

Junior Livestock Show Scheduled Saturday

The Burk Burnett Junior Livestock Show will be held this Saturday, January 20th.

This is an annual event. This Project Show gives the boys and girls of the Burk Burnett Bank Community room and the boys will display their projects in the Old Light Plant, located behind the Farmer's Cotton Gin.

These boys and girls work all year to achieve this goal.

The public is asked to take time Saturday to visit the displays.

The girls' projects will be displayed in the Burk Burnett Bank Community room and the boys will display their projects in the Old Light Plant, located behind the Farmer's Cotton Gin.

Girls

The girls will be in the Community room from 8 a.m. until

4 p.m. They will set up their displays from 8-8:30, judging will be held from 9-10 and presentation of awards will be at 10 a.m.

Judges for the girls portion of the show will be Mrs. Amy Walker and Miss Helen Banks of Wichita Falls, Mrs. White and Mrs. Park of Iowa Park and Mrs. Bill Hutchinson and Mrs. Archie Faulk of Burk Burnett.

Advisers and teachers for the girls include: Mrs. Morris Simonson, 8th grade; Mrs. Bill Hutchinson and Mrs. Archie Faulk, Homemaking; Mrs. J. H. Bentley and Mrs. Elmer Klinkerman, Adult Leaders; Mrs. Kay Crone and Miss Thelma Wirges, County Agents.

Boys

The boys will have their animals in their places by 6 p.m.

Friday. The judging will be at 1 p.m. Saturday. Immediately after the judging the awards will be presented. Jack Aaron and Elmer Klinkerman, two directors of the show, will present the awards.

Mr. Holt from Oklahoma will be the judge. Mr. James Easter is the FFA instructor, Mrs. Elmer Klinkerman, Mrs. J. H. Bentley, Bob Benson and B. T. Haws are 4-H Club representa-

tives. The public is urged to visit these displays and see the results of the long hours of work by the boys and girls.

The boys and girls will have sandwiches, donuts, brownies all kinds of drinks on sale.

Each Garland will be superintendent of the show and states that cash awards and ribbons will be presented to the winners.

Just because it's a well-beaten road is no sign it's the right one.

Chamber of Commerce Luncheon Each FIRST MONDAY At Town Hall, Everybody Invited Each Pays For His Meal

VOLUME 61

BURKBURNETT, WICHITA COUNTY, TEXAS (76354) THURSDAY, JANUARY 18, 1968

NUMBER 20

Bits Of THIS-N-THAT

By BETTY BOYD

Greetings! I have arrived safely in Burk Burnett and am very happy to be home. I appreciate all the concern shown me for my safety.

The trip to New Hampshire was dry and clear until the New England states, when I got to see the beautiful snow—snow—snow. The snow was not as beautiful when driving home and it blew in drifting clouds across the highways, making visibility near zero. The return trip has made me a confirmed Texan with no desire to see New England in wintertime for another 10 years.

I am glad to be back and glad to be a Texan!

Have you seen the new Texaco station on the south side of the overpass? It is a real beauty and Harold Lindsey is very proud of it. It should open for business very soon.

My congratulations to the recipients of the Chamber of Commerce awards given Friday, January 12, during the Annual Banquet. Each one was well deserved.

Wofford College, Spartanburg, South Carolina, is a unique place.

Many such institutions give loans for tuition, books, room and board, etc., but only Wofford College has a 'Pleasure Fund.'

The idea originated with an alumnus while in his senior year. The notion came to him when he found himself without enough cash to rent a tuxedo or buy his girl a corsage for a school dance.

"I believe that having a good time at college is important to any student," he stated. What a fine idea and a generous one!

Siamese girl twins were joined at the head. 27 surgeons worked five hours to separate them, in the Johannesburg, South Africa Children's Hospital.

I'd like to know how 54 hands could find room to perform on two tiny skulls!

The Old Homestead Restaurant in New York City celebrated its centennial January 2, by serving from its 1868 menu at 1868 prices.

An estimated 1000 people enjoyed 4-cent steak, 5-cent ham and eggs and 1-cent cups of coffee. A meal which cost a total of 12 cents that day cost \$7.50 the following day. One waiter said that two patrons with a 24-cent bill left without tipping him. I suppose they were thinking of an 1868 purse!

Did you know that teenagers may now say "Charge it" in some places? I think it is a great way to teach them responsibility, honesty and prepare them to face the problems of finances in adulthood. They say the plan is working very well. Why not?

Don't forget to see the Livestock show and Project Show Saturday, January 20. The livestock show will be held in the old city light building and the project show will take place in the Community Room of the Burk Burnett Bank.

LAUGH, It's Good for You—Bob Hope once described Senator Everett Dirksen's face as that of a man who had been electrocuted and lived. Love, B.B.

VISITING CLERGY

Joe Janeke, attorney, left, and visiting clergymen from Sheppard Air Force Base and Wichita Falls, view the newly broken ground which begins the construction of the first Catholic Church in Burk Burnett.

WITH THE AID OF A MULE

With the aid of a mule (from the left) Joe Janeke, Bob Wilson, Rev. Patrick Scalan, Don Reed, representing the architectural firm who have designed the first Catholic Church for Burk Burnett, and E. B. Burton, contractor, break ground as the first act in preparation to building the church.

Ground-Breaking Ceremonies For Catholic Church Building Held

Ground-breaking ceremonies for the construction of the Holy Redeemer Catholic Church, Burk Burnett's first Catholic Church were held Wednesday, January 10th.

The new house of worship will be built of brick in the traditional design, covering 5800 square feet. It will be located on Gulf Road and will seat 210 people.

Joseph Janeke gave the welcoming address and Rev. Don Youngblood, pastor of the First Methodist Church, said the invocation.

City officials who made brief

statements of welcome and expressed pride in the project, were Mayor A. H. Lohofener and President of the Chamber of Commerce, Jack Aaron.

Following a few words by Rev. Patrick Scalan the actual ground-breaking took place with the following participating: Jingle Hayes, E. B. Eurlon, contractor and Don Reed of Pardue, Reed and Dice Architects.

The building of the Holy Redeemer Catholic Church brings to reality, a dream of more than 10 years.

MICKEY MANTLE TO SPEAK AT BOOSTER BANQUET HERE

Mickey Mantle, one of major league baseball's all-time greats, whose name is mentioned in the same breath with "Ruth, Gehrig, and DiMaggio," will be the guest speaker for the annual Burk Burnett Booster Club Banquet at 7:30 p.m. Jan. 29 in the high school cafeteria.

Tickets for the banquet under the sponsorship of the Burk Booster Club may be purchased by writing or calling the Burk Burnett Chamber of Commerce, Burk Burnett Bank, First

National Bank, Texas Electric Co., the High School, Junior High School and from some individuals.

A triple crown winner in 1956, Mantle was acclaimed the greatest player in the game, and a landslide winner of the league's most valuable player award. Not only did Mantle win the league titles in batting (.353), homeruns (52), and runs batted in (130), but also led in runs with 132, and total bases at 376.

Here and There AROUND BURKBURNETT

Mrs. Jessie Jones has returned to her home here after spending several weeks visiting relatives and friends in Brookhaven, Auburn and Liberty, Miss. and Eaton Rouge, La.

Mesdames Lloyd Enloe, Sarah Ronson, and Shelley Drigger all of Dallas, visited their sister and husband, Mr. and Mrs. W. C. Gage, who now reside at Evergreen Manor, this week.

Mrs. Dorothy Marsh of Watsonville, Calif., with the Newt Crane family of Burk, attended the funeral of their sister, Mrs. Opal Tindle, in Lawton, Oklahoma last Tuesday.

Mrs. Bob (Flossie) Spellman of Urbana, Ohio visited her sister, Mr. and Mrs. Newt Crane and family, here last week.

Mr. Clarence W. Gilbert, who is connected with the National Tank Company, was transferred to New Orleans territory recently. His family will remain in Burk until the end of the School year and then join him there.

Mr. and Mrs. Dude Smith are in Denver this week attending the Colorado State Fair and Rodeo. Frances Smith is a contestant in the Barrell Race event in the rodeo.

Several people from this city attended the funeral services for Walter Gaston in Wichita Falls Monday. Mr. Gaston was a brother of Mrs. Willis Minick, who lives on West Main in Burk and Miss Lois Gaston of Wichita Falls. Out-of-town relatives attending were: Mrs. Betty Bryant and son, Tommy, of Houston; Mrs. Doris Harvour, and Mrs. H. R. Gaston of Dallas; Mrs. Frank Euell of Carrollton, Tex.; Mr. and Mrs. Dave Keed of Nocona; Mr. and Mrs. D. Jones of Vernon; and Mr. and Mrs. Otto Lawson of Knox City, Tex. Mr. Gaston had been in ill health for some time. He was a veteran of both World Wars. Veterans of World War I were in charge of the interment services in Rosemont Cemetery in Wichita Falls.

Mrs. C. C. Gilbert of this city, accompanied by Mrs. John Campbell of Jacksboro; Mr. and Mrs. Floyd Gladden of Cortez, Colo.; and Miss Mabel Gladden of Burk, visited their sister and husband, Mr. and Mrs. Floyd Miller of Olton, Texas Sunday.

Mr. and Mrs. Ell Cauthorn attended funeral services of his stepmother, Mrs. Clara Cauthorn, in Edmond, Okla. last Tuesday. Mrs. Cauthorn passed away Sunday following a heart attack.

Mrs. Margaret Greer of Wichita Falls spent the weekend in Burk with her sister, Mrs. Alice Goodwin.

EXPANDING ECONOMY The economy of the United States can be expected to continue to expand during 1968 along with a disposable income rise for consumers, reports John G. McHaney, Extension economist at Texas A&M University. Prices, he adds, can also be expected to rise further with indicated increases in expenditures for consumer goods, capital outlays and government purchases.

A useful device for poling a boat is a pole vaulter's pole with a "duck foot" added to the bottom for greater purchase. —Sports Afield

Above are the proud recipients of plaques awarded them Friday, January 12, at the Chamber of Commerce Annual Banquet, held in the High School Cafeteria. From the left: Billy Ray Mize, president of the local Jaycees, who won the Club of the Year Award; Betty Smith, Woman of the Year; Anna Freeman, Outstanding Senior Citizen of the Year; Cassie Smith, assistant secretary of the Chamber of Commerce, Employee of the Year; and Joe Ray McCluskey, contractor, Man of the Year. Don Alexander, TV 3 made the presentations.

PLAQUES ARE AWARDED TO OUTSTANDING CITIZENS AT CHAMBER BANQUET FRIDAY

The Burk Burnett Chamber of Commerce held its annual Banquet Friday evening, January 12, in the High School Cafeteria. Nearly 350 persons attended including visitors from other towns.

The welcome was given by Jack Mathis and the invocation by Lamoin Champ, pastor of the First Baptist Church.

Guests were introduced by James Pearson, principal of the High School, including Sheppard Air Force Base Commander Brig. Gen. John M. McNabb, who in turn introduced his staff and their wives.

Don Alexander, of TV Channel 3, presented a bit of guitar and harmonica entertainment before presenting plaque awards to five outstanding citizens of Burk Burnett. They were: Club of the Year, The Jaycees, with President Billy Ray Mize accepting; Employee of the Year, Cassie Smith, Assistant Secretary of the Chamber of Commerce; Outstanding Senior Citizen, Anna Freeman; Outstanding Woman of the Year, Betty Smith; and Outstanding Man of the Year, Joe Ray McCluskey.

Jack Aaron, 1968 president of the Chamber of Commerce presented an award of appreciation to out-going president, Jim Frye, from all of the past officers.

Following short addresses by Jim Frye, about the accomplishments of the past year, and Jack Aaron, depicting plans for the new year, T. M. Cornelius, 1968 second vice president, introduced guest speaker, Delbert Downing.

Downing, a former Chamber of Commerce Manager, gave a very interesting talk about the futility of looking back to the good old days and pointed out the main advantages of living in the present.

He said that a community will live as long as its citizens like it and use it; that people will trade at home if they can get the same merchandise as is sold in neighboring towns; and that for a community to grow, its citizens must think big and take a sincere interest.

"We cannot go back," stated the speaker, "we can only go forward. Men make cities on land which God gave."

The talker had no difficulty holding the attention of his audience, as his topic was timely, interesting and interspersed with pertinent anecdotes.

Rev. Don Youngblood, pastor of the First Methodist Church, delivered the benediction. New officers of the Chamber of Commerce for the year 1968 are: Jack Aaron, president; Bill Vincent, first vice president; T. M. Cornelius, second vice president; Jerry McClure, treasurer; and Tom Nicklas, assistant treasurer.

Gene Allen, manager, Dorothy Bryant, secretary and Cassie Smith, assistant secretary, comprise the Chamber of Commerce Staff. Directors for 1968 are: James Pearson, Weldon Nix, W. T. Zimmerman, Bill Vincent and Bill Donnell. Special thanks were extended to banquet chairman, Jack Mathis; decorations, Modern Study Club and Dixie Dillard; food preparation, Mrs. A. E. Brown and staff; and the High School Economics Department for serving.

Church Slates Special Program

The First Christian Church will have their first Fellowship supper and program of the New Year. The service will be in charge of the Membership Committee of the church, headed by Waldo Huddleston, and will begin at 6 o'clock. This will be a planned covered dish supper and a lively song service followed by short devotions. The program is a surprise and will be in the form of a panel discussion of important affairs of the church. Members and friends of the church have been invited. Rev. Alva T. Browning, is pastor of the church. The young people will discuss plans for Youth Week, led by Mr. and Mrs. Don Burleigh.

THE LAUNCHING PAD

THE TECHNOLOGICAL EXPLOSION

Have you attempted to assist your youngster with his science homework lately? If you have, you probably have been impressed by the rapid advance in technical knowledge. Actually these advancements in the last twenty years have surpassed the entire previous span of civilization.

For a few current examples: new drugs have reduced diseases to record lows, computers process complicated information in split seconds, satellite communication encompasses the world. It hardly needs to be pointed out that those inventions and discoveries have come essentially through the direct contributions by creative individuals in American industry.

Although this may seem to be obvious, there is a body of opinion maintaining that government will be the major sponsor of invention and innovation in the years to come.

The government of course has a place in research and development. But it should never be forgotten that the general technical pre-eminence of America, whether it be evidenced by the latest work-saving appliances, life-saving drugs, or new products affecting our work and pleasure, has been fostered by the private enterprise system which is the foundation of industrial progress in this country.

TRIPOD OF LIBERTY

As business comes more under the thumb of boards, commissions and official dictation, it is progressively restricted in its freedom of management. A Nevada editor feels that some of the modern generation of supervisors of "free enterprise" are to blame for not resisting with more determination the encroachments of government controls.

Among the staunchest supporters of free enterprise and the competitive market are some 11,000 country weekly, smaller city daily, and suburban newspapers in the fifty states. Fortunately, the most progressive industries recognize that these newspapers are indispensable champions of the free enterprise economy. Editors are well aware that without private enterprise with the need to advertise its goods and services in order to sell them in a competitive market, there would be no free press. Its sources of support would be gone. We would have official publications — the emasculated mouthpieces of the party in power.

Let none of us forget the interdependence of a free press, private enterprise and individual freedom under representative government. They are the control supports which cradle the precious vessel of human liberty for which this nation was created.

THAT'S A FACT

THE GREEN YEARS!
THE LARGEST PUBLISHED ESTATE LEFT BY A WOMAN WAS 95 MILLION DOLLARS LEFT BY HETTY GREEN (1835-1916). SHE HAD A BALANCE OF OVER \$3,400,000 IN ONE BANK ALONE! IT IS REPORTED THAT SHE LIVED ON COLD PORRIDGE!

WHAT A WING!
THE GRACEFUL SWAN IS A FIERCE ADVERSARY WHEN ROUSED. IT CAN BREAK A MAN'S ARM WITH A SWIPE OF ITS WING!

THE BIG IF!
IF YOU JOIN A REGULAR PURCHASE PLAN, YOU WILL BE ELIGIBLE TO BUY NEW HIGHER-INTEREST FREEDOM SHARES ONE-FOR-ONE WITH YOUR U.S. SAVINGS BONDS!

IT MAKES SENSE!
BUYING U.S. SAVINGS BONDS MAKES DOLLARS AND IT MAKES SENSE! WHY? BECAUSE YOU'RE HELPING YOUR COUNTRY WHILE YOU'RE HELPING YOURSELF!

BABSON'S POINT OF VIEW

Babson's Point of View On: HOW TO PROSPER IN 1968

Most observers of the political, economic and sociological scene are convinced that 1968 will be a year of recurring crises for our nation. What are the difficulties most likely to be encountered and how best can you preserve — or extend — your prosperity this year?

How Much More Inflation?

The Federal Reserve still has not really tightened up on money yet. With cash supplies "till large by most past criteria, with continued heavy government spending for both defense and non-defense items and programs, and with the prospect of expanding activity in the automobile industry over coming months, business should be on the rise through much if not all of the first half. But, on the whole, it will be a very high-cost boom. In other words, profits will not be commensurate with the increase in volume turnover.

Chances are the economy will start to "overheat" after which you may expect the Federal Reserve, the President, and Congress to take bolder measures to cool it off. When the flood of money is at length dammed . . . when the President imposes selected domestic economic controls . . . when the Congress cuts budget deficits and perhaps enacts higher taxes . . . how will you and your business fare? Will you be in a position to take what comes . . . to ride through the ups and downs that lie ahead?

MANPOWER AND LABOR

Whether you are an employer or an employee, developments in manpower and labor will have some effect on your economic situation this year. At least in the forefront of the year, skilled labor will continue to be in good demand . . . while the need will intensify for scientists and specialists. However, there is no shortage of unskilled labor.

Look for a further spiraling of wages during the first six months of 1968 . . . spurred by the handsome settlements in the auto industry, expanding living costs, and next month's boost in the minimum wage. All in all, the pressure of wages on over-all costs in manufacturing and service businesses will be keenly felt.

MEND YOUR FENCES

Cost control will be more important than ever to you as an employer this year. You may have only limited success in bucking the higher price tags on borrowing capital funds. You can't buck the mandatory boost in the minimum wage. But you can exercise a tighter control over your operations with a view to cutting unit costs and to increasing the productivity of your employees . . . for your benefit and theirs.

And if you are working for someone else (and this goes double if you are an unskilled worker), you ought to remember that your employer has a considerable investment in you and that he pays out a good deal for you than the wages you receive in your pay envelope. Look about for ways to improve your performance so as to make your work more meaningful and more profit-

able to you and your employer. Mend your fences, or you may be among those laid off when labor cutbacks become necessary.

Hold On To That Nest Egg

No matter whether you own your business, work for someone else, are a student, or are retired, hold something in reserve for a rainy day. As other costs rise, so too will the cost of credit. Borrowing from tomorrow to pay for what you feel you must have today has become fashionable under the "new economics." But it can be very risky business if you don't exercise a measure of self-control. In any event, it's costly . . . and you ought not to be

GUEST SPEAKER

Delbert Downing, onetime a Chamber of Commerce Manager, was guest speaker, Friday, January 12th, at the local Chamber of Commerce Annual Banquet. His address interspersed with pertinent anecdotes, expounded the fallacy of looking back to the good old days instead of into the future.

BRIG. GEN. JOHN M. McNABB

Brig. Gen. John M. McNabb, Commander of Sheppard Air Base, introduced his staff and their wives, guests at the Chamber of Commerce Banquet, January 12th

paying heavy interest charges if you can possibly avoid them.

If — aside from your reserve for a rainy day — you do have funds to invest, be selective, be cautious, and be patient. Don't

jump at any opportunity without investigating its prospects. And remember that if the economy does turn down later this year, cash may well be your best friend.

IRRIGATION

Irrigation is vital to Texas agriculture. Wayne Keese, Extension agricultural engineer at Texas A&M University, calls attention to a growing problem in several important producing areas — the declining ground water levels. Keese urges producers to give serious consideration to irrigation methods which will conserve ground water supplies.

Dorcas Class Of First Baptist Church Meets Recently

The Dorcas Class of the First Baptist Church Sunday School held their regular monthly meeting last week in the home of Mrs. George Brashear.

The meeting was opened with prayer by Mrs. W. C. Davis. Mrs. Jo Brookman presided over the short business session. Following the call for and the giving of the usual reports, Mrs. Al Lohofener gave the devotional and led in prayer. A Bible quiz was held with all members participating.

Mrs. Brashear, the hostess, served a delicious home-made fruit cake — the gift of Mrs. T. C. Reece to the Class — coffee and tea. Twelve members of the class were in attendance even though the weather was very cold and disagreeable.

Lone Star Gas Co. Chooses New VP - Personnel

W. C. GOWAN, JR.

W. Crozier Gowan, Jr. was elected Vice President-Personnel for Lone Star Gas Company at the company's board of directors meeting, January 11, 1968, according to Dan M. Cole, Executive Vice President, Administration.

He also was elected to this post by the respective boards of Lone Star Producing Company, Nipak, Inc., and Lone Star Gathering Company on January 9.

Mr. Gowan succeeds Glynn Covington, who is being promoted to an operating assignment. He formerly served as senior attorney in the utility's Federal Regulatory, Contracts and Labor Section of the Legal Department.

Mr. Gowan joined Lone Star in 1962 as an attorney and was promoted to senior attorney and counsel for industrial relations matters in 1966. A native of Dallas, Mr. Gowan is a graduate of Texas Technological College and Southern Methodist University School of Law. Prior to working for Lone Star, Mr. Gowan was a special agent in the Counter Intelligence Corps of the Army from 1954-1956 and later worked as an attorney for Magna Oil Corporation.

Mr. Gowan is a Past Master of Hillcrest Masonic Lodge No. 318; a member of the Dallas

David Niven as Sir James Bond, the first 007, is urged to come out of retirement by the chiefs of several secret service agencies in Charles K. Feldman's "Casino Royale," the spy spoof released by Columbia Pictures in Panavision and Technicolor. John Huston plays "M," of Great Britain; William Holden heads the CIA and Charles Boyer is the chief of the French Surete.

Shown at The Palace Theatre, Friday, Saturday and Sunday, November 19-20-21

"ALL ABOARD WITH YOUTH" IS TOPIC OF STUDY CLUB MEET

"All aboard With Youth" was the theme of the Burkburnett Study Club at their first meeting of the year. Mrs. Francis Felty was hostess and Mrs. Jack Mathis assisted her.

Our president, Mrs. Beverly Preston, brought her captain's cap on the youth in Greece. Over 3,000 children are given free medical and recreational facilities from the "Children's Corner." A nursery is provided for children whose mothers are working. Our federated counselor, Mrs. Bill Reasoner reminded each of us to read the January issue of the Texas Clubwoman. Mrs. Glen Bear, legislative counsellor brought the following:

The Driver's Creed

I believe that my freedom

to operate a motor vehicle on the public streets and highways is a privilege; a privilege to be enjoyed by all good citizens who are willing to accept the responsibility of driving.

I believe these responsibilities to include the careful, courteous, and lawful operation of the car I drive; and that such driving demands my constant, undivided attention. I believe that the vehicle I operate can be a source of pleasure, a convenience and a necessity to myself and my family, but that when driven in an unsafe manner it may take my life and the lives of others.

I believe in the democratic

process by which the laws of our land are enacted, and I willingly accept as a responsibility of driving the provision that I shall maintain at all times the same high respect for traffic laws that I have always had for all other laws which protect me.

The nominating committee presented the following slate of officers, who were elected by acclamation for the 1968-1969 term: President, Mrs. Lois Bean, Vice-President, Mrs. Beverly Preston; Corresponding Secretary, Mrs. Vi Mayberry, Recording Secretary, Mrs. Jo Smith; Treasurer, Mrs. Helen Rasoner; Parliamentarian, Mrs. Virginia Carpenter; Historian, Mrs. Mildred Garland; Reporter, Mrs. Elizabeth Herrington.

Mrs. Lucille Bohner brought the first part of the program with a history of the "sing-out group", a group who travels extensively and whose motto is "nations should be governed by men who are governed by God." Mrs. Joe Smith brought an interesting review of the E.S.O., a sorority whose aim is planned education and self culture.

Scandinavian dessert plates of frugislat (fruit compote), sandbakkelser (Sand tarts), Kandererde (fruit Slices) were served, and door prizes were won by Mrs. Lois Bean, and Mrs. Glen Bear. Each member was presented with a small leaf

of Scandinavian bread, decorated with appropriate flags of this country.

MORE MEAT INSPECTORS

USDA has instructed field employees of Consumer and Marketing Service's Compliance and Evaluation Staff to increase efforts to identify meat products that may be subject to seizure or detention under Wholesome Meat Act signed into law on December 15. Inspectors are being hired to expedite implementation of the Act. Some 500 inspectors and other personnel are expected to be hired by June 30, 1968.

LIBRARY CORNER

The library has a set of 27 career books, each volume developing a single vocation. The books are highly diversified, covering many fields of opportunity. Subjects include careers in the armed forces, retailing, office work, management positions, veterinary medicine, medical fields and many others. The books do not present a sugar-coated picture giving only the good aspects of a profes-

sion, but also the demands of the work such as long training periods, difficult working conditions, or scarcity of positions in a line of work. The books are authored, not by one person, but by different individuals, each completely qualified to discuss the topic of that book. Your Future in Oceanography is one of the set typical of the books. Norman Gaber, the author, is qualified by lifelong work in the field of ocean sciences and previous experience in writing. The book is interesting and easy to read; the main points are brought out clearly, and it is a pleasure rather than a task to read. The book is informative and authoritative because of the writer's knowledge of the sources used for his material, and the good graphs and tables in the book. The entire set of books is new and completely up-to-date in content. The developments and opportunities listed are current and reliable. Each volume of the set presents a complete yet concise report of a worthwhile profession. We have had many comments about how nice the paperback swap shelf would be, but we have received only two donations. If you have some and would like us to pick them up, please call 560-2991.

Burk Study Club Contributed Much To City's Growth

The Burkburnett Study Club in a report to the Chamber of Commerce Operation Sparkle Committee, listed their activities and projects as follows:

Library
—Donated \$500.00 to Library Building Fund. This money was raised by having a tour of Christmas Holiday Homes.

—\$84.00 contributed to Library Pook Fund. This money was from a Christmas money tree and a \$5.00 gift.

—Members assisted in cataloging and shelving books.

—Purchased two \$25.00 supporting memberships for Friends of the Library.

—Assisted in Library Dedication services.

—Donated \$25.00 for planter at entrance of library.

—Donated five volume set of children's books, "The World Children Live In."

—Club members serve on both the Library Board and Friends of the Library Board.

Youth Center
—Members donated \$300.00 to the Building Fund.

—Assisted in planning and operating community auction for Building Fund.

—\$90.00 donated toward salary of Youth Center Director.

—Assisted with Open House of the Youth Center.

Chamber of Commerce Projects
—In cooperation with the Chamber of Commerce project members prepared, sold and participated in planting bluebonnets in their yards and in the "Y" entrance to our city.

—Members participated in the contest for Christmas decorating and lighting their homes.

Museum
—Participated in Heritage Week by decorating display windows downtown with anti-ques to create enthusiasm for our museum.

—Cooperated in running concession stand at rodeo, also donated sandwiches. These proceeds went to Oil Park Museum.

—Donated \$100.00 to Oil Park Museum Fund.
—Mr. and Mrs. M. E. Bean donated for museum park an old bull wheel and a replica of an old oil derrick.

County H-D Agent News

Good-looking garments made at home from durable press fabrics begin with a careful choice of patterns and adjustments in certain construction techniques.

Thelma Wirges, county home demonstration agent, gives these pointers when sewing with durable press fabric:

Use a pattern with straight lines, a minimum number of seams and few details. Avoid fullness in sleeves and other shaped areas because it cannot be steamed or pressed out.

Mercedized cotton, nylon, polyester or "polyester core" thread may be used. Zippers and interfacings should be pre-shrunk. Tape, interfacings and linings should have similar qualities as the garment fabric.

Avoid seam puckering by relaxing stitch tension on bobbin and bobbin feed to minimize puckering.

As with all fabrics, press during construction with a hot iron, first trying out temperature on a test swatch. You will have to use heavy pressure on seams since the fabrics are highly resistant to creasing.

Durable-press fabrics reduce the work required to keep the family well-groomed, says Miss Thelma Wirges, county home demonstration agent.

Proper laundry methods help retain the easy-care features of these fabrics. Launder before fabrics are heavily soiled and as soon as possible after soiling. Turn garments inside out to help reduce "frosting" or wear on creases. Launder in the coolest water that will remove soil. If warm or hot water is used, then rinse in cool water before machine spinning or hand wringing.

For heavy, oily soil, perspiration, and food stains, measure heavy duty liquid detergent required for entire load and apply full strength to the most soiled area of garments. Soak in hot water, let water cool to 90-100 degrees, then agitate for six to eight minutes.

Shorten the wash cycle to the minimum required for soil removal. Use slow agitation or a step-and-soak, followed by a short time of normal agitation.

Charm Classes Offered At YWCA

Charm classes for pre-teen and teenage girls will be held at 10 a.m. each Saturday for the next five weeks at the YWCA in Wichita Falls.

Mrs. Fred Lowder is coordinator for these classes and states that several professional instructors have been secured to teach. This Saturday morning, the instructor will be Ina Stewart of Miss Charles of the Ritz. Teenage complexion problems and makeup selection will be discussed. Each girl will receive a free compact this Saturday.

For further information, call 723-2124 or you may register at the YWCA Saturday morning.

Advance the control dial to shorten cycle.

Rinse well in cool water. If your water is hard, use a water softener in the first rinse of fabric softener in the final rinse. Fabric softeners reduce the static charge which attracts soil. Softeners also decrease clinging of man-made fibers.

For less wrinkling, dry in small loads, about half the dryer capacity. Dry at normal heat unless your dryer has a setting for "wash-wear" or permanent press. At the end of the dryer cycle, let the clothes continue to tumble for a cool-down period of five to ten minutes after the heat is off.

As soon as the dryer stops, remove garments and hand or old. If you have no dryer, shorten the final spin in the washing machine by advancing the dial, or remove the garments while dripping wet and hang on rustproof hangers. If touch-up pressing is needed, use the iron at the low setting.

A clothing workshop, where specific skills will be taught, will be held in Wichita Falls in the early spring and in Electra in the early fall. At this time special work with durable press fabrics will be included. If interested send your name to Mrs. John Lofton, chairman of the Clothing Committee, or to Thelma Wirges, 305 Federal Building, Wichita Falls.

PASSING THE GAVEL

Jim Frye, outgoing president of the Chamber of Commerce passes the gavel to Jack Aaron, president for 1968.

Explorer Scouts Spend Weekend At Camp Perkins

Scouts of Explorer Post 155 spent an active week-end at Camp Perkins. They are the first scout group to try for and receive the recently established Paul Bunyan Award. The award was earned by assisting in a camp improvement program which required the boys to cut down selected trees and turn the cut tree into firewood. The award was a red patch in the shape of a two-headed axe. The patch will be worn on the uniform. Chester Ludion of Wichita Falls came to the campout and gave the boys a talk on Amateur Radio Operation and explained requirements for novice rating.

Future plans for the unit include: Earning the Ready Unit Award (this would prepare the unit to aid in a civil emergency), making a flight over the area, visit to Sheppard AFB's Explorer Conclave, investigations into various means of emergency communication, more camping and outdoor activities. The Explorer program is open to all boys 14 and older and

Current Literature Club Holds Its Annual Luncheon

The Current Literature Club's annual luncheon was given in the home of Mrs. C. M. Archer on Thursday, Jan. 11th, with Mrs. J. L. Caffee, Mrs. E. W. Roderick, and Mrs. F. M. McMurry as co-hostesses.

Mrs. W. C. Vann gave the invocation. The beautifully laid tables were centered with greenery interspersed with large red cherries.

Mrs. Caffee, the president, conducted the business meeting, calling for reports from the different committees. Election of new officers was the order of the day. Names presented by the nomination committee and elected by the club were: Mrs. Marjorie Kauer, president; Mrs. E. C. Mallett, vice president; Mrs. E. W. Roderick, secretary; Mrs. John Brookman, corresponding secretary; and Mrs. C. M. Archer, treasurer.

Seventeen members were present for the meeting.

Post 155 is undergoing a membership drive to double their size. Interested boys should plan to attend the next meeting which will be January 25 at 7:30 p.m. at First Methodist Church.

Ford LTD, XL, Country Squire... for people who don't want to pay extra for disappearing headlamps.

Don't spend a cent until you've seen Ford LTD, XL and Country Squire. All three give you disappearing headlamps and die-cast grilles at no extra cost—the only cars in their class that do! Elegant outside. Elegant inside. Three of the quietest-riding Fords ever built. See the man with better ideas... your Ford Dealer.

FACTS ABOUT THE 1968 FORD	You'll find Better Ideas throughout the entire 21-car Ford line: Power front disc brakes at no extra cost when you order power brakes • Ford's exclusive push-button	tuning when you order AM radio/Stereo-Sonic tape • 2-way Magic Doorgate on all seven Ford wagons • Choice of formal or fastback styling on Galaxie 500 2-Door Hardtops	• An optional automatic ride control system. And to top it all, you get one of the world's smoothest, quietest rides. Test-drive a Ford and see for yourself.
	 has a better idea.

Southside P-TA Meets Recently

Southside P-TA held their January meeting Monday evening at the St. John the Divine Episcopal Church, with Mr. Edgar Fulcher, President, presiding.

The flag ceremony was presented by Boy Scout Troop 154. Mr. C. J. Lippard gave the devotional.

Mrs. Wayne Lax read the minutes in the absence of Mrs. Joyce Crater, Secretary.

A nominating committee was chosen consisting of Mrs. Wayne Lax, Chairman, Mrs. C. J. Lippard and Miss Sue Fore. They are to select P-TA officers for the coming year.

Mrs. Linda Froman, Guidance Counselor in the Burkburnett school, gave the program "Pressures and Anxieties of Today's Children," which was very interesting and informative.

The attendance award was won by Mrs. Marvin Taliaferro. Refreshments were served following the meeting.

15 Accidents On County Rural Roads In Month

The Texas Highway Patrol investigated 15 accidents on rural highways in Wichita County during the month of December according to D. S. Lawson, Highway Patrol Supervisor of this area.

These crashes resulted in 7 persons injured, and an estimated property damage of \$20,203.00.

The rural traffic accident summary for this county during the calendar year of 1967, shows a total of 200 crashes resulting in 9 persons killed, 173 persons injured and an estimated property damage of \$155,745.00.

When the final fatal traffic accident reports are tabulated for 1967 it is estimated that the death count for Texas is expected to be 3,340 or about two per cent less than the all time high of 3,406 traffic deaths in 1966. If this proves true, then, it will be the first reduction in traffic deaths since 1960. This decrease should be a challenge for every driver to put forth his best defensive know-how and efforts to reduce accidents in 1968.

The Sergeant cautions all motorists to keep windshield, windows, outside rear-view mirrors, and all lights clear of ice, snow, sleet, dirt and mud. The driver's vision is obstructed in one out of five fatal accidents.

Lt. Joe Knox, son of Mr. and Mrs. R. W. Knox, Route 1, was admitted to the Sheppard Air Force Base Hospital Sunday, January 10, where he is undergoing observation tests. He is reported to be doing well at this time.

Most western states where chukar partridges have been established permit chukar hunting well into the winter months. —Sports Afield

Top 95 fields produce 53 per cent of Texas oil.

VOLUNTEER OF MONTH

SHEPPARD AIR FORCE BASE, TEXAS — Mrs. Thomas Pelletier is presented a letter of appreciation and a Family Service charm in a ceremony conducted by Colonel H. T. Snyder, director of personnel at Sheppard Air Force Base. Mrs. Pelletier was chosen

from among the Family Services Volunteers for this honor for the month of January. She also received a 2,250 hour guard for her Family Services pin. The ceremony highlighted a coffee held for the volunteers Monday morning. (January 15).

Burkburnett Star and News
Burkburnett, Texas

Calendar of Events

Support the Bulldog Basketball teams.

On Friday, Jan. 19th they will play Breckenridge here and on Jan 23, will travel to Vernon.

Mickey Mantle, one of major league baseball's all-time greats, whose name is mentioned in the same breath with "Ruth, Gehrig and DiMaggio," will be the guest speaker for the annual Burkburnett Booster Club Banquet at 7:30 p. m., January 29 in the High School Cafeteria.

Tickets for the banquet under the sponsorship of the Burk Booster Club may be purchased by writing or calling the Burkburnett Chamber of Commerce, Burkburnett Bank, First National Bank, Texas Electric Co., the High School, Junior High School and from members of the club.

The Annual Burkburnett Jr. Livestock and Project Show has been scheduled for Saturday, Jan. 20. Livestock judging will be held at the old city light plant building and the girls projects—sewing, cooking, etc., will be held at Community Room of the Burkburnett Bank.

Burkburnett Garden Club will meet Wednesday, Jan. 24, 1:30 p. m., at the Holiday Inn in Wichita Falls for a luncheon and election of officers.

BURKBURNETT BANK

Member Federal Deposit Insurance Corporation

Gentlemen:

Enclosed please find \$3 to renew my subscription to the Burkburnett Star and News.

You will never know how much your friendly news means when one is in far away places with strange sounding names. I shall always remember the warmth and friendliness given to me during my assignment to Sheppard AFB, particularly while living at Burkburnett and

sharing the comradeship of Mrs. J. H. Brumley, the Burkburnett Study Club, the First Methodist Church and other friendly residents.

Effective 20 February 1968, my address will be:

Lt. Colonel Jane Sewell
Detachment 13
22 Air Force
Travis AFB, California
Sincerely,
JANE SEWELL,
USAF, Director of Traffic

What's so great about the new '68 gas ranges? The changes!

You'll find space age burners and ovens with solid state ignition. And new stainless steel utensil supports that let you slide pots and pans without lifting! And cook-and-keep warm ovens, automatic meat probes and Burner-With-A-Brain! Some ranges have oven/broiler doors that lift off effortlessly, and cook-tops that pop up and off to make cleaning a snap! Gas makes cooking great for '68!

MANMADE

A man made this beautiful little waterfall and improved his part of a little stream that ran by his house. Another man on another stream threw trash in the water and let weeds grow up around it so that the beauty of the creek was obscured. Man fashions many things out of that which God has created. Beauty or ugliness can result from our decisions as to what we will do with divine raw materials. Dedication to God and the desire to emulate Him usually makes the difference in what we do with what God has provided. Let God find you in His church.

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

SEN. RALPH YARBOROUGH'S NEWSLETTER

The first session of the 90th Congress was a long and hard one. We were in session 340 days, a near record, but many good laws were passed. In this final session we should complete action on many important bills introduced last year, and consider new ideas for the needs of today and tomorrow.

As we enter this new session the problem of crime in our nation continues to be a paramount problem. I support the Safe Streets and Crime Control Bill proposed by President Johnson, designed to channel new funds into hiring and training policemen and into research for crime detection and prevention.

I co-sponsored this bill with Senator McClellan of Arkansas, the President's anti-crime bill, and I believe it is badly needed.

One of my most important bills in this new session is my proposal to establish a well coordinated Health, Education, and Labor exchange between the United States and the developing nations. My bill brings in private and government resources jointly to broaden our assistance and our influence overseas, especially with young people. Communist governments spend a fortune each year on

programs and propaganda to win the friendship of other nations, but today the United States has nothing to counter this activity. My bill will openly finance these non-political programs and will help the United States win the admiration of freedom-loving peoples around the world.

A bill much closer to home is my Big Thicket National Park Bill introduced last year. I intend to continue my fight to make this fabulous Southeast Texas area a preserve for all future generations of Americans to enjoy. I hope the Big Thicket National Park will become a reality in 1968.

We have many other vital proposals to consider. The horror of Hurricane Beulah's attack on South Texas last year has dramatized the need for a Flood Insurance Program, and also for a broader system of aid to individuals and businesses hurt by disasters like Beulah.

Finally, the crucial Higher Education Act which has provided aid to colleges and universities all over the nation expires next year. I favor renewing that bill and I have an amendment which would open a study of ways to finance a complete higher education for every qualified student who wants one, without regard to his ability to pay for it. We must also consider broadening the very successful Hill-Burton hospital construction bill. It promises to be a busy year in Congress.

SAGA OF THE MAINE SARDINE

SARDINES, ONE OF THE WORLD'S MOST NUTRITIOUS FISH, ARE FOUND IN ALL PARTS OF THE GLOBE.

FROM APRIL TO DECEMBER, GREAT SCHOOLS OF LIVELY YOUNG SARDINES INVADE THE WATERS OFF THE MAINE COAST.

LONG BEFORE THE COMING OF THE WHITE MAN, INDIANS TRAPPED THE SILVER SARDINE IN PRIMITIVE NETS.

IN 1873 THE FIRST COMMERCIAL CANNERY OPENED IN EASTPORT. TODAY THERE ARE 47 MODERN PACKING PLANTS IN MAINE.

BOBSTERS LOVE MAINE SARDINES TOO! FISHERMEN IN MAINE USE THEM AS BAIT.

THE COUNTRIES OF NORTHERN EUROPE WERE SO AWARE OF THE IMPORTANCE OF THE FOOD VALUE IN THE SARDINE HEERING THAT WARS WERE FOUGHT FOR THE CONTROL OF THE FISHING GROUNDS.

IN A CAN OF SARDINES WITH A COUPLE OF HOLES IN IT TO ALLOW THE OIL TO ESCAPE IS AN EXCELLENT FISH LURE.

VIRTUALLY ALL OF THE TRUPLY AMERICAN SARDINES ARE CAUGHT AND CANNED IN MAINE. THE SMALL FLAT CANS OF FISH ARE POPULAR WITH OLD AND YOUNG ALIKE. THEY ARE DELICIOUS, NUTRITIOUS, AND NATIVE TO OUR SHORES.

DOCTORS OFTEN RECOMMEND THAT DIETS CONTAIN FISH THREE OR MORE TIMES A WEEK.

DEVOL NEWS

By MRS. C. O. WOODLEY

Mr. and Mrs. A. J. Adams attended a birthday party for their grandchildren, Pearl Glen and Sheila Adams at the home of their parents, Mr. and Mrs. Irvin Adams Sunday afternoon.

Postmaster Beatrice McClelland was quite ill with flu last week. Her daughter, Gillis, was absent from school most of last week and this week with the flu.

Laura Jean Adorus, daughter of Mr. and Mrs. Pearl Adorus, is ill with flu.

Mrs. Bob McCullough spent the weekend visiting friends in Oklahoma City.

Mrs. Nevada Turner is visiting her daughter and family, Mr. and Mrs. Hubert Duce in Oklahoma City.

Harvey Leonard Doty is a patient in a Wichita Falls hospital with a back injury.

Mrs. C. O. Woodley was a guest Sunday of her sister, Mr. and Mrs. Dick McLain in Grandfield.

Mrs. W. C. Charboneau has been ill several days. His daughter, Mrs. Myrtle Kirby of Wichita Falls visited his parents Sunday and Sunday night.

Mrs. Tom Monson was hostess in her home Friday at a quilting with a covered dish luncheon served at noon. Present were Mesdames Lucille Morrow, Willie Cozby, Pearl Cates, Dolly Hardin and Ora Stevens.

Mr. and Mrs. F. G. Uthe visited Mr. and Mrs. T. E. Spannagel in Randlett Sunday.

Mrs. Marie Hutson of Hollister visited Mrs. Dollie Hardin Saturday and reported her mother, Mrs. Lillian Hutson seemed to be much improved. Mrs. Hutson recently underwent knee surgery again in February before returning home.

R. A. Odom is reported recovering from a recent seige of flu and pneumonia.

Opportunities in Agriculture
Every year thousands of jobs that should be filled by people with farm backgrounds go unfilled. And these are good satisfying jobs. Don't let farm know-how and experience go to waste. Youth not planning on staying on a farm are advised to check into the facts about a career in agribusiness.

GUEST FROM TV 3

Don Alexander, TV 3 announcer entertained with guitar and harmonica at the Annual Chamber of Commerce Banquet, before presenting five awards to outstanding citizens of 1967.

of Scouting. A large turn out is expected from the thirteen county area of the Northwest Texas Council. Officers for the Council for 1968 will be installed with special recognition to Unit Leaders of all Cub Packs, Scout Troops and Explorer Units. Institutions are encouraged to have their Unit Leaders attend the banquet as the guest of the sponsoring institution.

Several Scouters from the council will be presented the Silver Beaver Award—a coveted award presented to Scouters of outstanding service and tenure in Scouting.

Speaker for the dinner will be Mr. Rex P. Kyker of Abilene. Mr. Kyker was born in Farwell, New Mexico, graduating from high school in Farwell. He received his BA degree from Abilene Christian College, MA from the University of Iowa and his PHD from the University of Florida. He has been a faculty member of Abilene Christian College for 23 years and head of the Speech Department since 1957.

Mr. Kyker has been active in civic affairs in Abilene many years. He became a member of Kiwanis Club in Abilene in 1954, serving as president in 1957, Lt. Governor of Division 12 in 1961 and Texas-Oklahoma District Governor in 1967. Under his leadership as Kiwanis

President in Abilene he promoted and constructed a \$75,000.00 Amusement Center and Kiddlyland. Mr. Kyker is married and has three daughters and two sons.

Mr. John Fall, Council President, will report on the council activities for 1967 and encourages all Scouters to make their reservations for this activity through their Institutional Representative, District Chairman, or directly through the Service Center.

CUT IN TURKEY NUMBERS RECOMMENDED

An 18 per cent reduction in the number of turkeys raised for market has been recommended by the USDA in its 1968 Turkey Marketing Guide. To help accomplish the reduction, USDA officials suggested a 22 percent decrease in the number of breeder hens on January 1.

It takes a good deal of some executives' time trying to look busy enough to impress their subordinates.

POLITICAL ANNOUNCEMENTS

78th District Judge—**STANLEY C. KIRK**

MRS BAIRD'S

Stays Fresh Longer

You say you wonder what your phone will be like in the year 2000?

By the turn of the century, chances are you won't recognize the familiar telephone. Based on services already in use or on the drawing boards, you can expect some pretty far-out developments.

For example, Picturephone* see-while-you-talk service, already in

limited use, might well be offered in full color and three dimensions. With it, you could do the family grocery shopping, look at the new cars, or buy a new hat without leaving the house.

Electronic switching equipment, now in trial use, will call you back when a busy line you have called is free, or transfer your calls to another phone while you're away from home.

Telephones will be free to go where you go. A cordless portable extension phone, complete with dial, is currently undergoing tests.

Money handling will be revolutionized. You won't need to write checks or pay cash for most purchases. A telephone call to your bank's computer will take care of the payment. The same system will automatically pay monthly bills which you authorize and keep track of your bank balance. It might even figure your income tax.

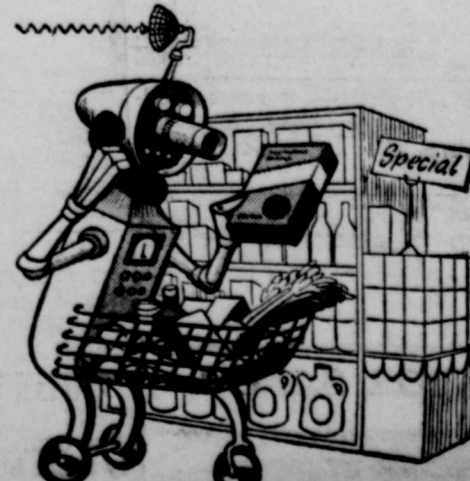

By the year 2000, your telephone will probably be doing many other jobs that now seem unthinkable. But then,

television, satellites, computers—even the telephone—were "impossible" 100 years ago.

Looking ahead to keep ahead in communications is one way we try to make your every "hello" a real good buy.
