## Cong. Purcell Presents Charter

Congressman Graham Purcell presented the Burk Burnett Composite Squadron, Civil Air Patrol with its charter at ceremonies at Town Hall, October 31st.

The squadron is comprised of seven senior members and seventeen cadets.

Lieutenant M. D. Jones is deputy commander and training officer. Commendation for the patrol was also expressed by Lt. Col. B. C. Smith, representing Maj. Gen. Edward H. Nigro; Mayor R. C. (Dick) Rancier of Wichita Falls and Mayor C. J. Lippard of Burkburnett.

## Bowlers Invited To Participate In Fight Against Heart Disease

Bowlers in the Wichita Falls area will be given a chance to "score a strike against heart disease"—the nation's number one killer—as they join in observation of National Heart Bowling Week, Nov. 14-20.

The contest is being sponsored by the American Heart Association and the Bowling Proprietors' Association of America.

All bowling centers in the Wichita Falls area are participating, under the slogan "Bowling Strike Out Heart Disease."

Dr. Julian C. Sleeper, president of the Wichita County Heart Association, expressed the association's appreciation to the Bowling Proprietors' Association for their assistance in the fight against heart disease.

"Your Heart Association is currently embarked upon a national program to get people to reduce their risk of heart attack by doing certain things and avoiding certain others," said Dr. Sleeper. We encourage the consumption of less saturated fats, no cigarettes, normal weight, control of high blood pressure and periodic health exams. We also encourage exercise of a moderate and regular character.

"Our alliance with bowling is particularly fortunate in that bowling is a form of exercise that carries with it both moderation and regularity. Most physicians recommend it without hesitation to people with healthy hearts. It is not strenuous. When a person participates in one or more bowling leagues, the element of regularity is present, also. Unlike hiking, golfing, fishing, swimming, bike riding and other good forms of moderate exercise, bowling matches are not called off when the weather is bad."

## Notice

The regular monthly luncheon and business meeting of the Burkburnett Chamber of Commerce will be held Monday, Nov. 7th., 12:00 o'clock noon at the Town Hall.

## Sheppard-Burk School Schedules Its 'Open House'

The Sheppard - Burkburnett School will hold "Open House" from 7:00 to 9:00 p.m., Tuesday, November 8. This is to be a part of the observance of American Education Week, November 6-12, according to A. E. Brown, principal of the school. Teachers will display the work of the pupils and also materials, equipment, and supplies used for instructional purposes. All parts of the building will be open for inspection, including the cafeteria.

This is the regular monthly meeting night for the P-T-A and all members are asked to proceed to the school cafeteria for a short business session beginning at 7:00 o'clock. Major J. E. Hamrick, P-T-A president, stated that there would be no formal program, and the meeting would be dismissed by 7:30 in order that parents would have plenty of time to visit their children's rooms. Also, Mrs. Dorwin Thomas, membership chairman, will have a booth where new members may pay their 1966-67 P-T-A dues.

The people of Burkburnett are invited to attend this "Open House." Mr. Brown stated that this is a good opportunity for the people of Burkburnett to become acquainted with the Air Force people who live in Capehart, and whose children attend the schools of Burkburnett.

## Acknowledgement From Nursing Home

Harrelson Nursing Home gratefully acknowledges the following gifts and services to their patients: an arrangement of home grown hybrid mums from Mrs. Myrtle Hatch; and a singing program presented by the Girl Ambassadors of the Central Baptist church.

## Burkburnett Kings Journey To Sherman For Return Battle Against Jets Saturday Night

Fresh from a 21 to 13 victory over the Sherman-Denison Jets last week, the Burk Kings journey to Sherman to attempt a repeat performance over the same Jet team at Sherman's Bobcat Stadium. The Kings can take a giant step toward a playoff berth to be held Dec. 3rd if they can take the Jets two in a row. The Kings play their remaining three games on the road, at Sherman, at Dallas, and at Pasadena respectively. While the Kings are dueling Sherman at Sherman, a watchful eye will be cast in the direction of Pasadena where the Pistols host Tulsa's leading Oilers in a crucial game. Other action finds the Odessa-Midland Comets at Dallas in a game of the also rans.

The Comets are mired in the cellar and the Rockets are but one-half game from the bottom. This battle will be an attempt to stay out of last place in the TUFU race.

In relation to this week's game at Sherman, and interesting bit of humor occurred following the game last week at the restaurant where both teams were partaking of their after-game meal.

Both coaches, E. J. Webb of the Kings and Duncan McCauley of the Jets are not only close friends but former classmates at Midwestern University where they each played fullback for the Midwestern football teams of a few years past. As McCauley passed Webb's table at the restaurant Webb flipped the large cloth table napkin to him (symbolic of the old crying towel). McCauley, after a brief moment of apoplexy, grinned and stated gruffly, "Okay, I'll take it and use one side only, next week you can use the other."

The Kings came out of the game with several boys injured, but all are expected to see action except Jack St. Clair who suffered a slight concussion. Jerry Jack Terrell, who pulled a groin muscle just prior to the game Saturday night should be ready to go and Jack Miller, who had a back sprain will probably be ready. Jim Campbell, who has been out for two weeks with a knee injury may see some action. Game time will be 8:00 p.m. in Sherman.

## Future Teachers Choose Sweetheart At Recent Meeting

The Senior Chapter of the Future Teachers of America met recently to elect a sweetheart. Miss Judy Pace, a senior at EHS was selected. This year's officers are Judy Pace, president, Tony Hodges, vice-president, Suzy McCrary, secretary, Judy Kauer, treasurer, Elaine Crouse, parliamentarian, and Donna Greer, reporter. All are seniors with the exception of Elaine Crouse, who is a junior. FTA members are taking part in the high school cadet teaching program. Under this program, a student assists a teacher during one period for the school year. Also, in the spring, students interested in elementary education are given the opportunity to observe one day in the elementary school. The sponsor of the Future Teachers is Mr. M. D. Groenewold.

## Bluebonnet Seed To Be Sold Here Friday, Nov. 4th

A one-day sale of Bluebonnet seed will be held Friday, Nov. 4th at the Chamber of Commerce office as a part of Operation Sparkle. The seeds are to be planted in front of Burkburnett homes, on vacant lots and etc.

The Cemetery Committee has also suggested that those who have loved ones in the new cemetery might like to purchase seed for their lots and help to beautify the cemetery.

The seed is 15c per package and just needs to be sown (broadcasted) and then forgotten. Any seed not sold on Nov. 4th will be broadcast on highway rights of way, according to Joe Salter, Chamber President.

## BULLDOGS TRAVEL TO VERNON FOR TOUGH 4-AAA BATTLE

By DEE UNDERWOOD

The Burkburnett Bulldogs go Lion-hunting Friday night, as they journey to Vernon for what will probably be their toughest battle of the 4-AAA season, as they take on the undefeated Vernon crew in a 7:30 p.m. encounter.

Before the season started, some bold prophet made the statement that "the Lions will win 4-AAA." They're more than likely right, but the question is whether the "Lions" meant the Vernon Lions or the Brownwood Lions, who are also undefeated in conference action. Both teams are pointing toward their November 18th meeting in Vernon. The Bulldogs would like very much to help Brownwood out by springing an upset over Vernon. They have to reckon with some odds.

Vernon's credentials begin with their magnificent quarterback, Ed Marsh, a 185 pound All-State candidate. Marsh is the type of player who does most everything well, pass, run, etc. He heads an attack which features Joe Eggins, 175, and Ed Spradlin, 180, at left and right halfbacks and Walter Odum, 150, at fullback.

When Marsh puts the ball in the air, his main targets are Mike Brown, 165, at left end, Milton Brownlow, 185, at right end, and any one of his three backs. So far, Marsh hasn't been reported as having caught one of his own passes, but, according to a fellow sports scribe, "he does everything but that."

The Lions have a real solid forward wall with Barry Allen, 173, at left tackle, Jay Lawson, 180, at left guard, Ronnie Rickman, 180, at center, Ronnie Ingram, 170, at right guard, and James Dickson, 172, at right tackle. Rickman has been reported as a real aggressive ball player who just keeps coming at you, and is probably the best lineman.

The lions have been impressive in rolling up seven consecutive wins, only being actually pressed hard by one team, high-

ranking Altus, Oklahoma. The Lions had to go some before winning that one, 7-6.

The Bulldogs may have to go aerial for this contest. It remains to be seen how much ground they can take away from Vernon's begrudging trenchmen. There is a possibility that the locals will be without the services of leading ground-gainer and scorer, full-back Rusty Todd. Todd received a knee injury in the Graham game and could be out of action. If so, Charles Hicks will fill in at his slot.

If an aerial assault is necessary, the Bulldogs will call on AAA's leading passer, Tony Hodges. Hodges has completed 61 of 138 attempts for 883

## Local Catholics Complete Plans For Fall Festival

Last minute plans are being completed for the Burkburnett Fall Dinner and Festival which will be held Saturday evening from 5:30 to 8 p.m. in the Burkburnett Town Hall. Highlights of the Festival will include a Post Office Booth which will feature packages from throughout the U.S.A. and Foreign Countries. A feature of the country store will be Czech Sausage made by the Nemeck Brothers of West, Texas and Rye Bread made by Mrs. Annie Karlick, also of West. Among the many items for sale will be home canned goods, cakes, needlework, crafts, and special Czech pastry.

The dinner under the direction of Mrs. Ed Michna will feature turkey and dressing with all the trimmings. A special feature will be the drawing of a door prize from the purchasers of dinner tickets.

The proceeds will go toward the building program of the Burk Catholic Mission which hopes to construct a chapel and facilities on its property near the Burk City Park.

The people of Burk are invited to come and take part in this Dinner and Festival this coming Saturday, November 5th. Reservations can be made with Mrs. Joe Davey or Mrs. Joe Jancke or any member of the Catholic Mission.

## Local Study Clubs Enter Improvement Program For 65-66

The Burkburnett Council of Federated Study Clubs has entered its 1965-66 community improvement in the Freedoms Foundation award program, which closed Nov. 1.

The entry was represented by a scrapbook of press clippings relating the founding of the Burkburnett Public Library, the formation of the Community Service Council and the activities of the Friends of the Library.

A special section was arranged for youth cooperation in the three projects, titled "Youth as equal partners in the responsibilities inherent in citizenship." This section dealt with the work done by the Boy and Girl Scouts, the High School Student Council and other young people in promoting Burkburnett's Community improvement program.

Freedoms Foundation at Valley Forge is a non-profit, non-political organization created in 1943 to foster an understanding of the spirit and philosophy of the Constitution through a series of yearly awards to individuals, schools, organizations and communities whose activities are of a patriotic nature.

The scrapbook committee appointed by the Burkburnett Council included Misses Marjorie Kauer, C. M. Archer, Wallace Landrum and J. C. Adams, Jr.

## Pack Committee Holds Recent Meet

Pack 155 committee meeting was held with Mrs. Gerald Savage on November 1. It was decided to have all committee meetings on Monday each month one week before the monthly pack meeting. ### FOR BETTER GOVERNMENT

A "save our states" approach seems to be the key to solving intergovernmental problems today. The revitalization of state dominance and responsibility in government is one of the greatest challenges facing the alert citizen.

This is a paramount consideration in improving our federal system. Too much stress cannot be placed on the strategic position of the states in our open society today.

A revitalized federal system call for a new psychology in government and a new structure of intergovernmental mechanics. Public policy has increasingly represented centralized decision making, guided and sometimes enforced by centralized rule making and supervision. Therefore, a real change in the balance of intergovernmental power will have to come from a renaissance in state and local government.

A more effective federal system call for a corrected setting of the balance wheel somewhere between the infeasible extreme of "leaving it up to the town meeting" and the unsuitable extreme of "leaving it up to Washington."

This challenge is the biggest do-it-yourself package the country has to offer.

Industry, individual citizens and voluntary groups should become involved in public affairs. States and communities should become more independent of national government programming and financing. This will take a combined and conscious effort by leaders in both public and private life. Official efforts must come from state and local leadership itself.

We need an aggressive responsibility in home governments — not the passive one of "waiting for Washington."

Think you can stop on a dime? At 60 miles per hour, that dime becomes as big as a football field. Thus, the Portland, Oregon, Traffic Safety Commission reminds you to always drive as if you're expecting an emergency.

Consumer spending in 1965 for health and beauty products came to \$59.81 for every man, woman and child in the U. S., according to the 19th annual "What the Public Spends" study reported in recent issues of Drug Topics and also Drug Trade News.

"He that will not reason is a bigot; he that cannot reason is a fool; he that dares not reason is a slave.— William Drummond.

The leader of more than five million Negro Baptists, Dr. J. H. Jackson, president of the National Baptist Convention, defended his concern for equality, but said, "any group of people who turn their back on law and order are not working in the interest of freedom."

## Hardin HD Club Meets Recently In National Room

The beautiful National Room was the meeting place for the Hardin Demonstration Club, Oct. 19, 1966. The club members met at 11:30 a.m. and enjoyed a salad luncheon together.

Following the luncheon, the regular business meeting was held. President Julia Roderick called the meeting to order and the minutes were read and approved. A letter from Miss Wirges was read telling of the Annual Wichita County Achievement Tour which is to be held Oct. 25.

Plans for a Christmas party were discussed. Motion was made and carried for our club to have a family Christmas party, Dec. 9, 1966. We will use the National Room as a meeting place.

Carol Roderick brought up the discussion regarding future membership in the Community Council. Motion was made and carried that our club continues membership in this organization and Julia Roderick was voted council member for the new year.

Our next meeting will be Nov. 9 at the National Room with Julia Roderick as hostess. We will meet at 11:30 for a salad luncheon and following that, Miss Wirges will be our guest to give us a program on "Care of Household Metals and Kitchenwares." Guests are welcome.

A short program on "Your Gift Dollar" was given by Mildred Mahaffey. It gave some helpful ideas for making Christmas planning more enjoyable for all of us.

The meeting was adjourned and final preparations were made for the afternoon social. At 2:00 p.m. the members of the Enterprise Club from Electra, Texas arrived. A gay afternoon of fun, games and prizes got us all better acquainted. Then delicious refreshments of pecan, pumpkin or apple pie and coffee or coke were served to nine members of the visiting club and ten members of Hardin club. All enjoyed the afternoon spent together.

## Named First Alternate

Charles Klinkerman, left, 16, of the Clara-Fairview Community will be honored Friday at the Annual Bridwell Soil Awards Banquet. He will receive a plaque for outstanding soil conservation work and grain marketing. Klinkerman, shown here with B. T. Haws, Wichita County Agent, has completed six years of 4-H Club work. He has undertaken some thirty projects during this time.

Recently named winner in grain marketing in this district which includes twenty-two North Texas Counties, Klinkerman was then named first alternate in state competition.

Charles is the son of Mr. and Mrs. Elmer Klinkerman.

## CARD OF THANKS

We would like to express our thanks to each and everyone who was so kind and thoughtful during the illness and loss of our loved one. We appreciate so much the visits, cards, prayers, telephone calls and dishes of food from our neighbors and friends and the ones who were here to serve the food. Also our thanks to Bro. Bob Terrell of Devol church and Bro. H. R. Bowen of the Grandfield Baptist Church for the words of comfort spoken, and to the ones who furnished the consoling music at the service. We also wish to thank Mr. and Mrs. Gary Gray for their care and thoughtfulness. May God bless all of you in his prayer.

## Can You Profit From History?

God's people of the New Testament time (Christians) can profit from studying His dealings with His chosen people of the Old Testament (the Jews).

By faith in Christ, repentance, confession of Christ, and baptism "FOR remission of sins," (Acts 2:38), a sinner becomes a Christian, but that does NOT make him immune to temptation. The FACT that 23,000 Jews fell in one day proves that even God's people can fall into temptation (1 Corinthians 10:1-13). "Wherefore let him that thinketh he standeth take heed lest he fall." (Cor. 10-12).

Daily Bible reading and prayer, plus faithful church attendance are ways "to escape," which you must use, in order to keep faithful. Meet with us Sunday 9:45 and 10:45 a. m. and 6:00 p. m.

**HALSEY-STEVENS VOWS ARE READ SATURDAY**

Miss Suzan Lynn Halsey and Micheal Lee Stevens exchanged vows in a double ring ceremony Saturday evening, October 28th in the First Baptist Church of Kamay, Texas. Rev. Jim Maroney officiated

with Mrs. Kay Maroney as organist.

Parents of the couple are Mr. and Mrs. W. B. Halsey of Burkburnett and Mr. and Mrs. Lester Stevens of Kamay.

White gladioli made the background for the exchange of vows.

Given in marriage by her father, the bride wore a white lace gown with matching white lace halo and shoulder length veil. She carried a crescent gladiolus with ivy-of-the-valley. Miss Brenda Hillis of Burkburnett was maid of honor and wore a street length dress of blue crepe and carried a nosegay of blue Frenched carnations.

Ronald Stevens, brother of the groom served as best man.

The couple will make their home in Wichita Falls. Mrs. Stevens is attending Midwestern University. Mr. Stevens is a hair stylist with Parisian Hair Fashions of Wichita Falls.

**NOTE OF APPRECIATION**

I take this opportunity to express my appreciation and Thanks to all, for the prayers, visits, cards, gifts, flowers and kindnesses shown me while I was in the hospital. God Bless All.

**Local Graden Club Has Recent Meeting In Cauthron Home**

The Burkburnett Garden Club held their October meeting in the home of Mrs. Eill Cauthron with the President, Mrs. Carl Morrison, presiding.

Mrs. Newton Crane, the council representative of the club, gave the report of the Community Service Council meeting and the meeting of the Burkburnett Council of Garden Clubs.

Booklets featuring party decorations and arrangements were distributed to each member.

The club enthusiastically endorsed the Garden Club Council's project of landscaping the new Burkburnett Public Library.

Mrs. J. B. Riley presented the October horticultural exhibit with many specimens from her garden. The chrysanthemum "Bridsmaid" and the floribunda rose "Saraband" were outstanding.

Mrs. A. R. Bunstine's Halloween arrangement of autumn flowers was the attractive artistic display.

In the absence of Mrs. A. H. Lohofener the topic of the day "Winter Care of House Plants" was given by Mrs. Carl Morrison.

The door prize, a house plant, was won by Mrs. Lloyd Bloodworth.

Refreshments were served to the following members, Mesdames Glen Bear, Lloyd Bloodworth, A. R. Bunstine, J. L. Caffee, Newton Crane, D. C. Dodson, Johnny Herring, Carl

Morrison, J. M. Pogue, J. B. Riley, G. A. Herrington and the guests: Mesdames John Brookman, S. H. Shrum and Bruce Vaughan by the hostess, Mrs. Bill Cauthron.

Following the program a pilgrimage was made to the chrysanthemum garden of Mr. and Mrs. Arnold Holtzen. The magnificent African violets in the house were displayed before the visitors were taken to the garden to see the hundreds of huge mums in bloom.

Coffee and cookies were served the garden visitors by the hostess, Mrs. Holtzen after the tour.

S Sgt. Ruel Lasseter has returned to duty in Viet Nam following a 2 weeks emergency leave here to attend the funeral of his mother, Mrs. A. K. Lasseter.

### WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

C. W. Harder

America has always been pretty much of a live and let live laissez-faire place — and outside the austerity of military mess halls, hospitals, and prisons, citizens have been allowed to eat pretty much what they wanted. If their fare was steak and spuds, fine; if it ran to caviar and snails, all the better; or if the preference was for a diet of blackstrap molasses and wheat germ, who was to say no. The health food advocates have always been with us, the vitamin eaters, vegetable juice drinkers.

But now Food and Drug Administration Commissioner James Goddard has issued orders that henceforth all vitamin preparations must be labeled to the effect that the ingredients are also found in foods, and that vitamin supplements aren't especially necessary unless prescribed by a physician for a specific remedy.

Honest and detailed labeling is desirable. People have the right to know the contents of products they will ingest. But surely, stacking vitamins on the same shelf with potent drugs and cigarettes is hardly fair. Granted, that in many cases, the indiscriminate gobbling of vitamins and gulping of tonics amounts to money and energy wasted, and perhaps in a few cases, an overdosing can cause bodily complications, especially during surgery. But for most people, taking vitamins makes them feel better, even if not needed, and if required, vitamins can mean the difference between health and sickness.

Scientists have found vitamins capable of vital, therapeutic, and wondrous things: straightening bowed legs of children, improving vision of pilots and other laborers in poor light, literally returning to life the malnourished, and stimulating growth and resistance to disease in the young.

Recent discoveries have also indicated that vitamins are helpful in combating alcoholism and aiding in other forms of mental illness. Many foods today, transported and stored from distant markets, and soaked with poisonous sprays, have been found to be decreased in vitamin content, if not in eye and taste appeal.

Many prominent medical authorities and nutritionists such as the Health Commissioner of New York have advised people to regularly supplement diet with vitamins as a means of combating the common deficiency of under-nutrition, and worse possibilities.

Granted, we will always have the extreme food faddists, as there will always be hypochondriacs and horoscope tracers. But then, these are the prerogatives of individuals in a free society.

And if a citizen feels that yogurt or a vitamin preparation will enhance his vigor, he should be allowed to spend his money on such products, the same as another might prefer a shot of whiskey or a cigar, nutritional requirements and governmental decrees notwithstanding.

vens, 74, Devol resident since 1943 were held at 3 p.m. Wednesday from the First Baptist Church in Granfield. Rev. Bob Terrell, pastor of the Devol Baptist Church officiated, assisted by Rev. H. R. Bowen, pastor of the Grandfield Church. Burial was in the Frederick Cemetery, under the direction of Gray's Funeral Home.

Mr. Stevens died about 7 p.m. Sunday in a Wichita Falls hospital. He was born Oct. 20, 1892 in Hillsboro, Tex. and married Miss Ora Betts in Frederick on Feb. 14, 1915. He moved from Grady County, Okla. to Devol in 1943 and was a retired farmer

at the time of his death. He was a member of the Devol Baptist church and served as a deacon here for many years.

Palbearers were W. H. Miller, Amil Miller, Joe Champion, Melvin Crocker, Bryan Harrison and Robert Hopkins. Survivors include his wife, two sons, Cecil Fred of Choctaw and Leon of Littleton, Colo., a daughter, Billie June Jeffryis of Burk Burnett, four brothers, A. J. of Oklahoma City, Fred and Jack of Frederick, and Olen of Little Rock, Ark. Six sisters, Mrs. Mary Show of Island Park, Ill. Mrs. Rose Dabson of Frederick, Mrs. Thelma Marlowe of Tuttle,

### Waggoner Carr Hits Sen. Tower's Absentee Record

Austin—Waggoner Carr continued to hammer at Republican John Tower's absentee record and his reported acceptance of campaign funds from Connecticut as the U. S. Senate race neared the Nov. 8 election date.

Carr said Tower's failure to answer to 30 per cent of Senate roll and quorum calls was like a man taking off one day out of every four, then claiming he has done a good job.

"I ask you, how could he have done any kind of job at all, with his record of absenteeism?" Carr demanded, "I will be a full-time senator."

The Attorney General and Democratic nominee for Senate also challenged Tower to speak up about the \$400,000 which Time Magazine said rich Connecticut Republicans have sent to Tower, Ronald Reagan in California and Howard (Bo) Callaway in Georgia. The Time article appeared October 21.

"The people of Texas are entitled to know how much you (John Tower) have received, from whom and why," Carr asserted.

WE INAUGURATE OUR FIRST PRESIDENT—ON WALL STREET

It's symbolic that the United States—whose people were to become the most prosperous in the world because of Capitalism—should inaugurate their first President on the exact site where the headquarters of Capitalism are now located.

When George Washington was elected President, the capital of the U.S. was New York, and his inauguration was held on the corner of Wall and Broad Streets. Today, of course, that area is the financial center of the country.

At the time Washington was inaugurated, Apr. 30, 1789, nobody was sure whether America would succeed. In fact, many thought it wouldn't.

Therefore, everything Washington was to do was vital. The only proof needed to show that he was successful is that America itself succeeded—and that's the greatest tribute anyone can give George Washington.

### Clara-Fairview HD Club Meets

The Clara - Fairview Home Demonstration Club met Oct. 18th at the Texas Electric Reddy Room for an all-day meeting to dress dolls for Christmas distribution.

Seventeen dolls were dressed. The club was called to order by the President, Mrs. W. R. Stimpson after lunch. The Lord's Prayer was repeated in unison.

A delicious covered dish luncheon was served at noon to the following members: Mrs. Kathryn Conkling, Mrs. Amelia

Slama, Mrs. Mary Einar, Mrs. Lillie Simons, Mrs. Rosie Dilbeck, Mrs. Lois Crane, Mrs. Dorothy Harris, Mrs. Rose Griffith, Mrs. Thelma Gilbow, Mrs. Lorene Ludeke, Mrs. Betty Ginter, Mrs. Ida Beckham and Mrs. Dona Stimpson.

The next meet at Mrs. Ann Kelley's. To determine what happens when a drill bit meets rock thousands of feet beneath the earth, oilmen simulate the process in their laboratories and capture the action on high-speed film, Petroleum Today says. This knowledge enables oilmen to select the most efficient bit for a particular kind of rock.

### Den 5, Pack 151 News

Den 5, the newest den in Pack 151, which is sponsored by the St. John the Divine Episcopal Church, met Tuesday, Oct. 25 and Nov. 1.

There are five members. Den Mother is Joan Weathered and Den Chief is Second Class Scout Allen Bellacico. Cub members are David Weathered, Jerry Beckett, Ronnie Soular, Allen Ball, and Chris Robbins.

Den Five will hold the flag ceremony at the next pack meeting and was practiced during the meeting. Afterwards members participated in a potato race.

Refreshments were served. Allen Ball was picked as Denner, Jerry Beckett, Asst. Denner and David Weathered, Minute Taker.

The project this month is "Adventures in Space" and rocket ships are being built to display at the pack meeting.

### Big Doings For Horsemen

Texas A&M University's annual Horse Short Course, Nov. 6-8, offers entertainment as well as the latest in subject matter. We've got something of interest on the program for every horseman, says B. F. ### Community Improvement Committee Of Fededated Study Clubs Organizes

Organizational meeting of the Community Improvement Committee of the Burkburnett Council of Federated Study Clubs was held Thursday afternoon, at the National Room, with Mrs. Hugh Preston, Jr., as chairman.

The committee reviewed the current status of the library building, the fund drive of the Friends of the Library, and the activities of the Community Service Council, each of which was a project of the Study Club Council during 1965-66.

After considering new projects for 1966-67, Mrs. F. M. Murtry was appointed to research activities and agencies for senior citizens.

It was also brought out in the meeting that Burkburnett youth activities have been chosen as projects by several Federated Study Clubs, in keeping with the program theme of the General Federation of Women's

Clubs, "Build with Youth for a Better World."

In addition to Mrs. Preston, members of the Community Improvement Committee are Mrs. Joe Salter, Jack Smith, T. M. Cornelius, Joe Kerr and Francis Kauer.

## TEXAS IS ON THE MOVE!

In virtually every field of endeavor, our state has made dramatic progress in the past four years under the strong leadership of Governor John Connally. His administration's bold, yet sensible programs have helped provide new opportunity and a better way of life for all our people.

**IMPROVED EDUCATION** — Since 1963, state investment in higher education has doubled, and faculty salaries have increased 40%. State support of local public schools have increased 44% in four years, including a \$100 million teacher pay raise enacted in 1965. Technical and vocational training programs have been vastly increased; junior college enrollment doubled during the current bi-ennium. Special literacy programs for migrant workers and their children have been expanded. A college student loan fund of \$85 million has been established. And a special Governor's Committee on Public Education currently is studying all facets of elementary and secondary education.

**WATER RESOURCES DEVELOPMENT** — Long range planning and development have been given top priority. \$100 million in bonds have been issued for development of needed storage facilities; authorization has been granted to expand this program to \$200 million for the next two years.

**CONCERN FOR THE AGED AND NEEDY** — Since 1963, assistance to our elderly has been increased 27%. The Governor's Committee on Aging is continually working for the benefit of our senior citizens.

**OUTDOOR RECREATION** — More than \$2 million has been invested in improving ten of our most attractive state parks during the past two years to provide additional recreational facilities.

**INDUSTRIAL EXPANSION** — A record 855 new industrial plants have been established the past three years, moving Texas into second place in the nation in industrial expansion. Last year, more than 23,000 new jobs were created in manufacturing alone — the best year ever for the Texas labor force.

**INCREASED TOURISM** — More than 12 million tourists visited Texas last year, adding more than \$900 million to the state's economy, and creating 140,000 new jobs. The state's tourist advertising program has been sharply expanded.

**MENTAL HEALTH AND MENTAL RETARDATION** — New emphasis on prevention of mental illness and mental retardation has been achieved through establishment of new community centers, replacing the former practice of "warehousing" patients. Investment for research into causes of mental disorders has doubled the past four years.

**BETTER HIGHWAY TRANSPORTATION** — Texas has more farm-to-market roads than any other state — more than 35,134 miles. We lead the nation in construction of interstate highways, at a cost 40% below the nation's average.

**COMBAT AIR AND WATER POLLUTION** — New legislation for public health, "The Clear Air Act of Texas," provides state action to combat air pollution. Similar vigorous action has been initiated to control pollution of Texas streams, bays and estuaries.

**NEW CULTURAL GROWTH** — The Fine Arts Commission was established in 1965 to nurture the cultural enrichment of Texans. The state's cultural heritage will be preserved and portrayed in the state's pavilion at HemisFair '68 in San Antonio.

**BUSINESSLIKE ADMINISTRATION** — With unprecedented teamwork, our state government has operated responsibly and efficiently. The Legislature has finished its work on time in each session. Following a pay-as-you-go policy, we have maintained a healthy surplus in the general revenue fund without curtailing essential services.

**HEALTHY, GROWING ECONOMY** — Business activity rose 11% last year, as Texas continues one of the brightest growth areas. Employment and income are at an all-time high, unemployment at an all-time low. Despite increased responsibilities, our state government costs only \$168.78 a year per citizen, fourth lowest in the nation. No broad-based tax has been enacted the past four years. Texas still has no personal income or payroll tax, no corporate income tax, and is one of few remaining states with a limited sales tax of 2%.

**EVERYONE LOVES A PARADE**

To hear the band, to see the uniformed soldiers, to see the might of our tanks, to see the strength of our country, these things stir the heart and make us proud to be an American. Our God has made us strong and blessed us greatly, however our greatest strength is in the Lord. "GOD is our refuge and strength, a very present help in trouble." In these unsettled times we need to show our faith in the Lord, and speak with the courage of one whose father can do all things. Renew your strength each week by attending services in the Lord's house.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Women Spend Hours In Red Work

AFB, Texas — Three young women from high schools in the Midwest are spending their summer vacation at the United States Air Force Hospital at Sheppard Air Force Base. The girls, who are members of the American Red Cross, are assisting the staff and corpsmen in the wards and in the laboratory. They also worked in the hospital during the summer of 1965. For their services, they were awarded an American Red Cross Command Certificate for their time well spent. The girls, who served a total of 2,519 hours in the hospital, were presented with their certificates by Col. Q. J. Babb, hospital commander. The girls are: Mary Bissinger, Brookins, Linda Crouse, Amalia Graue, Nancy Griffin, Carol Harmon, Barbara Jean Hawk, Anette Hibbs, Theresa House, Karen Johnson, Kathy Korpanty, Linda P. Lambert.

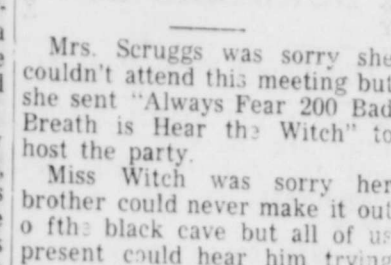

## Halloween Party Held By Den 6, Pack 155

Mrs. Scruggs was sorry she couldn't attend this meeting but she sent "Always Fear 200 Bad Breath is Hear the Witch" to host the party. Miss Witch was sorry her brother could never make it out of the black cave but all of us present could hear him trying to throw us some red bats and owl suckers from his cave. Maybe next time he will be able to saw out of the cave in time. The prize for the most ridiculous costume went to Morris Jacobsen, most humorous was a tie between Donny Roe and Wade Meadows. Most colorful was Ronnie Welter, most frightening James Erady, most original, Darrel Rivard; most wearied, Joe Wayne Scruggs; most traditional, Wade Harris and Kermit Olson. Ghost stories were told by Wade Harris, Kermit Olson and Darrel Rivard. Strange sounds came from the Witch's brothers and sisters. All present bobbed for apples and tried to pin the eyes on the Ghost. Refreshments of Ghost Eyeball Punch with skelton and skull cookies were served to Cubs Wade Harris, Morris Jacobsen, Kermit Olson, Donnie Roe, Wade Meadows, Joe Wayne Scruggs, Den Chief Darrel Rivard and two guests, James Brady and Ronnie Welter. We were sorry Billy Savage was ill and couldn't attend. After the party the boys passed out circulars advertising the Lions Clubs Local Talent Stage Show November 5 at the Junior High School Auditorium. The Lions Club sponsors Pack 155. Den 6 next meeting will be Nov. 8th.

## Berlin's Clinic of the 21st Century

Europe's largest and most modern medical center, called the "Klinikum" is under construction for the Free University in West Berlin. It will provide ultra-modern hospital care and out-patient treatment in a single complex that houses clinical, research and teaching facilities now located in different parts of the city. Combining the advanced knowledge and experience gained in the U.S., Germany and other countries, the "Klinikum" will emphasize personalized attention not usually found in such huge establishments. The new health center is a major venture of the Free University, with financial support also from the Benjamin Franklin Foundation in the U.S. Designed in accordance with recommendations of the German Council for Science and Research, it will be the first hospital fully equipped to make use of flash-frozen foods even for special diets. The architects have designed two long parallel blocks of wards set on top of the administrative departments, and linked by a central block of laboratories and lecture rooms. When completed in 1967, the Center will be able to treat some 25,000 in-patients per year in 46 wards containing 1,448 beds. It will also train physicians and nurses, and provide clinic treatment for 63,000 out-patients. A fleet of electric cars will run a shuttle service for patients and personnel between the blocks. Medicines and documents will travel among the various units through an eight-mile network of pneumatic tubes. Of the estimated cost of \$75 million, West Berlin will provide \$10 million, the German Federal Republic \$50 million, and \$15 million will come from U.S. sources.

## Does anybody know what to do in Vietnam?

How do you answer that, if you're a Senator?  
If you've been there, it's a little easier.  
John Tower didn't have to go to Vietnam. He had every reason, but membership on the Armed Services Committee doesn't demand it. He could have settled for one tour, but he went back. His hunch was right, there was more to learn. Insight, gained the hard way. But, Defense is a hard job, whether you're in uniform ... or watching over the needs of those who are.  
John Tower went to Vietnam to look and listen. Long sessions with our boys, and the men who lead them, have given this Senator a better understanding of why we're there. He now understands more of what needs to be done. And, to do it, what we need more of ... and when.  
John Tower is in a position to do something with what he learned. In committee, and on the Senate floor, he has worked to see that funds are being made available to win the war ... urged support of the opinions of those in the field who know how to win it. And, through talks with our people, Texans now know why it's necessary to win.  
Junior Senator?

## Here and There AROUND BURKBURNETT

(Continued From Page 1)

seeing in and around Bentonville, Ark. recently. They report the Autumn colors are magnificent in the wooded areas.

A farm house, southwest of the city, burned to the ground Monday night. It was formerly occupied by Mr. and Mrs. Frank Hewell for many years. It was owned by Lewis Gray, but had been vacant about a month.

Raymond Hewell, supervisor of IBM Accounting Machines Dept. of the Texas Company, Houston, Tex. stopped in Burkburnett for the weekend to visit relatives. He had been in Lubbock on business and was enroute home.

The Farmers Co-op Gin haggined out 461 bales of cotton so far this season according to A. G. Earp, Manager. It has been rather slow coming in.

Little Billy Luke, Jr., the three year old son of Mr. and Mrs. Billy Luke Sr. was severely bitten by a large stray dog Sunday. The dog was lying down when the little fellow reached down to pet him which seemed to have frightened the dog. He tore the flesh on his forehead to the extent that it took 100 stitches to repair the wound. The dog is being held under observation at the dog pound, but no one seems to claim him.

## Junior Varsity Hosts Notre Dame Thursday Night

By DEE UNDERWOOD

The Burkburnett High School Junior Varsity takes on one of their toughest opponents tonight, as they step up into varsity ranks for their final game of the season, hosting the dangerous Knights of Notre Dame in Bulldog Stadium.

Coach Bob Carpenter's charges own a 5-3 record, as compared to 3-4 for Coach Lew Brennon's Knights. In comparative games, both teams lost to Riders' Bandits, both beat Hirsch, and the locals defeated the Wichita Falls Rowdies, while the Knights fell by a touchdown to their crosstown opponents.

Both Coach Carpenter and his aide, Frank Mitchell are enthusiastic about playing the Knights.

"They're a fine football team," Coach Carpenter stated. "It'll be a good game," Coach Mitchell added.

Of the Junior Bulldog's, Notre Dame's Coach Brennon stated, "They're as tough as anybody we'll play, tough and quick."

Notre Dame, Wichita Falls' newest high school, is in its second year, replacing the old Academy of Mary Immaculate, a predominately girl's school. They are playing AAA and AAAA junior varsity teams, along with A and B varsity clubs. Not a lot is known about their personnel, but they do rely heavily on their leading ground gainer, Jimmy Bindel, who gained 207 yards against Wilson, Oklahoma.

Coach Carpenter's crew is led by speedy quarterback Jeff Beavers, hard running fullback Lynn Attwood, and flashy halfback Alan Willet. Ricky Kinnard rounds out the backfield. At left end is Jim Flegler, left tackle Jim Thornton, left guard Jim Bob Sprague, center Tony Lander, right guard Tommy Thornton, right tackle Bobby Wilkinson, and right end Larry Sullivan.

yards and 6 touchdowns. The defense played game against Graham. Steve Cozy and John Rusty Hubbs tackled Rusty Hubbs. Mark Schroeder, mid Jerry Harsh and Russon, linebackers But Lanny Walker and Bill Hoffman and backs Mark Charles Hicks, Tony H. Hoffman, Rod Turner and Jim Caddell.

The Bulldogs will keep up a tradition of catching passes from the recent series. They plan to lose this one, going on record, we most have to call it a victory—but not a run any means.
