ROTARY CLUB

Town Hall Each Tuesday 12:00 Noon

Bill Gray, who is associated with the City National Bank in Wichita Falls was guest speaker at the noon luncheon Tuesday. His subject was Central Banking and its Impact on the Nations Economy. Mr. Gray, who has just recently completed an American Institute Banking Course, entered and won first place in the District contest in Houston, Tex. He then went to Philadelphia, Penn., where he placed second among 12 contestants representing the 12 federal reserve districts. His talk was very timely and interesting and was thoroughly enjoyed by the members. Paul Browning was responsible for the program. Forty-six members and guests were present. Floyd Marten introduced the guests. Jean Dodson provided the dinner music in the absence of Rotary sweetheart, Irma Ned Riley, who is on vacation.

Rotary president, John Brookman, gave the following financial report on the boat and motor ticket sales: Total ticket sales, \$2,236.05; expenses, \$1,233.19; profit, \$1,002.86. The club will give a check for \$1,000 to the Burk Burnett Swim club. This was a very worthwhile project for the club to undertake and every member is to be commended for their part in making it such a success. Richard Hill of Iowa Park was winner of the boat, motor and trailer which was given away the last night of the rodeo.

Last Rites Tuesday, For Miss Alma Horr

Miss Alma Horr, 60, resident of Burk Burnett for eight years, died early Monday morning in a Wichita Falls hospital after an illness of several months.

Funeral services were held at 10 a. m. Tuesday from the Owens-Brumley Funeral Home chapel with Rev. Leroy Meyers, pastor of the First Baptist church officiating, assisted by Rev. Ray Manning of Wichita Falls. Burial was in Burk Burnett cemetery.

Miss Horr was born in Joplin, Mo., Sept. 27, 1898. Survivors include her mother, Mrs. Mary L. Horr of Burk Burnett; two sisters, Mrs. Phillip Braden of Stockton, Calif., and Mrs. Leo Sutton, Fruita, Colo., and a brother, L. B. Horr of Burk Burnett.

Pallbearers were Bud Ramsey, Dow Estes, Frank Germany, G. T. Roberts, L. V. Richards, W. W. Browning.

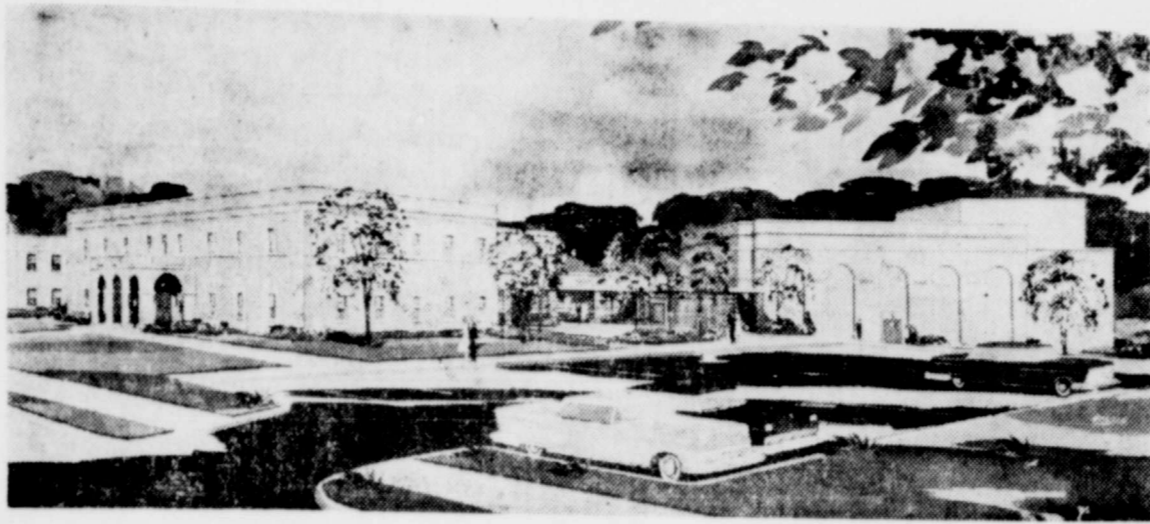

Mrs. C. C. Millstead and daughters and Miss Ruth Huffman were Ardmore, Okla. visitors Sunday. They took their aunt, Mrs. Katie Scaggs home.

H. Millar "Senior Chief"

Millar, Jr., chief ship fitter, USN, receives promotion from his commanding officer, Capt. J. L. aboard the guided missile ship USS Norton at Hueneme, California. The son of Mr. and Mrs. Paul H. Millar of Janet Crowe of Frederick, Oklahoma. Millar was effective June 16. Millar will be Chief Petty Officers holding the pay grade "Senior Chief" is pay grade E-8, an equivalent and Marine Corps' First Sergeant and Senior Master Sergeant. Before entering May, 1945, he attended Burk Burnett High

MORE MUSIC FACILITIES FOR NTSC

Now the largest in the Southwest, the School of Music at North Texas State College in Denton will get expanded physical facilities with construction of this additional building. The NTSC Board of Regents has approved plans for a classroom unit, at left and center adjoining the present music hall and orchestra hall, and auditorium, right, to seat 698. Work is expected to start in August with completion in time for the fall semester of 1960.

Myrtie McGuire Services Wed.

Funeral services for Mrs. J. W. (Myrtie) McGuire, 76, who died June 16th in a Gladewater hospital, were held at 2 p. m. Wednesday at the First Baptist church with the Rev. Irby Bates pastor, and Dr. Ben R. Stripling, former pastor officiating. Burial was in Gladewater Memorial Park with Stone-Dake Funeral Home in charge of arrangements.

Mrs. McGuire, who resided at 718 West Pacific, had been ill for about a month. She had been a resident of Gladewater for 25 years. Before illness struck she was an employee of Kincaid's department store, where she had worked for some 20 years.

A native of Marietta, Ga., she was a member of the Eastern Star and was past worthy matron of the Gladewater chapter. She was also a member of the Baptist church.

Survivors include her husband, J. W. McGuire, Gladewater; one daughter, Mrs. Bonnie J. Sewell, Long Beach, Calif.; a brother, W. B. Ferguson, Swan, Tex.; and three sisters, Mrs. Lee Stinnet, Tex., Mrs. J. Roach, Chickasha, Okla., and Mrs. Harry Gordon, Mineola, Tex.

Statement of Thanks From Civic Clubs On Rodeo Concession

We would like to express our deep appreciation for your wonderful assistance and co-operation in the Club Concessions of the Rodeo. We certainly feel the success of the Concession depended on the untiring devotion and efforts of all organizations and citizens who took part in this project. It is only through efforts such as yours and many other volunteers that such a project can be carried out.

O. D. TERRILL WINNER OF SQUAW DRESS GIVEN BY THETA EPSILON SORORITY

Mr. O. D. Terrill of Wichita Falls, was the winner of the squaw dress in the drawing held by Theta Epsilon sorority after the rodeo parade, June 16. The sorority wishes to thank Burk Burnett and the surrounding territories for their interest and co-operation in this project.

New Address for Dallas VA Office

The 357,000 veterans in North Texas will have to learn a new address for the Dallas Veterans Administration Regional Office which services their benefits. Over the weekend starting June 19th, the Dallas VA office moved its operations from old quarters at 912 South Ervay St., to 511 North Akard, a new office building nearer downtown Dallas.

Nearly 500,000 folders and 1,500,000 punch card records about North Texas veterans, as well as office equipment for 300 employees, will be moved to the new location.

VA's Contact Division, which is the central link between veterans and VA, will be on the first floor at the new North Akard address, Edward P. Onstat, manager said. Other VA operating services will be on floors 6 through 12.

LITTLE BOSTON GIRL WINS THIRD IN KIDDIES PARADE

Little Mona Freeman wanted so much to enter the Kiddies' Rodeo parade here recently. So badly in fact, that she thought up her own idea of a costume which consisted of her mama's pajamas. Mona is very small for a 5 year old and she knew she would have to do lots of thinking as to how to keep her mamas pajamas on.

She took the belt and tied it around her waist and bloused the top then took some strings and tied the bottom of the legs. For an umbrella, she used the bath room plunger, which was gaily decorated and she wore a cute pink lamp shade for a hat. When she had completed her costume, she turned to her mother and said "See how nice I look? I'm all ready for the parade." With that big smile that she wears all the time and those talking brown eyes, she took off for town, not expecting to win anything, but only to have a good time with all the rest of the kids. However Mona did win 3rd place in the unique division and was awarded one silver dollar for her efforts.

Mona is the daughter of Mr. and Mrs. Kenneth Freeman of Burk Burnett and the granddaughter of Mr. Lon Freeman of Burk Burnett and Mr. and Mrs. W. W. Weinert of Boston, Mass. Here's one Yankee that has turned Texan.

U. S. POST OFFICE Ballinger, Texas, June 15, 1959

Mr. and Mrs. Kyle Archie, P. O. Box 964, Burk Burnett, Texas.

Dear Mr. and Mrs. Archie: Recently the post office had the floors redone here and it was necessary to move all the fixtures and the enclosed Xmas Card addressed to you was found under one of the metal filing cases.

Of course we are sorry that the delay of nearly nine years was caused by someone's carelessness but thought that you would still want to know who remembered you even that long past.

We hope to have the opportunity of giving you better postal service at some future time, Sincerely, Kinchen V. Northington, Postmaster.

H. H. Jackson of Santa Maria, Calif., is visiting his sister, Mrs. M. C. Ring.

New Lighted Baseball Park Built For Burk Burnett's Little Players

Little League baseball players in Burk Burnett have one of the best lighted fields in north Texas or southern Oklahoma. It is located on the recently acquired City Park property, just south of the old City Park on Williams Road and Gulf Road.

Rev. Leroy Meyer, head of Little League play here, realized the need for another lighted field and set about to make one available. It costs lots of money to construct such a facility and the project looked doubtful. However, W. A. Hotchkiss, district manager of Texas Electric Service Co. came to the rescue and offered help. He had the plans drafted, figured the cost and made an offer. The City had some light poles not in use. If the City would furnish the poles, and the Little League furnish the switch boxes and lights, Texas Electric would furnish labor crews for installation.

The completed job is appreciated by all the little players, and all spectators who like to watch a game under a perfectly lighted field.

Mr. and Mrs. Bill Addison and boys visited the Edgar Addisons Monday in Holiday.

Visitors in the home of Mrs. Rosa Penn over the week-end were her brother, Eph Milton of Wilcox, Arizona, and sisters, Mrs. Maude Reeves of Albuquerque, N. M., and Mrs. V. L. Teaver of Plainview, Texas.

Mr. and Mrs. J. P. Hickerson will leave Friday for a few days visit in Ft. Smith, Ark.

Open House at National Bank Sat., June 27th

The newly remodeled and redecorated First National Bank will hold open house Saturday, June 27, from 2 to 5 P. M.

The outside has been finished in cast stone and Roman brick. The inside has new paneling, floor, light fixtures and furniture. A sneak preview Wednesday revealed a place of beauty and comfort for all banking facilities.

The directors room, with its long semi-oval table and colorful chairs is indeed an imposing sight.

The public is cordially invited to inspect all the facilities during the above mentioned hours this coming Saturday.

BUDDY BYARS GRADUATES FROM SPECIAL SCHOOL

TO END WARTIME TAX RATES

Let's see, now. The second world war ended 14 years ago. That is, the European phase of the war ended in May, the Pacific fighting ended in August.

During the war certain tax rates were increased, naturally. Among them were hikes in the levies on cigarettes, distilled spirits, beer and wine. A 10 percent tax was placed on the manufacturer's sale price for autos and an 8 percent impost was put on parts and accessories. The corporation profits levy was hiked to 52 percent from 47 percent.

These were "temporary" increases. The taxes were to go back to the former levels after the war ended.

Fourteen years later, the "temporary" increases have been kept in effect for another 13 times.

And the House ways and means committee has approved another one-year continuation of the wartime rates. Otherwise, the treasury would lose \$2,000,000,000 in revenue.

If that revenue were lost to the federal government, the theory goes, the President's \$77,000,000,000 budget would be unbalanced. It will be unbalanced in any event, unless the President vetoes a few of the spending bills that appropriate more money than he has asked.

But say Mr. Eisenhower does veto such bills and Congress re-enacts the legislation at lower spending levels, so as to keep the budget in balance.

Why not cut expenditures below that monumental \$77,000,000,000, the largest peacetime spending figure in the nation's history except for this year's expenditures and surpassed by only three World War II annual budgets?

Why not reduce spending by at least that \$2,000,000,000 represented by the wartime tax increases which should have been cut back 14 years ago?

Most of the \$2,000,000,000 could be taken out of the Foreign aid appropriations alone. A little more here and there, and long overdue erasure of "wartime" tax rates could be accomplished.

FOR THE LOVE OF LIBERTY

The flag of the United States changes to keep pace with a growing nation. But the ideal it represents remains unchanged—a free nation of free citizen; government by consent of the governed; a government of law rather than of men; government of the people, for the people.

The ideal shines brightly, beckoning to people the world over who cherish liberty. Yet we who inherited freedom as our most precious birthright guard it but indifferently. Though we would protect it with our lives against foreign enemies, we trade it away cheaply among ourselves. Bit by bit we hand freedom over to the government in exchange for laws hopefully designed to preserve or provide temporary material advantages. We barter liberty for protection from predatory individuals or groups; we swap it for subsidies which burden us with taxes and shackle us with restrictions.

Our ancestors willingly accepted privation to be free of government bondage. We willingly accept the yoke of government for the promise of a full belly and easy life. From us our children will inherit a cheapened remnant of freedom—along with the bill for our short sighted selfishness.

There is a much quoted aphorism on government which, while it is by no means a complete or perfect truth, deserves careful consideration by our legislators in their law-making and by us in the demands we make upon our legislators: That government governs best which governs least.

To Give Us More Doctors

With the ills of a growing population to be treated and the mysteries of cancer, heart disease, and mental illness yet to be solved, the function performed by trained medical men in the interests of our national welfare continues vital. How well fitted our physicians are for the task depends largely on the teachers in our medical schools. Retaining capable medical teachers poses a continuing problem because they, as teachers throughout our educational system, are not as well rewarded as they should be.

Anything that can be done to encourage talented teachers to remain at their academic posts, is therefore to be welcomed.

Such a step is the Medical Faculty Award program of the Lederle Laboratories Division, American Cyanamid Company which has given \$1,500,000 to 91 outstanding young physicians since 1954.

This year \$279,000 in three year grants is being divided among just 13 promising instructors or assistant professors, an average of \$20,720 each. In some cases this will pay the recipient's full salary. In others, it will be in addition to the salary he receives and it is hoped will enable the faculty man to earn as much teaching as he might in industry or private practice.

REACHING OUT!

THE PUBLIC BE DURNED

If the Congress really is interested in passing a labor bill in the public interest, it should consider the Barden Bill, now bottled up in the House Labor Committee.

Unlike the Kennedy Bill, Graham Barden's bill would deal with the problem of labor union monopoly. Monopoly is against the interest of the people, as Congress already has recognized in the anti-trust laws, and monopoly is growing in labor today.

Prime example is James Hoffa's unsavory Teamsters' Union, which not only has a stranglehold on trucks everywhere, but has completed or is working on agreements with other unions which control water, air and other land transport.

Hoffa has boasted that he has the power to bring all transportation to a halt, and so bring the country to its knees. This kind of weapon is not needed for collective bargaining—it could only be used against the nation itself.

To obtain this power, Hoffa has had no hesitancy about allying himself with unions ruled by pro-communists. Other unions have brought the country to stagnation by striking entire industries, such as steel and coal. This has occurred even in wartime. There is no law to prevent strikes against the whole public and many unions have shown that their restraint can't be counted upon.

It now appears that most Congressmen are more concerned with the political power that organized labor holds over them than they are with the monopoly power which labor leaders hold over the entire nation.

of medical educators which chooses the recipients in the field of anatomy, biochemistry, microbiology, pathology, pharmacology, physiology and medical genetics. It also includes Dr. Windsor C. Cutting, Stanford; Dr. Harry F. Dowling, Illinois; Dr. Robert F. Pitts, Cornell; Dr. George Sayers, Western Reserve; Dr. Morris F. Shaffer, Tulane and Dr. Douglas H. Sprunt, Tennessee.

In our demands for better health care, we need a constant source of physicians. They will be needed in Clinics and hospitals and also in the armed services, the public health service and in laboratories of all kinds.

The Lederle Medical Faculty Awards are a step by private enterprise toward educating doctors in the great numbers that will be required. It is heartening to know that other companies are following the public spirited lead of the Pearl River, N. Y. firm in this important field of education.

Homemakers Club Met Thur. June 18th

The Friendly Homemakers club met in the home of Joyce Morgan June 18th at 9:30 a. m.

Following a short business meeting, Joyce gave an interesting demonstration on home freezing.

The club will meet in the home of Dorothy Cole, 208 Beach St., July 16th.

Those attending the meeting were Sara Allums, Jewell Wallace, Mattie Cheney, Dorothy Cole, Midge Hill, Mary Hellen Shipman and hostess, Joyce Morgan.

Rebekah Lodge No. 67

The Burk Rebekah Lodge met in usual form with Cora Lee Harmon, Noble Grand presiding. The sick members were reported, bills presented and the reading of the minutes of the last session.

The lodge voted to have a covered dish supper at the lodge hall, Friday night, June 19th. Each member attending shall be asked to bring a dish. The Odd Fellows and Rebekahs may bring their families, but must pay 50c each for their plate. A little program has been planned. This is a means of raising funds for the lodge.

Lodge closed in usual form.

Theta Epsilon Dist. Meeting June 14th

The District VI meeting of Epsilon Sigma Alpha was held in Quanah, Tex., June 14. Members from Burkburnett sorority attending the meeting were Vicki Brown, District VI Welfare chairman, Evelyn Farris, Dist. VI Home Board Representative, and Margie Winkles, president of Theta Epsilon.

A business meeting was conducted by Lavena Harlin, president, in the youth center. A contest on chapter yearbooks and scrapbooks was the highlight of the meeting. Iowa Park won first, Ft. Worth second, and Burkburnett placed third with their scrapbook which was compiled by Wanda Enloe, historian. 17 chapters are in District VI.

District VI chose as their welfare Project to assist in purchasing equipment to be used in Cancer research and chemotherapy division and placed for use in the Bio-Medical Laboratories in Wichita Falls.

Lunch was served at Dutch's Restaurant. The tables were beautifully decorated with flowers and floating candles. Each member was presented a Hawaiian lei and flower as favors. Girls dressed as native Hawaiians served the food.

Door prizes were won by Evelyn Farris, Burk and Clair McLaughlin, Ft. Worth.

The program was entitled "Love, Loyalty and Friendship", and was presented by Vicki Brown, Burk; Dorothy Baird, Ft. Worth and Bernice Watson, Iowa Park.

The meeting was adjourned and all members participated in the closing ritual.

Levi Garrett and family of Snyder, Texas, are visiting Mrs. Garrett's parents, Mr. and Mrs. F. N. Thompson, this week. They also attended the Boomtown Celebration while here.

Boy Scout Fifth National Jamboree at Colorado Springs, Colo.

The Northwest Texas Council, Boy Scouts of America, begins today to give every eligible Scout and Explorer an opportunity to enroll for participation in the Fifth National Jamboree which will see 50,000 boys and leaders camping together at Colorado Springs, Colo., from July 22 to July 28, 1960.

"Each unit in the Council," said Dr. Joe Steed, of Wichita Falls, chairman of the Council's jamboree committee, "is being sent information about the jamboree and application forms. We are hopeful that every unit will be represented by at least one member. The national jamboree is an important part of our 50th anniversary celebration".

Dr. Steed said that the jamboree committee is now planning the itinerary of the local contingent. He said the committee realizes that to most of its participants the jamboree and the trips to

and from the camp will be really a "mountaintop experience". Literally this will be true, for the 2,000 acre jamboree camp located on the ranch of Mr. and Mrs. R. E. Johnson will be on land over one mile above sea level and within sight of Pikes Peak.

Each participant, Dr. Steed said, will need to satisfy the local jamboree committee that he has had adequate camping experience to assure his ability to care for himself in the open and that he has a cooperative attitude towards his fellow Scouts and leaders.

Each participant will pay his own way, but many deserving Scouts will be aided by their troop, by the troop's parent institution, and by service clubs, fraternal, business, civic, and labor organizations. Some will earn funds by spare time jobs.

Mrs. G. R. Sloan Hostess June 14 Fuller Circle

The Fuller Circle of the First Baptist church met June 14th in the home of Mrs. G. R. Sloan, 521 W. 3rd. The meeting was opened by singing, Love Lifted Me, followed by a prayer by Mrs. Lena Hinkle.

A short business session was held by Mrs. B. H. Preston, Sr., circle chairman.

The theme of the devotional meditation, Sacrifice of Praise, was given by Mrs. Dyle Vaughn. Prayer by Mrs. Buchanan. An interesting paper, Giants in the Land, was given by Mrs. W. A. Browning. Speaking of Thailand Mrs. Browning stated that one of the greatest giants of the land was Buddhism. We have a big task in missionary work there; if we do not, others will. Communism is another giant of the land. Now is the time for Southern Baptists to be in Thailand, the time for a strong voice to sound for God above the confusion that is rapidly changing Thailand. Let us redouble our efforts and in spite of the giants go up at once and possess the land for we are well able thru the unlimited power of the Holy Spirit.

Mrs. C. E. Knight gave an interesting paper on Buddhism. She stated that the Buddhist religion is more ancient than Christianity.

Refreshments were served to ten members and one guest Mrs. Eugene Sloan.

Jo Ellen Nichols-Raymond J. Schumann
Vows Read Saturday, June 20th

Miss Jo Ellen Nichols, daughter of Mr. and Mrs. J. M. Nichols of Burkburnett, became the bride Saturday, June 20th of Raymond Jerome Schumann, son of Mr. and Mrs. Roy Schumann of Kampsville, Ill.

Rev. T. M. Jensen of Seagoville, Tex., assisted by Rev. Leon Turner of Burkburnett in the double ring ceremony at 4:00 p. m. in the First Methodist church of this city. The wedding vows were exchanged before an altar decorated with tall baskets of white gladiolas and mums, flanked by two seven branch candelabra holding white tapers gracing an archway of greenery.

Miss Betsy McCauley of Seymour, Tex., organist, Miss Tissa Roberts of Archer City, pianist and Jim Henderson of Wichita Falls, vocalist, presented traditional nuptial music.

Given in marriage by her father, the bride wore a dress of white silk organza, princess style, with a sweetheart neckline caught by a silk organza rose at the point of the collar. A panel of pleats down the back completed the bouffant street length skirt. Her elbow length illusion veil caught to a dainty half hat of organza roses centered with seed pearls. She wore a tiny pearl drop necklace with ear rings to match and carried a white Bible topped with Stephanotis centered with a white orchid.

Mrs. T. L. Bryant, sister of the bride, of Hereford, Tex., was Matron of Honor. Bridesmaids were, Miss Janelle Vollmer of Wichita Falls, roommate of the bride at Midwestern University,

and Miss Elizabeth Schumann, sister of the groom of St. Louis, Mo. They were dressed in identical dresses of powder blue silk organza over taffeta, with fitted bodice, scooped necklines and full skirts, bow head pieces trimmed with tiny blue roses and wore white gloves. Each nosegay was of blue and white shattered carnations and white net.

Candlelighters were Carol Ann Nichols of Burk and Connie Lee Bryant of Hereford, Tex., both are nieces of the bride. They wore like dresses of ice blue organza over taffeta. Flower girl was Kathy Kaffer, niece of the groom of St. Louis, Mo.

Roy Brangerberg of Kampsville, Ill., was best man. Ushers were James R. Estes of this city and Henry Cuba of Margaree, Tex. Groomsmen were Darrell Nichols of Burk and Frank Kaffer of St. Louis, Mo.

The bride graduated from the Burkburnett High School and was a Spring graduate of Midwestern University of 1959, a member of Chi Gamma Social club, Wesley Foundation, Secretary - treasurer of Student Government, Indianettes, Association for Childhood Education, Junior-Senior Favorite and Honorary Cadet Colonel.

The groom graduated from Kampsville High School, attended Hannibal Junior College, All American Junior College Basketball player of 1951-52 and 1952-53. Graduated from Midwestern in 1957, was basketball letterman three years and is now basketball coach at Kinderhook, Ill., Junior High School.

A reception following the wedding ceremony was held in the church parlor.

Mrs. Darrell Nichols secured names in the guest book.

The table was laid with a beautiful white ruffled organdy cloth with an arrangement of blue and white carnations. Pink fruited ice and traditional white wedding cake was served.

The reception assistants were Misses Louise Boyd and Paula Garland of Burk, Miss Glenna Diltz of Oklaunion and Sandra Duckworth of Vernon.

Following a trip through the Ozarks of Missouri, the couple will have a summer residence at Kampsville, Ill and move to Hull, Ill in the Fall.

An informal rehearsal party was held Friday night June 19th at the home of the brides parents, Mr. and Mrs. J. M. Nichols in Burkburnett.

Gassers Win Pair

The Owen Bell Gassers won two ball games by identical scores, 15 to 1, this week.

The Gassers, behind Leonard Young's 3 hit pitching, swamped the Sheppard Field Jets Saturday night. Barney Fudge and Eddie Binek led the hitting.

Wednesday night the Gassers, again behind Leonard Young's 1 hit pitching, slammed the Duncan, Okla., All-Stars 15-1 at Lions Park here.

Fudge, Raney and Binek again led the onslaught.

The Gassers play Grape- mont, Okla., in the Anadarko tournament Thursday afternoon at 3 o'clock.

The Si Parker's Honored Tuesday With Party

The home of Mr. and Mrs. Ray Stimpson was the scene of a farewell party Tuesday night, honoring Mr. and Mrs. Si Parker.

The backyard of the Stimpson home was the setting for the lawn party. Games and delicious refreshments of cake and ice cream were enjoyed by all.

Mrs. Lloyd Potts presented the gifts to the honorees from the friends and neighbors of the River Bottom Community. The Parkers, residents of this community for nearly 40 years, are moving to Thackerville, Oklahoma, to make their home. Their many friends expressed regret in losing this fine family but wished them happiness in their new home.

Refreshments were served to the following: Messrs and Mesdames Si Parker, W. R. Stimpson, Ted Harris, T. A. Banning, Lloyd Potts, W. R. Robison, N. T. Crane, Dude Smith, Lawson Gilger, C. E. Goins, Clyde Peed, L. W. Knight, Edwin Michna, and Rogers, C. W. Ramsey, Estell Goins, George Gunter, Richard Perry, Mrs. Clara Hamilton, Mrs. Mary Muhlinghouse, Mr. H. L. Martin, Mrs. R. H. Hill, and Bobbie.

Mrs. Beverly Preston and Hugh Bruce are visiting in Houston this week.

Rabbit Control Meetings Set for July 1st and 2nd

Final plans have been completed for the series of Wichita County Rabbit Control Meetings Wednesday and Thursday, July 1 and 2, according to B. T. Haws county agent.

V. R. Smith of the Rodent Control Service, Ft. Worth, will be here to conduct the on the farm meetings. Poison will be made available at the demonstration only.

Mr. Smith will be here to demonstrate the use of Strychnine and Oats as a rabbit bait. This is the control measure that has proven itself so effective in other counties.

Haws says he knows of no adverse circumstances concerning the use of this combination. The bait is not put out in large enough amounts to hurt livestock and it will not kill quail.

Rat bait will also be made available at these meetings.

The meetings will be held at the following places:

Wednesday, July 1st—
9:00-10:00 a. m.—Ralph Swinford farm, Friberg Cooper Community.
10:00-11:00 a. m.—Gene Roberson Farm across from Rodeo grounds in Burkburnett.
11:00-12:00 a. m.—Albert Brookreide farm.
1:00-2:00 p. m.—Punkin Center Community House.
2:30-3:00 p. m.—K & K Grain, Co., Electra.
Thursday, July 2nd—
9:00-10:00 a. m.—Connie Nolan Farm, Cityview Community.
10:00-11:00 a. m.—Dr. Alexander Farm, Irrigated Valley.
11:30-12:00 a. m.—Valley View School
1:00-2:00 p. m.—Texas-Okla. Fair Grounds, Iowa Park.
3:00-4:00 p. m.—Wiley-Wolfe Grain Co., Wichita Falls.

STATE CAPITAL Highlights AND Sidelights
by Vern Sanford
TEXAS PRESS ASSOCIATION

When tax bills finally were passed by both the Texas House and the Senate, it was not dollars, but ideas that delayed agreement.

House bill was designed to raise about \$150,000,000 over the next two years; Senate bill, about \$160,000,000. Big difference was in where the money would come from. House bill was divided evenly between selective sales taxes and taxes on natural resources and corporation franchises.

Senate, which heard a long string of witnesses on the dangers of shutting prosperity-making industries out of Texas, changed the ratio. In its version natural gas and corporation pay about 18 percent of the tab; selective sales taxes, 82 percent.

Senate voted a 15-15 tie on its bill, with Lt. Gov. Ben Ramsey breaking the tie in favor of the bill.

Named to a free conference committee to adjust differences were Sens. R. A. Weinert, Sequin; Dorsey Hardeman, San Angelo; Charles F. Herring, Austin; Jimmy Phillips, Angleton; Bruce Reagan, Corpus Christi; Also Reps. V. L. Ramsey, Beckville; W. T. Oliver, Port Neches; Don Kennard, Ft. Worth; Alonzo Jamison, Denton; George Cook Odessa.

HOW THEY STACK—
These items were hit, in varying degrees, by the House and Senate bills that went to conference committee.

Corporations—Senate, raise \$10,800,000 by hiking the franchise tax from \$2.25 to \$2.75 per \$1,500 capitalization. House raise \$12,000,000 by a new two factor tax on interstate corporations.

Natural Gas—Senate raise \$8,000,000 by increasing the production tax from 7 to 8 percent. House, raise \$36,500,000 by lowering production tax to 5% and adding a 5 percent severance beneficiary tax.

Motor Vehicle Sales—Both houses agreed on increasing sales tax from 1.1 to 1.5% to bring in an additional \$7,000,000 to \$8,000,000.

Cigarettes—Senate, raise \$31,500,000 by boosting tax 3 cents a pack. House raise \$10,500,000 (estimated) by a 1 cent a pack increase.

Utilities—Senate, increase the tax on water, gas and electric utilities by 20%, for an estimated \$2,600,000. House, increase all other utilities to the telephone company rate of 2.3 percent, for an estimated \$8,000,000.

Alcoholic Beverages—Senate, increase liquor tax from \$1.40 to \$1.65 a gallon, to raise \$2,000,000. House, increase it to \$2.25 a gallon for \$7,000,000.

Wine, Senate increased tax by 20% for \$201,000. House doubled it for \$1,000,000.

Senate also tripled fees for selling beer and wine, doubled permits for liquor selling, for an estimated \$1,600,000. House bill does not include this.

WASHINGTON AND "SMALL BUSINESS"
By C. WILSON HARDER

Judged by correspondence received by this column, the majority of the people in this nation are all in favor of fighting inflation. And in nationwide polls of the country's independent businessmen through the National Federation of Independent Business, nobody is in favor of inflation.

Basically, inflation is caused by spending more than you can reasonably receive. When businessmen adopt inflationary principles, they can very well end up in bankruptcy. It takes longer for a government to reach this point, but it has happened in history.

Thus, there is wonderment in the land as to just how the nation can hold down inflation and in the same breath demands are made for even greater funds for foreign give-aways.

In the vernacular of the time, the question is being asked "what gives?" For there is still unspent some \$3 billion in foreign give-away funds, on top of over \$2 billion more readily at hand.

For the U. S. Treasury now holds in foreign currencies a value of more than \$1.5 billion, plus over another half billion dollars derived from the sale by foreign governments to their people of give away commodities from the U. S.

Thus, at a time when a drive is underway to make the state schools systems dependent on federal aid, there is in the United States Treasury unused, about as much money as is requested for the super-colossal, socialistic plan to give federal aid to schools.

Actually, however, most of this money should probably be applied toward paying off a part of the gigantic debt incurred by the farm program.

For most of this over \$2 billion was realized from the disposal of surplus American farm products. In most cases the deal worked out revolved around the U. S. turning over to foreign nations big shipments of these farm products taking in return their foreign currency on deals worked out on an individual basis with each government. It suffices that at no time did any nation pay anything near the equivalent of their American dollar value.

These foreign governments in turn, sold their peoples these commodities and deposited money realized with the U. S.

Now under the various foreign give away laws, in theory, after taking 10% off top to defray expenses of sending a lot of bureaucrats around world to administer projects, these funds were released for projects to rehabilitate war torn economies of Europe.

But of course, by this time the economies of Europe, if they are torn, are no longer torn by the war. It would appear the only economy still torn by the war is the American economy.

Perhaps it would be quite diplomatic for the United States to lay claim to these funds to pay off a portion of the American deficit, even though they were derived from the sale by foreign governments of goods received from America to their own people. But a nation with money on hand should not stay on the gravy train.

Behold the Ant.

• Science tells us that the strongest thing in the world for its size is the common red ant. This marvel of nature can lift 10 times its own weight.

As strong as the red ant may be, it has been proven that the most powerful thing for its size is the little want ad in your local newspaper.

The want ad, which costs only a few cents a day, does a hundred-fold job. This mighty mite of the printed page finds jobs for folks, sells used lawnmowers, rents houses, sells farms, loans money, finds missing persons, locates lost dogs, rents appliances, thanks folks, locates homes for surplus puppies, and performs a hundred and one useful services for the community.

Pvt. Lawrence Peters In Training With Marines in Calif.

Marine Private Lawrence R. Peters, son of Mrs. Lorita Griffin of Rt. 1, Box 129, Burkburnett, took part in Operation "Twin Peaks" on California's southern coast from May 17th to June 2nd, with Marines from the First Marine Division at Camp Pendleton, Calif.

Air and ground forces were launched against aggressor forces involving the newly-redesigned helicopter assault carrier USS Princeton from which attacking troops launched assaults at inland targets in the latest employment of the Corps' vertical envelopment doctrine.

The 2 week maneuver was the most extensive air-ground landing exercise to be conducted on the Southern California since 1957.

Burkburnett Riding Club

The Burkburnett Riding club took top honors at the opening day rodeo parade at Walters, Monday, June 22nd. First place prize was a \$50 check given by the Walters Chamber of Commerce. The club is very proud of their queen this year, Miss Wendolyn Ann Goins. They are appreciative of the fact that she is always present at every performance of the club and is always beautifully and immaculately dressed for the occasion.

The star attraction of the club is little Miss Berenda Goins, 5 year old daughter of Mr. & Mrs. Wendell Goins. Berenda rides with the club at every appearance and receives a shower of acclaim from every spectator. She is a fearless rider, never changes her expression from a dead calm, and performs the entire parade with a steady rein making the stops, keeping her spacing (as required by the parade rules) and cuts her square corners like a veteran.

The recent parade at Graham was one of the longest processions in which the club has ever participated (approximately 7 miles). Berenda made the ride from the start to finish with never a falter.

Members of the club served as pivots in the Grand Entry at the opening performance of the rodeo at 8 o'clock. The club appreciates this honor which is fast becoming a tradition, this being the 5th year the Burk club has officiated as pivots for the Walters rodeo.

Members of the club riding in the parade and grand entry include president, Elmer Burns; queen Wendolyn Goins; Claude Elliott, Ruff Redman, Doc Goins, Brack Preston, Walter Cozby, Joe McCluskey, Charles Bowles, Gail Kirkpatrick, Payton Cozby, Martha Kirkpatrick, Geneva Cozby, Billy Luke, Terrell Goins, Berenda Goins and Goldena Griffin.

Visitors in the Bob Jernigan home the past week were Rev. and Mrs. J. C. Fechner of Newport Ark., Mr. and Mrs. Bob Thrasher of Perryton, Tex., and Sharon Cloud of Higgins, Tex.

April Lee Wright of Abilene is visiting her grandparents, Mr. and Mrs. L. W. Beckham, this week and plans to attend the Boomtown Rodeo.

DEVOL NEWS

MRS. C. O. WOODLEY

Mrs. Jerry Bowles was honored at a pink and blue shower Monday afternoon in the home of Mrs. A. J. Adams. After several games, the honored guest was presented a large assortment of lovely gifts. She was assisted in opening them by her mother, Mrs. Wilkinson.

After the gifts had been viewed, refreshments were served to Mesdames Bowles, Wilkinson, Guy Hutson, H. B. Boston, Patsy Mullins, Laura Adams, W. C. Chevy Gives You Smarter Style Today...

Don't take it from us—take it from independent experts and from facts and figures that are now a matter of record. POPULAR SCIENCE sums up Chevy's unmistakably modern style this way: "The fact is, in its price class Chevy establishes a new high in daring styling..." This is one more reason your new Chevrolet will bring a higher allowance at trade-in time, as Chevy has over the years. A look at last year's used car prices* shows Chevrolet averaged up to \$128 more than comparable models of the other leading low-priced two.

PLUS 5 MORE BIG BESTS OVER ANY OTHER CAR IN CHEVROLET'S FIELD!

Best Brakes. Chevy showed the best brakes of the leading low-priced three in repeated highway speed stopping tests conducted by NASCAR.* No wonder. Chevy's brakes, built for up to two-thirds longer lining life, are the biggest in its field.

Best Engine. Every motor magazine has given Chevy's passenger car and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price."

Best Economy. No doubt about this: a pair of Chevrolet sixes came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage of any full-size car.

Best Room. Dimensions reported to the Automobile Manufacturers Association make it clear. Chevy's front seat hip room is up to 5.9 inches wider than comparable cars.

Best Ride. No doubt about this. MOTOR TREND magazine sums it up this way: "... the smoothest, most quiet, softest riding car in its price class."

NO WONDER MORE PEOPLE ARE BUYING CHEVROLETS IN '59 THAN ANY OTHER CAR!

See your local authorized Chevrolet dealer for the best buy on the best seller!
