\$90 MILLION GAMBLE

Probably most of us at one time or another have thought how fortunate are those who have an interest in an oil well where the black gold pours from the ground in a continuous stream.

But how many of us would have the nerve to put some of our savings into drilling a hole to find oil where it had never been found before, in several hundred feet of water on the ocean floor?

That's what oil companies are doing. In December, 1964, eleven of them bid \$27.8 million for leases on 425,430 acres of ocean bottom federal land off the Oregon coast. In addition, two of them bid \$20,000 for 13,600 acres of Oregon ocean bottom inside the three-mile limit. This was just a starter. Another \$90 million gamble is in prospect to try and find oil on this leased ocean floor.

A story of what ocean floor drilling involves appears in the "Bulletin" published by the Standard Oil Company of California. It involves operations as fantastic as those recorded in Jules Verne's "20,000 Leagues Under the Sea." Standard Oil Company of California and Union Oil Company of California has already started on a joint operation eight miles off the Oregon coast.

What is being done off the Oregon coast is but a sample of the gambles that are being taken around the world by our oil companies to maintain ample reserves. The next time you buy ten gallons of gasoline for, say twenty cents a gallon plus the taxes you might give a thought to the risks that went with providing it for you at so moderate a price.

WHIPPING BOY

Some people propose that the federal gasoline tax be boosted again. Similar proposals may be expected in a number of states.

In the light of that, a little review of this tax's history is very much in order. It had its beginnings in Oregon in 1919 and was then one cent a gallon. Other states swiftly followed suit, and over the years, the rates steadily climbed. The federal government got into the act. Now gas taxes, federal and state together, average more than 10 cents a gallon and bring in well over \$18 million a day.

At the end of last year, the total thus taken from motorists since Oregon started the ball rolling was a staggering \$89.5 billion and the \$90 billion mark has undoubtedly been passed by now. In the next 14 years, even at present rates, another \$90 billion will be collected.

It certainly would appear that the motorist has been a whipping boy for the tax collector. No other necessity has carried anywhere near so heavy a burden of taxation as gas. And the argument that this is necessary — and that still higher rates are necessary too — in order to provide the roads we need calls for some second thoughts. Good roads benefit everyone everywhere — not just the motorist. And in many cases, gasoline tax revenues are diverted to purposes other than road building and maintenance.

The collective voice of all our millions of motorists should pronounce a resounding "No!" to any and all proposals for further gas tax boosts.

NO MORE FREE LUNCHES

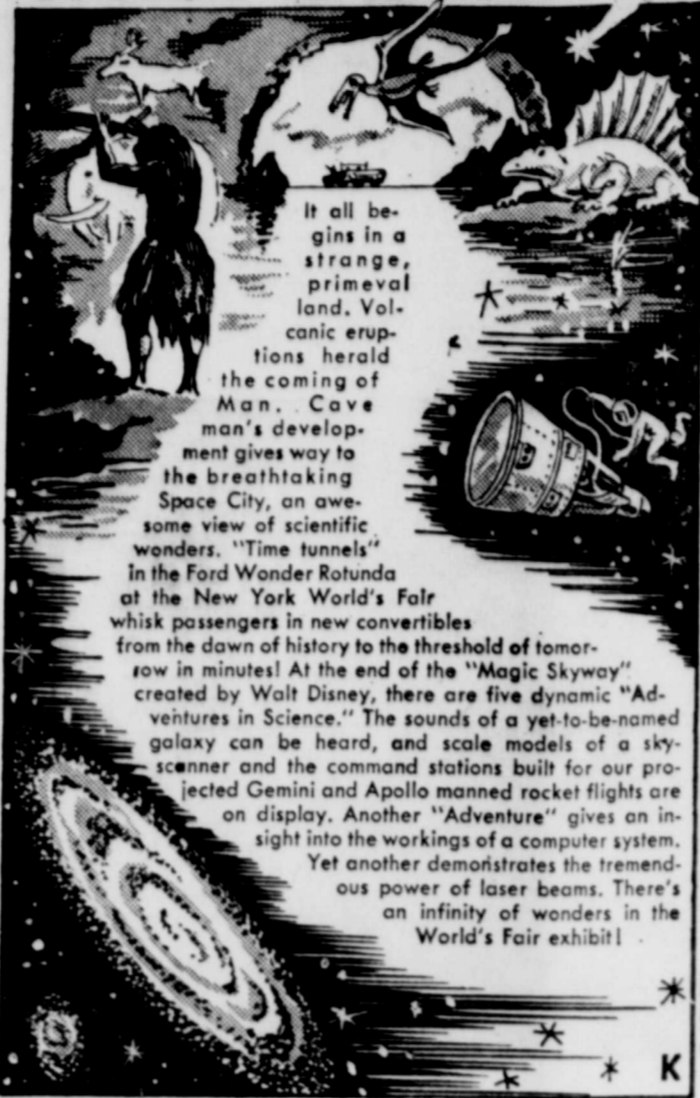

AP Business News Analyst J. A. Livingston recently devoted a column to the financial problems of local governments. As he points out, the "little societies" of the nation — states, cities, counties and so on — are all seeking to increase their tax revenues.

Then, in his last paragraph, he wrote: "The state-and-municipal problem is twofold. First, citizens — voters — expect and demand more and more facilities and services but want governors, mayors and town councils to deliver them without charge, forgetting that the free lunch went out with rising costs and Prohibition after World War I."

Many of the citizens who complain loudest and longest about the tax burden are the same ones who are tireless in criticizing local governments on the ground that they don't do enough, or perform their duties well enough. They seem to think that officials should have a way of producing miracles on order. They live in a never-never land, in which the fact that more government means more expensive government is happily ignored.

Well, as Livingston vividly put it, the free lunches are gone. The scope of the governmental menu the public wants and gets will determine the size of the check — taxes.

SKYWAY TO INFINITY

It all begins in a strange, primeval land. Volcanic eruptions herald the coming of Man. Cave man's development gives way to the breathtaking Space City, an awesome view of scientific wonders. "Time tunnels" in the Ford Wonder Rotunda at the New York World's Fair whisk passengers in new convertibles from the dawn of history to the threshold of tomorrow in minutes! At the end of the "Magic Skyway" created by Walt Disney, there are five dynamic "Adventures in Science." The sounds of a yet-to-be-named galaxy can be heard, and scale models of a sky-scanner and the command stations built for our projected Gemini and Apollo manned rocket flights are on display. Another "Adventure" gives an insight into the workings of a computer system. Yet another demonstrates the tremendous power of laser beams. There's an infinity of wonders in the World's Fair exhibit!

A FEW FACTS TO PONDER

By Tom Anderson
Did you know that the "booze-fund" of the State and Defense Departments has been costing us \$2 million a year? That Presidents get \$50,000 a year from us for "entertainment," much of which is for liquor? That we have spent 12 million dollars on Rama Road—a jungle road in Nicaragua?

Did you know that a Senator testified that the U. S. Navy paid \$21.10 each for lamp sockets which retail for 25 cents? That the U. S. Army bought wrench sets for \$29 which sell in hardware stores for \$3.98? That the U.S. Air Force paid \$9.65 each for drill bushings which should sell for not more than 50 cents?

Costs

Did you know that our population has more than doubled since 1900? And that federal spend is more than 140 times what it was then? That it costs an average of \$171,000 per member to run Congress each year? Expressed in terms of "human values," is your congressman worth it?

Did you know that the only way we can end the Cold War is to win it? That the Russian definition of coexistence is slavery? That while Russias twin astronauts were circling the world, union workers at our missile base at Huntsville, Alabama were out on strike?

Did you know that 26 illegal secondary boycotts have delayed construction at vital missile installations? And that labor unions are on a new drive to legalize "secondary boycott" picketing?

Did you know that our debt is larger than all of the nations of the world combined? But that we give foreign aid to three-fourths of the world's 104 nations? That we have more than 10,000 agreements, mostly secret, with foreign countries? That our State Department wants the U.S. to channel all its foreign aid through the United Nations? The only thing we should give through the U.N. is our resignation.

Did you know that the plastic bag containing carrots costs as much as the farmer got for the carrots?

Your Part

Whether you knew all of the above or not, what do you plan to do about it? If America can be saved from Socialism, insolvency, and surrender it can be saved only by a grassroots revolution—the same way it was founded. What can you do? You can stand up and be counted—else you'll soon be counted out. Remember, "It never troubles the wolf how many the sheep may be."

Broom corn is a grass from which brooms and clothes brushes are made.

Southside P-TA Holds First Meeting Of School Year

The Southside Elementary P-TA met in the school Monday night for the first meeting this term.

Plans are being made now for a "Fun Night" to be held October 30th at the school.

The new principal, Mr. Weathered was introduced, and he then introduced the faculty to the parents.

A very informal talk was given by the speaker, Mrs. Neva Zimmerman, First Vice President of District P-TA.

Elizabeth Ann Adolphus And George Powell Sparks Married At Sheppard

Miss Elizabeth Ann Adolphus, daughter of Mr. and Mrs. James C. Adolphus of Burkburnett and George Powell Sparks, son of Mr. and Mrs. R. K. Sparks of Haddenfield, N. J. were married August 22 in Chapel No. 3, Sheppard AFB. The Rev. Chaplain Francis read the vows.

Contemporary Study Club Held First Regular Meeting

The first regular meeting of the Contemporary Study Club was held in the home of Mrs. H. S. Thaxton with Mrs. Robert Norris serving as co-hostess. Club officers for the forthcoming year are:

President, Mrs. P. O. Wise; Vice-President, Mrs. F. A. Eastman; Recording Secretary, Mrs. Marilyn Winkles; Treasurer, Mrs. Harry Elliott; Corresponding Secretary, Mrs. Jim Maag; Historian, Mrs. Robert Norris; Reporter, Mrs. William R. Cowles; Parliamentarian, Mrs. M. D. Cheney. Mrs. P. O. Wise, President,

HAVE YOU TRIED OUR PIT COOKED BAR-B-CUE? GAYLE'S Across Red River In Oklahoma

MY HEART'S DESIRE

I am grateful for the community we have in which to live. There are many, many reasons why I like to live here. There are many desires I have about the community such as - that it be a friendly community, that it be a good place to rear a family, that it be a place where parents can provide the physical needs for their families, that it be a physically attractive community, that our children can get a good basic education and that cultural benefits are provided. But above all of these, I have one burning desire - that spiritual needs be met. The desire of a Christian is that above all else every person may have an opportunity to know Christ as personal Saviour and Lord. Paul expressed this when he said, "Brethren my heart's desire and prayer to God for Israel is, that they may be saved. (Romans 10:1).

In order for us to seek to fulfill our heart's desire, we teach and preach the good news of Christ in our services at the First Baptist Church, Burkburnett. I am always happy for the privilege of talking with individuals about spiritual needs. Please call 569-3291 if we can help with your spiritual needs. This is my heart's desire. Lamoin Champ, Pastor First Baptist Church

appointed the following committees: Yearbook—Mrs. M. D. Cheney, Mrs. W. R. Cowles, Mrs. Marilyn Winkles; Flower and Gift, Mrs. H. S. Thaxton, Mrs. M. P. Cheney; Telephone, Mrs. Oran Wilson, Mrs. Jim Maag; Project Committee, Mrs. Dan Hofack, Mrs. Robert Norris, Mrs. Joe Crowley; Finance, Mrs. F. A. Eastman, Mrs. J. F. Eastman, Mrs. G. C. Beavers, Jr.; Program, Mrs. Harry Elliott. Mrs. P. O. Wise; Federated Councilor, Mrs. Robert Norris; Delegate to Community Service Council, Mrs. M. D. Cheney.

The club projects for the year 1965-66 are: Community projects. 1 Cooperate with Federated Club Council. 2 Belong to Community Service Council.

Support Cemetery beautification project. Support and promote Library Health Projects. Collect clothing and necessities for patients at State Hospital and County Farm. Food baskets for needy families Thanksgiving and Christmas. Christmas gifts to State Hospital. Cancer crusade. Wichita County Mobile Blood Bank.

Club members who assisted with the Wichita County Blood Mobile Bank were Mesdames M. D. Cheney, H. S. Thaxton, Robert Norris, Wm. R. Cowles, with Mrs. Cheney and Mrs. Cowles donating blood. The club would like to recognize and thank the non-club members, Mrs. Mona Givens and Miss Jerry Lanig who so graciously gave of their time to help with the blood mobile.

WOL NEWS

Woodley, Reporter

Community has received relief from the past few days of rain with a rain tonight which was accompanied by a heavy electrical storm. Lightning set fire to the farm of Devol, Stevens, East of Devol, considerable damage to fences. The wind however, kept barns and neighbors gathered according to Mrs. Woodley and the blaze under control.

Rains were received Sunday.

Mrs. A. J. Adams and her daughter and family Mrs. Billy Mullins and her family in Checotah, Okla. were in town for the weekend and while in town they were to Fort Smith, Ark.

Pauline Allen of Oklahoma was a guest over the weekend of her mother, Mrs. Coker and other relatives.

Hardin spent Saturday with her sisters in Burkburnett, Texas.

G. Nunn of Jal, N.M. was home Saturday after a visit to his mother, Mrs. Willie and other relatives here.

Walls of Portland, Ore. and Mrs. Fred Martin of this city were recent visitors to their sister, Mrs. Ma-

Mrs. Bob Woodley of 1400 Buchanan, Wichita Falls, Thursday during the family's absence from home. Mr. and Mrs. Woodley and twin daughters, Cathy and Carol have moved into The Timbers in Wichita Falls for three months while their home undergoes repairs.

Mrs. Nora B. Powell, of Fort Worth, Texas, was a business visitor in Devol last Thursday.

Mr. and Mrs. Emmett Powell of Mangum, Oklahoma spent the weekend with Mr. and Mrs. Ivan Powell.

Mr. and Mrs. Willie Miller of Grandfield visited her parents, Mr. and Mrs. J. B. Stevens Sunday.

Mr. and Mrs. E. N. Miracle attended church at Rocky Sunday morning and returned home by way of Hobart where they attended the 50th wedding anniversary of a cousin, Elder and Mrs. Floyd Pittman, Sunday afternoon. Mrs. Miracle reports they had the privilege of visiting with many relatives and old friends while there.

Mrs. L. E. Jeffries and baby daughter, Leah of Burkburnett visited her parents, Mr. and Mrs. W. H. Stevens last Sunday also other guests were Mrs. Elizabeth Arnold of Vernon, Texas and Mr. and Mrs. Albert Naulty of Frederick.

Mr. and Mrs. W. H. Stevens visited Mr. and Mrs. Fred Stevens in Frederick Friday.

Mr. Guy Hutson remains on the critical list in the hospital at Frederick. His daughter, Mrs. Charles Moran reported a slight improvement Saturday, however.

Mr. and Mrs. Harold Kirby of Wichita Falls spent Friday night with his parents, Mr. and Mrs. W. C. Charboneau.

The Devol Demonstration Club was postponed this week

PUGGY

because of the Cotton County Fair held at Walters.

Mrs. Pearl Cates was a Burkburnett visitor this weekend.

A revival will begin Sunday, September 26th and continue through October 3 at the Devol Baptist Church, with Evangelist Bob Meridith of Louisiana doing the preaching and Mr. Hoakason of Sheppard AFB as song leader. Everyone is invited to attend the services which will begin at 7:30 each evening. Regular services at the Baptist Church are Sunday School at 9:45 each Sunday, Preaching at 11 o'clock, Sunday Night Service at 7:30 and Wednesday Service at 7:30 p.m.

CITY OF BURKBURNETT, TEXAS

Ordinance No. 272

ADOPTING ORDINANCE FOR THE SOUTHERN STANDARD BUILDING CODE, 1965 Edition

An Ordinance providing for regulations governing the construction, alteration, repair, equipment, use and occupancy, location, maintenance, removal and demolition of every building or structure or any appurtenances connected or attached to such buildings or structures; the installation of consumer's gas piping and gas appliances; plumbing installation, including alterations, repairs, replacement, equipment, appliances, fixtures, fittings and/or appurtenances thereto, and/or when connected to the water or sewerage system; the use and occupancy, location, maintenance, removal and demolition of every building or structure or any appurtenances connected or attached to such buildings or structures; Adopting the Southern Standard Building Code, 1965 Edition, with certain changes therein and additions thereto; providing for administration and enforcement; and making violations a misdemeanor punishable by a fine not exceeding \$200.00, providing for publication and notice, repealing conflicting ordinances, providing a saving clause and enactment.

Be it ordained by the Board of Commissioners of the City of Burkburnett, Texas:

SECTION 1. TITLE.

This Ordinance shall be known as the "Adopting Ordinance for the Southern Standard Building

Code, 1965 Edition for the City of Burkburnett, Texas.

SECTION 2. PURPOSE.

The Purpose of this ordinance shall be to secure safety, protect the health and welfare of citizens of Burkburnett by providing regulations governing the construction, alteration, repair, equipment, use and occupancy, location, maintenance, removal and demolition of every building or structure or any appurtenances connected or attached to such buildings or structures; adopting the Southern Standard Building Code, 1965 Edition, with certain changes therein and additions thereto; providing for administration and enforcement; and making violations a misdemeanor punishable by a fine not exceeding \$200.00, providing for publication and notice, repealing conflicting ordinances and providing a saving clause.

SECTION 3. DEFINITIONS.

Terms not defined in the building code shall be as defined in the approved zoning and platting ordinances.

SECTION 4. ADOPTION.

The Southern Standard Building Code, 1965 Edition Revision is hereby adopted by reference and all regulations, parts, notations, references, specifications therein are hereby adopted and made a part of this ordinance except as deleted or amended hereafter.

SECTION 5. AMENDMENT TO THE SOUTHERN STANDARD BUILDING CODE, 1965 EDITION.

A. Subsection 1302. 1—"General," of Section 1302—"Footings and Foundations" shall be deleted and the following shall be substituted therefor: "Footings and foundations, unless specifically provided, shall be constructed of grillages of steel, of masonry, or of reinforced concrete to extend to a depth in no case less than 18 inches below natural grade or finish

grade where 100% compaction is provided on fill. Masonry units used in foundation walls and footings shall be laid up in Class A or B mortar. The base areas of all footings and foundations shall be proportioned as specified in Section 1302.3. The minimum width of the footing shall be twice the width of the foundation wall but shall not be less than 12 inches for Type VI buildings with wood floors and shall be reinforced with a minimum of three one-half inch steel bars horizontally."

SECTION 6. VALIDITY.

If any part of this ordinance, or any part of the codes embodied herein by reference, should be held void, such part shall be deemed severable and the invalidity shall not effect the remaining parts of this ordinance or said codes. The board of commissioners further declares that it would have passed the remaining parts of this ordinance if it had known that such part or parts thereof would have been declared unconstitutional.

SECTION 7. REPEAL.

All Ordinances and resolutions inconsistent herewith are repealed to the extent of such inconsistency; provided, however, that nothing in this ordinance or in the codes adopted herein shall be construed to effect any suit pending in any court, or any rights acquired, or liability incurred, or any causes of action accrued or existing under any ordinance repealed hereby; provided further, if the adoption of said codes by this ordinance be ineffective to enact said codes, then this entire ordinance shall be void for all purposes and all now existing ordinances shall remain in effect.

SECTION 8. PENALTY.

Any person who shall violate any provision of this ordinance, or of said codes as adopted herein, shall be deemed guilty

Rebekah Study Club In Harmon Home

The Rebekah Study Club met in the home of Mrs. Cora Lee Harmon, Monday evening Sept. 13.

Mrs. Bessie Stubblefield, President, was in charge of the meeting. Mrs. Lucy Pemberton led in opening prayer. After the minutes were read and approved, the group discussed ways of raising money for the club.

A question and answer period pertaining to the Constitution and By-Laws of the lodge was held.

A social hour followed the meeting. Refreshments were served from a table covered with a crocheted table cloth over red.

June Jeanie Gilmore Enrolled At OCC

OKLAHOMA CITY, Okla. (Special) — June Jeanie Gilmore, daughter of Marion Eugene Gilmore of 208 First Street, Burkburnett, Texas is one of 375 incoming freshmen enrolling at Oklahoma Christian College this year. The record freshman class boosted the college's student body to an all-time high of 750 during the first week of enrollment.

Miss Gilmore will also be among the first to experience a new type of teaching method through the facilities of the new Learning Center. This building is the only one of its type and has caused considerable interest among top educators throughout the country. The government is also interested to the extent that it has granted 300,110 dollars to OCC for a study of the effects the Learning Center will have on students.

Mobil Ladies Club Host Pink and Blue Shower Thursday

The Mobil Ladies Club were hostesses to a pink and blue shower, honoring Mrs. Leon Thompson, Thursday evening in the home of Mrs. F. F. Turner.

Games were played and those winning prizes presented them to the honoree.

Refreshments were served from a table covered in pink net over blue, centered with a doll in a bassinet surrounded by pink roses.

Those attending were Mrs. Charles Lanig, Jack Harper, Coy Jones, Haskell Foster, W. L. Morgan, George Hodges, Joe Hatcanel, George Bellamy, Alfred Lange, Jim Shipman, Bill Willeford, Cotton Kinnard, F. F. Turner and the honoree Leon Thompson.

Those sending gifts were Mrs. John Dark and Hugh Williams.

Dip matches in your wife's nail polish. They'll stay waterproof for a long time.
