BURKBURNETT, WICHITA COUNTY, TEXAS, THURSDAY, AUGUST 10, 1961

NUMBER 48

Farwell Attends School At University Of Colo., July 9-15

Manager of the Chamber of Commerce returns from the University of Colorado where he attended the Institute of Management through the 15th. He is sponsored by the Chamber of Commerce. This is Jim's third year at the school. He has received 23 states of commendation at the Institute. The topics covered were Leadership, Job Analysis, Problem Group Relations, Organization Structure, Chambers Role in Contemporary Economic Management. Under the oversight of the University.

Pre-Schoolers To Receive Free TB Tests

Members of the Contemporary Study club were hostesses Tuesday morning, Aug. 8th at a coffee in the home of Mrs. Joe Crowley. The purpose of this meeting was to make final preparation for the tuberculin skin tests recommended for all youngsters prior to starting to school. Mrs. Doris Walling from the staff of the Tuberculosis Association in Wichita Falls was present to explain the different phases of this new endeavor. Mrs. Walling described the new case finding device, a multiple puncture apparatus, called the Sterneedle gun. She stressed the fact that this a practically painless procedure and is free to the individual. Special guests of the Contemporary Study club were representatives from the following study clubs of Burkburnett: The Burkburnett, Jr. University, Forum, Modern, The Teenettes and the Friendly Homemakers Home Demonstration club. Each representative from these various organizations most graciously pledged complete cooperation in this new project.

Drive Made To Clean Vacant Lots

City officials in cooperation with Wichita County Health Authorities, are calling upon property owners to cooperate in keeping their property cleared of weeds and rubbish. Officials of the County Health Department are making periodic inspections. Notices are now in process of being mailed to owners of 23 vacant lots requesting that the lots be cleared of weeds. Besides producing an unsightly condition, weed growth also creates a health and fire hazard. The weeds harbor and serve as a breeding place for mosquitos and rodents. Clearing the lots now will also prevent a tremendous fire hazard which will otherwise occur this fall when the weeds are dead. Permitting weeds to grow on vacant lots is in violation of city ordinances as well as the state health laws. City officials are hoping, however, that property owners will not wait until a notice is served, but will voluntarily cooperate with the health authorities by getting their lots cleared. Clovis Mann, City manager, stated that the city had discontinued using city labor and equipment to mow private property. Insufficient help and equipment prevents us from doing this. It takes all the equipment and help that we have to keep the city's right of ways and parks cleared. Also there are those in town who do this type of work as a business, and the city is not justified in competing with them, Mann said.

Col. Kim Brown Reassures C of C At Mon. Meeting

Col. Kim Brown gave added reassurance to the members of the Chamber of Commerce, at their monthly luncheon last Monday when he spoke of the future of Sheppard Air Force Base in the economy of Burkburnett. Col. Brown, Deputy Base Commander, said he considered Sheppard a permanent base in every aspect of the word, and felt the facilities there would continue to grow and expand. "Over 2,000 people who work at the Air Forces huge training facility live in Burkburnett, and this number should increase with each year's operation," the Colonel pointed out. "Sheppard now has a total population of 27,000 people and the number of students being trained continues to expand." "America's continued expansion of the missile age, along with Sheppard's training facilities in the missile field, should make the Base a permanently integrated part of the Air Force program." "And any permanent type structure which might be added will only strengthen the bases future. The Colonel urged that the citizens of the area continue to support these permanent type installation." When asked of the need of the Base that Burkburnett might furnish the Col. requested additional furnished housing to be used for the student population. It was announced at the meeting that Col. Brown will be moved this month to Randolph Field in San Antonio, where he will take over the position of Inspector General of the Air Training Command. Next month's meeting will be held on Sept. 11th, the second Monday in the Month due to Labor Day Holiday scheduled.

School Registration For All Grades Will Begin August 15 At Hardin

Burk Invited To Participate In Teaxs State Fair

Mayor George McClarty has received an invitation from the officials of the State Fair, Dallas, for Burkburnett to participate in the Fair on "Burkburnett Day", scheduled for Friday, Oct. 13th. It was explained that the 1961 State Fair is celebrating an Exposition of Music, and that Burkburnett's participation on "Burkburnett Day" would be built around this theme. The Burkburnett High School Band would be expected to appear. A band concert and short program would be scheduled during the afternoon. The invitation also stated that in the early evening a gala illuminated Parade would be staged. During this parade, Miss Burkburnett and her court, if any, would have an honored place on the featured float which will be provided by the Fair and identified as the official float of Burkburnett. The band would be given the position as escort to the float. City and school officials are conferring with each other in an effort to determine whether or not the invitation can be accepted. Friday, Oct. 13th is an "open date" for Burkburnett in the football season. State Fair officials have asked for an early reply.

The Principals will be in respective buildings Tuesday, August 15. All students entering the Burkburnett Schools for the first time in grades two through six, living outside of Capehart, may enroll at Hardin Grade School from August 15 through August 25. All first grade students, outside of Capehart, may enroll at Hardin Grade School August 15 through 25. Capehart students will enroll at Sheppard-Burkburnett Elementary School between same dates as respective grades enroll at Hardin Grade School. All students in attendance at Primary, Hardin Grade in grades two through six will enroll Aug. 28 beginning at 1:00 p. m. School buses will run the 28th at 11:45 a.m. and will have students at school in time to enroll, and will return bus pupils after they enroll. Students in all grades will report to classes 8:25 a.m. August 29, for regular schedule of classes. Please remember that first grade students will dismiss at 11:00 a.m. each day for four weeks. This is for the student to make adjustment to long days at school, and to give parent and teacher a chance to become acquainted. Parents can help by taking children home at 11:00 a.m. each day as children are dismissed. Grades seven through twelve will enroll as shown on school calendar. New students in the Burkburnett Schools who will attend Southside Elementary School will enroll at Hardin Grade School. Pupils who attended school in Burkburnett last year in grades two through five who will attend Southside Elementary School will report and enroll at Southside Elementary Building at 1:00 p.m. August 28 and enroll.

Local Births

Birth certificates were issued to the following Burkburnett parents last week: Messrs and Mesdames: J. D. Hart, boy, Jerry Dean Carl Thurman Swinney, boy, Carl Thurman, Jr., John Paul Blair, girl, Janet Susan Miguel Arnoldo Perales, boy, Luis Alonza Tom Sales, girl, Sheryl Rene David Henry Wade, boy, Barry Kieth Jerry Lee Wiley, girl, Christine Michelle Bobby Ray Bradley, girl, Kimberly Renee Raymon Lee Speck, girl, Rhonda Kay

Mr. and Mrs. W. R. Spivey of Burkburnett and Paula Friend of Abilene, Tex., have returned home from a visit with their daughter and family in Bakersfield, Calif. They also visited the Sequoia National Park and other places of interest in California. A nice time was enjoyed by all.

Legion Notes

Thursday night, Aug. 17 is regular meeting night. Let's all turn out and give our new commander, Goens, a big surprise. Let's bring our gas station and barber shop blues to the dance this Saturday night, Aug. 12 and dance our blues away. We are going to have good music and we are all going to have mom there as we already have pop on ice. Don't forget the date this Saturday night, Aug. 12. A gallon contains 16 standard cups of water. The song "Maryland, My Maryland" was written as an appeal to that state to secede from the union.

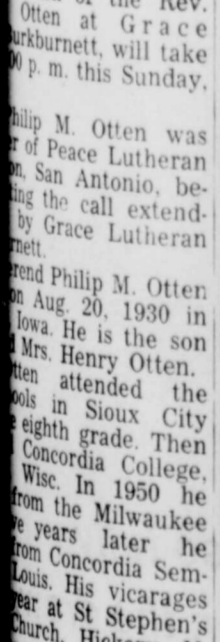

Burk 4-H Club News

The Burkburnett Community 4-H club has chosen as their display subject for the Texas-Okla. Fair, Farm Electricity. Mr. Gerald Savage, adult electric leader and Kenneth Johnson, county electric chairman, will have charge of planning the exhibit. Other club members will assist them.

Philip M. Otten To Be Installed Grace Lutheran Sun. Aug. 13

In the installation service Pastor H. R. Frerking of Wichita Falls will read the rites of installation and the vacancy pastor, L. Boriack, will deliver the sermon. Some of the Lutheran pastors of the neighboring congregations are expected to be present and assist. The choir is to sing and the organist will have a trumpet accompanist. The public is given a cordial invitation to attend this special service and the reception which follows.

Pageant Tickets Go On Sale Mon. Aug. 14

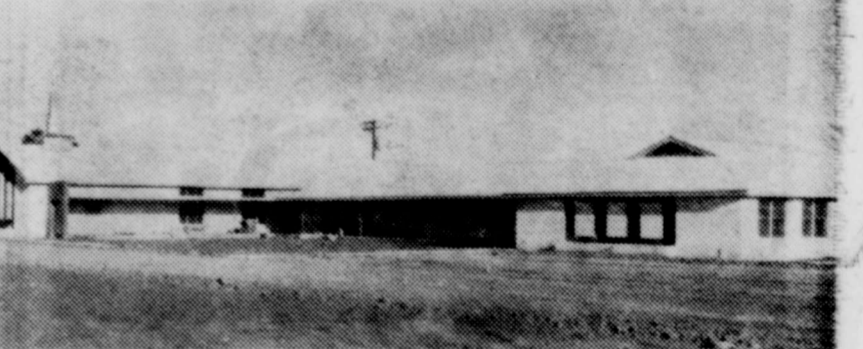

Tickets to the third annual Miss Burkburnett Pageant will be on sale beginning Monday, Aug. 14th. These tickets may be purchased at Opal's Dress Shop, Browning Ins. Agency or from Mrs. Jerry Thomas at phone 569-3639. Reserve seat tickets are \$2.00 and general admission tickets are \$1.00. This event, which is sponsored annually by the Modern Study club, will be held on Aug. 24th instead of Sept. 1st as originally announced. It will be again at the Palace Theatre. Mrs. Francis Smith president of the Modern Study Club has announced that the club is expecting a record turn out and tickets should be purchased early. Tickets go on sale Monday, August 14th.

Wortham Radiator Shop Closed Aug. 21 For Vacation

O. D. Wortham will close his radiator shop Monday, August 21st to take his annual vacation. The shop, located at 115 East Main, will reopen for business Tuesday, September 5th. run thru Aug. 31

Jan Lee Heights Baptist Mission Dedication Sun., Aug. 13 at 2:00

Former Burk Man Critically Burned

In grave condition at Winkler County Memorial Hospital is Marlin D. Parrack, 28, who has second and third degree burns over his entire body. Parrack was burned in a blinding flash fire at a gasoline plant near Wink, Texas, Saturday. A petroleum engineer from Odessa was killed in the fire. An official of the company said the men were apparently starting a compressor engine at the time of the explosion and fire. He said an ignition spark was blamed for causing the blast. Parrack is a former resident of Burkburnett now living in Kermit, Texas. He is the son of Mr. and Mrs. V. E. Parrack of Burkburnett. The first American paper mill was erected at Germantown, Pa., in 1690, the same year that the first American newspaper was attempted.

On Sunday, August 6, Jan Lee Heights Baptist Mission had their first services. Approximately 250 people attended these services. The First Baptist had looked forward for many months for the day when the building would be finished and the first service could be held. As the time came nearer, enthusiasm and excitement became stronger. Many were wondering just what it was going to be like. Many wondered if another Baptist Church was needed in Burkburnett. As Sunday came to a close everyone was thrilled as everything had gone far above expectations. The Sunday School attendance was 169 and the Training Union attendance was 86. A total offering of \$431.16 for the day was received. There were 15 additions to the church and a wonderful fellowship was enjoyed by all those attending the services. This Sunday, August 13, there will be Dedication Services and Open House at the mission. The Dedication Service will begin at 2:00 p.m. with Open House to follow at 3:15. The building is beautiful and fully equipped for every age group. You will want to see every room of this lovely building. It will accommodate 344 people in Sunday School and likewise the auditorium will seat 344. The entire building is central air conditioned. Dr. Woodrow Fuller from Dallas, Secretary of the State Mission Commission of the Baptist General Convention of Texas, will be the featured speaker at the Dedication service Sunday afternoon. Dr. Fuller is well known among Texas Baptists and Baptists of this area. Dr. Fuller will speak at First Baptist Sunday morning. Also another featured speaker and guest will be Rev. Taylor Pendley, Secretary of the Church Buildings of the Missions Division of Texas. Rev. Pendley will speak at the Worship Service at Jan Lee Heights in the morning and also in the afternoon at the Dedication Service. Rev. Meyer and all the people at First Baptist; Rev. McMinn and all the people at Jan Lee Heights, invite you to attend these services Sunday.

Ultimate In Authoritarianism

Few have heard about it—but legislation is being considered by Congress which can have a profound effect on the public's health.

One of the bill's major provisions would prohibit the patenting of many pharmaceutical products unless the newly discovered compound could be proven significantly more effective than all chemically related drugs already on the market. In other words, proving that a drug is safe and good—matters which are covered by long-established law—would no longer be enough. A government agency would have to agree that it was better.

If this sounds plausible to you, think again. A preparation which is effective with one patient may fail entirely with another. Only the practicing physician is competent to decide which particular drug is best in any given case. And, as the old saying has it, one man's meat may be another man's poison.

Moreover, authoritarian bodies—and any government agency with the power to decide which of a group of related drugs is best must be authoritarian—have often been guardians of orthodoxy rather than champions of progress. In the past, medical "experts" rejected Jenner's smallpox vaccine, Pasteur's anthrax vaccine, Lister's theory of antiseptics, and Semmelweis's discovery of the cause of childbed fever. All of these innovations have proven to be milestones in medical history.

American medicine is the best in the world, and the pharmaceutical industry has made an important contribution to that end. The proposed legislation would amount to a roadblock in the way of further progress—the ultimate in rule by decree.

GRASS ROOTS OPINION

CARLSBAD, N. M., CURRENT-ARGUS: "A time-tested truism in the psychology of advertising which says, 'Repeat a statement often enough and it will become a part of the thinking process of the masses.'"

THE AMERICAN WAY

The Big Squeeze

Warning Signals Flashing

Every time government forces wage increases on the public by law, it automatically forces price increases, no matter what argument is used to disguise this effect.

As the process is repeated over and over, the inevitable day comes when government will set not only wages, but prices by law—then the free market, free labor, free industry and freedom of action in our daily lives is gone. And all this will be done step by step, ostensibly in behalf of the "common man" who, before he knows it, winds up the pawn of a dictator government.

Over the centuries this process has been repeated time and time again. In a short lifetime millions of people over the world have seen the "common man" who, in reality, is all men, engulfed by big government until his freedom was wiped out by bureaucracy, and the beneficent benefits promised left him a helpless ward of the state.

Government is being injected more and more into the affairs of private citizens and industry in the United States. It is promoted in many ways, generally with strings attached, which restrict or remove individual opportunity. How far will we permit it to go in our own land? We are not immune from the penalties exacted by it.

A Service of Thor Research Center For Better Farm Living

Q. Last summer I painted my roof gutters with a paint especially made for use on galvanized steel, and they're peeling again. Isn't there some way to keep paint on those gutters for any length of time?

A. Gutters have troubled man ever since he put a roof over his head. Although we obviously cannot expect to achieve a permanent paint job, one that lasts several years is possible if the surface is properly prepared and paint correctly applied.

There are several good paints on the market to cover galvanized steel, but even the most expensive will be wasted if the surface is not clean. After scraping off the entire coat of old paint, give the gutters a vigorous going.

Wire-brush surface of galvanized gutters, then clean with vinegar and water before repainting.

over with a wire brush, then wash them down with vinegar and water.

Apply the paint as soon as the gutters have dried, and be careful not to lay it on too thick, using only enough paint to cover the surface. Then relax and hope for the best.

If you have a portable electric jig saw, personalized coasters are just some of the unnumbered homecraft items that can be made with this versatile tool, which dispels the guess work formerly associated with circle cutting.

After cutting them out, mark the family name or initial on the coasters with an electric hand grinder, wood-burning or wood-carving tool. Or, you may want to name a coaster for each member of the family.

This not only will delight the children, but encourage them to spare those valuable table tops when glasses are taken out of the kitchen.

For answers to do-it-yourself questions and plans for handyman projects, write The Thor Research Center, 176 N. State St., Aurora, Ill.

BURKBURNETT.... HISTORY

Revealed By The Star Files 10 Years Ago

T-Sgt. Leon Day of Ft. Worth visited his parents, Mr. and Mrs. H. M. Day Sunday. His little daughter, June, returned home with him after spending the past two weeks visiting her grandparents.

Mr. and Mrs. Brack Preston, Jr., and Mr. and Mrs. Guy Joe Roberts are spending a weeks vacation in Red River and Santa Fe, N. M. and points of interest in Colorado.

Mr. and Mrs. J. L. Caffee and Charles are vacationing near Bayfield, Colo., at the Vallicito Reservoir.

Mr. and Mrs. Dave Abbott have returned from Mineral Springs, Ark., after several days

visit with Mr. Abbott's brother. They also visited a daughter and family in Pampa, Texas.

Miss Nan Martin of Shreveport, La., is visiting her aunt and uncle, Mr. and Mrs. B. Danforth.

Mr. and Mrs. Harold Van Loh and family returned this week from a vacation trip to Yellowstone Park through Wyoming, Idaho and Utah. They report having a wonderful time.

Rev. and Mrs. Milton Smith and daughters of Kansas City, Mo., stopped over here for a visit Wednesday with his aunt, Mrs. O. E. Melton and family. They were enroute to Red River on vacation.

Newcomers Welcomed to Burkburnett

The Burkburnett Chamber of Commerce and the Greeters Ser vice wish to welcome the following newcomers to our city:

- Keno, Dave
 - White, Donald
 - Walker, L. L.
 - Thalken, John
 - Svoboda, Harry
 - Pascoc, H. T.
 - Ramsey, R. L.
 - Mason, Donald
 - Tennison, James
 - Swanson, Donald
 - Kelsheimer, Merle
 - Gillingham, Russell
- If you are a newcomer to Burkburnett and have not been contacted, please call Mrs. Savage, 569-2180, or the Chamber of Commerce office, 569-3393.

MOW Circle Met In Williams Home

The M. O. W. Club met Thursday evening in the home of Barbara Williams.

Members present were June Lewis, Barbara Williams, Terry Thompson, Katherine Korman, Alice Smith, Helen Schuman, Mary Robertson, Ruth Britton, Dorothy Cole, Elsie Messner.

Refreshments were served and a good time was had by all. Next meeting will be Aug 17.

PRETTY PLAIDS — Here are two essential items any girl should have in a week-end wardrobe, especially since the blouse and skirt may be matched to other separates by Jantzen. Pastel colors are featured in the plaid cottoningham.

The oldest newspaper in America today is the Newport, Rhode Island Mercury, which was founded in 1758 by young James Franklin with the aid of his uncle Benjamin.

Mrs. Neal Hall Unity Club Ho

The Unity Garden club called meeting at the Mrs. Neal Hall at 9:00 July 27th. Twelve members assembled in her yard shade of the trees.

Mrs. George Bellamy member was welcomed by Troy Miller, president.

The District II theme will be supported by the Garden club's theme, Forward. The program in line with the stationery garden club the National theme is Garden limited.

Mrs. R. C. Gilbow, of the yearbook committee, reported the material book almost ready for printing. She announced the regular meeting of the club at 9:00 a. m. Sept. 11th at the home of Mrs. R. C. Gilbow with Mrs. R. C. Gilbow, chairman, reported the committee recommendation landscaping of one of school grounds. The project will cost \$50 on it.

The club will hold a Christmas show at the home of Mrs. R. C. Gilbow. They plan to use tables for their display.

Mrs. John Laund, chairman, asked for a display of flowers for Sunday Tea. Mrs. Laund endorsed the plan for artificial flowers when fresh ones are available.

The Unity Garden club held a flower show at the home of Mrs. R. C. Gilbow, chairman, on April 1st.

A rummage sale was planned for the proceeds will be used for a civic project.

Those present were J. Troy Miller, B. H. Troy Mills, Roy Campbell, R. C. Gilbow, George Bellamy, Riddle, John Laund, Maben and the hostess, Mrs. Neal Hall.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Tex.—Amid the sound and fury of the tax battle in the Legislature, Texans—new to the idea of far-reaching sales taxes—could be heard trying to get to the bottom of things by calculating their effect upon such things as baby diapers.

The key to many discussions, both in the Legislative chambers and in the Capitol corridors, was the term "outer wearing apparel," to be exempt from sales taxes.

It seemed simple enough at first when the proposal was to exempt such articles costing less than \$10, the intention being to exempt work clothes. But many a question popped up when the tax writers went into details and spelled out that this exemption would not include accessories like "cuff links, belts, ties, scarves, billfolds, hand bags, canes, unattached buttons, ornamental jewelry of any type, bathing suits, sleeping garments, bathrobes, lingerie, negligees and lounging pajamas."

Clearly, baby diapers are outer wearing apparel. But, do they remain in that status when covered with rubber or plastic pants? Nobody could readily answer the question. That was something to be decided later.

And what about bathing suits? These certainly are not undergarments—except, of course, when worn under street clothes. And who ever wears anything "outer" than a bathrobe?

Then there was more serious talk about the definition of work clothes. The exemption was confined to those made of cotton, twill, poplin, denim, and chambray. Suppose, somebody questioned, a man ran across a pair of blue denims with nylon knees?

And why, a white collar worker asked, shouldn't his wool trousers be exempt, too, since he works in them?

During the Sales Tax debate, Senator Wardlow Lane of Center quipped, "I'm personally

not for any kind of tax . . . just like I'm not for pneumonia, death or anything else bad . . ."

ATTORNEY GENERAL RULES—An Attorney General's opinion holds that the state's admission tax does not apply to tickets to baseball, football and basketball games, but is applicable to horse races, dog races, motorcycle races, auto races, dance halls, night clubs, skating rinks, "and any and all like places of amusements, contests and exhibitions."

State Comptroller Robert S. Calvert, who asked for the ruling, was advised that horse races are subject to the tax because they are specifically mentioned in the tax law, while baseball, football and basketball are not.

REFERENDUM ON HORSE BETTING SOUGHT—Rep. V. E. (Red) Berry of San Antonio, who got nowhere with his bill to legalize horse race gambling in Texas and another calling for a statewide referendum on the question, doesn't plan to give up.

Representative Berry said petitions are being circulated by members of the Texas Thoroughbred Breeders Association asking support of a Democratic party referendum from 10 per cent of the qualified voters in Texas. He estimated 155,000 signatures will be necessary to cause the State Democratic Executive Committee to submit the proposition to the voters in the first Democratic primary election in May.

The petition, he said, calls for submission of a constitutional amendment to the electorate. **HISTORIC DOCUMENT ON WATER PROBLEM**—"If Texans cannot change the weather, they can at least through sound, far-sighted planning, conserve and develop water resources to supply their needs."

So said the State Board of Water Engineers as it turned in to Gov. Price Daniel the state's first comprehensive, projected plan for meeting the industrial, municipal and other water needs in 1980.

Governor Daniel termed the 200-page document, which envisions the construction of 45 new reservoirs over the state, "one of the great things in the life of our state."

The board made the observation that the people of Texas have not yet been "aroused to the dire consequences of inaction or to the consequences of building projects which at best provide for only small increases in water needs . . . in relation to long term future needs in many areas, water is the least

abundant of Texas' important natural resources; certainly it is the most indispensable."

The board said that through proper development, Texas has adequate water to meet its municipal and industrial needs in 1980 and sustain agriculture and other uses. A significant statement in the report was to the effect that such a program as outlined "appears to be within the financial capability of the state and local interests, with federal participation in projects containing flood control."

In short, the so-called "Master Plan" for development of the state's water resources is at least an outline of what can be done, and might be done, to meet one of the state's most crucial problems.

ATTACK ON "SOFTNESS" LAUNCHED—Physical education teachers from over the state at a meeting in Austin have come up with a plan to turn talk into action and do something about physical fitness in the schools.

The plan includes 15 minutes of strenuous body exercise in physical education periods; teaching the right way to walk, sit, climb, pull, push and all the other ways the body obeys the laws of physics; teaching games and sports people can use throughout their life including tennis, golf and swimming and other popular sports; teaching the history of games; fitting activities such as folk dancing into social studies; emphasizing sportsmanship as part of social behavior; accomplishing social control through release of tension in athletics; and promoting a favorable attitude toward physical activity both as children and as adults.

BUS RATES GO UP—Bus travel in Texas is costing the operators more and so it will be costing the passengers more. No one objected at a hearing which resulted in a general hike of five per cent in bus fare rates approved by the State Railroad Commission.

Operators testified expenses increased 8.9 per cent in 1960 over 1959, against a revenue increase of only 4.6 per cent. The last time bus fares were increased was in 1958.

The increases will be in effect no later than September 1. There were some exceptions to the general five per cent increase, such as an approved boost of 10 per cent for Texas bus lines operating between Galveston - Beaumont and Port Arthur-High Island, and a 10 per cent increase for Texas Electric Bus Lines. **GOVERNOR FOR A DAY**—One of the nicer traditions in Texas politics is that which permits the man who is third in line to the Governorship to officially take over the reins of the state government for a day.

By custom, the Governor and Lieutenant Governor absent themselves from the state for a 24-hour period so that the Senator who has been elected by his colleagues as President Pro Tempore of the

Senate can step into the Governor's chair.

The honor went to easy-going, well-liked Senator Preston Smith of Lubbock last week. He signed proclamations, as Acting Governor, got in little plugs for his area of the state, and was feted at a banquet which rounded out the festivities in the evening last Friday.

SHORT SNORTS

Moonshining still goes on. The Texas Liquor Control Board reports seven illicit stills were taken by inspectors during the month of June with a capacity of 710 gallons. Inspectors seized 590 gallons of mash and made nine arrests. The stills were located in Lamar, Bowie, Marion and San Jacinto Counties.

Texas Business Review reports retail sales in Texas for the first six months of 1961 increased steadily, but still fell behind the first half of 1960. One reason—consumers using current income to catch up on old debts.

Construction industry reached near record levels with substantial increases over 1960, according to the Univer-

sity of Texas Bureau of Business Research. Authorized construction this year so far is less than one per cent below the record reached in 1959.

Social Security News

In my last article on the 1961 amendments to the social security law, I described the increase in the social security benefits payable to aged widows and widowers and the certain aged dependent parents.

In this article, I would like to tell you about another group whose social security benefits are raised. They are the 2,175,000 persons who now receive social security benefits at or near the minimum level of \$33 a month.

The change raises the minimum level to \$40 a month. Under the new law, the lowest benefit payable to a worker who retired at 65 or later will be \$40 beginning with the checks mailed early in September.

Dependents of these retired

workers will also receive increases in their benefits if the increase will not raise the total family payment above \$60. Where there is only one person getting benefits based on the social security account of a worker who has died, the survivor will have his or her monthly payment increased to \$40.

There will also be a small increase in the payments to survivor-families who have been getting a total family payment of less than \$60.

These increases, amounting to an estimated \$255 million during the first 12 months they will be in effect, will be made automatically. There is no need for beneficiaries to apply for the increase.

Mr. and Mrs. Emil Schroeder have returned home from a very enjoyable vacation trip. Their tour included the states Oklahoma, Kansas, Colorado, Idaho and Yellowstone National Park. They were accompanied by their daughter, Mr. and Mrs. Arlyn Tonn and children of Haven, Kasas.

NUCLEAR ATTACK!
YOU CAN SURVIVE
... AND BE ALIVE ...
IN A

LANCER FIBERGLASS SURVIVAL SHELTER*

*This shelter will increase your chances of survival of nuclear attack . . . by about 4,000 percent!
Gen. Clarence Huebner, U. S. A. (Ret.) former N.Y. State Civilian Defense Chief

Today 35% of all separate dwellings in Russia have survival shelters. Since 1947 all new housing in Russia must include a survival shelter. Where does that leave us? Do we in America have a choice as to our need? No! The world situation virtually demands the type of Civilian Defense protection being offered in this revolutionary and superior LANCER FIBERGLASS SURVIVAL SHELTER.

Grace Lutheran Society Met Aug. 1

Members of the Grace Lutheran Missionary Society met in the church parish hall Tuesday, August 1, 1961, for their monthly meeting.

Mrs. Harlin Mills brought the meeting to order. The group sang the hymn, "Blest Be the Tie that Binds" after which Mrs. C. Koenig gave the opening prayer.

The business session was opened by the roll call to which 13 members responded. Mrs. Roark gave the minutes to the previous meeting and Mrs. T. Mills gave the treasurers report.

The Society accepted Mrs. Dorothy Dickey of Burkburnett as a new member.

The Ladies voted to sell light bulbs to raise money for their treasury.

Mrs. Rayford Young and Mrs. J. W. Kinder, Jr. were put on the committee for the reception for Pastor Otten, which is to be held after the installation at 4 p.m. on Aug. 13.

Miss Clara Schulz gave an informative parliamentary drill after which a lesson on inactive members was given by Pastor Boriack. A news item on the history of LUTHERAN WOMEN MISSIONARY SOCIETY was given by Mrs. B. Howell.

The meeting was closed with the Lord's Prayer in unison after which Mrs. R. Young served tasting refreshments to the following members and guests: Mesdames H. A. Mills, D. Roark and two sons, Troy Mills, Merlin Miller, Brown, C. Koenig, C. Schroeder, B. Howell, Enderli, R. Young, Bud Lasley, L. Zweigler and Treva, O. D. Scott, Dickey, Pastor and Mrs. Boriack and Miss Clara Schulz.

DEVOL NEWS

Mrs. C. O. Woodley, Reporter

Mr. E. N. Miracle attended an association of the Primitive Baptist Church over the weekend in Blue Ridge, Tex. Mrs. Miracle was a weekend guest of her daughter and family, Mr. and Mrs. Robert Huff of Ryan.

Mrs. O. L. Beckner and sons, Jimmie and Johnnie of Oklahoma City spent this week with her parents, Mr. and Mrs. Jim Eley.

Mr. C. S. Monson, who returned to a hospital in Lawton for a few days treatment last week, is home again now and is reported showing much improvement.

Rev. and Mrs. Joe Stevens left Monday for Fort Worth, Tex., where an uncle of Mrs. Stevens is reported seriously ill.

The revival at the Baptist Church closed Sunday night. Rev. Stevens announces an average attendance of 64 at each service. The members enjoyed a basket lunch Sunday after

the service and singing in the afternoon.

Joe Bishop of Irving, Tex. is visiting his grandparents, Mr. and Mrs. J. B. Stevens.

Mr. and Mrs. Bill Slabaugh and children, Billy, Tonny and Ricky, visited Mr. and Mrs. Charles Glandon in Grandfield, Sunday.

Mrs. Vernon Lagrone is reported on the sick list.

Several children have been reported ill the past week. Bryana Jean, Stevie and Cindy Harrison, children of Mr. and Mrs. Bryan Harrison and Rosemary, Gayle and Robbie Hopkins, children of Mr. and Mrs. Robert Hopkins and Gillis McClendon, daughter of Mr. and Mrs. F. G. McClendon, were all reported ill with the virus.

Mrs. L. E. Jeffyries is said to be somewhat improved of an ear infection she had the past week.

In Dec. 1620, the first known language appeared not in England but in Holland.

Chop suey is an American dish.

Carolyn Horr Fred McPhail Plan Sept. Wedding

Mr. and Mrs. L. B. Horr of Burkburnett announce the engagement and approaching marriage of their daughter, Carolyn to Mr. Fred McPhail, son of Mr. and Mrs. Bob McPhail, also of Burkburnett.

Miss Horr attended Midwestern University and is now employed as title clerk in the Tax Office at the Wichita Falls Court House.

The prospective groom attend-

ed Eastern Oklahoma A and M College at Wilburn, Okla., and has served two years in the navy. He is now employed at Morgan Motor Co. in Wichita Falls.

September 1st is calendered for the rites in the chapel of First Baptist church with Rev. Leroy Meyer officiating.

Belgium and the Netherlands separated by treaties signed in 1839.

By 1735 there were five newspapers in Boston, a town of less than 20,000 population.

KENNETH JOHNSON PLANS ELECTRIC PLANT TOUR

Kenneth Johnson, Wichita County 4-H Electric chairman has set an Electric tour of the power plant to be held Thursday morning at 10:00 a. m. All senior 4-H club members are urged to attend this tour and anyone else who is past the age

of fourteen and would attend is cordially invited. The group will meet at the Kemp Library in Falls. Mr. Gad Garland of Electric will conduct the hour tour of the power plant.

TAKE YOUR PROBLEMS TO CHURCH -- MILLIONS LEAVE THEM THERE

SPECIAL TREAT

Nuts are served on special occasions and are a delicacy reserved for special treats. They satisfy longings that other foods cannot provide.

The Lord set aside one day a week as a special day for rest and worship. On this day we receive spiritual food and strength for the week to follow.

ATTEND CHURCH SUNDAY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Summer heat poses a real problem when it comes to keeping garments fresh and attractive. Perspiration stains do sometimes occur, even when you have taken the usual protective measures. Quick action can do much to

insure stain removal, reminds Thelma Wirges, county HD agent. For this reason, check garments as you remove them, analyze and treat any stains promptly or if professional care is needed, take them to a dry cleaner.

Perspiration stains normally are acid and usually will wash out of washable fabric but some times the color of the fabric is changed. If so, dampen the stain with water and hold it over the fumes from an open bottle of ammonia. This may restore the color. Old stains may be alkaline. If so, sponge with vinegar.

Perspiration odors may be removed by sponging the stain with warm water to which a few drops of vinegar have been added. Then sprinkle with powdered pepsin, work well into stain and let stand 1 or 2 hours, keeping the spot moist. For a stubborn stain, sponge with hydrogen peroxide or a mixture of 1 teaspoon sodium perborate to 1 pint of peroxide. Rinse with water.

Removing Stains from Clothing, a bulletin written by extension clothing specialists, gives practical suggestions for analyzing and treating stains. You can get a copy free from your county extension agent's office, 305 Federal bldg.

Dark cottons provide comfortable and fashion right costumes the year around. With proper care they can be kept attractive and new looking for a much longer time, according to Thelma Wirges.

Dark cottons should be dry cleaned to preserve their finish and appearance, at least as long as they are used for best wear, says Miss Wirges. Garments with decorative details, padding, interfacing and designs which cannot be removed must be dry cleaned or laundered with special care. Dry cleaning avoids

any risk of spoiling the appearance of the garments.

To laundry the garments, wash each one individually in softened water. Rinse completely to remove all traces of soap or detergent. Soft water helps to prevent hard water curds or lint from sticking to the cotton. Use warm, not hot, water with mild soap flakes or detergents. Soapless detergents are good for dark cottons, especially in hard water. Be sure to read the directions on the package. Some detergents are used for cottons and some are recommended for rayon. Do not use a bleach. Many of the bleaches affect the finish of the material.

When ironing a dark cotton garment, press it on the wrong side to retain the finish of the material.

In 1801 there were about 200 newspapers in the United States in 1833 about 1,200. Today there are almost 12,000.

Alcohol boils at a lower temperature than water.

Three-fourths of the American towns having newspapers before 1765 were seaports.

Burkburnett Riding Club

The Burkburnett Riding club won the Best Dressed trophy at the Lawton, Okla., rodeo parade on Aug. 2nd.

Not all parades are judged alike and many of the club awards have been won under the strict rules laid down by the American Association of Sheriffs Poses and Riding clubs. The Burk club is a member of this association.

Many times the club members are not aware of the point system under which a parade is to be judged, therefore strict obedience to regulations must

be observed at all times. The Burkburnett Riding club is an outstanding club under any circumstances and an organization of which the community may be proud.

City Water Office Clerk Leaves City

Mrs. Viola Archer, who has been a Water Office Clerk for the past 7 yrs, left last week with her children to join her husband, Johnnie, in Russellville, Alabama, where he is employed as an Oil Well Driller. They have two children, Johnnie, Jr., Age 6, and Wendell Lee, age 3.

Mrs. Archer has lived in Burkburnett all her life, and attended the public schools here. She is the daughter of Mr. and Mrs. J. M. "Pete" Bryan, Sycamore Road.

In France, Christmas is celebrated on New Year's.

If you want to write something that will live forever, sign a mortgage.

Family FINANCIAL PROTECTION

Policyholder Questions Answered by the Institute of Life Insurance

Q. I have set up my life insurance to provide a monthly income for the family for the next 20 years and then a certain amount in cash, but I am worried about the possibility of financial crises hitting them over the years. To protect against this, would I have to buy an additional policy?

A. No. Your life insurance company will undoubtedly write into your policies a provision permitting withdrawal of certain amounts at specified intervals, to meet emergencies. Any such withdrawal, of course, would reduce the income thereafter by an amount measured by the proportion of withdrawal. If you believe the income set up is an irreducible minimum, then you should have a specific policy setting up an emergency fund or other resources that can be used for this purpose.

Q. I dropped a life insurance policy some time ago, when I was under financial pressure, and would like to put it back in force again now. Do I have to buy a new policy or can I renew the old policy?

A. If you are in good health and can qualify the same as for a new policy, you can reinstate your old policy by paying any unpaid premiums, plus interest. This is provided that you did not turn in the policy for cash and also that the time since you "dropped" it has not exceeded your life insurance company's time limit on reviving policies. This time limit varies with the company, but is commonly three to five years. All policies have a "grace period" beyond the due date of premiums, usually 31 days. Premium may be paid before the expiration of this period without question as to continuance of the policy. After that, the unpaid premiums must be paid up to revive the policy and continue it in force, as the policy reserves must be maintained. It is usually better to pay up these back premiums and continue an old policy, if possible, than to replace with a new policy, because the premiums for the remainder of the life of the policy will be smaller, due to the younger age at purchase. In addition, the old policy will be on its way towards the accumulation of cash values, while the new policy will have to start from scratch in building cash values.

4-H Cooking Meeting

There was a 4-H cooking meeting held at Mrs. Gerald Savage's home July 17th. The purpose of the meeting was to discuss the Favorite Food Show which was to be held the second of August. Each of the girls chose one of the four divisions which could be entered. We discussed table settings and planning menus.

Those attending were Toni Ann Savage, Kathy Savage, Louise Bentley, Diane Bentley, Susan Leitner, Wynell Garrett and Margarette Schwartz.

Mr. and Mrs. Michael D. Wise announce the birth of a baby girl, Lora Michelle, born Monday, July 31st. Mr. and Mrs. Wise and baby, formerly of Rantoul, Ill., are visiting their parents, Mr. and Mrs. Glen Lynskey and Mr. and Mrs. P. O. Wise, here for a few weeks. Following his leave, Mr. Wise will be stationed at Castle AFB, Mercer, Calif.

Benjamin Franklin was the first publisher of the Philadelphia Zeitung, which in 1732 was the first foreign language newspaper in the American colonies.

Mr. Alden Smith, one of the Burkburnett High School teachers, has left for New York and other points of interest, vacationing. Mr. Smith teaches history, English and Civics in High School. He has been working toward his Masters Degree at Midwestern University.

Boomtowners Play Concert

The Boomtowners played their first out of town concert Tuesday evening, Aug. 1st at Bridwell Park in Wichita Falls.

A very responsive audience, numbering in the hundreds, made themselves comfortable by sitting on the grass, pallets, or in portable chairs to listen to the 52 piece band run thru numbers, old and new, popular and classical, for an hour and

20 minutes, showing their appreciation with loud applause after each number.

Dr. Bob Sims, band director, announced each number. Sims also gave greetings to Wichitans from the Mayor and citizens of Burkburnett.

The band had been invited to play in Wichita Falls by Thomas B. Taylor, director of summer musical activities for Wichita Falls. Taylor is also director of the Wichita Falls High School Band. He was very complimentary of the Boomtowners and remarked that the audience was one of the largest so far this

year for any of their musical activities.

Miss Iletha Herring, Mr. James Bigford
Wed in Central Baptist Church Friday

Miss Iletha Louise Herring became the bride of Willie James Bigford Friday evening in the Central Baptist Church with Rev. Kenneth Bradshaw, church pastor officiating for the seven-thirty o'clock ceremony.

The bride is the daughter of Mr. and Mrs. J. L. Herring of Burkburnett and Bigford is the son of Mr. and Mrs. L. L. Bigford, Randlett.

Traditional wedding music was provided by Mrs. G. G. Tyler, Pianist, and Miss Carolyn Clement, soloist.

Nuptial vows were pledged before an archway of greenery flanked by baskets of white gladioli and candelabra holding tall white tapers. White satin bows marked the family pews.

Presented for marriage by her father, the bride was attired in a floor-length gown of Alecon Lace with draped bodice and full length sleeves tapering to a point over the hands. The sculptured neckline was enhanced by delicate seed pearls and sequins and the skirt was fashioned to reveal a front of

inserted net, splashed in appliqued lace, pearls and rhinestones. Her fingertip veil of illusion was attached to a crown of Alecon Lace sprinkled in dainty sequins. She carried a white gardenia atop a white bible complemented with cascades of feathered carnations and white satin streamers.

Miss Nona Bigford, sister of the groom, was maid of honor. Bridesmaids were Linda Kee, Pat Tyler and Grace Bigford.

The maid of honor wore a street length dress of blue chiffon and a hat of flowers and net. She carried a nosegay of pink feathered carnations. The other attendants wore street length dresses of pink crystal-ette over taffeta, hats of pink crystaletta and taffeta trimmed with seed pearls and carried nosebags of blue feathered carnations.

Flower girls were Theresa Herring, sister of the bride and Betty Bigford. Randy Clement was ringbearer.

Best man was Carl Bigford. Ushers were China Stafford,

Donald Boswell and Charles Herring.

Diana Self and Judy Smith served as candlelighters and Ed. Wina Evans and Vickie Smith were candle extinguishers.

Parents of the bride were hosts for the reception in the Educational building. The refreshment table was covered with white lace over pink satin and was centered with an arrangement of white gladioli. The traditional three-tiered wedding cake and the crystal punch service completed the table decor. Linda Bryant and Nancy Tyler presided at the refreshment table and Jane Sage registered the guests in the guest book. Others in the house party included Mrs. J. W. Blackwell, Mrs. George Hodges and Mrs. Clarence Bridges.

After a wedding trip to Omaha, Neb., the couple will establish residence at 409 Berry street.

The bride is a 1961 graduate of Burk High School. The groom is employed as a carpenter by B. H. Alexander, Jr.

The brides parents were hosts for the rehearsal dinner Thursday night, Aug. 3rd at their home. The informal barbecue dinner was served on the patio to members of the wedding party.

CIRCLE 3 WSCS
MET AUG. 1 IN
CHURCH PARLOR

Circle 3 of the WSCS met at 7:30 p.m. on August 1 in the church parlor with 17 members present. Also present was one new member, Betty Parsons and two guests, Jerry Tooley and Martha Herbert.

The hymn, Where He Leads Me, was sung and Grace McDonald presented the prayer. Minutes were read and approved. The officers were named by Mary Stout. They are: Nancy Boardman, secretary, and Dot Lewis, treasurer. On the telephone committee is Margaret Peters and Eunice Cohendolpher. The treasurers report was given by Dot Lewis. Bryan Paul Nichols was given a life membership. The project for the year is to redecorate the Junior High Sunday School room. Mrs. Page Brown gave a talk on What Makes A Wilderness. At this time a discussion was held on next years program. It was decided to study, Women of the Bible.

Refreshments were served by Grace McDonald and Jenny Turner.

-If Its For Sale Advertise-

Here's One For The Book!

Russia has dispatched 300 alleged agricultural experts to Cuba to help Mr. Castro solve his farm problems.

This would surely be a case of the blind leading the blind if these 300 experts (?) were really sent to Cuba to administer aspirin to our bearded friend (?) for his agricultural headache. It is a well-known fact that neither Russia nor any of the other communist countries have been able to solve their own food shortages. Even Mr. Krushchev, himself, publicly admits that Russia's food production program is a flop.

So, the Russians aren't hoodwinking anybody, including Mr. Castro. Those 300 farm experts (?) aren't in Cuba to teach the Cubans the techniques of Soviet agriculture. They are there to teach the Cubans how to be good (?) Communists.

Any lingering doubts that Castro is a Communist vanished into thin air, as the Cuban dic-

tator rolled out the red carpet for these 300 Communist instructors.

Thus the communization of our island neighbor just 90 miles distant from the U. S. A. goes on apace, full steam ahead.

NOTICE TO RETAIL
GASOLINE DEALERS

The Burkburnett Independent School District will accept sealed bids until 8:00 P.M. August 17, 1961 at School Tax Office for the purpose of furnishing gasoline and oil for school buses for the 1961-62 school term. (Must be equipped to fix flats and the bidder must furnish the School District with the Federal Tax Forms for the refund of Federal Taxes on gasoline furnished).

Bid forms will be furnished upon request by applying at the School Tax Office.

TB Test For Graders

has been mailed to parents of children who will be first grade this coming September. Informing them of the tuberculosis testing that will be made available to the first two weeks of the testing program has been possible in Burkburnett through the efforts of the Tuberculosis Study Club. The program will be done under the direction of the Wichita County Tuberculosis Association.

was given Tuesday, August 8, at the home of Mrs. Joe Monaghan, chairman of the TB Study Club, to which the parents of the various city schools were invited to draft final plans for the program with the approval of local officials.

Association points out that tuberculosis is not inherited but is acquired mainly through air with TB germs, or sometimes by contact with the mouth of an infected person or food or eating utensils.

Statistics indicate that approximately half of all tuberculosis cases appear in people under 15 years of age. The tuberculosis test will show whether a child has TB germs in his system. Children and young adults should have a regular tuberculosis test. If the test is positive, chest X-rays should be made to check for possible tuberculosis.

Teaching the facts about TB and interesting people in acting against it.

S-Sgt. and Mrs. Medford McClain and their two children, Danny and Carl, winners of the whole hog contest recently held by Monaghan's Furniture and Appliances, pictured with the hog won by Mrs. McClain. Stanley Bruno, Manager of the service department, is shown on the right.

Bob Monaghan, Manager of Monaghan's Furniture and Appliances, extended congratulations to Mrs. Jean McClain, wife of S-Sgt. Medford McClain, for winning the 120-pound and 12-oz. hog in a weight guessing contest recently concluded by the store.

Two other persons besides Mrs. McClain guessed the correct weight. They were Mrs. Lois Smith and Mrs. C. W. Adams. Mrs. McClain, however, was the first to register her guess.

Bob Monaghan stated that "Burkburnett people are certainly good hog weight guessers." He has been notified by their sponsor that there were more correct guessers in Burkburnett than in any of the other towns. Monaghan expresses his appreciation to everyone, and wishes that all could have been winners.

prevention when we realize that finding, with the help of the solving the TB problem is a tuberculin test, people who have community as well as an individual responsibility. This means helping them to keep well. everyone must work together—Finding the person with active tuberculosis, officials and voluntary agencies and all other interested persons and groups. The prevention program includes:

- Improving living conditions and general health of all people who need it.
- The Association emphasizes that Tuberculosis is a serious, infectious, chronic disease. It attacks with warning, sometimes not making its presence felt for years. Tuberculosis is the greatest killer among chronic infectious diseases. One undetected case of active TB can infect scores of people. Nobody is safe from TB. It attacks people of all ages, in all walks of life. Many people have TB in its active infectious form but don't know it. They are not getting treatment and may be infecting others.
- Although fewer people die of TB these days, many thousands become ill with the disease every year. Most of those who die of TB could have been saved if their illness had been discovered earlier. Almost half of those with TB are in their most productive years, 15 to 44.

BUILDING OR REMODELING?

INSURE CAREFREE WINTER COMFORT WITH FLAMELESS ELECTRIC HEAT!

You'll enjoy new comfort, convenience and cleanliness when you heat your home the modern way—with flameless electric heat. Electric home heating is clean—as clean as electric light—which means less housecleaning and redecorating. Electric heat is thermostatically controlled, automatic and accurate. It provides gentle even warmth. Temperatures in each room can be controlled separately for economy and convenience. And you'll enjoy complete freedom of furniture arrangement because electric heating equipment takes up little or no living space.

Electric baseboard heaters, installed in place of normal baseboards on outside walls, direct warm air upward to block cold drafts. For information about this and other methods of electric home heating, telephone us or visit our office.

Check Home Heating Needs Before Winter

Summertime is the best time for Burkburnett residents to check their home heating needs, according to W. T. Donnell, local Lone Star Gas Company manager.

"Cold weather has a way of sometimes hitting without much warning," the Lone Star manager said. "In the interest of your health and convenience, Lone Star is urging all homeowners to compare their existing heating equipment with the family's needs."

Mr. Donnell pointed out that by checking now, the homeowner can avoid last minute calls for equipment and service during cold weather when heating contractors are experiencing their busiest season. Lone Star is offering special discounts on gas heating equipment during as pre-season heating sales campaign in August and September.

Vented gas heating equipment with its automatic controls is recognized as being safe and dependable and is most economic to operate, said the Lone Star manager.

Lone Star is stressing fresh air heat which minimizes stalesness and stuffiness in a home. It aids in controlling the amount of moisture released in a home by body heat and such day-to-day living habits as bathing and cooking.

The gas company's engineers point out that this stale air con-

dition is controlled to a degree in older homes by air leakage around windows and doors. In newer homes, which have tighter construction and more insulation, normal outside air leakage usually is insufficient. But, in new gas central heating installations, provisions for adequate outside air can be made easily by providing a fresh air intake in the duct system, the engineer pointed out. Lone Star is offering a special discount on gas heating system during this campaign, the Lone Star manager said.
