BURKBURNETT, WICHITA COUNTY, TEXAS, THURSDAY, OCTOBER 27, 1966

NUMBER 7

I fancy that it is just as hard to do your duty when men are sneering at you as when they are shooting at you.—Woodrow Wilson.

Chamber of Commerce Luncheon Each FIRST MONDAY At Town Hall, Everybody Invited Each Pays For His Meal

High School Students Register National Merit Scholarship Program

Burkburnett High School students who expect to complete secondary school requirements and to enter college in 1967-68 should register now to participate in the 1967-68 National Merit Scholarship Program, announced by M. D. Groenewold and staff today.

The first step for all students is to enter the national competition to be named a Merit Scholarship Qualifier (NMSQT), which will be held at the school at 9:00 a.m. on Saturday, February 25, 1967, and on Sunday, February 26, 1967.

Participating students pay a fee of \$1.00 which is remitted by the Science Research Associates (SRA) the testing agency. The test is given on a non-school day. If a student is unable to pay the testing fee, it will be waived. The National Merit Scholarship Corporation (NMSC) requests of his school.

Wrestling Kings Here Saturday

Burkburnett Wrestling Kings take on the Denison Jets in a wrestling match at 7:30 p.m. on Saturday, Oct. 29. The Kings will be the homecoming and the Kings Queen will be crowned by George Scheps, Commissioner, at half 8 o'clock. Additional entertainment will be provided by the Kings. The game will be played at the Bulldog Stadium on the road. Game time will be 7:30 p.m., Sat., Oct. 29. The Kings will be the Burk Kings in the game of the 1966.

Enrollment For Scout Council Kick-Off

The 1966 Sustaining Membership Drive for the North Texas Council in Burkburnett will be kicked-off with a registration morning, Oct. 10, at 6:30 a.m. at the school.

Chairman for 1966 is Jerome. He will be assisted by Vincent, vice chairman; and Clarke Gresham, committee chairman. W. T. Hooper will be chairman of the Special Membership Drive.

The Area Enrollment Campaign have been selected as follows: Don Youngblood, Hooper, Harold Tucker.

Youngblood has secured the following men as captains: Neil Kriedler, Ken Hooper and Tom Evans.

Hooper has secured the following men as captains: Clyde Conway and Hudson as captains.

Dixon has secured Carl C. Davis, Overton Ray, Weathered as captains. Major will have four

Sorter, Richard McCasland, Andy Seale, H. L. Weaver, Arnold Wilkerson, Marvin Stacey, Foy Avery, Gilbert Browning, Alva Kinabrew, David Stepp, Gallah Farris, George Satour, Ray

In addition to competing for the Merit Scholarships to be awarded in 1968, students can take the test to obtain information useful to planning their future education and careers. With his NMSQT scores, each participating student will receive a handbook to help him evaluate his scores, compare his performance with that of other high school students across the country, and give him information on National Merit Scholarships financed by NMSC, more than 350 business corporations, foundations, colleges, professional associations, unions, trusts, other organizations and individuals offer scholarships through the Merit Program.

About 13,440 students have taken on choosing a college and financing his education. The handbook and other interpretive materials are furnished as a part of reporting the test results.

The highest-scoring students in each state will be named Semifinalists and will be eligible for Merit Scholarship consideration. In addition to the won Merit Scholarships in the eleven Merit Programs to date. Some 2330 Merit Scholarships were awarded in 1966 with stipends ranging from \$100 to \$1,500 per year for four college years. The amount of a winner's award is determined by assessing the financial assistance he will need to attend the college of his choice.

Beeman Fisher Is Chosen As West Texan Of Month

Abilene, Tex.—Beeman Fisher of Fort Worth, chairman of the board of Texas Electric Service Company and immediate past president of the West Texas Chamber of Commerce, is West Texan of the Month for October.

The honor was conferred on him by the West Texas Chamber and announced in the October issue of the organization's magazine, West Texas Today.

Fisher is known as one of West Texas' greatest advocates and one of the most optimistic men in the state concerning the area's future. A West Texas newspaper quoted Fisher as saying last year, "My confidence in West Texas, its resources and its future, is unbounded."

Fisher wound up a two year term as president of the West Texas Chamber last April, being succeeded by his friend and associate, John Ben Sheppard of Odessa. The two had worked closely for months, directing hundreds of volunteer leaders in making the WTCC the organization to represent all segments of West Texas' business life. Sheppard served as vice-president of the organization in 1965-66.

During his years as WTCC president and before that as a vice-president, a director and committee member, Fisher worked untiringly for the WTCC. He traveled thousands of miles, attended countless meetings, knocked on doors, confronted thousands of West Texans... always with the story of the area's vast human and natural resources, its brainpower, and its determination to become the most progressive area in the state.

Welcome To These NEWCOMERS To Burkburnett

Sorter, Richard McCasland, Andy Seale, H. L. Weaver, Arnold Wilkerson, Marvin Stacey, Foy Avery, Gilbert Browning, Alva Kinabrew, David Stepp, Gallah Farris, George Satour, Ray

Sen. Hightower Rotary Speaker

State Senator Jack Hightower of Vernon was featured speaker at the October 25th Rotary Club luncheon meeting. His discussion centered around the 16-State Constitutional Amendments to be balloted on November 8th, one of which was authored by Senator Hightower.

Bulldogs Seeking Fourth Win Against Graham In Conference Battle Here Friday At 7:30

The Burkburnett Bulldogs will be seeking their fourth win of the season, the second in a row in conference, as they host the Graham Steers in a 7:30 p.m. 4-AAA contest in Bulldog Stadium.

The Steers are winless in conference, losing to Vernon and Breckenridge, a couple of toughies. The Steers have a much better football team than their record shows, but they, like the Bulldogs, have played a tough schedule, including the likes of Weatherford, Mineral Wells and Cleburne.

The Bulldog coaching staff

feels that they have every reason to expect a rugged game from the Steers Friday and hope that they can come up with something to stop them and add another win. The Steers are known to pass often, riding the arm of big sophomore Morris DeLong, a 175 pounder. Phil Graff, a 170 pound senior end, also co-captain, is a fine receiver and heads the corps which includes John Knox, 138 pound end, Robert Wheeler, 154 pound halfback, Gary Gough, 165 pound halfback, and Sam Sedberry, 157 halfback.

Robert Swain, 184 pound fullback, is a powerful runner and, along with Gough, heads the ground game. Up front, besides Graff and Knox at ends, we find Phil Denny, 180, at left tackle, Ricky Layfield, 177, at left guard, John Riggs, 190, at center, Larry Ainsworth, 154, at right guard, and Jim Wallace, 205, at right tackle.

The Bulldogs have a pretty good case to present. They are led by the Number One passer in Texas Class AAA, a big class. That's right, number one is Tony Hodges, a lad who seemingly slipped up on some of the area experts. While other area quarterbacks were being boosted for All-District, All State and such, Tony quietly went about the business of completing 53 of 121 passing attempts for 777 yards and five touchdowns. Football Week, a statistical service which has the goods on every team in the state, shows that Hodges performance is the best in the state. Of course, there are two parties always involved in a pass completion. One of the key receivers is 6'5", 170 pound John Edwards, a junior end, who was listed as ninth in receiving at the same time as Hodges was first in passing. Another important troop in the receiving corps is Bill Roe, 160 pound halfback speedster, who turns short passes into long scoring plays. Steve Cozby and Jim Caddell quite capably round out the receivers.

Henry Bauch On Central Okla. State Football Squad

HENRY BAUCH

Henry Bauch feels that he got his start in sports by playing in junior high and he liked it so well that he hasn't stopped yet.

Fauch, a competitor with fine balance and moves, is a halfback on the Central State College Broncho football squad of Edmond, Oklahoma, this season.

The Burkburnett native is a junior business administration major who attended Cameron College at Lawton before coming to Central State.

The 5'11", 20-year-old lettered in high school under the coaching of Zac Henderson in football and track for four years and in basketball during his freshman year.

Bauch's favorite sport is football and his favorite teams are the Cleveland Browns and the Baltimore Colts. Bauch does not know yet what his plans will be after graduation. He feels that "sports is something that any boy can be proud of, because he has an ability that not just everyone possesses and he should use it."

A real competitor who always hates to lose and only goes on the field with the idea of winning, Henry is a real addition to the running game of the Bronchos.

(Continued On Back Page)

Snack Snubbers To Have Party On Halloween

The TOPS Snack Snubbers are having a Halloween party on Oct. 31st at the meeting place.

Costumes will be in order. Games, apple bobbing, low calorie refreshments and fun for all is the expected thing for the evening.

This is an invitation to all TOPS members to come join in the fun at 7 p.m., Scout Hut, Ave. C.

If you have questions about TOPS, call Joyce Fletcher, 569-2083.

Cub Pack 155 Of Episcopal Church Has First Meeting

Cub Pack 151, sponsored by St. John the Divine Episcopal Church, held its first Pack meeting Monday evening, October 24. Rev. Michael Merriman gave the invocation. Introductions were made by Mereweather Lewis, Institutional Representative, Lowell Longley, assistant Scout Executive of the Northwest Texas Council, Boy Scouts of America, presented the pack charter to Rev. Merriman, and the leaders certificates were presented to the following: Mereweather, Institutional Representative; Harry C. Rogers, Pack Committee Chairman; Leroy J. Lay and William Ball, Committee Members; Victor L. Powers, Cubmaster; William Warren, Assistant Cubmaster and the following Den Mothers: Mrs. Glenn Gatten, Mrs. Kattie Miller, Mrs. Helen Richie, Mrs. Jimmy Allen, Mrs. Virginia Pendley and Mrs. Joan Weathered.

Victor Powers, Cubmaster, presented registration certificates to 20 Cubs. Assistant District Commissioner, Tom Prichard from Sheppard A.F.B., conducted the Bobcat induction ceremony for the 20 cubs in the five dens.

The meeting was closed by Rev. Merriman and a leader's planning meeting followed the pack meeting.

Pack 151 is the third Cub Pack in Burkburnett. Pack 155, sponsored by The Lions Club, has seven dens and Tom Dorman is Cubmaster.

Pack 156, sponsored by Wolfe Ford Co., has been reorganized with 8 dens and Phillip Hawk is the new Cubmaster.

Band Parents Sell 788 Calendars For Band Benefit

Sale of 788 band calendars with 1168 listings of birthdays and anniversaries was reported to the Band Parents Club at its regular meeting, Monday night, at the Junior High Band Hall.

Mrs. William Cissell, calendar chairman, reported a profit of over \$500 from calendar sales, which will be used for Club projects, including contest fees, uniforms and instruments for both the junior high and high school bands.

The group also voted to pay for the filming of the performances of both school bands at the University Interscholastic League meet at Midwestern University, Nov. 8.

Jimmie McClain, high school band director, announced that both school bands would compete in the Marching Festival to be held at Hurst, Saturday, Oct. 29.

Mrs. Reavis Wooten and Mrs. R. M. Sims were appointed co-chairman of the Band Parents Concession Stand at the Burkburnett - Graham, Friday night.

Rifle Club Given \$100 By Jaycees

Jaycee Wayne Sykes is shown presenting a check for \$100 to Jerry Burden, president of the Red River Rifle and Pistol Club. This donation from the Jaycees will be used to purchase supplies for training junior members of the Rifle Club skills and safety in the use of firearms.

Production Manager For CIBA Plant In Burkburnett Is Named

SUMMIT, N. J. — Lawrence W. Blodgett of 165 Division Avenue, Summit, New Jersey, has been appointed production manager of the Pipe Systems Division of CIBA Products Company, it was announced by William J. Clark, vice president.

Mr. Blodgett will oversee the design and construction of a new manufacturing plant in Burkburnett, Texas, for the production of CIBA fiber glass reinforced epoxy pipe, and when the plant is completed he will direct its operation.

CIBA Products Company is the second largest producer of epoxy resins in the United States, and is part of the international group of CIBA companies known throughout the world for its products in the fields of chemicals, dyes, plastics, pharmaceuticals, and rare metals. The company's Pipe Systems Division introduced its first piping product, CIBA-300 Line Pipe, in May at the International Petroleum Exposition in Tulsa.

Mr. Blodgett joined CIBA in 1958 and has served as a chemical engineer in Development Research for CIBA Pharmaceutical Company. He previously was

a designs engineer for the Richmond Refinery Chemicals Division of Standard Oil Company of California.

A native of Greenwich, Connecticut, he is a graduate of Massachusetts Institute of Technology, where he received a B. S. degree in chemical engineering. He is currently completing studies for his master's degree at Stevens Institute of Technology in Hoboken, New Jersey.

Mr. Blodgett is a member of the American Institute of Chemical Engineers and the National Society of Professional Engineers.

\$250,000 Given To Deaconess Hospital By TOPS Club, Inc.

On October 20th TOPS Club Inc. presented a grant of \$250,000 to Evangelical Deaconess Hospital, Milwaukee, Wisconsin, for accelerated investigation and treatment of metabolic problems.

A Press Conference was held at 10 a.m., at Deaconess Hospital with an open tour and commemorative luncheon to follow. Deaconess is located at 19th Street and Wisconsin Avenue.

Directors of TOPS Club, Inc. attended from Chapters all over the U.S. Mrs. Esther Manz, President of the 160,000 member non-profit organization, presented the check to Rev. R. A. Wagner, Administrator of Deaconess Hospital.

Packaging Of Gifts For Servicemen To Begin By Red Cross

Packing of Christmas gifts from Wichita County to U. S. servicemen in Viet Nam will begin Tuesday and Red Cross officials, coordinating the drive for gifts, have urged a final effort to meet the goal of 750.

At present, the drive has reached just over two-thirds of its goal, part of a nation-wide drive to provide a Christmas gift for every U. S. serviceman in Viet Nam.

The gifts must be shipped by next Wednesday, said Winston Wallender of Wichita Falls, drive chairman for the county.

The gifts are plastic sacks, about a foot square, which are being filled with small, personal items that are hard to get in Viet Nam, such as pocket combs, paperback books and ball point pens.

Wallender said their are three ways Wichita Countians can help meet the goal. They can pick up one or more bags at the Red Cross Chapter House, Fifth and Baylor, in Wichita Falls, fill them, and return them by Monday—or they can call and have the sacks delivered, and picked up after they are filled.

Anyone wanting to give money to be used to buy gifts for the bags can mail it to "Santa Claus, %The Red Cross, Wichita Falls, Texas."

Paperback books in good condition are also needed and can be sent to or delivered to the Red Cross Chapter House. Wallender said that if more books are delivered than are needed for the gift bags, the remainder will be sent to Red Cross field directors in Viet Nam for distribution to servicemen.

The armed services have promised to deliver the gifts on Christmas, even to men in the jungles.

The witness wore a baffled look when he appealed to the court. "I just don't know what I'm going to do, judge," he declared.

"Why, what seems to be the matter?" the judge asked. "Well, I swore to tell nothing but the truth," explained the witness, "but every time I try it, some lawyer objects."

CHILDREN HELP CHILDREN

People who feel concern for the world's sick and hungry children will be gratified to know that careful planning and painstaking preparations are underway for an event which will bring help and hope to millions of them in all parts of the world.

On October 31, more than 3.5 million American boys and girls in over 13,000 communities will Trick or Treat for UNICEF, collecting life-saving coins for the Nobel Peace Prize-winning United Nations Children's Fund.

The results of the world's greatest effort by children to help children will be the more vital as UNICEF, which was founded just twenty years ago, still operates with a budget equivalent to what is spent on world armament in two hours of one day.

EDUCATION, SAFETY KEYNOTES

From hamlet to city, this month millions of parents, teachers, church and youth leaders, civic organization members and teenagers from coast to coast have devoted much time and effort to inform the kids they love about the needs of others, less fortunate children. American youths have been learning that in contrast with a world of abundance, there is a world in which hunger, misery, disease and ignorance stalk their helpless preys — and that three out of four children live in the latter world.

From Abbeville, Ala., to Zelenople, Pa., through class units, books, photographs, posters, wall charts, brochures and films, boys and girls have been discovering what has been accomplished since 1946 by UNICEF, and how much more remains to be done.

With this knowledge, they are now making their own plans to ring doorbells and help their far away unknown friends in more than 100 countries where UNICEF is at work through over 500 long-range programs.

Concern for the safety of the young Trick or Treaters themselves is, of course, a basic and very important feature of every UNICEF Halloween program. The organizers recommend that they make their rounds in small, orderly groups, always under supervision. The use of masks is discouraged, harmless makeup is suggested instead. Costumes should be made of a light color, easily seen in the dark, and not too long or too loose to avoid tripping. Luminescent paint or reflector bands are additional safeguards.

NO EASY SOLUTIONS

Pollution of this country's air and water resources has been a subject of intensive study in recent years. One result found is the unfortunate fact that there are no quick, easy and inexpensive solutions to the problems. The literally hundreds of different causes of polluted air and water will require countless individual solutions.

The petroleum industry has undertaken ambitious programs in its search for effective pollution control methods. Noting that oil producers must dispose of some 24 million barrels of waste water each day, Secretary of the Interior Stewart L. Udall recently applauded the industry for what he called "excellent" pollution abatement programs. He told industry leaders: "... your willingness and ability to progress in this area have been demonstrated, and you need only to press to a conclusion the excellent programs you now have under way." In addition to the oil industry, many other industrial concerns, communities and government bodies are devoting large amounts of time and money to pollution research and control. But, as stated recently by the president of the American Petroleum Institute, "The prize of clean air and water will not be won dramatically... rather, it, will be won gradually, with the route marked by hundreds of small discoveries in the nation's laboratories.

Effective methods and facilities for pollution control will be found. And in large part they should come from the resources, the ability and the know-how come local governments and local industries, which through cooperative and coordinated planning, can best advance the interests of the communities they serve.

Litterbugs are an expensive item on the family budget. Keep America Beautiful, Inc., estimates that \$10 of the state and local tax money paid yearly by the average American family is used to pick up litter from streets, highways, beaches and parks.

What They Wore... by PHYLLIS JOYCE

AN INSIDE VIEW

THE CORSET WORN IN THE FRENCH COURT IN THE 16TH CENTURY WAS A TIGHTLY LACED UNDERGARMENT OVER WHICH WAS WORN A FRAMEWORK OF LIGHT STEEL PLATES. THUS THE CORSET BECAME A MOLD INTO WHICH THE WOMAN WAS FORCED.

IT WAS NOT UNTIL THE 1830S THAT "DRAWERS" (PREVIOUSLY WORN ONLY BY MEN) BECAME POPULAR WITH THE FAIRER SEX. AN EARLY VERSION WAS LONG AND TIGHT-FITTING WITH LACE TRIM.

DURING THE SAME PERIOD SKIRTS WERE MUCH WIDER. IN ORDER TO FILL THEM OUT IT WAS NECESSARY TO WEAR A GREAT MANY PETTICOATS SEVEN, INCLUDING ONE OF RED FLANNEL WAS NOT UNUSUAL.

TODAY... WHEN BUYING OWENS OR CHILDREN'S PAREL LOOK FOR THIS SEAL THE SYMBOL OF "GENTLE, FAIR LABOR STANDARDS AND THE AMERICAN WAY OF LIFE."

Hardin P-TA Says Thanks To Workers

The Hardin P-TA expresses appreciation to all teachers, home room chairmen, and assisting mothers who worked so hard making the P-TA Halloween Fun Night a success.

A special thanks to Mr. Morris Simonson, our principal, and Mr. L. O. Landers, custodian. Also, Mrs. Christolene Dickson, fifth grade teacher, who directed the talent show.

To the citizens of Burkburnett, we thank you for attending this special fun night; the merchants for permitting the display of signs.

To the Burkburnett Star, Wichita Falls radio and television stations, the Burkburnett Police Department, we thank you for helping us advertise more effectively.

Each room shared in a part of the profit. The remainder will be used for special projects. Special Education home rooms retained all the profit from their booths.

Thanking you again for your work in support of the Hardin P-TA.

LOCAL REBEKAH MEMBERS ATTEND MEETING IN SEYMOUR

Lelah Shumate, Seymour, Reporter. Because of a State meeting being held in Dallas on the same day, none of the state officers were present, with the exception of Pauline Isberto, Assistant, to the Secretary of the Rebekah Assembly of Texas.

Following the morning business session an hour of fellowship meeting was held. Erother John Johnston was elected as President for the 1967 session, while the first and second vice-presidents will be Sister Pauline Bellamy and Brother Charles Pfeifer, Jr. of Wichita Falls. All the other officers, both elective and appointive, will remain the same as they were this year. The officers were duly installed by Sister Pauline Isberto, Past President of the Association, and Sister Lucile Wakeley of Vernon as installing marshal.

A delicious banquet was served at the V.F.W. Hall, the meal being prepared by a committee from the host Lodges. Following this, the memorial Ceremony was put on by the Seymour Lodges. Electra concluded the days activities by presenting a very beautiful and impressive Initiatory Degree of the Rebekah Order. Electra also very graciously invited the Association to hold the 1967 meeting there, and this will be held during the second week in October.

Pvt. Loy Inman At Army School

PVT. LOY D. INMAN

Fort Gordon, Ga. (AHTNC) — Private Loy D. Inman, 20, whose mother, Mrs. Edith E. Inman, lives at 622 S. Harwell St., Burkburnett, completed a communication center specialist course at the Army Southeastern Signal School, Ft. Gordon, Ga., Oct. 21.

During this nine weeks of training, Inman learned to operate teletype sets and other communications equipment.

His father, Virgil R. Inman, lives at 805 S. Berry St.

Children On Base Trick or Treat UNICEF Fund

AFB — Plans for a constructive Halloween were announced to children (Col.) James R. base project officer for Trick or Treat for UNICEF.

Three million boys and 13,000 other children will participate in this year's Trick or Treat for UNICEF.

Sheppard AFB — U. S. military men serving in Vietnam will receive Christmas gifts again this year through a drive headed by the American Red Cross. The project is called "Operation Christmas—Vietnam."

Sheppard Technical Training Center personnel wishing to contribute Christmas gift items may take them to the Red Cross field office in Building 646. C. W. Parker, field director at Sheppard, asks that all gifts be turned in to the office prior to Nov. 4, so that shipping schedules may be met.

Gift suggestions include ball-point pens, stationery, small address books, paperback books, plastic soap dishes, washcloths, foot powder, pocket combs, pocket-size facial tissues, plastic cigarette cases, unfilled lighters, nail clippers, playing cards, plastic snapshot folders, small sewing kits, metal mirrors and small puzzles or games.

Were YOU Saved By The Obedience Of Faith?"

WE have access to God's saving grace through faith in Christ, Rom. 5:1,2; Heb. 11:6. Mere moral works cannot save us. Even works of law cannot save us TODAY, Rom. 3:20, Gal. 2:16. WHEN MOSES' LAW WAS IN EFFECT, those — who by faith obeyed it — were saved. No Jew, whose faith refused to obey the law, was saved. Jews, who by faith kept the law, were saved. Keeping the law did not base their salvation on mere works, but rather on "the obedience of faith."

TODAY, when we obey Christ's law, we are doing mere human, moral works; nor works of law. Likewise, obedience does NOT base salvation on mere works, but rather on "the obedience of faith!" NO ONE IS SAVED, WHOSE FAITH REFUSES TO OBEY CHRIST'S LAW.

When one obeys the commands of Christ (in baptism for remission of sins, Acts 2:38), he is NOT being saved by human, nor Mosiacal, works. One IS being saved by faith, through "the obedience of faith," Rom. 16:26.

Census Says County's Farms Total 599

A total of 599 farms was reported in the 1964 Census of Agriculture by the U.S. Department of

Commerce's Bureau of the Census reports.

In the last previous Census of Agriculture (1959), the total counted in the county was 621 farms.

The 1964 total is published in a preliminary report on the county just issued. The report also shows that average farm size in the county was 498.3 acres and that the average value of the county's farms (land and buildings) in 1964 was

\$75,979.

Other important county statistics in the report are:

1. Value of all farm products sold by farms in the county in 1964, \$4,378,079; in 1959, \$4,524,708.

2. Value of all crops sold by county farms in 1964, \$2,305,659; in 1959, \$1,714,405.

3. Value of all livestock and livestock products sold by county farms in 1964, \$2,035,045; in 1959, \$2,810,303.

Information obtained for the first time in an agricultural census included the amount of income received by the county's farmers (\$37,375) from recreational services as well as data on the use of pest control chemicals in the county in 1964.

A Census of Agriculture is taken every five years in years ending in "4" and "9" to gather information on the nation's agricultural resources and production. The data are needed to

make decisions affecting many segments of the U.S. economy. The 1964 farm census was the 18th in a series that began in 1840.

The preliminary report for the county contains more than 500 facts about agriculture in the county. Among additional facts it contains are the number of farms by size, type, and economic class; the number of farm operators by method of tenure, age, color, off-farm

work, and number of school years completed; land in farms by use and by land-use practices; data on equipment and facilities; farm expenditures; number of hired workers; and number of farms reporting poultry and livestock production and those reporting crop production by acres and quantities as well as sales.

Single copies are available for 10 cents from the Bureau of the Census, Washington, D. C.

20233 or from any field office of the Department of Commerce. These are located in major cities.

Like frost on a window pane, cataract is a cloudiness within the lens of the eye that blocks the passage of light. Surgery is the only recommended method of treatment for cataract and is successful more than 95 times out of 100 in those patients for whom an operation is recommended.

CONFER ON FLIGHT ENGINEER TRAINING

SHEPPARD AIR FORCE BASE, TEXAS—Colonel John A. Millin, Jr., Chief of the Department of Aircraft Maintenance Training, 3750th Technical School, convenes the Air Training Command conference on flight engineering at Sheppard Training Center Tuesday. Representatives of five major air commands attended the two-day conference to make recommendations for updat-

ing the department's Flight Engineer Technician Course at Sheppard. Representing Headquarters, ATC, was H. S. Bittner of the Aero Space Subsystems Training Division. Other major commands represented were the Tactical Air Command, Strategic Air Command, Military Airlift Command, and Air Defense Command.

ABSENTEE VOTING

Ends Friday, Nov. 4!

See your County Clerk for full details

NOTICE

I would like to take this opportunity, in cooperation with the City Fire Marshall and the County Health Department, to ask the lot owners in Burkburnett to clean mow or plow their vacant lots and lots where vacant lots are standing.

These lots are breeding grounds for insects, mals, such as skunks, which are a health hazard in winter coming on, the grass and weeds will be causing a fire hazard.

In certain instances where property owners be reached or refuse to mow their lots, the City authority vested in Ordinance No. 268, hire the done and bill the owner or if necessary, file a lien property. I find this procedure very undesirable and much rather have the cooperation of everyone in up his own property.

I feel it would take very little effort on each individual's behalf to make our City a much safer and more beautiful place in which to live.

Thank You,
GARY BEAN, City Manager

Sheppard Is Host To Air Training Command Flight Engineer Meeting

Sheppard AFB — Sheppard Technical Training Center was host to representatives of five major air commands attending the Air Training Command Flight Engineer Training conference Oct. 11-12.

The group arrived at Sheppard late Monday, Oct. 10 in preparation for the conference which convened Tuesday morning in the management control room at Headquarters, 3750th Technical School.

After lunch Tuesday the conference reconvened at Hanger 1040 where a detailed course analysis and recommendations for overhaul of subject matter and density of coverage were made to meet the latest Air Force requirements.

The recommendations are subject to approval of Air Training Command, represented at the conference by H. S. Bittner of the Aerospace Subsystems Training Division. They must also be cross-coordinated with the major air commands for whom the students are trained.

Those attending the conference from off-base and their headquarters were Bittner, ATC, Randolph AFB, Maj. L. I. Marcum, SMSgt. R. M. Laskey, and SMSgt. D. C. Elliott, Tactical Air Command, Langley AFB, Va.; and CMSgt. E. G. Temple, SMSgt. J. S. Wiggins and MSgt. H. D. Chapman, Strategic Air Command, Offutt AFB, Nebr.

Also Maj. M. R. Anderson, CMSgt. C. F. Stevens, CMSgt. D. O. Todd, SMSgt. C. E. Schied, and SMSgt. C. J. Godzik, Military Airlift Command, Scott AFB, Ill.; and Capt. Joe Whitmore, MSgt. Pat Crowley and TSgt. J. R. Rooks, Air Defense Command, Ent AFB, Colo.

Col. John A. Millin Jr., Chief of Sheppard's Department of Aircraft Maintenance Training, 3750th Technical School, was conference chairman.

The visiting conferees departed Sheppard after adjournment Wednesday afternoon.

News From The County Agent

Cattle prices for Texas producers will remain favorable for the remainder of 1966 and into 1967, especially for the efficient producers. Prices in 1967 should continue favorable if the general economy keeps up its growth and range conditions stay good.

Horsemen and folks interested in horses should find the program for Texas A&M University's annual Horse Short Course to their liking, reports B. T. Haws, county agent. He says many extras are being added to the program of the November 6-8 meeting, including a Shetland show, polo game, and performance demonstrations with a wide variety of horse types.

If you're getting short on time to seed fall legumes, here's a labor saving tip, says county agent B. T. Haws.

You can mix fertilizer with the legume seed and spread right from a bulk fertilizer truck or bulk spreader. This saves an extra trip over the field. Several farmers have tried it and reported good success.

One word of caution, however, if the fertilizer has a high rate of nitrogen it may reduce germination of the seed. A soil test is best to determine what fertilizer is needed, but generally higher rates of phosphorus and potassium are needed than of nitrogen. Lime is also important to reduce acidity of the soil.

A good seedbed is essential in planting legumes such as clover, vetch, or peas.

It's a good plan to let the legume get well established before grazing. This allows the legume to establish a good root system, important in withstanding cold weather and allowing the legume to make rapid recovery after grazing.

A final note: It's usually too expensive to allow beef cows to eat all they want of legumes. Plenty of good quality hay reduces chances of bloat and the cattle will eat less of the legumes, says Haws.

Turnrows can have a lot to do with the efficiency of a mechanical cotton picker. Wide, smooth and firm turnrows will put more cotton in the picker basket.

Field losses increase when turnrows are not wide enough for the machine to be lined up at the proper speed as it enters the rows.

Cotton lost on only two and one-half feet of row amounts to one percent loss in harvesting 500 foot rows.

Turnrows widths should be at least one and one-half times the length of the cotton picker. Two-row pickers 21 feet long require a turnrow 30 feet wide while a 25 foot turnrow is needed for a single row picker 18 feet in length.

Greatest Events In American History — No. 8

THE MOST IMPORTANT MEETING EVER HELD IN AMERICA

A group of 55 men met in Philadelphia in May, 1776; it was the most important meeting ever held in America. These men got together to write what is now the U. S. Constitution. They worked all summer, not finishing till Sept. 17.

The oldest man at this historic meeting was Ben Franklin, then 81. Other greats present were George Washington, James Madison, Alexander Hamilton and Robert Morris.

The most amazing feature of their work is this: Here were 55 human beings, meeting almost 200 years ago without being able to know the vast changes that were to come to the world over the next two centuries; yet they were able to write a document that is as useful and workable today as it was then.

And they produced the greatest Constitution in the history of the world.

Childhood PLEASURES

"Even a child is known by his doings, whether his work be pure, and whether it be right."

A mother only has to glance at her child to know if his play is pure, or if it is leading to mischief. Our Father in heaven can as easily look on our hearts and judge our ways. *"A good man out of the good treasure of the heart bringeth forth good things; and an evil man out of the evil treasure bringeth forth evil things."*

Seek the Lord in his house, so that your heart will be right with God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Club, Inc. Grant Obesity

A clinical investigation of the metabolic variations in obese individuals is being conducted by the Wichita Falls Obesity Club, Inc. The study will determine what physiological variations exist between obese and non-obese individuals. The study will also determine the relationship between obesity and dietary habits. The study will be completed in three years.

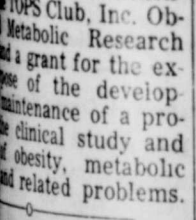

Mission Book Is Reviewed At Recent Circle Meeting

Mrs. Gail Butts was hostess in her home Monday night, Oct. 24th, to the Florence Pinkston Circle, of First Baptist Church. Mrs. R. P. Thaxton, Circle chairman, presided. Called to prayer in Spanish, by Mrs. George Gray. A Mission book, "Beneath the Himalayas," by Jasper McPhail, was reviewed by Mrs. Clifford Willmon. She told of "The Birth of Two Nations," "The Quest for Men's Minds," "Christ Comes to the Sub Continent," "The Land of the Pure," and "The Look Beyond." For illustration, Mrs. Willmon, used a large map, individual napkins, and pictures designed of India and Pakistan. Mrs. I. C. Evans dismissed with prayer.

'TOPS'?

The Off Pounds Sentencing program is being held because of the need for an organized group to help the overweight in Milwaukee. The program is being held at the First Baptist Church. The program is dedicated to the overweight. The program is held every Tuesday night. The program is held at 7:00 p.m.

A Giant-Sized Order

The novice investor may well feel like David facing Goliath as he contemplates beginning his own investment program for, to many, the caverns of "Wall Street" are formidable indeed, the prospects of tackling the stock market alone are staggering, and the job of handling one's own investments a giant-sized order.

Despite these drawbacks, some 20 million people in this country are currently investing in the stock market and twice that many are expected by 1975. Many of these investors have faced the marketplace alone. Others—over 3.5 million in fact—have decided that although they want to invest their money, they do not have the time or sufficient knowledge and experience to do it by themselves. Mutual funds employ full-time professional managers who invest your money, along with that of all the other investors in the fund, in a broad range of securities. These managers have the time, knowledge, and the tools at their disposal to handle a job that the average investor, involved in making a living for himself, could not do alone. By diversifying your investment they reduce the risk that would be involved if you had invested all of your money in one or only a few securities. Mutual fund shareholders come from every walk of life and range from those who invest as little as \$25 a month

Friendship Class Of First Baptist Church Has Recent Meeting

The Friendship Class of the First Baptist Church met in the home of Mrs. Martha Browning, Oct. 18 for their regular monthly meeting with Group three as hostesses.

Mrs. Van Deren, President presided. The meeting opened with the singing of "Have Thine Own Way," followed by a prayer by Mrs. Stevens.

Treasurer's report was given. The group leaders gave their report:

Mrs. Lamoin Champ installed the officers for the coming year, using the theme, "Ties That Bind." Reading Scripture, John 17-11-20-22. After the officers were installed the singing of "Ties That Bind."

Closing with a prayer by Mrs. Champ it was a very impressive installation.

Group One served refreshments to the following members, Mesdames: Bertha Lynch, Cordie Lawrence, Elsie Morris, Lena Hinkle, Earlene Chambers, J. B. Ady, R. P. Thaxton, Earl Van Deren, Verta Stevens, Preston Johnson, Miles B. Hayes, Carl Miller, Lee Garner, Cecil Powell, Maude Teal, Martha Erowning, Grace Bowman, Beulah Kent, Gail Butts and one visitor, Mrs. Lamoin Champ.

Mrs. Magers At School On Flowers

Mrs. Roy Magers, Burkburnett, has returned from Wichita Falls where she participated in Flower Show School V, sponsored by the Wichita Falls Garden Club of the Woman's Forum. The 3-day school began Wednesday, October 19 at the Woman's Forum.

Featured lecturers for the school were two exceptionally qualified Dallas women, Mrs. John Salois opened the school with lessons on Horticulture, Garden Practice and Landscape Design. Judging was on iris, marigolds, dahlias, roses and gladioli. Miss Irene Haddox lectured Thursday on construction and judging of abstract and free form flower arrangements. Examinations were held on Friday, the final day of the school.

VETERANS

Questions - Answers

(Editor's Note: Veterans and their families are asking thousands of questions concerning the benefits their Government provides for them through Veterans Administration. Below are some representative queries. Additional information may be obtained at any VA office.)

Q—I understand the G. I. home loan program for World War II veterans is about over. Is that true?

A—The deadline for WWII veterans is July 25, 1967. Your entitlement runs 10 years from the date of discharge plus one year for each three months of service, but in no case will it go beyond July 25, 1967.

Q—My father is a World War I veteran and needs an operation. He can't afford it and neither can I. Can he get into a veteran's hospital?

A—Admittance to a VA hospital is in this order: First, veterans with service-connected disabilities; second, veterans who are unable to pay. The latter are admitted when beds are available.

Q—In 1918, I suffered TB and was sent to a Naval Hospital from which I was discharged a year later with 100 percent temporary total service-connected disability. In 1942, I was told that my condition was inactive. Why is there a difference in service-connected disabilities?

A—The difference is the severity of each disability. Each case is decided on the degree the veteran is disabled. Just about any ailment or disability could be service-connected but not all are compensable.

JAYCEE WIVES MEET RECENTLY, HEAR SHELTON

The Jaycee Wives met on October 20, 1966 in the National Room. Mrs. Janice Hooper was Program Chairman for the evening.

Speaker for the evening was Mr. Glenn Shelton, who has a daily article in the Wichita Falls Record News. His topic was based on modern day living. Points were brought out that the freedom in our country is one of our most important assets. We should stop and look for the beauty around us and not take things for granted. A person has to look for the good things in life and you will always find some. He closed with this thought, "Lift your eyes to the stars, there is still more good in the world than evil."

Congratulations were extended to Dale and Gale Lewis and Bob and Carol Carter on their new arrival of baby boys.

Mmes. Kenneth Jack Alexander, Sammie Robertson, Verne Ayers and Roger Adams were recognized as new Jaycee Wives attending the meeting. Ladies were reminded to bring pies and cakes to the bake sale on November 5.

Hostesses Evelyn Nichols and Patty McCullough served refreshments to 20 Jaycee Wives.

Tax Man Sam Sez:

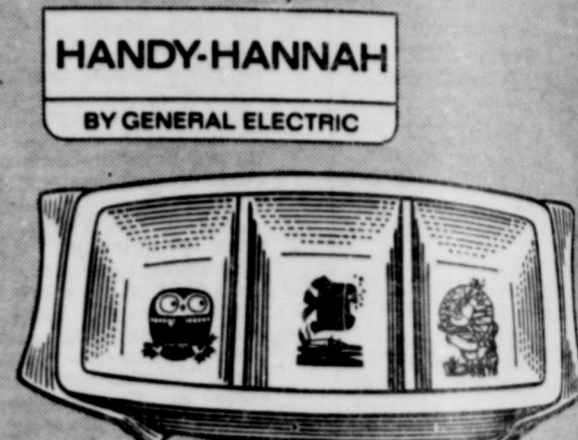

ADDITIONAL WITHHOLDING

Now is a good time for you to look at your 1966 income tax situation. The good tax folks point out that some wage earners may still owe additional tax, especially those who have income other than their wages. If you owe additional tax and have not filed an estimated tax return, it is not too late to have your employer take out additional withholding before the end of the year. It is better to look now than to be surprised on April 15.

Forum Study Club Has Meeting In Landrum Home

Ten members of the Forum Study Club met on Oct. 20 in the home of Mrs. Wallace Landrum for a regular business meeting. Mrs. T. M. Cornelius presided. Mrs. Joe Kerr called the roll and read the minutes of the previous meeting.

Discussion included the Federation Banquet to be held Nov. 3 and the Fine Arts Tour, Nov. 18th. An interesting program was presented by Mrs. T. M. Cornelius, for Dot Wolfe. The colored slides of Europe were beautiful.

The door prize was won by Mrs. T. M. Cornelius. The hostess, Mrs. Wallace Landrum served refreshments to attending members.

Tax Man Sam Sez:

DEALING WITH THE COMPUTER

Internal Revenue Service's conversion to computer processing of tax returns has created many problems. Letters flow into the Internal Revenue Service offices saying, "Dear Computer: You made an error," or "Here's what I meant." The good tax folks insist that the humans in Internal Revenue will correct any errors or mix-ups with the computer. They say that you are not dealing with a machine, but when the machine makes an error they have competent personnel that will correct the errors or explain to you where you made an error. If you have a tax problem, talk it over with the humans. Maybe they can make the computer understand.

MARLIN FISHING

You who hanker for a bit of marlin fishing had better use a pretty rugged line if you want to land your catch.

Nothing short of a 30-pound test, fluorescent monofilament line is recommended for marlin fishing, especially if you want to take home a 150-pound fish. Increase the test weight according to your optimism.

Donates Blood

Bruce Sheperd became a one-gallon blood donor at the Red Cross Bloodmobile in Burkburnett in October. The Bloodmobile again be in Burkburnett in November. A civilian instructor for the U.S. Army lists hunting, fishing and fishing as his hobbies. He and wife, LaDonna, have two children, Terri and Tom. They live at 711 Pecan.

State 4-H Dress Revue Will

Beverly Barrett, Grayson County, won an expense trip to the National 4-H Club Congress in Chicago, Nov. 27-Dec. 1 at the State Club Dress Revue in Dallas Nov. 14-15. Beverly won first prize with a black leather-look coat and hat and a black and white checked dress. Runner-up was Sharon Davis of Oklahoma County. Linda Harp, Dawson County, won a \$50 certificate and Beverly Smith, Lyford, Willacy County, won a \$25 certificate for standing cotton outfits.

Dr. Ralph Davis of De Witt County visited in the home of his parents, Mr. and Mrs. W. Davis and sister, Marilyn, over the weekend.
