Chamber of Commerce Luncheon Each FIRST MONDAY at Town Hall. Everybody Invited Each Pays for His Meal

"The fact that a dollar may end up in outer space does not mean that it goes farther, these days."

NUT DESK SET AWARDS TOP THREE RIDING CLUBS

Walnut desk sets will be presented to the first, second and third place riding clubs at the 18th Annual Boomtown Celebration. Chamber manager, Web Sharp, announced the awards. The popularity of the buttons went beyond expectation and the supply has been exhausted. All chamber of Commerce members attending the regular monthly luncheon held on June 3, received the colorful celebration buttons. From that time on, the buttons were distributed on a first come, first serve basis. "When we realized the supply was dwindling, we attempted a reorder; however, were unable to receive the additional buttons in time for circulation. Your Chamber of Commerce appreciates the loyal cooperation of those who did receive buttons and who are displaying their badges daily."

Local Talent to Participate In Wild Cow Milking

George Counter, in charge of special events for the rodeo, has come up with a novel and effective way to get even with all his enemies. He is entering them in the wild cow milking contest at the rodeo next Friday and Saturday nights, June 28th and 29th. George is telling the contestants that the cows will not be very wild. Maybe not, but he has turned down some that could jump a ten rail fence standing flatfooted and would fight their own shadow. The school board will have a team, but don't believe they are all a bunch of sissies. Two of them are about four-fifths cowboys. Several others are being lined up. It is doubtful the teams who perform the first night will be able to enter the arena the second night, but there will be others to take their places.

Mrs. Ella Clark 97, Dies In Burkburnett

Mrs. Ella Clark, 97, died Tuesday in her home at 615 East 2nd Street in Burkburnett. Funeral arrangements are pending at Owens & Brumley Funeral home in Burkburnett. Born in Marion, Mississippi, November 12, 1865 she came to Texas at the age of three. She has been a member of the Baptist Church since she was 16. She moved to Burkburnett 36 years ago and was a member of the First Baptist Church here. Survivors include two sons, W. E. Nance of Arlington, California; and W. C. Nance of Duncan, Oklahoma; one daughter, Mrs. Edith Jackson of Burkburnett; a sister, Mrs. Pearl Harbin of Fort Worth; ten grandchildren and several great-grandchildren.

Miss Sue Talbot Seeks Miss Burkburnett Title

Miss Sue Ellen Talbot, daughter of Mr. and Mrs. George E. Talbot of 109 Polaris, will compete in the Miss Burkburnett Pageant on June 27 at 8:00 p. m. in the Burkburnett High School Addition Cafeteria. Miss Talbot is 16 years of age and a student of Burkburnett High School. She is a member of the Pep and Dramatic Clubs. She has performed in and helped with school plays. Sue has light brown hair and brown eyes. She is 5 ft. 5 in. tall and has a fair complexion. She has lived in England, Africa, and South America and speaks Spanish fluently. Skating and horseback riding are her hobbies, along with playing organ and accordion. Miss Talbot's talent in the Pageant will be piano playing. She is being sponsored by Mathis Motor Company.

Streets Being Paved

Celebration Button Supply Is Exhausted

"Sorry, but we have run out of Boomtown Celebration buttons," announced Web Sharp, chamber manager. The popularity of the buttons went beyond expectation and the supply has been exhausted. All chamber of Commerce members attending the regular monthly luncheon held on June 3, received the colorful celebration buttons. From that time on, the buttons were distributed on a first come, first serve basis. "When we realized the supply was dwindling, we attempted a reorder; however, were unable to receive the additional buttons in time for circulation. Your Chamber of Commerce appreciates the loyal cooperation of those who did receive buttons and who are displaying their badges daily."

Mr. and Mrs. Gregg Cain and three children of Chicago, Illinois, and Mrs. Alice Fleming and Mr. August Floyd of Norman, Oklahoma, were visitors in the home of Mr. and Mrs. Homer Gilbert here this week.

Mr. and Mrs. S. J. Moreman of Palestine, Texas, visited in the C. A. Moreman home last week.

Mr. and Mrs. George Counter, Jr., spent the week end in Shreveport, Louisiana.

Three Burk Boys At Boys State In Austin, Texas

The American Legion Boys State commenced June 9th as 676 school boys from throughout the state began registration. Among those registered from Burkburnett were John Mark McClean, William Richard Byars, Johnny Owen Koller who were sponsored by local American Legion Posts. Upon arrival each citizen was assigned to one of two political parties — the Longhorn or Pioneer. Each citizen then functions as a member of his party; he attends its conventions, caucuses and votes in its primary. In Boys State, the young citizen has the opportunity to learn for himself that his government is just what he makes it. The boy "learns to do by doing." Highlight of Boys State will be a trip to the Capitol on Friday morning, followed by the Governor's Ball Friday evening.

This world situation must worry women more than men. The other day we saw a gray-haired teenager come out of the beauty parlor.

MISS SUE ELLEN TALBOT

Downtown Sts. Get Blacktopping Early This Week

Visitors to the 18th Annual Boomtown Celebration next week will be welcomed by some twenty blocks of newly topped streets in the downtown area. Early this week crews from the City Street Maintenance Dept. started sweeping and preparing the streets for a sealer coat of tar, topped with fine chat. The project will be completed this week end.

It had been many years since the downtown area streets had been sealed and topped. Many of them were badly cracked, and in some instances great holes had begun opening up. This thorough job should last for many years.

C-C Industrial Committee Met Monday Noon

Texas Electric Service Company was host Monday noon at Town Hall for a luncheon. Guests were members of the Chamber of Commerce Industrial Committee.

Bill Vincent was in charge pinch-hitting for Jim Ady, local manager, who was out of town.

Speaker for the occasion was John I. Wheeler, of Ft. Worth, who is manager of the Area Development Division of TESC. Mr. Wheeler told the group that cities seeking industry must first analyze their situation and find out just what they had to entice industry. When industry seeks new locations, it is interested in three primary considerations: Availability of raw materials, sufficient local labor at a price it can afford to pay, and a market for its product. Other matters are considered, but these three are first and foremost.

Over the years this department of Texas Electric Service Company has gathered data from all the areas it serves. This information is catalogued and kept in in such manner that it can be referred to and added to at all times.

The speaker invited a group from Burkburnett to come to Fort Worth and avail themselves of this valuable information. Such a committee will make the trip in a few weeks.

Other meeting of this type will be held at regular intervals, possibly every two or three months, to compare notes and report progress.

CARD OF THANKS

I want to thank my friends and neighbors for their thoughtfulness during my recent stay in the hospital. Your prayers, and the lovely flowers and get well cards were sincerely appreciated. A special thanks is extended to Bro. and Mrs. Lackey for their services. God bless you all in my prayer. Mrs. Ed Sanders 41-1P

TREE FARMS

More than 15,000 of the nation's 25,000 "tree farms" are operating in the twelve Southern Pine producing states.

Advanced Ticket Sales Offering Useful Award

An extra bonus award is being offered to some lucky person who purchases their barbecue ticket or rodeo ticket in advance of the big Boomtown Celebration June 27, 28 and 29th. The prize, a large round redwood picnic table, with three benches and an umbrella, will be given away the last night of the rodeo, Saturday night, June 29th.

Chamber manager, Web Sharp, emphasized that both barbecue tickets and rodeo tickets purchased in advance of the celebration will be eligible for the prize. Tickets purchased at the gate will be stamped "Not Valid for Drawing" and thus will not be eligible for the drawing. Sharp also stated that the winner does not have to be present the night of the drawing.

The picnic table, benches and umbrella are now on display at the First National Bank.

Mr. and Mrs. Archie Faulk and Mr. and Mrs. V. C. Skipwith attended funeral services for Mrs. B. F. Hart of Olney, Texas, Saturday. Mrs. Hart was a sister of Mrs. Skipwiths.

Mr. and Mrs. J. T. Deckard received word this week that their nephew, J. T. Audas of Gladewater, Texas, is in a hospital there suffering from a cerebral concussion received in a car accident.

LIONS CLUB

Attendance is good for vacation time.

Lion, C. M. Archer, presented an excellent program.

Mrs. Billy Earl Askins sang three numbers and was assisted by Mrs. J. B. Riley Jr. at the piano.

These two fine young women have an unusual amount of talent, and their programs are always appreciated. We want you to come back. Lion Deputy Governor, Tom Clark from Electra made a good short talk that was enjoyed by all.

Next week is a very important meeting. INSTALLATION OF NEW OFFICERS will be the program.

This is very impressive and every member should make certain he attends. It helps you as well as those being installed.

Julius Caesar, Napoleon Bonaparte, and violinist Paganini were victims of epilepsy.

TICKETS NOW ON SALE FOR BOOMTOWN CELEBRATION

Calf Scramble Added Attraction At 1963 Rodeo

George Counter, Jr., has come up with some dillies for added attractions for the rodeo. George can remember many, many years ago when Burk put on some mighty wild amateur rodeos each Saturday. From experience, he knows just what it takes to put the spectators in stitches.

One of the attractions will be a mad calf scramble. Any boy or girl 12 years of age or under may enter. A pen full of calves will be turned out and the race is on. Some of those calves may not be very big, but they make up for size by being wound up tight.

Boys and girls, see Geo. Counter to enter. Silver dollars will be awarded the winners.

Midwestern University to Have New Science Building

Midwestern University officials have announced negotiations with architects and engineers are underway to begin work immediately in drawing the plans and specifications for the new \$1,738,750 university science building. This amount was contained in the appropriation bill recently approved by Governor Connally.

The three story air-conditioned library at a cost of \$795,000 is expected to be occupied in February, 1964.

Work will soon begin on the expansion and remodeling, including air-conditioning, of the Clark Student Center.

Marjorie Hofecket, chamber secretary, and W. T. (Bill) Donnell, chamber president, display fans of Boomtown Celebration tickets now on sale throughout Burkburnett. This year's 18th Annual Celebration has been expanded to include a Miss Burkburnett Beauty Pageant on Thurs. evening, June 27th at 8 p. m. in the New High School Cafeteria; Boomtown Rodeo on Friday and Saturday nights at 8:00 p. m. in the Morgan Stadium; Boomtown Parade on Friday, June 28th at 3:00 p. m. in downtown Burkburnett and Kiddies Parade in downtown Burkburnett on Saturday afternoon at 3:00 p. m.; and the large Community Barbecue on Friday, June 28 following the parade at the Lion's Club Ball park, adjacent to Morgan Stadium. Chairman for this year's celebration is Jerry Thomas.

Navy Officer Recruiter To Visit Wichita Falls

Lieutenant Tom Mainer, officer programs officer from Dallas, Texas, will be in Wichita Falls at the U. S. Navy Recruiting Station, commencing June 24 for a period of three days. Men and women college seniors or graduates who are interested in obtaining a commission as an officer in the Navy should call the local Recruiting Station, Phone 766-4831, to make an appointment to talk to Lt. Mainer. The Navy's officer candidate school program gives the graduate an opportunity to become an officer in four months. There is no obligation. Get the facts before making a decision.

Howard Tullis Wins Trip for Two To Las Vegas

A Las Vegas "Dream Holiday" for two has been won by Howard Tullis, owner Tullis Rambler Ranch, in a nationwide contest for Rambler dealers sponsored by American Motors Sales Corporation. Mr. and Mrs. Tullis left Dallas on an American Airlines jet air liner for Las Vegas, Wednesday, June 19, 1963 to spend four days and three nights at the new \$18,000,000 Tropicana Hotel. Activities will include fashion shows, sight-seeing, cruising on one of the man-made wonders of the world — Lake Mead — golfing and swimming. American Motors executives will be on hand to act as hosts. Tullis won the all-expense trip for two by selling the greatest number of cars in his dealer classification during the three-month sales contest.

Dixie Van Reenan At Girls State

Dixie Jean Van Reenan of Burkburnett a citizen of the American Legion Auxiliary Bluebonnet Girls State now in progress in Austin, at the Texas School for the Blind, was elected as City D. Councilman, in a recent election. She is the daughter of Mrs. Rozella Van Reenan, and was sponsored to Girls State by the local American Legion Auxiliary Unit.

Miss Toni Savage Will Compete For Miss Burkburnett

MISS TONI SAVAGE

Miss Toni Savage, daughter of Mr. and Mrs. Gerald Savage of 204 Beech Lane, will compete in the Miss Burkburnett Pageant on June 27 at 8:00 p. m. in the Burkburnett High School Addition Cafeteria. Miss Savage is 16 years of age and a student of Burkburnett High School. She has been a member of the band for three years and is a member of the National Honor Society. She was elected secretary for the District Student Council for 1963-64. In 1962-63 Toni was Sophomore Favorite and Miss Howdy. Miss Savage has brown hair and blue eyes. She is 5 ft. 8 in. tall and has a fair complexion. A seven-year member of 4-H Club, she has attended state contests four times and has won numerous county and District 4-H contests. She received the Optimist International Club 95 Certificate and was Gold Star Girl in 4-H Club in 1962. Also she has played the piano for seven years. Miss Savage will play the piano and sing in the Pageant. She is being sponsored by White Auto Store.

NOT SO INNOCENT

The legislators on Capitol Hill have an "allegedly" innocent little piece of proposed legislation in the works which isn't nearly so innocent as it may appear on first glance. One section of it, for instance, could be interpreted to prevent any meat preparation activities—such as making hamburgers or breaking carcasses—at a food chain warehouse.

This practice is technically known as vertical integration. Specifically the bill would outlaw it in the meat, milk and poultry business. But the entire practice of vertical integration is on trial. And the only reason for vertical integration, where it exists, is that a few major retailers, notably food chains, have found it a help in holding down costs.

The legislation would place restrictions on the free enterprise system. What reason can there be for preventing a merchant from pursuing any business practice which is not in restraint of trade, and which is of economic advantage to himself and his customers?

It is certainly significant that the American Meat Institute, which is the voice of most of the packers of this country, and is vitally interested that the meat industry operate on a fair and sound basis in all its ramifications, has testified in opposition. So has the American National Cattlemen's Association.

As a matter of record, vertical integration in this field is a very minor matter. Only five of the 303 chains operating ten or more stores do any packing at all, and only one of the larger chains even comes close to supplying its own needs for meat.

One spokesman summed up the matter to the interested congressional committee: "you are being asked to correct a problem that does not exist in order to declare again illegal something which is already illegal—discriminatory buying and selling practices."

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Paraphrasing a famous line of literature "The American people are the American people, and the State Department is the State Department, and never the twain shall meet."

That would appear to express the basis of a recent statement by Congressman H. R. Gross of Iowa in which he urges all Americans to emulate the position taken by the city government of Columbus, Ohio.

Without equivocation, Rep. Gross states U.S. State Dept. is bringing pressure on the big department stores, especially those in chains, to buy, stock, sell merchandise produced in Communist nations.

He points out that this is most inconsistent with the official concern over unemployment in America, as goods produced under the slave labor of Communism is not reflected in jobs for any American.

He then points out how Mayor W. Ralston Westlake and the City Council of Columbus, Ohio has handled this situation.

The city government has passed an ordinance which provides that any wholesaler or retailer of Communist made goods in Columbus must obtain a license and pay a \$100 per year fee and such license must be conspicuously posted so that customers are aware they are being asked to buy Communist merchandise.

In addition, such a piece of business must prominently display signs with letters not less than 5 inches high telling that Communist made goods are being sold, and any advertising must also state this fact.

Violation can mean a \$500 fine, six months in jail, or both.

So once again, the heartland of America takes the lead in proclaiming an American principle, and also a much deeper wisdom of how to combat Communism than the bureaucrats.

Because Russia, China, and all Communist nations have never been able to socialize the farmer and get production of food, the big domestic problem of the Communists is to get enough food. Without food, their systems would collapse.

They can, and are, buying foods from nations considered American "allies." But these "allies" want money for food they sell Communists.

But with Communist nations selling their goods to America for dollars, they then have the money with which to buy food to keep their people from rioting, keeping their armies well fed, and thus in a position at the proper time to attempt to make good Nikita's boast to bury America.

Congressman Gross is urging that more communities follow the example of Columbus, Ohio. It seems an effective and legal way for the American people to fight communism despite the State Dept.

Or, at least, up until this time, no Federal troops have been ordered into Columbus to protect a Polish ham.

Highway Patrol Report For May

The Highway Patrol investigated fifteen rural accidents in Wichita County during the month of May according to Sergeant E. L. Stroud, Patrol Supervisor of this area.

These wrecks accounted for ten persons injured and an estimated property damage in the amount of \$6,050.00.

The rural accident summary of Wichita County from January through May of 1963 shows a total of 78 crashes resulting in one person killed, 45 persons injured and an estimated property damage of \$40,199.00.

It might well be said that many of our so called good citizens in their thinking do not associate good citizenship in a democracy with safety.

The Patrol supervisor reminds us that these two are so closely related that they cannot be separated. The word safety, as we understand it, implies everything that is good for the citizen.

And citizenship also stands for everything that is good. If a person lays claim to being a good citizen, yet is careless in traffic, or disregards simple traffic rules and regulations, then he cannot be considered a good citizen.

What we must learn to accept and to face is that we cannot be good citizens if we do not practice principles of good citizenship in every area of our lives.

If we continue to disregard and break traffic laws and continue to behave in a careless manner in traffic, then certainly we are not good citizens in the true sense of the word, even though we apparently are living within the letter of every other law. Good behavior in traffic — good behavior in our contacts with other citizens; strict regard for all laws — traffic laws included — these are some of the qualities expected in the good citizen of today.

And, to be sure if he has the interest of his country, he will practice safety along with good citizenship, the officer concluded.

"For Me to Live is Christ"

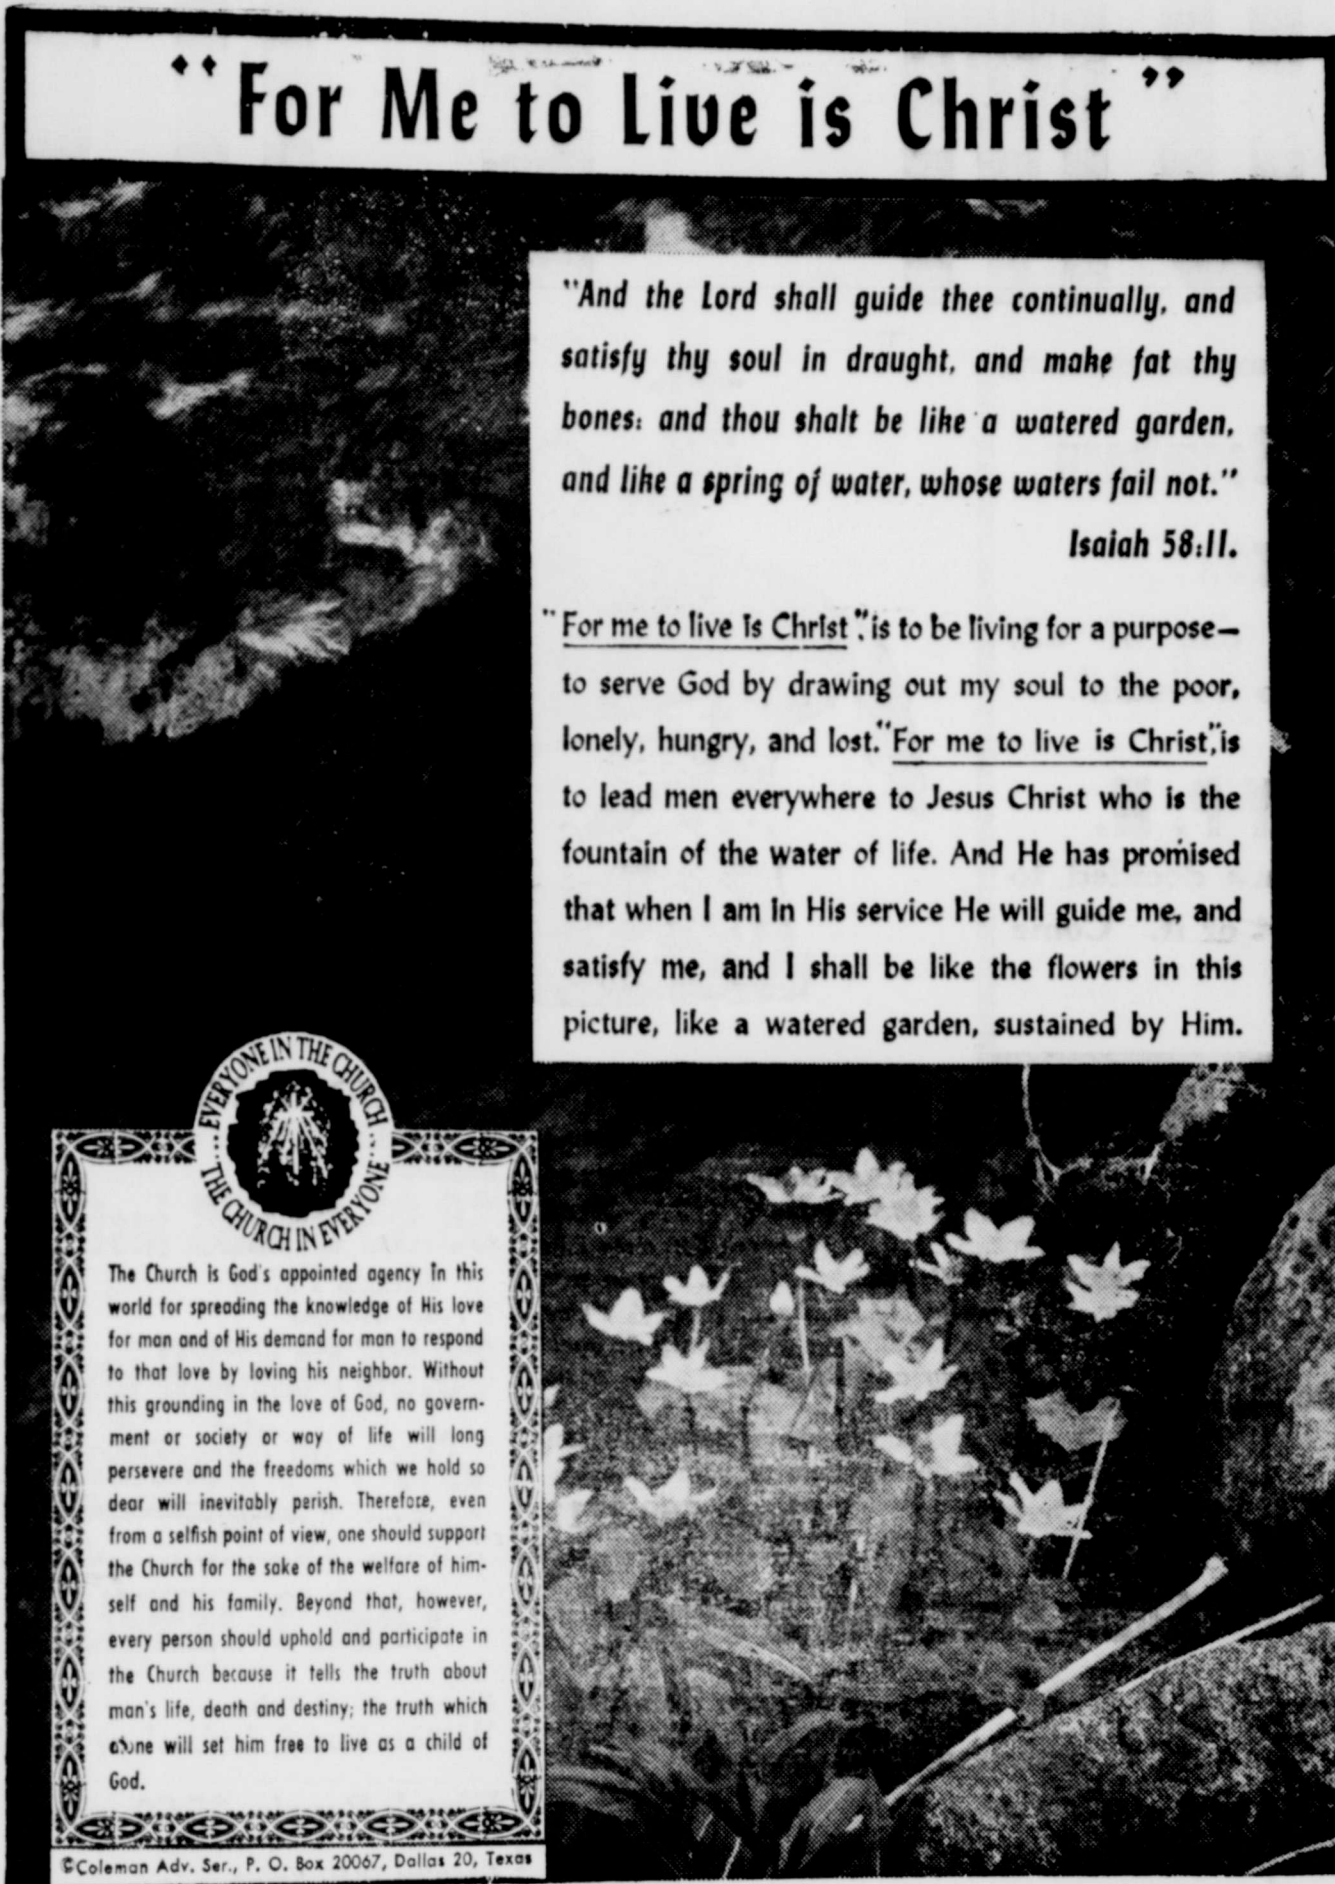

"And the Lord shall guide thee continually, and satisfy thy soul in draught, and make fat thy bones: and thou shalt be like a watered garden, and like a spring of water, whose waters fail not."
Isaiah 58:11.

"For me to live is Christ" is to be living for a purpose—to serve God by drawing out my soul to the poor, lonely, hungry, and lost. "For me to live is Christ" is to lead men everywhere to Jesus Christ who is the fountain of the water of life. And He has promised that when I am in His service He will guide me, and satisfy me, and I shall be like the flowers in this picture, like a watered garden, sustained by Him.

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Notice to Rural Readers

Due to limited time, the merchants cannot contact all you fine folk in the rural areas, to personally give you a circular. So if you will kindly drop by the Chamber of Commerce office, you can pick up yours, and we hope you get one of the lucky numbers.

JUNE 28th - - 29th

In the future it may be possible for every landowner, with a good sized fishing hole or a satisfactory place to hunt, to borrow money to develop the

project. A program has been developed by Secretary of Agriculture Orville L. Freeman to broaden the lending program of the Farmers Home Administration to increase rural recreation facilities.

FHA now will accept loan applications from family farmers for recreational enterprises to supplement their farm incomes. These same loans also are

available to non-profit associations to cover costs involved in shifting land to new and more economic uses, which will include recreation.

Camping grounds, swimming facilities, tennis courts, riding stables vacation cottages, lodges, lakes, ponds of water for sports, docks, nature trails picnic grounds and hunting preserves may be provided on family farms through such funds, under the Food and Agriculture Act of 1962.

Maximum amount a landowner may receive for recreational enterprises is \$35,000. Amount of real estate development of land and building, including this development for recreational enterprises, is \$60,000.

Operating loans are made for up to seven years, but real estate loans are for up to forty years. Interest rate is five per cent.

These funds are available to farm residents who are unable to provide needed funds or who cannot get credit elsewhere at reasonable rates and terms to finance actual needs. Landowners may get necessary information from their nearest county Farmers Home Administration.

This can be considered implementation of the national recreational program announced last year, in which the importance of recreation to growing America was shown.

How much of the program that will be used remains to be seen.

Most major landowners admit they would rather not have a bevy of hunters on their places in the fall. There are a few notable exceptions where places have been made available on fee basis. Some of these have been possible because much of the deer country now is becoming overrun with deer and the landowners find fees for hunting will help offset the feed bill.

But there has been a general tendency within recent years for landowners to make available their raw lands for fee uses in hunting. Also many places have allowed use of their fish-planted stock ponds at per day rates to fisherman. It might be generally agreed that most of these places have shown no profit, but they do add some cash to the chicken and egg basket of the household.

Landowners have been able

to get fish from the Game and Fish Commission for restocking their tanks and lakes. Some of them have taken advantage of the commission's hatchery to get pen-raised quail to restock their range.

Drouth and other conditions unfortunately made bird restocking an uncertainty, with about as many dismal failures as profitable ventures. Mainly, where landowners have provided necessary cover, food and water, they have found their bird restocking programs worthwhile.

Naturally if a landowner borrows money from the FHA to equip his place with recreational facilities, same must be provided. If he wants to sell per day hunting for birds, or the use of his fishing lake, the customer must be satisfied. Or if it is a nature trail, a swimming pool or just a restful cabin, then the things expected by the man who pays the bill must be there.

Perhaps the local Chamber of Commerce might be a better approach to the program. Even though Federal money is available to individuals, a community project might fare better.

But it is worth looking into.

LIPSTICK MINNOWS

This tip requires cooperation from your wife in the form of an almost-but-not-quite used lipstick. Having procured same, dab a slab on the side of your minnows when fishing. Fish see the red slash mark, figure the minnow for a cripple and BAM! If your wife won't cooperate,

Worst of all is to do good work for a boss who doesn't know the difference between good and bad.

June has been designated as National Barbecue Month to celebrate the cooking artistry of the American male, to promote the relaxation of his wife and to enjoy with friends and neighbors... the spicy flavors and juicy savors of food prepared and eaten under the sky.

And coincident with Barbecue Month, beef is arriving on the market at levels well above a year ago — 10 to 15 per cent more, according to the USDA. Look for exciting specials!

The new transparent meat trays gaining popularity in so many supermarkets make it much easier to select barbecue cuts. You can check the color, bone size and marbling through the clear plastic of the container.

Generally, all meats lend themselves to barbecuing. James Allan & Sons recommend pre-cooking Allan's corned beef brisket, brushing it with 1/2 cup brown sugar mixed well with 2 tablespoons of prepared mustard, and broiling it on the grill for several minutes.

And Gwaltney Incorporated suggests slicing Pagan Brand smoked ham for charcoal broiling, brushing each piece with butter. Blue Ribbon Packing Co., Houston, packages DeLuxe Brand smoked sausage ground especially for barbecuing.

Short ribs which have a good streak of lean are delicious when marinated and broiled to a crusty rareness over low coals. Don't have them cut up, but

use larger pieces which carve easily.

Charcoal broiling brings out exceptional flavor in poultry, too. Safeway Stores packs Manor House baby turkeys especially for barbecuing. They're a convenient size, quick frozen and ready to cook.

For pinpoint control of the annoying little fires caused by barbecue drippings, try a child's water pistol. It extinguishes the flames without scattering ashes or drowning the bed of coals.

Try Kraft's Salad Bowl instant Italian dressing for a delightful salad in the carefree tradition of outdoor cooking. It contains all the colorful spices which add flavor and sparkle to salads. Weight watchers can combine the package of mix with 1 cup of buttermilk (or tomato juice), 2 tablespoons each of water and vinegar for low-calorie enjoyment.

If your barbecue is an away-from-home picnic, take along some of the new boil-in-a-bag items for convenient cooking and tempting variety. Rea-D-Pack Foods markets Easy-Way Franks 'n' Kraut which can be cooked in a teakettle or coffee pot — in plain, boiling water, of course. Each bag is one portion.

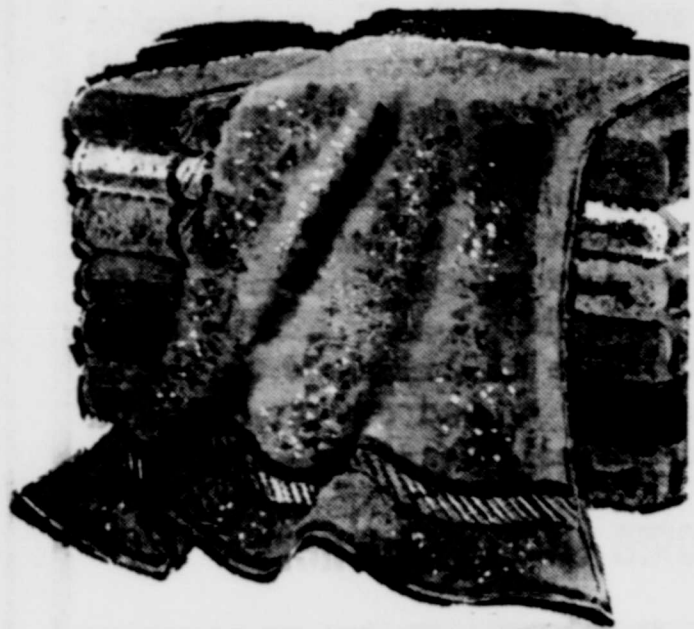

Statisticians predict that \$1 per cent of American families will cook outdoors this summer. They'll spend over \$100 million on grills and other accessories, plus \$750 million on foodstuffs and flavorings. Buy some charcoal and join the fun!

SHOT GUN SIGHT

More and more states require shot gun-only for deer hunting. And every test ever made has shown shooters that equip their shot guns with sights shoot straighter and bring home more deer. Here's a way to make a fast emergency re-sight. Snip the shank and ball off the clip-on spring that holds a pencil in your pocket. Tape it into rear groove. Shank gives plenty of purchase for tape to hold securely and the ball and front sight are all you see when you sight over the barrel. Align two and you're on target.

NOTICE

Billy Joe Bradley of Burkburnett announces that he is NOT getting married again. The marriage license that appeared in the Wichita Falls newspaper recently was for Billy Joe Bradley and Miss Janet Rae Harris, both of Chickasha, Oklahoma. 41-1P

ENGAGEMENT REVEALED

Mr. and Mrs. William Howard Clement of Burkburnett announce the engagement and approaching marriage of their daughter, Carolyn, to Lewis A. Gray, son of Mr. and Mrs. Lewis P. Gray, also of Burkburnett. The ceremony will be performed August 11 in First Baptist Church. Miss Clement is a graduate of Burkburnett High School and attended Texas Christian University. The prospective bridegroom received his B. B. A. degree from Southern Methodist University.

Key-Klinkerman Vows Read June 8th

The Clara Lutheran Church was the setting June 8th at 7:00 p. m. uniting in marriage Miss Carol Ann Key and Gene Dale Klinkerman. The bride is the daughter of Mr. and Mrs. Arlis D. Key, the bridegroom is the son of Mr. and Mrs. O. E. Klinkerman, all of Burkburnett.

The double-ring ceremony was read by Rev. Otten of Burkburnett, assisted by Rev. Janosky of the Clara Church who gave a short sermonette before the vows were read. Music was provided by Mr. Richard Siber. Given in marriage by her father, the bride was attired in a pale pink street length dress, and she wore a bouquet of white carnations. Mrs. Billy Bumpus was her matron of honor.

Mr. Billy Bumpus served as best man, and Miss Pamela Klinkerman attended the guest book. Immediately following the ceremony a reception was held in the Parrish Hall of the church. The table was laid with the bride's chosen colors of pink and white.

A two tier wedding cake with miniature bride and groom was center of attraction. Assisting with serving the cake and punch, were Mrs. Marion Jetton and Mrs. Marvin Klinkerman, sister and sister-in-law of the groom.

Out of town guests attending the wedding were: Mrs. Paula Vaughn, Mrs. Marion Jetton, and Mrs. Dick Dorrie.

The couple now reside at 703 Avenue F in Burkburnett.

Unlimited Facilities For Fun In Burnet

Tourist information on Burnet, one of Central Texas' finest vacation cities, lists many fine features.

Fact of the matter is, there are so many fine features in this wonderful land of lakes and hills that it's hard to relate all of them.

Perhaps Burnet's best and most accurate claim is that it has "unlimited facilities for fun." To list a few features: Burnet is located among five lakes with a total of 76,000 surface acres of water, nearby Buchanan Dam is the largest multiple arch dam in the world; Inks State Park, located on the shores of Inks Lake, covers 2,000 acres; nearby Longhorn Caverns is the third largest in the world and is dramatically lighted throughout its two-mile expanse.

There are other recreational facilities such as parks and a golf course, but there also are historical sights to see. In addition to a fine museum, nearby Packsaddle Mountain was the site of the last Indian battle in Texas.

If the best things in life are free, how come we have to pay so much for less than the best?

Theta Epsilon Sorority Wins Outstanding District VI Awards at Burkburnett

The District VI Meeting of Epsilon Sigma Alpha International was held June 9, in Bowie, Texas, in the Community Room of the First National Bank. Registration began at 10:00, followed by a coffee served by the hostess chapter.

A delicious buffet dinner was served to approximately sixty members of District VI.

Mrs. Louie McCarthy, District VI president presided during the business meeting.

Highlighting the meeting was the presentation of District Awards for the past year. Theta Epsilon won first place on their educational programs which was "Foods for Special Occasions." Theta Epsilon also took first place for their welfare work in District VI.

Our chapter was outstanding, in that it was the first chapter in the district to be 100 per cent paid in all chapter dues.

Our chapter Scrapbook won second place.

An impressive installation service for 1963-64, officers was performed by Mrs. Jesse McCullough, Iowa Park, District VI Coordinator. Mrs. Bryan Farris and Mrs. Clyde Slusher from Burkburnett were installed as recording secretary and treasurer respectively.

Attending from Burkburnett were Mesdames Bruce Sheperd,

Bryan Farris, Bill Glasson, Slusher, Quinton Howard,mond Brammer and Spinks.

Next meeting will be in Burkburnett in November.

An American Treasure In Texas

An American treasure saved by means of a book held in the Library of Congress. You too can have such a treasure. In fact you can have it yourself, because Texas' original subject is the Ygnacio Ranch, on the border between Laredo and Texas.

This little river was founded in 1790 and Spanish language is most prevalent. On the ranch is a large of buildings. All are structures tall with an ing balcony.

Ceiling beams in the building have the name and the date of construction scribed thereon. You also will find an old Fort San Ygnacio built in 1835.

NOW IS THE TIME
By Tom Anderson

Publisher, Farm and Ranch Magazine
Abraham Lincoln said, "The people are the rightful masters of both congresses and courts, not to overthrow the Constitution, but to overthrow the men who pervert the Constitution." If we are done in, it won't be

by Gus Hall and his American Comrats. And it certainly won't be by the likes of Castro. The greatest enemy is the enemy within—and that enemy is now in control.

TAKE ACTION

What can you do? Work in the party of your choice. But never put party above principle. The country, not the party, comes first. Socialists have infiltrated, and in many cases dominate, our educational system, our churches and key positions of government. Oppose the centralists. Help bring government back home. Insist that your local officials refuse "federal aid." Reduce government to a size that the people can control. You control the government, if you are free, and not vice versa.

Our leaders are surrendering us. "We must be united," our leaders say. United for what? Surrender?

Revoke the Disarmament Bill (HR 87-297) and the congressmen who passed it. This treason treaty sets up a program to turn over our entire defense establishments — army, navy, air force, missiles — to the United Nations within a nine-year period.

One billion people are enslaved. Millions who once knew freedom (including several thousand Americans) are rotting away in filthy jails and slave labor camps without hope.

ESTABLISH MORALITY

What's wrong? Lack of morality, mainly. We've let our morals down. Freedom and morality are one ball of wax. We've sold out many of our freedoms for a mess of pottage, for "federal aid." We've been seduced like the Romans before us, with bread and circuses. Unless morality lives, freedom must die; unless freedom lives, morality must die.

The Administration leaders spoon fed us our Plabum, rock us to sleep to a lullaby, "Peace, It's Wonderful," and coo us to sleep tight and no bad dreams. Like the bus driver, they an-

New Star for Puerto Rico

BETWEEN LAGOON AND SEA—architect's rendering of the newest jewel in Puerto Rico's famed resort section of Condado Beach—The Ponce de Leon. This magnificent \$10 million 350-room resort will contain ultra-modern guest accommodations, as well as meeting facilities for 2,000 persons. It will be completed by the H. R. Weissberg Corporation, national hotel organization, for opening in November 1963. Convention and tourist reservations are now being taken at Weissberg hotels throughout the country. The Ponce de Leon has been designed as one of the world's most lavish beachfront hotels by Basora & Menendez of San Juan.

nounce: "Relax and enjoy it, and leave the driving to us."

In 1930 Communist Demitry A. Manuilsky wrote: "War to the hilt between Communism and Capitalism is inevitable today, of course. We are not strong enough to attack. Our time will come in twenty to thirty years. To win we shall need the element of surprise. The bourgeois will have to be put to sleep, so we shall begin by launching the most spectacular peace movement on record. There will be electrifying overtures and unheard of concessions. The capitalist countries stupid and decadent, will rejoice to cooperate in their own destruction. They will leap at another chance to be friends. As soon as their guard is down, we shall smash them with our clenched fist."

AMERICA'S OPPORTUNITY
This world cannot exist half slave and half free. Which will it be? That depends on you — on America. America can save the world if you and I can resurrect just two things: morality and courage. We have all

else we need, in super abundance. Only the courageous are moral. Only the moral are courageous. Only the courageous and the moral are free. The moral are free.

TWO KINDS OF GOITER

Q. What causes goiter? Is goiter in any way related to diet?
A. Simple (endemic) goiter is an enlargement of the thyroid gland due to inadequate intake of iodine. That's why we use iodized salt . . . to overcome any deficiency of iodine. Toxic goiter (thyrotoxicosis) is a condition which results from excessive secretion of the thyroid gland. This is a medical and/or surgical problem which must be dealt with by a physician. It should be remembered that the term "goiter" does not in itself mean disease, but rather enlargement or a tissue change involving the thyroid gland.

ASIAN FLU VACCINE

Q. Is it possible to contract Asian flu as the result of taking the vaccine? For how long is a person protected by Asian flu vaccine?
A. Flu vaccine will not induce the disease although some immunized persons develop an aching feeling and nasal symptoms which last a day or two after the injection. Two injections of flu vaccine provide protection for about one season. Continued protection can be obtained by taking a "booster" injection each year.

The real "miracle" of today's medicine is that so much cure costs so little.
