Burk Student Top Tennis Player at North Tex. State

By Jimmie Darnell of NTSC
Leon Dulin of Burkburnett, an outstanding tennis player here at North Texas State College, thinks that there is more to being a successful college student than attending classes & studying.
Dulin, whose parents reside at 108 Smith St., in Burkburnett is a graduating senior in the department of physical education at NTSC.
He is not only an athlete but is also student director of intramural athletics at NT, secretary of the Lettermen's association and athletic chairman of the Baptist Student Union, at the school.
Dulin hopes to receive his 4th college letter this season as a tennis player. The netman received his first letter in tennis while attending Howard Payne College in 1956, where he captured the Texas Conference men's singles tennis crown.
At North Texas, Dulin has lettered the past two years, played number one singles most of the time and was a consistent starter in the doubles in 1959.
Leon is undecided between coaching and teaching when he graduates, but has decided to get a master's degree before leaving NTSC. He also hopes to eventually take a doctor's degree.
The soft spoken athlete is also student counselor at the Quad dormitory at North Texas and a member of the Student National Education Association.
Dulin's parents, Mr. and Mrs. Bedford Dulin, have lived in Burkburnett for the past year, having moved here from Altus. Mr. Dulin is with the Federal Aviation Commission at Sheppard AFB.
Leon has a brother, Donald, who received a master's degree in physical education at North Texas this past summer and a sister, Patricia, who is a sophomore at Burk High School.
The multi talented collegian is also a cartoonist for the Campus Chat, North Texas' student publication. Jokingly asked what he does in his spare time Dulin remarked "Well, I practice magic when I get a chance."
Robert Nixon, FN, son of Mr. and Mrs. M. Nixon, has returned to San Diego, Calif., following a visit here. He is stationed aboard the destroyer USS Shields. Robert has been in Japan, Philippines and China since entering the service and has traveled over one hundred and twenty-five thousand miles in the last six months.

Police Department Given Vote of Confidence

Monday night the City Council met in a regularly scheduled meeting. The Council had granted a group of teenagers and an individual permission to appear before the Council and voice their complaints against the police department.
For several hours City Council members sat there patiently, listening attentively and showed the complainants every courtesy and consideration.
Some time during the hearings, members of the group ransacked the Coke machine, took the money and a number of bottled drinks. That in itself showed a great contempt for law and order and decency. Yet an even greater breach of good conduct was committed when one of the group picked up the microphone and cursed policemen in the patrol cars. The latter is a matter for the Federal Communications Commission to handle, and the Council is working with FCC authorities to bring the guilty to account for his most disgraceful act.
The records of the complainants have been carefully studied and considered. After reviewing these records, and in view of the acts of misconduct of some of the complainants in the City offices Monday night, the Council was called in a special meeting Wednesday afternoon, at which time the police department was given a unanimous vote of confidence, and the Council pledges its full support to the department in upholding law and order in our town.
The Council will demand proper conduct and procedures from each officer in carrying out their duty. We ask the public to lend whatever assistance they can in co-operation with our police department in their efforts to uphold law and order in a manner acceptable to good citizens everywhere.
The Council has under consideration a number of measures to permit more efficient law enforcement here. We admit the police department is woefully under staffed. It is practically impossible for four men to properly police a city the size of Burkburnett. We will do our best to improve the local situation just as quickly as possible.

Revival Services At Devol Baptist March 20 to 27th

Revival services will be held in the First Baptist church of Devol, March 20-27th each night at 7:30 p. m. The evangelist will be Rev. Olan Runnels of Alvord, Texas.
Rev. Runnels is a graduate of the University of Corpus Christi and Southwestern Baptist Seminary. He is at present completing requirements for the doctor of Theology degree. He is a former pastor of the Randlett Baptist church and is well known in this area.
Rev. Dean Burk will direct the music. Nursery facilities will be available at each service.

Theta Epsilon Plans Mexican Dinner For Sat., March 26th

Plans were made for a Mexican dinner for members of Theta Epsilon, Epsilon Sigma Alpha to be held March 26th in the Town Hall when the regular meeting was held Monday night March 14th in the home of Mrs. Bennie Kerr with Mrs. Evelyn Farris acting as co-hostess.
Husbands will be special guests at the Mexican dinner and square dancing has been planned as entertainment for the evening.
Theta Epsilon has been awarded \$10 by ESA International for adding the most new members for the year.
Evelyn Farris, Educational Director, introduced Velma Goins, who presented the program on "Speech." In addition to her comments, Mrs. Goins presented a skit with Evelyn Farris, Pat Adams, Betty Carter and Mrs. Goins which showed what might happen when friends meet to offer criticisms to each other.
The meeting adjourned with the closing ritual and lovely refreshments were served to Mesdames Goins, Wanda Enloe, Ruby VanLoh, Evelyn Farris, Pat Adams, Velma Goins, Ruth Phillips, Bennie Kerr, Vickie Brown, Mildred Good, Lee Glisson, Melba Coy, Bobbie Klinkerman and Betty Carter.

Police Department Squad Cars Now Have Two-Way Radios

Filling a need of long standing, Burkburnett now has two-way radios in its squad cars.
Station KKZ-861 was put in operation last week. It operates on a 60 watt transmitter, capable of reaching out approximately 30 miles.
The new system permits conversation from car to car, or from base station to the cars.
Formerly policemen had to rely on telephone communication with the City Hall, and no communication between cars.

Spring Style Show Monday March 21 At Palace Theatre

March winds and dust, and can Spring be far behind? If you attend our Style Show you will be prepared with the latest fashion ideas when Spring arrives.
At the same time you will be helping to make our community swimming pool a reality for this summer. All proceeds, after expenses, will be given to the swimming pool fund.
The date is March 21st at the Palace Theatre, admission will be one dollar. Tickets may be purchased now from any Garden club member or Study club member or at the door the night of the style show. Door prizes to be given are two \$25 Savings Bonds, donated by Owen and Brumley and the First National Bank.
A rehearsal has been set for Sunday afternoon, March 20th at 3:00 p. m. in the Town Hall. All models and others participating in the style show are asked to be present.
Committees for the preparation of the Style Show are: Coordinating Fashions, Mrs. Bill Reasoner; Narrator, Mrs. J. B. Riley, Jr.; Publicity, Mrs. Bill Browning; Ticket Sales, Mrs. Don Mills; Decorations, Mrs. Floyd Marten, Mrs. Bill Vincent and Mrs. Russell Kelley; Program, Mrs. Joe Crowley; Morris Cheney, Mrs. Cliff Wampler and Mrs. H. S. Thaxton; Models and story pattern, Burkburnett Study club.
Fashions will be furnished by the following Burkburnett Merchants: Elite Dress Shop, Famous Dept. Store, The Manhattan, Opal's Dress Shop, Mills Youth Shop and the Smart Shop. We will be looking forward to seeing you March 21st at the Style Show. Maybe you will find the right fashion to wear down to our swimming pool this summer.

Annual School Band Banquet Held At Town Hall Feb. 27th

The Annual Banquet of the Burkburnett High School band was held in Town Hall Saturday night, Feb. 27th, sponsored by the Band Parents Club with Mrs. Herman Miller, serving as president.
The theme of the program "Young in Heart," was also carried out in the banquet room decorations of the band sweethearts colors, pink and gold.
The Rev. Leon Turner, pastor of the First Methodist church, gave the invocation and was speaker for the occasion. Mr. Peter K. Wylie and Norman Wilson sang songs.
Crowning of the Band Sweetheart, Miss Nita Bingham, by Mike Morris, band president, her escort was the high point of the evening. Miss Bingham's attendants were Miss Joyce Fields and Miss Shirley Thaxton; their escorts were Johnnie Cools and Mike Matherly, respectively.
Music for the evening was furnished by the Jimmie Jones orchestra of Wichita Falls. Caterer was Huck McDonnell.
Closing benediction was given by school Superintendent, I. C. Evans.
Approximately 100 attended.

Burk Drama Studetns To Participate In One-Act Play Clinic

Drama students from Burkburnett High school will participate in a One Act Play Clinic at Texas Christian University on Saturday, March 12th.
The annual event is sponsored by the university's department of theatre arts headed by Dr. Walter R. Volbach. The clinic is designed to help high school drama groups develop plays they are preparing for interscholastic League competition.
Fifteen high schools will present one act plays during the day. Burkburnett students, under the direction of Mrs. Geo. Pike, will give Dust of the Road. Their appearance is scheduled at 10:30 a. m. in Ed Landreth Auditorium.
Henry Hammack and Miss Dolores Tanner of the TCU theatre arts faculty will serve as critics to advise students and directors.
Other high schools attending include Grapevine, Rankin, Grand Prairie, Richardson, Mineral Wells, Woodson, Trinidad, Centennial High of Talpa, Lakeview High of San Angelo, Breckenridge, Teague, Robert E. Lee High of Tyler, Meridian and Whitney.

Alma Jackson Circle Met Tuesday Night With Mrs. W. Minick

The Alma Jackson Circle of the First Baptist church met Tuesday night in the home of Mrs. W. A. Minick. Opening song was, Revive Us Again. Prayer by Mrs. Fred Hunt.
Chairman, Mrs. Ralph Davis, presided over the meeting. Mrs. J. C. Gay taught the book Reaching Rural Churches. Mrs. Davis closed the meeting with prayer.
Nice refreshments in the St. Patrick's motif were served to Mesdames C. W. Mamey, Claude Reed, Ralph Davis, Luke Warren, Ruth Beldon, Marilyn Ferrell, Cordia Lawrence, Frank Kelley, G. W. Varner, Carl Miller, Fred Hunt, Jo Brookman, Nola Thorpe, J. C. Gay, and Misses Bessie McKnight and Jewel Reed.

First Fourteen Target Tournament Held Here by Archers March 13th

The Boomtown Bowhunters Archery club held their first fourteen target tournament on the afternoon of March 13th. There were 22 participating, of which 17 were from our own club in Burkburnett and five were from the Wichita Roving Archery club in Wichita Falls.
In the men's division, the 1st place trophy was won by Mr. J. C. Parker of Wichita Falls; 2nd place trophy was won by our own Mr. Jim Lindsey; and the 3rd place, a cigarette lighter, was won by Mr. Don Lawrence of Wichita Falls.
In the women's division, the first place trophy was won by our own Mrs. Mina Lindsay; 2nd place, a leather purse, was won by our own Mrs. Mary Durdle; and 3rd place, a pair of golden

earrings, was won by our own Mrs. Bonnie Haefeker.
Winners in the young men's division were first place, a dozen arrows, Jim Lawrence of Wichita Falls; 2nd place, a pocket quiver, Terry Tarbell; and 3rd place, a hand warmer, David Littlefield.
We want to thank everyone for participating and hope the same and many other people will be out for bigger and better tournaments. We hope that in the future we will have more of the townspeople come out & watch us and also help us add to the Burkburnett Swim club.
Our next club meeting will be 24th of March at 7:30 p. m. in the Town Hall. Anyone who is interested in archery is invited to attend.

of moisture which causes the freezing of the regulators and possible explosion. Tangible savings were \$1,022 plus intangible savings. Col. Glynn O. Mount, Installations Group commander, presented the awards to Installation Group employees.
The other four winners were residents of Wichita Falls and employed by 3750th Maintenance and Supply Group. Thomas D. Hunt, Jr., won two awards, one for \$25 for "Cutter for Steel Sleeves on Dzus Fasteners, and one for \$15 for Bar for Installing Dzus Fasteners. The first has an annual tangible saving of \$585 and the other, \$242.
Intangible benefits are reaped from James R. Bryant's suggestion. He installed a brake machine ventilator to permit workers to continue working without having to stop and wait for smoke or gas to clear up.
Thomas F. Jenkins received \$15 for Modification of Dumpster Stand at the Dumpster near Building 1360.
A suggestion to remove a sign that was obstructing driver's views won Howard L. Decker \$10. Lieutenant Col. Charles V. Fowles, executive officer of 3750th Maintenance and Supply Group, presented awards to M. and S. Group employees.

ROTARY CLUB

Bill Vincent introduced the Sugarfoot Seven Jay Band of Sheppard Air Force Base who entertained the club with some wonderful music.
Nine Rotarians from Wichita Falls were in attendance. Mrs. John Larson was a guest of Harold Wolfe and B. F. Gilchrist of Abilene was a guest of the club. A total of 48 were in attendance.
The club registered 100% attendance for the District Convention which convenes Wichita Falls this year beginning Friday morning through Saturday. Lots of entertainment is planned for both Rotarians and Rotary Anns.
There will be no meeting next Tuesday, March 22nd, Harold Wolfe will bring the program March 29th.
Paul Fields underwent surgery Thursday morning at the Wichita General hospital.

Many Motorists Lagging Behind April 15th Inspection Deadline

Col. Homer Garrison, Jr., director of the Texas Dept. of Public Safety, said today that more than two million motor vehicles remain to be inspected before the April 15th deadline. He urged all Texas motorists to obtain their new inspection stickers at an early date.
Garrison reported that more than 4,300,000 will be inspected in Texas this year. To date only about half that number have gone through inspection lines at some 4,400 inspection stations located throughout the state.
The DPS director pointed out that inspection stations cannot inspect vehicles during wet, rainy weather, a condition normally prevailing during late winter and early spring. To make sure every vehicle owner is able to obtain his 1960 inspection sticker in time, Garrison suggests that plans be made now to visit an inspection station before inspecting lines grow long.

Anti-Trust Laws For Unions

ABSENT MINDED BEN HUR

Don Robinson, publisher of the weekly newspaper trade magazine The American Press said something about the American strike situation recently that bears repeating. From here on the words are his:

During the next few months there will undoubtedly be a flood of suggestions for dealing with management-labor relations. The tremendous losses to workers, manufacturers, government and the public resulting from the steel strike cannot help but lead to fervent demands for legislation to prevent repetition.

In the editorials of the newspapers of the country, we have read many proposals for dealing with the situation. But we have read none that make more sense than the seemingly simple answer of making anti-trust laws applicable to labor as well as management.

The anti-trust laws were enacted in the first place to prevent industry from ganging up on labor and the public and taking unfair advantage of the power which could be wielded by building monopolies.

Now the shoe seems to be on the other foot. Business and the public now need similar protection against labor. For it seems just as dangerous for labor to form tremendous, industry-wide unions, which are in a position to break the back of industry and inflict hardship on the public, as it would be to permit industries to form monopolies.

When bigness reaches monopoly proportions, history has taught us that it must be broken up.

Don't Look Now, But

If you are troubled by a \$290 billion national debt and an \$80 billion federal budget, cheer up. It's going to get worse.

That debt of \$290 billion. Federal Budget Director Maurice Stans discloses, isn't the half of it. Laws passed in former sessions of Congress have obligated this country to pay out another \$350 billion in future years, over and above the expenses that will be incurred during those years.

As for that \$80 billion budget, Stans warns that "unless we hold the line now, the day is not too distant when the budget will rise to the \$90 billion or \$100 billion range." In the last session of Congress alone, 20 major spending bills were introduced in the House and 20 in the Senate, which, if passed, would add \$50 or \$60 billion a year to present spending.

As for economizing, nearly 85% of the budget is "locked in" in commitments for national security, interest on the public debt and mandatory benefits for agriculture, veterans and the needy. That leaves little room for discretion or for cutting expenses.

Those are mean facts. Here is another fact. This is an election year, and no legislator will want to say "no" to any spending proposal unless he is convinced completely that it will be worth more votes than saying "yes". Any citizen who expects Congress to be stingy in handing out federal funds this year had better let his Congressman know about it now, and in no uncertain terms.

News From The County Agent

Agricultural legislation passed by Congress last year has real significance for cotton producers in 1960, and future seasons. The law established new provisions which cotton producers must follow if they are to maintain their allotments.

First, according to B. T. Haws, county agent, if a farm allotment is under a Soil Bank contract or Great Plains Conservation Program the allotment will be preserved. A limited number of producers are involved.

The next provision is likely to affect many cotton growers.

Operators of farms not under Soil Bank contract or the Great Plains Program have two choices. They must plant at least 75 percent of the allotted cotton acreage or, release sufficient acreage to meet this 75% requirement to the county ASC committee for re-apportionment to other growers in the county. For example, a farmer with a 50 acre allotment may decide to plant only 38 acres since this is over 75% or he may plant 30 acres and release as few as 8 acres to be distributed to others.

Haws explained the release is made for one season only and will not reduce the future allotment of the producer releasing the acres. Also, it will not help the producer planting the acres to get a larger allotment next year and finally, the re-

leased acreage cannot be used to set up allotments for the new growers.

The third stipulation of the new law requires that cotton must be planted on the farm holding an allotment one year in three. This means that a producer could release his cotton allotment for two successive years, but the next year must plant at least 75% of his allotment in order to preserve the full acreage.

Cotton production is a good "multiplier" in the local economy, said Haws. By this he means the more cotton that is produced, the greater will be the amounts of fertilizer, petroleum products, labor and other items needed to service this production. After it is grown, the ginning, hauling and processing of lint and seed provide employment and require other services in the county, district and state. It benefits a large number of citizens.

Cotton producers should do their part to hold county allotments. They can be lost to other areas. Cotton growers who plan to plant only a part or none of their allotment should release the acreage not to be planted before the deadline dates. This is done by notifying the county ASC office in the county holding the allotment records.

There are five zones or areas in Texas with different deadline dates, beginning February 19 for Coastal and South Central Texas counties and extending to April 22 for the High Plains counties.

Haws added that growers wanting additional cotton acreage from the released allotments must file written requests at the county ASC office by these same dates. Detailed information on the law changes can be obtained from county ASC office and county agents.

News From The HD Agent

Do you have to cram all of your clothes into one small closet? If you do, perhaps a good cleaning with an eye open toward a different arrangement will help solve your problem.

Thelma Wirges, county HD agent, suggests starting at the top of the closet with hats. A square hat box uses the shelf space to better advantage than a round one. Find a box as large as the shelf will take so more than one hat can be tucked inside. Liberal use of tissue paper keeps the hats in good condition. If shelf room is limited, perhaps a second shelf can be added.

Lower down, the rod for hangers might be changed from a single one, the full width of the closet, to two shorter ones installed from back to front. This arrangement adds space and convenience especially in shallow and wide closets.

On your rod or rods, hang garments by sections according to length, blouses to the back or end, then suits and skirts and lastly, dresses. Under the short pieces you will have storage room for boxes or out of season garments.

If your closet still is to stuffed, take a good look at your wardrobe. A garment you have not worn in months probably isn't so valuable to you as the closet room.

Good closet accessories will help keep your wardrobe in good condition. You can make your own shoe bags, hat boxes, glove boxes and dress covers. Directions are given in an extension bulletin, "Facts About Clothing Care". Copies are available from your county HD agent's office, 305 Federal Building.

Mrs. E. A. Litteken, one of the home demonstration club demonstrators has done an excellent job in clothing storage and closet arrangement. Taking a closet composed of one long rod, a chest in the back corner and one deep top shelf, Mr. and Mrs. Litteken added side shelf space and drawers. The long deep top shelf was made more narrow, so things can be more easily seen.

Long clothing was hung to one side of the center section and short to the other. On the short side a second rod was added to make double deck storage. The doors are no longer wasted, as far as storage. Peg board has been added and small clothing articles such as belts, ties, etc are now there.

Mr. and Mrs. Litteken find they have about 3 times as much space, to use. Everything is easy to see, easy to reach and easy to clean.

Since it is so easy to use, the demonstrator has painted the closet, so it now makes a pleasing picture, if the doors are left open. How do you feel when your closet doors are left open.

Keep that new hat fresh and new looking by regular care. Suggestions given by Thelma Wirges, county HD agent, may also help you to revive a tired looking model from last year.

Keep natural luster of your hat by keeping dust or dirt from settling in. Brush frequently with a soft brush or a rubber sponge. Spots and dirt can some times be removed from light colored felts with fine sandpaper. Cleaning fluids may also be helpful in removing spots. Quick treatment makes the job easy.

Drape the veil back over the hat to prevent wrinkling. If the veil does become limp and wrinkled, press between two pieces of waxed paper.

Store hats in boxes. Crushed tissue paper stuffed in the crown, in ribbon bows and around other trimming will help to keep them newer looking. Fur and felt hats should be protected from moths.

A hat treated properly will retain its lines and shape for two or more seasons. Since winter hats will soon take their place on the shelf, see that they are stored in such a way, you will be pleased to wear them next Fall.

ELU TA WA CAMPFIRE

The Elu Ta Wa Campfire girls met in the home of Mrs. L. E. Hudson. Frances Perry called the meeting to order. There were 9 members present.

Marsha Monson gave the pledge. Beth Byars led the group in singing America. Donna Hudson called the roll and read the minutes from the last meeting. Dianna Mullins gave the devotional and served refreshments.

We discussed how to get honor for our memory books, then sang Green Tree Taps. The meeting was then adjourned. Lois Barr, Reporter

Wilbarger-Wichita SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Final approval of the Great Plains Conservation Program for Wichita County has been received, Elvy Sargent, GPCP County committee chairman said today.

Farmers and ranchers needing a complete conservation program with assurance of Federal cost share are urged to apply for assistance in the Great Plains

Program for Wichita County, Sargent added. Application can be made at any office of the Department of Agriculture. The program is administered by Soil Conservation Service.

All needed conservation practices are included in the Great Plains Conservation Program & cost share is offered for the more permanent practices such as seeding, retired land, over-seeding, rangeland, brush control, waterways, terraces, diversion terraces, drop structures, farm and ranch ponds, land leveling and fencing. The length of plan may be from three to ten years and may be up to \$25,000 Federal cost share.

The Wichita County Committee for GPCP is made up of Stanley Williamson, representing the agricultural conservation

County Committee of Land of Farm and Administration; and Elvy Sargent, Director of Soil Conservation

Card Of Thanks
 To my dear sisters and brothers, the OES, Masonic Lodge, American Legion and the former pastor of the First Christian church, Thomas White, who traveled so far to be with me with comforting words in my sorrow. To each of our dear friends in Burkburnett and Oklahoma, to each of the Bohner families and our precious ones at Shady Lawn Trailer Court.
 It's hard to tell you what is in my heart today. For each of our friends know Lloyd was my life. He brought sunshine in his home and to his friends and I am sure Lloyd would want me to take and thank you in this way. He is not dead, just asleep and if he could only speak to us he would say, why let your hearts be troubled, just a little while and we all will be reunited.
 Thank you precious Ruby, Opal, Mrs. Carswell and Mary Jo for the beautiful songs and for the sweet music and to the riding club. How Lloyd would have enjoyed each one of you. Thank you Dr. Carpenter for standing by me in prayer in my last dark moment. Love to all. Your friend, Marie Ifland.

PITTSBURG PLATE GLASS MIRRORS AT BOYD BROS.

BURKBURNETT GARDNERS ANNOUNCE NEW ACTIVITIES

Gov. Price Daniel has proclaimed March 6-13th as Garden Club Week in the State of Texas, which will be a "Pick-up and Clean-up" campaign. All zones will work toward their projects.
 Mrs. W. H. Bohner, president of the Council of Garden clubs states all of the clubs have projects and are working vigorously on each. Under the guidance of Mrs. H. C. Preston, Jr., beautifying the new City Park and swim pool area has begun with Mrs. D. C. Dodson, Mrs. Carl Morrison, Mrs. W. H. Bohner and Mrs. Ralph White assisting. Mrs. Dodson and Mrs. Morrison are well qualified in landscaping and designing, having completed a course at Texas A & M College. Work has started in planting shrubs, plotting the grounds for tennis courts, designating play ground areas, picnic grounds and other necessary areas on the Park grounds.
 The Hardin Park has been combined with a new park on the south, given to the city by Burk Royalty Company and is being re-arranged, the old road dividing the two parks is closed, a new one cut and many shrubs and trees are being moved and is having a complete new arrangement.
 Proposed plans have been discussed for the design and planting arrangements of the new cemetery. Plants and trees are needed.
 The Mimosa Garden club, Mrs. John Morgan, president, The Gay Ladies Garden club, Mrs. R. M. Sims president, The Bluebonnet Garden club, Mrs. Chas. Boyd as president have as their project, the beautifying of the Swim club park by planting shrubs and helping equip the park. The Unity Garden club

with Mrs. Roy Magers as president, is planting twenty Mimosa trees on the Roadside park near Cashion on the Wichita Highway. The Burkburnett Garden club with Mrs. A. R. Bunstine as president, have purchased 24 burford Holly bushes for the planter in front of the Postoffice and have also made a donation to the Park Fund.
 Mrs. Bohner states the Burkburnett Council of Garden clubs is sponsoring a "Litter Bug" campaign by the Junior Garden club members in selling "Litter Bug" baskets. A rummage sale will be held during the Garden Club Week. All proceeds go to clean up and beautify our city.

More Than Seventy Houses Now Under Construction In Burk In Effort to Fill Housing Need

the re-activation of the old Air Force Base, need for more housing has been apparent to the community. Because of the location of Burkburnett to the west, about 8 miles, it has been the choice of the Air Force for their home. Too, many people want to live in a town. Good schools, churches, and good roads have also drawn new families to our town. In the past three years more than a hundred new homes have been built each year. From the appearance of the building will catch the demand for new homes for some time to come.

At the present time, there are more than seventy new homes under construction. Families are moving in because construction is actually under way. Two of the largest builders are Howard Clemens and B. H. Alexander Jr. Clemens now has 32 houses under construction. Last year he built 60 houses. B. H. Alexander Jr. has 80 houses under construction and has plans for more to be built as fast as he can get them. He hopes to build 80 houses this year. The new homes will be built between 10 and 20 houses under construction at most any given time, will add much to the effort of furnishing houses here to all who want to make Burk their home.

Miss Linda Wood Jr. Majorette Of The South

Miss Linda Wood of Burkburnett was recently selected Jr. Miss Majorette of the southern states for March by the Drum Major Magazine, a national publication. Four girls are selected each month by the magazine representing the north, south, east and west, and at the end of the year they select one from the monthly winners to represent Jr. Miss Majorette of America. Linda is the 12 year old daughter of Mr. and Mrs. Harold Wood of Burkburnett and is a seventh grade student at Burk Jr. High School.

Kid Baseballers To Meet Mar. 21

There will be a meeting of all those interested in kids summer baseball at Town Hall Monday night, March 21, at 7:30.

All those interested, managers, coaches, sponsors, are urged to be present and help make final preparations for the season.

Next week A. W. Newman will bring the program. People with fiery tempers often cook their own goose.

LIONS CLUB

Town Hall Each Tuesday, 7:30 P. M.

Tuesday was a big night for Local Lions. First, they celebrated his birthday. He was 85 years young Tuesday. Lion Winford Henry baked a big cake and decorated it with Lions colors and emblem. After the happy birthday song, Lion Mills sliced the cake while flash cameras clicked to record the happy occasion. The ladies who prepare and serve the meals, Mesdames Bundy, Logan and Bryant, served ice cream with the cake.

Lion Mills is a charter member of the Burk club and has to his credit 38 years of perfect attendance.

Second, twenty-six Lions from neighboring towns visited the club and held a zone meeting afterward.

Third, B. H. Preston, Jr. had arranged a very enjoyable program. He presented Mrs. Jack Smith who sang a number of selections taken from the Jerome Kern album of favorites. She was accompanied at the piano by Mrs. Bill Vincent.

Ben Keith Lawson, District Governor of Chhillicothe was present. His Deputy Gov., Maxie Bell of Vernon, was also present. Zone chairman Kenneth Drake of Quanah introduced his delegation of Lions. Jay Mink, president of the Electra club, introduced his members. Lions from Chhillicothe, Crowell and Vernon were also present.

Next week A. W. Newman will bring the program.

People with fiery tempers often cook their own goose.

Farmers Co-op. Feed & Supply Moving to Location On Ave. B

Next Monday, March 24, the Farmers Co-op. Feed & Supply will open in its new building on Avenue B. The location is just north of the gin office and scales.

The location at present is on Third Street, next door to the ice house and bus station.

Paul Hooper, manager, says the new store will handle a complete line of Purina products; feed, lawn and garden supplies.

Formal opening will be announced at a later date.

Firemen Thankful For Help Received In Fund Campaign

Firemen are extremely grateful for all the help they received during their chicken and dumping dinner sale. They appreciate all those who bought tickets, and especially do they wish to thank non-firemen and wives who helped prepare and serve the food.

The fund drive was to raise money to furnish the firemen's room above the new fire truck station.

The day's efforts realized a little over \$300.00 in the clear.

A sense of humor is what makes you laugh at something which would make you mad if it happened to you.

It's the job of the U. S. Mint to make it first and yours to make it last.

If you give some drivers enough rope they'll tie up traffic.

Enrollment In Schools Doubles

A few years ago when the first new primary school building was completed, many believed the school housing problem was solved for quite some time. But, the following year the size of the building had to be doubled.

Then came the Capehart housing project adjacent to Sheppard Field in the southern part of the Burk school district. Estimates by Air Force personnel and others placed the need at 12 classrooms and necessary office space. Capehart was completed last fall. Several grades could not move in because the rooms were overflowing. Temporary classrooms are maintained on the Base. Now, best estimates are that Capehart needs 12 more classrooms, which will be built as soon as possible, perhaps by school opening again this coming September.

Burk's high school was crowded to capacity and then some. Eleven new classrooms are almost completed on property purchased adjacent to the rodeo grounds. Census figures now indicate 11 more rooms will be needed in the very near future.

School enrollment here Jan. 1, 1957 was 1248. This March 1st the figure was 2361. Expected enrollment for the 60-61 school term, based on recent census figures will be 2772.

City and School Tax Valuations Make Big Gain in Past 3 Years

A comparison of City and School tax valuations over the past three years will give some idea of the growth of Burkburnett. January 1, 1957, City tax valuations amounted to \$2,973,475.00. Present valuations are listed at the grand total of \$4,193,500.00. For the corresponding period, the School's valuations were \$7,117,716.00 with the grand total now at an all time high of \$10,735,190.00. With the rapid rate of building now going on, valuations for 1961 should go up in about the same proportion.

New Location—Next To

Mrs. J. C. Adams Hostess Monday To Dorcas Class

Mrs. J. C. Adams was hostess to the Dorcas Class of the First Baptist church Monday evening assisted by Group One. Group captains are Mesdames Ralph Brookshier and Leo Foster.

The party rooms were decorated with daffodils and other spring flowers. The serving table carried out the Irish motif with green punch and tiny cakes with shamrocks atop and using all antique glassware. The table was covered with a hand made Irish linen cloth.

President, Mrs. Charles Boyd, presided over the short business session. Mrs. Ray Mills had charge of the program. The class song, Blest Be The Tie That Binds, was sung. Mrs. Leo Foster brought a most interesting devotional which was enjoyed by all. Mrs. Mills had all the group to bring their baby pictures. She then numbered them and passed them out for each one to guess who they were. Out of the large number participating, only three were able to guess the names. Mrs. Mills then conducted an old fashioned spelling bee which lasted a long time until Mrs. W. C. Davis' side went down in defeat.

After the recreation, a motion was made to adjourn. Mrs. Brookshier presided at the punch bowl when seventeen members and the hostess were served.

Oil Field Queen

Decorating an oil field Christmas tree brings a gay smile to the face of Miss Judy Gooch of Jennings, La., the official Oil Queen of Jefferson Davis Parish. The valve and tubing tree is standard oil conservation equipment designed to give controlled production of our nation's abundant underground petroleum resources.

Legion Notes

Francis Perry, Commander
Buddy Mathis
Public Relations Officer

Our regular business meeting really accomplished much last Thursday evening. Legionnaires came out in full force. That is what it takes to make an organization go forward anytime. We hope that we will have a large number of legionnaires and ladies of the auxiliary club to attend next month's district convention at Haskell. For further details on this you may contact our legion commander, Mr. Francis Perry, 569-3685. Mr. Perry is ready to lend anyone a helping hand on any matter that is within his field of endeavor.

Let's all turn out tomorrow night and give the musicians & singers a big helping hand with moral support. Legionnaires and wives or girl friends and your invited guests, get on down and enjoy an evening of wholesome entertainment from 8:30 p. m. to 12:00 p. m. Doors open at 7:00 p. m. 75c per person with proceeds going to the child welfare fund to help investigate underprivileged children. Ladies 18 years and up, gentlemen, 21 years and up. Don't let bad weather hinder you coming to the dance if possible. We will be looking for those old smiling familiar faces and also new smiling faces.

Legion members, we are hoping to have Mr. Floyd (Shorty) Fleming back from the McKinney VA hospital real soon. We gathered some encouraging news that he will be leaving for home this coming Friday if all goes well. We all are trusting the good Lord to send this fine active personality back to his wonderful wife, Helen Fleming and their lovely children. Mr. Fleming is a patient at present with a throat and chest ailment which was in an aggravating status. Let's everyone give him a big welcome when he arrives home.

Tomorrow night at our dance we will have the honor of celebrating what we will call Jimmy Lansdale night. This fine boy has personality that is the most. Mr. Lansdale and wife, Eileen, hail from the Ozarks and we think they are the finest young couple. Mr. Jimmy Lansdale is chairman of the entertainment committee and believe me he deserves a big round of applause for his sincere and hard work. Jimmy, old boy, we know that the grass doesn't grow under your feet. Tomorrow night is in your honor, we legionnaires are proud of you. At this time we take our hats off to you. Just keep the good works moving, Jimmy. We'll see you tomorrow night.

We would like to take this moment to give recognition to S. Sgt. Parks and his wife who became members last Thursday night. This fine man, with his lovely wife and handsome young son, George, all hail from Baltimore, Md. Us legion members, along with the officers of post 264 wish to make you wonderful friends warm and hearty welcome. Just hope you are with us for a long time. There is something extra ordinary about Sgt. Parks and his family. They have about the same amount of personality which makes anyone go all out for them. You people are terrific and we all think you are grand.

Mrs. Helen Fleming had a fine turnout of lady auxiliary club members and everything went over with a bang. After the meeting, they served refreshments. Those of you who missed this meeting will surely regret it. The next regularly scheduled business meeting will be held in the reception room, Post 264 on the night of March 17th. The meeting starts at 8:00 p. m. and we urge all the lady members to be present and come a little earlier if possible. The slogan is united we stand, divided we fall. So don't forget your meeting nights and give your fine lady auxiliary president a lot of sincere and true moral support.

Malone Rites Were Friday

Funeral services for Sanford E. Malone, 92, were held at 2:00 p. m. Friday from the Calvary Baptist church with the Rev. Ray C. Morrow, pastor and Rev. Leroy Meyer, pastor of the First Baptist church officiating.

Burial was in Burkburnett Cemetery under the direction of Owens & Brumley Funeral Home of Burkburnett.

Malone, a retired carpenter, died at his residence in Burkburnett late Wednesday night. He was born July 1, 1867 at Hico, Tex.

Survivors include one step-daughter, Miss Ruby Fields of Wichita Falls; one step son, Paul A. Fields of Burkburnett; one grandson, Roy E. Malone of Hurlington; one step-grandson, Rupert J. Fields of San Antonio, and six great-grandchildren.

Home Builders Class Met March 9 With Mrs. C. A. Moreman

The Home Builders class of the First Methodist church met for their regular monthly meeting in the home of Mrs. Moreman, Wednesday, March 9th. The meeting opened with a song, 'Tis So Sweet to Trust in Jesus. The devotional was read by Mrs. Hugh Jones from the

4th chapter, 5th verse. A lovely reading by Mrs. Homer... know something... You. This was... prayer by Mrs... tion of dues and... pennies, \$1.42... gift, making a... Lovely refresh... served to the... dames Bruce... vier, Roberts... bert, Gage, L... ler, Patterson.

Charlie Green of Weatherford visited his sister, Mrs. W. J. Morrow this week.

Mr. and Mrs. Leroy Hise are the proud parents of a daughter born to them in a Wichita Falls hospital Friday.

Visitors in the home of Mr. and Mrs. A. L. Anderson over the weekend were Mr. and Mrs. David Anderson and two sons of Sweetwater, Mr. and Mrs. J. E. Britton and son, Mr. and Mrs. Doyle Gene Anderson and daughter of Wichita Falls, Mr. and Mrs. Alton Anderson and Mr. Howard Anderson of Walters, Mr. and Mrs. Bob Seals and sons of Tulsa.

CHEERFUL BLUEBIRDS

We met on Tuesday, March 15 at Mrs. Phillips house. We decorated plates with crushed egg shells, put a flower in the center and sprayed them with gold.

Mrs. Alexander and Mrs. Benton served refreshments to the

following, Cathy Alexander, Patricia Bankhead, Debbie Holtzen, Meredith Kelley, Cynthia Parrish, Cheryl Phillips, Sonja Preston, LaDeana Sneed, Denice Story and Kathy Unger.

News From The HD Agent

Food is the fuel your body depends on. The right food daily can give you better health and more pep and vitality. It can improve your attitude, appearance and even help you to stay younger longer, according to Thelma Wirges, county HD agent.

Poor eating habits can result in many bodily disorders. Nervousness, depression, tendency to tire easily, improper weight, skin disorders and lower resistance to disease are some of the more common results. Improper growth, tooth decay, poor bone formation, night blindness, sore gums and other disorders may occur.

Check now to see how you and other family members rate. A leaflet, written by foods and nutrition specialists provides an easy check list for rating your daily diet and eating habits. Entitled Are You A Good Eater, the leaflet lists the more important food elements needed by the body and then gives good sources for each.

Encourage all family members to rate their eating habits. Get copies of the leaflet from your county HD agent's office.

Food and Nutrition demonstrators are located in all sections of the County. Each demonstrator has selected goals and made plans for the things that will make their families better fed in 1960. This does not mean they will have more food, but does mean they will have the correct kind.

Politics & Politicians

In the days of Herbert Hoover the working man lost his buying POWER and JACKRABBITS were the MAIN Course at any meal. Jackrabbits were prepared in more different ways in those days than in the history of time. Steak was Ten Cents a pound, but no one had the TEN CENTS. It was a common sight in those days to see as many as twelve GOOD men and women chasing one jackrabbit.

Anytime a jackrabbit showed himself in those days he IMMEDIATELY had a Jury of at least twelve FAST MEN AND WOMEN to try him and see how fast he could run. VERY (FEW) JACKRABBITS WERE ACQUITTED. Even the women were so good at catching RABBITS, they could chase and catch a Jackrabbit, while rolling a Bull Durham cigarette all at the same time. Alton Hanes is a Democrat, because he likes to see that Oil Working boy have a little money in his pocket.

Alton Hanes your next Tax Assessor and Collector is going to catch the two men that are running together, just like he did the Jackrabbits under HOOVER and beat EM both at the same time. There (AIN'T) gonna be no ACQUITTAL nor a Run-off. The only GOOD THINGS THAT THE REPUBLICANS EVER DID FOR ALTON HANES WAS TO LEARN HIM TO RUN (FAST).

With all the sick youngsters, homemakers report, keeping a convalescing child in bed, quiet and happily entertained is a real problem at times. Miss Thelma Wirges, county HD agent offers these suggestions for keeping a youngster happy, while on the mend.

Provide plenty of "just looking activities. A gay ballet dancer or airplane hanging on a string from a light fixture, or a window shade will catch and hold his interest. Or arrange a bulletin board near the foot of the bed. Each day add a new surprise, a new member of an imaginary family, a new animal or anything else which amuses him.

Many a child has been amused by a simple device of catching sunlight with a pocket mirror. When it begins to get dark a miniature flashlight will bring him minutes of pleasure when he explores dark corners.

"Surprise" is a magic word to a child. Plan a simple, gayly wrapped surprise box. The gifts need not be purchased. A cookie brightly wrapped, a post card, a picture book, a pipe cleaner doll, funny drawings, or even a paper hat will entertain a child.

A picture puzzle can be made for a young child from a picture post card. Cut the card into 4 or 5 irregular shapes. If the child can read, write a message on the back of it before it is

THE AMERICAN WAY

Citizenship Is a Full-Time Job

cut into puzzle.

Paper work can be fun for a child. Wrapping paper, paper bags, color paper, paper doilies, paper plates, greeting cards, and old magazines can be used. With a pair of sharp, but blunt scissors and paper, the child can be kept occupied for a long time.

Remember, don't give the child too much at one time. It's tiring and confusing to the child, and extra work for you.

News From The County Agent

It's been a rough winter on beef cattle. And the continued cold weather advises B. T. Haws county agent, could cause losses of both cows and calves.

Shortages of adequate and quality roughages and protein supplement have caused excessive weight losses and cows in such condition generally have calving & after calving trouble, says Haws. Calves may be born weak even to weak to nurse. Too, the cow may not produce enough milk for the calf and it may be low in some of the essential nutrients. Thus, adds the agent, calves become unthrifty and some may die.

Here are Haws suggestions for improving the situation. The cow should get a daily minimum of 2 lbs of 41% supplement because pasture grasses this year are of low quality due to last fall's early and hard freeze and the unfavorable weather which has followed. The feeding of additional roughages of good quality may be necessary on some farms and ranches he adds.

Cows in very poor condition are likely to have a vitamin A deficiency, Haws says. This can be corrected by feeding a block of leafy green alfalfa hay or one fourth pound of alfalfa pellets daily and could save the cow and calf. He advises such feeding until green grazing becomes available.

Now is a good time to consider creep feeding calves to take part of the load off the cows. For this purpose, Haws suggests a simple mixture consisting of 85% ground sorghum grain, 10 percent cottonseed meal and 5 percent alfalfa leaf meal.

Five Wichita County 4-H boys received 50 turkey poults this week. They will feed the turkeys for the Dallas Fair. The boys receiving turkeys are: Glen Baxter, Vernon Shelton, L. D. Cheatom, Ronnie Hunt and Johnnie Reid.

112 Wichita County club boys and girls will receive 50 baby chicks each Saturday, March 10. The boys and girls will feed the chicks for a period of 8 1-2 wks. The chicks will be given out at the 4-H barn in Wichita Falls. This program is sponsored by the Wichita Falls C of C.

I would like to remind all community chairmen that have entered the community pasture program that their record book is due in the county agents office on March 31st.

The fastest and best method for growing large fish in the farm pond is to stock the pond with the proper kind or kinds of fish and at the right rates and fertilize. According to B. T. Haws, county agent, farm ponds in this area may be fertilized during late winter and spring, will usually shade out troublesome underwater plant growth.

One way to safeguard against excessive insecticide residue on

harvested crops and protect those who handle the materials is to follow the recommendations of the manufacturer. B. T. Haws, county agent says the label on every insecticide container should be studied and followed to the letter.

About 40% of all jobs in the nation are in agriculture. Of the 65 million people employed, about 25 million work in agriculture. Seven million are on farms

a similar number produce for and service farmers and 11 million process and distribute farm products.

Soil test results are a blueprint for better farming. Soil tests are the best for determining needs. By following recommendations from laboratory can be increased costs cut.

g cropland to a perma- ver of grass was com- n three farms during week. J. H. Allison, tschke and Lyle Gill ded a mixture of buffa- blue grama and side- ma. A grass seed drill- ed from Wilbarger- Soil Conservation Dis- ways for safe disposa- s water continue to be

the most applied practice in Iowa Park work unit area, according to Sargent. Soil Conservation Service assisted in design and layout for a waterway on Albert Brockreide farm of Punksin Center community and the same service on two more waterways for Ellis McCullough of Burkburnett.

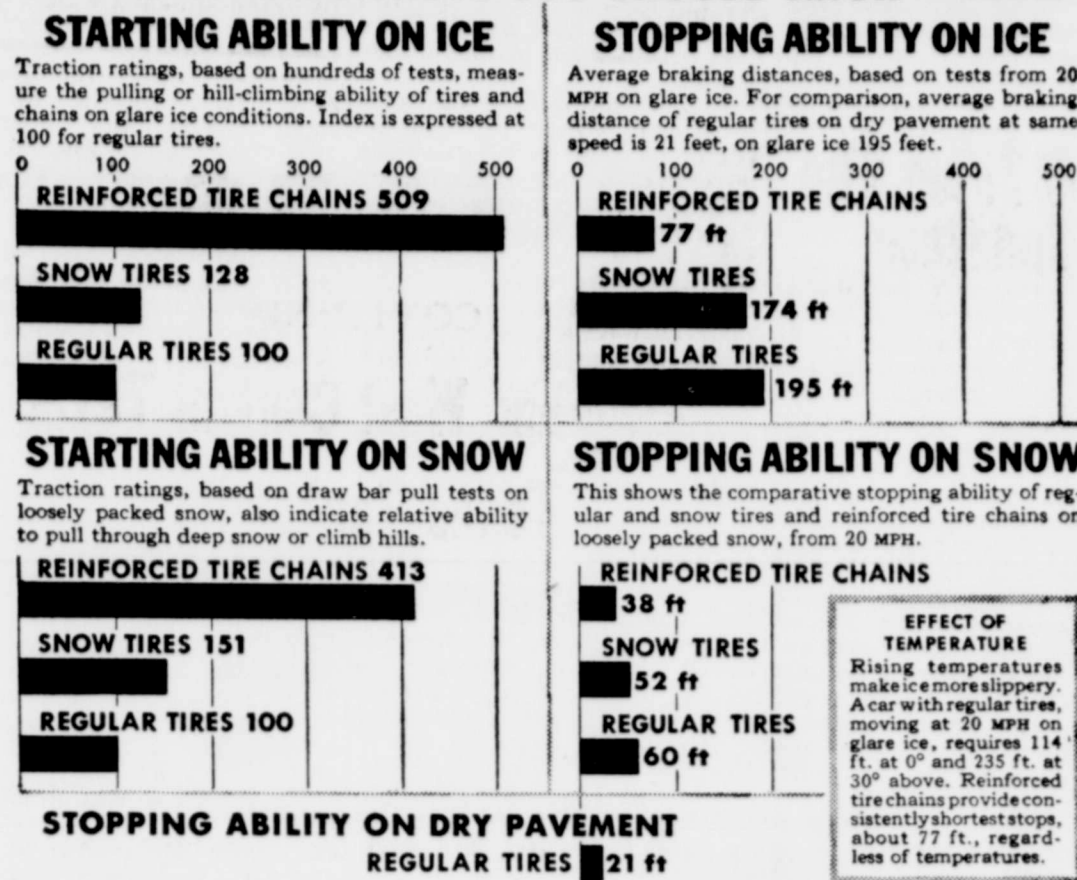

Shaping was completed on one waterway during the week for Paul Dowdy. Mr. Dowdy's farm is in the Cashion community. S. I. Buzzard of Iowa Park seeded his waterway to K. R. Bluestem and Buffalograss during the past week.

Preliminary surveys were made for design and location of waterway on P. T. Duncan farm north of Wichita Falls.

Coastal Bermuda grass has been soddied on George W. Graham's Iowa Park farm.

SLOW DOWN AND LIVE-THIS WINTER

DRIVING FACTS YOU SHOULD KNOW

Above charts, provided by the Texas Safety Association, Inc., illustrate test results by National Safety Council's Committee on Winter Driving Hazards. For each "braking distance" above you must add 22 feet, which is distance traveled during average "reaction time" needed to think and get your foot on brake after seeing a reason to stop. Skidding and reduced visibility are the major added hazards of winter. Can you see and stop in time? Are your windshield wiper blades giving clear, streak-free visibility? Does your defroster work?

NOTICE!

I, T. L. Shuflin, with a group of citizens and teenagers, met with our City Council Monday night. I thank the councilmen for being so nice to me and every one and for staying late at night to hear the complaints about our police department. I feel confident they will act upon this problem as soon as possible.

I am asking for 7 or 8 officers, with better pay, that have respect for the ladies and teenagers.

I am sorry the councilmen closed the door in some of your faces. If you could have stayed, you would have been treated nice as everyone was.

This problem was left in the hands of our councilmen to decide the best. We have a nice town. Why can't we make it better for all of us to live in? Cities of the same size as ours have 10 or 12 officers that have had officers' training.

Why can't we have at least 7? We have not asked our city for more officers than we need.

Your friend,
T. L. SHUFLIN

This Week's Ideas - for Sportsmen

Save time before trips by always keeping instant drink ingredients in your "Thermos" vacuum bottle kit. For example, carry small jars or cans of "EverReady" cocoa, "Nescafe" instant coffee, "Nestea" instant tea, etc. Just fill the bottle with very hot water, and you're on your way. You get a choice of three delicious beverages — all from the same hot water container — and you don't need to rinse out the container when you return home!

The lazy way to get fishing worms is to put a good portion of any kitchen detergent in a pail and fill it with hot water. Pour the sudsy water over the ground where the worms are. In a few minutes the worms will wriggle out of the ground and you can collect them, rinse them off, and have plenty of bait for fishing.

WANT IT... then WANT ADS are for you!

News From The County Agent

Connie Swinford, Sonny and Karen Bentley entered four steers in the Houston Fat Stock show this week. The steers will be sifted on Tuesday and judged on Wednesday. The group that will attend the show from Wichita County are: Mr. and Mrs. Ralph Swinford and Connie Mr. and Mrs. Howard Bentley, Sonny and Karen and Harry Cox, assistant county agent.

Any farmer needing a farm lease form should contact the county agents office, 304 Federal Building in Wichita Falls.

Texas 30, Harper 3 and Texas 28 produced average yields of about 70 bushels per acre to lead all hybrids in the 1959 Texas Corn performance tests conducted by the Texas Agricultural Experiment Station.

These hybrids showed a wide range of adaption by ranking at or near the top in each of the individual tests.

The highest yielding white hybrid was Texas 17-W. Among the yellow hybrids, Texas 34 & 30 were more resistant to insects and diseases and are therefore recommended particularly for areas where insects and diseases cause serious damage to corn.

In the tests corn was planted at 20 locations under dryland and 2 locations under irrigation. Four of the dryland tests were lost because of unfavorable weather conditions.

Growers should consider the performance of the hybrids at the nearest test location, and also the average yield for their area. Recommendations for the various areas are based on previous results as well as those during 1959.

Texas 4-H club members, along with more than 2,000,000 in the nation, will observe 4-H Club Week from March 5-12. Gov. Price Daniel, by proclamation, has designated the same period as 4-H club week in Texas and urges all citizens to take

this opportunity to learn more about this great rural youth organization.

The Wichita Valley DHIA Association ranked first in the state this month, in average pounds of milk which was 982 lbs. and second in the state in average pounds of fat which was 36 lbs. There are 26 Associations in operation in Texas with a total of 20,820 cows.

Wichita County farmers would like to see some sunshine on their farming operations. Small grain prospects are very good at present time.

Cotton is the most valuable cash crop in Texas, although it now ranks second in acreage to sorghum for grain. For the five years, 1952-56 the Texas Cotton crop including lint and seed had an average yearly value of more than \$720,000,000. This was more than three times the combined value of wheat, sorghum grain and rice during the same period.

Farm and ranch buildings or structures to be used as production facilities should be planned carefully before construction begins, says B. T. Haws, county agent. Careful planning will insure the best possible return on the investment and the maximum in labor saving, both important factors in the ever increasing cost price situation faced by agricultural producers.

The 1960 Guide for Controll-

ing Insects, L-218 is now available at the offices of local county agents. At least six major changes have been made in the recommendations. Extension entomologists suggests that growers check with their county agent on these important changes.

News From The Congress

By Congressman Frank Ikard

The antics of Dictator Castro in Cuba have provoked many to suggest as a reprisal, we not renew the Sugar Act. One of the basic misconceptions about the Sugar Act is that it is an arrangement whereby we in this country have bought sugar from the Cuban Government at above the going price. This, of course, is not the case. Even though the sugar market in the United States does not give strength to the Cuban economy, actually the buying and selling of sugar all goes on between private American importers and the owners of the sugar in Cuba. The only exception to this has been during wartime. The purpose of the arrangement is to assure adequate and dependable supplies of sugar in this country at reasonable prices.

Our experience under the Act so far has been that it is of benefit to us and should be continued even though there seems

to be some merit to the contention that the Cuban quota should be reduced and more go to Mexico and other sugar producing countries in Latin America. During these times it will probably be wise not to have "all of our eggs in one Cuban basket."

A new approach to the farm program has been provided recently by bills that have been introduced by Congressman Bob Poage, vice chairman of the Agriculture Committee from Waco and others. It would allow the producers of each of the basic commodities to tailor-make their own programs within the limits of supply and demand. The basic idea would be to stop storing surpluses at tax payers expense. This might come about basically through a two price system with parity assured only for the part of production which is actually needed for National consumption. A farmer would be free to grow as much of a basic commodity as he wishes, but for everything that he grew above domestic demand, he would be wholly on his own, and he could sell it for whatever price he could get for it. Hearings on this and other proposals will begin the 29th, and it is hoped that out of them will be developed a new and workable agricultural program.

Mr. Robert Wayne Anderson was a Washington visitor this week.

Trinity Lutheran Ladies Met March 3

The Trinity Lutheran Ladies Aid of Clara met at 2:00 p. m. Thursday, March 3rd in the Parish Hall with Mrs. Tom Goins as hostess. After the opening devotional, the meeting was presided over by the president, Mrs. Tom Goins. Mrs. Walter Siber volunteered to clean the church for one month.

The members decided to purchase 100 new hymnals for the church. Color of the hymnals will be red. A committee to raise funds for the hymnals was asked to volunteer. Those volunteering were Mesdames Tom Goins, Don Holtzen, L. H. Klinkerman and Raymond Schroeder.

Mrs. O. E. Klinkerman is a committee of one to encourage our members to attend the Ladies Aid as frequently as possible. The cottage group meetings were discussed by Mrs. George Alexander. The Christian Growth chairman, Mrs. George Alexander talked to members about prayer. Rev. Boriack led the members in a discussion of a film strip on prayer in general.

The meeting was adjourned with prayer. The hostess served cookies and coffee to Rev. and Mrs. L. Boriack and Mesdames Albert Brockreide, Geo. Alexander, Will Ramming, A. W. Brockreide, Walter Siber, O. E. Klinkerman, Edgar Siber, Emil Schroeder, John Muller, Raymond Schroeder, Edd Heiserman, L. H. Klinkerman, Don Holtzen and Miss Fredi Goetze.

Thirteen Members Attended Hardin HD Club Meeting

Members of the Hardin HD club met in the home of Mrs. John Cools, 305 S. Holly. Thirteen members were pre-

sent and four guests attending were Mesdames Jim Kincaid, Doyle W. Scarlett, Neal Howell, Jennie Bowles.

Mrs. Roderick opened the meeting and Mrs. B. F. Hewell gave the devotional.

Mrs. E. J. Simons gave a most interesting demonstration on poultry in a family meal. Arrangements were made for a

family night town hall...

Archery Club

We are truly sorry that the Archery match had to be postponed. But we just didn't have the nerve to brave the Alaskan weather that has invaded our fair state. We have set the new date for Sunday, March 13th at 1:00 p. m. at the City Park, across from United Super Mkt. Come on down. You will see us there and you are welcome to stop and set a spell with us.

Y'all missed two real fine movies last week. One was Arrow for a Grizzly, and the other was, A Hunt to the North. But don't be discouraged, we will be having some more in the near future. So just keep watching this article for the time and the place to be shown.

Anyone interested in joining our club, you may come to our meeting in the town hall on the second and fourth Thursdays of each month at 7:30 p. m. Dues are \$4.00 per year for single person, \$5.00 for family. May be paid quarterly. So come on and join us. We have a lot of fun and meet new people.

Spring is coming and activities will increase as the weather warms. We will be having more and more matches. Also this spring and summer, we will be bow fishing for gar, carp and all kinds of rough fish in the various lakes and also the river. So come on and get in on the fun.

L. Caffee and S. M. Butts.

Mary Martha Class
Held Luncheon In
Brookman Home

The Mary Martha Class of the

First Baptist Church met in the
home of Mrs. John Brookman
March 10th at 7:30 p. m. for a
covered dish luncheon.

After lunch, the group as-
sembled in the living room for
a business meeting. President,
Bertha Scott, called the house
to order. The secretary and
treasurer, Mrs. Askins, gave the
class monthly report.

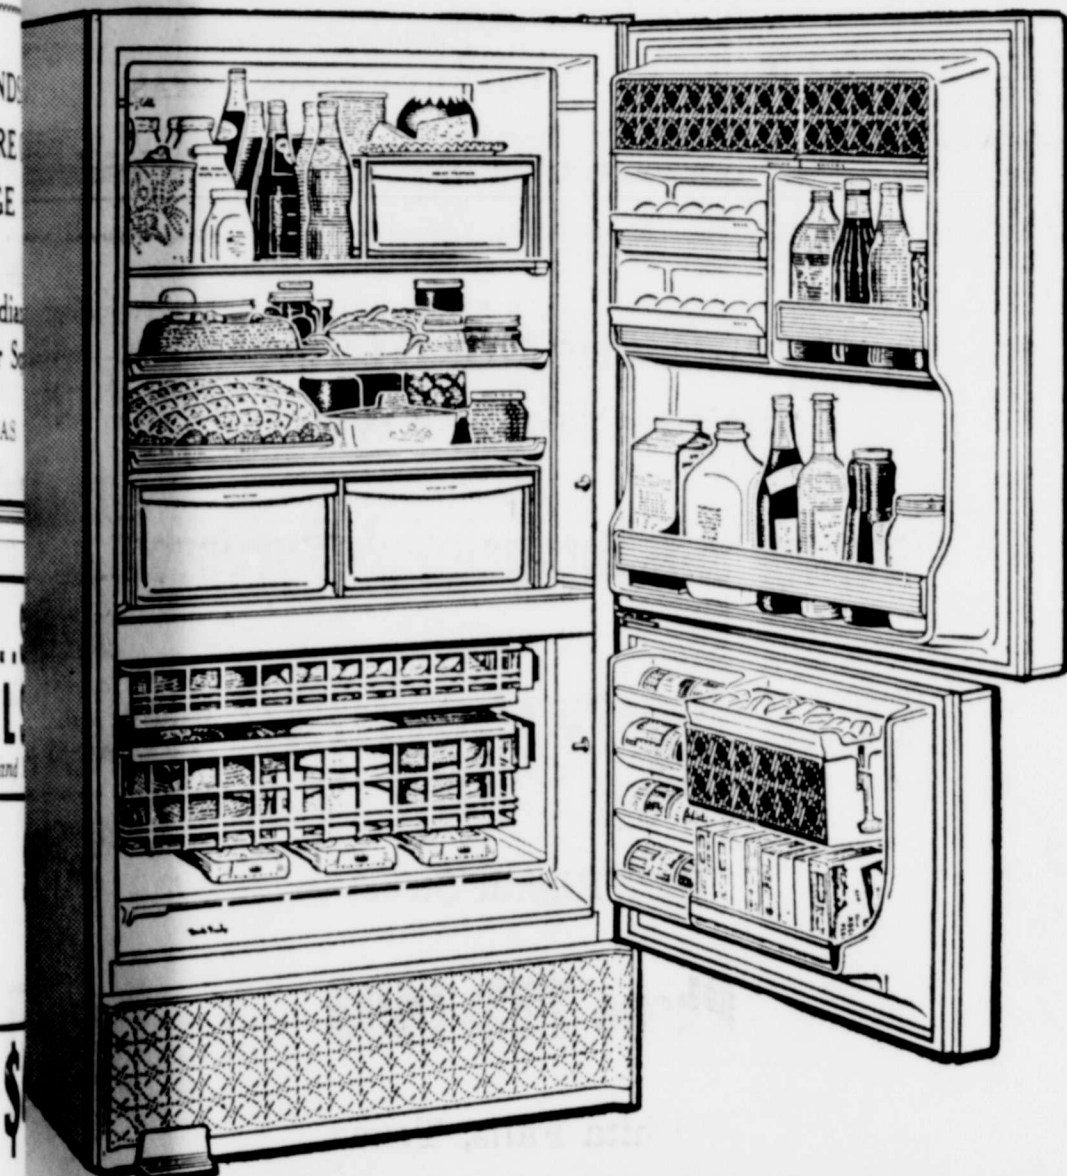

Those attending revealed the
names of their secret pals.

Miss Hazel Waggoner had
charge of he devotional. Her
subject was on Faith.

Mrs. Gay dismissed the meet-
ing with prayer.

OLD TWO STORY BANK BUILDING REMODELED —One of the biggest down town face-lifting projects last year was the conversion of the first national bank building from a two story structure to a modern one story affair. The outside of the building was finished in Roman brick and pressed concrete and granite. The inside of the building was completely refinished, including a new vault and increased safety deposit facilities and directors room.

just wear
a smile
and a Jantzen

Impulsive, feminine and a little mad—
After Dive suits unquestionably
intended for after the sun goes down
and the party begins!
A suit as glamorous as a cocktail dress,
as feminine as lipstick and
as flirtatious as the gals who . . .
just wear a smile and a Jantzen.

"Late Late Show" sheath of faille (acetate,
cotton and rubber) with sheer nylon panels
merging into a single strap sheath.
Elasticized inner bra, free action

Glowing Dreams

Spinning out daydreams of a glowing future is a pleasant pastime and a national American hobby. Daydreaming alone though, won't make this world a better place in which to live, won't bring peace among the nations, law and order to the community or harmony to the family. It takes personal decision and personal commitment resulting in real work before any of these dreams can be brought closer to reality. Only cooperative organized forces can change society. The Church is one of the greatest forces for an orderly, peaceful world. Your active participation is wanted and needed—Go to Church Sunday and put your shoulder to the wheel with a half-million others who serve one another in love.

Is something wrong with your life—
an inner restless dissatisfaction? The
answer to every human problem comes
only from God our Maker. He alone
can forgive and reassure.
Through the church God has com-
mitted the provision and proclama-
tion of His forgiveness and redeem-
ing love. Without a church relation
no one is securely related to God.
Everyone should be in the Church and
the Church in everyone!

Burk Primary PTA

The Burk Primary PTA met Thursday, March 10th in the grade school auditorium. R. W. Morine, vice president, presided. Mrs. Pershing gave the announced motions from the committee. Rev. Morough the devotional. A. M. Burnett, secretary, minutes of the last meeting. Mrs. B. H. Preston, Jr. treasurer report. The new officers were the Mrs. W. man acted as election Mrs. George Smith presided; Mrs. McBride, treasurer; Tom Burnett was secretary.

Wayne Landrum presented safety program. Members out the safety skit with irons, pins, and other danger spots. Mrs. W. room. Mrs. Harvey presided at the table. The club's room won the several dads pre-holiday meeting. We wish the dads and would have more at the next

Mrs. W. B. Short Hostess March 9th Unity Garden Club

The Unity Garden club met Thursday, March 9th in the home of Mrs. W. B. Short with Mrs. C. A. Morgan as co-hostess. Several members of the club plan to go to the district garden club meeting in Sherman March 31st.

Mrs. A. L. Gilbow reported meeting with the Junior Unity Garden club March 8th and directing them in making miniature arrangements in shells.

Mrs. Joe Frazier was leader for the program. Roll call was answered by my favorite arrangement design. The preference was any design that was pleasing.

Mrs. A. L. Gilbow presented a discussion on point scoring arrangements. She used arrangements brought by the members telling the importance of balance, dominance, harmony and originality.

Mrs. Bruce K. Davidson of Wichita Falls will be guest speaker at the next meeting, April 13th in Town Hall. The public is invited.

Delicious refreshments were served to the members and one guest, Mrs. B. T. Maben.

Bluebonnet Club Met Tues. Morning With Lena Warren

The Bluebonnet Garden club met Tuesday morning, March 8th at the home of Mrs. Lena Warren with Mrs. Grace Markum as co-hostess.

On arrival, guests were served refreshments of delicious sweet rolls and coffee after which the business meeting opened with Mrs. Lou Ethel Boyd presiding.

After reports of various committees were given, it was voted to pay \$1.00 toward decorations for the tables at the national convention in Houston where Mrs. Grace Markum will be the club delegate.

A note of congratulations on winning an award in the year-book division was read from the Awards chairman. The club voted to send our president, Mrs. Charles Boyd, as a delegate to the district meeting in Sherman March 31st. Several members planned to go.

The program for the morning with Mrs. Maude Bohner as leader, was given by Miss Thelma Wirges, HD agent, on planning a landscape.

In her talk she stressed simplicity as the keynote in landscaping and gave five reasons for beauty, shade, windbreak, screen and to tie the house to surroundings. These tend to make for comfort, convenience and improvement on appearance of home.

For flower arrangements for the occasion, Mrs. Maude Mathis won first, Mrs. Brewer McClendon 2nd, Mrs. Lillie Neal 3rd.

Members present were Mesdames Bertha Johnson, Lou Ethel Boyd, Jessie Preston, Oma Banning, Maude Mathis, Hettie Gilbert, Grace Markum, Icie Howard, Elizabeth Brady, Zella Mills, Brewer McClendon, Lillie Neal, Elizabeth Gragg, Mary Cecil, Maude Teal, Gail Butts, Maude Bohner, Thelma Wither- spoon, Velma Bohner, Lena Warren and guests, Mesdames A. H. Lohofener, Jess Hageman and Miss Thelma Wirges.

Kathy Reasoner Placed Second In Twirling at Byers

Kathy Reasoner, 11 year old daughter of Mr. and Mrs. J. T. Reasoner of Burk Burnett, won second place honors for baton twirling in an open talent contest at Byers High School, Byers, Tex., Friday night, March 4th. The contest was sponsored by the Senior class of Byers, proceeds to be used for class activities.

Kathy has been a twirling student of Bonnie Baxter, Wichita Falls for the past six months and has twirled in one NBTA contest here in Burk where she won 5th place in her solo division. Miss Reasoner will travel to Quanah next Saturday to twirl in an NBTA contest there.

The Tax Assessor and Collector and publicly opened and read aloud in the Burk Burnett High School Auditorium in Burk Burnett, Texas until 2:00 p. m., March 24, 1960. Any bid received after closing time will be returned unopened.

A cashier's check, certified check, or acceptable bidder's bond payable to the Owner in an amount not less than 5% of the largest possible total for the bid submitted including the consideration of additive alternates must accompany each bid as a guarantee that, if awarded the contract, the bidder will promptly enter into a contract and execute such bonds as may be required.

Attention is called to the fact that the rates of pay for labor and mechanics engaged in the construction of the project will be not less than the prevailing local wage rates for similar work as determined in accordance with the 74th Congress, approved August 30, 1935, as amended, and further in full compliance with any state wage law that may be applicable.

The owner reserves the right to reject any or all bids and to waive any or all formalities. Plans and specifications may be examined without charge in the office of James R. Killebrew, Architects and Engineers, and may be procured from James R. Killebrew, Architects and Engineers, located at 1710 Dayton Street, Wichita Falls, Texas, upon a deposit of \$25.00 as a guarantee as to the safe return of the plans and specifications, the full amount of which will be repaid upon the return of plans and specifications within five (5) days after receipt of bids.

All bids may be held thirty (30) days unless sooner returned by the Owner. Arnold Muller, President, Board of Education. 25-3tc.

No more hanging clothes outside to dry when you have an **Electric Clothes Dryer**

You can throw away your clothespins—say goodbye to clothesline work and worry—when you dry your clothes electrically. Instead of carrying heavy wash out to the line, you just take clothes from your washer, pop them into your Electric Dryer and set the controls. Gentle, sunshine-clean electric heat dries everything safely, automatically—without a moment's attention from you. And your clothes come out cleaner, fluffier and sweeter-smelling than when dried outdoors on the finest day.

Chiropractor's Prayer
Lord, Who on earth didst minister To those who helpless lay In pain and weakness, hear me now, As unto Thee I pray.
Give to mine eyes the power to see The hidden source of ill, Give to my hand the healing touch The throb of pain to still.
Grant that mine ears be swift to hear The cry of those in pain; Give to my tongue the words that bring Comfort and strength again.
Fill Thou my heart with tenderness, My brain with wisdom true, And when in weariness I sink, Strengthen Thou me anew.
So in Thy footsteps may I tread, Strong in Thy strength always, Lo may I do Thy blessed work, And praise Thee day by day.
