Spring Sale Sell-A-Thon April 19 Thru 23

FIVE-DAY TENT SALE

Never before in the history of Burkburnett have the merchants banded together to offer the public such an array of displays under one roof, as will be seen next week in the big tent sale.

A 30 foot by 20 foot tent will be erected on the library site at 4th and Avenue C on Tuesday, April 19th.

Twenty-four spaces in the tent and five spaces outside have been purchased by merchants to display and sell merchandise. There will be drawings for free gifts, enter-

tainment and bargains, from Tuesday, April 19th through Saturday, April 23rd.

For the children, the Sonny Stafford show will have eight rides at the First Methodist Church parking lot. Free discount tickets on all rides may be received from any participating merchant.

Spring and summer bargains will abound in Burkburnett stores during the five days of the Tent Sale-A-Thon as well as the very special bargains and fun at the Tent.

Citizens Urged To Attend Meeting

TUESDAY, APRIL 19, 2:30 P. M.

The story of Burkburnett's Community Improvement Program will be presented to the three judges by representatives of the Steering Committee, the Library Board, the five departments of the Community Service Council, the museum group, the Student Council and other youth organizations. Following each report, the judges are expected to ask questions.

The meeting will begin at 2:30 p.m. at the Town Hall with a brief ceremony preceding the presentation of a record book by the Sears-Roebuck Foundation officials.

Since the judges have asked to see any projects which may be underway, they will be shown the site of the future Burkburnett Library, across the street from the Town Hall. It is expected that this location will be partly covered by the large tent to be used by the Chamber of Commerce Trade

Promotion, but a large sign is being prepared for erection, stating that the site will be used for the library. Also, the Friends of the Library group is preparing a booth for the tent sale, where information concerning the Friends organization will be available and where memberships may be purchased.

All Presidents or organizations belonging to the Community Service Council are being contacted with the request that the President and as many of the organization's members as possible attend Tuesday's meeting. All interested citizens are also being urged to attend, as Burkburnett qualified for a place among the top ten because of its record in community co-operation. It has been requested that persons attending the meeting be at the Town Hall at 2 p.m. so that they may be seated before the judges arrive.

Speakers At Rotarian Luncheon

Program Chairman, Buster Morgan is shown with Harold Tom and Jim Riley at the April 12th meeting of Rotarians. All three men are members of Bowling Proprietors Association.

Mr. Tom explained the various bowling tournaments to Rotary members. Mr. Riley discussed youth activities in bowling.

"Bowling is a sport that leaves no one sitting on the bench," Mr. Riley stated.

Among Other Matters

LaWANDA HENRY

One of the most enjoyable assignments we have had in Burkburnett was attending the FFA Parent-Son Banquet recently. The courtesy shown this reporter by the boys, especially young Charles Fletcher, was greatly appreciated.

And we are glad we heard the speaker at the FFA Banquet, Mr. Jim Harwell. One thought provoking statement Mr. Harwell made was: "It's better to debate a question without settling it than to settle a question without debating it."

Harwell read the following:

WHY NOBODY LOVES A PESSIMIST

A pessimist will tell you that he can always predict failure, and so he can. But maybe you should tell him that sometimes you can predict success, because you're involved in its making. Pessimists say "it can't happen," when it will; "the boss won't buy it," and he does; "we've never done it that way," but now we are.

Once the world was flat. Now it isn't. Once there were 92 elements. Now there are not. Orville Wright flew his airplane 120 feet. Marconi sent his signal across the ocean, and Oldsmobile advertised that it was cheaper to buy a car than feed and stable a horse. And it was.

Dr. Norman Vincent Peale called this triumph of "can do" the Power of Positive Thinking. Beethoven was deaf. Edison's grades were poor in school. Churchill lisped during childhood. But men like these, men who might have been counted out before they even began, somehow turned history against pessimism. And now nobody loves a pessimist anymore.

Tell a man it's impossible to live on Mars, or farm in the sea, or cure cancer and he may put you in the same class with those who laughed at Buck Rogers, or Ford, or Salk. Yes, pessimism is a dying art.

People are learning not to accept the impossible, the improbable, the inevitable, nor the prediction of defeat or failure. They are also learning that for one man to move the world, he must first move himself. To the man who is spurred on by "it won't work," or "it's a lost cause," or "it's impossible," the future will give its own rewards. For, as John Paul Jones said to the skeptics who asked him to strike his flag, and waited for his words of defeat, "We have not yet begun to fight."

P-TA Conference Is Set Apr. 21-22

"Increasing Educational Opportunities" will be theme of the 38th annual conference of 13th District of Texas Congress of Parents and Teachers Association to be held April 21-22 at Hirschi High School in Wichita Falls.

The theme will be presented in a panel discussion. A musical program will be given by the Zundy Junior High School choir, directed by Mrs. Mary L. Wallace.

All life P-TA memberships will be honored at a banquet April 21 at Hirschi, at 7 p.m. The ACE Chorus, under the direction of Miss Marie Hill, music teacher at Crockett School, will bring the musical program.

Mrs. W. J. Danforth, past state president of the Texas Congress and a nominee for National vice president from Region VI, will bring the keynote address.

Registration will begin at Lamar Baptist Church at 8:30 a.m. April 22. State representatives will be Mrs. Jean Harris of Agua Dulce second state vice president and Mrs. S. L. Canterbury Jr. of Kilgore, state membership chairman.

Mrs. E. E. Wood, district president, said all P-TA members and interested persons may attend.

Banquet and luncheon reservations should be mailed to Mrs. Elwood Johnston, Wichita Falls, by April 18. If those attending wish to pre-register they may send their registration fee to Mrs. W. T. Zimmerman, 1110 E. Sycamore Street, Burkburnett.

Helpers Named For Cancer Drive

Tom Nicklas, Burkburnett Cancer Crusade Chairman, has named Bill Boardman, as chairman of the business drive which will be held on Monday, April 18.

The house-to-house campaign will be Tuesday evening, April 19, beginning at 6:30. Mrs. Bill Vincent is chairman of this portion of the drive.

National Judging Team To Visit In City For Program Evaluation

A national judging team will visit Burkburnett April 19, for an on-the-spot evaluation of this community's two-year civic improvement program.

At stake is national recognition, and an award of up to \$10,000 for 10 cooperating women's clubs, which led the local campaign. They are competing as one of 10 national finalists in the \$150,000 Community Improvement Program sponsored by the General Federation of Women's Clubs and the Sears-Roebuck Foundation.

A total of 11,325 women's clubs throughout the country participated in the program, representing more than three-quarters of all federated women's clubs in the nation.

Three judges, all experts in community development, will hear reports from local leaders and tour major projects. Inspection will begin at 2:30 p.m. and continue for three hours. Judges will be accompanied by representatives of General Federation of Women's Clubs and the Sears Foundation.

Mrs. Philip A. Carpenter, community improvement chairman for the cooperating clubs, will be in charge of the reports. Major projects included establishing a community library, launching a campaign to establish a historical museum and organizing a community service council to work on local problems.

Besides Burkburnett, judges are visiting finalist communities in Delaware, Georgia, Idaho, Kentucky, Mississippi, Nebraska, North Dakota, Ohio, and Oklahoma during their two-week, 7,000-mile tour. They are travel-

ing by private airplane.

Rankings will be announced June 8 during the Diamond Jubilee Convention of the General Federation of Women's Clubs in Chicago. Besides \$10,000 for the first place winner, awards are \$5,000 for second place; \$3,000 for third place; \$2,000 for fourth place; \$1,500 for fifth place; and \$1,000 for sixth through tenth.

All award money must be used for further community betterment, according to program rules.

The judges are Ernie B. McCue, of the West Virginia University Appalachian Center, and former director of the university's extension division; Robert C. Child, assistant director of the community development service of Southern Illinois University; and Stephen L. Brower, professor of sociology at Utah State University.

The Community Improvement Program is inaugurated by the General Federation and the Sears Foundation in 1955. It is designed to stimulate clubwomen to develop and complete important community self-help projects, involving the entire community in the work when ever possible.

Competition begins at state level, with winners entered in national judging. In addition to the 10 finalists selected in Washington, D.C., earlier this month, three women's groups were selected as finalists for special joint-entry urban awards, and three Latin American clubs and three international clubs were selected as finalists for international awards. The urban awards range from \$500 to \$2,000 and international awards range from \$200 to \$500.

Scout-A-Rama Tickets On Sale

Scout-A-Rama is soon upon us and area scouts have been selling tickets. The tickets cost 50c and the local troops get a small amount which is good; but so many people buy tickets "just to help the boys out" and do not go to the 4-H barn and see the show. This is not good as these people have no idea what the Cubs and Boy Scouts can do. That huge old barn is transformed into a wonderhouse for a young 'un and it is the boys own show. The noise out there is loud, but it is a happy sound since it comes from many proud and happy boys. So whether you are eight or eighty, make the ticket you bought count and see Scoutarama.

Rubinoff To Give Concert In Burk

Rubinoff, world-famous concert violinist will give a concert at the High School Cafetorium on May 7 at 8 p.m.

Brought to Burkburnett under the sponsorship of the Boomtown Jaycees, Rubinoff will arrive in Burkburnett on May 6 and will also give short concerts at the schools and the local rest home.

Mrs. Coles Has Visitors

Visitors in the home of Mrs. A. W. Coles last Sunday were Mr. and Mrs. Dale Curry and Mr. and Mrs. Dale Curry, Mrs. children of Lawton, Okla., Mrs. A. D. Simmons from Alice, Texas, as and from Wichita Falls, Mrs. George Garner, Mrs. Edna Law and Mr. and Mrs. David Simmons.

\$911.00 Given In Easter Seal Drive

James E. Frye, Mrs. W. T. Zimmerman and Jack Mathis, directors of the North Texas Rehabilitation Center in Wichita Falls, wish to thank the citizens of Burkburnett for their response to the Easter Seal Campaign.

Burkburnett's contributions to the Center, to help pay for badly needed treatments for some of our unfortunate citizens, was \$911.50. This was the largest amount given by any of the area towns.

A very special thanks to the workers who collected the contributions.

Assembly Of God Revival To Start

The First Assembly of God Church, corner Avenue "B" and College Street, Burkburnett, begins revival meeting April 18, and running through May 1, every night except Saturday.

The evangelist will be a young, talented trio, Rev. and Mrs. David Stephens and David's brother, Jerry. This group has traveled widely over the western half of the United States preaching, singing, and playing their musical instruments in gospel meetings. Week night services start 7:30, Sunday night 7:15.

The public is cordially invited to attend these services where the Rev. John Hocker is the pastor.

Clara-Fairview Has 'Fun-Night'

An informal get-together was enjoyed by the members of the Clara-Fairview Community when they observed "Fun Night," Friday, April 8, 1966. There was plenty of fried chicken, potato salad, combination salad, relishes, pickles, homemade cakes, ice tea and coffee for everyone.

After the meal, B. T. Haws, Wichita County Agent explained the Bridwell Program to the group. He also stated the Texas Electric Tour will be the week of May 2nd.

Members enjoying the evening were Mr. and Mrs. James Roderick, Gary and Larry; Mr. and Mrs. E. W. Roderick; Mr. and Mrs. Charles Goins, Mike and John; Mr. and Mrs. Newt Crane; Mr. and Mrs. Claude Adams, Dee Ellen and Mark; Mr. and Mrs. Norman Roberts; Mrs. Ann Vogel; Mrs. Elmer Klinkerman, Jan and Donna Svien and guests, Mr. B. T. Haws; Mr. and Mrs. Fred Dwyer and Johnny Veach. Next meeting will be May 13th.

Mr. and Mrs. George Counter spent the Easter holidays visiting their son, Mr. and Mrs. Charles Wayne Counter and children, in San Marcos, Texas.

Russell Duvall Places High In Speech Contest

A well-known local citizen, Russell Duvall recently placed high in the Area II Toastmasters International Speech Contest held at the Holiday Inn, Wichita Falls, Duvall in competition with Toastmasters from five other clubs in the area placed third in competition. Duvall is a new member of the recently formed NCO Chandelle Toastmasters Club No. 820. He is also an active officer of the club and is presently serving as its Treasurer.

He received a trophy and certificate from Captain John K. Miller, Area II Governor. Wichita Falls will host the District 25 Conference and Speech contest finals on the sixth and seventh of May. District 25 is the largest District in the State of Texas. As an educational organization, Toastmasters covers almost 50 countries around the world. It boasts of clubs in every major city of the United States. There are four in the Wichita Falls area.

School Board Officers Named

Floyd A. Marten was re-elected President of Burkburnett's school board Monday night. Other officers named were Jack Smith, vice president, Norman Roberts, secretary and James Pearson, principal of the high school, recording secretary.

The board voted to transport seventh grade pupils at Shepherd-Burkburnett School to Burkburnett Junior High School during the 1966-67 school year.

The group also decided to transfer \$45,000 from the sinking fund to a savings fund where it will draw interest.

Also approved was the school calendar for next year, which calls for classes to begin Aug. 30, 1966 and to end May 26, 1967.

Southside Hosts Twirling Contest

The Southside School P-TA will host the Boomtown National Open Twirling Contest Saturday, April 16. It will be held at the High School gymnasium beginning at 8:15 a.m. and will last until 4 p.m.

Admission will be 50c for adults and 25c for children. The judges will be Mr. Griff O'Neil of Dallas, Mrs. Belva Lewis of Enid, Oklahoma and Mrs. Glenna Bunson, a former resident of Burkburnett.

Anyone interested in being a "late entry" may call Mr. Neil Kriedler at 569-3622.

A concession stand will be open for the public and contestants. The public is welcome to come.

DON'T LEGISLATE WORK STOPPAGE

DON'T LEGISLATE WORK STOPPAGE

Labor union leadership is again pressuring the Administration for restrictive legislation which could create chaos in the construction industry through the legalization of so-called "commonsitus" picketing. It would also be harmful to manufacturing and other industries seeking to expand operations by constructing plant additions.

The proposed legislation would set management-labor relations back more than a decade by eliminating provisions in present labor law which outlaw secondary boycotts.

It would cause severe economic injury to neutral employers and their employees who are not involved in any labor dispute with the boycotting union.

For the construction industry, at least, the pending bills would destroy what little protection neutral employees now have against strike and picketing pressures in disputes in which they have no direct interest.

The bills would permit a union to throw a picket line around an entire construction site and shut it down, even though the union's dispute might be with only one subcontractor on the job.

Such construction delays would result in excessive costs. They, in effect, could achieve a closed shop by the ultimate elimination of all non-union contractors, subcontractors and their employees from construction work.

Moreover, the proposed "commonsitus" legislation is contrary to the national labor policy enacted by Congress which gives employees the right to refrain from as well as engage in union activities and membership.

Samuel Lubell, the well known opinion analyst and columnist, writes: "we have become so intent upon organizing our society in terms of masses of people, statistics and punch cards, and with so much emphasis on spending by the billions. But can you build a really Great Society if it is so impersonal and it has lost the focus on the individual human being."

As of a recent date, consumption of natural gas in the United States had risen 281 per cent since 1946. Gas accounted for 30 per cent of the nation's total energy consumed in 1964, not including the liquids extracted from it.

Federal government spending for highway, air and water transport will hit a record \$5.8 billion this year, a study by the Association of American Railroads discloses. The spending total, now nearly five times such outlays of 10 years ago, represents an increase of more than \$400 million over 1965.

If most of the cars are passing you on the highway, better adjust your speed to match the normal flow of traffic. The Portland, Oregon, Traffic Safety Commission advises that slowpoke driving can be just as dangerous as speeding on modern highways.

FAMOUS AMERICAN FACTS

TRADE WITH THE INDIANS IN EARLY AMERICA WAS SOMETIMES A RISKY BUSINESS. NOT ALL TRIBE WERE "FRIENDLY" AND SOME WHITE TRADERS LOST NOT ONLY THE GOODS THEY INTENDED TO TRADE BUT THEIR LIVES AS WELL.

ANOTHER MEANS OF TRADING IN THOSE DAYS WAS TO POST NOTICES OF GOODS TO BE TRADED OR SOLD IN THE TOWN HALL OR TOWN SQUARE, TO BE READ BY THE LOCAL PEOPLE.

AMERICA STILL LIVES BY BUYING AND SELLING. BARTER AND EXCHANGE. MAGAZINES IN THE U.S. CARRY MORE THAN A BILLION DOLLARS IN ADVERTISING TO SELL GOODS AND SERVICES TO THE MODERN CONSUMER.

LIBRARY WEEK IN TEXAS, April 17-23, was proclaimed by Governor John Connally at the statewide Library Conference recently, when he upheld the Conference theme, "Library Excellence: Today's Necessity," as the epitome of the goal and need for Texas libraries. He pointed to plans for 150 Post-Conference meetings to discuss local library problems as evidence of the determination of Texans to study and meet the needs of their libraries. Present for the proclamation signing were Heartsill Young, president, Texas Library Association, Austin; Dorman H. Winfrey, Director, Texas State Library, Austin; Miss Elizabeth Karle, State Library field consultant headquartered in Abilene who is executive director of Library Week; and J. Bryan Bradbury, Abilene, state chairman.

Clara-Fairview HD
Club Holds Meeting

By Club Reporter
Mrs. R. C. Gilbow was the
hostess for the meeting of the
Clara-Fairview Home Demon-
stration Club Tuesday, April
5th. Mrs. Ray Stimpson called
the meeting to order at 2 p.m.
Mrs. James Ludeke read a piece
on housewives. Two songs were
sung. Roll call was answered
with our form of health pro-
tection insurance. Three vis-
itors were welcomed, Miss Thelma
Wirges of Wichita Falls,
Mrs. Ermis of Louisiana and
Mrs. E. Michna of Burkburnett.

Minutes of the last meeting
were read and approved. Re-
ports were received from the
chairman of the standing com-
mittees.

Mrs. Newt Crane reported on
the Community Service meeting
held recently. She told of the
plans now in process for re-
modeling the Youth Center. A
motion was made and seconded
that we help with this pro-
ject. Mrs. Newt Crane also told
about the Easter Seal drive that
is going on now. Motion was
made and seconded that we
contribute to this worthy cause.

Plans were made to have a
salad luncheon at our next
meeting. It will be April 19 at
the new meeting room at the
First National Bank. Our pro-
gram will be salad luncheons.
Miss Thelma Wirges, Home
Demonstration Agent gave our
program on "Family Meat
Cuts." She spoke on the bene-
fits of beef. Meat is one of the
most important foods we can
eat and we need two servings a
day. Beef provides protein,
iron, B vitamins, energy and
phosphorus. She showed us how
to recognize meat cuts by the
bones in them, and told which
ones were the most tender and
economical. She also told us
about the different grades of
beef which included prime,

choice, good, standard and com-
mercial. Aged beef is the most
expensive, but best flavored
meat you can buy.

Miss Wirges said the newest
thing in beef is tenderized beef.
It is supposed to be more tend-
er and flavorful. It has the
same appearance, keeping quali-
ties and flavor of regular beef.
She explained the different
ways of cooking meat. A pop
test was given to the members
and the answers were checked
after the demonstration.

Several games of bingo were

played, with the winners each
receiving a beautiful linen
handkerchief with crocheted
edging. Mrs. J. H. Bentley won
the door prize. Refreshments
were served to our three vis-
itors and to Mesdames J. H.
Bentley, J. D. Dillbeck, Elmer
Klinkerman, Paul Conkling,
Newt Crane, Ed Gellner, Rob-
ert Norris, E. J. Simons, Ray
Stimpson, Joe Slama, James Lu-
deke and R. C. Gilbow.

The Modern way to Camp

A new camp UNIT which combines sleeping, cooking and easy living facilities for families with no trailers nor tents who want to "travel light" on the budget.
These Units are complete with gas stove, sink and ice box, electric outlet, bunks and foam rubber mattresses, wall to wall carpet and closets. Each sleeps up to eight persons. Situated on a campers' paradise, they're within "arms reach" of breath-taking historical country and just one hour from New York City—one of the world's most exciting sightseeing centers.
Here's camping deluxe for the whole family—pavilion and play area for children—recreation room and color TV—hot showers—modern flush toilets—stores and shopping a mile away and, unlimited use the facilities of Beautiful Sprout Lake Beach—the finest in swimming and picnicking.
Information on CAMPING with tents, trailers or in Units, for groups or families is available at P.O. Box 1, Peekskill, New York.

DREAM OF ROOM TO DREAM IN

What teenage girl doesn't sometime dream of becoming America's Junior Miss? This bedroom is the place where Patrice Gaugler of St. Joseph, Missouri, America's Junior Miss of 1965 dreamed of winning her title. She likes a room traditional in decor but up-to-the-minute in easy-care fabrics and floor coverings. What lovelier setting for a young girl's flights of fancy? For instance, the brilliant cyclamen bedspread by Bates is quilted with Kodol polyester fiberfill for lasting puff and lightness of weight. The oval rug framing the bed is machine-washable-and-dryable because its made of Kodol polyester and Verel modacrylic. In her choice of colors, Patrice favors hot pinks and reds and has carried them out in a charming wallpaper design inspired by crewel embroidery. The same bright colors are repeated in throw pillows and shortie draperies. White overdraperies soften the effect. It's no surprise that the furniture is Early American—most fitting for America's own ideal teenager. To make the room truly her own, Patrice has mounted on fiberboard a color portrait photograph and enlarged snapshots of her thrilling experiences at the America's Junior Miss Pageant at Mobile, Alabama, and used them as decorative accessories.

THE PLIGHT OF OUR NEWSPAPERS

dom. That denotes senility, not youth and virility. There is need for improvement in the processes currently used to settle labor disputes. If better methods are not soon found, an aroused public may convince Congress that the right to strike should be further curtailed... perhaps by compulsory arbitration.

Decline of the Metropolitan Dailies

In this century, competition in the newspaper field has been eliminated in nearly 500 American cities, with the core cities of the metropolitan areas being hardest hit. During the past 10 years, the pace has been stepped up, with the result that today—apart from New York City—only two of the nation's larger urban communities—Boston and Washington—have more than two competing ownerships of newspapers.

When the contemplated merger of the three Gotham papers is finalized, New York will become the 25th major U.S. city where competing newspapers share production costs and/or office facilities while maintaining separate editorial staffs and identities. Such moves toward consolidation as a defense against spiraling production and payroll costs will likely be even more numerous in the years directly ahead.

Spiraling Costs

The three New York papers whose publishers sadly announced that "the economics of the newspaper industry in New York compel this (merger) move" are all of noble lineage. The roster of their one-time editors or publishers includes such great personalities of the American press as Horace Greeley, James Gordon Bennett, Joseph Pulitzer, William Randolph Hearst, and Charles Dana.

These papers, and many another city daily in the U. S., have come upon hard times because of tremendous increases in costs. Rising production expenses have forced up both ad rates and circulation. These, in turn, have triggered still higher payroll demands. In addition, there have been circulation losses stemming from

newsmagazine and TV competition, from prolonged paper strikes in several cities, and from an increase in the size, prosperity, and prestige of suburban newspapers.

Rise of Suburban Dailies

Although newspaper competition in New York City may soon be less grim, competition between the large downtown dailies and the growing suburban dailies is sure to increase. Within 30 miles of Times Square, there are now about 30 daily suburban newspapers. And five of these have circulations larger than 100,000!

MEET THE HIGHTOWERS—Campaigning for re-election is a family affair with the Senator Jack Hightowers, and obviously an enjoyable one. Already veterans at stamp-licking, envelope-stuffing and vote-soliciting are Amy, 9, Ann, 13, wife Colleen, and Alison, 6. Both Jack and Colleen are lifelong residents of the 30th District, making their home in Vernon. Jack is the son of Mrs. Walter Hightower of Memphis, Texas, and the late Mr. Hightower. Colleen is the daughter of Mr. and Mrs. Bill Ward of Tulia. They plan to campaign in all 21 counties in the district.

Jr. High Council At Conference

On March 19, the Burk Burnett Junior High School Council went to Seymour for the Spring Green-Belt District Conference. The Council traveled by bus and arrived in Seymour at 2:30 p.m. From 2:30 to 3:30, the various clubs campaigned for various offices. From 3:30 to 4:30 was the business meeting. Entertainment was by the "Tiger Tails," a monologue, and a vocal quartet. Burk unsuccessfully ran for secretary of the Green Belt Association.

Officers were elected with Vernon getting President. Graham got Vice-President. Quaneh received Secretary and Olney got the office of Parliamentarian. Mr. Spring was elected as sponsor. From 6:00 to 7:30 was the banquet and speaker.

Those attending from Burk Burnett Junior High School were Teddy Cantwell, Sara Collins, Susan Starke, Marian Bentley, Russell Miller, Charles Landrum, Bruce Wolbrette, Joan Walker, Becky Kennedy, Beverly Endres, Karen Landrum, Paula Swan, Pat Busch, Debbie Vincent, Laura Allison, Mike Howard, Gary England, Terry Young, Kathy Milstead, Criss Swain, and Monty Pritton.

'Let All That You Can Do Be Done From Love'

Thus commands Paul in 1 Corinthians 16:14 (Weymouth). He had already described love. "Love is forbearing and kind. Love knows no jealousy. Love does not brag; is not conceited. She is not unmannerly, nor selfish, nor irritable, nor mindful of wrongs. She does not rejoice in injustice, but joyfully sides with the truth. She can overlook faults. She is full of trust, full of hope, full of endurance." (Chapter 13, *ibid.*)

Christian love is the very greatest need of Burk Burnett, and the whole-wide world!

Do you do everything in love? If not, study the life of Christ, and contemplate the love of God for you. This will help you develop love. Express your love by doing good unto others, and obeying God. "But whoever obeys His word, in him love for God has reached perfection." (1 John 2:5. *ibid.*)

Lady, you'll just love flameless electric cooking...it's so dependable

There's no guesswork to cooking with an electric range. Whether you're cooking in the oven or on surface units, you just set the controls for the heat you want and you get exactly the same heat from the same setting every time. Only an electric oven can be insulated all around, including the bottom. An elec-

tric oven is flameless and requires no flow of air into and out of it to support combustion. Temperatures inside the oven remain constant and the heat is evenly distributed for best results when you are baking or roasting. Accurately measured heat is one of the many reasons why you'll just love flameless electric cooking.

1966 LTD BY FORD

The quiet-riding Ford is a roaring success. After driving a '66 XL or LTD by Ford, owners of such luxury cars as a hand-crafted Jaguar and a \$14,000 Mercedes said that Ford was even quieter than their custom-built cars. And Ford offers much more: Stereo tape player option for the music of your choice. Optional automatic speed control for foot-free cruising. Exclusive Magic Doorgate on station wagons swings out like a door for people... and down like a tailgate for cargo. Optional Ford Select-Aire Conditioner is built in, not hung on. CARD OF THANKS

We wish to thank all the friends and neighbors who have been so wonderful to us in the loss of our home by fire, and for all the visits, flowers, phone calls and cards while Mr. Brown was in the hospital.

A special thanks to those who sat up. Thanks to Dr. Carpenter and all the nurses, Bro. McKay of Randlett and Bro. Brandsaw of Burkburnett for their visits

and prayers. They meant so much to us in time of need. Also the Fire Department of Burkburnett, even though they were unable to save anything and the three girls from Temple who came by and pushed the car out and saved it. We are staying at the Ranch House Motel, room 11 for a while. We will move to 405 W. College in Eureka and would be glad to have company. Thanks for everything.

The Church Building

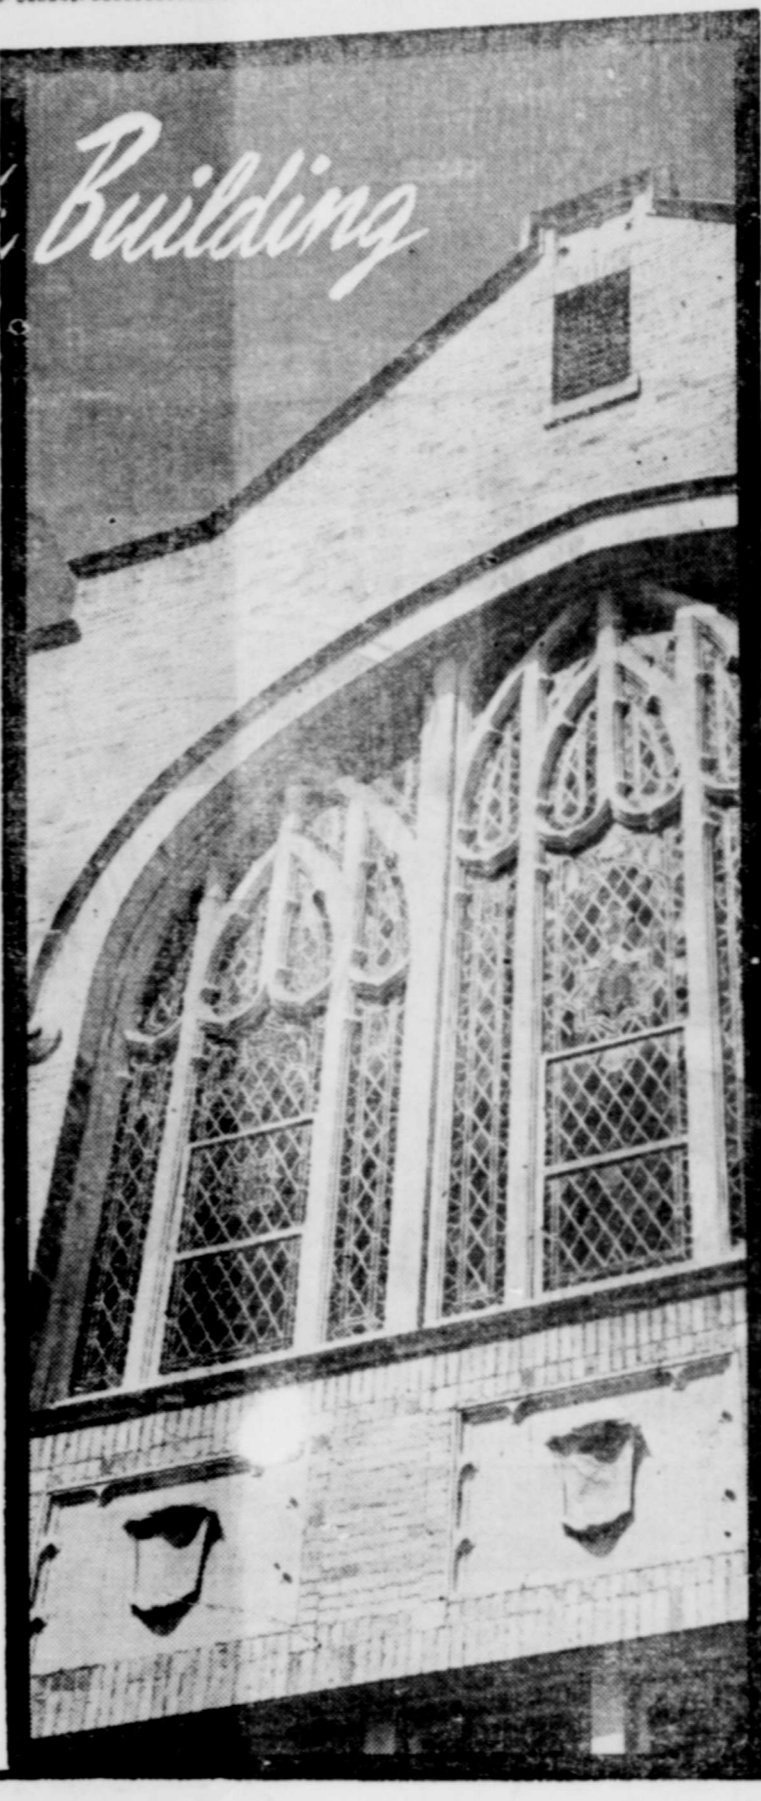

This is only a building, but it is a special building for it is the worship place for God's people. It is a place where one may go to study and hear God's word preached.

"... faith cometh by hearing, and hearing by the word of God."

If there are unanswered questions in your mind... go... seek... and find God in his house this Sunday.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Your Neighbor' Chosen As Theme Of Cancer Society Crusade

Your Neighbor' is a physician should be consulted immediately. The chances are that the signal will not mean cancer—but always play it safe. They will learn that the best protection against death from cancer is an annual physical examination. As for cancer of the lung—don't smoke; as for uterine cancer, have a "Pap" test every year; against breast cancer, every woman should learn to examine her breasts once a month, and if she finds any changes, she should see her physician; as for cancer of the colon and rectum, every woman and man over 40 should have a "procto" examination annually.

The slogan of the 1966 Crusade is "Fight Cancer with a Checkup and a Check." The value of the annual checkup is covered in the "Tell Your Neighbor" program. It is this Early diagnosis and prompt treatment can save thousands of lives.

The Chairman said, "the check is self-evident. Without finances for important future research we cannot hope to save half of those who develop cancer. Also the check provides needed funds for expanded public and professional educational programs, and service to patients."

Troop 59 Of Girl Scouts Hold Slumber Party Recently

A slumber party was held at the Youth Center by Girl Scout Troop No. 59.

The girls played records, did the Limbo, held dancing contests, bubble blowing contests and put on skits. Prizes were given to winners and losers.

Refreshments of cold drinks, sandwiches, potato chips and cookies were served. Breakfast consisted of hot cocoa and donuts.

About 10:30, the lights were out and a ghost record was being played. Suddenly two ghostly figures appeared at the front door. After a few wild moments, the lights were turned on and our two ghostly figures were Donna and Judy Greer who told us ghost stories.

Everyone had a wonderful time. Those present were: Karen Greer, Jackie Mayberry, Helen Bourne, Susan Dial, Mary Bourne, Chastene Frazier, Terri Sheperd, Diana Mowell, Debbie

PREPARE YOUR WOOLENS FOR SUMMER STORAGE

Did you know that with just a bit of precaution you can protect your part of a billion dollar fortune? It's a fact!

This is the amount of money needlessly lost by Americans each year because of moth and carpet beetle damage. To be sure that your precious wooleens are protected from these pests, heed these summer storage tips from the Moth and Carpet Beetle Information Center.

1. All garments to be stored should be clean, given a good dose of paradichlorobenzene, better known as para, and placed in moth-proof, air-tight, light-proof wrapping of aluminum foil. Contrary to popular belief, it is the vapors that kill—not the odor of the moth preventive. When sealed with a tight double fold, super-strength Alcoa Wrap retains these vapors because it is impenetrable.

2. There's no need to take up cedar chest space when you use the foil-wrapping

USE THIS DOUBLE FOLD method of storage. Just slip the package into a drawer or place on a cupboard shelf. It's also a good idea to use your packages with masking tape and mark them with pen for easy identification.

3. When mothproofing sets, the important thing to remember is that the vapor from the moth crystals is heavier than air, and will sink to the bottom. For this reason, crystals should be placed on a high shelf suspended from a curtain rod or hook high in the closet.

4. Use 2 pounds of para for every 100 cubic feet of space. Therefore, a closet that is 7' high, 5' wide and 3' deep (105 cu. ft.) would require little over two pounds of Dichloride or "Santal" moth crystals, or other dry para.

5. For a free booklet information on storing wooleens, send a postcard Woolens in Foil, 1661 Bu'Siding, Pittsburgh, 15219.

Three...not going on four

More than 2,000 children die each year of leukemia—cancer of the blood-forming tissues. Important discoveries in research laboratories are helping to extend the lives of many young victims by precious months. So far, there is no cure.

Many scientists believe, however, that cures will be found for leukemia sooner than for any other cancer.

Research will save children in the future. But research is expensive.

Give today. That they may have tomorrows.

Cleaning With Sal Is "In"

The past is back, it's now in style To walk each day at least a mile, To wear a wig, long hair, strapped shoes, A granny dress, they're fashion news.

Spring cleaning too, it's considered "in" To use the tools past kith and kin Have wielded down through all the years From log cabin-cleaning pioneers.

The feather duster, mop and pail, The sponge and broom, they still prevail And sal soda concentrated for routing grime Has never seen a busier time.

Mixed with water it does the job That needs a stalwart sponge-down swab, And when used dry it'll also scour With firm yet gentle, non-scratch power.

So if the trend you really dig, You'll don your granny dress and wig, Pick up your pail, your box of sal And be an "in" spring cleaning gal.
