Miss Mollie Ray on Aug. 26th.

Bill Turnbow To Play Again For Texas Tech

New positions await many of the 62 Texas Tech football candidates who began fall workouts Monday. To distribute the 22 returning lettermen as effectively as possible, Coach DeWitt Weaver and his staff have made several position changes. Only 10 of the lettermen were linemen, just two of them guards.

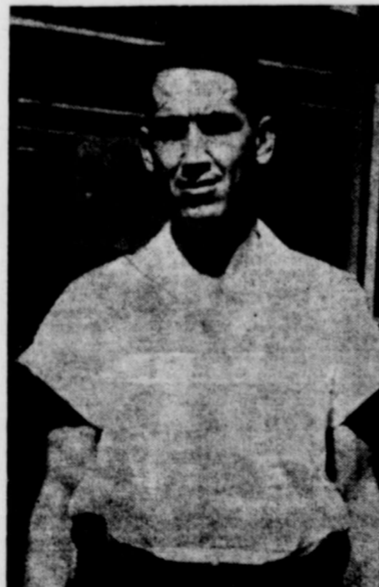

A tentative move sends junior Bill Turnbow of Burkburnett from center to left guard. That switch is possible due to the showing of sophomore E. J. Holub of Lubbock for last fall's freshmen but isn't definite because the only letterman then would be Jackie Henry of Floydada, who underwent a knee operation after spring training.

Tech, 2-8 last year, begins its schedule against Texas A and M in Dallas Sept. 20. The Raiders will not compete officially in the Southwest Conference until 1960.

Card Of Thanks

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings and other kindness, we are deeply grateful.

The Family of Mrs. Laura Lee Cook

Mr. Cloyd Adams came to Burkburnett from Vernon approximately one year ago and has been in charge of the meat market since that time. Prior to moving to Burkburnett, Mr. Adams was also employed at United Super Market at Vernon. Mr. Adams is married and has 3 children.

Card Of Thanks

To the members of the Burkburnett, Grandfield, Temple and Walters Fire departments, and all the citizens of the Randlett community who participated in extinguishing the blaze which burned out a section of town, the Pattersons are extremely grateful since we were in a direct line of the fire and very near it. Our homes were saved by the quick action and cooperation of our neighbors and friends who were near by.

The Pat Pattersons

"Hooney" Thaxton Winner of Cash Award In Contest

Salesmen at the Mathis Chevrolet Co. of Burkburnett recently participated in a May-June car selling campaign. Salesmen and the dealership work together gaining points to compete with other dealerships of approximately the same size all over the state for spurt awards.

When a dealership wins one of the spurt awards, then their salesmen compete individually for cash prizes in a jack pot award. Mathis Chevrolet Co. was winner of one of the spurt awards and one of their salesmen, H. S. "Hooney" Thaxton, was winner of a cash award of \$800.

Scouters Roundtable Met In Burkburnett Tuesday, Sept. 2nd

Scouters from the Comanche District met in Legion Hall here Tuesday night for roundtable talks and discussions. John Durham is district chairman. More than thirty attended this planning meeting.

Jack Alexander and Harry Dodson, co-chairmen for the annual finance campaign are mapping strategy for the October drive.

Rust comes off knives quickly if you stick the blade in an onion for half an hour before washing and polishing.

Mr. Thaxton sold 31 cars in the two months period.

Fund Started to Purchase New Resuscitator for Fire Dept. Use

The Lions Club started off the fund to buy a new resuscitator for the Burkburnett Volunteer Fire Department with a \$50.00 contribution. R. P. Reagan followed with \$2.50, Morris Simonson with \$3.00. The fund, just started, now totals \$55.50.

The machine costs a little over \$600.00. With all the life saving features this machine has, it would be a wonderful addition to the equipment used by the fire department in trying to save lives. It is felt certain that clubs and individuals will be glad to make the necessary contributions for such a worthy cause. It has been suggested that each one paying his water bill might want to make a contribution toward the machine.

Any one wishing to make a contribution may leave it at the City Hall or give it to any fireman.

Randlett Fire Damage Heavy

An exploding kerosene stove in the home of Mr. and Mrs. Monroe Mays of Randlett caused the worst fire in the history of the small Cotton County community Tuesday. The fire did an estimated \$21,000 damage.

Fire broke out at approximately 10 a. m. in the main street residence of the Mays and quickly spread to a neighboring building.

Residents and firemen who battled the blaze stated that flames engulfed the Randlett Masonic Lodge, barbershop and one small unoccupied office at the rear of the Masonic building in a matter of minutes.

Firemen from Grandfield, Walters, Temple, Burkburnett and volunteers from Randlett battled the blaze until approximately 1:30 p. m. when it was brought under control.

Mrs. Mays was alone in her home when the kerosene stove exploded causing the blaze. Mrs. Mays escaped without injury. The Masonic two-story building was unoccupied at the time of the fire and firemen reported no injuries.

A strong southerly wind kept the flames from crossing the street into two Randlett grocery stores, Horton and Pruett groceries.

Estimated cost of damage to the Masonic Lodge Hall was estimated at \$15,000 not including the house which was estimated at \$6,000.

A. S. Nason, director of the town board and resident of Randlett since 1910, said, "This is certainly the worst and most costly fire that we have experienced in our community since I have been here."

Monroe Mays, a handyman, suffered double damage in the destruction of his home and a small house trailer parked near the house. Mays stated that he lost three electric refrigerators, two air conditioners and all his clothing and furniture in the blaze.

After firemen had extinguished the flames, a Cotton County wrecking crane was brought to the scene where it felled the remaining charred wall of the Masonic Lodge.

Arthur Houser Back In Burk

Dalhart, Texas

Dear Burk Star:

How's everything in Burk? I'm getting along ok and will be back home on Sept. 3rd. Will see you sometime next week.

So Long,

Arthur Houser

Note: Arthur was seriously injured in an auto accident several weeks ago. He has made remarkable recovery.

Grass Roots Opinion

WEST SPRINGFIELD, MASS., RECORD: "At the moment the great state of Texas finds itself facing a situation which in some cases now is and will be duplicated in other states and the nation as a whole in the very near future. The Texas State Tax Study Commission estimates that by 1965 the under 18 age group will have increased by 24 percent over 1956 and the over 65 group by 25 percent. But the taxpaying 18-65 group is expected to rise only 15 percent.

"To provide necessary government services without adding to the tax burden will require wise and economical handling of tax revenues."

BRIGHTON, COLO., BLADE: "As much as we love peace it would seem much more sensible for us to work and fight, as a last resort, in cooperation with the free nations of the world rather than by ourselves later against a combined communist hoodlum gang. Free men must maintain their freedom else they will lose all."

GRANTS, N. M. BEACON: "The American people seem to be growing hardened to international crisis. Only a few years ago, an emergency such as the current turmoil in the Middle East during which U. S. Marines have been landed in Lebanon would have occasioned tremendous excitement in the nation. Maybe it's a sign of growing up. After all, it's hard to get wrought up a dozen times a year by war scares."

NORWALK, CONN., HOUR: "Of all the strange quirks in union management relations being revealed by the Senate inquiry, one of the strangest is the way unionism was forced on Chicago restaurants that paid initiation fees and dues for their employees, without the knowledge of the enrolled workers, who got no benefits from the enforced membership. That is what happens when goons and racketeers take over unions for their own profit."

Killer Of Children

Burns cause more injury and death among children than any other agent. Every parent, should know how to identify and treat them.

This point is stressed by "Todays Health", an American Medical association publication. It then provides some simple but vital rules:

Youngsters will grasp everything within reach, so never allow conditions to exist which can lead to accidents. Keep matches from children; keep pots from the edge of the stove, and keep youngsters from fires.

Determine quickly the degree of burn. In a first degree burn the skin is red; in second degree, the skin is blistered; in third degree the skin is charred.

For first or simple second degree burns, coat affected area with antiseptic ointment or olive or baby oil. This relieves pain and prevents skin from cracking and drying out.

For deep second and all third degree burns, call a doctor immediately. Shock and infection may occur. A layman should not attempt to treat burns of these types.

Chance To Be Heroes

It is some time now since the House approved, by an impressive vote of 311 to 67, the budgetary reform plan of the Hoover Commission to bring about savings estimated at from \$2 to \$5 billion a year.

But the bill, H. R. 8002, is presently languishing in the Senate Appropriations committee. And it does not seem that the senators, who from time to time have mentioned their passion for economy to the constituents, are very anxious to dislodge it.

This is the bill that would prevent the various Government agencies and bureaus from squirreling away enormous accumulations of funds they hadn't been able to spend, and which, as matters stand, Congress is powerless to recover and redistribute.

Unless there is some public pressure and quick, HR8002 appears destined to gather dust until 1959. But if by any chance, it were to be passed now, those senatorial speeches on reducing the taxpayer's burden, which we are soon to hear will sound a lot more convincing. kq

HOW BOUT THAT

By WILLY & RALPH

Nothing Ventured, Nothing Gained

The TV program, "The \$64,000 Question," has dramatized how drastic our income taxes really are. The winner of the \$64,000 pays \$23,000 more in income taxes than does the \$32,000 winner. For this reason most \$32,000 winners have declined to try for the top prize.

The same discouragement in risk-taking ventures occurs in business. Tax rules dictate "no" answers everyday from businessmen, investors and professional men. And New York's First National City Bank says it doesn't stop there, for the injury is not only to the opportunities of people but also to the tax collections since risk taking enterprise affords the richest source of government revenues.

When are we going to respect the law of diminishing returns and encourage risk taking ventures rather than discourage them.

A Young Man's Fancy

Our nomination for the youngster most likely to succeed is the thirteen year old who is reportedly going around with one of those sizeable, long-spouted locomotive type squirt cans labeled "lawn mower oil and an offer to clean and lubricate the family grass cutter for 25c.

He is not only making money after school and Saturday, but is being paid for conducting his own market survey. He is finding out who has power mowers, so he will know which households to solicit for mowing jobs a little later—without the risk of running into an old fashioned job you have to push.

In most communities, we understand, the kids keep tabs on the yards where they see the gas and electric grass buggies and compete for the job of operating them, while paintedly ignoring the neighbors with the hand equipment. Of course, most of the householders bought the power mowers originally to outwit these little bandits and do their own grass cutting. But that has gotten tiresome and the young capitalists are in demand again.

Thus, the wheel of progress makes another turn, and the man who wants to be sure of having an eager young beaver at his command, is investing in the latest—the Pennsylvania sulky mower. With this jet age device, the young lawn tansorialist has only to sit on a lush padded, motorcycle type seat cushioned by coil springs, work his throttle and wend his way via aircraft type steering.

So far as we can see, there's just one fly in the young lawn jockey's ointment of bliss. The Pennsylvania idea is exciting the old man himself like the Christmas electric train. Even the most enterprising youths may have to sulk another year before they get to ride the sulkies up hills and down dales.

HERB AND ANN MINGA RETURN FROM EUROPE

Herb and Ann Minga returned to Denton last week from a most profitable and enjoyable tour of Western Europe and the British Isles.

Flying from New York to Zurich via Swissair, they spent some time in Switzerland visiting Lucerne, Mt. Pilatus, St. Gallen and Appenzell. They went to Lindau, Fussen, Oberammergau, Garmish, Innsbruck, and over the Brenner Pass into Northern Italy. In Germany they went to Munich, Frankfurt, Nuremberg and Mainz. From Mainz they took a boat down the Rhine to Cologne. They visited in Amsterdam and went to Brussels to the World's Fair. From Brussels they went to Paris and from there across the channel to England.

After two days in London they went to a farm near Norwich for a visit with a family Herb had known during the days he spent there as a chaplain in the Air Force. They rented a car in Norwich and spent a month touring England, Wales, Ireland and Scotland, going to many places seldom seen by tourists as well as the more well known spots. On August 10th they sailed from Southampton on the SS Ryndam, a Holland-American ship. They landed at Hoboken, got their car, which they had left in New Jersey, drive via Pennsylvania Turnpike to St. Louis and to Mt. Sequoyah for a look in on the Missionary Conference and then back to Denton.

Rev. Minga is District Superintendent of Denton District and is a former pastor of the Methodist church here.

For good luck, choose a cotton knit pullover according to the month in which you were born. These wash-and-wear shirts by Treetsops come attractively embroidered with twelve signs of the Zodiac. Knitted fabric by Beaunit Mills will be cool and comfortable for summer wear.

Sure It's Going To Hail
If we only knew where! But as long as we don't, it's just good business to protect the work and expense you have put in on a crop just in case.

BURKBURNETT... HISTORY

Revealed By The Star Files 10 Years Ago . . .

Mr. and Mrs. Norman Roberts and Joy have returned from Pueblo, Colo., where they spent a two weeks vacation visiting her brother, Mr. and Mrs. O. R. Clingman. They also visited in Colorado Springs, Manitou Springs and attended the Pueblo State Fair.

Mr. and Mrs. James Bohner have recently returned home from a 3 weeks vacation trip to Cleveland, Ohio.

Mr. and Mrs. F. W. Farley left Tuesday for Oklahoma and New Mexico for a two weeks vacation.

Mr. and Mrs. W. M. McKinney of Houston spent last weekend with his mother, Mrs. Fannie McKinney of Burk and sister, Mrs. Clayton Ainsworth of Walters.

The personnel of Burk Skelley plant honored three of their families with a farewell dinner on the City Light Plant lawn Thursday evening, Aug. 26th. Those being transferred to Velma, Okla., are Ralph Winkles, R. B. Fox and Tom Chambers.

Leo Foster was returned to his home here Monday from Excelsior Springs, Mo., where he has been under treatment.

Mrs. G. W. Ferguson returned home from Houston Monday afternoon.

ter spending a month visiting her daughter, Mrs. D. C. Lower and family. Her granddaughter, Wynne Mae and Joyce Lower, and a friend Buddy Topkins, returned home with her.

Mrs. L. O. Campbell and Mr. John Turner are visiting in Ma land this week.

Mr. and Mrs. H. C. Thompson have returned from a trip Glen Rose, Ft. Worth and Jackboro.

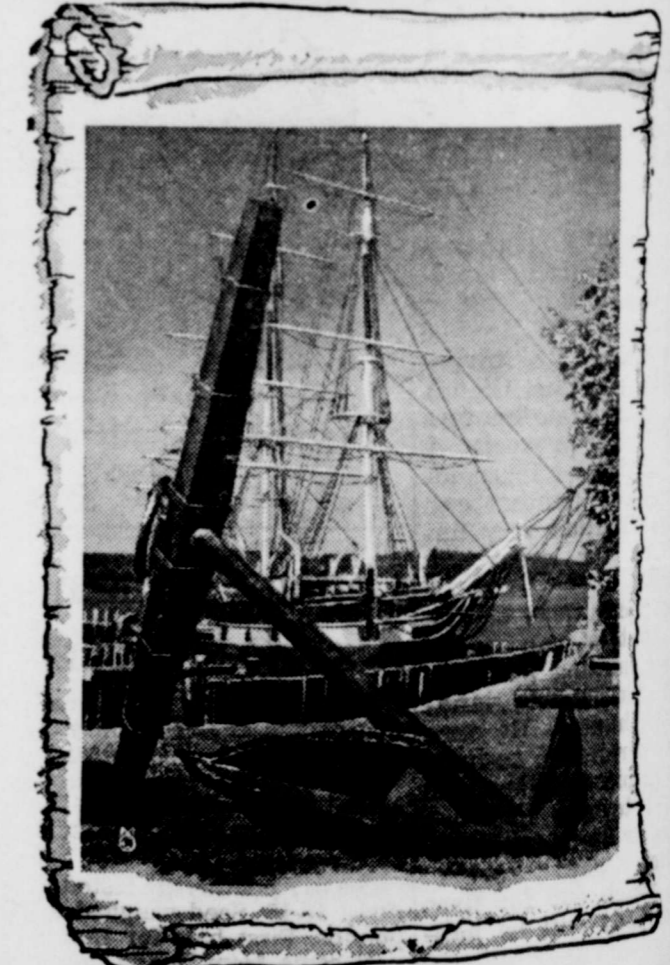

Lower Doors Help Home Air Conditioner

Louver doors, between rooms and on closets, make home air-conditioning systems work more efficiently. They also add interest to any decorating scheme with their "textured" appearance.

The tilted slats in louver doors of ponderosa pine permit cooled air to circulate more readily from room to room while still maintaining privacy. On closets, the air moving through the slats prevents musty odors and deters moths.

Mrs. Margie Hofacket and Mrs. Cassie Smith attended a short study course for Chamber of Commerce secretaries at Abilene Friday and Saturday.

Wedding Vows Were Read Aug. 22nd For Madlyn Sanders and Stewart Downey

The marriage of Miss Madlyn Sanders, Burkburnett, and Stewart L. Downey, Norman, Okla., was solemnized Friday in the Nazarene church with Rev. C. F. Burkburnett officiating. The bride's father, Mr. C. F. Burkburnett, uncle of the bride, pastor of Nazarene Church, Phoenix, conducted the 8:00 p. m. ceremony.

The bride is the daughter of Mr. and Mrs. W. B. Sanders, Burkburnett and parents of the groom are Mr. and Mrs. Obed Downey, Artesia, N. M.

The vows were exchanged before a group of white gladioli flanked by candelabra. Traditional nuptial music was presented by Mrs. J. Kersten of Norman, Okla., who was accompanied by Mrs. Don Pilcher, Wichita Falls.

Given in marriage by her father, the bride was attired in

a gown of chantilly lace and tulle over taffeta, featuring a fitted bodice enhanced with seed pearls, the bouffant skirt flowing into a chapel train. Her fingertip veil was attached to a tiara of lace, seed pearls and iridescent sequins. She carried gardenias and feathered carnations atop a white Bible.

Maid of honor was Miss Bernice Bryant of Burkburnett and the groom's sister, Evelyn Downey of Artesia, was bridesmaid.

They wore heavenly blue ballerina length taffeta dresses and bandeaux of ruffled blue net. They carried nosegays of blue carnations.

The candelighters were Dana Keese and Duane Keese of Burkburnett and flower girl was Von Kay Dosier of Jacksboro, cousin of the bride.

Best man was Wardney Downey, Norman, brother of the groom, and Milton Shumaker of Eldorado, Okla., was usher.

The bride's parents were hosts for the reception held in their home. The table, covered with a lace cloth, was centered with nosegays of blue carnations. Assistants were Mesdames T. F. Keese, M. J. Kersten, Joe Dosier, cousin of the bride and Miss Ruth Huffman.

Mrs. Downey, a graduate of Plainview High School, is attending the Bethany Nazarene College, Bethany, Okla.

Downey, a graduate of Artesia High School, is also attending Bethany Nazarene College.

After a wedding trip to points of interest in Oklahoma, the couple will make their home in Bethany.

The Law In Texas

Thousands of school children are now trooping back to school throughout Texas. Many of them will be transported by school buses. Most people are careful when approaching a school bus which may be standing beside the road or school to pick up school children or allow them to get on. However, we have all had some very bad accidents this year because a child was a motorist, or both, were careless at that very time.

Most Texans are aware of the law which requires a driver to come to a complete stop when backing from the rear of a school bus which has stopped to receive or discharge school children. After stopping immediately behind the bus he is then allowed by law to proceed past the bus at a speed which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children.

What many persons do not realize is that the very same rule applies when meeting a stopped school bus. While everyone is interested in protecting our children, unthinking violators of this simple safety rule greatly outnumber those who comply.

Failure to follow the law in this case can lead to fines up to \$200 when no accident occurs. Following an accident in which a child is injured or killed, penalties are naturally more serious.

Although the above rule does not always apply when passing a stopped school bus in a business or residential district of a town, the necessity for extreme caution even in those locations is obvious.

When it comes to overtaking passing moving vehicles, exercise of ordinary common sense generally keep a driver within the law. For instance, when passing a car it is only common sense to proceed on the left at a safe distance before moving back to the right side of the highway. Also, any driver should realize the danger of passing his speed while another is attempting to pass him.

The same category is the prohibition against passing on the right under most ordinary conditions. Of course, you may pass on the right in a specific instance, such as when the vehicle overtaken is moving or about to make a left turn, or upon a one way street or two or more lanes, or upon a lane highway.

However, our traffic laws state even when passing on the right is allowed, it shall be done under conditions permitting such movement in safety. In no event should such passing be accomplished by driving off the pavement or main traveled portion of the roadway.

Similar to all are the no-passing zones designated by dashed lines placed on one side of the center stripe on our highways. So well known are restrictions against crossing the center line when approaching within 100 feet of or when traversing an intersection or railroad crossing.

A driver should never cross the center line of a highway on the left side of the road if clearly visible and free of coming traffic. Generally, when not engaged in passing another vehicle, one should not drive to the left of the roadway.

Mr. and Mrs. Pat McKinney, children, Rose and Ruth of City visited Mrs. C. M. McKinney and Mrs. Artie White over the weekend.

Mr. and Mrs. P. E. McKinney, children, Mrs. C. M. McKinney and Mrs. F. R. Knauth were guests in the home of Mrs. Artie Whiteside Sunday.

Mr. and Mrs. Dick Chambers are visiting in Iowa this week with his brother and family. They also plan to visit in the Ozarks before returning home.

DEVOL NEWS MRS. C. O. WOODLEY

Mrs. Sam Turner, Jr. entertained a group of small folk Thursday, Aug. 28th in honor of her daughter Linda's seventh birthday anniversary. Many lovely gifts were received and birthday cake, ice cream and punch were served to the honoree and her sister, Rebecca and Paula, Donna and Cathy Bridges, Pam McKenzie, Gay Baber, Donna Kay Burton, Rose Mary Hopkins, Johnny and Debbie Wood, Terry Steve and Kandy Kirkpatrick, Ervna Jean and Stevie Harrison, Shelly Parrocks, Gail Harrison. Mothers present included Mesdames Bryan Harrison, Robert Hopkins, Carmon Shaw, Donnie Wood, Joe Burton, Kenneth K. Kirkpatrick, Paul Bridges and the hostess, Mrs. Turner.

Mrs. K. L. Smith was hostess to the Devol Demonstrators Thursday afternoon in her home. Guests present included Mrs. Tom Moran of Tipton, who gave a talk on Mental Ills and stressed the importance of early and careful attention paid these illnesses. She was introduced by Mrs. C. W. Lawler of Hastings. The meeting was then turned over to Mrs. Betty Dahms, who gave a good lesson on fall styles and talked about the exhibits for the fair. It was voted to help pay expenses for Mrs. Lucille Morrow to attend the National meeting in Wichita, Kans. Delicious refreshments of punch angel cake and ice cream were served to seventeen members and guests. The next meeting will be Sept. 11th with Mrs. R. A. Odom in her home.

Mr. and Mrs. C. L. Wells, Stevie and Mike of Edmond and Mr. and Mrs. Jimmie Spiller of Austin, were weekend visitors of Mr. and Mrs. Guy Hutson.

Mr. and Mrs. Bob Woodley and daughters, Cathy and Carole of Wichita Falls visited his parents, Mr. and Mrs. C. O. Woodley over the weekend and visited Mrs. W. A. Wood Sunday afternoon.

W. H. Stevens who has been quite ill is able to be up and about town some now. His sons, Cecil, Fred and Leon of Okla. City, who were called to his bedside have returned home.

Mr. and Mrs. R. A. Phillips of Los Angeles, Calif., have been visiting her father, Mr. and Mrs. Earl Palmer.

Mr. and Mrs. Earl Palmer visited their son, Cecil Taylor and family in Wichita Falls Sunday.

Mr. and Mrs. W. L. Frye and granddaughter, Terry Ann Frye of Duncan, were recent visitors of Mr. and Mrs. W. L. Frye, Jr. in Cleburne, Tex.

Mrs. C. C. Hawhee spent Sunday and Monday in Dallas.

Mrs. F. J. Uthe was a guest of Mrs. Tom Kinnard of Union Valley Thursday.

Mr. and Mrs. K. L. Smith and Mr. and Mrs. J. C. Cates were Duncan visitors Monday.

Mr. and Mrs. L. M. Osborn and children were visitors in Elk City last week.

Mrs. G. R. Belue, Kitchen Demonstrator for the Ray HD club is completing her work for the year. She established goals and objectives early in the year and has been working toward their completion.

Good kitchens do not just happen; they are only achieved after careful planning. Mrs. Belue made and developed a plan which made her small L shaped kitchen into an adequate U shape. To do this a door was blocked out, a window made into a door, new cabinets were built and the refrigerator was built into the wall. The kitchen now has 3 work centers conveniently arranged.

A color scheme was next selected. Cabinets, walls and woodwork were finished natural. Black pulls were added to tie the cabinets to the iron table and chairs. A one color scheme of rose was selected, while black and green were used to give a needed accent of light and dark. New floor coverings, chair upholstery, cabinet top and ceiling finish were carefully selected to fit into the color scheme.

Other improvements include: a double sink, a vented hood and improved storage. Storage was improved by adding kitchen storage devices you can make. She followed plans from the extension service bulletin MP-209 Kitchen Storage Devices. If you would like a copy, write Thelma Wirges, county HD agent, 305 Federal Bldg., Wichita Falls.

or three in different values and intensities. The best color schemes grow from a dark color, a light color and a bright color. Black, white and grey are not considered colors, but are often used to give a needed accent of light or dark.

Choose your favorite color if you do not need to consider the color or colors of furnishings which you must keep. Or select a picture or print which has your chosen colors and plan your scheme from that.

Good proportion of the different colors is important. This means that your color scheme will be definitely dark or light and that either warm or cool color will predominate. Proportions of 60 percent or area for one color, 30 percent for a second color and 10 percent for accent, insure good proportion.

When you place the colors in a room, choose the color for the largest areas first, floor coverings, walls and large upholstered pieces. In most cases, these should be your livable colors, or colors that are greyed in intensity. Next choose colors for small upholstery and window treatment. This treatment may be a blend of the room colors, or match or contrast with the walls. Lastly, choose your colors for accessories and small areas—pillows, lamps, ash traps, etc. Usually this accent color is the brightest color.

Thelma Wirges, county HD agent, will give a series of color in the Home Demonstrations. These will be given at HD club meetings in and around Electra, Burkburnett, Iowa Park and Wichita Falls. If interested contact one of the following club presidents for the date of their meeting: Mesdames T. H. Barwise, W. P. Wyatt, R. J. Ring, George Emmert, V. C. Lamb, E. A. Litteken, M. Proffitt, W. R. Stimpson, Woodrow Harris, W. E. Karstetter, Max Jentsch or A. L. Dowden.

Visitors will be welcomed at these meetings where color demonstrations will be given.

NOTICE

The Bluebonnet Garden club will meet Tuesday, Sept. 9th at 9:30 a. m. in the home of Mrs. Bertha Johnson for their coffee hour and first meeting of the new year. Hostesses will be Mesdames Bertha Johnson, Grace Markum and Elizabeth Brady.

Miss Betty Jean Roberts-Gad Garland Say Nuptial Vows In Home Ceremony Aug 24

At 2:30 o'clock August 24th Miss Betty Jean Roberts of Lefors and Gad Garland of Burkburnett were united in marriage in a ceremony performed by the bride's father, Rev. A. G. Roberts. Double ring vows were exchanged in the home of the bridegroom's parents, Mr. and Mrs. Truman Garland in Burkburnett, amid a setting of baskets of blue and white carnations and greenery.

The bride wore a light blue dress featuring a bodice of Arnel faille with a gathered skirt of blue chiffon. A tiny hat fashioned from the dress material and covered with chiffon complimented her wedding dress. She carried a white orchid atop a Bible showered with tiny rosebud streamers.

Mrs. Charles L. Carter, sister of the bride, served as matron of honor, wearing a dusty-rose dress of Arnel faille fashioned similarly to the bride's and a corsage of white carnations. Jerry Jack VanLoh served as best man.

For her daughter's wedding, Mrs. Roberts chose a navy blue dress with white and black accessories. The bridegroom's mother, Mrs. Garland, wore a dress of periwinkle blue with black accessories. Their corsages were of white carnations.

A reception was held in the home of the bridegroom's parents immediately following the exchange of vows. Mrs. Charles L. Carter presided at the punch service and Mrs. Guy Savage served the cake. Mrs. Ted A. Mastin was guest registrar.

For a wedding trip the bride chose to travel in a cream and brown two piece linen dress with pencil-slim skirt and wore the orchid corsage from her bridal bouquet.

The bride was graduated from Lefors High School, attended Texas Tech College in Lubbock, where she was a member of Angel Flight and secretary to the Flying Club.

The bridegroom graduated from Burkburnett High School; attended Texas Tech College, where he pledged the Sigma Nu Fraternity.

Mr. and Mrs. Garland will make their home near Burk and both plan to attend Midwestern University in Wichita Falls this autumn.

Mr. and Mrs. Wayne Teal and family of Houston visited Mr. and Mrs. Will Teal over the weekend.

YOU and your DOG

A dog's life ought to include regular baths.

Some dogs may dislike baths, but this is more a case of an initial frightening experience than any in-born attitude. If care is taken from the beginning to see that the job is done properly, a dog will learn to enjoy regular tubbings.

According to the Sergeant's Dog Care Center of Richmond, Va., the most important thing about bathing a dog is the cleaning product that's used. A dog's skin is more sensitive than a human's. It doesn't make sense to use a household soap or detergent containing harsh, irritating cleaning substances and solvents that will red- den a woman's hands.

A soap or shampoo made especially for dogs is recommended. It will not dry out the coat and will kill fleas and other insect pests. Drug or pet counters carry bathing and grooming products for dogs.

Miss Kay Morrison and Mr. Harold L. Henson Exchanged Wedding Vows At the First Methodist Church Here Sunday, August 24th at 4:00 o'clock

The marriage vows of Miss Kay Morrison, daughter of Dr. and Mrs. Carl Morrison of Burkburnett, to Harold L. Henson, son of Mr. and Mrs. D. D. Henson of Vernon, Tex., were exchanged Sunday afternoon at 4 o'clock in the First Methodist church in Burkburnett. Rev. T. Herbert Minga, Supt. of the Denton District, assisted by Rev. Leon Turner, pastor of the Methodist church of this city, officiated in the double ring ceremony.

The church altar held sunburst arrangements of pink gladioli at each end of the jade foliage banked choir rails, with pink candles rising from the foliage the entire length of the altar. In the center an arch of greenery interspersed with pink mums served as a background for the prieu dieu. Back of the choir rail, tall candelabra holding pale pink tapers, as on the choir rail were lighted.

Mrs. Maxine Creel, organist, and Miss Nathalie Foster, vocalist provided the music.

Dr. Morrison gave his daughter in marriage. She wore a gown of white silk organza with an empire bodice of alencon lace enhanced with iridescent sequins and seed pearls, and long tapered sleeves ending in calla lily points over the wrists. Re-embroidered alencon lace inserts with sequins and pearl trimmed the bouffant skirt that swept into a chapel train. Her Brussels lace face veil was held in place by a Juliet cap of lace and seed pearls. She carried a white orchid surrounded by lilies of the valley and shattered carnations.

Miss Jill Dodge of Pasadena, Texas was maid of honor, and wore a scoop neck line dress of shell pink taffeta with chiffon extending in back to the hemline of the bouffant skirt. She carried a muff of shirred net surrounded by shocking pink carnations.

Bridesmaids were Misses Grace Alexander and Bobetta Holland, both of Ft. Worth; Ruth Anderson of San Benito, Tex.; Martha Sue Thompson of Waco; Darlene Henson, sister of the groom, from Vernon. All were dressed identical to the maid of honor, carrying muffs and wearing halo style headdresses of pink velvet leaves.

Miss Elizabeth Ann Harris of Los Angeles, Calif., was Flower Girl.

Hershel Nicholson of Lubbock was best man. Ushers were Jon Bear, Jack Jamieson, Norman Dodson, all of Burkburnett, Tom and Rhodes Tardy, cousins of the bride of Baghdad, Iraq.

Groomsmen were Glen Harrell and Barney Milner of Vernon, John Maddox, Norman Adams and Linville Fouts of Lubbock.

The reception was held in the home of the bride's parents on Sycamore Road. The receiving line was in front of the living

room fireplace which was banked with greenery, flanked on each side with sunburst arrangements of pink gladioli. A swag of greenery was above the mantel, caught with pale pink and shocking pink carnations. Pale pink tapers furnished the lighting. Mrs. Walter Tardy, aunt of the bride, Baghdad, Iraq, presided at guest register.

Reception assistants were Mesdames P. A. Carpenter, Glen Bear, D. C. Dodson, Paul Browning, A. R. Bunstine, Joe Hensley and Miss Patsy McAfee all of Burkburnett; Mrs. Raymond Holland of Ft. Worth, Mesdames E. W. Brock and O. C. Wills of

Wichita Falls; John Maddox, Linville Fouts and Herschell Nicholson of Lubbock; Miss Katherine Morrison of Gladewater, Mesdames Floyd Jackson of Oklahoma City; T. Herbert Minga of Denton and Jack Harris of Los Angeles.

Mr. and Mrs. D. D. Henson were host for the rehearsal dinner party at the Western Dude Restaurant, Saturday evening. Decorations featured the bride's chosen colors in pale and shocking pink.

The bride is a senior home economics major at Texas Tech, Lubbock and will receive her degree in home economics educa-

tion and applied arts in 1959. Her social sorority is Kappa Alpha Theta and she is a member of Phi Upsilon Omicron, national home economics honor society. She also attended the University of Hawaii.

The groom is a Junior physics major at Texas Tech where he is a member of the Alpha Tau Omega fraternity. He has served four years in Naval Air Corps.

After a wedding trip to Colorado the couple will establish a home in Lubbock.

The R. L. Eidsons have returned home from an enjoyable vacation spent in California with his brother, Mr. and Mrs. Jerrel Eidson and daughters of Los Angeles, Mr. and Mrs. Charley Lee Andrews and children of Santa Maria and Mr. and Mrs. J. W. Whitney, Buddy and Bobby of Marina.

Parent - Teachers Association

A Leadership Training workshop for the Thirteenth District of Texas Congress of Parent-Teachers met at the First Methodist church in Electra Aug. 28 at 9 a. m. District President, Mrs. D. O. James, presided for the day with co chairmen, Mrs. Fred Wooten, president of Wilchita-Archer Bi County Council and Mrs. Red Lamberth, president of Wilbarger County Council.

"Stepping Stones to Maturity" was the theme for the day depicted by a painting. The scene was stepping stones crossing the stream of life. The stream ending at the rising of the sun, the sun being the height of maturity. An Oak tree, symbol of PTA stood by the streams. In the stream was drift logs that prevented advancement. The stepping stones were marked happiness, responsibility, social adjustment, faith, acceptance and adult education while the driftwood was labeled ignorance, jealousy, greed and hate.

A skit, Education, not by following, was presented by the following Superintendents of Schools: Mr. Keith Swim, Iowa Park; Wilbur O. Echols, Olney; C. D. Allen, Bowie; I. C. Evans, Burk Burnett; Mr. Kavanaugh, Others in the cast were: Loretta Hunt and Charlotte Looney, Burk Burnett; Ruth Lamberth, Vernon; Ruth Bryant, Mrs. Vernon McCall and Helen Moser of Wichita Falls.

Mrs. Charles Preston, President of City Council, Wichita Falls; Mrs. Fred Wooten, Electra; Mrs. Fred Hunt, Past President, and Mrs. Ruth Lamberth, President of City Council of Vernon, reported the summaries of the workshops.

To acquire maturity one must be informed through Adult Education. This being the basic foundation to meet responsibilities of modern life for the child of today. Maturity through development of individuals is vital to combat conforming society. Conforming society is a liability to our American heritage. Individuality in the parents as examples for the future generation is a depleting element that must be replenished by the development of individuality in the child.

To develop individuals is a

stepping stone in maturity. Maturity can be obtained through factors. Good leaders, informed public criticism that is met squarely and directed actions for the betterment of the generations are other steps to maturity. Basic steps in solving the problem study, solution, report the results when solved and profit by the mistakes of others are other steps to maturity. The person that is criticizing our world today is the person that is not contributing to better the world. Mature participation takes courage to express ideas, ask for clarification of facts and recognize the value of each person.

Dr. Travis White, President of Midwestern University, highlighted the meeting as he spoke to the group on the subject of Responsibilities of the parents today. Our world 25 years from now will stagger us, even more than the world today would stagger our great grandfathers. The advancement of atom and work of the brain of man makes a future so fabulous that our human intelligence cannot comprehend the rapidity of advancement. The future of America in the next 25 years will be known as years of expansion or perhaps years of explosion. Just as staggering and important is the character and qualifications of the men that will supervise the fabulous world, that man is our child of today.

The kind of world we have in the future will depend on the kind of men and women we produce. All children are assets. What are we doing with the lives we are responsible for? Responsible individual reality, a disappearing commodity today, is what we must build in the life of today's child. Without responsible individual reality we become victims of a social tyranny, social tyranny being equal to political tyranny. Too many men today are content to just exist not to advance effort

is involved. We must instill and build desire to achieve ideas that can only be imagined in our own minds, into the minds of today's child, to equip him for the fabulous world 25 years from now. To accomplish this we must match wits, employ empathy, and display the mind by employing. Ye shall know the truth and the truth shall make you free, and a free way of life as described by the Master Teacher in the fifth, sixth and seventh chapters of the Gospel of Matthew's.

First Ward and Thompson Ward PTA were hostesses for the day. Approximately ninety people attended the meeting and executive board of managers met following the adjournment of the workshop.

Martin Luther Film to Be Shown

There will be a free showing of the Martin Luther film at 7 p. m. in the Town Hall, Thursday, September 11th, as announced. This film is the exciting story of Martin Luther, a 16th century Monk, and his fight for religious freedom. Facing excommunication and the stake he bravely defied religious and civil leaders in order to follow his own conscience and to bring about a return to the teachings of the Holy scriptures.

This film was produced by christian actors from five different foreign countries and was filmed in West Germany on the very spot and amidst the very scenes where the story developed. The Martin Luther film won the prize in Edinburgh, Scotland, Sydney, Australia, was the best film of the 20th century by the Christian Film Society and was the tenth best attended film of the year production. This is a 2 hour long, full sound picture. There will be no admission charge. The public is invited to see it.

Formally Opened Wednesday

The United Super Market formally opened its new building on Sheppard Road and Tidal Street Wednesday. Crowds came in such large groups that at times the doors had to be locked until those inside finished their shopping.

Cotton County Pioneer Dies

Mrs. Nancy Etta Taylor, 89, pioneer Cotton County resident, died Sunday at the home of her daughter and son in law, Mr. and Mrs. C. H. Dunn, in Randlett.

Born in Warren County, Tenn. in 1869, she came with her husband, D. P. Taylor, who died in 1932, to Cotton County at the opening of the "Big Pasture" and homesteaded a farm near Randlett. They later moved to Oklahoma and then to Tipton, both Oklahoma communities.

She had been a member of the Church of Christ for 75 years. Survivors include five daughters, Mrs. C. H. Dunn of Randlett; Mrs. J. D. Stegall, Mrs. E. E. Jernigan and Mrs. M. E. Myers all of Burk Burnett, and Mrs. Melvin Manley of Nocona; two sons, Herbert Taylor of Odessa and Paul Taylor of Tipton; two step daughters, Mrs. Nola Mertes and Mrs. P. S. Mertes both of Prague, Okla.; 2 stepsons, J. H. Taylor, Orlando, Fla., and Grover Taylor, Los Angeles, Calif.; one sister, Mrs. R. B. Jones, Okemah, Okla.; 13 grandchildren and 48 great grandchildren.

Funeral services were held at 2:30 p. m. Tuesday in the Randlett Church of Christ with William Wilhoit, minister, officiating. Grandsons were pallbearers. Burial was in DeVol Cemetery under direction of Owens-Brumley Funeral Home of Burk Burnett.

Mr. and Mrs. A. L. Browning and Barbara and Bobby of Houston visited her father, Mr. George Parker and other relatives here over the holiday week-end.

Last Rites Sunday For Mrs. Laura Cook

Mrs. Laura Lee Cook, 87, died at her home Friday morning after a long illness.

She was born Feb. 2, 1871, in Collin County, Tex. Mrs. Cook moved to Burk Burnett with her husband, B. F. Cook, in 1908 from Gainesville.

Survivors include four sons, Herbert and John Cook of Burk Burnett, Brice Cook of Seagraves and Ben Cook of Los Angeles, Calif.; four daughters, Mrs. Beulah Palmer of Wichita Falls, Mrs. Floyd Mahres and Mrs. Hazel Whittaker, both of Las Cruces, N. M., Mrs. Christine Welch of Conga Park, Calif.; one brother, Linger Brewer of Hood, Texas; 18 grandchildren and 41 great grandchildren.

Funeral services were conducted Sunday at 2:30 p. m. from First Baptist church, Rev. Leroy Meyer, pastor officiating.

Pallbearers were H. A. Goodwin, A. H. Lohofener, T. Guy Willis, Cliff Cannon, Henry Vaughn and Dow Estes.

Card Of Thanks

May we take this method of thanking our neighbors and friends for their kind expressions of sympathy in our bereavement. These expressions have been deeply appreciated.
Miss Alice Pyles

Mr. Jim Ensey of Los Angeles, Calif., and Mr. and Mrs. O. J. Ensey of Pampa are visiting relatives and friends here and in Wichita Falls this week.

Mrs. John Arndt of Aberdeen, S. D. is visiting her grandmother, Mrs. Nola Thorp here this week.

The Famous

Good study habits are easier to form...

when LIGHT is RIGHT for homework

Your school-age youngster will form good study habits more quickly when the light is right for homework. Good lighting aids concentration . . . makes homework seem easier . . . helps develop good study habits that can contribute so much to future success.

A 150-watt bulb is recommended for best light from a table study lamp. The bulb should be properly shaded to prevent glare and the lamp should be tall enough to spread light evenly over the work area.

Check the lighting under which your child studies. Make sure there is enough light and the right kind of light to prevent eyestrain and fatigue. See your dealer for the lamps and right-size bulbs you need. He'll gladly help you with suggestions.

Mrs. Carl Black Grows Cockcombs

Mrs. Carl H. Black of 106 Carolyn Lane has been receiving many compliments on the beautiful cockcombs growing in her yard this summer. One of the larger ones measures 12 inches in length, 5 1-2 inches across and is growing on a stalk 4 inches around and nearly 5 ft. 3 inches tall.

The remark has been made that things always grow bigger in Texas, but Mrs. Black is a native Oklahoman and the seed from which the cockcomb grew came from Oklahoma City.

Note of Appreciation

To the members of the Burkburnett, Temple, Walters and Grandfield Fire depts, also Mr. Schueler of Emmerson and all the citizens of the Randlett community who participated in fighting the fire which burned out a section of our town including the Masonic Temple, we wish to extend our most sincere thanks and gratitude for the help and cooperation in extinguishing the fire. Your quick action and co-operation saved a number of residence and possibly some casualties. Again our thanks for this help and cooperation for which we shall always be grateful.

LIONS CLUB

Town Hall Each Tuesday 7:00 P. M.

Joe Wolfe, in charge of the program, presented J. W. Godfrey, District Distribution Supt. of Texas Electric Company, who talked on new electrical developments since World War II. Mr. Godfrey related that radar, TV, radio improvements, electronic cooking, and many other advancements have all been made since World War II. He also stated that use of electricity has doubled since 1945, with prospects that it will redouble in a short while. Distribution systems have improved along with the other developments. An automatic circuit breaker and improved transformers have helped to keep the cost of electricity down, while everything else has gone up in price. Electric service interruptions are fewer and shorter now than they ever were. Sharon Nix, new Lions sweetheart, was present. She replaces Jeanne Dodson, who enters Midwestern University this year. Jeanne was sweetheart three years.

Dorcus Club Met With Mrs. Ray Mills

The Dorcus Sunday School class of the First Baptist church met on the lovely lawn of Mrs. Ray Mills Thursday evening with group one as hostess. Mrs. Warren served as chairman. Mrs. J. C. Adams, president, presided over a short business session. Mrs. Ray Mills brought a very inspiring devotional and also had charge of the social hour. She brought a humorous skit on the telephone that brought in all the members present. Mrs. Leo Foster led a sing song and offered prayer. A love basket was filled by members for a member who is ill and others in her family. A lovely plate and punch were served by group one to seventeen members and one visitor, Mrs. Garrett, Mrs. Mills' mother. The meeting was closed with prayer.
