NUMBER 33

To express a simple idea, the temptation is to make a dreary speech, and the duller the idea the longer the speech.

Burkburnett High School Seniors Present Play April 30 - May 1

Senior class of Burkburnett High School will present a play Friday and Saturday evenings, April 30 and May 1, at 7:30 p. m. The play is "The Day After Tomorrow" directed by Mrs. J. E. Edson, drama teacher. Mrs. Edson is a three-time winner of the state playwriting contest by Joseph Kessel. The story concerns two young and innocent sisters who share their cellar with a group of twelve socially "accepted" roommates. The story also concerns the sister's brother who is Teddy Roosevelt's activities of their father.

The cast includes Linda King, Doreen Brewer, Dr. Harlan Montgomery as Teddy, Paul Gilchrist as Officer Johnny Karstetter, John Klein, Carole Yarbrough as Donna Elaine Harper, Phyllis Mortimer Brewer, as Mr. Gibbs, Danny Johnson as Jonathan Brewer, as Dr. Einstein, Bobby Hubbs as Lieutenant Steve Colpitts Witherspoon, Robert H. Hoskins, Terry S. Spauldo, and Charles Ernie Harris, Paul Wolfe, Robert Klemm, David Salter, Debra George Jackson, Jerry, Pete Glover and Janet as the twelve roommates.

Working in the production are Ernie Harland, director; Paul stage manager with Dar and Sue Eagle, crew; Charles Skidmore, technical director with Pete Glover and Herman as his crew; as designer; Larry property manager with Neil Breitenstein, Small, Nels Koenig, mistress with her Sherry Bohndstedt and Wynood, Rolene Silk, make-up chairman with Tona Nix, Kathy Fulgham, Darrell, Kay Toole and Marilyn Groene, business manager; Ter-

First Savings And Loan Passes \$4 Million Mark

Albert Dillard, Executive Vice president of the First Savings and Loan Association announced today that total assets of the Association had passed the 4 million dollar mark. The Association has enjoyed a good steady growth since its formation some 5 years ago by a group of local businessmen who saw a need for an institution devoted to serving the saver and the homeowner. The Association points proudly to its strong reserves which places it among the 5 top Associations of its size in the State of Texas.

First Savings and Loan Association is a member of the Federal Home Loan Bank system, the Texas Savings and Loan League, and is insured by the Federal Savings and Loan Insurance Corporation, a permanent agency of the federal government.

CARD OF THANKS

We want to thank our many friends who showed their sympathy during our sad bereavement in the loss of Mrs. Martha Nail. We also wish to thank the funeral home staff, Rev. Elliott and Mrs. Rigby for the nice service. We are sorry that Mrs. Nail's friends could not view the body, but that was her request. We hope that God will pour out His richest blessings on each one of you.

Million Paid Out Annually In Social Security Benefits in County

Over 10,900 residents of county are now receiving monthly Social Security benefits according to figures furnished by Francis J. Stevens, county representative.

At the end of 1964, the number of beneficiaries listed was 10,972. This is an increase over the number of beneficiaries listed at the end of 1963. The total amount of benefits paid out in 1964 was \$8,514,828.00 yearly. The number of beneficiaries is the largest in the county, with a total monthly benefit of \$6,732.00. Disbursements for the month of December 1964 and for the year 1964 total \$87,000 monthly.

These figures Mr. Stevens pointed out that social security benefits are of great value to the community and to the people who receive them. "It is an established fact," he said, "that this county's local business community, most of it is in food, clothing and other necessities, is no doubt that social security benefits are a major source of income for many in Wichita County and

ESA Founders Day To Be Held May 1st In Community Room

Burkburnett's Theta Epsilon chapter of Epsilon Sigma Alpha will celebrate ESA Founders Day here Saturday Morning, May 1st with a coffee at the Burkburnett Bank Community Room from 10:00 until 11:30.

Many of the chapter's trophies as well as scrapbooks and histories will be on display so that guests from various clubs in the city can see the many worthwhile projects the chapter has undertaken during previous years as well as the current year.

Epsilon Sigma Alpha is one of the largest women's organizations of its kind throughout the world. It has 1500 chapters and more than 40,000 members throughout the United States and in several foreign lands.

The sorority is an educational, social and philanthropic organization. The first chapter was installed in Jacksonville, Texas, on September 13, 1929. Many prominent women of that era helped organize ESA. Among the first members were the late Willa Cather and Dr. M. Freda Lotz of Colorado Springs.

The next twelve years were difficult ones for the tiny sorority which was forced to flounder through the depression years. Then in 1941, Palmer—a widely renowned educator, philosopher, author and lecturer— took over as head of the small

Dan M. Cole Gets Promotion With Lone Star Gas

DAN COLE

GLYNN COVINGTON

Dan M. Cole has been elected to the newly created post of executive vice president-administration of Lone Star Gas Company according to L. T. Potter, president. Glynn M. Covington, former assistant director of personnel, was named to succeed Mr. Cole as vice president-personnel.

The action was taken by Lone Star's board of directors meeting in Dallas Tuesday, April 20th and was effective that day.

On April 22nd, Mr. Cole and Mr. Covington were elected to similar positions by the boards of Lone Star Producing Company, Lone Star Gathering Company and Nipak, Inc.

Jay Forrest Places First In Science Contest At TCU

JAY FORREST

Jay Forrest and John Strayhorn, students at Burkburnett High School, placed first and second respectively in regional interscholastic League Science competition at Texas Christian University, Saturday, April 24th. They will compete in the State Meet to be held in Austin, May 6th, 7th and 8th.

To be eligible for regional competition, the boys first had to be winners in the District meet, which was held April 9th in Graham. In district, John Strayhorn won first place and Jay Forrest placed second. Regional competition included two contestants from each of the four districts of the region.

The science contest consists of objective questions, designed to test students' understanding rather than their ability to memorize details. Emphasis is placed on biology, chemistry, and physics, but does include other topics. The questions are of grade quality, some answered by all contestants and others challenge even the best participants. The purpose of the contest is to promote reading in science.

Jay, the son of Mr. and Mrs. Elmer Forrest, 801 Mimosa, is a senior, and John, the son of Mr. and Mrs. John Strayhorn, 603 Meadow Drive, is a sophomore. Mr. Tom Moore, Burkburnett High School science instructor, is the sponsor for the students.

Here and There AROUND BURKBURNETT

Mr. and Mrs. H. R. Hayes are visiting their son, Dr. and Mrs. Bobby Hayes and family in El Paso, Texas.

Mr. and Mrs. W. W. Chambers leave this week on an extended trip of Eastern United States. They plan to visit the Historical city of Williamsburg, Va., tour the Great Smoky Mountain region and other scenic spots and will spend a few days in Knoxville, Tenn.

The highlight of the trip will be their attendance at a reunion of Mr. Chambers graduating class of 50 years ago at the University of Kentucky at Lexington. The school was founded 100 years ago and an outstanding Centennial celebration is planned commemorating the event.

Enroute the Chambers will visit a sister and family, Dr. and Mrs. Ray Taylor in Lexington, a brother, J. L. Chambers and family in Washington, D. C. and another brother, Lawrence in Macoka, W. Va., also a nephew in Danville, Ky.

They plan to be gone a month to six weeks.

The Leo Fosters, Luther Caffees and Al Lohoeferens spent a couple of days fishing at Possum Kingdom lake the first part of the week.

Mrs. Ruth Beldon of this city and daughter, Mrs. Dorothy Moore of Wichita Falls, visited the mother of the late "Soda" Beldon, Mrs. O. J. Beldon, in McKinney, Texas Sunday, who was 98 years of age in March. She had visited in Burkburnett many times.

Mrs. Nola Thorpe of 207 E. 6th St., plans to leave Friday of this week for Tucson, Ariz., to visit her granddaughter Nola Dea and husband, Howell Bryant. Mr. Bryant will drive to Burkburnett to accompany Mrs. Thorpe to Tucson.

Rev. and Mrs. Leon Turner of Dallas, Texas visited in the home of Mrs. Jessie Jones and other friends Wednesday.

Mrs. Pat Brady returned home Wednesday after having ear surgery last week in a Wichita Falls hospital.

Mr. and Mrs. W. P. Parker and little granddaughter, Candy of Nocona, Texas visited in the home of Mrs. J. H. Brumley Monday and Tuesday of this week.

Sam Wood had surgery Monday in a Wichita Falls hospital. He is reported as doing nicely.

NOTICE

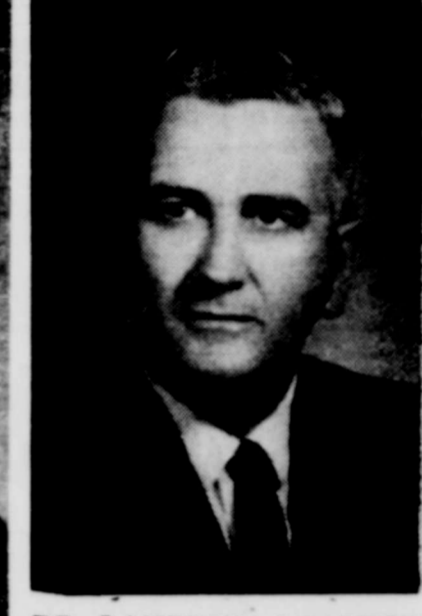

The Burkburnett Council of Garden clubs will meet Tuesday, May 4th, 9:30 a. m. at the Reddy Room for installation of new officers and all committee chairmen and members are urged to attend.

Mrs. Jim Haley and Mrs. Mamie Bryant spent Monday in Vernon, Texas, shopping and visiting friends.

"Spring Beauty" Flower Show Winners Named

The Burkburnett Council of Garden Clubs, with five clubs co-operating, staged their annual spring flower show, "Spring Beauty," on Friday, April 23rd in Burkburnett Town Hall with Mrs. J. A. Johnson, general chairman, and Mrs. Chester Todd, co-chairman, in charge.

Mrs. R. C. Gilbow won the highest number of awards and sweepstakes. Mrs. E. L. Neal and Mrs. Ralph White were runners-up. Special awards went to the high school Gardeners for outstanding artistic arrangements and to Mrs. C. F. Bohner for conservation and educational display. Mrs. Ralph White won award of merit and Mrs. R. C. Gilbow tri-color award.

Mrs. D. C. Dodson entertained with a ten o'clock coffee in her home with Mrs. Walter Riley, co-hostess, honoring the judges and flower show officials. Mrs. Walter Riley introduced the panel of judges: Mesdames L. B. Slaughter, James N. Tallant, Henry, Grace, Bob Burns, John Lynn, W. N. Yellott, all of Wichita Falls; Mesdames C. B. Haynes, E. L. Derr and K. G. Davis, Chillicothe; Mrs. B. Gutherie, Henrietta; Mrs. E. D. Sanburg, Sheppard AFB.

A lovely salad luncheon was served by the Methodist ladies with the judges and officials as special guests. Tables were beautifully arranged and place cards were cleverly designed with "Hats of our Century."

The show was open from 2:00 to 7:00 p. m. and many out of town guests attended. Our thanks go to the Coca Cola Co. for furnishing Cokes and the lovely "Four Season" arrangement of books. They were more than appreciated.

City Commissioners Set Clean-Up Week May 3rd

The City asks the citizens to place the tree limbs, old lumber, boxes, crates and other materials they want hauled off, near the curb or alley where it will be accessible to the workmen loading the trucks.

The clean-up starts Monday, May 3rd as follows: (1) Monday, May 3rd areas West of the Railroad and South of College Street. (2) Tuesday, May 4th area West of the Railroad and North of College Street. (3) Wednesday, May 5th, area East of the Railroad and North of College Street. (4) Thursday, May 6th area East of Railroad and south of College Street.

No trees will be pulled, cut down and removed from private property, as time will not permit.

Your cooperation in helping to meet our schedule will be appreciated.

Gray Investment In New Office at 316 E. 3rd St.

Announcement is made this week that Gray Investment Company has moved to new and roomier office quarters. The new location is 316 East 3rd Street, next door to First Savings and Loan Association.

The public is cordially invited to visit the new offices, Jana.

Rummage & Garage Sale

Rummage and garage sale to be held April 30th and May 1st from 8:00 a. m. to 6:00 p. m. at 902 Mimosa, sponsored by Episcopal Church of St. John the Divine. Items for sale include stove, washer, clothes, dishes and etc. For more information, please call 569-2461 or 569-3505.

The potter's wheel is believed to have been invented before wheeled vehicles.

May 2-8 Declared ESA Week

Mrs. Clyde Slusher, president of Theta Epsilon Sorority, witnesses the signing of the proclamation signed by Mayor Jim Frye, declaring May 2-8 as Epsilon Sigma Alpha Week. A coffee is scheduled May 1st, in the Burkburnett Bank Community Room, to celebrate Founders Day.

GRASS ROOTS OPINION

DENVER, COLO., RECORD STOCKMAN: "In 1955, Durland L. Wallace overplanted the 35-acre wheat allotment on his 157-acre farm on the high, wind-swept plains or northern Kansas. Because of his abundant harvest, he was unable to receive a federal loan and further prohibited from selling any of the crop. . . . So, in defiance of the U. S. Department of Agriculture regulations, Wallace put his bountiful harvest to use as feed and seed, sold some to neighbors, and traded more locally for corn. Suit was brought against Wallace in the U. S. District Court in Topeka and in March, 1958, he was fined \$759.53. Wallace declined to pay. . . . The years went by and interest on the fine accumulated. . . . Last January. . . Wallace paid the original fine plus some costs and redeemed his farm. . . . Perhaps he finally realized the fact of life in these United States that a farmer may not farm his own land without the government telling him what to do and that, in truth, few people really care."

LISBON, N. D., GAZETTE: "There is a proposal to levy a tax on advertising. Tax advertising? Well, it couldn't be that simple. . . . All advertising? Of course not. State government and its subdivisions would be exempt because any advertising done by governmental units would be in the nature of conveying information to the public, and therefore exempt. A sacred principle of our republic is the unrestricted freedom of speech, religion and press. In truth, legitimate advertising gives vent to all these freedoms."

MILES CITY, MONT., STAR: "Every taxpayer will be a patron of the arts unless some developments in Washington are brought to a halt, as they should be. The proposal that the Federal Government subsidize the arts keeps bobbing up, and it has a better chance than ever in this Congress. . . . The proposition that anyone who considers himself an artist is entitled to high living standards at public expense is a foolish one."

ROCKLAND, ME., COURIER-GAZETTE: "The fishing industry in Massachusetts is up in arms, and rightly so. Forced the past several years to compete with Russian trawlers and factory ships on Georges Banks and the Grand Banks under the Russian 'sweep the sea clean' practices they are now having to meet the importing of frozen cod blocks from Russia via West Germany and Amsterdam. . . . Not too long ago they (Russia) predicted they would bury us. Right now, with the apparent help of some packers in this country they are attempting to sink us."

BEDFORD, IND., TIMES-MAIL: "Our American way is due process of law — not defiance, not demagoguery, not violence. Continuing strife and violence in Selma, Ala., add emphasis to the fact that breakdowns in law and order do not aid the cause of justice or resolve differences. Neither side in the turmoil in Selma is to be praised. . . . The nation now has a strong Civil Rights Act. That law should be given an opportunity to work. Those who seek the protection of the law should respect and support law and order."

COLUMBIA, MISS., COLUMBIAN-PROGRESS: "There is a rank due the United States among nations which will be lost by the reputation for weakness. If we desire peace, it must be known at all times that we are ready for war." The same man also counseled: "Avoid the accumulation of debt, not only by shunning occasions of expense, but by vigorous exercise in the time of peace to discharge debts which wars have occasioned." If that sounds like the voice of a latter day conservative on Capital Hill, guess again. George Washington said it 175 years ago in his farewell address as the nation's first President."

MOULTON, TEXAS, EAGLE: "As David Lawrence tells, the longshoremen strike already cost two and a half billion dollars. That's how expensive those labor wars are—no less than the other wars. But whoever disagrees with these wars, is against the working people. Suppose all of us would act like those big labor unions? What kind of country would this be?"

FLEMINGTON, N. J., DEMOCRAT: "We haven't heckled Postmaster General John A. (Zip-Zip) Gronouski for quite a spell. We see by the city papers where the Postmaster General has announced that business mail users will have to zip code and pre-sort bulk mail by 1967. Even sooner—by the first of July, this year—such users will have to mark sacked mail for zip code sectional centers. Mr. Gronouski, we don't mind doing half your work for you—providing we get better mail service. But if there has been any improvement it hasn't exactly stuck out like a sore finger."

ODDITIES

FORTRESS-HOMES OF CLAY AND STONE WERE BUILT BY "CLIFF DWELLERS" DEEP IN THE CANYONS OF ARIZONA AS PROTECTION AGAINST WARLIKE SAVAGES.

AN AMAZING ALL-PLASTIC GREENHOUSE MADE OF WEATHER-PROOF VINYL PANELS IS SAID TO BE MORE DURABLE AND ECONOMICAL THAN FORMER GREENHOUSES MADE OF GLASS.

THE ORIGIN OF WAR
By HARRY BROWNE

For centuries, men have found themselves in trouble because they tended to confuse "society" with "government." If society needed something, they made the mistake of thinking that his meant the "government should undertake it.

One obvious area in which his is true today is with respect to internationalism. We are told that we can't live a life of isolationism, that there must be intercourse between the peoples of the world. And this is certainly correct.

But the mistake comes when we automatically assume that this means that government of the world should become involved in various agreements and world organizations.

By opening our borders to products produced around the world, we make available to ourselves the best of everything at the lowest possible prices. By permitting individuals to travel freely throughout the world, we do build understanding and interdependence, thus lessening tensions and minimizing the possibilities of war.

But by turning the control of these activities over to government, we maximize the opportunity for war. Governments set tariffs and launch economic offensives again each other.

Free people who have the opportunity to pursue their own happiness without political regulations have no interest in war. They want the best products and service from the individuals in the world best capable of producing them. Only government start wars.

Governments create wars by following unrealistic policies. They give in to pressure groups and set up tariff walls to lessen competition. Then they create paper money, not backed by gold and live in fear that too much paper money will be redeemed—thus wiping out the gold supply. As a result, governments are required to coercively prohibit the freedom of their own citizens and of foreigners who desire intercourse with them.

When the situation become aggravated enough, two nations find no alternative but to go to war. Why? Not because the people in those countries hate each other; but because the governments involved have killed the opportunity for individuals of the world to become interdependent.

Governments then turn in desperation to an international organization like the United Nations. Here the governments get together and make things even worse. Through governmental agreements we become dependent upon the policies of other governments. Then the unrealistic policies of other governments become our liability—to add to the problems our own government creates. Through the UN, we have become subject to the unrealistic monetary policies of all governments, and have become involved with the aggressive intentions of the likes of Sukarno or Nasser or the Communists.

True international interdependence can only come when

the governments of the world get out of the way and permit individuals to build relationships as they see fit. Government is no more capable of solving our international problems than it is of solving our domestic problems.

As Richard Cobden said: "Peace will come to this earth when her peoples have as much as possible to do with each other; their governments the least possible."

And Bastiat pointed out: "Where people and goods cannot freely cross national boundaries, armies will."

Put on the Full Armour

"Wherefore take unto you the whole armour of God" . . .

In Paul's letter to the Ephesians, he makes a comparison of the children of God and warriors. He says that our loins should be girt about with truth, and having on the breastplate of righteousness. He makes many more comparisons that exhort us to a proper life. Another thing that Paul urges is that we gather together and worship the Lord. No part of our armour is greater than regular church attendance. Much strength for the week is derived from worshiping with others.

Complete your suit of armour . . . attend church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

WOL NEWS

C. Woodley, Reporter

...lection held in the community building was held on the proposed site at Walters. The building only lacks a few finishing touches. The dark floor covering, the walls and rest room are being completed by the City fathers. The building is being dedicated to the town council.

...services for Mrs. Burchett, age 75, mother of A. J. Adams, was held in the Gish Funeral Chapel with the Church minister, Mr. Zooks. Mrs. Burchett was a resident for many years and spent the last few years in a rest home in Fredonia, Mo. She was born in Mississippi, Oct. 19, 1889. She died in death by her husband's death, five years ago. Pallbearers were: Ervin Adams, Jimmie Horne, Ernie Givens, Rex and Ethel Burchett. Survivors include her son, Earl Burchett of Dallas, Calif.; four daughters, A. J. Adams of Fort Worth, Pearl Briggs, Fort Worth, Hazel Bough, Fort Worth, and Lorena Briggs, Dallas; five brothers, one grandchild and 40

...PORTABLE TYPEWRITERS Money Down Office Machines 508 PER MONTH Office Machines VAN BUREN Falls 322-9922 (near to S&P Cooling)

great grandchildren. Interment was in the Frederick cemetery. Out of town relatives and friends here for the funeral of Mrs. Burchett were two brothers, E. P. Colston, Marietta, Okla., and C. C. Colston of Fort Worth; Mr. and Mrs. Fred Cantrell, Mr. and Mrs. H. B. Willis, Mrs. Raymond Coffman all of Rush Springs, Okla.; Mr. and Mrs. John Weddle, Ft. Worth, Mr. and Mrs. Billy Mullins and children, Checotah, Rex Mullins and children, Burkburnett; Mrs. Mabel Nix and Mr. and Mrs. Rex Burchett, Wichita Falls, Mr. and Mrs. James Burchett, Burkburnett; Mr. and Mrs. Don Shedor, Fletcher, Okla.

Devot Demonstrators held their regular meeting Thursday afternoon in the Community building. Mrs. F. J. Uthe read the devotional from Psalms 24, followed by the Lord's Prayer in unison. Roll call was answered with "My Favorite Type of Gloves." The yearbook Creed (Ten Commandments) was read by club members. The names of hostesses for summer and fall months were read ending with one meeting in November and the Christmas party in December.

Fruit cocktail cake and punch was served to these members, Mesdames Grace Uthe, Pearl Cates, Nevada Turner, Verta Stevens, Pearl Coker, Minnie Smith, Clara Woodley, Ethel McCasland, Dolly Hardin, Edna Wilkinson, Nora Wood and Buelah Miracle. The next meeting is scheduled for May 13th with Mrs. E. N. Miracle in her home.

Several ladies attended the flower show at Burkburnett Friday afternoon including Ethel McCasland, Willie Cozby, Dolly Hardin, Pearl Coker, Pearl Cates and Clara Mae Woodley. Sunday guests of Mr. and Mrs. J. W. Dorton and family were Mr. and Mrs. M. E. Dorton, Mr. and Mrs. Alvin Briscoe and girls of Walters; Mr. and Mrs. Herman Hickerson of Lawton, Mr. and Mrs. Charles Dorton and Mrs. Zaida Bryant of Randlett.

Instant Saucing for Plain and Fancy Cooking

Polenta is the Italian variety of a nearly international dish: grits 'n' gravy, cornmeal mush and scrapple in the United States; Gnocchi in France; Tamale Pie in Mexico and South America. This tempting version combines cornmeal cooked with cheese and topped with a ground beef-tomato sauce that's particularly good and easy to make because of Contadina tomato sauce. Outstanding flavor from Contadina make instant saucing possible for all kinds of cooking—plain and fancy.

POLENTA (Makes 4 servings)

- | | |
|---|--------------------------------|
| 1 large onion, chopped | 2 teaspoons salt |
| 1/2 pound ground beef | 1 bay leaf |
| 1 clove garlic, minced | 1/4 teaspoon each: |
| 1 tablespoon olive oil | basil and oregano |
| 2 cans (8 ounces each) Contadina tomato sauce | 3 cups water |
| 1/4 cup sliced ripe olives | 1/4 cup cornmeal |
| | 1/4 cup grated Parmesan cheese |

Saute onion, beef and garlic in oil in a large skillet until beef is browned. Add tomato sauce, olives, 1 teaspoon salt and the herbs. Cover and simmer 20 minutes, stirring occasionally. Bring 2 cups of the water to a boil in saucepan. Combine cornmeal and remaining salt with remaining 1 cup water. Add to boiling water; stir until thickened. Stir in cheese and continue cooking over low heat 15 minutes. Serve with tomato sauce.

Rev. Robert Terrell, local Baptist pastor, is at Little Rock, AFB this week taking part in Pistol and Rifle matches.

Mrs. Alvis Brubaker and daughter, Modena visited Mrs. C. O. Woodley and Mr. and W. L. Frye Wednesday.

Mr. and Mrs. Frank Miller of Lindsay were Devot visitors last week.

Mr. and Mrs. Roy Gardner of Grandfield visited Mr. and Mrs. R. A. Odom Sunday evening.

Contemporary Club Met In Griffin Home Tuesday, April 20th

The Contemporary Study Club met in the home of Mrs. Gene Griffin of Wichita Falls, Tuesday, April 20th.

The president, Mrs. Oran Wilson, in the chair. After a brief business session, Mrs. M. D. Cheney, co-hostess, served delicious salad plates to fifteen members.

Bucharest means "city of joy."

Six Flags Is Recreation Part of Great S-W Industrial Complex

SIX FLAGS Over Texas lies at the heart of a massive complex known as Great Southwest Industrial District.

Stretching east, west, north and south for 6,600 acres midway between the cities of Dallas and Fort Worth, GSID is called by its developers "the largest planned industrial community in the Nation."

Great Southwest Corporation, the parent company, is a publicly-owned corporation set up seven years ago to provide orderly development and long-range planning for the industrial district.

Over 130 national, regional and local manufacturing and distributing facilities encompassing 9,000 employees and an annual payroll of \$80,000 are presently engaged in doing business here.

But, just a few short years ago, this land was cattle, ranch and farm country. Now one can see broad landscaped avenues and tasteful clean-lined architectural facilities. Well known names on the GSID occupancy list include Container Corporation, Armour and Co., General Foods, Pepsi-Cola, U. S. Steel, Xerox Corp., Westinghouse Electric and National Cash Register Co. Currently, close to 4,000,000 square feet are under roof with only 11 percent of the industrial district developed as 1964 ended.

Master planners at Great Southwest have seen to it that recreational facilities in the District keep pace with industrial development.

SIX FLAGS Over Texas is a prime example. The historical theme Park has attracted close to 5,000,000 visitors since opening in 1961. THE INN of the Six Flags, with 308 guest rooms, four swimming pools and three restaurants, is being expanded to enhance its resort atmosphere. A large convention center set in Western-Victorian decor is under construction with com-

pletion scheduled for mid April 1965.

Last May GSC engaged the services of prominent golf architect Ralph Plummer and Byron Nelson, one of golfdom's all time greats, to design and supervise the building of an 18 hole championship golf course. The challenging 7,000 yard, par 71 layout costing more than half a million dollars, will be ready for play in July 1965.

Another nine-hole golf course, opening this July and designed by the same twosome, will be equipped with light for play after dark.

A fascinating new project under construction is "The Green-

house." Neiman-Marcus has joined with Great Southwest Corporation in creating this unique beauty and health resort. A remarkable program, custom-designed by Neiman-Marcus and Charles of the Ritz, will be offered to a selective group of women from across the United States. Located adjacent to THE INN, "The Greenhouse" will be open ten months out of every year with one and two week courses available. The million dollar "Greenhouse" will open this fall.

Milk is a leading source of calcium essential for building bones and teeth, required for proper functioning of muscles and nerves and the normal clotting of the blood. Many researchers have indicated these important nutrition essentials as they have reviewed the many values of milk in the human diet.

Zing into spring! Chevrolet Impala

Chevrolet Impala Super Sport Coupe—one of two bucket-seated beauties for '65.

People who buy other big expensive-looking cars get one thing you won't (big expensive-looking payments)

It looks like a big car. And is—by almost any standard you want to apply.

Width? Nobody builds a car as much as one inch wider. Length? It grew three inches this year. Roominess? Every closed model's got three inches more shoulder room, front and rear, and more leg and foot room up front too. Luxury? Nice little touches like the look of mellow walnut across the Impala's instrument panel. And big touches. Like the fineness of the same Body by Fisher workmanship that makes some of America's most

expensive cars look so expensive. How about the ride? Chevrolet engineers took the Jet-smooth one and smoothed it out even more this year. Also made it more stable by widening the wheel stance. Price? That's where Chevrolets fall way short of the other big expensive-looking cars. But we wouldn't have it any other way. Would you?

One last question: How soon can you make a good spring buy on a Chevrolet? One last answer: Just as soon as you can get down to your Chevrolet dealer's.

HIGH TIME TO TRADE AT YOUR CHEVROLET DEALER'S

Zing into spring in a new Chevrolet, Chevelle, Corvair, Chevy II or Corvette

The Texas legislature, in 1951, made it a felony for a person to deliberately set fire to grass or forest land owned by another. They also passed a law making it a misdemeanor to negligently set, or cause to be set, on fire, the lands of another, the Texas Forest Service reports.

Tighten Ferrule
In an emergency you can fix a loose ferrule with chewing gum. Spread gum thinly around male ferrule. Extra layer will keep rod in action.
Earrings date back to pre-historic times.

Milk is one of mankind's oldest known foods, with record showing that cows were milked as long ago as 9000 B. C. The word "milk" itself is derived from the Sanskrit "mrjati" which described the action of milking.

In 1923 the Texas legislature enacted the first regulatory law providing that persons who willfully or negligently set forest fires would be subject to prosecution for a misdemeanor the Texas Forest Service reports.

News From The County Agent

All dairymen in the area are invited to show one or more head of dairy cattle at the Annual Tri-County Dairy Show which will be held in the 4-H Barn in Wichita Falls on Tuesday, April 27th from 9:30 a. m. to 2:30 p. m. All dairymen are eligible to show animals. Prize money will be awarded.

All breeds of dairy cattle will be shown. Both registered and grade females may be entered but only registered bulls of age six months and older will be shown. Bring your own bedding for your animals.

Weed control in crops, pastures, on ranges, timberlands and even ponds and lakes is becoming increasingly important in cutting the costs of production and increasing yields.

Chemicals are playing an increasingly important role in control methods and their use is widespread. In order to give those interested in the use of chemicals for controlling weeds and woody plants of Texas, County Agent B. T. Haws says a recent joint publication, B-1029 "Suggestions for Weed Control with Chemicals" has been released by the Texas Agricultural Extension Service and the Agricultural Experiment Station. Copies, he adds, are available from his office.

The suggestions in the bulletin are based on the most valid information available, the county agent says. Consideration was given by the authors not only to the effectiveness of the chemicals but also to their safe use under existing laws and regulations. The authors point out and emphasize that the ultimate responsibility for safe use and agronomic results obtained from the use of chemicals rests with the user.

Because the wide range of suggestions offered and chemicals listed, the publication has been prepared in abbreviated form. Other publications are available which give more detailed information and are cited in most section of B-1029, Haws said.

Good insect control means healthier and more productive home gardens. As an aid to home gardeners, entomologist of the Texas Agriculture Extension Service have prepared information which should help in the fight in this respect against insect pests. The new publication, L-642, "Control of Insects in the Home Garden," is now available in the county agents office without cost.

Among topics covered in the publication are discussions of the three groups of insects which normally cause trouble in the home garden. They include those with sucking mouth parts, those with chewing mouth parts and those which live in the soil.

Each group, says the agent, requires a different control method and often a different insecticide. Dust and sprays are discussed as are insecticides used in combinations. The entomologist have prepared tables showing the amount of each recommended insecticide needed to make even a small amount of spray, and have listed safety precautions regarding the use of the most commonly used materials. For your copy of the publication, call or come by the county agents office.

There will be a cotton meeting in the ASCS office in Iowa Park on Thursday, April 15th beginning at 7:30 p. m. Listed below is the program for the evening.

Donald R. Rummel, Area Entomologist, Lubbock, "1965 Cotton Insect Program."
Lester Brooks, Experiment Station (Retired), "Cotton Varieties, Production and Management."
Rex Sullivan, Cotton Oil Mill Quana, Texas, "The Rolling Plains Cotton Growers Program."

This should be a real good program and one you will not want to miss. I have had some discussion on the possibility of setting a planting date for our county. Think about this before the meeting on the 15th.

Coastal Bermuda grass can produce an abundance of nutrition forage, but if top management is not planned for the crop, stockmen may be better off with less costly grasses, according to B. T. Haws, county agent.

Haws says Common Bermuda grass is much less expensive to establish because it is grown from seed. Yet it can give results comparable to Coastal under moderate fertilization and average management.

An Extension agronomist at Texas A and M University, Dr. Neal Pratt, has developed some guidelines to help farmers decide whether or not they should plant Coastal. Coastal really pays off as a hay crop when it receives at least 200 pounds of nitrogen per acre each year along with the other nutrients recommended by soil tests.

Grazed Coastal won't need quite as much fertilization, but when fertilization is moderate Common Bermuda grass and even native grasses will often produce as well as Coastal.

Another thing the county agent suggests is growing and harvesting management. When

Coastal is a hay crop a tendency to let it grow long between harvests when its pastured or grazed, he says. He says a rest period of no more than four weeks between Coastal pastures should be allowed to quickly recommended practices who give top management. Coastal can expect higher returns than any other grass yet adapted to our area, according to agent.

How do you see the truth through the haze?

The Iron Curtain is soundproof. And so is broadcast, through walls and guano, 24 hours a day to millions of people in the closed area behind the Iron Curtain. Will you help the world see the truth through the haze? Send your contribution to Radio Free Europe, Box 1965, M.L. York. Published as a public service with the Advertising Council.

 During the recreation period conducted by Mrs. E. E. Walt winners were Mesdames O. J. Cooper, W. P. Rogers and Mrs. Bob Stewart.
 The hostess served refreshments to Mesdames Bee Bryant, B. B. McCalip, George Emmert, Sam Spencer, Bob Stewart, R. R. Swinford, P. S. Swinford, W. P. Rogers, J. H. Gill, O. J. Cooper, Miss Amelia Spencer and four children.

Mrs. Jess Hageman Hostess To Hardin HD Club April 21st

Mrs. Jess Hageman was hostess to the Hardin Home Demonstration Club, which met at the Texas Electric Reddy Room Wednesday, April 21st. Mr. McMurtry, District claims manager and Mr. Bob Miller, representative of Employees Insurance of Texas, showed films and conducted a question and answer program on serving on jury duty when called. Mr. McMurtry stressed the importance of each citizen being interested in the procedures of

Brenda Spillers To Marry Thomas A. Lambert June 18th

June 18th is the wedding date set by Brenda Spillers and Thomas A. Lambert. She is the daughter of Mrs. Lee Snillers, and is a 1964 graduate of BHS. Parents of the prospective bride-groom are SM-Sgt. and Mrs. W. A. Lambert, also of Burkburnett. He is also a 1964 graduate of BHS and is attending Artlington State College. The wedding will be in the home of the bride's sister.

the courts and doing all we can to see that each person on trial be given a fair decision.
 Mrs. Jess Hageman, Mrs. E. W. Roderick, Mrs. W. E. Goins, Mrs. Daugherty and children; Mrs. James Roderick and children, Mrs. A. A. Jacobs, Mrs. McHafferty and John, Mrs. M. R. Hewell and Mrs. John Enderli were present at the meeting. Mrs. Hageman served punch and cookies to members. Next meeting will be at the Texas Electric Reddy Room May 12th with Mrs. W. E. Howard as hostess.

HOW TO GET MORE FUN OUT OF HOME MOVIES
 by Skip Miller

HOW LONG IS A STORY?
 People frequently ask how long a movie scene should be. There is no such rule.

Photo courtesy Keystone Camera

Actually, the viewing audience becomes judge and jury. Give them too much of anything, no matter whether it's fishing, flying or skiing, and they'll let you know — by yawning.
 To keep audiences awake, therefore, scenes must be changed the instant the audience has absorbed all there is to be gleaned from any specific situation.
 If we're shooting a horse race from an upper tier of seats in the grandstand, and we're lucky enough to catch the favorite coming around the seventh quarter bend, heading into the home stretch, that's not the time to quit shooting. Stay with it. Get all the excitement of the race, all the way to the wire!
 If, however, we're taking a close-up of Junior reeling in a fish, must the audience be forced to watch during every inch of the reel-in? Or would a few turns of the

reel handle be adequate to convey the idea?
 In previous columns we discussed the frames-per-second situation, saying that "sweet 16" merely happens to be the standard for 8mm personal movies — 16 frames per second. During the time that those 16 consecutive images are projected onto the screen an audience can absorb the significance of a normal-length English word.
 So — if you're photographing a 10-word message, don't expect your audience to absorb the concept in one or two seconds. They might, however, have no difficulty at all in grasping the idea of a swinging bat connecting with a ball . . . in a fraction of one second.

Scene length should be adequate to tell the story.
 Start by adopting some method of mentally measuring seconds. My own personal method is to hum the "Star Spangled Banner" to myself. "O - Oh - Say - Can - You - See" when hummed in a normal beat, adds up to about six or seven seconds. That's normal minimum. Add another six beats (hum the next phrase as you shoot, stop shooting at the end of the phrase) for a normal maximum.
 Note that we said "normal minimum" and "normal maximum". We've previously cited reasons why scenes may be many times shorter or longer.
 Finally, make a mental decision about the story that must be conveyed to the audience. Photograph it, no matter whether it takes two seconds or 20 seconds. Or longer.

GIVE HIM A HORSE AND A ROPE, AND HELL BRAND EVERYBODY!

2nd Annual ABWA Bosses Banquet Will Be Fri., April 30th

The Boontown Chapter of the American Business Women's Association will hold its annual Bosses Banquet Friday night, April 30th at 7:00 p. m. in the Clipper Room of the Trade Winds Restaurant. Mrs. Webster Littlefield and Mrs. Alfred Sams are general chairmen of the banquet and Mrs. Littlefield will serve as Mistress of Ceremonies for the evening. Guest speaker for the evening will be Aubrey Lockett, immediate past president of the National Cotton Council and currently Director of the Board of this organization. Burns Alexander will furnish piano music during the dinner hour and Ben Shelton of Wichita Falls will furnish vocal music suitable for the theme of the banquet which is cotton.

This banquet is held annually to honor the bosses of the Chapter members. The chapters Boss of the Year will be announced at this banquet. This honor is bestowed on the boss recommended for the award by his employee and selected by an impartial judging committee on the basis of a letter from the employee telling why her boss is outstanding enough to receive the chapter's honor of "Boss of the Year." The committee making the selection this year includes Maj. W. R. Bone, Mr. Jack Aaron and Mrs. Philip Carpenter.

Other committee chairmen for the banquet includes Reception, Mrs. Russell Olds; Banquet, Mrs. Carl Nelson; Decorations, Mrs. Webster Littlefield and Mrs. Alred Sams. The program for the evening has been arranged by Mrs. Charles Horsley. Invitations were sent by Mrs. Doris McGee. Printed programs are being assembled by Mrs. Cloyd Brown and Mrs. Eugene McNish. Hostesses for the event include Mesdames George Counter, Robert Keene, Elwanda Cotton. The door prize committee includes Mrs. Harry Davis and Mrs. Mabel Johnson. The chapter scrapbook will be on display by Mrs. Bob Monaghan and Mrs. Jack Harper.

Hardin PTA Enjoys DE Program At April Meeting Recently

In the April meeting of Hardin PTA, Mrs. Norman Roberts, president, introduced the faculty for the Distributive Education program of our high school.

Mr. Lloyd Bloodworth then explained the program and each boy gave an explanation of his part in the program. They are Jeff Barfield, employed by Manhattan Dept. store; Ronald Noles, employed by Alexander Station.

Terry Key brought the devotional reading the Bible from the book of Matthew. Terry then led in prayer for the unit.

Mrs. Kay Brown gave a report on the recent council meeting. Plans were then made to attend a District meeting in Bowie April 22nd and 23rd. Mrs. Zimmerman was awarded a National Life Membership to the National Congress of Parents and Teachers.

Mrs. Ruth Forrest, 3rd grade and Miss Nelda Lemon, won the attendance awards.

FISHY SQUIRRELS

Carry a ball of fish line with you next squirrel hunt. If you can't spring a bushytail into the open, tie line to a bush on one side of the tree and hide on the other. A yank sends squirrel scurrying from movement, you got him.

TOPS

The "TOPS" Snack Snubbers of Burkburnett was represented at the State Convention of TOPS held at the beautiful Baker Hotel in Dallas April 24th.

The group leader, Mrs. Dorothy Powell, accompanied the clubs queen, Mrs. Herbertine Olson in the stage recognition event. Mrs. Olson had lost the most weight during the year of 1964. Other members attending were Mrs. Nelda Liles and Mrs. Augdon Beasley and husbands as guests.

The day was full of excitement with the highlight being the crowning of State Queen, Mrs. Ula Mae Lawrence of Mesquite, Texas, received the honor with a loss of 119 pounds last year.

A low calorie dinner was served at 6:00 p. m. in the Terrace Room and honors were awarded to clubs all over Texas. The convention will be held in Houston next year.

Mrs. Don Holtzen Forum Study Club Hostess April 22nd

The Forum Study Club met Thursday evening, April 22nd in the Community Room of the Burkburnett Bank. Mrs. Don Holtzen was the hostess.

Mrs. J. C. Adams, Jr., president, was in charge of the business meeting. As this was the last regular meeting of the club year, members voted on the most valuable member and the best program for the year.

The club regretfully accepted the resignation of Mrs. Don Mills who is moving out of town. She will remain as a corresponding member. The club presented her with a going away gift.

Two very interesting programs were presented. Mrs. Wallace Landrum's program was 'Painting For Pleasure.' She gave demonstrations of finger painting. Mrs. Bill Holland gave her program on 'Texas Tourist Markers.' She gave colorful ac-

counts of interesting places to visit in our home state.

The next meeting will be the installation of officers for the coming year and a dinner to be held at the Villa in Wichita Falls, Friday, May 14th. Installation will begin at 7:00 and the dinner at 7:30.

The hostess served refreshment plates to one guest, her sister, Mrs. Klinkerman and the following members present Mesdames J. C. Adams, Jr., Gene Allen, Gene Bankhead, Tom Burnett, Charles Goins, Edwin Green, Bill Holland, Bob Carter, Wallace Landrum, Jack May, Don Mills, and Lonnie Taylor. Mrs. Edwin Green won the door prize.

What Time Is It?

WHAT TIME IS IT? Come to the Church of God Sunday, May 2nd and find out. The Sunday School lesson will be brought by the pastor, J. W. Jackson, from the first chapter of Revelations.

The public is cordially invited to attend.

The hermit crab lives in an empty shell and, as it grows larger, must find a bigger shell.

MRS BAIRD'S

Stays Fresh Long

Shucks!

Here we were set to tell you all about the snappy new things Rambler has come up with, like the Marlin, our hot new sports-fastback, and optional reclining bucket seats and anti-fade disc brakes, and two kinds of floor shifts, manual or automatic, and our big choice of hustling new engines... then we got this flash news—

Rambler American 440 wins Class B with 25⁶⁵ m.p.g.

Beats all other large-engine compacts in Mobil Economy Run

Use of Mobil Economy Run data approved and certified by the United States Auto Club

A Rambler American 440, with three-speed Flash-O-Matic transmission and peppy 125-hp Overhead Valve Six, won its class again in the Mobil Economy Run, just as it has done year after year.

And it won this victory over the roughest, toughest, longest and fastest course the Mobil people have come up with yet. Over

3,200 miles of sizzling hot desert, snow-capped mountain passes, gas-wasting city traffic and high-speed turnpikes.

See how smart and sporty the Economy King can be—and at the lowest prices* of any sedan, wagon, or convertible built in the U.S. today—at your Rambler dealer now.

*Based on manufacturers' suggested retail prices—American 220 sedan and wagon, 440 convertible.

Best economy of all cars, all classes, 4th straight year

Mrs. Webster Littlefield Selected As ABWA "Woman Of The Year" Monday

The Boomtown Chapter of the American Business Women's Association met Monday night in the Bounty Room of the Trade Winds Motel. Mrs. Charles Meyer, president, presided at the meeting. The invocation was given by Mrs. Webster Littlefield. Guest speaker for the evening was Mrs. Sam Spence, who spoke on "Texas Laws Affecting Women." Mrs. Spence covered the outmoded laws of Texas covering women's rights including such laws as double standards for divorce, homestead laws, and rights of women in purchasing and owning property in their own name. She recommended that all interested women write their state legislators and urge support of a bill currently in the State Senate which would change these outmoded laws.

The vocational talk was given by Mrs. Elwanda Cotton who works in the Note Department of the First National Bank. Mrs. Cotton receives payment on all loans made by the loan officer

of the bank, keeps accounts on loans, sends out delinquent notices and contacts customers regarding accounts.

Highlight of the evening was the selection of Mrs. Webster A. Littlefield as the chapter's "Woman of the Year." Mrs. Littlefield is employed as a Position Classifier at Sheppard Air Force Base and is a distributor of AMWAY Products, a complete line of home care products. Mrs. Littlefield was the Charter President of the Boomtown Chapter and is currently serving as corresponding secretary and General Chairman of the annual Bosses Banquet to be held April 30th. Receiving this honor from her chapter will make Mrs. Littlefield eligible to compete for the National Woman of the Year at the American Business Women's Association national convention to be held in San Francisco this year. Mrs. Meyer presented Mrs. Littlefield with a ribbon designating her "Woman of the

Year" and a Woman of the Year charm for a charm bracelet.

The first phase of a membership attendance contest which will span for a three month period was held. Members are given points for being on time, wearing their pin, reading their monthly magazine "Women In Business," sponsoring a new member and sitting next to a different person at each meeting. Team captains for this contest include Mesdames Cloyd Brown, Robert Keene, Elwanda Cotton and Mabel Johnson. The winning team will be honored at a social to be held at the end of the contest.

Mrs. Irma Stayton was installed as a new member after the benediction was given by Mrs. John Larson. Mrs. Howard McCrary was a guest at the meeting.
