NUMBER 46

Girls' Ball Team To State Tourney

Word was received last Friday night that the Corvettes, a girls' softball team sponsored by First National Bank and First Savings and Loan could go to Waco the 22nd and 23rd of July to compete for the state title. It was first believed that the girls would have to win the Wichita title before going, but this was a misunderstanding.

The team won the first game of the play-offs in Wichita Falls last Thursday night by defeating the Kemp Kats, 19-10. They are to take on the First Baptist of Wichita Monday night at 7. They will also play Tuesday night at Bridwell Park.

The following girls will be representing this town in the state tournament: Diane Beavers, Carla Sutherland, Karen Metz, Susie Pearman, Candy Monson, Pat Bryant, Vicki Bryant, Parlie Hicks, Ellen Newton, Carol Henderson, Sue Carol Monson, Tira Byrd and Linda Hartley.

The Bank has showed their support of this team by offering to pay some of their expenses. You can show your support by telling the girls that you are behind them all of the way.

Clara Alumni Has Banquet Recently

The Clara Alumni Banquet was held in the cafeteria of Hirschi High School in Wichita Falls Saturday night, July 16th.

Festivities began at 4:30. Mrs. Pauline James, Frances England, Mae Welborn and Evelyn Redman registered 103 ex-students and guests. Refreshments of punch and coffee were served during this time of reminiscing until the dinner hour at 7:00 p.m.

The master of ceremonies, Mr. Billy James, President of the Association, welcomed each one, and introduced special guests.

Mr. Ralph Davis, former principal of Clara, had each one introduce themselves and their families. This is always interesting and very enjoyable.

Mrs. Clarence Heiserman, from Decatur, Alabama came the longest distance and was presented an award.

A program and style show was very enjoyable. Starting with the year 1889, dresses, suits and sweaters were modeled.

During the business meeting which followed, Mr. Elvie Welborn was elected president and Mrs. Frances England, secretary for the year 1968.

The Clara School consolidated with the Burk Burnett School system in 1939. This ended a chapter very close and dear to the former pupils and residents. A happy note that still remains is that everyone can continue to get together and enjoy the reunion. We are eagerly looking forward to the next one.

also visited. Mr. and Mrs. W. H. Shaw in Wichita Falls enroute to the game and visited with Weida's parents, Mr. and Mrs. Ernest Howard in Graham.

Visiting in Burk and also attending the Devol High School Alumni meeting held Saturday night in Wichita Falls were Mr. and Mrs. W. A. Hewell of Longview, Tex., Mr. and Mrs. W. R. Hewell of Dallas and Wayne Nelson of Oklahoma City. The W. A. Hewells were visiting the J. C. Hinkle family over the weekend. The W. R. Hewells spent the weekend with Mrs. Hewells mother, Mrs. W. B. Nelson, also Wayne Nelson visited his mother, Mrs. W. B. Nelson of this city over the weekend.

Mrs. Lavera Biggerstaff of Lubbock, Texas is visiting her mother, Mrs. Underwood, of Devol and other relatives and friends in Burk. She is a former resident of this city and has been a bank employee in Lubbock for the past several years.

Myrtle McDonald is visiting daughter, Mrs. Dorothy in Hurst, Tex. and the wedding of her daughter, Barbara McDonald, was held last week.

Mr. and Mrs. A. R. Bunstone returned home after having a week in Fort Worth with their daughter and husband, Mr. and Mrs. Raymond

Reception Held Honoring Guests

Shown is a serving line scene taken at the reception held Monday, honoring officials of Sears Roebuck Foundation and General Federation of Womens' Clubs. The reception was hosted by the First National Bank, Mrs. Jerry Thomas, The Modern Study Club and University Study Club.

Young Scouts Meet Sears Officials

Cadette Scout Kathy Sanders and Junior Scout Selita Harris chatted with Sears Roebuck Foundation officials at Monday's reception.

Shown with the girls are; left to right: Herbert Burnham, Jr., vice president for Southwestern Area, Dallas; William F. McCurdy, president, Chicago; Robert McIntire, Wichita Falls; Mrs. Thomas Houde, a representative of the General Federation of Womens' Clubs and J. P. Plain, Regional Director of Sears Roebuck from Dallas.

Kathy is the daughter of Mr. and Mrs. Harold T. Sanders and Selita's parents are Mr. and Mrs. Cleveland Harris.

Festival Declared 'Biggest Ever' By Chamber Head

The Fourth Annual Burk Burnett Chamber of Commerce Watermelon Festival was the "biggest ever," according to Chamber of Commerce President, Joe Salter.

20,000 pounds of watermelon were consumed on Main Street, July 18.

Burkburnett businessmen donned aprons and quickly served the hundreds of people on hand to take advantage of the free watermelon and entertainment.

"We expect an even bigger Festival next year," Salter said.

A man who was wildly enthusiastic about his vacation trip kept driving along at a rapid clip. Finally his wife consulted a map and informed him they were lost.

"What's the difference?" he asked. "We're making great time."

Corvettes Win Again In Play-Off

The Burk Corvettes stomped the First Baptist of Wichita Falls Monday night, 17-7. So far the Corvettes are undefeated in the Wichita Falls city play-offs. First Baptist won over the Texans Tuesday night by a close score of 12 to 11. This will put the First Baptist against the Burk Corvettes for the Wichita Falls title. This final game will be played in Wichita Falls after both teams return from Waco.

The Corvettes wish to thank their sponsors, First National Bank and First Savings and Loan, for the funds that they have provided so it would be possible for this team to go to the state tournament in Waco. The girls hope to play in a way that this town will be proud of them when they return. When they do return they hope to bring the state title with them.

Reunion Held By Devol Students

The ex-students of Devol, Oklahoma, held their annual fete in Wichita Falls at Wyatt's Cafeteria Saturday night, July 16th with 94 present.

J. C. Hinkle, president, gave the welcome address. Mrs. Ella Huff Kepple of Indianapolis, Indiana, traveled the farthest distance for the affair.

New officers elected were: Ogden Beasley of Burk Burnett, president; Mrs. Angie Randall, Burk Burnett, vice president; and Reese Hewell, Dallas, Secretary-treasurer.

The group voted to have the annual reunion the second Saturday night in August each year.

Weekend guests in the home of Mr. and Mrs. Floyd Thompson were their two daughters, Mrs. Jeanette Flusche and her husband of Electra, Texas, and Mrs. Jean Garrett and son, Tommy, of Denver City, Texas. Another guest was Mrs. Garrett's son, Glenn Garrett, of Ft. Polk, Louisiana. Following a few days leave, Glenn will go to Kentucky for Officers Training School. Mr. and Mrs. Flusche are formerly from Denver City, Texas, and were just transferred to Electra last week.

Mr. and Mrs. Shem Cunningham of Wichita Falls, Mrs. George Sullivan of Marshall, Texas and Mrs. R. L. Stephenson of Fort Worth were Sunday afternoon visitors in the home of Mrs. C. C. Taylor.

Miss Betsy Norman To Participate In Miss Texas Pageant

Miss Betsy Norman, daughter of Col. and Mrs. K. O. Dessert will represent Burk Burnett in the Annual Miss Texas Pageant in Fort Worth on Saturday, July 23rd.

Miss Norman was awarded the title of Miss Burk Burnett in March at the local pageant. She was sponsored by Lois Bean Realty. The Modern Study Club sponsors this pageant annually.

The Miss Texas Pageant will be telecast on KAUZ-TV, Channel 6, on Saturday, July 23rd at 10:15 p.m.

Foundation Representatives Tour Burk Burnett Prior To \$5,000 Presentation, Watermelon Festival

Arriving in Burk Burnett by caravan, representatives of the Sears-Roebuck Foundation and the General Federation of Womens' Clubs attended a reception in the National Room, First National Bank. This was the first stop of a busy July 18th, scheduled for them by citizens of Burk Burnett.

Here for the purpose of presenting to the Council of Federated Study Clubs \$5,000 prize money for a second place win in the nationwide Community Improvement Contest was William F. McCurdy of Chicago, President of Sears Roebuck Foundation. Accepting the check at ceremonies on Main Street at 7 p.m. Monday, was Mrs. Philip A. Carpenter, chairman of the Community Improvement Program.

After the reception, which was hosted by the Modern Study Club and the University Study Club, the honorees toured the points of interest in Burk Burnett. First stop was the Hardin Park area, the Garden Club entry in the contest, and the Youth Center. Next the Swim Club and the Permian Park area.

George Provence, past president of Burk Burnett Student Council told the group during a stop at the High School Library Lounge, how students now had a broader view of civic affairs through contact with C.I.P.

The site recently acquired for erection of an oil field replica, a tourist's attraction, was next viewed. Then the Texas Historical Marker which had been dedicated last week.

Last tour stop was the Library site. Building of the library has gathered momentum with many working toward this common goal.

C.I.P. Round-Up Dinner
Throughout the day a western theme was apparent, with many dressed in western attire. Table decorations at the 6 o'clock dinner, cleverly carried out the theme. The food served was also "western" barbeque and beans.

Mrs. Robert McIntire, wife of Sears store manager, Wichita Falls, provided "western" dinner music, singing western tunes, accompanying herself on the guitar.

Presentation Ceremonies
Main Street, Burk Burnett was roped off at 7 p.m. A large reviewing stand on the East end of the block was balanced by a large truck at the West end, containing 20,000 pounds of watermelon.

Hundreds jammed the space between to watch the check presentation, hear introductions of guests, listen to the musical entertainment and eat free watermelon.

Mrs. F. M. McMurtry, past president of the Council of Federated Study Clubs, presided. She introduced Mrs. James Frye, chairman of the Steering Committee who introduced the guests.

Mayor Lippard presented McCurdy with a CIP branding iron the major had fashioned. Mrs. Thomas R. Houde of the GFWC congratulated Burk Burnett on its two-year efforts.

Also adding congratulations was Mrs. J. L. Ginnings, past president of the Texas Federation of Womens' Clubs.

Claude Adams, president of the Library Board, had some encouraging news for the citizens. He said plans have been drawn and bids are open for construction of the plant.

Burkburnett Chamber of Commerce President Joe Salter saluted the club women of Burk Burnett.

Among the special guests on the platform were McCurdy, Hubert Burham and J. P. Plain, representing the foundation, and Mr. and Mrs. Robert McIntire, manager of the Wichita Falls Sears store.

Representing the Texas Federated Womens' Clubs were Mrs. B. F. Seay of Andrews, incoming state president; Mrs. Ginnings; Mrs. Roy Grundy of Matador, president of Santa Rosa District; Mrs. W. Baxter Johnson, past district president; Mrs. Henry Bochart of Santa Rosa district and Mrs. Bill Davis, state treasurer from Lubbock.

State Officials
Representing Gov. John Connally's office was State Sen. Jack Hightower of Vernon. State Rep. Vernon Stewart of Wichita Falls also was introduced.

From Sheppard Air Force Base Col. and Mrs. John C. McCurnin, special assistant to the commander representing Brig. Gen. Edward H. Nigro, Col. and Mrs. Jimmy W. Hamill, deputy commander of the Air Training Command, representing Col. John C. Gailer, ATC wing commander; Col. and Mrs. H. T. Snyder, director of personnel, also were present.

Other guests included Mrs. Houde and Curtis Cook, representing Times Publishing Co.

The gift will be used to buy books for the library, a project which kept Burk Burnett in the running for the \$10,000 top prize which went to Pawhuska, Okla.

Texas Football Chief Named

The Texas Professional Football League has named George Schepps, a man connected with sports for nearly a half century, as its commissioner.

Schepps, a Dallas resident and well known sportsman has been prominent in pro sports—particularly baseball—since 1907 when he became batboy for the Dallas Giants.

The naming of Schepps met with full vote and approval of the six teams of the TPFL, Pasadena, Burk Burnett, Dallas, Sherman-Denison, Odessa-Midland and Tulsa, Okla. He assumed office immediately.

"The purpose of this league," Schepps said, "is to promote professional football and to provide wholesome family entertainment."

"We're calling this the working man's league. I am convinced that this is a solid organization which has a real future or I wouldn't have agreed to take the commissioner's job."

Retarded Children Council Has Meet

The Burk Burnett Auxiliary Council for Retarded Children will meet Monday, July 25 at 7:30 p.m. in the Community Room of the Burk Burnett Bank.

Everyone is invited to attend these informative meetings. It is not necessary to be a member.

Ellis Barham, executive director of North Texas Mental Health Association will speak on "Needs, Problems and Projects for the Retarded at the State Level."

JUDICIAL REFORM

"Of all the people in our society, the judge must remain the most incorruptible, because he is the final protector of our rights to life, liberty and property under the law," declared California Supreme Court Justice Louis H. Burke. But, says a report from the American Assembly of Columbia University, "The administration of justice in the United States is in trouble."

Casting light on that trouble, the July, 1966, issue of The Reader's Digest states that "... in state after state there is growing alarm over judges who are sick or senile, corrupt, guilty of unconscionable gold-briking, habitually intoxicated or otherwise unfit to serve on the bench." By far, an overwhelming majority of judges do not fit in this category. The fact that a small number do, however, is disturbing.

Two states have pioneered judicial reform. The most recent is California where a Commission on Judicial Qualifications is empowered to investigate complaints from anyone about courts and recommend action to the Supreme Court which can disbar a judge. The system, which has already removed 30 judges from California courts, has been adopted by some Texas courts and is currently being considered by other states. Its application to federal courts is also being studied by Congress, since federal judgeships are lifetime appointments. There is no room for incompetency in our judicial process.

YOUR PART IN INFLATION

There are too many professional planners offering panaceas for all the problems of man. Just now the people are being conditioned to the idea that something must be done to protect consumer's from promotional shenanigans. Listening to the battle cry, "we must prevent deception," one would conclude we have no means of safeguarding the buyer, regardless of all our present laws, boards, bureaus, commissions, and inspectors.

All will agree that we must prevent deception and require truthful statements about products and punish the transgressor. That is elemental. But laws already on the statute books give federal and state agencies authority to protect consumers, if they are enforced. Crack down on the crooks, but let industry and business have a chance to promote and sell its products without more political red tape and harassment.

If responsible public officials really wish to help consumers, they can demand economy in public spending — not just lip service but measures with teeth in them. Show the people where they should curb their own demands for public handouts which require taxes to provide them. You can't have the highest government spending in the world and public doles for all and, at the same time, have low priced bread, butter, bacon, potatoes and overalls.

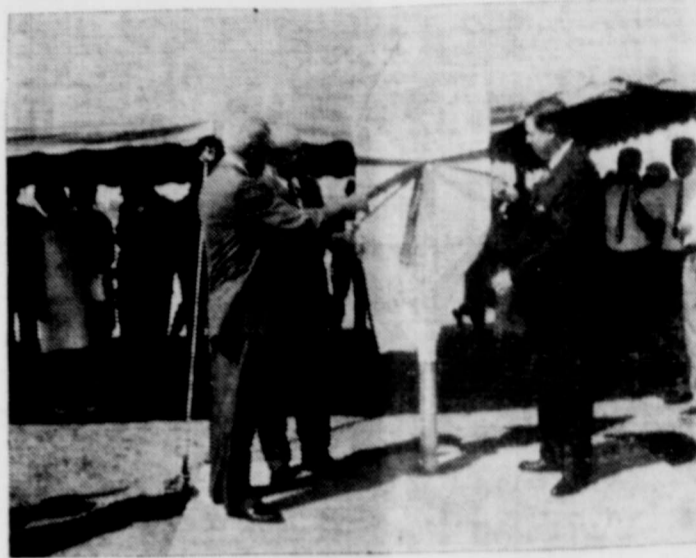

It doesn't take a corps of high-priced economic advisers to unearth these facts, or to learn that prices of commodities and food climbs as government extravagances increases. The storekeeper is the last link in the inflation chain — he has to pass all the inflation damage on to the consumer, and he gets the kicks. The place to start looking for the villain is in your own demands on government for "free" services.

NATIONAL FARM SAFETY WEEK

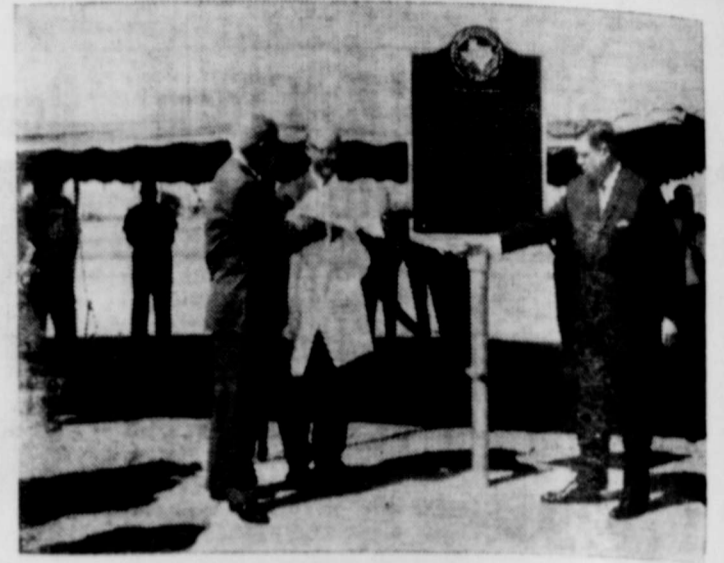

National Farm Safety Week cosponsored by the National Safety Council and the U. S. Department of Agriculture will be observed July 24-30 this year, by Presidential proclamation. "Safety Is Victory Over Accidents" will be the theme of the Week, and its purpose will be to put a new awareness of safety procedures in the minds of the millions of people on American farms. Accidents kill more than 8,000 farm residents each year and injure an additional 700,000.

This year, emphasis will be on tractor safety and promotion of the SMV emblem — Slow-Moving Vehicle. It is a triangular emblem, highly visible within 500 feet, day or night, and is intended to be used on equipment traveling 25 miles per hour or less. Every operator of farm equipment should contact his county agent, or the Farm Department of the National Safety Council, 425 North Michigan Avenue, Chicago, Illinois, 60611, to secure information on where to buy his SMV emblem. Practicing safety during National Farm Safety Week can create lifesaving habits throughout the year.

Removing the THORN

Almost everyone that has ever removed a shoe and run barefoot through the fields, knows of the wonderful feeling of freedom that this gives. Most, also have known what it is to remove a sticker or a thorn. The first attempts to pull it out are usually handled so gingerly and slowly, and then, screwing up your courage you yank it out, and find that this was the easiest way after all.

There are many thorns in life, and these evils should be removed swiftly, and put out of our lives. Attend Church, receive help and encouragement in removing the thorns from your life.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Mortgage Of Or Farmers, Economist

Station — Are we out of farmers and with the great decline in number of farmers and ranchers is going to happen production in the future and similar questions asked of John McHaney, an economist at Texas University and he has said. We've got plenty of land to take care of our needs in the long time, he says. The economist says people overlook the scientific approach that have been made in education and research

in agricultural production and marketing. There is no reason to believe these advances will not continue in the future, perhaps at a faster rate, he says. They also forget about the large number of acres that have gone under irrigation with much higher yields and more stable production. These projects have been developed, he adds, through the use of private capital as well as government assistance. And finally, people overlook the fact that local farmers no longer produce just for local consumption but for consumers in other parts of the nation or even the world.

Today, with our efficient suppliers of production items and our expanding and efficient marketing system, one farm worker supplies farm products for 34 persons compared to 11 persons in 1940.

McHaney says crop production in the United States has in-

creased 30 percent and livestock production 27 percent since 1950. Even with fewer farmers, production continues to increase making Americans the best fed in the world. And, he adds, they eat for less.

The economist believes that if we have people in this country in the future who eat poor diets or have empty stomachs it will be because they do not have the dollar needed to purchase food and not because of fewer farmers and a smaller land area in relation to the total population. We've got plenty of both, he emphasizes.

Dream Becomes Million-Dollar Reality

FIRE STATION

Frank Sylos (center), Hollywood art director, is seated in front of Wallace Mecham, president of Fire Station Restaurants and Lee Samms (right), vice president in charge of operations. Hollywood starlets surround them at a party marking the sale of the 100th franchise.

When famed Hollywood art director Frank Sylos had to prepare a restaurant set for one of the Loretta Young shows, he awakened in the middle of the night with the inspiration of recreating the fun and color of a centuries-old fire station. The completed set enthralled everyone.

Sylos then envisioned a national chain of hamburger stands based upon his idea and sold a top management team on the concept. President of the new Fire Leasing Corp. is Wallace Mecham, who heads his own construction company; and vice president is Lee Samms, with 18 years' experience in short order operations. Chairman of the board is Richard E. Carlson, former president of A & W Root Beer. Paul Wallach, head of his own nationally

known public relations firm, and Bill Hendrix, former Texaco executive, complete the management team.

A 19-cent hamburger and short order operation was designed, using the fire station theme throughout. Appropriately called "Fire Station Restaurants," the new chain with headquarters at 1100 Glendon Street in Westwood, California, is slated to go coast to coast by the end of the year.

Over 100 franchises have been sold for a \$15,000 investment each, that includes the building, equipment, training, promotion, and even the location of the property, many of which are on major oil company service stations. People with no experience in the restaurant business can harvest a share of profit from the novel idea.

LT. COST, MISS DONNA NOLL EXCHANGE WEDDING VOWS

The First Methodist Church of Henrietta was the setting for the Sunday afternoon marriage of Miss Donna Louise Noll and Lt. Terry Lynn Cost.

The church was decorated with an archway of greenery and with baskets of white gladioli.

The Rev. A. Bailey Duncan, pastor of Centenary Methodist Church in Dallas, was officiant. Miss Cherrie Stillwagon was organist and Miss Barbara Black was vocalist.

The bride is the daughter of Mr. and Mrs. Donald C. Noll, Burkburnett. Mr. and Mrs. William E. Cost of Lawton are the bridegroom's parents.

A white peau de soie formal gown with a floor-length white lace coat was chosen by the bride. She had a satin and pearl tiara to hold her French illusion veil. Her father gave her in marriage, white pompon and English ivy were the bouquet.

Miss Kathy Augustus was maid of honor. She wore ice blue satin peau de soie fashioned like the bride's gown. Her flowers were light blue carnations and her headpiece was of blue net roses on a bow with a short veil.

John Kocurko was best man. Ushers were Gene Todd and John Hail, Iowa Park; David

Noll of Burkburnett, the bride's brother and Joe Dillingham, Lawton.

The reception was held at the home of the bride's parents in Burkburnett. Blue net over white was used to cover the refreshment table, centered with the bride's bouquet. Guests registered at a small table holding Miss Augustus' bouquet.

Miss Jean Ann Niles, Sue Kassinger, Vickie Davis and Mmes. Joe D. Haddon, L. L. Kassinger and Dale Davis were reception assistants.

The bridegroom's parents gave the rehearsal party at the SAFB officers Club Saturday. Blue flowers and greenery decorated the tables in the Conrail Room.

The couple's wedding trip will be in New Mexico, Colorado and Lawton. The bride will live with her parents after Lt. Cost leaves for overseas duty in Viet Nam.

Mrs. Cost is a senior at Midwestern University. She is a member of the MU band, Association of Childhood Education, Tau Beta Sigma, national band sorority, and Mu Phi Epsilon, professional music sorority.

Lt. Cost is stationed at Ft. Bliss. He was graduated from Midwestern University and also was in the band. He was in Phi Mu Alpha Sinfonia, Kappa Kappa Psi, national band fraternity; Scabbard and Blade honorary military fraternity, and Circle K.

Two men, obviously inebriated were walking through the zoo. Just as they stopped in front of the lion's cage, the animal gave out a whooping roar. "Come on, let's go," said the first.

"We can't leave now," replied the second. "The movie's just starting."

Parents, Are We Using The Wrong Formula?

A recent national survey of PTA presidents brought near-unanimous response in declaring that adults are using the wrong formula in training the young of this nation. The following six steps are from this wrong formula.

1. Weak, permissive parents who are afraid to say NO for fear of being disliked, or being out of step. Too few parents insist upon standards to be met by their children.
2. Parents who push their teenagers into adulthood too fast. Early dating, heavy makeup by young girls, pushing high school level social life down into junior high (and lower) are some methods used.
3. An increase in adult immorality. Adults who cheat on income tax, demand shoddy movies, are willing to sign Cub Scout requirement cards dishonestly are poor examples for the young.
4. Working mothers who really do not have to work. A child needs a mother who is available, energetic, happy, loving and loved.
5. The widespread practice of presenting car keys to youngsters may be the greatest single cause of the increase in teenage problems. A car has been described as a 'bedroom on wheels.' This moving bedroom takes youngsters away from home and community pressure rapidly.
6. The 'sex-saturated society,' as evidenced on American TV, on American movie screens, and in pornographic literature.

In this national survey, the PTA presidents were asked, "What do you think contributes most to moral conduct among teenagers?" According to the article, "The answer was virtually unanimous: *It's what the parents do or don't do that makes the difference!*" — Adopted from Gospel Advocate.

"Train up a child in the way he should go," Prov. 22:6. "Fathers . . . bring them up in the nurture and admonition of the Lord." Eph. 6:4.

Burk Bank Beats All League Teams For First Place

The Burkburnett Bank Midget League Baseball team went all the way to take the coveted First-Place from the Mills Grain Team in a double-header Saturday night at the Midget Ball Park.

The Mills Grain team, coached by Lonnie Taylor, had beat the Burk Bank team, coached by J. D. Taylor of Randlett, in the opening game of the Tournament. The tournament ended with a spectacular 3-2 Burk Bank victory in the first game and a 1-0 shut-out in the second game for the Burk Bank team.

Trophies were presented to First, Second and Third Place teams by Mr. Vann, Commissioner. First Place, Burk Bank; second place, Mills Grain; third place, Home Builders. The Sportsmanship trophy was awarded to the First National Bank Team.

At a hot dog picnic in the park the First Place Team presented their coaches, J. D. Taylor and Mike Morris, with plaques in appreciation of their leadership. The plaques were donated by the sponsor, The Burkburnett Bank, and presented by the President, Jack Aaron.

POOL COMPANION

An ideal spot for a family room is at the rear of the house adjacent to a swimming pool.

According to the Southern Pine Association, wood plank-and-beam construction is an ideal medium for making the family room addition. The strength of the roof system permits the location of large window areas overlooking the pool. Thus, the outdoor view becomes part of the interior decor.

Local Airman Is Promoted

Smyrna, Tenn. — Ronald T. Anderson, son of Mr. and Mrs. Roy Anderson of Meridian, Tex., has been promoted to technical sergeant in the U. S. Air Force.

Sergeant Anderson is an aircraft maintenance technician at Sewart AFB, Tenn. He is a member of the Tactical Air Command which supports U. S. ground forces with air strikes, aerial delivery of troops and equipment and other combat airpower.

The sergeant is a graduate of Meridian High School.

His wife, Laura, is the daughter of Mr. and Mrs. Roy Slusser of Burkburnett.

Dillbeck Mathieson Wedding Planned For October 7th

Mr. and Mrs. J. D. Dillbeck, of 825 Sheppard Road, are announcing the engagement of their daughter, Myrna Jean, to Allyn L. Mathieson, son of Mr. and Mrs. James L. Mathieson of West Brookfield, Mass. The bride is a 1965 graduate of Burkburnett High School. The bridegroom is stationed at Sheppard Air Force Base. The couple plan to be married October 7.

Leon Pace of Burkburnett returned home Friday after completing a 6 weeks teacher training course at the University of Texas. Mr. Pace is instructor of auto mechanics at Burkburnett High School.

"My husband and I have been married a whole year, and we have never quarreled. If a difference of opinion arises, and I am right, my husband agrees."

"But what if he is right?" suggested the friend. "Oh, that will never happen."

NOTICE

Hermit Traveling In Covered Wagon Passes Thru City

A visitor in Burkburnett last week whose unusual mode of travel attracts a lot of attention, was interviewed for the Star by young Dee Ellen Adams. The gentleman is Jack Ratliff, 75 years of age. He has traveled through 48 states and to Canada and Mexico by covered wagon, accompanied by an interesting assortment of animals. There are five goats, five donkeys, a small dog and 19

chickens. One goat, the dog and one chicken ride the burros pulling the wagon.

Ratliff, whose home is Pritchett, Colo., began his journey in 1941. He travels only when it's cool and never when it rains. He sells post cards of himself and his animals and wagon. Much of his food is provided by his animals . . . goat milk and eggs.

From Burkburnett, Ratliff's destination is Hugo, Oklahoma,

a distance of about 200 miles. He averages about 2 1/2 miles per hour and stated, "if I traveled all day for 10 days, I could make it in that time . . . but I'm not going to."

Once, in 1964, he was featured on television in Oklahoma City.

He does not plan to go to Alaska, because it's too cold, nor to Hawaii . . . because his mules can't swim.

Col. Snyder Is New Director Of Personnel

SHEPPARD AFB, Tex.—Col. Harold T. Snyder came to Sheppard Air Force Base this week as Director of Personnel, succeeding Col. William M. Hendrix who went to Lowry AFB, Colo.

Colonel Snyder came here from Lackland Military Training Center, Tex., where he was Director of Personnel.

Entering military service in December 1942, the colonel served in the Central Pacific during World War II with the Seventh Bomber Command. He left the Central Pacific in December 1945 and came to Headquarters Personnel Distribution Command in Louisville, Ky., remaining until April 1946 when he was assigned to help in the activation of the Strategic Air Command. He stayed with the Strategic Air Command until June 1952, serving at Bolling AFB, Washington, D.C., Andrews AFB, Md., and Offutt AFB, Nebraska.

For the next three years he was with the United States Air Forces in Europe Headquarters at Wiesbaden, Germany. On his return he went to the Pentagon Controls Division, Deputy Chief of Staff/Personnel for four years.

He returned overseas in 1959, this time to England, where he was base commander at Alconbury Air Base, a Tactical Air Command reconnaissance base. He served there until 1962 when he went to Lackland AFB, Tex.

Among his awards and decorations are the Bronze Star, Army Commendation Medal, the Air Force Commendation Medal with one cluster, and the Central Pacific Theater ribbon with seven battle stars.

A native of Pennsylvania, Colonel Snyder was graduated from Orbisonia High School in Orbisonia, Pa. He attended Girard College in Philadelphia, Pa., the University of Omaha in Omaha, Neb., George Washington University in Washington, D.C., and received a Bachelor of Arts degree from the University of Maryland in College Park, Md. He has also done graduate work at Our Lady of the Lake College in San Antonio, Tex.

Colonel Snyder and his wife, Emily, reside at 229 Falcon Street in Capehart Housing. They have one child, Allen, who is a junior student at Baylor University in Waco, Tex.

Three Local Men Attend Firemen's Training School

Three local men are attending "Texas Firemen's Training School" at Texas A&M University, that is conducted by Engineering Extension Service and sponsored by State Firemen's and Fire Marshal's Association.

Gaude Reed, the Fire Marshal; Marion Thornton, the Fire Chief; and H. L. McDonald, volunteer Fireman, all representing Burkburnett for Key Rate Credit, are attending.

Credit allowed in the City Key Rate is based upon the successful completion of three courses that these men will take. If after the weeks school and passing of a written examination, Burkburnett will be given a 5% Key Rate Credit. The 5% Key Rate Credit is based on the successful completion of the three courses by a Fire Marshal and two qualified firemen.

Approximately 2,100 men engaged in fire prevention, control and safety from municipalities, industries and armed services, representing some 465 cities and approximately 20 states will be in attendance.

There will be some 260 highly qualified and experienced instructors and speakers made available by municipalities, industries, manufacturers, state and federal agencies and the armed services.

Mr. McDonald, who is Chief Fire Inspector for Sheppard Air Force Base is also a volunteer fireman for the Burkburnett Fire Department and taking annual leave time to attend the school for the Burkburnett Fire Department.

When Jess Whitley took over as City Manager, the Key Rate for Burkburnett was 47 but it is now 34, which is a big reduction for that short time.

SCOUTING NEWS

Allen Farris of Scout Troop 155 was awarded the Eagle Award, the highest rank in Scouting, during Court of Honor ceremonies held July 9 at the First Methodist Church, Burkburnett, Texas. Mr. Joe Hughes, Northwest Texas Eagle Scout Board of Review chairman presided over the ceremony. Mr. Melvin Smith, Scout Executive, and John Chase, District Representative, attended the ceremony.

Scout Farris has been a member of Troop 155 for 3 1/2 years. He has served as an assistant patrol leader and is presently the troop quartermaster. In addition to outstanding Scout work, Allen has distinguished himself as a young citizen in other areas. During the past school year he received the 8th grade citizenship award and the mathematics award. Allen will be a freshman at Burkburnett during the 1966-67 school year.

Preceding the Eagle presentation, advancements in rank were awarded other scouts of the troop as follows:

Eagle Gold Palm, Michael Evans, Kenneth Mahaffey; Life, Allan McCollar, James Coken-dolpher; Star, Wayne Daub, Mark Lax, James Mahaffey, Richard Mallory; First Class, Steve Sutherland, Tom Dial, Second class, Jerry Harness; Tenderfoot, Steve Albin, Pat McCollar.

Ninety-two merit badges ranging in complexity from fishing to zoology and life saving were presented. Thirty three scouts received one or more merit badges.

Boy Scout Troop 155 is sponsored by the Methodist Church, Tom Evans, Scoutmaster.

Local Witnesses Plan To Attend Dallas Assembly

Local Jehovah's Witnesses plan to be included in the more than 30,000 delegates at the August 3-7 "God's Sons of Liberty" district assembly at Dallas' modern Market Hall.

According to Harold P. Bruce, the local congregation received advance program information this week. "Normally much of the program material is kept as a surprise to the delegates until they arrive, but this year we have been briefed on some of the subject matter so that we have our spiritual appetites whetted in advance."

Bruce cited the program feature, "Building on a Right Foundation with Fire-Resistant Materials," as an example. "Any Christian knows it is difficult maintaining Bible integrity in these critical times. And one glance at this particular subject reveals it is not a run-of-the-mill treatment of generalities, but a hard and factual analysis of Christian responsibility for today."

Commenting on the program, Bruce noted that part of the program will deal with dramatizations offering vivid portrayals of Bible accounts that are filled with meaning for all Christians now. "Imagine, seeing the integrity-filled lives of Daniel, Jeremiah and Joshua unfold before the eyes, and with application. This is something to look forward to."

"It is material such as this," he said, "that is real enough for modern use. This way we can effectively combat the current religious fad that 'God is Dead' as well as keeping strong in a materialistic, atheistic, sadistic and morally corrupt system."

The highlight of the program will be reached at 3 p.m. Sunday, August 7, when the public lecture, "What Has God's Kingdom Been Doing Since 1914?" will be given.

what's your LOBBY?

Two photography tips to solve the "shadow" problem. Fill in with flash, even on a sunny day. For outdoor portrait shots, reflect the sun toward your subject with a piece of cardboard covered with aluminum foil.

How would you like to own a real Custom Show Car? Monogram Models, Inc. will give two of them away to the top winners of a Summer Double-Header Sweepstakes. The cars are the Orange Hauler, a glamorous Chevy pickup that cost \$8,000 to build, and the Big Deuce, a '32 Ford Roadster built at a cost of \$6,000. A total of \$5,350 in Monogram kits will go to 570 second, third, fourth and fifth-place winners. All you do is send your name and address and an end panel (or facsimile) from the 1/24th scale Orange Hauler or Little Deuce kits to Monogram at 8601 Waukegan Road, Morton Grove, Ill. 60053. Send as many as you like. The deadline is August 31, 1966.

Note to campers: New state-run camping locations are springing up all the time. Write to your State Department of Parks (or Department of Conservation) for information.

Monogram's Orange Hauler and Little Deuce kits are copied exactly from cars designed and built by Darryl Starbird, famed custom car designer. The Deuce, incidentally, has another "big brother" besides the real car: the 1/8th size Big Deuce.

BEAT THE HEAT Is the heat wearing you down? It's hot in most of the United States in mid-summer. In the desert and in the south, it's even hotter, but by late July and August it's often not even in the mountains.

blames the heat or the humidity, it's still hot. There's nothing you can do about the outside temperature. Unless you're fortunate enough to have an air conditioned office or shop, home or auto, there's nothing much you can do about it inside either.

lawn or garden. Or work at dusk in the evening, but try to avoid heavy exertion during the hottest hours of the day. You need exercise in the summer as well as in the winter, but don't overdo it, especially on extra hot days.

CARD OF THANKS

My heartfelt thanks to friends and relatives for their many kind deeds and thoughtful remembrances while I was in the hospital. The flowers, cards, gifts, visits, prayers and other expressions of friendship and concern have meant more to me than you will ever know.

DEVOL NEWS
Mrs. C. O. Woodley

Funeral services were held
in Devol Baptist Church Tues-
day morning at 10 o'clock for
Mrs. Gertrude Farmer, aged 81,
who passed away Saturday
morning in a Lawton hospital
after a brief illness. Services
were conducted by the pastor,
Rev. Bob Terrell. Burial was in
the Grandfield cemetery under
direction of Grays Funeral
Home. Mrs. Farmer was born
Nov. 26, 1884 in Cottonwood
Falls, Kansas, and was married
to Marvin E. Farmer in Zinda,
Kansas in 1913. The couple
moved to Oklahoma and settled
in the Rocky Ford community,
north of Devol in 1920. Mr.
Farmer died in 1945. Mrs. Far-
mer has been a prominent and
beloved member of the local
Baptist church for 47 years and
