GOOD STORES Now Sell Canned Alarm Clocks!

While man has yet to succeed in stopping time, he's really gotten around to preventing it—in steel "tin" cans, according to American and Steel Institute. A Connecticut clock manufacturer recently began making alarm clocks in cans for shipment to food stores. According to the manufacturer, the cans protect the clocks from breakage during handling. The cans also prevent the lubricating oils from drying out.

Officers Elected for Youth Choir at First Baptist Church

The Youth Choir of the First Baptist Church elected officers for the coming year at its regular meeting Sunday afternoon at 7:30. The following officers were elected: President, Darrell Baker; Social Chairman, Myrna Hoffman; Secretary, Marian Parck; Librarian, Freddie Gilbert. There were about 25 members present and a good practice was enjoyed. The Youth Choir will provide the special music this Sunday evening at the final service of the revival now in progress.

ADVENTURES IN ADVERTISING

MARK TWAIN'S STORY OF THE READING SPIDER

During Mark Twain's days as a newspaperman, he was editor of a small Missouri newspaper. One day he got a letter from a subscriber, stating that he had found a spider in his newspaper and asked if this was an omen of good luck or bad luck.

Twain wrote: "Finding a spider in your newspaper is neither good luck nor bad. The spider was merely looking over our paper to see which merchant was not advertising so that he could go to that store, spin his web across the door and lead a life of undisturbed peace ever afterward."

You will find no spider webs across the doors of the merchants who advertise in your local newspaper.

MARRIAGE OF MISS HOLLAND TO TOM RUSH JUNIOR, ANNOUNCED

Mr. and Mrs. Raymond L. Holland, 3800 Piedmont Road, Fort Worth have announced the marriage of their daughter, Bobetta, to Tom Y. Rush Jr., son of Mr. and Mrs. Tom Y. Rush of Decatur, Texas. The ceremony was performed by District Superintendent Rev. Leon Massengale, in the Chapel of the First Methodist Church in Ardmore, Oklahoma, Oct. 24th, 1957.

The bride is a graduate of Arlington Heights High School in Fort Worth, Texas. She attended SMU and two summer sessions of the University of Hawaii in Honolulu, and will graduate from the university of Oklahoma in January. She is a member of the Delta Gamma Sorority.

The groom is a graduate of Decatur High School. He is attending the University of Oklahoma and is a Junior, majoring in Mechanical Engineering. The couple will be at home in Norman, Okla.

Mrs. Rush is the granddaughter of Mr. and Mrs. A. R. Buns-tine of Burkburnett.

Modern Study Club Met Oct. 6th With Judy Pemberton

On Monday, Oct. 6th, the Modern Study Club met in the home of Mrs. Judy Pemberton. President Rita Hudson called a regular business meeting to order. Final plans were made for the Autumn Festival to which all of the clubs of Burkburnett are invited Oct. 20th.

Delicious refreshments were served by the hostess, Dorothy Harris, to seventeen members: Mesdames Sydney Askins, Tommie Bavousett, Barbara Browning, Mary Joy Hagstrom, Dorothy Harris, Jill Hensley, Rita Hudson, Lea Blissom, Pat McElwain, Evelyn Nichols, Barbara O'Mary, Judy Pemberton, Beverly Riley, Jo Ann Thomas, Frances Smith, Selma Wright and one new member, Jo Darrell. Jo Ann Thomas won the door prize.

On Sept. 22nd a meeting was held in the home of Mrs. W. W. Browning with Mrs. Barbara Browning as hostess. Mrs. Beverly Riley was co-hostess. The door prize was won by Jo Darrell.

Midget Football

Burk's Bulldog Midgets are crowding the league leaders for first place. Tonight, Thursday they play the Leathernecks at SAFB. The winner of this contest will be in first place.

The Midgets tied 6-6 with the Demons last Thursday night.

Pee Wee Eagles lost Tuesday night 8-6 to the Rams.

Dr. and Mrs. P. A. Carpenter are attending a medical convention in New York.

Bank Building To Be Remodeled

The officers and directors of the First National Bank of Burkburnett have authorized a major improvement in their building.

The entire second story is being removed and a major renovation project to the whole building is under way.

When the second story has been removed it is planned to renovate the quarters now occupied by the post office and re-finish them for expansion of banking facilities.

It is expected that the Post Office will be moved into the new quarters about Nov. 1st.

The bank will thus double the floor space now occupied, according to A. R. Hill, president. Plans include complete remodeling and refacing the exterior front and side wall and giving a complete new look.

The First National Bank has occupied this location since 1916. It was organized in 1907.

E. B. Burton Construction Co., of Burkburnett is the contractor for the work which is planned for completion within a few weeks.

Nimble Fingers Aid Woman, 87

Mrs. Richard Anderson of Burkburnett, at 87, is still active with her nimble fingers doing handwork for others.

The pioneer Burkburnett resident has made 100 quilts, 18 knit dresses, embroidered 15 cut work tablecloths and is now working on her ninth cross stitch tablecloth, most of them three yards long in the past 30 years.

During both world wars, many Burkburnett servicemen wore knitted sweaters, gloves, socks and helmets made by Mrs. Anderson.

An ardent correspondent, she rises at 6 a. m. each day to write letters and do handwork. Mrs. Anderson was born Easter Perryman in 1871 in Salem, Ark. She has lived with a daughter, Mrs. M. R. Hewell 27 years. She was married in 1890 and she and her husband came by covered wagon from Arkansas to Gainesville. They lived in Whitesboro and Quinton, Okla., where Anderson died in 1921.

On a recent Sunday, five of her seven children visited her. They are Vera Anderson of Wichita Falls, Mrs. Ava Buck, Mrs. Hewell and Jim Anderson of Burkburnett, and Roy Anderson of Carmi, Ill.

Her other two children are Arch Anderson of Albion, Ill. and Mrs. Ora Johnson of Durango, Colo.

Mr. and Mrs. Max Tucker and children of Victoria, Australia, are visiting in the home of Mr. and Mrs. Leo Dudley this week.

Big Pasture Arc Welding Class Is Organized

There will be an arc welding class for beginners offered by the Big Pasture School October 13 through 17th. Course material will cover flat, vertical and overhead welding; cutting, brazing, soldering and hard-surfacing with arc welding machine. The class is open only to those living in the school district. Class size will be limited to twenty on a first come first served basis. Should the demand be sufficient, a second class will be scheduled. An enrollment fee of \$10.00 will be charged. A portion of this fee will be used to pay for supplies and the remaining portion will be used to apply to the purchase price of new welding machines which the Vocational Agriculture Department is purchasing.

Contact Douglas Morris, Vocational Agriculture instructor, for advanced enrollment. First class meeting will be October 13, 7:30 p. m. in the Vocational Agriculture building.

MU Homecoming Basketball Game Nov. 22nd MU Gym

The 1958 homecoming basketball game on Nov. 22nd promises to be the most exciting game of the year. This will be the first outing for Coach Vinzant's '58 Indians and they will go against a team of ex-MU basketball stars led by the fabulous O'Neal Weaver, Ray (Pop) Schuman, and Cotton Fitzsimmons. Other ex-basketball greats who have received invitations to play in the homecoming game include Jimmy Browning, Orland Fitzsimmons, Gene Gipson, Gene McKibben, Terrell Calhoun, Dudley Wetsel, Audie Woodard, Carl Lane, Ed Roberts, Rogers Morgan, Freddie Whillock, Ramon Towry, Don McMahon and Tom Millar. The exes will be coached by Paul Brotherton and Bobbie Evans, a former MP all-conference guard.

The homecoming game will be played in Coyote Gym and will start at 7 p. m. During the half time tribute will be paid to all former athletes since 1922.

Area Developers Ass'n Meet Oct. 22

The North Texas and Southern Oklahoma Area Development Association will meet Monday, Oct. 20th at 10:00 a. m. in the new Fair Barn in Waurika, Okla., according to Glen Magee, president.

A very outstanding program on Agriculture will be presented as well as the election of 1959 officers for the association. Lester Brooks of the Iowa Park Experiment Station and Co-chairman of the Agricultural Committee of the association along with Fred Huffine County Agricultural Agent of Jefferson County, Okla., will be in charge of the program. Agriculture economists from the Extension Service of both Texas and Oklahoma will have a part in the meeting.

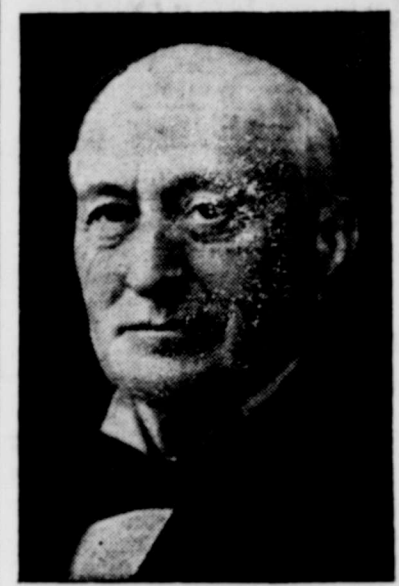

Delegates from member cities and towns are being requested to invite individuals interested in agriculture to be guests of the meeting. The Waurika meeting will be the fifth of the current program year the third to be held in Oklahoma. Previous meetings were held in Grandfield and Walters, Okla., and Olney and Burkburnett, Texas.

Pilot Point Acre Historic Site For Nazarene Church

Some 3,000 members and friends of the Church of the Nazarene will gather at Pilot Point, Texas on Monday, October 13 to dedicate a monument at the place where the denomination formally started in 1908.

It will be the third time in 53 years for this small north central Texas village to be in the national religious limelight. All three occasions have been assemblies of "holiness people", advocates of the Wesleyan doctrine of entire sanctification or heart purity.

The program will be held in a large tent pitched near the corner of College road and Texas highway No. 455, one block from the high school on the east side of town.

The ten foot shaft of carved pink Texas granite that will unveiled is nearby at the center of an acre appropriately landscaped. This will become an historic site, maintained perpetually.

The program, starting at 2:30 o'clock, and the unveiling will be the climax of the Nazarene golden anniversary year observance that began January 1st.

The gathering will be a joyous occasion. It will take note of the growth of the denomination from a handful of churches to the present world wide organization of 350,000 members in 5000 churches, with 393 full time missionaries in 40 world areas.

The Nazarene church is a conservative, orthodox Protestant denomination in the Wesleyan tradition, one of the fastest growing churches in modern annals. With only 214 churches and 10,000 members in 1908, the Nazarene church now ranks 30th in membership, 15th in Sunday school enrollment, and 9th among church publishers. It has 393 missionaries working in forty world areas and a strong young people's program.

The Nazarene radio program, "Showers of Blessing," is heard over 400 stations. International headquarters are in Kansas City.

Last Rites Scheduled Thurs. In San Angelo For Mrs. Stanley

Funeral services have been scheduled for 2:00 p. m. Thursday in San Angelo, Texas, for Mrs. Annie Stanley, 76, Wichita Falls resident who died Tuesday night in a Wichita Falls hospital. Cox-Johnson Funeral Home of San Angelo will be in charge of the service.

Mrs. Stanley is the mother of Mr. Horace L. Williams, co-owner of the Burk Drug in Burkburnett. The store will be closed from 2 to 3 p. m. Thursday for the funeral services.

TO WHOM IT MAY CONCERN: I am in receipt of a letter from Mrs. Helen James, Box 572, East Ely, Nevada. She is searching for relatives of Robert A. Ford, World War II vet, who died in that City leaving Gerald W. Ford (address listed as Burkburnett, Texas) as his heir. His mother is thought to be Mrs. A. B. Ford, and it is possible that he has a sister in this area known by some other (married) name.

Any information may be of assistance. There is, I believe a small estate involved.

FFA Chapter Entered Exhibit Texas-Okla. Fair

The Burkburnett F. A. A. Chapter entered an exhibit in the soil conservation building division at the Texas-Oklahoma Fair recently. The entry consisted of four boxes. One of them showed pasture land with plenty of grass on it and one showed pasture land with gullies and ditches in it because it lacked proper grass coverage. Another one showed strip row crops without soil erosion. The other one showed one crop with the plants planted far apart which had gullies and the top soil being washed away.

Nazarenes Join In Anniversary Sunday Service

The Burkburnett Church of the Nazarene will join Nazarenes around the world in simultaneous golden anniversary worship services Sunday morning, October 12th.

Rev. T. Krank Keese, pastor, will bring the anniversary sermon and be in charge of the service.

Mr. Bud Milstead, Sunday School Supt., says "The goal for Sunday School is to break all previous records." To accomplish this Mr. Bob Jernigan is working with the pastor and the Sunday School Supt. by assigning couples definite "pews" to fill for the morning service.

Keynote of other Nazarene services also will be thanksgiving to God for the blessings of the past fifty years. In the U. S. and Canada, services will be held in 5000 churches with 300,000 members. Abroad, another 45,000 Nazarenes will worship in forty world areas.

An international climax of the anniversary year will be reached on Monday, Oct. 13, at Pilot Point, Texas, where a monument will be unveiled at the place where the denomination started in 1908.

Dilemma Of The Unbalanced Budget

It is recorded that Frederick the Great, King of Prussia, had a difficult time, as all government heads do, in balancing his country's budget. On one occasion he gave a banquet, inviting persons of note to discuss the situation. He explained his dilemma and asked how it came about that, although the taxes were high, not enough money was on hand to meet expenses.

At last an old general, seated at the other end of the long banquet table, arose and fished out a large sum of ice from his punch bowl. He held the ice in his hand for a moment, then passed it on to his neighbor, asking that it be passed from hand to hand until it reached around to the emperor.

This was done, and by the time the lump of ice reached Emperor Frederick, it was reduced to the size of a small walnut. The general sat down. The lesson was obvious—there were too many hands in the government.

Partnership That Pays Off

Most accomplishments of importance these days are done with the cooperation of groups of people.

Many scientists worked together to achieve the Salk vaccine, and atomic energy. It takes the combined effort of labor, engineers and financiers to turn out a refrigerator or an ocean liner.

You might call it partnership, a partnership of talents and resources.

The government is trying to develop our water resources now through a partnership with private industry. And its working out pretty well. Latest of these plans is the offer of three utility companies in the Pacific Northwest that is the most imaginative and on the grand scale typical of the way they do things out in that open country.

The Federal Government had plans to build the John Day Dam on the Columbia River for navigation, flood control and electrical output. It would cost \$310,000,000 of the taxpayers money to build.

Three electric companies of that area made this offer. They would put up \$273,000,000 of the money for installation of the electrical part of the dam in exchange for the power over a stated period of years. This would be done with investors money and would not cost the taxpayers a cent. Thus the government would get a large dam for the bargain rate of \$37,000,000.

Besides, the federal taxes the companies will pay on the sale of this electricity will soon put back into the U. S. Treasury many times more than the \$37 million the government puts up for its part of the dam.

Sounds like good economic common sense for the government to get a bargain in something, in these days when the national debt is soaring to new heights. This gives real meaning to the word "Partnership."

Jobs For The Handicapped

A Presidential committee urges that five percent of the labor force of business as a whole be made up of handicapped workers. If this goal is reached, the 2,000,000 who are disabled at the present time would be given jobs and so would the 250,000 who become disabled each year. Of last year's rehabilitated disabled, jobs were found for only 65,000.

Hiring the handicapped is good business too. A Bureau of Labor Statistics study found that handicapped workers have lower accident rates, lower absentee rates, five to nine times less turnover, and a better production record than others.

Every business, large or small, should do what it can to help the nation reach that five percent goal.

GRASS ROOTS OPINION

OSWEGO, KANS., INDEPENDENT: "More and more of the sensible and well-meaning and far-sighted heads of the bigger labor organizations in this country are beginning to realize, where the periodic labor strikes, and always resultant wage and fringe benefits hikes are leading this country. They are killing the goose that lays the golden eggs. . . . Natural results is an influx of cars and other manufactured products from other countries."

CONWAY, S. C., HERRY HERALD: "The challenge to religion and the role of the church are no different today from what they were in the past. While there are various creeds, philosophies and faiths, they seek essentially to bring a communion between man and Supreme Being. Differences in the manner of operating the various churches do not involve the substance of religious beliefs."

HOW BOUT THAT

BY RALPH TEE

Wrong Notion

There is a fairly widespread notion that the growth of big business in this country has been made possible by the absorption and destruction of small business.

In 1900 there were 21 independent establishments per 1000 population—half a century later there were 27. And big business needs and supports small business. One of our biggest businesses has over 33,000 suppliers and subcontractors, most of them small. Another buys goods & supplies from 21,000 independent suppliers.

In some lines big business can do a job best—in others small business is superior. The country has to have both.

Not Enough Rich People

It used to be said that well-to-do and rich people could pay most of the taxes, so the rest of us needn't worry too much about the cost of government. But that situation is as dead as the Pharaohs.

The federal individual income tax starts at 20 percent. Then, as income levels rise, surtaxes of from two to 71 percent are added on, making the maximum tax a staggering 91 percent. Despite this, some 84 percent of our total individual income tax revenue comes from the base rate of 20 percent—while only 16 percent comes from the surtaxes. We just haven't enough rich people to soak.

THE STATE OF TEXAS

TO James Harrison, Defendant, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable 89th District Court of Wichita County, at the Court-house thereof, in Wichita Falls, Texas, by filing a written answer at or before 10 o'clock a. m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 27th day of October A. D. 1958, to Plaintiff's first amended original Petition filed in said court on the 8th day of September A. D. 1958, in this cause, numbered 58.697-C on the docket of said court and styled **NELVA HARRISON, Plaintiff vs JAMES HARRISON, Defendant.**

A brief statement of the nature of this suit is as follows, to-wit: After alleging jurisdiction, plaintiff further alleges that she and defendant were married on or about February 7th, 1955 and continued to live together as husband and wife until on or about February 15th 1958, when by reason of cruel, harsh and tyrannical treatment on the part of the defendant toward this plaintiff of such a nature as to render their further living together as husband and wife insupportable; that no children have been born of said marriage and none are expected and that the parties own no community property.

WHEREFORE, plaintiff prays that defendant be cited to appear and answer herein, and that upon trial hereof, she have judgment for divorce and for such other and further relief in law or in equity to which she may show herself justly entitled as is more fully shown by Plaintiff's Petition on file in this suit. Plaintiff's Original Petition filed in said cause November 21, 1956. If this citation is not served within ninety days after the date of issuance, it shall be returned unserved.

The Officer executing this process shall promptly execute the same according to law and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Wichita Falls, Texas, this 10th day of September A. D. 1958.

Attest (SEAL)

FLORA COBB, Clerk
89th District Court,
Wichita County Texas.

Mrs. W. C. Vann Hostess Recently Federated Society

The Federated Missionary Society met in the W. C. Vann home with Mrs. Brocker and Mrs. Keller as cohostesses. President, Mrs. W. C. Gage, opened the meeting. Take Time To Be Holy, was the opening song with Mrs. Gladys Carswell at the piano. Prayer by Mrs. Kent.

Mrs. Jim Ady brought a very inspiring devotional from Matt. 7th chapter on Judging One Another. She also quoted, "We should have good books in our home but the bible was first." She also spoke on Stewardship of Money and prayer. Mrs. Vann had so thoughtfully written a bible verse for each to use as roll call. Closing prayer by Mrs. Ady. The welfare committee again stressed the need for magazines, glasses, old radios, clocks, or anything that can help someone in our state hospital. Mrs. Jessie Jones or Mrs. Ady will be glad to accept any of these articles and will be responsible for delivering them to the hospital.

A nice refreshment plate carrying out the Halloween motif was served to the following members: Mesdames W. C. Gage, W. B. Short, C. B. Beldon, Homer Gilbert, W. C. Carswell, B. N. Cauthorn, A. R. Bunstine, Lewis Brocker, Cordia Keller, W. C. Vann, J. B. Ady, Hattie Buchanan, Myrtle Minnick, Reggie Kent, V. C. Skipwith, Neal Hall, Jim Haley, Mary Cecil, F. R. Knauth, Ben Turner.

The next meeting will be in the home of Mrs. Jim Haley, Nov. 7th.

DEVOL NEWS

MRS. C. O. WOODLEY
About 150 members and visitors were present Sunday at the anniversary of the local church for morning services and to enjoy a delicious luncheon served at noon in the community building. Rev. Clarence Brown of Davidson, who served as pastor 1925-27, conducted the morning services and Laftin of Antioch preached at 10 p. m. Three of the ten members were present for the celebration: Mrs. Lila of Iowa Park, Mrs. Will of Burk Burnett and Mrs. Dillow of Devol. Many other members were present for the occasion and everyone had it a most enjoyable affair.

Swivel Seats, Jet-Age Styling Highlight The New 1959 Dodge

Driver comfort, convenience and control features, including swing out, swivel seats, highlight the 1959 Dodge, while jet age refinement of the dart look create a new and distinctive exterior design.

The swivel type front seats, an instrument panel concentrated more closely around a new easier to get by steering wheel, plus pushbutton control of virtually all driver operations, head the list of 1959 advancements inside the new cars.

New styling treatment of both front and rear, side and roof, and sharply defined, canted rear fins introduce a dramatically

new concept of styling.

A striking exterior design is keynoted by arched headlight eyebrows which curve inward and downward to the front grille. New taillights, patterned after jet tubes, and new rear end control surfaces on the fins provide a fleet, futuristic image.

Oct. 10th has been set as the tentative date for the new models to go on display in dealer showrooms across the country, according to M. C. Patterson, Dodge general manager.

Ride ability and roadability of the 1959 Dodge have been improved through advances in the Torsion-Aire suspension system, coupled with optional rear-end "Level Flite" suspension.

Additional new, designed for

the driver features of the Dodge include: (1) push button controls for the heater and air conditioner, (2) a safety speedometer which changes color as speed increases, (3) an electronic rear-view mirror that automatically cuts glare from overtaking car headlights, (4) an outside rear-view mirror that can be controlled from inside, (5) an automatic headlight dimmer, and (6) a higher steering wheel that is slightly flattened at the top, affording better road vision and at the same time, making it easier for the driver to get in and out of the car.

The new swing-out swivel seats were termed a major new development in car passenger accommodations by Patterson.

The swivel front seats provide easy accessibility for all passengers in now newer, lower automobiles, Patterson said.

Back rests for both seats can be pushed forward simultaneously, permitting rear-seat passengers to exit from both doors at the same time.

'59 Dodge Offers Style, Comfort, Economy

The tail fins of 1959 Dodge cars, like this Custom Royal four-door Lancer, have softer, more flaring lines. A new high-contour roof provides more headroom and allows easier entry and exit. New engines and advanced torsionaire suspension provide greater gas and tire economies.

On Display At Burk Burnett Motors, Friday, October 10th

Two nacelle-styled chrome lights below each rear fin simulate the jet tube design while the parking lights. Twin tail-chrome moldings are cut "on the bias" to permit visibility from the side as well as the rear for increased safety.

The Newest of Everything Great!

The Greatest of Everything New! New things, great things, reward you in this '59 Dodge. Seats swing out to invite you in. New HC-HE engines — high compression, high economy — deliver more thrust, use less gas. Orderly rows of buttons on a gleaming panel welcome you to the first all-pushbutton car, with fingertip control of driving and weather. New Level-Flite Torsion-Aire introduces you to three dimensional comfort—ride

control, road control, load control. Outside mirrors adjust from inside. Inside mirrors adjust themselves electronically to banish glare. A new Lustre-Bond Hi-Baked enamel finish keeps its sheen up to twice as long. Its Swept-Wing beauty sets the trend for other '59 cars. All this is great. But the final reward is the greatness built into this Dodge. It is deep down, through and through, and thoroughly satisfying.

 venience of operation.

Pontiac's tried and proven
 Super Hydra-Matic transmission,
 available with all 1959 models,
 has been modified to provide
 even smoother shifts, increased
 reverse capacity, and greater
 durability. A newly designed
 Hydramatic gear shift indicator
 is conveniently located on the
 instrument panel above the steer-
 ing column.

A new rotary, in line gear de-
 sign highly improves Pontiac's
 power steering. Compact and
 space saving, the new design
 greatly reduces steering effort
 while still increasing the drivers
 feel of the road. The gear de-
 sign permits the driver to re-
 tain full control of the car by
 manual operation in the remote
 possibility of power system fail-
 ure.

Pontiac's dependable power
 brake unit has also undergone

refinements. The new, more
 compact unit features improved
 performance and reduced oper-
 ating noise and friction. An im-
 provement in the linkage sys-
 tem allows a lighter feel and
 more positive control. Power
 brake pedal area has been in-
 creased to approximately 16
 square inches.

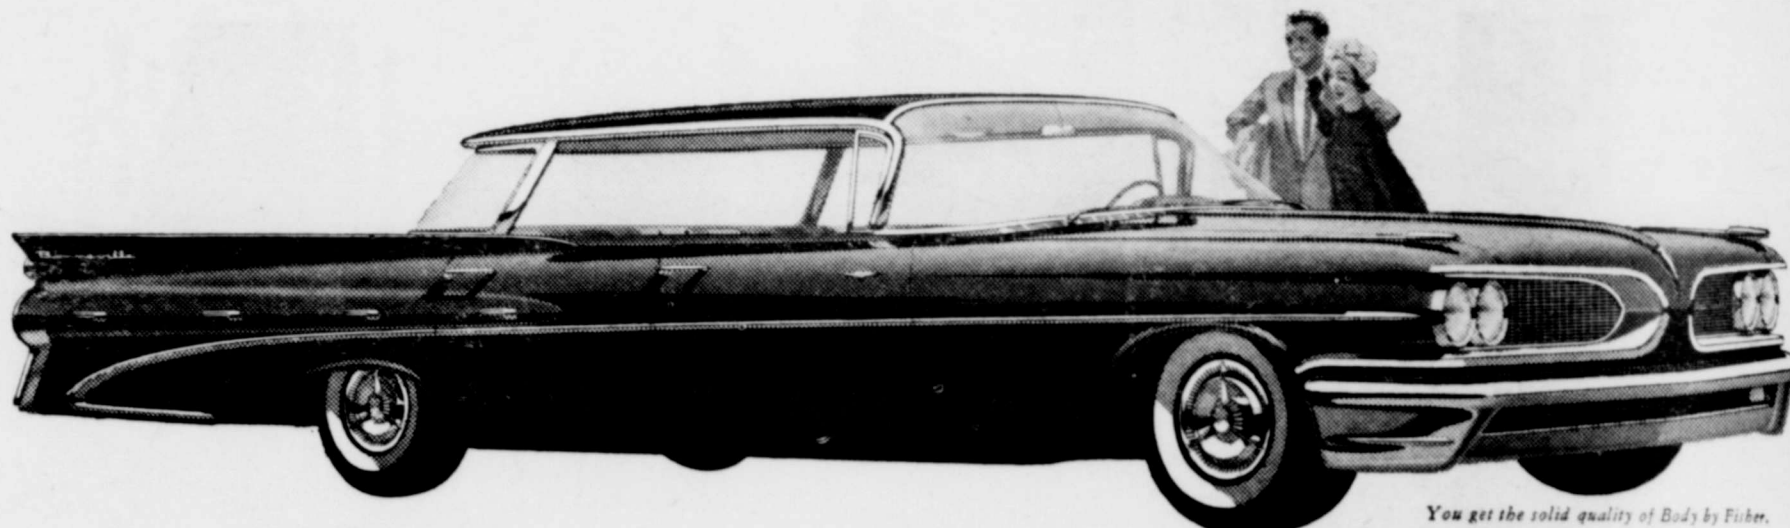

A rear seat heating duct, de-
 signed to improve comfort for
 back seat passengers, is a fea-
 tured innovation of Pontiac's
 1959 heater defroster unit. Sim-
 ple push button controls to the
 right of the steering column ac-
 tivate the dash mounted heater
 for almost instant comfort in the
 severest winter weather.

Accidents and traffic viola-
 tions from unintentional speed-
 ing are no worry when using
 Pontiac's completely restyled
 warning mechanism. The Safe
 Guard unit, built into the speed-
 ometer, enables speed selection
 settings upward from 15 miles
 per hour and provides audible
 as well as visual warning sig-
 nals.

REPRESENTING THE MOST progressive change in Pontiac Motor Division's 51-year history is the Catalina Vista. The beautifully contoured Vista-Panoramic windshield and large, wrap-around rear window provide unparalleled vision for driving safety. Absolute simplicity in styling is achieved with the twin "air scoop" grille housing dual headlamps and a low, cleanly styled body topped by a slim-line roof. Vista models are also featured in the Bonneville and Star Chief series.

Who in the world built this beauty ... the only car with wide-track wheels?

EXCLUSIVELY YOURS—WIDE-TRACK WHEELS

Wheels moved out 5 inches for the widest, steadiest stance in America—better cooling for engine and brakes—lower center of gravity for better grip on the road, safer cornering, smoother ride, easier handling. You get the most beautiful roadability you've ever known—in America's Number 1 Road Car!

PONTIAC!

America's Number 1 Road Car!

Those exclusive Wide-Track Wheels sparked a chain reaction of wonderful new ideas: You can see the trim, tailored new look . . . it's inches lower without sacrificing roominess or road clearance. The first time you drive it, you'll discover this beauty handles city corners and clings to country curves in a way the conventional narrow-gauge cars can't hope to imitate. And the ride . . . the miraculous freedom from sway, dive and bounce . . . this is an experience in buoyant travel that you won't believe—until you try it.

But there's still more to the new Pontiac

to stamp it as the big change for '59:

Vista-lounge interiors with full 360-degree visibility . . . seats actually wider than a sofa . . . Air-Cooled True-Contour Brakes for smooth, effortless control, stop after stop after stop.

The industry's most advanced V-8, Pontiac's Tempest 420, gives you spectacular new responsiveness. And there's a new companion power plant, the Tempest 420E, that delivers phenomenal extra mileage—and does it on regular octane gas!

Come see why no other car can possibly be so new as the new Pontiac—three series: magnificent Bonneville, dramatic Star Chief and brilliant new Catalina.

Wichita Co. Club Boys

Coming to Chicago

Two Wichita County 4-H club boys, Olen Baley and William Morton, will do some traveling in late November when they go to Chicago for National 4-H Congress, November 12-14.

Their names were released as state winners in the 1958 electric and tractor programs, respectively. Donor for the electric award is the Westinghouse Educational Foundation, of Pittsburgh, Pa., and in addition to the state trip, county medals for county winners and six \$400 college scholarships for as many national winners. Donor for the tractor program is Humble Oil and Refining Co., Houston, Texas.

The donor, in addition to the trip, also provides medals for county winners and shares in the financing of 12 college scholarships worth \$400 each for as many national winners.

For seven years Olen has been studying the wonders of electricity and how its power could be harnessed to make life more pleasant, the farm and home chores easier and the standard of living for the family higher. On his own, and with help from his family, these objectives have been gained.

Back in 1952, the principal uses of electricity on the Baley farm were for home lighting and powering a few small appliances. Today, a network of power lines takes the labor-saving energy into every nook and cranny of the farmstead. It pumps water, heats the baby pigs and chickens, cools the house in summer and even provides the push for mowing the lawn. Olen and his brother have had a lot to do

with this transformation. Life on the Baley farm has certainly benefited, the family agrees, from the work done and knowledge gained by Olen through the electric program.

The Friberg-Cooper 4-H boy, with assistance from his father, wired the barns and poultry houses, a new addition to the home, a farm shop and new garage, and when the house circuits became overloaded, the entire house. Too, he has built numerous lamps, brooders, electric fences, a power lawn mower and has become so adept that he keeps the electrical system on the farm and all of the equipment operating at top efficiency.

Olen has by no means spent all of his time making electricity work for him and his family. He has won 101 ribbons at major fairs and stock shows on his hogs, poultry and beef cattle. He has served his club in many official capacities and has been on many county and district committees. He has been a member of both judging and demonstration teams and holds many county and district honors.

He is the son of Mr. and Mrs. G. O. Baley, Route 4, Wichita Falls and is a senior in Burk Burnett High School where he is active in many school clubs. He takes an active part in church and community affairs and for the past five years has served as a junior leader for the county in the electric program.

Morton is also a member of the Friberg-Cooper Club and is completing his seventh year of 4-H club work. Tractor maintenance has been a major demonstration throughout his 4-H career and he credits the project with saving a lot of money for the family on reduced gasoline and repair bills. His brother is a former state winner in the program and between them, they keep the two farm tractors operating at peak efficiency. Daily records are an important part of the program.

The new state champion uses the operator's manual which came with the tractor as the basis for his tractor maintenance work. "A lot of trouble with farm tractors could be avoided," he says, "if tractor operators would use the manual as the manufacturer suggests." William points out that the useful life of a tractor can be drastically reduced when it is not properly lubricated and serviced. Many major breakdowns could be avoided if the checks outlined in the manual were made.

William was a prime mover in establishing a tractor driving contest in his home community which included a division for dads. The first one proved so popular that it is now set up on an annual basis and a division for girls was included for the first time last year.

As a result of the training which he has received, William says, "I don't have to waste time calling dad

to help me when something goes wrong for I do the fixing myself. My father and I agree that our 'well-running' tractors are a real asset to our farm."

In addition to his tractor work, Young Morton has completed demonstrations involving swine, beef cattle, garden, poultry, grain crops and wildlife. He has 58 ribbons as proof of his abilities in other fields. He is a State Fair Honor Award winner and has won many medals and honors in the county and district. Last year he fed and exhibited the champion pen of three steers at the Fort Worth Stock Show.

William is active in the church, community and all school affairs and in the neighborhood organization. The successful 4-H careers of these two state winners, as have several others from Wichita County, have been supervised by County Agent B. T. Haws. The local adult leaders, Mrs. R. C. Moser, Willie Morton and Ralph Swinford, have also contributed much time and energy to the development of the highly successful 4-H Club program in the community. The rural youth of Wichita County have profited from this combination of leadership.

The Friendly Bluebirds met Monday, Oct. 6th at the home of their leader, Mrs. Jack N. Reed.

An election was held and the following officers were elected: President, Pam Six; Vice President, Kathryn Reed; Treasurer, Diana Swan; Secretary, Jan Vincent; Candle Lighter, Karen Metz; Monitors, Treva Ladd and Linda Fisher; Song Leader, Lynne Kelly; Reporter, Kathryn Reed.

Refreshments were served by Kathryn Reed and Mrs. Reed.

Den 1

Den 1 met Wednesday, October 1, at Mrs. Wooten's house. We made footscrapers from bottle lids and a board. Den 1 sanded flag poles and stands for the new cub scout pack. Mrs. Burt-en served refreshments. Keeper of the buckskin, David Mahaffey.

Fashion Rose Club Started New Year With Breakfast

The Fashion Rose Garden Club met in the lovely home of Mrs. Norena Brister for their first meeting of the year with a breakfast. The breakfast was served buffet style to eleven members.

The meeting was called to order by the president and roll call was answered with "My Vacation." After a short business meeting, a fern was given to each member to grow. Later in the year they will be judged to see who has the prettiest and healthiest fern. Secret pals were revealed and names were drawn for another year.

The door prize was won by Anita Bangs.

Next meeting will be in the home of Mrs. Mary Ruth Westbrook.

Those attending the breakfast were Mesdames Anita Bangs, Carol Blankenship, Norena Brister, Irma Brocker, Mildred Foyce, Opal Kennedy, Georgia Logan, Frances Sprague, Edith Vivattene, Mary Ruth Westbrook and one new member, Mrs. Danela Nix.

Mrs. Walter Myers To Display China At Dallas Fair

The Womans Dept. of the State Fair of Texas has selected as one of the fifteen table settings to be on display the hand painted china done by Mrs. Walter Myers, Jr., of 3413 Villanova St., Dallas. Mrs. Myers will be remembered by friends in Burk Burnett as the former Miss Daisy Mathews. She is the sister of Mrs. Ralph White of Burk Burnett. The Myers have one daughter, Evelyn, aged four.

Mrs. Myers is a member of the china painting guild and has won many honors for her china painting. She is also a member of the Dallas Forum and is a former president of that organization.

The china service will be on display the second week of the fair beginning next Monday the thirteenth.

SEASON'S CLIMAX CATTLE SALE ON OCTOBER 16-17

The finale of our most successful season of special stock-feeder cattle sales at Fort Worth. This is the Big one at Fall round-up time. Our double header sale in September grossed over \$532,100. Get in on these better sales in Fort Worth.

Trophies and dozens of special prizes. All breeds of commercial stockers and feeders eligible. Show and sale both days.

Here's what they say:

Mr. Paul A. Hill of Sweetwater says, "I was amazed when my commission man informed me we had such a successful sale. Our \$36 champion carload of calves was a pleasant surprise. These sales deserve a lot of credit."

The cream of the nation's cattle buyers will be in Fort Worth Oct. 16-17th. Display your cattle before them to the best advantage and cash in on proven successful shows and sales.

School News

The Student Council of Burk Burnett High School held its regular weekly meeting on Tuesday October 7. President Myrna Hoffman called the meeting to order and Chaplain Lee Bulla brought a word of prayer.

A new plan for the parking of the Student's cars was discussed and voted upon. The plan will be presented to the school board and is hoped to be announced at a later date.

The meeting was then adjourned.

NEW CAREER KIT IN USE IN SCHOOL

Roy L. Silkwood, high school principal and guidance director at Burk Burnett High School announces that a career guidance Kit is available in the school library for the use of students and adults of this area who want information about specific jobs, or about scholarships.

The file was provided by the Student Council.

The career kit adds over 1,000 pamphlets, reprints and posters about jobs, to the material already available in the school library. The Kit is contained in a filing system which is easy to use.

Additional accurate and useful information about jobs will be received by the school each month, from the publisher of the Career Kit, to keep it up to date.

Mr. Silkwood invites parents, out of school youth, and other adults to make free use of the Career Kit as a source of accurate and up to date information to help solve their job and educational problems. Contact the school librarian.

Mr. and Mrs. Thomas W. Whalen and son Jeffrey of Ft. Worth visited her grandparents, Mrs. H. S. VanCleave and Oma, over the week-end.

Mrs. Clayton J. Foster, Sr., and son, Clayton, Jr., of Sacramento, Calif., are visiting her mother, Mrs. H. S. VanCleave and Oma, this week.

AS A CITY GROWS

Hardly a week passes in Burk Burnett that you don't hear of a new addition being planned or developed. With construction of the new Wichita Falls Highway getting closer all the time, a number of new additions will develop near burkburnett.

Add to this the building of a new school in the Burk Burnett School District near the Capehart project at Sheppard Air Force Base. All of this development points to a closer relationship with Wichita Falls.

You can see in this planned and near future development the increased importance of Burk Burnett-Wichita Falls extended area telephone service. For as a city grows, so grows its telephone communication needs — direct dialing service between Burk Burnett and Wichita Falls.

LUXURIOUS — But Not A Luxury

GOT A TELEPHONE IN YOUR BEDROOM YET?

Nothing tops a bedroom telephone for real luxury living. When I'm home using ours, I like to stretch out on the bed with the phone cradled between my shoulder and my ear. I can relax and really talk that way.

There are plenty of good, practical reasons for having a bedroom telephone, too. Privacy, for example. And women often say how reassuring it is to have a phone at their bedside when they're alone in the house at night. It's much nicer to be able to "reach" to answer instead of having to dash to another room.

Here in Burk Burnett, a bedroom extension costs only \$1.00 a month plus installation. And for a one-time charge of only \$10, you can have your choice of any of the nine beautiful color telephones. They're especially smart for bedrooms.

EASY WAY TO KEEP IN TOUCH

I guess at one time or another, we all remember — out of a clear sky — someone we haven't thought of in a long time. "What ever happened to George?" we say. Or to Ruth, or the Browns, or the Martin family. Usually it's someone we really mean to keep in touch with — like the couple who used to live next door, or old friends in faraway places. But with so much on our minds and so much to do, the months fly by and we never get around to it.

The quick, easy way to make up for lost time, is, of course, to use your telephone.

A long distance phone call is the personal, thoughtful way of keeping in touch with those you care about. Try a call tonight, and you'll see what I mean.

Call by number. It's twice as fast.

SECTION 8-1

Section 8-1 is proud to have 11 members of the class on the football team. They are as follows: Linebackers—Steve Morris, Eddie Gellner; Ends—Dwight Long, Darrell Kinnett, Rodney Hollenbeck; Tackle—Frank McConnell, John Wood; Halfback—Jimmy Monson; Guard—Barry Liles; Tailback—Donald Mason; Backfield—Barney Fudge. Donald Mason also shares being captain with a boy from another room.

The enrollment of the class is now 29. We are sorry to say we lost Cathy Ross who moved to Dumas.

SECTION 7-2

We were pleasantly surprised last Friday. Sherri Gragg, a former classmate from Edmond, Okla. visited us.

The class is making fire prevention posters and peep boxes this week. Our science lessons this week have been the study of Insect Pests and How to control them. Several reports were given also some insects were brought to place on display.

This first six weeks has gone by very quickly, may be it seems

so because we have been working hard. When we receive our report cards next Wednesday, we will know if we studied as hard as we should have.

SECTION 7-3

On Wednesday afternoon we heard a speech about how President Eisenhower has asked all the schools to teach all students our leaders of tomorrow, The Pledge to the Flag, so if your children do not know how please help them with it. If they don't know the meaning, please tell them.

Henry Bentley of section 7-3 entered some of his 4-H livestock in the Texas-Okla. fair. He placed one first, two 2nd, one 3rd and one 4th. Henry is a very fine student in school and we are very proud of him.

Gary Wood Named Semifinalist Merit Scholarship Contest

A Burkburnett High School senior, Gary Wood, son of Mr. and Mrs. Harold Wood, has been named a semi-finalist in the National Merit Scholarship competition.

He was among 500,000 taking the tests and 10,000 entering the semi-finals.

Wood was co-valedictorian of his eighth grade class, has been a member of the band throughout high school and is now serving as band vice president. He also holds membership in the National Honor Society and last year was named one of three Burkburnett representatives to Boys' State held at the Univer-

sity of Texas in Austin.

Semi finalists now face another three hour examination Dec. 6th. About 95 percent will become finalists and be eligible for further examination to se-

lect scholarship winners on such factors as character, leadership, extracurricular activities and others.

Mr. Stewart E. Sewell of Jackboro, Texas, says, "We were very well pleased with the sales this year. In September we found a buyer for our heifer calves who paid a premium price of \$33. He will make cows of them. The sales fill a real need."

1958's HIGHEST PRICES PAID AT FORT WORTH'S SHOWS AND SALES

Highest gross and highest average commercial cattle sales in Texas this year were the double header stocker-feeder events at Fort Worth. Compare! Our September sale grossed over \$532,100 on 3,743 calves and yearlings.

Our fall roundup time special will be October 16-17th. Trophies and dozens of special prizes. The cream of the nation's cattle buyers will be in Fort Worth October 16-17th. Display your cattle before them under most favorable sales conditions. Cash in on proven successful shows and sales. Show and sale both days.

For details or information contact members of the Market Institute or the Institute office, Ted Gouldy, manager, Livestock Exchange Bldg., Ft. Worth 6, Texas.

Electra Defeats Burkburnett By Score of 24 to 6

Burk's High School Bulldogs lost a hard fought contest with the Electra Tigers there last Friday night. The score was 24-6, which does not indicate the closeness of the play. Burk had three touchdowns called back by penalties, which plagued them all night.

Electra's three touchdowns were set up by a Burk fumble, a pass interception and an on-side kick which backfired against Burk.

Gary Jennings scored for Burk's lone tally. This Friday night Burk will be hosts to the Olney Cubs in a conference game. Game time, 8:00 p. m.

Mrs. Weldon Nix was admitted to the Medical and Surgical Clinic in Wichita Falls Tuesday where she is undergoing a series of tests and examinations.

ESA Chapter Formed October 2

Epsilon Eta Chapter of Iowa Park of Epsilon Sigma Alpha International recently organized a sister chapter in Burkburnett and were hosts to the pledgees and officers of Theda Epsilon Chapter at an initiation dinner Thursday night, October 2nd at Underwoods in Wichita Falls.

Sixteen members signed the charter. Officers of the new sorority are Mesdames B. A. Faris, president; Carl Winkles, vice president; Carvel Good, treasurer; Kenneth Simmons, corresponding secretary; Wilburn Glisson, recording secretary and Delmar England, reporter. These officers were installed by Marilyn Chandler, District 6 E S A president of Wichita Falls and Mrs. Bud Mitchell read the pledge ceremony.

Other charter members are Mesdames Loyd Smith, Jessie Lee Bills, Jr., Dan Hofacket, Raymond VanLoh, Murray Carter, Cloyd Adams, Walter Brown, Tommy Goins and Wanda Enloe.

Theta Epsilon Chapter members recently attended a Hawaiian cooler at the home of Mrs. Glen Miller in Iowa Park. Party rooms were beautifully decorated and members came in native costume. The evening was thoroughly enjoyed by all.

Jr. High 4-H Club Met Oct. 7th

The Burkburnett Jr. High 4-H Club met in the school library on October 7th. Officers were elected as follows: President, Janelle Hinkle; Vice-President, Mitzi Mills; Secretary, Pam Duke; Reporter, Marilyn Bailey; Council Delegate, Kay Hicks; Demonstrators, Linda Lilly, Food, and Marilyn Bailey and Kathryn Siber, Clothing.

There were 25 members present and one leader, Miss Ethel Geeslin. We filled out enrollment cards and discussed plans for the coming year.
