NUMBER 38

# Wolfe Ford Co. Grand Opening Saturday

NEW HOME OF WOLFE FORD COMPANY

Messrs Harold Wolfe and Joe Wolfe announce the gala grand opening of Wolfe Ford Company in their new location at 1007 Sheppard Road on Saturday, May 30th. Open house will be held from 9:00 a. m. to 9:00 p. m.

This new location features a large paved area for new and used car display and a new brick building which houses showrooms, offices and a large garage equipped with all new and modern equipment.

During this grand opening event, special discounts will be given on all new and used cars.

The public is cordially invited to attend the open house. Refreshments will be served.

## JEHOVAH'S WITNESSES TO MEET IN WICHITA FALLS

### THIS 'N' THAT AROUND TOWN

— BY — BETTY BOYD  
Star-News FEATURE WRITER  
Pho. 569-2469

Mr. and Mrs. H. A. Goodwin, with Mr. and Mrs. Virgil Taylor, of Gainsville, spent the weekend in Longview, where they attended the wedding of Cheryl Claer, a niece. Miss Claer became Mrs. Robert Lore. Mrs. Goodwin and Mrs. Taylor are sisters.

Welcome to Brenda Joyce, the new daughter of Officer Schmocker and his wife, born recently.

Wolfe Ford Company will hold its formal opening on Saturday, May 30th. Come to see their beautiful new establishment.

Congratulations to Mr. and Mrs. Lester Raines, who were blessed with the birth of a baby girl, recently.

Mr. and Mrs. D. B. Teeter, formerly of 1009 Bishop Road, received a telegram recently, informing them that their son, Sgt. Delton L. Teeter, a paratrooper in the Army, was killed Saturday, in a plane accident near Ivanpath, California. He was a passenger in the plane on maneuvers. His home base was at Fort Campbell, Kentucky.

In addition to his parents, he is survived by his wife and two children. The Teeters lost another son, in an automobile accident in Yuma, Arizona, four years ago. Our deepest sympathies to them.

### Burk Men to Attend Indy 500 Race

Joe Eastman and Floyd Tuttle left Wednesday morning for Indianapolis, Indiana, where they will attend the Indianapolis 500 race on Memorial Day, Saturday, May 30th.

H. R. Knauth of Overton, Texas, visited friends in Burkburnett over the weekend.

A circuit assembly of Jehovah's Witnesses will be held in Wichita Falls, June 12-14. The purpose of the assembly will be to analyze the ministerial activity of Texas Circuit No. 12 in comparison with circuit, national and international levels.

To emphasize unity and oneness of the society of ministers, a movie will be shown, "Around the World with Jehovah's Witnesses." The two-hour colored film is based on a ten weeks global assembly held last year in twenty-one different nations with 580,509 persons attending from 161 nations. The assembly was united with 583 delegates leaving New York eastward by airlift attending assemblies around the globe to Pasadena, California.

In compliance with Christ Jesus' command at Matthew 24:14 and 28:19, 20, Jehovah's Witnesses claim they are preaching and teaching "this good news of the kingdom" and make "disciples of the people of all the nations" in 194 lands throughout the earth.

Harold P. Bruce, presiding minister of the Wichita Falls Congregation, said, "The program outlined for the assembly should have a stimulating effect on the ministry and help us to get acquainted with co-workers around the world."

About 500 are expected to attend the three-day assembly from the 16-congregation circuit that extends from Wichita Falls to Fredericksburg and Abilene to Mineral Wells.

On Monday, May 18th, the Burkburnett Chapter of the Future Homemakers had a meeting in the Home Economics Building. The purpose of this meeting was the installation of the officers for 1964-65. Jeanine Gilmore, outgoing president, presided at the candle-light service.

The officers are as follows: President, Beth Byars; Vice President, Donna Greer; Secretary, Frances Perry; Treasurer, Valerie Matherly; Parliamentarian, Lunel Breatenstein; Reporter, Jim Eastman; Song Leader, Carolyn Copeland; Pianist, Jeanine Gilmore; Sergeant At Arms, Janice Bolinger.

### Burk Chapter Of Future Homemakers Met Monday, May 18

This was the last meeting of the year. Afterwards the group enjoyed refreshments and a social hour.

## Young Tucker, Featured Evangelist at Cashion Baptist Church

Young Tucker will be the featured evangelist in the recital at Cashion Baptist Church, Burkburnett, June 1st. He will be the opening day of the revival meeting with the Rev. Michael Barnard in both services on June 1st and 2nd. The morning worship hour, which will be served on the church grounds followed by

### Enjoys Burk Star

Route 1, Box 50  
Vacaville, Calif.

Burkburnett Star,  
Dear Sir—  
Just received the Burk Star, and saw the picture, and read about the unusual cactus in Troy Mill's yard. It is called Maguey or Century Plant.  
My daughter and son-in-law had one in their front yard, that grew up like that last year. It will bloom up toward the top, then the cactus will die. We have another one growing up now and fixing to bloom.  
It is quite a sight to watch how fast they grow.  
We all enjoy the Burk Star each week.  
Yours truly,  
Mrs. A. C. Whigham

### CARD OF THANKS

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the prayers, food, beautiful service, floral offerings and other kindnesses, we are deeply grateful.  
Mrs. C. M. Brayton and Family

## Poppy Day Saturday, May 30th

As we go our way Memorial Day, Saturday, May 30, 1964, won't you pause and buy a poppy? There will be hundreds of people throughout the United States selling poppies. The volunteers will ask for no certain amount. These volunteers will rely on your generosity. The money they make from the sale of the poppies will be sent in part to the Veterans hospital and part will remain here in Burkburnett to be used for child welfare work by the American Legion and Auxiliary. So many have given of their time, won't you stop and give one minute of your time, also a small donation for a poppy. Poppies will be sold downtown and in Parker Plaza from 9:00 a. m. to 12:00 p. m. Saturday, May 30th.

## Local Births

Birth certificates were issued to the following Burkburnett parents last week, Messrs. and Mesdames:  
Robert Allen Beezley, boy, Richard Allen  
Edward Wilson McCauley, girl, Tonya Lynae  
Ted Bradley Harris, girl, Jennifer June  
Hubert Breaux, girl Patricia Lucille

## Mr. and Miss Burkburnett Junior High

Meet Mr. and Miss Burkburnett Junior High. They are Rudy Robinson and Bonnie Lokey. Rudy is the son of Dr. and Mrs. R. R. Robinson, of 100 Maple, and Bonnie is the daughter of Mr. and Mrs. James Lokey, Route 4, Box 274, Wichita Falls.

## Jerry Thomas Presents Awards To Students

Jerry Thomas presented awards to the following students of the Junior High on May 14th, in the auditorium during the Awards Ceremonies. They are: Phil Musick, David Von Voigt and Johnny J. Divine, Jr. These made deposits in the First National Bank each of the 24 school deposit days. Mr. Thomas presented the award to each student with a globe of the world, which was presented by Bill Zimmerman, president.

DIABETES  
In the  
GOOD OLD DAYS  
Earlier in this century, anyone who contracted severe diabetes faced semi-starvation. He had lost their ability to handle starches, and fats. As a result, diabetic dragged out a miserable, half-starved existence. Death was an ever present hand.  
Diabetes remains one of the most widespread diseases. Yet today thanks to prescription drugs, the diabetic can enjoy a new normal life. He can handle starches, and fats. As a result, he can live a normal life. Today's anti-diabetic drugs are a real breakthrough. They help the diabetic's body to burn its fuel. Very recently, pharmaceutical research has developed other anti-diabetic drugs that certain patients can take to help them live longer.  
There are many other examples of formerly dread diseases that are now being controlled by prescription drugs. Yet today's doctors spend no greater amount of their disposable income on these drugs than in 1939 (only about one cent from each dollar). No wonder they say: "Today's prescription drugs are the biggest bargain in history."

## Economic Growth Is The Antidote

The record is crystal clear that economic growth — and not public welfare programs — has been responsible for the lessening of poverty, over the years.

It is deplorable, therefore, that the Administration has placed its main emphasis in the fight on poverty on the expenditure of \$1 billion in taxpayers' funds, thus relegating the private enterprise system to a relatively minor role despite its vital and consistent contributions to the improvement of living standards.

As the National Association of Manufacturers has pointed out, economic problems are best solved by economic forces.

In a statement submitted to Congress the NAM discounted the doubt, expressed in some government quar-

### BETTER USE THE SEAWORTHY SHIP

### IT'S UP TO YOU

By Howard E. Kershner, L.H.D.

FEWER than 50 Communist subversives, trained in Cuba, a few weeks ago took over Zanibar, the large island on the east coast of Africa, and reduced it into a Communist dictatorship. Zanibar and its more than 300,000 people are in a strategic position to infiltrate and influence other African countries.

Dr. Kershner

When Mr. Eisenhower decided not to deliver to Batista the planes that he had purchased and paid for, but to surreptitiously promote the Castro revolution, the dragon's teeth were sown. When the late President Kennedy followed in his footsteps and refused the plane cover at the Bay of Pigs that would have swept away Castro and his Communist regime, communism was greatly encouraged and proceeded to build up its bastion in the center of the western hemisphere.

When the Monroe Doctrine was abandoned the Communists exultantly began their preparations to take over Latin America and Africa.

Fortunately it is the policy of our State Department not to oppose such Communist revolutions for fear that it might displease the Kremlin tyrants. If we continue that policy it is only a question of time till the enemy will be knocking at our gates.

This recalls to mind what I have told my readers several times that a high official in Moscow remarked to me a little over two years ago, "We'll be over to finish the takeover of America sooner than you think." This terrible prophecy will come true unless our government speedily realizes that the Communists have determined to destroy us and that their every move in both cold and hot wars is directed toward that end. Until we realize their purpose and determine to defeat them rather than to appease them we are only assisting Khrushchev in his determination to bury us. He meant what he said and he will succeed unless we determine to bury communism. Khrushchev has told us that communism and capitalism cannot live side by side and that one or the other must perish. Which shall it be, my fellow citizens? No real American will wobble when he faces this question.

Howard Kershner's Commentaries, Inc., New York 19, N. Y.

For Results—Advertise

ters, concerning the capacity of the private economy to provide the jobs needed to combat poverty.

"Given incentives, the American businessmen will invest," said the statement. "Given a wage scale that is economically realistic, business will employ more people — and train them to do the work required. Given an opportunity to earn a profit, they will be willing to undertake the new and risky ventures which may expand employment in areas as yet undreamed of."

The policies most likely to achieve the goal of reducing economic hardship and raising living standards, the NAM contends, are these:

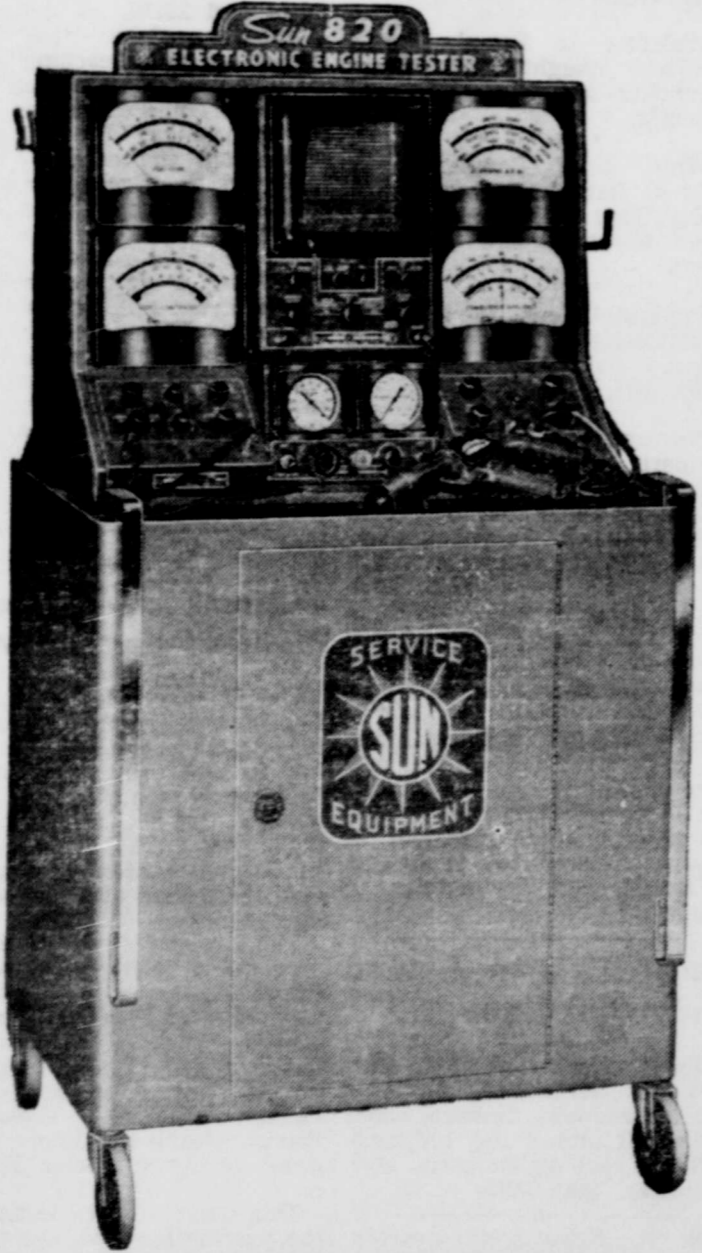

1. The pre-emption of increased revenue resulting from economic growth for further tax reduction.
  2. Economy in government spending.
  3. Maintenance of value of the dollar.
  4. Reduction of the special powers and exemptions granted to labor unions by the government.
  5. Public assistance, where necessary, based on need, and financed and administered by the states and localities.
- This strikes us as a program that will bring far greater success in the anti-poverty campaign than massive spending of taxpayers' funds, which has never worked in the past.

Youthful drivers in 1963 had the worst record of any age group in the United States. Young men and women under age 25 represent only about 15 per cent of the nation's licensed drivers, yet they were involved in more than 29 per cent of all fatal accidents and in more than 26 per cent of all non-fatal accidents.

**A flameless ELECTRIC water heater needs no flue... installs almost anywhere**

You'll have greater flexibility in kitchen and home planning, when your water heater is flameless electric. Because an electric water heater needs no flue or ventilation, you can install it almost anywhere, close to the point of greatest use. You can put it under a counter top, beneath a stairway, in an otherwise wasted corner, even way back in a tightly enclosed closet. An electric water heater with immersed heating elements is fast and efficient, too. And because it's flameless, it's clean, safe and completely silent in its operation. See the new quick recovery water heaters at your dealer's soon.

Ask about our low rate for electric water heating

**Sorority Social Held Monday, May 25th**

Theta Epsilon Sorority members and husbands thoroughly enjoyed an ice cream supper held in the back yard of Mr. and Mrs. Wayne Johnson, Monday night, May 15th.

Delicious home made ice cream and cookies were served by Laura Johnson, Patty Johnson and Candy Logan to Messrs. and Mesdames Raymond Brammer, Clarence Bridges, Adrean Dunn, Lyle Eaton, Bryan Farris, Quinn-James Spinks, Raymond Van Loh, Joe Janeke, Bruce Miller, Mrs. J. A. Tibbets and the hosts, Mr. and Mrs. Wayne Johnson.

In the absence of Mrs. Clyde Slusher, Mrs. Lyle Eaton, vice president, conducted a short business meeting.

Plans were formulated for seven members to attend the District VI ESA meeting to be held in Iowa Park, June 14th.

Members enjoyed looking through the beautiful "Around the World" scrapbook which covered 1963-64 activities. The scrapbook along with the history, was presented to Mrs. Bruce Sheperd, by Mrs. Aderan Dunn, historian.

Planning the enjoyable social were Mesdames James Spinks, Joe Janeke and Wayne Johnson.

**DEVOL NEWS**

Mrs. C. O. Woodley, Reporter

The past week has seen many big shiny combines, trucks and house trailers move into this section to harvest the grain as it ripens under the hot sun. Several of the families who are prominent farmers near the Kansas line, begin their harvest here and return each year as old and welcome friends. They are only here a short time, but we are glad to see them, always.

Lenton Louis McClendon who has been visiting his parents, Mr. and Mrs. F. G. McClendon, left Thursday for Fort Leonard Wood, Missouri for training in the National Guard.

Mr. and Mrs. Richard Anderson and children, Karen, Richie and David Frank left for Los Angeles, California last week where he will be employed.

Mrs. Ethel McCasland spent the weekend in Wichita Falls with her daughter and family, Mr. and Mrs. David Mulheren and children.

The Rev. and Mrs. Dean Burk and children Carol Ann and Dennis Dean of Denton, Texas were guests Monday in the homes of Mr and Mrs. W. C. Charboneau and Mr. and Mrs. Bryan Harrison.

W.M.N. ladies met Tuesday morning with Mrs. W. C. Charboneau for the regular meeting. Five members were present, Mesdames Grace McClurkan, Lillie Nalls, Gertrude Farmer, Verta Stevens and W. C. Charboneau.

Mrs. A. A. Brackett of Wichita Falls spent Saturday with Mrs. V. J. Wilkinson and family. Sunday guests included Mr. and Mrs. Gene Wilkinson of Walters, Mr. and Mrs. T. Bridwell and Gregg Wilkinson of Wichita Falls and Mr. and Mrs. George Marshall of Burkburnett.

One hundred thousand bushels of wheat of this years crop had arrived at the Mill's Elevator here by Sunday evening according to Vernon Duke, manager. It was estimated between one-third and one-half of the grain has probably been harvested at this time, according to the spokesman.

**AFFIDAVIT OF DEPOSITORY OFFICER**

THE STATE OF TEXAS, COUNTY OF WICHITA  
Before me, the undersigned authority, on this day personally appeared JERRY L. THOMAS who, after being by me duly sworn, deposes, says, and certifies as true the following:

- That he is Vice President and Cashier of The First National Bank in Burkburnett, the Depository named in the above Notice.
- That the foregoing is a full and complete list of the names of all depositors and creditors from whom dormant deposits or inactive accounts have been held for more than seven (7) years and whose existence and whereabouts are unknown to the Depository.
- That such listed depositors and creditors have not asserted any claim or exercised any act of ownership with respect to their deposits or accounts during the past seven (7) years.

(Signature) JERRY L. THOMAS

Sworn to and subscribed before me this the 25th day of May, 1964.

(SEAL)

(Signature) JEAN DICKEY, Notary Public Wichita County, Texas.

**VETERANS Questions & Answers**

Q—Can a veteran be paid an additional amount of compensation for a dependent parent?  
A—Yes. If service-incurred disabilities are rated at 50 percent or more. There is no additional allowance payable by reason of a dependent parent if the veteran is receiving pension for disability not the result of service.  
Q—I am receiving pension from the VA, and must report my income each year. In March I sold some property. Should I keep the figures on this sale to report at the end of the year?  
A—No, this should be reported at once to the VA Regional Office that has your records.

Any increase in income from that estimated at the beginning of the year should be promptly reported to avoid possible overpayment.  
Q—Are veterans of World War II and the Korean Conflict entitled to the same pensions as World War I veterans?  
A—Yes, the basic requirements for payment of pensions apply equally to all veterans of World War I, World War II, and the Korean Conflict.  
**OLD GLASSES**  
If you buy a pair of new glasses, store the old pair in your hunting or fishing jacket. In an emergency old pair will be better than none.  
**CARTON CARRIERS**  
Cardboard or new plastic milk cartons make handy one-trip bait carriers for minnows, worms, frogs, salamanders, etc.

**Highway Patrol Urges Caution In Driving May 30**

Captain E. L. Posey, Highway Patrol Commander for the Lubbock district today called on all motorists to exercise extreme caution over the coming Memorial Day weekend. In a conference at the District Headquarters plans for enforcement activity were discussed. "Over this weekend," he said these "All available highway patrol units will be in service. They will be using all means of detecting traffic violators. We anticipate that radar will be in service for a large part of the time." The Captain emphasized that the apprehension of violators is only part of the job of the Highway Patrol. "Our men will be on the lookout for the motorist who is having trouble and will try to be of assistance whenever possible," he said. Last year with only a one-day holiday, there were seven deaths on highways in Texas. With the three-day holiday this year it is anticipated that there will be a substantial increase in the number of accidents, injuries and deaths on our

streets and highways. Here are a few pointers presented by the Captain to help you to have a safe, pleasant weekend.  
1. Check your car's safety equipment before leaving on a trip.  
2. Plan your trip to allow plenty of time for frequent rest stops and plenty of time to make the drive within the safe speed limits.  
3. Drive defensively and use common sense in all weekend activities.  
Make this holiday one of pleasure instead of tragedy. Drive to arrive alive.

**Former Burk Student Receives Award**

David K. Reed, research entomologist, has been awarded the Certificate of Merit by the United States Department of Agriculture for outstanding performance in developing techniques for mass rearing of rust mites on citrus and laboratory evaluation of experimental chemicals as acaricides. Along with this citation, Mr. Reed also received a \$225.00 cash award. Mr. Reed is the son of Mr. and Mrs. Claude Reed of Burkburnett and is married to the former Shirley Smith, also of this city. The couple now reside in Orlando, Florida with their two small sons.

**It's The Law In Texas**

**CHILDREN IN CAMP**

It's a good idea to give written consent for necessary medical care if your child leaves home for a visit or a camping trip, of if you plan to be away for any length of time. For example, a summer camp nurse may bring a boy into a hospital with an acute case of appendicitis. But the doctor may well hesitate to go ahead and operate without the parents' consent. Is the doctor arbitrary, and is such permission just a legal technicality? No, he is well within his rights, though he may give first aid — but only for emergency treatment where a child's health or life may be at stake. He is likely to put off follow-up care until he can reach the child's parents. A relative or baby sitter generally cannot grant consent for a child's treatment. Even an adult must request treatment and grant consent to medical care on his own before a doctor can give it to him. Children cannot do this. By going to your doctor you show your willingness and consent to accept his treatment. Your consent is assumed also when you ask for a house call

by the doctor, or if as a result of an accident you come to a hospital for emergency treatment. If you are unconscious, the doctor may well give you emergency care, yet later he should get your consent to further treatment.

Minors cannot consent to medical treatment, and except in dire emergencies their parents or guardians must give it for them.

The consent should not be broadly or loosely phrased, but should be as specific as circumstances permit.

The principal reason for hav-

ing the consent is to avoid later misunderstanding. It is a protection to the patient and physician.

There is nothing to be gained by looking off a hospital towel for wiping sweat.

## Letter - Perfect Performance

THE LETTER "E" is the most commonly used in the alphabet. This young secretary is studying a sign that lists the letters of the English language in order of their frequency of use. This chart was drawn up for scientific reasons. In designing a new model Royal typewriter engineers found they wanted to know how often a character was struck in order to make sure the new machine operated faster and more smoothly.

## DECA SPOTLIGHT

This week the DECA Spot- light shines on Richard Alexan- der, 16-year-old son of Mr. and Mrs. Jack Alexander of 818 Mimosa. Richard has lived in Burkburnett all his life.  
Among Richards many hob- bies are quail hunting and fish- ing. In Distributive Education Club he is our projects chair- man.  
Richard works at Alexander Service Station under the im- mediate supervision of Jack Alexander. The main job for Richard is service selling. He is a first year student.  
Future ambitions of Rich- ard are to go to college and major in business administra- tion.  
Beth Wooton, Reporter

**Mustang leads the stampede the big Ford started.** This has been the hottest sales year in Ford Division history. We have a winner in the Super Torque Ford, a car so well built, so predictably tough, that competition-modified Fords took eleven of the last twelve NASCAR 500-mile races. Ford sales are up 17% this year. We have a luxury car that's taken off like a skyrocket: Thunderbird, with sales up 68%. Falcon is selling almost as many cars as Valiant and Chevy II combined. Fairlane continues to be a favorite in its own field. Now comes Mustang . . . turning the trend to Ford into a downright stampede. Mustang, by any measure of sales or excitement, is the most successful new car ever introduced in America—ever. When you see a stampede, it makes sense to find out what started it. That's something only your Ford Dealer can tell you about.

**BIDS WANTED BY BURKBURNETT INDEPENDENT SCHOOL DISTRICT**

**Injuries Fatal To Burk Youth**

Last rites for David Brian Winchester, four-year-old son of S Sgt. and Mrs. Harold L. Winchester of Burkburnett who died in the Sheppard Air Force Base Hospital Tuesday evening of injuries received in an automobile accident, will be at 10:00 a. m. Saturday from the Cashion Baptist Church in Burkburnett.

Burkburnett police said the child, who ran out into the street in front of his home, was struck by a pickup truck driven by Lester Luther Talley, also of Burkburnett. The accident occurred at 7:40 p. m.

Taken to the base hospital at Sheppard, the boy died at 10:24 p. m. of shock, a lacerated liver and other internal injuries.

Officiating at last rites will be Rev. Michael Barnard, pastor of the Cashion Baptist Church, assisted by Rev. Lamoin Champ, pastor of the First Baptist Church. Owens & Brumley Funeral Home of Burkburnett is in charge of arrangements. The body will be sent to Daytona Beach, Florida, for burial.

The Winchesters have been residents of Burkburnett for about a month. Sgt. Winchester is assigned to the 3763rd School Squadron at Sheppard.

Survivors include the parents a brother, Michael, of the home; a sister, Diana, also of

To completely dismantle and remove building number 1214 located at Sheppard Air Force Base, Texas, on or before July 19, 1964.

To relocate said building on the campus of Burkburnett High School. To set the building on concrete foundation 12" deep, 15" wide with two rows of 8" wide by 8" deep heydite blocks on top of concrete foundation. The building to be blocked and leveled on above described foundation.

To clean up the site from which said building number 1214 is removed and to restore to its original condition any part of the premises damaged or disturbed by the dismantling or removal operation, in a workmanlike manner to the satisfaction of Mr. Lawrence D. Wilkins, Sheppard Air Force Base, Texas.

Weldon Nix, President Board of Education, Burkburnett Ind. School District.

## PORTRAIT OF THINGS TO COME

On the grounds of the State Fair of Texas, above the streets and treetops, there runs a Monorail, portrait of the type of urban transportation that may come in the future.

How swiftly a multitude of wondrous discoveries has come in the last fifty Years. What amazing things God has in store for us—how exciting the future under God.

The scriptures say that "men have not heard, neither hath the eye seen, what he hath prepared for them that waiteth for him."

Let us show our thankfulness for His goodness by being in church this Sunday.

EVERYONE IN THE CHURCH  
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## DREAM HAGSTROM

They are together,  
 man and his bride,  
 that ever she'll be  
 at his side.  
 new country long  
 the land far away,  
 his heart there he  
 just what she will  
 old California,  
 rd to land great  
 ly, softly he tells  
 her answer be?  
 the loved ones be-  
 hood places good-  
 now is bursting with  
 her gentle reply.  
 is loaded for going,  
 held tight in their  
 great moment's ar-  
 now, ever west.  
 perils, they faced  
 and the wagons did  
 California:  
 ar is filling their  
 have past in that

homeland;  
 Their thoughts about leaving  
 are nil.  
 Together they wave at a wagon,  
 Just over the rim of the hill:  
 It seems that their hearts are a  
 breaking,  
 As tears fill their sight-dim-  
 ming eyes,  
 For yonder goes son and his  
 family,  
 Their dream is of eastern skies.

## "KOOM BA YA" (Oh Come By Here) By Mrs. Clark Gresham

They stand beside the river  
 loudly wailing;  
 The missionary man is passing  
 by.  
 Their arms reach out, their  
 ebon eyes are pleading,  
 "Koom ba ya," "Oh come by  
 here," they cry.

Everywhere he goes, he sees  
 the black ones;  
 Their hungry hearts are beg-  
 ging all in vein;  
 How can he reach across the  
 entire nation?  
 "Koom ba ya," he hearts it  
 o'er again.

His dear ones write—their heart  
 strings pull him homeward;  
 His health is failing fast, this  
 they know.  
 He hears an echo in the night  
 wind calling,  
 "Koom ba ya"—How can he  
 ever go?

## THE PORTRAIT BY JOY HAGSTROM

If I were only an artist  
 I'd paint the Son of God.  
 I'd show Him, in my special  
 way,  
 Who walked this lowly sod.

My brush would form the rud-  
 dy brow  
 And trace a care worn line.  
 The chestnut hair in tangled  
 locks  
 Would almost seem to shine.

His eyes with Heaven's light  
 would glow  
 Revealing wondrous love,  
 What pity in their depths they'd  
 hold  
 Such mercy from above.

The lips all cracked from years  
 of sun,  
 His mouth would show no guile.  
 I'd paint the corners lifted up,  
 A hinting of a smile.

And in the hands I'd place the  
 prints  
 Of nails that pierced them  
 through.  
 They'd be extended Heaven-  
 ward  
 In plea for men and you.

True, I am not an artist,  
 But in a special way,  
 I still can show the Saviour  
 To those near me every day.

And I can place the chestnut  
 Upon each shining lock,  
 By deeds of loving kindness  
 To my neighbors on the block.

I show the lovelight in His eyes  
 Each time I speak a word  
 About our Blessed Saviour  
 To one who hasn't heard.

And paint the nail prints in  
 his hands  
 Each time I stop and say,  
 "I'll help you up, you're weary,  
 Friend,  
 I'll walk with you a way."

I can paint a little of Him  
 In everything I do,  
 As day by day I journey  
 Until my life is through.

## MESS BAG

Fly tyers keep the residual  
 mess of string and tinsel tips,  
 old feathers, bits of cloth, cigar-  
 ette ashes, fur snips, instruction  
 papers, pipe cleaners, etc by  
 thumb tacking a paper bag un-  
 der their vice. Bag is pulled  
 open to catch all.

## News From The County Agent

On January 1, 1964, there  
 were 106.3 million head of cat-  
 tle and calves reported on  
 farms and ranches in the U. S.  
 This record high figure repre-  
 sents the seventh year of build-  
 up in cattle herds. Every indi-  
 cation points toward a peak in  
 the numbers cycle year or in  
 1965. After that, we can expect  
 about a three year liquidation  
 or reduction in numbers. Here  
 in Texas our inventory count  
 on January 1, 1964, reached  
 10,342 thousand head, the high-  
 est figure in history. We also  
 have been building up num-  
 bers since 1958, but have prob-  
 ably reached our peak this year.

B. T. Haws, county agent,  
 estimates a May 20-25 spraying  
 date for pecan nut casebearer  
 for the Wichita Falls area. A  
 closer date will be given later  
 after more checks in the pecan  
 orchards. To control the pecan  
 nut casebearer, use either of  
 the following sprays: Sevin,  
 Toxaphene, Malathion or Gu-  
 thion.

The Titanic was unsinkable,  
 but it sank. Livestock produc-  
 ers must continue to keep watch  
 for possible screwworm cases  
 or the entire screwworm eradi-  
 cation program may go the way  
 of the "Titanic," warns B. T.  
 Haws, county agent.

An many cattlemen will testi-  
 fy, the screwworms eradication  
 program is proving to be one  
 of the most worthwhile efforts  
 ever put forth by the livestock  
 industry, but critical days do  
 lie ahead.

Reports being received from  
 across the state show that too  
 many producers may be relax-  
 ing their vigilance. Because of  
 the tremendous success of the  
 program, cattlemen are letting  
 many wounds and cuts go un-  
 treated. Many producers seem  
 to feel the screwworm is a  
 thing of the past, but this is  
 not so. There is still much  
 work to be done. One undet-  
 ected or untreated case in an area  
 can result in a population ex-  
 plosion of the pest which could

get out of hand and reinfest  
 large areas of the state, causing  
 a tremendous setback to the  
 program.

Another fallacy which a few  
 producers believe is that they  
 can accurately distinguish be-  
 tween blowfly maggots and  
 screwworms, and do not bother  
 to collect and submit larvae to  
 screwworm officials. One point  
 to consider; even trained tech-  
 nicians rely on the microscope  
 for positive identification of the  
 maggots.

Every livestock producer  
 should do his utmost in help-  
 ing protect the investment in  
 the screwworm eradication pro-

gram, says Haws. He recom-  
 mends that all wounds be pro-  
 tected until they heal by using  
 a preventive smear such as EQ  
 335 or Smear 62 or preventive  
 sprays of 0.25 percent Co-Ral  
 or 0.5 percent Korlan follow-  
 ing and working of the live-  
 stock from which an open  
 wound results.

 STORAGE OF  
**STRAWBERRIES**

Fresh strawberries have  
 a tendency to soften as  
 time passes. You can  
 keep strawberries firm,  
 even if you must store  
 them for several days  
 before using them. Put  
 the berries in a colander  
 to store in your refrig-  
 erator. The cold air,  
 circulating through the  
 berries, will help keep  
 them firm and fresh. Do  
 not wash strawberries  
 until ready to use. Ideally,  
 strawberries should be  
 used soon after buying.

## CHEVY II by Chevrolet

Go on an economy drive this vacation

Sure, a Chevy II just about runs on pe-  
 anuts. But this frisky family car will take  
 the whole gang along on any trip. And in  
 plenty of comfort and a whole lot of style.  
 Along with pep, it has a roomy, com-  
 fortable Body by Fisher plus virtually  
 effortless care. Battery-saving Delco-tron

Hardin HD Club News

The Hardin HD Club met May 20th in the home of Mrs. Lila Jacobs. Nellie Askins presided in the absence of Carol Roderick. We sang, "Sweet Hour of Prayer," then roll call was answered by — "A Friend's Home I Enjoy and Why." Secretary's report was given and approved by Jewel Goins and the treasurer's report given by Icie Howard was also accepted. Our program was on Social Security and Records. Our next meeting will be June 10 in the home of Mrs. E. W. Roderick at 2:00 p. m. Our program will be "Know Your Congressman."

The hostess, Lila Jacobs, served refreshments to the following: Mesdames Icie Howard, W. E. Gains, John Enderli, Cordie Lawrence, Nellie Askins, M. R. Hewell, and E. W. Roderick.

SHARPEN HOOKS

Quick way to sharpen small hooks is to run them through a piece of fine sandpaper several times.

HEALTH AND SAFETY TIPS From The American Medical Association

BOATING, FISHING Several million small boats will go back into the water on Memorial Day weekend after a winter in storage and several weeks of scraping, painting and refurbishing this spring. The Memorial Day weekend of May 30 also will provide its usual quota of boating and fishing accidents and deaths from drowning. Most of these need not happen. Safety experts have said many times that most boating and fishing accidents could be prevented if outdoorsmen would observe a few simple precautions. Good manners and common sense in boating will prevent most accidents. Don't overload the boat; have life preservers for each occupant; don't stand up or change seats in a small boat while under way; keep a watchful eye out for other boats, swimmers and fishermen, and give all a comfortably wide berth. These rules are repeated each boating season, but there still are drownings because someone ignored them. Most marine operators and many sporting good stores have pamphlets on boating safety. Get one, study it, follow it. Pleasure lakes and streams will be more crowded with boats this season than ever before, and there's even less room for the hotrod helmsman with an inclination to buzz the dock, dash through an anchorage or buzz another boat. The hot-rodder is just as dangerous on water as on land, both to others and to himself. Fishing is highly recommended by your doctor as a healthy, relaxing sport that will get you out of doors into fresh air and sunshine, and help to clear those mental cobwebs left over from home and office worries. Fishing is not particularly hazardous, but there are some pointers to watch to help avoid accidents. Fishhooks are designed to catch fish. They also can snag an unwary finger, hand, arm or leg. If you're deeply hooked, go to a doctor and ask him to remove it. Don't try to work the hook out backwards. Your doctor will use the shank to push the hook out, point foremost. This is less painful and causes less damage. Hooks left lying in the bottom of a boat or on a dock are a real hazard. Many fishermen follow a simple rule with hooks. When not in use for fishing, cover the barbed point with a small cork.

HAIR OIL MATCHES

Wet matches can be dried by turning in your hair. Combination of oil and static electricity often recharges flaging igniter chemicals.

TONSILLITIS In the GOOD OLD DAYS

Not so long ago, tonsillitis was a common disease. Acute tonsillitis sent people to bed, and left complications particularly tonsil extractions being the most frequently resorted to of surgery. Today all this has been reduced to a few dollars' worth of prescription drugs making a difference. An antibiotic for example, often checks tonsillitis attack within 48 hours. Visits to the hospital for extraction have also been reduced. Thus you can see how few prescriptions do much to reduce the total cost of an illness. Only 15 prescriptions cost a thousand dollars as most do. The average one costs only a few dollars. No wonder we say, "The prescription is the biggest bargain in history."
