All people smile in the same language.

Twelve men and one woman have crossed Niagara Falls gorge on a tight rope.

Chamber of Commerce Luncheon Each **FIRST MONDAY** at Town Hall Everybody Invited Each Pays for His Meal

VOLUME NO. 54

NUMBER 22

CITY HALL News and Notes

By Clovis D. Mann City Manager

We have been asked to call attention to the City Plumbing Code which provides that no person shall tap or connect with the sewer or to any house sewer leading to the sewerage system without obtaining the proper permits and having the work approved by the Plumbing Inspector.

The Code also prohibits the discharge into the sanitary sewerage any gasoline, benzene, naphtha or other volatile liquids which are likely to produce an explosive gas when exposed to the air; or any strong acid, alkali, oil, tar, or any other substance which will be detrimental to the proper purifying action in the sewerage treatment plant.

Water from any car washing rack must not enter the sanitary sewerage unless approved sand trap is used.

No person may cut any street to lay lines, or for any other purpose, without first obtaining permits. No cutting will be permitted unless the City Inspector deems it absolutely necessary, and when necessary, the street must be repaired to meet city specifications; or if the city has to re-fix the street charges will be made for material and labor.

Everyone is very pleased with the turnout Monday evening for auditions for the new Municipal Band being organized. Despite the snow and cold, some 25 to 30 persons brought their instruments to the Town Hall for audition. Further auditions will be held to include those that wanted to participate, but were prevented from coming by the weather. Watch for further announcements.

A sufficient number tried out Monday evening to give good indications that we will have a good municipal band, composed of Burkburnett residents. This effort is a good adjunct to our Parks and Recreation program and can be of great benefit to our city. Dr. Bob Sims, band supervisor, and his assistants, are all to be commended for giving their time and talents toward this effort.

Our Water Department will be hosts to this district's Water Works Association next Thursday evening, Feb. 16th. The Association meets in various cities within the district in the third Thursdays to discuss problems and new methods in water works. About 70 persons are expected to attend the meeting here. Haskell Draper, our Water Works Supt., says that a good program is planned. Mr. Draper, vice president, will serve as the program chairman.

Local Births

Birth certificates were issued the following Burkburnett parents last week: Messrs and Mesdames:

William Terry Wheeler, boy, Thomas Richard
Thomas Rueben Howell, girl,
Donnie Noel McGill, girl,
Iana Jo
Charles DeLeon Gaskins, boy,
Charles Michael
Dennis Eugene Haight, girl,
Carol Ann

"Stairway to the Stars" to Honor Outstanding High School Students

"Stairways to the Stars", a presentation honoring students who were elected for all school class honors, will be held next Saturday, Feb. 18th at 7:30 p. m. in the high school auditorium. These students were selected by the high school student body. The results have been kept secret and will be revealed at the presentation. Bob Frank of Wichita Falls will emcee, and several talented students, along with the BHS Dance Band, will entertain at the gala affair. Following the presentation

Band Auditions Held Mon. Night

By Mrs. Billie Mann

Twenty-five to 30 persons braved the snow and ice Monday evening to meet at the Town Hall for auditions for the Municipal Band now being organized. Many more called in who were not able to come because of weather conditions. Dr. Bob Sims, Band's supervisor, said that further auditions would be held to assure everyone interested a chance.

Indications were that if the weather had been good, there would have probably been too many to handle for audition in one evening. Dr. Sims requested that others interested to contact him in order to get in on the second auditions.

A Band was quickly organized with the last 10 who auditioned in order to treat the few visitors with a few melodies. "This is a very small example of what shall be," Dr. Sims announced.

Two Resolutions Passed at C-C Directors Meet

Resolutions took up most of the time at the Chamber of Commerce directors meeting Monday afternoon.

Jack Mathis, membership and finance chairman, urged all workers to contact their prospects as soon as possible and report to the C-C office. Early reports show the campaign is progressing satisfactorily.

C. A. Morgan reported an outstanding specialty act has been engaged for the annual June rodeo. The clowns have been engaged and the bucking stock has been arranged for.

The board oked a booth at the Texas-Oklahoma Fair and also an ad in the Fair catalog.

The group voted \$150.00 for use in prize money at the Cotton County Livestock Show at Temple, Okla., in March.

A resolution was passed opposing any change in the oil and gas depletion law for tax purposes. That resolution appears in the Star this week on another page.

Another resolution was passed asking the Attorney General of Texas to give a ruling, or get legislation passed to allow military personnel a vote here, if they desire, and if qualified by length of residence, etc.

As the matter now stands, military personnel, regardless of their length of residence here, or how much property they own and pay taxes on, are denied a local vote. The board feels that this is an unfair situation.

The board voted \$25.00 to help defray the expenses of Lynda Wood to St. Paul, Minn., where she represented Burkburnett in the National Twirling contest.

Mr. and Mrs. C. L. Chitwood and Glenn visited relatives and attended the Fat Stock Show and rodeo in Ft. Worth over the weekend.

Civil Defense Director of Utilities Named

By Mrs. Billie Mann

The appointment of Mr. Reavis Wooten, 519 Hilltop, as Director of Utilities for Civil Defense has been announced by Clovis Mann, Director of Civil Defense.

Mr. Wooten is employed by Texas Electric Service Company as a Utility Serviceman. He has been with the company since Texas Electric purchased the municipal light plant on July 17, 1959. Prior to this time he was employed by the City's Electrical system.

In his capacity as Director of Utilities, Mr. Wooten will appoint Division Heads for Water and Sewer, Electric and Telephone communications, which thru cooperative efforts will organize the Department of utilities as a functioning unit in case of disaster, whether natural or man made. Mr. Wooten will also serve as the County Director of Utilities under the City-County working agreement.

"Mr. Wooten has had, not only valuable experience as a Utility man, but also experience in Civil Defense work. We are pleased to have him accept the responsibility of organizing the Department of Utilities," Mr. Mann said.

Mrs. Billie Mann New Feature Writer For The Burkburnett Star

The Star has engaged Mrs. Billie Mann to take care of writing feature articles and handle the photography chores for the paper.

The first of her articles and pictures appear in this week's paper. We believe our readers and advertisers will appreciate these added features.

Featured during the coming weeks will be churches and a "Thought for the Week" column from the pastors. Another series of articles will feature building contractors.

We expect to bring a number of interesting and informative features each week.

Newcomers Welcomed to Burkburnett

The Burkburnett Chamber of Commerce and the Greeters Service wish to welcome the following newcomers to our city:

Sullivan, Paul
Lockett, Alton
Bolduc, Oneil
Lott, Charles
Wall, Charles
Murphy, Raymond
Grider, Charles R.
Bazell, A. H.
Kelley, Fred

NOTICE

The supplements of the 1960 Derrick are in and are being sold for \$1.00 each. Anyone who is interested should inquire at the high school office.

Church of God Revival February 12-26

A revival meeting will be held at the Church of God, 121 S. Ave E., Feb. 12-26th. Services will begin each evening at 7:00 p. m. Old time preaching good gospel singing and special

New Construction Going Forward In All Parts of This Growing City

One of the first streets laid after new City Specifications

(This is the first in a series of articles dealing with new construction in Burkburnett.)

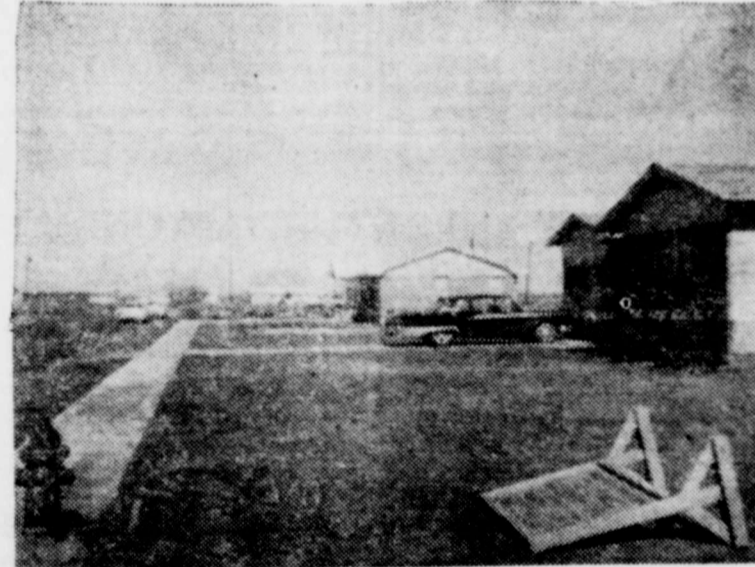

By Mrs. Billie Mann

The Kenneth Myers Construction Company, formerly Harrison Fox Construction Company, has opened a new addition known as Sunset Terrace off West 3rd. Section No. 2 is now under construction.

Although this Addition has just recently been opened, the Company has, during the past 5 years, built 37 homes in Burkburnett. The Sunset Terrace Addition will consist of FHA Standard homes within the price range of \$10,700 to \$11,750. Although the Addition was approved under the old City regulations, Mr. Myers felt that building the streets to meet the city's present specifications would be an aid to the City as well as to the potential home buyers.

Mr. Myers lives with his family at 1600 Singleton, Wichita Falls. His wife's name is Thelma Jo. They have two children, a daughter, Karen, age 6, and a son, Kenny, age 3. They belong to the Highland Heights Baptist church.

When asked what he thought of Burkburnett's future, he said "I believe it has a great future. In fact, I believe it has the best future of any city around here."

Sidewalks are provided in this new addition

A daughter was born to Mr. and Mrs. Charles Edmonds of Grandfield, Okla., Tuesday afternoon. The baby weighed 7 lbs. and 11 oz. and has been named Lesia Denese. Mr. and Mrs. R. R. Park are grandparents of the baby. Mrs. Edmond is the former Carol Park of this city.

WORLD DAY OF PRAYER

The First Christian Church is hosting this year for the World Day of Prayer which will be Friday, Feb. 17th at 10:00 a. m.

The purpose of the day is to unite all Christians in a bond of prayer and Christian Fellowship with others around the world and to make an offering for inter-denominational projects at home and abroad.

The ladies of all the churches in Burkburnett are cordially invited to join with us and with women around the world in prayer.

There will be a nursery provided for those of you who have small children.

Card Of Thanks

We are deeply grateful to our friends, neighbors and all who kindly remembered us in our recent sorrow in the passing of our beloved one, Fred Wyatt. Please accept our thanks given in this way for the flowers, food and prayers. Mrs. Fred Wyatt and family Mr. and Mrs. Marion Thornton Mr. and Mrs. Glen Kemp Mr. and Mrs. Jerry Kemp Mrs. May Branson

Minnesota extends the farthest north of any state in the United States.

Karen A. Bentley Shows Champion At Fort Worth

Karen A. Bentley, of Burkburnett, has shown the junior show champion Shorthorn heifer of the 1961 Southwestern Exposition and Fat Stock Show, held in Fort Worth, Jan. 27th to Feb. 5th.

Significance of the honor is underscored by the fact that 5,394 cattle, sheep and swine—topping last year's total by 624 head—were entered in this year's show. The entry list in all departments approached 10,000.

The 1962 Southwestern Exposition is scheduled for Jan. 26 through Feb. 4th. President-Manager W. R. Watt has announced.

Bank Observing Valentine Week In All Depts.

The Valentine motif is much in evidence at the First National Bank this week.

Visitors to the bank are greeted in the lobby by a red coated mechanical little man which tips his hat to one and all. His coat has gold heart shaped buttons and his cap has a large gold heart on the front.

All employees in the bank are wearing large red hearts which say "Thank You for Banking With Us." Rather unique and very effective.

SCHEDULE of Coming Events

This paper would like to run a weekly Calendar of Events. If your study club, garden club, P-T A, or other organization has meetings scheduled, or any special events scheduled for the coming weeks, please call the information in to Mrs. Billie Mann, 569-3874, or 569-2191.

Saturday, February 18th:

Lions Club Pancake Party

Mr. and Mrs. Leon Duke and children of Billings, Mont. arrived here Saturday for a visit with his parents, Mr. and Mrs. Jack Duke and other relatives and friends.

Officials from Burkburnett Attended NT-Southern Okla. Area Development Association Annual Banquet Feb. 2nd

By Mrs. Billie Mann

Mayor and Mr. George McClarty, City Manager and Mrs. Clovis Mann, Chamber of Commerce manager, Jim Harwell & Bill Browning, President of the Chamber of Commerce, attended the annual banquet of the North Texas and Southern Oklahoma Area Development Association held at the Woman's Forum, Wichita Falls, Feb. 2nd. Mayor McClarty was installed as 2nd vice President of the Association.

This was the 6th annual banquet of the Association. The Banquet was preceded by an industrial development clinic held that afternoon. Both programs were well attended by members from this area and

Mothers' March of Dimes Drive Totaled \$513.59

By Mrs. Billie Mann

Latest reports show that \$513.59 was collected as a result of the Mother's March of Dimes held Thursday evening, Feb. 2nd. The March on homes was made between 7 and 8 p. m. Late checks were still arriving in the mail when the above figure was obtained.

Jerry McClure and Buddy Byars served as chairman and co-chairman, respectively, of this year's march. They expressed their appreciation to the following workers who participated in the program:

Mesdames J. E. Metz, L. J. Byars, Dow Estes, Maxine Donnell, Harold VanLoh, Walter C. Leonard, Evelyn Farris, Jo Ann Harris, R. E. Matherly, Blake Browning, George Smith, Viola Archer, Marguerite Eastman, Juanita Hawhee, Lahoma Wood, Bill Bean, Joe Logan, J. F. Kelley, Cliff Wampler.

Clovis Mann, Victor VanLoh, Jack L. Alexander, Bill Vincent, F. M. McMurtry, J. E. Larson, Thomas E. Roe, F. G. Jeffers, Will Teal, Katherine Moore, Katherine Patterson, Winston Freeman, Payton Cozby, Cecil Swinney, Francis Hahn, A. H. Lohofener, Ramon W. Scruggs, Mrs. Glover, Mrs. Adams and Mrs. Roark. There were others who worked whose names were not made available.

C of C Luncheon Attended by 39

Swirling snow and sloppy weather did not keep down the attendance at the C. of C. luncheon Monday noon. Thirty-nine braved the elements for a feast and business discussion.

Claude Meadows, Jr., who is chairman of the Governmental Affairs committee, had charge of the program. He urged individual correspondence with all elected officials, Congressmen, Senators, Legislators, etc. He stressed the fact that officials pay more attention to individual correspondence than they do to petitions or resolutions signed by groups. Jim Harwell, touched on national legislation, particularly Senate Bill 1. On the state level, he mentioned 3 bills now being considered by the Legislature: 1. Water Pollution, 2. Industrial Financing, and 3. New Taxes.

Taste is the least developed of the five senses among the lower animals.

Notice to the Public: Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation, which may appear in The Star, will be gladly corrected as soon as it is brought to the attention of the publisher.

SUBSCRIPTION RATES PER YEAR
(Effective February 1, 1961)

In Wichita and Cotton Counties **\$2.50**
Outside These Counties **\$3.00**

GRASS ROOTS OPINION

KITTANNING, PA., LEADER-TIMES: "Motorists as a group of taxpayers contribute more to the total cost of government in the United States than any other single user, profession or occupation. One of the interstate highway program penny-per-gallon taxes is due to expire June 30, 1961, but don't wager Congress will relinquish its hold on \$600 million so readily."

HAGERSTOWN, MD., HERALD: "Much that churchmen and churches do and say it subject to controversy, but there is one project in which Roman Catholics, Orthodox churchmen and 17 Protestant denominations are engaged which can only evoke approval, if not ardent admiration. It is known as the Heifer Project and it consists in sending great quantities of highbred livestock for the help of needy countries, and the enrichments of local herds."

WASHINGTON, IOWA, JOURNAL: "Robbing Peter to pay Paul has its disadvantages. It always makes Peter mad, and Paul is seldom satisfied with the settlement."

CARLSBAD, N. M., CURRENT ARGUS: "We have now seen tangible results of the effectiveness in the United Nations, of the Afro-Asian bloc. Twice recently, this group of 45 nations voted together on a side opposite from that taken by the United States. Americans should be prepared for more of this sort of thing. Former Colonial nations feel a common interest, and will vote so. Students of the United Nations are concerned over something more fundamental here. This is the growing tendency to vote national and continental interest first, principals second."

PORT HURON, MICH., TIMES HERALD: Industry is not something which should be tolerated, it should be wisely appreciated. That remark, made at an Industrial Development workshop at Romeo by George Catlin of Detroit Edison Company, should be the credo of any community, which enjoys industry's blessings. Today in the United States there are more than 13,000 commissions, departments and companies representing cities, counties, states and areas, engaged in fierce competition to woo industry to their areas."

The Hed Herring Odor

Economic advisors of President-elect Kennedy have come up with what, coming from New Frontiersmen, is a startling suggestion.

The idea is to cut income taxes by three or four percent—a thought that came to light on the very day that Illinois' Senator Paul Douglas introduced in Congress the first item on the Kennedy list of must legislation. This is a bill that would provide \$390 million for the relief of depressed areas.

The thought behind the tax cut proposal is, of course, that it would give the economy a shot in the arm that would render such artificial respiration as the Douglas bill quite unnecessary. Thus, it is difficult to believe that Mr. Kennedy or anyone else could espouse two such diametrically opposed philosophies of national weal.

But no matter how fervently you believe that tax reform is the only route to economic vigor and ultimate Federal solvency, don't expect it to happen now. The proposal of the Kennedy team is hedged about with too many provisos. It is only to be tried if things get a lot worse later in the year. Even then it would be only a temporary measure. It would be accompanied by some scheme short of "control" to clamp the lid on wages and prices. And it isn't a big enough cut anyway.

There will be constructive tax reform bills introduced this session, and probably from both sides of the aisles. But the scheme of the Kennedy brain-trusters, if it does find its way into Congress, will doubtless be a diversionary tactic to help confuse the issue and get worthy measures talked to death.

Better Health--More Enjoyment

Working in cooperation with retailers, the American Meat Institute has been conducting a campaign to stimulate the consumption and sale of meat. Its nutritional value is stressed.

This campaign obviously is designed to serve the economic interests of the members of the great meat industry—the producers, packers, processors and distributors. But its significance goes further. For meat, as the nutritionists tell us, is essential to the physical and mental health of the vast majority of people.

It is a rich and dependable source of complete proteins—the proteins that build and repair muscles, cells and tissues. It is a source of many essential minerals—copper, iron and phosphorus among them. It is an important source of vitamins, especially the Vitamin B group, including B1 which is necessary for growth, appetite and protection against certain diseases. Meat is prescribed by physicians, nutritionists and dietitians for both the overweight and the underweight; for the young and the old; for the convalescent and the expectant mother; and is given to patients suffering from a long list of diseases— anemia arthritis, rheumatism, high blood pressure, tuberculosis and so on.

To frost the cake, practically everyone likes meat and regards it as the central element in a good meal. So we can serve the end of better health and enjoy doing it.

BURKBURNETT... HISTORY

Revealed By The Star Files 10 Years Ago . . .

Burkburnett owned horses came in for some of the honors at the Ft Worth Fat Stock Show. Aubrey Rankin's Quarter horse won second in Gelding at Halter Class with 52 competing. Buster Morgan's Big Jim won first place in Palomino Stock horse Gelding at Halter Class over a field of seven.

Mr. and Mrs. Bill Bowman and boys of Austin spent the weekend in Burkburnett.

Mr. and Mrs. George Counter, and Charles Wayne and Miss Joyce Stewart attended the Ft. Worth Stock Show Sunday.

Mr. and Mrs. Ralph Brookshier, Jr. and Diane have moved to Nocona.

Mrs. T. Guy Willis is in

Rochester, Minn., with her sister, Mrs. Jack Taylor of Wichita Falls. Mrs. Taylor underwent major surgery at the Mayo Clinic last Thursday and is reported to be slowly improving.

Mrs. W. A. Matthews of Bakersville, Calif., is visiting in the home of her son, Burl Matthews and other relatives here.

Mr. and Mrs. Delmar Brown formerly of Burkburnett but now living in Electra, were guests in the B. N. Cauthorn home Friday night.

Mr. and Mrs. Bob Laney of Houston are visiting relatives in Burk this week. Bob is recovering from burns received when a gasoline lantern exploded and burned him about the face.

We do wish as much information about the post as possible. Contact Mr. Floyd Fleming, Wilbur Synder or Robt. Dorland, commanders.

Mr. and Mrs. L. N. Lane have returned home from a 2 weeks visit in Corpus Christi and the Rio Grande Valley where it was nice and warm. They visited their daughter, Mrs. Lane's sister and Mr. Lane's brother in Corpus Christi.

Legion Notice

Thursday, Feb. 2nd, everyone was tickled pink about the two front page writeups in the paper and I say salutations to the paper.

J. C. Adams says he has just one Valentine candy box left. Who wants it? (Be careful what you say, it may be printed.)

We are still looking for information as to who is the oldest living member of the post for the 35th post anniversary. Red Allison became a member of post 264 in 1926 but was not a charter member. Jim Johnson was a charter member but he doesn't recall what year, month and etc, that it was.

Robert Dorland was elected 3rd vice commander by a majority vote at the last meeting.

It was announced that Boys State will be held June 4-10th this year. Date of Girls State will be announced later.

The district convention will be held in Gainesville in April. Our past post commander, Francis L. Perry, has been nominated for Dist. vice commander. We feel sure he will be elected. It has been quite a while since Burkburnett has had a white cap in the post.

Our buddy, Jim Boyd, is now home and reported doing fine after his stay in the hospital.

We would like to give mention to our buddy, Bill Onesky. His home burned last week and he and his family have established temporary residence at the corner of Ave C and 5th St.

I regret that all our game night winners and prizes were not published but we have so much repeating to do that space in the paper will not permit it.

Fred Wyatt Dies In Plainview Sat.

Fred Wyatt, 53 year old former Burkburnett resident, died Saturday afternoon in Plainview.

He was found in his pickup truck. Death apparently was caused by a heart attack.

Funeral services were held at 10 a. m. Tuesday from the Plainview Baptist church.

Graveside services and burial was at 4:30 p. m. Tuesday from the Burkburnett cemetery. Pallbearers were John Moore, Duke Owens, Hershell Warren, E. R. Vernon, Clarence Pool, Virgil Inman.

Wyatt farmed near Burkburnett until 1957 when he moved to Plainview. While residing in Plainview, he operated the Happy Union General Store, south of Plainview.

Survivors include his widow; three sons, Alton Wyatt of Ft. Worth, Charles Wyatt of Odessa and Weldon Wyatt of Plainview; four sisters, Mrs. Walter Culp of Plainview, Mrs. Bob Wilson of Duncan, Okla., Mrs. Leroy Wilson and Mrs. Bennett Hatcher, both of California; one brother, Homer Lee Wyatt of Plainview and two grandsons.

Mrs. Keith Patterson Jr. Forum Study Club Hostess, Tues Jan. 31

Mrs. Keith Patterson was hostess to the Junior Forum Study club in her home Tuesday, Jan. 31st.

The club decided to have a bake sale Saturday, Feb. 11th in front of Famous Department Store.

The program was presented by Mrs. R. A. Willingham. The subject was parliamentary procedure. The door prize was won by Mrs. Donald McCullough.

Lovely refreshments were served by the hostess to Mesdames Terry Austin, Donald McKinnis, R. A. Willingham, David Booher, James Roderick, Bill Wood, Raymond Schroeder, Donald McCullough and a guest, Mrs. Lloyd Mullinghouse.

The next meeting will be a Valentine party with husbands attending. The party will be held in the home of Mr. and Mrs. Billy Mize, 800 E. College.

Visitors in the home of Mr. and Mrs. L. N. Lane over the weekend were Mr. and Mrs. R. G. Baumhardt and family of Weatherford, Tex., and Mrs. Callie Baumhardt of Devol.

BROWNIE SCOUTING GROUP ANNIVERSARY OBSERVED
February marks the first anniversary of Brownie Scouting in Burkburnett. Brownie Scouts are the Girl Scouts who are 7, 8 and 9 years old. Despite the fact that several Brownies "flew-up" to Girl Scouts, membership has more than doubled during the past year.

Beginning the second year of Brownie Scouting in Burkburnett there will be another troop. Mrs. Wayne Landrum will be the leader and Mrs. Tom Roe, the co-leader. Plans for the coming year include a birthday party and mothers tea, cookie sale, hand crafts, cookouts and field trips.

Mrs. Cotton Kinnard is the leader.

The literal meaning is "the gentle art."

Archery Club

Due to the transfer of our club president, Frank Durdle, Jim Lindsey was re-elected to that office in a special election last month. We feel that Jim has done an unexcelled job in that capacity and know he will continue to do so.

The other officers are Doyce Jennings, vice president; Loretta Griffin, secretary; Tex West, Bill Myers, Harold Eddins and Mary Helen Littlefield, board of governors.

Flexible dates for our club tournaments were decided at our last meeting. They are: March 5, April 16, May 14, June 18, July 16, August 13, Sept. 17, Oct. 15 and Nov. 26.

The May 14th tournament will be our annual shoot to determine our club champion. Due to weather conditions and out of town tournaments, these dates may be changed.

With four NFAA qualified archery instructors in the club, we are planning an archery school this summer. The course will consist of an hour long session each weekend for five weeks. The course will be free to anyone under 16 years of age and to all club members. There will be a \$5.00 fee to persons not qualifying in either of these two categories. Keep watching this column for the exact dates and more detailed information.

Our 14 target field range is now completed and the regional NFAA representative, Ike Abernathy, will be contacted soon for a course approval. We will then be able to participate in national "mail order" tournaments, just to mention one of the advantages of having an NFAA sanctioned course. This approval will mean that our approach is A-1 in all specifications including safety factors.

Our next meeting is on the 9th of Feb. 7:30 p. m. It is open to the public and anyone desiring directions or a ride, may call Jim Lindsay at 569-3733.

Mrs. F. M. McMurry is the current Lit. Club Mother of the Year. Mrs. F. M. McMurry was voted "Mother of the Year" of the Current Literature club, when members met in the home of Mrs. John Brookman, Friday, for a delicious luncheon and all day meeting, the purpose being "Report Time" to Santa Rosa District chairmen; the study and discussion of these reports which are due by Feb. 15th and other urgent business.

A resume of Mrs. McMurry's many qualifications for the honor of "Mother of the Year" will be prepared and reported to the Santa Rosa District chairman for judging.

Mrs. John Brookman, president, presided over the business session.

Mrs. Fred Hunt reported that the Rummage Sale, which was cancelled will be held at a later date.

Mrs. Ralph White, chairman, reported on the local Scholarship committee. She also reported that the Community Improvement program was presented to the club council. She said that a community chairman and Community Improvement chairman will be elected soon.

Mrs. C. E. Lundberg reported on the Therapy Project at Sheppard Base hospital. Members voted to continue with the cookies for this worthwhile project.

The report was given that Mrs. Hugh Preston, Jr., Leadership Development and member of the Forum Study club and Mrs. O. W. Ratliff, Teacher of the Year and member of the Burkburnett Study club, are endorsed by the Current Literature Study club for District honors.

The Guest Day meeting, Feb. 9th will be held in the home of Mrs. Ralph White, with Mrs. F. M. McMurry as co-hostess. Mrs. Buster Brown, guest speaker, Lecturer and authority on colors & fabrics in home decorations of Temple, Texas, will speak on Decorating you Home.

Mrs. M. E. Bean, leader, will tell about Ancient Customs - Architecture, colors.

Fourteen members attended the meeting and the luncheon which was served by the hostess, Mrs. Brookman.

Mrs. F. M. McMurry is the current Lit. Club Mother of the Year.

Mrs. F. M. McMurry Current Lit. Club Mother of the Year

Mrs. F. M. McMurry was voted "Mother of the Year" of the Current Literature club, when members met in the home of Mrs. John Brookman, Friday, for a delicious luncheon and all day meeting, the purpose being "Report Time" to Santa Rosa District chairmen; the study and discussion of these reports which are due by Feb. 15th and other urgent business.

A resume of Mrs. McMurry's many qualifications for the honor of "Mother of the Year" will be prepared and reported to the Santa Rosa District chairman for judging.

Mrs. John Brookman, president, presided over the business session.

Mrs. Fred Hunt reported that the Rummage Sale, which was cancelled will be held at a later date.

Mrs. Ralph White, chairman, reported on the local Scholarship committee. She also reported that the Community Improvement program was presented to the club council. She said that a community chairman and Community Improvement chairman will be elected soon.

Mrs. C. E. Lundberg reported on the Therapy Project at Sheppard Base hospital. Members voted to continue with the cookies for this worthwhile project.

The report was given that Mrs. Hugh Preston, Jr., Leadership Development and member of the Forum Study club and Mrs. O. W. Ratliff, Teacher of the Year and member of the Burkburnett Study club, are endorsed by the Current Literature Study club for District honors.

The Guest Day meeting, Feb. 9th will be held in the home of Mrs. Ralph White, with Mrs. F. M. McMurry as co-hostess. Mrs. Buster Brown, guest speaker, Lecturer and authority on colors & fabrics in home decorations of Temple, Texas, will speak on Decorating you Home.

Mrs. M. E. Bean, leader, will tell about Ancient Customs - Architecture, colors.

Fourteen members attended the meeting and the luncheon which was served by the hostess, Mrs. Brookman.

The number of local governments using the council-manager form has doubled in the past 12 years.

City Managers Double Number In Past 12 Years

The number of local governments using the council-manager form has doubled in the past 12 years.

The 1961 Directory of Council-manager cities just published by the International City Managers' Association, lists 1,756 cities, towns, townships, counties and other local governments. Included among these are 59 cities in Canada.

The 1960 census of population designates 1,759 urban places of more than 10,000 population in the United States. Forty-nine percent of those over 25,000 population and 38 percent of those between 10,000 and 25,000 operate under the council-manager plan.

Eighty-four cities adopted the plan during 1960 and appear in the directory for the first time. The average number of adoptions since January 1, 1949, is 73 cities per year.

The population of all places with council-manager government now exceeds 41.5 million.

There are four council-manager cities with populations over a half million: Dallas and San Antonio, Tex.; San Diego, Calif.; and Cincinnati, Ohio. An additional 51 cities with populations over 100,000 also use this form.

Under the system, a manager is hired to serve as administrative head of the city under the "general direction of the council." A substantial majority of city managers have received special training or experience in government. For example, of the 175 men appointed to their first jobs as managers during 1960, 76 percent had previous public administration experience, usually as an assistant manager, department head, or municipal intern. More than half of these new managers were under 40 years of age.

The council-manager form of government is 53 years old. It started in 1908 when the council of Staunton, Virginia, appointed a manager. Four years later, Sumter, South Carolina, became the first city in which the plan was adopted by a vote of the people.

Adoptions grew steadily but slowly during the first four decades of the plan. As many communities have adopted the plan since 1949 as adopted it in the prior 41 years.

Only 68 cities have abandoned the plan by referendum. Another 18 voted to abandon, but later readopted the council-manager form.

MRS. NANCY HOOK HONORED ON 84th BIRTHDAY JAN. 31st

The Homebuilders class of the Methodist church met at the home of Mrs. Nancy Hook on West Third Street, Tuesday, Jan. 31st and pleasantly surprised her on her eighty-fourth birthday.

Everyone enjoyed the social hour which was promoted by Mrs. Joe Gloger who was the hostess for the occasion. A beautiful birthday cake and coffee was served by the hostess to Mesdames Hettie Gilbert, Elizabeth Gragg, Forest Lowery, Florence Gage, Bess Moreman, Loma Henson, Lottie Stacy and Bedford Lawley.

Africa is within 10 miles of Europe.

Mrs. Marshall Young Hostess Feb. First University Club

The University Study club met in the home of Mrs. Marshall Young, Feb. 1st.

Vice president, Mrs. Crosley, had charge of the meeting in the absence of Mrs. Majors who was ill.

The meeting opened with the reading of the collect by members.

Mrs. Blake Browning had charge of the lesson on Civil Rights Facts on Segregation. When U. S. Churches Face up to integration was given by Mrs. Rigby. A discussion followed.

Mrs. J. M. Pogue brought a paper on Washington's worry. Mrs. Joy Sessums gave some interesting facts from the club Woman.

A lovely Valentine plate was served to one guest, Mrs. Edna Pink and the following members: Mesdames B. A. Brown, E. R. Burns, Kenneth Callege, B. N. Cauthorn, Bill Crosley, I. E. Harwell, L. W. Mathis, O. E. Melton, Jim Morris, J. M. Pogue, R. P. Reagan, S. S. Reger, J. R. Rigby, Joy Sessums, A. W. Houser, H. G. Williams, I. N. Witherspoon & the hostess, Mrs. Young.

FLYING BLUEBIRDS

The Flying Bluebirds held a regular meeting in the home of Mrs. A. P. Denton last week. During the business meeting, new officers were elected as follows: president, Becky Harwell; vice president, Sandra Austin; Secy., Linda Knox; Treas., Paula Swan; reporter, Susan Harwell; song leader, Selia Wickersham; bluebird wish leader, Wiggy Denton; bluebird assistant hostess, Judy Klinkerman. The girls made valentine dolls during the hand craft period.

DEVOL NEWS

Mrs. C. O. Woodley, Reporter

This community was visited by a heavy snow which began falling Sunday morning, Monday afternoon, there was an estimated 4 inches of snow on level ground and much deeper in drifts and low places.

Mr. and Mrs. Don Ellison and sons of SAFB visited Mr. and Mrs. Junior Turner and Rebecca and Linda Sunday.

Jim Gardner of Ponca City and Roy Gardner of Grandfield visited in the R. A. Odom home Saturday.

Mrs. K. L. Smith was returned home from a Wichita Falls hospital Saturday and is reported able to be up and about now.

Sgt. Rawleigh and family of Burkburnett moved into the Carl Powell residence Saturday.

Sgt. Rawleigh, who is stationed at SAFB, lived in Devol about ten years ago while being stationed at Sheppard at that time.

Mr. and Mrs. D. B. Tidwell and daughters Treva Lynn and Margaret Ann of Farmington, N. M. visited her parents, Mr. and Mrs. W. C. Charboneau, Monday.

Mr. and Mrs. A. S. Paterson of Amherst, Tex., and Mr. and Mrs. Landon Brown and children of Archer City, were Devol visitors Friday. The Browns are moving from Archer City to Sunnyside, Calif. Mrs. Brown is the former Dorothy Patterson, former Devol resident.

W. H. Stevens is reported somewhat improved at this time in a Wichita Falls hospital where he is undergoing treatment for a back injury.

Mr. and Mrs. G. A. Woodley and Mrs. Bessie Burleson of Wichita Falls visited Mr. and Mrs. C. O. Woodley Saturday.

Mr. and Mrs. John Sells visited their nephew, Mr. and Mrs. Jesse Smith and family several days this week.

Mrs. Callie Baumhardt left Sunday for a visit with her son, Ralph and family in Weatherford, Tex. She also plans on visiting in Ft. Worth and Waco before returning home.

Mr. and Mrs. F. G. McClelland and Gillis visited Mr. and Mrs. Richard Anderson in Burk Sunday.

Science Fair Students to Visit S A F B

Entrants who score highest in each science study project category of the 1961 Oil Belt Regional Science Fair-North to be held at Midwestern University March 16-18 will visit Sheppard Air Force Base for a lecture-tour of Missile Training.

The Atlas and Titan ICBM and Thor IRBM missile systems will be presented. Winners in each of five special subjects will also receive certificates of achievements from the Air Force.

Project areas in the Senior Division to be judged by Air Force officials are (1) Aerospace sciences (2) Electronics (3) Nuclear Science (4) Aerospace Medicine and (5) Aerospace power. The criteria for evaluating entries place major emphasis on scientific thought and creative ability. Other points judged will be dramatic value, skill, clearness and thoroughness.

The Aerospace Age provides many unusual opportunities to students interested in competing with their ideas and skills. Aerospace Sciences are principally concerned with the motion of bodies and forces acting on them during movement from the surface of the earth into the realm of space. Motions include trajectories and orbits plus accelerations. Forces are gravity, inertia and stresses produced thru motion, together with heat and erosion problems.

Dean's Space Drive is an excellent example of a project.

Relativity effects due to motion near the speed of light as formulated in Einstein's Special Theory and inertial effects predicted by his General Theory also offer project opportunities. The fields of mathematics and meteorology are also included in this project classification.

The Aerospace Power classification covers both the astronomical sciences and the aeronautical field. Here the concern is mainly with actual air and space vehicles, their associated equipment, weapons and the crews who operate the vehicles. Projects can be identified from rocket aircraft to exotic light driven space sailcraft; from missile launchers to moon space stations.

Project exhibitors in Nuclear Energy have many subjects to explore; these range from subatomic particle detection and behavior thru harnessing the atom in fission and fusion, to theories of matter and the universe itself. The unlocking of the secret of gravity lies somewhere in the nucleus of the atom and its mysterious fields and motions.

Electronics has unlimited possibilities among the newly emerging solid state applications such as MASER and LASER. These crystal devices lend themselves to fascinating possibilities for projects. Some science students may discover the key to wireless power transmission by study in this area.

BAPTIST CHURCH NEWS

Seven people were elected by the church recently to serve with the pastor on the church council. The council will outline and plan the activities of the church in close cooperation with all church organizations. Those on the council are Sonny Cole, Brotherhood; Gertrude Farmer, Missions; Bryan Harrison, Training Union; Sammie Harrison, Youth; Robert Hopkins, Sunday School; L. E. Jeffreys, Building and Grace McClurkan, Nursery. The council will meet the second Monday of each month.

Midweek services are being held each Wednesday evening from 7:00 until 8:15 p. m. At 7:00 p. m. the teachers and officers meet, the Jr. and Intermediate GA's, Sunbeams and Nursery. A worship service is conducted from 7:45 to 8:15.

Several new leaders are now serving in the Devol Baptist church. Mr. L. E. Jeffreys is teaching the Jr. boys Sunday School Class; Mrs. Billie June Jeffreys has the beginners class and Mrs. Lucille Coles is the director of the Intermediate girls auxiliary.

A new Sunday School class for men was organized last Sunday. The name of the new unit is the Friendship class and Dean Burk is the teacher.

Church business meetings are held the first Wednesday evening of each month. Each Thursday is Visitation Day. All teachers and other leaders are asked to meet at the church either at 9:30, 2:00 or 7:00 p. m. to visit.

The Royal Ambassadors meet each Friday after school.

Those attending the Tillman Association Youth Rally last Sunday were Evah and Sandra Garvin and Dean and Mary Anne Burk.

Looking Over Plans for the Proposed New Bath House at Swimming Pool

Left to Right: Mr. Jay Ash, Mr. H. A. Thomason, both with Joe Ward Engineers; Mrs. Beverly Preston, chairman of Bath House committee; Mr. Clovis D. Mann, City Manager, and Mr. Floyd Marten, President of the Burk Swim Club.

Research in animal and plant life in space or in a controlled environment makes Aerospace Medicine a natural for the budding Bio-physicist and Biochemist Projecteer. Man in Space presents untold problems, and each problem is a potential project.

Mr. Arthur Beyer, Department of Biological Science, Midwestern University and Mr. E. B. Fincher, Director of Instruction, Wichita Falls Public Schools are co-Directors of the Science Fair. Contestants should consult their science teachers concerning the conduct of their research and their projects as well as the rules for entry and display.

Additional information on the categories in which the Air Force will award certificates may be obtained by contacting Major Warren R. Aiken, Sheppard Air Force Base Project Officer, extension 8223 or at home 723-9086.

The Chinese language and its dialects are used by nearly 500 million people. The English language by a little more than 270 million.

According to the French Academy, the actual number of languages spoken and written in the world is estimated at 2,796.

Local Church of Christ Organized In 1907 by Only Nine Families

(EDITORS NOTE: This is the first in a series of articles about our churches and their ministers.)

By Mrs. Billie Mann

Mr. Tommy Swearingen, Minister of the Burkburnett Church of Christ since November, 1959, was born in Dallas, Texas, on September 28, 1928. His family moved to west Texas where they lived for several years on a farm, returning to Dallas in the late 30's.

Mr. Swearingen has six brothers and sisters living in Texas, Colorado and California. His parents live in Denver, Colo. After attending the Dallas public schools, Brother Tommy (as he is addressed) enlisted in

the Army and served with the 82nd Airborne Division during World War II. Upon his discharge from the service, he worked in electronics in Dallas and remained in this field until entering the ministry full-time. He received his Bible education through Abilene Christian College.

His family includes his wife, Helen and his two daughters, Sharon, age 13 and Gayle, age 12. His hobbies include electronics (he was a Ham Radio Operator), boating, bowling and fishing.

The first congregation he

served as minister was Kemp, Texas, a small town about 50 miles east of Dallas. Since then he has worked with churches in Dallas and served with the Arvada, Colo., congregation for five years, before beginning his work in Burkburnett.

The Burkburnett church was organized by nine families in the summer of 1907, as the first church of Christ in Burkburnett. They began meeting in the Odd Fellow's Hall, with Bob Brannon and Tom Finley serving as the first elders. Mr. Bob Fitzgerald, then of Iowa Park was secured to hold a gospel meeting. During the meeting, plans were made to build a meeting house. Lots were purchased and a small frame structure was erected at the corner of Ave C at 5th street. In 1915 Charles Taylor of Petrolia moved here & served as their minister for three years.

The church has grown and prospered since those early days. The present property, located at the corner of Ave C and 1st consists of two distinct buildings, the classroom building, erected in 1929 and the auditorium completed in 1957. The value of these combined facilities is estimated at \$125,000. A new house was built for the preacher in 1960, and the church is already making plans to build a structure to adjoin the auditorium which will house eleven classrooms and a library. Plans are to begin construction soon.

The church of Christ is organized with a plurality of elders as overseers. The elders directing the work of the church at present are L. J. (Buddy) Byars, Austin Bulla, Cliff Cannon, Clark Gresham, Charles E. Fletcher & L. E. McCuiston. Upon being asked if he had any special message for Burkburnett citizens, Bro Tommy replied, "I would like to commend the citizens for their friendship, and encourage them to worship God regularly; to study the Bible and teach it to their children to participate in any and all community projects that will better our city. I would also like to invite them to be our honored guests at the services of the Church of Christ."

Texas public schools enrolled 2,129,967 students and employed 83,050 teachers in 1960-1961.

Texas today has 1,531 school districts; in 1948-49 it had 4,474 districts.

If It's For Sale — ADVERTISE!

Tommy Swearingen, Minister, Church of Christ

THOUGHT FOR THIS WEEK . . .

(The Burkburnett Church of Christ is featured this week in the first of a series of articles concerning our churches and their ministers. The following article is the "Thought for this week" written by Tommy Swearingen, Minister.)

"Do not be anxious about your life, Matt. 6:25-34.

Worry seems to find a dwelling place in the minds of all of us. The rich, the poor, the old, the young, the short, the tall, the educated and the uneducated, all fall victim to this invisible nerve racking force.

Help in combating this destroyer of inner peace has been sought thru psychology, medical science, drugs and countless other media and yet the quick and sure cure seems to escape us.

Now, along comes this Jesus and without a moments doubt or pause says, "Do not worry about you life." Indeed our friends have told us, "do not worry about this problem or that problem" but the Christ gets at the root and core of worry by stating it's cause, your life. Yes, your life. Its not others, or even environment that produces worry, but our very own thoughts, desires, fears, wants and character, which things make up our lives.

Let us not, however, misunderstand the Master. He is not saying that worry can be cured simply by thought or desire. As we read onward we find the condition upon which the Lord has based his charge against worry. Do not Worry—seek first the kingdom of God. Herein lies the key to security, peace and the abundant life.

Perhaps you are now thinking that this simple statement just couldn't cover such a vast subject as worry. You are right about the first, it is simple; but wrong about the last, it does cover worry and all other basic problems of life.

"Seek kingdom first" is active, positive and anything less than this for a thing so great as life will not do. "Love your enemies—hating the secure will not help the insecure. "Do good to them that despitefully use you"—a humble person cannot be humiliated.

"Remove the mote from your own eye first", one who looks for his own faults usually finds very little fault with others. It is more blessed to give than to receive", selfishness is overcome only by giving something of value to another. "Whatever things are beautiful, pure, just, good, virtuous and praiseworthy; think on these things," only positive thinking can direct us along a positive path.

On and on we could go until we touched on every phase of our lives, but let this which has been said be our starting place, and when we have made positive application of these active principles we shall have laid hold on the meaning of our Lord's statement "Do not worry about your life."

Tommy Swearingen, Church of Christ

David Carl Henson of Grand Prairie, Tex., visited here last week with his grandparents, Dr. and Mrs. Carl Morrison.

Billy H. Shipman Gets Commendation

Billy H. Shipman, machinist's mate third class, USN, son of Mr. and Mrs. D. A. Shipman of Burkburnett, received the Navy Unit Commendation, Dec. 14th, from the Secretary of the Navy for outstanding achievement while serving aboard the experimental auxiliary general USS Observation Island operating out of Port Canaveral, Fla.

The award was made to officers and men of the ship for their accomplishments in connection with the first successful firing of the Polaris fleet ballistic missile. The commendation was presented to all personnel serving aboard the observation island from Jan. 3, 1959 to July 20, 1960.

The success attained in the test program by the Observation Island has furnished the United States with one of its most potent, deterrent weapons. Since August, 1959, when the

ship made the firing of the Polaris missile, the ship has supported operations from the submarines USS Kingston and USS... Now capable of new 1,500 Polaris A2X... operating as a... Operational Test... force.

Resolution Supporting Percentage Depletion Provision of Federal Income Tax Applicable to Oil and Gas Production

HEREAS, in 1961, Committee of the Congress of the United States will study proposal for the revision and amendment of the tax laws of the Federal Government, and studies will necessarily include the twenty-seven and one-half percent depletion provision applicable to oil and gas production; and

WHEREAS, such provision has great incentive to invest in the search for adequate supplies of oil and gas production; and

WHEREAS, such provision is a key to adequate and abundant supplies of petroleum products at reasonable prices to the consumer; and

WHEREAS, it is not a "loop-hole" or a "windfall" but instead a restoration of the full economic value of the resources of the country; and that such provision will encourage exploration and discovery of oil and gas reserves;

WHEREAS, THEREFORE BE IT RESOLVED, That the Board of Directors of the Burk Burnett Chamber of Commerce declares its support to the twenty-seven and one-half percent depletion provision for oil and gas production in the Federal Income Tax Laws; and that its officers, directors, and staff organization are authorized to register the opposition of organization and its membership to the members of Congress and other branches of the government in any proposed action in the present rate depletion.

ONE at Burkburnett, Texas, 7th day of February, 1961.

WHEREAS, the Board of Directors of the Burk Burnett Chamber of Commerce wish to do everything within their power to help and aid the city of their community, and

WHEREAS, it has been brought to our attention that some of these citizens are being disfranchised of their right vote in Texas because of military status, and

WHEREAS, these are the very people whom we trust the provision of our freedom, and

WHEREAS, they are property owners and are being taxed because of their military status they can not vote, therefore,

RESOLVED, that the Board of Directors of the Burk Burnett Chamber of Commerce does hereby go on record as opposing this practice of taxation without representation which appears to be a violation of our

constitutional freedom, and be it further.

RESOLVED, the Board of Directors request the Texas Attorney General, to rule on this blight on our freedom, and it is further,

RESOLVED, if necessary new legislation be introduced and passed to effect this Resolution.

Done at Burkburnett, Texas this 7th day of February, 1961.

President Meets With Mayors

By Mrs. Billie Mann

According to the Washington Municipal News, President-elect John F. Kennedy met in New York, January 10th with American Municipal Association's President, Mayor Don Hummel of Tucson and U. S. Conference of Mayors, Mayor Richardson Dilworth of Philadelphia, to discuss federal policies affecting the nation's local governments.

The new President assured the Mayors of his great interest in developing improved federal programs to assist local governments and indicated that action to establish a Department of Urban Affairs was already under way. He indicated that both municipal organizations would be asked to advise the Administration as to the final shape the proposed Department should take.

He emphasized his appreciation of the complexity of urban problems, the great need for coordination of federal programs affecting urban areas, and that he did not limit his vision of the new Department to the simple elevation of housing to Cabinet status.

Both mayors reported being impressed with the President's interest and broad knowledge of municipal problems and were much encouraged by his determination to see needed urban development and housing legislation enacted during this Congress.

HOW TO TEST YOUR AGE

Do you remember when a wheel was a large circular frame used for transportation?

A drip was a leaky faucet?

A bug was an insect?

A square was a figure with four equal sides?

Maverick was the name of an unbranded calf?

(From Feb. 3rd issue of "Bulldog Growl," Burk High School)

Sheppard Officers' Wives To Hold Tea

For the first time in the history of the Sheppard Air Force Base Officers' Wives Club, an International Tea will be enjoyed on Feb. 22nd by all OWC members, their guests and prominent ladies from Wichita Falls, Burkburnett and Henrietta.

In order for this very special affair to be a complete success, the membership is asked to display their priceless, interesting, beautiful or unique items from foreign countries, or any antiques from America that they may have in their possession. These items may include costumes (which the owner may model herself), unusual pieces of furniture, silver, china, dresden figurines or jewelry.

All items on display will be carefully guarded. It will be the owner's responsibility to bring her treasures to the Officers' Open Mess on the day of the Tea no later than 10 a. m. The Club's responsibility ends at 7 p. m. on the evening of the Tea, when all articles displayed must be claimed by their owners.

Any member of the Officers' Wives Club may call Mrs. Edward Dvorak, the Selection and Staging chairman at 723-1785, if they would like to display their treasures, or any member of her committee: Mrs. B. Williams, (Oriental only), 322-2283; Mrs. William Drake, 322-5834; Mrs. F. T. Watrous, 767-7764; Mrs. Frank Elliott, 322-7085 or Mrs. O. V. Greene, at 723-2850.

The Tea table will be laden with foods prepared by the Officers' Open Mess, from recipes of foreign lands that will be donated by the membership. The members are asked to call Mrs. R. B. Daniels, the Food and Recipe chairman at 322-9674, if they have any recipes suitable for a tea table or if they would like to prepare the food themselves. The ladies helping on Mrs. Daniel's committee are Mesdames J. L. Harris, A. T. Fasan, C. B. Tilton, O. R. Rugh and R. E. Clark.

Mrs. C. E. Petty is chairman of the Invitation committee. The time designated for the Tea is from 2 p. m. until 4 p. m. The members may secure invitations for their guests at the following addresses: In Wherry Housing, Mrs. S. Kulik, 55 Beaumont and in Capehart, Mrs. Walter Fairfax at 210-A Polaris. The other members on Mrs. Petty's committee are Mesdames H. L. Hartsoe, W. D. Owens and P. H. Pike.

The husbands of all OWC members and guests may attend from 4 p. m. until 6 p. m., when international beverages will be served.

Mrs. William Harrison, the OWC first vice president, and her co-chairman, Mrs. B. B. Campbell, are in charge of this affair, with Mrs. T. E. Moore as advisor.

Mrs. Martin Coleman is the Publicity chairman and her committee who are in charge of posters are Mesdames James Kimble, Edward Fairburn and Creig Mahaffey.

Mrs. Roy Kirkland is chairman of the Decoration committee. Assisting her are Mesdames C. W. McClean, L. C. Ayars, Stephen Fish, William Lemmon, Howard Jarrell, Ronald Utecht, Harrison Black and A. Keathly.

Prepared by National LP-Gas Council

You have a real treat in store if you've never dried a blanket in an automatic clothes dryer. They come out softer and fluffier than ever before. Woolen blankets which have been stored in moth crystals may be tumbled in the dryer to freshen them. You can also revitalize quilts, quilted housecoats, and mattress pads. The action of an LP-Gas dryer fluffs the padding. You needn't wait for a clear, windy day to dry chenille spreads or bathroom rugs. Your dryer will fluff-dry them in a matter of minutes.

Over 85 million Americans have not had the required polio vaccine to make them immune to this crippling disease.

Ladies Aid Of Clara Lutheran Church Met For Monthly Meeting

The monthly meeting of the Clara Lutheran Women's Missionary League (Ladies Aid) began with the convention of the Executive Board at 1:30 p. m. The meeting proper started at 2:00 p. m.

The meeting was called to order by the president, Mrs. Arnold Kiesling. We sang five verses of "O God, Thou Faithful God." Pastor Louis Boriack read the scriptures Acts 9: 36-42 and opened with a prayer. The preliminaries were concluded by verse six of hymn 395.

The president welcomed the visitors and greeted the members. The secretary, Mrs. Albert Brockreide read the minutes of the Jan. 12th meeting. The treasurer, Mrs. Raymond Schroeder reported that the Aid is clear of all debt. Due to illness the membership chairman Mrs. Virgil Klinkerman and the card chairman, Mrs. Don Holtzen were unable to be present to give their reports. Mrs. L. H. Klinkerman read a letter concerning the LWML. Donations for Mite Box were given. There was no shower committee report as a shower would be in conjunction with the meeting. These committees were changed: Visiting (for calls to the ill or infirm & aged, social calls to interest new members and old in better attendance), Mrs. L. H. Klinkerman, Mrs. Arnold Kiesling; Shower, Mrs. Geo. Alexander, Mrs. Louis Boriack, Mrs. Albert Brockreide & Lina and Frieda Goetz; Altar, Mrs. Richard Schroeder and Mrs. Walter. Mrs. O. E. Klinkerman gave the Mission Report. All things being in order a motion was made and seconded that these reports be accepted as read.

Since there was no new business the old business was brought forward. The suggested projects, for money making and philanthropic were: A bulletin board for the church lawn, Bibles for the pews, a cry room or nursery, need of chairs to be donated at the State Hospital, and clothes for a store, a LWML year book, Aid for our community as well as abroad was discussed.

It was decided that Mrs. Raymond Schroeder and Mrs. C. M. Thompson should find a source to construct the bulletin board incurring as little expense as possible. The ladies will quilt for anyone who furnishes the materials at one dollar per spool of quilting thread. They will start Feb. 16th. Mrs. Arnold Kiesling, Mrs. Albert Brockreide & Mrs. Jack Hodgkins are to work on the Year Book for next year.

Mrs. Walter Siber and Mrs. Arnold Kiesling went to a meeting in Wichita Falls for the Christian Workshop. Mrs. Siber gave a clear report on "Do You Find it Easy to Forgive and Forget?" and backed it with scriptures from the Bible. Mrs. Albert Brockreide gave a stimulating topic report of a Woman on a Mission. She based her report on John 20-21 and John 15-16.

Pastor will have the Lord's Prayer for next months topic. Mrs. Richard Schroeder will be the hostess.

Pastor said a prayer and all joined in the Lord's Prayer and the table prayer. After roll call, refreshments were served by the shower committee, Mesdames Deanna Schroeder, Bill Schroeder, Carol Sue Smith and Della Ramming.

After the LWML all present honored Mrs. Rosa Lee Graft Thompson with a wedding shower. Mrs. Ella Graft, mother of the bride, and Mrs. Pat Montgomery, sister in law, were honorees. She graciously accepted her gifts with thanks. May you have a long, happy & successful wedded life.

Witnesses were: Mesdames J. C. Muller, Terry Tedman and Laura, Raymond Schroeder and Ken, Davy and Mark, Oscar Klinkerman, Laura Brockreide, Lawrence Klinkerman, O. W. Prechel, Arnold Kiesling, Albert Brockreide, Walter Siber, Louis Boriack, Della Ramming, Wayne Smith, Edgar Siber, Theodore Kramer, Ed Heiserman, Emile Schroeder, Will Ramming, Arnold Holtzen, Jack Hodgkins, Lena and Frieda Goetz.

The Ladies Choir practiced inspite of colds and absentees. We'd like to see more volunteers. Mrs. Ed Heiserman and Mrs. Jack Hodgkins received a gift from their Sunshine Pals for a fiftieth wedding anniversary and a birthday respectively. We wish all our members to come to the March 2nd meeting and bring a friend.

Lake Michigan is the only one of the Great Lakes belonging entirely to the U. S.

More geysers are found in Yellowstone National Park, in northwest Wyoming, than in any other part of the world.

NEWS LETTER

From U. S. Senator Ralph Yarborough

Within a few weeks nearly 150,000 needy Texans, mainly the families of men who cannot find jobs, will be able to secure the food required for balanced diet.

Faced with rising unemployment, President Kennedy did not waste a day in striking at hunger and malnutrition in America. His first executive order was that the surplus food being given to needy persons be supplemented in order that all those drawing such help could receive enough for minimum nutritional requirements.

Texas Public Welfare Officials inform me that 68 counties and cities in our state were distributing surplus food packages to some 137,000 Texans at the end of the year 1960. What's more, with above normal seasonal unemployment it is expected that surplus food packages will be needed for several thousand more Texans in the next few weeks.

Latest state employment figures, which are for November, show there were 25,600 people hunting jobs in Houston, 33,450 in the Dallas-Fort Worth area, and 7,650 were looking for work in the Beaumont-Orange-Port Arthur vicinity. Total unemployment in Texas in November was 184,300, the highest for that month since the 1930's, according to reports by the Texas Employment Commission. It is estimated that nationwide unemployment is now 5½ million.

President Kennedy has made it clear that his Administration is planning to do everything possible to work with members of the Senate and the House to start programs which will as he says, "start America moving again." All of us recognize the great challenge before us to help build an economy where every man can earn for himself and his family the basic necessities of life—food, clothing, shelter, medical care and education.

But while we search for new programs to help broaden employment and increase our national productivity, it is entirely fitting that we immediately move to alleviate hunger and malnutrition for families of those without work, the needy senior citizens and other unfortunate.

Upon President Kennedy's direction, Secretary of Agriculture Orville Freeman is purchasing canned pork and gravy, dried eggs and peas to supplement the previously heavily starch commodities that afforded only 35% of the nutritional needs for a subsistence diet.

President Kennedy's first executive order was the act of a responsible concerned leader and one which I believe will have the approval of most Texans.

About five billion meteors strike our Earth's atmosphere every day.

Modern bowling was introduced into America by the Dutch.

75th Anniversary of Alumium Age

By Mrs. Billie Mann

Two national television programs sponsored by Reynolds Metals Company will feature the observance this month of the 75th anniversary of the beginning of the Aluminum age.

Two minute messages on the ABC-TV programs "Harrigan and Son" and "All Star Golf" will commemorate the discovery in 1886 of the modern process for making aluminum. "Harrigan and son" will include the anniversary feature in its Feb. 10th program and "All Star Golf" on Feb. 18th.

Announcer Rex Marshall will say: "This is a special message about a very special occasion, the discovery of the process that makes aluminum the second most widely used metal today."

"Napoleon stimulated interest in aluminum, but it was not until 75 years ago this month that a young graduate of Oberlin College worked out a process that transformed an Emperor's treasure into everybody's metal, economical and versatile."

"The young man—Charles Martin Hall—the man with an idea."

"And his laboratory—a simple woodshed behind his house."

"And here in a museum at Oberlin College is the crown jewel" of the aluminum age—the first nugget of aluminum produced by a practical process in Hall's woodshed back in 1886.

Reynolds estimates that the two programs are seen by 25 million persons each week.

WORKING WITH WOOD

Tree Height Growth

If a tree branch was 10 feet above the ground when the tree was 10 years old, how high would that same branch be when the tree becomes 20 years of age or older? The limb would be 10 feet above the ground regardless of the tree's age. The same answer applies to the height of a spike driven into a tree and then measured years later. The spike, like the tree limb, will not rise higher from the ground as the tree grows older.

Height growth of trees is a stretching process. It is an adding or building process which originates in the tops of the tree tops. Each year a new cloak of wood grows over the entire tree. Consequently, the base merely gets thicker and height increases only at the tree top. Thus, tree height growth is similar to the stacking of inverted ice cream cones one over the other.

A ship sails northwest in going from the Pacific to the Atlantic thru the Panama Canal.

Alvar Nunez, better known as Cabeza de Vaca, was the first white man definitely known to have set foot on Texas soil.

State Bills Affecting Cities Under Study

By Mrs. Billie Mann

Many House bills, several of which will have a decided effect on municipalities, are being entered in the House at Austin.

Among the many bills that directly affect cities are the following:

HB 14. Firemen's Arbitration. Provides submission to arbitration any grievances and disputes concerning the fairness, reasonableness or adequacy of firemen's salaries, hours of work, condition of work, etc. of cities more than 10,000 population.

HB 43. Check-offs — Union Dues. Provides for assignments of and deductions from wages of city employees, as well as other public employees.

HB 44. Wages and Hours on Public Works. Establishes maximum work hours at 8 hour day and 40 hour week. Provides for time and a half for overtime work.

HB 3. Annexation. Provides for extraterritorial jurisdiction for cities of 5,000 to 25,000 population to one mile. Restricts annexation to area within extraterritorial jurisdiction provides no city may annex in one calendar year more than ten percent of its size.

HB 35. Disaster Prevention Planning Board. Provides for mandatory creation of office of county fire marshal in counties of 500,000 inhabitants; optional in counties of less population.

Bills have also been introduced on Planning and Zoning, Paving assessments and abandonment of streets and alleys. HB 279, if passed authorizes all incorporated cities to regulate certain property for the purpose of promoting the health, safety and welfare of the inhabitants. Provides for the cleaning of weeds, trash and rubbish from vacant lots by municipal employees and assessing a lien against such lot or property for the cost incurred in such cleaning.

Contemporary Club Served Lunch Sat. At Farm Auction

The Contemporary Study club served lunch at a farm auction Saturday, Feb. 4th near Randlett, Okla. All proceeds will be used for community improvement projects.

Club members donated sandwiches and pies for the affair. Workers were Mesdames F. S. Thaxton, Cliff Wampler, F. A. Eastman, M. D. Cheney, Joe Crowley, Oran Wilson.

The Statue of Liberty was presented to the American people by the French government on the hundredth anniversary of American independence.

TAKE YOUR PROBLEMS TO CHURCH -- MILLIONS LEAVE THEM THERE

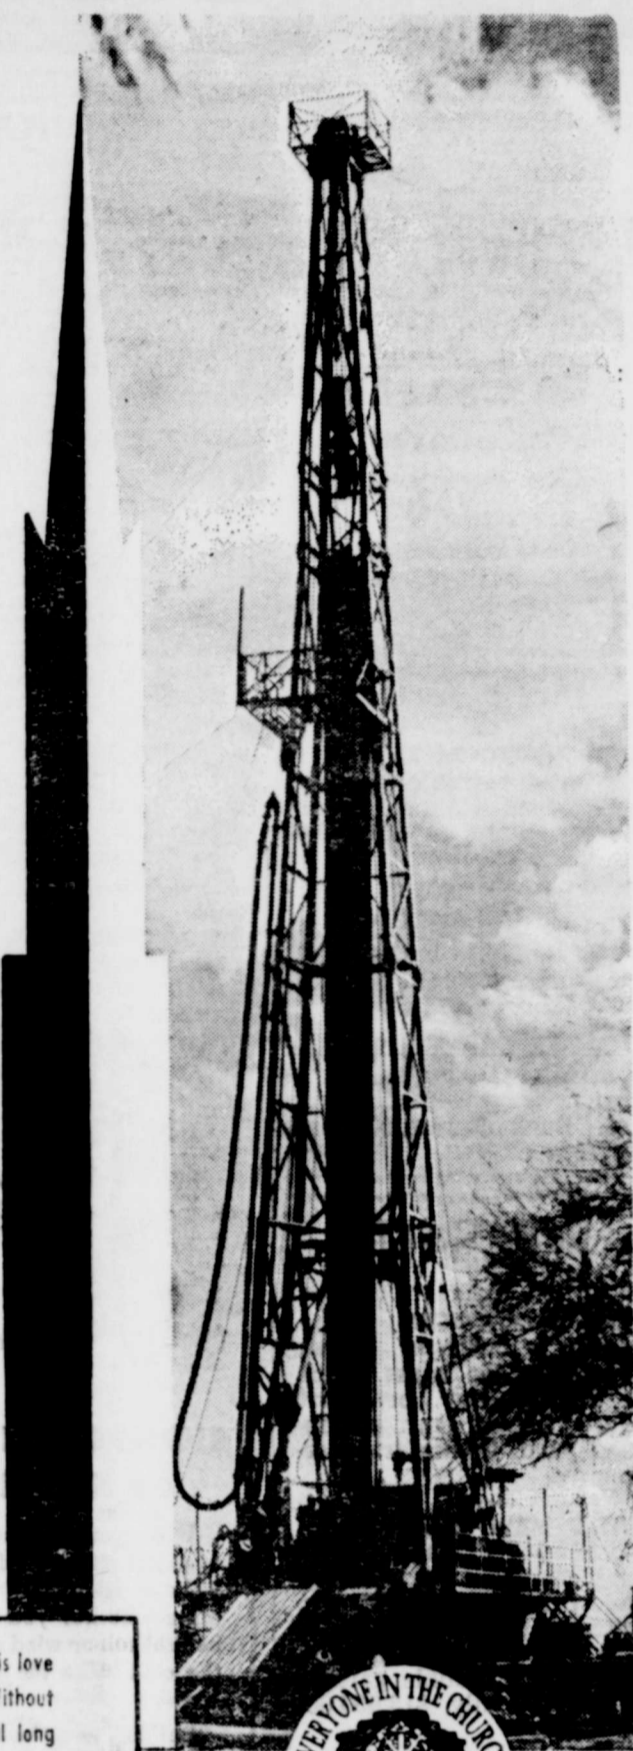

STRIKE IT RICH!

The oil well is truly a symbol of financial richness . . . the Church is the symbol of spiritual richness.

"That he would grant you according to the riches of his glory, to be strengthened with might by his Spirit in the inner man; that Christ may dwell in your hearts by faith; that ye, being rooted and grounded in love, may be able to comprehend with all saints what is the breadth, and length, and height, and to know the love of Christ, which passeth knowledge, that ye might be filled with all the fulness of God."

© 1960, Coleman Adv. Serv., P. O. Box 4687, Dallas, Texas

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Wacker's Store Opened Feb. 3rd

By Mrs. Billie Mann
 Open house was held Friday, Feb. 3rd in the beautiful new Wackers 5 and 10. Mr. Marion Taliaferro is the store manager. Mr. Taliaferro states that his store carries over 12,000 items for your shopping pleasure. The store is featuring the new self selection type fixtures for easy shopping. The customers may shop as they please and pay as they leave.

Bud Dulworth Now Junior Member of Angus Association

Bud Dulworth, 1. Burkburnett, has been granted a junior membership in the American Angus Association at St. Joseph Mo., announces Frank Richards, secretary. His new junior membership, issued during December, enables him to register his purebred Angus at regular membership rates and entitles him to the privileges of the Association until he reaches the age of 21. At that time he will be eligible to convert to a lifetime membership in the Association. Bud was one of 63 young people in the United States to receive junior memberships last month.

SINGING BLUEBIRDS

The Singing Bluebirds met Friday, Feb. 3rd in Mrs. Greer's home. After the business meeting we practiced a song for the Father and Daughter banquet. Then we painted angel plaques to hang on the wall. Carol Nichols brought the refreshments. Those present were Trudy Faulkner, Jeanette Bedford, Pat Milstead, Kathy Welch, Sue Elliott, Carol Nichols, Teresa Rush, Judy Greer, Sherry Wilkins, our leader, Mrs. Rush and assistant, Mrs. Greer.

HOMEOWNER?? or HOBO??

What you do about insurance protection within the next 24 hours might very well determine whether you remain a homeowner or wind up "out in the cold" like the gentleman above.

Building costs have doubled. Would you be able to replace your home if it is destroyed tomorrow? Not if it is insured by 1946 standards.

Be sure your insurance protection is up-to-date. Our free protection check costs you nothing, and may save you thousands of dollars.

M. C. Tucker Dies Suddenly At Home In Burk

M. C. Tucker, a resident here for 30 years, died suddenly at his home Tuesday night following a lengthy illness. Tucker was born May 18, 1889, at Whitman, Ark., and came here in 1931 from Byers where he had lived for several years. He was a retired insurance agent. Tucker and the former Miss Jane Householder were married June 25, 1912 at Byers. She survives. He also leaves three sons, Kenneth Tucker of Burk Burnett, Matthew Tucker of Corpus Christi and George Tucker of Austin. Arrangements are under direction of Owens and Brunley Funeral Home of Burk Burnett.

Sidney Smith Gives Instructions On CD Radio Operations

Sidney Smith, head of the County's Civil Defense fire-fighters group, discussed FCC rules and regulations in the operation of the radio communication system recently installed in Burk Burnett, Olney, Electrica, Sheppard Air Force Base, City View and the State Hospital. The radio base station was recently installed in Burk Burnett, with mobile units in other county cities. Burk Burnett has two mobile units already installed in two of their fire trucks. A working agreement among the various cities in the county gives county-wide communications in case of a disaster whether natural or man-made. The base station in Burk Burnett, with antenna on top of the water tower, is manned on a 24 hour basis. City Manager Clovis Mann & Chief of Police Kenneth Gage from Burk Burnett attended the meeting. Representatives from the other cities were also present.

Lions to Hold Pancake Sale Sat., Feb. 18th

The Burk Burnett Lions Club will hold its annual pancake and sausage event all day Saturday, February 18th. Each year the club observes a pancake and sausage day. Last year Lions served more than 800 hungry guests during the fifteen hour day. Money from this sale will go into a special projects fund.

Card Of Thanks

With deepest gratitude, I wish to extend this word of thanks to my many friends for the cards, flowers, gifts and visits I received and for each prayer in my behalf during my stay in the hospital, also thanks to the ones who gave blood. May God bless each one of you.
Perry Bowman

Final Rite Friday For Paul

Funeral services scheduled for at 2:30 p. m. for Mr. Paul Tucker, who died at his home Tuesday night, will be held in the home of Mr. Taylor Tipton, 569-2328 (George) or 569-2327 (Cliff).

Stage Band Meets Rough Competition At QuanaH Contest

By Jerry Dale Mann

The Burk Burnett High School stage band, under the direction of James C. Wickersham, put on a great show at QuanaH Friday afternoon, in spite of stiff competition. Being placed in a 4-AAA classification for the first time, they competed against bands from Wichita Falls and Oklahoma City. The Wichita Falls stage band came in under a first division. The Burk band rated highly among these two large schools. The band played Mr. Wickersham's arrangement of "California, Here I Come" and "Undecided." The band accompanied Pam Stalaland as she sang "Lover Man" and "Rock-a-Bye Your Baby." Members of the band are Dennis Harsh, Katrina Wehking, Loretta Brocker, Patricia Simons and Rosemary Doughty, saxophones; Judy Brister played baritone sax; Edd Chavis, Mike Matherly and Ronny Anderson, trumpets; Sam Gilbow, Connie Siedel and Howard Wooten, trombones; Johnny Cools played bass; Sharon Boyle and Dennis Smith, Piano and drums respectively.

Tom Shaw Suffered A Heart Attack

Tom Shaw suffered a heart attack Saturday night and was taken to the hospital. Reports indicate slightly improved condition.
