Losing Team To **Paint Army tank**

The penalty for being on the losing team in the recent Jaycee membership drive was the task of cleaning and painting the Army tank on display in Hardin Park.

The Council of Garden Clubs is in charge of improvements at Hardin Park so Mrs. D. C. Dodson, president and Mrs. Ralph White, along with Burkburnett's Mayor Jim Frye, were on the scene to see the job well done.

Some of the Jaycees taking part August 14, in the painting were John Kelly. Byron Key, Fred McPhial, Gaylon Siber, Harold Tucker and Donald Worthham.

Kim Alesia Dunn, Miss Burkburnett, New Year Baby, 1965 watched with interest this improvement of 'her' city. She is the daughter of Jaycee and Mrs. Aderan Dunn.

Mayor Frye and Mrs. Dodson expressed to the Jaycees the appreciation of the city and the Council of Garden Clubs for this civic improvement.

and gift idea which is last becoming the country. It's a Western Union DollyGram, a doll by wire that carries a cuddly sentiment across the country or across the street for people who like to be a little bit different. There are four types of DollyGrams and each is em-broidered with a special greeting across its colorful front: "Happy Birthday," "Have a Happy Day," "Congratulations," and the one above, held by Jo Ann Martino which says, "Please Cheer Up."

A DollyGram is an ideal combination of greeting and gift that is neither too much nor too little for any occasion, but is unusual enough to be long remembered. They are appropriate for a wide range of situations which require a remembrance: anniversaries, births, promotions, vacations, bon voyages, house-warmings, retirements, hospitalization, and general "good luck" wishes. And they are permanent, renewing themselves, and thoughts of the sender, over and

I thoroughly believe in university education for both men and women; but I believe knowledge of the Bible without a college education is more valuable than a college course without the Bible."-Dr. William Lyon Phelps.
