The Jayton Jaybirds Post Strong 31-0 Win Over Roby Lions

The Jayton Jaybirds pleased the homecoming crowd here Friday night by dumping the favored Roby Lions 31-0 in a district contest.

Gene Cleveland led the charged-up Birds by scoring three of the touchdowns.

Cleveland scored first as he went in from the five and Randy Prince kicked the extra point.

Boyd Dees came back in the first quarter and went in from the one.

In the second quarter Cleveland scored on a one yard plunge and they went in at the half ahead 19-0.

After the half Cleveland scored again, this time a 2 yard drive, and then Robert Segura added the final tally going in on a 12 yard run. Only one extra point was added in the five touchdowns.

Gary Sumner led the defense, getting 16 tackles. Kyle Jackson made 11 and covered one fumble. Joe Martinez, Mario Segura and Randy Prince each had 8, Gene Cleveland 7, Charlie Arnold 6 and Donny Shipp 5.

The Jaybirds led in first downs 21 to 8, and 244 to 125 yards rushing. The Jaybirds completed 2 of 5 passes for 11 yards with one picked off. The Lions completed none of six and had one intercepted.

The Jaybirds lost one of six fumbles and Roby lost three of six.

The Jaybirds were penalized 4 times for 45 and the Lions 5 times for 45. The Jaybirds punted 4 times for an average of 33 yards and Roby punted four times for 32 yards average.

Seven From Kent County Register At Western Texas

SNYDER--Fifty-eight Texas counties are represented in the fall enrollment at Western Texas College, Dr. Duane Hood, Dean of Student Services and Registrar, said. There are also 18 students from states outside Texas and four students from Iran.

Freshmen outnumber sophomores by 797 to 265, and a large number of students (417) are attending college for the first time. Male students outnumber female students by eight. Only one time in its six-year history has WTC had more female than male students. That was in 1975 when female students outnumbered male students by 37.

There are 160 veterans attending WTC this fall, a decline of 15 from the previous fall when veteran enrollment reached its highest level.

Enrollment from counties in the immediate Scurry county area is as follows: Fisher 45, Garza 29, Howard 2, Maskell 43, Jones 43, Kent 7, Lubbock 15, Mitchell 78, Nolan 180, Scurry 492 and Taylor 15.

Attend Workshop

Mrs. Browning and Mrs. Hall attended a workshop Snyder, Wednesday, October 13. The workshop introduced the new method for writing shorthand and the changes being made in the bookkeeping textbooks.

It's rather peculiar but tolerance is a virtue that our adversary rarely has. People who violate the sound laws of nature pay the penalty without fail.

Donna Wright Is 1976 Jayton Jaybird Football Queen

The 1976 football queen and beau, Donna Wright and Mario Segara, were crowned at halftime of the game against Roby. Candidates were Penny Gregory and Patrick Parker, Freshmen; Shelly Williams and George Johnson, Sophomores; Danella Sartain and Randy Prince, Juniors; and Donna Wright and Mario Segara, Seniors.

The National Honor Society Has Its Induction Ceremony

The National Honor Society Induction Ceremony was held October 11 at 8 p.m. in the school cafeteria, for new members and their parents. President Boyd Dees welcomed the new members and guests. Lisa York presented membership cards to the new members who are: Danella Sartain, LaRhonda Carriker, Kelias Byrd, Brian Cleveland, Brent Cleveland, Randy Prince, and Otis Chunn. Other members include Boyd Dees, President; Lisa York, Vice President; LeAnn Kuenstler, Secretary; Bridgette Hamilton, Reporter; Jean Parker, Treasurer; and Gene Cleveland.

A reception followed the ceremony. Mrs. Kuenstler served the cake and Mrs. Waggoner served the punch. Approximately 25 attended the ceremony.

Pep Rally Held

Pep Rally was held 3 p.m. Friday, in the gymnasium. Several exes attended.

The skit began with a setting in the woods. There were four trees (represented by Janet Johnson, Penny Sumner, Bridgette Hamilton and Lisa York). The Roby Lions (Kathy McMeans, LeAnn Kuenstler, Shelly Williams, and Sally Garcia) set a trap for the Jaybirds. An owl (Grace Ryder) was caught in the trap. After releasing the owl, the Lions again hid behind the trees waiting on the Jaybirds. Guy Arney (Jaybird) finally flew in and spotted the hamburger in the trap which the Lions had forgotten to reset. He recognized the danger, reset the trap, and caught the Lions when they tried to steal the hamburger.

The seniors won the spirit stick. Pep speech was given by Mrs. Nichols who did an outstanding job.

Food Project Meeting Held

The Junior High 4-H girls had their first food project meeting on Wednesday October 13. The meeting was held in the kitchen of the community center and conducted by Adult Leader, Jan Harrison.

For the project meeting this year the girls are cooking gourmet foods.

Beth Owen prepared, Grapefruit salad, Johnna Richey, Carrots Juelienne, Beth Partridge, Peas and Corn in Sour Cream, and Jackie Harrison, Curried Chicken.

The girls will attend five more food project meetings before the Kent County Food Show which will be held on December 6.

The Kent County Historical Society Has Meeting 12th

The Kent Co. Genealogical and Historical Society met in the Community Center Tuesday night the 12th. Bess Porter, Roseanna Johnson, Ruby Hoggard, Jan Harrison, Mr. and Mrs. Tucker Reeve and Joy Kidd answered roll call.

After a short business meeting Jan Harrison presented a good program on searching census records. This was a tape recorded by Coy Hoggard at a class he was taking in Dallas. The teacher gave many good points in looking at census records and even those who have been doing this for sometime learned many things from this.

The next meeting will be November 9 and Miss Josie Baird from Rotan will present the program. We would like to urge everyone who can to attend this meeting. You don't have to be a member to attend.

Roseanna Johnson served refreshments of cake and Cokes.

Jayton Junior High Wins Two Games

On Thursday October 14, the Jayton Junior High football teams played host to the Roby Junior High.

The Junior High "B" team defeated Roby's "B" team by a close score of 12-8. The first half was a defensive battle with the half ending in a scoreless deadlock. Jayton opened the scoring midway through the 3rd quarter when Timmy Bryant broke off tackle on a power sweep, cut to the outside and dashed untouched to the end zone on a play covering 60 yards. The run for the extra points by Todd Dunham failed and the score remained 6-0 Jayton. Jayton's second score came early in the fourth period. The score was set up by a 30 yard punt return by Chris Williams to the Roby 8 yard line. On the next play Joe Eddie Segura scored the winning touchdown on an 8 yard reverse. The run attempt for the extra points by Chris Williams failed. The Roby score came late in the game with some 2 minutes left to play making the final score 12-8 Jayton.

The victory was a team effort for the young Jaybirds with both the offensive and defensive teams showing excellent effort and much improvement. Other members of the team were George Goodall and Brian Grice, linebackers, Hank Cravey, noseguard, Willie Cheyne, Gene Gaston and Gary Parker, tackles, Craig Gaston end, Jeff Capps, Striker, Kendall Stanaland, wingback, John Hilton, Center, Conrad Carriker, tackle, and Dale Ware, noseguard.

In the Eighth Grade game the Jaybirds were again victorious in a close game, by the score of 8-0. As the score indicates, the game was a defensive struggle for both teams. However the young Jaybirds had several fine drives which failed to score but kept the Roby Cubs in poor field position most of the game. The cubs did threaten to score twice but on each occasion good defensive effort kept the cubs at bay. The first threat by the Roby Cubs was stopped by a fine effort by Brian Parker as he made a touchdown saving tackle of a Roby player with a diving one-handed tackle at the Jayton 15 yard line after a 35 yard run. The Jayton defense rose to the occasion and took over the ball on downs at their own 8 yard line.

The Jayton score came on a keeper by Quarterback Jim Rider early in the second quarter following an exchange of punts. Joe McMeans kicked a fine punt of 38 yards putting the Cubs in the hole at their own 7 yard line. Failing to move the ball, Roby had a punt of 11 yards

Betty Smith Is The Jayton 1976 Homecoming Queen

A short homecoming program was held at 7 p.m. Saturday in the school auditorium.

The homecoming queen candidates were Betty Parker Culpepper, Geneva Lee Webb and Betty Hamilton Smith. Betty Smith was crowned by Joy Kidd as the 1976 reigning queen.

Music followed the crowning with Melodie Sorelle singing a solo. During her second song, she was accompanied by Janet Johnson and Bridgette Hamilton. Bobby Capps played the guitar. Part of the Jaybird band, directed by Jim Cockburn, played several jazz selections.

Awards were presented to the person who had traveled the farthest and to the person being the oldest. Eldon Wade traveled 600 miles from Arkansas to attend. William Alexander, 72, was the oldest attending.

Kent County Voter Records Are Good

Secretary of State Mark White today stated that Kent County is one of several Texas counties showing an exceptionally low voter registration error rate.

White said Kent County's low error rate demonstrated the competence and dedication of the people in the county tax assessor-collector's office who are involved with voter registration.

The error rate associated with each county is a reflection of how accurate their data is concerning basic information such as name, permanent address, sex, effective date of registration and certificate number.

White added that he believes Texas will have more registered voters for the November 2 General Election than at any time in history. Much credit for this, he said, is due to the dedicated efforts of local county tax assessor-collectors.

The Jayton School Holds Regular Meeting Thursday

In the meeting of the Jayton school board Thursday night, it was voted to renew the contract of Pritchard and Abbott. This Dallas based firm handles the evaluation of oil and gas properties in the school district.

A motion prevailed to borrow \$60,000.00 from Kent County State Bank at four percent interest. This is to tide them over until the tax money starts coming in.

They voted to accept the bid for Southern Bleacher Co. of Graham at a cost of \$7700.00. This is to renovate the bleachers on the visitors side of the stadium.

An order was passed changing the pay schedule for substitute teachers.

Also the minutes of previous meeting were read and approved, and the current bills were examined and ordered to be paid.

Bonfire Is Held

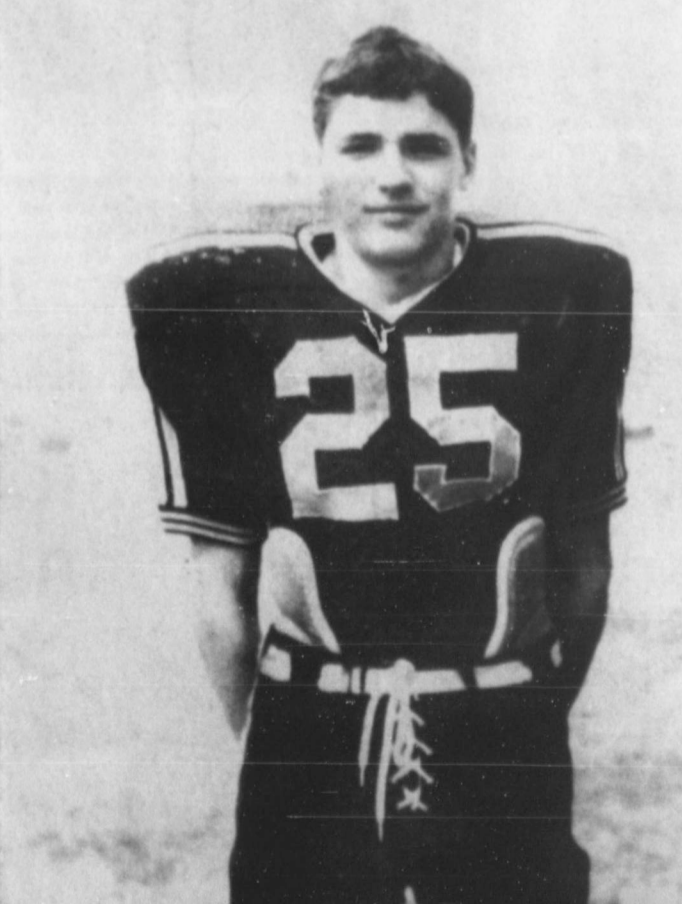

Homecoming began with a bonfire Thursday night following the junior high games with Roby. It was held at Credit Lake. Before the fire was ignited by Ed Hilton and Bill Wilson, there were several yells led by the cheerleaders.

Having lettered one year, sophomore Brian Cleveland is playing end and quarterback this year. He weighs 146 pounds and is the son of Mr. and Mrs. P.E. Cleveland. This makes his fourth year in Jayton. He is active in basketball, track, tennis and the National Honor Society.

Last year Brian played end and halfback and made five tackles.

Coach Richey says, "Brian is one of our fine sophomores that is working on the varsity this year with our spectacular teams. Brian is doing a fine job and could be one of our key players the next two years."

Freshman Danny Chunn is playing tailback and line backer for the junior varsity this year. His parents are Mr. and Mrs. Lewis Chunn, and they have resided in Jayton eight years. Danny is wearing No. 25 this year and weighs 160 pounds.

Danny played wing-back for the junior high team last year and his Coach states, "Danny is one of our good young linebackers. He is playing on the J.V. this year and is doing a fine job for us."

Wearing jersey No. 30 is Brent Cleveland who plays end and quarterback for the Jayton Jaybirds. Classified as a sophomore, he is the son of Mr. and Mrs. P.E. Cleveland. Brent is active in basketball, track and the National Honor Society. Brent weighs 150 pounds and has been in Jayton four years.

In last years game, Brent played half back. He completed three tackles. His coach states "we were expecting fine things from Brent this year but Brent broke his leg in our first scrimmage and had to sit out this year. Brent will make a fine football player."

Wearing No. 33 and weighing 150 pounds Leslie Partridge is playing quarterback on the Jayton Jaybird Junior Varsity team. He is the son of Mr. and Mrs. Edd Partridge.

Leslie is a junior this year and has resided in Jayton for 2 1/2 years. He is active in basketball, track and 4-H.

His coach states, "Leslie has been learning a new position this year. Leslie was a lineman but because he has a good passing arm we have moved him to Quarterback and is in a learning process. Leslie is one of our bright spots on our J.V. this year."

Well, far and away the most exciting of the three big debates on national television was between the number two boys, Senator Mondale and Senator Dole.

Speaking entirely off the cuff and without notes, they each proved to be good thinkers, and quick on the answers.

Who won, would probably depend on who you wanted to win. I thought Mondale, the Democrat on Carter's ticket was the most suave, and the best speaker. However Dole, on Ford's ticket proved to be a real gut-fighter, and really dug in hard. With every sentence he gave the demos a verbal knife stab, and then twisted the knife in the wound.

Twice Dole was apparently embarrassed, as he was faced with earlier quotations, wherein he was in sharp difference to his boss, Jerry Ford, but he spared it away in a skillful dodge.

The Democratic national chairman, after the debate was high in his praise for Mondale, and also Texas Republican campaign manager John Connally was asked his opinion as to who won, and he took advantage of the occasion to make a speech himself.

Probably very few people were enticed to change the way they will vote, but they definitely know quite a bit more about the vice presidential candidates, and to me this is good.

The general election in Texas and around the nation is only two weeks away, and activity is picking up. In Crosby County the democrats are actively working for the Carter and Mondale ticket, and this is sure to be reflected in the vote. Crosby County has always been strong with loyal party people and they do not sit idly by.

In contrast to this, when you go north and west from here you get into areas where the Republican candidates always draw strong in the general election. In fact, only until recently when Jack Hightower was elected to the Congress, the Panhandle has had a Republican in Congress for a long time.

Up in Tulia, H.M. Baggerly, the long time ultra liberal loyal democratic editor of the Herald, enjoys punching at the Amarillo daily for their John Birch brand of conservatism, and he accused them of slanting the news in that direction. This is definitely a case of the pot and kettle. The Amarillo Republicans could not possibly give the news a more conservative slant than Baggerly gives it a liberal slant.

A couple of Sundays ago Dr. Criswell, pastor of the world's largest Southern Baptist Church in Dallas, with a reported 19,000 members, had President Ford as a special guest, and in his sermon he leveled a verbal blast at democratic presidential candidate Jimmy Carter.

Quite a number of Southern Baptist ministers have expressed differences of opinion, stating that Criswell was unwise to bring politics into his pulpit.

The chairman of the Texas Democratic Party, was not moved by Criswell's remarks. He said everyone has known all along that Criswell was a Republican, and they were not surprised at his move.

I am not acquainted with Criswell, except what I read about him in the papers, but he lost me, in his debate with Madeline O'Hair, the infamous infidel from Texas a couple of years ago. Criswell let her back him into a corner, and then he is said to have lost his "cool" and engaged in a shouting match with her.

My opinion is, he really earned his degree and title as doctor of theology, then he should have been able to employ enough self control to keep his cool in the debate. And in the second place, if he had been better acquainted with his textbook (the bible) and his title indicates that he should be, then he would have had no trouble nailing his opponent in the debate anyway.

So much for Dr. Criswell.

Charles Richards, in his column "Surveying" in the semi-weekly LeCalland Surveyor, makes these observations of wisdom:

A lot of people are like wheelbarrows-not good unless pushed.

Some are like canoes--they need to be paddled.

Some are like kites--if you don't keep a string on them, they fly away.

Some are like footballs--you can't tell which way they will bounce next.

Some are like balloons--full of wind and ready to blow up.

Some are like trailers--they have to be pulled.

Some are like a good watch--open faced, pure, gold, busy hands, well regulated and full of good works.

Vote For No. 2 On November 2

Following is a message from Josiah Wheat, chairman of Texas for Clean Water, a volunteer group organized to inform Texas voters regarding provisions of Proposition 2 on which they will vote on November 2. Wheat, a Woodville attorney, is a past president of the State Bar of Texas and the Texas Water Conservation Association.

It was Will Rogers who said, "Even if you're on the right track, you'll get run over if you just sit there."

Texas has not been just sitting there with its water clean-up program. What was once our most horrible example--the Houston Ship Channel--is now clean enough that fish and other marine life swim around throughout its entire length. The Trinity River, probably our most troubled stream, is improving even though it must accept a tremendous load of treated municipal sewage from the Dallas-Fort Worth metropolplex and from other municipalities as it flows southward through East Texas. And our lakes are in good condition.

People generally are surprised to learn that waste discharges from cities and towns have a greater effect on water quality in our rivers and streams than do discharges from other sources. Our immense (and valuable) industrial complexes have contributed their share, certainly, though most of the large industries in the state have spent, and are spending, millions of dollars toward water pollution abatement. But on a statewide basis, it is our municipalities which must come to town if the waters in Texas are to be further improved. And in this case, tax means dollars.

Thus, on November 2 Texas voters will have an opportunity to help cities and towns bring their waste discharges to a level which will protect the waters in the state, by casting their votes for Proposition 2. This is a constitutional amendment to provide added money for the state's Water Quality Enhancement Fund.

Five years ago--in the 1971 General Election--Texas voters had the same opportunity, and they approved a constitutional amendment which created the Water Quality Enhancement Fund. Out of eight amendments on the ballot that year, it was the only one which passed. Now that fund is running low and it needs a leg-up from the people of Texas so that cities and towns can continue to improve their sewage treatment facilities.

The Water Quality Enhancement Fund is a self-liquidating program from which local governments may borrow, on a pay-back basis, money to improve or rebuild their sewage treatment facilities when money is not available from other sources. Few, if any, cities can finance such extremely costly construction work from tax and revenue funds on hand. Federal grant money is a possibility, to be sure, but for many municipalities grants are available only in the far distant future. In the meantime, their waste discharges continue to degrade the quality of the waters in Texas rivers and streams.

Texas is fortunate in that, as long ago as the 1930's, towns were required to provide secondary treatment of their waste discharges, so that today we are not confronted with problems resulting from raw sewage going in great quantities to the waters of the state, a severe problem in some other states. But many sewage treatment plants in Texas were built 50 or 40 years ago, or longer, when populations were small, when there were no automatic washing machines, no dish washers, no garbage disposals, and before Texans en-

thusiastically opted for the daily shower as a replacement for the Saturday night bath.

Through the years most of those plants have worn out, and nearly all of them are insufficient for today's needs. In short, they need help.

And help, in many cases, comes from the Water Quality Enhancement Fund. Since that fund was established five years ago, more than 120 municipal governments have borrowed from it to do the construction work which the state has required that they do in order to protect the waters of the state.

Money from the fund can be used only for the construction of treatment plants, collection lines and other facilities needed for waste treatment. And no new taxes are involved since the fund is self liquidating, though the total amount of money available fluctuates constantly as new loans are made and as pay-backs enter the fund.

The Jayton Chronicle

Box 235, Jayton, Texas 79528, 806-237-3593
Alton E. Richards Publisher
Opal M. Richards Editor

Advertising rate \$1.08 per column inch. Classified rate 10c per word first insertion, 8c per word each additional issue. Cards of Thanks \$2.00 Minimum, charge \$2.00 - \$5.00 if paid in advance.

Originally established as a \$100 million bond program, an additional \$100 million now is needed to keep the fund going since money in the account is down to some \$20 million. To keep the dollars in perspective, remember that the cost of sewage treatment facilities for even a small town can exceed \$4 million. For larger cities costs can run into the hundreds of millions of dollars. The City of Houston, for example, now has a \$500 million dollar construction program going.

To borrow from the fund, a municipal government must make application to the Texas Water Quality Board and each loan must be approved by an official Board Order. The fund itself is carried in a specific account within the Texas Water Development Board's bond funds, but is maintained and

accounted for separately from any other funds.

Proposition 2 on the November 2 ballot gives every Texas voter an opportunity to participate in better water quality throughout the state, and Texans for Clean Water urge voters to vote FOR that constitutional amendment. We cannot leave the quality of the waters in our state to chance.

Removing the THORN

Almost everyone that has ever removed a shoe and run barefoot through the fields, knows of the wonderful feeling of freedom that this gives. Most, also have known what it is to remove a sticker or a thorn. The first attempts to pull it out are usually handled so gingerly and slowly, and then, screwing up your courage you yank it out, and find that this was the easiest way after all.

There are many thorns in life, and these evils should be removed swiftly, and put out of our lives. Attend Church, receive help and encouragement in removing the thorns from your life.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and His demand for man to respond to that love by loving his neighbor. Without this guiding in the love of God, no government or society or way of life will long preserve and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Favorite Recipes of Opal Richards

Squash Pie

1 cup mashed cooked Hubbard squash
 2 cup sugar
 1/2 cup butter, melted
 2 tsp. ground cinnamon
 1/4 tsp. ground ginger
 1/8 tsp. ground nutmeg
 4 lightly beaten eggs
 1 1/4 cups milk
 1 unbaked 9-inch pastry shell with edges crimped high
 Combine squash, sugar, butter, spices, and 1/2 tsp. milk. Stir in eggs and milk. Pour into pastry shell. Bake at 350 degree till knife inserted off-center comes out clean, about 50 minutes. (Filling may seem soft). Cool.

Zucchini Con Patate

1 medium onion, sliced
 1/2 cup olive oil or cooking oil
 1 cup sliced zucchini
 1 medium potatoes, peeled and diced
 1 medium tomato, peeled and chopped
 1/2 cup dried oregano, crushed
 2 tsp. salt
 1/2 cup grated Parmesan Cheese
 In skillet cook onion in oil until tender but not brown. Add in vegetables, oregano, salt and 1/8 tsp. pepper. Cook, covered, until potatoes are tender, about 15 minutes. Serve with grated Parmesan cheese. Serves 4.

Zucchini Salad

1/2 cup white wine vinegar
 1/4 cup olive oil
 1/2 tsp. sugar
 1/2 tsp. dried basil, crushed
 1 clove garlic, minced
 1 cup sliced zucchini
 1/2 cup sliced green onion with tops
 1 medium tomatoes, cut in thin wedges
 In screw-top jar mix vinegar, oil, sugar, basil, garlic, salt, and few dashes pepper. Cover and shake well. Cook zucchini in small amount boiling salted water till crisp-tender, about 3 minutes; drain. Arrange half the zucchini in one layer in 10 x 6 x 2 inch dish. Shake dressing; pour half over zucchini. Top with remaining zucchini and dressing. Cover, chill overnight. To serve, slice zucchini, reserve 1/4 cup dressing. Arrange on a plate-lined plate; top with onion. Arrange tomatoes around zucchini; drizzle with reserved dressing. Chill before serving, if desired. Serves 8.

Note: The time is here when we will be thinking about holiday baking. Readers who would like to share their favorite recipes with others are invited to send in your recipe and it will be published.)

Sunshine 4-H Club Has Meeting

The members present October 18, were Todd Dunham, President, Chris Williams, Secretary, Jeff Capps, Reporter, Craig Murdoch, Council Delegate, Bob Brazee, Vice President, Delton Cleveland, Wes Fincher, Craig Gaston, Todd Bryant. Our name is Sunshine Boys. We are getting up a Junior entomology club; the members are Chris Williams, Toby Brazee, Delton Cleveland, Jeff Capps, Todd Bryant, Craig Gaston. There is a band called Moonshiners. Craig Murdoch and Roy Chisum are head of this band and the other members are; Todd Dunham, Beth Owen, Jackie Morrison and Wes Fincher.
 4-H Questions:
 Why do cows usually run in the spring?
 Answer: Heel Flies.
 Why should people drench cows in June and July?
 Answer: Grubworms.

3rd Grade News
 Mrs. Nina Fincher's third grade class recently issued a news bulletin, called Hot News. It contained some very interesting items. Some of them were:
 Sue Thompson's mother told the boys Grady and Shane to pick up their own toys and don't make their sister do it.
 To Give Away: Eight pretty puppies. If you want a puppy call Thelma Hamilton. 7-6145, there 15cents each. Sue Thompson's mother works.
 Monday Sue Thompson's dead overslept one morning.
 Monte and Wes had a bike race from the school to the cemetery. Monte won by 45 yards.
 Rickey Martinez' baby brother weighs 8 pounds and six ounces and talks all ready.
 Janet Williams has a goat and a horse to.
 David Gomez has to dogs and they can play football.
 Trey's dad was sow mad at the boys at the game Friday.
 Roxanne and Christy had a fight and got mad at each other.
 Mr. and Mrs. Bilby Wallace are building pens. Steve is the champion arm wrestler.
 Andy's cat and dog had fight.
 Wes beat Monte in an arm wrestling championship.
 The third graders moved their desks. Steve sets closest to the bathroom. He set closest to it last year too.
 Roxanne' daddy had a real bad toothake, but he's better now.
 Rickey Martinez nd Pat Hamilton are mad at each other.
 Christy H. and Cristy S. got in a fait because Christy H. wad not do what she wanted.

Junior High Wins
 From Page 1
 putting the young Jaybirds in business at the Roby 21 yard line. Two excellent runs by Joe McMeans placed the ball at the Roby 6 yard line from where Jim Rider took it in for the score. The run for the points after was successful on a power play up the middle by Joe McMeans.
 The final effort by the Roby Cubs was stopped by a pass interception by Brian Parker at the Jayton 12 yard line and the Jaybirds ran out the clock to clinch the victory. Other Jaybirds going an excellend job on offense and defense were Toby Brazee, David Summer, Mike Bagwell, Roger Chunn, Delton Cleveland, Wes Fincher, Sam Whitley, Todd Bryant, Roy Chisum, Joe Eddie Segura and Craig Murdoch.
 The two victories by the young Jaybirds followed on Friday by the varsities 31-0 victory over the Roby Lions made the way for a great homecoming for Jayton.

The Jayton J.V. Team played the Knox City J.V. on Thursday October 14th here in Jayton but found the Junior High act hard to follow as they lost the game 35-0. The Jaybird J.V. has found victories hard to come by as they have lost several key players to the varsity and have several players who have never played high school football before. The J.V. is working hard though and are improving each week and should get into the win column before the season is over. Members of the team are Leslie Partridge, Robert Partridge, Larry Luna, Larry Arnold, Chip Brazee, Nathan Brooks, Jimmy Smith, Lex Dunham, Dean Trammel, Greg Nauerl, Danny Chunn, Jimmy Rogers, Bobby Capps, Francisco Diaz, and Mike Owen.

Kent County Rest Home News

Veterans' Day
 Veterans' Day 1976 is observed on October 25th, originally Armistice Day, commemorating the end of World War I. In recent years the strong, unified sentiment that existed in 1917-1918 has not prevailed; instead, many exhibited hostility to the military and questioned Washington policies.
 However, those who served this country, often risking their lives, had nothing to do with policy decisions resulting in military operations. Rather, it was their duty to serve and to obey. To those who felt the sense of duty, who obeyed the law of the land, and sacrificed in serving this country, the nation owes gratitude and admiration.

Eliminate Texas right to work laws?
 Carter says yes.
 Ford says no.
 What do you say?
 Say it on Nov. 2nd.
 Vote for President Ford.

Reddy's helpful tips for your Home Laundry

- ✧ Avoid wasting hot water while laundering. Use the cold and warm water settings as much as possible to cut down on the energy needed to heat water
- ✧ Use the water level control on your washer. You should use less hot water for small loads.
- ✧ Follow detergent instructions carefully. Oversudsing makes your washing machine motor work harder than it needs to.
- ✧ Clean the lint filter on your washer and dryer after each load to keep your machine running efficiently.

Hembree of Abernathy who met their brother and mother here. They remained in Jayton for the school homecoming activities. He is the high school principal in Abernathy and she is an Abernathy elementary school teacher.

WAX
To remove wax from wooden candlesticks without scratching, hold them over a steaming kettle for a minute and wipe off the wax with a paper towel, advises Mrs. Linda McCormack, family resource management specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Reserve
Believing all you hear is matched only by telling all you know.
-Globe, Mason City, Ia.

Growing Up
You are only young once, but you can stay immature indefinitely.
-Chronicle, Odebolt, Ia.

True
Committees have become so important that a subcommittee has to be appointed to do the work.
-Gazette, Augusta, Kan.

It is hard to find a man who has studied for three years without making some progress in virtue.
-Confucius.

HOMEMADE BREAD
Cracks on the sides of homemade bread during baked show that good flour has been used, the ingredients are in correct proportions, the dough has been well kneaded, and the baking temperature is exactly correct, says Mrs. Mary Sweeten, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

PREGNANCY
Pregnancy is the greatest recognized cause of school dropout among teenage girls in Texas, Mrs. Ilene Miller, family life education specialist with the Texas Agricultural Extension Service, The Texas A&M University System, reports.

No Life On Mars
The major result of two Viking spacecraft landings on the red planet Mars seems to be a conclusion no life is possible on that faraway body.

That was the theory before Viking I and Viking II landed and carried out experiments. During the experiments some scientists went into a tizzy when it was thought organic materials on Mars were being found. Such tentative indications proved unfounded.

So we are back where we began, in one sense; on the positive side, the theory generally held before these space efforts has been confirmed. No little red men or green men—looking for red or green women—are therefore likely to land on this earth in a spacecraft from Mars.

TV viewers of zany space shows on the tube must project their imaginations beyond our solar system, apparently. Maybe little green men are out there somewhere (looking for little green women) but no one knows—except that they're not on Mars.

Likely
The best way to keep up with the Joneses is to take it easy and in a few years you'll meet them coming back.
-Overland Life.

Answers To Bible Verse
1. It is thought to be Solomon.
2. David.
3. In the Biblical sense, it means have reverence for or solicitude toward.
4. Proverbs 31:30.

BIBLE VERSE
"A woman that feareth the Lord, she shall be praised."
1. Who is the author of this verse?
2. Who was his father?
3. What does the word "feareth" mean?
4. Where may this verse be found?
Those who do not study are only cattle dressed up in men's clothes.
-Chinese Proverb.

STORAGE
Store potatoes, onion, winter squash, cushaw pumpkins in a cool, dry ventilated place, but in the refrigerator. Store potatoes in a cool dry place prevents greening, which is poisonous and causes bitter taste, Mrs. M. Sweeten, foods and nutrition specialist with Texas Agricultural Extension Service, The Texas A&M University System explains.

Blanket pardon for all draft evaders?

Carter says yes.
Ford says no.
What do you say?
Say it on Nov. 2nd.
