I often wish bathroom scales would lie, just a little bit — and so do a million others, I suspect.

Nearly 150 persons crowded Town Hall Monday night as Cub Scouts of Pack 156, their families and guests wound up their observance of "Scout Week" with a "Blue and Gold" birthday party observing the 29th Anniversary of the founding of Cubbing in America.

The program opened at Den 2, Fern Anderson, Den Mother, led the pledge of allegiance to the flag.

Following the invocation by Reverend Carrol Copeland of the First Methodist Church a pot luck dinner was served, highlighted by the cutting of the birthday cake by Kenneth Dempsey of the Webelos Den.

During the program the Pack Charter for 1962 was presented to Mr. Oscar McBride, representing the Pack's sponsor, Wolfe Motor Company, by Mr. Ray Matherly, Chisholm Trail District Committeeman.

Five new Cubs were inducted as Bobcats: Michael O'Kulski, Joel Rupard, David Bilyeu, Tommy Boyle and Len Brown. The following Cubs were presented with badges of advancement or recognition: Mike Robinson and Ray Holley to Wolf Cub, Mike Greeson and Ronney Gann to Wolf and a Gold Arrow, Billy Martin a Gold Arrow and Bob Dempsey a Gold and a Silver Arrow, Kenneth Bailey a Gold Arrow, Billy Anderson a Silver Arrow, Bernie Von Voigt a Silver Arrow and Bill and Bob McBride a Silver Arrow.

Cub Scout Service pins were awarded to Mike Rupard, Billy Anderson, Don Brown, Ronald Letcher, Eddy Martin, Kenny Brown, Bernie Von Voigt, Chris Kostamo, Larry Goosens, Joe Landers, Bill and Bob McBride and Bruce Blankenship. Allen Farris, Chucky Hubbard and Kenneth Dempsey were awarded two-year service pins.

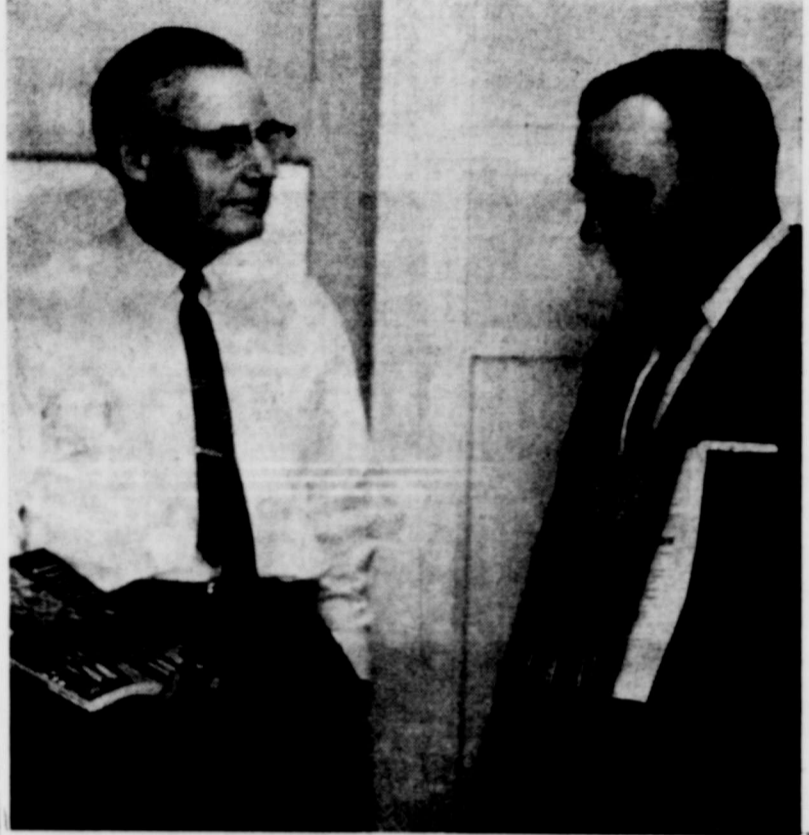

Fern Anderson, Edwin and Nancy Kostamo, Ruth McBride and Bryan Farris, all adult leaders, were awarded one year Service pins. Carol Blankenship was awarded a Cub Scout "Award of Thanks."

Sandy Von Voigt led in singing Cub Scout songs during the program.

The pack was entertained by four members of the Sheppard Air Force Base Clown Club, whose amusing skit had all the children roaring with laughter.

The Pack wishes to extend their thanks to Mr. and Mrs. Turner at Butler's Five and Diner for allowing us to use their window for our Scout Week display.

Mrs. Sonny Linger and children of Elk City, Oklahoma, were week end guests of her parents, Mr. and Mrs. Jim Turner of Burk Burnett.

Mayor George McClarty, left, is shown receiving one of the new telephone directories from C. A. Deuschle, district manager for the Southwestern Bell Telephone Company. The new directories will go out to all phone subscribers right away.

## New Telephone Directories For Burk Delivered

New area telephone directories for Burk Burnett were delivered here this week.

In addition to local telephone numbers, the new directory also contains listings for Henrietta, Iowa Park, Charlie and Wichita Falls, Dub Deuschle, manager for Southwestern Bell Telephone Company, said.

Cover of the new directory pictures members of the Midwestern University Choir in front of a beautiful stained-glass window.

The Wichita Falls section of the new book should not be used until Saturday, February 17, Deuschle said.

"Some 1,200 listings in the Wichita Falls section are new telephone numbers which will not go in service until Saturday. If a customer attempts to dial one of these Wichita Falls numbers before it goes in service, he will hear a series of fast beep tones," he said.

For this reason, telephone users here should use the Wichita Falls section of their old books until Saturday. After that, the old directories may be thrown away.

The new directory reflects the steady growth of this area. The 1962 book had 408 pages, compared with 396 in the old book. There are 144 white pages and 264 yellow pages in the new directory. Of these, 130 contain alphabetical listings. This compares with 124 pages of alpha listings in the 1961 directory.

The new directory has about 40,500 alphabetical listings. This 1961 book had some 38,600 Burk Burnett listings begin on page 125.

The first Burk Burnett listing in the new book is the same as last year — Virgil Aaron, 1108 Sheppard Rd. Last place in the section also remained the same. It is held by George W. Zukowski, 102 Avenue B.

The 70-voice Midwestern University Choir, pictured in color on the new directory cover, has performed for the last two inauguration receptions for the governor, William Boland has conducted the choir since 1949.

The Creation is the inspirational theme of the window which forms the background for the choir's picture.

Telephone users will notice several changes in the 1962 directory. Blank spaces are left for emergency numbers such as the police, sheriff and fire department. Spaces for these numbers are at the top of the first page in the directory. Blank spaces were left due to the fact that different numbers apply in the several areas covered by this directory, Deuschle said.

The new directory also has three pages of area code numbers for cities all over the United States. This is another step to help speed completion of long distance calls, the telephone manager said.

In placing long distance calls, customers can merely give the operator the area code instead of the town name. For example, if a customer wanted to call KL 5-2368 in Denver, Colorado, he would merely tell the operator, "Area code 303," and then the telephone number.

The code for this area—817—is listed on the cover of the directory.

"If a Burk Burnett telephone user places the code 817 in front of his telephone number, he has his own personal long distance number. There isn't another like it in the world," Deuschle said.

## VOCATIONAL AGRICULTURE AND COLLEGE PREPARATION

If the United States is to maintain her world leadership in agriculture, it is essential that we maintain an adequate number of college trained individuals in the science of agriculture. High school departments of vocational agriculture offer basic college preparatory training for those students who plan to become tomorrow's college trained agricultural leaders and scientists.

The nation needs 15,000 college graduates in agriculture annually. We are getting less than 7,000. The shortage will probably continue for some time. Each year we need 2,000 college graduates for replacements in farming and ranching.

The field of agricultural research, which is responsible for most of the rapid progress we have made in agriculture, needs 1,000 research workers each year. Agricultural education, which has the responsibility of educating farm youth and adults, and others connected with agriculture, needs 3,000 new professional workers each year. Agricultural business and industry, which employs approximately 30 per cent of the workers in the United States, needs 6,000 workers annually. Each year we need 1,000 for conservation, 500 for agricultural communications and 1,500 for agricultural services.

If we are facing the possibility of a nuclear attack, and our national leaders apparently think so, then we are also facing a serious problem of a potential shortage of agricultural leaders and workers. To avert such a shortage, it is imperative that we train enough agricultural leaders and workers so we have an adequate number to carry on following such a nuclear conflict. The time to do this training is now!

Much of this training is done by colleges. To prepare for such college training, high school students should acquire a basic understanding of those things taught in vocational agriculture. Such an understanding will prepare them for college work in the various fields of agricultural science.

**FFA WEEK FEBRUARY 17-24**

Future Farmers of America

Purpose of FFA Week

National Future Farmers of America Week seeks focus attention on the work of the Future Farmers today, who will be the successful farmers of tomorrow. This nation must have a constant supply of NEW farmers every year to replace those who die, retire, or otherwise leave the farm. These must be men with experience and training, for the successful farmer today is both a scientist and a businessman; mechanic and laborer, at the same time capable of leadership in the lives of the community. Generally, they must be men who have begun farming at an early age, so that by the time they are ready to marry and start a family, they are firmly established in a farming program that insures a good future.

Students of vocational agriculture study the sciences of animal and plant production, agricultural marketing, business management, farm mechanics, and other skills needed to train them for the work of the farm.

## WHAT IS CIVIL DEFENSE

Now we are going to have some Civil Defense—\$20 billion worth, to be provided under a four year plan starting in July—or so goes the word along the Potomac.

As everyone knows, there have been big plans for CD before now, but they have uniformly been greeted with yawns by the body politic, whose attitude toward atomic attack is understandably fatalistic. A recent survey shows that only 1,565 American households out of about 50 million have provided themselves with bomb shelters, while the Government, for all its advice, has constructed but 14 for the protection of our teeming bureaucracy.

Frank B. Ellis, the Kennedy campaign manager in Louisiana who was appointed Director of the Office of Civil Defense in January is said to have told the President he will either do the job or look for another one. The preliminary plan, already submitted to the White House, calls for the coordination of Federal, State and local efforts with the Federal Government meeting half the cost. Expenditure for the first year, beginning July 1, would be upwards of \$300 million and devoted largely to research surveys. From there on, spending would reach more respectable levels—on the order of a billion for the second year and five billions for the fourth.

Obviously, the thought of sheltering 180 million people from nuclear blast and fallouts is no less absurd this year than heretofore, but the program would appear to be under more determined direction and more intrepid spenders. At the same time, the threats of Mr. Khrushchev emboldened by easy victory in Cuba and Laos, grow more ominous.

We are all for those research surveys—by which we may hope to learn even belatedly that here is no such thing as "civil defense" per se, that actually, in a non-

## WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

If the wheat farmers of the United States for a whole year neither planted a single acre, nor harvested a single acre, there would still be in government storage an amount of wheat more than the entire crop for any year, with the exception of three bumper crop years, in the past thirty years.

That is just one of the startling facts brought out in the report issued by the Joint Committee on Reduction of Non-Essential Expenditures headed by Senator Harry Byrd.

As of July 31, altogether the government had in stockpiles materials with a total acquisition cost of \$14 1/2 billion dollars.

By far the largest share of this stockpile total is in surplus farm products, including items as honey, peanuts, grains, dairy products, cotton.

During the fiscal year ending on July 31, it had cost the taxpayers almost a half billion dollars for storage costs alone.

Thus, the taxpayers in one year had invested for them \$6 billion in surplus farm products, much of which is already spoiled from prolonged storage.

While \$6 billion may sound quite small alongside of other figures, it is equal to almost 15% of the total of \$41 billion that was withheld in 1960 from

employees pay checks for income and social security taxes. It is equal to almost one-third the entire income tax paid by corporations.

Or to state it in another way, this amount is almost equal to all federal tax collections from all tax sources for the Boston region which takes in all of New England.

There is enough butter in storage to give every U.S. household over four pounds.

There is enough dried milk that represented before drying, sufficient gallonage to give every household 15 quarts.

Obviously, there is no possibility of these surpluses being converted into cash. In fact, with each succeeding year, the amount of stored surplus farm products increases, thus increasing annual storage bill.

Throwing the surpluses on the open market at whatever price they could bring would also obviously wreck both the nation's farms and many business operations.

Yet every dime taken from the paycheck of every person in the entire state of Oregon, for example, for income and social security taxes, goes to pay for storage alone.

Thus, it appears it would be far better to burn the surpluses now and at least get rid of the storage costs. As it is now it is worse than throwing good money after bad. It is more like throwing good money on surpluses going bad.

aggression country like ours, and in times like these, the only civil defense is military defense. And the only defense worthy of consideration is a system so alert resourceful and powerful that no adventurer will risk its terrible retaliation.

We do not need to speculate on whether or not a test of strength will ultimately come. It is here now. We are undoing it now. That is what the cold war is. And if we are to spend \$20 billion on civil defense, we had better spend it where it will provide the most defense for the greatest number of civilians—and that is on the Army, the Navy, the Marine Corps, the Air Force and the tools of their trade.

Resumption of nuclear testing would be a good way to start.

**Officers Installed In Rebekah Lodge 67 Monday, January 25**

On Monday night, January 25, 1962 at a called meeting of the Burkburnett Rebekah Lodge No. 67, the following officers were installed: Eva Bingham, Noble Grand; Cordia Lawrence, Vice-Grand; Ethel Wofford, Secretary; and Elizabeth Gragg, Treasurer for elected officers. And for the appointed officers, the following were installed: Cora Lee Harmon, musician; Jean McPhail, Warden; Bertha Lynch, Conductor; Bessie McKnight, Chaplain; and all other appointive officers to be installed at a later date. Those who participated in installing of said officers were: Jean McPhail, installing officer; Edna Peed, Deputy Marshal; Elizabeth Gragg, Deputy Warden; Bessie McKnight, Deputy Secretary; Bertha Lynch, Deputy Chaplain and Cora Lee Harmon, Deputy Musician; W. J. Bingham, Deputy Inside Guardian.

These were welcomed and a beautiful service rendered. Another officer appointed and installed was Edna Peed, Right Support to the Noble Grand. Jean McPhail expressed her appreciation for having the pleasure of this installation service, thanking each for their support. Comments were given these: Edna Peed, Cordia Lawrence, Ethel Wofford and Elizabeth Gragg. Jean McPhail presented Eva Bingham with a Past Noble Grand pin and a lovely robe as out-going Noble Grand. Eva presented her officers (last year) with a beautiful white corsage. The lodge deputy, Jean McPhail expressed a desire to organize a Past-Noble Grand Club. Delicious cake and coffee was served.

Last Monday night the Rebekah Lodge met in usual form with the following officers in the chairs: Eva Bingham, N.G.; Cordia Lawrence, V.G.; Cora Lee Harmon, musician; Bessie McKnight, Chaplain; Ethel Wofford, Secretary; W. J. Bingham, Inside Guardian. After the roll call of officers, sick members were reported on. The attendance was light on account of sickness. The Noble Grand planned a Valentine Party for both the Odd Fellows and Rebekah's and their families to be held on Wednesday night, February 14th. This is to be a

salad supper. The meeting closed in form.

Last Sunday Cora Lee Harmon visited her aunt, Mrs. Nettie Clingman in Walters, Oklahoma and attended the Cotton County singing.

Mr. and Mrs. W. S. Curlee of Fort Worth spent Sunday with Mrs. Curlee's sister, Mrs. Allie Chamhan.

**Burk Study Club Met February 12 In Home of Mrs. Felty**

The Burkburnett Study Club met in the home of Mrs. F. T. Felty for their February 12th meeting. The meeting was called to order by the President, Mrs. Harold Van Loh. The program was opened with Mrs. Harold Preston, introducing Dr. E. S. Irvine, president of the Wichita Falls Unit of the American Cancer Society and her Associate, Mrs. Williams. Also from the American Cancer Society. They showed a film on "Cancer," followed by a question and answer period.

Mrs. Van Loh read a message from the Western Union, stating the fact, anyone wishing to send their opinion on any subject to the President of the United States, could get a reduced rate.

Mrs. Howard Henderson presented a program on Civil Defense as follows:

Mrs. Jack Robertson read a paper, written by Max Mathis a student of Mrs. Minnie Benton in the Senior High School, on "Communism." He stated "The Communist Governments idea is based on Karl Marx's and Frederick Engels writings. Communism is actually the rule of the working class and it has been stretched nearly every way imaginable by all the Communist Leaders."

Mrs. P. A. Carpenter, presented a paper "Our Preparation for a Rendezvous with Disaster."

Herman Kahn a Pentagon Consultant and a respected student of military strategy, says that Civil Defense is necessary. "Simply because war can happen and it is better to have a country after the war is over than not. A comparatively modest Civil Defense program can provide a great deal of protection for people who are not close to points of detonation. The meeting adjourned to meet February 26th in the Town Hall for Guest Day, honoring other Federated Study Clubs of Burkburnett and The German Wives' Club of Sheppard Air Force Base, with a program to be given by Mrs. Walter Robbins of Wichita Falls on "Flowers of the Bible."

Mrs. Felty served a lovely refreshment plate, carrying out the Valentine motif to fifteen members and two guests from Wichita Falls, Dr. E. S. Irvine and Mrs. Williams.

HERE is a stunning '62 Advance design No. 2677, adaptable in fabrics from light summer to heavy winter weight . . . because of the elegant casual lines . . . one of the first to feature Taton's new Zephyr, a zipper with modern age precision. It's made of nylon where metal used to be! Won't pinch, snag, catch or slip and it pulls itself out of every jam in two zips. Colors, of course, with both fabric and coil dyed to permanency, so the closure is barely more detectable than a seam.

THOR RESEARCH CENTER FOR BETTER FARM LIVING  
QUESTION: I notice my screens are a little worse for wear this year. Is there an easy way to dress them up before I store them for the winter?  
ANSWER: Screens can't help getting weathered after a few years. That's why its a good idea to refinish regularly. It is best to remove rough spots on the screen frames before painting. This can be done easily with a portable electric sander.

Clean screens of rust and grime with linseed oil brushing.

After refinishing is completed, the screen itself can be improved. To do this, attach an old piece of carpeting or other absorbent material to a block of wood. Saturate the material with linseed oil and rub in one direction to remove rust and grime. Too much oil will fill the holes, so be careful of the quantity used.

If you wish to paint the screening, use the same carpeted block method for applying paint.

QUESTION: I recently lined a wardrobe with red cedar. Is there a special way to preserve the moth-killing aroma by finishing the wood?

ANSWER: Best way to preserve cedar odor is by keeping the wardrobe door tightly closed. Even this will not prolong the odor indefinitely. Cedar should never be finished since varnish and shellac seal the surface and prevent wood from emitting odor.

Eventually, the cedar odor will decrease, though it still will be noticeable two or three years after being installed. Best thing to do at that time is to go over red cedar lightly with a portable electric sander. Then it again will emit the valuable odor when a fresh surface is exposed.

**TELEPHONE TALK**

by C. A. Deuschle, Manager

**Special Kind of Language**

Ever occur to you how often on the telephone you say "Thanks for Calling" and "I'll Call You Back" . . . or "Give Me A Ring"? Probably not, for these like many other expressions we use almost every day have become as commonplace to us as "Good Morning" or "How Are You?"

When we say "Thanks for Calling" for example, we seldom stop to consider the wonderful convenience of just being able to talk to a friend or relative by phone—at any time of the day or night. And when we ask someone to "give us a ring", we rarely think of the vast amount of telephone equipment needed to bring the voices we want to hear into our homes from almost anywhere in the world.

Telephoning has become such a habit in our everyday living that we take it for granted. So it's only natural that telephone expressions have become part of our everyday language.

**SHOPPING BY PHONE**

I have a neighbor who has three small children, all of them under five years of age. As most of you mothers can appreciate, raising a lively young family is quite a chore. My neighbor's three youngsters keep her pretty well tied up, too. "How do you do it?" I asked her the other day. "Of all people, you should know," she replied. And then she started a commercial. I should confess it was music to my ears.

"When you have to do everything for three small children, it's not easy to leave the house even for essential shopping," she said. "I've really appreciated our telephone. I can do all my shopping and visiting in a matter of minutes without ever leaving the house."

"I couldn't have done a better job if I had written the script myself," I told her.

Shopping by phone saves wear and tear on tires and shoe leather—and people—and will give you more time to do other things that crowd your busy day. Why not try it?

**TELEPHONE OFF THE HOOK**

It happens about 10 times a day in Burkburnett. That's how many receivers are left off the hook every day. When this happens, it blocks all incoming calls. And on a party line, it puts the other phones out of service. To make sure no one misses important calls, how about telling the children in your family to be sure they replace the receiver after talking?

Call by number. It's twice as fast.

**The TIE that binds**

A true love for our Lord and Saviour binds our hearts in Christian love.

This love encourages us to put our energies and efforts together to serve our Lord at home, at work, and at Church.

A truly wonderful fellowship exists for those who believe and worship together. Attend Church and worship with kindred minds.

*"That I may come unto you with joy by the will of God, and may with you be refreshed."*

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## DEVOL NEWS

At a Democrat political meeting Friday night, Walton Manley, chairman; Ethel McCasland, co-chairman and Loraine Weaver, secretary were reelected to the same office by acclamation.

Committee members selected were E. N. Miracle, Robert Hopkins, Mrs. E. N. Miracle and Mrs. C. O. Woodley.

The Devol Demonstration Club met Thursday, February 9th in the home of Mrs. Willie Cozby with Lucille Morrow, co-hostess. During the business session, Mrs. E. N. Miracle resigned as president, with Mrs. J. B. Stevens, vice president taking the chair.

As there was no year book program for this meeting, a guest speaker, Mrs. Lawler of Temple, was introduced, who spoke on the proposed County Hospital building.

A vote carried to send \$2.50 to the March of Dimes Campaign.

Committees appointed included, Membership: Loraine Weaver, Nora Wood and Mattie Hale. Social: Willie Cozby, Ethel McCasland and Grace Uthe. Clothing: Lucille Morrow. Family Life: Clara M. Woodley. Home Management: Grace Uthe, Health and Safety: Verta Stevens, Horticulture, Pearl Coker.

Refreshments were served to Bell Charboneau, Willie Cozby, Pearl Coker, Dolie Hardin, Lillian Hutson, Buelah Miracle, Lucille Morrow, Verta Stevens.

Don Pemberton, Burkburnett City Clerk, explaining to the students at Sheppard-Burk about the formation of the earth.

These students are from Mrs. Karen Wolf's 5th grade class and Mrs. Mary Moore's 6th grade class. Both classes are studying the history of the earth.

Pemberton presented a sound film on the earth's formation, and displayed some specimens of rocks, fossils, etc.

The next meeting will be February 22 with Mrs. Pearl Coker.

Several from this community attended funeral services Friday in Wichita Falls for Cooper Roberts, who was a resident of Devol several years ago. He was a brother of Mrs. John Sells and Jake Roberts and had made his home in Wichita Falls since moving from Devol.

Mr. and Mrs. C. O. Woodley attended funeral services in Willsboro, Texas, Wednesday for Mr. Woodley's brother Dave Woodley, who died there Monday after a long illness.

Funeral services were held in Iowa Park Monday for Mrs. Lila Traylor a pioneer resident of this community for many years. Before moving to Iowa Park, she was a prominent member of the Farm Womens Club, the Devol Baptist Church and Eastern Star. Several from here attended the services.

Mrs. Kathryn Hillman and Mrs. Joyce Rains and son, Allan

of Wichita Falls visited Mrs. Callie Baumhardt Sunday.

Several children in this community are at home from school this week with chicken pox.

Mrs. J. W. Darton is said to be much improved after a serious illness.

**Dvaol Baptist Church News—**  
 Rev. Joe Stevens, pastor of the local Baptist Church announces Major E. V. Johnson of Sheppard Air Force Base was speaker at the Brotherhood Meeting Monday night and showed a collection of slides of World War II, Korea and the Holy Land. Mr. Stevens states that charter members have told him the church was organized in 1908 and this is the First Brotherhood Class to be held. They are held monthly and there have been three meetings so far, with very good results. The purpose is to create greater fellowship among the men of the community. The President is Brian Harrison; Treasurer, Carl Foster and Program Chairman, Joe Stevens and J. W. Darton.

The pastor also announces a Revival to begin here March 25, conducted by Dr. L. Hand of Comanche. Kenneth Birdsong of Central Baptist Church of Burkburnett will lead the singing. The pastor asks all members to be much in prayer.

There was an increase in attendance at Sunday School and Church last Sunday.

### COMPARISON

The two tramps were stretched out on the green grass. Above them was the warm sun, beside them was a babbling brook. It was quite restful, peaceful scene.

"Boy," mused the first tramp contentedly, "right now I would not change places with a guy who owns a million bucks."

"How about five million?" asked his companion.

"Not even for five million," drowsed the first tramp.

"Well," persisted his pal, "how about ten million bucks?"

The first tramp sat up.

"That's different," he admitted. "Now you're talking real dough!"

## Junior University Study Club Met Monday, February 8

The Junior University Study Club held a regular meeting February 8 in the home of Mrs. Finis Taylor with Mrs. J. R. Sprague co-hostess. Twelve members answered roll call. Mrs. Floyd Marten presided over the business session at which time it was voted to donate \$10.00 to the Cerebral Palsy Center in Wichita Falls. All members were urged to attend the Community Council Meeting to be held February 9 at 10:00 in the Town Hall. A report was given on the success of the Chicken Noodle Supper which was held February 3.

All proceeds of this Supper is to go to the Swim Club indebtedness. Plans were made for a Casual Coffee which our club will act as hostesses and invite all Federated Study Clubs of Burkburnett as their guests. Since this was a Valentine meeting the program consisted of each member telling, "How They Met Their Valentine."

Delicious refreshments were served to the following: Mesdames J. L. Ragan, Clovis Mann, Walter Koller, Bill McLean, Howard Clement, Gene Robertson, Russell Kelly, Floyd Marten, Finis Taylor, B. H. Preston, Jr., J. B. Riley, Jr., J. R. Sprague, and Bill Vincent. The door prize was won by Mrs. Bill McLean.

This is the Ford Fairlane's new Challenger "260" V-8.

There's no other V-8 like it. It's the latest in a series of Ford V-8 triumphs that started back in 1932 when Ford introduced the world's first popular-priced V-8. Today—30 years and 30 million V-8's later—the Challenger "260" adds new fuel to the hottest performance record in V-8 history. It gives you all the time-tested toughness of iron—with a lightness and compactness iron never had before. A muscular 164 hp, this new Challenger "260" V-8 is all snap, sparkle and smoothness. *It runs on regular, yet gives you better gas mileage than any standard-size 6-cylinder car.* Price it and you're in for a surprise—a Fairlane V-8 carries a smaller price tag than some compact Sixes. And, of course, a Fairlane gives you big-car room and fine-car quality you'll find in no other car anywhere near Fairlane's amazing low price. There's never been a buy like Fairlane because there's never been a car like Fairlane; that's why this all-new car from Ford is now out-selling every other "new-size" car!

**Council of Garden Clubs Gets Appreciation**

Appreciation was given to the Council of Garden Clubs for their work on park beautification by Mr. Jay Ash, representing the Joe Ward Engineering firm of Wichita Falls, and by Louis Mann, Burk Burnett City manager, as they spoke to the council Tuesday, February 6th. The Council of Garden Clubs met in the home of Mrs. Ralph White, with Mrs. J. L. Caffee, resident, presiding. Mr. Ash commended the group for the work they were doing for the community. He also explained to the group the purpose of the Comprehensive Master Plan which his firm is preparing for the city. Studies are now being made that will project the population growth to 1985. House by house surveys have been made in order to determine the number of standard, sub-standard, and dilapidated structures. Studies will also be made of streets, thoroughfares, parks, utilities, and administration. Needs will be determined on a priority basis. Mr. Ash explained that the work being done by the Garden Clubs and other civic-minded groups was very important to proper city planning. He assured the group of his full cooperation and stated that reports would be made from time to time as the planning project progressed.

**Federated Missionary Society Met in Home of Mrs. Jim Ady**

Federated Missionary Society met in the home of Mrs. Jim Ady with Mrs. Cantwell, co-hostess. Mrs. D. M. Morris, president called the meeting to order. Opening prayer was by Mrs. Short. Roll call was answered by Bible verses. Mrs. Jim Haley reported on things taken to the State Hospital. Mrs. Jesse Jones brought a nice devotional, "Receiving Hand." There are hands that are always turned upward as if to be receiving. There are hands that ask God for things and as He showers down blessings upon them, these hands are filled to overflowing.

Miss Ella Billingslea gave a brief sketch of the life of Abraham Lincoln. She then read an essay from G. W. Storer's book, "These Historic Scriptures," based on the Bible passage used by President Lincoln at his second inauguration. She pointed out that the book contained meditations upon the Scripture selected by each of our Presidents from Lincoln to Truman. This was very well given and enjoyed by all. Closing prayer by Mrs. Morris. Visitors were Mrs. Hinkle, Carswell, Clayton, Miss Billingslea and members Mrs. Vanderberg Moore, Haley, Hall, Turner, Gilbert, Minnick, Cantwell, Ady, Short, Jones, Beldon, Van Deren, Miller, Kent, Morris and Bunstine.

**WARDROBE STRETCHERS**—Blouses are wonderful wardrobe stretchers. These two styles by Ship 'n Shore are neatly tailored of cotton oxford and come in a wide range of pastel and bright fall colors. They may be worn with slim pants or skirts.

**Current Literature Club Met in Home Of Mrs. C. M. Archer**

Mrs. T. A. Hicks of Wichita Falls, Santa Rosa District Chairman of the Council of International Clubs of T.F.W.C., was guest speaker for the Current Literature Club, when members and guests met in the home of Mrs. C. M. Archer, Thursday for a covered dish luncheon and International Club Program. Mrs. Hugh Jones was cohostess. "Getting Acquainted With Federated Clubs Around the World" was the subject Mrs. Hicks spoke on. She said, "The purpose of the International Clubs is to foster closer ties of friendship with every country of the world." She told about visiting the largest Women's Club in the world in Canada, and about being a guest in a London, England Club.

The speaker stressed "Dollars for Scholars." She said, "If every federated club would donate \$1 for scholarships, we would have enough money for our scholarships." Mrs. Hicks concluded her talk with interesting points on Vienna, Austria, and her visit with a correspondent-friend there in 1952. Mrs. Roy T. Magers, Council of International Clubs Chairman of the Current Literature Club, presented Mrs. Hicks a card, in behalf of the club, stating that a tree had been donated to Sheppard Air Force Base in her honor.

Special guests of the day were M Sgt W. S. Tarkington and seven of his foreign students from SAFB. Mrs. John Brookman introduced Sgt. Tarkington, who in turn introduced the boys: S Sgt. Agbanaoog Adriano and Sgt. Cuenco Lutgado of the Philippines; Wok Belesios, Athens, Greece; Captain Wng Fang Ming, and Capt. Peng Fon Ching, China; S Sgt. Pschon Jaime, and S Sgt. Orjuela Octavio of Columbia, South America. Sgt. Tarkington said, "We have 104 young men from other countries out at the base, with 22 countries represented. Our goal is to get more boys to come to America and let them see first hand our way of life. We don't have much scenery or weather here to show them right now, but we do have fine people and friendships."

A tree was given to SAFB in Sgt. Tarkington and the boys honor, also. Another special guest, Mrs. Phil A. Carpenter, president of the Santa Rosa District of T.F.W.C., was introduced by the Club President, Mrs. John Brookman, Mrs. W. S. Vann, Education Chairman of the Club, presented Mrs. Carpenter with a check for the Santa Rosa Scholarship Fund. Mrs. Ralph White, leader, presented the guest speaker. Mrs. W. C. Vann gave the invocation for the luncheon. The Counselor's report, on Latin America, was given by Mrs. Charles Boyd. Therapy at Sheppard Air Force Base hospital was reported on by Mrs. C. E. Lundberg. Mrs. John Brookman presided over the business session. Members voted to nominate Mrs. Fred Hunt for an office on the Community Council. Mrs. Ralph White stated the importance of a city-wide program in cooperation with the Federated Women's Clubs.

The elected president of the club, 1962-63, Mrs. F. M. McMurry, appointed her Year Book Committee. Mmse. Fred Hunt, A. H. Lohofener, and Miss Ella Billingslea.

Officers of the High School Sophomore Class as they will appear in the School Annual: Left to Right: Dale Lewis, president; Dixie Van Reenan, secretary-treasurer; Sonny Bentley reporter and Johnny Koller, vice president.

**Mr. Kenneth Gage Speaks to Sorority On Problems of Juveniles**

Theta Epsilon Sorority met February 12, in the home of Mrs. Ann Vogle, with Bobbie Klinkerman serving as hostess. The meeting was called to order by the president, Lea Glisson, and the opening ritual was given. A devotional, written by Bobby Slusher, was given by Evelyn Farris, entitled "A Valentine House." It was a resume of a small child drawing a Valentine House. As she drew with her red crayon, she showed the love of her grandparents whose love transformed their simple home. We should ask ourselves—Is our home inspired with the spirit of a Valentine House? A prayer followed the devotional.

During the business meeting campaign literature for the District VI Officers was read. Theta Epsilon nominated Bobby Slusher to run for District VI Recording Secretary. The 1962-63 District Offices will be elected in March with the Iowa Park Chapter of ESA hostess. The members voted to buy a shade tree to be planted at SAFB in Memory of Mildred Good, a charter member of Theta Epsilon.

A report of the meeting held February 9 in the Town Hall to form a Community Council was given by Helen Cornelius, vice president. This council is being formed to unite all local clubs in their local civic projects. The sorority chose to have an annual style show. The style show will be given by the Elite Dress Shop, the latter part of August.

The sorority voted to give twenty-five dollars to the Swim Pool Fund. Patsy Adams was in charge of the program for the evening. Mr. Kenneth Gage was guest speaker on "Problems of Juveniles." A very interesting program was given. Mr. Gage outlined a few of the State Law Requirements. Approximately 50 violations were committed in Burk Burnett in 1961. A display of weapons which have been used in various violations was shown. He stressed the importance of understanding our youth today; much help is needed in the home force as well as from the police force.

Delicious refreshments were served to LaDonna Sheperd, Bobby Slusher, Ruth Hilligas, Evelyn Farris, Ruby Van Loh, Marilyn Howard, Helen Eaton, Velma Goins, Helen Cornelius, Patsy Adams, Kathleen Brammer and Lea Glisson by the hostess, Bobbie Klinkerman.

**Legion Notice**

This Thursday the 15th of February is Regular Meeting night. Let us members all get-together and be at the meeting. As we all know our meetings are the first and third Thursdays of each month. We all know there is no excuse for not coming. If you are a good member be an active member. Don't forget that March 6th is our responsibility to get out and work for our blood bank, that is to be at our Legion Hall on this date, and also the Ladies Auxiliary. I know will do their part. Let's make this the largest ever for Burk Burnett.

**NOTICE**

The Big Pasture Senior Class of Randlett, Oklahoma, will sponsor a Negro Minstrel at the Big Pasture School on Friday night, February 23rd starting at 8:00 p. m. Tickets can be purchased from Big Pasture seniors or at the door. Prices will be 75c, 50c and 25c. A good program has been planned and residents of Burk Burnett are extended a special invitation to attend. As a host you ought to be flattered if your guests hang around till three o'clock in the morning. Or are we wrong?

## Circle 1 of W.S.C.S. Met Monday In Mrs. Beasley's Home

Circle One of W.S.C.S. met Monday afternoon in the home of Mrs. H. W. Beasley with fourteen members present.

The meeting opened by those present repeating the Lord's Prayer in unison.

Mrs. Blake Browning, Circle Leader conducted a short business meeting. The sick were reported and cards will be sent.

Mrs. Seeley Galloup gave the devotional from Luke 24:36-47.

Mrs. Jessie Jones was program leader. The lesson topic was Latin America Speaks. She was assisted by Mesdames Revier, Melton, Hall Rigby and Morris.

The program revealed two needs to a Missionary in Latin America. The need to better inform North America about Latin Americans. Their needs, and the wonderful work that is being done by the Latin's. The Methodist Church in Brazil has been independent for thirty years.

Mrs. Browning read a prayer entitled, "Average Sunday Worship Is Blood Bought Privilege." It told of the hardship of our early Christian Crusaders—many gave their lives as martyrs that we might enjoy the privilege we have today of worshipping God as we choose. This indeed is a priceless heritage.

The meeting was dismissed with prayers by Mrs. Melton. Refreshments were served to Mesdames Blake Browning, I. N. Witherspoon, J. B. Grace, Buelah Hall, Ida Willis, J. H. Rigby, Seeley Galloup, Jessie Jones, J. L. Caffee, O. E. Melton, Dee Bruce, R. D. Revier, Carrie Morris, one visitor, Mrs. Bruce's grandson and hostess, Mrs. Beasley.

## Circle 2 of W.S.C.S. Met in Home of Mrs. S. S. Reger

Circle 2 of W.S.C.S. Methodist Church met in the home of Mrs. S. S. Reger with Mrs. M. C. Tucker, co-hostess. Mrs. Bill Cauthorn, Circle Leader, called the meeting to order. Opening song was "Where He Leads Me, I Will Follow." The opening prayer was by Mrs. A. R. Buntine. Mrs. Cauthorn was leader of the program subject, "Latin America Speaks."

The ladies helping in this program were Mrs. Scruggs, Gragg, Gilbert, Copeland and Cauthorn. It is often hard for us to think clearly about Latin America. Lack of contact and specific information about our neighbors to the South encourage us to generalize. In the past we have looked often toward Europe and Asia, partly because of military ties or emergency needs. But recently, we have become more aware of Latin America, and as Christian women, we need to take a serious look at the situation, so that we might better understand our Latin American neighbors and visualize more clearly the mission of the Church in these countries.

These parts were very well given by these ladies. Mrs. Cauthorn asked for sentence prayers as we joined hands in a circle. This was very impressive. The closing song, "My Faith Looks Up to Thee."

A nice refreshment plate was served the members, Mrs. Gragg, Gage, Gilbert, Cauthorn, Buntine, Patton, Palmer, Taylor, Bazell, Scruggs, Copeland, Tucker, and Reger. The next meeting will be in the home of Mrs. R. L. Gragg.

During fiscal year 1962, over 43,500 tons of food will reach hungry people in 17 countries as gifts from Americans thru CARE's Food Crusade.

Mrs. Magers, whose home address is on Shanna Road, is chairman of the Wichita Falls Garden Club. Mrs. Magers is one of three credited flower show judges in *Burkburnett*. She has been very active in *Burkburnett* and *Wichita Falls* in various club activities for several years. Among her many club activities she has devoted a considerable amount of time and effort to the *Garden Clubs*. Her articles are of an informative nature, backed by experience and knowledge of the work.

planting seeds in a flat, be sure soil is moist. Cover with aluminum foil, let little air in. Keep covered until first sprouts appear. When second set of leaves appear, put in small pots or a new flat.

When warm outdoors, plant in beds where they are to grow. All require sun several hours a day.

For zinnias, marigolds, sift soil on top of seeds. Zinnias do well when planted in a damp trench and covered with dirt. Zinnias come in all sizes, types and colors. Small Halo Zinnia; mahogany center with gold halo petals. Lilac Time is a cactus flowered zinnia, grows two or three feet tall. Burpeeana giant zinnias are six inches across, all colors. Hawaii Marigold; four inches, flowers orange.

Celosia—Forest Fire improved is one of the showiest varieties. Blooms midsummer until frost. Has rich red plumes and dense reddish leaves.

Alyssum, Rosie O'Day, is fine edging for borders and walks. It's delightful in rock gardens.

For all-summer flower try floriosa, double daisy. Has many petalled blossoms, looks like dark velvet golden balls, four or five inches across. Fine for hot climate, will withstand drought. Really a perennial, but start early and they bloom first year.

Vinca rosea or Rose Carpet creeps close to ground and

forms a rosy violet flower carpet. Fine for hanging baskets.

Candytuft in white and colors, cornflowers, dianthus pinks flax, snapdragons, giant tall blooming hardy asters.

Early giant mixed asters are dramatic flowers, white and pastel shades, two and one-half feet tall. Stars to bloom in mid-summer.

center, Marie Bullard — fine blue.

Plant glads in March. Best to stagger planting so you have blooms all spring and summer.

Always plant few fine roses. Chrysler Imperia—red exhibition rose; Peace Charm in its changing panorama of color; Garden Party — apple blossom pink Duett—a salmon pink.

Plant new daylilies. For shady moist places, plant ferns. A must—some exciting lillies. Ruburn, Gold Banded Auratum.

Hardy Amaryllis, Dutch hybrid Amaryllis, Regal lily, Madonna Lily, Blue Lily of Nile.

When the soil is warm transplant shasta daisies. Plant snapdragons, stock, violas, petunias, forgetme-nots, coleus chertreuse for the green effect.

Its different — mums, all American, Burning Bronze, tall bronze showpiece; Pink Cherub — late blooming; Headliner — terra cotta; Moonlight Spoon, White Girl Friend, Queen of early pinks. Disbudding pays.

For great splashes of color, plant heavenly blue morning glories on fence, dead tree or old post. Candy pink is extra large. New hybrid blue and white is Flying Saucer. When they start to bloom feed regularly with manure water.

Breathtaking beauty is yours with large bloom clematis. Royal purple is Jack Maine, sky blue is Ramona, Pink Countesse de Bouchard, pure white, Henry.

Many exotic begonias are to be found in shops. Small pinks make fine border.

Your gardens will be fabulous with all the brilliant colors of spring. You can accent your garden, borders and walks with unrivaled splendor.

Gardening is a way of life. Faith — Everyone that ever plants a seed has faith.

Love of Beauty — Everyone who plants a garden or does flower arranging or civic beautification loves beauty.

Charity—Love of fellow man — Everyone who does or ever has participated in garden therapy has charity in their soul.

Gardening and beautification is a contribution to our neighbors, our city, state and nation. Let us combine our strength in an effort to beautify our highways and cities to open the way through growing things to a fuller and richer life for all the citizens of this country of ours.

### HOT DOG!

A man in Chicago was grumbling about the heat. Said another who has just returned from a trip through the South:

"Hot! Boy, you don't know what hot is. One day this week in Mississippi I saw a dog chasing a cat and they were both walking."

### HOW FAST CAN YOU GO IN A COFFIN?

Next time you are tempted to step on it, ask yourself this question! Last year, 40,000 died on our highways. In 3 out of 10 fatal accidents, drivers were speeding. Obey speed limits. Drive safely.

### MRS. RAYMOND SCHROEDER JR. FORUM STUDY CLUB HOSTESS, TUESDAY, JAN. 16

The January 16, 1962 meeting of the Jr. Forum Study Club was held at the home of Mrs. Raymond Schroeder.

Mrs. Wayne Smith gave the devotional on "Over the Wrecks of Time."

The minutes were read by Mrs. J. D. Hart and approved Mrs. Wayne Smith gave the treasurer's report.

The Federation Counselor, Mrs. James Roderick gave a report on the Federated Clubs Council meeting. There was a Chicken Noodle Supper in the Town Hall on February 3, 1962, sponsored by the Women's Federated Clubs of Burkburnett in which we all are to take part. The proceeds go to the swimming pool.

A Valentine Party was discussed for February 17, 1962. Mrs. James Roderick gave a program on "Finland," and had some very informative pictures.

The next meeting is to be held at the home of Mrs. J. D. Hart.

The meeting was adjourned and refreshments were served to Mesdames Herbert Lawson, Bill Wood, Wayne Smith, James Roderick, Raymond Schroeder, Don McCullough, J. D. Hart, David Booher and one new member, Mrs. Leslie Terry.

### SPECIAL OCCASION

Tramp—"Have you a piece of cake, lady, to give a poor man who hasn't had a bite to eat for two days?"

Lady—"Cake? Isn't bread good enough for you?"

Tramp—"Ordinarily, yes, ma'am, but this is my birthday."

"There's a way to do it better -- find it"

Thomas A. Edison

The challenging words of Thomas A. Edison, whose birthday, February 11, opens National Electrical Week, are a constant reminder to seek new efficiencies that will help serve you better and make your electric service an even greater value.

The electric power systems of only a relatively few years ago cannot compare in efficiency with the electric generating, transmission and distribution systems of today.

Each new Texas Electric power generating plant, the power lines, and all of the many other facilities have been designed to take advantage of the advancing technological knowledge in the industry.

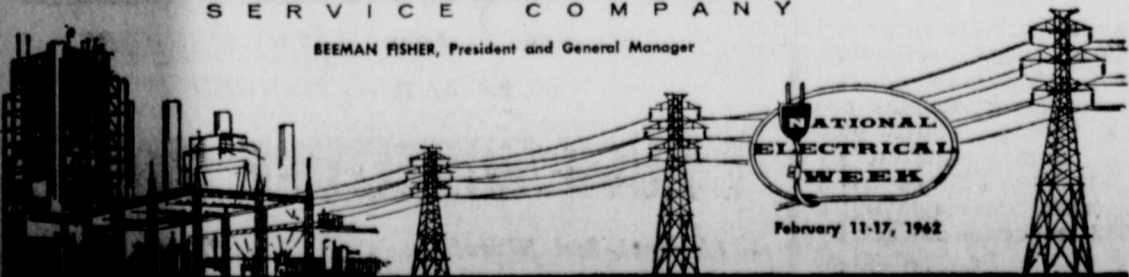

Texas Electric has pioneered in the construction of outdoor-type power plants which have made possible new efficiencies and economies in power

plant construction. A new steel-tower transmission line now under construction will ultimately carry more efficient, higher voltages than were possible just a few years ago.

Through research, such as participation in the Texas Atomic Energy Research Foundation, the company is looking to the future. You may be sure that Texas Electric will continue to seek the better way to keep electric service constant and dependable.

Here's what QUALITY has done:

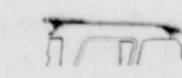

At last count there were 1,499,927 Chevrolet trucks over 10 years old still working—424,381 more than any other make.

### 1962 CHEVROLET JOBMASER TRUCKS

## built better..work longer!

When Chevrolet builds a truck, it builds a quality truck. This policy makes sense. Chevrolet trucks work a long time... cost less than many other makes to operate and maintain over the years... consistently bring a higher trade-in price... and, as a result, are bought by more people. We invite you to come in and

examine this quality closely and to take a 1962 demonstrator out for a good long test drive. Note the cab comfort, the good visibility, the smooth ride, the solid feel of its quality. Compare Chevrolet truck features with those of other makes. Then decide which are your wisest investment. We're sure it will be Chevrolet's.

Note how this Chevrolet cab roof is made of two sheets of metal, instead of one, with a layer of felt in between as insulation against cold, heat and noise.

A Chevrolet truck tailgate is sturdier because it has double-wall construction and strong steel chains in tough rubber casing to support it.

Quality independent front suspension lifts road shock more effectively than other types—provides more protection for the truck, load and driver.

The standard 235-cu.-in. 6-cylinder Chevrolet truck engine has worked more miles than any other. There are nine more engines to choose from.

See your Chevrolet dealer for trucks that keep running and running!
