Welcome Dr. Ruth Ebangit

Dr. Ruth Ebangit begins practice in Haskell

by Caron Yates

There have been many exciting changes and additions to the Haskell Memorial Hospital over the past several months. At the top of the list is the addition of a new doctor to the medical staff.

Dr. Ruth Ebangit began seeing patients Monday, August 11 at the Hospital Clinic in Haskell. Dr. Ebangit was born and lived in Kenya for the first nine years of her life. She moved with her family to Uganda in East Africa, where she attended and graduated high school.

Her plans for college brought her to the United States in 2000, where she entered Oral Roberts University in Tulsa, Oklahoma. In 2004, Dr. Ebangit earned a Bachelor of Science Degree in Biology. Upon graduation, she went to work as a research technician at the University of Texas-Southwestern in Dallas.

The next step on her educational path, was to the Caribbean island of Grenada. There she began and completed a Master's Degree in Public Health at St. George's University. Shortly after graduating, she was accepted into medical school, also at St. George's University. Dr. Ebangit finished medical school in 2011, after doing a clinical rotation in New Jersey.

Three days later, she made

her way to San Antonio, to begin a three year residency program at the University of Texas Health Science Center, finishing on June 30th.

Dr. Ebangit's immediate family includes her mom and dad, who met in college at Denton. Her dad, born and raised in Uganda is an economist and her mom, raised in Dallas, is a nutritionist. After moving back to Uganda, they are now serving full-time as missionaries. She also has one brother, who is a mortician in the Dallas-Fort Worth area. Her younger sister is a student at the University of North Texas in Denton, studying school finance.

Board certified in family medicine, she has a special interest in women's health, the pediatric population and nutrition as it relates to obesity. One of her goals as a new doctor, is encouraging patients to take responsibility for their own health, through a preventative medicine approach.

After many years of school, Dr. Ebangit looks forward to a more balanced life between career and home. She enjoys cooking and baking, as well as crocheting. She even thinks she will like learning the skills of gardening and yard work. Her faith is super important and at the top of her priorities.

Dr. Ebangit says she is

very excited to be in Haskell and is anxious to meet new friends, new patients and

new people. A reception to introduce Dr. Ebangit is being planned. We look

forward to getting to know her, as she begins her new career in Haskell.

NEW DOCTOR—Dr. Ruth Ebangit has joined the medical staff at Haskell Memorial Hospital. She began seeing patients this week at the Hospital Clinic.

Albert Plutt

AL PLUTT
Funeral services for Albert Plutt, 87, of Haskell were held Fri., Aug. 8 at First Baptist Church in Haskell with Rev. Jim McCurley officiating. Arrangements were made with Smith Family Funeral Homes. Per his wishes, he was cremated and returned to his home in Colorado.

Mr. Plutt passed away Monday afternoon, Aug. 4 in Abilene, under the wonderful care of Hendrick Hospice.

The youngest of four boys, Al was born Dec. 16, 1926, in Panama, Illinois to his Yugoslavian immigrant parents, Rosie (Pikon) and Matthew Plutt. His father passed away when Al was young and his mother was left with the responsibility of raising four young boys on her own. Al graduated high school in Hillsboro, Illinois in 1944 and on Dec. 9, 1944, he proudly entered the United States Navy in Great Lakes, Illinois and served during World War II in Guam. Al was assigned to sea duty aboard mine sweeper USS YMS 353. He was honorably discharged in Los Angeles, California on Aug. 9, 1946, as a Seaman First Class.

He began his career with Pacific Bell Telephone Company in Los Angeles

and soon met a pretty red headed Irish girl named Jeanne Sweeney. Al married Margaret Jean Sweeney in Whittier, California Nov. 20, 1949, at Our Lady of Perpetual Help Catholic Church. They were married 63 years at the time of Jean's death in October 2012. Al and Jean made their home in Whittier and San Clemente, California for several years before being transferred to Woodland Park, Colorado where Al remained with Mountain Bell Telephone Company until his retirement in 1981. Al and Jean lived and raised their family in Colorado for more than 35 years before living a short time in Arizona, and then moving to Haskell to live closer to their daughter and granddaughter.

Al was a gentle and kind spirited man that loved his family. He enjoyed gardening, both vegetables and flowers, and was known to have the nicest garden in town. Everything was shared, whether it be his potatoes and carrots from the garden or the beautiful bouquets of delphiniums and lilacs he so proudly grew.

Al served as President of the Telephone Pioneers Union; lifetime member of the Thomas E. Kelly VFW Post 6051 in Woodland Park, Colorado and the Elks Lodge #316 in Cripple Creek, Colorado. An avid fisherman, Al was happiest either out on the ice or on a bank fishing for hours—sometimes days. He enjoyed many fishing trips with his two sons to various lakes in Colorado and Nebraska. He has passed his love of fishing down to all of his grandsons, not to mention a granddaughter or two.

He was preceded in death by his wife, Margaret Jean Plutt; his parents, Matt and Rosie Plutt; and his three brothers, John, Frank and Victor.

Al's memory will remain alive by his two sons, Steve Plutt and wife Kim of Lake George, Colorado and Stan Plutt and wife Carol of Florissant, Colorado; daughter, Meg Case of Haskell; grandchildren, Haley Smith and husband Brad of Haskell, Jim Plutt and wife Louise of London, Jen Plutt and wife Christie of Lake George, Colorado, Theresa Smith and husband T.J. of Florissant, Colorado, Daniel Plutt and wife Keisha of Florissant, Colorado, Doug Case and fiancé Erica Balcao of Lodi, California and David Case and wife Emily of Mesa, Arizona. Also surviving are his great-grandchildren, Camden and Henry Smith of Haskell, Karsten Matthew Plutt of London, Cy and Christopher Plutt of Lake George, Kyle Plutt of Florissant, Brycen and Shalyn Smith of Florissant, Addison Plutt of Florissant, and Claire Margaret-Jean Case of Mesa.

Serving as pallbearers for Al were his three grandsons, Daniel Plutt, Henry Smith and Kyle Plutt, as well as Robert Tribbey, Steven Grand, Tim Larned, Heath Pinkerton and Steve King.

If desired, memorials may be made in Al's name to Hendrick Hospice, 168 Hickory St., Abilene, Texas, 79601.

Online condolences may be shared with the family at www.smithfamilyfh.com.

Dear Parent/Guardian:

Children need healthy meals to learn. **Rule ISD** offers healthy meals every school day. Breakfast costs *Free*, lunch costs *Pre-k-5 \$2.00 and 6-12 \$2.25*. Your children may qualify for free meals or for reduced-price meals. Reduced price *Free* for breakfast and *\$.40* for lunch. The following questions and answers will provide information about the Free and Reduced-Price Meal Program.

- 1. Do I need to fill out an application for each child?** No. Complete one *Free and Reduced-Price School Meals Application* to apply for free or reduced-price meals for all children in the household. We cannot approve an incomplete application, so be sure to fill out all required information. Return the completed application to: *Norma Rios, 1100 Union Ave., Rule, TX 79547.*
- 2. Who can get free meals?**
 - Income:** Your children can get free or reduced-price meals if your household's gross income (total, without deductions) is within the limits described on the *Federal Income Eligibility Guidelines*.
 - Special Program Participants:** All children in households receiving benefits from the Supplemental Nutrition Assistance Program (SNAP), Food Distribution Program on Indian Reservations (FDPIR), or Temporary Assistance for Needy Families (TANF), can get free meals regardless of income. Children who attend Head Start, early Head Start, and Even Start are also eligible for free meals.
 - Foster:** Foster children under the legal responsibility of a foster care agency or court are eligible for free meals. A foster child is eligible for free meals regardless of the income of his or her resident household.
 - Homeless, Runaway, and Migrant:** Children who meet the definition of homeless, runaway, or migrant qualify for free meals. If you haven't been told about a child's status as homeless, runaway, or migrant, please call or email *Shannon Deen, 1100 Union Ave., Rule, TX 79547.*
- If you have received a letter of notification that your child is directly certified for free meals, do not complete an application, but do let the school know if any children in your household who attend school are not listed on the letter.
- 3. Should I fill out an application if I got a letter this school year saying my children are approved for free or reduced-price meals?** Carefully read the letter you received and follow the instructions. Call your child's school at 940-997-2246 if you have questions.
- 4. My child's application was approved last year. Do I need to fill out another one?** Yes, your child's application is only good for one school year and the first few days of this school year. You must send in a new application unless the school told you that your child is eligible for this school year.
- 5. I get WIC. Can my child(ren) get free meals?** Children in households participating in WIC may be eligible for free or reduced-price meals; please fill out an application.
- 6. What if my income is not always the same?** List the amount that you normally receive. Even if you missed some work in the last month, put down your usual pay. If you normally get overtime pay, include it. If you have lost a job or had your hours or wages reduced, use your current income.
- 7. We are in the military. Do we include our housing allowance as income?** If you get an off-base housing allowance, it must be included as income. If your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. **Is combat pay counted as income?** No, if combat pay is received because of deployment in addition to basic pay and was not received before deployment, combat pay is not counted as income.
- 8. May I apply if someone in my household is not a U.S. citizen?** Yes. You or your child(ren) do not have to be U.S. citizens to qualify for free or reduced-price meals.
- 9. Will the information I give be checked?** Yes, we may ask you to send written proof.
- 10. If I don't qualify now, may I apply later?** Yes. You may apply at any time during the school year. If your household income or circumstances change, you may become eligible for free or reduced-price meals.
- 11. Who should I include as members of my household?** You must include yourself as well as others living with you who share income and expenses—related to you or not (grandparents, other relatives, or friends). You must include yourself and all children living with you. Do not include others who live with you who are economically independent—that is anyone you do not support, does not share income with you, and does pay a pro-rated share of expenses.
- 12. What if I disagree with the school's decision about my application?** You should talk to school officials. You also may ask for a hearing by calling or writing to: *Barry McBroom, 1100 Union Ave., Rule, TX 79547.*
- 13. My family needs more help. Are there other programs we might apply for?** To find out how to apply for other assistance benefits, contact your local assistance office or 2-1-1.

Haskell Home Health Agency

Helping You Feel Right at Home!

What is Home Care?

Home Care. The words just seem to go together. One thing is certain, when you are sick or injured there really is no place LIKE HOME. When illness makes leaving difficult, home care means recovery, in the security and comfort of your own home. It means being in control-managing your illness or injury. Registered Nurses, Licensed Vocational Nurses, Home Health Aides and Physical Therapists all work with the physician in caring for an individual in their home. Haskell Home Health Agency will serve as the physician's eyes and ears in the community, often preventing a condition from worsening. Our goal is to keep individuals independent at home.

Haskell Home Health Agency provides the highest level of nursing and supportive care at home. Haskell Home Health Agency takes pride in their dedication to their patients and family. Through Haskell Home Health Agency's skilled nursing staff, we can provide, on an intermittent basis, such services as I.V. medications, heart monitoring, wound care, vital signs, insulin injections, medication management and many other services.

Who is eligible to receive home care?

Anyone who is ill can receive home health care with a physician's approval.

How much does it cost for home care?

Home care services are generally payable by Medicare, Workman's Compensation, many insurances or by private arrangement.

If home is where you would rather be, call us to find out more.

What questions regarding home care do you have for the nurse? Send your questions to Haskell Home Health Agency, 417 S. First, Haskell, TX 79521 or call 940-864-5074 or 1-877-864-5074.

HERE'S TO YOUR HEALTH-AT HOME is brought to you by Haskell Home Health Agency providing home care services in Haskell, Knox, Stonewall, Throckmorton and Jones Counties

Financial assistance for child care available for families

by DaLinda Black
CEA/FCS, Haskell Co.

Parents who work, attend school or participate in job training may be eligible for financial assistance with child care. Workforce Development Boards administer child care assistance through the Workforce Solutions offices.

Parents have the right to choose the type of child care that best suits their needs and to be informed of all child care options available, including:

- Licensed child care centers
- Licensed and registered family homes
- Relative-provided care

To determine if you are eligible for child care assistance, contact your Workforce Solutions office. To search for private or public-assisted child care or for educational services for children, visit 2-1-1 Texas or <http://www.twc.state.tx.us/svcs/childcare/child-care-services.html> Eligibility.

Child care assistance is available only for children under the age of 13 in any of these circumstances:

- Whose parents are receiving or transitioning off of public assistance
- Who are receiving or needing protective services
- Whose families are low-income

There may be additional eligibility requirements based on where you live, because requirements vary by Workforce Development Board area. For example, Workforce Development Boards may:

- Establish an income eligibility limit that best meets local needs, as long as it does not exceed 85 percent

of the state median income for a family of the same size

- Provide care for children with disabilities up to the age of 19
- Determine the length of time a parent may be in education activities and receive child care assistance
- Establish the parent's share of cost
- Establish the provider's maximum reimbursement rate
- Establish attendance policies

For more information about the eligibility requirements for subsidized child care, contact your Workforce Solutions office or <http://www.twc.state.tx.us/svcs/childcare/child-care-services.html> Child Care Provider Options.

Parents have the option of selecting regulated or relative providers, some of which have received

additional state or national accreditations. Parents also may select from providers who are listed, but not regulated.

Regulated providers include those in any of these categories:

- Licensed by the Texas Department of Family and Protective Services (DFPS)
- Registered with DFPS
- Licensed by the Texas Department of State Health Services as a youth day camp
- Operated and monitored by the United States military

Relative child care providers are individuals who are at least 18 years of age and, by marriage, blood relationship or court decree, one of the following:

- Child's grandparent
- Child's great grandparent
- Child's aunt
- Child's uncle

- Child's sibling (if the sibling does not reside in the same household as the eligible child)

Listed child care providers are family homes, other than the eligible child's own residence, that are

listed by, but not licensed Department of Family and Protective Services.

Deadline for USDA loan applications is Sept. 30

The U.S. Department of Agriculture (USDA) Texas Farm Service Agency (FSA) Executive Director, Judith A. Canales, announced that farmers and ranchers still have time to apply for low interest 2014 loans available through FSA's direct farm ownership program. The deadline to submit applications is Sept. 30, 2014. Eligible producers can

borrow up to \$300,000 in direct farm ownership loans to buy or enlarge a farm, construct new farm buildings or improve structures, pay closing costs, or promote soil and water conservation and protection. The interest rate on select loans can be as low as 1.5 percent with up to 40 years to repay.

"This is an extraordinary opportunity for more farmers and ranchers to get low-interest loans to start their first farm, or expand an existing family farm," said Canales. "There are no backlogs or waiting for funding. If you've dreamed about starting a farm, or if

you're looking to strengthen your farm, we want to help." FSA encourages all interested applicants to apply for direct farm ownership

loans. For more information about the program and other loans administered by FSA, visit any FSA county office or www.fsa.usda.gov.

This Week's Devotional Message:

The word 'help' is one of the most versatile ones in our language. It can mean something as little as holding a door open for someone, or as much as offering your services as a full-time volunteer to help the poor. Your local community is full of people and organizations in need of your assistance, and this list includes your house of worship. When you think of all the blessings you have received there if you

have been attending the services regularly, you will be filled with a natural desire to do whatever you can in return. This might involve making phone calls, typing the bulletin, baking cookies, painting the stripes in the parking lot or performing some other needed job. You depend on the Lord for many things; show Him that He can depend on you to be there when you are needed.

Enrollment for USDA Cotton Transition Program underway

U.S. Department of Agriculture (USDA) Farm Service Agency Administrator Juan M. Garcia announced that farmers can enroll in the Cotton Transition Assistance Program (CTAP) from Aug. 11, 2014 through Oct. 7, 2014.

The program, created by

the 2014 Farm Bill, provides interim payments to cotton producers during the 2014 crop year until the Stacked Income Protection Plan, a new insurance product also created by the legislation, is available. Details on the plan will be released by mid-August.

"The Cotton Transition Assistance Program is another milestone in USDA's ambitious timeline for implementing the provisions of the 2014 Farm Bill. Cotton producers now have a risk management tool in place," said Garcia. "To help us provide the best service possible, cotton producers are encouraged to schedule an appointment with their local Farm Service Agency office early in this enrollment period," added Garcia.

CTAP applications approved before Oct. 1, are subject to congressionally mandated automatic reductions of 7.2 percent for the 2014 crop year. Applications approved after Oct. 1 will be reduced the required 7.3 percent for the 2015 crop year. The Budget Control Act of 2011 requires USDA to implement these

reductions to program payments.

CTAP and the Stacked Income Protection Plan were established by the 2014 Farm Bill. The Farm Bill builds on historic economic gains in rural America over the past five years, while achieving meaningful reform and billions of dollars in savings for taxpayers. Since enactment, USDA has made significant progress to implement each provision of this critical legislation, including providing disaster relief to farmers and ranchers; strengthening risk management tools; expanding access to rural credit; funding critical research; establishing innovative public-private conservation partnerships; developing new markets for rural-made products; and investing in infrastructure, housing and community facilities to help improve quality of life in rural America. For more information, visit www.usda.gov/farmbill.

For more information about CTAP, visit a local FSA office or go online to www.fsa.usda.gov.

Commissioners' Court report

The Haskell County Commissioners' Court met July 14 with County Judge David Davis, and Commissioners, Billy Wayne Hester, Tiffen Mayfield, Kenny Thompson and Neal Kreger present.

Janis McDaniel, County Treasurer, found several quarterly reports were incorrect. They had underpaid the state because of receipting errors. Some fees were receipted as jury fees instead of jury reimbursement. McDaniel has contacted Rod Deats of the Comptroller office and she was told to send in correct reports along with a letter explaining the receipt errors. McDaniel reported that this has been corrected.

Judge Davis stated that cloud seeding had begun.

Sheriff Winston Stephens reported to the County Treasurer that Kenny Barnett had been moved to Head Deputy. Starting the next pay period, his salary will show the pay increase.

No burn ban is in effect. A motion to help the City of Haskell clean out the creek on Avenue L passed, however, Commissioner Thompson stated that the area was too wet to clean at this time.

Paint Creek ISD today announced its policy for providing free and reduced-price meals for students served under the National School Lunch program and School Breakfast Program.

The Business Office has a copy of the policy, which may be reviewed by any interested party. The household size and income criteria identified below will be used to determine eligibility for free and reduced-price benefits. Students from households whose income is at or below the levels shown are eligible for free or reduced-price meals. Foster children who are the legal responsibility of the state agency or court are eligible for free meal benefits regardless of the income of the household with whom they reside.

Application forms are being distributed to all households with a letter informing households of the availability of free and reduced-price meals for their children. Applications also are available at the Secretary's office. To apply for free and reduced-price meals, households must fill out the application and return it to the school. Applications may be submitted anytime during the school year. The information households provide on the application will be used for the purpose of determining eligibility and verification of data. Applications may be verified by the school officials at any time during the school year.

For school officials to determine eligibility for free and reduced-price benefits, households receiving Supplement Nutrition Assistance Program (SNAP) benefits (formerly Food Stamps)/Temporary Assistance for Needy Families (TANF) only have to list their child's name and SNAP or TANF case number. An adult household member must sign the application.

Households that do not list a SNAP/TANF case number must list the names of all household members, the amount and source of the income received by each household member, and the last four digits of the Social Security number of the adult household member who signs the application. If the adult who signs the application does not have a Social Security number, the household member must indicate that a Social Security number is not available by writing the word "None," "No Number," or some indication that the person does not have a social security number. The application must be signed by an adult household member.

Under the provisions of the free and reduced-price meal policy, a School Official will review applications and determine eligibility. Parents or guardians dissatisfied with the ruling of the official may wish to discuss the decision with the reviewing official on an informal basis. Parents wishing to make a formal appeal for a hearing on the decision may make a request either orally or in writing to Rick Moeller, Superintendent.

If a household member becomes unemployed or if the household size increases, the household should contact the school. Such changes may make the students of the household eligible for benefits if the household's income falls at or below the levels shown above.

The U.S. Department of Agriculture prohibits discrimination against its customers, employees, and applicants for employment on the bases of race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income is derived from any public assistance program, or protected genetic information in employment or in any program or activity conducted or funded by the Department. (Not all prohibited bases will apply to all programs and/or employment activities.)

If you wish to file a Civil Rights program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, found online at http://www.ascr.usda.gov/complaint_filing_cust.html, or at any USDA office, or call (866) 632-9992 to request the form.
