HALL and Notes

W. D. Mann
City Manager

The City Planning Committee met Monday afternoon. They received two requests submitted, one of which was referred to the Planning Engineers. One request was for zoning and the other was for establishment of truck routes around the city. The Master Plan now being prepared by the Planning Engineers will include recommendations regarding both requests.

The City Commission in its meeting Monday night authorized the use of red flashing signal lights by the volunteer firemen. The lights will be purchased by the city and will be installed on the personal cars of the firemen, to be used only in emergency runs. This is an added safety feature for the firemen.

Second reading of the proposed dog ordinance was held. There must be the third and final reading before the ordinance becomes law.

Municipal elections Tuesday, April 4th. Citizens will vote for the candidates of their choice in two places on the Commission. Two names will appear on the ballot: Winston Freeman and John Page, whose terms expire, are up for re-election. Candidates appearing on the ballot are Harry Elliott, T. Logan and J. A. Suttles. Voting place for your city officials will be at the Majors building on West Main.

Work has been done by the Park and Recreation Committee and approved by the city. We have this work in with our park program and work toward the development of the park as we can. No separate funds are set up for Park work; however, the park plan will be developed as quickly as the city can fit it into its work schedule. We are anxious to get the park developed, but of course cannot neglect other important work.

Youth calls to youth—that's what we almost never get to use.

44 Pints Of Blood Collected March 1

Forty-four pints of blood were collected Wednesday at Burk Burnett from 53 persons who volunteered during the Red Cross mobile operation in the Town Hall. Blood center officials declared the project a "life saving" success.

Churches, service clubs and womens clubs had urged their members to give blood. Jimmy Johnson, welfare officer of the Frye-Vaughn Legion Post and a member of the Wichita County Red Cross board of directors, promoted donor recruitment.

Henry's Pastry Shop donated cakes, cookies and doughnuts; Preston's Dairy the milk and the Legion Post the cold drinks that were served donors. The Southwestern Bell Telephone Co., Texas Electric Service Co., Riley Machine and Supply and Key Fina Service Station arranged public displays promoting donor participation. The need for donors was also broadcast from a city police car.

Joe Janek, chairman of the Red Cross and Dr. Jos A. Davey blood program chairman, said they were well pleased with the community wide support the bloodmobile visit received.

Volunteers assisting on the bloodmobile staff from the Forum Study club were Mesdames Forrest Green, club president, Gene Allen, T. M. Cornelius, Don Mills, Wallace Landrum, Matt Spurgeon and Martin Wright. Representing the Legion Auxiliary were Mrs. Jimmy Johnson and Mrs. J. T. Brady. Other volunteers included Mrs. Delmar England, ESA Sorority; Mrs. James Pearson, Modern Study Club; Wilbur Snyder, commander, and Jimmy Johnson, Legion Post; and Al Hoefener, the Red Cross committee.

Local Soil Essay Winners Named

High School students of Burk Burnett wrote more than 350 of the 700 entries in the annual soil essay contest held recently by the Wilbarger-Wichita Soil Conservation District. District winners were forwarded to the Fort Worth Press sponsored contest, Save The Soil and Save Texas, for Regional and state grading.

Medals provided by the Soil Conservation District will go to the following:

- Seniors, Carol Waddell, 1st; Patsy Preston, 2nd; Thomas McDonald, 3rd.
- Juniors, Margaret Faulk, 1st; Don Kennedy, 2nd; Sue Revier, 3rd.
- Sophomores, Barney Fudge, 1st; Janice Harris, 2nd; Marianne Campbell, 3rd.
- Freshman, Jerry Don Sloan, 1st; Ken Johnson, 2nd; Dixie Van Reenan, 3rd.

Carol Waddell was named winner for the entire school.

Anyone interested in joining the club for the fun and friendship of square dancing is invited out next Tuesday. For information contact the club secretary, George and June Albin, Phone 569-3824.

Joe Sherrill, Jr. Wm. A. Blakley's Wichita Manager

Appointment of Joe Sherrill, Jr., of Wichita Falls as Wichita County campaign manager was announced today by the United States Senator William A. Blakley's headquarters in Austin. Blakley, candidate to succeed himself in the special Senate election April 4th is serving his second interim term in the Senate. First appointed by then Gov. Allen Shivers in 1957, Blakley was appointed in January of this year by Gov. Price Daniel to serve in vice President Lyndon Johnson's vacated seat until the special election is held. Blakley, lawyer, rancher and businessman, is a member of two Senate committees, Judiciary and Banking and Currency.

Studies Being Made To Reclaim Waste Water

"Wastes Engineering," (Oct. 1960 issue) claims that during the next decade provisions must be made for maximum re-use of all waters. This will be necessary because of the pressing need for conservation and economy. Such a program is already underway, but making slow progress largely because of inconvenient location and design of existing facilities.

It is almost certain that most new industries will plan on waste water re-use. But cities as well as industry are interested in reclaiming water. One of the largest to take action along these lines is Los Angeles, Cal. The Los Angeles County Flood Control District has initiated a 2 1/2 year regional program to explore the technical and economic aspects of converting sewerage to water that can be used by the public.

Schools Had Fire Drill March 8th

All Burk Burnett schools received a surprise fire drill Wednesday, March 8th, when Fire Marshall Dick Chambers and Clovis Mann walked into each Principal's office, unannounced with instructions to give the fire alarm. Others making the inspection were Fire Chief Harry Elliott and Assistant Fire Chief M. M. Thornton, with a fire truck and Police Chief Kenneth Gage with a police car. As soon as the school fire alarm sounded, the sirens of the fire truck and police car were sounded as the students marched out of the building.

The Fire Marshall and Fire Chief were very pleased with the results. Record time for emptying the building went to Hardin Grade School, who had the building completely emptied in an orderly fashion in 45 seconds; others recorded as follows: Jr. High on Ave D, 58 seconds; Primary building, 1 minute; Jr. High on Kramer Road, 1 minute and 15 seconds and the High School, 2 minutes.

Chambers explained that the procedure was in accordance with the state fire laws which require the fire Marshall's office to conduct school fire drills periodically. The Fire Marshall, with other fire department officials may walk into a school at any hour, and without notifying anyone of their intentions, personally sound the fire alarm. The drills are for the faculty, as well as the students. The authorities claim that it is far better and safer if the schools receive enough drills so that the students will always feel that "it is just another drill."

Mann expressed his appreciation to the school authorities for their cooperation. A report of the results of the inspection will be made to the school superintendent.

Singing Convention Sunday, March 19

The Tillman County Singing convention meets every third Sunday afternoon of each month at 2 p. m. at the Pentecostal Holiness Church, 409 N. 3rd street in Frederick, Okla. All singers are urged to attend. The public is also invited. W. B. Johnson, Manitou, Pres.

HORSE SALE At Burk Sale Barn Thursday, March 23

There will be a registered horse sale at the Burk Sale Barn Thursday, March 23, at 6:00 P. M. Registered quarter horses and Appaloosas, mares and horses, will be featured. For information call Bill White, 723-4982 or 322-3278, Wichita Falls.

HELP - HELP

An urgent plea has been issued for volunteer workers to help with the little league baseball program this summer. All interested persons, parents and prospective coaches and managers, are urged to attend an organizational meeting Friday, March 24 at 7:30 P. M. at the Town Hall. For further information call Jerry Thomas, 569-2221 or 569-3639.

\$100 REWARD

\$100.00 reward will be paid to anyone furnishing information which leads to arrest and conviction of a person dumping trash on public roads or right-of-way.

County Commissioner C. G. Gresham states that several complaints have been lodged recently about trash being dumped in this precinct.

Danny White Must Take Rabies Shots Unless Dog Is Found

Five year-old Danny White, son of Mr. and Mrs. Daniel P. White of 102 Carolyn St., was bitten by a dog Saturday, March 11th while he was standing in line at the show with his brother. Danny is a lover of all animals and merely reached down to pet the dog when the dog raised up and bit him on the mouth.

The dog is about a foot high, has long straight hair, ears that stand straight up and his tail curls up over his back. It is a light brown color. If anyone knows the whereabouts of this dog, please call the Police Dept. or Danny's parents immediately.

Local Births

Birth certificates were issued to the following Burk Burnett parents last week: Messrs and Mesdames: Richard Eugene Godden, girl, Deborah Lee, Hugh Hollis Barton III, boy, David James, Glenn Dale Pharis, girl, Glenda Jeanne, Edward Charles Schumann, boy, Charles William, Connie Mayo Yates, girl, Glenda Mae

Wolfe Ford Co. Employees Were Honored In Dallas

J. C. Davis, Theo E. Austin & Elton Penrod of Wolfe Ford Company, Burk Burnett, were presented Ford Motor Company's 300-500 Club award March 10th at a banquet at the Adolphus Hotel in Dallas, honoring high ranking Ford dealership car and truck salesmen of 1960 in the Dallas Ford sales district. W. J. Corbett, district sales manager, said 300-500 Club membership awards are presented for excellent retail sales performance. The Ford 300-500 Club was founded in 1950 to recognize the performance of outstanding Ford salesmen throughout the country. Mr. Corbett added that the average 300-500 Club member sold nearly \$400,000 worth of automotive merchandise in qualifying for the national honors.

Burk Man Gets Citation for Gallon of Blood

Jessie Brister was cited with a certificate of merit Monday by the Wichita Falls Times and Record News for his unselfish service in giving a gallon of blood to help heal the sick. His award was signed by Rhea Howard, president of the Times Publishing Co., and by John Estes, chairman of the Red Cross Blood program.

Brister was also named a member of the Gallon Club and praised by Estes for sharing his blood with eight patients who needed his gift to survive. A resident of Burk Burnett, Brister with his wife, Alice, and their two children, Essie Lou 4, and Ronnie Eugene 2 lives at 320 Burkhaven. He and his family attend the Assembly of God Church.

Swim Pool Park Being Developed

The Swim Pool Park beautification committee, with the help of Joe Ward Engineers, has completed the design plans for the park. Plans call for 22 picnic tables and 98 trees.

The tables will be built of concrete, and are to be located to conform to the park design. The proposed trees are also to be located in accordance with the design. At least one existing tree will be removed, as its location interferes with the overall park plan.

Plans are also underway to begin construction on the bath houses. A parking area and park lighting system also will be provided.

Lutheran Church Dedicated New Parsonage Sun.

The Grace Lutheran Church dedicated their new parsonage Sunday, March 12th. The parsonage is located on Ruby Road in the Clements Addition.

The 1400 sq. ft. home includes 2 bedrooms, den, kitchen, living room, 1 1/2 baths and attached garage. Howard Clements was the contractor. Building committee consisted of Mr. Virgil Mills, Oscar Frieling and Bud Lasley. One half of the building fund was already subscribed. Rev. G. B. Seager is the present pastor. He was ordained here Feb. 5, 1961. The congregation was first organized in 1945 by Rev. Paul Kaiser and in 1948 their new church building on Main street was dedicated. The church now has a membership of 167.

St. Patrick Dance At Punkin Center

A cordial invitation is extended to people of the Burk Burnett area to attend the Annual St. Patrick Day Dance to be held at the Knights of Columbus Community House at Punkin Center, four miles north of Electra, Friday, March 17, beginning at 9 p. m. Carl Flusche is chairman of the committee on arrangements. Music will be provided by Montgomery's Rythmaires of Wichita Falls. Proceeds will go to the Knights of Columbus benefit fund.

Gary McDonnell on Tech Honor Roll

Honor roll students for the Fall 1960 semester have been named by the academic dean at Texas Tech. Students cited for scholarship on the various deans lists at Tech include Gary Lynn McDonnell, senior, son of Mr. and Mrs. Henry McDonnell of Burk Burnett. If Patrick Henry thought taxation without representation was bad—he ought to see it with representation!

Two and Three Bedroom Houses Needed for New SAFB Personnel

Mental Health Drive March 20

Mrs. George Smith, 606 E. 2nd has been selected chairman of the house to house bell ringing canvass for the mental health drive scheduled for March 20th. Mrs. H. L. Johnson will be co-chairman of the drive. Mothers of the Hardin and Primary PTA will do the canvassing.

In 1960 the county association raised \$12,500. Volunteer and staff efforts enabled the association to receive the promise of a grant from the Hogg Foundation for Mental Health and the allocation of \$29,000 for Texas's first regional mental health center. Seventy-five percent of the money collected in the 1960 drive remained in the county to be used for maintaining a year round information and referral service, psychiatric services to delinquent children and numerous educational projects which are necessary to help the public work for improved mental health and develop needed sources and facilities in the county.

The Wichita County Mental Health association has only one paid employee. All others are volunteer workers. A survey made by the mental health association in 1960 showed that emotional problems, delinquency, alcoholism and mental illness cripple more Wichita county residents than any other illness. Emphasis of Mental health services should be directed toward children where preventive services would be most effective.

There are no agencies in Wichita County offering a complete range of psychiatric services at the present time. There is no private or community psychiatric clinic, no family service agency, no clinical psychologist nor psychiatric social worker in the schools.

The high cost of emotional illness to the community is apparent in the growing cases of juvenile on probation, re-admissions to the State hospital, suicides and violence. Some of the local merchants are giving the proceeds of their coffee hour, 9:00 to 10:00 a. m. Monday, March 20th, to the Mental Health Drive.

Right To Own Firearms

Our Mistaken foes cannot feel comfortably assured of our future surrender to them so long as we, the people of the United States, are permitted to own individual firearms.

For a long time, the Soviets have been trying to sell the United States on the idea of national disarmament. Naturally, they have given us to understand that if we will disarm, they will disarm. But, since morality to them has nothing to do with telling the truth, the Soviets cannot be trusted. To them, morality is only that which promotes the spread of world-wide communism and that by whatever means it can be effected. No nation which feels a sense of right and wrong has the slightest grounds for negotiations with Soviet Russia. The Soviets talk in a different language and they define a solemnly signed contract merely as "piecrust made to be broken."

And now, not only national disarmament on our part, is their target, but even personal disarmament as well. Congressional legislation has been proposed which would compel such detailed government control of firearms as to discourage law abiding citizens from purchasing and owning guns, even for purposes of sport or self defense. Adequate laws already exist to safeguard ownership and use of guns in a sensible way. Proposed laws would require registration of every purchase of ammunition and close identification of each gunowner. No restrictive laws regarding firearms would affect criminals and gangsters because they customarily obtain their shooting irons and ammunition by theft, anyway. It would be a gilt-edged invitation to thieves and killers to go into action; fewer law-abiding citizens could put up resistance.

In other lands, government-enforced registration of privately owned firearms has always led to confiscation. Before a despotic government can take over, the people must be disarmed. Strict registration has been enacted. Then, just prior to

invasion date, either internal subversives or external aggressors have checked the rolls, picked up the guns turned over another helpless people to armed dictators. This procedure is too risky for Americans to follow. We must not make our downfall that easy. Let's remember that American independence is descended from a lot of evolutionary muskets, owned by sturdy pioneers who knew how to shoot. Sportsmen are keenly aware of the danger and have been fighting it for years. The average householder is unaware of the fact that he is liable to lose his revolver, pistol, or other means of defense for himself, his family and his property in an emergency which might arise.

Sanity Test

The false notion that the federal government can legislate away human shortcomings and cancel out natural economic laws may be coming to an end. Whether this is true will be tested when impending efforts are again made to amend the federal-wage-hour law to extend coverage and boost minimum wage.

Proponents of wage-hour revision run into forces that can no longer be swept under the rug by legislative fiat—namely, inflation, unemployment and imbalance of the gold flow from the U. S. These forces have reached their present proportions, mainly because the free market system has already been coerced, regulated and taxed to the danger point.

Legislating another increase in the wage level will mean more cost increases to pass along to consumers in higher prices, and another turn in the inflationary spiral. It will mean further unemployment and a further weakening of the ability of American business and industry to compete with foreign producers of everything from neckties to automobiles. As this ability to compete is restricted, more and more of the nation's gold and resources will drain away to other countries.

What is most sorely needed is a demonstration of faith in the ability of private citizens to run their own affairs to the benefit of themselves and our country, if the regulators and spenders will give them a chance.

SAN DIEGO, TEXAS, FACTS: "The Welfare State, both feared and desired, seems likely to arrive via Social Security. Steadily, the Social Security tax expands and the promises and 'benefits' grow. Already, without additional legislation that the liberals in Congress are arguing for, the Social Security tax will, by law, reach 9% in 1969."

BURKBURNETT... HISTORY

Revealed By The Star
 Film's 10 Years Ago . . .

Mills and Fleming this week are tearing down what is believed to be the last of the original frame buildings built in the early days, to make room for a new modern structure on main street. The building was built in 1908 by August Lohoefer and his partner. The first business housed in the building was the Edmonson Drug Store.

Mr. and Mrs. J. C. Adams had dinner in Wichita Falls Sunday and later in the evening enjoyed movie pictures taken in Japan at the home of Capt. and Mrs. Adroni.

Mrs. Ellen Lusby of Fort Worth has been visiting in the home of her sister, Mr. and Mrs. W. M. Ferguson.

Mr. and Mrs. B. D. Boyd, Mrs. A. C. Harris, Mrs. L. H. Edwards and Miss Sue Douglas left early Monday morning to visit three Burk boys at the Navy Training Center in Great Lakes, Illinois.

Mrs. Sid Gamblin accompanied a group of nine students from Midwestern University to Independence, Kansas last week to attend the Phi Theta Kappa National Convention. Among the group were Sydney Gamblin and Jean Ann Fulfs.

Miss Grace Revier attended the Methodist Conference Youth Rally in Denton Sunday afternoon.

Mrs. Ralph White and Mrs. John Brookman were in Dallas Tuesday to attend funeral services for Chas. Parker White.

Billy Hodges and Gene Groves who are stationed with the Navy in San Diego, Calif., are visiting friends and relatives here.

Mrs. R. Robinson of McAlister, Okla., spent the week-end here with Dr. and Mrs. Rudolph Robinson and children. Mrs. Robinson and children accompanied her home for a visit.

Joel D. Reese

Joel D. Reese, 11C3 Petty Officer first class of the U. S. Navy was a recent visitor in the home of his parents, Mr. and Mrs. T. C. Reese, 513 1/2 E. 3rd St. Joel is assigned to the USS Boston (CAG-1), world's largest heavy missile carrier. He is in electronics and has completed 5 schools and made two cruises in the Mediterranean Sea since enlisting in the Navy in December, 1953. Upon his return at his base in Boston, Mass., he will enter another school in automatic telephones.

HARDIN HD CLUB

The Hardin HD club met in the home of Mrs. A. A. Evert Wednesday, March 8th.

Mrs. Julia Roderick, president, opened the meeting and Mrs. A. A. Jacobs gave the devotional.

Roll call was answered with How I Planned my Landscape, by the following members: Mesdames E. W. Roderick, James Roderick, E. J. Simons, M. R. Hewell, H. W. Krusemark, S. E. Askins, John E. Coels, W. E. Goin, A. A. Evert, J. H. Enderli, Jess Hageman, L. A. Markum.

Mrs. H. W. Krusemark gave a very interesting demonstration on how to make drapes.

Hardin club's chairman of civil defense, Mrs. M. L. Hillis, and clubs president, Mrs. Julia Roderick, assisted in serving lunches to volunteer workers at the recent accident on Red River bridge.

The next meeting will be a covered dish luncheon in the home of Mrs. M. L. Hillis, south of the city, March 22nd. The program will be on Health.

How their telephones save Mr. and Mrs. Neil Sauer 2 1/2 hours a day

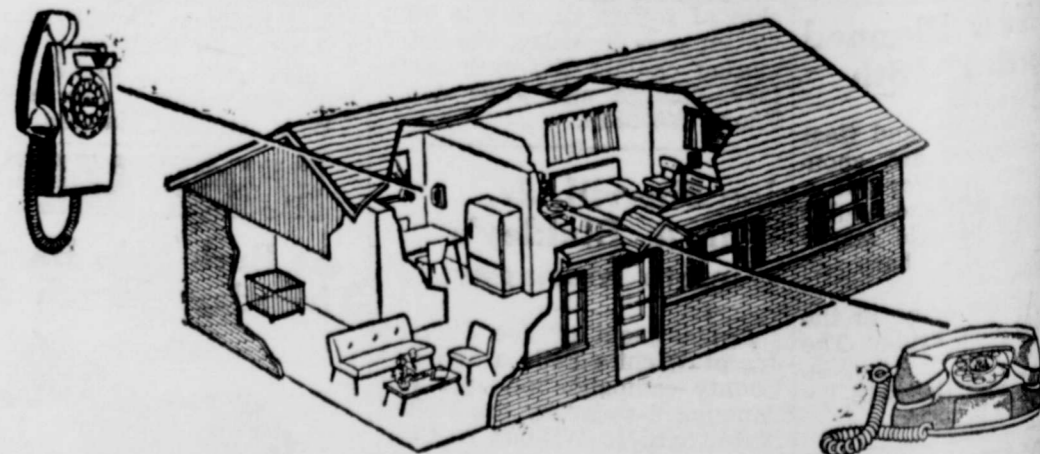

By DON DAVIS, Telephone News Writer

"I called a department store to order a place setting of china I saw advertised. I'm going to give it to a friend who is getting married."

"As a photographer, I have calls at home in the evening to arrange for props and models. So I use our Princess phone in the bedroom, where it's quiet."

The Sauers use their phones—a white Princess model in the bedroom and a green wall phone in the kitchen—about 50 times a week to help them get things done.

As she speaks of the Princess, Mrs. Sauer's eyes light up. "It's so small and lovely. And the way the dial lights up is great." The Sauers use their bedroom phone when they want quiet and privacy. This phone also gives Mrs. Sauer a sense of security when she's alone at night.

Why not take a tip from the Sauers? Enjoy the convenience, pleasure and security of extension telephones. Just call the telephone business office or ask a telephone serviceman. Cost is low.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Once again Whittier, California, has come into the news. This suburban town east of Los Angeles, founded by Quakers, is the home bailiwick of Ronald Cameron, a member of the Legislature of California, who has introduced quite a far reaching bill in the hopper of the current session of the Golden State's Solons in Sacramento.

This bill, if it becomes law, will require all retailers who give trading stamps, to offer their customers the choice of stamps, or cash discounts.

Legislator Cameron, on introducing his bill said the new law he seeks "would free the reluctant customer from the trading stamp hoax."

It is his contention, based on his studies of the situation, that merchants pay from 2 to 3 per cent for the stamps and that this percentage is added onto the price of merchandise.

He points out that a large drug store deducts three per cent from the sales price of all merchandise returned by a customer unless the customer returns stamps he received on purchase of the goods.

He also states flatly there is no intention to outlaw stamps, as he feels that people who want to continue to buy stamps should be able to do so. "If you want 200 stamps with \$20 worth of groceries, you can have them by paying \$20. But if you don't want stamps, you only have to

pay \$19.40, or 3 per cent less for not buying the stamps along with the groceries."

In another Western state, Wyoming, the matter of trading stamps is also again in the spotlight as one of the nation's largest stamp operators has asked the Wyoming Supreme Court to review the decision reached at year's end upholding the constitutionality of a state law outlawing stamps.

The Supreme Court also upheld the ordinance passed by the city government in Casper, Wyoming, outlawing stamps.

In still another Western state, Arizona, the Supreme Court came to another decision.

On a question involving state sales tax matters, the Arizona Supreme Court rules trading stamps are not cash discounts.

In handing down its decision, the court issued a very interesting viewpoint on the question of trading stamps.

For the court ruled that trading stamps are a "promotion scheme to induce the public to purchase merchandise from its dealers exclusively."

The Arizona court did not touch upon the matter as to whether or not this constituted an attempt at restraint of trade as this question was not raised in the case.

But it is indeed interesting that there is a judicial opinion that the operators of a stamp plan seek to sew up the consumers trade exclusively with the retailers handling their stamps. It would thus appear there is grounds to investigate if these plans enter into the illegal area of restraint of trade.

**Mrs. John Brookman
Current Lit. Club
Hostess March 9th**

The Current Literature club observed a Texas Day program Thursday afternoon, March 9 when members met in the home of Mrs. John Brookman. Serving as co-hostess was Mrs. C. W. Boyd.

Mrs. Brookman, president,

presided during the business session, at which time the secretary's report and correspondence were read. Recommendations which had been made previously at a called meeting of the scholarship committee were read by Mrs. F. M. McMurtry and approved. It was voted that the name of Karen Abdouch, a high school senior, be presented to the Santa Rosa District scholarship committee for consideration of a scholarship.

Mrs. A. H. Lohofener, therapy chairman, reported regarding the thirty dozen cookies supplied by the club for SAFB.

The president announced that all appointive officers for the ensuing year will remain the same except that of the year book committee, which is designated as follows: Mesdames A. H. Lohofener, W. B. Short, and J. L. Caffee.

It was voted that Mrs. John Brookman, as delegate and Mrs. Fred Hunt, alternate, be sent to the district convention in Wichita Falls April 12-13th and all members were urged to attend.

Mrs. C. W. Boyd, club counselor read an article emphasizing that every club have at least one program a year on the United Nations.

The Texas Day program featured the theme, Our Opportunities. Members answered roll call with varied Texas Industries. Mrs. C. R. Chambers was program leader.

Information concerning the Lone Star State was gleaned through papers and discussions which included music in early Texas, by Mrs. Roy Magers, in which she told how our earliest music in Texas originated with the negroes with the lullabies of the old negro mammys, the spirituals they sang, and the melodies which were handed down from generation to generation.

Mrs. F. G. Jeffers read a paper on Camp meetings in Texas, telling how the simple country folks of long ago would travel for miles in covered wagons, make camp and participate in that old time religion called the camp meeting which they held under a brush arbor in the great out doors.

Mrs. Fred Hunt discussed our State Cemetery, which is located near Austin. How research disclosed little information regarding the last resting place of our revered Texas heroes as well as some of our World War II veterans.

The program was concluded with the pledge to the flag in unison.

Delicious refreshments were served to the following members: Mesdames J. L. Caffee, C. R. Chambers, Fred Hunt, Marjorie Kauer, A. H. Lohofener, Roy Magers, F. M. McMurtry, W. B. Short, J. S. Vanderberg, W. C. Vann and the hostesses, C. W. Boyd and John Brookman.

Saturday evening and Saturday night visitors in the home of Mr. and Mrs. F. E. Scruggs were Mrs. Scruggs' sister, Mrs. J. W. Zumbro of Taft, Calif., and niece Mrs. Jimmy Hester of Roswell, New Mexico. On Sunday, Mr. and Mrs. Scruggs and their guests visited another niece, Mr. and Mrs. H. D. Zumbro in Altus, Okla.

Legion Notes

Wilbur Snyder, Commander
Public Relations F. K. Reynolds

Why should you be a Legionnaire?

Yesterday, March 9th, I asked a friend to have coffee with me. While I sipped, I asked him why he hadn't joined the legion. He replied that he just never could see anything he could get out of it. As the conversation went on he mentioned that his mother in law lived with them and that her deceased husband was a legionnaire right here at our own post 264. He was killed in 1935 and he wanted to know whether she could draw her husbands money at 65. I like to have fell over. I couldn't believe that anyone would go that long without finding about VA benefits. I gave him F. L. Perry's name and phone number, 569-2585, and he called him. Mr. Perry, service officer, called on him that night.

Now I say not what you can get out of the Legion but what do you have to offer the Legion is the more important. This is only one of many cases we Legionnaires encounter here in Burkburnett frequently.

To pay your dues is the important thing. Because when you're a paid up member, you have representation in any VA matter and you never know when or what. So be a paid up member. The dues are only \$5.00 per year.

It has been taken into consideration to form an Ami-Vets post within the Legion Post. The reasons, the requirements for the Ami-Vets is solely a person who has served honorably in the armed forces whereas, the legion requires a person who served honorably during war time. The legion is also studying the possibilities of booking some carnivals and circuses in Burkburnett this year. Mr. John Larson is looking into the matter.

Convention time is nearly here. It will be held March 25-26 in Gainesville.

Don't forget game night Friday at 8:00 p. m.

The subject of our child welfare has been brought to my attention. Just what is this child welfare fund and all has been the question. What does it do? The child welfare is the one important program of the legion. A child in need of anything, glasses, books, clothes, food and etc. is furnished from this fund.

Mrs. Harry Hicks of Hollis, Okla., visited in the Forrest Green home last Tuesday.

BE FAITHFUL TO COUNTRY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Thrift Memorial Baptist Church Undergoing Expansion Program

The Thrift Memorial Baptist church, 614 Tidal Street, got its start in 1924 at the little city of Thrift, thus the name. "Thrift" it moved to Burkburnett in 1952. The church at present has a membership of 425 with an average Sunday School attendance of 200. The present church property is valued at \$100,000. The church is under an expansion program. A new auditorium 34 by 77 with a seating capacity of 375 is now under construction. The new building will

be constructed of brick and block, with laminated arches & roof decking. It will be completely air conditioned. During the time of construction the old auditorium has been relocated on the west side of the property and will continue to serve as a place of worship. The church is affiliated with the Southern Baptist Convention. Pastor of the church is Dr. Kenneth D. Bradshaw who resides at 810 Tidal. His wife's name is Ruth and they have two daughters, Deborah age 6 and Sharon, 4.

Mr. Bradshaw has been in Burkburnett 14 months. He is a graduate of Oklahoma State University, receiving his BA degree. He received his BD degree from the Southwest Baptist Seminary, Ft. Worth and is now completing his Th. D. degree. He has been preaching for 9 years. His first congregation was in Sawyer, Okla.

Rev. Bradshaw believes that Burkburnett will continue to grow for at least the next 10 years and is hopeful that he and his church can contribute something to its growth.

Mrs. Troy Mills Unity Garden Club Hostess March 8th

The unity garden club met March 8th in the home of Mrs. Troy Mills with Mrs. Paul Schroeder as co-hostess. The theme of the meeting was Birds—key to Song.

Mrs. Roy Magers, president, presided at the business session. Mrs. W. B. Short, secretary, read a card stating that the club will be given an award at the District II convention in Mineral Wells March 23rd. At the present time, Mrs. Troy J. Miller, president-elect, and Mrs. Neal Hall, delegate, plan to attend the convention. Mrs. Silverberg, nationally known flower arranger, will bring the program on flowers as they serve you.

Mrs. J. D. Riddle reported that the garden club council had changed the date of the flower show to May 4th, but will keep the name of the show April in Boomtown. The club voted fifty cents per member which totals \$11.00 toward the expense of the flower show.

March 13-19 is garden club week. The president asked that the members of the Unity Garden club wear flowers and smiles and to greet all the people they meet. They will also place flowers in some of the store windows.

Mrs. Miller appointed the year book committee. They are Mrs. R. C. Gilbow, Mrs. Neal Hall, T. J. Campbell.

Mrs. Hall was program leader. She stressed that there are 10,000 species of birds on earth today. Of the song birds, there are 116 species of warblers.

The members answered roll call with plants and birds on the conservation list. Bluebirds and the cardinal seemed to be the most popular on the list.

Mrs. W. B. Short said in her paper on Season Flights, that the study of birds is a most popular pastime. The migration of birds is one of the marvels of nature. Many birds migrate only at night, particularly the warblers. Migration is partly determined by the birds' appetites but mostly by an urge that man has not determined or understood. Their road map is planned by an indefinitely wise creator.

Mrs. R. C. Gilbow gave a talk on Birds, Our Important Friends using a flannelgraph to illustrate her points. She said if insects were left alone to multiply, they would eat every living green thing on earth. Birds account for the destruction of vast amounts of these insects.

THOUGHT FOR THE WEEK . . .

Rev. Kenneth Bradshaw
 Thrift Memorial Baptist church

What is the most obvious sin in the city of Burkburnett? This question no doubt would be given many answers. Some would say that sinful acts growing out of hearts full of lust and passion would be most obvious. Others would say hypocrisy on the part of church members is the most obvious sin. No doubt others would be able to give suggestions that would shame us as a city whose people are by a vast majority professed church members.

I would like to suggest for your consideration a number one sin for this city and for all of America today. INDIFERENCE of America today. Indifference. The Bible speaks of such days as Christ spoke to the Christians at Laodicea through John, "I know thy works, that thou art neither hot or cold; I would thou wert cold or hot. So then because thou art lukewarm and neither cold or hot, I will spue thee out of my mouth." (Rev. 3: 15-16).

Perhaps our unfamiliarity with the Bible keeps us from fully understanding these words so let us see ourselves in a poem written by Studdert-Kennedy called "Indifference." When Jesus came to Golgotha they hanged Him on a tree, They drove great nails through hands and feet, and made a Calvary; They crowned Him with a crown of thorns red were His wounds and deep, For those were crude and cruel days, and human flesh was cheap.

When Jesus came to my home town, they simply passed Him by, They never hurt a hair of Him, They only let Him die; For men had grown more tender, they would not give Him pain, They just passed on down the street, and left Him in the rain.

Still Jesus cried, "Forgive them for they know not what they do" And still it rained the winter rain that drenched Him through and through; The crowds went home and left the streets without a soul to see, And Jesus crouched against a wall, and cried for Calvary. The sin of indifference to known right is the Sin that has destroyed civilizations, nations, homes and individuals. Let us profit by others mistakes.

Cooper HD News

The Cooper club met on March 13th at the home of Mrs. Bee Bryant. Mrs. Lee Cooper, president, was in the chair. Mrs. Bee Bryant led the group in an opening song, and Mrs. George Emmert called the roll. Each member was requested to answer with How I Planned my Landscape. Visitors were Mesdames J. W. Prescott, Gertrude Barfield, W. D. Owen and Thelma Boling.

The reading of the minutes of the last meeting revealed the fact that Mrs. Lee Cooper had been elected Texas Home Demonstration Association chairman at the last county council meeting. Mrs. Lee Cooper reported that seven club women from the Cooper club worked at the State hospital sorting and sizing clothes for patients on March 3rd. 4-H leader, Mrs. R. R. Swinford, reported that the Friberg-Cooper club rendered a spiritual program at the Friberg-Cooper church on March 12th. It was presented to a large crowd. Mrs. Bob Stewart reported that Plant That Shrub Correctly was chosen to be an exhibit from the Cooper club at the Texas-Okl. Fair.

Mrs. Bryant, program chairman, presented Mrs. W. T. Jenne, who rendered a program on Tailored Drapes, lined and unlined. Recreation hour was conducted by Mrs. M. L. Boling. Winners in the games were Mesdames George Emmert, R. R. Swinford and A. C. Houser. A lovely refreshment plate was served to 18 members and guests.

Grace Luther'n WMS Monthly Meeting Was Tues., Mar. 7

The Woman's Missionary Society of Grace Lutheran church held their monthly meeting March 7th in the parish hall.

After an opening hymn, Mrs. Clarence Koenig gave the prayer. The business session was opened by president, Mrs. Harlin Mills. Preparations for dedication of the new parsonage were discussed among other important concerns.

Pastor Seager gave an inspiring lesson on Preaching, teaching and reaching with members responding to questions and answers. A short topic was also given by Mrs. Leo Zwiacker. The meeting was closed with the Lord's Prayer in unison and hosts, Mrs. L. R. Oelschlager, served refreshments to the following members and guests: Rev. and Mrs. Seager, Mesdames Merlin Miller, Leo Zwiacker, A. A. Evert, M. A. Mills, H. W. Krusemark, J. H. Enderli, J. B. New Store at Brownfield for United Super Market

Pictured here is the new United Supermarket, which will be opened in mid-March in Brownfield by United Supermarkets, Inc., of Vernon. This will be the ninth store, all in Texas, in the chain owned and operated by H. D. Snell, Jr.

The building has 12,000 square feet of floor space and sits on a block-long lot with 300 foot frontage. The "U" atop the modernistic sign rotates. Besides the Brownfield store, United operates stores at Burkburnett, Childress, Quanah and Vernon in this area.

Picnic Tables for Swimming Pool Park

County and City co-operating with the Park Beautification Committee by building picnic tables in the Swimming Pool Park. (The State is also co-operating since County Commissioner Clark Gresham borrowed the table forms from the Highway Dept.) Several more tables are to be built. Location of the tables and the trees to be planted are to conform to the new park design just completed.

Teas Electric Service Company Helping Build Dallas-Houston Electrical Transmission Lines

Texas Electric Service Company and three other major investor-owned electric utility companies operating in Texas today announced plans for the joint construction of a "super power" electrical transmission line between Houston and the Fort Worth and Dallas area. The companies are Texas Electric Service Company, Texas Power and Light Company, Dallas Power and Light Company and the Houston Lighting and Power Company.

It also was announced that this line will connect with similar high-voltage lines which Texas Electric Service Company will build from Fort Worth to the Permian Basin area in West Texas and Texas Power and Light Company will build to a new plant site south of the Red River.

These lines will more firmly link together 6,500,000 kilowatts of electric power generating capability of the four companies into one of the nation's largest and strongest reservoirs of power. The four utility companies have a total of 27 steam electric generating plants.

These projects will provide Texas with a super high voltage "power highway" stretching some 800 miles from the Permian Basin through the Fort Worth-Dallas area to Houston and from the Fort Worth-Dallas area to the Red River.

The new lines will benefit electric service users throughout a major portion of Texas. J. B. Thomas, president and general manager of Texas Electric Service Company, stated in making the announcement in Fort Worth.

Construction of the new super transmission backbone—a 345,000 volt line extending from Houston to the Fort Worth-Dallas area will begin in 1962 and will be pushed to early completion. The extra voltage, high capacity line will represent an investment by the four companies of some \$25,000,000. Engineering studies and planning for this line have been under way for more than three years.

Thomas announced that Texas Electric Service Company has already begun construction of its super transmission line from Fort Worth through the heart of West Texas into the Midland-Odessa area of the Permian Basin. The first segment of this line, from Fort Worth

Administration

The 345,000 volt "power highway" will be six times greater in electric power capacity than any other line now in operation in the Southwest and one of the largest in the United States.

Greater security of electric service throughout the areas served by the four companies will result from construction of the new "super power highway."

Mr. and Mrs. K. B. Ray of Wichita Falls are the parents of a new baby girl, Susan, born Thursday, March 9th. Grandparents of the new baby are Mr. and Mrs. Jimmy Jonsson of Burkburnett.

New Business, New Industry, Says Will Wilson

Nearing the mid point in the final month of his campaign for U. S. Senator, Attorney General Will Wilson has called for immediate action to get business in Texas back on the move.

"We must seek new business and new industry, new payrolls," Wilson insists. "This is essential if our high school graduates are to have the same opportunity we have had to earn our living in Texas."

Wilson also urges protection of the nation's manufacturers and working people from unfair competition of foreign businesses and keeping the Federal Highway Program on schedule.

"Every time a drilling rig shuts down, 143 people are out of work," the Attorney General said. "As a result of the slow-down in drilling in West Texas, a foundry in East Texas which makes drilling tools is working only three days a week."

Strength and imagination are demanded in foreign policy, the Attorney General said. "I want us to move out to meet the challenge of Communism with every diplomatic maneuver we can devise and at the same time exert a constant and increasing pressure against the Russian influence economically and even militarily when necessary."

Clara Community News

The monthly meeting of the Clara Trinity Lutheran Womens Missionary League (Ladies Aid) convened this past Thursday, March 2nd. The executive board met at 1:30 p. m.

Meeting was opened with the hymn, I'm but a Stranger Here. Pastor Boriack read the scripture Psalm 97: 9-12, followed with a prayer. President, Mrs. Arnold Kiesling, welcomed all present.

The secretary, Mrs. Albert Brockreide, gave a reading of the minutes of the previous meeting. Following were the reports of the treasurer, Mrs. Raymond Schroeder and missions, Mrs. Oscar Klinkerman. The visiting committee made 9 calls to the ill and 1 missionary.

Rev. Louis Boriack then showed and narrated a film on Lead us not into Temptation.

The Christian Growth chairman, Mrs. Walter Siber, announced the Men's Bible Class at the First Baptist Church.

Rocking Chairs Presented to State Hospital

Miss Beulah Johnson accepts rocking chair for the Wichita Falls State Hospital. Four new rocking chairs, envelopes, stationery and pencils were donated to the Hospital by the Theta Epsilon Sorority. Presentation was made by Mrs. Ruby Van Loh, welfare chairman, and Evelyn Farris, co-chairman. Money for the chairs was raised by members of the sorority through candy sales. Kathleen Brammer, ways and means chairman, was in charge of sales.

Pictured left to right: Mrs. Eleanor Hayes, Miss Beulah Johnson, Mrs. Juanita Reid, and Mrs. Ruby Van Loh.

Misses Frieda and Lana Goetze. Mrs. Raymond Schroeder will be hostess for the next meeting.

The meeting closed with a prayer and hymn practice. An inactive member, Miss Irma Kiesling, who has been ill several months, was remembered with a gift of love from the active members. It was a lovely blue gown and a box of lavender scent. May God continue to give her the fortitude and patience to keep up her winning disposition.
