"Brigadoon" To Be Presented Oct. 26th

"Brigadoon," with its beautiful love story & haunting melodies, will be brought to the stage of Memorial Auditorium, Wichita Falls, Saturday, Oct. 24th, and Monday, Oct. 26th, performances will begin at 8:15 p. m. each evening.

All area residents are invited to join Wichitans in these evenings of entertainment which are being staged by the Woman's Forum Chorale under the direction of Dr. Nita Akin, nationally known organist and director, and Frank Pal, chairman of the dance department of Midwestern University. They will be assisted by Robert Flood, former director of the Chorale who is now doing graduate study in New York City and who directed a presentation of "Brigadoon" at Sheppard Air Force Base about six years ago.

This popular musical comedy will be presented by a cast of 70 professional and non-professional actors, dancers and musicians of this area as a benefit for the Woman's Forum Building Fund. The Wichita Falls Woman's club which has for its aim the offering of social and cultural opportunities to the people of this area, has recently enlarged its building. All proceeds from the show will be used for the building fund.

Taking the part of the young American lover, Tommy, who becomes lost in the highlands of Scotland will be David Rowe, who stumbles upon the legendary village of "Brigadoon," where he finds Fiona, played by Alma McKee.

Both of these artists are well known in this area having received awards and acclaim for their musical and acting ability. Miss McKee won the 1945 Young Artist Award given by the Wichita Falls Chapter of American Guild of Organists, and in 1955 was selected winner in the "Messiah" auditions, appearing as soloist with the Symphony and Community Chorus. She had the leading roll in "Brigadoon" production a few years ago at Sheppard Air Force Base under the direction of Mr. Flood.

Mr. Rowe is a native of Pennsylvania, but for nearly three years has been living in Wichita Falls, where he has won respect as a baritone singer-actor. He has appeared in the Midwestern University production of "Hamlet," in a Musicians Club concert and in the University's presentation "Carousel." In February, 1957 he had the baritone lead in "America Sings" produced by Charles R. Meeker, General Director of the State Fair Park Summer Musicals in the new Lyceum Auditorium in Dallas. He was baritone soloist for the 1956 "Messiah" presentation in Wichita Falls. He has just completed his first season with Santa Fe Opera Company.

Other leading stars in "Brigadoon" will be Larry McLaughlin of Electra and Kathleen Colburn, a Wichita Falls product.

McLaughlin has made a name for himself in Wichita Falls in his appearance in "Where's Charlie?" and as a member of the Forum Chorale. Miss Colburn has appeared locally in the 1953 production of "Brigadoon," in "Carousel," concert version of "South Pacific" and as a "Messiah" soloist. At present she is soloist for Fain Memorial Presbyterian Church.

A special guest from Electra is listed among both actors and properties. She is, Mlle. Blanche, a young white goat.

Tickets for the performances go on sale Saturday, Oct. 19th. Seats will be \$3.00, \$2.00 and \$1.50. Reservations may be made by calling the Woman's Forum 767-7230, or Mrs. Vernie Spann, 767-1139, Wichita Falls. Mrs. Spann will receive mail orders at her home, 1601 Norman.

Mrs. R. E. Northcott was admitted to Wichita General Hospital Tuesday.

Friday night October 23 at 7:30 p. m. the Bulldogs play Nocona in Bulldog Stadium in Burkburnett. This game will be a real toughie but the Bulldogs are in fine shape and will take care of the situation.

Coach Robinson has been drilling the boys pretty hard for the past week and feels the boys are in fine shape mentally and physically. Burk lost last week to Olney by a wide margin, no food poisoning, no excuses, it just wasn't the Bulldogs night.

Give the little lady of the house a break, eat good food at the concession stand, that way you will be helping the students as well as enjoying good food made sandwiches, coffee, pop, candy, popcorn and be in a wonderful frame of mind for the game.

Lets's growl Bulldogs, this is your night.

Mrs. R. P. Thaxton, 123 Rose Lawn, Thursday afternoon, Oct. 15th for their monthly social and installation of teacher and officers for the new church year.

Mrs. C. R. Chambers, president opened the meeting by asking Mrs. Thaxton to lead in prayer. After a short business meeting, Mrs. R. W. Kent brought the devotional from Psalms 106. She expressed how the fall of the year, harvest time and the beauties of nature always remind us of Thanksgiving. She closed with a prayer of thankfulness to God for the blessings of life. Her devotional was greatly enjoyed by all.

Mrs. W. B. Short installed the teacher and officers of the class using as her theme, Look At oYur Hands. The teacher and officers installed were Mrs. R. P. Thaxton, teacher; Mrs. C. R. What's in it for Him?

What does he get for a weekend like this—for all the weekends and evening hours put in during the year? Nothing—or plenty! Plenty, because he's the kind of guy who "knows where he's going" and is willing to take the time—has the patience—to point the way to others. Plenty, because he believes that being trustworthy, loyal, obedient courteous, and reverent IS important to the development of his young "charges."

He doesn't make a penny, but there are plenty of rewards—including the satisfaction of knowing that to those bedded-down kids of his he rates First Class.

How about giving him a hand in his work? Invest in Scouting... Now!

Louis Todd Raises Large Sweet Potatoes

It seems as though one of our local citizen has turned farmer since his retirement from an oil co. Mr. Louis Todd was by the Star office one day this week and showed us several huge sweet potatoes he had grown in his yard. He tells us he made nearly two bushels of potatoes from only five vines.

One of the largest potatoes Mr. Todd left in our office weighed 2 pounds, was 12 inches long and 11 inches in circumference. Thanks Louis, they were delicious.

Midget Bulldogs Defeated 1st Place Rams Mon. Night

Monday night saw two thrilling football games at our local high school stadium. After the Pee Wee Eagles from Burkburnett beat the Rams 6-0, the Midget Bulldogs battled with the Wichita Falls Midget Rams who were in first place in the Little All American League. In the first quarter, the Bulldogs scored six points when Rusty Kinnett made a thrilling touchdown run. The second touchdown run was made by Lloyd Hicks for another six points. The final touchdown was a pass off the arm of Jerry Bingham to Joe Story which sewed up the victory of 22 to 8. Outstanding defensive players for the game were Terrel Goins, Berry Six, David Coleman and Charles Herring.

Depreciation On The Farm

Economists have long said that the tax laws prevent business and industry from laying aside adequate sums to cover depreciation of plant and equipment. Thus, the laws stand in the way of technological progress that would result in more and better jobs, and in more efficient and economical production of goods and services for all the people.

Agriculture, farm experts now point out, is in a comparable position.

For instance, the Internal Revenue Service rule is that good and average farm buildings should be depreciated for tax purposes at 2 percent per year and cheap buildings at 2 1-2 percent. Thus it takes two or more generations to write off farm structures which are not monuments but are, instead, tools of farm production. In today's rapidly changing agriculture these tools usually become obsolete before they are completely worn out, and it is no longer realistic to say that a farm building has a useful life of 40 to 50 years.

It is estimated that the value of farm structures, other than dwellings, on farms with gross incomes of \$5,000 or more is \$16 billion. At a 2 1-2 percent rate, annual depreciation comes to \$400 million. In this day and age, that is far too low a figure, and it tends to place the farmer in a strait jacket, in which he loses the flexibility needed for an efficient operation.

If the reasonable rate of 10 percent were allowed, farmers would be able to set aside \$1.6 billion for reinvestment in the farm business. The result would be increased efficiency, and lower cost food and fiber for the American people. And in the long run, the government would gain added tax revenues, because of improvements in farm income.

Here is a proposed tax reform from which all would gain—the farms, the government and the consumers of the nation.

Progress Can Be Traped

The word progress is deceptive. It cannot be defined without qualifications.

We cannot go backward, but at some point along the line we have lost something in our rush forward toward ever higher standards of living which demand a tremendous price.

If we could have "progress" that retained some of the peacefulness, security and traditions of the past we would lead a more enjoyable existence.

The change brought about by progress is illustrated by H. H. Bushnell of Wallowa, Oregon, in a description of the Oregon State Fair of a past generation. Said Mr. Bushnell: "Within easy walking distance from the main entrance to the fair was a grove of oak trees and under the shade was Tent City, with streets laid out and defined lots, each capable of containing a tent. Shortly before the fair opened, families arrived in wagons from various sections of the Willamette Valley, and they unloaded cots and bedding, stoves and dishes, usually sufficient for camping out. Many of them were fair exhibitors.

"Coming out of the fair grounds in the evening, one could see the white tents lit by kerosene lamps, the flies back, and hear the neighbors talking and laughing. Friends were invited in to eat supper and discuss the judging and placing of awards. The Willamette Valley was inhabited by one big family and the fair was a family reunion."

Of course we can't go back but there is something about Mr. Bushnell's description that stirs the memory of more carefree days—less crowding, speed, noise, costs, restrictions, laws, regulations and taxes. Along with progress it is too bad to lose so many of the virtues of the past which were less conducive to heart failure and nervous breakdown.

Grass Roots Opinion

WAPAKONETA, OHIO, NEWS: "Despite the changes that the newer horrors of atomic weapons and guided missiles have made in military concepts of warfare, railroads will again be our best reliance for the sort of job done in World War II when they handled 90 percent of all domestic military freight and 97 percent of all organized troop movements. In the face of wartime conservation of fuel and scarce materials, no other means can compare in efficiency with long trains rolling on steel under a single source of power—that delivers nearly six times the ton miles per fuel dollar that highway transport can provide."

KANSAS CITY, KANS., PRESS: "Persons who remember the horrible post War I conditions in Germany, when it took a wheelbarrow of marks to buy a loaf of bread, are apprehensive that this country is headed for a similar situation unless inflation can be halted. The steel industry says it is seeking an end to the upward spiral in the adamant stand it has taken against higher wages. One thing is certain: If Big Steel gives in, wages will soar in every other industry."

RAILROAD FEATHERBEDDING: \$500,000,000 LOSS TO THE NATION—INCLUDING YOU—EVERY YEAR

Featherbedding on the railroads — pay for work not done or not needed — is costing the American people the shocking total of more than \$500,000,000 a year.

You pay for it every time you shop, because featherbedding costs are hidden in the price of everything you buy.

Obsolete union work rules, involving the railroad operating employees, are responsible for this gigantic burden. Right now, for instance, these rules require every diesel locomotive to carry a fireman — even though diesels have no fires to stoke, no boilers to tend.

The forthcoming negotiations between the railroads and the unions are urgently important to the whole nation.

In asking the unions to drop these featherbedding rules, all the railroads ask for is a fair day's work for a fair day's pay.

lence opens the eyes to an appreciation of all his work. That one is called "The Night Watch" and is in the Rotal Museum in Amsterdam.

During the later years of his life Rembrandt lost some of his popularity. His vast collection of paintings were sold at auction before his death and he died poor and obscure. But for us he remains as Israel says The true type of artist, free, untrammelled by traditions. His fame increases from year to year and his paintings are becoming almost priceless. Mrs. Van Loh showed many excellent reproductions of Rembrandt's works.

Mrs. Carpenter presented Mrs. Ralph Davis who gave a most inspiring devotional.

The members enjoyed a cake walk for the benefit of the Penny Art & Musical Penny funds. Mesdames Glen Bear and Harold VanLoh won the door prizes.

Delicious refreshments were served to the following members: Mesdames J. M. Adams, Glen Bear, James Bohner, Philip Carpenter, Ralph Davis, Archie Faulk, Howard Henderson, A. R. Hill, F. A. Jamieson, Jack Mathis, Harold Preston, Jack Robertson, F. C. Roye, Jack Smith, Harold VanLoh and the hostesses Mesdames Harry C. Dodson and J. L. Mitchell.

It is impossible to describe the 700 pictures that Rembrandt produced of which about 500 remain. There is one, however, which shows his powers so well that an appreciation of its excel-

**Mrs. Eva Jean Curtis
Honored Mon' Night
Wedding Shower**

The home of Mr. and Mrs. Bill Palmer, 418 Magnolia, was the setting for a lovely wedding shower in honor of Mrs. Eva Jean Curtis, recent bride of Mr. Thomas Ray Curtis. She is the daughter of Mr. and Mrs. Boyd McCrary.

The rooms were beautifully decorated with baskets of white gladioli and bowls of ivy. The refreshment table was covered with a lace cloth over pink linen. The crystal punch set and cake plates were center attractions. Miss Donna Rose Gibson and Sandra Breuer served the punch, individual cakes and mints. Miss Ruby Pearl Lange secured the names of the guests in a white leather brides book.

After a short program, directed by Mrs. Clark Gresham, the bride was presented with a lovely assortment of gifts.

Hostesses for the occasion were Mesdames: Palmer, Gresham, Horace Broome, David Breuer, Sr., Alfred Lange and Ruby Pearl.

Mr. and Mrs. L. W. Beckham spent the week-end in Abilene, Texas visiting their daughters, Mr. and Mrs. Robert Todd and children and Capt. and Mrs. Lennon Wright and children.

**WCSA Met Oct.
19th For Study**

The women's Society of Christian Service met Monday, Oct. 19th for the concluding lesson on Contemporary Man and the United Nations. After the singing of We've A Story to Tell To the Nations, and prayer by Mrs. O. E. Melton, Mrs. Hugh Veach presented the study bringing in to focus the things that we can do to help the United Nations work. The question, should we ban nuclear weapons, and should we discontinue universal military training, were discussed. There was also a question and answer period in which every member present participated on what the United Nations has done thus far. Mrs. Seeley Gallop read a prayer for human right by Ann Barcus Minga. Mrs. Marvin McDonald read a poem, To A Hightower.

Monday, Oct. 26th at 2:30 p. m. will be the beginning of the week of prayer and self denial at the First Methodist church.

TAKE YOUR PROBLEMS TO CHURCH -- MILLIONS LEAVE THEM THERE

Come unto Me

The open door of this church is a fitting symbol for the heart of God, for His heart is open always to all men. The Bible records these words, "Behold, I have set before you an open door which no one is able to shut." Yes, literally no one can put any kind of block between God and us. His love surmounts every obstacle. That door is open for you today and every day.

Olney Romps Past Burk In 2A-9 Clash

The powerful Olney Cubs held the luckless Burkburnett Bulldogs to 7 yards rushing as the potential 2A-9 district champs romped to a 60-0 win. Olney scored in every quarter and didn't have to punt a time as the Cubs racked up their 3rd straight district win and seventh for the season. They have yet to be defeated. Burkburnett ran up against a stone wall on the ground and accounted for their total of 64 yards in the air. Olney stormed downfield in the first quarter with Fullback Harold Philipp going the final two yards for the six pointer. He kicked the extra point also. In the same period Halfback Kenneth Rue bashed over from

the two with Philipp again converting for the single.

Second quarter Quarterback Jerry Bishop got into the act tossing to End Tooker Lisle in a play covering 17 yards. Philipp picked up the next second period TD with an eight yard run with Rue running for the two extras.

Halfback Jimmy Lovett went 10 yards in the third quarter. Bishop tossed to End Tommy Meade on a 20 yard play to end scoring in the third quarter.

Olney roared for 20 points in the final segment with Fullback Jimmy Grisham starting things off on a two yarder. Philipp kicked the extra. Rue almost raked up another six points next as he went in on a 24 yard run, but he fumbled and Olney's David Routon recovered for the TD. Still going strong, Bishop passed to Meade for a 16-yard paydirt play with Philipp again converting with his accurate kick.

Burkburnett tried for the goal line with Quarterback Bobby Lewis chunking to Halfback Eddie Eastman. The Cubs pass defense was just too much for the Burk boys however.

When words fail—try a few new ideas.

The clothing committee is also working on plans for a clothing workshop. The workshop is to be limited to homemakers, never before reached by home demonstration workshops in clothing construction. Mrs. E. J. Simons, a member of the committee is to help with complete plans for the workshop. If interested in participating contact your HD agent or Mrs. E. J. Simons, Rt. 1, Burkburnett.

The Wichita County HD clubs will soon begin special work on clothing, selection, care and storage. This work has been planned by the clothing committee and Miss Thelma Wirges, county HD agent. Mrs. Raymond Krull is the new chairman of the committee. If interested in this work contact Mrs. Krull or your HD agent at 305 Federal Bldg., Wichita Falls.

If you can't afford a new fall hat, give the old one a new look with careful brushing and cleaning suggests Miss Thelma Wirges, county HD agent.

Start by careful brushing. This may show up spots and stains that need special treatment. Try using the sandpaper method first. With a piece of No. 0 sandpaper begin at center top of crown and gently sand in the same direction around the crown, side crown and brim.

If this fails, use naphtha or other cleaning fluid. Dip a small brush, as nail brush, in the cleaning fluid, shake out excess liquid and brush until the soiled spots disappear. Remember to work outdoors when using cleaning fluids.

White or light colored felt hats may need special treatment. Saturate corn meal with naphtha or other cleaning fluid. Rub the mixture into the felt with a clean stiff brush. When fluid has evaporated, brush out the corn meal and air the hat before storing.

Winning exhibits were Arrange Your Cabinets by the Ray Club; Correct Freezer Wrap by the Enterprise Club and Balance Your Meals by City View. The Wichita County HD Council also had a winning exhibit on A Good Reading Lamp.

Bulletins and literature are available on all exhibits seen at the fair. Contact a club member or Thelma Wirges, County HD agent. The exhibit committee for the HD clubs is composed of Mrs. Tom Witherspoon, Mrs. Ralph Huggins and Mrs. E. A. Litteken.

Mr. and Mrs. Dick Chambers visited their daughter, Mr. and Mrs. Bob Fite and children in Richardson and attended the Fair in Dallas over the weekend.

Hardin HD Club News

The Hardin club met in the home of Mrs. H. W. Krusemark for a regular meeting.

Opening exercise was led by Mrs. Cool and included the Lords Prayer repeated in unison and the group singing Home on the Range.

Roll call was answered by the dish my family especially enjoys.

Minutes of the previous meeting were read by the secretary, Mrs. Askins. Treasurers report was given by Loraine Askins. Committee reports were also given.

Mrs. Jenkins gave a good demonstration on kitchen lighting and windows.

Mrs. Stimpson gave the good council report.

Hardin club will entertain the Merry Makers club Oct. 29th at Mrs. Hewels home.

Club adjourned to meet with Mrs. Markum Oct. 28th.

JAMES ROYCE MILLER GETS SCHOLARSHIP TO UNI. TEXAS

James Royce Miller, Burkburnett, entering freshman at the University of Texas, has received a \$200 Hogg Memorial Scholarship presented by Herman Jones, chairman from the Ex-Students' Association Executive Council.

Miller was one of 33 entering freshmen at the University of Texas, who received scholarships on the basis of need, of being in the top 10 percent of their graduating high school class, and on the basis of good entrance examination grades.

Jones, past president of the world-wide University of Texas Ex-students Association, told Miller and his fellow freshmen that "a university to be great has to

have outstanding hopes for eminence the raw material represent."

Miller, an electrical engineering major, is the son of Mrs. Herman Y. Miller.

TELEPHONE TALK
by C. A. Deuschle, Manager

Just Around The Corner

Burkburnett-Wichita Falls extended area telephone service is just around the corner. Actual completion and cutover date has not been firmly set, but this service will be established next spring.

Burkburnett telephone customers will be listed in the next Wichita Falls directory, both in the white page section and in the classified section of the directory for business customers.

All Burkburnett customers were notified some time ago by letter that the prefix, JO 9 will change to 569 when direct dialing service goes into effect. The last five digits of your present telephone number will not change.

Work necessary to bring direct dialing between Burkburnett and Wichita Falls is progressing on schedule. We will keep you informed of progress on this service.

Beauty On Duty

What does this headline mean to you? If you're a homemaker, it could mean a new washer or dryer, or maybe even a new dishwasher.

To a man "Beauty on Duty" could mean a new car or the new transistor radio that brings you the World Series. For teenagers, it could mean the old but treasured jalopy sitting proudly in the driveway.

But here at the Telephone Company, we have our own special definition of "Beauty on Duty"—a bedroom telephone in color.

A bedroom phone in color deserves the title, too, because it brightens your bedroom while helping you keep in touch between chores during the day. It also gives you a sense of security and keeps you free from care and worry at night.

Color telephones are also available with a built-in night light—ideal for bedrooms. To order your bedroom phone in color, just call the telephone business office.

How Not To Tie Up Your Phones

I was passing the time of day with a fellow recently when he suddenly blurted out, as if he'd just thought of something, "I just found out that if the receiver isn't on your phone straight and firm that all the phones in your house can be tied up and nobody can call you."

"That's right," I said. "Well," he said, "You ought to tell people about that. It's important."

My friend's right. It IS important to make sure receivers on all your telephones are on the hook. It's even more important if you're on a party line. A receiver off any phone ties up the line for everyone else.

"Why," I asked my friend, "Are you so suddenly interested in this subject?"

"Because a fellow tried to call me and couldn't, and I missed out on a fishing trip—that's why," he said sadly. Can't say I blame him, can you?

Call by number. It's twice as fast.

yard and looked out in time to see their 1957 Ford being driven hastily out of the yard by a person or persons unknown. The police were immediately notified but the car had not been recovered at noon Monday.

Gayle Hopkins, four year old son of Mr. and Mrs. Robert Hopkins, has been taking rabies shots since being bitten by a sick dog several days ago. Although the dog was killed, the head was destroyed to the extent that an examination could not be made and attending physicians advised the safety of the shots. Gayle is said to be doing very nicely at this time.

Lawrence and Elmer Lemond left Sunday for their home in Lawndale, Calif., after a two weeks visit here with their parents. Mr. and Mrs. Claud Lemond.

Mr. and Mrs. Roy Gardner of Grandfield visited in the C. O. Woodley and R. A. Odum homes. Sunday afternoon.

Mrs. Ernest Webb returned to her home in Wichita, Kansas, Saturday after a weeks visit here with her mother, Mrs. Callie Baumhardt.

Devol Baptist News
A special "one day pay" offering will be taken at the Devol Baptist Church this Sunday, Oct. 25th. This offering is to be given to the support of the Baptist childrens home of Oklahoma City. October Meeting Of Fashion Rose Club Held Morgan Home

The Fashion Rose Garden club met for their October meeting in the home of Mrs. June Morgan.

The meeting opened with a roll call of Halloween stories. The business of the day was plans to have a patio weiner roast for husbands the 24th of October. Year book covers were judged and Frances Sprague won the price. The door prize was also won by Frances Sprague.

Lovely refreshments were served to Mesdames Georgia Logan, Carol Blankinship, Frances Sprague, Mary Ruth Westbrook, Edee Viavattene, and the hostess, June Morgan.

FRIENDLY BLUEBIRDS

Lynne Kelley was hostess when the Friendly Bluebirds met Oct. 1st for their regular meeting. The group finished painting the leprechauns they started last week. Another meeting was held Oct. 8th with Barbara Koenig as hostess. Cup cakes were served by Barbara which she baked and frosted without help from mother or big sister.

Camp fire candy sale was discussed at the meeting.

Treva Ladd was hostess when the group met again Oct. 15th. Work was started on pencil holders made out of small fruit juice cans. All these meetings were held at the Methodist church but with the leader, Mrs. Glen Ladd and assistant leader, Mrs. Paul Fisher, in charge.

Mrs. J. B. Ady Fuller Circle Hostess Oct 18

The Fuller Circle of the First Baptist church met Monday, Oct. 18th with Mrs. J. B. Ady.

Mrs. B. H. Preston, Sr. conducted the business meeting calling on the new chairman for reports and plans for the new year. Mrs. C. A. Morgan gave a very interesting stewardship talk stressing the fact that mans stewardship should not only be the title of money but also of time and use of his talents.

Mrs. L. B. Horr gave the devotional and Mrs. Wylie Browning told of the Refugees in Hong Kong.

Mrs. W. B. Short closed the meeting with a prayer.

Delicious refreshments were served to Mesdames L. B. Horr, R. W. Kent, Vaughn, Buchanan, Hinkle, Sloan, Short, Browning, Morgan, Gilbert, Preston, Chambers and Ady.

After the meeting, several of the members went with Mrs. Ady, community chairman, to take fruit and juices and soup to three shut-ins.

Mrs. W. D. Sage Hostess Oct. 13th Homemakers Class

The Homemakers Class of the Thrift Baptist church met for a regular meeting Oct. 13th at the home of Mrs. W. D. Sage.

The business session was conducted by the class president, Mrs. Sage.

Mrs. J. W. Blackwell carried the group on an imaginary trip into outer space as she installed the new officers for the coming year. Officers who were installed were the teacher, Helen Loveless; assistant teacher, Lois Roe, president, Martha Sage; vice president, Maurice Bryant; secretary and treasurer, Mildred Good; group captains, Gwen McDonald, Oletha Herring, Bessie Hodges, Seva Chapman and Christine Bradley.

The hostess then served delicious refreshments to the ten members present.

Mr. and Mrs. C. G. Gibson of Houston are visiting their daughter, Mr. and Mrs. W. T. Zimmerman and family, here this week.

Friendly Home Makers Club

The Friendly Home Makers club met Thursday, Oct. 15th in the home of Mrs. J. G. Cheney.

Mrs. Ronald Lieske, president, presided over the business meeting. Roll call was answered with a dish my family especially enjoys.

A letter from Frank Ikard was read to the group. Miss Thelma Wirges will be honored at a coffee in the Texas Electric building in Wichita Falls, it was announced. Achievement day tour Nov. 5th was discussed.

County Agent, Thelma Wirges demonstrated a one dish meal. The next club meeting will be in the home of Mrs. Ernest Masters, 717 Maple St., Nov. 19th.

Those present were Mesdames Thomas Evans, Monroe Gray, J. A. Johnson, John Dark, A. H. Lohofener, Rea vis Wooten, Mary Hellen Shipman, Emmy Midkiff, Charles Lanig, Ernest Masters, Ronald Lieske and hostess, Mrs. J. G. Cheney.

ADULT LADIES CLASS OF FIRST CHRISTIAN CHURCH ENTERTAINED WED., OCT 16

Last Wednesday evening the Adult Ladies class of the First Christian church were favored with a lovely party in the beautiful home of Mary Jo Scruggs.

Following the delicious buffet supper the class was favored with violin numbers from the visitors from Iowa Park. A singing session followed, accompanied by Cora Lee Harmon.

This supper and entertainment was most enjoyable to all. This exercised the big hearted Texas hospitality.

HERE'S WHAT MAKES THE CORVAIR REVOLUTIONARY

Short and sweet! Engine's in the rear—where it belongs in a compact car. With more weight on rear wheels, you get extra road-gripping traction for cornering and driving on ice, mud or snow. Also, by avoiding nose-heaviness of front-engine compact cars, Corvair handles easier, brakes better, rides smoother. Styling of both 4-door models is clean and uncluttered . . . as fresh and functional as modern architecture.

Unipack Power Team

Engine, transmission and drive gears are neatly wrapped in one lightweight package. Takes less space, leaves you more.

UNISTRUT BODY BY FISHER

Body and frame are combined into a single rigidly constructed unit that reduces Corvair's weight, enlarges its passenger space.

Practically FLAT FLOOR

Corvair is America's only compact car with a virtually flat floor that gives you full 6-passenger comfort. For extra space, folding rear seat converts easily to make room for 17.6 cu. ft. of cargo. *Optional at extra cost.

TRUNK'S UP FRONT

Lots of luggage space under the hood, where it's convenient for groceries, packages.

NEARLY 3 FEET SHORTER

Corvair's almost 5 inches lower, 1,300 pounds lighter, too. Its compact size makes it a joy to jockey through traffic, a pleasure to park. No need for power assists.

AIR COOLED

You never have to fuss with antifreeze. Turbo-Air 6 warms up quicker, with less wear on parts. Air-plane-type heater* goes to work almost instantly. *Optional at extra cost.

Revolutionary Rear Engine

works small miracles with mileage. It's the world's first production 6 with the ultra-smooth power of horizontally opposed pistons.

... and the most practical thing of all to Corvair's

FOR ALL BOYS IF... YOU SUPPORT SCOUTING

News From The County Agent

In the drier areas of Texas, range fires pose a serious threat to many millions of acres of valuable grass lands. Already this year thousands of acres of grass have been destroyed by fire. B. T. Haws, county agent says precautions should be taken to protect grass land from fires.

Fire guards are cheap insurance against an unexpected fire. They are used for fire protection throughout the entire state from the piney woods of East Texas to the short grass area of West Texas. A fire guard is a bare strip of ground usually just outside the pasture fence. Also, many are made between the bar ditch and the pasture fence. They vary in width, but should be at least 10 feet wide. A fire guard can be emade by a road maintainer, old fashioned road drag, bulldozer or any other kind of scraper. Once the fire guard is made it should be scraped clean of vegetation each year.

If you think of the investment in grass, says Haws, it is easy to see that protecting it is a major responsibility. If grass land burns, it means that more winter feed than usually needed will be required. Local county agents can supply additional information on building guards.

The county agent warns motorists driving through range areas to be careful. Put cigarette butts, cigar and pipe ashes into your car ash tray instead of throwing them out the window. Hoffman adds that everyone likes a tasty beef steak or lamb chop. To have good meat the animal must be well fed. For the sportsmen, grass represents food and cover for deer, quail and other game birds and animals. For the fisherman, the grass means clear streams and better fishing in ponds or lakes. To conserve grass we must all work together adds Haws, using all precautions possible to conserve grass—one of our greatest resources.

The 17th nationwide agricultural census will be taken during the month of October and November. B. T. Haws, county agent says the information to be gained from the census will have a vital influence on future planning of agricultural programs and activities.

Loose smut is a fungus disease carried inside the wheat seed and is therefore difficult to control. But according to B. T. Haws county agent, a watersoak method of seed treatment has been developed and when properly used is effective in controlling the disease. Haws says local county agents can supply details on how to do the job.

George Counter, Jr. is leaving Sunday morning for Colorado where he will join friends on a hunting trip.

Eva Jean McCrary
Thomas Ray Curtis
Wed Sunday, Oct. 19

Miss Eva Jean McCrary became the bride of Thomas Ray Curtis in an impressive ceremony performed Sunday night, Oct. 19th at 7:30 p. m. in the Church of Christ in Burkburnett. Bro. Wilhoit officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Boyd C. McCrary of Burkburnett and the groom is the son of Mr. and Mrs. Jack Curtis of Stambough, Mich.

Traditional wedding music was provided by a male quartet composed of Austin Bulla, B. B. Six, T. L. Harris and Dub Gibson.

The candlelight ceremony was performed before a background of candelabra holding white tapers and flanked by baskets of white gladioli.

The bride, given in marriage by her father, wore a white ballarina length dress featuring a full skirt and a short fitted jacket with three quarter length sleeves. Her accessories were lace mitts and a white velvet head piece with a short veil. She carried a large bouquet of white carnations.

Miss Dorothy Mae Bills of Abilene Christian College served as maid of honor. She wore a royal blue sheath dress with a blue velvet hat and black shoes. Her bouquet was of white carnations also.

Serving the groom as best man was Robert McGuire of Sheppard Air Force Base. William Thomas, also of SAFB served as candlelighter.

A reception was held in the home of the brides parents on Wichita Highway following the ceremony. The brides table was covered with a lace cloth over pink. Center of attraction on the table was the 3-tiered wedding cake and the crystal punch set.

Misses Sandra Sue Breuer, Donna Rose Gibson and Ruby Pearl Lange served the punch and cake. Miss Dorothy Bills secured the names for the brides book.

The groom was graduated in 1956 from Iron River High School in Iron River, Michigan. He is currently serving in the US Air Force and is now stationed at SAFB.

The newly weds are making their home at 222 E. 5th st in Burkburnett.
