## UNEASY LIES THE HEAD

"Uneasy lies the head that wears the crown." Thus wrote Shakespeare, the greatest living literary genius of all time, centuries ago.

The Bard's words certainly must trouble the dictators of the present-day world, if they've ever read them. In our time there have been three absolute dictators of great and warlike nations—Hitler, Mussolini, Stalin. Hitler died by his own hand in a Berlin bunker, and with him died the mistress he married a few hours before his end. Mussolini, with his mistress, was assassinated, and the two were strung up by their heels in front of a shabby service station in an Italian town. Stalin, so far as we know, died a natural death. But now his successor has ordered that his embalmed body be removed from the revered Lenin Tomb in Red Square in Moscow where it was enshrined. This is certainly the ultimate in post-humous disgrace and degradation.

Yes, the still-living dictators must have their uneasy moments. For history has a habit of repeating itself.

## "Vital Interests" or Treaty Rights?

Secretary of State Rusk, in a prepared statement, admitted differences between the Allies over Berlin, but stressed their complete agreement on defending "our vital interests" and the need to prepare for a "severe crises if one develops."

A spokesman for the French who regard our emphasis on negotiations as indicating weakness to the Kremlin said: "But we are all together in the same boat and we don't want to rock it."

Mr. Rusk also said he thinks Mr. K understands "the seriousness of Western determination." Perhaps so. But we don't think the American people are too sure of it.

## WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

A striking example of the dangers inherent in concentration of a major industry is contained in the new contract between Big Autos and Big Labor.

There is no question that the auto industry, tied as closely as it is to the steel industry, and others, is one of the major factors in the national economy. And because the industry has become concentrated, it is particularly vulnerable to Big Labor.

The new contract calls for an average 7 cents per hour wage increase each year over the next three years. It also calls for greater benefits, as well as greater medical, life insurance and pension benefits, paid for by the employer.

But in addition, the contract calls for a further pay increase of 1 cent per hour for each 1/2 point rise in the official cost-of-living index.

Thus, there enters into this the fine point of which comes first, the chicken or the egg.

Obviously, costs of production are going to rise. This settlement means that at the end of three years, the average increase in direct wages will amount to about \$36.50 per month, and the additional fringe benefits will equal this, if not more.

This, means, then, that the costs of new autos will keep on going upward, and that cost is an important factor in setting the cost-of-living index.

Hence, the workers will get further increases in pay because they have forced the cost of living to go up.

No mention is made of tying wage increases to increases in production, thus any automatic wage increases tied to cost of living without calling for more production per man hour is built in inflation that is highly fallacious.

And entirely left out of all these considerations is the welfare of the independent dealer who must sell the production of Detroit. This is somewhat like having an army composed entirely of the quartermaster corps and no combat troops.

In the final analysis, the entire automotive industry depends on independent dealers selling the product of the plants. To do this requires men of ability, integrity, and who have the courage to risk their own capital. Because automobiles have to be sold, and sold effectively, and every time a cause price increases, the selling job of the dealer becomes just that much more difficult.

Thus, when two giants such as Big Autos and Big Labor meet in battle, not only are the interests of the public disregarded, but also unrecognized is the important group who makes it possible for them to have an industry to negotiate about.

By contrast it is interesting to note negotiations between Ford in England and British Unions. The company is willing to cut hours from 41 1/2 to 40 per week, and give a raise of 70 cents per week, which would still be less than one-third U.S. wages, but the union was holding out for ten minute afternoon tea time.

Pictured is the Municipal Band under the direction of Dr. Robert Sims as they play for the Gold Star Mothers, Saturday, November 11th at the American Legion Hall.

## The World At A Glance

**DOMINICAN REPUBLIC**—For the second time in two days, President Kennedy, Sunday, November 19, conferred with Secretary of State Dean Rusk on the situations in Berlin and the Dominican Republic. Gen. Rafael L. Trujillo, Jr., resigned Saturday, November 18, as Chief of that nation's armed forces. Four United States Navy vessels appeared off the island nation's shores Sunday, Novem-

ber 19, in an apparent hint that the United States could move quickly to thwart any attempt to overthrow the government in a dictatorial coup. The United States has moved swiftly to give armed support to the Dominican Republic if such help is called for to prevent restoration of a Trujillo dictatorship.

Two brothers of the late dictator, Rafael L. Trujillo, agreed to return to exile after the Air Force threw its support to Joaquin Balaguer and declared it would "tolerate no attempt to institute in the country a tyrannical or reactionary regime." Balaguer declared a national state of emergency and

said he was assuming the role of the armed forces. LEOPOLDVILLE, GO. Premier Cyrille asked his cabinet for action against the Lumumbist leader, enga.

Miss Sandra Bowling of Alice was maid of honor. Misses Gini Schuchert of Hebronville, Frances Robinson of Premont and Mrs. Charles Dugger of Benavides were bridesmaids.

The attendants wore identical dresses of turquoise peau de soie fashioned with full skirts, scoop necklines, cap sleeves, and criss-cross sashes forming a bow back accent. Head pieces were of matching bows with circlet veils of silk illusion. They carried crescent shaped bouquet of turquoise mums with satin ribbons.

Flower girl was Elaine Morris of Benavides. Her white dress was made similar to those of the bridesmaids. Sammy Lynn Braswell of Austin was ring bearer.

Bill Womack of Galveston was the groom's best man. Jim Petrash and James Mueller of Victoria and Edward Clearkson of Refugio were groomsmen.

The mother of the groom was wearing a pink chiffon sheath with a pink carnation

corsage. After the wedding, a reception was held in the fellowship hall.

Baskets of sunburst arrangements of white flowers and greenery decorated the hall.

The table was covered in white tulle over taffeta and was centered with a four tier cake on a clover leaf shaped base and decorated with a miniature bride's bouquet. Silver candelabra holding white tapers and turquoise pom poms, formed the background for the cake.

Mrs. Gordon Ross of Benavides cut the cake and Mrs. N. Chandler of Benavides poured the punch. Miss Anne Robinson of Premont attended the bride's book.

Other members of the houseparty were Mesdames Walter Morris, L. L. Patton, Bob Pearson, R. L. Lancaster, and Miss Lucille Lancaster all of Benavides; Mrs. Lyle Wilson and Mrs. Earl Bowling; Mrs. J. P. Schuchert of Hebronville, and Mrs. Nathan McRae of Robstown.

The bride selected a turquoise wool suit with harmonizing accessories for travel. Her corsage was a yellow throated orchid. The couple will be at home in the Bellaire Apts. in Alice after a wedding trip.

The bride is a graduate of Benavides High School and is now a junior at Texas A. & I. College majoring in elementary education. She is a member of Zeta Chi Sorority, Lantana Duchess and ROTC Cadet Lady. She is a choir member and also studies voice.

**Burk Study Club Meeting Held in the Mrs. Jim Frye Home**

Education was the keynote of the Federated Burkburnett Study Club's November meeting held in the home of Mrs. Jim Frye, with Mrs. A. R. Hill co-hostess. The leader, Mrs. W. H. Preston introduced the program. Mrs. Pat Whites' topic was "Indians: Our American Heritage." Appropriate scenes were shown illustrating her talk. She told of the different tribes in the United States today who number one half-million and speak one hundred languages. Tribal Councils have been organized to aid the Indian and a relocation program has also assisted them. The Indians are expert blan-

ket weavers with each pattern different. Mrs. White spoke of Anadarko being a typical Indian village and told of an enjoyable visit there.

"Benefit of Our Scholarships" was reported on by Mrs. George McClarty. The Clubs' fund is being used by two student nurses at the present time. She also explained the Santa Rosa Student Loan Fund and how a loan may be obtained.

Mrs. James Bohner presented "Television, Radio and Movies." She stated that people care about television because they have invested 25 billion dollars in sets and service. In one month this year the average American home television set was turned on for six hours a day. Mr. Minow of the Federal Communications Commission says to the traditional influences on children, home, church

and school, television has been added. He also states the children of America spend more time in front of the television set than in class rooms, therefore the programing is very important. Mrs. Bohner recommended a movie "The Second Time Around" and cited the need for more adult education classes.

Mrs. Harold Van Loh told of the activities of the Cairo Womens Club. They have cultural programs, parties, picnics, health education programs and cooking and sewing classes.

Bulletins issued by the press and information office of German Federal Government were passed to members by Mrs. Howard Henderson. Mrs. Glen Bear stated Finland's president said in Washington his nation is determined to maintain its neutrality, but is prepared to

stand up to Russia, if necessary. She also handed issues of the International News Bulletin to members. Seat belt campaign cards have been received by Mrs. W. H. Preston, Chairman of Public Affairs.

The President, Mrs. Van Loh, conducted the business. Letters of Appreciation were read by Mrs. F. A. Jamieson for our donation to the Heart, Mental Health and Cancer Crusade Programs.

The Cattiemens' Association sent a reminder that November 17-23 is National Farw Week. A petition to ban obscene literature has been signed by the club. They are cooperating with the P. T. A. and the other study clubs of the city on this drive. It was voted to give a needy family a basket at Thanksgiving and to bring gifts for the State Hopsital patients at the

December meeting. Mrs. Pat White and Mrs. Maxine Creel were presented posters to be displayed at school in observance of children's book week. Children's book games were donated to the Wichita General Hospital also.

Refreshments were served to Mmes. Bear, Bohner, Creel, F. T. Felty, Frye, Henderson, Hill, Jamieson, McClarty, Preston, Robertson, R. Robinson, D. H. Smith, Van Loh, Jack Smith and White.

★ **THANKSGIVING FOR ...**

- PROSPEROUS NATION
- FOOD
- A STRONG NATION
- FREEDOM OF WORSHIP

Pages could be filled with ways that God has blessed us, and we should be continually thankful for God's goodness. At this time, however, we should pause from our daily workday habits and in unison, give special thanks to God, that we still have freedom of worship.

Attend church this Thanksgiving weekend

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
