American Legion And Auxiliary News

REPORT ON 13TH DISTRICT CONVENTION HELD IN BURKBURNETT

Burkburnett was honored the 19th and 20th of October by hosting the Thirteenth District fall convention. Registration began at 1:00 p. m. on the 19th of October. The Auxiliary was hostess for a social hour from 5:30 to 7:00 p. m., which was enjoyed by everyone. A dance was held from 9:00 to 1:00 p. m.

Sunday, October 20th at 9:00 a. m. registration began for the Sunday session. A joint session was called to order by Burkburnett Post Commander, Willis Bartley. Post Colors were presented by James Condon, 13th District Sergeant at Arms. The invocation was given by District Chaplain, Henry Druesson. The welcome address was given by City Manager, Jess Whatley. Response by Pete Branan, District Adjutant.

Introduction of Legion guests by 13th District Commander, Frank Cunnins of Denton. Introduction of Auxiliary guests by Mrs. J. O. Burk, 13th District President of Vernon.

Memorial Service by Henry Druesson, District Chaplain. Report on National Convention by Earl Hiers, 12th District Commander.

The main address by Aubrey L. Bullard, Service Officer. Recess from 12:00 to 1:00 for a luncheon at Town Hall.

At 1:00 p. m. the Legion had their business session at the Legion Hall, with 13th District Commander, Frank Cunnins presiding over the meeting.

The Auxiliary met at 1:00 p. m. at Texas Electric Reddy Room. The meeting was called to order by Mrs. J. O. Burk, District President. A very nice welcome address was given by Mrs. Eleanor Tereck, Burkburnett Unit President. We of the Auxiliary would like to thank Texas Electric for the use of the very beautiful Reddy Room.

Out of town guests were Mr. Eddy Morris, Grand Conductor of the 40 and 8 of Fort Worth; Department Vice Commander, W. B. Keitts of Corrollton; Mr. and Mrs. Earl Hiers, 12th District Commander of Fort Worth; Mr. Chester Alexander, 5th District Commander of Dallas; Frank Lobano, 5th District Vice Commander; Frank Moore, Chairman of Baseball of Fort Worth and Mr. and Mrs. Bill Plunier of Paris.

Burkburnett was honored Sunday by a visit of Senator George Moffett of Chillicothe, Texas at the convention.

The Auxiliary had their first division President, Mrs. R. M. Schott of Dallas, also Mrs. C. K. Lawson of Dallas.

Over one hundred people registered for the convention. We of the Frye-Vaughn Post 264

Volunteers Needed For Individual Class Reunions During BHS Homecoming

Volunteers are needed for individual class reunions which have been scheduled for Saturday afternoon during the Burkburnett High School Homecoming November 8 and 9. Any hometown ex-student who would like to have an afternoon coffee for their graduating class are urged to contact F. T. Felty, Jr., as soon as possible.

Friday's homecoming activities include a parade, football game and a coffee hour. Open house at the new high school, individual class reunions and the homecoming banquet will highlight Saturday's activities.

If you are an ex-student of Burkburnett High School and have not received a letter and reservation card, contact President, F. T. Felty, Jr., or Reservation Chairman, Mrs. Jerry Thomas.

THANK YOU

The Band Parents Club wishes to thank each one who helped on our calendar sales. We particularly appreciate the merchants who bought ads and each one who ordered listings and calendars.

NOTICE

There will be a meeting of the Band Parent's Club Monday night October 28th at 7:30 at the Old Band Hall.

Burk High School Choral Group Makes Debut

At the regular meeting of the Burkburnett Lions Club last Tuesday evening, Lion Walter Koller introduced Mrs. Sidney Askins, choral director at Burkburnett High School. Mrs. Askins, before introducing the program for the evening, explained that the present choral program at Burkburnett High School centers around one class of forty-eight students; but future plans predict an all-boys choir, a freshman choir, a Glee Club, and an advanced mixed choir. Mrs. Askins also expressed her enthusiasm concerning the new auditorium scheduled for construction at a later date; and pointed out that not only does a school need to develop athletic talents, but has a grave responsibility to develop musical, scientific, and other talents as well.

The well-dressed sextet then received their introduction. Alto, Virginia Eaton and Judy Monson; Soprano, Treva Mills and Nancy Taylor; Bass, Mike Clark; Tenor, Max Crowley; Piano, Jerrie Laney.

The group displayed their artistic talents by singing "Once In Love With Amy," "Almost Like Being In Love," "He's Got the Whole World In His Hands," (which featured a solo by Max Crowley) and "Done Caught A Rabbit." The group was well-received because of their fine performance.

Finally, Lion President, Roy L. Silkwood closed by saying, "A spoonful of prevention is worth a mouthful of cure."

Newcomers Welcomed To Burkburnett

The Burkburnett Chamber of Commerce and the Greeters Service wish to welcome the following newcomers to our city.

Torice Tompkins
Pedro Muga
Charles Rice
J. W. Nalepka
Charles Megee
Herbert Tarres
David Jones
J. E. Rezny
Peter Earle
Charles Sampson

HOOTENANNY TO BE HELD IN PARKER SQUARE

A "Hootenanny" will be held after the football game Friday, October 25, in Parker Square. The "Hootenanny," sponsored by the Burk Youth Council, will feature the Carlton Weavers, folk singers, and Howard Correll, nationally known singer presently conducting the music at the First Methodist Church Revival.

All Burkburnett and Capehart teenagers are invited.

Recent visitors in the home of Mr. and Mrs. G. C. Henson included Mrs. Henson's sister, Mrs. Russell Hall of Oklahoma City and nephews, Mr. Arthur Hall of Oklahoma City and Mr. and Mrs. Hubert Hall of Norman, Oklahoma.

Humble to Broadcast 3 SW Conference Games Sat., Oct. 26

Humble Oil & Refining Company will sponsor the broadcasts over radio this Saturday of three Southwest Conference football games.

The SMU-Texas Tech game will be broadcast from the Cotton Bowl in Dallas by Connie Alexander and Jim Wiggins. Radio time will be 1:45 p. m. (CST).

The Texas A&M-Baylor game will be broadcast from Kyle Field in College Station by Ves Box and Eddie Hill. Radio time will be 1:45 p. m. (CST).

The Texas-Rice game will be broadcast from Memorial Stadium in Austin by Kern Tips and Alec Chesser. Radio time will be 7:15 p. m. (CST).

Gov. Guy Harrell To Visit Local Optimists

Guy Harrell, Governor of District 38 of Optimist International, of Odessa, Texas, will visit with the local Optimists at their regular meeting Thursday at 7:00 p. m. in the Town Hall.

The local Optimists are making final plans for the Youth Center opening. Optimists B. K. Watkins and Glenn Modl are program directors for the center this year.

The Christmas Tree committee are making final plans for the Annual Christmas tree sales. Be sure and buy your tree from the Optimists. All profits go to youth work.

The Blanche Groves Circle Met Monday Morning at 9:30 a. m.

Mrs. J. N. Cantwell was hostess to our Circle in her home Monday morning at 9:30 a. m. Chairman, Mrs. R. P. Thaxton, presided at the meeting.

Song, "Are You Washed In the Blood." Prayer by Goldie Gilbert. Devotional by Mrs. R. P. Thaxton. The secretary-treasurer read the minutes of the last meeting in September.

The prayer chairman, Mrs. Margaret Parrish, read the devotional with Mrs. Thaxton and the prayer calendar of missionaries whose birthdays were observed.

Refreshments of German chocolate cake and frosted Cokes were served by the hostess to nine members present at the meeting.

The secretary-treasurer had us to mark up the card for October at each meeting.

Mrs. R. P. Thaxton gave the dismissal prayer.

Those present were as follows: Mesdames R. P. Thaxton, J. N. Cantwell, W. R. Carswell, Lawrence Gilbert, Bill Cox, Earl Van Deren, John Parrish, J. C. Hinkle and Oma B. Van Cleave.

The book we had today was the study of Grace McBride by Lela Watson. The community chairman with Mrs. Thaxton, brought the report on community missions.

Next Circle meeting will be with Mrs. Bill Cox November 4th.

All reported a good meeting. Miss Oma B. Van Cleave, Reporter.

'Dogs To Host Stephenville Friday Night

By D. W. Underwood

Feeling better after a transfusion, in the way of a 28-14 win over Vernon, the Bulldogs prepare to dig in for a defense of the home front Friday night, when they host the Stephenville Yellow Jackets at 8:00 p. m. in Morgan Stadium.

The win came at a good time and it would have to be considered an impressive one. The Bulldogs dominated the statistics with 17 first downs and 309 total offensive yards against Vernon's 8 firsts and 213 total yards. The ground defense proved double tough, although they allowed 52 yards via that route in the first half.

They made up for that, giving up only 17 yards on the ground in the second half, one of those in the third quarter. The Lion's passing attack proved to be the only route of mobility for the hosts.

Strong line play, led by big Pete Glover and Chuck Keathley was a prime factor in the win. Johnny Nyby was an unheralded offensive standout picking up 118 yards in 15 carries and scoring two touchdowns. His counterpart on the yardage chart was Henry Bauch with 98 yards in 19 carries, two touchdowns, and a conversion. Bauch remains the team's leading ground gainer with 321 yards for the season.

The Stephenville Yellow Jackets are tickled pink over the showing of their fine quarterback, Gary Golden, 175. In a conversation with a Stephenville coach last week, this much was learned, according to the coach, "Gary's a good boy, probably one of the most improved players in the conference."

Halfback Mike Littleton and Center Steve Gunn are top hands also. The Jackets are not to be taken lightly. Just about three short weeks ago they fooled the experts, dumping the favored Lions, 12-6.

Seeing a new spark of life in Burk's boys last week, I feel that they will be up for this game. The Bulldogs are a team that no one should be ashamed of here in Boontown. I have confidence enough that I'll call it a victory for the Bulldogs — by two touchdowns.

National Bible Week - 1963

The Holy Bible continues to be, as it has been for many generations, the best seller of all books published in this world.

In helping to further an interest in a reading and study of the Great Books, the Laymen's National Committee, Inc. asks that we set aside the week of October 21st through 27th and recognize it as National Bible Week. This year marks the 23rd in a long and auspicious line of Bible Week observances. A timely theme has been chosen "The Bible—Symbol of Unity."

When we speak of unity in conjunction with the Bible it can mean but one thing—the joining together of all faiths in a drive to bring peace and understanding to all men in today's troubled world.

Let the Bible be a symbol of unity, both in family and nation.

Another U. S. Idea Is Exported

This country does more than export commodities abroad. It exports ideas.

The supermarket—culmination of the mass distribution idea pioneered by the chains—is an example. In recent years representatives of the chain store industry, along with other experts, have set up typical markets at fairs in various European countries. They turned out to be smash hits, and have been widely established in foreign cities.

Now, says Parade magazine, "Supermarkets have invaded Japan's retail business, revolutionizing the traditional Nipponese shopping pattern." The Japanese know a good thing when they see it, and 3,000 markets have been built in Japan.

Japanese housewives, like their European counterparts, have done their shopping in centuries-old style, visiting store after store, each one of which is intensely

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Many ask what good has been accomplished by huge sums of U.S. tax money thrown around in Latin America.

Probably nothing. In fact, there is perhaps quite valid evidence that nothing has been accomplished beyond confusing the peoples of Latin America.

Some interesting comments are made in a publication titled "Mexican-American" published in Mexico City by Hugo Salinas Price. We do not know Senior Price, but his writings are interesting.

He reports that recently an American economic professor, a John P. Fowelson was sent down to lecture at the National University in Mexico.

Senior Price reports that the Mexican newspapers covered his talk in this fashion.

"The economist Fowelson spoke on monopolies. He considers them in some cases necessary. The existence of great enterprises and even of monopolies, is necessary and not a negative factor in the economic development of the capitalist countries." He is then quoted as referring to the convenience of establishing large enterprises in Latin America without fear of monopolies.

This caused Senior Price to write "If the U.S. has such strict antitrust laws, why does an American economist advise us of the convenience of establishing large enterprises in Latin America?"

Latin America without fear of monopolies? This is typical of the people who are in charge of socializing Latin America through the Alliance for Progress; to persecute private wealth through taxation, and to advocate State-owned monopolies and trusts."

Senior Price also reported on the appearance in Mexico City for a roundtable discussion participated in by several avowed communists of Dr. Walt Rostow, chairman of State Dept. Policy Planning Committee.

Now Senior Price writes there is nothing wrong with being a planner, but Dr. Rostow, he avers, is the kind of planner who plans other people's lives, other people's work, and spends other people's resources.

As substantiation, he quotes from an article by Dr. Rostow in the London Economist as late as August 15, 1959, who wrote, "The central government should be capable of organizing the nations so that unified commercial markets develops. It should create and maintain a fiscal and tax system which will channel resources toward modern uses." "Modern uses" is government spending.

This then, is an example of dogma being preached in Latin America by State Dept.

It thus, seems to leave little room for wonder why Latin American dictators, with this doctrine from the Big Brother of the North given to them, "channel" as much of their respective national wealth as possible, to safe places against the day their people wise up and revolt. For this type of advice, who needs U.S. State Dept?

specialized, offering only bakery goods, or meats, or vegetables, and so on. To fill the shopping list in this way involves not only a hike, but a good deal of waiting around. So, naturally enough, markets in which everything is offered under one roof, and transactions are completed swiftly and pleasantly, met with instant enthusiasm.

Better retailing thus becomes one more of America's contributions to the world.

Grass Roots Opinion

FAIRBURY, ILL., FORREST NEWS: "It is about time that a halt be called on some of this increase in taxes which is being imposed on the American public at every turn of the wheel. Federal, State and local taxes are constantly rising until the poor overburdened guy who foots the bills hardly knows where to get the money to meet his obligations."

TIMELESS

A boastful Englishman was holding forth on the merits of his watch to friends in New York City. At last one of the Americans decided he could stand it no longer.

"That's nothing," he interrupted. "I dropped my watch into the Hudson a year ago, and it's been running ever since."

The Englishman looked taken aback.

"What?" he exclaimed, "the same watch?"

"No," he replied, "the Hudson."

Ways From The County Agent

Management is indeed an important link in the chain of dairy production and dairymen should examine this part of their operation for an answer for low production if the other phases of their operation are correct.

Development of labor saving equipment for loading and spreading cotton burs on the land has done much to stimulate this practice over the state.

Haws points out that use of burs provides additional humus and improves the physical condition of the soil as well as improving the water holding capacity. Ginners like this method because it reduces the nuisance of burning gin trash.

They also feel that improving the cotton land will give them a chance to gin more cotton from the same land.

Fall armyworms, which develop best during cool, wet weather, are being reported in many areas of the state.

The worms which feed primarily on pastures, lawns and native grasses during this part of the year, may later become a problem on small grains. They probably cause more economic damage to fall planted small grain, grain sorghum, and Bermudagrass in Texas than to other crops.

The worms eat the forage and tender stems of the plants they attach and cause whitish patches in fields of grain or pastures which are the first signs that the worms are present.

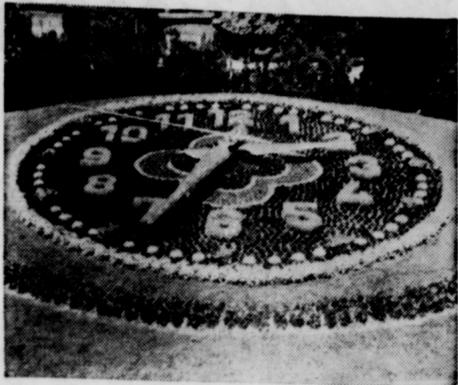

Much of the complicated machinery like balers and combines are susceptible to depreciation from weathering during the period of inactivity during the winter months. He suggests that those be stored out of the elements where possible. More simple tools like disc, harrows and rakes need to be scraped clean or rust and corrosive material and then painted. Also, he says, it will pay to make the necessary repairs now so you will be ready to go next spring.

TICK TOCK, FLORAL CLOCK! This replica of the unique floral clock in Geneva, Switzerland, will be presented to the city of Dallas as a gift from the Watchmakers of Switzerland, and will be placed inside the Parry Avenue main pedestrian entrance to State Fair Park in Dallas. Arrangements for the clock's presentation on Tuesday, October 15, are being made by State Fair officials. Formal presentation of the floral clock will be made during the 1963 State Fair of Texas, October 5 through 20, in connection with the "Wonderful World of Jewelry and Gifts" exhibit at the exposition.

weather isn't far away, so don't get caught without this item if you plan to leave water in your tractor radiators this winter.

Cross breeding of hogs has gained popularity with commercial producers. Several combinations are possible, but the three-way cross has become the most popular. Hybrid vigor is stimulated by mating a single-cross gilt to a purebred boar of another breed.

By 1975 farmers and farms will be fewer, but they will be called on to produce more food for people. This will mean that the farmer, who is now producing enough food for 26 people, will have to increase production about 50 per cent to produce food for 42 people by that year.

Nature does make mistakes: sometimes she puts all the bones in the head and none in the back.

Smart people may speak from experience. Smarter people, from experience, don't speak.

The poor man must walk to get meat for his stomach, the rich man to get stomach for his meat.

For The Ladies

While 2 x 4's may seem remote from the area of feminine interest, they are prime sources of things dear to female hearts.

For one thing — extra space. According to the Southern Pine Association, 2 x 4's are key elements of wood trussed rafters. These engineered devices are so strong that the roof needs support only at the outer walls. This permits larger rooms and more storage space.

VETERANS Questions & Answers

Q—My disability compensation was reduced when my daughter, who had graduated from high school, became 18 years of age a short time ago. She now plans to enter training as a beautician. Will my compensation be reinstated to the former amount?

A—Yes. Additional amounts for dependents are paid to veterans receiving 50 percent or more disability compensation. This includes children over 18 and under 21 who are attending school. You should notify your VA regional office when your daughter returns to school and obtain the necessary forms and instructions.

Q—Is a peace-time veteran eligible for vocational training by the Veterans Administration?

A—Yes, provided that a disability which was suffered in the service prevents or interferes with his former vocation.

See the nearest VA Office for details.

Q—I will be discharged from service soon. As a veteran, will I be entitled to a pension?

A—Pension benefits are available to veterans who are totally and permanently disabled not due to their military service and who can meet certain income and estate limitations. They must also have had at least 90 days of active service, any part of which was served in wartime, and their discharge must be other than dishonorable.

All work done according to U.S.D.A. Specifications and Recommendations

Put 'er there pal!

There's only one place you can discover Ford's new total performance '64...the driver's seat...and your Ford Dealer invites you to put 'er there today!

What's Total Performance?

It's the end result of knowledge gained in open competition . . . a new ride, ruggedness and response bred into every '64 Ford.

But words alone can't tell you how much Fords have changed. You have to test-drive the cars themselves. The seat of your pants may not be very scientific . . . but you'll get the message!

COLORED WASHABLES KEEP THEIR SPARKLE WITH CLEAN FLAMELESS ELECTRIC DRYING

Your colored washables retain their bright original look when dried in the clean gentle heat of a flameless electric dryer. Comparative tests* made by the U. S. government show that electric drying produced the least color change of any method of drying. The same tests revealed significantly less yellowing of white fabrics and less deterioration of certain synthetic fabrics with electric drying than with other automatic methods. This means your washables look better and last longer when dried electrically. See your favorite appliance dealer soon.

FOUNDATION

Our nation is witnessing a building boom, such as has never before been seen. Every day new foundations are being dug and laid. Any builder will tell you that it takes a firm foundation to support today's skyscraper.

Our Lord, in His sermon on the mount, compared those that heed His word, to the wise man that built his house upon a rock, and those that did not heed His word to the foolish man that built his house upon sand and it was washed away.

Build your house upon a rock... Attend church regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

tically no fishing. Then through the tireless work of the commission and its hundreds of efficient employees, game began to make a comeback. Trained biologists were able to study the needs of wildlife. By passing this information on to the landowners, they were in a position to bring about a restoration.

Wildlife had been shot out in most counties. In Central Texas, where today there is an overabundance of deer, it was almost impossible to find a legal buck back in those days. Bulldozers had pushed civilization into the heart of the wildlife habitat. Very few counties in Texas had any wildlife remaining.

But today the story has changed. There's hardly a county in the state that doesn't have some game in shootable quantities.

A typical example is in the Lower Valley, where the white winged dove was uprooted from the colonial nesting areas. They left and went to Mexico.

Our game commission, with the aid of both state and federal funds, was able to buy management areas; and now for the last dozen years we've been able to harvest white-wings.

The commission started a quail hatchery. Even though it has been greatly maligned, it was a huge success as a plant and turned out a great number of birds.

Lack of proper care for the birds at first limited the good that could come from hatchery-produced quail. But again landowners cooperated and today, despite the bulldozer, there is considerably more habitat than even a dozen years ago.

This same story is true of the fish hatcheries. Perhaps there are too many hatcheries. Perhaps it was economically unsound to give away fish to private landowners to stock private ponds.

But the fact remains that we have more good fishing in Texas today than the Indians

Appetizing Salad Makes The Meal!

Prepare a package of lemon-lime flavor gelatin and team with juicy red apples, crisp walnuts, velvety smooth cream cheese and zesty blue cheese... behold a tasty and attractive salad. Served with a hearty soup and bread-sticks, it makes an economical and appetizing week-end meal.

Blue Cheese Apple Salad

- 1 package (3 ounces) lemon-lime flavor gelatin
- 1/2 teaspoon salt
- 1 cup boiling water
- 1 tablespoon lemon juice
- 3/4 cup cold water
- 3/4 cup diced unpeeled red apple
- 1 package (3 ounces) cream cheese, softened
- 1/4 cup crumbled blue cheese
- 1/2 cup broken California walnuts

Dissolve gelatin and salt in boiling water. Add lemon juice and cold water. Chill until very thick. Fold apples into 3/4 cup of the thickened gelatin mixture. Pour into a 1-quart mold. Chill until set (but not firm).

Place bowl of remaining gelatin mixture in ice and water. Whip with rotary beater until fluffy, thick, and doubled in volume. Blend softened cream cheese with blue cheese and a small amount of the whipped gelatin mixture. Blend into remaining whipped gelatin mixture. Then add walnuts. Carefully spoon into mold over almost-firm gelatin. Chill until firm. Unmold onto crisp lettuce and garnish with mayonnaise and walnut halves, if desired. Makes 8 servings.

ever dreamed of in their wildest imaginations. We are catching over size bass from stock tanks in far western Texas where fifty years ago a bass was unknown.

Men and women who hunt and fish paid the bill for all this. None of the money came from the general funds of the state.

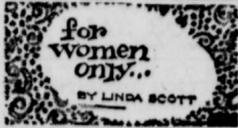

Work was hampered many times, but never stopped, by lawmakers who found it im-

possible to have their own way with men trained in the field of wildlife conservation. Despite obstructions our wildlife continued to prosper.

During all this time the state park system was operating with a niggardly budget.

It is entirely possible that under the new program, with parks and wildlife combined, a great job can be done.

If the children are inclined to wash and run, leaving towels on the floor instead of on the rack, you can foil them by sewing snap type fasteners to the ends of the towel. Drape the towel over the rack, snap the fasteners a little there to stay. Another method: secure the towel with safety pins.

It's possible to keep your personal telephone directory up to date and neat appearing too, if you write the numbers in pencil even though you may write the names in ink. By erasing numbers and penciling in new ones whenever changes occur you avoid cluttering up the book with corrections.

Rust stains on porcelain and in clothing or other fabrics are caused by iron in the water supply. Non-abrasive compounds made expressly for the purpose should be used to remove rust stains on porcelain. Use liquid bleach to remove stains in fabrics, following directions for proper solution. One water conditioner manufacturer, The Lindsay Co., St. Paul, Minn., has come out with a home conditioner that solves the problem before it starts by removing iron from water at the same time it is softened.

Dull scissors can be sharpened quickly by cutting sandpaper with them, using two pieces of sandpaper placed back to back with the rough sides showing. Similarly, pinking shears can be sharpened by cutting through a double fold of aluminum foil several times. 863

IF YOU HAVE A NEW HOME IN MIND...

Take steps now to turn your wishful thinking into purpose-action pointed toward proud possession of that home of your own...perhaps much sooner than you expected! First step is to open a savings account here and set up a schedule of systematic deposits to accumulate the down payment.

is the new liberal dividend rate paid on savings here. It will speed the growth of your money to the total required to open the doors to home ownership to you. Then we'll be happy to arrange a Home Loan for you to finance the balance. The cost will be low, and repayment terms custom-tailored to your income. Come in, talk it over!

new name, new size, new style, new spirit,
new car!

New CHEVELLE! by Chevrolet

Only this could come between Chevrolet and Chevy II. The Chevelle is a highly polished car on a trim 115-inch wheelbase. Remarkably agile and easy to handle and park. But it's roomy inside, with many of the comforts you'd expect in a bigger car.

Its ride comes from the people who developed the Jet-smooth kind. Its four engines—V8 or 6—carry that irrepressible Chevrolet spirit all

the way up to 220 hp*. Its lively, graceful styling and Body by Fisher craftsmanship make its modest price all the more remarkable. And it comes in three series and eleven models—wagons, sedans, sport coupes, convertibles. Want to check further? Consider this your invitation for a real hood-raising, door-slaming, seat-bouncing, wheel-turning time of it at your Chevrolet dealer's. *Optional at extra cost.

See five entirely different lines of cars at your Chevrolet Showroom—CHEVROLET, CHEVELLE, CHEVY II, CORVAIR & CORVETTE

DEVOL NEWS

Mrs. C. O. Woodley, Reporter

The Royal Ambassador Boys held their regular meeting Tuesday, October 15th at four o'clock at the church. Those present were Mrs. Harp, Mrs. J. W. Dorton, Ronnie and Johnny Dorton, Donald Swinney, Gary Cole, Steve Harrison and Jimmy Raleigh. The R. A. Boys will present a program at the church on the night of November 3rd. Everyone is invited.

A Halow'e'en party will be held in the Community Building October 31 at 7:30 p. m., sponsored by the local Baptist Church. Games will be provided for children and adults and everyone in the community is invited to be present for an evening of fun and a get-together.

Mr. and Mrs. E. N. Miracle visited in Temple, Oklahoma Sunday and attended church services there.

Welcome showers were received here over the week end and through Monday which pleased not only the farmers, but everyone, especially well-come was the cooler temperatures which accompanied the showers.

Guests in the home of Mr. and Mrs. A. J. Adams Sunday were their children, Mr. and Mrs. Billy Mullins and children and Rex Mullins and children, all of Chectah; Mr. and Mrs. Irvin Adams of Randlett; and Mr. and Mrs. J. W. Adams and Mr. and Mrs. Charles Adams and their families; and Mrs. Adams' mother, Mrs. Buelah Burcham who has been ill in a hospital at Clinton for some time, but was able to be in the Adams' home over the week end. She is now receiving care in a nursing home in Grandfield.

Mrs. Mary Linda Combs and son of near Rocky spent the week end with her parents, Mr. and Mrs. Tom Monson.

Mr. and Mrs. Odis Bridges and family of Wichita Falls were Sunday guests of Mr. and Mrs. C. O. Woodley.

Steve Davis of Cameron College spent the week end with his grandparents, Mr. and Mrs. J. B. Stevens.

M. T. Crocker underwent surgery in the General Hospital in Wichita Falls Monday. No report had been received Monday afternoon as to his condition.

Mrs. Maud Green and son Max Green of Lubbock, Texas spent the week end with her daughters, Mrs. Carl Foster and Mrs. Robert Wyatt and their families.

The Devol Doers Club met in the Community Building Monday for their regular meeting with Mary Beth Doty hostess. Mrs. Doty read the devotional from Matt. New officers elected were Linda Head, president; Joan Adams, vice president; Sammie Harrison, treasurer and Mary Lucille Cole, re-elected secretary. Mrs. Betty Dahms gave the lesson proper fitting of clothing. Seven members were present.

The next meeting will be the 3rd Monday in November.

Contemporary Club Met October 1st With Mrs. Irvin Smith

Mrs. Irvin Smith was hostess to a regular meeting of the Contemporary Study Club Tuesday night, October 1st.

President, Mrs. Joe Crowley, called the meeting to order and presided over the business meeting following the club collect, roll call, reading of the minutes and the treasurer's report.

The main civic project of the club this year will be the Burkburnett Youth Center in cooperation with the Optimist Club. Plans were made to mow the grass, clean flower beds, wash windows and buy new drapes for the center. Members will also help with the activities and chaperone duties.

A discussion was held on the progress of table decorations for the Santa Rosa District Workshop to be held here on November 21st.

It was announced that our president, Mrs. Joe Crowley, was recently named Santa Rosa District Nationality chairman. Also that contributions were made to all TFWC funds and a \$10.00 donation was given to the curtain fund for the Town Hall.

Door prize for the evening was won by Venita Eastman. Refreshments were served to fourteen members by the co-hostess Mrs. David Gibson.

Medical Mirror

DIAPER PRECAUTIONS

Q. I have a young baby and a toddler—both in diapers. Should I use a separate set of diapers for each or "mix 'em up"?

A. If the diapers are used exclusively for their intended purpose there would be no reason for having a separate set for exclusive use by each child. Ordinary washing procedures would be adequate for diapers under the usual circumstances. However, if the older child developed an intestinal infection, his diapers should be boiled for ten minutes as an extra precaution. If diapers are used for general purposes ("burping cloth," etc.) interchangeable use among the two children might well be avoided.

DEFORMED TOENAIL

Q. My left toenail is thickened, deformed, and very painful. One doctor wanted to remove the nail. Should this be done?

A. It is usually advisable, as your doctor suggested, to surgically remove distorted, deformed, thickened nails, especially toenails. To simply trim away such nails does little good because they soon grow again in the same distorted manner. When the nail is removed surgically, regrowth can be prevented by treating the nail bed. In many cases, complete removal of the nail and bed is the only way to provide lasting comfort.

Remember — the diagnosis and treatment of disease is the function of the patient's personal physician.

Your telephone is the shortest line to prompt prescription service. Call us for free pick up and delivery service.

Burkburnett Women Attend "Garden Club Day" at State Fair In Dallas

Members of several Burkburnett garden clubs met Wichita Falls garden club members at the Forum at an early hour Tuesday morning, October 15 to attend "State Garden Club Day" at the Dallas Fair.

With the capable tour arranger, Mrs. Mary Hood, and the most outstanding bus driver, Mr. Choate, we arrived at the garden center at the appointed time.

A great number of garden club members from over the state were in attendance. The highlights of the day were the presentation of a lovely sterling silver bowl to Mrs. Chester Kilpatrick of San Antonio, immediate past president of Texas Garden Clubs, Inc., as the outstanding state garden club member of the year, and next was a lecture by the outstanding teacher and speaker, Mr. Buddy Benz of Houston. His subject was "Free Form — Interpretive Design." The keynote was stay within your rules and principles and interpret your idea so a picture is painted with flowers and the use of an appropriate container. His first published book was on display and for sale at the entrance. The title was "Free Form-interpretive Design."

A lovely luncheon was served in the garden center. A fair, a short stop downtown Dallas and a stop at a glass factory at Decatur completed the days activities.

Thirty members made the trip including seven from the Burkburnett Garden Club: Mesdames J. B. Riley, Johnnie Her-ring, Virgil Mills, John Brookman, Luther Caffee, J. C. Adams, Grady Fuqua; and from the Mimosa Garden Club of Burkburnett, Mrs. Ralph White and Mrs. Fred Thompson.

To expect to be well paid for doing less than your best is expecting too much.
