Police to Crack Down On Traffic Violators At The Post Office

City police have asked the Star to warn citizens that they are going to crack down on traffic violators around the post office area. The complaint is made that many people are parallel parking at the post office for their own convenience, but at the same time working a hardship on other people who have parked, or would like to park properly. Still others are pulling all the way across the street to park on the wrong side, at the wrong angle and headed in the wrong direction. Parking around the post office is supposed to be at a 45 degree angle at all times.

Recently two wrecks occurred at the post office because one, or both, drivers were violating a traffic regulation. In order that all may benefit, everyone is asked to adhere strictly to good traffic observance.

Postal Receipts Show Increase

Receipts at the local post office for the year ending January 9, 1959, show a decided increase over the preceding year, according to A. H. Lohofener, postmaster.

Receipts for the period ending Jan. 9, 1958, were \$30,616.42 and for the same period ending in 1959 they were \$37,266.92, an increase of some \$6,650.50.

A portion of the increase can be attributed to the increase in postal rates but the larger part is due to the increased population and business in Burk Burnett.

The coming year may possibly see the transition of the Burk Burnett office from second class to first class, since an increase of some \$3,000.00 will put the Burk Burnett office over \$40,000, which is the highest bracket for second class offices.

The trouble with money is it talks too much and buys too little.

Nazarene Church Shows Gain In '58

The local Church of the Nazarene had gains in all departments the past year. The church is planning on a new building in the near future.

Impressive gains in every area made the 1958 golden anniversary year one of the best in denominational history for the Church of the Nazarene.

The annual statistical report by Dr. S. T. Ludwig, general secretary, showed that 232 churches were established. These increased the total number of churches to 4,587. The previous high was 202 new churches established in 1951.

Church membership climbed about 9,500 persons to 301,700, or a gain of 3.8 percent. During the decade of 1948-58, the denomination gained 85,000 members or an increase of 39%.

The large anniversary year goals were exceeded. A total of 1,126,500 persons were witnessed to during the 1st church-wide week of witnessing Oct. 5-12.

Also for the first time in denominational history, the special offerings for world missions at Easter and Thanksgiving each exceeded \$1 million. The Easter offering went to \$1,640,000. On Jan. 5th, the Thanksgiving offering passed \$1,030,000 with gifts still coming in.

Sunday School enrollment gained 48,000 to total 673,750. The Foreign Missionary society gained 18,600 to a total of 155,778, and the young peoples society grew 2,800 members to 93,000.

Total giving was \$133.05, a decrease of 72 cents from 1957.

Regular Meeting Burk Riding Club Was January 19th

The Burk Burnett Riding club met Jan. 19th for a regular business meeting. A discussion was held on buying new shirts for this year. Shirt samples will be shown at the next meeting. The club decided to go to the Fort Worth Fat Stock Show on Burk Burnett Day, Feb. 6th.

Club meetings are held the first Monday night of each month. The next meeting will be Feb. 2nd. If anyone would like to join the club, they are urged to contact Elmer Burns or Wendell Goins. Elmer Burns is the new president.

Members attending were Messrs. and Mesdames Jerry Miller, Claude Elliott, Peyton Cozy and Denise, T. J. Campbell, Joe Boy Griffin, Delmar Luke and Little Delmer Lee, Mrs. Bill Gilbow and son, J. C. Hinkle, R. G. Redman, Frances Ooten, Dixie Rankin, Loyd Ifland, Terral Goins, Wendell Goins, Walter Cozy and three new members, Gene Robertson and daughters, Jan and Lee.

NOTICE

The Valley View, Okla., community will hold a singing meeting Thursday night, Jan. 22nd, 7:30 p. m. at the Valley View School. Everyone is extended a cordial invitation to come and join in the singing.

A man never gets so rich that he can afford to lose a friend.

Do Not Follow The Fire Trucks

Another warning is issued that it is unlawful to follow fire trucks. Last week when firemen were fighting a fire at a residence on South Harwell, curious spectators jammed the street with their cars until it was impossible to get another fire truck near the fire for some time. A fireman, attending a pump on a pumping truck, was almost run down by a passing motorist when he came around the truck to increase the pressure.

Firemen going to fight a fire are sometimes delayed several minutes by curious spectators who block the streets with their cars.

All policemen have been instructed to give tickets to any one who interferes in any way with firemen or fire equipment going to or from a fire. The judge, who is also a fireman, may not see fit to be very lenient in such instances.

LET'S TALK LIVESTOCK BY TED GOULDY

Livestock Runs Lighter Monday at All Markets

Fort Worth—Major markets across the nation started off with curtailed receipts this week. In a few spots winter storms curtailed movement, but the principal reason seemed to be farmer's resistance to the lower prices that followed last week's deluge of livestock.

At Fort Worth cattle and calves got off to a fully steady start in most cases, with the exception of fat cows and bulls, with the fat cows 50 cents to \$1 lower and bulls 25 to 50 cents off.

Calves were steady, fed steers and yearlings were stronger and stocker cattle and calves reflected unabated demand at strong prices.

Good and choice slaughter steers and yearlings cashed at \$25 to \$27, some around 1,000 pound steers at \$27 and a few light yearlings reaching \$28. Plain and medium butcher cattle sold from \$17 to \$25.

Fat cows cleared at \$18 to \$20, odd head to \$21 and canners and cutters drew \$12 to \$18.50. Bulls drew \$18 to \$23.50.

Good and choice slaughter calves sold from \$25 to \$29, and medium and plain butchers sold from \$22 to \$25, with cull and common sorts at \$16 to \$22.

Medium and good stocker steer calves cleared at \$26 to \$32.50, a few higher. Stocker steer yearlings cashed at \$29 downward.

DEN THREE, PACK 156

Den 3 met at the home of their den mother, Mrs. W. L. Knowles, on Monday, Jan. 9th. A few games were played and then they went on a tour of the Burk Burnett Star printing shop.

Refreshments were brought by Mrs. W. J. Thomas and served to Karyl Lee Knowles, Eddie Gann, Jimmie Thomas, Leon Cooley, Ronald and Donald Hale, one visitor, Robert Nunn and the den chief, Ronald Knowles.

Building Permits Hit \$473,400 Here In 1958

Burkburnett showed quite a jump in building last year, as reflected by records at the City Hall. According to C. R. Chambers, tax assessor-collector, building permits were issued for \$473,400.00 worth of new construction. Most of this building went into new residences.

Jack Connell, Jr. Is Representatives' Baby of the House

Jack Connell, representative from this district, is the youngest person ever to sit in the House at Austin.

Connell was 21 years old plus 14 days on general election day last November, according to information coming from the Texas Press Association.

Methodist Church Gets Final Title to Hotel Property

Final papers were signed Tuesday afternoon making the First Methodist Church the new owner of the City Hotel property.

All buildings on the lot will be sold and the lot blacktopped to be used for parking space by the Methodist congregation.

The former owners of the hotel, Mr. and Mrs. Tom Griffin, have moved to Ardmore, Oklahoma.

Last Rites Were Held Monday for A. K. Matthew

Funeral services were conducted Monday for A. K. Matthew, former resident of Randlett, Oklahoma, and Wichita Falls. Services were held from the Pearson Funeral Chapel in Walters with burial in Walters Cemetery.

Survivors include one brother, O. B. Matthew of Lawton; five sisters, Mrs. F. T. Wagner, Walters, Mrs. A. K. Leach, Duncan, Mrs. Carl Thompson, Randlett, Mrs. Lloyd Langston, of Pharr, Texas, and Mrs. Joe Crowley, Burk Burnett.

Marthea Bryan YWA's To Attend House Party

The Marthea Bryan YWA's met in the home of Marian Parack, Wednesday evening, Jan. 14. Charlotte Begeman, president, opened the meeting followed by the opening prayer given by Venita Garrett.

Alta Nichols then brought a very interesting program entitled, Work for the Indians. Alta presented some interesting pictures and maps of our Indian Missions and stressed upon the need for more concern for our Home Missions at this time.

A discussion was held and the YWA's accepted an invitation to attend a tea, to be given in honor of Alma Jackson, Missionary from Brazil. A discussion also was held concerning the YWA house party, to be held at Hardin-Simmons University, Abilene. Thirteen girls plan to attend this annual state YWA house party, February 27-March 1.

The meeting was closed in prayer and refreshments of cookies and Cokes were served by Marian. There were fourteen members present at this meeting.

Card Of Thanks

I wish to express my appreciation to the committee that selected me as the Chamber of Commerce outstanding woman of the year. Although I do not feel worthy of the honor, I am sincerely grateful for the award.

PAY YOUR POLL TAX NOW!

LAST DAY - JANUARY 31

Many local citizens are understandably alarmed because so few poll taxes have been paid. For sure, we will have a school board election this year, also an election for city councilmen. But, there is every evidence that another election will be called which will affect every individual and which will create more interest than either of the two elections mentioned above. In reality, there is no such thing as an "off" election year. Every election is important, and should be participated in by as many citizens as can qualify to vote.

Poll taxes may be paid at the Chamber of Commerce office. This is one of the many services rendered by the C. of C. for Burk Burnett area citizens.

REMEMBER, SATURDAY, JANUARY 31st is the deadline for paying poll tax. Don't be one of those who will say later in the year "If I had known this was coming up, I would have paid my poll tax." The best insurance any group of citizens can have is a 100% paid up poll tax list.

U. S. Warns Moscow

The way to deal with the Kremlin, as The Chronicle has said repeatedly for years, is to put the Soviet leaders on the defensive by making demands upon them—demands backed by every right and justice—instead of constantly attempting to counter their diplomatic initiative.

For example, when the current Berlin crisis arose, The Chronicle suggested that the Russians carry out their proclaimed intention of withdrawing from their occupation sector in the city, the Western Allies should take it over and occupy the entire city. It is our right. There was nothing in the four-power agreement that said any of the four countries could give up unilaterally its occupation duties or transfer them to a puppet German government.

The Chronicle also suggested that we should turn Khrushchev's opening of the Berlin question to our advantage by demanding again, and more forcefully, free elections in East Germany. And to seize the diplomatic initiative by demanding as a starter that the Russians get out of the Baltic countries, the first territory they seized (along with eastern Poland) at the beginning of the second World War.

We are pleased to observe that in its note of Wednesday rejecting Khrushchev's recent proposals, this government, for a change did not content itself merely with rejection but took the initiative in one entirely new respect.

It warned Russia that since the Western Allies gave up occupation of more than one third of what is now puppet East Germany—territory which the United States and British armies had conquered—in return for the Western occupation of West Berlin (a poor trade by the way) the Reds are endangering their claim to that large area in seeking to abolish four-power occupation of Berlin.

This was a good move on our part. It should make the Kremlin's masters think twice. But it is only the beginning of the demands we can and should make. The Russians have no right whatever to a square foot of the territory they now hold by force of arms west of their 1939 border.

Freedom First

"I love America, and I don't want to live anywhere else — I feel so many Americans don't appreciate it—"

These words were not from the lips of a person wanting to make over everybody and everything; they were spoken by a beautiful refugee Romanian girl. Her childhood record included starvation, flogging, three gun wounds while being used for target practice in prison camps including Dachau.

This girl and her family, including a brother in the Air Force, are not finding it easy to make a living in this country, but they put the right to be free ahead of everything else.

We should never forget or belittle the right every American has to be free. This freedom should not be forgotten when pressure groups, in or out of government, seek to submerge the individual under mass regimentation. Infringements on individual opportunity can destroy the America the Romanian girl loves. The right to work, the right to vote, the right to worship, the right to speak are not just trick slogans—they mean liberty.

Want An Oil Well?

Did you ever say, "I wish I Had An Oil Well?"

Most of us have. For oil, gushing out of the ground, has become a symbol of big money.

Great fortunes, of course, have been in oil. But the proportion of successes is a great deal smaller than most people think. For one thing, finding oil is an extremely expensive and risky business. A large majority of wells turn out dry. Huge sums of money have been sunk in the ground and will stay there forever, returning nothing.

That isn't all. Petroleum Week has carried a special report on problems now confronting oil. According to it, in the oil industry's coming fight for profits, the victors will be those with the sharpest competitive weapons—the newest and most efficient drilling rigs, refineries, pipelines and service stations.

Industry leaders surveyed by the magazine said the main need today is not for more tools—it is for better tools. This year will go on record as one the U. S. oil industry spent polishing its tools and techniques for the rough competition that is expected in the 1960's. Modernization will be the big word—in drilling gear and methods, in the refineries, in transportation by the pipelines.

That phrase "rough competition" pretty well tells the story itself. There's nothing easy, nothing sure, nothing simple, about the oil business today.

HOW BOUT THAT By RALPH TEE

GRASS ROOTS OPINION

PORT GIBSON, MISS., REVILLE: "From news reports and the recent election in France, it seems both France and Great Britain, who have tried many socialistic schemes and found them wanting, are veering more to the conservative side in their government. "May the United States, which has been toying with entirely too many socialistic plans in its national life, watch closely our allies and avoid ruinous pitfalls."

SCOTTSVILLE, KY., CITIZEN-TIMES: "Many a homeowner has found, after calamity struck, that he hadn't adequately protected his investment at all—and that his insurance was nowhere near sufficient to make up for the loss. The reason is simple. The cost of home construction—and other kinds of structures has just about doubled since 1945."

BEDFORD, VA., BULLETIN: "Out in Colorado several weeks ago a ten year old boy calmly drew bead with a deadly weapon on a woman as she walked home from a bus stop and inflicted a severe wound. When questioned by officers he told them that he had seen a woman shot on TV in much the same manner and thought it would be fun to duplicate that performance. In Denver a juvenile court judge said: 'Kids get a steady diet of violence on TV. Even those in Juvenile Hall Detention quarters, they got the idea that the way to escape is to hit somebody over the head.'"

DAWSON, MINN., SENTINEL: "During the recent campaign, the matter of labor endorsements for candidates was pretty much a hush matter. Now that the campaign is over and labor has again come out on top, there seems to be no resistancy on the part of the labor bosses to make frequent use of the term 'labor-endorsed candidates.' Could be that use of such a term during the campaign might have had an embarrassing, if not a negative effect."

Living today is a game of robbing Peter to pay Paul in order to make it possible to stand pat.

Burk Study Club Hears Lecture By Mrs. W. R. Shirk

A very informative address on the Nurses of Tomorrow was given by Mrs. W. R. Shirk in the home of Mr. and Mrs. Jack Smith. She was introduced by Mrs. P. A. Carpenter.

Mrs. Shirk is administrative assistant of Wichita General hospital. She is a member of Texas Graduate Nursing Association, North Texas League of Nursing, The Womens Forum and a board member of Wichita County TB Association.

Through her experience and education in the field of nursing, Mrs. Shirk informed us the manner in which we solve the complex problem of a shortage of Nurses today will affect the nurses we have tomorrow.

To solve this problem, we must first understand the reasons for the shortage of nurses. The demand is more than the supply because: The increase in population; A longer life span; An increase in health insurance; Advances in medicine; Changes in social approval of professions; Limitations within nursing schools to supply the demands in various fields of medicine.

Mrs. Shirk reported that this problem exists everywhere but things we must do as citizens of Burkburnett are: Promote respect of nursing as a profession; Encourage our youth in nursing by supporting scholarship funds; Volunteer our services as supply clerks and such so nurses may serve more efficiently; See that nurses salaries are on the level with other specialized professions; respect the nurse in the number of hours she must serve us.

In this age of the atom and space, we must consider the changes our health and life itself will demand of The Nurses of Tomorrow. Let's lend our support to the nursing profession.

Girl Scouting Being Organized In Burk

Girl Scout and Brownie Troops are now being organized in Burkburnett for girls between the ages of 7 and 17.

Girls Scouts of the USA are part of the World Association of Girls Scouts and Girl Guides with member in many countries throughout the world. As girl Scouts, we promise, "On my honor I will try to do my duty to God and my country, to help other people at all times and to obey the girl scout laws."

Adults who are interested in girls and who like the out of doors, have many hours of fun and real enjoyment waiting for them as leaders in scouting. If you are interested in the qualifications for a troop leader, program consultant or in any of the other many ways adults can help girls grow into healthy citizens, we hope you will contact us.

Further information for girls and adults may be obtained by contacting Mrs. Kenneth Simenson, 630 Pecan, Phone JO 9-3442

It is time to start thinking about the fall care of lawns. T. Haws, co. agent, should be emphasized. Properly maintained lawns will go into a vigorous winter and will remain green through the fall and will grow next spring.

Rye grass is sometimes overseeded on bermuda to give green color during the winter, but, this is sometimes harmful to the bermuda. Ryegrass is usually growing in the spring when bermuda should start and unless the ryegrass is kept closely clipped, it often gives bermuda serious competition for light, moisture and plantfood. If ryegrass is seeded on a bermuda lawn, Italian or annual rye grass should be used for they die in the spring. Ryegrass should not be overseeded on grasses other than bermuda.

For additional information, get B-203, "Home Lawns", from your county agents.

The following Wichita County 4-H boys are feeding broilers for the Houston Fat Stock show which will be held in March: Charles Rawle, Jerry Lamb, Bobby Gilbert, Lawrence Penartz, Harry Sargent and Chas. Way Westmoreland.

It appears that beef prices in 1959 may not be greatly different from those of 1958 though the average price in 1959 could be a little lower, predicts B. T. Haws, county agent.

Increases in cattle inventory are setting the stage for a price decline sometimes in the next few years. An increase in cattle numbers sets the stage for a future price decline and one is

very probable in some early year after 1959. But if the rate of expansion can be kept within bounds the drop will not be too severe.

Higher grade beef from fed cattle will remain fairly abundant but lower grades will continue scarce. The price spread between grades will continue to be usually narrow as cattle feeders bid for the lighter, unfinished animals.

The Wichita Valley DHIA Association ranked first in the state in average pounds of milk which was 936 lbs and second in the state in average pounds of fat which was 32 lbs.

Building good pastures by fertilization will be emphasized at the Texas Fertilizer Conference scheduled for Jan. 6-7 at Texas A-M College. Programs and other information about the conference is available from the Dept. of Agronomy, Texas A-M College, College Station, Tex.

Home gardeners often are faced with the problem of converting fertilizer recommendations into the proper amounts for small area use. Extension Soil Chemist W. F. Bennett has come to their rescue by preparing fertilizer conversion tables for lawns, gardens and flower beds.

The information is given in Extension Service publication L-166 and copies are available from the offices of local county extension agents.

Haws points out in the leaflet that the best garden soil is a rich, deep sandy loam or loam with good drainage, good structure and water holding capacity. But, points out the county agent, the addition of organic matter, such as compost or barnyard manure and commercial fertilizer will make the good garden soil even better.

Haws suggests that all gardeners take a soil test to determine the exact amount of fertilizer needed by the lawn or garden. Local county agent can supply information on how to take a representative soil sample and give mailing instructions.

USSR — Where everything not forbidden is compulsory.

Wichita County Home Demonstration club officers and committees met together this past week for their annual training meeting. These officers & committee members received training in their duties and planned the 1959 program of work.

After general information was presented by Thelma Wirges, county HD agent, the group was divided into small workshop groups. The workshop groups were taught by HD leaders, who have served in that respective office. Mrs. J. L. Graham presented training for presidents and vice presidents. Mrs. Ross Allen trained secretaries while Mrs. A. L. Dowden gave training to treasurers. Council delegates received their training from Mrs. Jack Marshall.

Club and council committees held their meetings as a part of the training. Each committee made recommendations and plans for 1959. These recommendations will be adopted or amended by the HD clubs and council. Committee chairmen are Finance, Mrs. A. L. Dowden; Yearbook, Mrs. T. H. Barwise; Exhibit, Mrs. Tom Witherspoon; Education, Mrs. J. L. Graham; Expansion, Mrs. Lee Cooper; 4-H Mrs. Gale Lowrance; Citizenship, Mrs. Ben Lane; Recreation, Mrs. Ross Allen; Civil Defense, Mrs. E. F. Pfluger and Health and Safety, Mrs. M. Proffitt.

Officers for the Wichita County HD Council will be: Mrs. V. C. Lamb, chairman; Mrs. T. H. Barwise, vice-chrm.; Mrs. Raymond Krull, Sec.; Mrs. A. L. Dowden, treas.; Mrs. W. W. Harris, parliamentarian; Mrs. Max Jentsch, reporter.

Foods and nutrition demonstrators have been making plans and listing goals for their years work. Mesdames A. Brockriede, Claude Taylor, G. W. Davis, Rib Huggins, Connie Nolan and E. J. Simons met last week. These demonstrators used the bulletin Good Meals Every Day as they studied their family food plan. You might contact Thelma Wirges, County HD agent, 305 Fed., Building, Wichita Falls for a copy of the bulletin.

Goals and plans listed by the demonstrators are Improve meal planning; improve kitchen storage for food, equipment, etc; Organize recipe files; Organize planning centers; Improve meth-

ods for the preparation of various foods; Have well managed gardens; Use recommended methods of food preparation; Study table service for special meals.

These demonstrators will complete these goals to improve food and nutrition for their individual families. They will also share their information with others.

Mrs. E. J. Simons, Burkburnett is food demonstrator for the Hardin HD club. Mrs. Simons is an excellent homemaker and just about a food specialist. However, Mrs. Simons never feels that she knows it all. She changes methods and procedures each year. Mrs. Simons sometimes makes a new recipe. Her new coconut candy recipe is worth a try from anyone. Mix 2 cups sugar, 1 cup cream, 3-4 cup light corn syrup, 1-8 teaspoon salt and meat from 1 fresh coconut. Mrs. Simons shreds the coconut with a potato peeler. Cook to the soft ball stage. Make the soft ball test in tap water. Add 1 teaspoon vanilla and beat until creamy. Drop on wax paper.

You might like to try this tip from the Simons kitchen. This is just one of the extras that goes with a well planned garden, well planned food preservation and good meal planning.

Mrs. Gale Lowrance, home-stead improvement demonstrator has just completed moving and planting shrubs, as listed in her landscape plan. Planning helps improve any landscape plan.

Gladiolus may be put in now. Those who specialize in them make earlier plantings, due to the warm weather which often comes before the blooms have reached the full blown stage. Gladiolus blooms do not thrive in warm weather. Bulbs usually reach garden shops about Jan. 15th. Plant them as early as possible.

Mrs. C. L. Jenkins and Mrs. Jesse Mixon are the first 1959 demonstrators for HD clubs, to begin their work. They are kitchen demonstrators and have selected their goals, made plans and started work.

Mrs. Jenkins plans to build onto her house and add new kitchen

cabinets so arranged to save time and energy. She also plans for the new floor covering and complete color scheme.

Mrs. Mixon is planning to build new kitchen storage space, improve lighting and work on storage arrangement.

Both demonstrators are planning to arrange the kitchen in work centers and will use storage devices to improve the storage space.

Miss Thelma Wirges, county HD agent will give a demonstration to all home demonstration clubs in the near future on organize your Kitchen. If planning to improve an old kitchen or build a new one, you might like to visit a club. Check with any club president to find out the date.

Prune trees for a purpose, says Thelma Wirges, county HD agent. Plan carefully and prune moderately. Severe pruning or "dehorning" can permanently deform and injure trees.

Prune trees to make the place more comfortable, convenient, safe and attractive. Often trees

can be shaped to improve their appearance. Low hanging limbs can be pruned off so that the lawn will be open and look more spacious. The health of the tree can be improved by removing dead, diseased or injured limbs or to nip back high branches to make a tree form adense shade.

Watch your pruning technique. Make clean cuts, flat or flush with the main limb or trunk. Stubs left by improper cutting may cause rotting of the heart wood. You may need to treat cuts on large limbs by painting with a pruning compound, such as orange shellac, to hasten healing. Most trees make oils to cover small cuts. Generally, horticulturists advise putting nothing at all on a cut 2 inches or less in diameter.

A group of Knox Co. HD club women recently visited Mrs. Ralph Swinford to see her landscaping. Mrs. Swinford explained how she planned the landscape, conserved the soil, landscaped and now cares for the landscape.

**BURKBURNETT CHAMBER OF COMMERCE
PRESIDENT'S REPORT, 1958**

INTRODUCTION

The Chamber of Commerce is always "ready to go!" It seeks out ways and means to promote and protect your business and the economic welfare of the community, quietly, carefully, as thoroughly its resources enable it to do so. Your support through membership dues makes all this possible.

We sincerely hope you feel your 1958 contribution to your Chamber of Commerce was money well spent.

Please note a portion of our 1958 activities listed below:

Contributed \$100 to the Summer Youth Program.

Contributed \$125 to the Wichita County Stock Show.

Contributed \$200 to the Cotton County 4-H Object Show.

Contributed \$50 to the Wichita County Project Show.

Active in and paid \$25 dues to Highway 281 Association of Texas.

Active in and paid \$150 dues to the West Texas Chamber of Commerce.

Active in and paid \$25 dues to North Texas and Southern Oklahoma Area Development Ass'n.

Paid Cotton and Wheat Premiums of \$100.00. Assisted with the Texas-Oklahoma Fair in Iowa.

Also sponsored booth of antiques.

Sponsored 1958 downtown Christmas decorations and Santa Claus parade at an estimated cost of \$400.

Some six hundred bags of nuts, fruit and candy were given, by Santa Claus, this Christmas.

Estimated this program cost \$600, with no extra assessments to members.

Promoted another rodeo in June. With your support, our profits now will be used for all community projects.

Paid for the transportation of the Burk Burnett Riding Club to the Fort Worth Fat Stock Show and position. This organization deserves our support, and through its participation, it brings much favorable publicity to our city.

A welcoming program for newcomers has recently been adopted. A letter, roster of the Chamber of Commerce membership and one of our beautiful brochures are now being mailed to all newcomers in our city.

The C. of C. is now sponsoring a newcomers coffee each second Monday at Town Hall at 10:00 A. M.

Sponsored a retail sales Christmas promotional program through the month of December at a cost some \$1600. Of this amount \$600 was the cost of TV advertising, which we feel accomplished a toward directing the interest of the area citizens our town.

Contributed \$150 cash prizes to winners in the Christmas decoration contest.

Allotted \$600 for purchase of new brochures. Purchased four tables for Town Hall at a cost of \$105.60.

Donated \$40 to the Little League Football program.

Sponsored dedication services of the new post office building, also a dinner in conjunction with the Lions Club and the Rotary Club. We feel the new post office building is a definite asset to our city.

Host to football boys and coaches at the December luncheon.

Sponsored moving a sign, donated by Mathis Chevrolet Co., from South of town to a location on Red River Bridge road, encouraging people to come to Burk Burnett. Remodeled the Rodeo sign on Namite Hill at a cost of \$175.00.

Maintained a full time Chamber office which rendered various services to you and your customers. To mention a few: assisted SAFB personnel and other newcomers in finding places to live. Rental service. Notary Public service. Collected city and county taxes, issued poll tax receipts and license. Assisted with gas exemption forms and is a source of general information. Assisted with drivers' license information.

Held monthly business luncheon meetings, first Monday of each month. Make your plans to attend these luncheons. You will enjoy the food and fellowship.

As president of your Chamber of Commerce would like to express gratitude to the fine people of our community who have co-operated in a splendid way and through their co-operation our accomplishments have been made possible.

My appreciation goes to the officers, the board of directors, the entire membership, our city and county officials, all civic organizations, the Burk Burnett Star, the Times Publishing Company, and the citizens as a whole. Our sincere appreciation to the Wichita Falls Chamber of Commerce for the generous contribution of Christmas decorations.

My appreciation goes to the officers, the board of directors, the entire membership, our city and county officials, all civic organizations, the Burk Burnett Star, the Times Publishing Company, and the citizens as a whole. Our sincere appreciation to the Wichita Falls Chamber of Commerce for the generous contribution of Christmas decorations.

Contributed \$150 cash prizes to winners in the Christmas decoration contest.

Allotted \$600 for purchase of new brochures. Purchased four tables for Town Hall at a cost of \$105.60.

Donated \$40 to the Little League Football program.

Sponsored dedication services of the new post office building, also a dinner in conjunction with the Lions Club and the Rotary Club. We feel the new post office building is a definite asset to our city.

Host to football boys and coaches at the December luncheon.

Sponsored moving a sign, donated by Mathis Chevrolet Co., from South of town to a location on Red River Bridge road, encouraging people to come to Burk Burnett. Remodeled the Rodeo sign on Namite Hill at a cost of \$175.00.

Maintained a full time Chamber office which rendered various services to you and your customers. To mention a few: assisted SAFB personnel and other newcomers in finding places to live. Rental service. Notary Public service. Collected city and county taxes, issued poll tax receipts and license. Assisted with gas exemption forms and is a source of general information. Assisted with drivers' license information.

**TAX FACTS #2
Don't Pay Tax On Non-Taxable Items**

(This is one of a series of articles on federal income tax filing. The articles are based on information provided by the American Institute of Certified Public Accountants and the Texas Society of Certified Public Accountants, in cooperation with the Internal Revenue Service.)

YOU may think that listing your income is the easiest part of preparing a tax return. Actually, according to the Internal Revenue Service, this is where taxpayers make the greatest number of errors.

Not all of the money that may have come to you during 1958 needs to be reported on your tax form. For example, don't report:

- (1) "Dividends" received on an insurance policy. They are considered merely a refund of part of the premium you paid.
- (2) Social Security benefits, Railroad Retirement Act benefits, or payments received under Workmen's Compensation laws.
- (3) Property or cash gifts received from other people, although the giver may have to pay a gift tax. Tips and other compensation for services must be reported, however.
- (4) Inheritances and bequests. The estate may be taxed, but not the recipient.

If you were injured and received damages, this is not considered taxable income and it makes no difference whether your damages were awarded by a court or settled out of court.

When listing income you can also forget about most government benefits to veterans and their families. Dividends paid on veteran's Government insurance is not considered taxable income, but non-disability retirement pay and the interest on terminal leave bonds may be included.

Sick Pay Benefits
If you were absent from work due to injury or sickness and received payments from your employer or his insurance company, these payments are non-taxable within these two limitations:

First, the maximum amount is \$100 per week, plus any amount which came from your own contribution to the plan.

Second, unless the absence was for sickness during which you were hospitalized for one day or for a personal injury, the payments are not tax free until after the first 7 calendar days of absence.

If these payments are included in the wages shown on your withholding slips, you should subtract the proper amount from your income in the place provided on the first page of the tax return (Form 1049). Attach an explanation as described in the official instruction book. You are entitled to exclude this amount even if you do not itemize deductions.

Rules on Prizes
There is an interesting rule on prizes. Generally all prizes and awards are taxable. However, prizes awarded for scientific, literary or other achievements without any action by you to bring about your selection, are not considered as taxable income to you. Most scholarships granted to college students are not taxable, and the value of the award does not have to be included in the student's contribution to his support.

The official instructions contain a list of the types of income which should or should not be included in your tax return. It is important to check this list carefully.

Smith and members Marvelene Armstrong, Maude Bohner, Lou Ethel Boyd, Elizabeth Brady, Hattie Burns, Gail Butts, Mary Cecil, Earline Chambers, Elizabeth Gragg, Lorita Griffin, Bertha Johnson, Icie Howard, Grace Markum, Maude Mathis, Peggy Mathis, Margaret

First Aid Facts

Spiders—Ticks—Chiggers—Scorpions
FIRST AID WHEN THEY BITE OR STING

By Dr. Paul F. MacLeod*

1. Spiders are not dangerous except for the notorious Black Widow found mostly in the southern and eastern areas of the United States. Contrary to popular belief, the bites of the tarantula and Brown Widow are not fatal, though they can cause considerable discomfort. The Black Widow's poison, which acts on the nervous system, causes immediate pain.

What you can do. Call the doctor at once. Enforce rest, keep the patient warm and apply cold packs on the bite while awaiting the doctor's visit. Don't worry the patient with your anxieties. Teach children that the common spider may be a nuisance, but it is not a menace.

2. Wood ticks are flat, brown, one-fourth inch long, with eight legs. They are mostly harmless, but should be removed. The bite transmits germs, sometimes the germ causing Rocky Mountain spotted fever.

What you can do. Cover the tick with kerosene or an ointment such as Unguentine. This will stiffen the tick. Let the ointment stay on for 30 minutes. Then remove the tick with tweezers. Scrub the area with soap and water to remove germs left on the skin.

3. Chiggers are tiny (barely visible), red mites which inject an irritating fluid. They congregate under the arms and around the waist line.

What you can do. Wash with yellow soap and sponge with alcohol or a baking soda solution.

4. Scorpions are three inches long, have eight legs, an elongated body and a tail which contains a stinger. Authorities say

their bites are usually not fatal, except for one particular species. These are yellow scorpions originating in Mexico and found in the southwest. Their bites are not necessarily fatal either. As with Black Widow bites, the smaller the person bitten, the more severe are the results.

What you can do. Apply ice packs. Apply a tourniquet for five minutes above the sting. A rubber band may be used if it is in the finger or toe. Avoid cuts and suction (the method used for snake bites). Call your doctor if a child is stung, if the swelling does not recede, or any unusual reaction develops.

Baptist Brotherhood To Meet Jan. 26th At Faith Baptist Church

Some 175 men from Baptist Brotherhood organization in Burk and other cities in Wichita and Archer counties are expected at a meeting at 7 p. m. Monday, Jan. 26th in Faith Baptist church, Wichita Falls.

Jack Hightower, District Attorney from Vernon and president of the Baptist District 11 Brotherhood, will address the group, according to W. T. Hester program chairman for the Wichita-Archer Association Brotherhood.

The meeting will emphasize work through the Royal Ambassadors, an organization for boys of junior and intermediate ages, sponsored in many of the churches by the Brotherhood.

RA boys from Lamar Baptist church, Wichita Falls, will give a program typical of those held at their weekly meeting to show the types of activities carried out by the boys.

Each man attending the meeting is asked to bring as his guest a member of an RA group or a boy who would be qualified for membership.

A catered meal is planned to begin the Monday night event, with the program scheduled at 8:00 p. m.

Faith Baptist church is at Abbott and Thomas street just west of Rhea Road in the Faith Village section of Wichita Falls.

Time Of My Life By OLEN BAILEY

We of the 37th National 4-H Club Congress realized we were representing millions in this vast land of ours. It was truly a trip to remember. During only one week we were taught the true appreciation of the finer things of life. My trip will stand out in my memories as one of the highlights of my life.

Truly, Chicago rolled out the welcome mat to greet us and the service by the Conrad Hilton Hotel was wonderful. The banquets were beautiful. The most impressive scene I remember was the opening ceremony. The lights were turned out. The total stillness and blackness were suddenly pierced by a radiant spotlight centered on the waving American flag. It had majesty and splendor. Then R. C. Scotty of Scotland spoke on What America Offers Us. During the week we heard several more of the worlds most inspirational speakers.

Club Congress was more than

just a week of adventure. And I realize my wonderful trip was made possible by the combined efforts of many people. I wish to thank my parents who have stayed behind me, my local leaders and county Extension agents who have given me valuable advice and supervised my projects also the radio, television and newspaper industries. Last but not least, I wish to thank the Westinghouse Electric Corporation who provided the expenses for my trip.

I was deeply impressed by our oneness in interest in 4-H and I am proud indeed to be a member of 4-H which has done so much to provide leadership and inspiration, in helping keep this country free and upholding their aim. To Make The Best Better. If I can hold to the values I have been taught, I'm sure I can never fail. I came away from Chicago resolved to do all I can to get others interested in 4-H work.

**WARNING
AGAINST
MURDER!**

Obeying this sign may cost you a few minutes. Failing to heed it may cost a life. Don't be a killer... or a corpse! When traffic laws are obeyed, deaths go DOWN!
BACK THE ATTACK

ENTER-PHOBIA. This new ailment besets you when you try to get into other '59 cars. Do you back in? Crawl in? Fall in? It's hard to tell which. But Mercury has the right remedy: door openings are 6 inches wider. There's up to 2 inches more head clearance. You step in easily...without a twinge.

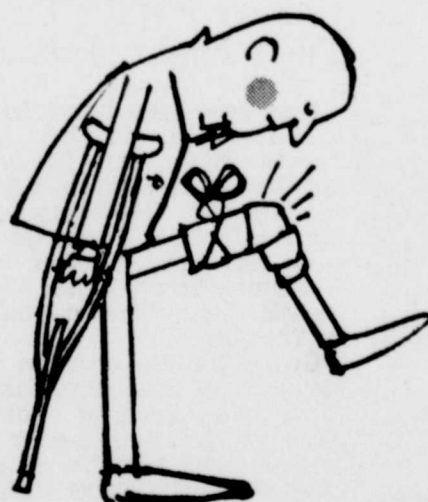

BACK-SEAT BOUNCE. The only cushioning many '59 cars could squeeze in over their high floor hump is a layer of spring and a jute pad. But Mercury's lowered hump made space for full cushioning.

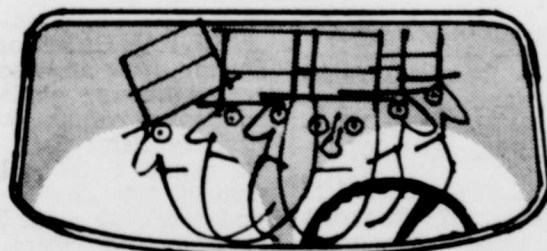

**PROBLEMS
YOU'LL HAVE
TO LIVE
WITH IN EVERY
NEW CAR
EXCEPT MERCURY**

CLOSE-TOGETHERNESS. Other '59 cars make friendships too close. But Mercury moved the dashboard forward for 9" more knee room. There's more leg room, more elbow room—more usable room all around.

DOOR-ITIS OF THE KNEE. Other '59 cars have jutting windshield posts that threaten to de-cap your knees! But Mercury moved that windshield post forward 2 inches. It's easy to step in without hitting your knee.

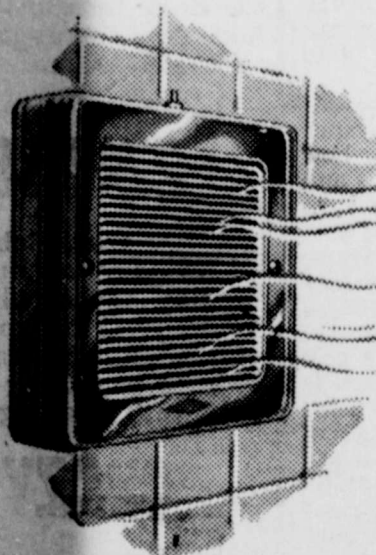

STORMY-WEATHER TWITCH. Wipers in other cars do not clear the center of the windshield, so you have to peek through 2 fan-shaped sections. But Mercury's wipers have an overlapping pattern—clear a five-foot swath—including the center. You drive relaxed in all kinds of weather.

MIDDLE-MAN CROUCH. That hump in the floor of other '59 cars is now larger than ever. It makes the man in the middle sit with his knees at his chin. But Mercury cut the hump in half! Now the middle man has room to stretch out.

Jehovah's Witnesses Attends Convention In Okla. Jan. 23-25

Mr. Harold P. Bruce, ministerial overseer of Jehovah's Witnesses in this area, announced today that the regular week-end schedule of meetings and activities will be cancelled so the Witnesses may attend their Texas-Okla. circuit convention which will be held in the Convention Hall, 1221 8th St., in Woodward, Okla., Jan. 23-25.

Bruce will have charge of the news room in the Public Relations Department of the convention organization.

Commenting on the convention theme, "Expanding Our Ministry" Bruce explained, "It not only signals a stepped up program for local preaching activities, but also suggests an intensified earth wide effort to meet the challenge of increasing evils which threaten the spiritual well-being of all people." He expressed regret that in our scientific, materialistic world, many people have come to view the Christian religion as something to be professed statically rather than embraced and lived up to faithfully and progressively.

Continuing, Bruce said, "The international outlook of Jehovah's Witnesses has prompted them to by-pass the many deeply entrenched barriers to the spiritual unity of earth's inhabitants, and their expanding ministry, now extending into 175 lands, reaches out to all nations and kindreds and tongues."

"Their organization, which has grown from less than ten thousand associates in 1922 to nearly eight hundred thousand active ministers in 1958, includes men of all races and colors, and by previous association these represent all levels of society and all religions. Their ranks also include veterans of all the wars of the twentieth century."

Bruce quoted the words of Jesus, "The harvest truly is great, but the laborers are few" and said, "In a comparative sense this is true today, even in the communities represented by the 18 congregations of our local circuit, hence the appropriateness of the theme, 'Expanding Our Ministry.' We hope the assembly program of instruction will help us accomplish this objective."

The convention climax will come Sunday at 3 p. m. with the public lecture "The Watch Tower Society in God's Purpose." The speaker will be Kenneth R. Savoy from the Society's headquarters in New York. All interested persons are invited to attend. All sessions are open to the public without charge.

Miss Alma Jackson Honored With Tea Tues. Night, Jan. 20

Miss Jewel Reed was hostess to a lovely tea in her home Tuesday night, Jan. 20, honoring Miss Alma Jackson, a Southern Baptist Missionary from Rio De Janeiro, Brazil. Co-hostesses for the occasion were Mesdames Frank Kelley, W. A. Minick, Luke Warren and R. P. Thaxton.

Guests for the occasion were members of the Alma Jackson Circle, the business women's circle which is named after Miss Jackson, and the Y.W.A. girls. Mrs. Ralph Davis was in charge of the meeting and introduced the guest, Miss Jackson. Mrs. R. P. Thaxton led in prayer. Miss Jackson showed movie pictures of her work in Brazil and also displayed a number of interesting items from Brazil. Miss Jackson is a graduate of Baylor University and is a teacher in the Baptist School in Brazil. Her home is in Nocona, Texas.

Those attending the tea were: members, Mesdames J. C. Gay, C. B. Beldon, Luke Warren, Carl Miller, Balma Varner, Paul Friels, John Brookman, R. P. Thaxton, W. A. Minick, Marilyn Ferrell, Cordie Lawrence, Frank Kelley, Ralph Davis, Addie Dixon, Nola Thorpe, Misses Bessie Knight, Hazel Waggoner; visitors, Mrs. O. E. Melton, Mrs. Eula Paul, Frances Story, and Y.W.A. girls, Alta Lee Nickens, Eloise Morris, Venita Garrett, Karen Addouch, Myrna Hoffman, Ann Overton, Dee Ann Welborn and their leader, Mrs. Gavin Vaughn.

Mr. and Mrs. J. B. Garrett of Electra and Mr. and Mrs. Ray Mills of Burkburnett spent Sunday in Elk City, Oklahoma, visiting relatives.

Clem Hardy Circle Met Jan. 19th With Mrs. J. D. Grizzle

Mrs. J. D. Grizzle was hostess to the Clem Hardy Circle which met in her home Jan. 19th. Mrs. W. S. Carter called the meeting to order. Prayer by Mrs. E. E. Welborn. Mrs. Joyce Conway took the minutes of this meeting. Mrs. Jerry Landrum volunteered to become the assistant sec-treas. Mrs. J. L. Treadwell was absent on account of out town company.

Seven members were present as follows: Mesdames E. E. Welborn, W. S. Carter, J. D. Grizzle, Joyce Conway, Alta Kramer, Thelma Benton, Jerry Landrum and Oma VanCleave.

Miss Oma B. VanCleave read the report of the last meeting which was at the First Baptist church in the Mary Martha class room on Jan. 5th. Mrs. Alta Kramer gave a report on the young peoples work. Mrs. Kramer is the young peoples leader from our circle. Mrs. J. D. Grizzle gave a report on the mission books that have been ordered. Several prayers were offered for the simultaneous revival that will be held in our church in February.

The royal service program, Measure of Success, was given. Those taking part were Fellowship, Oma VanCleave; Christian Witness, Mrs. Joyce Conway; World Awareness, Mrs. E. E. Welborn. Mrs. W. S. Carter read the prayer list of missionaries. The dismissal prayer was by Mrs. Jerry Landrum.

Refreshments of German chocolate cake topped with coconut and nuts, and coffee and Cokes were served by the hostess, Mrs. Grizzle. All the members present enjoyed the meeting.

It's The Law In Texas

There is no time like the present to start a procedure that will aid you with next year's income tax calculations. That is to maintain a record of your income and outgo. Such a record can be simple and brief but it may save you tax dollars and many hours of work in filling out tax forms.

The average man who works for a wage or salary doesn't have to concern himself about keeping books and records—at least so he thinks. His employer keeps a reliable record of his earnings and Uncle Sam looks primarily to the employer for information on his earnings and for the withholding or various taxes out of his wages.

But whether or not you run a business of your own, you have a partner who each year is claiming a substantial interest in your personal income. And the law requires that you keep books for him in case he ever asks for an accounting.

Perhaps you own your home or are paying it out in installments. It's likely that some day you may sell that house. When you do you'll want to be able to prove whether you realized a gain or a loss on that sale. If a gain capital resulted, it probably will add to your income tax. If a loss was suffered, it may possibly reduce your income tax.

You may have made certain capital improvements on the house while you lived in it, but unless you can show what out of pocket expense you incurred while making them, you may not get credit for them in your cost basis so as to prove that you had no capital gain or that you had a loss.

Or perhaps you received that little summer cottage on the lake as a gift from your father. If you ever sell it, you should be able to show Uncle Sam not only the cost of improvements you made on it while you owned it, but also what was worth for tax purposes before Dad gave it to you.

It may be that you are receiving an annuity on an insurance policy. If so, do you know how much that policy costs you and how much of that cost you have recovered tax free to date?

There are many kinds of transactions you enter into that may some day affect the computation of your personal income tax. The best proof of the cost of anything you've purchased is a receipted bill or canceled check. If one of these pieces of evidence relates to any transaction that may effect your income in later years, it's a good idea to keep it. Your partner may some day ask to see it.
