First Load Wheat Came In Monday

W. M. "Dub" Young, Jr., who lives just across the river in Oklahoma, brought in the first load of 1961 wheat to Harlin Mills Grain Co. The elevator gave him a \$25 check as a bonus, and the Burk Burnett Chamber of Commerce gave him a \$25 check.

The first load came in Monday, May 22.

The first load of Texas wheat was brought in by J. J. Dwyer, who lives three miles West of Burk. This load came to Mills Elevator Tuesday. The elevator and the C. of C. each gave Mr. Mr. Dwyer a \$25 bonus check.

Combines are moving into the area in great numbers. It will probably be the middle of next week before very much grain will be ready to harvest. Prospects are fair.

Three Burk Boys Candidates for Graduation at Tech

Burkburnett students who are candidates for graduation at Lubbock Tech this year are:

Galvary Baptist Revival Begins Monday, June 26

We want to start now telling you about the coming revival meeting at Galvary Baptist church, College and Ave B. It will be a one week meeting, beginning Monday night, June 26 and closing out Sunday night, July 2nd.

Bro. Herb Smith, pastor of the East Side Baptist Church of Vernon will be our evangelist. We will not say much about this man now, but we feel we have one of the best young preachers in these parts to expound the Word of God.

We have other good things lined up for this week, too, and we hope that you will mark this date on your calendar to be set aside for a "Must" for yourself and your family.

You will be hearing more from us about this.

Ray C. Morrow, Pastor

James Mason New Cicero Smith Lbr. Company Manager

James Mason, who has been assistant manager of Cicero Smith Lumber Co., for the past 3 years, has now assumed the duties of manager. He has been associated with the paint and lumber business for approximately 8 years and is well qualified to fulfill his new duties.

James is a native of Jasper, Ala., and married the former Miss Mamie Browning of this city. They have two children, Jimmy 7 and Jeannine, 1 1/2 years of age. The Masons reside at 314 Ellis street.

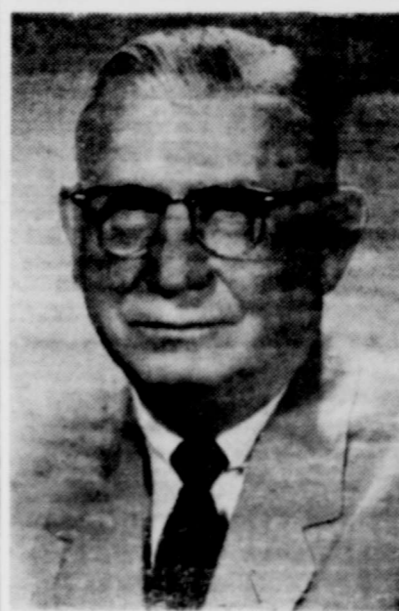

James is a member of the Lions club, Masonic Lodge and is an active member of the First Baptist church.

Rebekah Lodge

Last Friday night members of the Burk Burnett Rebekah Lodge surprised Mrs. Elizabeth Gragg with an informal party. The members also presented Mrs. Gragg with a gift as outgoing lodge deputy. Eva Bingham and Jean McPhail brought a cake each for this occasion.

After an enjoyable evening, coffee and cake was served to the following: Elizabeth Gragg, Carrie Simmons, Cordie Lawrence, Mary Cecil, Edna Peed, Cora Lee Harmon, Annie Stubbsfield, Eva Bingham and Jean McPhail.

Judges Are Taken On Tour Of Friberg-Cooper Community

Beeman Fisher, Fort Worth, who has been executive vice president of Texas Electric Service Company, was elected to succeed J. B. Thomas as president and general manager of the company and its chief executive officer. Thomas, president and general manager since 1941, has been elected chairman of the board of directors of the company.

Municipal Band To Perform At Boomtown Rodeo

The Boomtowners have been scheduled to furnish the music for Boomtown Rodeo June 15-16 and 17th.

The band, under the direction of Dr. R. M. Sims, has been practicing steadily since it was organized a few months ago. The membership comes from all walks of life as it consists of both adults and students. Dr. Sims expresses his appreciation to all the members for their faithfulness in attending all the practice sessions. It has been difficult at times for the students because of their school activities, however, Dr. Sims says they have worked like Trojans, and he's well satisfied over the accomplishments thus far.

The band now has about 40 members. Dr. Sims will still accept anyone that can play and is interested in becoming a part of the band. He warns that "its no picnic, but we have a lot of fun." Any person wanting further information, whether young or old, are requested to contact Dr. Sims.

"Boomtowners" is sponsored by the City as an adjunct to the Parks and Recreation Dept. The purpose was to promote more music activities and have a permanent municipal band. Those that have heard the band play feel that the purpose has already been accomplished. Although the band is sponsored by the city, it receives no funds from the city.

The band's steering committee is composed of Clovis Mann, City manager; Joe Janeke, City Attorney and Dr. R. M. Sims, band director.

On Sunday, May 14, Cora Lee Harmon and Eva Bingham attended a piano recital at the First Methodist Church in Iowa Park by Elaine Sawyer. Elaine is a niece of Mrs. Harmon, and Mrs. Norman Roberts, also.

Only their very finest farms and homemakers were shown to judges Tuesday by members of the Friberg-Cooper Community as they pressed for the title of first place rural community in Texas.

This little farm neighborhood took the judges in the Texas Community Improvement Program on an auto caravan tour of their farm and home improvements made during the past year. Following the two hour morning tour the group of more than 200 farmers and businessmen gathered in the Methodist church for a program.

Friberg-Cooper had already been named one of the top three communities in Texas. However, the judges returned Tuesday in an effort to narrow the field to the first place community & the first place check of \$500.

Judges included Ben Spears, agronomist; Mrs. Elsie Short, home management specialist; and Frank Sheppard, resources and development specialist.

J. S. Bridwell, Wichita Falls oilman, rancher and founder of the Bridwell Soil Builder Awards program spoke to the group during the program. Bridwell told the Friberg-Cooper residents and the judges that "the best crop raised in this rural area is community spirit. He called the members of the community the "mothers" of the other organized groups now participating in the program since Friberg-Cooper was the first to organize in this North Texas area.

He added "we can give a lot of credit to B. T. Haws, Wichita County agent, but he could not have done it without the help of the mothers and fathers." Bridwell then explained the community's success by pointing out they just took advantage of their own resources and developed their own leaders.

J. C. Porter, vice president of the First-Wichita National Bank then discussed "Creating Better Relations between Rural and City people." He told the group that the greatest farm problem is in making the 89 percent of the population under the other 11 percent that cultivate the land.

He explained, "The American who lives in town doesn't understand the American working on the farm." This should be changed he said. Porter used the cooperation found between Friberg-Cooper and the businessmen from Wichita Falls & Burk Burnett as an example of this understanding can only be found by working together.

Other members of the Friberg-Cooper community then took time during the afternoon program, which followed a meal of fried chicken, to tell of the accomplishments made during the past year in the homes, farms and with the youth.

The judges must visit Mulberry community in Fannin County, Wednesday and Tennessee Colony in Anderson County Thursday before naming the outstanding community in Texas on Friday.

Several business men from Burk Burnett made the tour and attended the luncheon.

Texas has a five cent gasoline tax on each gallon sold, but 40 other states have a higher gasoline tax than Texas.

LIFE IN OUR WELFARE STATE

U. S. News and World Report recently devoted a lengthy article to "Life In The Welfare State—Now and in the Future." The "welfare state" in question is the United States.

Here's its history, as the magazine recounts it: "Federal welfare today is a vast program that grows in leaps. In a few years, welfare has grown from a small program to become the second most expensive in the government. Only national defense costs more.

"In less than 30 years, the number of people getting some form of government help has grown to 23 million annually. Cost of the program this year alone will be \$22 billion. This does not include cost of veterans' benefits." Next year, the magazine adds, the cost will be \$26 billion if present Administration proposals for more welfare are approved.

We will soon have to draw a firm line between what we want, or think we want, from government—and what we can afford. The cost of welfare is fast becoming insupportable.

GRASS ROOTS OPINION

KANSAS CITY, MO., PRESS-DISPATCH: "Another bugaboo which should be tossed out on the mound of hearsay and nonsense is the old saw about workers 'over 40.' How many articles in newspapers and magazines, how many comments over television and radio, have already noted the 'young' President and his equally 'young' cabinet? 'Why are men 'young' when they are elected or named to office and 'old' when they ask to do a fair day's work for a fair day's salary?"

GREAT FALLS, MONT., LEADER: "The Budget Bureau, taking a leap into the future, estimates that the income of the U. S. Government in 1970 will be about 120 billion dollars—based on current growth and no change in tax rates. Income this year is 8.1 billion, with expenditures only slightly below that. Anyone care to bet that government over spending will not be an issue in the congressional elections of 1970?"

PRENTISS, MISS., HEADLIGHT: "The federal government has usurped the right to take the wage of Americans and spend it all over the world, and even use a greater part of it to force upon us a way of life we do not want.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Quite a few years ago the economist Stuart Chase wrote "The problem of communism is production; the problem of capitalism is distribution."

And in the ensuing years it is becoming quite apparent that the cost of distribution can be every bit as stultifying to an economy as high costs of production.

There seems no question that the science of production has for outstripped the science of distribution. Yet if an advance in distribution is made, an artificial burden is placed on it.

The most recent example of this was the trucking contract negotiated in the Midwest by Jimmy Hoffa for the teamsters. This provides that every time a truck trailer is loaded on a flat car for hauling, \$5 must be paid into union welfare fund.

Obviously, the "piggy-back" idea was developed to cut the costs of moving goods from one place to another. Moving merchandise by rail freight car in the old classic manner had many drawbacks. First of all, it usually meant loading a truck at a plant or warehouse and then at the rail freight yards unloading the truck and loading a box car.

Trucks, because they could load at one city, and directly unload at the door of the consignee in another city, overcame this problem of cost. On the other hand, on long hauls, a diesel truck will burn more fuel, run into more costs per

ton mile, than a diesel locomotive hauling a long string of freight cars. Thus, was combined the best features of each system. Truck tractors haul the loaded trailer onto freight cars. On arrival, truck tractors hook onto the trailers and take them directly to the customer's door.

This was an advance in providing lower cost distribution. But now the Hoffa gang has wiped out a fair share of the progress that had been made.

Eventually, there will be a day of reckoning. For example, in heavily unionized markets today, the bread truck driver who delivers to the stores gets around \$100 per week if his route averages \$400 per week in sales. On sales over that there is a percentage paid the driver. This means, then, that the delivery cost to the store of bread is well over 25% of the price consumer pays for it.

Today, the major wholesale bakeries are working on new methods to cut costs.

However they will be of little avail if labor can continue to block their usage.

Nation's independent businessmen, voting through National Federation of Independent Business, have long asked that labor unions be made subject to the anti-trust laws.

There is a problem herein that legislators cannot ignore for too much longer. For it is the law that it is illegal for anyone to conspire to artificially hold up prices. But is it not just as conspiratorial when labor leaders power into being artificial devices which prevent the public from benefitting from new and more economical methods of distribution?

TEXAS WILL HAVE A NEW U.S. SENATOR because

TEXANS WANT . . . A STAKE IN THE FUTURE. John Tower, by virtue of his youth and dynamic personality has a brilliant political career before him. He is destined to lead Texas into a new chapter of political history. He has already been assured of important committee assignments in the United States Senate where his qualities of leadership and knowledge of government will bring him to the fore in short order.

TEXANS DO NOT WANT . . . AN HONORARY SENATOR. Blakley himself has said: "I don't assume to have the qualifications of the office and I have no interest in a political life." He is presently on only two committees of the Senate and is the lowest ranking member of each.

HARDIN P-TA

The Hardin PTA met Tuesday afternoon, May 16th in the Grade School Auditorium for the final meeting this school year and installation of officers.

New officers installed for 1961-62 are, Mrs. Robert W. Morine, president; Mrs. T. J. Hubbard, vice president; Mrs. Gerald Savage, secy.; Mrs. Douglas Svien, treas.; and Mrs. George Smith, parliamentarian.

Mrs. W. T. Zimmerman, president of the Wichita-Archer Bi-County Association, installed the new slate of officers.

The devotional was given by Rev. Meyer. Mrs. S. L. Johnson, president, presided during the business meeting and presented Mr. James L. Pearson with a flag for the Hardin Grade School. She also announced the Hardin PTA is buying a new set of World Books to be used in the Hardin Grade School, out of the proceeds made at the Carnival held recently at the School.

Mrs. Johnson presented Mrs. Morine with a president's pin for next year and Mrs. Morine in turn, presented Mrs. Johnson with a past president's pin.

Refreshments were served following the installation. Mrs. McCullough's room won the room count attendance award.

Mrs. G. B. Seager Honored With Coffee

The Lutheran Missionary Women honored Mrs. G. B. Seager with a coffee 10 a. m. Tuesday, May 23rd in the lovely home of Mrs. Harlin Mills.

Coffee and cookies were served from a party table decorated with a rose and honeysuckle flower arrangement & a green linen tablecloth. Mrs. Seager was presented with a sweet-heart rose corsage and a lovely gift from the ladies.

Those attending were Clara Schulz and Mesdames Paul Kaiser, Meldon Adamson, A. A. Evert, Paul Schroeder, Clarence Schroeder, Rayford Young, Dwight Roark, Omer Liefer and children, Leonard Oelschlagler and children, Bill Stolk, Troy Mills, Fred Bunjes, the hostess, and the honoree, Mrs. Seager. We wish Pastor and Mrs. Seager and family a safe journey to California.

CORRECTION

The following piano students of Mrs. Forrest Mayes participated in the piano recital held last Sunday, May 21st at the First Baptist chapel: Elizabeth Nalani Miller, Denice Story, Barbara Mayes, Sara Ellen Malone. The names of these students were unintentionally excluded from the list that appeared in last weeks paper.

Mrs. Eva Robison of Ft Worth is spending this week with her sister, Mrs. Ada May Bowles.

Senior Class Gives Farewell May 22nd

The Senior class for 1960-61 gave their farewell to Burk Burnett High School in an impressive assembly program, Monday morning, May 22nd.

Class History, Last Will and Testament and the class Prophecy were read. Skits were presented about various teachers, and a check was presented to the Principal, Mr. Roy Silkwood for the Texas Flag, on behalf of the Senior class.

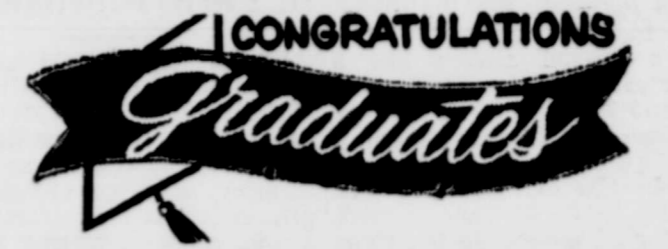

Then there was silence — the seniors tearfully arose and relinquished their seats to the juniors, the future seniors. The seniors then gave their final yell and with the assembly singing the Alma Mater, "Hail Burk High," another school year was ended.

SINGING BLUEBIRDS

The Singing Bluebirds went to the Kemp Public Library in Wichita Falls last Wednesday afternoon for the story hour. The childrens librarian told us three delightful stories. The Golden Arm, The Little Rabbit who wanted to be Someone Else and A Funny, Scary Story.

Mrs. Millstead treated all of us to ice cream at a drive in on the way home. Those making the trip were: Teresa Rush, Jeanette Bedford, Susie Elliott, Judy Greer, Brenda Cobble, Sherry Wilkins, Pat Milstead, Mrs. Rush, Carol Ann and Gary, Mrs. Greer and Karen Sue, Mrs. Milstead, Jan and Cathy.

Texas now has a total of more than 60,000 miles of highways, enough to stretch around the world twice at its equator.

Social Security News

Are you among the many persons past retirement age who have not applied for social security benefits because you are still working?

Because of a change in the law you may now be eligible for some payments during the year even though you are still employed or self-employed and earn well over \$1200 a year.

Beginning this year, most people can earn more money and still get social security checks for some months in the year. In fact, under the new law, a person always has a larger gross income from earnings and benefits when he does not limit earnings to \$1200 a year.

As in the old law, you can earn up to \$1200 and get benefits for all months in the year. No matter how much you earn in a year, you are still considered "retired" in any month you don't earn over \$100 as an employee or aren't active in your own business. Also for all months in which you are at least 72 years of age, you will be considered retired, regardless of how much you earn.

Beginning with 1961, retirement insurance benefits payable to you (or your family) are withheld at the rate of only \$1 in benefits for each \$2 you earn between \$1200 and \$1500. On earnings over \$1500, \$1 in benefits is withheld for each \$1 earned.

For example, a person can

lose only \$150 in benefits if he earns \$1500 in 1961. A worker whose family is entitled to the monthly maximum of \$254 can earn \$4398 before the family loses all social security benefits this year.

If you have passed your 65th birthday but have delayed filing application for social security benefits because you are still working, it might pay you to visit your nearest social security office. The district office is located at 411 Federal Bldg., Wichita Falls.

Donnie Stubblefield Certificate of Merit In Farm Mechanics

Donnie Stubblefield has been presented with a Certificate of Merit in Farm Mechanics, awarded by the Thor Research Center, for Better Farm Living, Huntley, Ill., for showing the greatest farm mechanics ability among the graduating seniors of Burkburnett High School, Burkburnett, Texas.

Neil C. Hurley, Jr., founder of the Thor Research Center, a non-profit farm research organization located in northern Illinois, established the Farm Mechanics Award to honor the member of each senior high school class deemed most outstanding in his proficiency to apply farm mechanics to the effective use of farm shop equipment and tools, in the maintenance of farm machinery and in building projects to provide improved farm living and operating efficiency. The selection is made by the student's vocational agriculture teacher.

Junior High Softball team places first at Electra on April 29th. H. L. McCrary is the coach. Members of the team, not shown in order, are Danny Parrack, Mike Musick, Tommy Hoover, Charles Herring, Jerry Bingham, Rusty Kinnett, Joe Montgomery, Robert Silber, Tommy Olds, Jeff Barfield, Jerry Mason, Carl Payne, and Jimmy Lindsey, manager. Rusty Kinnett is shown above holding the ribbon that was won.

News From The HD Agent

Mrs. Ralph Swinford had courage few homemakers, in an area of limited water supply, might have. Some ten years ago Mrs. Swinford made a plan and began work as a landscape demonstrator. She planned for shrubs adapted to our section of the country, improved the soil with the addition of humus and fertilizers, planted correctly, started compost which she constantly uses and has given the landscape proper care. The water supply was very limited, but she used it wisely and took advantage of mulch to conserve the much needed moisture.

The Swinford landscape has grown to be very attractive. Well planned drives, walks, screens, trees, lawn and foundation plantings all make this home look as if it just belonged to the particular spot. It looks this way all year because evergreen shrubs are located to the front.

This plan, as many others, had a few fallacies. When the landscape was started, it looked so bare and as if nothing would grow, so too many things were planted, pyracanthas were located close to the house and large growing shrubs were used for the front doorway plantings. With excellent care and soil improvement everything made it and with 10 years of growth it was just too much.

This was evaluation year for the Swinford landscape and the evaluation resulted in removing pyracanthas from the foundation making a few open spaces in the foundation plantings to tie the house to the surroundings and smaller low growing doorway plantings replaced the large evergreens. This evaluation also resulted in the addition of a well arranged patio in the back. Evaluation and courage would help many landscapes.

Theta Epsilon Members Attend State Convention

Mesdames Murray Carter, Quinton Howard and Bryan Farris attended the Twelfth annual Texas State Convention of Epsilon Sigma Alpha International Sorority held at the Baker Hotel, Dallas, May 19-21.

Mrs. Emmalou Brink, president of the Texas Chapters, presided over the general assembly. Various workshops were conducted Friday afternoon which preceded a buffet dinner. Election was held for 1961-62 officers. State President for 1961-62 is Mrs. Lelia Seal from Midland.

Judy Rittiman, state project director from Sinton, Tex., was chosen most outstanding ESA member in the state. Mr. Arthur McKnight, Dallas presented a citation of merit to ESA for their support of muscular dystrophy.

The Burkburnett chapter, Theta Epsilon, was given honorable mention on their chapters yearbook and a third place certificate of award for their chapters song composed by Lea Glisson and Evelyn Farris. It was presented at state convention by Mrs. Murray Carter and Mrs. Bryan Farris.

Honors won by our District VI in the various state judging contest were third place in district yearbook; honorable mention on History; 1st place in Philanthropic work; 2nd place in most outstanding district; and 1st place in social service and welfare work. Mrs. Rachel Brumley, District 10, was chosen State Beauty Queen and received her crown at the formal ball Saturday evening.

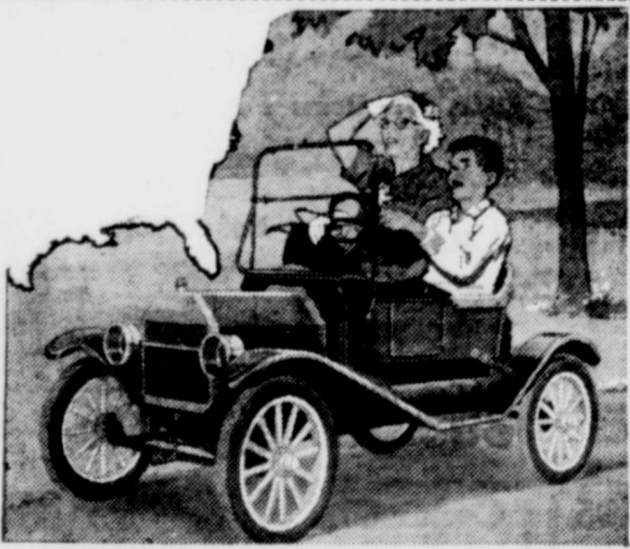

Plans are being made for the 1962 convention to be held in Austin.

John Brookman of Burkburnett was the lucky winner of the reclining chair given away recently by Theta Epsilon Sorority.

TEXAS WILL HAVE A NEW U.S. SENATOR because:

TEXANS WANT . . .

A SENATOR "OF THE PEOPLE". John Tower, a native Texan, is not a wealthy man. He understands fully the struggle of the average man to educate himself and to raise a family, for he has first-hand experience in both.

TEXANS DO NOT WANT . . .

A "MILLIONAIRE" SENATOR. Wm. Blakley, native Missourian, is reputedly one of the nation's richest men. He is a heavy contributor to political parties and candidates. In 1952 he gave \$16,000 to Adlai Stevenson's campaign. Columnist Doris Fleeson reported recently that he was "possibly the nation's largest contributor" to the campaign of Lyndon Johnson and Jack Kennedy.

the amount of work required to qualify for benefits and the removal of the age 50 requirement for disability benefits. Payments to a retired worker with no dependents receiving benefits averaged \$70. in December, 1960; to a retired couple, both receiving benefits, the average payments was \$124. The average for an aged widow was about \$58.

1960 was the 20th year that social security benefits were payable, and the 25th anniversary of the Social Security Act, which became law in 1935. Changes in the law since 1935 have brought more than 9 out of every 10 people in the United States protection by old age, survivors and disability insurance, protection paid for by taxes on employees, their employers, and the self employed. Earnings will be reported to the social security accounts of more than 75 million workers during 1961.

Wichita County people participate and share in this program along with the rest of the United States.

TEXAS WILL HAVE A NEW U.S. SENATOR because:

TEXANS WANT . . .
A VOICE AND A VOTE IN WASHINGTON. John Tower has demonstrated that he will stand up and speak up for the Texas viewpoint. He is absolutely free of political obligation to anyone. He has no influence whatsoever with "Lyndon and Mister Sam" . . . they have none with him either!!!

TEXANS DO NOT WANT . . .
A "RUBBER STAMP" FOR THE NEW FRONTIER. In 1957, Blakley voted with Lyndon Johnson 100% of the time and with Jack Kennedy 89% of the time. Last fall he endorsed the Kennedy-Johnson ticket and the socialistic platform of the New Frontier. He is clearly a captive of the administration without a voice or a vote of his own.

HOW FREE ARE YOU?

One of a series of reports about the Christian Churches (Disciples of Christ), the largest religious body to originate in America.

MOST Americans think they are free because of the Constitution and Supreme Court. We are free politically—but is that enough?

There is another kind of slavery that comes with civilization. It is bondage to selfishness, to pride, to material possessions. They seem attractive, but they can bind us to a life of mediocrity and frustration.

The Christian Churches, with their traditional love of freedom, know that the one true emancipation from material desire comes in following Jesus Christ as the Lord of Life. A familiar saying describes it: "I am a free man in Jesus Christ".

We show that same freedom in our churches, which are democratically governed. We urge every member to study the

Bible and interpret it for himself. We do not always agree on minor points, but we stand together on the major ones.

Freedom is a Christian heritage. Working together, free Christians can help bring the Kingdom of God to earth.

The door to every Christian Church is open to you.

Current Lit. Club Concludes Stay On Our Challenge

The Current Literature club met in the home of Mrs. Marjorie Kauer with Mrs. W. B. Short as co-hostess May 11th, concluding a years study of Our Challenge and installation of officers.

Mrs. E. E. Clack installed the officers in a very interesting installation service taken from the book of Matthew 6: 28-29, Consider the lilies of the field, how they toil not, neither do they spin, and yet I say unto you, that even Solomon in all his glory was not arrayed like one of these.

Officers who will serve another year are: Mesdames John Brookman, president; Fred Hunt, vice president; F. M. McMurtry, recording secretary; W. C. Vann, corresponding secretary and C. E. Lundberg, treas.

Mrs. W. W. Chambers, program leader in How we Have Met our Challenge, presented Mrs. C. M. Archer, who gave the club history. Goals we have achieved.

Mrs. F. G. Jeffers was awarded the best program prize. Six members had perfect attendance.

Mrs. John Brookman presided over the business session and Mrs. F. M. McMurtry gave a report of the TFWC convention in Midland.

Plans were concluded for game night, May 18th, funds to be added to our club scholarship.

A refreshment plate was served to sixteen members and one guest, Mrs. E. E. Clack.

Mrs. Harold Van Loh New President Of Burk Study Club

Mrs. James Bohner, retiring president, installed new officers of the Burk Burnett Study club during the installation dinner May 15 at the Woman's Forum in Wichita Falls. Taking office were Mesdames Harold Van Loh, president; Harold Preston, vice president; Howard Henderson, recording secretary; F. A. Jamieson, corresponding secretary; Glen Bear, treasurer; Jack Mathis, parliamentarian; F. C. Roye, Historian; D. H. Smith press reporter; Claude Meadows art chairman; Jack Smith, federated counselor.

Mrs. Ollie Ratliff presented a trio of Jr. High students who presented the enjoyable program. Miss Vicki Turner and Mike Richardson, declamations and Max Crowley, musician. Miss Turner's selection was, Silence by Edgar Lee Masters & Mike Richardson gave Westward Ho, by Miller. Maxine Creel accompanied Max Crowley on the saxophone.

Retiring officers made reports of work for the past year. During a business session, the club voted to contribute \$20 to the Latin American Scholarship fund and to loan \$150 to a student nurse from the Student Nurse Loan Fund. Mrs. Maxine Creel was welcomed as a new member. Gifts were presented to retiring president, Mrs. Bohner; Mrs. Van Loh, most valuable member; Mrs. Jack Mathis best program of the year.

Mrs. Harold Preston presented district awards and Mrs. Philip Carpenter reported on the State Convention and presented the awards won there.

Regular Meeting Of Jr. Forum Club Monday, May 9th

The Junior Forum Study club held its regular meeting Tuesday, May 9th in the home of Mrs. Bill Wood.

Mrs. Wood, president, conducted the business meeting and gave a report on the meeting she attended of the council of Federated clubs. Mrs. R. A. Willingham reported on the committee meeting held to discuss plans for the stand at the baseball park.

Mrs. Donald McKinnis was voted Federated Counselor for the club and Mrs. David Booher was named parliamentarian to replace Mrs. Keith Patterson, who is resigning from the club.

Mrs. Wood served delicious refreshments to Mesdames Terry Austin, David Booher, Donald McKinnis, James Roderick, Donald McCullough, Wayne Smith, Ronnie Horter, Keith Patterson, Raymond Schroeder, R. A. Willingham, Danny Kinnett and Monty Knox.

The door prize was drawn by Dana Austin. The next meeting will be held in the home of Mrs. David Booher, 721 Tidal.

Out of the five cents collected on each gallon of gasoline sold in Texas, only 3 1/2c goes in to the highway program. The remainder is diverted to non-highway purposes.

LOOKING BACK 40 YEARS

By R. D. Laney

A stranger entering Burkburnett 40 years ago would have noticed long, undulating plains scattered with cattle, spreading farm lands and eventually, a panorama of oil derricks.

Think of these three factors for a time and how they may be put to use and you have the history of the town.

In 1906 there was no city on this spot, the grazing lands and farms were unused, because they were not inhabited by man. In 1907, a year later, owners of the vast tracts began subdividing their holdings, making it available for purchasers; and when several hundred people took advantage of the offer, established their farms and brought their cattle, the town was begun. Farming soon took precedence over cattle raising and corn was the principal crop. This condition continued for many years.

Then came the 1918 oil boom and Burkburnett hitherto a mecca of cow-punchers became known as "The Oil City Of Texas."

The history of that era, when practically every home owner in Burkburnett had oil wells in their back yard, and cots on their property where room was available, which they rented to the thousands of oil field workers, is well remembered by those of us who still remain to tell the story.

Persons entering Burkburnett at night during this period of frenzied drilling activity would have been startled by the constant coughing and puffing of the oil field pumps drawing oil from the earth. Like huge leaches they pulled the precious fluid from the numerous holes that had been drilled in close proximity to each other over the area, and the pumping rods and their tenacles reached across the city alleys, the country side to power houses from which they received their power, holding once peaceful farming land in an unrelenting grip.

Even to the old timers who were accustomed to the harsh

Two Burk Entries in Twirling Contest

Linda Wood and Judy Bristow, two of the entries for the Twirling Contest will be held Saturday, June 3, in the Burkburnett school gym. This is the 3rd Annual NBTA Class A Sanctioned twirling contest.

The contest is sponsored by the Student Council of Burkburnett High School. Events will be held in all categories for all age divisions. All entries should be made to Mr. Roy Silkwood, by May 29th.

Spectators will be charged admission fee of 25c. It was announced that food would be served all day.

noise of the oil pumps, the sudden awakening in the night would bring an impression that the coughing and the noise was strangely human-like. The more superstitious said that the spirits of the oil booms were mumbling again. All the glory and the pomp of the past arise to haunt the present indifferent generation.

Every community that ever lived has left behind it an impression as if death was an

injustice. The Burkburnett area is spotted with such districts. The scars which were left by those days are still in evidence of the insane period of the oil boom.

There is something a little tragic and fascinating about those boom time days. They are real gloomy shadows of the past. They were the product of a high pressure period and was born of the same hopes that create a desire for gain and

wealth in concrete realness.

Remember those magic nights when the drilling of the wells were at its maximum heights? The whole horizon was studded with brilliant diamonds of drilling rig lights. The furtive shadows slipped by and the identity was lost. The eye pictured the glamor and beauty of the occasion. The mind slowly said, "It can't be true." For me, it does not lose its romance by the passing of time, but each telling adds spice and exaggeration that makes for interest. However, even stripped of all imagination, the period is a fairy

story with all the Cinderellas and also all the evil little goblins and dark spirits of the conventional tale.

Card Of Thanks

The family of Erich Kiesling would like to express their thanks to Rev. Louis Boriack, Rev. H. R. Frerking, Mrs. Louis Theimer and Mrs. Walter Kaspar for their services. Also for the floral and memorial offerings, food and all the kindnesses shown us during the death of our loved one, we are deeply grateful.

Firemen to Sell New Monitor Fire Extinguishers

A new fire extinguisher, weighing only 4 3/4 pounds, will be sold to homes and businesses by the Burkburnett Volunteer firemen. The new fire extinguisher, called the Monitor has the highest fire killing rating ever awarded by Underwriters Laboratories for an extinguisher of its size. It has the equivalent fire killing power of 8 ordinary hand pump carbon tet units, or a 5 pound capacity carbon dioxide extinguisher. The extinguisher is filled with flame smothering dry chemical which is non toxic, non abrasive; completely safe for gasoline, oil or electrical fires.

The small extinguisher is only 8 inches high and 6 inches wide. It comes complete with mounting brackets, which also serves as a safety device to prevent accidental firing. It is backed by a five year written warranty, the only one provided in the industry. Its compactness makes it handy for the home, automobile or business.

The Monitor will sell for \$15.95. Refills will also be available from the Fire Department. Proceeds from the sales will be used for fire equipment purchase and maintenance.

... on the Legislature every minute count wind up essential business the regular session May 29th.

... the dwindling time, postponements and tax raising and other measures are out of the way.

Teacher Pay Pushed—
 Advocates of higher teacher salaries are pushing to get their bill in position for quick final action once the money raising and general appropriations measures are out of the way.

House Appropriations Committee approved and sent to the floor a bill that would provide the full \$800 a year salary increase sought by teachers.

Goal is to get a pay raise bill passed in both houses, then send it to a conference committee to work out differences. Then at the strategic moment, it would be ready for final adoption by both houses.

Training Methods Scored—
 House members are pressing for speedy action for a measure that would require less emphasis on how and more emphasis on what in public school teacher training.

Rep. Henry C. Grover of Houston, a teacher on leave, is sponsor of the bill that would reduce required education (teaching method) courses from 24 semester hours to 12 for Jr. and Sr. high teachers. For grade School, House voted to instruct would be reduced from a possible 60 to 24 semester hours.

One supporter observed that the late Albert Einstein would not have been eligible to teach mathematics in a Texas High School. House voted to instruct the Education Committee to report on the bill immediately.

Re-Districting Hits Bump—
 Senate efforts to pass a senatorial redistricting bill were postponed by Sen. Jap Fuller's filibustering opposition. Senator Fuller of Port Arthur

opposes the proposed measure because it would continue to combine Orange county with Jefferson (Beaumont, Port Arthur) to form his district. Jefferson county alone has more than enough voters to be a one county district, says Fuller, and Orange would rather be in another district with counties of the same size.

Pressure to force agreement on a redistricting bill will be very strong since, if the Legislature fails to act, a non-Legislative Board will take over.

Gloomy Reports—
 While lawmakers struggled to find new taxes, the news about present taxes was bad all over. State Treasurer Jesse James reported that Texans apparently are not smoking and drinking like they used to, causing a million dollar slump in tobacco and liquor taxes in April. Revenue dropped from \$8,689,855 in March to \$7,362,176 in April.

Motor fuel tax revenue was also off, according to State Highway Engineer DeWitt Greer. A 3 1-2 percent drop during the past eight months cost the state \$3,000,000.

Meanwhile, in the Third Court of Civil Appeals, the state lost in an effort to collect a state sales tax on component parts of radio sets, such as hi-fi tun-

ers. Court said the law is not clear.

Loan Dispute Flares—
 Words were hot, but the issues unclear, as Senate committee hearings on a small loan bill stretched out.

Critics of the House passed bill fell into at least two factions: (1) those who felt the interest rates (up to 40% on the smallest loans) were too high and (2) those who felt overall charges should be higher for loans of \$'00 and less.

Meanwhile, Atty. Gen. Will Wilson issued a statement blasting "powerful out of state loan sharks" trying to "bottle up" regulation. Senate committee invited him to appear and discuss the matter with them.

More "Neatniks" Needed—
 Amid its \$7,000,000 a year job of gathering up mountains of litter from public roadsides, the Texas Highway Dept. issued a plea to Texas motorists. Please don't use the highway as a trash can, said the Department; be a "neatnik" and save

on state costs. Most of the litterbugs, says the Department are home grown, not out of state visitors.

The total coast line of the US is 4,883 statute miles.

Mr. and Mrs. Lyndell Lockett and children of Brownfield, Tex., were visitors in the home of his parents, Mr. and Mrs. W. A. Lockett over the week end.

The Automobile Manufacturers Association estimates that the completion of the National System of Interstate and Defense Highways on schedule will produce net benefits to motorists from 1961 to 1980 of \$98 and 1-2 billion.

**Mrs. J. H. Brumley
Hostess May 18th
Wesley Bible Class**

The Wesley Bible class met in the home of Mrs. J. H. Brumley May 18th at 7:30 p. m. with Mesdames J. H. Rigby, I. N. Witherspoon, Chloe Wiggins, F. T. Felty, J. M. Pogue and Maj. Jane Sewell as co-hostesses.

The president, Mrs. B. N. Cauthorn, called the meeting to order. Minutes of the previous meeting were read and approved. Mrs. J. H. Rigby brought a very inspiring devotional. Mere Words do not impress. She closed with a prayer.

After a brief business session, the meeting was turned over to the program chairman, Mrs. J. H. Rigby. She presented Mrs. Katherine Clack who needed no introduction. With her ability, sombrero and big Texas hat, she told in her own humorous way, the story of How Urde-males Went to Heaven. She ended by saying, "The moral of the story, try very hard to go to heaven and if you do, try not to steal from the angels."

Hettie Gilbert installed the new class officers in a very impressive ceremony. Walk in the Light: president, Mrs. J. H. Rigby; vice president, Mrs. Marshall Young; secretary, Mrs. H. R. Hays; assistant secretary, Mrs. Edna Fink; treasurer, Mrs. Lucille Duvall.

Mrs. Rigby presented gifts from the class to Mrs. B. N. Cauthorn, outgoing president; Maj. Jane Sewell, teacher, who is leaving very soon for Japan; Mrs. Catherine Clack, guest speaker; Mrs. Hettie Gilbert, installing officer.

Delicious refreshments were served to the following guests: Mesdames Maud Hicks, Lela Harwell, Catherine Clack, Lewis, Gwen Van Loh, Hettie Gilbert, and members: Mesdames H. R. Hays, Luther Caffee, Ruth Dodson, Mildred Cauthorn, Rose Bazell, Beulah Hall, Lila Morris, Mary Browning, Vera Cruce, Ida Willis, Carrie Morris, Bessie Scruggs and the hostesses.

Ethel Chitwood and Ada May Bowles of Burkburnett and Mrs. Eva Robison of Ft. Worth have returned home from a most enjoyable vacation. Highlight of their trip was a visit in New Orleans, La., Winfield, Ala., and Pensicola, Fla.

**Family Night Held
May 21 By LWML**

The Lutheran Women's Missionary League of the Lutheran church, Missouri Synod of Burkburnett, presented a Family Night, Sunday, May 21st for the purpose of getting better acquainted with each other & the constant change in transient members and visitors and to make them feel more at home here in our town.

Each person was pinned with name when he entered the Parish Hall and signed the guest book with a picture of Jesus holding up His hands to all under which was a caption "Jesus said, 'Go and teach all people.'"

All assembled in the Church Auditorium for the opening devotional which was presented by Pastor Boriack. The Holy Family in color film was used as Pastor Boriack narrated the story of Joseph, Mary and Jesus. After the devotional a songfest was held, Beautiful Savior and Just As I Am were among those songs sung. A question and answer period was followed by the participants closing the devotion by the Lord's prayer in unison.

The adults retired to the Parish hall to the many games that were offered. The prime game being progressive forty-two in which Mrs. Harlin Mills and Mrs. Hubert Krusemark won all seven rounds at the first table. Wahoo, Pinnochle, Chess, Canasta, Bridge and monopoly were also played. Mr. Merlin Miller and Capt. Omer Liefer won in pinochle.

Paige Miller, with the assistance of Dixie Van Reenan, Mrs. Merlin Miller and Mrs. Van Reenan, worked out a most enjoyable program for the children & teenagers. After the devotion they had film such as Daniel and the Lion's Den with Dixie Van Reenan telling the stories. Games, songs and coloring for the smaller ones were presented.

Each family attending brought either cookies, chips or fritos which with punch and hot coffee made a tasty combination. The children after refreshments applauded bible stories read to them by Paige Miller in the Auditorium.

The chairmen for the event were Mesdames Meldon Adamson, G. B. Howell and Leonard Oelschlagler. The committee chairmen were Mrs. Betty Brown, score pads; Mrs. Virgil Mills, tables; Mrs. Clarence Schroeder, Dominoes; Bud Lasley, cool drinks; Paul Schroeder, hot drinks; and Walther Leaguer, Paige Miller, the children committee chairman.

The evening was quite a success with 65 in attendance and 5 visitors. Perhaps there will be another soon.

Legion Notes

The meeting that was held May 18th was attended by 13 members. It was reported that the game night turned out very well and that the dance was a big success.

They say that credit received is credit due. It seems that the old legion post is due a lot of credit with no individualism attached. The American Legion is not an individualism group but a body of men formed together for the purpose of fulfilling the preamble stated by the members at each convened meeting.

We hope that more members turn out for the meeting the first & third Thursday of each month, our regular meeting nights. Only by attending can you voice your views. So be an active member, be at the meeting. Otherwise you have no say so in what is done in the post.

Next regular meeting will be June 1st.

The D. S. Dudley shows will move in on the Okla. cutoff May 28th.

There will be a game night, May 26th and another dance Saturday night at 8:00 p. m. Admission 75¢ per person.

Everyone is asking about the post and how it is getting along, as far as Oklahoma City and South to Fort Worth.

Our Adjutant, Waldo Huddleston, retired Thursday after 9 years. He will be presented with a medal at the Paris Convention.

Note of Appreciation

Mrs. John Brookman, president of the Current Literature club, wishes to thank the following Burkburnett merchants for making the game night last Thursday night such a great success by donating lovely gifts for prizes: The Famous Dept. Store, Alma's Flowers, Bills TV, Furniture and Appliances, Carl's Watch Shop, House of Beauty and Burk Drug Store.

8th Graders Enjoy End of School Picnic

Two hundred and sixty three 8th graders from Burkburnett Junior High and Burk-Sheppard schools, with many of their parents, enjoyed an end of school picnic at Sand Beach, Tuesday, May 16th.

The group pent the afternoon, from 4 o'clock to 7:00 o'clock skating, ending with a picnic lunch of bar-b-que and hamburgers, catering services from Underwood's and the Glass Kitchen.

**Funeral Tuesday
For Burk Native**

Services for Miss Margaret Preston, Burkburnett native who died Saturday at her home in Espanola, N. M. were conducted at 2 p. m. Tuesday from the First Baptist church.

Rev. Leroy Meyer, pastor officiated. Burial was in Burkburnett Cemetery under direction of Owens and Brumley Funeral Home.

Pallbearers were J. C. Hinkle, Will Teal, Wiley Browning, and Al Lohofener, all of Burkburnett and Marcus Duke and C. O. Smith, Sr., of Wichita Falls.

Miss Preston, 45, was the daughter of Mrs. B. H. Preston of

Burkburnett and the Preston. She was born near Burkburnett and attended public school. She was a graduate of Texas State College, been employed in the High School for 14 years.

Survivors include the Miss Gayle Preston and Mrs. Don Lohofener and Mrs. Curtis Smith of ita Falls; one brother, Preston of Burkburnett several nieces and nephews.

Mr. and Mrs. Neal attended the Texas Convention in San Antonio May 19-21st.

TAKE YOUR PROBLEMS TO CHURCH -- MILLIONS LEAVE THEM THERE

TAKE HEED!

Warning signs are placed at intersections to protect the individual. A cross road with heavy traffic or a blind corner may be the reason for the sign. Disobey this sign and the penalty will vary. It might be a small fine, a wrecked car, or you may take a life or lose your own.

The bible is God's warning sign.

"Wherewithal shall a young man cleanse his way? by taking heed thereto according to thy word."

The church is God's appointed agency to preach His word. Attend church regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Methodist Editor To Speak May 28th At Local M. E. Church

Rev. Carl E. Keightley, Editor of the Texas Methodist News, a statewide paper for Methodists will preach at First Methodist church Sunday, May 28th at the 10:50 Worship Hour.

Rev. Keightley served as pastor of University Methodist for six years from 1952-1958. He left Wichita Falls in 1958 to serve as pastor of First Methodist church at Irving until June of 1959 when he assumed duties as editor of Methodism Texas Newspaper and became head of Methodist Information in Texas.

A Christian Crusader, Rev. Keightley has brought Methodism all over Texas to an awareness of Christian concerns thru the Texas Methodist News. First Methodist is looking forward to hearing this untiring worker for Christ and His Church.

TEXAS WILL HAVE A NEW U.S. SENATOR because:

TEXANS WANT . . .
A COURAGEOUS SPOKESMAN. John Tower, a highly articulate conservative, rallied the support of almost a million Texans who applauded his courage with their votes to back his stand against the liberalism of the "New Frontier." He has captured the fancy of Texas and the nation with the velocity and quality of his campaigning.

TEXANS DO NOT WANT . . .
A "PHANTOM" SENATOR. Although twice "appointed" to temporary office, the interim senator failed to win support of the people of Texas when his candidacy was offered in a competitive election. He is seldom present and more seldom heard from in Washington. Many Texans have never seen him or heard him speak.

ROTARY CLUB
Town Hall Each Tuesday 12:00 Noon
Bryan Farris, President
Bill Donnell, Secy.
President Bryan Farris was in charge of the regular noon meeting Tuesday, May 23rd. George Counter was acting secretary.
Twenty-six Rotarians and guests were present.
Floyd Marten introduced the guests and visiting Rotarians.
T. M. Cornelius presented a talk on education titled, "Do You Want To Pay the Price for Public Education. Present cost per student in Burk Burnett is 21¢ per hour. We spend more on alcohol than on education. Education takes what's left in the budget after all other expenses are paid for state government. T. M. is still a friend of teachers and administrators.
Plans were completed for the Rotary outing at Lake Kickapoo (Counters Cabin), Saturday evening, May 27th. Eating time is 7:30.

News From County Age
Now is the time to get pecans for the pecan bearer. To control them you can use one of a series of insecticides. The use are: 3 lbs. 50% DDT or 5 lbs. wettable DDT or 3 lbs. 25% malathion to 100 gallons. I would recommend 2 lbs. of zinc sulfate to pecans which will control all the nut with you.

The Wichita County Fair will start on Saturday. The show will start at 10 a.m. Ribbons and special prizes will be made. If you have further questions on contact Harry Cox, county agent.
Do you have your bulletins? L-199, Texas Controlling Insects! The bulletin is being used as an aid to the club members who are working on the insects on the plants, they have planned and planted. They are planning to find a supply of bait will control insects. If interested in formation get your from the home demonstration office or visit a home demonstration club.
"Schnapps" is a standard gin.
