Wichita Falls Chamber Commerce Delegation Visited Business Firms In Burkburnett Wed., April 8th

Burkburnett the oil field "boomtown" of forty years ago, was the object of more attention Wednesday, as an area relations group from the chamber of commerce in Wichita Falls visited the progressive minded city.

The group was met at the office of Texas Electric Service Company in Burkburnett by Jerry L. Thomas, president of the Burkburnett Chamber of Commerce, and other members of the organization.

First stop for the contingent of visitors and members of the host chamber of commerce was the Gun Shop, operated by F. Reid McCandless and his wife at 219 E. Main in Burkburnett. McCandless, an instructor at Sheppard Air Force Base, has been a collector and dealer for several years and has an extensive stock of new, used and antique guns, Indian relics and coins.

Thomas described the Gun Shop as a business rarity in a city the size of Burkburnett. The delegation then visited the First National Bank of Burkburnett where Thomas, vice president and cashier of the institution, provided the group with a tour of the building, remodeled in 1962. At the beginning of this year, the bank had deposits of more than \$6,625,000; it has shown a firm growth since it was organized in 1907. A. R. Hill is president of the bank and James E. Frye, mayor of Burkburnett, is vice president.

The First Savings & Loan Association, which moved into a new building in 1960, was visited next. Albert Dillard, executive vice president, conducted an inspection.

The group circled the block to visit the office and plant of Southwestern Bell Telephone Company. Floyd Marten, Burkburnett manager, conducted a tour of the installation which

Each day, Monday through Saturday, will include a devotional for young people in the junior and senior high and college age group; and a gospel meeting for all ages. The week long activity also includes a christian service training program to be conducted Tuesday through Saturday at 10:00 a. m. by Mr. Hill and his wife. During this service training program, Mrs. Hill will conduct training classes for teachers of the pre-school and primary age groups. Mrs. Hill's classes will be held at 10:00 a. m. on Thursday, Friday and Saturday. Mrs. Hill is well-qualified to do her part as she has had considerable experience and is also dean of women at Oklahoma Christian College.

Mr. Hill has given a tentative schedule of sermons to be preached during the week. The sermons are Lets Ask God, The Nature of Saving Faith, The Nature of Saving Repentance, The Proper Conception of Salvation, Three Steps to Heaven, How We Should Live, Be A Christian and The Great Physician.

Mr. Hill has prepared himself for service to God by studying at Cordell Christian College, Southwestern State Teachers College, Abilene Christian College and Oklahoma State College. Added to this is the experience gained as preacher at Brownwood, Munday and Sweetwater, Texas; Stillwater, Oklahoma; and the Cleveland Avenue Church of Christ in Wichita, Kansas where he worked for ten years. Six Seniors With Perfect Scores

Five of the six seniors of B. H. S. who got perfect scores on their Air Force Entrance Exams, last week are: Joseph Bodwen, Jr., Marvin S. Arthington, Richard M. Grosse, Dana J. Matherly, and Mitchell E. Henry. Not present at the time was Thomas A. Lambert.

According to recruiter, T/Sgt. Lee Milam, one man in about 200 ever scores 100% on the Air Force Entrance Exams, but six seniors of B. H. S. did just that and all at the same time. Joseph Bowden, Jr., Marvin Arthington, Richard Grosse,

Thomas Lambert, Dana Matherly and Mitchell Henry took the examination last week and a very surprised and pleased recruiter marked each 100% correct. Burkburnett, as well as the parents of these boys, can be well proud of them.

First Place Winners at Meet

First place winners in the University Interscholastic Meet April 10-11, in Stepenville, are left, Jay East, Science; and Beck Weathers, Poetry Interpretation. B. H. S. won second place in the over-all competition.

THE REAL ENEMY

The Administration's war on poverty should not blind us to the need for another assault—and all out war on federal prodigality.

Wasteful spending of taxpayers' funds is the arch enemy of national well-being and we strongly recommend that the Congress mount a hard-hitting, unremitting campaign to root it.

To launch its offensive with telling force the Congress could make every good use of the national Association of Manufacturers' authoritative budget study which holds that President Johnson's request for \$100.7 billion in spending authority could be cut by \$6.5 billion without lessening defense expenditures or having anything but a beneficial effect on American living standards. Such a reduction, the NAM says would bring a \$1.9 billion slash in the President's 1965 administrative budget—reducing it from \$97.9 billion to an even \$94 billion. The balance of the cut would apply to future years.

In pointing up the need for the cuts, the NAM said they must be made to compensate for the tax reduction; to prevent a build-up in spending in fiscal years after 1965, and to assure final spending in 1965 below the President's estimate.

The deepest cuts would be made in spending for foreign aid, agriculture, space, education and public welfare.

Best of all, the study offers some very sound guidelines for achievement of the economy moves. They are:

1. Stringent congressional screening and reduction of executive requests for new spending authority.
2. Congressional refusal to enact legislation which would increase federal participation in areas of state-local, or private, functions and responsibility.
3. Executive and congressional action to curtail the scope and improve the management of existing programs.

We're hoping that the first shot in the war on prodigality will soon be fired.

It is interesting to note that the importation of U. S. made goods to Japan has been on the upsurge. U. S. News and World report said that U. S. products are making a strong showing against imports from other countries.

DEVOL NEWS

Mrs. C. O. Woodley, Reporter

A severe dust and sandstorm blew in late Sunday afternoon from the northwest which reminded old timers here of the bad sandstorms that used to blow through years ago.

Several motorists who had been visiting the storm area in Wichita Falls and were enroute to their homes in Grandfield and Frederick, stopped at the farm home of Mr. and Mrs. E. N. Miracle on Highway 70, for shelter in the storm cellar as the high winds and wall of dirt moved in. It is not known at this time how much damage, if any, was suffered by the wheat and other growing crops.

Neighbors and friends from Devol attended funeral services in Randlett Thursday for Mrs. W. W. Manley who died Tuesday in a Wichita Falls hospital after a long illness. She is survived by her son Walton Manley, her daughter, Mrs. Lloyd Clemmer of Burkburnett and several grandchildren.

Miss Jewel Hardin of Dallas is improving after suffering a heart attack several weeks ago

as reported by her mother, Mrs. Dollie Hardin.

Guests of Mr. and Mrs. A. J. Adams Thursday were Mrs. Adam's sister, Mrs. Lorene Givens of Wichita Falls, and mother, Mrs. Buelah Burchett of Grandfield.

Mr. and Mrs. A. S. Patterson of Grandfield and their weekend guests, Mr. and Mrs. Garland Patterson and their daughters, Derenda and Teresa of Littlefield and Mrs. Glendale Patterson and children Linda and Don of Olton, Texas visited in the C. O. Woodley home Sunday.

Mr. and Mrs. W. H. Stevens and Mrs. Pearl Cates attended a singing convention at Caram Sunday afternoon.

Mr. and Mrs. Homer Tanner of Earlboro; Mr. and Mrs. Jess Ward Tanner and family and Miss Karla June Tanner of Lawton were weekend guests of their mother and grandmother, Mrs. Pearl Cates.

Mr. and Mrs. E. N. Miracle attended services at the Primitive Baptist Church at Wilson, Sunday morning.

Guests of Mr. and Mrs. Orla Doty the past week have been Mrs. Doty's sister and family, Mr. and Mrs. Knox Wil-

liams and daughter, Linda of Bakerfield, California.

Mrs. Marjie Schwarz and children and Mr. and Mrs. Jerry Wilkinson and baby of Wichita Falls and Mr. George Marshall of Burkburnett visited Mr. and Mrs. J. V. Wilkinson Sunday.

Mr. and Mrs. F. G. McClen-don were Walters visitors Monday.

Devol Demonstration Club will meet April 23rd with Mrs. E. N. Miracle.

Mr. and Mrs. Bob Woodley and daughters, Cathy and Carol and Louan Nacy and Pamela Mason of Wichita Falls visited Mr. and Mrs. C. O. Woodley Saturday.

Twyla Gay, and Brett, children of Mr. and Mrs. Jobill Dodson are reported as having the measles this week.

Mrs. Gertrude Farmer visited her daughters, Mrs. Marguerite Glendenning in Wichita Falls several days last week.

Hardin HD Club News

The The Hardin HD Club met April 8th in the home of Mrs. M. R. Hewell.

Carol Roderick, president, called the meeting to order and welcomed our visitor.

Nellie Askins gave the opening prayer and read a poem. Roll call was answered by "A Household Hint."

The secretary's report was read and approved, then the treasurer gave her report.

Our program was given by Thelma Wirges, Home Demonstration Agent, "Buying Clothes to Flatter the Figure. She stressed that figure faults can be minimized by careful study and planning. There are styles that will flatter different figures.

Spring material includes a wide range of colors, fabrics and patterns. Evening wear will be longer; sports wear is very popular; shoes are featured with smaller toes and sling back shoes are coming back in style; smaller purses are in style now and hats are seen in all sizes and styles.

We all enjoyed Miss Wirge's program very much and learn-

ed a great deal about styles.

Mrs. Alice Daugherty gave a good report on How Home Demonstration Clubs are carried on in Tennessee.

We adjourned to meet at the Texas Electric Reddy Room April 21 at 2:00 p. m. at which time Mrs. John Jones will give a shoe covering demonstration.

Members of the Home Demonstration clubs are urged to attend.

The hostess, Mrs. M. R. Hewell, served refreshments to Mesdames: Jewell Goins, Johnnie Hageman, Cordie Lawrence, Nellie Askins, Carol Roderick, Icie Howard, John Enderli, Julia Roderick, our visitor, Alice Daugherty, our agent, Miss Thelma Wirges, and Loretta, Karo and Ellen Daugherty and Larry and Gary Roderick

NO TANGLE ROD WORK

Here's another good way to keep bait casting reels free from snarls and tangles when transporting or storing. Cut a figure 8 out of an inner tube. Cut a hole in both ends of the 8. Now slip one end over the rod butt or reel seat; the other over reel handle. Tension holds everything in place.

RECORD BREAKER

Put this tip away in your mind for the time you score on a big one. If you are carrying a potential prize winning fish to the weigh-in station, always wrap it in wet burlap. A fish can lose as much as 10 percent of its weight drying out.

Anti-Litter Campaign Rolls Action

Texas — The first of anti-litter trucks which carry anti-litter messages on its way here as the Texas Highway Department opened a new campaign to keep highways free of litter.

BEAUTIFUL," were officially dedicated to the anti-litter campaign in ceremonies at Owens-Illinois Gas Company's glass container plant here.

The trucks are part of the 900 over-the-road trailers operated by Central Freight Lines, of Waco, largest Texas based truck line, that will carry the anti-litter message to Texans.

"The 900 trucks bearing the anti-litter message will travel more than 18 million miles this year on highways in Texas, as well as additional miles in other states," Mr. Kultgen said. "Millions of Texans should read the anti-litter message, and we hope, be inspired to heed its advice."

Mr. Kultgen said the Texas Highway Commission hopes the Central Freight Lines example will "inspire other Texas trucking companies, as well as other highway users, to join in the anti-litter campaign."

The anti-litter poster was designed by Owens-Illinois, a founder of Keep America Beautiful, Inc., national anti-litter organization.

Litter collection on Texas highways alone cost \$1 1/2 million annually to clean up, Mr. Kultgen said.

"Litterbugs cost the American taxpayer one-half billion dollars annually," he added. "These dollars could better be spent on new schools, health research, a more vigorous economy and other worthwhile things. The debris and trash left by the nation's litterbugs also threaten our safety and health as well as rob our cities, towns and countryside of much of their beauty. Littering is a particular problem for Texas because of its great size and because 1,500,000 tourists visit it each year."

"Many of the visitors who help make tourism a major Texas industry are repelled by littered beaches parks and highways. If littering continues to increase, it will hurt this industry which contributed more than \$530 million annually to the Texas economy."

Gas use has nearly doubled in the past ten years, the American Gas Association reports. Sales of gas to residential, commercial and industrial users soared from 56.1 billion therms in 1953 to 108.5 billion in 1963.

Signs on the tailgates of 900 semi-trailer trucks will be a strong reminder to millions of Texas residents and visitors that litter is expensive, as well as unsightly. Here, J. H. Kultgen of Waco and a member of the Texas Highway Commission, starts the highway department's campaign in ceremonies at the Owens-Illinois glass container plant in Waco. Looking on are, left to right: R. H. Lynam, president of Central Freight Lines and O-I Plant Manager Warren Coombs.

LIVE BAIT TANK

Keep minnows alive on long auto runs the way professional bait dealers do: They take their tank and make a tight cover. Through this they run a copper tube down into the water of tank nearly to bottom. Another short copper tube goes through top but does not go below the surface of water. The vacuum tube from windshield wiper attaches to this short tube. Air sucking into wiper creates a

vacuum between the surface of the water and the top. This sucks air through the long tube. Bubbles aerate water. Minnows thrive.

WAXED LINE

Another early season tip calls for waxing your line and rod guides slightly. Then if temperatures drop below freezing, the line will still flow through guides.

The house that is built according to every man's advice seldom gets a roof.

Five-year-old Jeff Meribon, son of S/Sgt. and Mrs. Edward Meribon of 1117 Bishop Road, has been in Sheppard Air Force Base Hospital for the past two weeks, where he has undergone three operations.

He is in Pediatrics, Ward 4, feeling the hurt of pain and loneliness. It would be very nice if we all took time to send cards and help make his pain a little easier to bear.

To suffer pain is difficult for an adult, but to a little boy, who probably doesn't understand just what is happening to him, it must be very frightening.

S/Sgt. F. D. McClary, who has spent one year doing an isolated tour on Johnston Island, in the Pacific, is home on a thirty day leave with his family.

He is married to the former Carolyn Casterline, daughter of Harry and Helen Casterline, of 1006 Rosebud. The McClary family makes their home at the West Trailer Park.

Lloyd Cokendolpher and Cloyd Brown left early last Saturday morning for Lake Tonka, near Lake Texoma, where they met Sgt. Raymond Lunceford and Sgt. George Moore for a weekend of fishing.

A square dance will be held in the street (which one is not known at present) on May 16th, to raise money to help the Youth Center. No admission will be charged, though a collection will be taken of the participants.

Watch this column for further details of this worthy cause.

Doug Renfro of 501 West 3rd, who was a witness to an accident not long ago, on Sheppard Road, has become the victim of one. No, he wasn't injured, but his car was.

It appears that someone driving past his automobile, which was parked in front of the high school, Tuesday flipped a burning cigarette onto the front seat, completely destroying the driver's side of it.

This seems a good time to warn that the dry season is almost upon us once more, and that tossing burning cigarettes out of the car window, could prove to be very dangerous, perhaps even be the cause of the loss of someone's life. Please, put them in the ash-tray.

Visitors in the home of Ray Knox, Route 1 recently, were his two brothers, Lt. Joe Knox and S/Sgt. Donald Knox.

The lieutenant, who remained here for three weeks, stopped at Offet Field, Omaha, Nebraska, and brought the staff sergeant with him. The staff sergeant visited for one week.

A patient at the Naval Hospital in Great Lakes, Illinois, the lieutenant returned there this week.

The three brothers are the

sons of Mr. and Mrs. R. W. Knox, also of Route 1, Burburnett.

Girl Scout Cadet Troop 48 and their leader, Mrs. Francis McIntire, have invited all the Junior Girl Scout Troops in Burburnett to a roller skating party to be held on April 26th, at the Oriat Skating Rink. It will begin at 4:00 p. m. and last until 4:00 p. m.

Participating will be troops 50 leader, Mrs. Louise Newton; 84, leader, temporarily, Mrs. Robbie Hancock; 45, Barbara Johnson, leader, and they will meet at the Youth Center, where they will return before going home.

The Pacemakers' Club will hold open house on Sunday, the 19th, beginning at 2:00 p. m., during which time members must put their cars through a club inspection.

Each automobile must carry a state inspection sticker, pass the club inspection and be in good condition in general, to be eligible to enter the contest which will be judged according to cleanliness of the machine. Trunks, interior and exterior of the vehicle, and the engine will be prime areas which will be inspected by the judges, who are representatives from Wolfe Ford Co., Mathis Chevrolet and Tullis Motor Co. Trophies will be given for first, second and third places. Coffee will be served to anyone who wishes to have it.

'SUNDOWNERS'

The Sundowners will co-sponsor a Street Square Dance, on May 16th in Parker Plaza. All proceeds and donations will go to the Youth Center. This will be strictly donations, from guest square dancers, and spectators.

They will need the town's support, and the Center needs the money, and as this is for the youth of the town, "HELP" and your child will benefit.

Southside P-T A To Meet April 20th

Mrs. Pat Adams will give the opening devotion when Southside P-T.A. meets Monday, April 20th at 2:30 p. m. During the business session the P-T.A.'s gift to the school will be discussed and officers for the coming year will be elected. Selected by the nominating committee were: Mr. Oran Wilson for president; Mrs. Betty Smith for vice president; Mrs. Ellen Ward for secretary; Mrs. Lois Von Voight for treasurer.

Nominations will also be accepted from the floor. The newly elected officers will be installed by Mrs. Zimmerman.

After the election and installation Eugene Gillmore, minister of the Church of Christ, will speak on "Making Use of Your Resources."

Winner of "Boss of the Year" Award

On the left is the "Boss of the Year", T/Sgt. Charles B. Stanley, who won the award at the "Boss of the Year" Banquet held by the American Business Women's Association, April 10th, in the High School Cafeterium. Next to Stanley is Col. E. J. Lodell, of Sheppard Air Force Base, who was guest speaker of the evening. Officers of the association, from the left are Mrs. Mary Helen Littlefield, president; Mrs. Mildred Counter, vice president; Mrs. Laura Powell, recording secretary; Mrs. Cora Brown, corresponding secretary and Mrs. Ruth Larson, treasurer.

T-Sgt. Stanley Named Boss of Year By ABWA

Bosses of the members of the American Business Women's Association, were honored at a Boss Night Banquet, the first for the Boomtown Chapter, in the High School Cafeterium, on April 10th, where 103 participants and guests enjoyed a roast beef dinner before a delightful program.

At seven o'clock, a receiving line was formed, consisting of the officers of the organization, who are Mrs. Webster Littlefield, president; Mrs. George Counter, vice president; Mrs. H. J. Powell, recording secretary; Mrs. Cloyd Brown, corresponding secretary, and Mrs. J. E. Larson, treasurer.

After the delicious dinner, Mrs. Littlefield, welcomed everyone and told of the history of ABWA.

Mr. George Counter gave the Boss's response and was followed by vocal renditions beautifully done by Mrs. Jack Smith who was accompanied on the organ by Mrs. Janice Vincent. Mrs. Vincent also played the organ during dinner, filling the hall with relaxing and lilting melodies. Hammond Music Studio loaned the organ.

The Bosses and guests were further entertained by the Black Light Twilight Twirlers and Exhibition Black Light Couple Dancers from the "Y" Promenaders Square Dance Club of Wichita Falls, presented by Mr. and Mrs. Bernie Fry.

Lt. Col. E. J. Lodell, guest speaker, spoke about Boomtown Days and Changing Times. He pointed out, with the aid of a chart, statistics of Burkburnett in the past, present and estimated future.

Col. Lodell is Center Comptroller at Sheppard Air Force Base heading an organization of five divisions: Accounting and Finance, Budget, Data Processing, Management Analysis and Central Nonappropriated Fund Accounting.

He arrived at Sheppard from Elmendorf, Alaska, in 1961 where he had served as Comptroller of the 10th Air Force Division and 5040th Air Base Wing.

Active in civic affairs, Col. Lodell was selected as Boss of the Year by the Tumbleweed Chapter of the ABWA in Wichita Falls for this year.

Selected by a method which prevented the judges from knowing whom they chose, Boss of the Year was named by Mr. Alvin Hill, after a bit of teasing and prolonged suspense.

Winner of the complimentary title was T/Sgt. Charles B. Stanley. A letter written by Mrs. Cora Brown, his employee, telling why he should receive the award, was picked from many other such letters which bore numbers only.

Mrs. Brown works under the supervision of T/Sgt. Stanley in the Department of Communications at Sheppard.

Among the many nice things Mrs. Brown had to say about her Boss were, "He is cheerful, co-operative and a positive thinking boss. He does not waste time, words or effort, but acts with a purpose."

T/Sgt. Stanley received a plaque commemorative of this award.

Responsible for the decorations, which included wooden derricks, the ABWA emblem and beautiful flowers, were Mrs. H. J. Powell, Mrs. J. E. Larson, Mrs. Eugene Griffin, and Mrs. J. M. Willingham, with the aid of Mr. H. J. Powell, who repaired and repainted the der-

ricks. Others who gave much time and effort to the very successful banquet were, Banquet General Chairman, Kathryn Olds, Invitations, Jewell Hickerson, and Doris McGee; Programs and Place Cards, Sammie Landrum, Ruth Horsley, Mae King, Mildred Counter; Reception, Lilly Beckett, Wilda Wood and Opal Bookbinder; Hostess, Mabel Johnson, Rozella Van Reenan, and Jeannie Hoskins; Door Prizes, Louise Watson and Robbie Nelson; Publicity, Betty Renfro and Nita McNish. They all did a magnificent job.

Mistress of Ceremonies, Mrs. Cora Brown, handled the task with much finesse.

Vivian Cannon gave the invocation and benediction was given by Betty Moore.

Contributing to the success of the evening were the judges, Mr. Alvin Hill, Mr. Harry Dodson, and Mr. Buddy Byars; Door prize donations, Lorita's Flowers, Addie Mae Harper's Studio Girl Cosmetics, House of Beauty, Manhattan Department Store, Wolfe Ford, Burk Insurance Agency, Famous Department Store, First National Bank, and Burkburnett Cleaners.

Others who contributed were Burk Meat Market, Gray Investment Co., Monaghan's Furniture, Burk Furniture, White's Auto, Janes's Beauty Clinic, Herring Hardware, and Western Auto.

Many people and business helped make this one-time-per-year banquet a success and more of them were, Ben Franklin, Casey Logan, Burk Drug Texas Electric, Jackie's Beauty Shop, Campbell's Auto, Skid's Beauty Shop, Opal's Dress Shop Butler's Variety, Lea's Beauty Clinic, and Burk Beauty Shop.

All of the help, donations and freely given time are greatly appreciated by the ABWA.

Though there will be many other Boss Nights in the future, there will never be another FIRST such as this. It will be remembered for a long time by many, other than the Boss of the Year, T/Sgt. Charles B. Stanley.

Members of the Boomtown Chapter of ABWA are now busy planning for the exciting District Convention to be held in San Antonio, next weekend.

Congratulations, Boss of the Year 1964, of the Boomtown ABWA.

TAKE YOUR PROBLEMS TO CHURCH -- MILLIONS LEAVE THEM THERE

NEEDED -- TIME FOR MEDITATION

Every working Mother and housewife will admit that there is never enough time -- time for being the mother and wife she'd like to be, time for mending, time for planning well balanced meals. Certainly never enough time to meditate on God and His laws -- to think on day by day happenings and consider whether or how they affect God's plan for her life.

One way for her to assure herself this time of needed meditation is to make it her habit to visit the church of her choice each Sunday. The quiet atmosphere of love and peace and prayer will restore a feeling of oneness with God and His plan, and give her strength for the work ahead.

"Be still and know that I am God". Psalms 46:10
 "He restoreth my soul". Psalms 23:3

The Church is God's appointed agency in this world for conveying the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedom which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

AVOID DRIPPING CANDLES

Candlelight can be beautiful for special meals, but a lot of the romance is lost when the candles start to drip and look messy. If you don't want that to happen, remember that the firmer the candle, the less likely it is to drip. Avoid the dripping by putting your candles in the refrigerator for a few hours before you plan to use them.

For the 3rd time in three years, Fred Lorenzen takes the grueling Atlanta "500" at the wheel of his Ford.

FORD TOTAL PERFORMANCE WINS ATLANTA "500" FOR 3RD YEAR IN A ROW!

Latest win gives Ford 11 out of last 12 NASCAR 500 milers!

ATLANTA, April 5: In a blazing exhibition of total performance, ace driver Fred Lorenzen piloted his specially modified '64 Ford to a stunning victory in the Atlanta "500" before a cheering crowd of 75,000 spectators. This victory marks the 11th time that Ford has captured a NASCAR stock car event of 500 miles or more starting in May, 1962. In the past two years, tough, dependable Ford-built cars have carved out an

incredible history of victories in virtually every kind of automotive event possible—from stock car races to economy runs, from rallies to endurance tests. This is the dramatic way to show that Fords have changed... and the sure way to be certain they keep on changing. Ford enters special cars in open competition, in addition to its extensive laboratory and test track programs, because competition provides an intensity of testing that no proving ground alone can provide. The lessons Ford has learned in racing have already led directly to such refinements as a stronger rear axle, streamlined "fastback" styling, better brakes and an improved ignition system.

Because Ford enters open competition, the cars at your Ford Dealer's are stronger, better handling, safer and thrifter in the long run. They're built for total performance.

TRY TOTAL PERFORMANCE FOR A CHANGE!

THE NATIONAL OUTLOOK

BY GEORGE HAGEDORN
BOOM AND POVERTY

economy cannot recall a transition from mere prosperity to boom. The future sustainability of the boom may be questioned but its present reality cannot.

It may appear strange that the President chooses just this time to start on his war on poverty. But the Administration does not view it this way. Its argument is that there are large groups in the country who, because of personal disadvantages, cannot share in the general prosperity. This is undoubtedly true, but one may still doubt that the Administration's program for handling the problem is either necessary or desirable.

In all civilized nations those who are completely helpless and in need are taken care of by the community. This is true in our country, where the responsibility for such relief is mainly in the hands of the states and localities although federal grants also enter the picture. There seems to be no convincing case for a new federal program to assist such people.

The Administration's main thrust is to help young people become more employable so that they may eventually take their place in the economy as self-supporting citizens. But the efficacy of federal work-camps or training programs is very doubtful. Most of us learned to be employable by getting and holding our first job.

We probably were not worth much on our first job. But we were not paid much either, so it was a fair bargain. The real barrier to the employment of inexperienced untrained young people is the artificially high wage rates imposed by minimum-wage laws and by union pay scales.

Fresh Apple Flavor In Cheese Cake

Cheese Cake rates almost as high as Apple Pie as one of America's favorite desserts. When it's laced with crisp, crunchy tidbits of fresh Washington apples, you've a very special dessert indeed! 'Tis a timely recipe, too, for the tart and tangy, all-purpose Washington State Winesaps are in your market now. Noted for fine-grained white meat, sturdiness and versatility, this variety retains fresh apple flavor even when cooked. The concentrated flavor is peculiar to Washington State Winesaps because of the unique and beneficial growing conditions there. Introduce this new, tangy apple version of Cheese Cake at your next party or buffet supper; it'll be a "rave" dessert!

Apple-Cheese Cake

- | | |
|---------------------------------------|-----------------------------|
| 1 1/2 cups fine graham cracker crumbs | 1 tsp. cinnamon |
| 5 tbsp. sugar | 1/2 cup butter or margarine |
- Blend together, thoroughly, all ingredients. Reserve 2 tbsp. of the mixture for crumb topping. Turn remainder of crumb mixture into a 9-inch spring-form pan. Press mixture evenly over bottom and 2 inches up sides of pan. Chill; or bake 10 minutes in a 375° F. oven to set crust.
- | | |
|---|---|
| 2 envelopes (2 tbsp.) unflavored gelatin | 2 cups cream-style, large curd, cottage cheese, sieved |
| 1/2 cup water | 3 cups Washington State Winesap apples, coarsely shredded, and peeled |
| 1/2 tsp. salt | 2 egg whites |
| 2 egg yolks, beaten | 4 tbsp. sugar |
| 1 cup orange juice | 1 cup heavy cream |
| 2 tsp. shredded orange peel | thin unpeeled apple slices (dipped in lemon juice to hold color) |
| 1/2 cup sharp American cheese, finely diced | |

Soften gelatin in water in saucepan. Add salt, beaten egg yolks, and orange juice. Stir over low heat until gelatin is completely dissolved. Cool. Stir in peeled, shredded apple, diced cheese, and sieved cottage cheese. Chill, stirring occasionally, until mixture begins to "mound." Beat egg whites until fairly stiff. Gradually add sugar, while continuing to beat, until sugar is dissolved. Fold into chilled mixture. Whip and fold in cream. Test for sweetness, adding a little sugar, if desired. Turn into crumb crust. With spoon "groove" top and sprinkle reserved crumbs into grooves. Chill at least 4 hours, preferably overnight. Before serving, garnish with Washington apple crescents dipped in lemon juice. Serves 10-12.

Want good fishing. Fill a gallon can with fish scraps, chicken entrails, old meat. Sink in deep water near a good fishing spot. Next day watch out for the big ones.

You're an old timer if you think the town square is a place and not a person.

Courting is probably the only spot where the animal that gets caught has to buy the license.

JIM LANGDON—A WINNER!

Railroad Commissioner Langdon is a 49-year-old native Texan with a winning record in public life. When John Connally appointed him to the Railroad Commission, Governor said:

"I have for several weeks been attempting to find a man I consider to have outstanding ability, integrity and honor... I am happy we have found that man — Judge Jim C. Langdon."

Jim Langdon has fully lived up to Governor Connally's expectations. He has conducted his office in the spirit of Governor Jim Hogg, who had the Commission set up in 1891 to look after the public interest in railroad and freight rates. It now regulates also truck rates and the production of oil and gas. Judge Langdon will continue to keep transportation rates in line and see to it that our oil reserves are protected against waste and greed. This will help keep down Texas gasoline prices, already among the lowest in the nation.

ON THE OTHER HAND—

Jim Langdon's Opponent Is a 10-Time Loser!

Jesse Owens, 69-year-old attorney, is still running for office after 38 years and TEN DEFEATS. He has lost the following races:

- 1925—Defeated for Sheriff of Foard County by L. D. Campbell.
- 1927—Defeated for District Attorney by John Meyers.
- 1928—Defeated for District Attorney by Ed Gossett.
- 1930—Defeated for District Attorney by T. Gene Rogers.
- 1932—Defeated for Court of Criminal Appeals by Tom L. Beauchamp.
- 1934—Defeated for Court of Criminal Appeals by K. K. Woodley.
- 1936—Defeated for Court of Criminal Appeals by W. A. Morrison.
- 1938—Defeated for District Judge by Tom Davis.
- 1940—Defeated for Court of Civil Appeals by James Denton.
- 1942—Defeated for Texas Supreme Court by Meade F. Griffin.

Winner All the Way—
Jim C. Langdon
for Railroad Commissioner

(Pol. Adv.—Paid for by Jim Langdon Campaign Committee, Charles C. Langdon, Chairman)

LIFE LINE

This tip is a good one for trappers and ice fishermen who work alone around frozen rivers or streams. Take a 100 foot length of light, but strong nylon parachute cord along. If you have a questionable spot to cross, run the cord around a tree on one side and carry both ends with you. Across, gather whole cord to you. In a breakthrough cords helps you ashore.
