Merchants Sponsoring Christmas Awards to Burk Burnett Shoppers

Burkburnett merchants will follow a plan similar to that used last year during the Christmas shopping season. Awards will be made to shoppers each Saturday through the month of December and one on Wednesday, December 24. At the Saturday awards merchandise coupons will be given. At the December 24 drawing, the Chamber of Commerce grand prize of \$500.00 in script, redeemable at any business in town, will be awarded.

Plans have been made to advertise this program extensively. Merchants are urged to give as valuable prizes as possible, suggested value of not less than \$5.00 per week. Merchants offering prizes will run cooperative advertising listing the awards offered in the newspaper.

All members of the Chamber of Commerce have been mailed cards on which to list the merchandise they wish to give. These cards should be mailed back to the Chamber of Commerce office immediately.

The registration tickets for shoppers will be available to merchants at the Chamber of Commerce office November 17, at no cost to the merchants.

Burkburnett Invited To Have "Day" at The Fat Stock Show

Burkburnett has been invited to have a "day" at the 1959 Southwestern Exposition and Fat Stock Show, which will be held Jan. 30 through Feb. 8 in Ft. Worth.

In a letter, W. R. Watts, president-manager of the show, suggested that Burk Burnett select a cowgirl sweetheart who can be introduced at the Stock Show rodeo. Watt also invited the city to send its high school band so that the students may give a concert on the exposition grounds. Band members will be guests of the Stock Show at the rodeo performance.

Watt expressed the hope that a delegation of citizens, wearing hat bands or badges proclaiming their hometown, would attend the exposition. A special section of seats at the rodeo also will be set aside if Burk Burnett residents would like to sit together.

Dale Robertson, star of the TV western series, "Tales of Wells Fargo", will be featured in all rodeo performances. He will star in a musical act designed especially for the Ft. Worth show.

"The 'days' when various towns are honored add color and contribute much to the success of the Stock Show", Watt said in his letter.

He asked that the Chamber of Commerce or any interested group work with the Stock Show officials to plan the special "day".

"The Stock Show is looking forward to your acceptance and will give your plans as widespread publicity as possible", Watt said in his letter. "All of us will do everything in our power to make your visit enjoyable."

Charles P. VanLoh Funeral Tuesday

Charles P. VanLoh, 82, pioneer resident of the Clara Community near here, and resident of Wichita County for more than 60 years, died suddenly Sunday at his home here.

Funeral services were held from the Clara Lutheran church Tuesday afternoon at 2:30 p. m. Burial was in the Clara cemetery under the direction of Owens-Brumley Funeral Home. Officiating was Rev. Louis Boriac, pastor of the church.

Palbearers were O. W. Prechel, Arnold Holtsen, Walter Kaspar, Edd Heisermann, Emil Schroeder and Walter Foster. The elder VanLoh was a retired farmer, having moved to the Clara community 63 years ago. Since then he and his family had an important part in the development of North Wichita County. He was a member of the Clara Lutheran church and assisted in its organization.

VanLoh was born in Waseca, Minn., Sept. 29, 1876. He came to this area in 1895 and was married to Miss Martha Muller, Dec. 9, 1905. They celebrated their Golden Wedding in 1955. Mrs. VanLoh preceded him in death, Feb. 6, 1957.

The family lived in the Clara community until October, 1956, moving then to their home here, 607 N. Ave C.

Survivors include three sons, Victor, Harold, and Raymond VanLoh all of Burk Burnett; five daughters, Mrs. George Counter Jr., Burk Burnett; Mrs. Jack Logan, Houston; Mrs. Pete May, Kansas; Mrs. Dub Tollet, Iowa Park; and Mrs. Aransas Pass, Tex., and Mrs. Harry Siegly, Wichita Falls, 17 grand children, one great grandchild and two sisters, Mrs. Lizzie Fratzke, Minneapolis, Minn., and Mrs. Bert Peak, Mankato, Minn.

This is the third consecutive year for the band to win a I division in Interscholastic

Mr. D. L. Cooper Guest Speaker at Burk Study Club

A most educational and interesting address on Driver's Education was given the Burk Burnett Study Club by Mr. D. L. Cooper in the home of Mr. and Mrs. Jack Mathis.

As a member of the Texas Department of Public Safety, Mr. Cooper brought first hand knowledge and experience of the problems, dangers and needs of The Land Transportation System of this country. The history and the future of transportation by land was reviewed. The problems and news we have today were discussed at length.

There are many things we as citizens of Burk Burnett must do to keep our highways and streets safe. As drivers and parents of drivers, we must strive to be experts. Mr. Cooper advises 3 simple rules for expert driving: 1. Be Prepared, Mentally and physically we must be ready to drive, have our vehicles safe and inspected, know the driving rules and observe them. 2. Be careful, be alert as to the other vehicle, the pedestrian, drive slow enough to stop if need be. 3. Be polite, create respect for the law, respect for the motor vehicle and respect for the rules and signs governing the streets and highways of our town, just as we respect our yard, our house, our driveway.

We must see that our young drivers are educated and able to properly handle a vehicle, observe the rules, know the laws and respect such, before they are allowed to drive.

Mr. Cooper closed his address with a simple proverb, "Wise men learn by other men's mistakes--Fools by their own."

ROTARY CLUB Town Hall Each Tuesday

Bryan Farris introduced as his program Mr. Ray Dye, manager of Sears Roebuck and Co. of Wichita Falls. Mr. Dye spoke on Vocational Service, stressing employer-employee relations defining management and how to build a good business and enjoy its fullest growth by placing the right employee in the place that suits he or she best that they might do a better job for the firm. Vision and planning, heart to heart talks with employees that they might understand one another and analyze their views and give him a chance to express his opinions, or in other words let them know you are interested in their welfare. Mr. Dye's remarks were thoroughly enjoyed by all.

Paul Ragsdale spoke briefly to the club on USO Pal Week urging all Rotarians to have as their guest some service man for their weekly luncheon Nov. 18. By unanimous vote, all 27 members will be host to 27 service men on that date.

Twenty-seven members and guests were in attendance. Clark Gresham will be responsible for the program next week.

President John Brookman urged the members to read their weekly news bulletin, the Rotary Cog, and then take it home for the wives to read. You will all appreciate the fine job Al Lohofener is doing in editing this weekly bulletin.

Worry is like a rocking chair, gives you something to do, but doesn't get you anywhere.

Burk Band Wins First Division Interscholastic Marching Contest

The Burk High School Band won a I division rating in marching in the University Interscholastic League Region X marching contest held at Coyote Stadium Wichita Falls Tuesday night, Nov. 11th. It was also rated a I division in inspection.

The band was conducted on the field by Drum Major Pat Clack, who led the band through required maneuvers and a special routine which had been planned by Director James C. Wickersham.

This is the third consecutive year for the band to win a I in marching in Interscholastic

Bridwell Soil Conservation Awards Names Wilbur Prechel As Winner

Enclosed is a list of winners in all divisions of the 1958 Bridwell Soil Builders Awards Program with the amount each will receive at the Awards banquet scheduled for Tuesday, November 18, 1958 at 6:15 P. M. in the Midwestern University Student Center in Wichita Falls. As you will note, more than 80 individuals and communities will share a total of \$5,895.00 in cash awards.

The Grand Winner of the Conservation on the Whole Farm Division for the three counties will not be announced prior to the banquet. Each winner in the Conservation on the Whole Farm Division, the first place winners in the Community Participation Contest and the Sweepstakes Community Contest will receive plaques in addition to cash awards.

More than 350 individual entries were received on 165 separate farms and ranches in the three county area.

I hope this information will be of benefit to you and I will look forward to seeing you at the banquet.

Sincerely, David Clinton, Manager Agriculture and Area Development Wichita Falls C. of C.

Winner of the award Conservation Practices on Whole Farm, Wichita County, is Wilbur Prechel, who lives 9 miles West of Burk Burnett. Here are some of the reasons Mr. Prechel received this recognition: Placed 2nd in contest in 1952.

One of first to grow Austrian Winter Peas and use phosphate fertilizer in Wichita County.

Has used clover and cow peas in addition to peas in improving the fertility of his land.

All cropland terraced -- first started terracing in 1925.

Keeps good stubble cover on surface of soil.

Has outstanding growth of wheat following peas this year.

Plants 50 pounds of Austrian Winter Peas per acre. Does all farming operation on contour with terraces.

Other winners in this area who will receive awards are: Joe Edwards, Clinton Swinford, Haskell Harrison, Willie Moon, J. C. Burnham, Olen Bailey, Ralph Swinford, Mrs. E. J. Simons, Truman Garland.

Dear Santa:

Please get daddy a real gun with 89 bullets and a coat with something to cover his ears. Poly would like some dishes, a red coat and some records, and Mark wants a little horse, a play gun and an army car. I want a Tiny Tears doll, a bike and some new, real dishes. Please, please, please. Love, Jo Ann Watkins

Youth Center In Need of Funds

Contributions are needed to help take care of operational expenses of the Youth Center. Dues, sales of soft drinks, etc., go a long way toward defraying expenses, but the difference must be made up by contributions from interested citizens.

The Youth Center is definitely an asset to Burk Burnett and its teenagers. It is used extensively and is the most popular place in town with the teen age group.

Contributions may be given in any amount, to Alvin Hill, chairman of the finance committee.

Mrs. Ralph White New Chm. Directors Burk Swim Club

The Burk Swim Club board of directors held a regular meeting Tuesday night at the City Hall. Due to the resignation of Mr. Tom Hill and the death of Mr. Hal D. Mabry, two new directors were named to the board. They were Mrs. Bill Bean and Mrs. Hugh C. Preston, Jr. Mrs. Ralph White was elected chairman of the board. Other members of the board are: W. W. Freeman, John Page, Bill Vincent, Francis Beavers, Foye Holland. Officers are Floyd Martin, president; Joe Crowley, vice president; James Brady, Secy.-Treas.

During the business meeting, plans were made to accept bids in the near future for construction of the new swimming pool. Plans were also discussed for sponsoring a contest to name the park. The City Council recently voted to give the club directors the authority to plan the landscaping of the park area around the pool. The park contains 8 acres of land which will be divided into picnic and playground areas, a ball park, tennis area, parking area, and etc. The park will be located on the old Gulf road south of the city.

The directors announced that they now have a total of 162 membership pledges with a total of \$8,138.50 in the pool fund. They have \$168.73 in the general fund.

All individual and organizational memberships will be published in the near future.

Mrs. Harry Sapp and children of Farmington, W. Va., are visiting her parents, Mr. and Mrs. W. T. Cox this week. They also plan to visit Mrs. Raymond Dillingham and children in Pampa before returning home.

Mr. and Mrs. N. H. Harris of this city and Mr. and Mrs. Ed Akins of Wichita Falls have just returned from a few days visit in Abilene, with Mrs. Harris' sister, Mrs. N. E. Wilson and family.

Bill Donnell Hurt In Auto Mishap

W. T. Donnell, 41, manager of the Lone Star Gas Co. in Burk Burnett, was admitted to Wichita General Hospital Wednesday afternoon as a result of injuries suffered when his pickup truck overturned one mile south of town.

Hospital attendants described his injuries as right shoulder and chest pains and reported he was in good condition.

Highway patrol officials said the mishap occurred at about 5 p. m. as a rear tire of the pickup blew out, causing the vehicle to overturn.

Area Road Work Scheduled Under 1959-1960 Program

The Texas Highway Commission has taken the first step to inaugurate a new two year Farm to Market Road Program for Texas. Marshall Formby, chairman of the Highway Commission stated that the funds for this 1959 and 1960 program are derived from federal aid highway funds, matched with state highway funds on a dollar for dollar basis.

L. B. Dean, district engineer of the Texas Highway Department at Wichita Falls, has stated that the following farm to market road in this area is scheduled for work under this program:

From U. S. Highway 287 and F. M. Road 2384 South to F. M. Road 367, a distance of approximately 6.3 miles.

It was announced that the work will begin on this project as soon as final planning is completed and necessary right of way secured.

Burkburnett Polio Victim Gets H. S. Education Despite His Ills

By Kenneth Estes, Wichita Falls Record News Staff Writer

Although 16 year old Aubrey Rariden was stricken with polio five years ago, his tremendously strong desire for learning was never dulled.

Aubrey, the son of Mr. and Mrs. A. L. Rariden of 115 S. Ave D in Burk Burnett, is a high school senior whose main personality characteristic can be summed up in the single word "determination." Last year after an operation, Aubrey was unable to attend school for the first semester, but at midterm while still in a body cast, he went to school via an inter-communication system which connected his home to each of his classes at the high school.

This was not the first time he had received his education via a broadcasting system for he spent his ninth year in school at McAlester, Okla., going to school by microphone.

Aubrey, a good student, says that going to school over an inter-com is not too rough, but he also reminds you that there is no one to pressure you into getting your studies.

Despite his misfortune, Aubrey has a radiant personality,

and perhaps this accounted for the large amount of support he received from his father's co-workers at Sheppard Air Force Base.

Many civilian workers as well as airmen chipped in with donations which installed the inter-communication system that works on the principle of a telephone.

When final scholastic examinations were given to Aubrey, he was completely on the honor system, an example of his strong character.

Still once a month, Aubrey goes to receive physical therapy treatments at the Wichita General Hospital.

When Aubrey finishes his high school education, he plans to attend college, preferably the University of Texas, under the Vocational Education Plan, a plan which enables determined teenagers such as Aubrey to complete their education.

Among his hobbies, sports, music and paintings, Aubrey now plans to make an attempt at driving an automobile. The Raridens expect the special equipment that will aid Aubrey in his driving to arrive soon.

Grass Roots Opinion

MEDFORD, MASS., MERCURY: "Add two more R's to the traditional three of reading, 'riting and 'rithmetic to round out today's education. To their credit and glory, 16 and 17-year olds on the New York Times Youth Forum named the two R's as responsibility and religion. The true goals of education, according to these amazing youngsters, is to make people Americans and make them aware of their land and its opportunities. And yet there are people who despair of this generation."

PETALUMA, CALIF., ARGUS-COURIER: "We have not gained very much, if anything, if the federal taxes go down while state and local taxes go up."

BISHOPVILLE, S. C., MESSENGER: "A news release coming out of Washington tells us that 'an early Senate hearing was promised today on advertising mail delivered to homes without carrying any specific address.' Such mail has been called 'junk mail' by many people disgusted with receiving this type of mail."

ESCONDIDO, CALIF., WEEKLY TIMES ADVOCATE: "The free market, governed as it is by the natural law of supply and demand, is the only kind of market that brings maximum benefits to all concerned. It is a lot better to rely on that market than it is on the mou' things of politicians who, when they're out, yell about high prices and when they're in set up costly bureaucracies to control prices."

Regulation Isn't Administration

Once a government bureau or commission is established by law to handle a specific problem, it too often begins to expand its activities until the original purpose for which it was created may be lost sight of.

The Interstate Commerce Commission Act was passed in the 1880's to prevent monopolistic practices by railroads, to see that charges were reasonable and just and to correct and prevent discriminatory rates. Thus did the ICC come into being.

Any railroad monopoly that may have existed 75 years ago has long since been done away with by new forms of competition on waterways, highways and in the air. All are regulated to a greater or lesser degree by government. The railroads, however, which are the backbone of our transportation system, are handicapped by red tape and regulation which was designed to meet conditions when railroads had no competition.

Now public regulatory bodies seem to give more thought to protecting carriers from competing with each other than they do to allowing them leeway to offer the public services and rates on a competitive basis.

Thus have we seen a government regulatory agency expand its functions until today it has virtually assumed the management of the nation's transportation systems without facing the burden of financial responsibility for their success.

If our regulatory bodies would confine themselves to giving equal treatment to all carriers, instead of trying to manage the details of their operations, the public would be assured of the best at the lowest rates. Regulation of business does not and should not be construed to mean administration and management of business.

The Vital Link

"No Man Lives Alone" is the title of a talk by G. Joseph Minetti of the Federal Maritime Board. A brief quotation indicates the title's significance: "The United States is the world's largest consumer of raw materials, so large that we can no longer supply our own needs. Grim as it may seem to a people long accustomed to abundance of natural resources, we are now dependent upon foreign imports not only for luxuries but also for vital necessities. This is not all. Great numbers of jobs in this country depend upon our exports. As an example, one passenger car and truck out of very 20 produced in this country in a recent year went abroad. As Mr. Minetti said, "Certainly it is important to the American auto workers on the assembly line that ships stand ready to distribute our finished products abroad." In the same year, more than \$11,000,000 in processed milk left the farms of the three states of Wisconsin, Illinois and Missouri alone, and traveled across ocean trade routes to foreign areas. Of this Mr. Minetti said, "The vital link to these areas of American farmers and dairymen is the American-flag merchant fleet."

That emphasis on "American-flag" ships is all important. Dependence on foreign merchant marines, even those of our stoutest allies, would be potentially suicidal in this era. In another war or even a lesser emergency their services could be denied to us overnight. In ocean shipping, we must rely upon our own resources, and we must have a merchant marine large enough and modern enough to justify that reliance—three terrible wars have already proved that.

By WILLY & RALPH

Oil's Biggest Battle

The greatest battle currently facing the oil industry is to defend the percentage depletion provision of the oil and gas tax laws. That was said the other day by L. F. McCollum, president of Continental Oil Company.

He added: "Although the oil industry has frequently been guilty of squabbling over intra-industry differences, this is one important area where all segments of the industry are so vitally affected that we can and should present a united front if we expect public and Congressional acceptance of a case that can be sold strictly on its merits." It is anticipated that there will be a full scale hearing on percentage depletion in the next Congress.

The big thing here is not the oil industry's stake in the depletion provision. It is the stake of the public—a public which looks to the industry to provide it with incredibly large quantities of top quality oil products when and where they are wanted. Percentage depletion—which gives oil producers a credit against income tax—is based on the irrefutable fact that oil and gas wells wear out, become worthless, and must be replaced. Finding and developing new sources of supply is an enormously costly proposition today—and it is also a highly risky one. Only one wildcat well out of nine drilled, for instance, actually proves to be a producer. Men must see incentive if they are to take the long risks involved, and the depletion provision helps provide that essential incentive.

Congress has re-approved the depletion provision in session after session—not out of undue regard for the oil industry, but because it is vital to a continued adequate oil supply to the American people, and it's more important today than ever.

Mimosa Garden Club Met Oct. 5th With Mrs. Ralph White

The newly organized Mimosa Garden club met Wednesday, Nov. 5th in the home of Mrs. Ralph White, who is the District 2, zone 2 director.

The following officers were elected for the current year: Mrs. Ethel Taylor, pres.; Mrs. Mildred Stevens, vice pres.; Mrs. Shirley Lieske, sec-treas.

Lovely refreshments were served to the following members: Mesdames Neal Howell, Jim Kincaid, David Mulheren, Wayne Stevens, Tommie Taylor, Eugene Todd, Ronald Lieske and J. W. Reasoner. The club enjoyed a pilgrimage through Mrs. White's beautiful gardens.

Mr. and Mrs. Jimmy Roy Morris and boys of Abilene visited relatives here over the weekend and attended the Burk Alumni Homecoming.

Mrs Jack Mathis Hostess November 10 Burk Study Club

A regular meeting of Burk-burnett Study club was held in the home of Mrs. Jack Mathis Nov. 10th with Mrs. Archie Faulk as co-hostess. Mrs. Jack Smith was introduced and welcomed as a new member.

The president, Mrs. Lori Jamieson, conducted the business session. Plans for selling tickets for a doll and wardrobe as first prize, a pair of hurricane lamps as second prize and a metal paper basket as third prize were completed. The drawing will be held in December.

Virginia Carpenter, TB chairman for Burkburnett, gave a report on the sale of Christmas Seals.

The club was honored to have Mr. D. L. Cooper, a member of the Dept. of Public Safety, as a special guest. He was introduced by Mrs. Glen Bear. His topic was The Land Transportation System of this country. The many things we as drivers and parents of drivers must do to keep our highways safe was most educational. Mr. Cooper urged all club women to support the bill which is to be presented at the next legislature asking more funds for Driver's education.

Announcement was made of the Federated Tea at which Rev. and Mrs. Minga are to show films of their recent visit to Europe. The clubs participation in the civic beautification project which has been entered in the Sears Roebuck award contest was discussed.

After adjournment, refreshments were served by the hostess to Mesdames Glen Bear, Jack Smith, James Bohner, Ralph Davis, Harry Dodson, F. A. Jamieson, J. L. Mitchell, O. W. Ratliff, Philip Carpenter, Harold Preston, Howard Henderson, Jack Robertson and W. T. Zimmerman.

Wives of civilian personnel which have been transferred from Warren Air Force Base, Cheyenne, Wyoming, to Sheppard Air Force Base are cordially invited to attend an organizational meeting at Underwood's in Wichita Falls, Friday, December 5th. For further information, contact Mrs. Midge Hill at Phone JO 9-3780, Burk-burnett.

Mr. and Mrs. Alton Stamps and boys of Freeport, Tex., visited his parents, Mr. and Mrs. J. L. Stamps here a few days this week.

Horizon Club Held Party Sat. Night

Saturday night, Nov. 8th, marked another enjoyable social event for the Lowanna Horizon club. The Horizon club held a party at the home of their sponsor, Mrs. Walter Riley. The club planned a program that kept everyone entertained throughout the evening.

One of the more enjoyable events was a scavenger hunt, followed by delicious refreshments. The refreshment table was highlighted by a large and beautiful turkey. The turkey was surrounded by colorful Indian corn and yellow chrysanthemums.

Members present at the party were Jo Ann Hervey, Ietha Herring, Beverly Enloe, Wendlyn Goins, Diane Brookshier, Irma Ned Riley, Charlotte Johnson, Cendy Bryant. Local guests attending the party were Bobby Lewis, Joe Thompson, Joe Bob Penn, Jimmy Parks, Lorell Riley, Rodney Foyce, Lee Bula and Tommy Six. Out of town guests were Gary Walsburn and Jerry Williams.

Big Pasture to Have Homecoming Game Friday, November 14

Big Pasture has a homecoming game Friday Nov. 14th with Waurika. The 1958 queen will be crowned at the halftime ceremonies. Big Pasture's season record stands at 5 wins against 3 losses.

Last week the Ranger's journeyed to Roosevelt and defeated the Rough Rider's 14-6 in a non conference tussel.

The Rangers scored on the first play from scrimmage when halfback Lee Jones ran off tackle for 60 yards. It was tooth and nail playing until the third quarter when Bobby Fisher capped a 70 yard drive from 8 yards out and TD. The run by Fisher for the point after was good. Roosevelt never threatened but once when they intercepted a pass and marched 40 yards for their score in the 4th quarter. The left halfback Carter carried over from 8 yards out.

Defensive standouts for the Rangers was Lynn Postelwaite, Toby Green and Bobby Fisher.

Carts Are Aid to Burk Mail Carriers

Burkburnett mail carriers Geo. Smith and Joe Viavattene are now using mail carts to carry their mail bags. The aid to tired postmen went into use Thursday in Burk-burnett. The post office says the carts will enable carriers to handle larger loads and will expedite delivery.

WA KI YA CAMPFIRE

The Wa Ki Ya Campfire girls met on Nov. 5th at the home of their assistant leader, Mrs. Masters. They discussed the candy sale and worked on pot-holders. They also started their group scrapbook.

ROTARY CLUB

During these times when many headlines are concerned with conflict between men and nations resulting from ignorance and misunderstanding, it is refreshing to reflect upon the many entries on the "plus" side of the ledger—not the least of which is the work being done by The Rotary Foundation of Rotary International. This week, Rotary clubs around the world in 110 countries and geographical regions are observing "The Rotary Foundation Week."

The Rotary Foundation, a non-profit organization supported through voluntary contributions of Rotarians and non-Rotarians, was established to foster tangible and effective projects to further understanding and friendly relations between the peoples of different nations. This objective includes the promotion of Rotary Foundation Fellowships for Advanced Study.

Since 1947, 1,075 young men and women from 65 countries have been awarded fellowships for one academic year of graduate study in another country through the Rotary Foundation Fellowship program. The list of major fields of study selected by these young people is impressively tuned to an era of unprecedented technological and scientific achievement. The influence of these Fellows is immeasurable, as is the impact of their social and academic activities; in the countries they visit and at home, interweaving subtly and conspicuously, their personal threads of friendship and understanding are enriching the arts, sciences and their chosen professions.

The Rotary Foundation is sensitive to the needs of our time. It provides tested methods, designed to create and release the radiation of world-wide friendship. Few will deny that the process must be strengthened, as most assuredly it will be strengthened, with continued support from Rotarians and non-Rotarians alike.

The Burk Lodge accepted an invitation to visit Golden Rule Lodge 164 in Wichita Falls when Oklahoma's Oriole Rebekah Lodge 204 made their annual fall visit. This lodge initiated a class of candidates including some from Burkburnett. The Rebekahs of the Oklahoma City Lodge put on a very beautiful drill. The Grand Master, Cecil Manney, and other members of the Odd Fellow Lodge were represented also.

The Burkburnett Lodge presented a number for the Wichita County Association this being omitted in the last report.

At the last regular meeting of the Rebekahs a combination rummage sale and bake sale was voted on and passed. Please contact Jean McPhail and the sale will be held in the Teal Building behind the old clinic building.

Comanche District Recognition Dinner At Electra Nov. 17

The Comanche District of the Northwest Texas Council, Boy Scouts of America will hold its annual Recognition dinner at the 1st Ward School in Electra Nov. 17th. The time for the dinner will be 7:15. John Durham of Burkburnett, District Chairman, will preside at the meeting. The District committee will meet at 6:30 for a short business session.

Dr. Earl W. Crawford, pastor of the First Presbyterian church of Wichita Falls, will be the guests speaker. Dr. Crawford received degrees from Maryville College, Louisville Presbyterian Seminary, Princeton Theological Seminary and Midwestern University. He has served pastorates in Knoxville, Tenn., and Wichita Falls. He has been pastor in Wichita Falls since Feb. 1, 1950. During World War II he served overseas as a Chaplain with the Fifth Army. He is a trustee of Trinity University, San Antonio, and of the Children's Home, Amarillo. He has spoken at Boy Scout Functions in this Council before.

The program will include presentations of training awards, annual report of the District, a report by Bill McElroy, District Scout Executive and a short report by Ray B. Dickey, President of the council and Noble Stidham, District Commissioner in addition to the speaker.

Rebekah Lodge No. 67

Mr. and Mrs. Charles R. White and daughter of Abilene visited their parents, Mr. and Mrs. Ralph White and Mr. and Mrs. A. H. Lohofener, here over the weekend. Another daughter, Jan returned home with them after a two weeks visit here with her grandparents.

LIONS CLUB

J. L. Caffee, in charge of the program, introduced Walter Koller, basketball coach of BHS. Mr. Koller reviewed this year's prospects for a strong team, but refused to make any definite predictions as to the outcome of any game. Coach Koller stated he believed too much stress has been placed on winning high school contests, and not enough effort put forth by coaches to teach sportsmanship and character building.

Game Night

Next week is game night for Lions, their families and all who wish to join in on the fun. Forty-two, 84, dominoes, bridge, etc. will be played, progressively, if desired. The party starts at 7:30 at Town Hall. Tickets, 75c per couple, may be purchased from any Lion, or at the door.

Lions will not have their regular meal next Tuesday night.

Nov. 25th, Wayne Chambers will bring the program. The club voted to raise membership dues to \$6.00 per month, effective January first.

News From The County Agent

Bob Crocker, ASC office manager and the county agent put a poison grain demonstration on a field of wheat belonging to Ernest Evans this week to control the field rats. Field rats are doing lots of damage to wheat fields in the county, especially those joining a pasture or bar ditch. We used 3 pounds of poisoned grain and killed over 200 rats in one night. Plans are underway to conduct a series of rat meetings in the county in the near future.

A beef tour will be conducted in the county on Saturday, Nov. 15th. The tour will start at the Friberg-Cooper school at 9:30 a. m. A demonstration on showing, fitting and grooming of a steer will be given by Max Carpenter manager of the T-Bone Ranch and Mr. Deshazo, manager of Lake Creek Hereford Ranch. This demonstration will be given on the Ralph Swinford farm at 10 o'clock. The boys and girls that will be visited are: Connie Swinford, William Morton, Jimmy Colhoover, Kenneth Johnson, Edward Brock, Jimmy Farr, Linda Price, Joe Propps, Charles Webb, Karen and Sonny Bentley, Pat Deshazo and Edward Johnson.

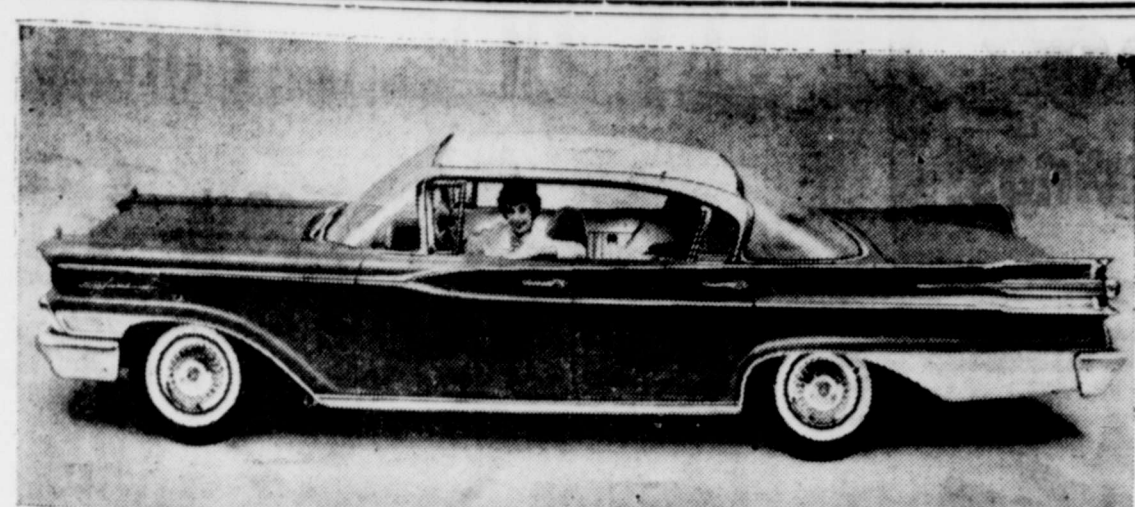

Burning leaves which are now falling and cluttering yards and gardens may be the easiest way to dispose of them, but the extra time required to put them in a compost pile will return big dividends. The compost can be used next year to increase soil organic matter or for mulching flowers, shrubs or vegetables.

The total tonnage of fertilizer sold during the spring of 1958 was about 15 percent higher than in 1957. The tonnage of mixed goods increased about 8 percent while the tonnage of materials was up more than 21 percent.

All poultry and poultry products which move for sale across State lines after Jan. 1, 1959, must bear a stamp of approval indicating that it has been inspected for wholesomeness by an agent of the U. S. Dept. of Agriculture.

At that time the poultry products inspection act becomes effective, and the poultry industry will join the meat industry in offering consumers assurance of Federal inspection in all plants processing poultry for interstate commerce. To qualify for this service, a processing plant must meet a number of established standards for facilities, equipment, operating pro-

Space-planned bodies which provide a totally new experience in passenger comfort in both front and back seats are presented by Mercury in its entirely new cars for 1959. In its 20th anniversary models, Mercury offers a brilliant combination of advanced design, mechanical excellence and superior performance and economy. Designed exclusively for the medium-price field, the new Mercury has 15 models in four series, including the only two-door station wagon in the medium-price range. New compound curved windshield and rear window increase glass area more than 60 per cent at the front and 46 per cent at the rear. Mercury's high-compression V-8 engines provide an exact blending of the most desirable features of economy and power. Pictured is the Park Lane four-door Cruiser.

cedure, and labeling.

With winter coming on and a period of inactivity for your farm equipment, now is the time to start thinking about storing your combine, tractors and other complicated machinery. These are the most susceptible of all to depreciation from weather. The best place for them is inside away from the elements, says B. T. Haws, county agent. More simple tools like discs, harrows and rakes need to be scraped clean of rust and corrosive material and painted. Make the necessary repairs now and that little job will be done when you need your tools next

spring.

Anti freeze weather is not too far away. Don't get caught without that little item if you plan to leave water in your radiator all winter.

DEN ONE

Den One of Pack 155 met Wednesday, Nov. 5th. The following members were present: Jimmy Creel, Rudy Robinson, Jimmy Burton, David Mahaffey, Mark Glandon, and Henry Bob Roberts. We painted swan plaques. Mrs. Mahaffey served refreshments.

Weekend guests in the home of Mr. and Mrs. Frank Kelley were Mr. and Mrs. Bill Haralson and boys, Kelley and Ben, of Tahoka, Tex., Mr. and Mrs. James Kelley from Houston, Mr. and Mrs. J. T. Kelley and Mr. and Mrs. Bill Kelley and Juanita of Childress.

News From The County Agent

Lawn grasses will go into the winter in a vigorous condition if they are well nourished, according to B. T. Haws, county agent.

When lawn grasses go into the winter in a healthy and vigorous condition, winter & spring weeds have less chance to grow and are less of a problem, says Haws. Grasses will remain green longer in the fall and will grow off earlier in the spring.

A complete fertilizer should be applied to the lawn about a month before the first frost is expected. Fertilizer should be applied at a rate to supply two pounds of actual nitrogen per 100 square feet of lawn. Even though some areas do not need potash for crop production, using a complete fertilizer containing some potash is good insurance on lawns. The cost is small and the results may be very good.

In applying the fertilizer, Haws recommends dividing it into two equal parts, spreading one half in one direction on the

lawn and the remaining half at right angles to the first application.

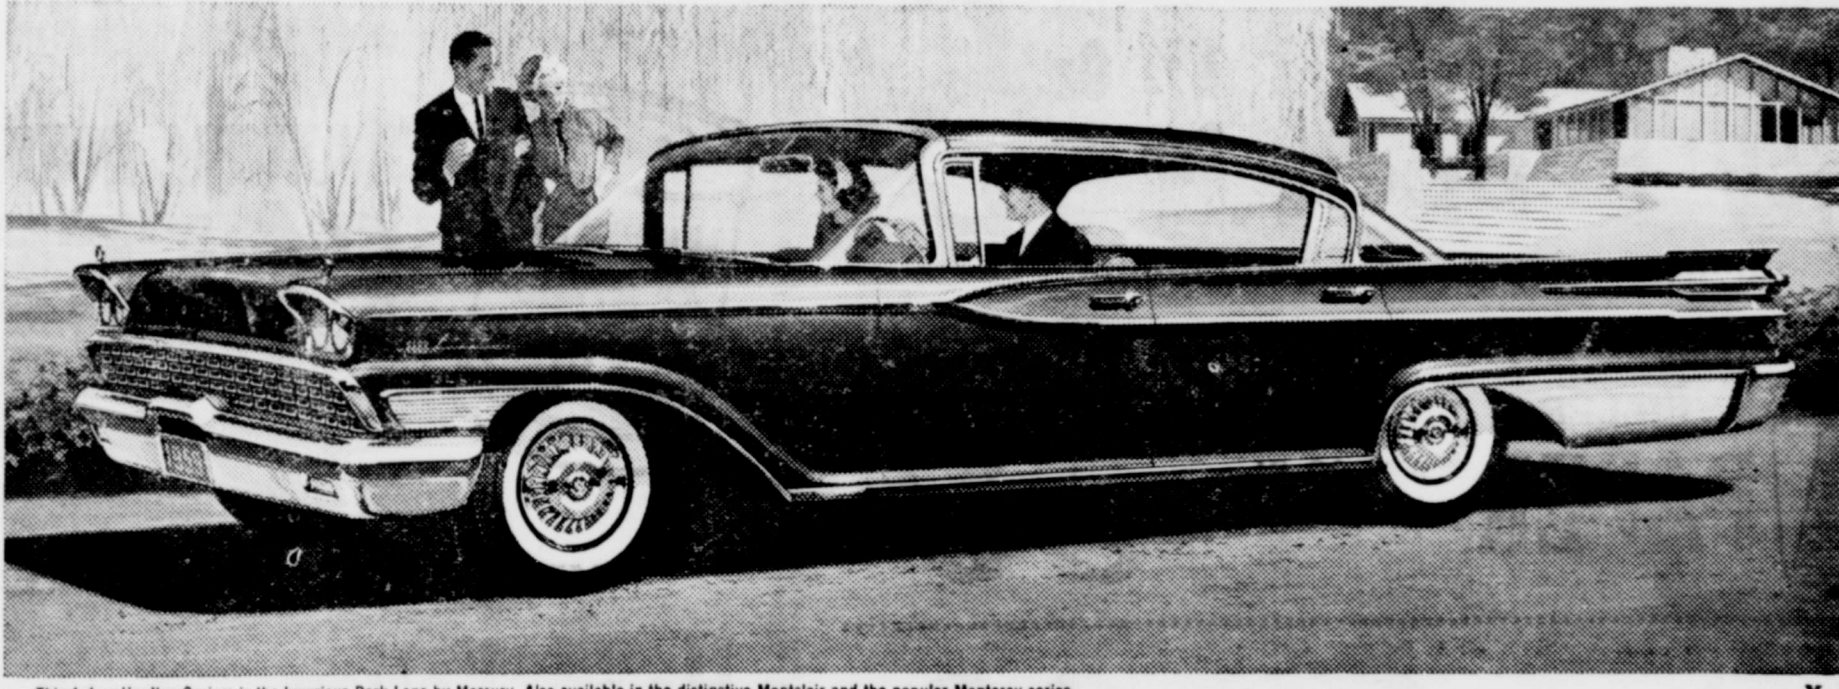

The County agents have copies of the Extension Service bulletin "Home Lawns," which contains information on care and establishment of lawns.

Mr. and Mrs. Ralph White of Burk Burnett and Mr. and Mrs. Charles White and girls of Abilene attended the Golden Wedding Anniversary and Open House honoring Mr. and Mrs. F. C. Williamson in Eastland, Tex., Sunday. Mrs. Williamson is Mr. Ralph White's sister.

This 4-door Hardtop Cruiser is the luxurious Park Lane by Mercury. Also available in the distinctive Montclair and the popular Monterey series.

The brand NEW '59 MERCURY shows you what NEW really means

Americans are looking at the new cars with a new look in their eyes. They're searching for the best combination of all the things that count in a car. The answer in 1959 comes from this completely new 20th Anniversary Mercury.

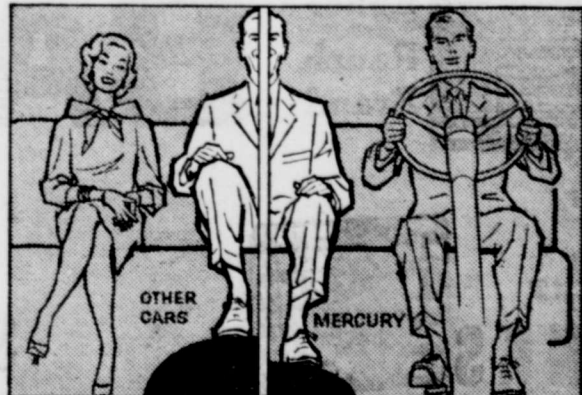

SEE NEW CLEAN-DYNAMIC STYLING
Distinctive—Mercury has exclusive body design; it is the only car in its class that does not use a body shared by a low-priced car.

RELAX IN A NEW KIND OF COMFORT
No car in its class has more usable room. For easier entrance, doors are wider than those of costliest cars. Up front—9 inches more knee room! The tunnel-hump in the floor HAS BEEN CUT IN HALF! The man in the middle doesn't

sit with his chin on his knees. And that lower hump makes room for thicker seat cushions.

FEEL LIVELY NEW PERFORMANCE
Not just high horsepower—although Mercury offers up to 345—but a new kind of response, quiet, obedient, effortless.

ENJOY NEW ECONOMIES
2 out of 3 new-car buyers can afford Mercury. The big special is the Monterey with its new Economy Engine. You get top performance on regular (not premium) gas—it's like "riding free" 10 miles out of every 100. Add it up and you get everything you want on wheels—the '59 Mercury. We invite you to try this great car—at our showroom.

NEW COMFORT UP FRONT! That tunnel-hump you'll find on other '59 cars is 50% smaller in Mercury. 3 full-size riders can stretch out (including the man in the middle).

MERCURY'S COUNTRY CRUISERS—Unique hardtop styling. Retractable rear window. Fold-away 3rd seat that faces front. Concealed package compartment.

MERCURY'S FIRST WITH SIDE-TO-SIDE WIPERS—They clear a 42% larger area—a 5-foot swath—including the center section. Only Mercury has this aid to safer driving.

- Everything you want on wheels
- NEW STYLING
- NEW COMFORT
- NEW PERFORMANCE
- NEW ECONOMY

All beautifully combined in the 20th Anniversary

Regular Meeting Of Student Council Tuesday, Nov. 4th

The Student Council of Burk Burnett High School held its regular meeting on Tuesday, Nov. 4th. President Myrna Hoffman called the meeting to order and recording secretary, Kathy Roark, called the roll and read the minutes from the last meeting. Chaplain, Lee Bulla, then brought a word of prayer.

Mrs. Amy Walker, home service director for Texas Electric Service Company is giving a series of demonstrations to Wichita County HD clubs this month. The demonstrations are on Electric living and fit into the study of kitchen improvement. Why not visit a club this month? There is one close to you.

The R. C. Fritsche family has recently enrolled as a farm and home development. Mrs. Fritsche is working on living-room, kitchen & yard improvement.

Miss Thelma Wirges, County HD agent helped Mr. and Mrs. Fritsche make a study of carpets so they will be better informed when they buy. She also helped them with ideas for kitchen storage.

Mrs. Fritsche will start her yard improvement plan in December.

Farm and Home development families work as a family unit to continually improve their farm and home. When a farm and home development family enrolls the County agents give extra time and information to help the family reach their goal. If interested in being a farm and home development family contact the county extension agents office, 305 Federal bldg. in Wichita Falls.

Could you locate valuable papers, deeds, wills, insurance policies in a hurry in your home? Most of us do not anticipate emergencies, such as fires, accidents or other disasters, but we do have times when we can't find important receipts or canceled checks simply because we do not have a well-planned place to put them.

Planned business centers are appearing in more homes these days. They provide a comfortable place to work for a few minutes each day; a place to keep a ready file on bills, canceled checks, important papers.

Miss Wirges, County HD agent says all you need is an ample, comfortable, well lighted writing center, a comfortable chair, handy file for current materials

Plans for the Homecoming Game were discussed. It was decided that the Student Council would sponsor a reception for all the ex-students in the high school auditorium immediately following the football game. A committee was then appointed to make several signs welcoming the ex-students and also a committee to make the crown for the crowning of the Homecoming queen. The council was to serve coffee and cookies during the registration of the exes on Friday and Saturday and also conduct a tour thru the school so that all might see the new improvements that have been made.

The meeting was then adjourned. The student Council would like to thank the student body for its cooperation on the parking plan. For those however that do not follow this plan, a fine of 25c or more will be charged.

another file or storage place for back records, waste basket and desk supplies.

Wichita County HD club demonstrators have worked on business centers the last year. Some of their centers are: Rearranged writing desks organized by Mesdames L. L. McHugh, J. W. Nickelson, Bee Bryant, G. O. Baley and O. A. Melton.

Mrs. J. G. Cheney organized and refinished an old dresser. Mrs. Ralph Huggins and Mrs. A. L. Markum built a desk.

Mesdames Ralph Swinford, H. H. Meyer, Rib Huggins and T. C. Adams organized storage space in a chest and use a table for writing space. Other ideas might be converting an old washing stand, kitchen cabinet, etc.

If interested in a business center of your own, write Miss Thelma Wirges, County HD agent for ideas. You will find it a real source of satisfaction.

Inflation note: It's not so hard to make money these days, it's making a living that's so difficult

Labor Day Aftermath

When the American motorist's driving habits are so bad that the National Safety Council can call the shots exactly on the number of fatalities on the highways, as it did over the Labor Day weekend, it's a pretty sorry story. That's mighty accurate predicting. The National Safety Council warned that 420 motorists would meet their deaths—the Associated Press says 420 did. Come year's end, these 420 fatalities will become part of a total of somewhere between 35,000 and 38,000 deaths, if current trends continue. What makes this tragic toll even more regrettable is the fact that if, as a nation, we would just apply the safety concepts and standards we already know about, we could easily cut the annual death toll in half. Last year the death toll was 461, which indicates that some of the safe driving admonitions are being heeded.

It is also estimated that for every fatality there are 22 other accidents involving personal injury or property damage. This would mean some 85,000 accidents over the last Labor Day weekend, a terrible toll in loss of life and suffering and tragic consequences to the afflicted families. Reckless driving is one of the reasons auto insurance rates have been on the rise the past few years. Careful driving is one way to keep rates down.

Ice Capades Stars Beat The Heat

Despite 300 tons of ice in the Atlantic City, N. J. arena, when the summer temperature hit 95 degrees, skating stars Bobby Specht and Cathy Machado took time off between rehearsing acts for the New 1959 Ice Capades which opens in New York on September 3rd. Their pick-me-up is a drink recipe calling for one 6-ounce can of frozen orange juice, 3 cans of water, and one banana, whirled for 30 seconds in a Waring drink mixer. The nineteenth edition of the Ice Capades which will tour the nation has 36 new numbers ranging from grand opera to Snow White and the Seven Dwarfs. Bobby Specht is a U. S. national champion and Cathy Machado is world's champion professional singles skater.

Pee Wee Eagles Will Enter Play-off Series

The Burk Pee Wee Eagles played the Demons of Wichita Falls Monday night at Midwest University. A good offensive showing of both teams, but stout defense when close to the goal line. Nice long runs were made by Rusty Todd, Bobby King and Butch Moore when Jimmy Owens catching the passes from Moore. Very fine defensive play was made by Johnny Doyle, Tom Holman, Jimmy Owens, Mike Glandon and Jerry Harsh. This game put the Eagles in the play-off series with Amarillo.

Ex-Students Homecoming Activities Nov. 7-8th

Approximately 450 ex-students of Burk Burnett High School attended the homecoming activities here Friday and Saturday, Nov. 7-8. Registration of ex-students began at 3:30 p. m. at the high school auditorium. The homecoming football game was held at 8 p. m. followed with a reception at the high school auditorium. The BHS student council was in charge of the affair.

At 7 p. m. Saturday, the ex-students and special guests met at the school cafeteria for an alumni dinner and a homecoming meeting.

Following the dinner, president Barry Elliott called the meeting to order and welcomed ex-students and visitors. Guests and all graduates of Burk High School recognized. The business meeting was held at 10:30 p. m. New officers elected as follows: president, Vernon Duke; vice president, F. T. Felty, Jr.; secretary, Virginia Carpenter; treasurer, Mrs. Gwen VanLoh; reporter, Mrs. Lola Mae Bailey. P. A. Carpenter gave an interesting history of the Burk Burnett schools beginning with the first school which was built in 1889 (classes were held in a dugout and a school was built 3 months out of the dugout to the present modern facilities that our children

enjoy today. Mrs. Darlene Edwards Yeates of Klamath Falls, Oregon, was presented with a gift for coming the farthest distance to attend the homecoming.

Mrs. T. Guy (Fannie) Willis was recognized for being the oldest graduate of the school to be present. She graduated in 1912. Al Lohofener was the second oldest graduate, graduating in 1914.

F. T. Felty, Jr., crowned Mrs. Gwynda Stevenson Alderman of Wichita Falls as the homecoming queen.

The homecoming was thoroughly enjoyed by all who attended and we wish to express our appreciation to Mr. Elliott and his committees for their weeks of planning and preparation for the event. Serving on the committees were: Reception Committee, Mrs. Rheba McLean, Mrs. Sidney Askins, Mrs. Gwen VanLoh; Decoration Committee, Mr. and Mrs. F. T. Felty, Jr., Mr. and Mrs. Donald Pemberton, Mr. and Mrs. Bill Reasoner, Mrs. Virginia Carpenter and Earl Wayne Mills; Program Committee, Mrs. Billie Brookshier, Mrs. Betty Mills; Reservations Committee, Mr. and Mrs. Gene Robertson, Mr. and Mrs. Vernon Duke; Nominating Committee, Mrs. Mary Frances Northcott, James T. Brady, Jr.

Mr. and Mrs. John Brookman returned home Sunday from a weeks visit in Houston and New Orleans, La. In Houston they attended the Texas Municipalities convention and in New Orleans they visited their son, Mr. and Mrs. Jerry Brookman and daughter.

Rules Governing Christmas Promotional Trade Program

At a Merchants Committee meeting held November 10, 1958, the following rules and regulations were decided upon governing our Christmas Trade Promotional Program: Registration tickets are to be given for merchandise purchased at the discretion of the merchant.

Merchants and immediate families shall not be eligible for tickets or prizes. If such name is drawn, ticket will be disqualified by drawing judges.

Employees shall be eligible to participate.

THE STATE OF TEXAS

TO H. F. Houghton, Individually and as Trustee for OSAGE OIL POOL and OSAGE OIL POOL, and the unknown spouses, heirs, devisees, legatees, assigns, successors, substitutes, and legal representatives of each of them, Defendant, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable 89th District Court of Wichita County, at the Court-house thereof, in Wichita Falls, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 8th day of December A. D. 1958, to Plaintiff's Petition filed in said court, on the 19th day of September A. D. 1958, in this cause, numbered 62,156-C on the docket of said court and styled EDWARD SCHLAFKE, Plaintiff, vs All those persons first named in this writ and to whom the same is directed., Defendants.

A brief statement of the nature of this suit is as follows, to-wit: This is a trespass to try title suit wherein plaintiff alleges that on or about September 1st, 1958, he was lawfully seized and possessed of the following described tract or parcel of land located in Wichita County, Texas, to-wit:

The Northwest Quarter (NW 1/4) of Block No. Nineteen (19) of the A. A. Honaker et al Sub-division of a part of the A. B. & M. Survey No. 12, Abstract No. 737, patented to A. A. Honaker on January 26, 1918, all as shown by the plat of said subdivision of record in the Plat Records of Wichita County, Texas, said Block 19 containing 20 acres; the Northwest 1/4 above mentioned containing 5 acres.

That on the day and year aforesaid, Defendants unlawfully entered upon said premises and ejected Plaintiff therefrom, and

unlawfully withheld from him the possession thereof. The plaintiff alleges that he and those whose title he holds claim the above described premises under deeds duly registered, that their possession of the premises has been peaceable, continuous and adverse to all other claimants, having cultivated, used and enjoyed the same and paid all taxes thereon for a period of more than ten years before the institution of this suit, and that he holds title to said land under the ten year statute of limitations.

Wherefore plaintiff prays that defendants be cited to appear and that on final hearing he have judgement for title and possession of the above described property and such other and further relief to which he may show himself justly entitled, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the

date of issuance, it shall be returned unserved.

The Officer executing process shall promptly make due return as directed.

Issued and given under hand and the Seal of said court at office in Wichita Falls, this the 21st day of October, 1958.

IT'S WINNING TEXAS-- as it won the Fashion-Wise at the Brussels World's Fair!

You never had it so beautiful and so all-out new...

59 FORDS

Expect to be dazzled when you see these totally new Fords! Each one of Ford's 19 new models is completely and refreshingly changed in every square inch. Each, in its own way, is the world's most beautifully proportioned car. Each has Thunderbird elegance.

Look for something new and just right in size . . . and you'll find it! The lowest-priced Fords are 6 stunning inches longer . . . have 2 extra inches of smooth-riding wheelbase.

Expect something wonderful in savings. For instance, Ford prices for '59 are traditionally down-to-earth prices. (Every model's priced below the equivalent model of Ford's nearest competitor.) Ford's aluminum mufflers—standard equipment—last twice as long as conventional mufflers. Ford's standard V-8 and Six save up to 5¢ a gallon because they require only regular gas. Ford cars need oil changes only every 4000 miles. And Ford's new super enamels never need waxing.

Look for something special in performance. New V-8's concentrate their new punch at speeds from 30 to 70 mph, where you need it most.

Look for newness everywhere . . . right down to the new Tyrex tires. Let your Ford Dealer show you. You've never had it so new!

Mrs. Tevis talked on After the accident. She was pinch hitting for Mrs. L. W. Mathis, who had collected all sorts of material that was helpful to each of us. There were some for each of us to put in our cars. It was a very good program. Mrs. Reagan, federated counselor, gave an interesting and timely report. Our gracious hostess then served a most delicious refreshment course to the following members Blake Browning, A. R. Bunstine, E. R. Burns, B. N. Cauthorn, Bill Crosley, I. E. Harwell, W. H. Holt, J. M. Pogue, R. P. Reagan, S. S. Reger, J. H. Rigby, Joy Sessums, R. C. Tevis and Laura Louise, O. E. Melton and J. D. Majors.

Mrs. J. H. Ferguson Hostess Nov. 6th To Builders Class

Mrs. J. H. Ferguson was hostess to the builders class in her home Thursday afternoon, Nov. 6th. The Thanksgiving theme was used in decorations. President, Mrs. M. B. Riley, presided at the meeting. Song, Amazing Grace, was followed with prayer by Mrs. Hattie Buchanan. Devotional was given by Mrs. R. E. Carnes from Psalms 133. The secretary and treasurer were absent and also the teacher, Mrs. F. M. McMurry on account of the illness of her husband. The four group captains gave their reports. There were 13 members present with 3 visitors. One of our members, Mrs. T. P. Hamilton, is moving to Eastland. She was presented a lovely picture and a headscarf. Those present were Mesdames Biddie Smith, G. T. England, T. P. Hamilton, C. D. Mullins, and Mrs. W. B. Griffin of Sulphur, Okla., Mrs. M. B. Riley, S. V. Darland, W. J. Wright, Nola Thorpe, Hattie Buchanan, R. E. Carnes, Tom Powell, J. H. Ferguson, R. N. Germany and Miss Oma B. VanCleave. Refreshments were served by group 1, Pumpkin and lemon pie, sandwiches, coffee and tea. Our assistant teacher, Mrs. R. E. Carnes, was present at meeting. Plans are being made for the Christmas holidays. Next meeting will be at the home of Mrs. M. B. Riley, Thursday, Dec. 4th.

Mrs. J. M. Patterson Hostess To Builders Class, November 5th

The Home Builders class of the First Methodist Church met in the home of Mrs. J. M. Patterson Wednesday, Nov. 5th. The meeting opened with a song, Leaning on the Everlasting Arms. Devotional was read by Mrs. Hugh Jones from the 91st chapter of Psalms. Mrs. Patterson gave a very amusing story of a deer hunter or When A Man Brags. Lovely refreshments were served to the following Mesdames Gage, Gilbert, Henry Patton, Knauth, McKinney, Grace, Revier, Moreman, Gragg, Stacy, Vance, Jones, Tucker, Neal, Lowery, Lawler. Our Christmas party will be held in the home of Mrs. Hugh Jones, Dec. 10th.

Recruit McDonald received drill and physical fitness training and instructions in Army history, traditions and career fields. She attended Burkburnett High School.

CWF Met Mon. At 1st Christian Church

The Christian Women Fellowship met Monday afternoon at the First Christian church for their November mission program. The group is studying Christian Concerns of North American Neighbors. An interesting study of Haite, Hawaii and Alaska was given by Mrs. R. C. Tevis, Mrs. Tate MacMullen and Mrs. W. Q. Russell with Mrs. W. P. Keown as leader. The CWF also voted as their current project to send badly needed materials direct to the Albert Schweitzer's Hospital and School in Deschepelles, Haite. Members present were Mesdames Wayne Stevens, Charles Todd, Neal Hall, Tate MacMullen, W. P. Keown, Lewis Brockler, W. Q. Russell, R. C. Tevis and Mrs. Henry Maloney. The next CWF business meeting and social will be held Nov. 24th. All members are urged to attend.

Evelyn Farris Hostess Of Theta Epsilon

The regular meeting of Theta Epsilon Sorority was held in the home of Evelyn Farris with Vicki Brown serving as co-hostess. Roll call was answered by 11 members. Minutes of the last meeting were read and approved. A cake sale will be held Saturday, Nov. 15th with proceeds going to the resuscitator fund. Correspondence from Epsilon Sigma Alpha was read on cystic fibrosis, a disease fatal to children under five years of age. The program was brought by Charlene Smith and Cleoma Simmons. Refreshments were served to the following: Patsy Adams, Betty Carter, Evelyn Farris, Bobby Klinkerman, Cleoma Simmons, Charlene Smith, Margie Winkles, Vicki Brown, Lea Glisson, Velma Goins and Wanda Enloe. Mr. and Mrs. Noel Duke and children of Dallas and Norman Duke of Lubbock visited Mr. and Mrs. Jack Duke and other relatives here over the weekend.

WA CAN KI YA CAMPFIRE

The Wa Can Ki Ya group met Thursday at the home of Mrs. Wilson. After discussing some business matters, the girls went on a hike to the railroad tracks. We ate our refreshments on the way and collected things for our scrapbook.

Mary Martha Class Met Nov. 6th With Mrs. S. E. Askins

The Mary Martha class of the First Baptist church met in the home of Mrs. S. E. Askins Thursday night, Nov. 6th at 7:30 p. m. for their monthly social. Mrs. L. B. Horr led the group in prayer. Miss Jewel Reed presented the devotional. Using the theme, Praying Hands, Mrs. C. E. Knight, installed the new officers for the year. Mrs. Ralph Brookshier was in charge of the recreation period. The following members were present: Mesdames Horr, Burnett, Gay, Ferguson, McPhail, Sloan, Fuller, C. E. Knight, S. E. Askins, Turner, Brookshier, Miss Jewel Reed and one visitor, Mrs. C. E. Askins.

TANDA CAMPFIRE

The Tanda Campfire girls held their meeting at Mrs. B. R. Magee's home Monday, Nov. 10. Tona Nix served ice cream sandwiches and cookies. The president, Linda Eidson, brought the meeting to order. Secretary Tona Nix, collected uniforms, called the roll and read the minutes of the last meeting. We discussed selling candy and making our fathers Christmas presents. The president then closed the meeting. Linda Eidson, Reporter

COAST TO COAST ONLY 1 1/2 CENTS PER MILE FOR GAS!

Pontiac's new Tempest 420E V-8 sets the year's most important economy mark—Here's the story and what it means to you!

PONTIAC COAST-TO-COAST ECONOMY RUN	
San Diego, California to Savannah, Georgia	
COMPLETED OCTOBER 17, 1958	
DISTANCE	2,442.7 MILES
DRIVING TIME	60.72 HOURS
FUEL CONSUMED	112.5 GALLONS
FUEL COST	\$35.79
MILES PER GALLON	21.7 Average for entire trip
AVERAGE SPEED	40.2 MILES PER HOUR
COST PER MILE	1.465 CENTS

We asked one of America's most respected car testers—"Uncle Tom" McCahill—to put a standard Pontiac Catalina Sedan with our new economy V-8 to the test.

And with only one specification—that the run would be exactly like you would drive coast to coast yourself—in mountains, in city traffic, across deserts, buying gas wherever the tank ran low.

And here's the phenomenal story in every complete detail—all officially certified by NACAR, America's top automobile competition authority.

What does it mean to you?
Simply—and very importantly—this: For the first time, you can get deep-chested V-8 pep with better mileage than from many smaller so-called "economy cars" . . . and get it on regular fuel!

If you owned a Pontiac with this new Tempest 420E V-8 you'd be saving up to 5 cents a gallon on regular fuel. This new economy V-8 is optional at no extra cost on any Hydra-Matic Pontiac!

See your Pontiac dealer soon—and discover the newest in V-8 performance and economy!

Burk Wins Final Football Game

Burk ended the football season with a 43 to 8 win over Decatur here last Friday night.

Some idea of the comparative strength may be gained by the fact that Burk rolled up 580 yards rushing while holding their opponents to 190 yards.

Each team scored in the first period. Burk's Kenneth Durham passed to Gary Jennings for a total pass and run play of 30 yards. The extra point try failed. Decatur scored from the one yard line with Bill Luker carrying. Extra point also missed the uprights.

Burk scored again in the second period, with Durham making the final ten yards. Jennings passed to Darrell Walker for the extra point.

Eddie Eastman scored in the third period with a nice 20 yard run. Jennings' pass to Jerry Darter was good for the conversion point.

A poor pass from center by Burk rolled into the end zone, giving Decatur their final two points.

Burk made 21 points in the final period of play. Durham went 8 yards to score. Bobby Lewis passed to Gary Jennings good for 90 yards including the run and score. With only one second remaining, Jennings passed to Zack Bryant for the final score.

Carl Raleigh at Univ. of Houston

One student from Burkburnett is enrolled at the University of Houston for the 1958 fall semester.
