A breakdown of the expenditures shows \$33,700 for Administration, and a total of \$507,580 for instruction salaries. Text-books, library and audio-visual materials, teaching supplies and other expenses brings the total for instructions to \$534,280.

Other classification of expenditures are Health Services, \$5,200; Pupil Transportation, \$23,905; Plant Operations, \$61,800; Plant Maintenance, \$19,400; Fixed Charges, \$17,300; Food Service, \$7,300; Student Body Activities, \$6,000; Capital outlay, \$9,157; Debt Service, \$84,650 and Outgoing Transfers \$1,000.

Revenue breakdowns shows Revenue from local sources to be \$159,950; county sources, \$60,000; State sources, \$479,483; Federal sources \$132,200; and sale of bonds and property \$32,000.

The Tax rate gives 90c to Maintenance and 45c to Debt service, making a total tax rate of \$1.35.

School Days Are Here Again Dear Old Golden Rule Days

I. C. EVANS Superintendent of Public Schools

Over 2850 students are expected to enroll in the Burk Burnett Public Schools. The enrollment last year was 2652. School classes will actually begin on Tuesday, August 29th, but the students will look forward to an immediate holiday, Monday, September 4th, which is Labor Day.

The school system includes 6 schools. This includes Shepard-Burk and the new school which opens for the first time this year. The Southside Elementary School, located on South Berry, will be completed just in time to open the doors to its 12 new class rooms to the first five grades.

According to the school calendar, students will have eight holidays, besides the Christmas holidays. Christmas holidays will be from Wednesday, December 20 to Tuesday, January 2nd. End of school will be May 25th.

There will be 116 teachers, including the principals, in the school system this year. This figure includes 25 new teachers, additions and replacements.

Thursday Night Municipal Concerts End for the Year

Football season and other school activities necessitates the end of the weekly park concerts for the Boomtowners Municipal Band.

This doesn't, however, spell the end of the band. The band will continue to meet for practice each Monday night and will make appearances when such appearance will not interfere with school activities.

The band will play this evening (Thursday) at 6:45 p. m. for the escort of the beauty queens in front of the Palace Theatre.

First TB Skin Tests Were Given In Burk Last Week

The first tuberculin skin tests in Burk Burnett were given last week at the Providence Baptist church. The tests were given by two nurses from the T. B. Association in Wichita Falls. They were assisted by Mrs. Monroe Gray, President and Mrs. J. G. Cheney from the Friendly Homemakers HD club.

Approximately 150 colored people, adults and children were given the skin tests. This was a very gratifying percentage from this pioneer group.

Of the 150 tested, 24 suspected cases of TB were found. Dr. J. A. Davey will make arrangements for this group to be x-rayed in Wichita Falls.

The public school children will be given the tests Sept. 5th. Please sign the permit your child will receive and return it promptly to their teacher. This tuberculin skin testing program in Burk Burnett is sponsored by the Contemporary Study club. All other study clubs and civic organizations have been very cooperative and most generous with their assistance.

Burkburnett's annual gala event, the selection of "Miss Burk Burnett," sponsored by the Modern Study club, will begin at 8:00 p. m. in the Palace Theatre, today (Thursday) Aug. 24th.

Although this is the scheduled time for the program of selection to begin, the event will actually begin about an hour earlier, when the hopeful aspirants will be escorted to the theatre amid good wishes and cheers of everyone, by the Burk Burnett Police Department. The red carpet will be rolled out and the contestants and Judges will be escorted into the theatre by the Chief of Police, while the "Boomtowners" Municipal band plays "The Eyes of Texas are Upon You."

A packed audience is expected to be on hand to boost and cheer the eleven contestants as they display their charm and talents in hopes of being chosen to represent Burk Burnett later in the "Miss Texas" contest. Miss Burk Burnett will also represent Burk Burnett later this year at the State Fair in Dallas as the City and High School participate in Burk Burnett Day, on Oct. 13th.

The Master of Ceremonies for the Beauty Pageant will be Warren Silver of Channel 3, TV. James Green of Wichita Falls will furnish the organ music and Miss Bennie Elderton of Wichita Falls will also bring an entertainment program.

Area Residents Can Give Eyes To Help Others

Residents in the Wichita Falls area can now give their eyes so that others may see.

With the formation of the Wichita Falls Eye Bank during the summer of 1960, anyone over the age of 21 may voluntarily donate their eyes to the "eye Bank" for the repair or replacement of eyes in another human.

An explanation of the program by Miss Janie Brown, Chairman of the Wichita Falls Eye Bank, pointed out that the eyes must be removed from the body of a donor within 3 hours after death.

Eyes are completely interchangeable between races, sexes and ages. The eyes from a 90 year old person are capable of giving sight to a six year old child.

After death, said Miss Brown, the eyes are removed and placed in a saline solution and must be transplanted into another human within 48 hours. There is no method for holding the eyes without damage for longer periods.

The Wichita County Medical Society has granted approval of the newly formed eye bank and national averages of success in these cornea transplant operations is 90 percent.

The use of donated eyes are two fold:

For cornea transplants, in which the impaired cornea is removed and the donated cornea is transplanted and grafted into place. Here the entire cornea may be replaced, or only the damaged portion removed and a patch put on the eye, depending on the amount of scar tissue.

The alternate use for eyes taken from a donor after death is the vitreous fluid, which is a jelly like substance behind the lens of the eye.

Miss Brown, in speaking for the non-profit organization serving the needs of the North Texas and Southern Oklahoma area said the need for donors is great. For additional information or service, contact Janie Brown, Chairman, Wichita Falls Eye Bank, 700 Oil and Gas Building, Wichita Falls, or call 723-7318.

Grace Lutheran Parsonage Lawn Planted Monday

On Monday evening 20 persons appeared at the parsonage of Grace Lutheran church to plant a lawn in the back yard. The Johnson grass was hoed out, bermuda grass was planted and then fertilizer was spread.

The parsonage on Ruby Rd. is now occupied by the new pastor of Grace Lutheran, Rev. Philip M. Otten and his family. Rev. Otten conducted his first service at Grace last Sunday. His sermon was "The Ministry of Reconciliation" and was based on 2 Cor. 5: 17-21.

Those who helped in the planting of the grass at the parsonage were Mr. and Mrs. M. Adamson, Mr. and Mrs. O. Frieling, Kenneth Frieling, Mr. K. Kaiser, Mr. and Mrs. C. Koenig, Wayne Koenig, Patsy Koenig, Gary Koenig, Mrs. Goenig's mother, Mrs. Smith, and two nephews of Mrs. Koenig, Mr. Messner, Mr. M. Miller, Keith Miller, Paige Miller, Francie Mills and Mr. D. Roark.

The planting was directed by Mr. D. Roark, Board of Director chairman. Two rero-tillers were used, borrowed from Farmers Coop and from Mr. H. Krusemark. Mrs. P. Otten served refreshments to the group.

Fire Marshal Inspects Local School Buildings

Burkburnett Public School buildings were inspected for fire hazards this past week by Fire Marshal Claud Reed, assisted by C. R. Chambers, former Fire Marshal.

Inspection of schools for fire hazards is required of the fire marshals office each year immediately prior to the beginning of school. A report of the inspection is made to the State Fire Marshal's office.

Reed recently was given the duties of the Fire Marshal. The responsibilities of this office was transferred from C. R. Chambers in furtherance of the consolidation of certain offices and functions and also to relieve the work load of Chambers who is the City's Tax Assessor-Collector.

Midwestern Univ. To Open In Sept. Enrollment 12-15th

Established in 1922 as a junior college and now a fully state supported liberal arts University, Midwestern will open its doors for the 40th Fall session in September. New students are requested to report to the University Auditorium at 9 a. m., Monday, Sept. 11th, if they have not taken the ACT test. Otherwise, report at 9 a. m. Sept. 12. Transfer students are to report on the 13th and the Fall registration for Sept. 14-15th.

If you have not done so, contact the M. U. Registrar's office immediately for admission information.

Builders Class Met In S. W. Darland Home August 17th

Mrs. S. W. Darland was hostess in her home Thursday, Aug 17th to the Builders Class of the First Baptist church.

Mrs. L. E. Bundy, president, presided. Opening song was "What A Friend We Have In Jesus." Mrs. F. M. McMurtry gave the devotional from 2nd Corinthians using the theme Thorns among roses.

The secretary read the class report for July. There were two group captains present and each gave a good report.

Mrs. O. B. Wofford read a lovely poem entitled "Life Is A Friendly Road."

Mrs. Buchanan dismissed the meeting with a prayer.

Group No. 1 served ice cream cake and punch to 14 members and one visitor. Those present were Mesdames F. M. McMurtry, L. E. Bundy, Buchanan, Bentley, Wright, Chapman, Oma Van Cleave, Nola Thorpe, E. E. Hicks, Walling, Harris, our hostess, Mrs. S. W. Darland, and her granddaughter.

MRS. JENNIE CROCKER 89th BIRTHDAY CELEBRATED SUN

Last Sunday afternoon Mrs. Eva Bingham surprised her mother, Mrs. Jennie Crocker, with a party at the Youth Center on the occasion of her 89th birthday. A number of friends and relatives were present for the occasion. A song session was held by Mr. and Mrs. Pemberton, joined by those of the group who wished to sing. Cora Lee Harmon was the accompanist.

After the visiting session and singing session, refreshments of cake and punch was served by Eva and her sister in law, Mrs. Ola Mae Crocker of Devol, Okla. All present had an enjoyable time.

NOTICE TO PARENTS

Mr. I. C. Evans, Burk Burnett Public School Superintendent, announces that six year old children starting to school in the 1961-62 school year must have birth certificates and small pox and diphtheria vaccination certificates.

Parents can help in clearing the child's school record by complying with these requirements before the beginning of school.

Rebekah Lodge

The Burk Burnett Rebekah Lodge met in a stated meeting last Monday night with the following officers in the chairs: Eva Bingham, noble grand; Bessie McKnight, vice grand; Cordia Lawrence, ward; Cora Lee Harmon, musician; Jean McPhail, Chaplain; and Mary Cecil, secretary.

After the reading of the minutes of the last session and the roll call of officers, sick members were reported on. Cards were requested sent to those who were sick.

The Noble Grand discussed with the members time and place for having a bazaar along with a bake sale. She appointed a committee to secure a place suitable for this. This is a means of earning money for the lodge. All Rebekahs are urged to participate in this enterprise. This shall be discussed further at the next meeting. And all members are expected to bring something for this bazaar and bake sale.

Cora Lee Harmon.

Millionaires Are Scarce

Why not let the millionaires pay most if not all the taxes? They've got more money than anyone needs, so why not take it away from them for the benefit of the rest of us?

Well, here's why: According to the internal Revenue Service there are only 244 taxable incomes of a million dollars or more. And these incomes are taxed to the hilt now, with the top rate being a cool 91 percent.

Moreover, says the Citizens Public Expenditure Survey, the taxes actually paid by the millionaire group are just enough to run the government for 25 1-2 hours—a trifle more than one day. And even if they were taxed 100 percent, the increase in revenue would merely support the government for another 14 1-2 hours.

There just isn't enough money in the big or even the middle income categories to operate a \$90 billion a year government. So the lower income people must pay the bill.

The Great Double Cross

Officially speaking, the permanent ceiling on the national debt is set at \$285 billion. But this has very small practical significance. Congress, because of almost constant deficits in recent years, has voted for "temporary" increases. The current boost of this nature will allow a debt of \$298 billion.

Representatives Utt and Alger recently made this statement: "The Congress has annually indulged in the fiction of temporarily increasing the permanent debt ceiling. Experience has proved that nothing is more permanent than a 'temporary' tax or a 'temporary' increase in the debt ceiling."

What's the answer? So far as "temporary" taxes are concerned, it lies in a concerted public demand that they be abandoned on schedule. So far as the debt is concerned, it lies in drastic cuts in all non-essential spending—particularly that of the welfare state variety—that will make possible gradual debt reduction, along with a full stop to allegedly "temporary" increases. The "temporary" racket has become the greatest double cross of American citizens in history.

NO SERVICE JOB TOO SMALL!

IRVIN "Smitty" SMITH, Service Manager

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

In the recent survey of independent business sentiment on the President's proposed 10 point tax reform program conducted by the National Federation of Independent Business among its district chairmen, the one point they were overwhelmingly in favor of, by a whopping 83 1/2% was the recommendation to place cooperatives under same tax laws as private business with which they compete.

Under today's system when money is power, and money represents the power to modernize a business to continue to compete, or to expand to also survive, a private business can only retain that part of its earnings remaining after taxes to make any necessary improvements. First earnings must be diverted for taxes before anything else.

But cooperatives who are competing with private independent business are permitted to retain even 100% of the earnings in the business. Members are given I.O.U.'s on which they pay no personal tax until such time as the paper is picked up for cash.

Thus, it is no problem for cooperatives to continue to expand, while their privately operated competitors, unable to escape taxes in this fashion, are greatly handicapped.

Commenting on this measure, one district chairman, a leading businessman in northwest, claims over 40% of nation's business now moves through tax-free cooperatives.

To many businessmen, with the widespread growth of business enterprises under the guise of cooperatives, there is a strong drive toward socialism in the country.

As one district chairman commented, "Am definitely for taxing cooperatives the same as every other business. These co-ops are a form of socialism and socialism has about ruined Sweden and every other country where it exists."

Others commented unless cooperatives are put under the same regulations as independent business, in due time, there will not be employment producing enterprise. The survey showed quite a concern among businessmen on the question of providing more jobs for Americans.

On the president's proposal to tax undistributed income U. S. corporations derive from foreign plants, 71.9% voted in favor of this reform.

As one of the businessmen-district chairman commented, "If labor costs keep driving industry into foreign locations, there eventually won't be any source of taxes here."

Another commented "American plants in foreign countries are there for two reasons. First, to exploit cheap labor; and second, to avoid taxation."

Or as another substantial businessman — district chairman commented "I have checked on the number of American owned plants abroad, and it looks like more to come. No wonder there is so much unemployment here."

In the 146 page survey report there is ample evidence everywhere, thinking citizens are asking "There may be problems in Timbuctoo, but what about us American folks at home?"

Is there still some room in your home freezer? If so, why not preserve some colorful melon cubes or balls for use later in the year, for desert, salad or appetizer. Thelma Wirges, county HD agent says freezing melons is quick and easy to do.

For home freezing, select firm fleshed, well colored, ripe melons. Cut in half, remove seeds and peel. Cut the peeled melon into cubes or cut in balls the size of large marbles using one of the small spoon scoops sold for the purpose.

Pack into freezer containers and cover with cold syrup made in the proportion of 1 cup sugar to 2 cups water. Leave enough headspace for expansion in freezing, 1-2 inch for a pint container with wide mouth opening and 1 inch for a similar quart container. Freeze at zero degree or below and keep stored at zero.

You can also freeze cantaloupe and honeydew melons.

Commercially frozen packages of melon balls usually include several kinds of melon for variety in color and flavor. Work out your own assortment.

Freezing is a quick, easy way to preserve fresh vegetables and fruit. Thelma Wirges, county HD agent took a look into the E. J. Simons freezers this week and says they show that correct methods, such as the ones they use in freezing keeps the natural color, fresh flavor and food values of most vegetables and fruits.

For best results Mr. and Mrs. Simons, select fresh, tender vegetables right from the garden while they are at the right stage of maturity for eating.

Other factors that influence their good quality are preparation, packaging, freezer loading and length of storage.

Latest information on how to freeze and how to cook frozen foods is given in extension bulletin, "Frozen Foods". Get a copy from your county HD agent's office. These are the methods followed by Mrs. Simons and many other Wichita County homemakers.

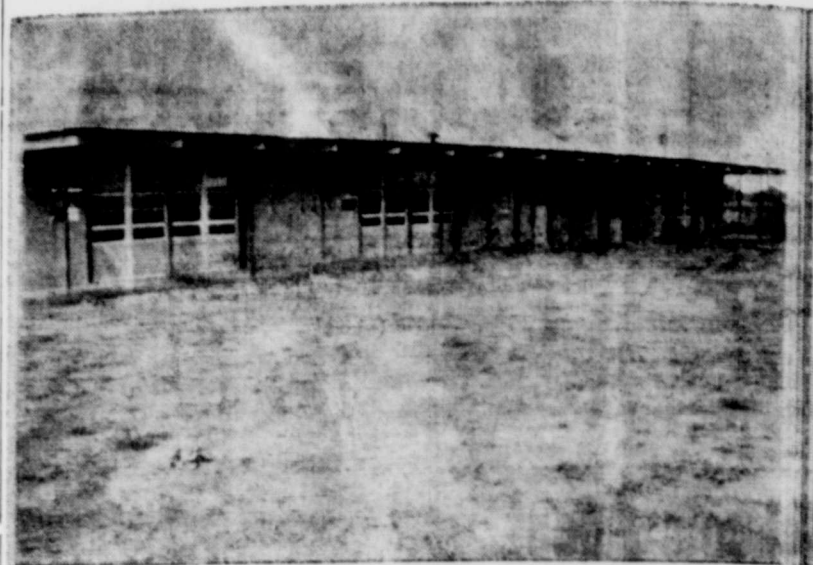

Mrs. L. L. McHugh is another homemaker who follows approved methods and has excellent results. Mrs. McHugh keeps a supply of the Extension Service bulletins and distributes them to many interested homemakers.

STYLE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

GOthic, EARLY AMERICAN, CONTEMPORARY, OR MODERN . . . Americans have a right to be proud of the beautiful structures erected and dedicated to the service of our Lord. David had a great desire to build a temple for the Lord, but because of his sins he was not allowed to complete it. . . The building completed by Solomon was used as God's house until the people strayed from God, and then it was destroyed. God has no desire for the building without the people

Burkburnett Municipal Band, Boomtowners, Play at Bridwell Park

The Boomtowners, Burk Burnett's excellent Municipal Band, recently played in the band shell at Bridwell Park in Wichita Falls. This was the first out of town appearance for the band. Although the Boomtowners have been organized for only a short time they play a brand of music usually expected only from much older bands.

IT'S UP TO YOU

By
Howard E. Kershner, L.H.D.

THE government tells us there were about 4 1/2 million unemployed people in our country last summer. This figure would be greatly reduced if there were some way of subtracting from it the following categories:

Dr. Kershner

- (1) Women who stop working to get married but choose to draw unemployment relief for six months.
- (2) Those who, on account of advancing years, choose to stop working and draw benefits for the first six months.
- (3) People who are determined to work as little as possible and who draw benefits for six months, then work just long enough to be entitled to draw more benefits. Numbers of people prefer to exist on unemployment relief as far as possible rather than to hold a full time job. Such people are not hunting jobs but are avoiding them.
- (4) People who could find jobs but prefer to remain in their own communities and wait for their same jobs or similar ones rather than to go elsewhere or to accept a job at a different kind of work.
- (5) People who have jobs and are drawing relief at the same time.

We hazard a guess that if the falsely unemployed could be removed from the list that it might not exceed 2 or 3 million. Every effort should be made to find employment for these but ways must be found to stop the chiselers from robbing the public.

Highest Winds Can't Ruff Gale-Resistant Asphalt Roof

Anna, Bessie, Carla, Debbie, Esther, Frances—not movie starlets, but names announced by the U. S. Weather Bureau for hurricanes anticipated in 1961.

The Weather Bureau list will have special meaning for those families in the "hurricane belt," but it should serve as a reminder to home owners throughout the country of the destruction high winds and heavy rains can cause. Actually, winds of hurricane force—75 miles per hour or higher—have been recorded officially in at least 39 states.

When a severe windstorm nears, a family hurries for shelter, but they can't hide their house. It should be built to take weather's worst blows.

The roof is particularly important. If it's badly damaged by high winds, it can open the way to extensive damage inside the house from heavy rain that usually accompanies wind storms.

Home owners who live in areas subject to high winds can protect their houses against wind storm damage with a roof of asphalt shingles applied to resist winds.

Three principal methods are used by roofing contractors to apply asphalt shingles to resist winds:

1. Self-sealing method. Shingles with a factory-applied backing of adhesive are applied in the conventional manner. The self-sealing adhesive bonds each shingle tab firmly to the underlying shingle.
2. Interlocking method. Using asphalt shingles with a special locking device—usually tabs

This obviously is a technical method of keeping from blowing away in a storm. The practical roof of wind-resistant shingles that defy even hurricane force.

which slide into slots and lock each shingle to the shingles. This provides that is highly wind-resistant attractive.

3. Hand application. Shingles are nailed down a spot of quick-setting cement under each tab. Wind-resistant asphalt shingles have severe wind-tunnel tests more important, have for years the actual hurricanes and other

Archery Club

Hello all you Archery fans. Fall time is here and hunting is in the air, so come on out to our next meeting and see how you can get in on some good hunting times.

We are having our next meeting this Thursday night, Aug. 24th at 904 Cropper Rd. time 7:30 p. m.

At the last meeting we held an election of officers: Harold Eddins is our new President and Hubert (Chief) Wall our new vice president. Our thanks to Jim Lindsey for a job well done.

We are having a Rummage sale all day Saturday down by Boyds.

Speaking of hunting one of our Intermediates has already had the great thrill of killing an elk. His name is Eddie Cerday and he is busting out all over. Of course the club is proud of him.

Come join in America's fastest growing sports. Archery for the whole family. Remember the second and fourth Thursday of each month is Archery meeting night. See you all there

Marilyn Felty, James Jones Marry
In Burk Methodist Church, Aug. 13th

Serving as matron of honor was Mrs. Harold Bonham of Wichita Falls. Bridesmaids were Mrs. Don Doerfler of Wichita Falls, Mrs. L. H. Wall, Jr., of Crowell and Miss Randa Nutt of San Angelo. They wore identical dresses of yellow silk organza featuring scoop necklines and brief sleeves. The sheath skirts were accented by a bubble overskirt caught at the waistlines and hemlines by self fabric bows. Their head pieces were crowns of yellow velvet with matching net veils dotted with sequins. They carried nosegays of daisies tied with yellow ribbon.

Gerald Matthews of Wichita Falls and Bill Kidd of Electra served as candlelighters.

Bob McCreary of Wichita Falls was best man. Gerald Matthews and Denman Smith both of Wichita Falls and Bill Kidd of Electra were ushers and groomsmen.

A reception was held in Fellowship hall following the wedding.

The bride's table was covered with white organza over yellow with draped corners held by nosegays. The table was centered with an arrangement of white gladioli in a silver epergne. A four tiered decorated wedding cake was the focal point.

The groom's table was covered with a Maderia cloth. A silver candlestick holding a tall white taper and a nosegay at the base was the featured arrangement with a chocolate decorated cake as the center of interest.

Reception assistants were Mesdames I. E. Harwell, P. A. Higgins, John Brookman, Floyd Hayes, F. T. Felty, Jr., Jay M. Felty, Raymond Ballard, Melvin Jones, Misses Gail Palmer, Joyce Geer, Janelle Milner, Virginia Milner, Erma Farris, Toni Jones and Mr. L. W. Teel, Jr.

Mrs. Maxine Creel played background piano music during the reception hour.

The bride was graduated from Burkburnett High School and received a bachelor of music education degree from Midwestern University in 1960.

At Midwestern she was a member of the Midwestern choir, cheer leader, president of Sigma Kappa social sorority; member of the Mu Phi Epsilon, music national sorority; Phi Mu Theta, Phi Theta Kappa, president of the Panhellenic Council, vice president of Bea Wood Hall, Midwestern Student Senate Representative, Queens Hall Sweetheart, Lady Midwestern, Sophomore, Junior and senior beauty. Wesley Foundation, student court justice and nominee for Homecoming Queen.

She is presently employed at a teacher at Jefferson Elementary School in Wichita Falls and is Youth Choir director at the Floral Heights Methodist church. She is a member of the Wichita Falls Alumnae Chapter of Sigma Kappa.

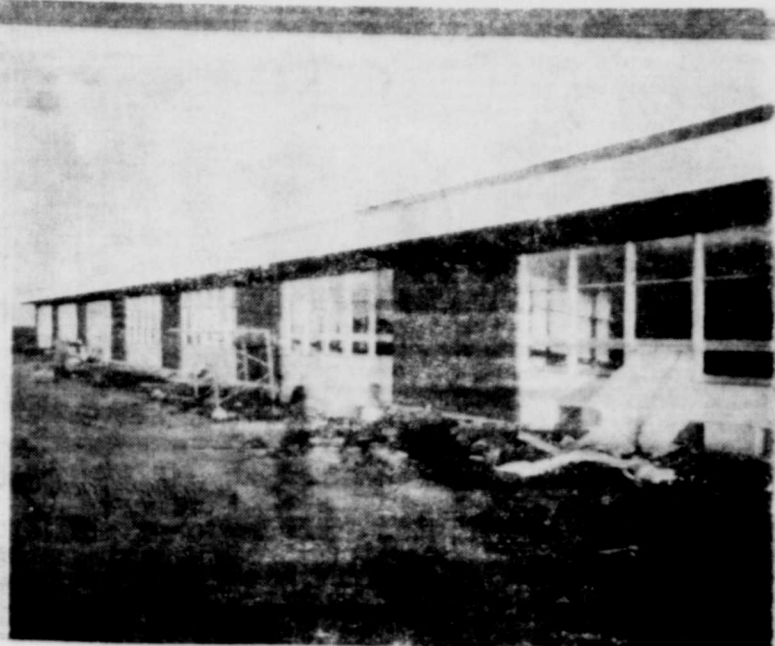

The groom who was graduated from Electra High School in 1953 is a senior geology major at Midwestern. He was a member of the Rifle Team and is a member of the Geology Club, student government senator, Ami De Cour, service fraternity; National Honor Society of Scabard and Blade, president of Phi Sigma Kappa national social fraternity; cadet major in 1960-61, Lord Midwestern and president of the Student Government in 1960-61.

The rehearsal party was hosted by the groom at the Western Dude Restaurant in Wichita Falls Saturday evening.

The couple will reside in Wichita Falls. Out of town guests attending the wedding and reception were Mr. and Mrs. Herb Temple, Barstow, Calif.; Mr. and Mrs. Bob Conley, Borger, Tex.; Mr. and Mrs. Morris Felty, Geneva and Scott, and Miss Sara Lou Felty all of San Antonio; Mr. and Mrs. Bobby Conley, Jr., and Kris, Waco; Mrs. Tom Bush, Panhandle; Mrs. Stanley Blackburn, Amarillo; Mrs. Everett Wright and Mrs. Lee Turnbow, both of Borger; Mrs. Harold Henson, Grand Prairie; Miss Sandra Banks, Iowa Park; Mr. and Mrs. Herbert Knauth, Overton; Mr. and Mrs. Floyd Hays, Enid, Okla.

Mrs. Maurice King, Muenster, Tex.; Mr. and Mrs. Milton Thomason, Gainesville, Tex.; Mrs. C. C. Bunnberg, Springdale, Ark.; Janie Whitesides, Paint Rock, Tex.; Miss Roma Jane Spikes, Crowell; Mrs. Charles Await, Fort Worth; B. W. Cummings, Quanah; Mrs. Fisher Palmer, Olney; L. H. Fisher, Crowell; Mr. and Mrs. Melvin J. Jones, Chas Robb and Charles E. Webb, all of Electra; Mrs. Raymond Ballard and Billy Susan Robb and Mr. and Mrs. Fred Warren, all of Electra; Mr. and Mrs. Lucian Williams, Wichita Falls; Mrs. W. D. Brady, Bob and Chris, Ardmore, Okla.; Mrs. Frances Robb, Electra; Henry Carter, Wilson, Okla.

Mary Louise Lacy, Ronald R. Kudela Marry Sat., Aug. 19

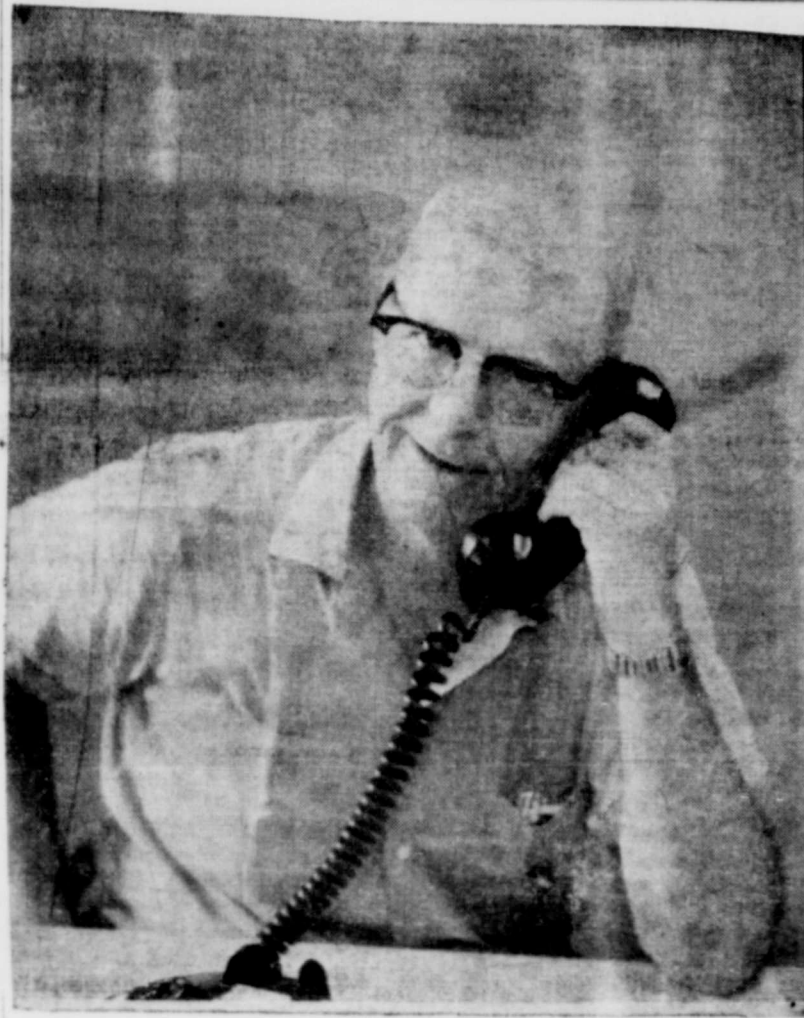

In a double ring ceremony Saturday morning at Chapel 2 Sheppard Air Force Base Miss Mary Louise Lacy and Ronald Raymond Kudela were united in marriage.

The bride is the daughter of Mr. and Mrs. Walter James Lacy of Burkburnett and the groom is the son of Mr. and Mrs. Raymond F. Kudela of Niagara Falls, New York.

Wedding vows were repeated before an altar decorated with white candles and arrangements of chrysanthemums. Chaplain Villwock performed the ceremony.

Traditional wedding music was provided by Mrs. Maxine Creel, organist.

The bride was given in marriage by her father. She wore a gown of white embroidered nylon over taffeta. Her finger-

tip veil of sheer illusion was caught by a crown of pearls. She carried a white satin covered prayer book topped with white carnations and cascade streamers.

Attending the bride was Mrs. Gerald Klinkerman, matron of honor, and bridesmaid was Miss Christine Kudela, sister of the groom. The groom's attendants were his brother, Robert Kudela as best man, and Norman Vincent.

A reception was held immediately following the ceremony in the home of the brides par-

ents. The refreshment table was covered with a lace cloth over blue satin. The tiered wedding cake was served by Mrs. Gerald Klinkerman and Mrs. Travis Sartain presided at the punch bowl. Guests were registered by Mrs. Betty Burns.

After a wedding trip to Niagara Falls, New York, the couple will return to Wichita Falls to make their home, where Airman Kudela is assigned as a draftsman in the Civil Engineering Group at Sheppard AFB.

Don't Be A Litterbug

Highway Dept.
 Spends Thousands
 Cleaning Up
 After You

"You can't take it with you". That's the thoughtless attitude of the "litterbug" who leaves a trail of trash behind on Texas highways and Roadside Parks.

The Texas Highway Department asks that you do "take it with you" when traveling, said State Highway Engineer D. C. Greer.

"Summer is the time of year when Texans and their families enjoy the outdoors to the fullest," Greer noted. "We encourage motorists to enjoy using our highways and Roadside parks, but please leave them clean for the enjoyment of others."

Greer urged motorists to follow these simple rules to stamp out litter:

Set a good example for your children and neighbors by always disposing of trash in a proper receptacle and carrying a litterbag in your car.

Aid your local civic organizations in making people aware of the need to keep Texas Highways beautiful by "stowing" trash, not throwing it.

Enjoy the picnicking facilities of Roadside parks but leave them clean for the next visitors.

Greer commented that a large percentage of the litterbugs are not out of state tourists but are Texas residents. "I am afraid that many of our litterbugs are local citizens," he said. "They

"YOU CAN'T TAKE IT WITH YOU" is the thoughtless attitude of the litterbug, who leaves a trail of trash on the highways which Texas Highway Department maintenance crews clean up by the truckload as shown here. simply do not think of the consequence of throwing out an empty pack of cigarettes, a napkin, or a bottle and how these items, multiplied by the thousands of motorists who use our highways each day, can destroy the scenic qualities of our highway network.

He pinpointed bottles as the "triple threat" of highway litter. "First, they are the hardest items to pick up among the litter; second, they often break when thrown from a car window and can cause slashed auto-

mobile tires or injuries to people who step on them; third, they can be the origin of grass fires caused by the summer sun's rays."

He said the litter problem is especially acute in Texas' 1,000 Roadside parks during the summer months when they are heavily used. "We provide disposal units at these parks and ask that they be used."

Burkburnett Schools Safety Fire Inspected Prior to Opening of Fall Term

Claud Reed, Burkburnett Fire Marshal, Henry Hodges, Capehart School Custodian, an unidentified Airman, flanked by William W. Geertz, Instructor, and H. L. McDonald, Chief of Fire Prevention and Inspection at SAFB, as they recently participated in fire prevention instructions given at Sheppard Air Force Base.

It is required that all schools in Texas be inspected by officials from their local Fire Marshal's office each year in August just before school opens. The inspection is mostly a fire safety inspection. The completed inspection forms are submitted to the State Fire Marshal's office in Austin, not later than Sept. 15th.

School fires endanger pupils lives and take annually a heavy toll in school property losses. Fortunately many school fires occur when the buildings are not occupied, and to some extent, the life hazard is reduced. Fire hazards are present in many buildings. If not controlled and corrected, these potentials may be changed quickly into serious losses. School officials, teachers, parents and the public have an interest in school fire safety.

Some factors in successful Fire Safety programs are for those in charge (a) An awareness of the importance of fire

safety in schools. (b) A knowledge of the nature and effect of fire. (c) The ability to recognize fire hazards. (d) Some knowledge of the procedures for eliminating fire hazards and fire detection and extinguishment. (e) Untiring vigilance by all having concern or responsibilities in these areas. (f) A school, or school and community organization to maintain fire safety.

Maintaining school fire safety would be a simple matter if all hazards could be removed. Never to return again in one campaign, but this possibility does not exist. School fire hazards may develop in unexpected areas and at unexpected times. School activities should be so planned that the creation of fire hazards will be reduced to a minimum.

A fire safety inspection was conducted Aug. 14th in Wherry School by one of the officials from the Fire Marshal's office in Wichita Falls and H. L. Mc-

Donald, Chief Fire Prevention at Sheppard Air Force Base. This same day the same inspector made an inspection at Capehart school with the Fire Marshal from Burkburnett accompanying them on the inspection.

One of the requirements of the State Fire Marshal's office is that the building custodian be trained in Fire Prevention Ordinances, laws, rules, regulations, fire fighting practices and the proper use of fire extinguishers. To fulfill this requirement the Sheppard Air Force Base's Fire Department (who conducts schools in Fire Prevention and use of fire extinguishers on actual fires almost daily) invited the custodians of both schools to participate in one of the classes on Aug. 16.

Mr. Robert Littleton, Wherry School custodian; Mr. Henry Hodges, Capehart school custodian, and Mr. Claud Reed, Fire Marshal from Burkburnett participated in this training. The training consisted of one hour class room instructions by M-Sgt. William W. Geertz, who is instructor for Base Fire Prevention office. He uses all types of visual aids which make the lecture more effective. Then the students are taken outside to the Fire Department Training group where plenty of fuel and fire extinguishers are provided. Actual fires are built with flammable liquids and scrap lumber which gave the students an opportunity to put out the fires with the fire extinguishers under proper supervision, which is considered much better than class room lectures alone.

The base fire department maintains a class room properly equipped with visual aids, an expert instructor, a good training ground with plenty of contaminated fuels to enhance the project. They are ready to train any group of personnel on Sheppard AFB in obtaining a good knowledge of fires and what to do and how to prevent and extinguish fires. This is considered the best way to prevent fire losses on Sheppard Air Force Base.

A handy two-step stool which permits small children to reach things their little legs ordinarily forbid provides a pleasant evening of work for the home handyman.

"Mr. Two-steps" stool is a handy piece of furniture, especially for children.

wood which often are resigned to the scrap heap after finishing more ambitious projects.

The sides for this stool are fashioned from a 10x12 piece of 1-inch lumber. Ten inches will be the height of the top step, 5 inches the height of the bottom step. Since each step will be 6 inches wide, the first sawing job is to cut a 5x5-inch section out of these side boards. The side boards should be clamped together and sawed simultaneously to assure a perfect match.

After doing this, cut six pieces of 1x2 lumber in 1-foot sections. The side pieces are placed 10 1/2 inches apart, and these 1-foot step sections are attached to them with 1-inch screws, three to a step.

To insure sturdiness, nail a 12x12-inch piece of 3/4-inch plywood across the bottom and two 1x4s across the open back. Another 1x4 can be cut in scroll fashion with a portable electric jig saw and nailed to the base of the first step to add design.

Once constructed, round off all of the edges with a sander and then color with bright enamel paint and finish with two coats of clear lacquer or varnish.

"Mr. Two-steps" will make a dandy TV seat; provide quick in-out access to a child's bed; enable him to reach the bathroom sink, and even help him spirit some of mother's cookies away from the kitchen table!

If you have any do-it-yourself questions or want counsel on a project you are building, write to the Thor Research Center, 175 N. State St., Aurora, Ill.

Mobile, the South's best fortified city, was guarded by three forts and the water entrance was blocked. The only access was directly in front of the forts. On August 5, 1864, Admiral David Glasgow Farragut led an attack of 14 vessels to capture Mobile. The fleet made it by the forts only to be confronted by the Southern ironclad, *Tennessee*, commanded by its senior Naval Officer, Admiral Buchanan, who put up a gallant but fruitless fight. The Battle of Mobile Bay, in effect, marked the end of the Confederate Navy.

Q. My portable power saw has been acting sluggish lately and occasionally burns the work. Could you tell me what is responsible for this condition? A. There's a strong possibility the blade you are using is dull. An unsharpened blade can reduce power by as much as 50 per cent and burn the work by friction heat. If the condition persists after sharpening the blade, have an authorized tool serviceman investigate the trouble. Q. Is it all right to use a combination blade when cutting soft material with a portable electric saw? A. The combination blade is satisfactory—and the most popular—for all general wood cutting, but a fine-tooth blade, if available.

Select the saw blade that will do the job best. is recommended for ripping such soft materials as fiberboard, plywood, and wallboard up to 3/4-inch thick. Here is a list of saw blades and the jobs they do best: Rip blade—Use for rough-cutting with grain of wood. Its large teeth minimize binding and sticking. Miter blade—This blade is hollow ground to provide extremely smooth cuts without tearing, so should be used where accuracy (interior trim, cabinet work), not speed, is desired. Cross-cut blade—It produces a smoother cut on cross-cut (cutting across the grain) than combination blade. Suitable for extremely hard woods and some metals. Friction blade—A derivation of the combination blade. It holds edge longer when sawing material which contains nails, grit, and other obstacles. Metal-cutting blade—Designed for accurate work with non-ferrous metals. Grooving blade—Ideal for dadoing (grooving against grain) and ploughing (grooving with grain). For answers to do-it-yourself questions, write to the Thor Research Center, 175 N. State St., Aurora, Ill. They will be answered by letter or in this column.

Heart Surgery Patient Dies

Karen Dianne Wooton, 2-year-old infant daughter of Mr. and Mrs. Joseph R. Wooton Jr., died Thursday night in a Dallas hospital. The infant had undergone heart surgery in Dallas last week. Funeral services were held at 3 p. m. Saturday from the First Baptist Church here. Officiating was Rev. Leroy Meyer, pastor. Burial was in Burkburnett Cemetery under direction of Owens & Brumley Funeral Home. Karen was born April 3, 1959 in Wichita Falls. Survivors in addition to her parents include the grandparents, Mr. and Mrs. Joseph R. Wooton Sr., of Burkburnett and Mr. and Mrs. D. V. Kirkpatrick of Devol, Okla., and several aunts and uncles.

CARD OF THANKS

We would like to extend our heartfelt thanks to everyone who was so nice to us during the illness and death of our wife and mother, Mrs. Clyde Farar. Especially do we thank the ladies from the Church of Christ, who were so faithful to sit up also to everyone who brought food, sent flowers and cards. We also want to thank the Methodist church for the use of the hospital bed. During a time like this we realize how much friends really mean to us. Your expression of sympathy will always be remembered. Mr. Clyde Farar and Nancy Mr. and Mrs. John Gill and children Mr. and Mrs. Larry Bailey and children

R. D. Laney Rites Were Saturday

Services for Robert D. Laney, a 50 year resident of the Wichita Falls area and long time insurance man at Burkburnett, were held at 10 a. m. Saturday in Owens and Brumley Funeral Home Chapel in Wichita Falls. Officiating was Rev. Leroy Meyer, pastor of the First Baptist church in Burkburnett. Entombment was in Crestview Mausoleum. Pallbearers were Ray Knox, James Metz, Cliff Wampler, and Kenneth Tucker, all of Burkburnett and Hammett Vance and Ray Stinton of Wichita Falls. Laney died Thursday in a Wichita Falls hospital. He had lived with his daughter, Mrs. Virginia Novak of 3114 Kemp in Wichita Falls for the past six years. Laney moved to Wichita Falls in 1911 and was employed as district manager of Southwestern Bell Telephone Company. In 1918 he moved to Burkburnett where he was owner and operator of the Burkburnett Star newspaper and was engaged in the insurance business from 1922 until 1955 when he retired. He served as mayor of Burkburnett during the oil boom. Laney was a member of the First Baptist church of Burkburnett and the IOOF. Survivors include the daughter of Wichita Falls, a son, Robert D. Laney, Jr. of Houston; a brother, J. E. Laney of New Boston, Tex.; four sisters, Mrs. Florence Kestler of Memphis, Tenn., Mrs. Lillian Nealy of Tyler, Mrs. Lee Bryant of Washington, D. C. and Mrs. Dixie Ezzell of Memphis, Tenn.; and three grandchildren.

Star Gas Company To Remodel District Office

and alterations to Gas Company's Wichita district commercial office within the next according to H. L. manager. The district of Wichita Falls, Henrietta, and said the remodeling completed in the 1962. Lone Star will occupy temporary offices beginning Monday, Aug. 14th at the Shell Building while the work is being done. The Lone Star manager said the additions and alterations, to cost \$158,000 are being done to meet the needs of an ever growing area served by this district office. "Everything in the remodelled office is planned for our customers' convenience," Mr. Dyer explained, "and so that our employees may serve customers more efficiently." An example of the planned conveniences is an auditorium located on the first floor to the right of the main entrance. The 130 seat meeting room will be available to local civic and club groups at no cost. Features of the auditorium include separate demonstration and preparation, all gas kitchens and a disappearing motor operated projection screen. Another convenience is a power book lift which will speed transfer of information and records between the first and second floors, said Mr. Dyer. In addition to the auditorium, the first floor will be occupied by sit down type cashier cages and an attractively decorated gas appliance display area. Offices will occupy the second floor. Decorative planting will be located under an open stairway leading to the second floor. A self service elevator connecting the two floors also will be installed. The ground floor will be covered with vinyl asbestos tiles arranged in a custom designed pattern. Front exterior of the building will be covered with gold colored anodized aluminum screening above large windows. Mosaic tile panels will separate the full length windows. Accenting the front exterior will be a vertical asymmetric panel of three dimensional cast stone work in contemporary open frets. Lone Star's blue neon flame and company name in porcelain enamel lettering will identify the building. According to Mr. Dyer, Reid-Ross Co. of Wichita Falls is the general contractor. Architects are Smith and Warder of Grand Prairie and Pond and Bellamy of Wichita Falls.

For Beauty Pageant Tenth Contestant

Patricia Simons

An additional entry, Miss Patricia Simons, 17-year-old daughter of Mr. and Mrs. E. J. Simons, who resides west of the City, brings the total of Beauty

Pageant entries to ten.

Patricia is a High School senior. Her talent display will be dress making.

Other Pageant entries for August 24 Beauty Pageant are Sharon Boyle, Sandy Choate, Carolyn Lee Clement, Margaret Faulk, Judy Murphy, Sharon Nix, Sue Revier, Kay Smith, and Jane Yarbro.

The Pageant will be held Thursday night, August 24, at the Palace Theater. Tickets are on sale at Opal's Dress Shop, Browning Insurance Agency, and from Mrs. Jerry Thomas, Phone 569-3639. Reserve seat tickets are \$2.00, and general admission tickets are \$1.00.

The local contest is an elimination contest from which Miss Burkburnett will be chosen, and is a preliminary elimination leading to the eventual selection of Miss Texas, and then Miss America.

The local event is sponsored by the Modern Study Club.

An aircraft carrier's medical department fills an average of 200 prescriptions in a month.

ORDINANCE NO. 256
AN ORDINANCE REGULATING THE LICENSING AND CONTROL OF CARNIVALS, CIRCUSES, SHOWS, FEES, WITHIN THE CITY LIMITS OF THE CITY OF BURKBURNETT, TEXAS; PROVIDING A PENALTY; AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE CITY OF BURKBURNETT, TEXAS:

Section 1. It shall be unlawful to hereafter hold, sponsor, operate or run a carnival in the city limits of Burkburnett, Texas, unless a permit to hold such carnival is first obtained from the City of Burkburnett in accordance with this Ordinance. Each person aiding or abetting in the holding of such carnival or its subsidiary shows, concessions, amusements, and businesses shall be equally guilty of a violation of this ordinance, when said carnival or circus, or temporary show, operates or runs without such permit.

Section 2. PERMIT REQUIRED A permit shall be issued by order of the City Manager to hold such carnival or circus

when and only when a proper application in writing is made therefor. Such application shall state in detail the different component parts of the carnival including all concessions, shows, amusements, businesses and the proposed location of said carnival, the time it is to run and the number of persons regularly traveling therewith, if any, and the number of local persons connected therewith, and shall give a complete and full plan of the proposed carnival.

Section 3. If the proposed carnival appears to be entirely composed of lawful amusements and lawful enterprises, the City Manager shall determine the number of extra police necessary to properly superintend such carnival and regulate the anticipated crowds and carnival. The City Manager shall instruct the City Clerk how many extra officers shall be needed and whether to issue such permits.

Section 4. The applicant for permit. If the City Manager shall determine that said permit shall be issued, shall then pay a license fee of Fifty Dollars (\$50.00) together with Five Dollars (\$5.00) per extra officer for the number of officers that the City Manager shall determine shall be necessary per day for so many days that said carnival is issued a permit to run, and the City Clerk shall issue the permit specifying the length of time and the location. Applicant shall also be subject to any and all additional inspection fees as may be provided by existing ordinances governing such.

Any application for a permit may be referred by the City Manager to the Board of Commissioners for their approval or disapproval, and such action by the Board of Commissioners shall be final.

Section 5. UNLAWFUL GAMES PROHIBITED. If the proposed carnival or show, consists in whole or in part of any unlawful games, the permit shall be refused and if such carnival is issued a permit and it conducts itself in an unlawful manner in whole or in part, its permit may be revoked by the City Manager and fees paid shall be forfeited.

Section 6. It shall be unlawful for any carnival or circus or temporary show, to operate in whole or in part within 200 feet of any private residence, church, school, or after its permit expires or after it is revoked for cause, and all persons assisting in such operation shall be deemed guilty of violating this ordinance.

Section 7. The Chief of Police shall have supervision of the policing of said carnival, circuses and shows. All electrical wiring, eating establishments and other activities where the public health, safety and interest is involved, must meet the approval of the Chief of Police and the City Inspector.

Section 8. PENALTY. Any person guilty of violating any provision of this ordinance upon conviction shall be fined in any sum not to exceed Two Hundred Dollars (\$200.00).

Section 9. EXEMPTIONS. Fairs or local shows, composed of local people for purely local charitable purposes without profit may be exempt from the provisions of this ordinance as applicable to fees charged for permits or licenses upon ap-

proval of the Board of Commissioners, except the Board of Commissioners may levy another fee commensurate with any additional expense placed upon the city for the operation of such local fairs or shows.

Section 10. The fact that there is no adequate regulations controlling carnivals and circuses within the City of Burkburnett, Texas, creates an urgency and an emergency for the immediate preservation of the public peace, health and safety, and

general welfare, and creates an emergency and requires that this ordinance shall take effect from and after its passage and publication, and it is accordingly so ordained.

PASSED AND APPROVED
This 14th day of August A. D. 1961.

ACCEPTS INVITATION FROM DALLAS STATE FAIR

George McClarty, City Mayor, and James Wickersham, High School Band Director, announces that the band has accepted the invitation from the Dallas State Fair to participate in the planned "Burkburnett Day" for October 13. Further details should be forthcoming, McClarty stated. The letter of invitation expressed the desire to have "Miss Burkburnett," and her court, plus the High School Band. The band will be expected to give a short concert and escort the float in the evening parade. The details will be furnished by the Fair officials. The High School Band won three sweepstakes the past school year. "We are very proud of the accomplishments of our High School Band, and are happy to accept this invitation from the Dallas Fair officials," McClarty said.

Mrs. W. C. Vann Hostess August 4 Federated Society

On Aug. 4th the Federated Missionary Society met in the home of Mrs. W. C. Vann with Mrs. J. B. Ady as co-hostess. Mrs. Carrie Morris, vice president, presided in the absence of Mrs. Henry Maloney. Opening prayer was Love Lifted Me. Prayer by Mrs. R. L. Gragg. Mrs. Jim Haley was elected assistant secretary and acted in the absence of the secretary, Mrs. Ruth Beldon. Mrs. Carrie Morris reported taking fourteen cakes and six

dozen cookies to the State hospital in July.

Mrs. J. B. Ady reported taking magazines and a large amount of iris bulbs given by Mrs. E. R. Burns to the State hospital.

A letter was read by the secretary from Ben G. Yeager, M. D. Supt. of the State Hospital thanking the society for their gifts and interest.

Mrs. W. A. Minick, program chairman, introduced Mrs. Carol Copeland, who gave the meditation thoughts reading in the 121st Psalms, Acknowledgments of Gods Goodness. Mrs. Minick gave the program, The Homes of the Brave. She related that the U. S. has established 14 new military burial places overseas after World War II. We already had 8 from World War I. Each of the twenty-two American cemeteries on foreign soil has a splendid memorial set in a handsomely landscaped park. Each is a masterpiece of beauty entirely worthy of the honored dead. They are the permanent homes of almost half the men and women who gave their lives in two wars. Each memorial day and often on other national holidays the military cemeteries are bright with thousands of bouquets. Their color adds to the beauty of the commemoration services held there.

Delicious refreshments were served to 14 members and three guests.

Mrs. Hattie Buchanan dismissed in prayer.

Mrs. Bill Cauthorn Hostess To Circle 2 WSCS August 14

Circle 2 of the Women's Society of Christian Service met Monday, Aug. 14th at 2:30 p. m. with Mrs. Bill Cauthorn as hostess.

The meeting was opened with a song and followed by a call to worship led by Mrs. W. C. Gage.

A short study on the efforts and advance of unity of all Christianity was given by Mrs. R. L. Gragg assisted by Mrs. C. C. Taylor.

After the benediction refreshments were served by the hostesses, Mesdames Cauthorn and Taylor to the following members: Mesdames A. R. Bunstine, Andrew Bazell, Carroll Copeland, W. C. Gage, G. C. Henson, Homer Gilbert, R. L. Gragg and D. C. Dodson.

Jehovah's Witnesses Have Assembly in Wichita Falls

Jehovah's Witnesses of Texas will have their 9th annual assembly in Wichita Falls, through 10th. Bruce, presiding of the Wichita Falls assembly. J. VOGEL, ATTORNEY, City National Bank, PHONE 723-4105, WICHITA FALLS, TEXAS

congregation, said "The purpose of the 17 congregation assembly is to encourage one another in keeping integrity with Jehovah, the sovereign of the universe.

"Jehovah's Witnesses," Bruce said, "have agreed to carry out the commission that is found at Matthew 24:14, "And this good news of the kingdom will be preached in all the inhabited earth for a witness to all the nations; and then the end will come." There will be talks, discussions and demonstrations to help us to become more efficient in this world-wide witness work.

Assemblies such as the semi-annual circuit assembly being

held in Wichita Falls, have become a part of our lives; whole families and entire congregations of Jehovah's witnesses will be found in attendance on these occasions. They serve as milestones in the busy lives of Jehovah's Witnesses," Bruce said.

Wichita Falls is on the east boundary of Jehovah's Witnesses' Texas Circuit No. 9 with Hobbs and Portales, New Mexico on the west. Distance seems to be no barrier for Jehovah's Witnesses in attending assemblies as there are a number of witnesses from this circuit attending European assemblies this summer and they are expected back for the Wichita Falls meet.

AMERICAN WAY

AS VIEWED BY
Mr. J. Edgar Hoover

Christmas Tree Overloaded

President Kennedy has served notice that the U.S.A. is not going to appease Russia. Already our chief executive has taken steps to convince Mr. Khrushchev that his statement is not just so much idle chatter. He has asked for and been granted by the Congress, additional funds for our defense program. Further, he has called up a large number of our military forces' reserves. And still further he has notified the National Guard to be in readiness for quick action.

In view of the increased military expense, wouldn't it be reasonable for the President to call off his demands for increased domestic spending on welfare projects? No one will quarrel with the increased military spending, but citizens across the nation are demanding a cut in domestic spending to help balance the budget.

The Lennox (South Dakota) Independent recently carried a brief but pungent editorial on the expansion of the Social Security program, under the title: "The Over-Decorated Christmas Tree." It so aptly describes the situation that we pass it on in full:

"As we take a good look at the whole social security program, we can't help but feel that it has the characteristics of an over-decorated Christmas tree that is precariously weaving back and forth. With each new Congress someone tries to hang more JUNK on this already overburdened tree in the form of so-called additional benefits and amendments."

The Bay Psalm Book, printed in 1639, was the first American book printed.

A piece of eight was worth about a dollar.

George Washington was the only U. S. President ever to receive the entire electoral vote.
