The Great White Fleet

A way of public and official enthusiasm has greeted a plan, proposed by Commander Frank Manson, USN, and described in Life magazine, for sending a Great White Fleet on mercy missions around the world. The vessels would be drawn from our mothball fleet and would consist of a fully equipped hospital ship, a cargo ship loaded with stores and clothing, a transport converted into a floating technical school for students of countries in need of help, a carrier with helicopters, and other craft. They would be unarmed and their purpose would be to serve people in trouble. Financing would be by public subscription.

This spectacular idea has enormous possibilities. It could save untold numbers of people in far corners of the world from starvation, disease, disasters of one kind and another. It could give the world a new image of the United States. At the same time, it is obvious, complex organizational and administrative problems are involved.

To help with those problems, 14 major American flag shipping companies, comprising the Committee of American Steamship Lines, has now formally offered to apply their shipping know-how on a non-profit basis to the Great White Fleet. These companies have available the trained and experienced management, the operating and technical skills, all backed by a global network of agents and offices. Their fleets of nearly 300 ships now operate world-wide over trade routes declared essential by the government. These ships and organizations are the hard core of our merchant marine. They are available because our nation has been able to build a strong merchant shipping fleet under the terms of the 1936 Merchant Marine Act.

This splendid offer brings the Great White Fleet concept a long step nearer to reality.

Pricing Ourselves Out of Jobs

What happens when wage increases outrun productivity increases, and taxes eat away more & more of industry's dollars? One of the results is described by the manager of the purchasing department of a leading oil company.

He says: "Walk into nearly any store with the idea of buying something.

"You will see products from abroad right along side our American made ones. Nails, woolen and cotton fabrics, dinnerware, sewing machines, cameras, bicycles, cars and watches are some of them. And practically in every case, the imports cost less.

"Foreign manufacturers compete sharply now with our own industries. And they do so without two handicaps every American business faces today.

"One: Wage hikes not based on increased productivity. These result in continually rising prices for US consumers and ever-mounting production costs for our manufacturers.

"Two: Growing taxes. Each year taxes take more of industry's dollars. This, too, is reflected in higher prices to consumer."

He put the inevitable moral in these words: "It makes you wonder. If we price ourselves out of world markets, what next? If we don't stay competitive, isn't that the same as pricing you and me and all of us right out of our jobs?"

Foreign trade is all to the good. The world needs more of it. But what isn't good is a situation where American producers, through circumstances beyond their control, find it harder and harder to compete, to the imperilment of American jobs and opportunities.

Fuller, Healthier Lives

Numbers of fine organizations are working quietly and effectively in the many faceted field of public health. One of these is the Health Information Foundation, which was organized 10 years ago by a group of leaders in the drug, pharmaceutical, chemical and allied industries. It is based on the belief that private methods of paying for medical care should be the prevailing force shaping the development of our health services.

The Foundation has conducted studies to encourage expansion of voluntary health insurance and to improve coverage, and public enrollment in this voluntary plan has jumped from 60 million to a dramatic 120 million in only 20 years. Other studies are designed to provide accurate, up-to-date information as to how much families pay for medical care and how they meet their bills. Still other significant research currently sponsored by the Foundation includes a study into the health problems of the aging, and an inquiry into the medical, social and personal reasons why one out of every eight people in the United States is admitted to a hospital each year.

These and other such activities may rarely come to the notice of the public at large. But in the long run, all of us benefit from them, in the rare coin of fuller, healthier lives.

GRASS ROOTS OPINION

FRANKLIN, IND., REPUBLICAN: "The federal government's massive 12.5 billion dollar deficit for the fiscal year just closed deals us all a stiff right cross.

For one thing it's nearly three times the previous peacetime peak deficit of 4.4 billion dollars, recorded in the depression year 1936, when Franklin D. Roosevelt was laying out what was then considered vast sums to shore up the business structure and ease the burdens of distress. What ever the future holds, we must all fervently wish that 12.5 billion dollar budget deficits never come to be regarded in this country as either commonplace or inevitable.

HUMBOLDT, IOWA, INDEPENDENT: "A man's right to work at his chosen occupation is one of the most fundamental American rights. That right is being violated constantly by compulsory union membership. Men are being forced, against their will, to become members of labor organizations and pay tribute for the right to earn a living. Many union members are against this but are powerless to stop the big labor bosses."

NORWALK, CONN., HOUR: "There is inherent in a \$70 to \$80 billion annual spending program much duplication, waste, inefficiency and irresponsible fiscal overseeing. Domestic tax consumers are far more ravenous than those in distant lands, and until Congress again assumes the responsibility to oversee the spending of every dollar flowing from Washington, there can not be an honest approach to fiscal sanity in the nation's capital."

NOTICE BIDS WANTED

Notice to bidders, sealed proposals addressed to Mr. Arnold J. Muller, President, Board of Education, Burkburnett Independent School District, Burkburnett, Texas, for the construction of one Vocational Agriculture shop building consisting of at least 32 feet wide and 81 feet long on a re-inforced concrete floor and re-inforced concrete foundation. The building to be of masonry front and one side wall bay. One double slide door 12 feet by 9 feet; one steel door 3-0 by 6 feet, 8 inches height. At least 7 small light windows, 6 light panels and 3 ventilators, for the Burkburnett Independent School District, Burkburnett Texas. Bids will be received in the School Tax Office in Burkburnett, Texas, until 2:00 p. m. o'clock September 10, 1959, and then publicly opened and read aloud. Any bid received after closing time will be returned. A cashier's check, certified check, or acceptable bidder's bond payable to the owner in the amount not less than 5% of the largest possible total for the bid submitted including the consideration of additive alternatives must accompany each bid as a guarantee that, if awarded the contract and execute such bonds as may be required. All bids may be held 30 days unless returned sooner by the owner.

Brucellosis Meeting Thurs., Sept. 10th At Valley Farms

There will be a county-wide Brucellosis meeting at the Valley Farms Community House on Thursday, Sept. 10th beginning at 7:30 p. m. Dr. W. O. Boaz, Livestock Sanitation Commissioner, Ft. Worth, Tex., will be the main speaker. He will discuss the recently passed Brucellosis law passed by Texas Legislature. All livestock farmers are urged to mark this date on your calendar and attend.

We would like to urge farmers to purchase their winter legume seed and plant a winter legume crop this fall. Be sure and inoculate your seed and use commercial fertilizer, according to a soil test.

One of the main activities of farms in the county now is the harvesting of grain sorghum. Yields are good ranging from 1,000 lbs to 4,000 lbs per acre.

Fruits - Vegetables Freezing Important

Freezing fruits and vegetables has been a major project for Wichita County homemakers this summer. Miss Thelma Wirges, county HD agent gave specific training to 14 leaders early this spring.

Leaders trained by the agent took over from there and have taught some 393 others how to freeze fruits and vegetable, how to package frozen foods and how to use a home freezer to the greatest advantage.

Demonstrations were given to HD clubs, small workshops were held and leaders worked with individual homemakers. The teachings were given to all interested homemakers, not just club members. The leaders report they helped 132 women that do not participate in club work. The leaders found the homemakers they taught froze some 545 pints of vegetables as well as 670 pints of fruits.

The extension service bulletin on Frozen Foods was used as a reference by the agent and leaders. Anyone wanting a copy may write the agent or contact one of the leaders.

Freezer leaders are Mesdames Albert Brockriede, Pete Wyatt, Connie Nolan, Sam Spencer, O. A. Melton, W. A. Scarlett, W. O. Wall, Claude Taylor, E. J. Simons, J. A. Founts, Lester Brooks, Raymond Krull, A. L. Dowden and John Morgan.

Good Light makes the difference

...at home study time

You'll be giving your child real help with his homework when you see that he has proper light at his study table. For best light from a table lamp, use a 150-watt bulb. The lamp should be properly shaded to conceal the light source from the eyes and should be tall enough to spread light evenly over the work area. A diffusing bowl is recommended to soften the light and prevent glare. If the lamp has no diffusing bowl, use a 150-watt white indirect bulb. It has its own built-in diffuser. See your dealer for the bulbs you need soon.

gressional District. In view of the fact that I do plan to visit all the Counties in our District, I will not be in the District Office a great deal; however, that office will continue to be open at 206 Federal Building, Wichita Falls. The phone number there is 322-8379.

While most of us in this county are preoccupied with domestic issues and are being bombarded with propaganda with respect to the new peace offensive that has been launched by the Russians, Communism continues to move on to new victories. Few of us realize or are concerned with the importance of the Communist activities in moving into Laos and the Far East and the aggressive acts that are being committed by the Chinese Reds against India. These events should teach us that we cannot relax and enjoy an intimate peaceful existence with Krushchev, and that despite all they say to the contrary the Communist are still dedicated to world conquest and to our destruction. While we all hope that the Krushchev visit

will be a fruitful one and that real gains will be made toward reaching a peaceful solution to the many problems that exist between the Free World and the Communist Block, we must not let it lull us into a false sense of security.

On November 2nd the Committee on Ways and Means will start comprehensive tax hearings which will be broader in scope than any held in many years. The purpose of these hearings is to bring about broad tax revisions in an effort to reduce the many inequities that now exist in our Federal tax law.

Mr. and Mrs. Harry Campsey and children were Washington visitors this week.

Summer may call for a "fresh-
up" paint job for kitchen or
bathroom walls or woodwork.
The right paint will make your
job a great deal easier and more
satisfactory, reminds Thelma
Wirges, county HD agent.

Paints today flow on smoothly
and dry quickly. They are de-
signed for specific purposes, for
ease of maintenance and years
of lasting attractiveness.

Some paints are even resis-
tant to heat. For areas where
moisture is present much of the
time, such as bath and kitchen,
an alkylid semi gloss or alkylid
gloss enamel is recommended.

Both of these are designed to
resist moisture and abrasion so
they can be scrubbed.

Color is no problem since the
new paints come in many tints
and shades. For areas where
white is desired, there are non-
yellowing white alkylid flat, semi
gloss & gloss enamels available.

There is one thing about paint
that hasn't changed. That's the
fact that it must be applied to
a clean, smooth surface for best
results. If you plan to paint over
old paint, examine it closely.

If it is not chipped, you can wash
it down with a solvent before
applying your new coat. Study
the label on the container and be
sure to follow directions care-
fully.

Mrs. Alton Holbrook, kitchen
demonstrator for the South
Electra HD club is building a
beautiful new home. Since she
is building a new kitchen, her
work as a demonstrator includ-
es planning from the ground up.

She is working on kitchen ar-
rangements into work centers,
kitchen storage and the selec-
tion of new equipment, floor cov-
ering and color scheme. Ade-

If you are shopping for the
bride-to-be, you will find small
electrical appliances to please
most any bride. Tips on buying
some of them are offered by
Thelma Wirges, county HD
agent.

As you look at cooking ap-
pliances, plug them in before
you buy to see that feet and
handles stay cool. Thermostat
controls should also remain cool
and temperature controls should
be easy to operate and clearly
marked.

Look for portable appliances
that are light weight and easy
to carry. These mobile applian-
ces are wonderful for cooking &
serving meals in different rooms
or perhaps on the patio or porch.
They also fit in well with apart-
ment-style living where space is
at a premium.

Choose appliances that are
easy to assemble. Electric ap-
pliances that can be immersed
in water make cleaning easier.

Think of the user as you shop.
Adequate wiring for appliances
using high wattage and storage
place for the appliance is a must.
The manufacturer's plate on the
appliance will state wattage
needed for the appliance.

All small appliances should
carry the Underwriters Labora-
tories Seal of Approval. This
means that the appliance has
passed electrical safety tests.

Small electric appliances usu-
ally carry a one year guaran-
tee; a few carry a five year
guarantee. A guarantee is nearly
always void if the appliance

has been tampered
with. If the appli-
ance is returned
to the company or
proved service
pairs.

used by the Masonic Hall and the lower story, now owned by Ivan Powell, was being used as an electric work shop. The newly remodeled home of Mr. and Mrs. A. L. Mays was completely unroofed at ceiling level. Much damage was done to furniture and fixtures. Other homes suffering heavy damage included Guy Hutson, M. Estep, K. Robbins, C. O. Woodley, W. C. Charboneau, Dolly Hardin and Ivan Powell. The roof was partly ripped off the farm home of Virgil Wilkinson. The car shed at the Woodley home was flattened, smashing the top of a pickup. The two bedroom trailer home of Mr. and Mrs. Richard Anderson was turned over, large trees were uprooted and telephone and power lines were disrupted. The home of Mrs. Avis Wood and children, Jack and Judy, was damaged. The windows and doors were blown in and the roof was damaged. Other homes receiving damage were O. D. Nalls, McCasland and the two story residence of Willie Thompson was destroyed. The house was unoccupied and was known as the Devol house being built by A. M. Devol in the early twenties. The A. J. Mays TV shop store room was greatly damaged as was the Sonny Coles Grocery store to some extent. The Baptist church received some damage to the auditorium by broken windows and the education annex was partly un-

roofed. Many other homes suffered damage.

The Devol HD club met with Mrs. Grace Uthe in her home Thursday afternoon. The meeting was called to order by the president, Mrs. McCasland. Devotional was given by the hostess reading Proverbs 29th chapter. Minutes of the previous meeting were read by the secretary. Mrs. Betty Dahms was present and gave a talk on new methods of preparing food, also Mrs. Dahms and Mrs. Uthe gave interesting reports on their visit to Farm and Home Week at Stillwater recently. Refreshments of watermelon and cookies were served to five visitors and 15 members. The next meeting will be in the club room with Mrs. Weaver as hostess.

A baby girl was born Aug. 22 to Mr. and Mrs. Jerry Bowles in a Walters hospital. The baby has been named Debra Jean and weighed 7 lbs and 11 oz.

Glynda Francine Cozby and Joe Bill Dodson were united in marriage Saturday evening in the home of the brides parents, Mr. and Mrs. A. J. Mays in the presence of the family and close friends. Given in marriage by her father, the lovely bride wore a dress of champagne beige silk organza and carried a bouquet of pink gladioli petals with beige accessories. The matron of honor, Mrs. Pat Geisert of Lawton, wore a pink silk organza dress, white accessories and a white carnation corsage.

Best man was Bob Mimmo of Huntsville, Tex. The double ring ceremony was read by Rev. Dean Burk before an altar of large vases of pink and white gladioli, large candelabra and white wedding bells extending from the center of the candelabra. Robert Lee Wyatt was candlelighter.

The reception table was covered with a white Irish linen embroidered cloth and centered with white gladioli and crystal candle holders with petal pink candles.

Assisting at the refreshment table were Mrs. Vendell Mumaw and Mrs. Richard Anderson. The bride, who is the charming daughter of Mr. and Mrs. A. J. Mays, graduated from Grandfield High School in 1957 and is now attending Draughtons Business College in Wichita Falls. The groom is the son of Joe W. Dodson of LaPuente, Calif. and the late Mrs. George Byerly of Burkburnett. He was graduated from Burkburnett High School in 1953 and spent four years in the U. S. Navy from January 1955 to January 1959. He is now employed at Wichita Falls Na-

Doctor Of Education Degree Awarded Lloyd R. Ferguson

Lloyd R. Ferguson, son of Mrs. W. M. Ferguson of Burkburnett and a graduate of Thrift High School of this area, was awarded his Doctor of Education degree at the summer commencement exercises of the University of Houston at 7 p. m. Thursday, August 27th.

Dr. Ferguson, Superintendent of the Pearland Independent School District, graduated from Thrift in 1943, entering Howard Payne College in Brownwood that fall with a scholarship from Mr. and Mrs. Hardin, well-known benefactors for students from this area. After serving three years in the Air Force and flying 28 missions over Germany Mr. Ferguson returned to Howard Payne to receive his B. A. degree in 1948. That year Mr. Ferguson went to Danbury, Tex. as head football coach and High School Principal. After just one year in this capacity, he was promoted to Superintendent of the Danbury district's twelve grade public school system, serving in this office for nine years. Mr. Ferguson completed his Master of Education work in 1951 at Texas Christian University, Ft. Worth.

In 1958, Mr. Ferguson moved

to Pearland Tex., as its school superintendent. The accomplishment which was culminated Aug. 27th with the doctorate degree was the result of eight years of work at the University during summer and evening classes.

Dr. Ferguson and his wife, the former Rosalie Briggs, also B. A. and M. E., reside at 14418 Galveston Ave., Pearland and have two sons, Lloyd Ray, Jr., age 7, and Randall Lee, age 3.

Dr. Ferguson's father, W. M. Ferguson, a long time resident of Burkburnett, now deceased, was employed for many years by the Tucker Oil Company's Thrift plant. Mrs. W. M. Ferguson is at present a dentist's assistant for Dr. R. R. Robinson.

Mrs. A. R. Bunstine was returned to her home last Tuesday following a two weeks stay in the Wichita General hospital.

IF YOU LIKE MONEY, YOU'LL LIKE BUYING A CHEVY NOW!

IT'S BEST-BUY SEASON ON NEW CHEVROLETS RIGHT NOW . . . AND YOU'LL NEVER DO BETTER BY YOUR DOLLARS Stop by your Chevrolet dealer's and see the season's most wonderful money's worth. Better make it soon!

IF YOU LIKE GETTING YOUR MONEY'S WORTH, YOU'LL LIKE CHEVY'S 7 BIG BESTS!

BEST BRAKES . . . STOP ON A DIME AND GIVE YOU MORE STOPS PER DOLLAR They're bigger too. With 'em, Chevy out-stopped all competitors in its field in a NASCAR* conducted test of repeated stops from highway speeds.

BEST STYLE . . . BEAUTY THAT DOESN'T DEMAND A BIG BANK ROLL The experts at POPULAR SCIENCE magazine looked them all over

and said that ". . . in its price class, Chevy establishes a new high in daring styling." Chevy's leadership in sales for '59 says a lot for its looks too!

BEST RIDE . . . CARRIES YOU AS CAREFULLY AS IT PAMPERS YOUR DOLLARS "The smoothest, most quiet, softest riding car in its price class." That's the way MOTOR TREND magazine describes Chevrolet's cream-smooth ride. It's way more fun to sample than to read about though. Get out in a Chevy and see what Full Coil springs do.

BEST ENGINE . . . YOU COULD SPEND JARFUL OF JACK AND NOT GET A V8 LIKE CHEVY'S Talking about our standard as well as Corvette V8's, SPORTS CARS ILLUSTRATED says, "Indeed, this device is

surely the most wonderfully responsive engine available today at any price."

BEST ROOM . . . NO CRAMPED QUARTERS Let's take the official figures filed with the Automobile Manufacturers Association. They show Chevrolet's front seat hip room up to 5.9 inches wider than in comparable cars. Count on real comfort.

BEST TRADE-IN . . . YOU GET MORE DOLLARS BACK FOR YOUR CHEVY Last year, for example, Chevrolet used car prices averaged up to \$128 higher than comparable models of other makes. Just check the NADA* Guide Book.

BEST ECONOMY . . . SOCK AWAY YOUR CHEVY SAVINGS As sure as two Chevy Sixes won their class in this year's Mobilgas Economy Run, getting the best mileage of any full-size car!

Now there's an Impala Sport Sedan . . . one of Chevy's full series of Impalas for '59

See your local authorized Chevrolet dealer—you might as well get the most!

Theta Epsilon Holds Progressive Dinner

Theta Epsilon sorority members enjoyed a progressive dinner Friday night, Aug. 28th. Members met at the home of Velma Goins for salad and were entertained by Kathy Goins singing two selections and giving a reading. Carolyn Clement sang three selections. Members then progressed to the home of Mildred Good for sandwiches and iced tea. Vicki Brown gave a reading. Next members went to the home of Wanda Enloe for dessert and coffee. There they enjoyed piano selections by Beverly Enloe and Wendlyn Goins. A short business meeting followed.

The next meeting will be Sept. 14th when the sorority will begin their regular meetings. Special guests were Helen Cornelius and Ruth Phillips. Regular members attending were Velma Enloe, Bobby Klinkerman, Goins, Mildred Good, Wanda Enloe, B o b by Klinkerman, Margie Winkles, Pat Adams, Evelyn Farris, Vicki Brown and Lea Glisson.

Mr. and Mrs. Claud Phillips and Gwen of Santa Rosa, Calif. were Burkburnett visitors Monday. The Phillips resided here approximately 25 years ago.

Burk Youth Center Board Of Directors Met August 28th

The Board of Directors of the Burkburnett Youth Center met at the Center building, Aug. 28th with six Board members present and a number of interested adults sitting in on the meeting. The youth Center will open for Fall Activities on Tuesday, Sept. 15th, with activities for the 4th, 5th and 6th graders. Each first and third Tuesday will be their exclusive nights. Each second and fourth Tuesday will be the nights for 7th and 8th grade ages. Friday and Saturday nights will be open for Junior and Senior High ages. All ages will be welcome at the Center on Sunday afternoons.

No one may enter the Center without payment of dues. There will be no other charges for members. The dues for the last half of September will be 25c per person and beginning Oct. 1st all dues will be 50c per month. There will be no guest privileges. Dues must be paid.

The roof, the plumbing and all window screens must be repaired as well as raise enough money to cancel the indebtedness and to help with current operations. You are urged to contribute a donation of money and time to help with this project. Letters will be sent to every home, by school children, asking your help. If you do not have a child participating in Center activities won't you purchase a membership card for some other child? There are many boys and girls in this community who need a helping hand. Contact any board member.

The Board of Directors will meet again at the City Park at 7:30 p. m. on Sept. 15th. All interested adults are cordially invited. The Board appreciated very much the interest shown by the following in meeting last week and they are urged to meet again with the Board: Present were Mr. Ray Matherly, Mr.

T-O Fair Arouses Wide Interest

International interest has been aroused by the Texas-Okla. Fair Sept 28-Oct. 3rd commemorating the centennial of oil. The Fair officials have received congratulations by letters from the Premier of Canada and the Mayor of Calgary of Canada, also from the Governors from all the oil producing states and many oil officials.

The oil information committee of the Chamber of Commerce of Wichita Falls, Jim Garlick, chairman, will honor the pioneer oil men on Pioneer Day at the Fair.

State and Nation-wide interest has been generated by the Fairs dedication to Sen. Lyndon B. Johnson. Majority leader of the United States Senate and a top contender for the democratic nomination for President at the 1960 convention in Los Angeles. The dedication and presentation of honors will be by Congressman Frank Icard of the 13 Texas Congressional District & the response by Sen. Johnson will be covered by local, national and State news representatives and will be broadcast and televised by KTRN Radio, KSYD Radio, Channel 6 Television, KFDX Television, Wichita Falls, WBAP Radio and Television, Ft. Worth, WFAA Radio and Television, Dallas, KRLD Radio and Television, Dallas. An invitation has been extended to other stations with the possibility of Nation-wide broadcast.

The Armed forces of the United States Defense Department will present the most complete and interesting exhibit in the history of the fair. The SAFB Famous Band, marching unit and Commanding General, Thomas E. Moore, have been invited to lead the parade at 5:45 p. m. Monday, Sept. 28th.
