note will be appreciated. ITC

## C of C Parks Committee Plans Improvements

A meeting of the Parks Committee of the Burk Burnett Chamber of Commerce was held Wednesday afternoon, March 31st at the Texas Electric Reddy Room with C. J. Lippard, chairman, presiding. Other members of the committee attending were Mrs. Edna White, Jim Frye, Jess Whatley, Clyde Conway, Bud Ramsey, Francis Beaver and D. C. Dodson. Mrs. P. A. Carpenter and Clark Gresham, also members of the committee, were unable to attend.

Mr. Whatley spoke on future plans and new additions to the park.

Mr. Frye explained the future plans to be recommended by the City Planning Board for the new park area.

Other items of business that were discussed were lighting for the swim club picnic area, removing some dead trees from the park area, designating an area for a girls ball diamond and other improvements for the area. Clyde Conway offered to paint the old army tank and playground equipment in the park area.

It was announced that an awning would be added to the entrance and deck area of the swimming pool.

## City Council Election Set For Tues., April 6th

Two vacancies will be filled on the City Council at the election to be held Tuesday, April 6th at the Town Hall.

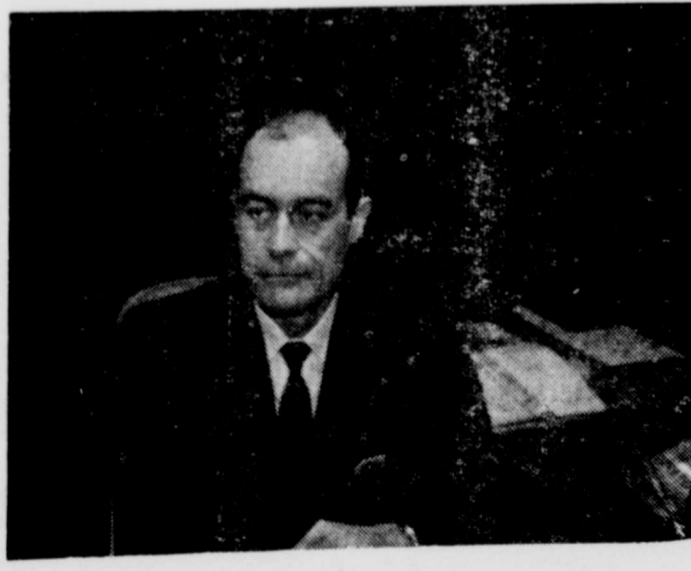

Candidates are Will Teal, C. J. Lippard, J. T. Gillis, C. L. Simmons and Neal Tullis.

## CARD OF THANKS

Words cannot express my sincere thanks to all my friends for their prayers, cards, flowers and gifts, and many other kindnesses shown me during my stay in the hospital and since I have been home. I will always remember you in my prayers. May God bless each one of you.

MRS. WILEY BLOXOM  
Electra, Texas

## MAYOR DESIGNATES APRIL 4-10 CHAMBER OF COMMERCE WEEK

Mayor James Frye today gave official recognition to the week of April 4-10 when he proclaimed it "CHAMBER OF COMMERCE WEEK" and urged all Burk Burnett residents to accept the responsibility of learning more about their local Chamber of Commerce—its purpose, accomplishments and goals for the future.

In an official ceremony, attended by representatives of the Burk Burnett Chamber of Commerce, Mayor Frye signed the official proclamation designating the week-long observance.

Governor John Connally signed a similar proclamation earlier in which he urged residents throughout the state to join in paying public tribute to the organizations that have made our city, state, and country a better place in which to work and live.

## BAKE SALE

The 8th grade class of the First Methodist church is sponsoring a BAKE SALE Saturday morning, April 3rd beginning at 10:00 a. m. in front of the First National Bank. Home-made cookies and pies will be for sale.

## ATTENTION CITIZENS OF BURKBURNETT

Two very important dates are Saturday, April 3rd and Tuesday, April 6th. April 3rd, the citizens of Burk Burnett are asked to give their ballot for the men who will be charged with the responsibility of setting the policies and directing our school system during the next two years. April 6th, we have the responsibility of electing two commissioners for our City Council, to serve for a period of two years.

If we as citizens expect to have a good sound City Government and progressive School Board, we must give serious consideration to each of the candidates who are up for election. We must determine if each candidate is qualified by applying all of the known requirements of the jobs to their qualifications. Our School System is in excess of a million dollar a year business and our City Government is also one of our largest businesses in town.

You can easily see the importance of these jobs and our responsibility to pick capable men who can set sound policies and programs which each of these public business will be run on.

LET'S EVERY VOTER CONSIDER THE QUALIFICATIONS OF EACH CANDIDATE AND THEN SUPPORT YOUR CHOICE BY VOTING IN THESE TWO IMPORTANT ELECTIONS!

## Norman C. Roberts Candidate For Place On School Board April 3rd

## El Taco Under New Management

Manuel Marroquin has assumed management of El Taco Restaurant in Burk Burnett, it was announced this week. He will also serve as chef.

With 25 years experience in preparing Mexican food, Mr. Marroquin believes that the originality of Mexican food cannot be improved upon.

El Taco serves many varieties of Mexican foods, the specialty being a Mexican breakfast. A 5:30 a. m. opening hour is a convenience to early risers. American type breakfast is also served.

Orders to go is another feature, all food being prepared fresh daily.

Major Weldon Wright of Ft. Benning, Ga., arrived by plane in Lawton, Okla., Friday and spent the night in Burk Burnett with his parents, Mr. and Mrs. J. B. Wright. He returned home Saturday.

Norman C. Roberts, a candidate for school board, lives 2 1/2 miles west of Burk Burnett and is a lifelong resident of this area. Norman has been active in PTA, Kid baseball, 4-H, various community projects and is a strong believer in a good school system.

He is intelligent, dependable, and a hard worker. Knowing him to be a devout Christian and father of five children in school we urge you to vote for Norman C. Roberts on Saturday, April 3rd.

Political Adv. Paid for By Friends and neighbors of Norman C. Roberts. ITC

Mr. Harry Dodson left Wednesday afternoon by plane for New Orleans, La., where he attended funeral services for a nephew, Carrol Goyer, on Thursday.

Mr. Gower, an employee of Shell Oil Co., died Tuesday morning following a long illness.

Survivors include his wife and two small daughters of New Orleans; his parents, Mr. and Mrs. W. D. Goyer of Tyler, Texas; and one brother, Harry of San Francisco, Calif.

Mrs. Lena Gilbert and Mrs. Atlas Gilbert of Nocona were Sunday guests of Mrs. Hettie Gilbert of Burk Burnett.

## Steering Committee For Community Improvement Program Met Tues.

## Lewis A. Gray Candidate For School Board

The Steering Committee for the Community Improvement Program met in the Community Room of the Burk Burnett Bank, Tuesday, March 30th.

Mr. Jack Aaron gave a report on the progress of the Industrial Team toward promoting a Tourist Attraction in Burk Burnett. We are very grateful to this Team for the effort they are making toward this project.

Mrs. Marjorie Kauer was elected Treasurer for the projects. An account will be opened in the First Savings and Loan Association. Anyone wishing to make a donation may contact Mrs. Kauer or any member of the Steering Committee, also donations may be deposited directly to the "Community Improvement Program Account" at the First Savings and Loan office. We do not have solicitors out at this time, only volunteer donations are being taken. We shall be happy to publish any memorials given to this fund.

"Library, Site and Building Committee" has been appointed. The members of this committee are as follows: Mrs. Gene Robertson, chairman, James Frye, Mrs. Harold Van Loh, Bill Vincent, Clyde Slusher and Gene Robertson.

"A Museum Research Committee" has also been appointed. The members of this committee are as follows: Mrs. M. D. Cheney, chairman, F. R. McCandless, C. J. Lippard, Frank Kelley, Mrs. George McClarty, C. L. Simmons, Mrs. F. R. McCandless and Mrs. Leslie Tuel.

A brigade is usually composed of three regiments.

## CARD OF THANKS

We would like to extend our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow in the loss of our brother. Also to Bro. Bradshaw for the service and his words of kindness. For the food, floral offerings and many other kindnesses, we are deeply grateful.

The Family Of  
BILL WOLF

## RUMMAGE SALE

A RUMMAGE SALE is held every Saturday at 406 East 2nd St. from 8:00 a. m. to 5:00 p. m. Any of the above items may be seen during the week by calling 569-3474.

## Cancer Crusade Starting April 1st In Memory Of Mr. J. R. Cummings

## School Board Election To Be Held Sat., Apr. 3

The annual School Board election will be held Saturday April 3rd, at the Town Hall.

Candidates for the three vacancies to be filled are:

M. Leon Thompson  
J. L. "Roy" Mitchell  
Hugh Veach  
Gary Bean  
Weldon Nix  
C. D. Landrum  
Floyd G. Seay  
Norman C. Roberts  
Gene Bankhead  
Louis A. Gray  
Albert Dillard  
Mitchell, Veach and Nix are seeking re-election.

## Harry C. Dodson Attended Nephew's Funeral Thursday In New Orleans

Mr. Harry Dodson left Wednesday afternoon by plane for New Orleans, La., where he attended funeral services for a nephew, Carrol Goyer, on Thursday.

Mr. Gower, an employee of Shell Oil Co., died Tuesday morning following a long illness.

Survivors include his wife and two small daughters of New Orleans; his parents, Mr. and Mrs. W. D. Goyer of Tyler, Texas; and one brother, Harry of San Francisco, Calif.

Mrs. Lena Gilbert and Mrs. Atlas Gilbert of Nocona were Sunday guests of Mrs. Hettie Gilbert of Burk Burnett.

The American Cancer Society has stepped up plans for the April 1st launching of its annual Crusade to save more lives from cancer through research, education and service.

An expected 30 volunteers from business, industry and other groups will participate in the Crusade against Cancer.

Mr. Jack Aaron, Publicity Chairman explained that the 1965 Crusade will emphasize a "Tell Your Neighbor" theme. Volunteers, in their door to door bellringing will hand out a leaflet containing life-saving facts about cancer and information about the Society's effort to help conquer this dread disease.

The local Crusade will be conducted in memory of J. R. Cummings, late president of The Burk Burnett Bank. Wives of directors of the Burk Burnett Bank will conduct the local crusade, Mr. Aaron said.

Much of the preparation for this year's Crusade, Mr. Aaron said, will be centered on training volunteers to make them the best possible guides to helping save lives from cancer.

The Society appealed for volunteers "who are willing and anxious to do this humanitarian work" to contact Mrs. Brack Preston, 569-2887 for additional information.

"Volunteers, the life-blood of the Society's anti-cancer effort, are greatly needed," Mr. Aaron said. "It is they who saturate the community with life-saving information. It is no exaggeration to say that without them, the Society's program would not be possible."

According to the American Cancer Society, 92,000 men and women will die of cancer this year because they did not get to their doctors in time for early diagnosis and prompt treatment.

The goal of "Tell Your Neighbor" is to persuade the American public of the importance of prompt diagnosis and treatment of cancer. "An annual health checkup will mean many thousands of lives saved from the disease," Mr. Aaron said.

One of the goals, Mr. Aaron said, will be to raise money for research, education and service. "Our only hope of saving one half of those who now develop cancer is through the results of the research which is occupying an increasing number of scientists each year. Here lies our hope."

The local doos to door campaign for funds will be Tuesday night, April 27th.

Mr. Harry Dodson left Wednesday afternoon by plane for New Orleans, La., where he attended funeral services for a nephew, Carrol Goyer, on Thursday.

Mr. Gower, an employee of Shell Oil Co., died Tuesday morning following a long illness.

Survivors include his wife and two small daughters of New Orleans; his parents, Mr. and Mrs. W. D. Goyer of Tyler, Texas; and one brother, Harry of San Francisco, Calif.

Mrs. Lena Gilbert and Mrs. Atlas Gilbert of Nocona were Sunday guests of Mrs. Hettie Gilbert of Burk Burnett.

## Neal Tullis Seeks Place On City Council Apr 3rd

I offer my services as a City Commissioner, if it is the desire of the voters to choose me. I am qualified in financial and business management and have the time to devote to the job.

If elected I promise to:

1. Be fair and impartial.
2. To make decisions only after careful analysis of facts and figures.
3. To disseminate information pertaining to major issues and financial affairs to the people through this newspaper.
4. I am in favor of appointing a board, not composed of councilmen or city employees, to make a thorough study of our water situation and make recommendations to the Commission. I believe water is our greatest future problem.
5. To support a city library.
6. To include parks and recreation in the budget.

I cannot promise anything until careful study is made of various situations.

**YOUR SUPPORT AND VOTE WILL BE APPRECIATED.**

## Why Change Horses In Midstream?

### UNNEEDED AGENCY

In its search for added regulatory power the federal government has turned from new fields to conquer to new waters to navigate.

This is evidenced by the Administration's insistence on the creation of a new federal agency to take over water pollution control despite the fact that the effectiveness of present state and interstate controls has shown that intervention by the national government is not needed.

As the National Association of Manufacturers testified before a Congressional committee, the remarkable success of water pollution control efforts attained by the eight-state Ohio River Valley Sanitation Agency provides convincing proof that the administration of such activities should be left to the state and regional authorities.

Under the Ohio program, 99 per cent of the sewage emanating along the 1,000 miles of the river and from the 1,300 communities along the tributaries are being pumped into purification plants. And, over 99 per cent of the 1,700 industrial plants in the area are complying with the interstate requirements for pollution control.

There is ample evidence, too, NAM pointed out, that industry, on a nation-wide basis is cooperating in the drive to eliminate, or at least control, water pollution. Industry is spending over \$100 million annually and has invested \$1 billion in pollution control equipment.

The governors of 24 states have testified that the U. S. Public Health Service is doing a completely adequate job of protecting the nation's health in the water pollution control field and that its jurisdiction should be continued.

In our view the establishment of an unneeded new federal agency would result in chaos and could hamper, rather than improve water pollution control.

### GRASS ROOTS OPINION

CORRIGAN, TEXAS, TIMES: "It's a peculiar world Washington takes over our money, and then threatens to cut off our dole if we don't comply. Foreign nations can trample our flag, wreck our embassies, tell Uncle Sam to go jump in the lake, and still they receive foreign aid with no strings attached. Some things are hard to figure out."

SCHUYLKILL HAVEN, PA., CALL AND NEWS: "A Montreal movie house was being picketed but business was brisk anyway as the theatre was showing a good mystery thriller. The union strategists came up with an effective answer. The pickets began carrying signs that read: 'The professor's wife did it.' Two hours later the strike was settled."

OCALA, FLA., STAR-BANNER: "Congress could do one thing to help reduce the staggering national debt which President Johnson plans to increase next year. Legislation could be adopted to provide that whenever the federal government disposes of property the proceeds are applied against the national debt. The present practice is to put the money into the general fund for spending. It then is ready to be squandered on some new spending scheme. And in the meantime, the debt continues to grow. Something must be done about the debt eventually and this would be a good place to start."

## THE AMERICAN WAY

BIRTH OF A DIRTY BIRD

## Roger W. Babson Weekly Report

ROGER W. BABSON  
THE CHALLENGE OF LENT

We have passed the midpoint of the season observed as Lent. This is a period of great religious significance to many millions of people throughout the world. Protestants and Catholics alike find it a time of commitment and renewal, a seeking the deepest spiritual values in life. The closing days of Lent also coincide with the observance of the Passover commemorating God's deliverance of the Jewish people from bondage in Egypt. Hence the Lenten season is a good time for all of us to ask what is wrong with the world—and with ourselves; and furthermore what we can do about it.

### Better Means But No Better Ends

We have only to look around at our world to realize what incredible progress science and technology have made, especially in the past half century. Processes and products discoveries and developments not even remotely envisioned in the early years of the 20th Century have followed one upon another at so swift a pace that our minds can scarcely comprehend their possibilities. We have learned how to do a great many things. But take a closer look at our world; certainly we have been moving fast—but where in what direction?

As communications have broadened, the world has grown smaller. That time is long past when difficulty in one small country could be dismissed as an isolated instance which could not touch the rest of the world. A trouble spot anywhere is now an ever intensifying danger that could plunge the whole world into destruction. We are caught in a great world struggle in which the forces of evil seem to be prevailing. Nations everywhere are racked by hatred, violence and brutality. The U. S. is certainly not immune—things have happened here that bring terror and shame to men's hearts.

### Spiritual Rebirth Needed

For man with all his forward progress in probing the mysteries of science and detailing the methods of technocracy has not been able to make for himself a better world. It must be a frightening experience for those with no resources beyond their own puny strengths to view the shambles man has made of the world that has been given him.

It has always been our conviction that science and technology education and enlightenment—great as is their contributions—can go only so far in

solving man's problems. Where they leave off a Higher force has to take over. And at this point in our observance of Lent, probably the best question each of us can ask is: "What part does God have in my own life?" For it is undeniable that we cannot simply "leave religion to the church. The church is the sum total of its people; hence the church spiritually renewed has to mean a

### ROY BRAKEBILL HEARING AID CENTER

Vance Quality Hearing Aid  
710 Austin Phone 322-6901  
Free Parking Wichita Falls

people spiritually renewed. We can think of no better time to undertake such spiritual renewal than in this Lenten season—a period which is a reminder of God's unending promise to help those who truly seek to do his will.

### Back To The Bible

This should be a challenge to all of us to return again to the Bible to read God's promises and heed His Commands. If we look at the problems of this world through the eyes of man we have to acknowledge that we cannot change human nature; but if we look at them through the eyes of God just as surely we know that He can! We can never succeed by fighting godliness with godlessness, dishonesty with dishonesty, or cruelty with cruelty. What we need is a return to the eternal values. We need to commit ourselves anew to the God who is greater than our highest hopes; to trust ourselves completely to His power, His wisdom and His goodness.

It is still true that "More things are wrought by prayer than this world dreams of." We could turn back the forces of darkness and evil if we truly believed—and acted upon our belief—that God gave no idle promise when He said "If my people which are called by my name shall, humble themselves, and pray and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." Lent will soon be over. But Lent could—and should—mark deepening faith in the God who simply the beginning of our created us. Man has demonstrated his pitiful inadequacy; let us humbly ask God to reveal to us His abundant sufficiency.

### Wormy Trick

It's a low trick, to be sure, but when you are trout fishing with the worms a chunk of dirt broken off the bank into the water will set the stage for your drifting bait. catch bigger fish.

Are we making any cancer? The American Society reports that diagnosis and treatment help make possible the of the more than Americans now alive. Cancer. Every man and is urged to have a health checkup. Early and prompt treatment best hope for a cure.

### Burk Garden Club Met March 24th in Bloodworth Home

Burkburnett Garden club held a regular meeting in the home of Mrs. Lloyd Bloodworth, March 24th. Subject for the day was Parks, Texas and Canada.

President, Mrs. A. H. Lohoefer presided. Reports of standing committees were received. One of particular interest was the planting of trees near and in the new cemetery; also the flower show scheduled for April 23rd.

Leader for the day was Mrs. H. G. Williams. Roll call was answered by naming and commenting on a Texas State Park. All answered with a very good comment on the many good parks in Texas.

Mrs. J. B. Riley showed color slides of a number of Canadian National Parks. The most outstanding being the famous Berchard Gardens.

Lovely Lake Louise and the surrounding snow covered peaks with the beautiful flowering trees and grass that looked like green carpets, made you wish you could spend the summer there. The Totum Poles stood like Giants along the way and fresh flowers from hanging baskets in the cities and villages made the trip most exciting. The but outside the towns near the city dumps, black bears could be seen in the luscious wheat fields.

Sixteen members were served from a beautifully decorated Easter table with all the "goodies" of your choice, with coffee and hot spiced tea.

Club adjourned to meet April 28th at Mrs. Joy Sessums. All members are to be ready for the White Elephant Sale.

### Surplus Items At Sheppard AFB Offered For Sale

Miscellaneous scrap metals including aluminum, iron, steel and others are being offered as surplus property by the United States Air Force. These particular items are located at Sheppard Air Force Base.

The property may be inspected from March 30th through April 19th excluding Saturdays and Sundays by contacting Pete

W. Hogan, redistribution and marketing officer at Sheppard Daily inspection hours are 8 a. m. to 3 p. m. Hogan's office is in building 2135 at the base.

Bids should be mailed to Defense Surplus Sales Office, P. O. Box 6297, Fort Worth, Texas 76115, where they will be opened at 9:30 a. m. April 20, 1965.

Over a half million Americans will first learn this year that they have cancer. The American Cancer Society says that the prospects of cure depend on how early the cancer was found and how promptly treated. Do not take a chance, see your doctor every year for a health examination and learn and act on Cancer's 7 Danger Signals.

**Hardin HD Club News**

The Hardin Home Demonstration Club met with Mrs. W. E. Goss March 24th. Mrs. Gerald Savage brought two of the 4-H girls to the meeting and they gave a program on Food showing.

Mrs. Goss food leader, talked on Etiquette, Manners, and pose and concentrated her talk on table setting and serving food.

Mrs. Roderick told of the HD Bazaar to be held April 28th at the 4-H Barn. Mrs. E. W. Roderick, Hardin; Mrs. J. G. Chesney, Friendly Homemakers and Mrs. C. L. Cato were chosen as delegates to the district council meeting in Childress April 15th.

Nine members and four guests attended the meeting. Mrs. Hageman will be hostess to the next regular meeting April 18th.

**From The Harrelson Nursing Home**

Harrelson Nursing Home gratefully acknowledges the following gifts to their patients: Memory verses and wall plaques from the Girl Auxiliary of the First Baptist church which were delivered by Mrs. James Brockhaus and Mrs. B. H. Preston; and to Mrs. Hattie Gilbert for the trees and shrubs she donated and planted at the home in memory of her husband, Homer Gilbert.

**Theta Epsilon Wins District VI Awards Sunday, March 28th**

The Burk Burnett FFA Livestock Judging Team entered the Wichita District Livestock Judging Contest held in Vernon Saturday March 27 in preparation for the area contest which will be in Stephenville Saturday April 3rd.

Team members were Terrell Goss, Gary Koenig, Henry Denny, and Kenny Bob Roberts. They placed 11th out of 17 schools represented. Hubert Smith went through the Dairy Division. The team was accompanied by their advisor, Bryan Farris.

**Tired Feet**

Sprinkle boric acid in socks and shoes to relieve hot, burning feet.

Eta Lambda and Eta Nu Chapters from Wichita Falls, were hostesses to the District VI meeting of Epsilon Sigma Alpha held March 28th at the Trade Winds in Wichita Falls.

A delicious luncheon preceded the business meeting. The tables were beautifully decorated with wicker baskets of white daisies and yellow yuccas. Mrs. Bea Godfrey, president, presided over the meeting. Introduction of special guests and State officers was made by Judy Rottman, State President. 2nd vice president, Lillian Beck, Houston; and State ESA Home Board representative, Frances Martin, Dallas. Imelda Roberts gave an inspiring devotional from the "Song of Solomon." The district voted to give black window shades and a cash donation to the Childrens Center in Wichita Falls to complete the District welfare project. These shades are to be used in the TV room.

Presentation of the District "Outstanding ESA'er" was made to Carra Causton, Fort Worth. Claudia Bridges from Burk Burnett received honorable mention. Selection of "Miss Congeniality" went to Betty Fowler, Fort Worth, with second place going to Evelyn Farris, Burk Burnett.

Theta Epsilon of Burk won the attendance award. The District donated \$25.00 to the ESA retirement home. Next meeting will be June 13th in Abilene, at the Down Towers Hotel.

Election of officers for 1965-66 highlighted the meeting. They are: Avis Hutchinson president, Quannah Bobbys Slusher vice president, Burk Burnett Betty Fowler recording secretary, Fort Worth, Omega Zavala Treasurer, Wichita Falls, Marilyn Howard reporter, Burk Burnett, Lois Hanna, Corresponding secretary, Quannah.

A reception was given Saturday evening at the Trade Winds for State and District officers. Attending from Burk Burnett were Mesdames LaDonna Shepard, Helen Eason, Evelyn Farris, Kathleen Brammer, Claudia Bridges, Shirley Sparks, Bobbys Slusher, Bobbie Kinkerman, Marilyn Howard, Mary Tullis.

**Mrs. Philip Carpenter Presents Program To Girl Scout Troop 50**

Girl Scout Troop 50 wishes to thank Mrs. Philip Carpenter for her interesting and informative talk during the troop meeting Tuesday, March 30th.

Mrs. Carpenter spoke about the early settlement of Burk Burnett and the progress made through the years. The troop committee chairman, Mrs. Beavis Wooten, is leading the girls as they earn the "My Community" Girl Scout Proficiency Badge.

They also wish to thank the Texas Electric Service Company for the use of the Reddy Room.

**Crops and Robbers**

**The Weed Robbers**

It's the biggest robbery in history; nearly four billion dollars! And it's taking place right now. Who are the victims? American farmers—you!

Who are the robbers? Look out your window and you'll see them—weeds!

According to figures supplied by the Department of Agriculture, the total yearly loss due to weeds on agricultural land in the U.S. comes to \$3,747,036,000.

What's being done to foil the weed robbers? Plenty! Scientists at agricultural chemical laboratories are hard at work perfecting effective herbicides. Major chemical agricultural corporations have developed herbicides which arrest weeds before they can do any damage.

Preemergence weed killers like Atrazine, Simazine, or Caparol kill weeds before they even become juvenile delinquents. Preemergence weed control has proven more effective than mechanical methods, and the cost is lower.

Postemergence sprays weeds are also valuable protectors. As an example, Atrazine will knock out weeds about 1 1/2 inches above ground.

Corn growers plow weeds—like quackgrass, foxtail or northern wild rice formerly lost from 800 to 1,000 acres to these weed big game. Now corn growers have a new way to harvest a better crop by eliminating weeds with a herbicide that weeds throw up their hands and cry, "Uncle." A single application of Atrazine—at or before planting—normally provides season-long control of broadleaf weeds and grasses.

In like manner, cotton growers are turning to new herbicides like Caparol to give their cotton fields and protect their moisture and fertilizer investments which steal billions of dollars from farmers each year.

## STATE CAPITAL Highlights AND Sidelights by Vern Sanford

to afford land in the countryside. Other supporters were representatives of the Texas Farm Bureau, the Texas Farmers Union, the South Texas Milk Producers Association and farm bureaus of Nueces and Hays counties. Dungan said the proposal provides for land to be assessed at lower rates so long as it is agricultural use. At the time the land is taken out of agricultural production, it would have a lien for the difference between the agricultural tax evaluation and the market value the seven preceding years. Tax would be payable either by the farmer or the buyer.

**Student Loans**—Texas students from Junior college to graduate school level would be able to get state-financed loans to pay for their educations under a proposed constitutional amendment due to go to voters in November. Senate approved the measure by Rep. George Hinson of Minero to set up a \$75,000,000 bond-supported loan fund. State, denominational private college and university students would be eligible to borrow sums needed for tuition and

### MOTH PROOFING IS A FAMILY AFFAIR

**EXTRA TIP**  
HANG A "STANLEY" MOTH CAKE IN EVERY GARMENT BAG.

reasonable living expenses. Loans would be repayable in 10 years at four to four and a half per cent interest. Gov. John Connally recommended the program in his message to the Legislature last January. If voters approve the plan, Hinson estimates \$28,000,000 to \$32,000,000 will be borrowed by Texas students within the next two years.

**Longer Truck Permitted**—Larger trucks, twin trailer trucks and three unit combinations soon may be traveling Texas highways. A bill passed and sent to the governor will extend maximum length of single trucks from 35 to 40 feet and tractor-trailer maximums from 50 to 55 feet. Three unit combinations up to 65 feet long, now not allowed, will be permitted on Texas highways.

**Drinking Hour Changes**—Bars would stay open later and liquor stores close earlier under a House Liquor Regulations Committee recommendation. Committee okayed a bill by Rep. Dick McKissack of Dallas to extend beer drinking hours to 2 a. m. seven days a week and make beer available at noon

boundaries had been entered, but it was made effective Jan. 1st.

However, Carr added that it is perfectly lawful for persons to be elected to an office which is not printed on a ballot by writing in the name of the office and the name of the persons they wish to vote for. Election in this manner is valid even if only a small number of persons participate.

**Appointments Announced**—Four University of Texas regents have been named by Governor Connally. Three of them were confirmed by the Senate a few days later.

Connally reappointed W. W. Heath of Austin. Also named were Jack S. Josey of Houston, W. H. Bauer of Port Lavaca and former Congressman Frank N. Ikard of Wichita Falls. Josey, Bauer and Heath were speedily confirmed. Ikard, who is working in New York, has not yet been interviewed by the Senate nominations committee.

Connally also announced nine appointments to the Texas Historical Survey Committee. Reappointees are Patrick E. Taggart of Waco, Charles R. Woodburn of Amarillo, Edward H. Harte of Corpus Christi, and Lewis R. Timberlake of Austin. Others named are R. Don Thorne of El Paso, Thomas C. Unis of Dallas, Harold L. Kennedy of Palestine, A. M. Pate Jr. of Fort Worth and Robert L. Lowry of Houston.

**Rural Telephone Service Hit**—Rural citizens are open to discrimination by some telephone companies, House State Affairs Committee was told.

Witnesses from East, Central and North Texas testified at a hearing in favor of a bill to give commissioners court or a state commission power to regulate rural area telephone rates.

Bill by Rep. Dick Cherry of Waco and James D. Cole of Greenville was sent to subcommittee.

**State Park Improvements**—Nearly 100 piney woods residents jointly presented Governor Connally the report of the Big Thicket Park Study Commission.

Included were recommendations that an additional 2,000 acres be acquired for the Alabama-Coushatta Indian Reservation; that a 20 acre camping area be set aside immediately south of the reservation; that a 10,000 acre Big Thicket State Forest be created south of the camp area; that 15,000 acres be acquired and designated as a Wildlife and Wilderness Area; and that 90 percent of the Big Thicket country be retained for

private uses, but kept in character with the park project.

Texas Highway Department meanwhile announced plans to construct improvements on FM 1915 to make Caddo Lake more accessible to Northeast Texas residents. Project is part of the department program of working with local areas in developing recreational resources.

**Car Property Tax Boosted**—Auto owners would have to show proof that they have paid their vehicle property taxes before they could get license plates under a bill approved by the House Revenue and Tax Committee.

Bill by Rep. John Traeger of Seguin, familiar to legislators from past sessions, now is on House calendar for debate.

**Gambling Curb Offered**—Proponents of legalized race horse betting have a rival in a proposed constitutional amendment sponsored by Rep. Raymond Price of Frankston, to prohibit all forms of organized gambling.

"The unfairness thing I ever saw to the little ponies," lamented Rep. V. E. (Red) Berry of San Antonio, perennial champion of horse racing.

**Medical Aid Advances**—Bill to set up assistance payments for medical and hospital

attention to persons over 65 who are not on the Old Age Assistance rolls is taking a speedy trip through the House.

Bill make it possible for the state to take advantage more extensively of federal matching funds available under the Kerr-Mills program.

In the Senate, the bill probably will be held up pending action by Congress on new legislation for medical aid to the aged. Senate may write in provisions allowing Texas to participate in the newer program before passing the bill. If this is done, then the final details would be worked out by a conference committee of members from both chambers.

**February Building Down**—Total building in Texas during February was eight percent less than February of 1964. However it was a five percent increase over January.

# WORSHIP BEGINS IN THE HOME

Our home is more than just a pretty structure, of course it does provide comfort, but beyond that, it is a place where joy abounds... It is a place where love is abundant, it is a place of cooperation, and it is a place where the Lord is worshiped. From the home, our relationship with God is carried over into the church. It is there that my family is able to share worshipping the Lord with others. Ours would not be a full life, if we did not participate in worship at home and church. Attend church this week and join us in worshipping the Lord.

The church is a spiritual center in the world by providing the knowledge of the Lord in the home and the church. It is a place where love is abundant, it is a place of cooperation, and it is a place where the Lord is worshiped. From the home, our relationship with God is carried over into the church. It is there that my family is able to share worshipping the Lord with others. Ours would not be a full life, if we did not participate in worship at home and church. Attend church this week and join us in worshipping the Lord.

### ABOUT SPORTS

By BOB LAURICK

With every seasonable sport, players seem to want to play just one more game. And this basketball season is no different. So the shooting aces of The Burk Burnett Drillers, semi-pro Basketball team took to the hardwoods just one more time. They took on some strong competition, because this writer has not seen the day that the Drillers had to play so hard as they did in the Byars Invitational tournament. Eight teams strong, the tournament started its two day run Friday, March 26th and Saturday the 27th.

The senior class of Byars sponsored the tournament and as I hear it they are well on their way toward their trip, thanks to the good crowds during the wild two days of ball dribbling.

Teams from Henrietta, Shepard Field and East Branch YWCA, Decatur Baptist Junior College had 3 entrants. The Red shirts, the all Stars and the Rejects of Ringgold also had a salty team even though they didn't reach the finals. Our Burk Drillers took top honors with Decatur All Stars taking

2nd in a well balanced game, which the Drillers took 109 to 99. East Branch took 3rd place and Decatur Red Shirts taking consolation.

So with another victory under their belts, another Burk champion team will hang up its uniforms for another year, hoping that next season will be as good as the past. And for sure the next time you hear "Play Ball" it will mean baseball.

We hope that the "Little League" Baseball season that starts soon will get off with flying colors. Sometimes this is hard to do with sponsors to be secured, equipment to round up and playing field to make ready. Things can really get in a jumble if we don't all pitch in.

Volunteer coaches and managers and the league officials have more than enough to do without worrying about, if the fields are in shape and what if the light don't work, will we get a sponsor for this team or that one?

So once again we ask you to make your home town "Little League" baseball program a good one for your kids and mine. Our kids will supply the talent, we can and should supply the rest.

### Two Burk Students On Honor Roll At North Texas State

Names of 76 students on the 3.0 honor roll and 491 on the 2.5 honor list for the fall semester at North Texas State University have been announced by vice President J. J. Spurlock.

Those in the 3.0 group made a grade of "A" in all of their course work. The 2.5 listing includes all others whose grade averages came at least midway between an "A" and a "B".

John Edward Cools and Mrs. Karen Kaye Edwards of Burk Burnett were named to the 2.5 honor list.

Cools, son of Mr. and Mrs. John E. Cools, 305 S. Holly, Burk Burnett, is a graduate mathematics major and a 1961 graduate of Burk Burnett High School.

A junior English major, Mrs. Edwards is the daughter of Mr. and Mrs. E. Bruce Burton, 115 Smith St., and a 1961 graduate of Burk Burnett High School.

English cities are generally called boroughs.

### FROM THE GUEST PEN

BY D. R. SEGAL

Editor

Brownsville (Texas) Herald

Pity the next President of the United States.

What's he going to do for an encore?

Lyndon proposes to cure anything from poverty to the trots. Maybe after he's through we can abolish the office as government surplus.

There's this to be said about poverty: it's the hardest piece of merchandise in the political grab bag. No matter how barren a politician's wagon may be, there's always a well-stocked shelf of poverty.

Lyndon is an old hand at poverty-pooing.

He abolished it for the first time as administrator of the National Youth Administration (NYA) back when he was a kid whom FDR had tagged as a comer.

Well the NYA came and the NYA went, and as old Matthew predicted, poverty remained among us.

Through the years Lyndon has hacked away at poverty, especially at close range. He has destroyed any semblance of poverty in his immediate family through a series of amiable arrangements with the Federal Communications Commission. He has been rather less successful with the nation at large, but it must be remarked that he has taken care of those sections of his home state that vote right. Texas is jammed with defense industry, space business, electronics industries and all the other expensive clutter of modern government contracting. Yes, it can fairly be said, Lyndon has done his best to cure poverty in carefully selected areas of the state.

There is one big difference between Lyndon and all the poverty eliminators who came before him. FDR had the gift, Truman had the gall and Kennedy had the wit. But Lyndon—he is the one who knows how to get things done.

Then we're sunk? Goodbye forever? Not hardly.

With the Rules Committee altered from a tiger to a house cat, it's be easy as pie to jam the whole bundle of Greater Society placebos through the Congress himself. Lyndon must know gress; but as an old bureau- that it's a country mile between passing a bill and putting a program into effect.

It is the bureaucracy — so often caused by the luges of us—that keeps New Deals, Fair Deals, New Frontiers and Great Societies from ripping the pants and the hide off us. God love it.

These vast programs to shift the political landscape from here to you, changing the habits, desires and basic urgencies of human nature are easily put on paper. Then the duty of the Congress ends.

Here the bureaucracy takes over.

Some of the Establishment is out of sympathy with the program itself. Some departments think their prerogatives have been usurped. The incessant first principle is to keep

as many persons as possible on the payroll, boosting the size and importance of the department.

The winning dining and womanizing habits of the new administrator or Cabinet member have to be learned and accommodated.

Oh, there is much, much to be done.

And there is hardly any time or talent left for putting into effect the vast schemes which the entrenched bureaucrats know will disappear with the next administration. They sigh, patiently, go through the motions, effort valiantly to spend all that money and make a case for even more next year.

And the green grass grows all around, all around, and the green grass grows all around.

There is something about the sheer wholesale bulk of each new administration that is self-defeating.

Great Society, ho! Over the New Frontier, past the Old New Deal and the newer Fair Deal.

54-40 or Fight!

Press not the crown of gold on the brow of Labor!

Remember the Maine, the Alamo, the sale of the Yanks to CBS.

Remember, Remember.

There is yet hope. This too, shall pass away.

D. C. April 5-10. Gad Garland, Rural Representative, Texas Electric of Burkburnett, will attend the Forum as a 4-H Leader from Wichita County. Mr. Garland will leave March 31st for College Station. He will meet the Texas delegation there and leave for Washington, D. C.

The Southwest Animal Research Foundation announced at a March 5th meeting in Dallas that farmers and ranchers in the Southwest would be asked to raise \$300,000 to help keep the screwworm eradication program operational. Wichita County's goal is \$2,841 in this program.

Serve eggs often during March; they are plentiful and economical and one of the most easily and completely digestible foods reminds B. T. Haws, county agent. And he adds, eggs are loaded with protein, vitamins and minerals.

Cattle and calves on U. S. farms and ranches on Jan. 1, 1965 totaled 107.2 million head; up from 106.7 a year earlier. This is the smallest yearly gain since 1959 when the current upswing began. Dairy animals decreased 3 percent but beef cattle increased 2 percent. In Texas there was no change in beef cow numbers but dairy cows were down; Sheep numbers were down 8 percent; hogs were down by 24 percent but goat numbers were up.

Be sure to use only high-quality, viable vegetable seed in your garden this spring, says the county agent.

The seed should be stored before planting in a cool dry place. Fruit jars or cans with tightly fitting lids make suitable seed containers.

Seed saved from the previous year should be tested for fertility to be sure of germination when planted. A simple way of testing at home is to place a piece of moist paper towel or facial tissue on a plate or saucer. Put a representation sample of seed on the moist paper and cover with another piece of moist tissue. Next wrap the whole saucer in a piece of polyethylene plastic, stick about 6 or eight pin holes in the surface of the plastic to allow air to enter.

After sufficient time, count the germinated seed. The length of time varies from about five days for radishes and similar seeds, eight to ten days for corn and beans and 14 to 16 days for carrots and celery.

**Squirrel Trick**  
Got a squirrel up a tree but he won't show himself. Some times you can make him run by taking a good size dead branch and belting tree trunk.

## DEVOL NEWS

Mrs. C. O. Woodley, Reporter

Mrs. Willie Cozby was hostess in her home Thursday when the Devol Demonstrators met for the regular meeting at 2:00 p. m. Mrs. Betty Dahms gave a lesson on Materials.

Refreshments of home made cookies, ice cream and coffee was served to Grace Uthe, Verta Stevens, Beulah Miracle, Dolly Hardin, Pearl Coker, Edna Wilkinson, Ethel McCasland, Betty Dahms and the hostess, Mrs. C. Cozby. The next meeting will be the second Thursday in April with Mrs. Dolly Hardin.

Mrs. Thelma Mays who recently underwent major surgery in a Frederick hospital is said to be doing nicely and expects to be home soon.

Mr. and Mrs. K. L. Smith and Mr. and Mrs. Joed Inman have returned home from Pensacola Fla., where they visited the Smiths son, Mr. and Mrs. Bud Smith and children, instead of Lyndale as was stated last week.

Mr. and Mrs. Bill Ballard and Mr. and Mrs. Ben Davis and sons of Olney, Tex., were weekend guests of Mr. and Mrs. Harvey Doty and boys.

Mr. and Mrs. George Douthitt of Electra visited Mr. and Mrs. F. G. McClendon Sunday.

Mrs. C. O. Woodley visited relatives in Wichita Falls several days last week.

Mr. Pearl Cates is spending a few days this week visiting in Burkburnett.

Fred Harrison who was ill with the pneumonia has been returned home from the hospital.

Mrs. Dollie Hardin visited relatives in Fox, Okla., Monday.

Mrs. J. B. Stevens and Mrs. Virgil Wilkinson attended a federated club meeting at Walters Monday.

Mr. and Mrs. Jerry Bowles and children of Walters visited Mr. and Mrs. J. P. Wilkinson Sunday, visitors last week were Belinda and Jack Schwartz and Dereh Drake of Wichita Falls.

Mrs. Floyd Uthe and Mrs. Tom Kinnard were Frederick visitors Monday.

Dry ice is solidified carbon dioxide gas.

## The American Way

THE "RIGHT TO VOTE"

By HARRY BROWNE

"The most basic American right is the right to vote! How many times we've heard that cliché. Superficially, it sounds reasonable. After all we live in a "democracy" — why shouldn't every citizen have the opportunity to participate in his government?"

But let's hold up just a minute — before we get carried away. What does the right to vote mean? What happens when everyone can vote?

**It Means...**  
The right to vote means the right to decide what will happen to the money someone else has earned. The right to vote means the power to tell another

individual what he may do with his own property.

We're told, of course, that there should be virtually no qualifications for voting. Anyone should have the right to tell you how much of your property will be confiscated by the politicians.

Well, that sounds all right. But why not carry it to its logical conclusion? Why not lower the voting age to 12? After all, youngsters are affected by the decisions at the polls.

And why not go into the prisons and register the thieves? After all, most of them are imprisoned for handling others money in the same way politicians do.

But now let's talk sense. Instead of giving everyone the right to vote, why not deny everyone the opportunity to vote on others' affairs? In other words, why not simply allow each individual to do what he chooses with his own property? Why not limit the use of force

to defending one's property — instead of using it to confiscate property in the name of the "public welfare?"

**If It's True...**  
Won't work? If it's true that individuals are too evil or too dumb or too ignorant to run their own affairs, then how can they be trusted to elect men who will run everyone's affairs?

The "right to vote" is not the crucial issue of our time. It's a misleading phrase created to allow demagogues to acquire greater control over our lives.

The great issue of our time as in all times — is the need for men to develop ways to protect their property and their lives from those who would use politics as a weapon to steal their freedom.

Don't you agree?  
**MERRY CHRISTMAS**  
Tie a Christmas bell to your trot line. Then it's Merry Christmas when a fish hits.

### FIRST SAVINGS & LOAN ASSOCIATION OF BURKBURNETT

**Zing into spring! Corvair by Chevrolet**

The steering's crisper, the ride's flatter, the style's racier—even the grass looks a shade greener from behind the wheel of this new Corvair

For all its finely calibrated instrumentation—tachometer, manifold pressure gauge, even an electric clock with a sweep second hand for rally buffs—the most important thing that happens when you get a Corvair Corsa

out on the road doesn't register on the dash. It registers on you.

You feel it in the steering—crisp and precise—as you double back on a curve. In the flat riveted-to-the-road stability of the new fully independent suspension. In the response of the rear engine (up to 180 hp available now in Corsa's Turbo-Charged version).

Drop down to your dealer's now—while the trading's extra good—and see for yourself.
