Oliver Wendell Holmes called Baltimore the "gas-tronomic metropolis of the Union."

Law Firm Organized In Wichita Falls

A new law firm, to be known as Short and Smith, will include attorneys Donald E. Short, county attorney and Ray Smith, John L. Johnson and Zwick as an associate.

H. H. Short will have offices in 405 of the Robertson Building in Wichita Falls. Short, who served as county attorney here longer—10 years than any other man in the county's history, declined to run for re-election last year. Short is a graduate of Baylor University law school and received his degree there in 1949. He served as city attorney for Burkburnett in 1951-52.

Short is a member of the First Baptist Church, University Kiwanis Club, Masonic Lodge and the B. B. Club here. A navy aviator in World War II, he is former commander of the American Legion of Burkburnett.

Short is married to the former Mary Joyce Butts, daughter of Mr. and Mrs. S. M. Butts, Burkburnett. They have three children, Deborah, 12; Larry, 9; and Clint, 9.

Short, a 36 year old graduate of Western University, who received his law degree from the University of Texas in 1962, is president of the law class. Short is a three year professional football player with the Chicago Bears. Smith served as freshman football coach under Darby while at Texas. During his law studies, Smith was awarded the Counsel Award from the law school for outstanding achievement and was elected as a member of the school's board of governors.

Short is a member of All Saints Episcopal Church. He and his wife have a seven-year-old daughter, Dana Suzanne. Johnson, a 26-year old graduate from the University of Texas law school, is a native of Wichita, Tex. He is the son of Mr. and Mrs. Alton A. Johnson.

Johnson received degrees from Southern State College and the University of Texas before receiving his law degree. A U. S. Army veteran, Johnson presently holds a commission as first lieutenant in the National Guard.

Johnson and his wife, the former Brenda Leathers, reside at Hiawatha. They attend Florence Heights Methodist Church. Mrs. Johnson is the daughter of Mrs. H. D. Leathers, Paducah, Ky.

Mrs. Della Ramming has returned to her home following a visit with her daughter and family, T-Sgt. and Mrs. Man Halfhill and sons, Bill and Mike of Fairfield, Calif. They visited in Los Angeles, seeing places of interest, also visited former Burkburnett residents, Mr. and Mrs. George Weyborn and Mrs. A. C. Gham of Vacaville, Calif.

The Southside School PTA will meet Monday night, Jan. 11, at 7:30 p. m. in the school. They would like to encourage parents to make a special effort to attend this meeting. Their guest speaker is Mrs. Marie Lake Bunton, Music Director of the Wichita Falls school system and her topic will be "We Help A Child by Creating an Appreciation for Cultural Arts."

They would like to invite the fathers and parents of Hardin school to attend also. There will be a coffee after the meeting.

Bad Situation Being Corrected

A group of children is shown walking down the middle of West College after school Wednesday afternoon. Although this is a hazardous situation, the children are not to blame. West College is the main thoroughfare from the schools to the west part of town and there is no sidewalk on this street. The street is the only place the children have to walk.

Workmen began Monday to relieve the dangerous situation on West College Street. Above is a grader preparing the North side of the street for curb and gutter.

Sam Rodgers, Henrietta Scouter Elected Special Gifts Chairman Chisholm Trail Fund Campaign

Sam Rodgers, Henrietta Civic Leader has been named special Gifts Chairman for the Chisholm Trail district of the Boy Scout Development Fund Campaign. The Chisholm Trail District includes eastern portions of Wichita County, Clay and Montague Counties.

The Boy Scout Development Fund of \$350,000 is earmarked to further develop Camp Perkins on Red River north of Wichita Falls, build a permanent BSA Service Center and develop the recently purchased camp-site south of Bowie. This is a beautiful wooded tract of 725 acres ideal for Boy Scout camping and training program.

Mr. Rodgers is President of the First National Bank of Henrietta. Prior to coming to Henrietta, Rodgers was with

the Sheppard State Bank of Wichita Falls. He also has served in the capacity of vice-president of the Security State Bank of Pecos. For thirteen years he was bank examiner with the Federal Reserve Bank of Dallas.

Rodgers received his BS degree in Business from Southern Methodist University. He was graduated from High School at Knoxville, Tenn., and attended the University of Tennessee before moving to SMU.

A veteran of the U. S. Army in World War II, Rodgers is a member of the Henrietta Kiwanis Club and director of the Chamber of Commerce.

Mrs. Rodgers is the former Miss Lindeen McClelland. They have two children, Andy 18, and Cindy 16.

Rodgers attends the First Methodist church of Henrietta.

Burk Drillers Basketball Team Won Pair Of Games Last Week

The fabulous Burkburnett Drillers drubbed the previously undefeated Lew Johnson's Restaurant of Lawton, Okla. 103-66 Saturday night.

The taller drillers jumped into an early lead and breezed in. Bubba Bailey with 39 points and Buck Buckley with 35 points paced the Drillers. Jack Martin was the high man for Lawton with 25 points.

Wednesday night in the City League in Wichita Falls, the Drillers took a 90-34 decision from the Mirror Shine team of Wichita Falls. Bubba Bailey and Buck Buckley shared high points with 31 apiece.

Saturday night the Drillers journey to Byers, Tex., to test Ardmore, Okla., another undefeated team. The Oklahoma team of made up of former Southeastern State College stars. Radio station KSUO sponsors the team. The Killocycles have won an eastern Oklahoma tournament to date. Game time is 8 o'clock.

Mr. and Mrs. R. E. Beckett and children and Mr. and Mrs. Mike Hrazdil and children, all of Burkburnett, and Mr. Don Hrazdil of Wichita Falls, spent the Christmas holidays with their sister, Mr. and Mrs. Howard Adams and family in Abilene, Texas. They all report having had a wonderful time.

Project of Curbing and Paving West College St. Started Monday Cost Split by City and Owners

City Manager Jess Whatley said workmen began Monday preparing West College for curb, gutter, paving and a four foot side walk. The sidewalk will be placed on the South side of the St.

Mr. Whatley stated co-operation of property owners along the street has been wonderful. More than 80 per cent of them have already paid their pro rata share, or made arrangements at the City Hall to pay for the improvement on a monthly basis.

The cost of this project is being shared by the City and property owners. The property owner pays for the curb and gutter along his property line. The City has agreed to furnish the engineering cost and the cost of paving the street. This is a good bargain for the property owner. In most instances he pays for half the paving in front of his prop-

erty, which runs several dollars per foot. Mr. Whatley urges each property owner who hasn't already signed up, to do so just as soon as possible. The cost of doing the job piecemeal, skipping portions and coming back later to finish them, would be prohibitive. Present plans call for curbing and guttering the North side of the street complete, then the south side, without any skips. This will keep the cost 'way down.

In order that the project may go forward without any interruptions until finished, a plea is made to everybody to work on a neighborly basis for the mutual good of everybody along the busy street. Your neighbor is co-operating. How about you?

Financing may be arranged for at the City Hall for 5 per cent, payable by the month, quarter or year.

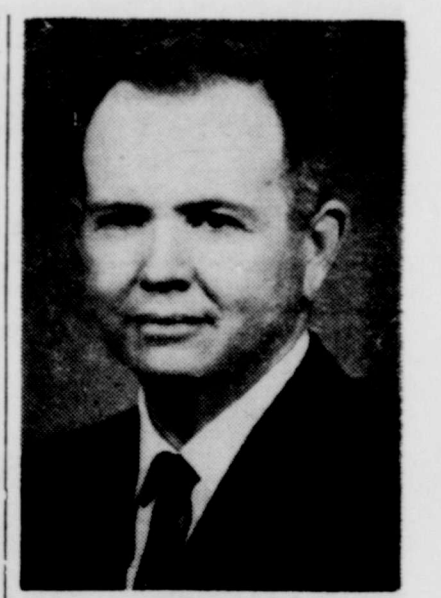

Jack Aaron Elected President Of The Burkburnett Bank At Directors Meeting Jan. 13th

The Board of Directors of The Burkburnett Bank announced the election of Jack Aaron as President of the bank during their annual stockholders meeting held Wednesday, Jan. 13th. Mr. Aaron was also elected to the Board of Directors. He came to the bank as Vice President and Cashier before the bank opened for business, while it was still in the organization stages.

Before coming to Burkburnett he was associated with the City State Bank in Wellington for nine years serving as Cashier at the time of his resignation.

In addition to attending the Graduate School of Banking at Southern Methodist University, he has studied extensively with the American Institute of Banking. In Wellington he was active in the banking industry, having served as chairman of the Greenbelt Bankers Study group and as treasurer of the Greenbelt Bankers Association.

Mr. Aaron was active in the civic life of Wellington, where he was vice president of the Kiwanis Club, active in the County Fair, a member of the executive board of the Adobe Walls Council of the Boy Scouts of America, and a Little League baseball commissioner. In addition, he has served in various capacities in the First Baptist

JACK AARON

Church Sunday School. In the five months that he has lived in Burkburnett, he has served as chairman of the Boy Scouts financial drive and was recently elected as a director and assistant treasurer of the Chamber of Commerce. Mr. Aaron is residing at 1009 Janlee Drive in Burkburnett with his wife, Jeannell and their three children, Randy, 10; Kris, 8; and Kim, 7.

Good Shepherd Lutheran Church Of Iowa Park First Services Jan. 17th

Good Shepherd Lutheran Church of Iowa Park will hold its first service at 11:00 a. m. Sunday, Jan. 17th in Tanner's Chapel in Iowa Park. Sunday School and Bible class will be held at 10:00 a. m.

"SHOCKINGLY BAD"

A Senate subcommittee has stated that a new and stringent federal law regulating the packaging of food and household products is necessary to protect the consumer from deceptive practices.

To a great many people, however, the views of the subcommittee members who vigorously dissented make a lot more sense.

The proposed law, said Senator Dirksen, would result in higher prices and lessened competition and would harm the interests of all concerned — the consumer included.

And Senator Hruska described the legislation as "shockingly bad," adding that it "regards our people as childlike" and businessmen as corrupt.

The bill, it can be fairly charged, is an example of the kind of thinking which holds that a federal bureaucracy should play nursemaid to the public in just about every phase of the national life. The implication is that we aren't very bright and can't protect ourselves against deception. In this highly competitive economy of ours, any manufacturer and any retailer can tell you just how false that idea is. The American housewife is the canniest of buyers, and it is second nature to compare brand against brand in search of the best bargain.

So far as packages are concerned, there are all manner of effective federal and state laws and regulations requiring honest statements of weights and measures. If these need to be strengthened in some cases, fair enough. But the proposed packaging law would go far beyond any real need, would artificially inflate prices, and would reduce the consumer's freedom of choice. "Shockingly bada" is the right description of it.

GRASS ROOTS OPINION

CROWN POINT, IND., STAR: "Our stubborn farm problems are minor compared with those of the Communist. Whereas crop failures have shaken the Communist hierarchy and led to the downfall of Khrushchev, US productivity could be one of our most important defense weapons. Robert C. Liebenow, president of the Chicago Board of Trade, says that American food exports should be used as 'effective instruments of foreign policy in fighting Communism. He believes that such shipments should be paid for out of foreign aid and national defense appropriations rather than farm aid funds. This, he asserts, is the way to peace."

GORDON, NEBR., JOURNAL: "A leading economist fears a period of inflation may be just around the corner. That's comparable to a man standing in waist-deep water fearing his feet may get wet."

TEMPE, ARIZ., NEWS: "Arizona contains fourteen Indian reservations, varying size and value. Most of them were established between 1870 and 1890, and most of them consist of lands which were then considered of relatively little value to white men. Note that we mentioned 'then considered' of little value. Today those redskins are discovering both oil and uranium on their spreads. Maybe this oil and uranium bit is, in fate, a sort of delayed payment for the vast lands and hunting grounds our ancestors acquired by force."

OCEAN CITY, N. J., SENTINEL-LEDGER: "One thing the United States Supreme Court cannot do is declare the United States Constitution unconstitutional. If the Court could do so, it might attack the make of the United States Senate which, with two senators from each state regardless of size, is clearly defying the court's fiat that representation in state legislatures must be on the basis of population."

News From The County Agent

More than 75 percent of milk going to consumers is homogenized. Gone is the creamline which for many years was the measure for richness of milk. But, points out county agent. B. T. Haws, homogenization has not taken anything away from the value of milk as a food.

The process is a simple one. Milk, at 145 degrees F. is forced under high pressure thru a restricted opening against a flat surface. The impact of the fat globules against the flat surface, plus the shearing effect of a great change in pressure, causes the globules to break up into many smaller ones.

Homogenized milk tastes richer. This is because the surface area of the fat has been increased five times over that of the original fat globules surface, explains the county agent. The milk has a richer color because it is more densely white due to the increased fat in the number and areas of suspended fat particles capable of reflecting and scattering light. Homogenized milk fat is more easily digested because of the greater surface area of the fat which is exposed to the digestive process.

Most homogenized milk, says the county agent, contains between three and one quarter and three and one half percent fat. This, he adds, is a very small percentage of fat when compared with many foods.

The homogenized process does nothing to the nutritive value of milk, except make it easier to digest. Milk continue to be nature's most nearly perfect food and you never outgrow a need for it, concludes Haws.

Although 1964 lamb prices have been higher than in several years and will continue above this level in 1965, next year's lamb crop is expected to decrease four to six percent.

"Evidently, this year's favorable prices have not been high enough to encourage producers to retain numbers of ewe lambs for their breeding herds."

Sheep and lamb slaughter is anticipated to be down from this year, whether or not rebuilding of breeding herds begins during the coming year. If such rebuilding does begin, slaughter supplies will be substantially reduced, strengthening prices even more than expected.

Haws attributes the past year's favorable price situation to smaller slaughter supplies. Since mid-1964, average monthly lamb prices have been the highest since 1958. Lamb slaughter this year was down seven percent from the previous year.

"The January 1, 1964, farm and ranch inventory of sheep and lambs listed the smallest number ever on record," the county agent points out. Early in 1964, lamb supplies per person were at an all time low.

The 1965 outlook for beef production shows a likely increase of two to three percent over the past year.

The number of cattle and calves on January 1st will be up slightly from last January's mark of 106.3 million head. This growth was slowed by an increase in slaughter and a decrease in live animal imports. A large part of the overall gain will be in calves from last year's calf crop.

Marketings of feed cattle in the first half of 1965 will depend largely on the number placed on feed this winter. Large numbers of calves are available for feeding and if profitable feeding margins persist, placements in the first quarter of the coming year may be large again.

**New Mathematics
ESA Topic Study**

A talk by Mrs. Bruce Shepherd on "Back To School With The New Mathematic System" highlighted the bi-monthly meeting of Theta Epsilon chapter of Epsilon Sigma Alpha.

Mrs. Shepherd described the major objective in the new mathematics program are for the child to be able to learn more mathematics, to appreciate mathematics to think thru his problems, to be creative, and to think about whether the answer makes sense. Attention was given to the formation of numerals. Members participated in very clever activities in addition, multiplication and division.

Mrs. Clyde Slusher, president conducted the business meeting. Mrs. Raymond Brammer chaplain, gave the opening devotional "Faith For Tonight."

Mrs. Raymond Van Loh, local representative for the March of Dimes, was guest for the evening. The sorority voted to participate in the March of Dimes Drive which is set for Tuesday, Jan. 19th. A volunteer committee composed of Mrs. Clyde Slusher and Mrs. Lyle Eaton, will meet Jan. 12th to work out details of the local drive.

Mrs. Cloyd Adams, Welfare chairman, reported that blankets, sheets, towels, clothes and

toys were purchased with the Blue and Green Stamp books to help a needy family have a happy Christmas. Stamps were donated for this project through the interest of the patrons of the United Super Market and Piggly Wiggly.

Mr. Mac Cannedy was the winner of the \$50.00 gift certificate from the Famous. The certificate was presented by the sorority.

Mrs. Lyles Eaton reported the theme for the year scrapbook will be "The Bride Invests In Hope."

Activity for "Founders Day" will be planned by Mrs. Joe Janeke, Mrs. Wayne Johnson, and Mrs. Clyde Slusher for the week of April 25-May 1st.

Members participated in the closing ritual and delicious refreshments were served to Mesdames Raymond Van Loh, Raymond Brammer, Lyle Eaton, James Spinks, Wayne Johnson, Joe Janeke, J. A. Tibbets, Clyde Slusher, Cloyd Adams, Q. Howard, Bruce Shepherd, Elmer Klinkerman, B. A. Farris, by the hostess, Mrs. Clarence Bridges.

To anchor your tent on soft ground, get a log about the length of the tent, fasten the ropes to it and bury the log about a foot in the ground. It will hold even in a stiff breeze.

**Bluebonnet Garden
Club Met Jan. 12th
With Lou Ethel Boyd**

Bluebonnet Garden club met Jan. 12th, 2:30 p. m. in the home of Mrs. Lou Ethel Boyd.

President called the meeting to order. A new member, Mrs. Avo Landes was welcomed into the club. Club collect was read by members. Minutes of last meeting were read by club secretary, Mrs. Elizabeth Brady gave Treasurers report. The club voted to cooperate with garden club council in project.

Our project committee will choose a tree to be planted on Arbor Day at the Harrelson Nursing Home.

New officers were elected for next year, 1965-66. They are: President, Zella Mills; 1st. vice pres., Barbara Mannen; Secy., Lou Ethel Boyd; Assistant Secy., Lela Champ; Corresponding Secy., Mary Cecil; Treas., Lena Houser; Reporter, Hettie Gilbert; Historian, Bertha Johnson.

Mrs. Earlyne Chambers presented our program. Topic was "Resolve To Plant Texas." Roll call, "A shrub for a shady spot." Mrs. Lillie Neal's talk on "Something for the Shady Side." was very instructive. A very interesting miniature flower arranging demonstration using artificial material was brought by Mrs. Lela Champ.

The hostesses, Lou Ethel Boyd and Gail Butts served a delicious plate to Mesdames Elizabeth Brady, Hattie Burns, Mary Cecil, Earlyne Chambers, Lela Champ, Hettie Gilbert, Lena Houser, Bertha Johnson, Ellen Landes, Avo Landes, Maude Mathis, Zella Mills, Lillie Neal, Angie Randall, Maude Teal, Edith Holman, Florice Jeffers. Next club meeting will be Feb. 9th in the home or Mrs. Hattie Burns.

Did you know that apothecary comes from a Latin word meaning storehouse? And that's just what a supply of apothecary jars, like these authentic copies of antiques, can add to your home, at the same time serving as decorative accessories. In the kitchen, you'll use them for flour, salt, coffee, beans, cookies, sugar — and always be able to see if you're running low on

supplies. In the bathroom, they make pretty containers for your soap, bathsalts, cotton balls. For family rooms, keep them filled with nibbles—candies, nuts, popcorn. A set of three sizes makes a welcome gift—and will bring you grateful thoughts every day of the year. Prices range from about 40c to about 80c. Made in America by Hazel-Atlas Glass Div. What in your opinion, would be the single greatest step taken to make all automobiles safer? Looking through an old copy of mechanics illustrated, 1957, I found the above question asked of McCahill, who gives advice on motor car repairs and other problems on cars.

Tom McCahill said (quote) Yank out the engines!

Since we can't go around yanking the engines out of peoples cars (there might be an objection on the part of the owner), the next best thing is to drive a little safer. Be sure break lights, etc are in good working order. New turnpikes with their many exits and entrance ways need to be approached with caution, confusion is easy on new roads.

**Circle 1 Of WSCS
Met In Caffe Home
Monday, Jan. 11th**

Circle One of WSCS, Methodist church met in the Luther Caffe home Monday, Jan. 11.

Mrs. Blake Browning, assistant Circle leader opened the meeting. "Blest Be The Tie, the opening song. Mrs. Beulah Hall brought a nice devotional from 119 Psalms.

Mrs. Blake Browning had charge of the program, "Hearing God Speak Through the Bible." She quoted. The bible has long been called the word of God. That it is, for God speaks through it and we need to hear him more clearly. It is not only God's word or even his primary word. Let us not forget that the gospel begins with the great word in the beginning was the word was with the word was God.

Mrs. Copeland gave ing prayer.

A nice refreshment served to the following: Stanley Ferguson of Texas, and members, Lowery, Bunstine, Gas Browning, Hall, Melina Revier, Bruce, Copeland, hostess, Mrs. Caffe.

ITINERANT PREACHER
A small village 1964 years ago a child was born. He lived a life of poverty, had little education, a regular job, no "advantage" he worked as a carpenter and itinerant preacher. He never held an office or a degree, never had a family, never made a "success," never traveled more than 200 miles from the barn in which He was born. He only performed miracles and gave his life so others could live forever. He was an "extremist" who denounced "moderates" thusly: "I know thy works that thou art neither cold nor hot; I would thou wert cold

or hot. So then because thou art neither cold nor hot, I will spue thee out of my mouth." (Rev. 3: 15-16.)

His friends turned on Him and delivered Him to His enemies, who put Him through the mockery of a trial. Pontius Pilate, unwilling to stand up and be counted himself, let the mob vote—one man, one vote on His "guilt." He was nailed to the cross between two thieves. While dying, He intoned: "Father, forgive them, for they know not what they do," as His executioners gambled for the only property of any value He had on earth. His garments, His body was put into a borrowed grave. Three days later He left and ascended into Heaven.

Challenge
For almost 20 centuries no dictator and no despot, no charlatan and no king, no army, no prophet, no religion, no government, nor all combined, have ever affected the life of mankind as has Jesus Christ—until now. But now Satan, wearing the mask of the Communist Conspiracy, has challenged Christ, the King of Kings, as he has never before been challenged. In less than half a century Communism, the conspiracy of hate, has captured more souls than Christianity can now count, standing, after 20 centuries. The war for the world is not between "haves" and "have nots," in spite of what our amoral leaders tell us. The war for the world is between good and evil, between Christ and anti-Christ. Jesus said: "He that is not with me is against me."

Contrast

Communism is God hating. Fabian Socialism, or bloodless Marxism, is God Neutral. Socialists say, take Him or leave Him. But if you take Him, you must take Him as the Father of all Christians, Jews, Communists, Atheists, saints and sinners. Under Socialism, religion must become humanism, egalitarianism, the brotherhood of man. Morals are what the government or the majority thinks they are according to the collectivists. Whereas Christianity is a free will religion, Socialism is force.

In our so-called Christian nation it is now illegal to worship Him in school. And "Christian" church denominations campaign to remove all religion from schools and public buildings. If your neo-socialist nation has a foreign policy, it is to help, accommodate and coexist with the God-hating enemy. If we have a national purpose, it is not to go forth into all the world and spread the gospel of Jesus Christ; rather, it is to surrender everything to the God denying, God hating, communist and cannibal conspiracy called the United Nations.

Ironically, the worst termites of the Cross are not the Communists, but the "liberal" mice who are nesting with them. And some of these mice even proclaim themselves to be disciples of Christ, while denying His virgin birth. His divinity, His miracles. His resurrection. His saving power. His promise of eternal life. Some of our leading "Christian" theologians have stated that Jesus was probably the illegitimate son of a German soldier, not the divine Son of God.

"Father forgive them; for they know not what they do." Or do they?

First Regular Meeting Of Year Held By Burk Optimist Club

The Burk Burnett Optimist club held its first regular meeting of 1965, Thursday, Jan. 7th at the Ranchhouse Cafe.

President James Spinks, called the meeting to order and Mr. Cliff Hagstrom gave the invocation.

Mr. John Larson reported on the Christmas Tree Sales which thanks to the many friends of youth in this area, was very successful.

Mr. Bill Reasoner reported on the sale of fruit cakes. A new member of the Burk Burnett Optimist Club, Mr. Clarence Bizet, was introduced. Mr. Bizet comes to us from the Downtown Optimist Club in Wichita Falls. He has been an Optimist for several years.

The guest speaker was Mr. C. J. Lippard, new President of the Burk Burnett Chamber of Commerce. Mr. Lippard spoke on the announced closing of the railroad through Burk Burnett and a number of cities in Oklahoma. He pointed out the importance of the railroad to the commerce of this area. Mr. Lippard then explained the steps that had been taken individually and collectively to prevent the shutting down of the railroad.

News of St. John The Divine

The annual Twelfth Night Progressive Dinner was held on Jan. 6th by the members and friends of St. John the Divine. The event began at 7:00 p. m. at the home of Mr. and Mrs. Bernard Vonvoight with hors d'oeuvres and appetizers assisted by Mr. and Mrs. Fred Aguayo.

Bouillon soup served in mugs and tossed salad was the next course at the Harold T. Sanders home. The table was decorated with gold pine cones, red poinsettias and candles.

The main course was served at the home of Mr. and Mrs. John T. Morgan assisted by Mr. and Mrs. Grundy Taylor and Mr. and Mrs. James Lisman. Everyone enjoyed a smorgasboard of ham, corned beef, Jewish kraut, potato salad, relishes, assorted breads and coffee.

Southern Egg Nog with assorted cakes and cookies were served at the home of the Ash by Etheridges assisted by Mrs. Vernon Friels. Twelve red and green candles symbolizing the twelve days of Christmas lite the table.

It was announced by Mr. John Morgan, senior warden, that the Annual Parish Meeting will be held Jan. 24th at the Morgan home beginning with a pot luck supper. The time will be announced at a later date.

Trick for Ice-up

When you're locked out of the water by ice, try this old trick. Fill pails with water to which blueing has been added. Pour over ice until a pool is formed. Put decoys in pool, cover yourself with a sheet, and see what happens.

Contemporary Club Met Jan. 5th In Home Mrs. Dan Hofacket

The Contemporary Study club met in the home of Mrs. Dan Hofacket, Jan. 5th.

The president, Mrs. Oran Wilson, in the chair. Mrs. Morris Cheney reported for the project committee. We gave each patient at the County Farm a Christmas gift, fresh fruit and candy. Delicious salad plates were served by the co-hostess, Mrs. Bill Cowles to 16 members.

Alcohol

Carry a jug of alcohol, cheap-est kind you can buy, on your next ice fishing trip. Not for drinking! To pour in holes to keep from freezing. You only drink the good stuff.

Sugar Coated Cast

A sugar cube can make a long cast. Don't believe it. Here is how: Tie the sugar cube to line with a rubber band that also holds a sinker tied around it. In water sugar dissolves, sinker falls away.

Mr. Merchant: YOU LOSE 3 OUT OF 10 Customers Every Year

... AND THIRTY PER CENT OF YOUR BUSINESS GOES WITH THEM. HARD TO BELIEVE, BUT TRUE. IF YOURS IS AN AVERAGE BUSINESS, YOU NORMALLY LOSE APPROXIMATELY THIRTY PER CENT OF YOUR CUSTOMERS EVERY YEAR. IF YOU DON'T BELIEVE IT, LOOK THROUGH LAST YEAR'S ACCOUNTS AND SEE HOW MANY ARE NO LONGER ACTIVE.

Why do you lose them?

Through death, hard feelings, moving to another community or through the efforts of hard-driving competitors . . . a variety of reasons . . . some of them beyond your control.

AT THE SAME TIME THERE IS A NORMAL BUSINESS INCREASE OF ONLY FOUR PER CENT EVERY YEAR. THAT LEAVES YOU FACING A TWENTY-SIX PER CENT HANDICAP EVERY YEAR . . . A HANDICAP YOU MUST OVERCOME IF YOUR BUSINESS IS TO REMAIN HEALTHY AND PROFITABLE.

What to do about it:

The answer lies in better merchandising, better planning and more vigorous promotion of fast selling goods and services.

The Surest Most Profitable Method of Sales Promotion Is Consistent Timely Advertising In Your STAR and NEWS.

LOLETTE BECK-PRIVATE LORELL RILEY UNITED IN MARRIAGE MONDAY NIGHT, DECEMBER 21

Miss Eyvonnia Lolette Beck, daughter of Mr. L. D. Beck of Burkburnett and Pvt. E-2 James Lorell Riley were united in marriage Monday night, Dec. 21st, at 7:30 p. m. in the First Christian Church of Burkburnett. Parents of the groom are Mr. and Mrs. J. D. Riley, also of Burkburnett.

Rev. H. E. Allen, pastor of the Assembly of God Church, performed the ceremony. The nuptial background was formed by a fan-shaped arrangement of white gladioli with greenery and a large pink bow and flanked by tall candelabras with pink tapers.

Mrs. M. E. Tallaferro provided appropriate wedding selections.

The bride, given in marriage by her father, wore a ballarina length gown of white corded lace featuring a low, rounded neckline, fitted bodice, wrist-length sleeves and a voluminous skirt. She carried a nosegay of feathered carnations embedded in white lace with long white satin streamers.

Mrs. Barbara Bilyeu was matron of honor and wore a pink wool suit with white trim and a white carnation corsage.

Best man was Charles Skidmore, Jr., of Burkburnett.

A reception was held in the church immediately following the wedding with Mrs. Fayline Hall and Mrs. Donnie Stubblefield as hostesses.

The groom attended Burkburnett High School and is now in the army attending a communications school at Fort Monmouth, New Jersey.

The bride is a senior at Burkburnett High School and plans to continue her education here, then she will join her husband in New Jersey.

For their wedding trip, the couple visited in Davis, Duncan, and Oklahoma City, Oklahoma.

NET

One of the definitions for a net is a trap or a snare. A net is used to catch a fish. There are times in every man's life when, like Job, he feels that God has trapped him in a net. Job 19:6 reads, "Know now that God hath overthrown me, and hath compassed me with his net."

But our troubles and afflictions are never caused by our God. Moreover, His Word says He is ever faithful to deliver His people. The Psalmist asserts: "Mine eyes are ever toward the Lord; for he shall pluck my feet out of the net."

How wonderful are His promises. These promises are proclaimed from the pulpit by your pastor each week for the blessing and edifying of God's people. Won't you attend church this week and partake of this blessing?

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedom which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

TOMORROW

George Lemon

Today is the tomorrow you worried about yesterday.

All things in the ultimate end return to the beginning. The cycle of life from the cradle to the grave is an example. What is this thing called life?

Do we go through struggle and strife, happiness and sorrow then the end comes and there is no more? Is the real life here and now or does it exist beyond the veil, in another world of which we have no knowledge? Christ said (So we are told,) that the Kingdom of heaven is within ourselves. Need we seek elsewhere? If this is really true Does the answer lies in some tomorrow?

We pile our backs with worry and strife for what end? We call ourselves civilized yet make weapons so great that the use of them in quantity would destroy us all. We pile food up in warehouses and storage bins and let it rot, while half of the world is unclothed and unfed. We the greatest industrial nation in the world, seem unable to care for our own people by giving them enough to live on decently. Mouldering in the dust of the ages. Civilizations have died mainly because they misused the knowledge and power placed in the hands of its leaders. Will we do the same?

Is the murder, rape, stealing and other crimes that fill the pages of our daily papers, civilization? If so we had better become less civilized. God and nature took two to three thousand years to grow a giant mankind with its wisdom. Cuts it down in a Day, what of Tomorrow?

With every nation striving to stock pile atomic and hydrogen bombs, now this great energy must be out lawed as an instrument of warfare. Tomorrow will be too late!

We need an International Police force strong enough to stop war and war like actions wherever they start regardless of what nation or group is at fault. Each and every nation of the world should pay a just share in the cost of such a program, and failing to do so should be expelled from the community of nations until it pays its bill. We should refuse to trade with them til they do. There should be no exceptions to this rule regardless of the size of the nation.

Tomorrow can be a more

peaceful, brighter day only if we the common working people of the world demand it of our government leaders. Speak out, let yourself be heard! The hour grows late — Tomorrow may be too late!

Sure. You might find another car as new as the Delta 88.

But not this year.

This is Oldsmobile's Delta 88. It's unique. Unique because it's new. New clear through.

Styling is new. So new, not a line nor a highlight was borrowed from last year's.

Power plant is new. Super Rocket V-8 is the biggest in Olds history: 425-cubic-inches big, up to 370-horses strong.

Transmission is new, too. Turbo Hydra-Matic, available on any Delta 88, provides up to 40% more torque from a standing start, superlative performance at all speeds.

New styling. New engine. New transmission. This year, only Delta 88 lets you have all three, all new. Other cars have a lot of catching up to do.
