## North Texas and Southern Okla. Area Development Association Annual Banquet Set for Feb. 2

R. K. Lane, Chairman of the board, Public Service Company of Oklahoma, will address the annual banquet of the North Texas and Southern Oklahoma Area Development Association, Thursday, Feb. 2, in Wichita Falls. Association President, J. Landers of Duncan, Okla., announced that Lane's talk is titled "Development of Industry and Commerce."

The banquet and talk by Lane will climax a complete afternoon devoted to giving Wichita Falls leaders from communities in this area information which will assist them in expanding and bringing more industries into their individual cities, pointed out Landers.

The Industrial Development Clinic is scheduled for the afternoon of Feb. 2, with registration beginning at 1:15 p. m. Following the clinic at 6:30 p. m. will be the annual banquet of the assn. Place of both of the events will be the Wichita Falls Woman's Forum. Banquet tickets are to go on sale today at C. of C. offices of the 25 area surrounding Wichita Falls.

According to Landers, R. K. Lane is well known in the field of industrial development. The board chairman has served as president of Greater Tulsa, Inc., an industrial development corporation created by the Tulsa Chamber of Commerce, Industries for Tulsa, Inc., Oklahoma Development Council, and as a member, Governor's Economic Development Commission. Lane who resides in Tulsa, has been chairman, Public Service Company of Oklahoma board since 1956.

## Lions to Hold Pancake Sale at., Feb. 18th

The Burk Burnett Lions Club will hold its annual pancake and sausage event Saturday, February 18th.

Each year the club observes a pancake and sausage day. Last year Lions served more than 800 hungry guests during the fifteen hour day. Money from this sale will go into a special projects fund.

## Announcement

All musicians interested in joining the Municipal Band now being organized are requested to bring their instruments to the Town Hall next Monday evening, Feb. 6th at 8:00.

## Celebration Was Held Sunday, Jan. 29 For Pioneer Couples Who Observed Their Fiftieth Wedding Anniversaries

Two prominent Wichita County couples who married in a public ceremony Jan. 25, 1911, observed their Golden Wedding anniversary in Iowa Park Sunday, Jan. 29.

The open house celebration for Mr. and Mrs. W. F. George and Mr. and Mrs. Edd Hieseran, was held from 2 to 4 p. m. in the parish hall of the First Methodist Church. Hosting the affair were the children of both couples.

Children of Mr. and Mrs. George included Dr. and Mrs. Roland Knox, Wichita Falls; Dr. and Mrs. Craig Larimer, Colorado Springs; Dr. and Mrs. J. J. Goodwin Jr., Longview; Mr. and Mrs. Pat Hardage, Wichita Falls; Mr. and Mrs. W. A. (Dutch) George, Iowa Park; and Mr. and Mrs. Einer W. Johnson Jr., Rochester, Minn.

Children of Mr. and Mrs. Hieseran include Mr. and Mrs. John L. Primm, Dallas; Mr. and Mrs. C. E. Hieserman, Decatur, Ia.; Dr. and Mrs. J. H. Fish, Big Spring; and Mr. and Mrs. Neal Hall, Dallas.

Mrs. George and Mrs. Hieseran were the former Nellie and Emma Weeth, daughters of the late Andrew Weeth in

## Miss Pat Clack Will Take European Trip

Miss Pat Clack of Burk Burnett, sophomore at the University of Arizona at Tucson and featured twirler with the University band, will leave by plane Sunday for New York, where she will sail for Europe in February.

Miss Clack, daughter of Mr. and Mrs. E. E. Clack of Burk Burnett and a 1959 graduate of Burk Burnett High School is one of four undergraduate students at the University of Arizona accepted for spring semester study at the University of Vienna.

Under the sponsorship of the Institute of European Studies, the group of about 100 students from American colleges will enroll for regular academic courses in Vienna. The program of study is designed with a view of promotion of better international understanding.

In addition the group will take three supervised field trips throughout Western Europe, touring England, France, Holland, Belgium, Spain, Germany, Italy and Switzerland as part of the foreign students program.

Miss Clack will return to Burk Burnett in early August.

## Legion Notice

There will be a regular meeting Thursday, Feb. 2nd at 8:00 p. m. Members are requested to be present to help work out all the details for a feed.

Friday night, Jan. 27th was our regular game night. Everyone had a swell time. Mr. Floyd Fleming has been doing a good job as first vice commander working the game night every Friday. Mr. Shorty Snyder started the game night recently and it has been going fine. No one blocked out last Friday night but a nice consolation prize was given to Mr. Gann.

## Newcomers Welcomed to Burk Burnett

The Burk Burnett Chamber of Commerce and the Greeters Service wish to welcome the following newcomers to our city:

## CITY HALL

News and Notes

By Clovis D. Mann  
City Manager

I attended a meeting of the Swim Pool, Bath House and Park Beautification Committee at the home of Mrs. Hugh Preston, Jr., the other evening. It is heartwarming to see the cooperative spirit that prevails among the various clubs, business people and other individuals, when working on a worthwhile project in which the whole city benefits.

A lot of hard work on the part of many individuals has brought the swimming pool into reality. Plans are well underway for the bathhouse. It is interesting to see the amount of study given to various plans to hold the expense down to a minimum, and yet provide an adequate, but attractive Bath House. This will soon be another reality, and something with which Burk Burnett may be very proud.

The plans for park beautification and more park facilities are very practical, and will improve our parks immediately. After seeing this committee work and listening to the discussions, I'm confident that the end result will be parks and recreation programs that no other city this size will equal—all as a result of much hard work on the part of many individuals.

Another effort which is about to bring results is the organizing of a City Band, under the supervision of Dr. Bob Sims. Dr. Sims has requested that all musicians interested in playing in this band bring their instruments to the Town Hall next Monday evening, Feb. 6th at 8. This is a very worthwhile project which fits in perfectly with our Parks and Recreation program. We hope that all organizations will get behind this endeavor.

The City Planning Board's scheduled meeting for Thursday afternoon has been postponed to Thursday afternoon, of next week, Feb. 9th. This postponement was made in order to permit members to attend an area development meeting in Wichita Falls.

## New City Band Being Organized

Let's go to the Park this evening and listen to a good concert band. This remark will be very appropriate this summer if present plans materialize. And the band will be our own musical band.

Dr. Bob Sims, under whose supervision the band is being organized, says that he believes there will be no difficulty in securing a sufficient number of musicians. In fact, due to the great number of musicians in Burk Burnett, and the amount of interest being shown, the difficulty may be in holding the number down to constitute a good municipal band. Every effort will be made, however, to use every good musician that is interested. Dr. Sims continued. He has requested that all musicians interested in being in the band to meet at the Town Hall next Monday evening, Feb. 6th at 8:00, with their instruments.

The City Commission at its last meeting stamped its approval and gave its enthusiastic encouragement to the organizing of such a band. Dr. Bob Sims was designated as the Band's immediate supervisor. Rules and policies governing the band were to be prepared by a committee consisting of Dr. Sims, City Manager Clovis Mann, and City Attorney Joe Jancke. The committee hoped to have the rules ready for the next Council meeting.

## SWEET BLUEBIRDS

The Sweet bluebird group enjoyed a marshmallow roast at the park Monday, Jan. 23rd.

The group sang songs and played games. A good time was had by Roberta Pollard, Pattie Kormas, Cynthia Sands, Lynn White, Pamela Williams, Debbie Taylor and Lois Hatcher. Mrs. Pollard, Mrs. Kormas and Mrs. Taylor.

Reporter, Lois Hatcher.

## Mrs. Hugh Cole (Beverly) Preston, Jr. Named Outstanding Woman of the Year Annual Chamber Commerce Banquet

Mrs. Hugh Cole (Beverly) Preston, Jr. was named outstanding woman of the year, of Burk Burnett, at the annual Chamber of Commerce banquet Jan. 31st.

Mrs. Preston is one of Burk Burnett's busiest and most civic minded young women. She is also an active member of the Forum Study Club and also holds an office as secretary in the Council of Federated Study Clubs. She is a mother, home maker, church member, and a member of the P.T.A.

She has served on the Civic Beautification Committee and the Rodeo Parade Committee. She has been chairman, the past two years, of the concession stands at the rodeo. All profits from this going to her "pet project," the community swimming pool.

She has had a leading part in all moneyraising projects for the swimming pool, which included the membership drives, a game night, a style show, serving at the open house of the Southwestern Bell Telephone's new building in Wichita Falls.

She served as chairman of the committee which compiled the Community Achievement Project entry. This contest, sponsored by the Sears Foundation and the General Federation of Women's Clubs, was a joint entry by all the federated study clubs in Burk Burnett and won second

place in the state with a two hundred dollar cash prize which was donated to the swimming pool fund.

She was co-chairman to organize the Women's Division of the Chamber of Commerce Survey work shop. She is also a director of the Burk Swim Club and is the chairman of the swimming pool bath house planning committee.

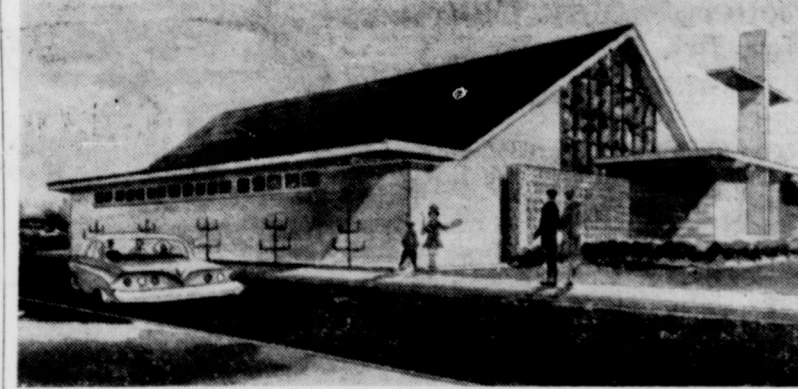

Burkburnett is proud and appreciative of Mrs. Beverly Preston, outstanding woman of the year.

## New Auditorium To Be Constructed By Memorial Thrift Baptist Church

This beautiful new auditorium will soon be under construction as a part of the expansion program of Thrift Memorial Baptist church. The building will be 54' by 77' with a seating capacity of approximately 375. It is to be of brick and block construction with laminated arches and roof decking. It will be completely air conditioned and provide the latest in design and comfort.

A parking area will be provided at the rear of the auditorium for those who have small children in the nursery.

With this addition there will be sufficient off street parking for all who attend the church.

The building and finance committees have worked faithfully and this building is a testimony of the faith of the members of this Southern Baptist church in the growth of the city of Burk Burnett and their desire to help meet the spiritual needs of its people.

During the time of construction the old auditorium has been relocated on the west side of the property and will continue to serve as the place of worship.

## Chamber of Commerce Membership Drive Got Off to Good Start With Kick-off Coffee Friday., Jan. 27th

## March of Dimes Drive Feb. 2nd

Jerry McClure, chairman and Buddy Byars, co-chairman, announce the march of dimes campaign in Burk Burnett will be held Thursday night, February 2nd.

This will be a porch light drive, from 7 to 8 P. M.

Contributors are asked to have their porch lights on and their donations ready for the worker who will call between 7 and 8.

George Byerly was admitted to a Wichita Falls hospital Tuesday for treatment and rest.

## U. S. Chamber District Manager Here January 31

Arnold Mathias, District Manager of the Chamber of Commerce of the United States, was in Burk Burnett Tuesday, January 31 to meet with the Governmental Division of the Burk Burnett Chamber of Commerce.

Claude Meadows, Jr., Division Chairman reported that Mathias brought a very comprehensive program to be used by our local committees to do a more efficient job of influencing legislation for or against the best interests of Burk Burnett.

Mathias also urged businessmen to engage in the political life of their community and the Nation. He brought up several factors influencing the business climate of our community.

Meadows reported the following men were assigned to National affairs sub-committees:

Inflation and Spending Control: Alvir Hill, George McClarty, and Harold Van Loh.

Tax Reform: Howard Clement, Glen Bear, James Brady, Bill Vincent and Bill Donnell.

Labor Legislation: Harlin Mills, C. A. Morgan and Joe Wolfe.

Federal control of Business and Agriculture: George McClarty, Jack Mathis, C. A. Morgan, Bill Browning, Rudolph Robinson, Bill Vincent, Jerry Thomas, Cliff Wampler.

Federal Intervention in State and Local Affairs: Clark Gresham, Clovis Mann, Joe Jancke, Jerry Thomas.

Social Security Expansion: Winston Freeman, P. A. Carpenter.

Know how the word "News" originated? Popular etymology derives news from the initial letters of the names of the four cardinal points of the compass: North, East, West and South. But the theory lacks foundation. News is merely the plural of new.

## AN EDITORIAL

## Senate Bill S-1 to Penalize Burk

The so-called "Aid to Depressed Areas" may sound like a fine program, a neighborly thing to do, but let's stop and take a look at what it will do to us.

Under this bill the Federal Government proposes to buy land and build plants and purchase equipment for any industry which will put its plant in an area which the government designates as a depressed area (one with over a certain percentage of unemployment). Under the present law and under past laws which were attempted, Burk Burnett would not be qualified. In fact, at the present time, there are only two areas in the State of Texas which might be eligible.

The past year the citizens of Burk Burnett undertook on their own to voluntarily raise funds to promote more job opportunities in our community. There are now 35 State Governments in the field of Industrial Location, and 3500 communities, such as ours, which have raised their own finances in this effort. The competition is already staggering, as there are only a few over 300 industries which move locations each year.

Senate Bill S-1 will now add the Federal Government to our list of competition, and that's the straw to break the camel's back. Our tax money will soon be used to compete with our volunteer money.

The bill hasn't passed yet, and you could help: Write Frank Ikard, Congressman, 13th District, Washington, D. C., or William Blakely or Ralph Yarborough, U. S. Senate, Washington, D. C.

The Burk Burnett Chamber of Commerce 1961 Drive got under way Friday, Jan. 27, with twenty-three officers and directors attending the Kick-off Coffee. The meeting was conducted by Jack Mathis, membership Chairman.

The Chamber Budget was increased by \$4,000 over the 1960 budget. Newly elected president Bill Browning stated, "we raised enough money last year to take care of the administrative costs of running our chamber and had a little left over for program." "However, this year we will need the extra money to take care of the increased program adopted by the board to take care of the needs that were brought up at the Community Clinic."

We are facing a most promising future, Browning stated, with the almost certain approval of this year of the Oklahoma Toll Road Bonds, and the taking bids on the New Hospital at Sheppard Base, we should see at least \$10,000,000 worth of new construction taking place in our immediate area in the next three years.

According to a recent survey conducted by the Burk Burnett Chamber of Commerce, over 8 million dollars in construction has taken place in Burk Burnett in the past five years, and the future looks even brighter.

## Robt. Brumbalow Services Monday In Wichita Falls

Robert L. (Bob) Brumbalow, of Wichita Falls, former Childress County Attorney and the first city manager of Burk Burnett, died early Saturday in the Veteran's Hospital at McKinney. He was 72.

Brumbalow, a resident of Wichita Falls for 35 years was a member of the First Baptist church and was active in work with the Men's Bible Class of the church. He was also a member of the Faith Lodge 1158, AF&AM, Maskat Temple Shrine and was an agent for The Southwestern Life Insurance Co. in Wichita Falls for 35 years.

Funeral services were held at 10 a. m. Monday from Hampton-Vaupah Funeral Home chapel with Rev. S. F. Martin, district Baptist missionary, officiating. Burial was in Riverside Cemetery.

Survivors include his wife, Mrs. Kathleen Brumbalow a nephew, Charles Engleman whom he reared, five brothers, Will and Ted of Gatesville, John of Port Arthur, Emmet of Moody and Leonard of Irving.

Brumbalow was born March 4, 1888 in Coryell County, Tex.

### COUPLED!

### As Simple As A-B-C

There's something drastically lacking in the current battle over the Federal aid to education issue. The spendthrifts who want the government to subsidize our schools don't explain how the schools would operate. Shucks. That's easy. By 1968, the school superintendent would do it this way:  
Parent: My child says the cafeteria food is bad.  
Superintendent: Why tell me? Write the Secretary of Agriculture.  
Parent: How come my boy was kept after school for throwing spitballs?  
Superintendent: Detention for spitballing was upheld by United States Supreme Court versus Joyner, May, 1967.  
Janitor: I want a raise.  
Superintendent: No problem. Call your Congressman.  
Teacher: Can I order some new history books?  
Superintendent: Not this election year.  
Parent: How long is Christmas vacation this year?  
Superintendent: Did you vote in the last election?  
Principal: Where are the erasers, chalk and pencils we ordered?  
Superintendent: You'll have to wait. Military appropriations were increased last month.  
Proud Father: Look. My boy Scott is awfully smart. Could he skip the first grade?  
Superintendent: Is he a Republican or Democrat?

RICH SQUARE, N. C., TIMES-NEWS: "The latest time table, measuring United States' chances for survival in the race with the communist world, have been quietly outlined in a joint Army-civilian study. In brief, the estimate is grim. It is that unless the United States changes it ways, recognizes the force which is confronting and challenging it today, it has only approximately seven years of grace left. The latest estimate means that the United States is at the crossroads—either we make some sacrifices today, tighten our belts and do the job, or risk losing the precious freedom and democracy which we enjoy, and have enjoyed, for almost two hundred years."

### THE PUMP

### Making Money

If the U. S. Government suddenly started printing twice as many new one-dollar bills as it took out of circulation each year, everyone knows what would happen. We would have inflation of the worst kind.  
Without realizing it, Americans are asking the government to do what amounts to much the same thing. They are demanding that Congress spend more and more money on more and more services and social welfare programs. If the government took in enough taxes to pay for the extra expenses, that would be one thing—but over the years the government has spent \$290 billion more than it has taken in.  
When the government needs money it doesn't have, it can deposit a promissory note in a commercial bank; then it writes checks against the deposit. People who receive the checks cash them, and the government has "created" money where none existed before. The effect is the same as if the government had printed that amount of new money without withholding any old money from circulation.  
Of course, expansion of the money supply by the banking system is not in itself something to be condemned. In fact, as the country grows, we are sure to need more money to keep the economy operating. What is dangerous is the abuse of the money creating facilities of the banks in order to expand government expenditures without collecting additional taxes. Such abuse is bound to lead to inflation and reduction in value of everybody's money.

### Amos 'N Andy Bookkeeping

Expansion of the social security system to include medical care for elderly persons, offers some tough nuts to crack. Experience shows that in politics things are advocated that are unworkable. Richard Starnes, columnist for the Washington Daily News, reveals some not very comforting statistics on the entire social security set up. "In its first quarter century," he says, "social security took in \$70 billion. It paid out \$50 billion of that, and has \$20 billion of government bonds in the kitty. Against that \$20 billion there are obligations, at the present rate of benefits, of \$360 billion."  
If you wonder how the social security system has reached such a pass the answer is simple. Mr. Starnes cites a not unusual case—a pensioner who paid for three years, starting in 1937. Then he retired. Since then he and his late wife together have drawn \$13,490 in benefits while their total contributions to the fund had been \$40. But in the case of young people starting to work circumstances are reversed. They can never hope to take out as much as they are forced to contribute.  
There is little justification for further taxing, in the name of social security, already overtaxed younger workers to provide medical care for millions of elderly persons who are both able and willing to care for themselves. Sen. Harry F. Byrd, a distinguished democrat who has as great an understanding of the fiscal problems of the federal government as any man, does not mince words, "I am opposed to compulsory medical service and hospitalization under the Social Security System. I am convinced this would lead to socialized medicine with the possibility that it would bankrupt the social security trust fund."

BEAVER FALLS, PA., NEWS-TRIBUNE: "German soldiers crossed the frontier of France as invited guests, for the first time in 90 years. Three times before, they came as invaders. This time, they were joining French soldiers in NATO maneuvers. Their crossing is one of the signs of the present solidarity of Western Europe against the Communist peril."

### Modern Study Club Met Jan. 30th In R. Hudson Home

The Modern Study Club held its regular meeting in the lovely new home of Mrs. Randall Hudson.  
Plans were made to have a style show for all the federated study clubs of Burkburnett entering the Vogue Sewing Contest including the high school girls. The style show is to be March 27th.  
The Modern Study Club will join with the other clubs of Burkburnett in the Community Achievement Contest.  
A parliamentary drill was given by Sydney Askins.  
The door prize was won by Patty Pearson.  
Delicious refreshments were served to Mesdames Hellen Reasoner, Tommie Bavousett, Frances Smith, Barbara Browning, Evelyn Nichols, Pat McClure, Sydney Askins, Sue Oliver, Betty Crane, Doris O'Brien, Selma Wright, Judy Pemberton, Joann Thomas, Lorraine Askins, Carroll Gilbow, and the hostess, Rita Hudson.

## State Capitol NEWS

When the Legislature faces a difficult problem on which there are sharp differences of opinion, the final legislation is usually a sort of Irish stew of compromises. Ingredients for this session's main dish, state financing, are fast pouring into the pot. Simultaneously, Gov. Price and the Legislative Budget Board presented plans for state spending in 1962-63.

Gov. Daniel recommended general revenue spending of \$479,964,734. Budget Board recommended \$356,183,172 — a difference of \$123,781,562.

New spending recommended by the governor would include medical care program for the aged, \$600 a year salary hike for public school teachers and other improvements in education. As a primary source of new money, the governor endorsed the payroll tax proposal recommended last fall by the State Finance Advisory Committee. He also approved raising state college tuition by \$50 semester.

Daniel urged lawmakers to handle separately the deficit that's expected to be about \$65,000,000 by the end of the fiscal year. For this he tabbed a temporary 3% natural gas tax, a franchise tax, escheat bill and transfer of the farm to market road program from the general revenue to the highway fund.

**Annexation Limit Proposed—**  
A brake on headlong expansion of city limits would be provided in a bill introduced by Rep. W. T. Oliver of Port Neches. Under the bill, cities could annex 10% of their surrounding territory each year. Meanwhile, each city would have a measure of control thru extraterritorial jurisdiction of a zone from 1/2 to 5 miles deep on its perimeter. This would give the city direction over construction and sanitation codes and enable it to prevent the development of outlying slums.

Many officials feel that some Texas cities have gone overboard in annexing more territory than they are able to digest.

**Auto Insurance Change—**  
Senator Grady Hazelwood of Amarillo, long time critic of present auto insurance regulations, has outlined a liberalized plan he will ask the Legislature to approve. Changes recommended by the senator:

1. Use of only that part of a driver's record which was made since Jan. 1960, date the new merit system went into effect. As set up, insurance rates are based on driver's record for the past three years.
2. Eliminate from the list of violations causing insurance rate penalties (a) speeding less than 15 miles per hour over the limit (b) stop light violations involving amber, rather than red lights and (c) creeping at stop signs.

3. Eliminate from accidents that result in a penalty those where less than \$100 damage is caused. Present limit is \$25.

**Schools' Portion Down—**  
Texas public schools' share of state spending has dropped from 35.5% in 1950 to 30.6% in 1960. In a report to Gov. Daniel, Texas Education noted that while state spending on public schools has doubled in the decade, other states have upped school financing even more.

In the 1950-60 period, the scholastic population increased 34%, enrollment 46% and average daily attendance 50%. State spending on schools rose from \$187,000,000 to \$356,000,000.

Texas State Board of Education, TEA's policy making body, has recommended a raise for teachers, but did not specify how much it felt the raise should be.

**Wealth From The Past—**  
There's money to be made in museums, mansions and missions, if they are kept up and made attractive to tourists.

An improved and increased array of historic spots could increase tourism 10% and thereby state tax revenue \$1,750,000 a year, the State Historical Survey Committee reported to the Legislature.

Committee did not ask for state funds to renovate historic buildings. Instead, it suggested an \$82,775 appropriation for leadership and guidance of local groups who want to preserve or improve something in their locale.

Also recommended was a \$50,000 a year appropriation for the Civil War Commission to be used in setting up Texas' part in the centennial observance. Other states in the South, many of whom already have combined scenery and Civil War mementoes to make big drawing cards for tourists, have the jump on centennial planning.

**Petticoat War—**  
Women's rights advocates have come to Austin every session, as far back as most legislative observers can remember, to try to get rid of one or more of the Texas laws that treat women differently from men. Every session, the women are treated with courtesy, viewed with amusement, and their bills are good naturedly buried.

This year the irked women, mostly members of the Federated Business and Professional Women's clubs, are going all out. Instead of trying to get one of two individual statutes repealed, they are trying for a constitutional amendment guaranteeing equal rights for women and abolishing, at a stroke, all laws to the contrary. Rep. Ben Atwell of Hutchins (Dallas County) will introduce the measure in the House.

**New GOP Chief—**  
Spokesman for the Texas Republican party's new generation of leadership is Tad Smith of El Paso. Smith, a 32 year old attorney, succeeds Thad Hutcheson of Houston who resigned. Republicans are setting their sights on: (1) Getting revisions in the election code which they blame for their loss of Texas in the general election (2) Running a strong race in the April 4 special election to name a new US Senator (3) Building up momentum for a serious effort to challenge U. S. Sen. Ralph Yarborough when he comes up for re-election in 1964.

Q Could you tell me what causes motor overload in a portable electric tool?

A. Usually inexperience or bad habits. These two factors more than any others rob motors of longevity or cause them to heat up. To avoid motor overload, heed the following don'ts:

- Don't stop or start a tool while it is in the work.
- Don't use dull or oversize bits or blades.
- Don't crowd or jam the tool by applying too much pressure.
- Don't use too much or too little voltage in operating the

tools. Power needed is specified on the tools.

Another factor which may shorten the life of a valuable tool is the failure of its owner to clean and lubricate the tool at intervals.

Here's a tip for the handyman who uses a nail set with any degree of frequency: Instead of groping among the other hardware you have in the shop apron in search of the set, drill a hole in a small rubber ball somewhat smaller than the square end of the nail set. Insert the device in this hole and, presto, the nail set not only will be easy to find, but it will have a built-in shock absorber as well.

A reader recommends: "Recently when laying an asphalt tile floor over concrete, I encountered some bumpy areas. I had no access to a blow torch, so my wife came up with a very adequate solution. She softened the tiles by literally ironing the backs of them with her flat iron, and we shaped them to fit the floor contours."

Send your do-it-yourself questions and workshop tips to the Thor Research Center at Marengo, Ill. If general in their appeal, they will be used in this column.

## Wacker's 5¢ to \$5 Formal Opening Friday, 3<sup>rd</sup>

### Legion Notes

Wilbur Snyder, Commander  
Leon J. Dasher, Public Relations Officer

Face the Facts, "boys", we need every members dues paid in 1961. Our membership is low, so don't think that it does not matter about your dues being paid. We have had set backs before and came up to meet those setbacks with go ahead do's.

Our game night is now every Friday night starting at 8:00 p. m. We have had our ups and downs with our game nights mainly due to inexperience but we are improving the game every Friday.

We are planning to have a post anniversary soon. 1961 will mark 35 years for the American Legion post. We would like to find out who are the oldest living members. Also we intend to have a feed for the occasion.

The first and third Thursday in each month is our meeting night. So everyone be at the legion hall about 8:00 p. m. Feb 2nd and help plan the feed and anniversary blow-out.

You guys want to be careful what you say because it may be printed. For instance Joe Logan said all he had to say was get your sewers hooked up and Merry Christmas.

We regret to announce our buddy, Morris Bookbinder, is hospitalized. We hope he will be back on his feet soon.

Sgt. Dasher, who has served as public relations officer, has been transferred, so your truly, F. K. Reynolds, will do the relating.

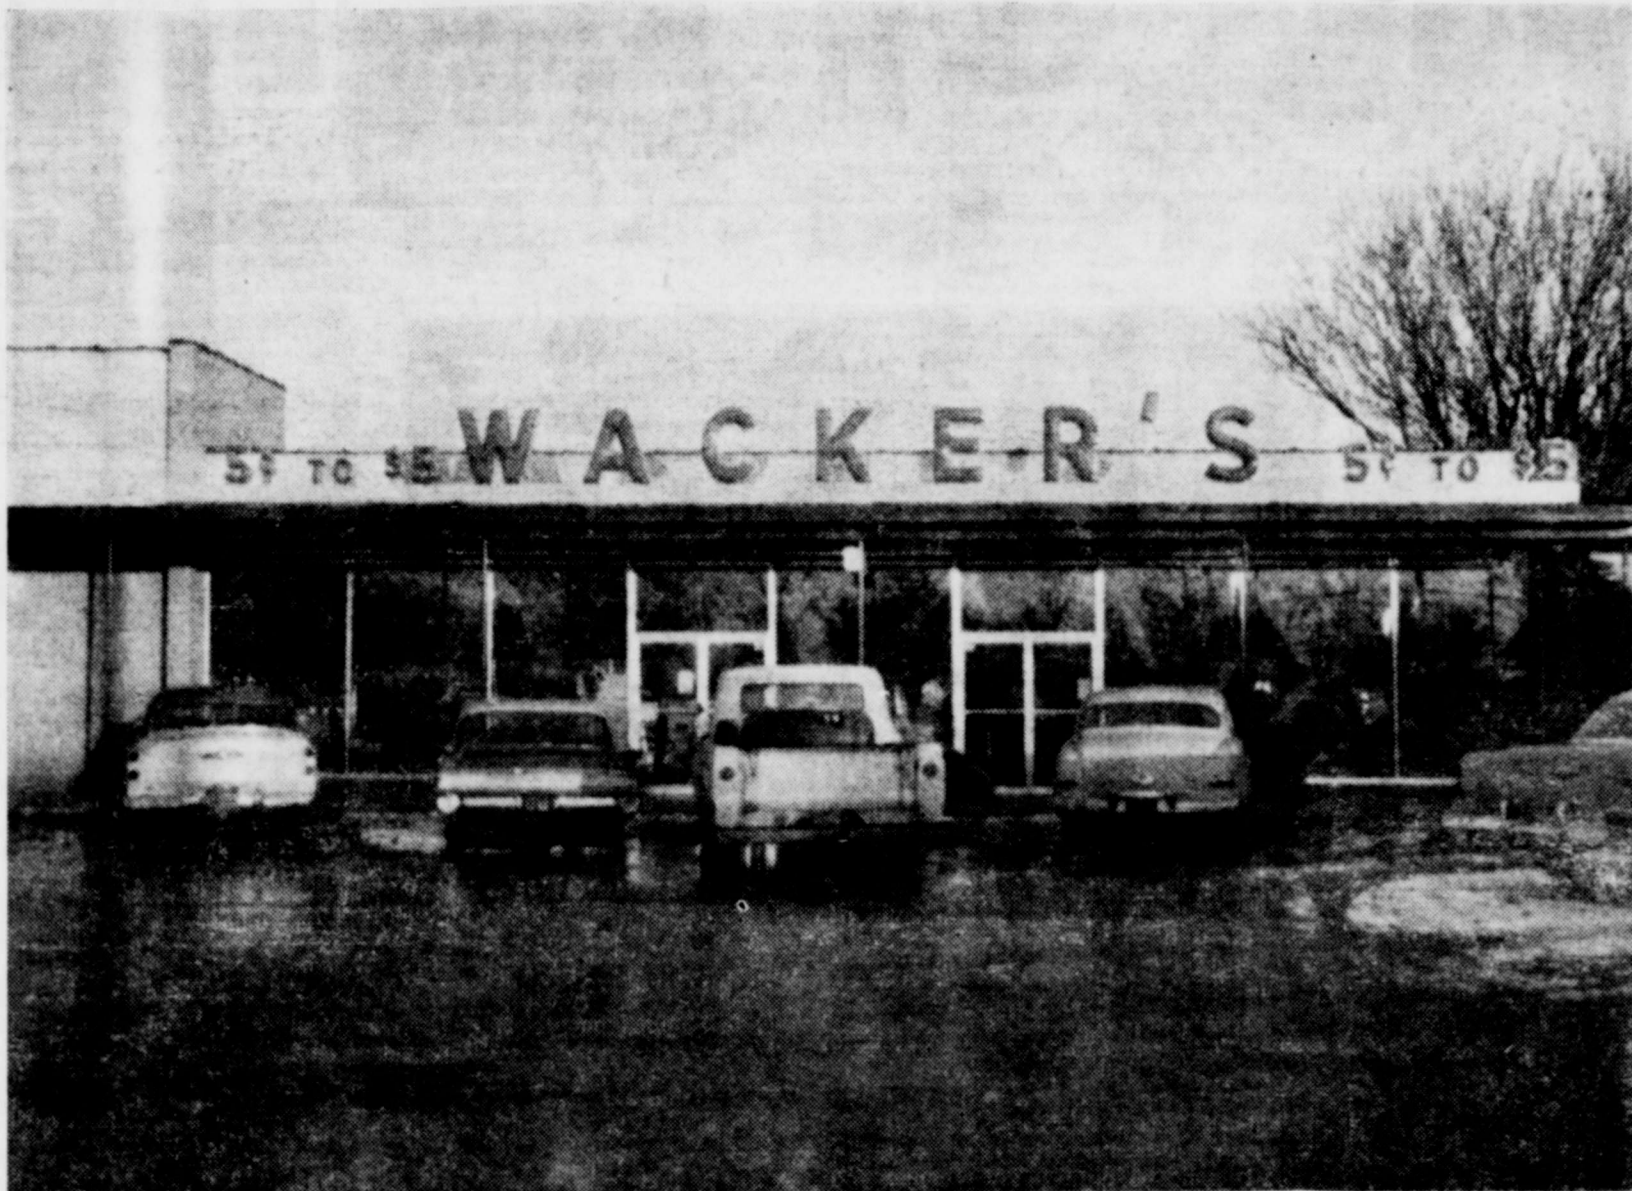

Remember, the American Legion is a non-profit charitable organization. Our child welfare and neediness program in this community cannot be matched and this is a record we can be proud of. Let it never be said that needy ones have called on us and it went unheeded. All the legionnaires are working the game night to raise badly needed funds for the building fund and child welfare fund & the everyday overhead. Each member donates his or her time. Many of the auxiliary women have been active lately on game night. We hope to see more and more of the Legionnaires and their families out. It's your legion post, so enjoy it. Every member is equally important, none more or less.

Game night is also open house to the public. So feel free to attend as an honored guest of the legionnaires.

### Car Tag Plates Are On Sale Now

Car tags for 1961 may be purchased at the Chamber of Commerce office now.

The 1961 tags may be put on vehicles at any time, but vehicles are not required to have the 1961 tags until April 1st.

### Free Goldfish for the Children Free Souvenirs for Everyone

MARVIN TALIAFERRO  
Manager

Marvin is single and has established residence at 610 1/2 Avenue F. He has been employed by Wacker's since 1943, while he was in high school. He has managed stores for Wacker's in Gladewater and Seminole, Texas, and moved here from Seminole. He is a member of the Baptist church.

G. F. Wacker Stores were founded by the late Mr. G. F. Wacker in Hugo, Okla., with the first store, which was opened in 1917. The chain has grown from that one store to 65 stores located in Texas, Oklahoma, N. Mexico and Louisiana. The general office is located in Pauls Valley, Okla., with the General Distribution warehouse located in Dallas, Texas. This general warehouse has 44,000 square ft. and serves all the stores on over 50% of the merchandise sold in all the stores. The G. F. Wacker Stores, Inc., is one of the larger regional variety stores featuring 5¢ to \$5.00 merchandise in over 20 departments, which includes sewing notions, piece goods, ready-to-wear, housewares, draperies, drapery hardware, pet supplies, toys, books, greeting cards and many others. There is over 12,000 items in your new Wacker Store, for your shopping convenience.

The new Wacker Store is featuring the new Self Selection type fixtures, for easy shopping for all the customers. The customers may shop as they please and pay as they leave the new Wacker's. The store features all new fixtures, new fluorescent lighting, new merchandise and plenty of free parking space, located in the new Parker Plaza shopping center in Burkburnett.

The store also has year-round air conditioning, refrigerated air in the summer and circulated heat in the winter.

The new Wacker's 5 and 10 will be open week days for your convenience from 8 A. M. to 8 P. M. and on Sundays from 9 A. M. to 6 P. M.

Courteous local personnel will be employed in the new Wacker's and will always be ready to serve the people of Burkburnett and surrounding trade territory with all their variety store needs.

Mr. Earl Foster of Leveland, Texas, is the store supervisor for this division of Wacker Stores, and was assisted in the store preparation by the Wacker Store managers, and assistant managers from Durant, A-toka, Lawton, Altus and Seminole, Okla., also from Post, Levelland, Henrietta, Electra and Wichita Falls, Texas.

The New Wacker's Store in Burk contains 7,000 sq. ft. of selling space.

### City-wide Scout Eagle Court of Honor Fri., Feb. 3rd

On Friday evening, February 3rd, at seven thirty o'clock, a City-Wide Eagle Court of Honor will be held in the Fellowship Hall at the Methodist Church in Burkburnett. Presentation of the top Scouting award will be made to two Burkburnett youths, Rickey Landrum, son of Mr. and Mrs. Wallace Landrum and Mike Matherly, son of Mr. and Mrs. Ray Matherly will be the recipients of the Eagle Award.

All troops and packs with awards to present will have the opportunity to make the presentations at this Court of Honor. Mr. Bill McElroy, District Executive, and Mr. Herb Salisbury, District Chairman, will be present for the ceremonies, which have been planned by Mr. Marvin McDonald, the District Advancement Chairman and other local scouting officials.

All parents, scouts, cubs and interested persons are invited and urged to attend this most impressive and meaningful ceremony.

Some people's idea of celebrating the holidays is to have a Christmas they'll never forget and a New Year's Eve they can't remember.

About the only two things a child will share willingly are communicable diseases and his mother's age.

### Shareholders Ok Increase of Shares in Lone Star Gas

Lone Star Gas Company shareholders in a special meeting, Jan. 18th approved an increase in the authorized common stock from 8,000,000 shares of \$10 par value to 16,000,000 shares of \$10 par value. Of the votes cast more than 9 percent were in favor of the amendment to Lone Star's article of incorporation, according to President L. T. Potter.

Following the shareholders' meeting, directors approved distribution to holders of common stock of one additional share of common stock for each share held of record on Feb. 1, 1961, thus effecting a two for one stock split distribution. Distribution of this stock is to be made on Feb. 20, 1961.

The board of directors also declared a dividend of \$1.21 per share on the Company's outstanding 4.84 per cent convertible preferred stock which shall be payable March 15, 1961. This is based on the number of common shares of stock to be outstanding after giving effect to the current sale of stock and the two for one split distribution.

The Board also declared an increased quarterly dividend on the common stock of 25 cents per share of record March 3rd and payable March 20, 1961.

### I. D. Rainey Presented Texaco's Life Saving Award

I. D. Rainey, retired head roustabout for Texaco, Electra Gasoline plant, now living in Whitesboro, was presented Texaco's Life Saving Award during a banquet at the Adolphus Hotel in Dallas on Jan. 17.

Calm courage and quick action on the part of the 71 year old retired employe was responsible for saving Mrs. Kenneth Hyman and her two daughters, Bonnie and Diana from drowning in Lake Texhoma. One daughter had fallen into the water. Her mother, who could not swim, jumped in after her. Then the second daughter followed her mother and sister into the water. Rainey who was fishing nearby, sized up the situation immediately and jumped in after the three. In a matter of minutes Rainey had them all safely ashore.

This award a LeCoulter Atmos mantel clock, is given to any active or retired employe of Texaco who by virtue of his own act or assistance and without regard for his own life definitely saves the life of another person.

The award was presented by L. W. Calahan, Division Manager of Texaco's Dallas Producing Department.

Kraus Earhart, Texaco safety supervisor, Houston, also presented the A. P. I. meritorious safety award to Mr. Rainey.

This award is given by the American Petroleum Institute to any person affiliated with the petroleum industry who, either on or off the job, saves the life of a fellow-being either by an act of heroism or by the outstanding administration of first aid.

### Lutheran Pastor To Be Installed

The Reverend Gilbert B. Seager is to be installed as pastor of the congregation of Grace Lutheran church of Burkburnett. Formerly Rev. Seager was pastor of Mt. Calvary Lutheran church Flagstaff, Arizona.

Installation services will be Sunday, Feb. 5th, at seven o'clock in the evening. This service will be conducted by Rev. Louis G. Boriac of Trinity Lutheran Church of Clara. Rev. Boriac has been serving the congregation of Grace church as Interim Pastor since the retirement of Pastor John H. Kollmeyer in June, 1960. Rev. Frerking of St. Pauls Lutheran church of Wichita Falls, the circuit counselor, will install the new pastor. The Pastors of other Lutheran Churches of this area will attend this service to assist in the laying on of hands. The people of this area are cordially invited to attend this installation service, and a special invitation to our sister churches.

Rev. Seager is a graduate of Concordia Seminary, St. Louis, Mo. He has served churches at Fredericktown, Rolla and Cuba, Mo. He served the congregation at Arlington, Wisc., before going to Flagstaff, Ariz. Rev. Seager for a time was service pastor for Fort Leonard Wood. He also served as student pastor at Rolla School of Mines and at the Arizona State University at Flagstaff, Ariz.

Mrs. Seager is the former Miss Ethel Hanser of St. Louis, Mo. Rev. and Mrs. Seager have three children. Donald, is currently preparing for the Ministry at Northwestern College, Watertown, Wisc. A daughter Barbara is studying for the teaching ministry at Concordia Teacher's College in Seward, Nebr. Another daughter, Peggy the younger of the three is a fifth grade student.

A most cordial welcome to all. A fellowship will be held after the service.

### 769 Poll Tax Paid in Burk

A check with the Chamber of Commerce office reveals that 769 poll taxes were paid here this year.

This number is somewhat lower than other years.

## News From The County Agent

The following Wichita County club boys and girls will enter steers and beef heifers in the Ft. Worth Fat Stock Show this week: Bryan Scherff, Connie Swinford, Sonny and Karen Bentley, Kenneth and Roger Johnson, Albert and Carl Brockreide, Jimmy and Danny Farr, Carl Wheeler, Richard Russell, Charles Moeller, Don Green, Flynn, James, Roland, Nancy and Elizabeth Stewart. The steers will be judged on Saturday, Jan. 21st beginning at 8:00 a. m. Open show will be judged Jan. 30th. Junior Hereford heifers will also be judged on Jan. 30th. The Angus heifers will be judged on Wednesday, Feb. 1st.

The annual Wichita County Project show sponsored by the Farm Bureau will be held on Saturday, April 15th. This show is open to 4-H, FFA and FHA boys and girls in Wichita County. Carl Moeller of Electra is president of the Wichita County Farm Bureau.

The 1961 Tri-County Dairy Show will be held at the 4-H

barn in Wichita Falls on Tuesday, April 25th. This show is open to club boys and girls as well as adults. We have one of the top shows in the State in Wichita Falls.

Ventilation of the laying house is one area in which most poultry men fail. Many poultrymen have the idea that temperature is the most important factor, but temperature for laying birds or for semi-mature birds is not as important as good ventilation. There should always be air movement through the poultry house, but drafts should be avoided.

According to B. T. Haws, county agent, respiratory disease problems can be minimized considerably if good ventilation is practiced. Ventilation is just as important in young birds but temperature also plays a factor at this age. After the chicks have been vaccinated or in the case of a respiratory disease outbreak the temperature should be increased 2 or 3 degrees. This increase in temperature will greatly reduce the reaction. But the increase should be provided by more heat and not by closing up the house because at this time ventilation is extremely important to prevent the spread of disease.

Medical costs per person are over 1.5 times more for older than for younger farm families, according to the U. S. Department of Agriculture. A nationwide survey indicated medical costs for farm families in which the farm operator was 65 or older averaged \$92 a year per person while those of all others averaged \$59.

Fourteen years ago the average grocery bill for a year was \$767. Of this amount, the farmer got less than \$400. Today the grocery bill has been estimated to exceed \$1,100 and the farmer is still getting about \$400 for his part.

American farmers fed us and our allies during 2 world wars without drawing on the manpower needed by the armed forces or by industries producing war materials.

## \$12,216.50 Right-of-way Check Given Co.

A check for \$12,216.50 for right of way payment was sent to Wichita County today by the Texas Highway Department. The sum forwarded is the state's share of the cost of the land needed on U. S. Highway 281 and 277, north of Wichita Falls. The check will be transmitted by District Engineer L. B. Dean of Wichita Falls to the Wichita County Commissioners Court. While county and state share the cost of the right of way, the Texas Highway Dept. bears the full cost of appraisal and title expense. Checks for these items have already been forwarded from the Texas Highway Dept. to the parties concerned.

## JUNIOR UNITY GARDEN CLUB MET JANUARY 10th

The Jr. Unity Garden club met for their regular monthly meeting Jan. 10th in the home of Mrs. T. J. Campbell. Mrs. R. C. Gibow, Mrs. Roy Magers and Mrs. B. T. Maben, assisted Mrs. Campbell in teaching us to make ribbon corsages. We had a lot of fun learning to make our corsages and plan to wear them for Valentine. Each time we have met with Mrs. Campbell and different members of the Unity Garden club, we have been taught many wonderful things and we are looking forward to our next meeting. Refreshments were served by the Unity Garden club to Judy Morgan, Carliss Fisher, Jean Page, Linda Beaver, Vicki Turner, Lynn Halsey, Brenda Hillis, Patsy Koenig, Marilyn Groenwold and Kay Stubblefield. Two mothers, Mrs. Paul Fisher and Mrs. Fred J. Morgan, were also present.

Mrs. J. A. Fouts, chairman for the Texas Home Demonstration Association, Mrs. J. L. Graham, Mrs. L. L. McHugh, and Miss Thelma Wirges will attend the District Training for the Texas Home Demonstration Association, Monday, Jan. 30. The meeting will be in Matador.

Mrs. McHugh, Civil Defense chairman for the county will give information to leaders for the district on things organizations can do for Civil Defense. Mrs. McHugh will include information on the bottles which may be ordered for storage of water. The bottles will keep water safe for drinking in the event of disaster, are light weight, easily handled and stack well. If interested in ordering bottles with Wichita County HD clubs contact Mrs. L. L. McHugh, Rt. 1, Wichita Falls.

**CHEERFUL BLUEBIRDS**

On our Jan. 10th meeting the Cheerful Bluebirds went to Meads Bakery in Wichita Falls. We saw how bread was made and it was all very interesting. We were served doughnuts made by the bakery. Mrs. Preston and Mrs. Holtzen, our sponsors, took us.

On Jan. 17th the Cheerful Bluebirds had their regular meeting at the Hut. We sang and played games. Patricia Bankhead and Sonja Gayle Preston served doughnuts and Cokes.

## Electric broiling gives you that true broiled flavor

...because it's FLAMELESS

Like glowing embers, the radiant flameless heat of an electric range broils meats with tender, juicy, "melt-in-your-mouth" goodness. It's the modern, better way to broil—with penetrating radiant heat that instantly seals in the natural juices and protects the tenderness of the meat. And because you broil with the oven door open, you get that true broiled flavor, with never a trace of that dry, baked-out taste. Why not start now to enjoy modern electric broiling, as well as the many other advantages that only electric cooking can give you? See your electric range dealer soon for a flameless automatic electric range.

## CLOTHED FOR COMFORT

The north wind strikes, and the blizzard howls. We clothe ourselves for maximum warmth and comfort from the cold... for an all encompassing comfort, put on the Lord's mantle.

"The Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures: he leadeth me beside the still waters. He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou

art with me; thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord forever."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## April 15th is the Deadline for Vehicle Stickers

The director of the Texas Department of Public Safety today urged motorists to secure their 1961 vehicle inspection stickers "before the time gets short and the lines get long." Col. Homer Garrison, Jr. said approximately half of the inspection period has expired and only about one-third of the vehicles in the state have been inspected. Unless the number of inspections is increased appreciably soon, he added, long waiting lines will be forming at inspection stations when the April 15 deadline approaches.

After that date, vehicles not displaying the new inspection sticker will be operating in violation of the law, Garrison said. The 4,800 authorized inspection stations over the state are ready and capable of handling the inspection of Texas registered vehicles without delay if owners will not wait until just a few days before the deadline, he said.

Garrison called attention to the fact that since the beginning of the inspection program, vehicles having a defect that was a causative factor in fatal accidents decreased from 13% to 5%. The purpose of the motor vehicle inspection program is to discover any maladjustment which might become a link in a cycle of events leading to an accident and by removing the link, prevent the accident, he pointed out.

## No Increase In Social Security Tax This Year

The Internal Revenue folks have received hundreds of letters and calls requesting a new tax table to take care of the social security increase from 3% to 3.1%. There is no new table. There has been no increase. What happened? Internal Revenue included a little yellow mailing slip, Document 5293, with the Employer's Quarterly Tax Form 941 mailed in December. The yellow slip told employers (of four or more) that there had been an increase in their federal unemployment tax from 3% to 3.1% for the year 1961. It also told the employers of some changes in social security taxes.

A whole lot of taxpayers thought the social security tax rate had been changed so they asked Internal Revenue for a new Circular E. Circular E is the Employer's Tax Guide which contains tables giving social security and withholding tax rates. Of course, there is no new Circular E.

The trouble with politicians is that they have more solutions than we have problems.

## Auxiliary Chief of Police Named

Clovis Mann, director of Civil Defense, announced the appointment of Mr. B. H. Alexander, Jr. as Auxiliary Chief of Police.

"The Auxiliary Police is an integral part of our Civil Defense program. We are very pleased that Mr. Alexander has accepted this position," Mr. Mann said.

An Auxiliary force of 10 to 15 members is planned. This is voluntary work, however, applicants must meet the same requirements as regular police, having good standing in the community, and be acceptable to the City Police Department and the County Sheriff's Department. They will be both commissioned and deputized, Mr. Mann explained.

Applicants will be expected to attend Police School, which will consist of approximately 26 hours. The school sessions will be held at night. Although the auxiliary police will not be required to spend much time on duty, except in emergencies, they will be required to spend some hours each month in working with the city police department in actual police work for training purposes. These hours may be scheduled so as not to interfere with their regular job, except for occasions in Civil Defense drill where they will be required to report for duty.

Those interested in this part of our Civil Defense activity are requested to apply either to Chief B. H. Alexander, Jr., or to Chief Ken Gage.

## LANKART COTTON

Planted by More Farmers in Texas and Oklahoma than any other variety!

There is a reason. When planted year after year it gives more satisfaction and profit. This is to be expected when one realizes that during the past fifty years the desirable qualities of vigor, high yield, drought resistance, large stormproof boll and quality standard staple have again and again been bred into this cotton by close line breeding methods.

Lankart cottons can be successfully harvested by either of four methods: hand picking, machine picking, hand snapping or by stripper machine. Many thousands of bales of Lankart cotton are stripper machine harvested in the Southwest, annually, at a saving of up to \$25.00 per bale. Cotton harvesting may be an important item to the farmer this fall. Now is the time to determine what harvest methods will be used. A prime factor will be to save cost. Many farmers gin their Lankart cotton carefully to prevent gin mixtures and save the seed for their own planting. It has pure-line breeding back of it and does not "run out" in a year or two. We fully recommend this practice to all good farmers.

We produced a good crop of planting seed the past year but our supply of saw cleaned fuzzy Lankart Selection 57 has all been sold for this season. We have a limited supply of acid delinted seed of this variety. In our early maturing Lankart Selection 611 we have a supply of both saw cleaned fuzzy and acid delinted seed at this time.

We have sold our Breeders quality seed in our Trade Marked bags to many cotton gins and seed dealers throughout the state. May we suggest you see your ginner or seed dealer, if he cannot supply you with our seed contact us. Write for circular.

We are the originators and breeders of Lankart Cottons.

## Home Missions Study Was Jan. 30th At Methodist Church

Mrs. S. S. Reger, secretary of Missionary education and service of the WSCS, is teaching a course on Home Missions at the First Methodist Church on Monday mornings from 9:30 to 10:30 a. m.

The text is called, Safe in Bondage, by Robert W. Spike. Mrs. Reger has given us a rich background on rural and strapping regions in the different states and a panoramic picture of the bewildering world of our mid twentieth century, the world of culture, molders, men in organizational strait jackets, tension riddled women, lost youth, minority groups struggling to escape prisons of prejudice and outsiders. She has made, and is making clear, the relationship of the church to each of these groups, what it has done, what it has failed to do, what it can do.

Monday morning, Mrs. Kenneth Callee discussed Youth Culture. She began her talk by asking us why America was fascinated by teenagers today and why popular songs and movies often center around the passions and problems of adolescence. She asked, What can we do about the over publishing of juvenile teenagers with suspicion. She discussed race problems and what caused them and how we must change our attitudes and opinions, on racial and cultural barriers in our national life. She emphasized the fact that civil rights will eventually be secured for all people whether we like it or not.

This was a very good paper. Mrs. Page Brown talked on Impact. Impacts idea has brought out that christianity is the collision between God and man and the point of impact of this collision is the church and mission. She too brought us some very interesting facts concerning this book.

Last month Mrs. Reger taught a foreign study into all the world together, by W. Richey Hogg. She is an excellent study leader and we are having good attendance.

A father and mother can support a dozen children through thick and thin, but the children want the government to support the old folks.

Jimmie Boyd has been returned to his home in Burkburnett from a Wichita Falls hospital and is reported to be improving.

## Committee On Swim Club Bath House Met 31st

Members of the Burk Swim Club and Park Beautification Committee met at the home of Mrs. Hugh Preston, Jr., Tuesday evening, Jan. 31st and formulated definite plans for completion of the Swim Pool Bath House and Park beautification. Plans were also made for more park facilities.

Plans for landscaping and picnic tables were outlined. Announcement was also made of the proposed city concert band which is presently being organized. Plans for other park activities were also discussed. Mrs. Edwin Green, Forum Study Club also presented a check for \$70.00 to President Floyd Martin for membership in the Burk Swim Club.

Those present at the meeting were Mr. Floyd Martin, President of the Burk Swim Club and member of the Bath House Committee, Mr. James Brady, Treasurer, Burk Swim Club and member of the Bath House Committee, Mrs. Ralph White, Chairman of Board of Directors, Park and Swim Pool Beautification, Member of Current Literature Study Club, Mrs. D. C. Dodson, Landscape Chairman on Beautification of Swim Pool and Park Area, member of the Burkburnett Garden Club, Mrs. Edwin Green, President of Forum Study Club and the hostess, Mrs. Hugh Cole Preston, Jr., Board of Directors, Chairman of Bath House Committee, Chairman of Beautification Committee and member of Forum Study Club.

Other guests present were Mr. Clark Gresham, County Commissioner; H. A. Thompson, Manager of Joe Ward Engineers, and Clovis D. Mann, City Manager.

Mr. Tompson, Manager of Joe Ward Engineers, and who is conducting the City Planning program, explained how the park program fits into the overall planning and assured the cooperation of his firm in the Bath House and Park Beautification plans. He commended the committee for the work they were doing and commented that such interest and work was beneficial to the entire citizenship.

Mr. Gresham, County Commissioner, assured the group of his full cooperation, and Mr. Mann assured the cooperation of the city officials in all efforts to beautify the parks and in assisting in all possible ways in all park programs beneficial to the citizens.

Mr. Morris Bookbinder is reported to be slightly improved at this time but is still seriously ill. He is a patient in the Wichita General Hospital, room 338.

## Basketball News

The Burkburnett Bulldogs have slowed almost to a standstill. They have won one of their last eight games. The scoring went as follows.

We	Opponent	They
48	Seymour	54
42	High Point Barney Fudge	17
42	Iowa Park	43
29	Barney Fudge 14	33
58	Grandfield	33
58	Johnny Koller, 13	45
48	Electra	45
48	Barney Fudge 14, Loy Walker 13, Don Kennedy 12, Johnny Koller 10.	55
34	Nocona	55
35	Johnny Koller 18.	45
44	Olney	47
44	Gary Owens 9.	47
44	Jacksboro	47
44	Johnny Koller 14.	47
11	Big Pasture	47
11	Barney Fudge 12, Loy Walker	11

In conference play in District AA-9, the Bulldogs have a 1-5 record and are holding down sixth place in the district race; which is where they finished last year.

In season play, the Bulldogs hold a 9-14 record. An outstanding point, however, is that in obtaining such a record, the Dogs have racked up 965 points as compared to 895 by their opponents. This comes to a 42-39 average in favor of Burk. This is not surprising when one considers three aspects of the season. First, the Bulldogs have been beaten by ten or more points only three times. Only three teams have scored more than fifty points against them. The third aspect is the individual scoring. It goes as follows.

No.	Player	Points
22	Johnny Koller	308
14	Average 14	164
21	Barney Fudge	164
21	Average 8	150
25	Gary Owens	150
25	Average 7	147
32	Don Kennedy	147
32	Average 7	103
13	Loy Walker	103
13	Average 5	27
12	Don Mason	27
23	Don Owens	20
24	Bill Chamless	21
15	Harry Small	6
11	Mickey Cornelius	6
11	Dale Lewis	13

When you sum up the above three factors, and add to it the Bulldogs never-say-die attitude, stubborn defense, and rebound work you can come out only one way—with the Bulldogs on top.

The Bulldogs play three more home games before finishing out the season at Jacksboro, Feb. 16. These games will be played at 6:30 in the Jr. High gym.

### Card Of Thanks

With deepest gratitude I wish to extend this word of thanks to friends and neighbors for the cards, flowers and gifts I received and for the prayers in my behalf during my stay in the hospital. A special thanks is extended to Dr. Davey for visits and words of cheer each day. Your kindnesses have meant much to me.

## Reception Honors Randlett Couple

About two hundred relatives and friends attended a reception in the Masonic Hall in Randlett for Mr. and Mrs. C. H. Dunn on the occasion of their 50th wedding anniversary. Mrs. George Hooper, widow of the minister who married the couple and who was an attendant at the wedding, was given special honor at the reception. Mr. and Mrs. Dunn were married at Randlett and have lived in this area ever since except for one year at Hobart, Okla. Mr. Dunn was engaged in farming until his retirement in 1955. Both are active in civic and social affairs of the community. Mr. Dunn was president of the school board for many years, worshipful master of the masonic lodge and deputy G. M. of Oklahoma.

Mr. and Mrs. Dunn are members of the Church of Christ. Mr. Dunn has been an elder of the church since 1926.

Their children who honored them included Mr. and Mrs. Charles Dunn, Tulsa, Okla.; Mr. and Mrs. Taylor Dunn, San Fernando, Calif.; Mr. and Mrs. Spencer Steel, Pasadena, Texas; Mr. and Mrs. Dwain Dunn, New York City, N. Y.; Mr. and Mrs. W. M. Null, La Fayette, La.

Guests were registered in a white and gold leather book where Mrs. Null presided. The refreshment table was laid with a metallic gold cloth centered with a low arrangement of bronze and gold mums. For contrast of color, the four tier cake was pink decorated in deep pink and resting on pink tulle embossed with pink and gold roses. Candles light provided soft illumination. Serving the cake were Mrs. Charles Dunn and Mrs. Olive Myers. Presiding at the silver punch bowl and coffee service were Mrs. Spencer Steele and Miss Barbara Jean Dunn. They were assisted by Mrs. Dunn's sister, Mrs. J. D. Stegall of Burkburnett, and Mrs. Wesley Beard, Randlett.

Among the many beautiful gifts on display was a specially engraved gold tray bearing the family tree, presented by Mr. and Mrs. Dwain Dunn.

The couple have eleven grandchildren.

Relatives and friends who called during the afternoon were from: La Fayette, La., Memphis, Tenn., Parkston, S. Dakota, Houston, Wichita Falls, Pasadena, Iowa Park, Burkburnett, Texas; and Tulsa, Norman, Oklahoma City, McCloud, Duncan, Ada, Weatherford, Grandfield, Tipton, Walters, Temple, Devol and Randlett, Okla.

## Red Cross Disaster Chairmen Named

Disaster preparedness for any community costs little and can save lives and property when tornadoes, fires and floods occur. Jos. A. Janeke, chairman of the Red Cross in Burkburnett said Tuesday, when discussing disaster preparedness for Burkburnett.

This community organized a Red Cross disaster preparedness committee last September headed up by Jimmy Johnson, chairman.

Appointed to serve on the committee for organized relief was sub-committee chairmen: Kenneth Gage, survey of damage; Floyd Marten, communication; Jack Mathis, transportation; I. C. Evans and Morris Simonson, shelter; Mrs. L. J. Foster, food; Drs. Philip A. Carpenter and Jos. A. Davey, medical and nursing care; Winston Freeman, clothing.

The group designated the Town Hall as disaster headquarters. Alternate headquarters is the Junior High school offices. The Junior High school gymnasium will serve as a temporary medical treatment center. Alternate medical center will be the First Baptist church.

Supplies will be stored at the City Hall, with the Senior High School gymnasium alternate storage facility. Transportation headquarters will be in the Mathis Chevrolet Building.

At present plans are under way by the city to complete a Civil Defense organization. The two organizations do not overlap but form a community team to adequately meet disaster caused conditions. Janeke said. Civil Defense, a responsibility of the government, protects life, property, public health and welfare and the maintenance and repair of public property.

Red Cross, financed by voluntary contributions, provides relief of persons in need as a result of disaster. This includes emergency shelter, food clothing, medical and nursing care. Following the emergency, rehabilitation for those who cannot meet their own needs include rebuilding and repairing of homes, household furnishing.

ings, medical and other maintenance. Cross disaster Aid gift from the American and cannot be paid said.

**Irma Ned Riley Soloist Fri. Nite With MU Ballet Theatre**

Irma Ned Riley, Burk High School senior, will be featured as a soloist when the Midwestern University Ballet Theatre performs Slavonic folk dances with the symphony orchestra Friday night, Feb. 3rd in Wichita Falls. The concert which was scheduled for last Saturday but was postponed because of bad weather, will be held in the Municipal Auditorium at 8:15 p. m.

**Card Of Thanks**

My heartfelt thanks to friends, neighbors and everyone for each kind deed, especially for the prayers and to those who gave blood while Faye was in the hospital. She appreciated everything everyone did for her. My heartfelt thanks for your words of sympathy during the passing of my darling daughter, Faye. For the message of comfort from Bro. Meyers and Bro. Bradshaw to those who served and for the beautiful flowers and cards. May God bless each of you.

**Burk Study Club To Sponsor School Art Talent Contest**

The Burkburnett Study Club is sponsoring an art talent contest for high school seniors. Three scholarships of \$600.00 each are to be awarded to the prize winners by Hallmark Cards, Inc.

The theme, American Horizons, may be interpreted by use of Texas historical subjects, landscapes, still lifes or portraits. They may be done in oils, water colors, pastels or mixed media. The work is to be done under the direction of Mrs. Celia Lindsey, Burkburnett Hi School art teacher.

**Newton Cranes Honored Jan 12 With Housewarming Party**

A housewarming party was held Thursday, Jan. 12th honoring Mr. and Mrs. Newton T. Crane. Mr. and Mrs. Crane have been residents of Burkburnett for thirty years. Mr. Crane is an active farmer of this community. The housewarming was attended by forty-four guests, many of whom were from out of town.

One trouble with growing older is that it gets progressively tougher to find a famous historical figure who didn't amount to much when he was your age.

### Savings Bonds Have A Birthday

Retiring Treasury Secretary Robert B. Anderson (left) and the new Secretary of the Treasury, C. Douglas Dillon, joined in ringing a replica of the Liberty Bell to signal the 20th anniversary of the U. S. Savings Bond program. The recent ceremonies took place on the west steps of the Treasury Building, opposite the east entrance to the White House. Americans now own over \$43 billion in series E and H Savings Bonds. This is an all-time record high. The Liberty Bell replica in the Nation's capital has counterparts in every state, donated by leading American companies as a feature of the Independence Savings Bond drive in 1950. State governors, as honorary bond chairmen, will rally their volunteer forces with similar bell-ringing ceremonies this spring.

### DEN 5, PACK 156

The boys were excited over making table decorations and plans for the blue and gold banquet.

Mrs. McBride made pictures of the boys in their cub scout uniforms.

They enjoyed playing games and everyone joined in checking their work for the week. Health and safety were stressed as the achievements were checked.

Joe Lander brought ice cream and Cokes for the den. Thanks Joe.

"Do you have any plans available for a plain, sturdy stool I can make in my own shop?" queries an Indiana reader. "My wife wants a stool that can be carried around the house for use in reaching upper shelves of cabinets and closets."

We have sent this reader our plan for a serviceable stool—a plan that is available without charge to other readers if you'll write to the Thor Research Center. The type of stool we have designed not only can serve as a step to reach upper shelves, but also can be used by little tykes as a television-viewing seat.

Sturdy stool popular with housewives and children. Free plans available

Only materials needed are 31 inches of 1x10 finished pine, or the same length and width of 3/4-inch plywood, 26 inches of 1x4 fir, eight flathead screws, and glue. The pine or plywood will be used to make the top of the stool and the legs, while the fir will be used for cross-supports for top and legs.

You'll hasten the shaping, assembly, and finishing of the stool if you use portable electric tools—circular-blade and jig saws, drill, and sander. Cut the wood to length and taper the sides of the legs with the circular saw. Then use the jig saw to cut insert grooves for the cross-supports in the top of the legs and to shape the bottoms of the legs, ends of the cross-supports, and corners of the stool top. Sand all pieces smoothly with the power sander, then glue the cross-supports into the slots in the legs.

Pre-drill countersink holes into the cross-supports and legs, set the eight screws, and you're ready for finishing with paint or stain. You also can cover the top with floor covering or, if you plan the stool as a child's seat, you might cover the top with padding and upholstery.

(This stool plan is available, without charge, by writing Thor Research Center, Marengo, Ill., and asking for Project No. S101.)

WASHINGTON AND  
"SMALL BUSINESS"  
By C. WILSON HARDER  
When giants battle, the little fellow often gets trampled.  
This situation happens all too often in the retail food field when in a given market several big chains start warring on each other. This usually happens in markets where more chains have moved in than there is room for.  
But in trying to annihilate each other, the chains usually do great damage to the independent stores in the area. It is not possible to sell, for example, coffee that costs 72 cents per pound for 49 cents, week after week, without something compensating for this loss.  
In the case of the big chains, when they are losing money on coffee and many other items week after week in one locality, they merely mark up prices in their stores in other localities.  
This recourse, obviously, is denied the single store operator who has to cut his prices to stay with the warring chains in pricing in order to hold trade.  
Generally speaking, this absurd price cutting to wage war is illegal. But usually, before the moribund Federal Trade Commission gets around to the problem in any particular market, it is much too late.  
Yet in this season of the year, when the legislatures of most states are meeting, it is perhaps unnecessary to wait for remedial action from Washington.

## "Farm Bureau Week Feb. 5-11"

Governor Price Daniel has cited agriculture as the well-spring of our social and economic vitality and set a statewide week-long observance in recognition of agriculture's contribution to Texas life.

In a proclamation signed Jan. 12 the Texas governor designated the week of Feb. 5-11 as "Farm Bureau Week" in Texas and urged all citizens to cooperate in the recognition and observance of this week in an effort to publicize this important phase of our Texas life.

The special week coincides with the annual membership campaign of the Texas Farm Bureau, largest general farm organization in the state. The 1961 drive was kicked off with a big Chairmen's Rally Jan. 24 in Abilene attended by county FB presidents, and county and community membership chairmen. About 125 counties are planning intensive membership drives during the next two months.

The fast growing state farm organization has had a gain in membership for eight consecutive years and has almost doubled its membership in the past ten years. It is now largest state Farm Bureau in the South and fourth largest in the nation.

Governor Daniel, who is a Farm Bureau member in Liberty County where he owns farm property, cited the need for an educated, prosperous, and organized agriculture in Texas. He said farmers and ranchers of Texas through their various organizations, have worked for improvements in the economy and government of Texas.

Here is the text of the governor's proclamation:  
"Greetings:  
"Agriculture has long been recognized as the well-spring of our social and economic vitality. A vast number of Texans derive their principal income from farming and ranching activities.

"The farmers and ranchers of Texas, through their various organizations, have crusaded by democratic procedures for a voice in the affairs of the State and for improvements in the economy and government of Texas.

"These groups recognize the necessity and supreme importance of having an educated, prosperous, and organized agriculture in our state.

"Therefore, I as Governor of the State of Texas do hereby proclaim Feb. 5-11, 1961, as Farm Bureau Week in Texas, and urge our citizens to cooperate in the recognition and observance of this week in an effort to publicize this important phase of our Texas life.

"In official recognition where-
