Outside These Counties **\$3.00**

New Money For Texas

A unique program—one designed to make money for the State, rather than spend it—has been submitted to the Texas Legislature.

It is a budget request from the Texas Development Board asking \$300,000 a year for the next biennium for tourist advertising, to be handled by the State officially designated tourist agency, the Texas Highway Department. Action is needed to protect and expand the Texas tourist market, for it is a significant source of income: tourist now pay \$17 million in direct State taxes annually. At a time when Texas is facing aggravating tax problems, it makes good sense to take advantage of a source of tax revenue with almost unlimited potential.

Tourism is recognized nationally as a legitimate cornerstone of community development. The U. S. Department of Commerce states that a town which can attract two dozen tourists a day has a source of income equivalent to an industry with a \$100,000 annual payroll. The tourist dollar is new income, earned elsewhere but spent in Texas, for the eventual benefit of all Texans.

But while the national tourist market is in the midst of an unprecedented boom, the Texas market is in a spiraling decline due to hot competition from other states. Texas is 20 years behind the times in advertising its bountiful attractions.

When Texas enters this field, the experience of other states indicates it will reap a handsome profit. Our neighbor New Mexico gets \$34 in state taxes for each dollar spent for tourist advertising; Arkansas gets \$40 in taxes for each advertising dollar. Some other states report even larger dividends. Tourists generally buy those items which carry the stiffest state taxes. Tourist advertising doesn't cost—it pays.

It is not a giveaway; it will bring in new tax revenue, put people to work, stimulate business, and channel millions of new dollars into our State's economy. With the State Treasury not only broke but millions in the red, why not officially invite tourists to come to Texas? They'll enjoy their visit and at the same time help ease our tax burden. Tourist advertising is a sound investment for the State of Texas.

What Makes Main Street Go?

This week throughout the 50 states some 11,000 editors of smaller daily, weekly and semi weekly newspapers will lock up their forms and "go to press." Their papers will carry the only broadly circulated written record of the people and events, the problems and opinions that shape our lives in the community, the state and the nation. Their editorial pages provide the greatest forum of independent free expression in the world. The value of this in a country where majority opinion will decide public policies with which we all must live cannot be over-estimated.

On the pages of these thousands of papers will run the advertising that gives the spark to the engine of private enterprise. Our tremendous transportation and retailing system, capable of moving and displaying all the nation's wares, would be of little use unless people knew what products were available, at what cost, where they could be purchased, and in addition, were inspired with the desire to buy.

Advertising makes Main Street go in every city, town and village throughout the 50 states. The head of every family knows that the only way to find the right price for the quality merchandise desired is to compare the advertisements, whether the problem is making out the week's grocery list, buying a new house or trading in the old car.

Advertising supports the radio and television programs, the magazines and periodicals which provide information, news and entertainment and it makes independent newspapers possible. There would be no free press were it not for advertising by the local merchants and industries who support the press but do not control it.

Whether you are selling, buying or merely interested in remaining a free informed citizen of the United States, advertising performs a three-sided and indispensable service.

Paste This In Your Hat

When requested recently to explain remedies to our national dangers, of which there is an over supply, Herbert Hoover said, "There are many reasons for my not doing that chore. I was not elected to that job last November. But I can make three observations:

"First, I am sure that the American people earnestly wish for the success of the new Administration. It is faced with one of the greatest challenges of our whole history.

"Second, our country has met and solved equally great crises in the past 185 years.

"Third, this nation, founded in strength, will not decline or fall if we remedy the slump in morals with its trail of crime and corruption."

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

It is no secret that one of the many problems of the new Congress and new administration will be the farm problem.

Perhaps it will even take a display of raw courage to at least mitigate or alleviate the problem insofar as it affects the American taxpayer.

Independent retailers have long known that when through circumstances, of bad judgment, they are stuck with an excessive inventory, there comes a time when the moment of truth must be faced.

Sen. Karl Mundt believes it is high time that something be done about the situation, pointing out that it is now costing the taxpayers just to store surplus wheat over a half million dollars per day, almost a half million dollars per day to store surplus corn, over a quarter million dollars per day to store surplus sorghums.

In other words, it is costing about a half billion dollars per year to pay storage costs only on these three commodities. Much of it has become unfit for human consumption, more goes down in quality every day.

Sen. Mundt believes it is high time that some steps be taken to reduce their surplus products to alcohol for mixing with motor fuel. In Europe this is a common practice, he reports.

Sen. Mundt suggests that if gasoline were to contain five per cent alcohol, the public

would not only get a better motor fuel, but it would also tend to conserve U. S. petroleum supplies.

Although Sen. Mundt does not go into the economics of this proposal, it is presumed that it works out fairly well from a cost standpoint. After all, today's prices for motor fuel cover a lot of different processing and additives that make them much more expensive than the old straight gasolines.

Presumably, the government could pass a law requiring that all motor fuel sold in the U. S. contain at least 5% of grain alcohol. This, of course, could raise a question on principle as to whether this would constitute coercion of industry.

But if this were felt to be coercion, the government would be well within its rights to offer to the public a somewhat lower tax on fuel that contains a percentage of grain alcohol, thus creating a public demand which would make it necessary for oil companies to meet.

And it could even work out that the loss on fuel tax would be about equal to the tax money paid out daily for the storage of such grains. But at least it would be a positive measure, and eventually the taxpayer would not wake up to the fact that billions had been paid out in storage costs on grains that had become so unfit for use that they had to be burned, or otherwise destroyed.

Of course, if government tomorrow totally destroyed every pound of surplus farm product it holds, the taxpayers would save a half billion dollars now going out every year for storage costs. No independent merchant would put up with an inventory situation such as this.

Council of Garden Club Regular Meeting Feb. 14th

The Council of Garden Clubs held its regular meeting in the home of Mrs. A. L. Gilbow, Tuesday Feb. 14th, with the meeting being called to order by Mrs. Chester Todd, president of the Council. The minutes were read by Mrs. A. L. Gilbow, Secretary.

The Burkburnett Flower Show, "April in Boomtown", for Thursday, April 27th, 2 to 7 p. m., was discussed. Report of the Scheduling Committee was given by Mrs. A. L. Gilbow, which included the general rules and arrangement classifications and a special section, "Boomtown Neighbors," for the Sheppard Air Force Base Garden Club entries. Members of the Scheduling Committee are Mrs. R. M. Sims, Mrs. A. L. Gilbow and Mrs. Geo. Willingham.

The council voted that the five Garden Clubs of Burkburnett apply for an award in landscape beautification offer-

ed by the Sears-Roebuck and Co. in the form of a civic beautification grant to the Texas Garden Clubs, Inc. The project will be Hardin Park. A committee made up of the garden club presidents and headed by Mrs. Todd will start the project immediately.

Texas petroleum industry pays 30% of state franchise tax, 33% of state property tax.

BURKBURNETT.... HISTORY

Revealed By The Star
Files 10 Years Ago

A group of energetic agriculture students of Burkburnett High school won top honors in both the district and area leadership contests held recently.

The first rain of any consequence since last September fell here Monday night. Varying amounts ranging up to an inch and a half were reported in town.

Mr. and Mrs. Joe McKenzie and Mrs. Annie Glidewell of Dundee visited in town Tuesday.

Mr. and Mrs. Ray Mills visited friends in Burkburnett Saturday.

Mr. and Mrs. Luther Cain and son Bobby of Graham visited

Mr. and Mrs. Harry Dodson and Jeanne Monday night.

Mr. and Mrs. N. W. Level of Ft. Worth spent Thursday night with her sister, Mr. and Mrs. Will Teal.

Mr. and Mrs. Ike Harwell of Dallas spent the weekend in Burkburnett.

Mr. and Mrs. Tommy Ivey and children who have been living in Jamestown, N. Y., are visiting relatives and friends here.

NOTICE

The First National Bank of Burkburnett will be closed Thursday, March 2nd in observance of a legal holiday.

calling out of town

Here's the fastest and easiest way

FIRST, give the operator the name of the city you are calling and the Area Code for that city.

NEXT, tell her the telephone number you're calling.

LAST, when the operator asks, give her the number you're calling from.

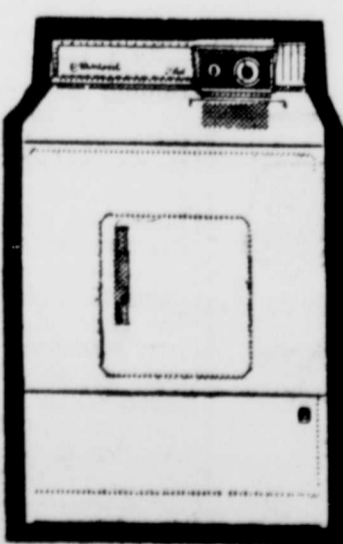

It's easy and fast. For example, just say, "Dallas, Area Code 214, RI 2-1432," and then when the operator asks your number, say, "KL 5-2368." You'll not only save time yourself, but help speed along your call as well.

TEACH US TO PRAY

God's word says that we should study to show ourselves to be approved unto God. We are also to teach our children in the ways of the Lord.

Once when the Lord had been praying, his disciples asked him to teach them to pray.

"And he said unto them, When ye pray, say, Our Father which art in heaven, Hallowed be thy name. Thy Kingdom come, so in earth. Give us this day our daily bread. And forgive us our sins; for we also forgive everyone that is indebted to us. And lead us not into temptation; but deliver us from evil."

ATTEND CHURCH EACH SUNDAY that you may be taught about the Lord.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

**Connie Seidel, Sophomore at Burk High
First Chair Baritone on All State Band**

Connie Seidel, son of Major and Mrs. Raymond L. Seidel, of Sheppard Air Force Base, right, and his band director, James C. Wickersham, look at the sleeve patch which he received after winning the first chair baritone position in the Texas All State Band in competition held in Dallas recently. He is a sophomore student in Burk Burnett High school. Other Burk Burnett students who won places in the Reading Band were Sam Gilbow and Shirley Boyle. (Official U. S. Air Force Photo)

Connie Seidel, sophomore of the Burk Burnett High School and member of the Bulldog band won the first chair baritone position in the Texas All State Band which was conducted in Dallas, Feb. 8-11th. The 15 year old son of Major and Mrs. Raymond L. Seidel, Sheppard Air Force Base, competed in auditions with other selected outstanding high school musicians from the entire state to determine chair positions in the Grand Concert Band. A formal concert was presented in the Dallas Municipal Auditorium before an audience of 10,000 ending the three days of activities and rehearsals which included the All State Orchestra and Choir.

for 8 years, young Seidel remarked. "This will be a life-long remembered highlight to me and I intend to work even harder to go back to All State next year." Connie was accompanied to Dallas by the director of the Bulldog band, James C. Wickersham and two other students, Sam Gilbow and Shirley Boyle, who were selected in area tryouts for the All State competition. At State they both won places in the Reading Band. With still two years of High School ahead of him, Connie wants to attend North Texas State College and major in music education.

Guest conductor for the Concert Band was the talented director of the University of Colorado Band, Hugh E. McMillen, who gave special recognition to a featured baritone solo played by Connie during one of the selected band numbers. Having studied the baritone

A four leaf clover is considered lucky because its four leaves form a cross. The flag of Denmark is the oldest one in use today. President Grover Cleveland first said, "the mails must go through."

Clara Community Family Night Held Sunday, Feb. 12th

On Sunday, Feb. 12th the Clara Community enjoyed the monthly event of "Family" or Christian Fellowship Night. It started at 6:00 p. m. as always. We opened this informal affair with 2 hymns. Pastor Boriack gave a Bible reading on historical welfare, then a prayer. The entertainment for the evening was half the recorded speech of Mr. Cross. He gave the talk at the Lutheran Women's Missionary League Rally at Clara earlier in the year. Mr. Cross informed us of the needs and accomplishments of the Texas Lutheran Welfare agencies. It was an enlightening essay on such subjects as institutions for the aged, insane, unwed mothers and some unique ideas on how to re-establish a broken home, what happens to each member, especially the children, if such a re-union is made.

Pastor Boriack stopped the recording at the half way mark, the remainder to be played at the next Family Night. He then asked for a hymn. This part of the evening was closed with the Lord's Prayer followed by the Common Table prayer in unison.

Although Rev. Boriack's birthday was the 10th, we waited until this night so everyone could join in the birthday song. God bless an ever kind man, may you have many more. There were many complimentary remarks, thank yous and continue the fine work expressed.

The refreshments are always brought by all who attend. This time it was sandwiches and the trimmings such as potato salad, baked beans, potato chips, pickles, the traditional congealed jello heart by Mrs. Lawrence Klinkerman; the desert was a profusion of cakes and pies and cookies with pop and coffee.

Those families present were the O. E. Klinkerman's Marvin Klinkerman, Walter Siber, Don Holtzen, Arnold Kiesling, Emil Schroeder, Lawrence Klinkerman, George Alexander, Ernest Birkman, Richard Schroeder, Don Klinkerman, Jack Hodgins, Virginia and Sharlene Eaton and Robert Dillard attended without their parents because of illness and Rev. and Mrs. L. Boriack.

After supper everyone broke up for volleyball, dominoes, ping-pong, chess and other games. When dishes had been cleared, the adult choir met. It was a fine turnout, Pastor was really pleased.

Let's not let this memorable event become extinct as it has in other communities. The 9th of April is set as the next date, as Lenten Services will be held morning and night.

The Clara Walther Leaguers will be going to San Antonio to the State Tournament of Volleyball. They plan to leave Friday afternoon and return sometime Sunday. We wish you lots of Luck.

Mrs. Jack Hodgins, Reporter

2,000 National Guardsmen on "Fallout" Alert During February

Approximately 2,000 North Texas National Guardsmen will "fallout" some time between Feb. 18 and Feb. 26 for what is called "the most sweeping National Guard Test Alert in Texas since 1953." The alert will include members of three Wichita Falls units and others in Vernon, Jacksboro, Olney, Electra and Bowie.

Guard headquarters in Austin said the vast alert will involve more than 20,000 Texas guardsmen, and is known by the code name "Operation Muster". The alert will include members of both Texas divisions, the 49th armored division and the 36th infantry division. The exercise is to be similar to last year's "Operation Awake II," when about 80% of the Texas National Guard assembled at Armories over the State on Feb. 15th.

No one knows just when "Operation Muster" will take place. It is known only that it is to be ordered some time between Feb. 18 and Feb. 26. The order for the alert will come from Austin, the headquarters of the guard.

As soon as the order is passed, unit plans, designed to let all members know they are to report to their armories as soon as possible, will go into effect. Included in the alert plan for each unit is a detailed system for notification of individuals on a "Chain" basis.

For operations such as "Operation Muster," spot announcements will be broadcast from Wichita Falls' three radio and two television stations. The announcements will stress the fact that the operation is a Practice Alert to prevent alarming the population.

Wichita Falls and area units include Headquarters and Headquarters Battery, 49th Armored Division Artillery, Headquarters and Headquarters Battery, 2nd Howitzer Battalion, 131st Artillery and Battery "A," 131st Artillery, Wichita Falls; Battery "B," Jacksboro and Olney; Battery "C," Vernon and Service Battery in Electra.

Wichita Falls and area National Guardsmen will be ready when the signal is given for "Operation Muster." Col. Luther E. Orrick, 49th Armored Division Artillery Executive Officer, said here Thursday.

The operation is a practice alert which will involve all Texas National Guardsmen, and especially upwards of 2,000 belonging to units in North Texas. The alert is scheduled for a four-hour period, sometime between Feb. 18 and Feb. 26.

No one knows the exact date or time of the operation, Col. Orrick said. The alert is designed to focus the eyes of Texas on today's "Up to the Minute-men" of the Texas National Guard, he stated.

The three units in Wichita Falls and others in Electra, Vernon, Jacksboro, Olney and Bowie, will be notified of the alert through regular National Guard channels after the button is pushed in the Austin Headquarters of the guard. From there, word will be spread to every unit and every member of the Guard in Texas.

One purpose of the alert is to show the people of Texas the mobilization capability of the two divisions in the state. The other purpose is to test that capability. None of us know when some disaster might strike, Col. Orrick said. It behooves us as modern militia members to be ready to respond to the call of the State or the Nation.

"We want to show the people of North Texas that a vast, well-trained organization stands by, ready and alert. And we want to find out just how ready and alert that organization is," Col. Orrick continued.

"We hope to improve our record of last year, when 80% of our units' members showed up within two hours." Col. Orrick admitted that it would be difficult to improve on the 1960 record. "Last year we had an excellent effort by the whole unit," he said. But we can't rest on last year's performance. We should improve it if we can.

TWEETY BLUEBIRDS

Our Feb. 16th meeting was called to order by our president Belinda Willson. All members were present except Karen Landrum, who went home from school feeling ill. We had a little party to celebrate the long awaited end of our candle. Pattie Perry served cupcakes, ice cream and Cokes. After the party we wrote invitations to our fathers for the banquet. We also made placecards for the same event.

Boat Number Colors Don't Contrast With Colors Of Boat

"Texas boat owners may need a woman's opinion in choosing the colors for the registration numbers on the hulls," Bob Townsley, Director of the Texas Highway Department's Motor Vehicle Division said today.

"Boat number colors and boat hulls aren't contrasting enough to be readable—that's the problem. "Too many boats are not numbered in accordance with the law, which requires a legible, contrasting number for good identification. The solid-color area of the boat number should contrast strongly with the hull of the boat. A good many of the boats we've looked at have white numbers on a white hull, and the thin colored border around the number doesn't make it show up.

Three things the Texas boat owner should do after getting his registration number from the Texas Highway Dept.:

1. The solid color area of the regulation three inch, block letters must contrast with the hull of the boat.
2. The numbers should be located on each side of the forward half of the hull, as near to the stern as possible.
3. Between each part of the number there should be a hyphen or a space. Example: TX-1234-AA or TX 1234 AA.

Townsley said the boat numbering problem was nationwide and that manufacturers who make boat numbers are helping out by increasing the size of the solid color area of the boat number to a full three inches.

Coast Guard and local enforcement authorities will give owners of boats whose numbers do not meet the federal numbering specifications until July 1, 1961 to make necessary changes.

The Water Safety Act passed by the Fifty-sixth Legislature gave the Texas Highway Department the responsibility of administering the Act. Owners who power their boats with a motor in excess of ten horsepower are required to obtain a license. Numbers are issued by the Motor Vehicle Division of the Dept.

Townsley stated that 150,000 power boats were registered in Texas, and that registrations on these were good until March 31, 1963.

The registrations are good, explained Townsley. Now we want the numbers so we can read them. No matter what power rating a boat may carry, it is to the owner's advantage to register his boat. The boat's registration will provide an inexpensive way of quick and positive identification should the craft be stolen or involved in difficulty.

Basketball News

The Burk Burnett High School Bulldogs have closed out their 1960-61 season. They finished with a 13-17 season record and a 4-8 district record as compared to a 3-17 and 2-10 record in season and district play respectively last year. Although they finished with a better record and much improved team over last year, they still were unable to move out of the sixth position in the conference.

The dogs finished their last eight games as follows:

- Burk 35, Jackboro 47, Johnny Koller with 14 pts.
- Burk 44 Big Pasture 47, Barney Fudge, 12, Loy Walker, 11.
- Burk 53, Seymour 58, Johnny Koller, 14, Barney Fudge 13, Gary Owen 10.
- Burk 54, Iwo Park 43, Johnny Koller, 30.
- Burk 49, Holliday, 35, Johnny Koller, 17.
- Burk 33, Electra 31, Barney Fudge 9, Johnny Koller 8, Gary Owen 6.
- Burk 64, Nocona 58, Barney Fudge 22.
- Burk 42, Jacksboro 55, Johnny Koller, 14.

The Bulldogs closed their season last Friday at Jacksboro where they bowed to the district AA-9 champions 55-42. Johnny Koller was high for the dogs with 14.

Statistic wise the Bulldogs had a very successful season, despite their record. They scored 1,290 points as compared to their opponents 1,209. This com

Evangelist At 1st Bapt. Church Feb. 26--Mar. 5

FREDDIE GAGE

Only 26th years of age, Evangelist Freddie Gage of Houston, Tex., has earned a prominent place in the annals of Evangelism and the Christian Ministry. Freddie Gage is leading one of the most potent Evangelistic teams in Southern Baptist history.

Since 1951 more than 2,000 persons have gathered to hear him in the 250 local churches and city-wide campaigns he has conducted. Over 600 have united with Southern Baptists under his dynamic teaching. He has addressed more than 300 high schools and college student bodies.

He was tried in court in 1948 and sentenced to Gatesville Farm School. Was later pardoned to his father. A person evidently should know, he is there is but one cure for iniquity and that is the saving power of Jesus Christ.

Texasns May Vote Revenue Tax Raising Bills

A bill has been introduced in the Texas Legislature that would give the people an opportunity to express their preference of the type of state tax law that should be adopted.

Under terms of the Roberts proposal, three types of broad-based taxes would be presented to the voters: 1—Payroll tax. 2—General income tax (individual and corporate.) 3—General sales tax (individual and business.)

Gospel Singing At 1st Bapt. Church Feb. 26--Mar. 5

JIMMY SNELEN

Gospel singer, Jimmy Snelen, 26 of Dallas, Tex., comes from a family, who for many years have been faithful workers in Southern Baptist churches.

Jimmy came to the realization that even as a child he needed a Savior, so as a nine year old junior boy he yielded his heart to the Lord.

While a music major at Hardin-Simmons University, he was vocalist for the school world famous band and a member of the A Capella Choir. He furthered his voice study at Baylor University. You will be inspired as have congregations across the nation when you hear the heart warming songs, soul stirring "spirituals" and his golden trumpet.

Not only does Jimmy possess a tremendously rich baritone-tenor voice, but he also plays the piano, organ and his trumpet treats will thrill you. He has been a recording artist with the noted Word Record Company of Waco, Tex., some four years, and recently has a new release entitled "Peace in the Valley."

Six years ago, Jimmy joined Evangelist Freddie Gage and has been labeled, "Freddie's right arm." Together they are one of the most highly successful and noted teams in Southern Baptist history.

Jimmy has a faithful devoted wife and two lovely daughters ages 7 and 4. They make Dallas their home and are members of the First Baptist church.

He is favored by the majority of the people. By allowing the people to vote on their preference, the Legislature an accurate gauge to judge the public's true opinion.

Information on licenses required for commercial bait operations can be obtained from the Texas Game and Fish Commission, Austin, Texas. Haws also says that a booklet entitled "Raising Bait Fishes" can be obtained from the Superintendent of Documents, U. S. Government Printing Office, Washington, D. C.

One of the oldest and best methods for increased crop yields is to plant good seed. Much of the crop improvement in Texas is due to the development of new and improved seed varieties.

News From The County Agent

The North Texas sheep and Goat Raisers Association will have their regular monthly meeting at the agriculture room at the Iowa Park High School on Tuesday, Feb. 14, beginning at 7:30 p. m.

Jerry Lamb, 4-H clubber from Wichita Falls and Pat Pruitt, 4-H clubber from Iowa Park will leave this week for Kansas City to attend the National 4-H Poultry Fact Finding conference.

It's not too early to make plans for your 1961 home garden, B. T. Haws, county agent, says the home garden can make a real contribution to the family's diet and health as well as to our national food supply.

Haws says February is a good time to look the new seed catalogue over and make plans for this year's garden. He points out that well planned gardens don't just happen any more than hundred bushel corn crops.

Next, select a conveniently located garden site which is close to an adequate supply of water so you can irrigate when needed. Prepare the garden soil by applying approximately two inches of well rotted barnyard manure or compost material and break or spade as deep as possible.

Texans love to fish. There are over 1 1/2 million fishermen in our state and they spend an average of 123 million dollars annually in pursuit of this popular sport. A sizeable amount of this money is spent for bait, especially minnows.

Since the deficiency in the supply of home-grown minnows does exist, there is some opportunity to make a profit in the commercial minnow business. Minnow raising is not a get rich quick operation, Haws warns. It had been the experience of those in the business that a considerable investment in time, labor and capital is necessary for a successful operation.

In order to be successful, you must have minnow ponds of the correct size and depth. There must be an adequate, dependable water supply available, and you must have pumps, water lines, drainage structures and other equipment to completely control the movement of this water.

Information on licenses required for commercial bait operations can be obtained from the Texas Game and Fish Commission, Austin, Texas. Haws also says that a booklet entitled "Raising Bait Fishes" can be obtained from the Superintendent of Documents, U. S. Government Printing Office, Washington, D. C.

One of the oldest and best methods for increased crop yields is to plant good seed. Much of the crop improvement in Texas is due to the development of new and improved seed varieties.

WHY WORRY? I CARRY ANTI-WORRY INSURANCE-A Regular Ad In This Newspaper

Social Security News

If you had gross income from your farm of \$600 or more, you can get social security credits even if you had a loss in 1960.

Farm self-employment tax returns are due by Feb. 15th for those farmers whose tax year starts on Jan. 1st. However, farm operators who file an estimate of their tax and pay that amount by Jan. 15th have until April 15th to file their returns and pay any balance due.

Keeping accurate and complete records of all income and expenses is just good business all the time, but it is particularly important when it is time to file income tax returns. Maintaining good records now and filing tax returns on time means quicker processing of your claim when you become eligible for benefits or in the event of your death, when your survivors apply for benefits.

All tax returns are filed with International Revenue Service. More detailed information may be obtained from the Internal Revenue Office or the social security office at 421 Post Office building, Wichita Falls.

Highway Travel Map of Texas Is Now Ready

AUSTIN, JAN. 29—The 1961 Texas Official Highway Travel Map—with over 60,000 Miles of Motoring Pleasure as its theme is now available to the general public.

Free copies of the new Texas motoring map may be obtained by writing the Texas Highway Department, P. O. Box 5064, Austin, or at highway district offices and travel bureaus. Co. tax offices have map cards on hand for requesting copies of the map.

Multilane-divided highway miles now completed and charted on the map total 2,067 miles, and include the finished sections of the seven National Systems of Interstate and Defense Highways located in the state. More than 350 farm-to-market and ranch to market road miles have been added to this year's map.

Roadside parks having full picnic facilities are marked on the map with a green dot—830 in all on the new 1961 map. A total of 52 State Parks are also shown, their location indicated by a green triangle. Two new recreational State Parks have been added to this year's map—Eisenhower State Park at Denison, and Atlanta State Park at Atlanta. Major lakes and reservoirs are shown on the map, as well

as countless rivers, creeks and streams. Cities and towns on the map total 1,827. City route maps for the state's dozen largest cities are also included—Amarillo, Austin, Beaumont, Corpus Christi, Dallas, El Paso, Fort Worth, Houston, Lubbock, San Antonio, Waco and Wichita Falls. Panoramic Texas stretches out on the reverse side of the map in 14 full color photographs which give a glimpse of the car window view along the more than 60,000 miles of the Texas Highway System. A section entitled "Facts About Texas" boils down the essential data on Texas' terrain, history, and industrial and recreational diversity. More than half a million Official Highway Travel Maps of the 1960 edition have been distributed in state, out of state, and to dozens of foreign countries. Out of state and foreign country requests continue an upward climb as Texas becomes more and more well known as a tourist state. The map is also used by all state and governmental agencies in the state for determining official highway distances, mileage, zones, and like information. "The Gentlemen's Magazine" was the first periodical to be called a magazine.

Major lakes and reservoirs are shown on the map, as well

**Connie Seidel, Sophomore at Burk High
First Chair Baritone on All State Band**

Connie Seidel, son of Major and Mrs. Raymond L. Seidel, of Sheppard Air Force Base, right, and his band director, James C. Wickersham, look at the sleeve patch which he received after winning the first chair baritone position in the Texas All State Band in competition held in Dallas recently. He is a sophomore student in Burkburnett High school. Other Burkburnett students who won places in the Reading Band were Sam Gilbow and Shirley Boyle. (Official U. S. Air Force Photo)

Connie Seidel, sophomore of the Burkburnett High School and member of the Bulldog band won the first chair baritone position in the Texas All State Band which was conducted in Dallas, Feb. 8-11th.

The 15 year old son of Major and Mrs. Raymond L. Seidel, Sheppard Air Force Base, competed in auditions with other selected outstanding high school musicians from the entire state to determine chair positions in the Grand Concert Band. A formal concert was presented in the Dallas Municipal Auditorium before an audience of 10,000 ending the three days of activities and rehearsals which included the All State Orchestra and Choir.

Guest conductor for the Concert Band was the talented director of the University of Colorado Band, Hugh E. McMillen, who gave special recognition to a featured baritone solo played by Connie during one of the selected band numbers.

Having studied the baritone

for 8 years, young Seidel remarked, "This will be a life-long remembered highlight to me and I intend to work even harder to go back to All State next year."

Connie was accompanied to Dallas by the director of the Bulldog band, James C. Wickersham and two other students, Sam Gilbow and Shirley Boyle, who were selected in area try-outs for the All State competition. At State they both won places in the Reading Band.

With still two years of High School ahead of him, Connie wants to attend North Texas State College and major in music education.

A four leaf clover is considered lucky because its four leaves form a cross.

The flag of Denmark is the oldest one in use today.

President Grover Cleveland first said, "The mails must go through."

**Clara Community
Family Night Held
Sunday, Feb. 12th**

On Sunday, Feb. 12th the Clara Community enjoyed the monthly event of "Family" or Christian Fellowship Night. It started at 6:00 p. m. as always.

We opened this informal affair with 2 hymns. Pastor Boriack gave a Bible reading on historical welfare, then a prayer. The entertainment for the evening was half the recorded speech of Mr. Cross. He gave the talk at the Lutheran Women's Missionary League Rally at Clara earlier in the year. Mr. Cross informed us of the needs and accomplishments of the Texas Lutheran Welfare agencies. It was an enlightening essay on such subjects as institutions for the aged, insane, unwed mothers and some unique ideas on how to re-establish a broken home, what happens to each member, especially the children, if such a re-union is made.

Pastor Boriack stopped the recording at the halfway mark, the remainder to be played at the next Family Night. He then asked for a hymn. This part of the evening was closed with the Lord's Prayer followed by the Common Table prayer in unison.

Although Rev. Boriack's birthday was the 10th, we waited until this night so everyone could join in the birthday song. God bless an ever kind man, may you have many more. There were many complimentary remarks, thank yous and continue the fine work expressed.

The refreshments are always brought by all who attend. This time it was sandwiches and the trimmings such as potato salad, baked beans, potato chips, pickles, the traditional congealed jello heart by Mrs. Lawrence Klinkerman; the desert was a profusion of cakes and pies and cookies with pop and coffee.

Those families present were the O. E. Klinkerman's Marvin Klinkerman, Walter Siber, Don Holtzen, Arnold Kiesling, Emil Schroeder, Lawrence Klinkerman, George Alexander, Ernest Birkman, Richard Schroeder, Don Klinkerman, Jack Hodgins, Virginia and Sharlene Eaton and Robert Dillard attended without their parents because of illness and Rev. and Mrs. L. Boriack.

After supper everyone broke up for volleyball, dominoes, ping-pong, chess and other games. When dishes had been cleared, the adult choir met. It was a fine turnout. Pastor was really pleased.

Let's not let this memorable event become extinct as it has in other communities. The 9th of April is set as the next date, as Lenten Services will be held morning and night.

The Clara Walther Leaguers will be going to San Antonio to the State Tournament of Volleyball. They plan to leave Friday afternoon and return sometime Sunday. We wish you lots of Luck.

**2,000 National Guardsmen on
"Fallout" Alert During February**

Approximately 2,000 North Texas National Guardsmen will "fallout" some time between Feb. 18 and Feb. 26 for what is called "the most sweeping National Guard Test Alert in Texas since 1953." The alert will include members of three Wichita Falls units and others in Vernon, Jacksboro, Olney, Electra and Bowie.

Guard headquarters in Austin said the vast alert will involve more than 20,000 Texas guardsmen, and is known by the code name "Operation Muster". The alert will include members of both Texas divisions, the 49th armored division and the 36th infantry division. The exercise is to be similar to last year's "Operation Awake II," when about 80% of the Texas National Guard assembled at Armories over the State on Feb. 15th.

No one knows just when "Operation Muster" will take place. It is known only that it is to be ordered some time between Feb. 18 and Feb. 26. The order for the alert will come from Austin, the headquarters of the guard.

As soon as the order is passed, unit plans, designed to let all members know they are to report to their armories as soon as possible, will go into effect. Included in the alert plan for each unit is a detailed system for notification of individuals on a "Chain" basis.

For operations such as "Operation Muster," spot announcements will be broadcast from Wichita Falls' three radio and two television stations. The announcements will stress the fact that the operation is a Practice Alert to prevent alarming the population.

Wichita Falls and area units include Headquarters and Headquarters Battery, 49th Armored Division Artillery, Headquarters and Headquarters Battery, 2nd Howitzer Battalion, 131st Artillery and Battery "A" of the 2nd Howitzer Battalion, 131st Artillery, Wichita Falls; Battery "B", Jacksboro and Olney; Battery "C", Vernon and Service Battery in Electra.

Wichita Falls and area National Guardsmen will be ready when the signal is given for "Operation Muster," Col. Luther E. Orrick, 49th Armored Division Artillery Executive Officer, said here Thursday.

The operation is a practice alert which will involve all Texas National Guardsmen, and especially upwards of 2,000 belonging to units in North Texas. The alert is scheduled for a four-hour period, sometime between Feb. 18 and Feb. 26.

No one knows the exact date or time of the operation, Col. Orrick said. The alert is designed to focus the eyes of Texas on today's "Up to the Minute-men" of the Texas National Guard, he stated.

The three units in Wichita Falls and others in Electra, Vernon, Jacksboro, Olney and Bowie, will be notified of the alert through regular National Guard channels after the button is pushed in the Austin Headquarters of the guard. From there, word will be spread to every unit and every member of the Guard in Texas.

One purpose of the alert is to show the people of Texas the mobilization capability of the two divisions in the state. The other purpose is to test that capability. None of us know when some disaster might strike, Col. Orrick said. It behooves us as modern militia members to be ready to respond to the call of the State or the Nation.

"We want to show the people of North Texas that a vast, well-trained organization stands by, ready and alert. And we want to find out just how ready and alert that organization is," Col. Orrick continued.

"We hope to improve our record of last year, when 80% of our units' members showed up within two hours."

Col. Orrick admitted that it would be difficult to improve on the 1960 record. "Last year we had an excellent effort by the whole unit," he said. But we can't rest on last year's performance. We should improve it if we can.

TWEETY BLUEBIRDS

Our Feb. 16th meeting was called to order by our president Belinda Willson. All members were present except Karen Landrum, who went home from school feeling ill. We had a little party to celebrate the long awaited end of our candle. Pattie Perry served cupcakes, ice cream and Cokes. After the party we wrote invitations to our fathers for the banquet. We also made placecards for the same event.

Basketball News

The Burkburnett High School Bulldogs have closed out their 1960-61 season. They finished with a 13-17 season record and a 4-8 district record as compared to a 3-17 and 2-10 record in season and district play respectively last year. Although they finished with a better record and much improved team over last year, they still were unable to move out of the sixth position in the conference.

The dogs finished their last eight games as follows:

Burk 35, Jacksboro 47, Johnny Koller with 14 pts.
Burk 44 Big Pasture 47, Barney Fudge, 12, Loy Walker, 11.
Burk 53, Seymour 58, Johnny Koller, 14, Barney Fudge 13, Gary Owen 10.
Burk 54, Iwo Park 43, Johnny Koller, 30.
Burk 49, Holliday, 35, Johnny Koller, 17.
Burk 33, Electra 31, Barney Fudge 9, Johnny Koller 8, Gary Owen 6.
Burk 64, Nocona 58, Barney Fudge 22.
Burk 42, Jacksboro 55, Johnny Koller, 14.

The Bulldogs closed their season last Friday at Jacksboro where they bowed to the district AA-9 champions 55-42. Johnny Koller was high for the dogs with 14.

Statistic wise the Bulldogs had a very successful season, despite their record. They scored 1,290 points as compared to their opponents 1,209. This com-

es to a 42-40 average of the dogs.
The box scores for the go as follows:
FG FT
Johnny Koller 17 32-44 33
Barney Fudge 79 90-141 64
Gary Owen 83 41-68 90
Loy Walker 47 35-62 55
Don Koller 66 32-68 67
Don Owen 17 3-9 30
Don Koller 17 10-27 30
Dale Lewis 3 7-11 6
Harry Smith 5 3-6 10
Bill Chambliss 11 1-10 10
Mickey Corns 4 2-8 30

Totals 508 306-502 67%

The standings in the race went as follows: Jacksboro — District champions, play Lake View for Bi-District. Seymour, Olney, Park, Burkburnett. Although the Bulldogs do very well in district year, next year is expected to bring them on to Burkburnett. They have nine letters in eleven man squad and graduation. They are only district team members returning to have the experience. Fire Chief Bill Beck Speaker at Luncheon

Fire Chief Bill Beck of Sheppard Air Force Base presented a film with commentary before the North Texas Water Works meeting held here February 16th.

N-T Water Works Ass'n. Met Here Thurs., Feb. 16

The North Texas Water Works Association meeting, held at the Town Hall Thursday evening, Feb. 16th was well attended by Water Works and City officials over the North Texas area.

Mr. Harvey Owens, President of the Association presided. Fire Chief Bill Beck of Sheppard Air Force Base presented a film "Highlights of 1960 of the Air Force." Bill Browning, President of the Burkburnett Chamber of Commerce, gave the welcome address.

Approximately 60 officials from various cities in North Texas attended the meeting. Attending from Burkburnett, besides Bill Browning, were Haskell Draper, vice pres. of the Association; Commissioner and Mrs. Buddy Byars, City Manager and Mrs. Clovis D. Mann. Mann was elected by the group to serve as Group leader and Program chairman for the ensuing year.

CUB SCOUTS DEN 5-PACK 156

The boys met with Mrs. McBride Feb. 20th. The George Washington Day theme was carried out. The boys told stories and songs were sung about this great man. The boys learned new songs about the flag after the flag ceremony led by Reggie Ware.

Bob McBride was elected Den Chief and Bruce Blankenship, assistant.

Rusty Mullen and Larry Gooseens were presented Den Chief badges by Mrs. McBride.

Bruce Blankenship served cherry refreshments in keeping with George Washington's Day. Bill McBride, Reporter

Electric headlights on locomotives were first used early in 1886.

W. B. McNeill at Work in Radiator Shop

W. B. McNeill wishes to announce to his many friends that he has re-opened his welding and radiator shop. It is located in Ben Winkles' Gulf Station. Winkles will manage the shop and the station. Mr. McNeill has just returned home from the V. A. hospital at Waco after spending seven months there. McNeill worked 12 years in Detroit, where he worked for all the major oil companies. He is a member of the Church of Christ and a veteran of World War II. The shop is located at 404 East 3rd Street, Phone 569-8102.

Legion Notes

Wilbur Snyder, Commander
Leon J. Dasher, Public Relations Officer

The mobile blood unit from Wichita Falls will be in Burkburnett March 1st at the Town Hall from 12:30 to 5:30 p. m. Refreshments will be served. The blood mobile unit is sponsored by the American Legion.

Remember our bingo games every Friday night at 8:00 p. m. Anyone can play 10 games for \$1.00 plus blackout and door prize.

We are happy to hear that Roy Magers is home from the hospital.

The post will be 40 years old this year it has been decided there will be a basket supper at 7:00 p. m. on March 14th. We plan to have a dance following the basket supper. We would also like to have a parade if possible.

Mr. Perry will follow the schedule below for his campaigning. Everyone is asked to meet at the Legion hall March 2nd at 7:00 p. m. to go to Archer City and Seymour, March 6, Nocona, Lewisville, Bowie & Denton; March 7th, Throckmorton, Crowell and Quannah; March 9th, Rochester; March 10, Aspermont and Henrietta; March 14, Gainesville; March 20, Chillicothe; March 21, Knox City and Vernon; March 23, Munday; March 28, Pilot Point.

Friendship Class Socil Feb. 16th In Will Teal Home

The Friendship class of the First Baptist church met in the home of Mrs. Will Teal Thursday, Feb. 16th at 2:30 p. m. for their regular monthly social and business meeting. President Mrs. Short opened the meeting by reading A Thought teaching that if you expect to be forgiven you must forgive others.

The class sang, Love Lifted Me, with Mrs. Cheney leading. Mrs. Miller gave the prayer.

All officers and group leaders gave their monthly reports. Mrs. Hinkle led in a special prayer for the nine reported sick. Mrs. Thaxton explained the requirements for receiving the twelve Sunday attendance award and then gave a list of homes open for cottage prayer meetings Thursday, 7:30, Jim Ady, A. O. Heintz, Dyle Vaughn, Bobby Manning; Friday, J. D. Turner, Brice Burton, Ogdon Givens, Fred Hunt.

Mrs. Chambers, program chairman, presented Mrs. Butts who brought an inspirational devotional on the theme, Pentecost. She read a prayer by Iney Taylor. Mrs. Teal gave a realistic and heart warming review of the old time camp meeting. Mrs. Ady told of her visit to the cowboy and stockman camp meeting in New Mexico. All are praying that we may have the same heart felt religion displayed during our revival and many souls may be saved.

After a short recreation period directed by Mrs. Chambers, the hostess and co-hostesses, group four served refreshments to one visitor and twenty members: Mesdames W. B. Short, P. H. Johnson, R. P. Thaxton, Lester Coats, E. E. Gibson, H. S. Butts, Will Teal, Jim Ady, H. D. Smith, R. W. Kent, Jim Turner, Bob Hinkle, Carl Miller, Frank Hewell, J. D. Kennedy, H. A. Goodwin, C. R. Chambers, Cheney, Miss Ella Billingslea, Addie Dickson and visitor, Mrs. P. H. Johnson's aunt, Mrs. Carnelius.

Ann Paul Ragan Hostess Feb. 16th Jr. University Club

The Jr. University Study club met on Thursday, Feb. 16th in the home of Mrs. Ann Paul Ragan.

The meeting was called to order by the president, Mrs. Margaret Alexander.

Members voted to donate \$25 to the park beautification fund.

After a short business meeting, Mrs. Joyce Taylor gave her program on the life of George

How long since your Savings Account got a raise?

Suppose you're getting \$100 a week and saving \$10 or ten per cent, and along comes a 10% raise. To maintain the saving percentage, obviously you must put aside a tenth of the raise, making your weekly savings \$12.

That's the real secret of progress and success—stepping up savings as income increases. That and regularity, of course.

Remember, too, that your account earns more after you raise it!

Church of the Nazarene In Midst of Building, Remodeling Program

Church of the Nazarene Gets New Roof

Original building of the Church of the Nazarene is getting a new roof. The interior of the building also is being redecorated. A new building to house the Sunday school is being erected behind the church proper.

In a series of articles (the churches of Burk.) Church of the Nazarene in Main and Holly Streets, is going a complete face lift job. When completed, the church will have a new roof that will walk and a surfaced parking area. The interior is being redecorated and altered. A new building to house the Sunday School Department, a 26 foot construction

one son, David in the armed services and one daughter, Dorothy, who is married. They have lived in Burk Burnett since July 24, 1960, coming here from Phoenix, Ariz., where he lived for 16 years. He has been preaching for 28 years, receiving his Ordination training at Kankakee, Ill.

Rev. Noakes believes Burk Burnett has a wonderful future. He sees no end to the progress of Burk Burnett, because "people are coming out of the horse and buggy stage and are realizing more and more their responsibility to the community, and to each other." He believes the development of the sewer system and the trash and garbage program are great steps forward in recognizing the well-being of the entire community. He enjoys the people and believes we have a wonderful city with a wonderful future.

Burk Garden Club Luncheon Jan. 23rd In Pogue Home

The Burk Burnett Garden club met for their annual business luncheon Jan. 23rd, in the home of Mrs. Jim Pogue. A brief business session was conducted by the president, Mrs. Jim Pogue. It was decided to donate a pecan tree to SAFB. The following slate of officers were elected to serve in 1961-62: president, Mrs. J. C. Adams; vice president, Mrs. Bill Crossley; secy., Mrs. C. F. Johnson and treasurer, Mrs. Floyd Marten.

Mrs. B. N. Cauthorn presented Mrs. Walter Riley who spoke on formal tables. She stated that always on a formal table you should use a plain cloth that extends 12-14 inches over the sides, your best silver, crystal and china and only flowers of a formal design in a fine container. Candles should always be above eye level. Mrs. Riley had on display a model table. It was covered in a pale pink cloth, china with a pale pink design, pale pink candles in crystal holders and a centerpiece of pale pink and white snapdragons.

Mrs. Jude Willingham discussed informal tables. She stated you were to be as careful of your table settings for an informal service as you were for a formal but that almost anything was permissible as place services from tin ware to pottery and that your decorations could be anything that your imagination would allow but that always the flowers were of a coarser texture and that anything could be used as accessories.

She had on display two tables May Day Breakfast, using a pink linen cloth edged in white fringe, Dessert Rose pottery and the centerpiece was a wicker bird cage entwined with pink apple blossoms containing two small birds. The second table, Saint Patrick's Day Brunch, used a green linen cloth, white milk glass and a centerpiece of daffodils and shamrocks in a milk glass gravy boat. Mrs. Jewel Riley displayed the Jr. Garden club scrapbook and told of the activities of the girls.

Meeting adjourned until Feb. 22nd at which time Mrs. E. C. Gutz of Wichita Falls will speak on buds.

Cooper HD News

Miss Thelma Wirges, county home demonstration agent discussed "Management" when members of the Friberg-Cooper HD club met Monday at the home of Mrs. A. C. Houser in Burk Burnett.

Mrs. Lee Cooper, president, had charge of the meeting when plans were made to honor birthdays of club members at a covered dish luncheon. Mrs. Cooper distributed patterns for quilted blocks to be used in making a quilt for a needy family.

Roll call was answered by 16 members, and Mrs. Herbert Adams had charge of the recreation period. Winning the prize for "Anagrams" was Mrs. Cooper. It was announced that Connie Swinford and Alan Bryan were among winners of the 4-H club Show in Wichita Falls.

The Feb. 27th meeting will be at the home of Mrs. M. L. Boling in Burk Burnett.

Special guests were Miss Wirges, Mmes. Boling, Gertrude Barfield and A. H. Lohofneer.

SWEET BLUEBIRDS

At the last meeting of the Sweet Bluebirds, we started decorating our boxes for the Daughter-Dad dinner.

Refreshments, provided by Mrs. Williams, were served to Patty Kamos, Faylin Pate, Lois Hatcher, Lynn White, Deborah Taylor, Roberta Pollard, Tony Gillis, Cynthia Sands, Pamela Williams and leaders, Mrs. Pollard and Mrs. Kamos.

REV. R. A. NOAKES, Pastor

THOUGHT FOR THE WEEK

Rev. R. A. Noakes, Pastor Church of the Nazarene

Jesus said "Seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you. This means that we must not, in our absorption of world conditions, lose sight of the first

things, Christian education and Christian faith are foundations of our civilization. If these are discarded by America and her allies, as they have been by her enemies, no amount of science or human philosophy will prevent our house from falling. Faith implements knowledge and directs it into channels of usefulness. The institutions that bring these together and fuse them into the lives of our youth

Manhattan DEPARTMENT STORE

are the Sunday Schools and the churches of our land.

Until 1955 the Bible was the most widely read and published book in all the world. Since then, the writings of Lennis have held first place, with the Bible being relegated to 2nd place. The writings of Stalin hold 3rd place.

How can we in Burk Burnett seek first things first? By living today fearlessly. We read in Isaiah 41:10, "Fear thou not; for I am with thee; be not dismayed for I am thy God. I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness. And again Isaiah 59:1, "Behold the Lords hand is not shortened, that it cannot save; neither his ear heavy, that it cannot hear." Psalms 46:1 states "God is our refuge and strength, a very present help in trouble." And Heb. 13:8, "Jesus Christ the same yesterday, today and forever."

Let us read our Bibles, pray around the family altar and attend the church of our choice every Sunday.

N.O.W. Circle Met in Messner Home Thurs

The newly organized N. O. W. Circle met Thursday evening at the home of Mrs. Elsie Messner, 219 Laurel Lane.

Names were drawn for secret pals for the coming year and officers elected as follows: president, Mrs. Adeline Kemmeror; vice pres., and Secy., Mrs. June Lewis; Treas., Mrs. Bertha McCafferty; reporter, Mrs. Alice Smith; alternate reporter, Mrs. Katherine Koram.

Mrs. Messner served as refreshments English fruit cake and English cookies which were sent from England at Christmas time.

Meetings are held the first and third Thursday of each month on a rotating basis at each members home.

The first ironclad warship was built in the 16th century for the Korean Navy.

Napoleon said an army travels on its stomach.

New '61 Chevy with Jet-smooth ride!

Impala 4-Door Sedan—Jet-smooth traveler that rivals the luxury cars in everything but price

The '61 Chevy loves to go because it goes so well. Purrs along pavements like a happy tabby. Takes rough roads in stride and all roads in style.

Just why does a Jet-smooth Chevy treat riders as royally as the high-priced luxury cars? It all came about through a delightful blend of Full Coil suspension, precision-balanced wheels, unique chassis cushioning, and a superb Body by Fisher insulated to hush away road sounds. All this adds

up to less sway, less bounce, less dip, less dive, less tilt, less noise, less... well you name it.

Now combine this Jet-smooth ride with conveniences to pamper you and roominess to relax in. Add a full measure of quiet good looks. Voila, you've got Chevy's formula.

And the proof is in the riding. When you sample a Jet-smooth Chevy at your Chevrolet dealer's we think you'll find it just to your taste.

See the new Chevrolet cars, Chevy Corvairs and the new Corvette at your local authorized Chevrolet dealer's

**Mrs. Virgil Mills
Hostess to Lutheran
Missionary Society**

The business and social meeting of the Women's Missionary Society of Grace Lutheran church was held Feb. 7th in the Parish Hall, with Mrs. Virgil Mills as hostess.

The meeting was called to order by Mrs. Harlin Mills, the president. The group sang a hymn, after which Mrs. Clarence Schroeder brought the prayer for the day.

After roll call and the committee reports, three new members were welcomed into the society. They were Mrs. Unger, Mrs. Brown, and the wife of our new Pastor, Mrs. Seager.

The program chairman, Mrs. R. L. Young introduced Mrs. Vera Oeschlager as the speaker for the day.

A visitation committee was formed and Mrs. Millar and Mrs. Stolts were appointed to serve on this committee until the meeting in March.

Further plans for the noodle supper to be held in town hall the 23rd of Feb. were discussed. The public is invited to attend this supper.

The hostess served delicious pie and hot coffee to the members and guests present. Those attending were Mesdames Dwight Roark, Harlin Mills,

Troy Mills, Virgil Mills, Betty Brown, Clarence Schroeder, Clarence Koenig, Unger, Krusemark, John Enderli, Jim Lindsey, A. A. Evert, R. L. Young, Millar, Bill Stolk, Oeschlager, Oscar Freiling, C. B. Seager and Pastor Seager.

Mrs. Oeschlager will be hostess in March.

**Sharon Van Cleave
Piano Contest Win'er
In Dallas Saturday**

Miss Sharon Ann Van Cleave daughter of Mr. and Mrs. P. B. VanCleave of Fort Worth, and granddaughter of Mrs. H. S. Van Cleave, Sr., 511 East College, Burkburnett, won the Walter Handel piano contest in Dallas Saturday, Feb. 18th.

The contest was held in McFarland auditorium at SMU Dallas and carries for the winner a \$1,000 scholarship at Southern Methodist University. The winner also appears with the Dallas Symphony Orchestra in Dallas in April.

The selection played was the Concerto Number Two in C minor by Chopin.

Miss Van Cleave's father was reared in Burkburnett and she was born here.

She is a piano pupil of Alfred Mauldin of the music dept. of SMU.

Faculty Team Beats High School Seniors

Shown above is the faculty team that played the Burkburnett High School seniors in a basketball game last Friday evening. Score: 27 to 28, in favor of the faculty. Top, left to right, Jack Robertson, coach; Roy Silkwood, principal; Bill O'Brien, coach; Bill Reasoner, coach. Bottom row, left to right: Walter Koller, coach; James Pearson, principal grade school; Bryan Farris, Agri-instructor; Charles Wiggs, Ph. Ed. teacher.

**Jr. Forum Members
Entertain Husbands
With Valentine Party**

Members of the Junior Forum Study club and their husbands met in the home of Mr. and Mrs. Billy Ray Mize for their Valentine party, Tuesday, Feb. 14th.

Games of cards and 42 were enjoyed during the evening. The door prize was won by Mr. Donald McCullough.

Lovely refreshments were served to Messrs & Mesdames Donald McKinnis, Jim Vadon, David Booher, Wayne Smith, Danny Kinnett, Donald McCullough, Monty Knox, & the host and hostess, Mr. and Mrs. Mize. The next meeting will be held Feb. 28th in the home of Mrs. Donald McCullough.

England was the first country to issue postage stamps.

Admiral Farragut entered the Navy at the age of nine.

CARD OF THANKS

Our heartfelt Thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings and other kindnesses, we are deeply grateful.

Mrs. R. R. Parks
Mrs. Ethel McElroy
Wayne Price
Alta Mae Strayhorn

TWEETY BLUEBIRDS

Our Feb. 9th meeting was held in the home of our leader, Mrs. Cox. She introduced us to our new assistant leader, Mrs. Bujak. We also welcomed a new member, Kathy Bujak. After refreshments were served we rehearsed our skit for the father and daughter banquet. Those present were Belinda Willson, pres. Marilyn Henley vice pres., Jo Ann Cox, Secy., Patti Perry, Treas., Karen Landrum, candlelighter; Teresa Klozar, song leader.
Carla Nelson, Reporter

Educational Opportunities in FFA

When Texas Future Farmers observe national FFA Week Feb. 18-25, educators of the state will share their pride in accomplishment.

The FFA has become an important part of the educational science. Vocational agriculture in the public secondary schools of our nation, though national in scope, is tailored to specific community needs. With farms and ranches of the nation as their laboratories students in this rapidly changing segment of our economy have earned the respect of our entire citizenry, rural and urban.

Traditionally, Future Farmers learn by doing. Their study of agriculture based on both biological and physical sciences as they are applied to practical agriculture. Their study is enriched through ownership of livestock and crops. The American system of ree enterprise is alive and meaningful as these students buy their seed and animals, invest time and money,

sell the completed product and compute their profits.

Profits made by FFA members contribute much to the economy of Texas. The nearly one hundred thousand head of livestock owned by forty thousand Texas Future Farmers last year earned for these young FFA owners nearly three million dollars. They produced nearly one million units of poultry and earned a profit of nearly a million dollars on more than forty thousand acres of crops.

Because of the rapid movement to mechanized agriculture, many vocational agriculture departments are equipped with new farm mechanics installations in order to allow Future Farmers to acquire the new skills they need.

Of even greater importance is the development of leadership abilities through experiences in FFA. Through their own organization these young men compete with one another in public speaking, conducting meetings, and in other contests requiring leadership ability of a high order.

These young men are aware that agriculture is a huge intricate business, requiring services of many who must be familiar with farm problems. Professional workers in conservation and research, in communications and in business are essential to agricultural progress. Knowing that our rapidly expanding population will require a 50% increase in food production during the next 15 years, these young men realize that many of our most capable individuals must work in the field of agricultural science. Vocational agriculture and the FFA provides them with a solid background for college training in this field. Those responsible for agricultural training in the colleges tell us that three-fourths of all college agricultural students were stimulated to continue the study of agricultural science by FFA experience in high school.

State Representative Jack Connell On Five Committees

Representative Jack Connell, Jr. of Wichita Falls was named today by Speaker James A. Turman as a member of the following committees of the House of Representatives of the 57th Texas Legislature:

Conservation & Reclamation, Counties, Judicial Districts, Livestock and Stock Raising, Common Carriers.

Representative Connell is a respected member of the House," Speaker Turman said, "and we expect him to work with energy and ability to do a good job for the people of Texas. I know he will conduct himself in such a way as to confirm the confidence I have in him as indicated by these responsible assignments."

Representative Connell is now serving his 2nd term in the Legislature and is recognized by his colleagues for his hard work and his devotion to duty.

BROWNIE TROOP I CELEBRATES BIRTHDAY

Brownie Troop I celebrated their second birthday Thursday night, Feb. 16th with a birthday party at the First Christian church. Parents of the Brownies were invited to the party.

The Brownies had their flag ceremony and sang some songs. The following girls were presented with two year stars: Shirley McElreath, Cherie Tereck, April Parks, Martye Kinnard, Linda Simmons, Patty Williams, and Joan Dolman. The girls closed their program with their friendship circle.

The refreshment table was covered with a white cloth with little brownies on it. The centerpiece was a brownie elf with a candle on each side. The birthday cake was decorated in Brownie colors with Happy Birthday Brownies on it. The girls had made corsages which they presented to their mothers.

The following people attended: Patti Egenbacher, Ellen Newton, Linda and Mrs. Simmons; Patty and Mrs. Williams, Martye and Mrs. Kinnard, Shirley and Mrs. Johnson, Joan and Mrs. Green, Theresa and Mrs. Herring, April and Mrs. Parks, Vicki and Mrs. Bailey, Debbie and Mrs. Potter, Cherie and Mrs. Tereck, Janet and Mrs. Clements, Mr. Tereck & Andy, Mike, Susie and Linda Johnson, John Green, Theresa Parks and Sue Ann Magill, our assistant leader.

The Brownies would like to express their appreciation to the First Christian church for being their sponsor and for providing their meeting place for these two years.

The great wall of China was completed in the year 214 B. C.

Friendly Homemakers Club

The Friendly Homemakers club met at the home of Nancy Landers recently. Roll call was answered by Mesdames Ladell Forrester, Mattie Cheney, Joe Willis, Evelyn Gray, Mona Givens Nina Kiesling, Emmy Midkiff, Frankie Knox, Murt Masters and Nancy Landers. Program was brought by Mattie Cheney, Shrub Selection and Planting. Mrs. Lynskey was our guest.

The Friendly Homemakers club met at the home of Vondal Mumaw Feb. 16th. Roll call was answered by I do or do not make decisions easily. Mattie Cheney had the opening exercises by leading us in the 23rd Psalm. The club members are to make garters for the patients at the State Hospital by next club meeting. Ten members were present and three guests. Miss Wirges came from Wichita Falls to give a very interesting program on 'How to Decide' Next meeting will be at Ladell Forrester, March 2nd. Door prize was won by Mrs. Claude Bowman. Our guests were Thelma Wirges, Mrs. Claude Bowman and Mrs. Russell Majors.

The kangaroo uses his tail for a third leg when running.

State Representative Vernon Stewart Chm. Oil, Gas Com.

Representative Vernon Stewart of Wichita Falls was named today by Speaker James A. Turman as Chairman of the Committee on Oil, Gas and Mining of the House of Representatives of the 57th Texas Legislature.

Rep. Stewart was also named as a member of the following committees: Banks and Banking; Congressional and Legislative Districts; Municipal and Private Corporations; Revenue and Taxation.

"Rep. Stewart will occupy a position of responsibility and leadership during this session," Speaker Turman said. "As chairman of one of the most important committees and as a member of several others, he will carry a heavy burden of work and will exert a vital influence on legislative policy. I know he will conduct himself in a manner that will reflect credit on himself and will benefit the people of Texas."

Rep. Stewart is now serving his 5th term in the Legislature and is recognized by his colleagues for his outstanding ability and his conscientious devotion to duty.

Your Car... ..or a '61 Ford Fairlane

Compare your operating costs with the car that costs least to buy* and drive!

Get your free copy of this "savings" folder now! See how you can save plenty in operating costs on America's lowest-priced, * full-sized 6-passenger car... equipped as most people want it!

Costs least... saves most—that's the '61 Ford! And here's why. Fact: The '61 Ford Fairlane, equipped as you like it, is America's lowest-priced, full-size 6-passenger car. Fact: You can enjoy all this full-size room, ride and zoom for less than some "new name" compacts. Fact: This stunning Ford saves hundreds of dollars in operating costs while you own it because it's beautifully built to take care of itself. Come in and figure it out with our free folder, "Here's Proof—" and you'll see you can't afford not to own a '61 Ford. And our Winter SAVE-MOST DEAL will be the clincher! Hurry!

HERE'S HOW THE '61 FORD TAKES CARE OF YOU

- Lubricates itself**—You'll go 30,000 miles between oil changes which cost only about \$4.00 and take about 20 minutes. Ford has replaced conventional grease fittings with a lubrication system.
- Cleans its own oil**—You'll go 4,000 miles between oil changes. Ford's Full-Flow oil filter gives you filtration through trapping more dirt than any other type of filter made.
- Adjusts its own brakes**—New Truck Size brakes adjust automatically.
- Guards its own motor**—Ford mufflers are double-mufflers aluminum to last three times as long as ordinary mufflers.
- Protects its own body**—All vital underbody parts are processed to resist rust and corrosion, even to gaskets and panels beneath the doors.
- Takes care of its own finish**—Just wash and clean Ford's Lustrite Finish to make it glisten like new. It never needs wax.

The '61 Ford Fairlane saves the most for the driver.

City's First Electrically De-Iced Bridge on 277 in Wichita County

Electric energy is spearhead-determined assault by the Highway Department on an old and deadly traffic hazard in Texas: iced over bridges.

The hope of permanently ending this age old peril to motorists is being tested by the Highway Dept. engineers in an experimental system in Wichita Falls. First test began Friday.

The system, of its kind ever under development in Texas, the research is taking place on twin bridges of U. S. 287 at its intersection with City View Drive in the northwest city limits.

The anti-icing system employs the use of electrical heaters embedded in the bridge through which energized small amounts of electricity which heat the elements and warm the bridge a few degrees above freezing. The system is actuated by a control panel hooked up to an electric utility power supply.

The headache of iced over bridges has been particularly acute in Texas, where flash freezes occur periodically during the winter months. Ice forms more easily on bridges than on highways because cold air circulates both above and below them. Temperatures of the adjacent highway areas are reduced more slowly and may not reach the freezing point at all, due to the influence of heat radiated from the earth.

This creates a deceptively dangerous situation for the winter motorist, who may be driving comfortably at 60 miles an hour along an unfrozen highway and suddenly come upon a glazed over bridge.

Sand and salt have been the traditional standbys used by Department maintenance crews to fight the icing process, although this has often meant all night work in anticipation of flash freezes.

The search for a better way

Burk Study Club Friendship Dinner Was Feb. 13th

On Monday evening, Feb. 13 the Burkburnett Study Club was entertained with a Friendship dinner at the home of Mrs. Glen Bear. Hostesses for the affair were Mrs. Bear, Mrs. F. C. Roye and Mrs. F. A. Jamieson. On the buffet and individual tables were featured red carnation and Valentine centerpieces.

Following the friendship dinner, President, Mrs. James Bohner called the business meeting to order. Members answered the roll call with their favorite books and the minutes were read and approved. Standing committee reports were heard. The nominating committee composed of Mesdames Philip Carpenter, J. M. Adams, and Alvin Hill presented the new officers for the 1961-62 club year. They are: president, Mrs. Harold Van 'oh; vice president, Mrs. Harold Preston; record Secy., Mrs. Howard Henderson; corresponding secy., Mrs. F. A. Jamieson; treasurer, Mrs. Glen Bear; parliamentarian, Mrs. Jack Mathis; historian, Mrs. F. C. Roye; press reporter, Mrs. D. H. Smith; art chairman, Mrs. Claude Meadows; federated counselor, Mrs. Jack Smith; and Mesdames Carpenter, Jamieson and Preston were selected to serve on the year book committee.

University Club Program Wed. Was Texas Parks

One of the most delightful meetings of the University Study club for this new year was one on Wednesday afternoon in the lovely home of Mrs. B. N. Cauthorn. The meeting was opened with the president, Mrs. Majors in the chair.

After a brief business session Mrs. Melton introduced the program. Mrs. Reger had secured the film on Texas Parks and Mrs. Blake Browning was the narrator. Mrs. Houser showed the pictures. We thoroughly enjoyed both the film and the narrator. Then at the clubs request Mrs. Houser showed some of her personal pictures she had made while on a visit to her daughter and family, Capt. and Mrs. Weldon Wright, while they were stationed in Germany. Mrs. Houser had taken colored pictures from a flower show and also showed scenes from Germany, England, Luxenberg and several other places. The flowers and cathedrals were beyond description.

Delicious refreshments were served to Mesdames Reagan, Majors, Witherspoon, Young, Pogue, Catlege, Crosley, Sessums, Matthew, Harwell, Reger, Browning, Melton, Houser and the hostess, Mrs. Cauthorn.

Visiting in the N. H. Harris home the past week were Mr. Cliff Harris from Amarillo and Mr. and Mrs. Harry Beall of Bristow, Okla.

Health Insurance Benefit Payments Average \$15.3 Million a Day in '60

Health insurance benefit payments by all insuring organizations averaged an estimated \$15.3 million a day during 1960, the Health Insurance Institute reported today.

This represented an increase of more than \$1 million a day over the average daily benefit payments made in 1959 by all health insurers, said the Institute, and an increase of \$6.7 million a day over the 1955 average benefit of \$8.6 million a day.

Health insurance benefit payments during 1960 by all insurers were estimated by the Institute at \$5.6 billion, an average of about nine per cent over the \$5,175,000,000 paid out during 1959.

The Institute said insurance companies accounted for \$3 billion of the 1960 benefits while all other insurers, including Blue Cross Blue Shield, paid out some \$2.6 billion. In 1959, insurance companies paid out \$2,840,000,000 in benefits while other insuring groups paid out \$2,335,000,000, said the Institute.

Of the insurance company

stated the Institute. In terms of persons covered by some form of health insurance, the HII estimated that as of the end of 1960 some 132 million persons had hospital insurance, 120 million had surgical insurance, 86 million had regular medical insurance which helps pay for the cost of doctor calls and other non-surgical care by physicians, 25 million had major medical insurance, and 43 million had loss of income insurance.

New '61 Chevy with Jet-smooth ride!

Impala 4-Door Sedan—Jet-smooth traveler that rivals the luxury cars in everything but price.

The '61 Chevy loves to go because it goes so well. Purrs along pavements like a happy tabby. Takes rough roads in stride and all roads in style.

Just why does a Jet-smooth Chevy treat riders as royally as the high-priced luxury cars? It all came about through a delightful blend of Full Coil suspension, precision-balanced wheels, unique chassis cushioning, and a superb Body by Fisher insulated to hush away road sounds. All this adds up to less sway, less jounce, less dip, less dive, less tilt, less noise, less . . . well you name it.

Now combine this Jet-smooth ride with conveniences to pamper you and roominess to relax in. Add a full measure of quiet good looks. Voila, you've got Chevy's formula.

And the proof is in the riding. When you sample a Jet-smooth Chevy at your Chevrolet dealer's we think you'll find it just to your taste.

See the new Chevrolet cars, Chevy Corvairs and the new Corvette at your local authorized Chevrolet dealer's
